RESOLUTION NO. 2-2026-27

A RESOLUTION of the Board of Directors of Deer Park School District No. 414-200-61, Spokane, Stevens and Pend Oreille Counties, Washington, providing for the submission to the voters of the District at a special election to be held on February 9, 2027, of a proposition authorizing an excess tax levy to be made annually for three years commencing in 2027 for collection in 2028 of $3,947,283, in 2028 for collection in 2029 of $4,065,702, and in 2029 for collection in 2030 of $4,187,673, for the District's General Fund to pay expenses of educational programs and operations; designating the District's Director of Business Services and special counsel to receive notice of the ballot title from the Auditor of Spokane County, Washington; and providing for related matters.

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF DEER PARK SCHOOL DISTRICT NO. 414-200-61, SPOKANE, STEVENS AND PEND OREILLE COUNTIES, WASHINGTON, as follows:

Section 1. Findings and Determinations. The Board of Directors (the "Board") of Deer Park School District No. 414-200-61, Spokane, Stevens and Pend Oreille Counties, Washington (the "District"), takes note of the following facts and makes the following findings and determinations:

(a) Calendar year 2027 is the last year of collection of the District's current three-year General Fund educational programs and operations tax levy, which was authorized pursuant to Resolution No. 1-2023-24, adopted by the Board on September 25, 2023, and approved by the voters at a special election held and conducted within the District on February 13, 2024.

(b) With the expiration of the District's current three-year General Fund educational programs and operations tax levy, it appears certain that the money in the District's General Fund for the school years 2027-2028, 2028-2029, 2029-2030 and 2030-2031 will be insufficient to permit the District to meet the educational needs of its students and pay expenses of educational programs and operations not funded by the State of Washington (the "State"), all as more particularly set forth in Section 3 of this resolution, during such school years, and that it is necessary that a replacement excess tax levy of $3,947,283 be made in 2027 for collection in 2028, $4,065,702 be made in 2028 for collection in 2029, and $4,187,673 be made in 2029 for collection in 2030 for the District's General Fund to provide the money required to meet those expenses.

(c) The District's proposed three-year General Fund educational programs and operations tax levy authorized in this resolution provides for approximately the same educational programs and operations purposes as the District's expiring three-year General Fund educational programs and operations tax levy.

(d) Pursuant to Article VII, Section 2(a) of the Washington Constitution and laws of the State of Washington, including Revised Code of Washington ("RCW") 84.52.053, the District

may submit to its voters at a special election, for their approval or rejection, a proposition authorizing the District to levy annual excess property taxes for support of (*i.e.*, to pay or finance) the District's educational programs and operations expenses.

(e) The District has received or, prior to the time the ballot proposition authorized in this resolution is submitted to the voters, the District will have received approval of its educational programs and operations tax levy expenditure plan from the Office of the Superintendent of Public Instruction under RCW 28A.505.240 as required by RCW 84.52.053, a copy of which is or will be on file with the District.

Section 2. Calling of Election. The Auditor of Spokane County, Washington, as *ex officio* Supervisor of Elections (the "Auditor"), and the proper officer of the county to which the District belongs pursuant to chapter 28A.323 RCW, is requested to call and conduct a special election in the District, in the manner provided by law, to be held on February 9, 2027, for the purpose of submitting to the District's voters, for their approval or rejection, the proposition authorizing a replacement General Fund educational programs and operations tax levy on all of the taxable property within the District (the assessed value of such representing 100% of true and fair value unless specifically provided otherwise by law) to be made annually for three years commencing in 2027 for collection in 2028 of $3,947,283, the estimated dollar rate of tax levy required to produce such an amount being $1.50 per $1,000 of assessed value, in 2028 for collection in 2029 of $4,065,702, the estimated dollar rate of tax levy required to produce such an amount being $1.50 per $1,000 of assessed value, and in 2029 for collection in 2030 of $4,187,673, the estimated dollar rate of tax levy required to produce such an amount being $1.50 per $1,000 of assessed value, all in excess of the maximum tax levy allowed by law for school districts without voter approval. The exact levy rate and amount to be collected may be adjusted based upon the actual assessed value of the taxable property within the District and the limitations imposed by law at the time of the levy.

Section 3. Use of Taxes. If the proposition authorized by this resolution is approved by the requisite number of voters, the District will be authorized to levy the excess property taxes up to the amounts provided in this resolution to meet the educational needs of its students and pay expenses of educational programs and operations not funded by the State, including, but not limited to, student extracurricular activities, athletics, music, class size reduction, safety and security, nursing staff and technology, during the school years 2027-2028, 2028-2029, 2029-2030 and 2030-2031, all as may be authorized by law. Pending the receipt of those taxes, the District may issue short-term obligations pursuant to chapter 39.50 RCW or contract indebtedness pursuant to RCW 28A.530.080. Upon receipt, the District may use those taxes to repay such short-term obligations or indebtedness, all as may be authorized by law and determined necessary and advisable by the Board.

Section 4. Form of Ballot Title. Pursuant to RCW 29A.36.071, the Spokane County Prosecuting Attorney, as the county prosecuting attorney of the county within which the majority area of the District is located, is requested to prepare the concise description of the aforesaid proposition for the ballot title in substantially the following form:

PROPOSITION NO. 1

all as provided in Resolution No. 2-2026-27. Should this proposition be approved?

LEVY . . . YES ☐ LEVY . . . NO ☐

Section 5. Authorization to Deliver Resolution to Auditor and Perform Other Necessary Duties. The Secretary to the Board (the "Secretary") or the Secretary's designee is authorized and directed to: (a) present a certified copy of this resolution to the Auditor, the Auditor of Stevens County, Washington (the "Stevens County Auditor"), and the Auditor of Pend Oreille County, Washington (the "Pend Oreille County Auditor"), no later than December 11, 2026; and (b) perform such other duties as are necessary or required by law to submit to the District's voters at the aforesaid special election, for their approval or rejection, the proposition authorizing the District to levy annual excess property taxes for support of the District's educational programs and operations expenses.

Section 6. Notices Relating to Ballot Title. For purposes of receiving notice of the exact language of the ballot title required by RCW 29A.36.080, the Board hereby designates (a) the District's Director of Business Services (Brendon Myers), telephone: 509.464.5506; email: brendon.myers@dpsdmail.org; and (b) special counsel, Foster Garvey P.C. (Lee Marchisio), telephone: 206.447.6264; email: lee.marchisio@foster.com, as the individuals to whom the Auditor, the Stevens County Auditor and the Pend Oreille County Auditor shall provide such

notice. The Secretary is authorized to approve changes to the ballot title, if any, determined necessary by the Auditor or the Spokane County Prosecuting Attorney.

Section 7. Execution; General Authorization and Ratification. This resolution may be executed by the Directors being present and voting, or only the President of the Board (the "President"), and attested by the Secretary, in tangible medium, manual, facsimile or electronic form under any security procedure or platform, and notwithstanding any other District resolution, rule, policy or procedure, or in any other manner evidencing its adoption. The President, the Secretary, the District's Director of Business Services, other appropriate officials of the District and the District's special counsel, Foster Garvey P.C., are severally authorized and directed to take such actions and to create, accept, execute, send, use and rely upon such tangible medium, manual, facsimile or electronic documents, records and signatures under any security procedure or platform, and notwithstanding any other District resolution, rule, policy or procedure, as in their judgment may be necessary or desirable to effectuate the provisions of this resolution. All actions taken prior to the effective date of this resolution in furtherance of and not inconsistent with the provisions of this resolution are ratified and confirmed in all respects.

Section 8. Severability. If any provision of this resolution is declared by any court of competent jurisdiction to be invalid, then such provision shall be null and void and shall be separable from the remaining provisions of this resolution and shall in no way affect the validity of the other provisions of this resolution, or of the levy or collection of excess property taxes authorized herein.

Section 9. Effective Date. This resolution takes effect from and after its adoption.

Appropriate reports will also be made to law enforcement, the Office of the Superintendent of Public Instruction, and the student's parents or guardians, as required by law.

Nondisciplinary Dismissal
Nonrepresented classified employees and certificated administrators may be subject to nondisciplinary dismissal for behaviors. The option to use nondisciplinary dismissal does not obligate the district to do so or in any way limit or prevent the district from pursuing other responses as determined by the superintendent or designee.

Abuse and Sexual Misconduct
The district will not enter into any contract that is contrary to law to suppress information about verbal or physical abuse or sexual misconduct by a present or former employee and will comply with all legal requirements regarding such misconduct.

The district, or an individual acting on behalf of the district, shall not provide a recommendation of employment for a current or former employee, contractor, or agent that the district or individual acting on behalf of district knows or has probable cause to believe has engaged in sexual misconduct with a student or minor in violation of the law. District/school employees, contractors, and agents are also prohibited from providing a recommendation of employment to a current or former employee, contractor, or agent that the employees, contractors, or agents know or has probable cause to believe engaged in sexual misconduct with a student or minor in violation of the law. This does not prohibit the routine transmission of administrative or personnel files, but does prohibit doing more than that to help the current or former employee obtain new employment.

Suspension of Staff
The superintendent/designee is authorized to suspend a staff member immediately as deemed appropriate.

B. **Leaves in Units of Full or Half Days.** Leaves may be granted in units of half or full days only.

C. **Return from Leaves.** At the end of any leave shorter than 20 days in duration, sabbatical leave, or sick leave which does not exhaust the staff member's accumulated sick leave, the affected staff member is entitled to return to the position held when the leave commenced or to an appropriate comparable position.

Deer Park School District

2026-2027 SCHOOL BOARD GOALS

The DPSD School Board operates with a governance model with a focus on strategic direction, policy development, financial stewardship, community advocacy, and superintendent oversight ("deciding WHAT"), while delegating day-to-day administrative execution ("deciding HOW") to the superintendent.

The following synthesizes the Deer Park Strategic Plan 2025–2030, Board Operating Protocols, Superintendent Alexa Allman's Goals, the Washington Standards-Based Superintendent Evaluation Framework, and the WSSDA School Director Handbook to create DPSD Board Goals.

Goal 1: Board Governance Excellence, Superintendent Partnership & Community Advocacy

Maintain a unified, high-performing governance team with the superintendent by adhering to established operating protocols, conducting rigorous annual evaluations, practicing nonpartisan leadership, and actively advocating for district needs.

Measures of Success: Measured through the formal execution of the annual board self-assessment, the annual superintendent evaluation using state standards, and tracking compliance with board operating protocols and the Open Public Meetings Act (OPMA).

2026-2027 SCHOOL BOARD GOALS

Goal 2: Student Well-Being, Belonging & Safety Oversight

Establish policy direction and allocate fiscal resources to guarantee a safe, welcoming, and inclusive school environment where every student and staff member feels valued, respected, and supported.

Measures of Success: The board evaluates this goal by conducting systematic reviews of districtwide climate survey data, monitoring student attendance metrics, and auditing district policies regarding mental health resources, Multi-Tiered Systems of Support (MTSS), and bullying prevention.

Goal 3: Academic Engagement & Student Proficiency Governance

Provide strategic governance, policy oversight, and resource alignment to ensure all students achieve proficiency in essential course standards.

Measures of Success: The board measures this goal through structured data inquiry during public board meetings—reviewing quarterly academic growth dashboards provided by district administration, evaluating progress on High-Quality Instruction (HQI) observation targets, and monitoring the systematic integration of graduate competencies across all grade levels.

Goal 4: Fiscal Stewardship, Facilities Planning & Levy Execution

Fulfill the board's fiduciary duties by adopting a balanced, vision-aligned budget and leading policy and community engagement efforts to secure essential facility, infrastructure, and safety upgrades. Ensuring a successful EP&O levy (February 2027).

Measures of Success: Measured through monthly board review of budget expenditures, formal passage of board resolutions for ballot measures, monitoring completion & need of capital projects. EP&O levy passage.

RESOLUTION NO. 2-2026-27

A RESOLUTION of the Board of Directors of Deer Park School District No. 414-200-61, Spokane, Stevens and Pend Oreille Counties, Washington, providing for the submission to the voters of the District at a special election to be held on February 9, 2027, of a proposition authorizing an excess tax levy to be made annually for three years commencing in 2027 for collection in 2028 of $3,947,283, in 2028 for collection in 2029 of $4,065,702, and in 2029 for collection in 2030 of $4,187,673, for the District's General Fund to pay expenses of educational programs and operations; designating the District's Director of Business Services and special counsel to receive notice of the ballot title from the Auditor of Spokane County, Washington; and providing for related matters.

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF DEER PARK SCHOOL DISTRICT NO. 414-200-61, SPOKANE, STEVENS AND PEND OREILLE COUNTIES, WASHINGTON, as follows:

Section 1. Findings and Determinations. The Board of Directors (the "Board") of Deer Park School District No. 414-200-61, Spokane, Stevens and Pend Oreille Counties, Washington (the "District"), takes note of the following facts and makes the following findings and determinations:

(a) Calendar year 2027 is the last year of collection of the District's current three-year General Fund educational programs and operations tax levy, which was authorized pursuant to Resolution No. 1-2023-24, adopted by the Board on September 25, 2023, and approved by the voters at a special election held and conducted within the District on February 13, 2024.

(b) With the expiration of the District's current three-year General Fund educational programs and operations tax levy, it appears certain that the money in the District's General Fund for the school years 2027-2028, 2028-2029, 2029-2030 and 2030-2031 will be insufficient to permit the District to meet the educational needs of its students and pay expenses of educational programs and operations not funded by the State of Washington (the "State"), all as more particularly set forth in Section 3 of this resolution, during such school years, and that it is necessary that a replacement excess tax levy of $3,947,283 be made in 2027 for collection in 2028, $4,065,702 be made in 2028 for collection in 2029, and $4,187,673 be made in 2029 for collection in 2030 for the District's General Fund to provide the money required to meet those expenses.

(c) The District's proposed three-year General Fund educational programs and operations tax levy authorized in this resolution provides for approximately the same educational programs and operations purposes as the District's expiring three-year General Fund educational programs and operations tax levy.

(d) Pursuant to Article VII, Section 2(a) of the Washington Constitution and laws of the State of Washington, including Revised Code of Washington ("RCW") 84.52.053, the District

may submit to its voters at a special election, for their approval or rejection, a proposition authorizing the District to levy annual excess property taxes for support of (*i.e.*, to pay or finance) the District's educational programs and operations expenses.

(e) The District has received or, prior to the time the ballot proposition authorized in this resolution is submitted to the voters, the District will have received approval of its educational programs and operations tax levy expenditure plan from the Office of the Superintendent of Public Instruction under RCW 28A.505.240 as required by RCW 84.52.053, a copy of which is or will be on file with the District.
