

Required Summer School Program for English Learners 2020

ILTexas requests the Board to allow the required Summer School program for incoming English learners who will be in kindergarten and first grade at the beginning of the 2020-2021 school year to have a different schedule than the one recommended by Texas Education Agency.

The TEA recommended timeline for the mandatory Bilingual/ESL Summer School is 120 hours of instruction spread over June and the whole month of July with 4 hours a day. ILTexas cannot follow that timeline due to the district's heavy professional development schedules during those months.

The mandatory BE/ESL Summer School will complete the 120-hour program from May 27 to June 18 with seven and a half hours a day and four hours on June 6th and 13th. TEA requires the Board to approve this schedule.
