

# International American Education Federation, Inc., d/b/a International Leadership of Texas

## November 20, 2019 Regular Meeting

---

### Date and Time

Wednesday November 20, 2019 at 6:15 PM CST

### Location

1820 N. Glenville Drive, Suite 100, Richardson, TX 75081

---

### Meeting Notice & Mission Statement

In compliance with the Texas Open Meetings Act, the Texas Government Code, Chapter 551, timely public advance written notice (at least 72 hours before the scheduled time of the meeting) is given of the subjects the Board of Directors of International Leadership of Texas (the "Board"), and the Board will convene a Regular Open Meeting of the Board of Directors of International Leadership of Texas on the date and time and location set forth herein. It is the intent of the Board to have a quorum physically present at the above address. Board members not physically present may participate by live two-way video and audio feed in accordance with the Texas Open Meetings Act. If a quorum of the Board cannot be physically present at the above address, it is the intent to have the presiding officer physically present at the above address. The Board hereby certifies that this notice was posted on a bulletin board or on something akin thereto or at a place readily accessible and convenient to the public at 1820 N. Glenville Dr., #100, Richardson, TX 75081, as well as online at [www.ILTexas.org](http://www.ILTexas.org). The items on this Agenda may be taken in any order. The mission of ILTexas is to prepare students for exceptional leadership roles in the international community by emphasizing servant leadership, mastering the English, Spanish, and Chinese languages, and strengthening the mind, body and character.

/s/ Finn Simmenssen, For ILTexas' Board

## IV. Board Action Items on the Consent Agenda

6:15 PM

A. CONSENT AGENDA FOR VOTE Vote Eddie Conger

INCLUDED IN THE CONSENT AGENDA:

Consent Item B: Consider/Act on expenditure items individually exceeding \$100,000.

Consent Item C: Consider/Act on merit pay for teachers based on student growth results.

Consent Item D: Consider/Act on compensation increase for teachers, librarians, counselors and nurses, who have served ILTexas for at least five years.

Consent Item E: Consider/Act to amend Employee Handbook re manner of recording employee absences.

Consent Item F: Consider/Act to amend Personnel Policy and Employee Handbook re bereavement leave.

The vote on this Consent Agenda item applies to all of the items listed immediately below, beginning with item B, except any item as to which a separate vote is recorded hereinbelow or as to which remarks are recorded here removing that item from the Consent Agenda.

B. CONSIDER/ACT ON EXPENDITURE ITEMS EXCEEDING \$100,000 Vote James Dworkin

Discuss/take possible action to approve expenditure items which individually exceed \$100,000:

1. P.O. for direct mail of flyers, \$255,752.00.
2. Addenda (two diagnosticians) to MSA with Soliant Health, Inc., incremental \$3,968.00, cumulative \$109,000.00.
3. Supper Cleaning Addendum to Custodial Contract with PBS of Texas, LLC, incremental \$209,425.00.

C. CONSIDER/ACT ON MERIT PAY TO TEACHERS FOR STUDENT GROWTH RESULTS Vote Eddie Conger

Discuss/Act to approve merit pay, total \$300,000.00, to teachers in recognition of student growth results achieved during the 2018-2019 School Year.

D. CONSIDER/ACT TO INCREASE COMPENSATION FOR TEACHERS, LIBRARIANS, COUNSELORS AND NURSES Vote Eddie Conger

Discuss/Take action to approve increased compensation for teachers, librarians, counselors and nurses who have served ILTexas for at least five years.

E. CONSIDER/ACT TO AMEND EMPLOYEE HANDBOOK TO CLARIFY MANNER OF RECORDING EMPLOYEE ABSENCES Vote Jerry McCreight

Discuss/Act to amend the ILTexas Employee Handbook to state that "[a]ll employees are required to submit leave requests through Skyward Employee Access and, where applicable, through Aesop, for all days missed."

F. CONSIDER/ACT TO AMEND POLICY AND EMPLOYEE HANDBOOK PROVISIONS FOR BEREAVEMENT LEAVE Vote Jerry McCreight

Discuss/take action to amend Policy Group 4, Personnel, Sec. 4.13.4. Bereavement Leave, to read, *inter alia*, "No more than 3 paid bereavement leave days will be used for this purpose in any one school year unless otherwise approved by the Superintendent or designee," and correspondingly to amend the 2019-2020 ILTexas Employee Handbook at page 52, Section 6.9, Bereavement Leave.

## **V. Board Action Items for Separate Consideration**

**6:15 PM**

### **A. CONSIDER/ACT ON OCTOBER, 2019 FINANCIAL REPORT**

Vote

James Dworkin

Discuss/Act to approve the Financial Report for the month of October, 2019.

### **B. CONSIDER/ACT ON APPROVAL OF TARGETED IMPROVEMENT PLANS FOR MULTIPLE ILTEXAS CAMPUSES**

Vote

Dr. Laura Carrasco-Navarrete

Discuss/Act to approve Targeted Improvement Plans for those ILTexas Campuses whose TIP/CIP must be Board Approved:

- Orem Elementary School and Middle School
- East Fort Worth Elementary School and Middle School
- Arlington Elementary School
- North Richland Hills Elementary School
- Lancaster Elementary School and Middle School

### CONSIDER/ACT ON MERIT PAY TO TEACHERS FOR STUDENT GROWTH RESULTS

<b>Section:</b>	IV. Board Action Items on the Consent Agenda
<b>Item:</b>	C. CONSIDER/ACT ON MERIT PAY TO TEACHERS FOR STUDENT
<b>GROWTH RESULTS</b>	
<b>Purpose:</b>	Vote
<b>Submitted by:</b>	
<b>Related Material:</b>	Merit Pay To Teachers For Student Growth Results.pdf

# CONSIDER/ACT ON MERIT PAY TO TEACHERS FOR STUDENT GROWTH RESULTS

## Purpose:

- To be eligible to apply for Teacher Incentive Allotment (TIA) funds in spring 2020, schools must have paid teachers during the 2019-2020 school year based on their performance in the 2018-2019 school year.

## Methodology:

- Two STAAR indicators: Reading/Language Arts and Mathematics
- Our metric combined Expected Student Growth (students who made one year of progress) and Accelerated Student Growth (students made more than one year of progress)
- For each indicator we combined the expected and accelerated percentages and ranked the teachers by grade and subject in quintiles 1, 2, and 3. Note: teachers were disqualified for the incentive pay if they had less than 50% of their students make at least one year's worth of progress.

Quintiles	Qualifying People	Per Person	Total Pay
1	43	\$2,100.00	\$ 90,300.00
2	37	\$1,400.00	\$ 51,800.00
3	20	\$ 700.00	\$ 14,000.00
	100		\$156,100.00

**Submitted by:**  
**Related Material:** Differentiated Pay.pdf

# CONSIDER/ACT TO INCREASE COMPENSATION FOR CLASSROOM TEACHERS

## Purpose:

- Reward classroom teachers with more than five years of experience additional “differentiated” pay in accordance with HB3

## Projected Impact:

- Estimated 388 classroom teachers impacted
- Propose \$300 increase in pay for 19-20 school year
- Total estimated increase for district is \$116,400 for 19-20 school year

### CONSIDER/ACT TO AMEND EMPLOYEE HANDBOOK TO CLARIFY MANNER OF RECORDING EMPLOYEE ABSENCES

**Section:** IV. Board Action Items on the Consent Agenda  
**Item:** E. CONSIDER/ACT TO AMEND EMPLOYEE HANDBOOK TO CLARIFY  
MANNER OF RECORDING EMPLOYEE ABSENCES  
**Purpose:** Vote  
**Submitted by:**  
**Related Material:**  
2019-2020 ILTexas Employee Handbook -- rev 2019 08 21 -- AESOP amended.pdf  
2019-2020 ILTexas Employee Handbook -- rev 2019 08 21 -- AESOP.pdf

full duty after the initial approved time, he or she may request a continuation of RTW Modified Duty not to exceed a total of 90 calendar days in a Modified Duty capacity.

An employee requesting an extension of Modified Duty, beyond the originally approved amount of time in the RTW with Modified Duty offer letter, must submit documentation to the department of Human Resources from his or her Physician. This document should include what limitations continue to exist, and the probable duration of those limitations.

If an employee is unable to return to work at full duty after 90 calendar days, he or she may request a continuation of Modified Duty not to exceed a total of 180 calendar days in a Modified Duty capacity. Approval beyond 90 calendar days will be based upon the assessment of the employee's ability to return to full duty within the immediate future. An employee requesting an extension beyond 90 calendar days must submit updated information from his or her physician.

An employee who is unable to return to his or her regularly assigned duties at the end of the RTW Modified Duty agreement may elect to terminate his or her employment with ILTexas. Provided that employee has exhausted any entitlements under the FMLA, an employee who is unable to return to work at the end of the RTW Modified Duty agreement may be terminated in accordance with the Extended Leave and Absence Control section of this Handbook.

An employee who believes that his or her condition is a qualifying disability and that he or she is a qualified individual with a disability under the ADA may request and pursue accommodations under the ADA.

## **PART 6: EMPLOYEE ATTENDANCE AND LEAVE**

ILTexas offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who expect to be absent for an extended period of more than five days should call the Human Resources Department for information about applicable leave benefits, payment of insurance premiums, and requirements for communicating with ILTexas.

### **6.1 Attendance**

Employees shall be available full-time during their regular work hours, as defined by their letter of agreement. Any scheduling changes must be discussed with and approved by the employee's immediate supervisor and/or the Principal.

#### ***Absence***

Employees are responsible for notifying their immediate supervisor and/or the Principal of late arrivals, early departures, and absences. When the need for being absent from or late to work is known in advance, the employee must give notice as far in advance as possible. All employees are required to submit leave requests through Skyward Employee Access and, where applicable, through Aesop, for all days missed. The True Time System is an electronic timekeeping system only. *[proposed language]*

#### ***Excessive Absenteeism or Tardiness***

Excessive absenteeism, tardiness, and leaving work prior to the designated time constitute grounds for any of the following disciplinary action:

- Disciplinary probation.

**INTERNATIONAL AMERICAN EDUCATION FEDERATION, INC.****BOARD POLICY MANUAL****POLICY GROUP 4 – PERSONNEL****VACATION AND SICK LEAVE**

PG-4.13

The daily rate of a substitute shall be deducted from an employee's daily pay during a period of extended sick leave, even if a substitute is not used. The Superintendent shall adopt procedures to implement and control Extended Sick Leave benefits.

**Sec. 4.13.3. EMERGENCY LEAVE**

Employees may be granted up to 5 days of emergency leave without loss of pay or accumulated Local Leave for destruction of their home or domicile due to flood, fire, or storm, other natural disasters or force majeure. Such leave is subject to the approval of the Superintendent or designee. Any further leave granted will result in a deduction of accumulated Local Leave, a deduction of the daily rate of pay, or unpaid leave, unless otherwise provided by **ILTexas**.

**Sec. 4.13.4. BEREAVEMENT LEAVE**

**ILTexas** employees may be absent, without loss of pay, in the event of the death of one of the following relatives of the employee or his or her spouse: husband, wife, child (including a biological, adopted, stepchild, a child for whom the employee stands in loco parentis, or foster child), father, mother, brother, sister, grandfather, grandmother, grandchildren, or any person who may be residing in the employee's household at the time of illness or death. No more than 3 paid bereavement leave days will be used for this purpose in any one school year unless otherwise approved by the Superintendent or designee. *[proposed language]*

**Sec. 4.13.5. RELIGIOUS OBSERVANCES**

An employee requesting to attend a religious observance on a regularly scheduled school day may use Personal Leave. In the event that all Personal Leave has been used, deductions from the employee's salary shall be made on the basis of the employee's daily rate of pay.

**Sec. 4.13.6. JURY DUTY AND OTHER COURT APPEARANCES**

**ILTexas** will pay a non-exempt employee his or her normal daily compensation for each regularly scheduled workday on which the employee serves in any phase of jury service. Any employee selected for jury duty must notify his or her supervisor within 48 hours of the court's notice. The employee must also present documentation of jury service to his or her supervisor.

Employees will be paid while on leave to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding. Absences for court appearances related to an employee's personal business must be taken as local leave or leave without pay (if no local leave is available). Employees may be required to submit documentation of their need for leave for court appearances.

his or her rights hereunder. If any employee believes that he or she has been subjected to discrimination in violation of this provision, the employee should immediately contact Human Resources.

### ***Temporary (Two-Week) Military Leave***

In addition to the rights and benefits provided to employees taking Extended Military Leave, eligible employees who must be absent from their job for a period of not more than ten working days each year in order to participate in temporary military duty are entitled to as many as ten days' unpaid military leave. All benefits will continue during an employee's temporary military leave.

### ***All Other (Extended) Military Leave***

Employees directed to participate in extended military duties in the U. S. Armed Forces that exceed ten working days will be placed on an unpaid military leave of absence status for a period of as long as five years, except as otherwise required by USERRA, and the employee will be entitled to the rights and benefits described in this Handbook and in accordance with ILTexas' policies and procedures.

To request a temporary or extended military leave of absence the employee should, unless prevented from doing so by military necessity, notify Human Resources and complete and submit the appropriate form. An employee on temporary or extended military leave may elect, at his or her option, to use paid leave (vacation, sick or personal) available; the remainder of military leave will be unpaid.

## **6.9 Bereavement Leave**

Full-time and part-time employees are eligible for bereavement leave.

ILTexas employees may be absent, without loss of pay, in the event of the death of one of the following relatives of the employee or his or her spouse: husband, wife, child (including a biological, adopted, stepchild, a child for whom the employee stands in loco parentis, or foster child), father, mother, brother, sister, grandfather, grandmother, grandchildren, or any person who may be residing in the employee's household at the time of illness or death. No more than 3 paid bereavement leave days will be used for this purpose in any one school year unless otherwise approved by the Superintendent or designee. *[proposed language]*

If an employee experiences a death in the family, he or she should inform the Principal or Supervisor as soon as possible. Supporting documentation may be required.

## **6.10 Jury Duty**

ILTexas may not discharge, threaten to discharge, intimidate, coerce, reduce the salary, or otherwise penalize or discriminate against an employee because of the employee's compliance with a summons to appear as a juror or a grand juror. A leave of absence for jury or grand jury duty will be granted to any employee will be compensated at his or her regular daily or hourly rate for each day of absence due to jury or grand jury duty, up to a total of three days of paid absence per school year. Employees must present documentation of the service and may keep any compensation they receive. A summons to appear is not proper documentation of the service. If an employee is released early, he or she must return to work. Consideration will be given on a case-by-case basis for travel time.

## **6.11 Other Court Appearances**

Employees will be paid while on leave to comply with a valid subpoena related to employment with ILTexas. Employees may be required to submit documentation of their need for leave for court appearances

his or her rights hereunder. If any employee believes that he or she has been subjected to discrimination in violation of this provision, the employee should immediately contact Human Resources.

### ***Temporary (Two-Week) Military Leave***

In addition to the rights and benefits provided to employees taking Extended Military Leave, eligible employees who must be absent from their job for a period of not more than ten working days each year in order to participate in temporary military duty are entitled to as many as ten days' unpaid military leave. All benefits will continue during an employee's temporary military leave.

### ***All Other (Extended) Military Leave***

## CONSIDER/ACT ON APPROVAL OF TARGETED IMPROVEMENT PLANS FOR MULTIPLE ILTEXAS CAMPUSES

**Section:** V. Board Action Items for Separate Consideration  
**Item:** B. CONSIDER/ACT ON APPROVAL OF TARGETED IMPROVEMENT  
PLANS FOR MULTIPLE ILTEXAS CAMPUSES  
**Purpose:** Vote  
**Submitted by:**  
**Related Material:** TSeaberry TIP Plan Nov 2019 with TIPs.pdf

# School Improvement

## Nov 20, 2019

## Overview of the 2019 Accountability System

The overall design of the accountability system evaluates performance according to three domains:

1. **Student Achievement** evaluates performance across all subjects for all students, on both general and alternate assessments, College, Career, and Military Readiness (CCMR) indicators, and graduation rates.
2. **School Progress** measures district and campus outcomes in two areas: the number of students who grew at least one year academically (or are on track) as measured by STAAR results and the achievement of all students relative to districts or campuses with similar economically disadvantaged percentages.
3. **Closing the Gaps** uses disaggregated data to demonstrate differentials among racial/ethnic groups, socioeconomic backgrounds and other factors. The indicators included in this domain, as well as the domain's construction, align the state accountability system with the *Every Student Succeeds Act*.

# Who is Rated?

Districts and campuses with students enrolled in the fall of the 2018–19 school year are assigned a state accountability rating.

1. **Districts:** Beginning the first year, districts report fall enrollment; school districts and charter schools are rated based on the aggregate results of students in their campuses.
2. **Campuses:** Beginning the first year, campuses report fall enrollment; campuses and open-enrollment charter schools are rated based on the performance of their students.

# State Rating Labels

**Districts and Campuses** receive an overall rating, as well as a rating for each domain.

The 2019 rating labels for districts and campuses are as follows:

A, B, C, or D: Assigned for overall performance and for performance in each domain to districts and campuses that meet the performance target for the letter grade.

F: Assigned for overall performance and for performance in each domain to districts and campuses that do not meet the performance target to earn at least a D.

# Federal Designations for Support

**Comprehensive Support and Improvement:** Any Title I campus identified for targeted support and improvement for three consecutive years for the same student group(s) is identified for comprehensive support and improvement the following school year.

**Targeted Support and Improvement:** Designation for campuses that have consistently underperforming student groups. A student group that misses the targets in at least the same three indicators, for three consecutive years, is considered “consistently underperforming.” Any campus not identified for comprehensive support and improvement that has at least one consistently underperforming student group is identified for targeted support and improvement.

**Additional Targeted Support Identification:** Any campus that is not identified for comprehensive or targeted support and improvement is identified for additional targeted support if an individual student group’s percentage of evaluated indicators met is at or below the percentage used to identify that campus type for comprehensive support and improvement.

## Comprehensive Support

Orem ES – Identified

Saginaw ES – 2018/2019
Saginaw MS – 2018/2019
College Station ES
College Station MS
Windmill Lakes-Orem HS

# Targeted Improvement Plans (TIPs)

## PURPOSE:

- Select District Coordinators of School Improvement (DCSI) as points-of-contact
- DCSIs engage stakeholders and are encouraged to discuss plan development at the campus' annual meeting on performance objectives
- DCSIs are provided a needs assessment process to use (data reflection and self-assessment)
- DCSIs are encouraged to use the TIP template, but may use a template of their choice or relevant elements of their campus improvement plan
- DCSIs must seek LEA approval of the plan

# TIPs

- Campus-based Intervention Plan
  - Led by DCSI (through the collaboration of stakeholders)
  - Follows Effective Schools Framework: [ESF](#)
  - Supported by local service center (ESC: 10, 11, and 4)

# Dallas Area Campus Plans for Board Approval

For Board Approval:

Lancaster Elementary School - “D” overall and Second Year Comprehensive Progressing

Lancaster Middle School - “D” in a Domain and Second Year Comprehensive Progressing

Targeted Improvement Plan Prioritized Focus Areas:

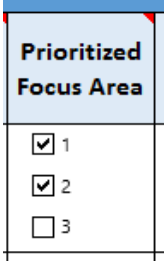

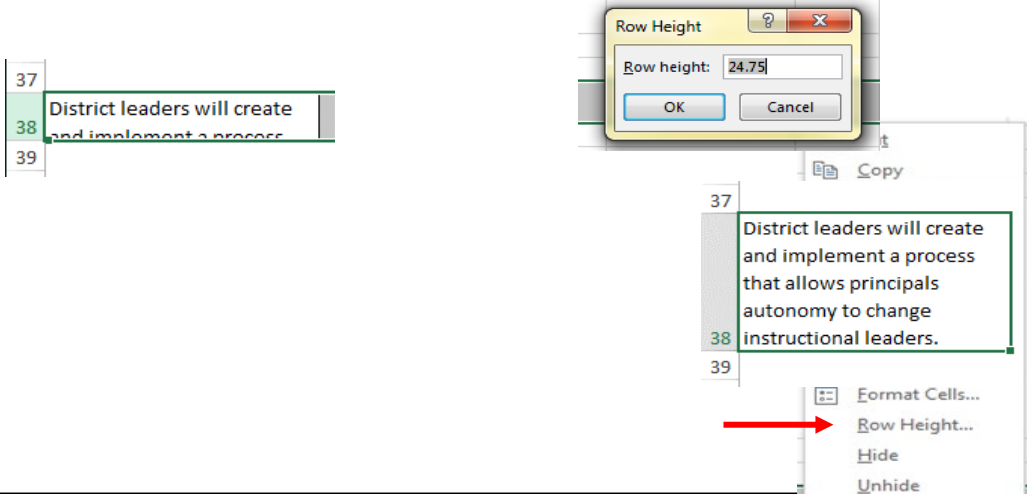

- (1) 2.1 Hire, retain highly qualified staff
- (2) 5.1 Objective-driven lesson plans with formative assessments (weekly).
- (3) 5.3 Data-Driven Instruction

# **Lancaster Elementary School**

## **Targeted Improvement Plan**

### **2019-2020**

Campus Targeted Improvement Plan

Viewing cell tips	<p>Throughout the Improvement Plan there are cells containing notes or guidance around what should be entered into the cell. These cells are marked with a red triangle in the top-right corner.</p> <p>To view the information in the notes box, hover your mouse over the cell.</p>	<div><div><div>Annual Desired Outcome for Priority Focus Area</div><div>Barriers to address</div></div><div>Create your annual goal for each Priority Focus Area identified using qualitative and/or quantitative measures.</div></div>
Printing the Template	<p>The page breaks in the Improvement Plan have been set for optimal printing on a legal size (8.5 x 14) sheet of paper with the page orientation set to Landscape (horizontal). However, users may find that after completing the plan the page breaks need to be adjusted.</p> <p>To insert, move, or delete page breaks in an Excel worksheet, visit the Microsoft Office help page.</p>	<p><a href="https://support.office.com/en-us/article/insert-move-or-delete-page-breaks-in-a-worksheet-ad3dc726-beec-4a4c-861f-ed640612bdc2">https://support.office.com/en-us/article/insert-move-or-delete-page-breaks-in-a-worksheet-ad3dc726-beec-4a4c-861f-ed640612bdc2</a></p>

Campus Information							
District Name	International Leadership of Texas	Campus Name	Lancaster K-8	Superintendent	Eddie Conger	Principal	Senta Wilson
District Number	057-548	Campus Number	Elem: 019	District Coordinator of School Improvement (DCSI)	Anthony Palagonia	ESC Support	Ben Dickerson
Assurances							
DCSI	I, the District Coordinator of School Improvement, attest that I will provide or facilitate the provision of all the necessary district-level commitments and support mechanisms to ensure the successful implementation of the Targeted Improvement Plan for this campus. I understand I am responsible for the implementation of all intervention requirements. If I am the principal supervisor, I understand I am responsible for ensuring the principal carries out the plan elements as indicated herein.					Anthony Palagonia, 9/5/2019	
Principal Supervisor <i>(Only necessary if the DCSI is NOT the Principal supervisor)</i>	I, as supervisor of the principal for this campus, attest that I will coordinate with the DCSI to provide or facilitate the provision of all the necessary district-level commitments and support mechanisms to ensure the principal I supervise can achieve successful implementation of the Targeted Improvement Plan for this campus. I understand I am responsible for ensuring the principal carries out the plan elements as indicated herein.					Anthony Palagonia, 9/5/2019	
Principal	I, as principal for this campus, attest that I will coordinate with the DCSI (and my supervisor, if they are not the same person) to use the district-provided commitments and support mechanisms to ensure the successful implementation of the Targeted Improvement Plan for this campus. I agree to carry out the plan elements as indicated herein.					Senta Wilson, 9/5/2019	
Board Approval Date							
Needs Assessment							
Data Analysis Questions			What accountability goals for each Domain has your campus set for the year?	Domain 1: 60%; Domain 2: 70%; Domain 3: 70%			
			What changes in student group and subject performance are included in these goals?	Our student outcomes are below where they need to be across the board, so on average, we want to see a 10 percentage point increase in each STAAR tested subject area and grade level.			
			If applicable, what goals has your campus set for CCMR and Graduation Rate?	n/a			
Self-Assessment Results							
(To be completed if the campus HAS NOT had an ESF Diagnostic)							
Use the completed Self-Assessment Tool to complete this section							
Essential Action					Implementation Level (1 Not Yet Started - 5 Fully Implemented)		
1.1 Develop campus instructional leaders with clear roles and responsibilities.					4		
2.1 Recruit, select, assign, induct and retain a full staff of highly qualified educators.					2		

3.1 Compelling and aligned vision, mission, goals, values focused on a safe environment and high expectations.			4
4.1 Curriculum and assessments aligned to TEKS with a year-long scope and sequence.			3
5.1 Objective-driven daily lesson plans with formative assessments.			2
5.3 Data-driven instruction.			2
Prioritized Focus Area #1		Prioritized Focus Area #2	Prioritized Focus Area #3
Essential Action	2.1 Recruit, select, assign, induct and retain a full staff of highly qualified educators.	5.1 Objective-driven daily lesson plans with formative assessments.	5.3 Data-driven instruction.
Rationale	We noticed last year that some of our teachers were not placed in areas of strength and have adjusted our teacher placement to reflect those strengths this year. We are working on the recruitment and retention of highly qualified educators by providing more levels of support.	We've realized that while we put a lesson plan template in place, we haven't provided teachers enough structures and supports to ensure that they are planning effectively. Teachers are not including their formative assessments in the planning process; they are creating them after planning. Considering that strong lesson planning is a critical component of DDI, we need to develop stronger systems and provide timely feedback on all components of a highly effective lesson plan.	We recognized last year that we needed to develop stronger data practices on our campus. We've become a part of a DDI training program for this year and already have some structures around DDI up and running including Know/Show charts and exemplars. Looking deeply at student data and making strong instructional decisions based on that data is what is ultimately going to lead to improvement for our campus. Utilization of All in Learning reports/progress trackers will ensure immediate data for use in DDI.
Desired Annual Outcome	We will retain eighty percent of staff this year and be fully staff by the beginning of July. We will have teachers placed based on their areas of strength and utilize teacher leaders to mentor others on campus	Daily lesson plans will be complete with alignment to TEKS at the appropriate level of rigor along with Know/Show charts and Exemplars for each weeks' lessons.	Data meetings will have occurred weekly for DOLs and every 6 weeks for district ECAs. Student data trackers will show growth from beginning to end of year.
Barriers to Address During the Year	Not responding to RYG forms. Hiring teachers quickly, when they may not be strong in that area. Not realizing it's a problem. Quality of candidates is low.	Utilizing district LPs too much. Teachers complete Lesson Plans for compliance reasons and don't actually use it to inform their classroom instruction. Assessments are not planned ahead of time. Fixed-mindset when it comes to resources (using textbooks versus engaging strategies). We have teachers who want to just be given what to do. Lack of connections to how the lesson and the plan interacts.	Teachers don't understand what to do with the data once collected; how to determine the root cause as to why they didn't learn the concept. Not seeing the value behind the data. Seen as an additional task. Not inspecting what we expect. No true data meetings. Follow-through on data and reteach did not happen.
District Commitment Theory of Action:		If headquarters provides ongoing coaching to CILT on the implementation of DDI, lesson planning, and quality common assessments aligned to STAAR, then the campus will be able to establish strong data-driven instruction practices. If headquarters provides quality candidates, then the campus will have high retention rates and be fully staffed by July 2020 for the 2020/2021 school year.

We will have teachers placed based on their areas of strength and utilize teacher leaders to mentor others on campus		Daily lesson plans will be complete with alignment to TEKS at the appropriate level of rigor along with Know/Show charts and Exemplars for each weeks' lessons.			Data meetings will have occurred weekly for DOLs and every 6 weeks for district ECAs. Student data trackers will show growth from beginning to end of year.		
Desired 90-day Outcome	We will be fully staffed by the end of November. We will have teachers placed based on their areas of strength and utilize teacher leaders to mentor others on camps.		Daily lesson plans will be complete with alignment to TEKS at the appropriate level of rigor along with Know/Show charts and Exemplars for each weeks' lessons.			1) During our weekly data meetings we will unpack standards and create exemplars. 2) Identify the Gap 3) Plan the reteach 4) Practice the reteach 5) Follow Through		
Barriers to Address During this Cycle	Teachers not responding to the red, yellow, green form. Hiring teachers quickly when they may not be strong in an area. Teacher inability to recognized gaps that prohibit us to have gains. Quality of candidates is low.		Over utilizing district lesson plans. Teachers utilize lesson plans for compliance only instead of informing their classroom instruction.			Teachers don't know what to do with the data once it is collected and how to determine root cause. Teachers don't see the value behind the data. Failure to inspect what we expect. Follow-through on data and reteach.		
District Actions for this Cycle	Human Resources department will provide highly qualified, certified candidates to select from for high needs areas.		Area Instructional Coaches support CILT in accessing weekly assessments in advance and identifying which standards are prioritized in weekly assessments to support PLC planning.			Area Instructional Coaches ensure that weekly assessments are formatted and aligned like STAAR with clear instructions so that students know to show all their work on the assessment itself.		
District Commitments Theory of Action	If headquarters provides ongoing coaching to CILT on the implementation of DDI, lesson planning, and quality common assessments aligned to STAAR, then the campus will be able to establish strong data-driven instruction practices. If headquarters provides quality candidates, then the campus will have high retention rates and be fully staffed by July 2020 for the 2020/2021 school year.

TIP Components	Notes
Foundations	
Self-Assessment Results	If the campus has had an ESF Diagnostic, DO NOT complete the ' <i>Self-Assessment</i> ' section. Continue to the next section titled, ' <i>ESF Diagnostic Results</i> '
Essential Action	From the drop down menu, select the Essential Action the campus selected based on the Needs Assessment and/or ESF Final Report.
Rationale	Explain the reasons this Essential Action was selected.
Desired Annual Outcome for Priority Focus Area	Create your annual goal for each Prioritized Focus Area identified using qualitative and/or quantitative measures.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area.
District Commitment on Theory of Action	State the District Theory of Action and the District Commitments that will support the campus' essential actions found in the plan.
Date of ESF Diagnostic	Complete after ESF Diagnostic.
Capacity Builder	Capacity Builders can include vetted partners, ESCs, and/or internal district support.
Cycles 1, 2, and 3 90-day Action Plan	
Desired 90-day Outcome	Describe the specific goals the campus plans to achieve by the end of the cycle for the relevant prioritized focus area.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area. Barriers may stay the same or change from cycle to cycle.
District Actions for this Cycle	List what the district will do to support the campus during this 90-day cycle to achieve the desired outcomes.
Milestones	In each row, list actions the campus is taking in this cycle to achieve desired outcomes and address barriers to implementation. An action may address more than one priority focus area. New actions can be added over time, as needed.
Prioritized Focus Area	Select the Prioritized Focus Area(s) that is aligned to this milestone.
Timeline	Identify a start and end date. End date may carryover to another cycle.
Resources Needed	Examples include, but are not limited to: budget allocation, data platforms, personnel, etc.
Evidence used to Determine Progress toward Milestone	Measures can be qualitative or quantitative.
Progress toward Milestone	Select the status of the evidence review from the dropdown menu.
Necessary Adjustments/Next Steps	List adjustments or next steps the campus will take to achieve this action. Include barriers that limited progress towards achieving this action.
Cycle 4 90-day Action Plan	
Rationale	Explain the reasons this Essential Action was selected.
Desired 90-day Outcome	Describe the specific goals the campus plans to achieve by the end of the cycle for the relevant prioritized focus area.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area. Barriers may stay the same or change from cycle to cycle.
District Actions for this Cycle	List what the district will do to support the campus during this 90-day cycle to achieve the desired outcomes.
Milestones	In each row, list actions the campus is taking in this cycle to achieve desired outcomes and address barriers to implementation.
Prioritized Focus Area	Select the Prioritized Focus Area(s) that is aligned to this milestone.
Timeline	Identify a start and end date. End date may carryover to another cycle.
Resources Needed	Examples include, but are not limited to: budget allocation, data platforms, personnel, etc.
Evidence used to Determine Progress toward Milestone	Measures can be qualitative or quantitative.
Progress toward Milestone	Select the status of the evidence review from the dropdown menu.
Necessary Adjustments/Next Steps	List adjustments or next steps the campus will take to achieve this action. Include barriers that limited progress towards achieving this action.

## **Targeted Improvement Plan**

### **2019-2020**

Campus Targeted Improvement Plan		
Intervention and Submission documents for the 2019-2020 monitoring year may be found on the Division of School Improvement web page at <a href="https://tea.texas.gov/si/accountabilityinterventions/">https://tea.texas.gov/si/accountabilityinterventions/</a>		
<p>Please complete all sections of the Cycles 1, 2, and 3 tabs <u>except</u>:</p> <ul style="list-style-type: none"><li>- Status of Metrics/Evidence Collections</li><li>- Necessary Adjustments/Next Steps</li><li>- Section V: Reflections and Planning for Next 90 Day Cycle</li></ul> <p>These sections will be filled out at the end of the 90 day cycle <u>prior</u> to the Division of School Improvement Progress Submission.</p>		
Feature/Tip	Explanation	Screenshot
Checkbox selection	Check boxes allow for selection of one or more response to a question. Place a check in the box next to all answers that apply.	
Expanding rows and/or columns	If you cannot see all of the information you've entered into a cell you may adjust the height of the cell by right-clicking and increasing the height of the row.	

Viewing cell tips	<p>Throughout the Improvement Plan there are cells containing notes or guidance around what should be entered into the cell. These cells are marked with a red triangle in the top-right corner.</p> <p>To view the information in the notes box, hover your mouse over the cell.</p>	<div><div><div>Annual Desired Outcome for Priority Focus Area</div><div>Barriers to address</div></div><div>Create your annual goal for each Priority Focus Area identified using qualitative and/or quantitative measures.</div></div>
Printing the Template	<p>The page breaks in the Improvement Plan have been set for optimal printing on a legal size (8.5 x 14) sheet of paper with the page orientation set to Landscape (horizontal). However, users may find that after completing the plan the page breaks need to be adjusted.</p> <p>To insert, move, or delete page breaks in an Excel worksheet, visit the Microsoft Office help page.</p>	<p><a href="https://support.office.com/en-us/article/insert-move-or-delete-page-breaks-in-a-worksheet-ad3dc726-beec-4a4c-861f-ed640612bdc2">https://support.office.com/en-us/article/insert-move-or-delete-page-breaks-in-a-worksheet-ad3dc726-beec-4a4c-861f-ed640612bdc2</a></p>

Campus Information							
District Name	International Leadership of Texas	Campus Name	Lancaster K-8	Superintendent	Eddie Conger	Principal	Senta Wilson
District Number	057-548	Campus Number	Elem: 020	District Coordinator of School Improvement (DCSI)	Anthony Palagonia	ESC Support	Ben Dickerson
Assurances							
DCSI	I, the District Coordinator of School Improvement, attest that I will provide or facilitate the provision of all the necessary district-level commitments and support mechanisms to ensure the successful implementation of the Targeted Improvement Plan for this campus. I understand I am responsible for the implementation of all intervention requirements. If I am the principal supervisor, I understand I am responsible for ensuring the principal carries out the plan elements as indicated herein.					Anthony Palagonia, 9/5/2019	
Principal Supervisor <i>(Only necessary if the DCSI is NOT the Principal supervisor)</i>	I, as supervisor of the principal for this campus, attest that I will coordinate with the DCSI to provide or facilitate the provision of all the necessary district-level commitments and support mechanisms to ensure the principal I supervise can achieve successful implementation of the Targeted Improvement Plan for this campus. I understand I am responsible for ensuring the principal carries out the plan elements as indicated herein.					Anthony Palagonia, 9/5/2019	
Principal	I, as principal for this campus, attest that I will coordinate with the DCSI (and my supervisor, if they are not the same person) to use the district-provided commitments and support mechanisms to ensure the successful implementation of the Targeted Improvement Plan for this campus. I agree to carry out the plan elements as indicated herein.					Senta Wilson, 9/5/2019

Needs Assessment							
Data Analysis Questions			What accountability goals for each Domain has your campus set for the year?	Domain 1: 60%; Domain 2: 80%; Domain 3: 80%			
			What changes in student group and subject performance are included in these goals?	Our student outcomes are below where they need to be across the board, so on average, we want to see a 10 percentage point increase in each STAAR tested subject area and grade level.			
			If applicable, what goals has your campus set for CCMR and Graduation Rate?	n/a			
Self-Assessment Results							
(To be completed if the campus HAS NOT had an ESF Diagnostic)							
Use the completed Self-Assessment Tool to complete this section							
Essential Action					Implementation Level (1 Not Yet Started - 5 Fully Implemented)		
1.1 Develop campus instructional leaders with clear roles and responsibilities.					4		
2.1 Recruit, select, assign, induct and retain a full staff of highly qualified educators.					2		

3.1 Compelling and aligned vision, mission, goals, values focused on a safe environment and high expectations.			4
4.1 Curriculum and assessments aligned to TEKS with a year-long scope and sequence.			3
5.1 Objective-driven daily lesson plans with formative assessments.			2
5.3 Data-driven instruction.			2
Prioritized Focus Area #1		Prioritized Focus Area #2	Prioritized Focus Area #3
Essential Action	2.1 Recruit, select, assign, induct and retain a full staff of highly qualified educators.	5.1 Objective-driven daily lesson plans with formative assessments.	5.3 Data-driven instruction.
Rationale	We noticed last year that some of our teachers were not placed in areas of strength and have adjusted our teacher placement to reflect those strengths this year. We are working on the recruitment and retention of highly qualified educators by providing more levels of support.	We've realized that while we put a lesson plan template in place, we haven't provided teachers enough structures and supports to ensure that they are planning effectively. Teachers are not including their formative assessments in the planning process; they are creating them after planning. Considering that strong lesson planning is a critical component of DDI, we need to develop stronger systems and provide timely feedback on all components of a highly effective lesson plan.	We recognized last year that we needed to develop stronger data practices on our campus. We've become a part of a DDI training program for this year and already have some structures around DDI up and running including Know/Show charts and exemplars. Looking deeply at student data and making strong instructional decisions based on that data is what is ultimately going to lead to improvement for our campus. Utilization of All in Learning reports/progress trackers will ensure immediate data for use in DDI.
Desired Annual Outcome	We will retain eighty percent of staff this year and be fully staff by the beginning of July. We will have teachers placed based on their areas of strength and utilize teacher leaders to mentor others on campus	Daily lesson plans will be complete with alignment to TEKS at the appropriate level of rigor along with Know/Show charts and Exemplars for each weeks' lessons.	Data meetings will have occurred weekly for DOLs and every 6 weeks for district ECAs. Student data trackers will show growth from beginning to end of year.
Barriers to Address During the Year	Not responding to RYG forms. Hiring teachers quickly, when they may not be strong in that area. Not realizing it's a problem. Quality of candidates is low.	Utilizing district LPs too much. Teachers complete Lesson Plans for compliance reasons and don't actually use it to inform their classroom instruction. Assessments are not planned ahead of time. Fixed-mindset when it comes to resources (using textbooks versus engaging strategies). We have teachers who want to just be given what to do. Lack of connections to how the lesson and the plan interacts.	Teachers don't understand what to do with the data once collected; how to determine the root cause as to why they didn't learn the concept. Not seeing the value behind the data. Seen as an additional task. Not inspecting what we expect. No true data meetings. Follow-through on data and reteach did not happen.
District Commitment Theory of Action:		If headquarters provides ongoing coaching to CILT on the implementation of DDI, lesson planning, and quality common assessments aligned to STAAR, then the campus will be able to establish strong data-driven instruction practices. If headquarters provides quality candidates, then the campus will have high retention rates and be fully staffed by July 2020 for the 2020/2021 school year.

Cycle 1 90-day Outcomes (September - November)								
	Prioritized Focus Area #1		Prioritized Focus Area #2			Prioritized Focus Area #3		
Essential Action	2.1 Recruit, select, assign, induct and retain a full staff of highly qualified educators.		5.1 Objective-driven daily lesson plans with formative assessments.			5.3 Data-driven instruction.		
Desired Annual Outcome	We will retain eighty percent of staff this year and be fully staff by the beginning of July. We will have teachers placed based on their areas of strength and utilize teacher leaders to mentor others on campus		Daily lesson plans will be complete with alignment to TEKS at the appropriate level of rigor along with Know/Show charts and Exemplars for each weeks' lessons.			Data meetings will have occurred weekly for DOLs and every 6 weeks for district ECAs. Student data trackers will show growth from beginning to end of year.		
Desired 90-day Outcome	We will be fully staffed by the end of November. We will have teachers placed based on their areas of strength and utilize teacher leaders to mentor others on camps.		Daily lesson plans will be complete with alignment to TEKS at the appropriate level of rigor along with Know/Show charts and Exemplars for each weeks' lessons.			1) During our weekly data meetings we will unpack standards and create exemplars. 2) Identify the Gap 3) Plan the reteach 4) Practice the reteach 5) Follow Through		
Barriers to Address During this Cycle	Teachers not responding to the red, yellow, green form. Hiring teachers quickly when they may not be strong in an area. Teacher inability to recognized gaps that prohibit us to have gains. Quality of candidates is low.		Over utilizing district lesson plans. Teachers utilize lesson plans for compliance only instead of informing their classroom instruction.			Teachers don't know what to do with the data once it is collected and how to determine root cause. Teachers don't see the value behind the data. Failure to inspect what we expect. Follow-through on data and reteach.		
District Actions for this Cycle	Human Resources department will provide highly qualified, certified candidates to select from for high needs areas.		Area Instructional Coaches support CILT in accessing weekly assessments in advance and identifying which standards are prioritized in weekly assessments to support PLC planning.			Area Instructional Coaches ensure that weekly assessments are formatted and aligned like STAAR with clear instructions so that students know to show all their work on the assessment itself.		
District Commitments Theory of Action	If headquarters provides ongoing coaching to CILT on the implementation of DDI, lesson planning, and quality common assessments aligned to STAAR, then the campus will be able to establish strong data-driven instruction practices. If headquarters provides quality candidates, then the campus will have high retention rates and be fully staffed by July 2020 for the 2020/2021 school year.							
Action plan-Milestones								
Milestones	Prioritized Focus Area	Timeline	Resources Needed	Person(s) Responsible	Evidence used to Determine Progress toward Milestone	Evidence Collection Date	Progress toward Milestone	Necessary Adjustments / Next Steps
Provide professional development in Balanced Literacy instruction in Reading and Writing and collaboratively develop lesson plans utilizing components of the model during PLC.	<div><input type="checkbox"/> 1</div> <div><input checked="" type="checkbox"/> 2</div> <div><input type="checkbox"/> 3</div>	September - November	Office Supplies, books for book studies, snacks for meetings	Anna Sevcik (ELAR/SS IC)	1) Sign-in sheets / Agendas 2) Increases in student achievement data	November 29, 2019		
Provide professional development with an in-depth understanding of the reading and writing standards during PLC.	<div><input type="checkbox"/> 1</div> <div><input checked="" type="checkbox"/> 2</div> <div><input type="checkbox"/> 3</div>	September - November	Office Supplies, books for book studies, snacks for meetings	Anna Sevcik (ELAR/SS IC)	1) Sign-in sheets / Agendas 2) Increases in student achievement data	November 29, 2019		
Assist teachers during coaching and feedback sessions with developing research based strategies and mini-lessons for each genre for effective delivery of instruction to maximize the rigor of each lesson .	<div><input type="checkbox"/> 1</div> <div><input checked="" type="checkbox"/> 2</div> <div><input type="checkbox"/> 3</div>	September - November	Research based survey questions, books for book studies on building culture and climate.	Anna Sevcik (ELAR/SS IC)and Dr. Smith (Math/Sci IC),	1) Sign-in sheets / Agendas 2) Increases in student achievement data	November 29, 2019		
Conduct walk throughs to observe implementation of student management procedures obtained during professional development sessions	<div><input type="checkbox"/> 1</div> <div><input checked="" type="checkbox"/> 2</div> <div><input type="checkbox"/> 3</div>	September - November	Effective observation tools aligned to Leverage Leadership 2.0	Brooke McGilvery (K-2 AP), Angel McKoy (3-5 AP), Senta Wilson (Principal)	1) Observation data 2) Increases in student achievement data	November 29, 2019		

Conduct PLC with collaboration on teaching practices/lesson planning during data analysis with student exemplars.	<div><input type="checkbox"/> 1</div> <div><input checked="" type="checkbox"/> 2</div> <div><input type="checkbox"/> 3</div>	September - November	Office Supplies, books for book studies, and PD opportunities.	Anna Sevcik (ELAR/SS IC) and Dr. Smith (Math/Sci IC),	1) Sign-in sheets/ Agendas 2) TOT presentations 3) Observation Data 4) Increases in student achievement data	November 29, 2019		
Continue to provide professional development on data analysis protocols including pre-work expectations (unpacking Ses, collection of student work, and Know/Show Charts) and in-depth understanding of the standards and best practices to ensure aligned instruction and maximized learning during PLC.	<div><input type="checkbox"/> 2</div> <div><input checked="" type="checkbox"/> 3</div>	September - November	Office Supplies, books for book studies, and PD opportunities.	Anna Sevcik (ELAR/SS IC)and Dr. Smith (Math/Sci IC),	1) Sign-in sheets/ Agendas 2) TOT presentations 3) Observation Data 4) Increases in student achievement data	November 29, 2019		
Conduct data analysis meetings to analyze skills to be re-taught based on common assessments and DOL's (Demonstration of Learning).	<div><input type="checkbox"/> 1</div> <div><input type="checkbox"/> 2</div> <div><input checked="" type="checkbox"/> 3</div>	September - November	Office Supplies, books for book studies, and PD opportunities.	Anna Sevcik (ELAR/SS IC)and Dr. Smith (Math/Sci IC), Brooke McGilvery (K-2 AP), Angel McKoy (3-5 AP)	1) Sign-in sheets/ Agendas 2) TOT presentations 3) Observation Data 4) Increases in student achievement data	November 29, 2019		
Provide data tracking forms, materials, resources, and snacks during tutorials and Saturday School for remediaton for targeting students in need to increase academic achievement.	<div><input type="checkbox"/> 1</div> <div><input type="checkbox"/> 2</div> <div><input checked="" type="checkbox"/> 3</div>	September - November	Office Supplies, books for book studies, snacks and PD opportunities.	Anna Sevcik (ELAR/SS IC)and Dr. Smith (Math/Sci IC),	1) Sign-in sheets/ Agendas 2) TOT presentations 3) Observation Data 4) Increases in student achievement data	November 29, 2019		
Review student data from DOL's and common assessments to analyze learning gaps and create reteach lessons.	<div><input type="checkbox"/> 1</div> <div><input checked="" type="checkbox"/> 2</div>	September - November	Office Supplies, materials, books for book studies, and PD opportunities.	Teachers (K-5)	1) Sign-in sheets/ Agendas 2) Increases in student achievement data	November 29, 2019		
Provide 1-2 day induction training to new staff who come in after beginning of the year professional development.	<div><input checked="" type="checkbox"/> 3</div>	September - November	Office Supplies, PD	Teachers (K-5)	1) Sign-in sheets/ Agendas 2) Increases in student achievement data	November 29, 2019		
Hire an instructional aide to assist in the effective implementation of Restoratie Behavioral Practices and effectiely implement school-wie systems obtained during professional development. Hire an instructional coach to assist with developing teachers professional practices.	<div><input checked="" type="checkbox"/> 1</div> <div><input type="checkbox"/> 2</div> <div><input type="checkbox"/> 3</div>	September - November	Office Supplies, substitutes	Brooke McGilvery (K-2 AP), Angel McKoy (3-5 AP), Senta Wilson (Principal)	1) Sign-in sheets/ Agendas 2) Presentations 3) Observation Data 4) Decrease in student discipline referrals 5) Increase in student achievement	November 29, 2019		

Reflection and Planning for Next 90-Day Cycle								
Did you achieve your desired 90-day outcome? Why or why not?								
Did you achieve your student performance goals (see Student Data Tab)? Why or why not?								
Review the necessary adjustments/next steps column above. What milestones from this cycle will you continue working on in the next cycle? What new milestones do you need to add to the next cycle?			Carryover Milestones			New Milestones		

Cycle 2 90-Day Outcomes (December-February)								
	Prioritized Focus Area #1		Prioritized Focus Area #2			Prioritized Focus Area #3		
Essential Action	2.1 Recruit, select, assign, induct and retain a full staff of highly qualified educators.		5.1 Objective-driven daily lesson plans with formative assessments.			5.3 Data-driven instruction.		
Desired Annual Outcome	We will retain eighty percent of staff this year and be fully staff by the beginning of July. We will have teachers placed based on their areas of strength and utilize teacher leaders to mentor others on campus		Daily lesson plans will be complete with alignment to TEKS at the appropriate level of rigor along with Know/Show charts and Exemplars for each weeks' lessons.			Data meetings will have occurred weekly for DOLs and every 6 weeks for district ECAs. Student data trackers will show growth from beginning to end of year.		
Desired 90-day Outcome	We will be fully staffed by the end of November. We will have teachers placed based on their areas of strength and utilize teacher leaders to mentor others on camps.		Daily lesson plans will be complete with alignment to TEKS at the appropriate level of rigor along with Know/Show charts and Exemplars for each weeks' lessons.			1) During our weekly data meetings we will unpack standards and create exemplars. 2) Identify the Gap 3) Plan the reteach 4) Practice the reteach 5) Follow Through		
Barriers to Address During this Cycle	Teachers not responding to the red, yellow, green form. Hiring teachers quickly when they may not be strong in an area. Teacher inability to recognized gaps that prohibit us to have gains. Quality of candidates is low.		Over utilizing district lesson plans. Teachers utilize lesson plans for compliance only instead of informing their classroom instruction.			Teachers don't know what to do with the data once it is collected and how to determine root cause. Teachers don't see the value behind the data. Failure to inspect what we expect. Follow-through on data and reteach.		
District Actions for this Cycle	Human Resources department will provide highly qualified, certified candidates to select from for high needs areas.		Area Instructional Coaches support CILT in accessing weekly assessments in advance and identifying which standards are prioritized in weekly assessments to support PLC planning.			Area Instructional Coaches ensure that weekly assessments are formatted and aligned like STAAR with clear instructions so that students know to show all their work on the assessment itself.		
District Commitments Theory of Action	If headquarters provides ongoing coaching to CILT on the implementation of DDI, lesson planning, and quality common assessments aligned to STAAR, then the campus will be able to establish strong data-driven instruction practices. If headquarters provides quality candidates, then the campus will have high retention rates and be fully staffed by July 2020 for the 2020/2021 school year.

Reflection and Planning for Next 90-Day Cycle								
Did you achieve your desired 90-day outcome? Why or why not?								
Did you achieve your summative student performance goals (see Student Data Tab)? Why or why not?								
Review the necessary adjustments/next steps column above. What milestones from this cycle will you continue working on in the next cycle? What new milestones do you need to add to the next cycle?			Carryover Milestones			New Milestones		

TIP Components	Notes
Foundations	
Self-Assessment Results	If the campus has had an ESF Diagnostic, DO NOT complete the ' <i>Self-Assessment</i> ' section. Continue to the next section titled, ' <i>ESF Diagnostic Results</i> '
Essential Action	From the drop down menu, select the Essential Action the campus selected based on the Needs Assessment and/or ESF Final Report.
Rationale	Explain the reasons this Essential Action was selected.
Desired Annual Outcome for Priority Focus Area	Create your annual goal for each Prioritized Focus Area identified using qualitative and/or quantitative measures.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area.
District Commitment on Theory of Action	State the District Theory of Action and the District Commitments that will support the campus' essential actions found in the plan.
Date of ESF Diagnostic	Complete after ESF Diagnostic.
Capacity Builder	Capacity Builders can include vetted partners, ESCs, and/or internal district support.
Cycles 1, 2, and 3 90-day Action Plan	
Desired 90-day Outcome	Describe the specific goals the campus plans to achieve by the end of the cycle for the relevant prioritized focus area.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area. Barriers may stay the same or change from cycle to cycle.
District Actions for this Cycle	List what the district will do to support the campus during this 90-day cycle to achieve the desired outcomes.
Milestones	In each row, list actions the campus is taking in this cycle to achieve desired outcomes and address barriers to implementation. An action may address more than one priority focus area. New actions can be added over time, as needed.
Prioritized Focus Area	Select the Prioritized Focus Area(s) that is aligned to this milestone.
Timeline	Identify a start and end date. End date may carryover to another cycle.
Resources Needed	Examples include, but are not limited to: budget allocation, data platforms, personnel, etc.
Evidence used to Determine Progress toward Milestone	Measures can be qualitative or quantitative.
Progress toward Milestone	Select the status of the evidence review from the dropdown menu.
Necessary Adjustments/Next Steps	List adjustments or next steps the campus will take to achieve this action. Include barriers that limited progress towards achieving this action.
Cycle 4 90-day Action Plan	
Rationale	Explain the reasons this Essential Action was selected.
Desired 90-day Outcome	Describe the specific goals the campus plans to achieve by the end of the cycle for the relevant prioritized focus area.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area. Barriers may stay the same or change from cycle to cycle.
District Actions for this Cycle	List what the district will do to support the campus during this 90-day cycle to achieve the desired outcomes.
Milestones	In each row, list actions the campus is taking in this cycle to achieve desired outcomes and address barriers to implementation.
Prioritized Focus Area	Select the Prioritized Focus Area(s) that is aligned to this milestone.
Timeline	Identify a start and end date. End date may carryover to another cycle.
Resources Needed	Examples include, but are not limited to: budget allocation, data platforms, personnel, etc.
Evidence used to Determine Progress toward Milestone	Measures can be qualitative or quantitative.
Progress toward Milestone	Select the status of the evidence review from the dropdown menu.
Necessary Adjustments/Next Steps	List adjustments or next steps the campus will take to achieve this action. Include barriers that limited progress towards achieving this action.

# Tarrant Area Campus Plans for Board Approval

East Ft. Worth (ES and MS Comprehensive)

Arlington Elementary, North Richland Hills Elementary

1st Year “D” Overall and Additional Targeted Support

Saginaw Elementary

“D” in a Domain and Additional Targeted Support (2nd Year)

Targeted Improvement Plan Prioritized Focus Areas:

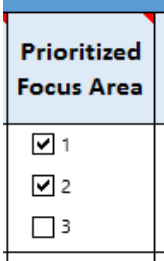

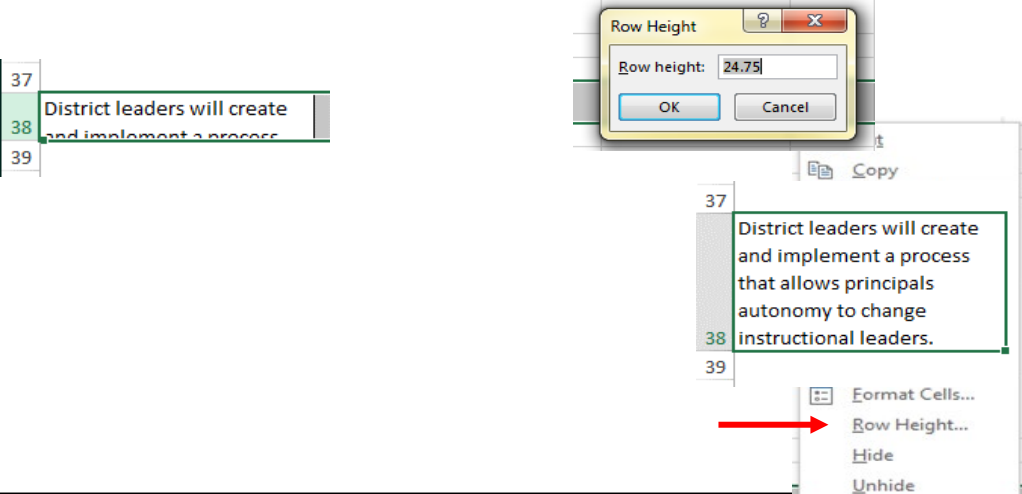

- (1) 4.1 Curriculum and Instruction aligned to TEKS with year long scope & sequence
- (2) 5.1 Objective-driven lesson plans with formative assessments (weekly).
- (3) 5.3 Data-Driven Instruction

# **Arlington Elementary School Targeted Improvement Plan 2019-2020**

Campus Targeted Improvement Plan		
Intervention and Submission documents for the 2019-2020 monitoring year may be found on the Division of School Improvement web page at <a href="https://tea.texas.gov/si/accountabilityinterventions/">https://tea.texas.gov/si/accountabilityinterventions/</a>		
<p>Please complete all sections of the Cycles 1, 2, and 3 tabs <u>except</u>:</p> <ul style="list-style-type: none"><li>- Status of Metrics/Evidence Collections</li><li>- Necessary Adjustments/Next Steps</li><li>- Section V: Reflections and Planning for Next 90 Day Cycle</li></ul> <p>These sections will be filled out at the end of the 90 day cycle <u>prior</u> to the Division of School Improvement Progress Submission.</p>		
Feature/Tip	Explanation	Screenshot
Checkbox selection	Check boxes allow for selection of one or more response to a question. Place a check in the box next to all answers that apply.	
Expanding rows and/or columns	If you cannot see all of the information you've entered into a cell you may adjust the height of the cell by right-clicking and increasing the height of the row.	

Viewing cell tips	<p>Throughout the Improvement Plan there are cells containing notes or guidance around what should be entered into the cell. These cells are marked with a red triangle in the top-right corner.</p> <p>To view the information in the notes box, hover your mouse over the cell.</p>	<div><div><div>Annual Desired Outcome for Priority Focus Area</div><div>Barriers to address</div></div><div>Create your annual goal for each Priority Focus Area identified using qualitative and/or quantitative measures.</div></div>
Printing the Template	<p>The page breaks in the Improvement Plan have been set for optimal printing on a legal size (8.5 x 14) sheet of paper with the page orientation set to Landscape (horizontal). However, users may find that after completing the plan the page breaks need to be adjusted.</p> <p>To insert, move, or delete page breaks in an Excel worksheet, visit the Microsoft Office help page.</p>	<p><a href="https://support.office.com/en-us/article/insert-move-or-delete-page-breaks-in-a-worksheet-ad3dc726-beec-4a4c-861f-ed640612bdc2">https://support.office.com/en-us/article/insert-move-or-delete-page-breaks-in-a-worksheet-ad3dc726-beec-4a4c-861f-ed640612bdc2</a></p>

Campus Information							
District Name	International Leadership of Texas	Campus Name	Arlington Elementary	Superintendent	Eddie Conger	Principal	Dr. Dionel Waters
District Number	057848	Campus Number	000000004	District Coordinator of School Improvement (DCSI)	Tiffany Harrod	ESC Support	N/A
Assurances							
DCSI	I, the District Coordinator of School Improvement, attest that I will provide or facilitate the provision of all the necessary district-level commitments and support mechanisms to ensure the successful implementation of the Targeted Improvement Plan for this campus. I understand I am responsible for the implementation of all intervention requirements. If I am the principal supervisor, I understand I am responsible for ensuring the principal carries out the plan elements as indicated herein.					Tiffany Harrod, 9/24/19	
Principal Supervisor <i>(Only necessary if the DCSI is NOT the Principal supervisor)</i>	I, as supervisor of the principal for this campus, attest that I will coordinate with the DCSI to provide or facilitate the provision of all the necessary district-level commitments and support mechanisms to ensure the principal I supervise can achieve successful implementation of the Targeted Improvement Plan for this campus. I understand I am responsible for ensuring the principal carries out the plan elements as indicated herein.					Rodney Cooksy, 9/24/19	
Principal	I, as principal for this campus, attest that I will coordinate with the DCSI (and my supervisor, if they are not the same person) to use the district-provided commitments and support mechanisms to ensure the successful implementation of the Targeted Improvement Plan for this campus. I agree to carry out the plan elements as indicated herein.					Dionel Waters, 9/24/19	
Board Approval Date							
Needs Assessment							
Data Analysis Questions			What accountability goals for each Domain has your campus set for the year?	Domain 1: 74, Domain 2A: 70, 2B: 79; Domain 3: 60.			
			What changes in student group and subject performance are included in these goals?	Goal for STAAR Passing Performance: 80 (Approaches), 40 (Meets), and 20 (Masters)			
			If applicable, what goals has your campus set for CCMR and Graduation Rate?	N/A			
Self-Assessment Results							
(To be completed if the campus HAS NOT had an ESF Diagnostic)							
Use the completed Self-Assessment Tool to complete this section							
Essential Action					Implementation Level (1 Not Yet Started - 5 Fully Implemented)		
1.1 Develop campus instructional leaders with clear roles and responsibilities.					5		
2.1 Recruit, select, assign, induct and retain a full staff of highly qualified educators.					3		

3.1 Compelling and aligned vision, mission, goals, values focused on a safe environment and high expectations.		5	
4.1 Curriculum and assessments aligned to TEKS with a year-long scope and sequence.		3	
5.1 Objective-driven daily lesson plans with formative assessments.		3	
5.3 Data-driven instruction.		3	
Prioritized Focus Area #1		Prioritized Focus Area #2	Prioritized Focus Area #3
Essential Action	4.1 Curriculum and assessments aligned to TEKS with a year-long scope and sequence.	5.1 Objective-driven daily lesson plans with formative assessments.	5.3 Data-driven instruction.
Rationale	By ensuring that our curriculum and assessments are TEK aligned, we are improving tier 1 instruction and student achievement.	Having formative assessments in place prior to lesson planning allows for teachers to backwards plan in order to ensure students are presented with the necessary instruction prior to the end of the six weeks.	Instructional decisions need to be based on student performances and consistently measured to evaluate student growth and to ensure purposeful instruction.
Desired Annual Outcome	Student growth in reading and mathematics, improved instruction, increase in number of students performing at the Meets and Masters levels.	Student growth in reading and mathematics, improved instruction, increase in number of students performing at the Meets and Masters levels.	Student growth in reading and mathematics, improved instruction, increase in number of students performing at the Meets and Masters levels.
Barriers to Address During the Year	New ELAR standards, inexperienced teachers, teacher absences, limited number of resources that are TEK aligned and rigorously appropriate	District made formative assessments are sometimes created too late in the cycle for teachers to purposefully plan for instruction. At times there are errors or misalignment with the formative assessments which causes the data to be unreliable.	The time needed to work effectively with new teachers to show them how to use data when making instructional decisions and then how to revisit the data to determine next steps.

Cycle 1 90-day Outcomes (September - November)								
	Prioritized Focus Area #1		Prioritized Focus Area #2		Prioritized Focus Area #3			
Essential Action	4.1 Curriculum and assessments aligned to TEKS with a year-long scope and sequence.		5.1 Objective-driven daily lesson plans with formative assessments.		5.3 Data-driven instruction.			
Desired Annual Outcome	Student growth in reading and mathematics, improved instruction, increase in number of students performing at the Meets and Masters levels.		Student growth in reading and mathematics, improved instruction, increase in number of students performing at the Meets and Masters levels.		Student growth in reading and mathematics, improved instruction, increase in number of students performing at the Meets and Masters levels.			
Desired 90-day Outcome	To have internal assessments that align to the TEKS and STAAR aligned questions for each content area to better assist with progress monitoring.		Teachers having daily formative assessments that will drive their instruction for the next lesson based off questions that are STAAR aligned.		Lesson plans and classroom instruction reflect instructional decisions that are based off data.			
Barriers to Address During this Cycle	The possibility of teachers and students feeling as if we are overtesting.		Teachers knowing how to find questions that are STAAR aligned and being prepared to provide		Time needed to train teachers on the process of making data-driven decisions.			
District Actions for this Cycle	To ensure that ECAs are aligned to the standards taught for that cycle and that questions are rigorously similar to STAAR and ECAs are provided prior to the start of the six weeks cycle.		District and County Instructional Coaches working with Campus Instructional Coaches and Teachers to support them in learning how to create formative assessments that are STAAR aligned.		District or County providing PD in the area of data-driven decision making in order to inform instruction.

TIP Components	Notes
Foundations	
Self-Assessment Results	If the campus has had an ESF Diagnostic, DO NOT complete the ' <i>Self-Assessment</i> ' section. Continue to the next section titled, ' <i>ESF Diagnostic Results</i> '
Essential Action	From the drop down menu, select the Essential Action the campus selected based on the Needs Assessment and/or ESF Final Report.
Rationale	Explain the reasons this Essential Action was selected.
Desired Annual Outcome for Priority Focus Area	Create your annual goal for each Prioritized Focus Area identified using qualitative and/or quantitative measures.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area.
District Commitment on Theory of Action	State the District Theory of Action and the District Commitments that will support the campus' essential actions found in the plan.
Date of ESF Diagnostic	Complete after ESF Diagnostic.
Capacity Builder	Capacity Builders can include vetted partners, ESCs, and/or internal district support.
Cycles 1, 2, and 3 90-day Action Plan	
Desired 90-day Outcome	Describe the specific goals the campus plans to achieve by the end of the cycle for the relevant prioritized focus area.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area. Barriers may stay the same or change from cycle to cycle.
District Actions for this Cycle	List what the district will do to support the campus during this 90-day cycle to achieve the desired outcomes.
Milestones	In each row, list actions the campus is taking in this cycle to achieve desired outcomes and address barriers to implementation. An action may address more than one priority focus area. New actions can be added over time, as needed.
Prioritized Focus Area	Select the Prioritized Focus Area(s) that is aligned to this milestone.
Timeline	Identify a start and end date. End date may carryover to another cycle.
Resources Needed	Examples include, but are not limited to: budget allocation, data platforms, personnel, etc.
Evidence used to Determine Progress toward Milestone	Measures can be qualitative or quantitative.
Progress toward Milestone	Select the status of the evidence review from the dropdown menu.
Necessary Adjustments/Next Steps	List adjustments or next steps the campus will take to achieve this action. Include barriers that limited progress towards achieving this action.
Cycle 4 90-day Action Plan	
Rationale	Explain the reasons this Essential Action was selected.
Desired 90-day Outcome	Describe the specific goals the campus plans to achieve by the end of the cycle for the relevant prioritized focus area.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area. Barriers may stay the same or change from cycle to cycle.
District Actions for this Cycle	List what the district will do to support the campus during this 90-day cycle to achieve the desired outcomes.
Milestones	In each row, list actions the campus is taking in this cycle to achieve desired outcomes and address barriers to implementation.
Prioritized Focus Area	Select the Prioritized Focus Area(s) that is aligned to this milestone.
Timeline	Identify a start and end date. End date may carryover to another cycle.
Resources Needed	Examples include, but are not limited to: budget allocation, data platforms, personnel, etc.
Evidence used to Determine Progress toward Milestone	Measures can be qualitative or quantitative.
Progress toward Milestone	Select the status of the evidence review from the dropdown menu.
Necessary Adjustments/Next Steps	List adjustments or next steps the campus will take to achieve this action. Include barriers that limited progress towards achieving this action.

# **North Richland Hills Elementary School**

## **Targeted Improvement Plan**

### **2019-2020**

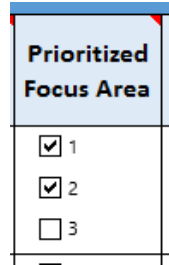

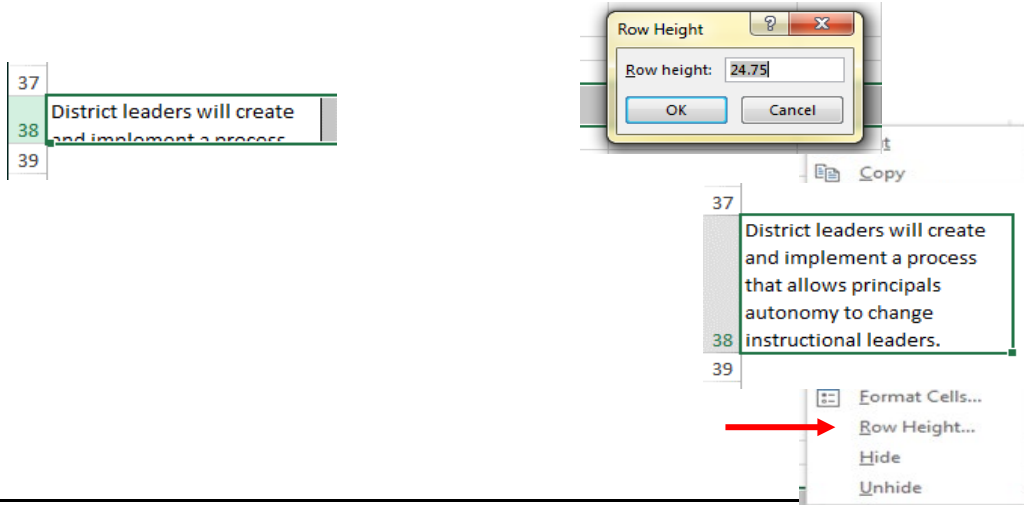

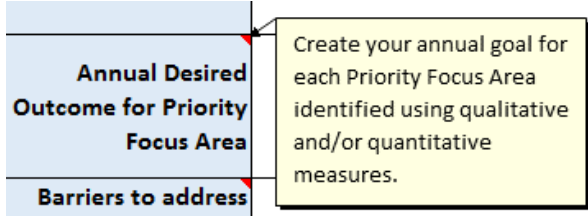

## Campus Targeted Improvement Plan

Intervention and Submission documents for the 2019-2020 monitoring year may be found on the Division of School Improvement web page at <https://tea.texas.gov/si/accountabilityinterventions/>

Please complete all sections of the Cycles 1, 2, and 3 tabs except:

- Status of Metrics/Evidence Collections
- Necessary Adjustments/Next Steps
- Section V: Reflections and Planning for Next 90 Day Cycle

These sections will be filled out at the end of the 90 day cycle prior to the Division of School Improvement Progress Submission.

Feature/Tip	Explanation	Screenshot
Checkbox selection	Check boxes allow for selection of one or more response to a question. Place a check in the box next to all answers that apply.	
Expanding rows and/or columns	If you cannot see all of the information you've entered into a cell you may adjust the height of the cell by right-clicking and increasing the height of the row.	
Viewing cell tips	Throughout the Improvement Plan there are cells containing notes or guidance around what should be entered into the cell. These cells are marked with a red triangle in the top-right corner.  To view the information in the notes box, hover your mouse over the cell.	

Printing the Template	<p>The page breaks in the Improvement Plan have been set for optimal printing on a legal size (8.5 x 14) sheet of paper with the page orientation set to Landscape (horizontal). However, users may find that after completing the plan the page breaks need to be adjusted.</p> <p>To insert, move, or delete page breaks in an Excel worksheet, visit the Microsoft Office help page.</p>	<p><a href="https://support.office.com/en-us/article/insert-move-or-delete-page-breaks-in-a-worksheet-ad3dc726-beec-4a4c-861f-ed640612bdc2">https://support.office.com/en-us/article/insert-move-or-delete-page-breaks-in-a-worksheet-ad3dc726-beec-4a4c-861f-ed640612bdc2</a></p>

Campus Information							
District Name	International Leadership of Texas	Campus Name	North Richland Hills	Superintendent	Mr E Conger	Principal	Gerard Doyle
District Number	057848	Campus Number	057848012	District Coordinator of School Improvement (DCSI)	Mr R Cooksy	ESC Support	
Assurances							
DCSI	I, the District Coordinator of School Improvement, attest that I will provide or facilitate the provision of all the necessary district-level commitments and support mechanisms to ensure the successful implementation of the Targeted Improvement Plan for this campus. I understand I am responsible for the implementation of all intervention requirements. If I am the principal supervisor, I understand I am responsible for ensuring the principal carries out the plan elements as indicated herein.						
Principal Supervisor (Only necessary if the DCSI is NOT the Principal supervisor)	I, as supervisor of the principal for this campus, attest that I will coordinate with the DCSI to provide or facilitate the provision of all the necessary district-level commitments and support mechanisms to ensure the principal I supervise can achieve successful implementation of the Targeted Improvement Plan for this campus. I understand I am responsible for ensuring the principal carries out the plan elements as indicated herein.					R Cooksy 09/26/2019	
Principal	I, as principal for this campus, attest that I will coordinate with the DCSI (and my supervisor, if they are not the same person) to use the district-provided commitments and support mechanisms to ensure the successful implementation of the Targeted Improvement Plan for this campus. I agree to carry out the plan elements as indicated herein.					G Doyle 09/26/2019	
Board Approval Date							
Needs Assessment							
Data Analysis Questions		What accountability goals for each Domain has your campus set for the year?	Domain 1: 70, Domain 2: 80, Domain 3: 70				
		What changes in student group and subject performance are included in these goals?	Our student outcomes are below where they need to be in both reading and Math. We want to see a 10 percentage point increase in accelerated growth in each STAR subject and grade level.				
		If applicable, what goals has your campus set for CCMR and Graduation Rate?	N/A				
Self-Assessment Results							
(To be completed if the campus HAS NOT had an ESF Diagnostic)							
Use the completed Self-Assessment Tool to complete this section							
Essential Action				Implementation Level (1 Not Yet Started - 5 Fully Implemented)			
1.1 Develop campus instructional leaders with clear roles and responsibilities.				3			
2.1 Recruit, select, assign, induct and retain a full staff of highly qualified educators.				2			
3.1 Compelling and aligned vision, mission, goals, values focused on a safe environment and high expectations.				4			
4.1 Curriculum and assessments aligned to TEKS with a year-long scope and sequence.				4			
5.1 Objective-driven daily lesson plans with formative assessments.				2			
5.3 Data-driven instruction.				3			
Prioritized Focus Area #1			Prioritized Focus Area #2		Prioritized Focus Area #3		
Essential Action	5.1 Objective-driven daily lesson plans with formative assessments.		5.3 Data-driven instruction.		4.1 Curriculum and assessments aligned to TEKS with a year-long scope and sequence.		

Rationale	Lesson plans with authentic assessments start the cycle.		Have had PLCs, but they didn't focus on data analysis or effective responses (reteach) from the data analysis; no real process in place for ILT or teachers to analyze unit tests (or any other tests) for the purposes of effective reteach.	Align the 3 priorities to the C and I and assessment cycle
Desired Annual Outcome	Teachers develop engaging and authentic lessons and assessments		PLCs are lead by ILT and follow DDI protocol after all unit tests (9 weeks) and for common assessments (teacher created) in between unit tests. Common assessments include retest on reteach items.	The learning and assessment cycle is focussed on the essential Teks.
Barriers to Address During the Year	Many inexperienced teachers		ILTs ability to roll out DDI to teachers (both from an effective PD and teacher buy in standpoint); time management for ILT to ensure leader prep is done and high quality	The learning cycle of our teachers.
District Commitment Theory of Action:		If the principal supervisor provides regular coaching to the principal on the implementation of DDI and the principal's development of the instructional leadership team, and the district ensures that the campus has access to high-quality unit tests for all tested grades and subjects, and the district commits to providing test results back to the campus within two days from the assessment, then the campus will be able to establish strong data-driven instruction practices, improve the quality and frequency of use of lesson plans and formative assessments, and campus leaders will more frequently, effectively engage in instructional leadership activities.		
ESF Diagnostic Results (To be completed AFTER the campus engages in the shared diagnostic with an ESF Facilitator)				
Date of ESF Diagnostic				
Prioritized Focus Area #1			Prioritized Focus Area #2	Prioritized Focus Area #3
Essential Action	5.1 Objective-driven daily lesson plans with formative assessments.		5.3 Data-driven instruction.	4.1 Curriculum and assessments aligned to TEKS with a year-long scope and sequence.
Desired Annual Outcome	All teachers can write and deliver engaging appropriate lessons and assessments based on the 5 E model.		Decisions on student instruction are made through systematically collected data, analysed to develop a picture of patterns and causation, leading to action in planning and execution of classroom instruction.	All teachers will understand the year long scope and sequence and understand how to plan for high leveraged readiness and supporting standards.
Barriers to Address During the Year	Teachers attitude toward investing time in developing high quality lesson plans and assessments.		We have a large number of new teachers to grades and content area's. We will build capacity of new teachers.	Build teacher capacity in content mastery and targetting high leveraged Teks.
District Commitment Theory of Action				
Prioritized Focus Areas for Improvement	Capacity Builder			
Lesson Planning	IC to train and model, with AP and Principal observation for improvements.			
Formative and Summative assessment, planning and use	IC to train and model, with AP and Principal observation for improvements.			
Continuous improvement	IC to train and model, with AP and Principal observation for improvements.			

## Student Data

Cycle 1 90-day Outcomes (September - November)								
	Prioritized Focus Area #1		Prioritized Focus Area #2			Prioritized Focus Area #3		
Essential Action	5.1 Objective-driven daily lesson plans with formative assessments.5.1 Objective-driven daily lesson plans with formative assessments.		5.3 Data-driven instruction.5.3 Data-driven instruction.			4.1 Curriculum and assessments aligned to TEKS with a year-long scope and sequence.4.1 Curriculum and assessments aligned to TEKS with a year-long scope and		
Desired Annual Outcome	Teachers develop engaging and authentic lessons and assessmentsAll teachers can write and deliver engaging appropriate lessons and assessments based on the 5 E model.		PLCs are lead by ILT and follow DDI protocol after all unit tests (9 weeks) and for common assessments (teacher created) in between unit tests. Common assessments include retest on reteach items.Decisions on student instruction are made through systematically collected data, analysed to develop a picture of patterns and causation, leading to action in planning and execution of classroom instruction.			The learning and assessment cycle is focussed on the essential Teks.All teachers will understand the year long scope and sequence and understand how to plan for high leveraged readiness and supporting standards.		
Desired 90-day Outcome	Teachers use daily PLC meetings to plan collaboratively lessons (KS charts, warm ups and exit tickets) and IC's, AP's and Principals to give feedback.		Every PLC, led by a member of the ILT, follows DDI protocol after return of unit assessment results and reteach of prioritized standards occurs within three days of DDI meetings			Teachers understand the essential Teks and collaborate cross curricular.		
Barriers to Address During this Cycle	PLC leads' content knowledge for K&S creation; buy in for stronger PLC protocols (teacher perceived loss of autonomy?)		Knowledge of effective reteach (PLC leads and teachers); "public" analysis of assessment results in DDI meetings			The learning cycle of our teachers. Build teacher capacity in content mastery and targetting high leveraged Teks.		
District Actions for this Cycle	Principal supervisor supports ILT in accessing unit tests in advance and identifying which standards are prioritized in unit test to support PLC planning.		Principal supervisor ensures that unit tests are edited with clear instructions that students show all their work on the assessment itself so teachers can use for DDI; PS also ensures unit tests are graded and returned to campus within two days.			Principal supervisor ensures that unit training is ongoing to bring build teacher capacity in content, targetting, and reteaching.		
District Commitments Theory of Action	If the principal supervisor provides regular coaching to the principal on the implementation of DDI and the principal's development of the instructional leadership team, and the district ensures that the campus has access to high-quality unit tests for all tested grades and subjects, and the district commits to providing test results back to the campus within two days from the assessment, then the campus will be able to establish strong data-driven instruction practices, improve the quality and frequency of use of lesson plans and formative assessments, and campus leaders will more frequently, effectively engage in instructional leadership activities.

The learning and assessment cycle is focussed on the essential Teks.All teachers will understand the year long scope and sequence and understand how to plan for high leveraged readiness and supporting standards.		
Did the campus achieve the desired outcome? Why or why not?								

Cycle 4 90-Day Action Plan (June-August)								
The purpose of this 90-Day action plan is to prepare for the upcoming school year. The essential actions the campus prioritizes may have changed based on progress made in the school year or based on ESF diagnostic results.								
	Prioritized Focus Area #1		Prioritized Focus Area #2			Prioritized Focus Area #3		
Essential Action	Teachers use daily PLC meetings to plan collaboratively lessons (KS charts, warm ups and exit tickets) and IC's, AP's and Principals to give feedback.		Every PLC, led by a member of the ILT, follows DDI protocol after return of unit assessment results and reteach of prioritized standards occurs within three days of DDI meetings			Teachers understand the essential Teks and collaborate cross curricular.		
Rationale	The PLC process is the forum for change in our school. Embedding and improving the PLC process is key to our school improvement.		Academic decisions are data based and neutral to the process or personnel involved.			The rich tapestry of our curriculum is only enhanced by cross curricular collaboration.		
How will you communicate these priorities to your stakeholders? How will you invest them?	We will dedicate our PD at the beginning of the year to communicating these priorities and the results from the previous year.		We will dedicate our PD at the beginning of the year to communicating these priorities and the results from the previous year.			We will dedicate our PD at the beginning of the year to communicating these priorities and the results from the previous year.		
Desired 90-Day Outcome	The PLC process is embedded as best practice in our school.		All instruction decisions are based on authentic student assessment.			PLC's are working as cross curricular teams.		
Who will help the campus build capacity in this area?	Campus admin, Area Supt, HQ directors.		Campus admin, Area Supt, HQ directors.			Campus admin, Area Supt, HQ directors.		
Barriers to Address	GLA retention.		Teacher retention.			No common platform ifor improvement eg LMS.		
District Actions for this Cycle	Internal marketing of successes.		Internal marketing of successes.			Evaluate a single districtwide LMS solution.		
District Commitments Theory of Action	o

TIP Components	Notes
<b>Foundations</b>	
Self-Assessment Results	If the campus has had an ESF Diagnostic, DO NOT complete the ' <i>Self-Assessment</i> ' section. Continue to the next section titled, ' <i>ESF Diagnostic Results</i> '
Essential Action	From the drop down menu, select the Essential Action the campus selected based on the Needs Assessment and/or ESF Final Report.
Rationale	Explain the reasons this Essential Action was selected.
Desired Annual Outcome for Priority Focus Area	Create your annual goal for each Prioritized Focus Area identified using qualitative and/or quantitative measures.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area.
District Commitment on Theory of Action	State the District Theory of Action and the District Commitments that will support the campus' essential actions found in the plan.
Date of ESF Diagnostic	Complete after ESF Diagnostic.
Capacity Builder	Capacity Builders can include vetted partners, ESCs, and/or internal district support.
<b>Cycles 1, 2, and 3 90-day Action Plan</b>	
Desired 90-day Outcome	Describe the specific goals the campus plans to achieve by the end of the cycle for the relevant prioritized focus area.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area. Barriers may stay the same or change from cycle to cycle.
District Actions for this Cycle	List what the district will do to support the campus during this 90-day cycle to achieve the desired outcomes.
Milestones	In each row, list actions the campus is taking in this cycle to achieve desired outcomes and address barriers to implementation. An action may address more than one priority focus area. New actions can be added over time, as needed.
Prioritized Focus Area	Select the Prioritized Focus Area(s) that is aligned to this milestone.
Timeline	Identify a start and end date. End date may carryover to another cycle.
Resources Needed	Examples include, but are not limited to: budget allocation, data platforms, personnel, etc.
Evidence used to Determine Progress toward Milestone	Measures can be qualitative or quantitative.
Progress toward Milestone	Select the status of the evidence review from the dropdown menu.
Necessary Adjustments/Next Steps	List adjustments or next steps the campus will take to achieve this action. Include barriers that limited progress towards achieving this action.
<b>Cycle 4 90-day Action Plan</b>	
Rationale	Explain the reasons this Essential Action was selected.
Desired 90-day Outcome	Describe the specific goals the campus plans to achieve by the end of the cycle for the relevant prioritized focus area.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area. Barriers may stay the same or change from cycle to cycle.
District Actions for this Cycle	List what the district will do to support the campus during this 90-day cycle to achieve the desired outcomes.
Milestones	In each row, list actions the campus is taking in this cycle to achieve desired outcomes and address barriers to implementation. An action may address more than one priority focus area. New actions can be added over time, as needed.
Prioritized Focus Area	Select the Prioritized Focus Area(s) that is aligned to this milestone.
Timeline	Identify a start and end date. End date may carryover to another cycle.
Resources Needed	Examples include, but are not limited to: budget allocation, data platforms, personnel, etc.
Evidence used to Determine Progress toward Milestone	Measures can be qualitative or quantitative.
Progress toward Milestone	Select the status of the evidence review from the dropdown menu.
Necessary Adjustments/Next Steps	List adjustments or next steps the campus will take to achieve this action. Include barriers that limited progress towards achieving this action.

# **East Fort Worth Elementary School Targeted Improvement Plan 2019-2020**

Campus Targeted Improvement Plan		
Intervention and Submission documents for the 2019-2020 monitoring year may be found on the Division of School Improvement web page at <a href="https://tea.texas.gov/si/accountabilityinterventions/">https://tea.texas.gov/si/accountabilityinterventions/</a>		
<p>Please complete all sections of the Cycles 1, 2, and 3 tabs <u>except</u>:</p> <ul style="list-style-type: none"><li>- Status of Metrics/Evidence Collections</li><li>- Necessary Adjustments/Next Steps</li><li>- Section V: Reflections and Planning for Next 90 Day Cycle</li></ul> <p>These sections will be filled out at the end of the 90 day cycle <u>prior</u> to the Division of School Improvement Progress Submission.</p>

Printing the Template	<p>The page breaks in the Improvement Plan have been set for optimal printing on a legal size (8.5 x 14) sheet of paper with the page orientation set to Landscape (horizontal). However, users may find that after completing the plan the page breaks need to be adjusted.</p> <p>To insert, move, or delete page breaks in an Excel worksheet, visit the Microsoft Office help page.</p>	<p><a href="https://support.office.com/en-us/article/insert-move-or-delete-page-breaks-in-a-worksheet-ad3dc726-beec-4a4c-861f-ed640612bdc2">https://support.office.com/en-us/article/insert-move-or-delete-page-breaks-in-a-worksheet-ad3dc726-beec-4a4c-861f-ed640612bdc2</a></p>

Campus Information							
District Name	International Leadership of TX	Campus Name	East Fort Worth	Superintendent	Eddie Conger	Principal	Nikia Smith
District Number	57848		000000021	District Coordinator of School Improvement (DCSI)	Rodney Cooksy	ESC Support	Ben Dickerson
Assurances							
DCSI	I, the District Coordinator of School Improvement, attest that I will provide or facilitate the provision of all the necessary district-level commitments and support mechanisms to ensure the successful implementation of the Targeted Improvement Plan for this campus. I understand I am responsible for the implementation of all intervention requirements. If I am the principal supervisor, I understand I am responsible for ensuring the principal carries out the plan elements as indicated herein.					Rodney Cooksy	
Principal Supervisor <i>(Only necessary if the DCSI is NOT the Principal supervisor)</i>	I, as supervisor of the principal for this campus, attest that I will coordinate with the DCSI to provide or facilitate the provision of all the necessary district-level commitments and support mechanisms to ensure the principal I supervise can achieve successful implementation of the Targeted Improvement Plan for this campus. I understand I am responsible for ensuring the principal carries out the plan elements as indicated herein.					Rodney Cooksy	
Principal	I, as principal for this campus, attest that I will coordinate with the DCSI (and my supervisor, if they are not the same person) to use the district-provided commitments and support mechanisms to ensure the successful implementation of the Targeted Improvement Plan for this campus. I agree to carry out the plan elements as indicated herein.					Nikia Smith, Principal (9-20-19)	
Board Approval Date							
Needs Assessment							
Data Analysis Questions		What accountability goals for each Domain has your campus set for the year?	Students in Grades 3-5 will achieve a passing rate in Reading of 65% in 'Approaches Grade Level,' 35% in 'Meets Grade Level,' and 45% of Grade 4 students will acheieve 'Approach Grade Level' in Writing as measured by STAAR.Students in Grades 3-5 will achieve a passing rate in Math of 60% in 'Approaches Grade Level' and 25% in 'Meets Grade Level' as measured by STAAR.				
		What changes in student group and subject performance are included in these goals?	Due to the adoption of new Reading TEKS and developing strategies to address deficiencies, the campus has set specific targeted goals to address the concerns.				
		If applicable, what goals has your campus set for CCMR and Graduation Rate?					
Self-Assessment Results							
(To be completed if the campus HAS NOT had an ESF Diagnostic)							
Use the completed Self-Assessment Tool to complete this section							
Essential Action				Implementation Level (1 Not Yet Started - 5 Fully Implemented)			
1.1 Develop campus instructional leaders with clear roles and responsibilities.				4			
2.1 Recruit, select, assign, induct and retain a full staff of highly qualified educators.				2			
3.1 Compelling and aligned vision, mission, goals, values focused on a safe environment and high expectations.				4			
4.1 Curriculum and assessments aligned to TEKS with a year-long scope and sequence.				3			
5.1 Objective-driven daily lesson plans with formative assessments.				3			
5.3 Data-driven instruction.				3			
Prioritized Focus Area #1			Prioritized Focus Area #2		Prioritized Focus Area #3		
Essential Action	4.1 Curriculum and assessments aligned to TEKS with a year-long scope and sequence.		5.1 Objective-driven daily lesson plans with formative assessments.		5.3 Data-driven instruction.		
Rationale	Using our district curriculum of TEKS RS we are able to identify when to teach each standard. Pacing calendars are created during campus PD days for the upcoming 6 week cycle. The focus area for improvement is on assessments and ensuring the TEKS being taught and assessed are following the scope and sequence provided or created and that assessment questions are aligned to the rigor of STAAR.		Resources have been given in the form of TEKS RS as well as Item banks through All In learning. Our focus for improvement is ensuring that formative assessments are aligned to TEKS and meeting the level of rigor of STAAR		Data Collection tools have been provided. Analysis is taking place weekly with IC and teachers and also during PD days. Our focus for improvement is on using data to inform instruction and create intervention plans.		
Desired Annual Outcome	An increased number of students of meets grade level by 20% on the statewide STAAR assessment in math and reading		An increased number of students meeting mastery performance on the statewide STAAR assessment in math and reading		An increased number of growth for students in grades 4-8 by 20% on the statewide STAAR assessment in math and reading		

Barriers to Address During the Year	Behaviors - Lack of intentional focus to the fidelity of the process of identifying assessment items that meet the rigor of STAAR Mindsets: Trusting factor regarding the reliability of district provided assessments. Resources: A concern of the reliability: Uncertainty of level of rigor with item bank questions from all in learning.		Behaviors: Analyzing data so that lessons are driven by data Mindsets: Compliant vs intentionality with being instructionally efficient		Behaviors: Compliant with ensuring at least 3 data collection points. Meetings are taking place but we need to focus on being purposeful and intentional with data Mindsets: Uncertaintaty of how to close the gap based on the collectced data - reteach plans Resources: support via training at the campus or district level on how to effectively use provided data tools	
District Commitment Theory of Action:						
ESF Diagnostic Results (To be completed AFTER the campus engages in the shared diagnostic with an ESF Facilitator)

Cycle 1 90-day Outcomes (September - November)				
	Prioritized Focus Area #1	Prioritized Focus Area #2		Prioritized Focus Area #3
Essential Action	4.1 Curriculum and assessments aligned to TEKS with a year-long scope and sequence.4.1 Curriculum and assessments aligned to TEKS with a year-long scope and sequence.	5.1 Objective-driven daily lesson plans with formative assessments.5.1 Objective-driven daily lesson plans with formative assessments.		5.3 Data-driven instruction.5.3 Data-driven instruction.
Desired Annual Outcome	An increased number of students of meets grade level by 20% on the statewide	An increased number of students meeting mastery performance on the		An increased number of growth for students in grades 4-8 by 20% on the statewide STAAR assessment in math and reading
Desired 90-day Outcome	With an aligned curriculum, the campus will see an increase of at least 10% in All in Learning data from checkpoints to unit assessments. The data reflects taught curriculum alinged to state wide standards.	With objective driven lesson plans, the campus will see an increase number Tier 1 and Tier 2 teachers by 23%. Daily lessons will support increased numbers of engaged students, and academic performance.		Data driven instruction alignment will increase the overall percentage passing on all district level End of Course Assessments (ECA) by 25% from the 2018-2019 school year.
Barriers to Address During this Cycle	Behaviors - Lack of intentional focus to the fidelity of the process of identifying assessment items that meet the rigor of STAAR Mindsets: Trusting factor regarding the reliability of district provided assessments. Resources: A concern of the reliability: Uncertainty of level of rigor with item bank questions from all in learning.	Behaviors: Analyzing data so that lessons are driven by data Mindsets: Compliant vs intentionality with being instructionally efficient		Behaviors: Compliant with ensuring at least 3 data collection points. Meetings are taking place but we need to focus on being purposeful and
District Actions for this Cycle	The district provides access to assessments aligned to the standards and the expected level of rigor. The district provides a data assessment platform to capture assessment data by item and student level.	The district ensures access to high-quality common formative assessment resources aligned to state standards for all tested areas and PK-2nd grade math and reading.		The district has effective systems for identifying and supporting struggling learners. District provides some training for Aware data tool.
District Commitments Theory of Action	If the district provides access to assessments aligned to the standards and the expected level of rigor  ...and the district provides a data assessment platform to capture assessment data by item and student level			

Action plan-Milestones									
Milestones		Prioritized Focus Area	Timeline	Resources Needed	Person(s) Responsible	Evidence used to Determine Progress toward Milestone	Evidence Collection Date	Progress toward Milestone	Necessary Adjustments / Next Steps
Provide behavioral techniques and techniques for greetings, incentives, and school-wide		3.1	Annually	Awards, incentive	A-TEAM, J. Williams	Data reports	End of the calendar year		
Collect sample Scope and Sequence Every 6 weeks at PD Day		4.1	Each Data Day (6 weeks)	pacing calendars	Ics, Kristie Stephenson, Stephanie Lancaster	completed calendar	September 23 and November 4th		
collect PLC agendas and minutes artifacts		4.1	Monthly	PLC agendas and minutes	GLAs, Jamad Williams, Lashcoka Thompson, Viviana Garcia	daily PLC minutes and agendas completed	November 1st		
increase percentage of student engagement during classroom observations		4.1	3 week cycle	eduphoria strive feedback	Nikia Smith, Jamad Williams, Lashcoka Thompson, Viviana Garcia	Feedback in strive	November 1st		
Increase the number of tier 1 and 2 teachers twice throughout the school year		5.1	November 1st and March 1st	strive classroom observation data	Nikia Smith, Jamad Williams, Lashcoka Thompson, Viviana Garcia	Feedback in strive	November 1st and March 1st		
All teacher lesson plans will have a clearly identified lesson objective and aligned formative assessments		5.1	Weekly checks and biweekly analysis report	Analysis Template - IC to create	Ics, Kristie Stephenson, Stephanie Lancaster	Analysis Template complete with percentage of teachers who met expectation with plans	November 1st		

Purchase supplemental technology and instructional materials (hardcopies as well as		5.1	Annually		Ics, Kristie Stephenson, Stephanie Lancaster	Updated Data Tracker	End of the calendar year		
Teachers will use Leveled Readers to increase reading fluency		5.1	Monthly	Leveled Readers	Instructional Leaders, Stephanie Lancaster	Feedback in strive, increase in student achievement dat	November 1st and March 1st		
	Classroom Observation	5.1	Weekly	Breakthrough Coaching Plan and Administrative calendars	Nikia Smith, Jamad Williams, Lashcoka Thompson, Viviana Garcia	Feedback in strive	November 1st and March 1st		
Complete Student Data Folders with conference notes		5.3	End of 1st and 2nd 6 weeks Checkpoint	Student data folders and content tracking sheets	Nikia Smith, Jamad Williams, Lashcoka Thompson, Viviana Garcia	Student data folders with last years STAAR, MAP and ECA 1, increase in student data	End of the first week of the following cycle		
Unpack the standard into knowledge and skills, unpack the teacher created exemplar into knowledge and skills, and unpack the student exemplar into knowledge and skillsWeekly Data Analysis completed by IC and teacher		5.3	Weekly Checks and collected at the end of each month on the last Friday	Data Analysis Template	Instructional Leaders, Stephanie Lancaster, Kristie Stephenson	Data analysis templates, Increase in student acheivement data	November 1st		
Provide professional development on data analysis protocols in		5.3	Each Data Day (6 weeks)	Professional Development training at the District, Regional and State Level.	Nikia Smith, Jamad Williams, Lashcoka Thompson, Viviana Garcia	Certificate of Attendance	End of the calendar year		
		5.3	Annually	Lesson Plans	Instructional Leaders, Stephanie Lancaster, Kristie Stephenson	Sign-In Sheets	End of the calendar year		
Math Interventionist hired to support the Tier 2 and 3 students in targeted, under performing TEKS.		5.3	Annually	Student data folders and content tracking sheets	Nikia Smith, Jamad Williams, Lashcoka Thompson, Viviana Garcia	Sign-In Sheets	End of calendar year		
Reflection and Planning for Next 90-Day Cycle									
Did you achieve your desired 90-day outcome? Why or why not?									
Did you achieve your student performance goals (see Student Data Tab)? Why or why not?									
Review the necessary adjustments/next steps column above. What milestones from this cycle will you continue working on in the next cycle? What new milestones do you need to add to the next cycle?				Carryover Milestones			New Milestones

TIP Components	Notes
Foundations	
Self-Assessment Results	If the campus has had an ESF Diagnostic, DO NOT complete the ' <i>Self-Assessment</i> ' section. Continue to the next section titled, ' <i>ESF Diagnostic Results</i> '
Essential Action	From the drop down menu, select the Essential Action the campus selected based on the Needs Assessment and/or ESF Final Report.
Rationale	Explain the reasons this Essential Action was selected.
Desired Annual Outcome for Priority Focus Area	Create your annual goal for each Prioritized Focus Area identified using qualitative and/or quantitative measures.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area.
District Commitment on Theory of Action	State the District Theory of Action and the District Commitments that will support the campus' essential actions found in the plan.
Date of ESF Diagnostic	Complete after ESF Diagnostic.
Capacity Builder	Capacity Builders can include vetted partners, ESCs, and/or internal district support.
Cycles 1, 2, and 3 90-day Action Plan	
Desired 90-day Outcome	Describe the specific goals the campus plans to achieve by the end of the cycle for the relevant prioritized focus area.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area. Barriers may stay the same or change from cycle to cycle.
District Actions for this Cycle	List what the district will do to support the campus during this 90-day cycle to achieve the desired outcomes.
Milestones	In each row, list actions the campus is taking in this cycle to achieve desired outcomes and address barriers to implementation. An action may address more than one priority focus area. New actions can be added over time, as needed.
Prioritized Focus Area	Select the Prioritized Focus Area(s) that is aligned to this milestone.
Timeline	Identify a start and end date. End date may carryover to another cycle.
Resources Needed	Examples include, but are not limited to: budget allocation, data platforms, personnel, etc.
Evidence used to Determine Progress toward Milestone	Measures can be qualitative or quantitative.
Progress toward Milestone	Select the status of the evidence review from the dropdown menu.
Necessary Adjustments/Next Steps	List adjustments or next steps the campus will take to achieve this action. Include barriers that limited progress towards achieving this action.
Cycle 4 90-day Action Plan	
Rationale	Explain the reasons this Essential Action was selected.
Desired 90-day Outcome	Describe the specific goals the campus plans to achieve by the end of the cycle for the relevant prioritized focus area.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area. Barriers may stay the same or change from cycle to cycle.
District Actions for this Cycle	List what the district will do to support the campus during this 90-day cycle to achieve the desired outcomes.
Milestones	In each row, list actions the campus is taking in this cycle to achieve desired outcomes and address barriers to implementation.
Prioritized Focus Area	Select the Prioritized Focus Area(s) that is aligned to this milestone.
Timeline	Identify a start and end date. End date may carryover to another cycle.
Resources Needed	Examples include, but are not limited to: budget allocation, data platforms, personnel, etc.
Evidence used to Determine Progress toward Milestone	Measures can be qualitative or quantitative.
Progress toward Milestone	Select the status of the evidence review from the dropdown menu.
Necessary Adjustments/Next Steps	List adjustments or next steps the campus will take to achieve this action. Include barriers that limited progress towards achieving this action.

Campus Information							
District Name	International Leadership of TX	Campus Name	East Fort Worth	Superintendent	Eddie Conger	Principal	Nikia Smith
District Number	57848	Campus Number	000000022	District Coordinator of School Improvement (DCSI)	Rodney Cooksy	ESC Support	Rodney Cooksy
Assurances							
DCSI	I, the District Coordinator of School Improvement, attest that I will provide or facilitate the provision of all the necessary district-level commitments and support mechanisms to ensure the successful implementation of the Targeted Improvement Plan for this campus. I understand I am responsible for the implementation of all intervention requirements. If I am the principal supervisor, I understand I am responsible for ensuring the principal carries out the plan elements as indicated herein.				Rodney Cooksy		
Principal Supervisor <i>(Only necessary if the DCSI is NOT the Principal supervisor)</i>	I, as supervisor of the principal for this campus, attest that I will coordinate with the DCSI to provide or facilitate the provision of all the necessary district-level commitments and support mechanisms to ensure the principal I supervise can achieve successful implementation of the Targeted Improvement Plan for this campus. I understand I am responsible for ensuring the principal carries out the plan elements as indicated herein.				Rodney Cooksy		
Principal	I, as principal for this campus, attest that I will coordinate with the DCSI (and my supervisor, if they are not the same person) to use the district-provided commitments and support mechanisms to ensure the successful implementation of the Targeted Improvement Plan for this campus. I agree to carry out the plan elements as indicated herein.				Nikia Smith, Principal (9-19-19)		
Board Approval Date							
Needs Assessment							
Data Analysis Questions		What accountability goals for each Domain has your campus set for the year?	Students in Grades 6-8 will achieve a passing rate in Reading of 65% in 'Approaches Grade Level,' 35% in 'Meets Grade Level,' and 50% of Grade 7 students will acheieve 'Approach Grade Level' in Writing as measured by STAAR. Students in Grades 6-8 will achieve a passing rate in Math of 62% in 'Approaches Grade Level' and 25% in 'Meets Grade Level' as measured by STAAR.				
		What changes in student group and subject performance are included in these goals?	Due to the adoption of new Reading TEKS and developing strategies to address deficiencies, the				
		If applicable, what goals has your campus set for CCMR and Graduation Rate?					
Self-Assessment Results

Essential Action				Implementation Level (1 Not Yet Started - 5 Fully Implemented)			
1.1 Develop campus instructional leaders with clear roles and responsibilities.				4			
2.1 Recruit, select, assign, induct and retain a full staff of highly qualified educators.				2			
3.1 Compelling and aligned vision, mission, goals, values focused on a safe environment and high expectations.				4			
4.1 Curriculum and assessments aligned to TEKS with a year-long scope and sequence.				3			
5.1 Objective-driven daily lesson plans with formative assessments.				3			
5.3 Data-driven instruction.				3			
Prioritized Focus Area #1			Prioritized Focus Area #2		Prioritized Focus Area #3		
Essential Action	4.1 Curriculum and assessments aligned to TEKS with a year-long scope and sequence.		5.1 Objective-driven daily lesson plans with formative assessments.		5.3 Data-driven instruction.		
Rationale	Using our district curriculum of TEKS RS we are able to identify when to teach each standard. Pacing calendars are created during campus PD days for the upcoming 6 week cycle. The focus area for improvement is on assessments and ensuring the TEKS being taught and assessed are following the scope and sequence provided or created and that assessment questions are aligned to the rigor of STAAR.		Resources have been given in the form of TEKS RS as well as Item banks through All In learning. Our focus for improvement is ensuring that formative assessments are aligned to TEKS and meeting the level of rigor of STAAR		Data Collection tools have been provided. Analysis is taking place weekly with IC and teachers and also during PD days. Our focus for improvement is on using data to inform instruction and create intervention plans.		
Desired Annual Outcome	An increased number of students of meets grade level by 20% on the statewide STAAR assessments		An increased number of students meeting mastery performace on the statewide STAAR assessment by at least 8% in all content areas		An increased number of growth for students in grades 4-8 by		

Barriers to Address During the Year	Behaviors - Lack of intentional focus to the fidelity of the process of identifying assessment items that meet the rigor of STAAR Mindsets: Trusting factor regarding the reliability of district provided assessments. Resources: A concern of the reliability: Uncertainty of level of rigor with item bank questions from all in learning.		Behaviors: Analyzing data so that lessons are driven by data Mindsets: Compliant vs intentionality with being instructionally efficient		Behaviors: Compliant with ensuring at least 3 data collection points. Meetings are taking place but we need to focus on being purposeful and intentional with data Mindsets: Uncertainty of how to close the gap based on the collected data - reteach plans Resources: support via training at the campus or district level on how to effectively use provided data tools

TIP Components	Notes
Foundations	
Self-Assessment Results	If the campus has had an ESF Diagnostic, DO NOT complete the ' <i>Self-Assessment</i> ' section. Continue to the next section titled, ' <i>ESF Diagnostic Results</i> '
Essential Action	From the drop down menu, select the Essential Action the campus selected based on the Needs Assessment and/or ESF Final Report.
Rationale	Explain the reasons this Essential Action was selected.
Desired Annual Outcome for Priority Focus Area	Create your annual goal for each Prioritized Focus Area identified using qualitative and/or quantitative measures.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area.
District Commitment on Theory of Action	State the District Theory of Action and the District Commitments that will support the campus' essential actions found in the plan.
Date of ESF Diagnostic	Complete after ESF Diagnostic.
Capacity Builder	Capacity Builders can include vetted partners, ESCs, and/or internal district support.
Cycles 1, 2, and 3 90-day Action Plan	
Desired 90-day Outcome	Describe the specific goals the campus plans to achieve by the end of the cycle for the relevant prioritized focus area.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area. Barriers may stay the same or change from cycle to cycle.
District Actions for this Cycle	List what the district will do to support the campus during this 90-day cycle to achieve the desired outcomes.
Milestones	In each row, list actions the campus is taking in this cycle to achieve desired outcomes and address barriers to implementation. An action may address more than one priority focus area. New actions can be added over time, as needed.
Prioritized Focus Area	Select the Prioritized Focus Area(s) that is aligned to this milestone.
Timeline	Identify a start and end date. End date may carryover to another cycle.
Resources Needed	Examples include, but are not limited to: budget allocation, data platforms, personnel, etc.
Evidence used to Determine Progress toward Milestone	Measures can be qualitative or quantitative.
Progress toward Milestone	Select the status of the evidence review from the dropdown menu.
Necessary Adjustments/Next Steps	List adjustments or next steps the campus will take to achieve this action. Include barriers that limited progress towards achieving this action.
Cycle 4 90-day Action Plan	
Rationale	Explain the reasons this Essential Action was selected.
Desired 90-day Outcome	Describe the specific goals the campus plans to achieve by the end of the cycle for the relevant prioritized focus area.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area. Barriers may stay the same or change from cycle to cycle.
District Actions for this Cycle	List what the district will do to support the campus during this 90-day cycle to achieve the desired outcomes.
Milestones	In each row, list actions the campus is taking in this cycle to achieve desired outcomes and address barriers to implementation.
Prioritized Focus Area	Select the Prioritized Focus Area(s) that is aligned to this milestone.
Timeline	Identify a start and end date. End date may carryover to another cycle.
Resources Needed	Examples include, but are not limited to: budget allocation, data platforms, personnel, etc.
Evidence used to Determine Progress toward Milestone	Measures can be qualitative or quantitative.
Progress toward Milestone	Select the status of the evidence review from the dropdown menu.
Necessary Adjustments/Next Steps	List adjustments or next steps the campus will take to achieve this action. Include barriers that limited progress towards achieving this action.

## **International Leadership of Texas**

## Demographics

### Demographics Summary

As an international school we have attracted families from a wide range of ethnic backgrounds and socio-economic statuses. We also pride ourselves in surrounding our students with educators with a wide range of ethnic backgrounds and experiences.

### School Populaiton:

Kinder: 141 16.81%

1st Grade: 183 17.68%

2nds Grade: 177 17.10%

3rd Grade: 170 16.43%

4th Grade: 161 15.56%

5th Grade: 170 16.43%

**Total: 1,035**

### Gender:

Male: 561 54.20%

Female: 474 45.80%

### Ethnicity:

Hispanic: 557 53.82%

Asian: 38 3.67%

Black: 144 13.91%

White: 241 23.29%

**Student Population:**

Speicial Ed: 64

**Staff Information:**

Prinicipal: 1

Assistand Principal: 3

Counselors: 3

Male: 15

Female: 59

**Staff Ethnicity:**

White: 31

Black: 15

HIspanic: 28

Asian: 7

**Staff Education**

Bachelors: 74

Masters: 13

Doctorate: 1

## Demographics Strengths

Diversity among students our students directly impacts their performance. Our campus's diversity enables our students to concentrate and push themselves further when there are people of other backgrounds working alongside them. This promotes creativity, as well as better education, as those with differing viewpoints are able to collaborate to create solutions. There is a better understanding and displaying of empathy towards one another in the face of the changing society around them.

We have a variety of different cultures on our campus and we work to develop an appreciation and respect for all differences. Our faculty and staff is as diverse as our student body. This allows us to prepare students for roles in both their local and international communities.

## Problem Statements Identifying Demographics Needs

**Problem Statement 1:** All educators cultural incompetencies their ability to form authentic and effective relationships across differences. **Root Cause:** Educators placing too much emphasis on teaching without strengthening the teacher student relationship though authentic meaningful cultural understanding.

**Problem Statement 2:** All educators cultural incompetencies their ability to form authentic and effective relationships across differences. **Root Cause:** Educators placing too much emphasis on teaching without strengthening the teacher student relationship though authentic meaningful cultural understanding.

**Problem Statement 3:** Students work at various learning levels, creating learning gaps among the various tiered learning groups. **Root Cause:** Students often lack the foundation to progressively move students at the same consistent pace.

**Problem Statement 4:** Students are consistently performing below grade level causing teachers to target instruction instead of targeting skills. **Root Cause:** Students historically underperform in targeted areas (TEKS) causing students to miss prerequisite skills that are crucial factors in their overall performance.

## Student Academic Achievement

### Student Academic Achievement Summary

After completing a data analysis of the STAAR scores and MAP data, it is apparent that targeted reading and math interventions will provide the students the foundational skill necessary to improve student academic achievement. Instructional coaches, as well as, the campus teachers will profile each of their students after end of course assessments, and district benchmarks. All staff will engage in vertical alignment planning with the use of Texas Resource Systems and Lead Forward Data Analysis tools. The comprehensive use of data over the course of each semester will support directly impact student's overall performance.

3rd Grade Reading: % Approaches % Meets % Masters

3rd Grade Math: % Approaches % Meets % Masters

4th Grade Reading: % Approaches % Meets % Masters

4th Grade Math: % Approaches % Meets % Masters

4th Grade Writing: % Approaches % Meets % Masters

5th Grade Reading: 86.49% Approaches 56.76% Meets 32.43% Masters

5th Grade Math: 79.73% Approaches 49.32% Meets 7.81% Masters

5th Grade Science: % Approaches % Meets % Masters

### Student Academic Achievement Strengths

Our teachers, students, parents and community members work well to support the learning for all. Parents work in collaboration with the school community to support the efforts to ensure that every child reach their full potential. We celebrate our student's academic success, character development, and putting "Others Before Self". We also recognize the staff in displaying the characteristics of putting "Others Before Self" as well.

Reading and Math were strengths because a large number of those students did not pass the STAAR last school year.

## **Problem Statements Identifying Student Academic Achievement Needs**

**Problem Statement 1:** All educators cultural incompetencies their ability to form authentic and effective relationships across differences. **Root Cause:** Educators placing too much emphasis on teaching without strengthening the teacher student relationship though authentic meaningful cultural understanding.

**Problem Statement 2:** Students work at various learning levels, creating learning gaps among the various tiered learning groups. **Root Cause:** Students often lack the foundation to progressively move students at the same consistent pace.

**Problem Statement 3:** Students are consistently performing below grade level causing teachers to target instruction instead of targeting skills. **Root Cause:** Students historically underperform in targeted areas (TEKS) causing students to miss prerequisite skills that are crucial factors in their overall performance.

**Problem Statement 4:** The campus has not establish campus norms and incremental check points for progress monitoring. **Root Cause:** Developing a strong climate and culture is an on-going project. All staff works together establish norms and non-negotiables students/ staff.

**Problem Statement 5:** All educators cultural incompetencies their ability to form authentic and effective relationships across differences. **Root Cause:** Educators placing too much emphasis on teaching without strengthening the teacher student relationship though authentic meaningful cultural understanding.

**Problem Statement 6:** Teachers do not feel comfortable implementing the current technology in the classroom. **Root Cause:** Lack of specific professional development in the area of technology.

# School Processes & Programs

## School Processes & Programs Summary

### Recruitment:

We use a number of sources to find high caliber staff such as our campus website, the Teacher Job Network (TJN), and Region 10 and 11 job fairs. The majority of core and LOTE teachers are at a highly qualified status in accordance with NCLB. Our interview process clearly outlines the mission, philosophy and expectations for our school. We have recruited teachers from Spain and China to teach our trilingual model. ILT will continue to work with region 10 & 11 and the district to actively find qualified teacher candidates to fill positions within the school. Teachers have professional freedom to be innovative and creative. They have opportunities to have input into decision making on campus.

We will have wonderful ethnic diversity in our faculty/staff population, we are truly international. We have faculty/staff from Mexico, Puerto Rico, Spain, China, and more.

Finding highly qualified teachers to teach our trilingual model has required us to look outside of the US for teachers. This year we have recruitment of teachers from Spain and China. This year we have also increased the number of teachers that meet highly qualified status. There has also been a significant salary increases for teachers, making our salary a little more competitive with local ISDs.

### Instructional:

The Campus Leadership, Grade Level Administrators and District Coordinators will work with staff to develop a course of action so that all students have the opportunity to successfully meet grade level academic performance gains and STAAR performance gains. Teachers will teach the TEKS following the TEKS RS Scope and Sequence and curriculum programs for all core subject areas, as well as participate in activities designed to analyze data based on the state, district and local assessments. All classroom instruction will be data driven.

3rd grade students will take STAAR Reading and Math Tests, 4th graders will take STAAR Reading, Math and Writing Tests, and 5th Graders will take STAAR Reading, Math, and Science Tests. Students will also take TPRI and Tejas Le in grades Kinder-2nd grades and MAP testing in 2nd-5th Grades. In addition, all 2nd-5th grade students will take district CSAs. Critical thinking and problem solving skills will be emphasized in all core subject areas. Service learning is also an important component of our K-5 curriculum and culminates into an End Of Year service learning project for each grade level.

Economically disadvantaged, LEP, and at risk student population groups who have established a pattern of non-mastery will be targeted for remediation. Small group instruction, tutorials, parent-teacher conferences and consistent written and oral communication between home and school will ensure that home and school work together to provide the necessary support to students to bring about student success. ILTexas-GPES will provide student support services as outlined in IEPs and 504 accommodations for qualifying students.

In order for students to be successful and maximize academic achievement, they must attend school on a regular basis. Student absences will be closely

monitored by homeroom teachers, school registrar and school counselors. Parents will be contacted by their teacher if they are absent more than 2 consecutive days. Students with perfect attendance for the year will be recognized for every six weeks and at the end of the year during our award's program to encourage daily attendance. We also award students for other academic achievements including A, AB Honor roll, Eagle of the Six Weeks, Most improved and citizenship. We are also implementing a weekly grade level attendance challenge which recognizes and rewards high attendance for students and staff. Continuous monitoring and recognition of high achievement is a high priority supported in every area.

### **Technology:**

All staff members have been provided a laptop. We have document cameras and Interactive/whiteboards in all classrooms. In addition, students in grades 4 and 5th are provided their own Chromebooks. Likewise, students in K-3 classrooms utilize one tablet, or Chromebook creating a 1:1 ratio for technology. Lastly, we have a media lab with 60 laptop computers, and EPIC was implemented during media center rotations & class stations. We utilize the following academic resources to assist us in our daily learning and communication: Kahoot, Measuring Up, Dojo, Study Island, IStation, Reading A-Z, Stemscores, Kuder, MAP, STAAR-AR; and finally, technology pieces that also encourage and engage parents through the use of programs such as Edmodo, Peachjar, Dojo, Smores, Facebook, Call-Messenger and Parent Portal. With the use of this kind of technology we have increased our parent communication, improved behavior, while continuing to make teaching and the delivery more engaging, attainable, and fun.

### **School Processes & Programs Strengths**

#### **Recruitment:**

Professional Development on an ongoing basis is key to the success of our school programs. District and campus professional development and trainings have/will be provided in the following areas:

- Dual Language Program
- Two Way SIOP
- Strategies for meeting needs of Limited English Proficient Students
- Data Disaggregation and Test Analysis
- TEKS RS Scope and Sequence
- District Data Management System
- Differentiated Instruction
- PE/Character Development Program
- Curriculum Programs in ELA/Reading & Math
- Federal & State Mandated Trainings

#### **Instructional:**

We are guided by the TEKS and follow TEKS RS. Teachers are required to use these resources to guide their planning, instruction and assessment.

Teachers plan with their grade level teams. Teachers have dedicated DATA days every 6 weeks to review student levels and instructional needs. They also have extended time daily to meet with grade level team or partner teachers.

- Teachers have the support of partners and team members,
- Teachers plan lessons, We activities and assessments together as a team,
- Several GLAs/teachers have attended TEKS RS Training,
- Teachers have access to several on-line programs: Study Island, Reading A-Z, Accelerated Reader, Brain Pop, Measuring Up, etc.
- Teachers utilize Eduphoria
- Teachers have the support of the District Content Coordinators
- Campus instructional Coach
- Additional instructional assistants

### **Problem Statements Identifying School Processes & Programs Needs**

**Problem Statement 1:** The campus has not establish campus norms and incremental check points for progress monitoring. **Root Cause:** Developing a strong climate and culture is an on-going project. All staff works together establish norms and non-negotiables students/ staff.

**Problem Statement 2:** Teachers do not feel comfortable implementing the current technology in the classroom. **Root Cause:** Lack of specific professional development in the area of technology.

**Problem Statement 3:** The campus is experiencing difficulty retaining teachers. **Root Cause:** Inadequate funding for charter school

**Problem Statement 4:** Lack parent and community volunteers to assist in organizing and facilitating school events. **Root Cause:** PTO is new and constantly recruiting parents to come and get involved during the day, to help assist with the understanding of the ILTEXAS culture.

**Problem Statement 5:** All educators cultural incompetencies their ability to form authentic and effective relationships across differences. **Root Cause:** Educators placing too much emphasis on teaching without strengthening the teacher student relationship though authentic meaningful cultural understanding.

# Perceptions

## Perceptions Summary

Generally speaking Charter schools tend to have more involved parents than the traditional public schools. The school will develop a parent involvement police and parent compact to encourage and support parent involvement in their child's education.

We will have a PTO that actively organizes events and fund raising activities throughout the school year. The school partners with the PTO to organize major events such as Hispanic Heritage celebrations, Black History Month Presentation, Chinese New Year, Nation Neighborhood Night Out, and Spirit Nights. The PTO will also hold monthly meetings.

## Perceptions Strengths

Our teachers, students, parents and community members work well to support the learning for all. Parents work in collaboration with the school community to support the efforts to ensure that every child reach their full potential. We celebrate our student's academic success, character development, and putting "Others Before Self". We also recognize the staff in displaying the characteristics of putting "Others Before Self" as well. We hosted a volunteer appreciation breakfast to recognize parents and other community members for their support of our students.

## Problem Statements Identifying Perceptions Needs

**Problem Statement 1:** The campus is experiencing difficulty retaining teachers. **Root Cause:** Inadequate funding for charter school

**Problem Statement 2:** Lack parent and community volunteers to assist in organizing and facilitating school events. **Root Cause:** PTO is new and constantly recruiting parents to come and get involved during the day, to help assist with the understanding of the ILTEXAS culture.

**Problem Statement 3:** Teachers do not feel comfortable implementing the current technology in the classroom. **Root Cause:** Lack of specific professional development in the area of technology.

## Priority Problem Statements

**Problem Statement 1:** All educators cultural incompetencies their ability to form authentic and effective relationships across differences.

**Root Cause 1:** Educators placing too much emphasis on teaching without strengthening the teacher student relationship though authentic meaningful cultural understanding.

**Problem Statement 1 Areas:** Demographics - Student Academic Achievement

**Problem Statement 2:** The campus has not establish campus norms and incremental check points for progress monitoring.

**Root Cause 2:** Developing a strong climate and culture is an on-going project. All staff works together establish norms and non-negotiables students/ staff.

**Problem Statement 2 Areas:** Student Academic Achievement - School Processes & Programs

**Problem Statement 3:** All educators cultural incompetencies their ability to form authentic and effective relationships across differences.

**Root Cause 3:** Educators placing too much emphasis on teaching without strengthening the teacher student relationship though authentic meaningful cultural understanding.

**Problem Statement 3 Areas:** Demographics - Student Academic Achievement - School Processes & Programs

**Problem Statement 4:** Lack parent and community volunteers to assist in organizing and facilitating school events

**Root Cause 4:** PTO is new and constantly recruiting parents to come and get involved during the day, to help assist with the understanding of the ILTEXAS culture.

**Problem Statement 4 Areas:** Parent and Community Engagement

**Problem Statement 5:** Teachers do not feel comfortable implementing the current technology in the classroom.

**Root Cause 5:** Lack of specific professional development in the area of technology.

**Problem Statement 5 Areas:** Student Academic Achievement - School Processes & Programs - Perceptions

# Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

# Goals

**Goal 1: By the end of 2019-2020 school year, ILTexas will increase student performance from 76% to at least 80% at the Approaches Performance Level and will increase student performance from 43% to at least 50% at the meets performance level on state assessments in Reading and Math.**

**Performance Objective 1:** By the end of the 2019-20 School Year Implement Writing Across the Curriculum Strategies in classrooms for grade levels 4th grade-8th grade to increase writing scores from 30% on the release practice to 70% for the actual State assessment.

**Evaluation Data Source(s) 1:** Improved performance on teacher created assignments and assessments, district benchmarks and STAAR results

**Summative Evaluation 1:**

Strategy Description	ELEMENTS	Monitor	Strategy's Expected Result/Impact	Reviews			
				Formative			Summative
				Nov	Jan	May	June
<b>TEA Priorities</b> Build a foundation of reading and math Improve low-performing schools 1) 1) Provide professional development through The Writing Academy for all teachers and instructional aides.	2.5, 2.6	Principal, Assistant Principal, Teachers, Instructional Aides, Instructional Coach	increase in student achievement in all classes. Students will retain more information to be successful in all areas.				
<b>Problem Statements:</b> Demographics 1 - Student Academic Achievement 4, 5 - School Processes & Programs 1 <b>Funding Sources:</b> 211 - Title 1-A - 0.00

Feature/Tip	Explanation	Screenshot
Checkbox selection	Check boxes allow for selection of one or more response to a question. Place a check in the box next to all answers that apply.	
Expanding rows and/or columns	If you cannot see all of the information you've entered into a cell you may adjust the height of the cell by right-clicking and increasing the height of the row.	

Viewing cell tips	<p>Throughout the Improvement Plan there are cells containing notes or guidance around what should be entered into the cell. These cells are marked with a red triangle in the top-right corner.</p> <p>To view the information in the notes box, hover your mouse over the cell.</p>	<div><div><div>Annual Desired Outcome for Priority Focus Area</div><div>Barriers to address</div></div><div>Create your annual goal for each Priority Focus Area identified using qualitative and/or quantitative measures.</div></div>
Printing the Template	<p>The page breaks in the Improvement Plan have been set for optimal printing on a legal size (8.5 x 14) sheet of paper with the page orientation set to Landscape (horizontal). However, users may find that after completing the plan the page breaks need to be adjusted.</p> <p>To insert, move, or delete page breaks in an Excel worksheet, visit the Microsoft Office help page.</p>	<p><a href="https://support.office.com/en-us/article/insert-move-or-delete-page-breaks-in-a-worksheet-ad3dc726-beec-4a4c-861f-ed640612bdc2">https://support.office.com/en-us/article/insert-move-or-delete-page-breaks-in-a-worksheet-ad3dc726-beec-4a4c-861f-ed640612bdc2</a></p>

Campus Information							
District Name	International Leadership of Texas	Campus Name	Windmill Lakes K-8	Superintendent	Eddie Conger	Principal	Mayra Arreola
District Number	057848	Campus Number	000000025	District Coordinator of School Improvement (DCSI)	Matilda Orozco	ESC Support	Sherry Green
Assurances							
DCSI	I, the District Coordinator of School Improvement, attest that I will provide or facilitate the provision of all the necessary district-level commitments and support mechanisms to ensure the successful implementation of the Targeted Improvement Plan for this campus. I understand I am responsible for the implementation of all intervention requirements. If I am the principal supervisor, I understand I am responsible for ensuring the principal carries out the plan elements as indicated herein.					Matilda Orozco - 9/16/2019	
Principal Supervisor <i>(Only necessary if the DCSI is NOT the Principal supervisor)</i>	I, as supervisor of the principal for this campus, attest that I will coordinate with the DCSI to provide or facilitate the provision of all the necessary district-level commitments and support mechanisms to ensure the principal I supervise can achieve successful implementation of the Targeted Improvement Plan for this campus. I understand I am responsible for ensuring the principal carries out the plan elements as indicated herein.					Matilda Orozco - 9/16/2019	
Principal	I, as principal for this campus, attest that I will coordinate with the DCSI (and my supervisor, if they are not the same person) to use the district-provided commitments and support mechanisms to ensure the successful implementation of the Targeted Improvement Plan for this campus. I agree to carry out the plan elements as indicated herein.					Mayra Arreola - 9/16/2019	
Board Approval Date							
Needs Assessment							
Data Analysis Questions			What accountability goals for each Domain has your campus set for the year?	Domain I (component score) - 51   Domain II A (component score) 75   Domain II B (component score) 45   Domain III (component score) - 65			
			What changes in student group and subject performance are included in these goals?	Domain I - AA, SPED, ECO DIS, ELs   Domain II A - SPED, AA, ECO DIS, ELs   Domain III - SPED, AA, ECO DIS, ELs			
			If applicable, what goals has your campus set for CCMR and Graduation Rate?	N/A			
Self-Assessment Results							
(To be completed if the campus HAS NOT had an ESF Diagnostic)							
Use the completed Self-Assessment Tool to complete this section							
Essential Action					Implementation Level (1 Not Yet Started - 5 Fully Implemented)		
1.1 Develop campus instructional leaders with clear roles and responsibilities.					2		
2.1 Recruit, select, assign, induct and retain a full staff of highly qualified educators.					2		

3.1 Compelling and aligned vision, mission, goals, values focused on a safe environment and high expectations.			3
4.1 Curriculum and assessments aligned to TEKS with a year-long scope and sequence.			2
5.1 Objective-driven daily lesson plans with formative assessments.			2
5.3 Data-driven instruction.			2
Prioritized Focus Area #1		Prioritized Focus Area #2	Prioritized Focus Area #3
Essential Action	1.1 Develop campus instructional leaders with clear roles and responsibilities.	5.1 Objective-driven daily lesson plans with formative assessments.	5.3 Data-driven instruction.
Rationale	Increasing the role of our administrative team, Assistant Principals and IC to become accountable for impactful teacher observation, modeling, and feedback to develop classroom first instruction. Administration team will be seen as Instructional leaders at our campus. This will lead to an increase in student achievement in all domains.	Lessons will be completed wth supervision of IC to collaborate and relay expectations of classroom delivery. Additionally ensure alignment to the TEKRus resource with an emphasis on teaching readiness standards. Teachers will gain knowledge of backwards planning from assessments in order to determine the rigor, activities and time allocated for lessons.	Teachers will work with campus instructional leaders to review informal, formal and standardized testing data regularly to track and monitor the progress of all students throughout the year. Students will gain knowledge of their data and be able to interpret their learning to reflect and set personal goals.
Desired Annual Outcome	Student achievement: If we increase our classroom and PLC facilitation, we will be able to coach, provide feedback and develop a growth mindset in practices to our new and returning teachers differentiating by area of specific needs. Student achievement will increase as teachers develop their first tier instruction.	Instructional materials along with best practices emphasizing key ideas, essential questions, targeted instruction resources, and relavent content that connects the learning to real-world applications. Teacher will improve thier first tier instruction and increase mastery on lessons.	Teachers use action planning process during PLC to analyze data, identify trends in student misconceptions, determine the root cause as to why students may not have learned the concept, and create plans to reteach. Determine root causes for students' lack of progression.
Barriers to Address During the Year	Unforseen changes in schedule and/or last minute notification to campus of expectation by district. Clear roles and expectations, ensuring the conintuum of practice is done with fidelity, set schedules for observations and coaching/feedback, follow through	Desconstructing standards and understanding what is asked to be taught and learned. Understanding resources from TEKr Us, instructional materials available, addressing the rigor of lesson, student engagement	Developing teacher capacity to be data literate, changing fixed mind sets, willingness to be reflective on practices based on their data, time constraints during the day/week to analyze data. Lack of instruction coaches' own capacity to interpret data to be able to support teachers.
District Commitment Theory of Action:		The campus will be able to establish strong data-driven instruction practices, improve the quality and frequency of use of lesson plans, formative assessments, and campus leaders will more frequently, effectively, and with greater role clarity engage in instructional leadership.

Cycle 1 90-day Outcomes (September - November)								
	Prioritized Focus Area #1		Prioritized Focus Area #2			Prioritized Focus Area #3		
Essential Action	1.1 Develop campus instructional leaders with clear roles and responsibilities.		5.1 Objective-driven daily lesson plans with formative assessments.			5.3 Data-driven instruction.		
Desired Annual Outcome	Student achievement: If we increase our classroom and PLC facilitation, we will be able to coach, provide feedback and develop a growth mindset in practices to our new and returning teachers differentiating by area of specific needs. Student achievement will increase as teachers		Instructional materials along with best practices emphasizing key ideas, essential questions, targeted instruction resources, and relavent content that connects the learning to real-world applications. Teacher will improve thier first tier instruction and increase mastery on lessons.			Teachers use action planning process during PLC to analyze data, identify trends in student misconceptions, determine the root cause as to why students may not have learned the concept, and create plans to reteach. Determine root causes for students' lack of progression.		
Desired 90-day Outcome	Increase in teachers' capacity in first instruction yielding to an increase in student achievement. Teachers changing to a growth mind set.		Teachers will be able to better identify practices that impact students learning, understand how to informally students' learning during instruction and develop teachers' capcity in writing targeted lesson plans with clear daily objectives.			Teachers will become more comfortable with interpreting data as a reflective tool for their classroom practices to target areas of student needs based on current data.		
Barriers to Address During this Cycle	Unforseen changes in schedule and/or last minute notification to campus of expectation by district. Clear roles and expectations, ensuring the conintuum of practice is done with fidelity, set schedules for		Desconstructing standards and understanding what is asked to be taught and learned. Understanding resources from TEKr Us, instructional materials available, addressing the rigor of lesson, student engagement			Developing teacher capacity to be data literate, changing fixed mind sets, willingness to be reflective on practices based on their data, time constraints during the day/week to analyze data. Lack of instruction coaches' own capacity to interpret data		
District Actions for this Cycle	the district supports principals by protecting their time dedicated for school instructional leadership. ☐		The district ensures access to high-quality common formative assessment resources aligned to state standards for all tested areas and PK-2nd grade math and reading.			The district has effective systems for identifying and supporting struggling learners.		
District Commitments Theory of Action	The campus will be able to establish strong data-driven instruction practices, improve the quality and frequency of use of lesson plans, formative assessments, and campus leaders will more frequently, effectively, and with greater role clarity engage in instructional leadership.

Reflection and Planning for Next 90-Day Cycle								
Did you achieve your desired 90-day outcome? Why or why not?								
Did you achieve your summative student performance goals (see Student Data Tab)? Why or why not?								
Review the necessary adjustments/next steps column above. What milestones from this cycle will you continue working on in the next cycle? What new milestones do you need to add to the next cycle?			Carryover Milestones			New Milestones		

TIP Components	Notes
Foundations	
Self-Assessment Results	If the campus has had an ESF Diagnostic, DO NOT complete the ' <i>Self-Assessment</i> ' section. Continue to the next section titled, ' <i>ESF Diagnostic Results</i> '
Essential Action	From the drop down menu, select the Essential Action the campus selected based on the Needs Assessment and/or ESF Final Report.
Rationale	Explain the reasons this Essential Action was selected.
Desired Annual Outcome for Priority Focus Area	Create your annual goal for each Prioritized Focus Area identified using qualitative and/or quantitative measures.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area.
District Commitment on Theory of Action	State the District Theory of Action and the District Commitments that will support the campus' essential actions found in the plan.
Date of ESF Diagnostic	Complete after ESF Diagnostic.
Capacity Builder	Capacity Builders can include vetted partners, ESCs, and/or internal district support.
Cycles 1, 2, and 3 90-day Action Plan	
Desired 90-day Outcome	Describe the specific goals the campus plans to achieve by the end of the cycle for the relevant prioritized focus area.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area. Barriers may stay the same or change from cycle to cycle.
District Actions for this Cycle	List what the district will do to support the campus during this 90-day cycle to achieve the desired outcomes.
Milestones	In each row, list actions the campus is taking in this cycle to achieve desired outcomes and address barriers to implementation. An action may address more than one priority focus area. New actions can be added over time, as needed.
Prioritized Focus Area	Select the Prioritized Focus Area(s) that is aligned to this milestone.
Timeline	Identify a start and end date. End date may carryover to another cycle.
Resources Needed	Examples include, but are not limited to: budget allocation, data platforms, personnel, etc.
Evidence used to Determine Progress toward Milestone	Measures can be qualitative or quantitative.
Progress toward Milestone	Select the status of the evidence review from the dropdown menu.
Necessary Adjustments/Next Steps	List adjustments or next steps the campus will take to achieve this action. Include barriers that limited progress towards achieving this action.
Cycle 4 90-day Action Plan	
Rationale	Explain the reasons this Essential Action was selected.
Desired 90-day Outcome	Describe the specific goals the campus plans to achieve by the end of the cycle for the relevant prioritized focus area.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area. Barriers may stay the same or change from cycle to cycle.
District Actions for this Cycle	List what the district will do to support the campus during this 90-day cycle to achieve the desired outcomes.
Milestones	In each row, list actions the campus is taking in this cycle to achieve desired outcomes and address barriers to implementation.
Prioritized Focus Area	Select the Prioritized Focus Area(s) that is aligned to this milestone.
Timeline	Identify a start and end date. End date may carryover to another cycle.
Resources Needed	Examples include, but are not limited to: budget allocation, data platforms, personnel, etc.
Evidence used to Determine Progress toward Milestone	Measures can be qualitative or quantitative.
Progress toward Milestone	Select the status of the evidence review from the dropdown menu.
Necessary Adjustments/Next Steps	List adjustments or next steps the campus will take to achieve this action. Include barriers that limited progress towards achieving this action.

### **2019-2020**

Campus Targeted Improvement Plan		
Intervention and Submission documents for the 2019-2020 monitoring year may be found on the Division of School Improvement web page at <a href="https://tea.texas.gov/si/accountabilityinterventions/">https://tea.texas.gov/si/accountabilityinterventions/</a>		
<p>Please complete all sections of the Cycles 1, 2, and 3 tabs <u>except</u>:</p> <ul style="list-style-type: none"><li>- Status of Metrics/Evidence Collections</li><li>- Necessary Adjustments/Next Steps</li><li>- Section V: Reflections and Planning for Next 90 Day Cycle</li></ul> <p>These sections will be filled out at the end of the 90 day cycle <u>prior</u> to the Division of School Improvement Progress Submission.</p>		
Feature/Tip	Explanation	Screenshot
Checkbox selection	Check boxes allow for selection of one or more response to a question. Place a check in the box next to all answers that apply.	
Expanding rows and/or columns	If you cannot see all of the information you've entered into a cell you may adjust the height of the cell by right-clicking and increasing the height of the row.	

Viewing cell tips	<p>Throughout the Improvement Plan there are cells containing notes or guidance around what should be entered into the cell. These cells are marked with a red triangle in the top-right corner.</p> <p>To view the information in the notes box, hover your mouse over the cell.</p>	<div><div><div>Annual Desired Outcome for Priority Focus Area</div><div>Barriers to address</div></div><div>Create your annual goal for each Priority Focus Area identified using qualitative and/or quantitative measures.</div></div>
Printing the Template	<p>The page breaks in the Improvement Plan have been set for optimal printing on a legal size (8.5 x 14) sheet of paper with the page orientation set to Landscape (horizontal). However, users may find that after completing the plan the page breaks need to be adjusted.</p> <p>To insert, move, or delete page breaks in an Excel worksheet, visit the Microsoft Office help page.</p>	<p><a href="https://support.office.com/en-us/article/insert-move-or-delete-page-breaks-in-a-worksheet-ad3dc726-beec-4a4c-861f-ed640612bdc2">https://support.office.com/en-us/article/insert-move-or-delete-page-breaks-in-a-worksheet-ad3dc726-beec-4a4c-861f-ed640612bdc2</a></p>

Campus Information							
District Name	International Leadership of Texas	Campus Name	Windmill Lakes K-8	Superintendent	Eddie Conger	Principal	Mayra Arreola
District Number		Campus Number	000000025	District Coordinator of School Improvement (DCSI)	Matilda Orozco	ESC Support	Sherry Green
Assurances							
DCSI	I, the District Coordinator of School Improvement, attest that I will provide or facilitate the provision of all the necessary district-level commitments and support mechanisms to ensure the successful implementation of the Targeted Improvement Plan for this campus. I understand I am responsible for the implementation of all intervention requirements. If I am the principal supervisor, I understand I am responsible for ensuring the principal carries out the plan elements as indicated herein.					Matilda Orozco - 9/16/2019	
Principal Supervisor <i>(Only necessary if the DCSI is NOT the Principal supervisor)</i>	I, as supervisor of the principal for this campus, attest that I will coordinate with the DCSI to provide or facilitate the provision of all the necessary district-level commitments and support mechanisms to ensure the principal I supervise can achieve successful implementation of the Targeted Improvement Plan for this campus. I understand I am responsible for ensuring the principal carries out the plan elements as indicated herein.					Matilda Orozco - 9/16/2019	
Principal	I, as principal for this campus, attest that I will coordinate with the DCSI (and my supervisor, if they are not the same person) to use the district-provided commitments and support mechanisms to ensure the successful implementation of the Targeted Improvement Plan for this campus. I agree to carry out the plan elements as indicated herein.					Mayra Arreola - 9/16/2019	
Board Approval Date							
Needs Assessment							
Data Analysis Questions			What accountability goals for each Domain has your campus set for the year?	We have set a goal of 70-80 set on the domains.			
			What changes in student group and subject performance are included in these goals?	We are focusing on ELL, SPED, and our African American students. A focus on Math and Science (meets and masters).			
			If applicable, what goals has your campus set for CCMR and Graduation Rate?	N/A			
Self-Assessment Results							
(To be completed if the campus HAS NOT had an ESF Diagnostic)							
Use the completed Self-Assessment Tool to complete this section							
Essential Action					Implementation Level (1 Not Yet Started - 5 Fully Implemented)		
1.1 Develop campus instructional leaders with clear roles and responsibilities.					3		
2.1 Recruit, select, assign, induct and retain a full staff of highly qualified educators.					2		

3.1 Compelling and aligned vision, mission, goals, values focused on a safe environment and high expectations.			3
4.1 Curriculum and assessments aligned to TEKS with a year-long scope and sequence.			2
5.1 Objective-driven daily lesson plans with formative assessments.			2
5.3 Data-driven instruction.			3
Prioritized Focus Area #1		Prioritized Focus Area #2	Prioritized Focus Area #3
Essential Action	1.1 Develop campus instructional leaders with clear roles and responsibilities.	5.1 Objective-driven daily lesson plans with formative assessments.	5.3 Data-driven instruction.
Rationale	Increasing the role of our administrative team, Assistant Principals and IC to become accountable on being seen as an Instructional leader. This will lead to an increase in student achievement on all domains.	Lesson reviewed to determine if there is an alignment to the TEKS with an emphasis on readiness standards. Teachers knowledge of backwards planning from assessments in order to determine rigor, activities and time spent for lessons.	Teachers will work with campus instructional leaders to review disaggregaed data in order to track and monitor the progress of all students.
Desired Annual Outcome	If we increase our obervations we will be able to coach our high percentage of new teachers and specific needs.	Instructional materials with key ideas, essential questions, recommend materials, and content rich texts are provided for each content area. Teacher will It will improve on first instruction and increase mastery on lessons.	Teachers use action planning process during PLC to analyze data, identify trends in student misconceptions, determine the root cause as to why students may not have learned the concept, and create plans to reteach.
Barriers to Address During the Year	Clear roles and expectations, set schedules for observations and coaching/feedback, follow through	Understanding resources from TEKr Us, instructional materials available, addressing the rigor of lesson, student engagement	Teacher buy-in, time to do open labs, coaching
District Commitment Theory of Action:		The campus will be able to establish strong data-driven instruction practices, improve the quality and frequency of use of lesson plans, formative assessments, and campus leaders will more frequently, effectively, and with greater role clarity engage in instructional leadership.	
ESF Diagnostic Results (To be completed AFTER the campus engages in the shared diagnostic with an ESF Facilitator)

Cycle 1 90-day Outcomes (September - November)								
	Prioritized Focus Area #1		Prioritized Focus Area #2			Prioritized Focus Area #3		
Essential Action	1.1 Develop campus instructional leaders with clear roles and responsibilities.		5.1 Objective-driven daily lesson plans with formative assessments.			5.3 Data-driven instruction.		
Desired Annual Outcome	If we increase our observations we will be able to coach our high percentage of new teachers and specific needs.		Instructional materials with key ideas, essential questions, recommend materials, and content rich texts are provided for each content area. Teacher will It will improve on first instruction and increase mastery on lessons.			Teachers use action planning process during PLC to analyze data, identify trends in student misconceptions, determine the root cause as to why students may not have learned the concept, and create plans to reteach.		
Desired 90-day Outcome	Administration will meet their weekly goals on observations and walkthroughs. Teachers will be tiered by needs and will show an improvement on areas targeted.		Teachers will become aware of the highly tested TEKS for thier content, academic vocabulary and question stems to use during thier lesson. Teachers will also learn how to unpack standards in order to effectively deliver the content.			Teachers will have data analysis on our first district interim and know individual student strengths and weaknesses. Teachers will feel comfortable with analyzing the weekly data (exit tickets) and spiraling it back to reteach.		
Barriers to Address During this Cycle	Setting up schedules and weekly goals.		Time dedicated to plan and review resources. Systems and protocols on how			Time dedicated to data analysis, staying loyal to PLC structured days		
District Actions for this Cycle	the district supports principals by protecting their time dedicated for school instructional leadership. ☑		The district ensures access to high-quality common formative assessment resources aligned to state standards for all tested areas and PK-2nd grade math and reading.			The district has effective systems for identifying and supporting struggling learners.		
District Commitments Theory of Action	The campus will be able to establish strong data-driven instruction practices, improve the quality and frequency of use of lesson plans, formative assessments, and campus leaders will more frequently, effectively, and with greater role clarity engage in instructional leadership.							
Action plan-Milestones								
Milestones	Prioritized Focus Area	Timeline	Resources Needed	Person(s) Responsible	Evidence used to Determine Progress toward Milestone	Evidence Collection Date	Progress toward Milestone	Necessary Adjustments / Next Steps
Campus instructional leaders have clear, written, transparent roles and responsibilities and core leadership tasks (including observations, debriefs, and leadership team meetings) are scheduled on weekly		September	Schedule, job responsibilities, appraiser information	Administration, IC, GLA	Documents, Agendas, Eduphoria document	November		
Campus instructional leaders use consistent written protocols and processes to lead their department or grade level teams		September	District PLC Framework	Administration, IC, GLA	Agenda/Minutes during PLC	November		
Principal improves campus leaders through regularly scheduled job-embedded professional development and development opportunities are consistent with best practices for adult learning, deliberate modeling, and supported teacher leaders trained in adult learning		September - November	District campus trainings	Administration	Agenda on trainings, sign in sheets, course sign up sheet	November		
facilitation and team dynamics.		September	PLC framework	Administration, IC, GLA	observations and feedback on PLC, agendas/minutes	November		

Campus practices and policies demonstrate high expectations and shared ownership for student success, with a drive towards college and career readiness and postsecondary success.		September - November	GT awareness on program and Enrichment	Administration, IC, GLA	Intervention schedules, student portfolios for intervention/GT, Eagle Academy spreadsheet, Triage report	November		
Campuses implement high fidelity professional development calendars for teachers that provide introductory and ongoing content-focused, job-embedded training linked to high-quality curricular		September - October	SEED, Open labs, modeling and coaching	Administration, IC, GLA	Agenda/minutes/student work	November		
Campus instructional leaders review lesson plans frequently for alignment to the standards, the scope and sequence, and the expected level of rigor, and provide teachers with feedback and lesson planning support.		September - November	Scope and Sequence, TEKS RUS documents	Instructional Coaches	Instructional Coach schedule	November		
Reflection and Planning for Next 90-Day Cycle								
Did you achieve your desired 90-day outcome? Why or why not?								
Did you achieve your student performance goals (see Student Data Tab)? Why or why not?								
Review the necessary adjustments/next steps column above. What milestones from this cycle will you continue working on in the next cycle? What new milestones do you need to add to the next cycle?	Carryover Milestones					New Milestones		

Cycle 2 90-Day Outcomes (December-February)								
	Prioritized Focus Area #1		Prioritized Focus Area #2			Prioritized Focus Area #3		
Essential Action	1.1 Develop campus instructional leaders with clear roles and responsibilities.		5.1 Objective-driven daily lesson plans with formative assessments.			5.3 Data-driven instruction.		
Desired Annual Outcome	If we increase our observations we will be able to coach our high percentage of new teachers and specific needs.		Instructional materials with key ideas, essential questions, recommend materials, and content rich texts are provided for each content area. Teacher will It will improve on first instruction and increase mastery on lessons.			Teachers use action planning process during PLC to analyze data, identify trends in student misconceptions, determine the root cause as to why students may not have learned the concept, and create plans to reteach.

TIP Components	Notes
Foundations	
Self-Assessment Results	If the campus has had an ESF Diagnostic, DO NOT complete the ' <i>Self-Assessment</i> ' section. Continue to the next section titled, ' <i>ESF Diagnostic Results</i> '
Essential Action	From the drop down menu, select the Essential Action the campus selected based on the Needs Assessment and/or ESF Final Report.
Rationale	Explain the reasons this Essential Action was selected.
Desired Annual Outcome for Priority Focus Area	Create your annual goal for each Prioritized Focus Area identified using qualitative and/or quantitative measures.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area.
District Commitment on Theory of Action	State the District Theory of Action and the District Commitments that will support the campus' essential actions found in the plan.
Date of ESF Diagnostic	Complete after ESF Diagnostic.
Capacity Builder	Capacity Builders can include vetted partners, ESCs, and/or internal district support.
Cycles 1, 2, and 3 90-day Action Plan	
Desired 90-day Outcome	Describe the specific goals the campus plans to achieve by the end of the cycle for the relevant prioritized focus area.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area. Barriers may stay the same or change from cycle to cycle.
District Actions for this Cycle	List what the district will do to support the campus during this 90-day cycle to achieve the desired outcomes.
Milestones	In each row, list actions the campus is taking in this cycle to achieve desired outcomes and address barriers to implementation. An action may address more than one priority focus area. New actions can be added over time, as needed.
Prioritized Focus Area	Select the Prioritized Focus Area(s) that is aligned to this milestone.
Timeline	Identify a start and end date. End date may carryover to another cycle.
Resources Needed	Examples include, but are not limited to: budget allocation, data platforms, personnel, etc.
Evidence used to Determine Progress toward Milestone	Measures can be qualitative or quantitative.
Progress toward Milestone	Select the status of the evidence review from the dropdown menu.
Necessary Adjustments/Next Steps	List adjustments or next steps the campus will take to achieve this action. Include barriers that limited progress towards achieving this action.
Cycle 4 90-day Action Plan	
Rationale	Explain the reasons this Essential Action was selected.
Desired 90-day Outcome	Describe the specific goals the campus plans to achieve by the end of the cycle for the relevant prioritized focus area.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area. Barriers may stay the same or change from cycle to cycle.
District Actions for this Cycle	List what the district will do to support the campus during this 90-day cycle to achieve the desired outcomes.
Milestones	In each row, list actions the campus is taking in this cycle to achieve desired outcomes and address barriers to implementation.
Prioritized Focus Area	Select the Prioritized Focus Area(s) that is aligned to this milestone.
Timeline	Identify a start and end date. End date may carryover to another cycle.
Resources Needed	Examples include, but are not limited to: budget allocation, data platforms, personnel, etc.
Evidence used to Determine Progress toward Milestone	Measures can be qualitative or quantitative.
Progress toward Milestone	Select the status of the evidence review from the dropdown menu.
Necessary Adjustments/Next Steps	List adjustments or next steps the campus will take to achieve this action. Include barriers that limited progress towards achieving this action.

Campus Information							
District Name	International Leadership of Texas	Campus Name	IL Texas Orem Elementary School	Superintendent	Eddie Conger	Principal	Joshua Brown
District Number	057848	Campus Number	057-848-027	District Coordinator of School Improvement (DCSI)	Matilda Orozco	ESC Support	Sherry Green
Assurances							
DCSI	I, the District Coordinator of School Improvement, attest that I will provide or facilitate the provision of all the necessary district-level commitments and support mechanisms to ensure the successful implementation of the Targeted Improvement Plan for this campus. I understand I am responsible for the implementation of all intervention requirements. If I am the principal supervisor, I understand I am responsible for ensuring the principal carries out the plan elements as indicated herein.					Matilda Orozco - 9/20/2019	
Principal Supervisor <i>(Only necessary if the DCSI is NOT the Principal supervisor)</i>	I, as supervisor of the principal for this campus, attest that I will coordinate with the DCSI to provide or facilitate the provision of all the necessary district-level commitments and support mechanisms to ensure the principal I supervise can achieve successful implementation of the Targeted Improvement Plan for this campus. I understand I am responsible for ensuring the principal carries out the plan elements as indicated herein.					Matilda Orozco - 9/20/2019	
Principal	I, as principal for this campus, attest that I will coordinate with the DCSI (and my supervisor, if they are not the same person) to use the district-provided commitments and support mechanisms to ensure the successful implementation of the Targeted Improvement Plan for this campus. I agree to carry out the plan elements as indicated herein.					Joshua Brown September 20, 2019	
Board Approval Date							
Needs Assessment							
Data Analysis Questions			What accountability goals for each Domain has your campus set for the year?	The accountability goal set for Domain 1 is 65. The accountability goal set for Domain 2a is 63. The accountability goal set for Domain 2a is 63. The accountability goal set for Domain 3 is 63.			
			What changes in student group and subject performance are included in these goals?	Students in all subjects have major have gaps in learning. Greater focus and improvement in Meets level with produce more points for Domain 2 and 3. Greater focus on student growth in the different subgroups in Domains 2a and 2b will lead to higher overall student achievement and closing student gaps. Greater focus on student acheivement and growth in the different subgroups will lead to meeting more targets in Domain 3. Student sub groups such as EL, Special Ed and African American have major gaps in learning. Greater focus on student sub groups will lead to greater overall student achievement and student growth.			
			If applicable, what goals has your campus set for CCMR and Graduation Rate?	N/A			
Self-Assessment Results							
(To be completed if the campus HAS NOT had an ESF Diagnostic)							
Use the completed Self-Assessment Tool to complete this section							
Essential Action					Implementation Level (1 Not Yet Started - 5 Fully Implemented)		
1.1 Develop campus instructional leaders with clear roles and responsibilities.					3		
2.1 Recruit, select, assign, induct and retain a full staff of highly qualified educators.					2		

3.1 Compelling and aligned vision, mission, goals, values focused on a safe environment and high expectations.			3
4.1 Curriculum and assessments aligned to TEKS with a year-long scope and sequence.			3
5.1 Objective-driven daily lesson plans with formative assessments.			4
5.3 Data-driven instruction.			2
Prioritized Focus Area #1		Prioritized Focus Area #2	Prioritized Focus Area #3
Essential Action	1.1 Develop campus instructional leaders with clear roles and responsibilities.	5.1 Objective-driven daily lesson plans with formative assessments.	5.3 Data-driven instruction.
Rationale	Campus instructional leaders need to focus on essential roles and responsibilities while increasing instructional observations and coaching. Campus will create an restorative coach position to focus on students behavioral issues.	Campus needs to build capacities of teachers by providing opportunities for PLC daily, effective partner lesson planning and providing indepth subject based professional development.	Campus will provide professional development days, set aside time for structured data analysis and create common assessments every grading cycle to tier students and group student for differentiation.
Desired Annual Outcome	Campus instructional leaders will be able to observe at least 10-20 teachers a week and provide feedback to at least 5-10 a week. Campus instructional leaders will be able to balance campus roles and responsibilities while building capacity of teachers.	Teachers will be able to develop effective lesson plans and district will create formative and summative assessments to gauge student learning.	Teachers and instructional leaders will review disaggregated data to track and monitor the progress of all students, including students with disabilities and English learners among other student groups. With greater disaggregation of student data, students will be group in intervention courses and teachers, counselors, admin and instructional staff with build action
Barriers to Address During the Year	Tendency to "put out fires" during the day rather than maintaining initial calendar for the day and a tendency to prioritize time to meet as an admin team when issues arise.	Teachers expressing concern around the time required to lesson plan. Campus has interruptions during PLC such as campus testing pull teachers away from the PLC.	Admin are being trained on effective data management strategies. Teachers lack the capacity to dig into data.
District Commitment Theory of Action:		Principal supervisor provides regular coaching to the principal and administration on effective instructional coaching.☐ The district ensures that the campus has access to high-quality unit tests for all tested grades and subjects.☐

Reflection and Planning for Next 90-Day Cycle								
Did you achieve your desired 90-day outcome? Why or why not?								
Did you achieve your student performance goals (see Student Data Tab)? Why or why not?								
Review the necessary adjustments/next steps column above. What milestones from this cycle will you continue working on in the next cycle? What new milestones do you need to add to the next cycle?	Carryover Milestones					New Milestones		

Cycle 3 90-Day Outcomes (March-May)								
	Prioritized Focus Area #1		Prioritized Focus Area #2			Prioritized Focus Area #3		
Essential Action	1.1 Develop campus instructional leaders with clear roles and responsibilities.		5.1 Objective-driven daily lesson plans with formative assessments.			5.3 Data-driven instruction.		
Desired Annual Outcome	Campus instructional leaders will be able to observe at least 10-20 teachers a week and provide feedback to at least 5-10 a week. Campus instructional leaders will be able to balance campus roles and		Teachers will be able to develop effective lesson plans and district will create formative and summative assessments to gauge student learning.			Teachers and instructional leaders will review disaggregated data to track and monitor the progress of all students, including students with disabilities and English learners among other student groups. With greater disaggregation of student data,		
Desired 90-day Outcome	Campus instructional leaders will have conducted at least 1 observation and 1 walkthrough for all tier 3 teachers.		The campus will have conducted at least two common unit assessments for each STARR tested course.			Teachers and instructional leaders will reviewed disaggregated data from at least 2 common unit assessments.		
Barriers to Address During this Cycle	Tendency to "put out fires" during the day rather than maintaining initial calendar for the day and a tendency to prioritize time to meet as an admin team when issues arise.		Teachers expressing concern around the time required to lesson plan. Campus has interruptions during PLC such as campus testing pull teachers away from the PLC.			Admin are being trained on effective data management strategies. Teachers lack the capacity to dig into data.		
District Actions for this Cycle	The district will create a system to assist tracking teacher obserations.		The district will provide formative assessents to gage student learning checkpoints.			The district will create PD opportunities for teachers to dive into student data.		
District Commitments Theory of Action	Principal supervisor provides regular coaching to the principal and administration on effective instructional coaching.☑ The district ensures that the campus has access to high-quality unit tests for all tested grades and subjects.☑ The district supports principals by protecting their time dedicated for school instructional leadership.☑ The district recognizes the unique needs of low-performing schools and provides the flexibility to address those needs. ☑

TIP Components	Notes
Foundations	
Self-Assessment Results	If the campus has had an ESF Diagnostic, DO NOT complete the ' <i>Self-Assessment</i> ' section. Continue to the next section titled, ' <i>ESF Diagnostic Results</i> '
Essential Action	From the drop down menu, select the Essential Action the campus selected based on the Needs Assessment and/or ESF Final Report.
Rationale	Explain the reasons this Essential Action was selected.
Desired Annual Outcome for Priority Focus Area	Create your annual goal for each Prioritized Focus Area identified using qualitative and/or quantitative measures.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area.
District Commitment on Theory of Action	State the District Theory of Action and the District Commitments that will support the campus' essential actions found in the plan.
Date of ESF Diagnostic	Complete after ESF Diagnostic.
Capacity Builder	Capacity Builders can include vetted partners, ESCs, and/or internal district support.
Cycles 1, 2, and 3 90-day Action Plan	
Desired 90-day Outcome	Describe the specific goals the campus plans to achieve by the end of the cycle for the relevant prioritized focus area.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area. Barriers may stay the same or change from cycle to cycle.
District Actions for this Cycle	List what the district will do to support the campus during this 90-day cycle to achieve the desired outcomes.
Milestones	In each row, list actions the campus is taking in this cycle to achieve desired outcomes and address barriers to implementation. An action may address more than one priority focus area. New actions can be added over time, as needed.
Prioritized Focus Area	Select the Prioritized Focus Area(s) that is aligned to this milestone.
Timeline	Identify a start and end date. End date may carryover to another cycle.
Resources Needed	Examples include, but are not limited to: budget allocation, data platforms, personnel, etc.
Evidence used to Determine Progress toward Milestone	Measures can be qualitative or quantitative.
Progress toward Milestone	Select the status of the evidence review from the dropdown menu.
Necessary Adjustments/Next Steps	List adjustments or next steps the campus will take to achieve this action. Include barriers that limited progress towards achieving this action.
Cycle 4 90-day Action Plan	
Rationale	Explain the reasons this Essential Action was selected.
Desired 90-day Outcome	Describe the specific goals the campus plans to achieve by the end of the cycle for the relevant prioritized focus area.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area. Barriers may stay the same or change from cycle to cycle.
District Actions for this Cycle	List what the district will do to support the campus during this 90-day cycle to achieve the desired outcomes.
Milestones	In each row, list actions the campus is taking in this cycle to achieve desired outcomes and address barriers to implementation.
Prioritized Focus Area	Select the Prioritized Focus Area(s) that is aligned to this milestone.
Timeline	Identify a start and end date. End date may carryover to another cycle.
Resources Needed	Examples include, but are not limited to: budget allocation, data platforms, personnel, etc.
Evidence used to Determine Progress toward Milestone	Measures can be qualitative or quantitative.
Progress toward Milestone	Select the status of the evidence review from the dropdown menu.
Necessary Adjustments/Next Steps	List adjustments or next steps the campus will take to achieve this action. Include barriers that limited progress towards achieving this action.

## **Targeted Improvement Plan**

### **2019-2020**

Campus Targeted Improvement Plan		
Intervention and Submission documents for the 2019-2020 monitoring year may be found on the Division of School Improvement web page at <a href="https://tea.texas.gov/si/accountabilityinterventions/">https://tea.texas.gov/si/accountabilityinterventions/</a>		
<p>Please complete all sections of the Cycles 1, 2, and 3 tabs <u>except</u>:</p> <ul style="list-style-type: none"><li>- Status of Metrics/Evidence Collections</li><li>- Necessary Adjustments/Next Steps</li><li>- Section V: Reflections and Planning for Next 90 Day Cycle</li></ul> <p>These sections will be filled out at the end of the 90 day cycle <u>prior</u> to the Division of School Improvement Progress Submission.</p>		
Feature/Tip	Explanation	Screenshot
Checkbox selection	Check boxes allow for selection of one or more response to a question. Place a check in the box next to all answers that apply.	
Expanding rows and/or columns	If you cannot see all of the information you've entered into a cell you may adjust the height of the cell by right-clicking and increasing the height of the row.	

Viewing cell tips	<p>Throughout the Improvement Plan there are cells containing notes or guidance around what should be entered into the cell. These cells are marked with a red triangle in the top-right corner.</p> <p>To view the information in the notes box, hover your mouse over the cell.</p>	<div><div><div>Annual Desired Outcome for Priority Focus Area</div><div>Barriers to address</div></div><div>Create your annual goal for each Priority Focus Area identified using qualitative and/or quantitative measures.</div></div>
Printing the Template	<p>The page breaks in the Improvement Plan have been set for optimal printing on a legal size (8.5 x 14) sheet of paper with the page orientation set to Landscape (horizontal). However, users may find that after completing the plan the page breaks need to be adjusted.</p> <p>To insert, move, or delete page breaks in an Excel worksheet, visit the Microsoft Office help page.</p>	<p><a href="https://support.office.com/en-us/article/insert-move-or-delete-page-breaks-in-a-worksheet-ad3dc726-beec-4a4c-861f-ed640612bdc2">https://support.office.com/en-us/article/insert-move-or-delete-page-breaks-in-a-worksheet-ad3dc726-beec-4a4c-861f-ed640612bdc2</a></p>

Campus Information							
District Name	International Leadership of Texas	Campus Name	IL Texas Orem Middle School	Superintendent	Eddie Conger	Principal	Joshua Brown
District Number	057848	Campus Number	057-848-028	District Coordinator of School Improvement (DCSI)	Matilda Orozco	ESC Support	Sherry Green
Assurances							
DCSI	I, the District Coordinator of School Improvement, attest that I will provide or facilitate the provision of all the necessary district-level commitments and support mechanisms to ensure the successful implementation of the Targeted Improvement Plan for this campus. I understand I am responsible for the implementation of all intervention requirements. If I am the principal supervisor, I understand I am responsible for ensuring the principal carries out the plan elements as indicated herein.					Matilda Orozco - 9/20/2019	
Principal Supervisor <i>(Only necessary if the DCSI is NOT the Principal supervisor)</i>	I, as supervisor of the principal for this campus, attest that I will coordinate with the DCSI to provide or facilitate the provision of all the necessary district-level commitments and support mechanisms to ensure the principal I supervise can achieve successful implementation of the Targeted Improvement Plan for this campus. I understand I am responsible for ensuring the principal carries out the plan elements as indicated herein.					Matilda Orozco - 9/20/2019	
Principal	I, as principal for this campus, attest that I will coordinate with the DCSI (and my supervisor, if they are not the same person) to use the district-provided commitments and support mechanisms to ensure the successful implementation of the Targeted Improvement Plan for this campus. I agree to carry out the plan elements as indicated herein.					Joshua Brown September 20, 2019	
Board Approval Date							
Needs Assessment							
Data Analysis Questions			What accountability goals for each Domain has your campus set for the year?	The accountability goal set for Domain 1 is 65. The accountability goal set for Domain 2a is 63. The accountability goal set for Domain 2a is 63. The accountability goal set for Domain 3 is 63.			
			What changes in student group and subject performance are included in these goals?	Students in all subjects have major have gaps in learning. Greater focus and improvement in Meets level with produce more points for Domain 2 and 3. Greater focus on student growth in the different subgroups in Domains 2a and 2b will lead to higher overall student achievement and closing student gaps. Greater focus on student acheivement and growth in the different subgroups will lead to meeting more targets in Domain 3. Student sub groups such as EL, Special Ed and African American have major gaps in learning. Greater focus on student sub groups will lead to greater overall student achievement and student growth.			
			If applicable, what goals has your campus set for CCMR and Graduation Rate?	N/A			
Self-Assessment Results							
(To be completed if the campus HAS NOT had an ESF Diagnostic)							
Use the completed Self-Assessment Tool to complete this section							
Essential Action					Implementation Level (1 Not Yet Started - 5 Fully Implemented)		
1.1 Develop campus instructional leaders with clear roles and responsibilities.					3		
2.1 Recruit, select, assign, induct and retain a full staff of highly qualified educators.					2		

3.1 Compelling and aligned vision, mission, goals, values focused on a safe environment and high expectations.			3
4.1 Curriculum and assessments aligned to TEKS with a year-long scope and sequence.			3
5.1 Objective-driven daily lesson plans with formative assessments.			4
5.3 Data-driven instruction.			2
Prioritized Focus Area #1		Prioritized Focus Area #2	Prioritized Focus Area #3
Essential Action	1.1 Develop campus instructional leaders with clear roles and responsibilities.	5.1 Objective-driven daily lesson plans with formative assessments.	5.3 Data-driven instruction.
Rationale	Campus instructional leaders need to focus on essential roles and responsibilities while increasing instructional observations and coaching. Campus will create an restorative coach position to focus on students behavioral issues.	Campus needs to build capacities of teachers by providing opportunities for PLC daily, effective partner lesson planning and providing indepth subject based professional development.	Campus will provide professional development days, set aside time for structured data analysis and create common assessments every grading cycle to tier students and group student for differentiation.
Desired Annual Outcome	Campus instructional leaders will be able to observe at least 10-20 teachers a week and provide feedback to at least 5-10 a week. Campus instructional leaders will be able to balance campus roles and responsibilities while building capacity of teachers.	Teachers will be able to develop effective lesson plans and district will create formative and summative assessments to gauge student learning.	Teachers and instructional leaders will review disaggregated data to track and monitor the progress of all students, including students with disabilities and English learners among other student groups. With greater disaggregation of student data, students will be group in intervention courses and teachers, counselors, admin and instructional staff with build action
Barriers to Address During the Year	Tendency to "put out fires" during the day rather than maintaining initial calendar for the day and a tendency to prioritize time to meet as an admin team when issues arise.	Teachers expressing concern around the time required to lesson plan. Campus has interruptions during PLC such as campus testing pull teachers away from the PLC.	Admin are being trained on effective data management strategies. Teachers lack the capacity to dig into data.
District Commitment Theory of Action:		Principal supervisor provides regular coaching to the principal and administration on effective instructional coaching.☑ The district ensures that the campus has access to high-quality unit tests for all tested grades and subjects.☑

Reflection and Planning for Next 90-Day Cycle								
Did you achieve your desired 90-day outcome? Why or why not?								
Did you achieve your student performance goals (see Student Data Tab)? Why or why not?								
Review the necessary adjustments/next steps column above. What milestones from this cycle will you continue working on in the next cycle? What new milestones do you need to add to the next cycle?			Carryover Milestones			New Milestones		

Cycle 2 90-Day Outcomes (December-February)								
	Prioritized Focus Area #1		Prioritized Focus Area #2			Prioritized Focus Area #3		
Essential Action	1.1 Develop campus instructional leaders with clear roles and responsibilities.		5.1 Objective-driven daily lesson plans with formative assessments.			5.3 Data-driven instruction.		
Desired Annual Outcome	Campus instructional leaders will be able to observe at least 10-20 teachers a week and provide feedback to at least 5-10 a week. Campus instructional leaders will be able to balance campus roles and		Teachers will be able to develop effective lesson plans and district will create formative and summative assessments to gauge student learning.			Teachers and instructional leaders will review disaggregated data to track and monitor the progress of all students, including students with disabilities and English learners among other student groups. With greater disaggregation of student data,		
Desired 90-day Outcome	Campus instructional leaders will have conducted at least 1 observation and 1 walkthrough for all tier 3 teachers.		The campus will have conducted at least two common unit assessments for each STARR tested course.			Teachers and instructional leaders will reviewed disaggregated data from at least 2 common unit assessments.		
Barriers to Address During this Cycle	Tendency to "put out fires" during the day rather than maintaining initial calendar for the day and a tendency to prioritize time to meet as an admin team when issues arise.		Teachers expressing concern around the time required to lesson plan. Campus has interruptions during PLC such as campus testing pull teachers away from the PLC.			Admin are being trained on effective data management strategies. Teachers lack the capacity to dig into data.		
District Actions for this Cycle	The district will create a system to assist tracking teacher observations.		The district will provide formative assessments to gauge student learning checkpoints.			The district will create PD opportunities for teachers to dive into student data.		
District Commitments Theory of Action	Principal supervisor provides regular coaching to the principal and administration on effective instructional coaching.☑ The district ensures that the campus has access to high-quality unit tests for all tested grades and subjects.☑ The district supports principals by protecting their time dedicated for school instructional leadership.☑ The district recognizes the unique needs of low-performing schools and provides the flexibility to address those needs. ☑							
Action plan-Milestones								
Milestones	Prioritized Focus Area	Timeline	Resources Needed	Person(s) Responsible	Evidence used to Determine Progress toward Milestone	Evidence Collection Date	Progress toward Milestone	Necessary Adjustments / Next Steps
Campus instructional leaders have created clear, written, transparent roles and responsibilities and core leadership tasks (including observations, debriefs, and leadership team meetings) are scheduled on weekly	<div><input checked="" type="checkbox"/> 1</div> <div><input type="checkbox"/> 2</div> <div><input type="checkbox"/> 3</div>	September - November	Agendas, job description documents,calendar	Joshua Brown	Campus roles and responsibilities document, leadership calendar and agendas	February		
Campus instructional leaders developed final versions consistent written protocols and processes to lead their department or grade level teams	<div><input checked="" type="checkbox"/> 1</div> <div><input type="checkbox"/> 2</div> <div><input type="checkbox"/> 3</div>	September - November	Agendas, meeting template	APs, GLAs	Agendas and PLC format template	February		
Principal has regularly scheduled job-embedded professional development and development opportunities are consistent with best practices for adult learning, deliberate modeling, and observation and teachers in classroom management and content	<div><input checked="" type="checkbox"/> 1</div> <div><input checked="" type="checkbox"/> 2</div> <div><input checked="" type="checkbox"/> 3</div>	September - November	Calendar, agendas	Principal, APs	Leadership agendas and PD	February		
lesson planning.	<div><input checked="" type="checkbox"/> 1</div> <div><input checked="" type="checkbox"/> 2</div> <div><input checked="" type="checkbox"/> 3</div>	September - November	PLC calendar, agendas	GLAs, ICs	PLC agenda with minutes	February		
Campus practices and policies are written in clear to help teachers and students demonstrate campuswide expectations.	<div><input checked="" type="checkbox"/> 1</div> <div><input type="checkbox"/> 2</div> <div><input type="checkbox"/> 3</div>	September - November	Posters, power points, agendas	Principal, APs	Visible campus posters and use of common language on hallways	February		
Campuses implement high fidelity professional development calendars for teachers that provide introductory and ongoing content-focused, job-embedded training linked to high-quality curricular	<div><input checked="" type="checkbox"/> 1</div> <div><input checked="" type="checkbox"/> 2</div> <div><input checked="" type="checkbox"/> 3</div>	September - November	PLC calendar, agendas, district PD calendar	Principal, APs, GLAs, ICs	District and campus PD plans	February		

Campus instructional leaders review lesson plans frequently for alignment to the standards, the scope and sequence, and the expected level of rigor, and provide teachers with feedback and lesson planning support.	<div><input checked="" type="checkbox"/> 1</div> <div><input checked="" type="checkbox"/> 2</div> <div><input checked="" type="checkbox"/> 3</div>	September - November	Lesson plan template	APs, ICs	Lesson plans uploaded to online system	February		
Campus leaders review disaggregated data to track and monitor the progress of all students, including students with disabilities and English learners among other student groups, and provide evidence-based feedback to teachers.	<div><input checked="" type="checkbox"/> 1</div> <div><input checked="" type="checkbox"/> 2</div> <div><input checked="" type="checkbox"/> 3</div>	September - November	ECA, STAAR, Map data	Administration, IC, GLA, Teachers	Data analysis forms	February		
Student progress toward measureable goals (class, student individual) visible in data room and classrooms to foster student ownership and goal setting	<div><input checked="" type="checkbox"/> 1</div> <div><input checked="" type="checkbox"/> 2</div> <div><input checked="" type="checkbox"/> 3</div>	September - November	ECA, STAAR, Map data	Administration, IC, GLA, Teachers	Data analysis forms and classroom visits	February

Reflection and Planning for Next 90-Day Cycle								
Did you achieve your desired 90-day outcome? Why or why not?								
Did you achieve your student performance goals (see Student Data Tab)? Why or why not?								
Review the necessary adjustments/next steps column above. What milestones from this cycle will you continue working on in the next cycle? What new milestones do you need to add to the next cycle?			Carryover Milestones			New Milestones		
END OF YEAR REFLECTION								
	Prioritized Focus Area #1		Prioritized Focus Area #2			Prioritized Focus Area #3		
Essential Action								
Desired Annual Outcome	Campus instructional leaders will have conducted at least 2 observation and 2 walkthrough for all tier 3 teachers.		Teachers will be able to develop effective lesson plans and district will create formative and summative assessments to gauge student learning.			Teachers and instructional leaders will review disaggregated data to track and monitor the progress of all students, including students with disabilities and English learners among other student groups. With greater disaggregation of student data,		
Did the campus achieve the desired outcome? Why or why not?								

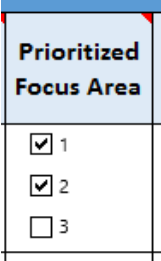

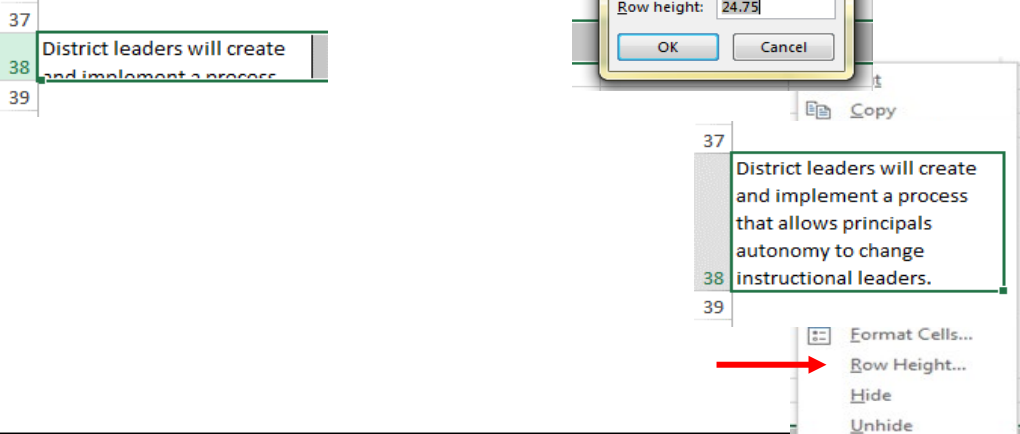

Cycle 4 90-Day Action Plan (June-August)								
The purpose of this 90-Day action plan is to prepare for the upcoming school year. The essential actions the campus prioritizes may have changed based on progress made in the school year or based on ESF diagnostic results.								
	Prioritized Focus Area #1		Prioritized Focus Area #2			Prioritized Focus Area #3		
Essential Action	1.1 Develop campus instructional leaders with clear roles and responsibilities.		5.1 Objective-driven daily lesson plans with formative assessments.			5.3 Data-driven instruction.		
Rationale								
How will you communicate these priorities to your stakeholders? How will you invest them?								
Desired 90-Day Outcome								
Who will help the campus build capacity in this area?								
Barriers to Address								
District Actions for this Cycle								
District Commitments Theory of Action								
Action plan-Milestones								
Milestones	Prioritized Focus Area	Timeline	Resources Needed	Person(s) Responsible	Evidence Used to Determine Progress Toward Milestone	Evidence Collection Date	Progress Toward Milestone	Necessary Adjustments/Next Steps

Reflection and Planning for Next 90-Day Cycle								
Did you achieve your desired 90-day outcome? Why or why not?								
Did you achieve your summative student performance goals (see Student Data Tab)? Why or why not?								
Review the necessary adjustments/next steps column above. What milestones from this cycle will you continue working on in the next cycle? What new milestones do you need to add to the next cycle?			Carryover Milestones			New Milestones		

TIP Components	Notes
Foundations	
Self-Assessment Results	If the campus has had an ESF Diagnostic, DO NOT complete the ' <i>Self-Assessment</i> ' section. Continue to the next section titled, ' <i>ESF Diagnostic Results</i> '
Essential Action	From the drop down menu, select the Essential Action the campus selected based on the Needs Assessment and/or ESF Final Report.
Rationale	Explain the reasons this Essential Action was selected.
Desired Annual Outcome for Priority Focus Area	Create your annual goal for each Prioritized Focus Area identified using qualitative and/or quantitative measures.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area.
District Commitment on Theory of Action	State the District Theory of Action and the District Commitments that will support the campus' essential actions found in the plan.
Date of ESF Diagnostic	Complete after ESF Diagnostic.
Capacity Builder	Capacity Builders can include vetted partners, ESCs, and/or internal district support.
Cycles 1, 2, and 3 90-day Action Plan	
Desired 90-day Outcome	Describe the specific goals the campus plans to achieve by the end of the cycle for the relevant prioritized focus area.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area. Barriers may stay the same or change from cycle to cycle.
District Actions for this Cycle	List what the district will do to support the campus during this 90-day cycle to achieve the desired outcomes.
Milestones	In each row, list actions the campus is taking in this cycle to achieve desired outcomes and address barriers to implementation. An action may address more than one priority focus area. New actions can be added over time, as needed.
Prioritized Focus Area	Select the Prioritized Focus Area(s) that is aligned to this milestone.
Timeline	Identify a start and end date. End date may carryover to another cycle.
Resources Needed	Examples include, but are not limited to: budget allocation, data platforms, personnel, etc.
Evidence used to Determine Progress toward Milestone	Measures can be qualitative or quantitative.
Progress toward Milestone	Select the status of the evidence review from the dropdown menu.
Necessary Adjustments/Next Steps	List adjustments or next steps the campus will take to achieve this action. Include barriers that limited progress towards achieving this action.
Cycle 4 90-day Action Plan	
Rationale	Explain the reasons this Essential Action was selected.
Desired 90-day Outcome	Describe the specific goals the campus plans to achieve by the end of the cycle for the relevant prioritized focus area.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area. Barriers may stay the same or change from cycle to cycle.
District Actions for this Cycle	List what the district will do to support the campus during this 90-day cycle to achieve the desired outcomes.
Milestones	In each row, list actions the campus is taking in this cycle to achieve desired outcomes and address barriers to implementation.
Prioritized Focus Area	Select the Prioritized Focus Area(s) that is aligned to this milestone.
Timeline	Identify a start and end date. End date may carryover to another cycle.
Resources Needed	Examples include, but are not limited to: budget allocation, data platforms, personnel, etc.
Evidence used to Determine Progress toward Milestone	Measures can be qualitative or quantitative.
Progress toward Milestone	Select the status of the evidence review from the dropdown menu.
Necessary Adjustments/Next Steps	List adjustments or next steps the campus will take to achieve this action. Include barriers that limited progress towards achieving this action.

# **Windmill Lakes - Orem High School Targeted Improvement Plan 2019-2020**

Campus Targeted Improvement Plan		
Intervention and Submission documents for the 2019-2020 monitoring year may be found on the Division of School Improvement web page at <a href="https://tea.texas.gov/si/accountabilityinterventions/">https://tea.texas.gov/si/accountabilityinterventions/</a>		
<p>Please complete all sections of the Cycles 1, 2, and 3 tabs <u>except</u>:</p> <ul style="list-style-type: none"><li>- Status of Metrics/Evidence Collections</li><li>- Necessary Adjustments/Next Steps</li><li>- Section V: Reflections and Planning for Next 90 Day Cycle</li></ul> <p>These sections will be filled out at the end of the 90 day cycle <u>prior</u> to the Division of School Improvement Progress Submission.</p>		
Feature/Tip	Explanation	Screenshot
Checkbox selection	Check boxes allow for selection of one or more response to a question. Place a check in the box next to all answers that apply.	
Expanding rows and/or columns	If you cannot see all of the information you've entered into a cell you may adjust the height of the cell by right-clicking and increasing the height of the row.	

Viewing cell tips	<p>Throughout the Improvement Plan there are cells containing notes or guidance around what should be entered into the cell. These cells are marked with a red triangle in the top-right corner.</p> <p>To view the information in the notes box, hover your mouse over the cell.</p>	<div><div>Annual Desired Outcome for Priority Focus Area</div><div>Barriers to address</div><div>Create your annual goal for each Priority Focus Area identified using qualitative and/or quantitative measures.</div></div>
Printing the Template	<p>The page breaks in the Improvement Plan have been set for optimal printing on a legal size (8.5 x 14) sheet of paper with the page orientation set to Landscape (horizontal). However, users may find that after completing the plan the page breaks need to be adjusted.</p> <p>To insert, move, or delete page breaks in an Excel worksheet, visit the Microsoft Office help page.</p>	<p><a href="https://support.office.com/en-us/article/insert-move-or-delete-page-breaks-in-a-worksheet-ad3dc726-beec-4a4c-861f-ed640612bdc2">https://support.office.com/en-us/article/insert-move-or-delete-page-breaks-in-a-worksheet-ad3dc726-beec-4a4c-861f-ed640612bdc2</a></p>

Campus Information							
District Name	International Leadership of Texas	Campus Name	Windmill Lakes Orem High School	Superintendent	Eddie Conger	Principal	Stephanie Mott
District Number		Campus Number	000000033	District Coordinator of School Improvement (DCSI)	Matilda Orozco	ESC Support	
Assurances							
DCSI	I, the District Coordinator of School Improvement, attest that I will provide or facilitate the provision of all the necessary district-level commitments and support mechanisms to ensure the successful implementation of the Targeted Improvement Plan for this campus. I understand I am responsible for the implementation of all intervention requirements. If I am the principal supervisor, I understand I am responsible for ensuring the principal carries out the plan elements as indicated herein.						
Principal Supervisor <i>(Only necessary if the DCSI is NOT the Principal supervisor)</i>	I, as supervisor of the principal for this campus, attest that I will coordinate with the DCSI to provide or facilitate the provision of all the necessary district-level commitments and support mechanisms to ensure the principal I supervise can achieve successful implementation of the Targeted Improvement Plan for this campus. I understand I am responsible for ensuring the principal carries out the plan elements as indicated herein.						
Principal	I, as principal for this campus, attest that I will coordinate with the DCSI (and my supervisor, if they are not the same person) to use the district-provided commitments and support mechanisms to ensure the successful implementation of the Targeted Improvement Plan for this campus. I agree to carry out the plan elements as indicated herein.					Stephanie Mott, 9/25/2019	
Board Approval Date							
Needs Assessment							
Data Analysis Questions			What accountability goals for each Domain has your campus set for the year?	Domain 1:65, Domain 2: 71, Domain 3:70			
			What changes in student group and subject performance are included in these goals?	Our average scores are low across the board, but specifically in the 'All Student' Category, so we are focusing on smaller sub pops and demonstrating average or above average growth in Algebra 1 and English 2.			
			If applicable, what goals has your campus set for CCMR and Graduation Rate?	N/A			
Self-Assessment Results (To be completed if the campus HAS NOT had an ESF Diagnostic)							
Use the completed Self-Assessment Tool to complete this section							
Essential Action					Implementation Level (1 Not Yet Started - 5 Fully Implemented)		
1.1 Develop campus instructional leaders with clear roles and responsibilities.					3		
2.1 Recruit, select, assign, induct and retain a full staff of highly qualified educators.					3		

3.1 Compelling and aligned vision, mission, goals, values focused on a safe environment and high expectations.			3
4.1 Curriculum and assessments aligned to TEKS with a year-long scope and sequence.			2
5.1 Objective-driven daily lesson plans with formative assessments.			2
5.3 Data-driven instruction.			2
Prioritized Focus Area #1		Prioritized Focus Area #2	Prioritized Focus Area #3
Essential Action	5.1 Objective-driven daily lesson plans with formative assessments.	5.3 Data-driven instruction.	4.1 Curriculum and assessments aligned to TEKS with a year-long scope and sequence.
Rationale	Teachers are completing and uploading lesson plans on a weekly basis. We believe that a systematic approach to providing feedback and follow up to the submitted lesson plans along with tracking formative assessment results will yield greater success with objective driven lesson plans in ensuring they align with the standard.	Teachers are assessing students and collecting data pieces. We believe that creating and implementing a data meeting schedule with teachers to reflect with the instructional leadership will help teachers identify trends in the data, pinpoint areas of reteach, practicing best practices in the reteach and identifying when the reteach will be spiraled back in. Through this intentionality we believe teaching will become truly data	Teachers have access to district curriculum that includes progress assessments and a year long scope and sequence. We believe that implement, monitoring, and providing feedback to good first instruction will lead to increased results from the daily lessons that are being taught in the classroom.
Desired Annual Outcome	Teachers are planning collaboratively and feedback is provided in written form and followed by meetings to help improve lesson planning	PLC's are lead by campus leaders and follow DDI protocol after all unit tests and for common assesement. A set routine of data meetings, hi-med-low work samples, exemplars, and planned reteach sessions resulting from data meetings.	Teachers are using classtime to accurately teach curriculum in depth that will yield the most results on mastery of the standard that aligns to the student expectation
Barriers to Address During the Year	Scheduling time for lesson plan feedback, including lesson plan feedback conversations, and create a culture of teacher receptivity to planning and feedback.	Prioritizing a schedule of set data meetings that are consistent, carried out and followed up on.	Teachers must take the time to fully understand the SE, the content, how it will be assessed, and what prior knowledge the students need to know in order to be the most successful
District Commitment Theory of Action:		If the district provides a consistent opportunity to the principal to implement DDI strategies, provides ongoing principal development on data protocol and standards alignment, the principal is able to continue to develop the instructional leadership team, and the district ensures that the campus has access to high-quality unit tests for all tested grades and subjects, and the district commits to providing test results	
ESF Diagnostic Results (To be completed AFTER the campus engages in the shared diagnostic with an ESF Facilitator)

Cycle 1 90-day Outcomes (September - November)								
	Prioritized Focus Area #1		Prioritized Focus Area #2			Prioritized Focus Area #3		
Essential Action	5.1 Objective-driven daily lesson plans with formative assessments.		5.3 Data-driven instruction.			4.1 Curriculum and assessments aligned to TEKS with a year-long scope and sequence.		
Desired Annual Outcome	Teachers are planning collaboratively and feedback is provided in written form and followed by meetings to help improve lesson planning		PLC's are lead by campus leaders and follow DDI protocol after all unit tests and for common assesement. A set routine of data meetings, hi-med-low work samples, exemplars, and planned reteach sessions resulting from data meetings.			Teachers are using classtime to accurately teach curriculum in depth that will yield the most results on mastery of the standard that aligns to the student expectation		
Desired 90-day Outcome	Teachers are planning together every week using data and spiraling material in for review		Every PLC, led by a member of the instructional leadership team, follows DDI protocol after return of unit assessment results and reteach of prioritized standards occurs within three days of DDI meetings			Teachers are using checks for understanding to ensure students are learning the aligned objectives of each lesson and are measuring success based on the aligned readiness standard		
Barriers to Address During this Cycle	Teachers still learning systems of curriculum and lesson planning, getting to know the needs of their students, and idetnifying ways to formatively assess students daily		Protecting the time to have data meetings and not letting other factors take away from meetin			Teachers understanding how to use the scope and sequence on a 90 minute block and prioritiz		
District Actions for this Cycle	District coaches to model formative assessments, unit assessments provided, PD on formative assessments		Data days every 6 weeks to review data and provided data protocol			IFD calendars to follow each day and continued coaching with district coaches		
District Commitments Theory of Action	If the district provides a consistent opportunity to the principal to implement DDI strategies, provides ongoing principal development on data protocol and standards alignment, the principal is able to continue to develop the instructional leadership team, and the district ensures that the campus has access to high-quality unit tests for all tested grades and subjects, and the district commits to providing test results back to the campus within two days from the assessment, then the campus will be able to establish and follow through with strong data-driven instruction practices, improve the quality and frequency of use of lesson plans and formative assessments, and campus leaders will more effectively and consistently engage in instructional leadership activities.

TIP Components	Notes
Foundations	
Self-Assessment Results	If the campus has had an ESF Diagnostic, DO NOT complete the ' <i>Self-Assessment</i> ' section. Continue to the next section titled, ' <i>ESF Diagnostic Results</i> '
Essential Action	From the drop down menu, select the Essential Action the campus selected based on the Needs Assessment and/or ESF Final Report.
Rationale	Explain the reasons this Essential Action was selected.
Desired Annual Outcome for Priority Focus Area	Create your annual goal for each Prioritized Focus Area identified using qualitative and/or quantitative measures.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area.
District Commitment on Theory of Action	State the District Theory of Action and the District Commitments that will support the campus' essential actions found in the plan.
Date of ESF Diagnostic	Complete after ESF Diagnostic.
Capacity Builder	Capacity Builders can include vetted partners, ESCs, and/or internal district support.
Cycles 1, 2, and 3 90-day Action Plan	
Desired 90-day Outcome	Describe the specific goals the campus plans to achieve by the end of the cycle for the relevant prioritized focus area.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area. Barriers may stay the same or change from cycle to cycle.
District Actions for this Cycle	List what the district will do to support the campus during this 90-day cycle to achieve the desired outcomes.
Milestones	In each row, list actions the campus is taking in this cycle to achieve desired outcomes and address barriers to implementation. An action may address more than one priority focus area. New actions can be added over time, as needed.
Prioritized Focus Area	Select the Prioritized Focus Area(s) that is aligned to this milestone.
Timeline	Identify a start and end date. End date may carryover to another cycle.
Resources Needed	Examples include, but are not limited to: budget allocation, data platforms, personnel, etc.
Evidence used to Determine Progress toward Milestone	Measures can be qualitative or quantitative.
Progress toward Milestone	Select the status of the evidence review from the dropdown menu.
Necessary Adjustments/Next Steps	List adjustments or next steps the campus will take to achieve this action. Include barriers that limited progress towards achieving this action.
Cycle 4 90-day Action Plan	
Rationale	Explain the reasons this Essential Action was selected.
Desired 90-day Outcome	Describe the specific goals the campus plans to achieve by the end of the cycle for the relevant prioritized focus area.
Barriers to Address During the Year	List barriers to implementation the campus may face as they take the necessary steps to improve the prioritized focus area. Barriers may stay the same or change from cycle to cycle.
District Actions for this Cycle	List what the district will do to support the campus during this 90-day cycle to achieve the desired outcomes.
Milestones	In each row, list actions the campus is taking in this cycle to achieve desired outcomes and address barriers to implementation.
Prioritized Focus Area	Select the Prioritized Focus Area(s) that is aligned to this milestone.
Timeline	Identify a start and end date. End date may carryover to another cycle.

Evidence used to Determine Progress toward Milestone	Measures can be qualitative or quantitative.
Progress toward Milestone	Select the status of the evidence review from the dropdown menu.
Necessary Adjustments/Next Steps	List adjustments or next steps the campus will take to achieve this action. Include barriers that limited progress towards achieving this action.

# **International Leadership of Texas**

## **College Station Elementary**

### **2019-2020 Campus Improvement Plan**

# Mission Statement

The mission of International Leadership of Texas is to prepare students for exceptional leadership roles in the international community by emphasizing servant leadership, mastering the English, Spanish and Chinese languages, and strengthening the body, mind and character.

# Vision

ILTexas College Station Elementary School will grow and nurture students while guiding them as they reach their academic capacity. While attending ILTexas College Station Elementary, students will build relationships and excel academically. At the same time, learners will develop a love for serving others and a desire to live a healthy lifestyle.

# Value Statement

All students have value. All students have potential. All students have the right to high expectations, caring teachers and a loving learning environment. Our job is to receive students as they are, then move them forward as much as possible. School and parent collaboration is paramount.

# Comprehensive Needs Assessment

## Demographics

### Demographics Summary

ILTexas serves students from various academic backgrounds that include different public school districts, charter schools, private schools and home school. A variety of different ethnic groups are represented, with the top three being White 48.49%, Hispanic/Latino 28.95%, and Black/African American 11.98%.

We have a 8.37% of Limited English Proficient (LEP) students. Our elementary campus is at 42.21% economically disadvantage with 6.16% eligible for Free Lunch participation and 7.21% eligible for Reduced Lunch participation. We have 11.28% in the Gifted and Talented Program, and 6.86% in the Special Education Program.

ES Demographics	Percent
Gender	
Female	54.88%
Male	45.12%
Ethnicity	
Hispanic-Latino	28.95%
Race	
American Indian - Alaskan	0.47%
Native	
Asian	5.81%
Black - African American	11.98%
Native Hawaiian - Pacific	
Islander	0.00%
White	48.49%
Two-or-More	4.30%

Student by Program	Percent
Free Lunch Participation	6.16%
Reduced Lunch Participation	7.21%

ES Demographics	Percent
Other Economically Disadvantaged	28.84%
Gifted and Talented	11.28%
Special Education (SPED)	6.86%

Other Student Information	Percent
Economically Disadvantaged	42.21%
Limited English Proficient (LEP)	8.37%

## Demographics Strengths

### DEMOGRAPHICS

At ILTexas College Station K8, we have a very diverse student population. Our teacher demographics match the student demographics at a very high level. Our class sizes are below the state averages. Our kindergarten to fifth grade students will participate in a Dual Language Instruction program in English, Spanish and Chinese (Mandarin) taught as a Foreign Language Elementary School (FLES) program.

### STAFF QUALITY

- Stipends for mentors (mentor program)
- Mentor/buddy program for new teachers
- Participating at University Job Fairs
- Hosting campus/district job fairs
- Recruiting through university education programs and alternative certification programs
- Stipends for math and science content teachers
- Stipends for lead representative positions

## Problem Statements Identifying Demographics Needs

**Problem Statement 1:** We will need to continue to plan for the diverse population of students we receive. **Root Cause:** Students are coming to us from over 20 campuses. This creates inconsistency in their experience and expectations.

## Student Academic Achievement

### Student Academic Achievement Summary

#### STAAR SSI - April and May 2019 - Eduphoria(data source)

##### Elementary School (030)

5TH MATH Student Achievement:

(April)

Percent Score 68.78%, Approaches 79.13%, Meets 53.04%, Masters 36.52%

(May)Retesters

Percent Score 45.92%, Approaches 54.17%, Meets 4.17%, Masters 0%

5TH READING Student Achievement:

(April)

Percent Score 74.46%, Approaches 81.45%, Meets 54.03%, Masters 35.48%

(May)Retesters

Percent Score 54.13%, Approaches 52.17%, Meets 4.35%, Masters 0%

##### Middle School (031)

8th MATH Student Achievement:

(April)

Percent Score 60.58%, Approaches 71.05%, Meets 47.37%, Masters 7.89%

(May) Retesters

Percent Score 40%, Approaches 40%, Meets 0%, Masters 0%

8TH READING Student Achievement:

(April)

Percent Score 74.58%, Approaches 82.5%, Meets 65%, Masters 27.5%

(May) Retesters

Percent Score 49.5%, Approaches 33.33%, Meets 0%, Masters 0%

### **Student Academic Achievement Strengths**

Overall student achievement was above 85% Approaches at 5th grade

### **Problem Statements Identifying Student Academic Achievement Needs**

**Problem Statement 1:** There is inconsistency in student learning gaps and needs. **Root Cause:** Students are coming from over 20 different campuses from other ISDs.

**Problem Statement 2:** We will need to continue to plan for the diverse population of students we receive. **Root Cause:** Students are coming to us from over 20 campuses. This creates inconsistency in their experience and expectations.

## School Processes & Programs

### School Processes & Programs Summary

#### CURRICULUM, INSTRUCTION, & ASSESSMENT

ILTexas CS curriculum is TEKS based and is required to follow a scope and sequence rooted in state standards. Teachers are required to use these resources to guide their planning, instruction and assessment. Planning, instruction and assessment will be aligned - horizontally and vertically. Curriculum, instruction and assessment will be at the heart of all PLC meetings. Planning and instruction will be driven by and responsive to student data.

#### STAFF RECRUITMENT & RETENTION

At present, 99% all positions have been filled however as student enrollment increases the percentage of positions filled will decrease.

#### SCHOOL ORGANIZATION

ILTexas College Station elementary leadership structure consists of a principal, 1 associate principal, 1 assistant principal, 6 grade level administrators, 1 instructional coach, and 2 school counselors. The principal serves as K-8 campus principal. There is a K-3 assistant principal and 4-8 associate principal. Each grade level has a grade level administrator that oversees the grade level activities. They also serve as mentors to new teachers and provide some level of instructional coaching. All leadership on campus will provide support to teachers, students, and parents.

The school day is an extended day to facilitate the school's curriculum which places emphasis on developing a healthy mind, body, and character. An enrichment block is built into the school day and all students will receive enrichment. Character education is taught daily in the Performance Coaching Program and in all classrooms. The school wide community is committed to a trilingual education.

#### TECHNOLOGY

All teachers and students will have access to current technology and resources on a daily basis to enhance instruction. All teachers will have an interactive whiteboard in the classroom and receive training. All 4-8 students will receive a personal laptop to utilize for instruction and learning.

### School Processes & Programs Strengths

#### CURRICULUM, INSTRUCTION, & ASSESSMENT

- Structured intervention on a daily basis

- Instruction will be driven by a range of data points
- Data days will allow for teachers to review and plan to be responsive to student data
- Two-way immersion program structure
- Daily PLC with each grade level team
- TEKS-based resources
- Academic tools, including Learning A-Z, STEMScopes, Leveled Reading, etc.
- Use of creativity in lesson design
- Pearson Envision is a useful tool, closely aligned to the TEKS
- Dual Language structure will improve student outcomes across languages and contents
- Chromebooks will allow teachers to support technological literacy and incorporate various medias into their instruction
- Students K-8 will utilize technology daily for their instruction and learning
- Texas A&M partnership with Dr. Wijekumar, ELA strategies

## STAFF RECRUITMENT & RETENTION

- Stipends for mentors (mentor program)
- Mentor/buddy program for new teachers
- Participating at University Job Fairs
- Hosting campus/district job fairs
- Recruiting through university education programs and alternative certification programs
- Stipends for math and science content teachers
- Stipends for lead representative positions

## SCHOOL ORGANIZATION

The school organizational structure provides support at many level for teachers, students and parents. Teachers have planning/meeting time built into their school day to meet and plan with grade level. Teachers also have dedicated data days built into the school year calendar. Professional development opportunities are also available to teachers. Each grade level has a grade level administrator (GLA) to oversee the grade and to support the teacher in the day to day operations. Each grade level has a teacher assistant.

- Horizontal (grade level) PLC built into workday
- Teacher support structure - Grade Level Administrators, APs, Principal
- Regular updates and newsletters to parents and faculty/staff
- District calendar includes Data Dive Days

## TECHNOLOGY

- SMART Boards in all classrooms

- Tablet ratio 2:1 in Kindergarten to 3rd grade
- Chromebook ratio 1:1 in 4th to 8th grade Laptops for all teachers
- Teachers utilize technology daily in their instruction.
- Students can utilize technology for homework assignments and projects at home and on campus.

### **Problem Statements Identifying School Processes & Programs Needs**

**Problem Statement 1:** We will need to continue to plan for the diverse population of students we receive. **Root Cause:** Students are coming to us from over 20 campuses. This creates inconsistency in their experience and expectations.

**Problem Statement 2:** There is inconsistency in student learning gaps and needs. **Root Cause:** Students are coming from over 20 different campuses from other ISDs.

**Problem Statement 3:** Communication was a concern of our parents and staff this year. **Root Cause:** Learning about events and changes last minute.

# Perceptions

## Perceptions Summary

### Q10 There is a positive culture on our campus.

On our campus, 90.36% of our parents agree that there is a positive culture on our campus. There were around 3% of parents that disagree, and 6.6% of parents that feel neutral in this category.

#### ANSWER CHOICES

ANSWER CHOICES	RESPONSES	
Strongly Agree	71.07%	140
Somewhat Agree	19.29%	38
Neutral	6.60%	13
Somewhat Disagree	2.03%	4
Strongly Disagree	1.02%	2

### Q11 The campus administration is approachable, professional, and supportive.

In this category, 92.38% of our parents agree that campus administration is approachable, professional, and supportive. There were just under 3% of parents that did not agree, and just above 5% that felt neutral.

#### ANSWER CHOICES

ANSWER CHOICES	RESPONSES	
Strongly Agree	75.63%	149
Somewhat Agree	16.75%	33
Neutral	5.08%	10
Somewhat Disagree	2.03%	4
Strongly Disagree	0.51%	1

### Q13 Campus Staff members are welcoming, knowledgeable, and professional.

Overall 95.44% of our parents feel that our campus staff are welcoming, knowledgeable, and professional. There were 2.54% of parents that did not agree, and around 2% of parents that felt neutral about this category.

#### ANSWER CHOICES

ANSWER CHOICES	RESPONSES	
Strongly Agree	79.70%	157
Somewhat Agree	15.74%	31
Neutral	2.03%	4

## ANSWER CHOICES

Somewhat Disagree  
Strongly Disagree

## RESPONSES

2.03%  
0.51%

4  
1

## Perceptions Strengths

**At our ILTexas campus, two of our culture and climate strengths are how parents feel about our campus administration and staff.**

Survey results indicated that 92.38% of our parents agree that campus administration is approachable, professional, and supportive.

Overall 95.44% of our parents feel that our campus staff are welcoming, knowledgeable, and professional.

## Problem Statements Identifying Perceptions Needs

**Problem Statement 1:** Communication was a concern of our parents and staff this year. **Root Cause:** Learning about events and changes last minute.

## Priority Problem Statements

**Problem Statement 1:** We will need to continue to plan for the diverse population of students we receive.

**Root Cause 1:** Students are coming to us from over 20 campuses. This creates inconsistency in their experience and expectations.

**Problem Statement 1 Areas:** Demographics - Student Academic Achievement - School Processes & Programs

**Problem Statement 2:** There is inconsistency in student learning gaps and needs.

**Root Cause 2:** Students are coming from over 20 different campuses from other ISDs.

**Problem Statement 2 Areas:** Student Academic Achievement - School Processes & Programs

**Problem Statement 3:** Communication was a concern of our parents and staff this year.

**Root Cause 3:** Learning about events and changes last minute.

**Problem Statement 3 Areas:** School Processes & Programs - Perceptions

**Problem Statement 4:** Communication needs to be streamlined and more convenient for parents.

**Root Cause 4:** As a new campus, teachers were each communicating in their own way to parents.

**Problem Statement 4 Areas:** School Culture and Climate

**Problem Statement 5:** We have approximately 10 teachers who are not yet certified. Each of these teachers is working toward certification.

**Root Cause 5:** Certified applicant pool.

**Problem Statement 5 Areas:** Staff Quality, Recruitment, and Retention

**Problem Statement 6:** Professional development was lacking in our first year.

**Root Cause 6:** Being a new campus, we struggled getting our PD lined up.

**Problem Statement 6 Areas:** Curriculum, Instruction, and Assessment

**Problem Statement 7:** Processes are are currently being solidified in order to continue family and community involvement within our school community

**Root Cause 7:** 2018-2019 was the first year, so our communication was last minute in some instances. We will need to continue to improve our communication lead time.

**Problem Statement 7 Areas:** Parent and Community Engagement

# Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

## Improvement Planning Data

- District goals
- Campus Performance Objectives Summative Review from previous year
- Current and/or prior year(s) campus and/or district improvement plans
- Campus and/or district planning and decision making committee(s) meeting data
- State and federal planning requirements

## Accountability Data

- Student Achievement Domain
- Student Progress Domain
- Local Accountability Systems (LAS) data

## Student Data: Assessments

- State and federally required assessment information (e.g. curriculum, eligibility, format, standards, accommodations, TEA information)
- State of Texas Assessments of Academic Readiness (STAAR) current and longitudinal results, including all versions
- STAAR End-of-Course current and longitudinal results, including all versions
- STAAR Released Test Questions
- Texas English Language Proficiency Assessment System (TELPAS) results
- Student Success Initiative (SSI) data for Grades 5 and 8
- SSI: Istation Indicators of Progress (ISIP) accelerated reading assessment data for Grades 3-5 (TEA approved statewide license)
- SSI: Think Through Math assessment data for Grades 3-8 and Algebra I (TEA approved statewide license)
- Istation Indicators of Progress (ISIP) reading assessment data for Grades PK-2

## Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Special education/non-special education population including discipline, progress and participation data
- Dyslexia Data
- Response to Intervention (RtI) student achievement data

## Student Data: Behavior and Other Indicators

- Attendance data
- Discipline records

### **Employee Data**

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Teacher/Student Ratio
- State certified and high quality staff data
- Campus department and/or faculty meeting discussions and data

### **Parent/Community Data**

- Parent surveys and/or other feedback
- Parent engagement rate

### **Support Systems and Other Data**

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation

# Goals

**Goal 1: By the end of the 2019-2020 school year, we will increase the teacher retention rate from 72% to at least 80%.**

**Performance Objective 1:** By June 2020, 100% of the teachers new to ILTexas will have participated in the district mentorship program.

**Evaluation Data Source(s) 1:** Increased retention rate

**Summative Evaluation 1:**

Strategy Description	ELEMENTS	Monitor	Strategy's Expected Result/Impact	Reviews			
				Formative			Summative
				Nov	Jan	May	June
<b>TEA Priorities</b> Recruit, support, retain teachers and principals Improve low-performing schools 1) TEA Priorities Recruit, support, retain teachers and principals. Improve low-performing schools. 1) Principal Mentorship for any new through third year Principal's. Creating an observation environment and peer to peer mentoring.	2.4, 2.5, 2.6	Area Superintendents, PD Executive Director, Principals	Increased Principal Retention Rate ,Increased Leadership Effectiveness, Increased Teacher Retention Rate, Increased Student Achievement	0%	0%	0%

# **International Leadership of Texas**

## **College Station Middle School**

### **2019-2020 Campus Improvement Plan**

# Mission Statement

The mission of International Leadership of Texas is to prepare students for exceptional leadership roles in the international community by emphasizing servant leadership, mastering the English, Spanish and Chinese languages, and strengthening the body, mind and character.

# Vision

ILTexas College Station Middle School will grow and nurture students while guiding them as they reach their academic capacity. While attending ILTexas College Station Middle School, students will build relationships and excel academically. At the same time, learners will develop a love for serving others and a desire to live a healthy lifestyle.

# Value Statement

All students have value. All students have potential. All students have the right to high expectations, caring teachers and a loving learning environment. Our job is to receive students as they are, then move them forward as much as possible. School and parent collaboration is paramount.

## Demographics

### Demographics Summary

ILTexas serves students from various academic backgrounds that include different public school districts, charter schools, private schools and home school. A variety of different ethnic groups are represented, with the top three being White 48.49%, Hispanic/Latino 28.95%, and Black/African American 11.98%.

We have a 8.37% of Limited English Proficient (LEP) students. Our elementary campus is at 42.21% economically disadvantage with 6.16% eligible for Free Lunch participation and 7.21% eligible for Reduced Lunch participation. We have 11.28% in the Gifted and Talented Program, and 6.86% in the Special Education Program.

ES Demographics	Percent

Gifted and Talented	11.28%
Special Education (SPED)	6.86%

Other Student Information	Percent
Economically Disadvantaged	42.21%
Limited English Proficient (LEP)	8.37%

## Demographics Strengths

### DEMOGRAPHICS

At ILTexas College Station K8, we have a very diverse student population. Our teacher demographics match the student demographics at a very high level. Our class sizes are below the state averages. Our kindergarten to fifth grade students will participate in a Dual Language Instruction program in English, Spanish and Chinese (Mandarin) taught as a Foreign Language Elementary School (FLES) program.

### STAFF QUALITY

- Stipends for mentors (mentor program)
- Mentor/buddy program for new teachers
- Participating at University Job Fairs
- Hosting campus/district job fairs
- Recruiting through university education programs and alternative certification programs
- Stipends for math and science content teachers
- Stipends for lead representative positions

## Problem Statements Identifying Demographics Needs

**Problem Statement 1:** We will need to continue to plan for the diverse population of students we receive. **Root Cause:** Students are coming to us from over 20 campuses. This creates inconsistency in their experience and expectations.

**Problem Statement 2:** There is inconsistency in student learning gaps and needs. **Root Cause:** Students are coming from over 20 different campuses from

other ISDs.

## Student Academic Achievement

### Student Academic Achievement Summary

Middle School (031)

8th MATH Student Achievement:

(April)

Percent Score 60.58%, Approaches 71.05%, Meets 47.37%, Masters 7.89%

(May) Retesters

Percent Score 40%, Approaches 40%, Meets 0%, Masters 0%

8TH READING Student Achievement:

(April)

Percent Score 74.58%, Approaches 82.5%, Meets 65%, Masters 27.5%

(May) Retesters

Percent Score 49.5%, Approaches 33.33%, Meets 0%, Masters 0%

### Student Academic Achievement Strengths

Overall Student Achievement is over 85% Approaches.

### Problem Statements Identifying Student Academic Achievement Needs

**Problem Statement 1:** There is inconsistency in student learning gaps and needs. **Root Cause:** Students are coming from over 20 different campuses from other ISDs.

**Problem Statement 2:** We will need to continue to plan for the diverse population of students we receive. **Root Cause:** Students are coming to us from over 20 campuses. This creates inconsistency in their experience and expectations.

**Problem Statement 3:** There is inconsistency in student learning gaps and needs. **Root Cause:** Students are coming from over 20 different campuses from other ISDs.

**Problem Statement 4:** Communication was a concern of our parents and staff this year. **Root Cause:** Learning about events and changes last minute.

## School Processes & Programs

### School Processes & Programs Summary

#### CURRICULUM, INSTRUCTION, & ASSESSMENT

ILTexas CS curriculum is TEKS based and is required to follow a scope and sequence rooted in state standards. Teachers are required to use these resources to guide their planning, instruction and assessment. Planning, instruction and assessment will be aligned - horizontally and vertically. Curriculum, instruction and assessment will be at the heart of all PLC meetings. Planning and instruction will be driven by and responsive to student data.

#### STAFF RECRUITMENT & RETENTION

At present, 99% all positions have been filled however as student enrollment increases the percentage of positions filled will decrease.

#### SCHOOL ORGANIZATION

ILTexas College Station elementary leadership structure consists of a principal, 1 associate principal, 1 assistant principal, 6 grade level administrators, 1 instructional coach, and 2 school counselors. The principal serves as K-8 campus principal. There is a K-3 assistant principal and 4-8 associate principal. Each grade level has a grade level administrator that oversees the grade level activities. They also serve as mentors to new teachers and provide some level of instructional coaching. All leadership on campus will provide support to teachers, students, and parents.

The school day is an extended day to facilitate the school's curriculum which places emphasis on developing a healthy mind, body, and character. An enrichment block is built into the school day and all students will receive enrichment. Character education is taught daily in the Performance Coaching Program and in all classrooms. The school wide community is committed to a trilingual education.

#### TECHNOLOGY

All teachers and students will have access to current technology and resources on a daily basis to enhance instruction. All teachers will have an interactive whiteboard in the classroom and receive training. All 4-8 students will receive a personal laptop to utilize for instruction and learning.

### School Processes & Programs Strengths

#### CURRICULUM, INSTRUCTION, & ASSESSMENT

- Structured intervention on a daily basis

- Instruction will be driven by a range of data points
- Data days will allow for teachers to review and plan to be responsive to student data
- Two-way immersion program structure
- Daily PLC with each grade level team
- TEKS-based resources
- Academic tools, including Learning A-Z, STEMScopes, Leveled Reading, etc.
- Use of creativity in lesson design
- Pearson Envision is a useful tool, closely aligned to the TEKS
- Dual Language structure will improve student outcomes across languages and contents
- Chromebooks will allow teachers to support technological literacy and incorporate various medias into their instruction
- Students K-8 will utilize technology daily for their instruction and learning
- Texas A&M partnership with Dr. Wijekumar, ELA strategies

## STAFF RECRUITMENT & RETENTION

- Stipends for mentors (mentor program)
- Mentor/buddy program for new teachers
- Participating at University Job Fairs
- Hosting campus/district job fairs
- Recruiting through university education programs and alternative certification programs
- Stipends for math and science content teachers
- Stipends for lead representative positions

## SCHOOL ORGANIZATION

The school organizational structure provides support at many level for teachers, students and parents. Teachers have planning/meeting time built into their school day to meet and plan with grade level. Teachers also have dedicated data days built into the school year calendar. Professional development opportunities are also available to teachers. Each grade level has a grade level administrator (GLA) to oversee the grade and to support the teacher in the day to day operations. Each grade level has a teacher assistant.

- Horizontal (grade level) PLC built into workday
- Teacher support structure - Grade Level Administrators, APs, Principal
- Regular updates and newsletters to parents and faculty/staff
- District calendar includes Data Dive Days

## TECHNOLOGY

- SMART Boards in all classrooms

- Tablet ratio 2:1 in Kindergarten to 3rd grade
- Chromebook ratio 1:1 in 4th to 8th grade Laptops for all teachers
- Teachers utilize technology daily in their instruction.
- Students can utilize technology for homework assignments and projects at home and on campus.

### **Problem Statements Identifying School Processes & Programs Needs**

**Problem Statement 1:** We will need to continue to plan for the diverse population of students we receive. **Root Cause:** Students are coming to us from over 20 campuses. This creates inconsistency in their experience and expectations.

**Problem Statement 2:** Communication was a concern of our parents and staff this year. **Root Cause:** Learning about events and changes last minute.

# Perceptions

## Perceptions Summary

### Q10 There is a positive culture on our campus.

On our campus, 90.36% of our parents agree that there is a positive culture on our campus. There were around 3% of parents that disagree, and 6.6% of parents that feel neutral in this category.

#### ANSWER CHOICES

ANSWER CHOICES	RESPONSES	
Strongly Agree	71.07%	140
Somewhat Agree	19.29%	38
Neutral	6.60%	13
Somewhat Disagree	2.03%	4
Strongly Disagree	1.02%	2

### Q11 The campus administration is approachable, professional, and supportive.

In this category, 92.38% of our parents agree that campus administration is approachable, professional, and supportive. There were just under 3% of parents that did not agree, and just above 5% that felt neutral.

#### ANSWER CHOICES

ANSWER CHOICES	RESPONSES	
Strongly Agree	75.63%	149
Somewhat Agree	16.75%	33
Neutral	5.08%	10
Somewhat Disagree	2.03%	4
Strongly Disagree	0.51%	1

### Q13 Campus Staff members are welcoming, knowledgeable, and professional.

Overall 95.44% of our parents feel that our campus staff are welcoming, knowledgeable, and professional. There were 2.54% of parents that did not agree, and around 2% of parents that felt neutral about this category.

#### ANSWER CHOICES

ANSWER CHOICES	RESPONSES	
Strongly Agree	79.70%	157
Somewhat Agree	15.74%	31
Neutral	2.03%	4

**ANSWER CHOICES**

The following data were used to verify the comprehensive needs assessment analysis:

# Goals

**Goal 1: By the end of 2019-2020 school year, ILTexas will increase student performance from 76% to at least 80% at the Approaches Performance Level and will increase student performance from 43% to at least 50% at the meets performance level on state assessments in Reading and Math.**

**Performance Objective 1:** By the end of the 19-20 school year, all students, but in particular our students of Special Populations (to include SPED, Bilingual, CTE and ESL students) will increase their performance at the Approaches Performance Level on State Assessments by at least 25%.

**Evaluation Data Source(s) 1:** STAAR & EOC Assessments

**Summative Evaluation 1:**

<b>TEA Priorities</b> Recruit, support, retain teachers and principals Improve low-performing schools 1) TEA Priorities Build a foundation of reading and math. Improve low-performing schools. 1) Purchase supplemental instructional resources (such as but not limited to Measuring up) and bring in (or send our faculty/staff to ) subject matter experts and consultants (to ILTexas or at a conference/Ed Service Center/Off campus) to help ILTexas teachers, administrators, and district support staff strengthen their ability to support all of our students, including our ESL, DLI and other programs that will increase student achievement, with particular attention to English learners.	2.4, 2.5, 2.6	Instructional Technologist, Campus Principals, campus instructional coaches	Increased student achievement				
<b>Problem Statements:</b> Demographics 1 - Student Academic Achievement 2 - School Processes & Programs 1 - Perceptions 2							
 = Accomplished  = Continue/Modify  = No Progress  = Discontinue							

### Performance Objective 1 Problem Statements:

Demographics
<b>Problem Statement 1:</b> We will need to continue to plan for the diverse population of students we receive. <b>Root Cause 1:</b> Students are coming to us from over 20 campuses. This creates inconsistency in their experience and expectations.
Student Academic Achievement
<b>Problem Statement 2:</b> We will need to continue to plan for the diverse population of students we receive. <b>Root Cause 2:</b> Students are coming to us from over 20 campuses. This creates inconsistency in their experience and expectations.
School Processes & Programs
<b>Problem Statement 1:</b> We will need to continue to plan for the diverse population of students we receive. <b>Root Cause 1:</b> Students are coming to us from over 20 campuses. This creates inconsistency in their experience and expectations.

## Perceptions

**Problem Statement 2:** We will need to continue to plan for the diverse population of students we receive. **Root Cause 2:** Students are coming to us from over 20 campuses. This creates inconsistency in their experience and expectations.

**Goal 1:** By the end of 2019-2020 school year, ILTexas will increase student performance from 76% to at least 80% at the Approaches Performance Level and will increase student performance from 43% to at least 50% at the meets performance level on state assessments in Reading and Math.

**Performance Objective 2:** By the end of the 19-20 school year, all students will demonstrate an increase of a minimum of one sub-level, based on the ACTFL proficiency guidelines.

**Evaluation Data Source(s) 2:** ACTFL assessments
