A. Public Comment	FYI	John Vargas	10 m
<p>Addressing the Board – Board meetings are meetings of the Board of Directors and will be held in a civil, orderly and respectful manner. All public comments or questions should be addressed to the Board through the Chair of the Board. To ensure an orderly meeting and an equal opportunity for each speaker, persons wishing to address the Board must complete a Speaker Request Card (https://forms.gle/jEmpDNMxeZYjrg89) and submit it to Miguel Aguilar, Executive Assistant to the Superintendent. The Speaker Request Card must contain speaker name, contact number or email, and subject matter and submitted to the Executive Assistant to the Superintendent prior to the start of the meeting. Members of the public may address the Board on any matter within the Board’s jurisdiction and have two (2) minutes each to do so. The total time of each subject will be fifteen (15) minutes, unless additional time is requested by a Board Member and approved by the Board.</p> <p>The Board may not deliberate or take action on items that are not on the agenda. However, the Board may give direction to staff following a presentation. The Chair is in charge of the meeting and will maintain order, set the time limits for the speakers and the subject matter, and will have the prerogative to remove any person who is disruptive of the Board meeting. The Board of Directors may place limitations on the total time to be devoted to each topic if it finds that the numbers of speakers would impede the Board’s ability to conduct its business in a timely manner. The Board of Directors may also allow for additional public comment and questions after reports and presentations if it deems necessary.</p>

Letter from The Superintendent & CEO

Dear Scholars and Learning Coaches:

We are happy you have chosen to make Compass Charter Schools (“CCS,” “Compass,” “Charter School,” or the “School”) your school of choice. I am proud to be the Superintendent & CEO of CCS, and I am looking forward to working with our staff to provide a quality non-classroom-based independent study program to every scholar we serve. Everyone here at CCS is committed to creating a nurturing environment as we work with you to meet the learning needs of your scholar(s).

CCS Vocabulary

Like any school, CCS has its own unique culture. To help you understand part of the culture of CCS it is important you understand our use of the following key terms:

Learning Coach - Parents and guardians are known as the “Learning Coach” for their children and they are an integral part of their children’s success at CCS. Since we are an independent study school, much of the learning is facilitated by the Learning Coach.

Scholar - At CCS we choose to refer to each student as a “scholar.” Scholar is defined as a person who is highly educated or has an aptitude for study; a distinguished academic. We refer to students as scholars because we want to emphasize our commitment to helping every individual be academically successful.

Learning Management System (“LMS”) - is a computer program used to deliver education courses from the teacher to the scholar. It helps keep the learning organized and allow the teacher to create, adjust, and assign lessons and grades to the scholar.

Learning Period (“LP”) - The span of time between which a scholar and teacher connect to review the learning for that time period. The span of time between which work assignments begin and when they are given to the teacher for evaluation.

Western Association of Schools and Colleges (“WASC”) - A committee of educators from within the region who evaluate and approve schools for accreditation based on the organization’s criterion. One of their purposes is to ensure educational best practices. University of California schools has a policy that requires all schools to be accredited in order to establish and maintain an “A-G” course list.

Charter – a written document, much like a contract, that outlines the rights and obligations of a non-profit organization, company or school. In the case of charter schools, it is often a school district who approves the charter (in compliance with state laws). The charter allows a charter school to operate with some freedoms that district schools do not have, however strong academic results and promises made in the charter must be met as part of that contract.

At CCS, we work diligently to provide a high quality of support to both our scholars and their families. To that end, we are proud of the extremely positive feedback we receive from parents and scholars. As a charter school, it is important that we all work together for the future of our scholars. Charter schools operate under a charter, or contract, with a school district that allows them to operate with some freedoms that district schools do not have, however strong academic results and promises made in the charter must be met as part of that contract. Compass Charter Schools of Los Angeles, Compass Charter Schools of San Diego and Compass Charter Schools of Yolo are proud to be building excellence with our

district partners, Acton-Agua Dulce Unified School District, Mountain Empire Unified School District and Winters Joint Unified School District.

Pledge of Excellence

CCS signed onto the Independent Study Pledge of Excellence in 2016. Its purpose is to establish a consistent, transparent approach to responsible charter school management across all of the member schools. The Code of Conduct is a pledge to employees, families and the public that member charter schools will conduct business in an honest, legal and ethical manner.

All members adhere to the provisions of the pledge. Commitment to ethical professional conduct is the goal of these schools. The Code is intended to serve as a basis for ethical decisions in the running of these charter schools. The Pledge reads:

“Independent study in the state of California is defined as non-classroom based instruction. Non-classroom based instruction includes, but is not limited to, independent study, home study, work study, and distance and computer-based education.

We the undersigned pledge to the following in the operation and management of our charter schools offering independent study:

1. As operators of high-quality public charter schools offering independent study, we stand united behind the elements of integrity, trust, quality, and value in the operation of our schools. We know that offering personalized learning options meets the scholar where they are, aligns with what they individually need, while creating an academic program that is relevant, rigorous, and aligned to 21st Century learning.
2. As operators of high-quality public charter schools offering independent study, we stand united in managing schools that are fiscally responsible in the use of public tax dollars in our care. We value the use of independent auditors that reviews our financial and operational activities annually and showcase reports that are exception---free. This speaks to the commitment that we hold on financial accountability and operational integrity.
3. As operators of high quality public charter schools offering independent study, we stand united in our efforts to operate schools that model strong integrity, value and utilize solid business

practices, and abide by all rules and regulations placed upon us by school districts, regional Offices of Education, and the California Department of Education.

4. As operators of high-quality public charter schools offering independent study, we stand united believing that the actions of a few rogue charter school operators do not reflect, align, or mirror anything about our programs. Having individuals or the media drawing comparisons speaks to either the fact that they don't know what we do or they are acting on rumor and innuendo in these conversations.
5. As operators of high-quality public charter schools offering independent study, we stand united in stating clearly that we are here for one purpose: educating students. Our resource centers, school sites, and classrooms are solely for the purpose of academic programming for the benefit of students in our care. Our commitment to students does not center on money, influence, or politics.
6. As operators of high-quality public charter schools offering independent study, we stand united in offering high quality programs that exist to offer innovative and tested methods of instruction and self-paced learning. We have proof by our results that we are helping students to think, communicate, and achieve.
7. As operators of high-quality public charter schools offering independent study, we stand united in following the state law in the operation of resource centers and school sites.

Our commitment to excellence is unwavering and our focus on scholars is what motivates us to create, manage, and grow public charter schools within the space of independent study.”

Description of Program

CCS is one of California's leading public charter schools serving scholars throughout the state in transitional kindergarten (“TK”), kindergarten, and grades one (1) through twelve (12). We are an independent study program. We recognize that in education one size does not fit all and have two (2) great programs to serve scholars, the Options Learning Program and the Online Learning Program. This Scholar Handbook is specific to the Online Learning Program. CCS is designed and organized to serve scholars and families who have chosen a unique educational setting that can meet an individual scholar’s needs.

A prospectus, including a description of the curriculum along with titles, descriptions, and instructional aims of every course offered by CCS, is available for review upon request. Please note that, pursuant to law, the Charter School may charge for the prospectus in an amount not to exceed the cost of duplication.

CCS is an academic program, and we are proud of the rich, rigorous, standards-based program we provide. Because we are a virtual school, we utilize many digital tools and platforms. For example, parent workshops, clubs, parent teacher conferences, and live, academic instruction are conducted virtually. These digital tools allow us to enhance our scholars’ learning, as well as the relationships and communication we have with them and each other. While a virtual community is important to us, we also seek to build in-person communities with a variety of enrichment events, workshops, and field trips.

Enrollment Requirements

General Requirements

- A scholar must be five (5) years of age on or before September 1st in order to be admitted to

kindergarten at any time during that school year. For those young scholars who will turn five between September 2 and December 2, they can enroll in Transitional Kindergarten. A scholar’s age cannot exceed 19 years for initial enrollment unless the scholar has been continuously enrolled in a public school while 19 years of age and making satisfactory progress toward graduation; if a scholar was not attending public school at any time after his/her 19th birthday, he/she may not enroll with CCS.

- A scholar must have completed the CCS enrollment process, submit the applicable compliance documents, and signed a Master Agreement prior to starting courses.
- In accordance with Education Code Section 51747.3, a scholar must reside within the county in which CCS is authorized, or a contiguous county to the county in which CCS is authorized. Scholars must provide a proof of residency, dated within 30 days of the start of the application.
- A scholar may only be enrolled in CCS and not concurrently enrolled in another school, public or private (unless prior permission is given for a community college).

Immunization Requirements

Pursuant to the California Health and Safety Code and the California Code of Regulations, children must have a minimum number of immunizations (shots) before they can attend school. Immunization records will be required for all incoming scholars. Verification of immunizations will be completed with written medical records from the child’s doctor or immunization clinic. To ensure a safe learning environment for all scholars, the Charter School follows and abides by the health standards set forth by the state of California. Scholars will not receive classroom-based instruction until all required records have been received. The immunization status of all scholars will be reviewed periodically. Those scholars who do not meet the State guidelines may be excluded from classroom-based instruction until the requirements are met. Scholars who have been exposed to a communicable disease for which they have not been immunized may be excluded from classroom-based instruction at the discretion of the Charter School.

These required immunizations include:

Child’s Grade	List of shots required to attend school
Entering Kindergarten	<p>Diphtheria, Pertussis, and Tetanus (DTaP) - Five (5) doses Polio - Four (4) doses</p> <p>Measles, Mumps, and Rubella (MMR) - Two (2) doses Hepatitis B (Hep B) - Three (3) doses</p> <p>Varicella (chickenpox) – Two (2) doses</p> <p>NOTE: Four doses of DTaP are allowed if one was given on or after the fourth birthday. Three doses of DTaP meet the requirement if at least one dose of Tdap, DTaP, or DTP vaccine was given on or after the seventh birthday (also meets the 7th-12th grade Tdap requirement.) One or two doses of Td vaccine given on or after the seventh birthday count towards the requirement for DTaP. Three doses of Polio are allowed if one was given on or after</p>

	fourth birthday. MMR doses must be given on or after first birthday. Two doses of measles, two doses of mumps, and one dose of rubella vaccine meet the requirement, separately or combined. Combination vaccines (e.g., MMRV) meet the requirements for individual component vaccines.
Entering 7th Grade	<p>Tetanus, reduced Diphtheria, and acellular Pertussis (Tdap) - One (1) dose</p> <p>Varicella (chickenpox) - Two (2) doses</p> <p>NOTE: In order to begin 7th grade, scholars who had a valid personal belief exemption on file with a public or private elementary or secondary school in California before January 1, 2016 must meet all requirements for children 7-17 years old (i.e., polio, MMR, chickenpox and primary series for diphtheria, tetanus, and pertussis), in addition to the 7th grade requirements for Tdap and two (2) doses of Varicella (varicella requirement for seventh grade advancement expires after June 30, 2025). At least one dose of pertussis-containing vaccine is required on or after the 7th birthday.</p>

Learning Coaches are asked to provide proof of immunizations upon registration in order to maintain updated records. All scholars must be fully immunized in accordance with the California Health and Safety Code and the California Code of Regulations with the following exceptions:

- Scholars who show proof of a medical exemption by a physician licensed to practice medicine in California pursuant to Health and Safety Code Section 120370;
- Commencing January 1, 2021, the California Department of Public Health standardized medical exemption form shall be the only documentation of a medical exemption that the School shall accept.
- On and after July 1, 2021, the School shall not unconditionally admit or readmit, or admit or advance any student to 7th grade, unless the student has been fully immunized or files a California Department of Public Health standardized medical exemption form as required by law.
- Medical exemptions issued before January 1, 2020 will continue to remain valid until the child enrolls in the next grade span, defined below.
- Scholars who are enrolled in a home-based private school or independent study program and do not receive any classroom-based instruction.
- A scholar who has not received all of the required immunizations will not be eligible to attend classes at a Charter School resource center unless the student is otherwise exempt under #1 or #3.

- Scholars who, prior to January 1, 2016, submitted a letter or affidavit on file at a private or public elementary or secondary school in California stating beliefs opposed to immunization, and who provides said letter or affidavit to the CCS, shall be allowed to enroll at the CCS without being fully immunized until the scholar enrolls in the next grade span pursuant to Health and Safety Code Section 120335(g);
- “Grade span” means each of the following:
 - a. Birth to Preschool.
 - b. Kindergarten and grades 1 to 6, inclusive, including transitional kindergarten.
 - c. Grades 7 to 12, inclusive.

If there is good cause to believe that a child has been exposed to a disease listed in subdivision (b) of Section 120335 and documentary proof of immunization status does not show proof of immunization against that disease, that child may be temporarily excluded from classroom-based instruction until the local health officer is satisfied that the child is no longer at risk of developing or transmitting the disease.

CCS shall immediately admit a foster child, as defined in Education Code § 48853.5(a), and a homeless child, as defined in Section 11434a(2) of Title 42 of the United States Code, regardless of whether the foster or homeless child’s immunization records are not available or are missing. However, this does not alter CCS’s obligation to obtain immunization records for foster and homeless scholars or to ensure the full immunization of foster and homeless students as required by law.

This Policy does not prohibit a pupil who qualifies for an individualized education program (“IEP”), pursuant to federal law and Education Code Section 56026, from accessing any special education and related services required by the scholar’s individualized education program.

Any scholar leaving the United States for a visit to any country considered by the Center of Disease Control and Prevention (“CDC”) to have an increased risk of TB exposure MUST call the County Tuberculosis Clinic for a TB Screening upon return.

Oral Health Exam Requirements

California law states your scholar must have an oral health assessment by May 31 of their kindergarten year or, if the scholar was not previously enrolled in kindergarten in a public school, their first-grade year. A California licensed dental professional operating within their scope of practice must perform the check-up and fill out our oral health assessment form. If your scholar had a dental check-up in the 12 months before they started school, ask your dentist to fill out the oral health assessment form required for enrollment. If you are unable to get a dental check-up for your scholar, a waiver is available upon request.

Diabetes

The Charter School will provide an information sheet regarding type 2 diabetes to the parent or guardian of incoming 7th grade scholars, pursuant to Education Code Section 49452.7. The information sheet shall include, but shall not be limited to, all of the following:

- A description of type 2 diabetes.
- A description of the risk factors and warning signs associated with type 2 diabetes.
- A recommendation that scholars displaying or possibly suffering from risk factors or warning

signs associated with type 2 diabetes should be screened for type 2 diabetes.

- A description of treatments and prevention of methods of type 2 diabetes.
- A description of the different types of diabetes screening tests available.

Please contact the office if you need a copy of this information sheet or if you have any questions about this information sheet.

Physical Examinations and Right to Refuse

All pupils are to have completed a health screening examination on or before the 90th day after the pupil's entrance into first grade or such pupils must have obtained a waiver pursuant to Health and Safety Code Sections 124040 and 124085. This examination can be obtained from your family physician or possibly through the services provided by your County Health Department. Information and forms are distributed to scholars enrolled in kindergarten, or a California public school for the first time. If your child's medical status changes, please provide the teacher with a physician's written verification of the medical issue, especially if it impacts in any way your child's ability to perform schoolwork.

A parent/guardian having control or charge of any child enrolled in CCS may file annually with the Superintendent & CEO of the school in which the child is enrolled a written and signed statement stating that the parent/guardian will not consent to a physical examination of the child. Thereupon the child shall be exempt from any physical examination, but whenever there is a good reason to believe that the child is suffering from a recognized contagious or infectious disease, the child shall be sent home and shall not be permitted to return for classroom-based instruction until the school authorities are satisfied that any contagious or infectious disease does not exist.

California Healthy Kids Survey

The Charter School will administer the California Healthy Kids Survey ("CHKS") to scholars in grades 5, 7, 9, and 11 whose parents or guardians provide written permission. California Education Code sections 51513 and 51938(c) specify that parent or guardian consent be granted before scholars are given questionnaires or surveys asking about personal beliefs or practices that include health behavior and risks. There are two (2) kinds of parent or guardian consent: passive and active.

- Active Consent requires that a parent or legal guardian be notified in writing and gives written permission for the scholar to participate in the survey. Active consent is required of the fifth grade CHKS survey.
- Passive Consent requires that a parent or legal guardian be notified in writing about the survey and is given the opportunity to review the survey. Parents need to notify the school if they do not want their child to participate in the survey. Passive consent is required for CHKS survey administered to scholars in grades seven through twelve.

The CHKS is an anonymous, confidential survey of school climate and safety, scholar wellness, and youth resiliency that enables the Charter School to collect and analyze data regarding local youth health risks and behaviors, school connectedness, school climate, protective factors, and school violence.

Availability of Health Insurance

Children—regardless of immigration status (foster youth, pregnant women, and legally present individuals, including those with deferred action for childhood arrivals ["DACA"] status) may be eligible

for no- or low-cost Medi-Cal insurance. Medi-Cal covers immunizations, checkups, specialists, vision and dental services, and more for children and youth at no- or low-cost. Medi-Cal enrollment is available year-round.

Covered California is where legal residents of California can compare quality health plans and choose the one that works best for them. Based on income and family size, many Californians may qualify for financial assistance. Enrollment may occur during Open Enrollment or any time you experience a life-changing event, like losing your job or having a baby. You have sixty (60) days from the event to complete enrollment. Information regarding the availability of insurance is provided with enrollment forms and available at:

http://hbex.coveredca.com/toolkit/PDFs/ALL_IN_Flyer_EnrollGetCareRenew_CC.pdf

CCS shall not discriminate against a scholar who does not have health care coverage or use any information relating to a scholar's health care coverage or interest in learning about health care coverage in any manner that would bring harm to the scholar or the scholar's family.

Mental Health Services

CCS recognizes that when unidentified and unaddressed, mental health challenges can lead to poor academic performance, increased likelihood of suspension and expulsion, chronic absenteeism, scholar attrition, homelessness, incarceration, and/or violence. Access to mental health services at CCS and in our community is not only critical to improving the physical and emotional safety of scholars, but it also helps address barriers to learning and provides support so that all scholars can learn problem-solving skills and achieve in school and, ultimately, in life. The following resources are available to your child:

Available through CCS:

- **School-based counseling services** – Your scholar is encouraged to directly contact a Charter School counselor by making an appointment to speak with a counselor. The Counseling Services Department can be reached at (855)-937-4227. Our Charter School counselors support scholars by providing individual sessions and/or group or parent consultations whenever a scholar is having a difficult time due to academic stress, transition to changes in their environment, or social concerns, including isolation. Counseling services, whether provided by our Charter School or by an outside provider listed in this letter, are voluntary.
- **Special education services** – if you believe your child may have a disability, you are encouraged to directly contact the Special Education Department at (855) 937-4227 to request an evaluation.

Available in the Community:

- Community resources are listed on the school website under Counseling Services.

Available Nationally:

- National Suicide Prevention Hotline - This organization provides confidential support for adults and youth in distress, including prevention and crisis resources. Available 24 hours at (800) 273-8255.
- Crisis Text Line - Text Hello to 741741- Crisis Text Line fields messages about suicidal thoughts,

abuse, sexual assault, depression, anxiety, bullying and more.

- The Trevor Project - This organization provides suicide prevention and crisis intervention for LGBTQ youth between the ages of 13 and 24. Available at (866) 488-7386 or visit <https://www.thetrevorproject.org/>.
- Big Brothers/Big Sisters of America – This organization is a community- based mentorship program. Community-specific program information can be found online at <https://www.bbbs.org> or by calling (813) 720-8778.

Human Trafficking Prevention

California has the highest number of incidents of human trafficking in the U.S., and all scholars may be vulnerable. Charter School believes it is a priority to inform our scholars about (1) prevalence, nature of and strategies to reduce the risk of human trafficking, techniques to set healthy boundaries, and how to safely seek assistance, and (2) how social medial and mobile device applications are used for human trafficking.

In accordance with the California Healthy Youth Act, Charter School will provide age-appropriate instruction on the prevention of human trafficking, including sexual abuse, assault, and harassment. You have the right to excuse your child from all or part of the instruction on the prevention of human trafficking. An opt-out form is available on the school website for your convenience. Your consent for this instruction is NOT required. If we do not receive a written request to excuse your child, your child will be included in the instruction.

Information and materials for parents/guardians about the curriculum and resources on prevention of human trafficking and abuse, including sexual abuse, assault, and harassment are available on Charter School's website for your review.

Tobacco-Free Schools

Ample research has demonstrated the health hazards associated with the use of tobacco products, including smoking and the breathing of secondhand smoke. Charter School provides instructional programs designed to discourage scholars from using tobacco products. The Charter School's Governing Board recognizes that smoking and other uses of tobacco and nicotine products constitute a serious public health hazard and are inconsistent with the goals of all Charter Schools to provide a healthy environment for scholars and staff.

In the best interest of scholars, employees, and the general public, the Board therefore prohibits the use of tobacco products at all times on Charter School property and in Charter School vehicles. This prohibition applies to all employees, scholars, visitors, and other persons at school or at a school-sponsored activity or athletic event. It applies to any meeting on any property owned, leased, or rented by or from Charter School.

Smoking or use of any tobacco-related product or disposal of any tobacco-related waste is prohibited within 25 feet of any playground, except on a public sidewalk located within 25 feet of the playground. Smoking or use of any tobacco-related product is also prohibited within 250 feet of the youth sports event in the same park or facility where a youth sports event is taking place. In addition, any form of intimidation, threat, or retaliation against a person for attempting to enforce this policy is prohibited.

The Superintendent & CEO or designee shall inform scholars, parents/guardians, employees, and the public about this policy. All individuals on Charter School premises share in the responsibility of adhering to this policy. Additionally, Charter School will post signs stating "Tobacco use is prohibited" prominently at all entrances to school property. A copy of the complete Policy is available upon request at the Central Office and on the School's website within the Board Policy Manual.

Surveys About Personal Beliefs

Unless you give written permission, your child will not be given any test, questionnaire, survey, or examination containing any questions about your child's, or his/her parents' or guardians' personal beliefs or practices in sex, family life, morality, or religion.

Free and Reduced-Price Meals

Pursuant to California Law, CCS will provide each scholar who meets federal eligibility criteria for free and reduced-price meals with at least one (1) free or reduced-price, nutritionally adequate meal per each school day on which the eligible scholar is scheduled for two (2) or more hours of educational activities at a school site, resource center, meeting space or other satellite facility operated by CCS. Applications for free or reduced-price meals are included in the enrollment and re-enrollment process. All families are encouraged to complete the application form in order to include as many eligible students as possible. Completed application forms can be returned to the Central Office.

Income and Household Size Survey

Public schools may qualify for several federal and state grants based on annual population demographics. By completing this survey during the enrollment and re-enrollment process families can help the Charter School attain additional resources necessary to serve all scholars. Generally, schools with families that have eligible incomes based on the free and reduced lunch qualifiers may support these additional grants. Please note, funding determinations are based upon the total number of scholars that qualify. The information submitted in this survey is a confidential educational record and therefore protected by all relevant federal and state privacy laws that pertain to educational records including, without limitation, the Family Educational Rights and Privacy Act of 1974 (FERPA), as amended (20 U.S.C. Â§ 1232g; 34 CFR Part 99); Title 2, Division 4, Part 27, Chapter 6.5 of the California Education Code, beginning at Section 49060 et seq.; the California Information Practices Act (California Civil Code Section 1798 et seq.) and Article 1, Section 1 of the California Constitution.

School Safety Plan

The Charter School has established a Comprehensive School Safety Plan. The Plan is available upon request at the Central Office and on the school website within the CCS Board Policy Manual.

Pregnant and Parenting Scholars

The Charter School recognizes that pregnant and parenting pupils are entitled to accommodations that provide them with the opportunity to succeed academically while protecting their health and the health of their children. A pregnant or parenting pupil is entitled to eight (8) weeks of parental leave, or more if deemed medically necessary by the pupil's physician, which the pupil may take before the birth of the pupil's infant if there is a medical necessity and after childbirth during the school year in which the birth

takes place, inclusive of any mandatory summer instruction, in order to protect the health of the pupil who gives or expects to give birth and the infant, and to allow the pregnant or parenting pupil to care for and bond with the infant. The Charter School will ensure that absences from the pupil's regular school program are excused until the pupil is able to return to the regular school program or an alternative school program.

Upon return to school after taking parental leave, a pregnant or parenting pupil will be able to make up work missed during the pregnant or parenting scholar's leave, including, but not limited to, makeup work plans and reenrollment in courses. Notwithstanding any other law, a pregnant or parenting pupil may remain enrolled for a fifth year of instruction in the Charter School if it is necessary in order for the pupil to be able to complete any graduation requirements, unless the Charter School determines that the pupil is reasonably able to complete the graduation requirements in time to graduate from high school by the end of the pupil's fourth year of high school.

Complaints of noncompliance with laws relating to pregnant or parenting pupils may be filed under the Uniform Complaint Procedures ("UCP") of the Charter School. The complaint may be filed in writing with the compliance officer:

J.J. Lewis | Superintendent & CEO
 850 Hampshire Road, Suite P
 Thousand Oaks, California 91361
 (818) 824-6233
jjlewis@compasscharters.org

A copy of the UCP is available upon request at the Central Office and on the school website within the CCS Board Policy Manual. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the complaint procedures, please contact the Superintendent & CEO.

Master Agreement

To attend CCS, each scholar, Parent/Legal Guardian, and supervising teacher shall sign a Master Agreement ("MA") prior to the first day of course each school year. This is a legal document and must be signed, dated, and returned to CCS. No scholar or Learning Coach will have access to the curriculum until the MA is signed and returned. Failure to sign and return an MA within the first three (3) days of starting courses will result in a mandatory meeting with the Superintendent & CEO or designee. The signed MA is the agreement that the scholar and Learning Coach sign to demonstrate their intention to continue enrollment in CCS. All scholars enrolled in CCS must sign a new Master Agreement each school year.

An addendum or updated MA must be submitted if changes are made in courses, supervising teacher, or grade level during the school year. This document also requires that each scholar, Parent/Legal Guardian, and supervising teacher sign thus approving the changes.

Teacher Qualification Information

All parents or guardians may request information regarding the professional qualifications of classroom teachers and/or paraprofessionals.

Internet Service

Participation in CCS requires an Internet connection. Basic Internet service is available free of charge for all enrolled scholars who wish to utilize it. Learning Coaches who wish to request Internet service reimbursement will need to fill out the appropriate forms which are available on the school website. Alternatively, a Learning Coach may opt to independently purchase an internet connection. An internet connection is required because the nature of the CCS program requires that scholars and Learning Coaches and scholars log onto the online school each day to receive curriculum, lesson plans, school communications, and other necessary resources, as well as to log attendance and submit assignments.

Internet Safety Policy

It is the policy of CCS to: (a) prevent user access over its computer network to, or transmission of, inappropriate material via Internet, electronic mail, or other forms of direct electronic communications; (b) prevent unauthorized access and other unlawful online activity; (c) prevent unauthorized online disclosure, use, or dissemination of personal identification information of minors; and (d) comply with the Children's Internet Protection Act. The complete CCS scholar Student Use of Technology Policy is available on the school website or at the Central Office within the CCS Board Policy Manual.

Computers

CCS has computers available for loan free of charge to all Learning Coaches seeking a computer for their scholar(s)'s use during the school year. Learning Coaches who wish to borrow a computer from CCS will need to fill out the appropriate forms which are available on the school website. All requests for loaner computers shall be honored. Faculty, staff, or other scholars shall not be notified that a scholar is using a loaner computer unless such disclosure is necessary for maintenance and asset management. Learning Coaches will be expected to monitor their scholar's use of the loaned computer to ensure appropriate use for educational purposes. Please be advised that the computer remains school property and there is no reasonable expectation of privacy. When a scholar graduates or disenrolls from CCS, the loaner computer (and all other school property) must be returned.

Grade Level Placement Policy

A scholar's grade level is determined upon initial enrollment and is written on the Master Agreement.

If an elementary scholar is coming to CCS from another school, the grade level is typically based on the scholar's grade level at the previous school. If no previous school was attended, grade level can be determined by the legal need to be (or have been) five (5) years old by the cutoff date in the year of entry into kindergarten and proceeding chronologically for each grade level.

An incoming scholar must provide the most recent report card, current progress report, and transcript if enrolling during the school year, in order to determine appropriate placement. Failure to do so does not delay enrollment but will delay the appropriate placement of the scholar into courses.

Policy on Promotion and Retention

Promotion to the next grade level is dependent upon the grades earned. Scholars must pass a minimum number of core curriculum courses (i.e., mathematics, science, social science and language arts) and

successfully complete any prescribed school year academic instructional support programs. Scholars who are at risk of retention will be provided with programs of supplemental instruction during the school year. Scholars who do not make satisfactory progress each year are at risk of being retained. If a scholar is recommended for retention, the School will notify the scholars Learning Coach in writing.

For students qualified under the Individuals with Disabilities Education Act (“IDEA”), any decisions regarding retention will be made by the Individualized Education Program (“IEP”) team in an IEP meeting. For Students with a Section 504 Plan, any decisions will be made by the Section 504 team in a 504 meeting.

Appeal Process

Every family has the right to appeal a retention decision. If an appeal is made, the burden shall be on the appealing party (the family) to show why the decision of the School should be overruled. The appeal must be submitted in writing within seven (7) calendar days of the date the retention recommendation was issued. The appeal must be submitted to the Principal. The appeal must clearly state the grounds for the appeal. Within fourteen (14) calendar days, the Principal or designee will review the documentation provided with the appeal statement. The response to this appeal will be rendered to the family no more than seven (7) calendar days from the review date. The family may request to meet with the individual(s) reviewing their appeal, but the family must still submit their appeal in writing within the designated time frame described above. The Principal’s decision will be final.

Placement

If a Learning Coach or teacher feels that a scholar should be placed in a different grade level, the situation must be discussed with the Learning Coach, Assistant Principal, and Principal prior to making the change on the Master Agreement. They will make a recommendation for the Superintendent & CEO or designee who shall make the final decision.

Scholars may be required to take a placement exam and/or end of unit subject tests to determine appropriate placement based on Learning Coach requests for skipping or repeating a grade.

Benchmark Testing

All scholars will be required to take a benchmark assessment in math and reading in order to determine a baseline of proficiency levels at the beginning of the school year. They will be assessed again at the start of the second semester, and again at the end of the school year.

If the scholar has not attended school for an entire academic year or more, appropriate placement will be reviewed by the Director of Counseling Services, Assistant Principal, and Principal. Scholars may be required to take assessments to determine appropriate placement.

Virtual Classroom Expectations

CCS will follow discipline procedures, including suspension and expulsion procedures, in accordance with the CCS charter and the Charter School policy as it pertains to violations to any of the following expectations:

- Respect opinions and privacy of others during web-based discussions.
- Refrain from posting anonymous messages unless authorized by the teacher.
- Use only your own username and password, and do not share these with anyone.
- Do not post personal information including: Phone number, YouTube, Facebook, etc.
- Do not download, transmit or post material that is intended for personal gain or profit.
- Do not post material that is obscene or defamatory or which is intended to annoy, harass or intimidate another person. This includes distributing "spam" mail, chain e-mail, viruses, or other intentionally destructive content.
- Do not distract other scholars via chat, web or drawing features.
- Do not upload or post any software on CCS instructional computing resources that are not specifically required for your assignments and approved by your teacher.
- Do not post any audio, video, or other non-instructional files to any CCS server.
- Avoid using sarcasm, jargon, and slang, and never use derogatory or foul language.
- Limit use of communications expressed in all capital letters, as this can be considered yelling.
- Do not broadcast online discussions, and never reveal other people's email addresses.

A copy of the Charter School's full Suspension and Expulsion Policy is available on the School website or at the Central Office, as well as within this Handbook.

Attendance

Attendance is important for the success of a scholar. If a scholar does not attend school, then a scholar cannot succeed in their courses. Attendance at an online school looks very different than that at a brick and mortar school.

Independent study attendance credit is based upon the scholar's daily engagement in instructional activities required by the school (assignments) on days that school is in session (Monday through Friday, non-holidays) and further determined based upon the time value of the scholar's work product, judged at the discretion of the supervising credentialed teacher. A copy of the Charter School's full Independent Study Policy is available on the School website within the CCS Board Policy Manual or at the Central Office.

Activity Logs

The Learning Coach and scholar must ensure that activity logs are accurate, marking activity each day in the relevant subject areas. Activities may include virtual course sessions, outside course sessions, lessons at home, field trips, etc. This log is a mandatory requirement and must be updated weekly.

Blanks on the activity log from lack of educational activity for the day are considered unexcused absences.

Work Sample Requirements

In order for attendance credit to be given, representative work samples must be emailed to the teacher when requested and in accordance with the frequency, time, and manner specified in the board policy on independent study and the applicable provisions of the Master Agreement. Work samples need to be submitted to the assigned supervising teacher each learning period.

If the teacher feels the need to seek further or alternate samples, those must be provided within three (3) days of the request.

Teachers will give scholars due dates and the quantity and descriptions of work samples that should be submitted.

It is essential that these work samples are submitted on time. Failure to do so can result in academic or disciplinary sanctions.

Virtual Classroom Attendance "Learning Labs"

All CCS teachers provide live, Learning Labs each week within each content area and/or grade level. The sessions allow scholars to interact with their teachers and be instructed in real time. All scholars are expected to participate in the Learning Lab sessions for each of their courses.

Q&A Sessions/Office Hours

The remaining 2-3 days of web-based instruction hosted by teachers are "office hours" or Q&A sessions. Teachers host regularly scheduled Q&A sessions each week where scholars can receive tutoring and assistance on coursework in real time. Scholars are also encouraged to schedule appointments outside

of the scheduled Q&A if the teacher's schedule does not work with theirs or if they need additional support.

Animal Dissections

Scholars at the Charter School may perform animal dissections as part of the science curriculum. Any scholar who provides his or her teacher with a written statement, signed by his or her parent/guardian, specifying the scholar's moral objection to dissecting or otherwise harming or destroying animals, or any parts thereof, may be excused from such activities if the teacher believes that an adequate alternative education project is possible. The alternative education project shall require a comparable time and effort investment by the scholar. It shall not, as a means of penalizing the scholar, be more arduous than the original education project. The scholar shall not be discriminated against based upon his or her moral objection to dissecting or otherwise harming or destroying animals, or any parts thereof.

Missed Assignments/Truancy

As per the independent study policy, after five [5] missed assignments, in ten [10] school days, the scholar will be considered truant and an evaluation will be conducted by CCS to determine whether it is in the best interest of the pupil to remain in independent study.

The Learning Coach is expected to check the Learning Management System ("LMS") account daily to ensure the scholar is logging in daily and progressing through courses at an appropriate pace. Additionally, the Learning Coach must ensure their scholar is submitting work, as specified on the pacing guide. Work should be turned in consistently throughout the program or the scholar may get too far behind and not be able to pass their course.

Parent/Teacher Conferences

Learning Coaches and scholars will plan to attend Parent/Teacher Conferences ("PTC") each semester with the supervising teacher to create scholar goals to ensure scholar success. Learning Coaches, scholars, and supervising teachers will monitor goal progress throughout the semester.

Teachers are available to conference with Learning Coaches and scholars in addition to these formal PTCs throughout the semester and school year by request.

State Standardized Tests

As attendees of a public charter school, our scholars participate in the following state standardized tests:

- Grade 5, 8, 11 and 12 - California Science Test ("CAST"). Grade 12 scholars will take the CAST if they have not previously taken it.
- Grades 3-8, and 11 - SBAC Testing (aka California Assessment of Student Performance and Progress: "CAASPP") - ELA and math
- Grade 5, 7, 9 - Physical Fitness Test ("PFT")
- English Language Learners: English Language Proficiency Assessments for California ("ELPAC")

These examinations provide CCS with information for evaluation and future planning. These exams also indicate CCS's effectiveness in carrying out its educational mission. Participation rates are critical to the

success of our school. According to recent changes promulgated by the Every Student Succeeds Act (“ESSA”), signed into law in December 2015, a public school is required to achieve a participation rate of 95% on any state testing. If a school has less than 95% of its scholars participate in any assessment, the school receives a serious penalty by the state of California or federal government.

CCS administers all state standardized tests at sites geographically placed among our scholar locations. A testing schedule will be provided to our Learning Coaches. Individual scholar performance results on statewide assessments will be distributed to both Learning Coaches and teachers in a timely manner once released from the state. For more information on Testing & Accountability, visit the California Department of Education (“CDE”)’s web page at <http://www.cde.ca.gov/ta/>. Notwithstanding any other provision of law, a Learning Coach’s written request to CCS officials to excuse their scholar from any or all parts of the CAASPP assessments, including CAST, shall be granted.

Tests Proctored by Agencies Other Than CCS

Advanced Placement (“AP”)

A program offering college-level curricula and examinations to high school scholars. American colleges and universities often grant placement and course credit to scholars who obtain high scores (typically scores of 3 or better) on the examinations. The AP curriculum for each of the various subjects is created for the College Board by a panel of experts and college-level educators in that field of study. For questions on AP testing, registration and locations please speak with the College & Career Readiness Counselor.

Scholastic Aptitude Test (“SAT”)

A nationwide test used by most institutions to help determine college and university admission eligibility. The SAT is offered and administered by the College Board. It is the scholar’s responsibility to register and pay for this test. The test may be taken more than once. There are several different test dates between August and June. Scholars are encouraged to take the SAT as early as May or June of their junior year. Apply online at www.collegeboard.com. For questions on SAT testing, registration, fee waivers and locations please contact the College & Career Readiness Counselor.

SAT Subject Tests

Tests administered by the College Board, in specific subjects. Scholars should consult specific college catalogs to find out if the subject tests are necessary for admission. There are several test dates between August and June. Apply online at www.collegeboard.com. For questions on SAT Subject testing, registration, fee waivers and locations please contact the College & Career Readiness Counselor.

Preliminary Scholastic Aptitude Test (“PSAT”/”NMSQT”)

A shorter version of the SAT and is usually taken in the junior year as practice for the SAT and is used to determine National Merit Scholars. This exam is only administered in October. For questions on PSAT testing, registration, fee waivers and locations please contact the College & Career Readiness Counselor.

American College Test (“ACT”)

A nationwide test used by most institutions to help determine college and university admission eligibility. The ACT test content consists of English, math, reading, and science. There is also a writing

test. Many colleges require the writing portion to be completed. There are several dates between September and July (different dates than the SAT). Scholars may take the test more than once. Apply online at www.actstudent.org. For questions on ACT testing, registration, fee waivers and locations please contact the College & Career Readiness Counselor.

California High School Proficiency Examination (“CHSPE”)

A test for scholars who need to verify high school level skills to earn the legal equivalent of a high school diploma. Scholars who are at least 16 years of age or who have been enrolled in the 10th grade for one academic year or longer or who will complete one academic year of enrollment in the 10th grade at the end of the semester during which the CHSPE regular administration (Spring/Fall) will be conducted.

Prior to registering for the exam contact your counselor. For more information, visit

<https://www.chspe.net/>.

General Educational Development Test (“GED”)

Test may be taken by scholars 18 years of age or older for the purpose of earning a California High School Equivalency Certificate. Prior to registering for the exam contact your counselor. For more information, visit <https://ged.com/>.

College Level Examination Program (“CLEP”)

A credit by examination program that allows participants to demonstrate college level mastery of introductory courses and possibly earn college credit (Note: High school credit is not awarded). Policies for accepting CLEP college credits vary from college to college, so please check with the targeted college first.

High School Equivalency Test (“HiSET”)

Must be a California resident or a member of the Armed Forces to take this exam. A scholar must meet state eligibility requirements. Please view the link for details. Prior to registering for the exam contact your counselor. For more information, visit <http://hiset.ets.org/requirements/ca>.

Contact Information & Communication Procedures

Methods of Communication

Reliable contact information is required for all Learning Coaches and for scholars.

Email Expectations

- We request that scholars (6-12th) and Learning Coaches supply separate email addresses for communication.
- All scholars are expected to communicate respectfully with school staff and peers through all methods of communication by using appropriate language. Failure to do so may result in disciplinary action.
- Scholars are expected to reply to communication from school personnel within 24 hours.
- All scholars must include their name and grade when they are emailing school staff.

Unable to Contact

Regular communication with CCS teachers is essential for a scholar's success at CCS. If you are planning to be unavailable to communicate with your scholar's teacher for a period of time, please notify the teacher so that proper arrangements to monitor your scholar's progress and attendance can be made.

Notification Regarding Change of Contact Information

As stated in the Master Agreement Acknowledgment of Responsibilities, it is the responsibility of parents, guardians or adult foster care caregiver to inform the school of any change of address, telephone number or emergency information. Parents must provide a manner to receive both written (U.S. Mail) and oral communication (telephone, cell, email) regarding their child(ren). For the protection of the scholar's health and welfare, and to facilitate immediate communication with the parent/legal guardian or caregiver, CCS, in accordance with Education Code Section 49408, requires the parent/legal guardian to provide current emergency information in the online enrollment application at the time of enrollment. Every parent/legal guardian or caregiver must complete an online enrollment application for each scholar at the time of enrollment. Emergency information should include, but is not limited to the following:

- Home address and current telephone, including cell phone
- Employment/business addresses and phone numbers
- Relative/Friend's name, address, and telephone numbers authorized to pick up and care for the scholar in an emergency situation, if the parent/legal guardian cannot be reached.

This information must be updated with the Records Department within five (5) business days to ensure timely communication with CCS staff. In order to request change of contact information, the learning coach must complete the Change of Contact Information Form which is located on the Schools' website.

Parents of scholars with disabilities should also have the name of any other designated adult who can receive their child in case of an emergency. Scholars will only be released to a person listed on the emergency card unless the parent/legal guardian has provided written authorization on a case by case basis during testing and/ or other engagement or enrichment events. Parents are required to update this information at least twice per school year. The emergency phone number for the parents and relatives/friends and all other information, such as name or address can be changed through the change of Information Form found on our website.

Proof of Residency

Learning Coaches must notify the Records Department to provide a proof of new residence. A form to submit these changes can be found on the School's website under Parent/Scholar Resources. Learning Coaches must complete the [Change of Information Form](#) to update their address and provide an updated proof of residence attached or emailed to records@compasscharters.org.

Academic Program

AVID

Advancement Via Individual Determination ("AVID"), is a college readiness system for elementary-aged scholars through higher education that is designed to increase school-wide learning and performance.

The AVID College Readiness System (“ACRS”) accelerates scholar learning, uses research-based methods of effective instruction, provides meaningful and motivational professional learning, and acts as a catalyst for systemic reform and change. While typically found in brick-and-mortar schools, Compass is proud to be one of a select few who are offering this program online.

The AVID curriculum, based on rigorous standards, is driven by the Writing, Inquiry, Collaboration, Organization and Reading (“WICOR”) method. AVID curriculum is used in AVID elective courses and in content-area courses (English language arts, math, science, and social studies) in AVID schools. Our teachers use AVID strategies in both their Learning Labs and Q&A sessions.

Grades

The grade in any given course represents the degree to which the scholar has met the standards and achieved the goals of the course. Grades reflect the quality of the scholar’s work and the scholar’s degree of mastery of academic standards. The semester grade reflects the cumulative achievement for the entire semester. Attendance and participation are contributing factors in meeting the standards and earning a grade.

Teachers are responsible for setting objective standards for grading assignments and shall make these standards known to the Learning Coaches and scholars. Teachers are responsible for assigning grades to the scholars in their courses. Once assigned, a grade shall be final unless it comes to light that the scholar engaged in fraud or cheating, or if a mistake was made by the teacher assigning the grade. If the scholar or Learning Coach want to challenge a grade, they may follow the process outlined within the School’s Educational Records and Scholar Information Policy which is located within the CCS Board Policy Manual.

Scholar Recognition

- Honor Roll recognition is awarded each semester to scholars who have earned a minimum 3.5 rubric average (TK-5) or a minimum 3.5 GPA (6-12).
- Scholar of the Month is awarded by teacher recommendation based on demonstration of CCS’ ARTIC values.
- Firebird of the Year is awarded by teacher recommendation based on demonstration of CCS’ ARTIC values and being a scholar of the month recipient.
- Core Values (ARTIC) Awards are designed to celebrate scholars who exemplify CCS’ ARTIC Values. These are awarded by teacher recommendation two times per year, once in the first semester and once in the second semester.
- Perfect Attendance award is given to scholars who attend 100% of the days during the award period.
- NHS Lifetime members must be inducted into CCS NHS Chapter and stay compliant with service hours as well as meeting attendance for 3+ Semesters
- Presidential Award for Educational Excellence (Gold Seal) (8th, 12th) recognizes academic success by either grade point average of 90 on 100 scale, A- on letter scale, or 3.5 on a 4.0 scale, PLUS high achievement on state or nationally normed reading or mathematics examinations (or recommendations of a teacher plus one other staff member).
- Presidential Award for Educational Achievement (Silver Seal) (8th, 12th) recognizes scholars who show outstanding education growth, improvement, commitment or intellectual development in their academic subject, but who do not meet the criteria for the President’s Award for

Educational Excellence. Teacher and Assistant Principal recommendation required.

- Samaritan Award recipients must complete 50 hours of community service and apply for the award in order to be considered for this achievement.
- Golden State Seal Merit Diploma (12th) - The Golden State Seal Merit Diploma is an award given to recognize public school graduates who have demonstrated their mastery of the high school curriculum in at least six (6) subject matter areas, four (4) of which are English language arts, mathematics, science, and U.S History, with the remaining two (2) subject matter areas selected by the scholar. The Golden State Seal Merit Diploma insignia is affixed to the diploma and transcript of each qualifying scholar. Seal should continue to be awarded to qualifying scholars per California Education Code Section 51454.
- State Seal of Biliteracy (12th) - The State Seal of Biliteracy is an award given in recognition of scholars who have attained a high level of proficiency in two (2) or more languages. The State Seal of Biliteracy takes the form of a gold seal that appears on the transcript or diploma of the graduating senior, and is a statement of accomplishment for college admissions and future employers. Seal will be awarded to qualifying scholars per California Education Code sections 51460–51464.

Additional information about our recognition program can be found on our website.

Progress Monitoring/Reports

“Snapshots” of scholar progress can be viewed in the curriculum’s OLS (for grades K-5) and the Parent Scholar Portal (for grades 6-12) and/or shared by teachers on an ongoing basis.

Weekly Progress Reports of scholar grades in all courses are issued by email on a weekly basis for scholars in grades 6-12. While phone calls and emails are used frequently, Progress Reports serve as a formal notice of grades.

Quarterly progress reports are sent for all scholars who are “at risk” of not earning 70% in courses. These quarterly reports are sent by the grade level administrator. Follow up meetings may be required once these progress reports are sent to scholars and learning coaches.

Multi-Tiered System of Support

A Multi-Tiered System of Supports (“MTSS”), including Response to Intervention (“RTI”), Social Emotional Learning (“SEL”), and Positive Behavioral Intervention and Supports (“PBIS”), is a systematic multi-tiered model which targets behavioral, social, emotional, and academic support for scholars. MTSS establishes a process for providing increasing levels of instructional time and intensity whereby the needs of all learners are identified and supported early and effectively.

MTSS provides high quality standards-based core instruction and the use of data to identify scholars for appropriate acceleration and intervention. The MTSS model advances academic and behavioral achievement through frequent progress monitoring, ongoing data collection and analyses as well as providing immediate, evidence-based intervention.

In order to best support our scholars and ensure they are achieving academically and socially/emotionally, scholars receive support from different Tiers throughout the framework.

The three (3) components within the CCS MTSS framework are:

- Assessments
- Internal Benchmark assessments
- CAASPP State Testing

High-Quality, Evidence-Based Instruction

- Tier 1 - Core Instruction (80%--universal interventions)
- Tier 2 - Supplemental Instruction (15%--targeted group interventions)
- Tier 3 - Intensive Instruction (5%--intensive individual interventions)

Data-Based Decision Making

- Leadership meets regularly to assure outcomes are achieved
- Academic support sessions, social emotional learning, and behavioral groupings are provided on a regular-basis and supported by the Scholar Success Coordinator. Scholars invited to these support sessions are encouraged to attend.

Kindergarten-5th Grading Policy

Scholars’ final grades will be reported according to the following scale:

4- Exceeds: Scholars exceed standards and expectations. Scholars are on track to move on to the next grade level.

3- Meets: Scholars meet standard and expectations. Scholars are on track to move on to the next grade level.

2- Nearly Meets: Scholars nearly meet standards and expectations. This may result in a scholar being retained at their current grade level or will be asked to complete the remainder of the course work the following school year.

1- Does Not Meet: Scholars have completed below 59% of subject units and does not meet standards and expectations. This may result in a scholar being retained at their current grade level or will be asked to complete the remainder of the course work the following school year.

6-8 Grading Policy

Middle School Course Placement

All middle school scholars are required to enroll in four (4) academic courses (English, mathematics, science, social science), physical education and one elective course each semester of the academic school year.

Middle School Course Scheduling

Our middle school academic program utilizes semester scheduling. No extensions are provided and all end dates are final.

Middle School Grading Scale

A standard percentage scale is used school wide to determine grades. This ensures a standard of excellence toward which each scholar may strive to achieve.

High School Course Scheduling

When selecting courses each year, remember that course selection is a collaborative process that involves the scholar, Learning Coach, and counselor to ensure proper placement. Our academic program utilizes semester scheduling. No extensions are provided and all end dates are final.

High School Grading Scale

Credit is earned for cumulative grades of A through D in all courses. Each semester course receives 5 credits for each course passed. Honors and Advanced Placement courses are weighted on a 5.0 scale

LETTER GRADE	PERCENTAGE	COLLEGE PREP	HONORS/AP

D	60-69	1	1
F	BELOW 60	0	0

Withdrawn (“W”)- This grade will be given when scholar withdraws from CCS prior to completing 100% of the coursework.

Final Exams

All scholars in grades 9-12 are required to take all end of unit or module exams as well as semester final examinations in all courses. Scholars may not “test out” of courses by only taking a final examination.

A-G College Board Approved Science Wet Labs

At least 20 percent of course time in high school science courses will include teacher-supervised, hands-on laboratory activities that are directly related to, and support, the other course work, and that involve inquiry, observation, analysis, and write-up of investigations consistent with the practices of the scientific field. Teacher supervision may be synchronous or asynchronous.

The frequency of these labs will be determined by the highly qualified CCS science instructor. All scholars are required to attend the labs as part of their science course. Make-up days will be available for scholars who may miss a virtual lab. Those make-up labs will need to be scheduled between the scholar and the instructor. Please note that failure to attend the virtual labs may jeopardize the scholar's grade and chances to attend certain four-year colleges or universities.

Repeat Policy

Scholars may repeat a course to improve their GPA only if the original grade was a D or F. To be accepted by the UC/CSU system, scholars may repeat the course only once. Once a course has been repeated, the grade earned in the original course will remain on the transcript, but will display with the CCS repeat code, as well as "0.00" credits earned. The original course will not be included in the computation of the GPA. The course taken to remediate the D or F will be displayed with the grade and credits earned.

High School Course Placement Guidelines

Course placement is based upon review of scholar's assessments, transcripts, and teacher recommendations. All scholars must meet specific course prerequisites for all subject areas.

Advanced Placement

According to the College Board, Advanced Placement ("AP") is for ALL scholars—but scholars should be ready. Scholars do not need to be top of the course to be an AP scholar, but they will want to be prepared for the AP course they choose. Some AP courses have recommended courses they should take first, and all AP courses ask that they come willing to do their best work.

9th Grade CCS Math Placement Policy

CCS recognizes that scholar achievement in math is important for preparing scholars for success after high school. The purpose of this policy is to create a fair, objective, and transparent procedure for placement in math courses for scholars entering 9th grade, in order to ensure the success of every scholar and to meet the Legislative intent of the California Mathematics Placement Act of 2015. CCS' complete policy is located within the CCS Board Policy Manual.

In determining the mathematics course placement for entering 9th grade scholars, Compass Charter Schools systematically takes multiple objective academic measures of the scholar's performance into consideration, including:

- Statewide mathematics assessments, including interim and summative assessments through the California Assessment of Student Performance and Progress ("CAASPP")
- Internal assessments that are aligned to state-adopted content standards in mathematics.
- Classroom assignments and grades.
- Final grade in mathematics on the scholar's official, end of the year 8th grade report card.
- Results from all placement checkpoints, including at least one (1) placement checkpoint within the first month of the school year.

The Superintendent & CEO, or designee, shall examine aggregate scholar placement data annually to ensure that scholars who are qualified to progress in mathematics courses based on their performance on objective academic measures included in this policy are not held back in a disproportionate manner on the basis of their race, ethnicity, gender, or socioeconomic background. Compass Charter Schools shall annually report the aggregate results of this examination to the Board of Directors.

Course Schedule Changes

Scholars need to plan their schedule carefully since schedule changes can only be processed within the first ten (10) from the start of the semester. Any additional schedule changes after this time frame will be reviewed on an individual basis.

Acceptable course schedule changes:

- Improper course placement
- Credit previously earned for the course
- Course prerequisites not met

ACOP – Accelerated Course Options Program

This program allows scholars to accelerate and advance academically or recover unearned credits in their high school courses by adding additional credits to their schedule per semester. A scholar may add an additional course to their schedule no later than four (4) weeks prior to the end of a semester (eligibility is dependent upon 75% completion in all other courses with good academic standing).

A scholar may add two (2) additional courses to their schedule no later than eight (8) weeks prior to end of semester (eligibility is dependent upon 50% completion in all other courses with good academic standing).

Counselor approval required to participate in the program.

Counselor may approve a special circumstance request when a scholar may be eligible for additional course(s).

Community College Courses

In some cases, it is possible for high school scholars within the spring semester of 10th grade, or enrolled in 11th or 12th grade to enroll concurrently at a community college. Please see the School's complete Concurrent Enrollment Policy for additional information about taking community college courses. The complete policy can be found on the School's website in the Board Policy Manual.

A-G Requirements

The University of California ("UC") must approve courses to meet A-G subject requirements that appear on the institution's A-G course list. UC schools and California State Universities ("CSU") check if freshmen applicants have taken courses from the A-G course list to meet admission requirements. 15 year-long courses must be completed with a C or better and 11 courses must be completed before the senior year. Cal Grant Program for College

A Cal Grant is money for college that does not have to be paid back. To qualify, a scholar must meet the eligibility and financial requirements as well as any minimum grade point average (“GPA”) requirements. Cal Grants can be used at any University of California, California State University, or California Community College. Some independent and career colleges or technical schools in California also take Cal Grants.

In order to assist scholars applying for financial aid, all 12th grade scholars are automatically considered a Cal Grant applicant and each 12th grade scholar’s GPA will be submitted to the California Student Aid Commission (“CASC”) electronically by a school. A scholar, or the parent/guardian of a scholar under 18 years of age, may complete a form to indicate that they do not wish for the school to electronically send CASC the scholar’s GPA. Until a scholar turns 18 years of age, only the parent/guardian may opt out the scholar. Once a scholar turns 18 years of age, only the scholar may opt themselves out, unless the parent/guardian remains their educational rights holder, and can opt in if the parent/guardian had previously decided to opt out the scholar. All 12th grade scholars’ GPA will be sent to CASC by October 1 of each year. scholars currently in eleventh (11th) grade will be deemed a Cal Grant applicant, unless the scholar (or parent, if the scholar is under 18) has opted out by or before February 1.

CCS CEEB Codes

A CEEB code is a standardized ID number that is assigned to a high school, college or university. These codes are used to identify the high school a scholar attends. The CEEB code is needed for college entrance exams such as the SAT or ACT.

Compass Charter Schools School Name	CEEB Code
Compass Charter Schools of Los Angeles	054907
Compass Charter Schools of San Diego	054738
Compass Charter Schools of Yolo	053634

NCAA – The National Collegiate Athletic Association

The National Collegiate Athletic Association (“NCAA”) is an athletic association that consists of three (3) divisions (division I, II, and III) and oversees 23 college sports. For current NCAA academic requirements, visit eligibilitycenter.org. CCS courses are eligible for scholarships to play sports at the collegiate level.

Additional Information about the Academic Program

Concurrent/Dual Credit Enrollment

Concurrent enrollment in another public or private K-12 school is prohibited at CCS. If a scholar is found to be enrolled in two (2) schools he/she will be withdrawn from CCS using the involuntary removal process outlined within this Handbook.

Transfer Credits

Transfer credits are awarded based upon official transcripts from previous schools. Transcript analysis may require CCS to perform research and contact previous schools to determine eligibility of transfer credits.

Home School Credit Transfer

All scholars from non-accredited/independent homeschool situations must provide records which include transcript (showing courses completed), a description of the curriculum, a copy of the Private School Affidavit, and work samples for review by CCS administration.

International Records

International records may require translation and/or evaluation prior to being considered for transfer credits. International transcripts and supporting documentation will be reviewed in order to grant appropriate credit for subjects studied in other countries. The transcripts must show that subjects were studied at the secondary level. Credits will be granted for subject’s equivalent to the courses listed in the course catalog in meeting graduation requirements.

Transcripts/Records

To request transcripts and/or records, please submit a completed request form located on our website. Transcript request are processed within ten (10) business days and records within five (5) business days. Outstanding CCS fees and/or materials may delay processing of request.

Transcripts reflect both a weighted and unweighted grade point average (GPA):

- Traditionally, GPA is calculated on an unweighted scale. Unweighted GPA is measured on a scale of 0 to 4.0. It doesn’t take the difficulty of a scholar’s coursework into account. An unweighted GPA represents a 4.0 whether it was earned in an honors course or a lower level course.

Weighted GPA takes into account course difficulty rather than providing the same letter grade to GPA conversion for every scholar. Weighted GPA is measured on a scale of 0 to 5.0 and is only provided for Advanced Placement and Honors level courses.

Note: CCS policy is to not rank scholar by GPA.

Work Permits

Scholars under the age of 18 must obtain a work permit from CCS after securing an opportunity for employment. Please visit <https://www.cde.ca.gov/ci/ct/we/workpermitsforstudents.asp>, https://www.dir.ca.gov/dlse/Application_for_Entertainment_Work_Permit_for_Minor.htm for more information. You can also see the School's complete Work and Entertainment Permit Policy for additional information about obtaining a work permit. The complete policy can be found on the School's website in the Board Policy Manual.

English Language Development ("ELD")

Compass is committed to the success of its English Learners ("EL's") and support will be offered both within academic courses and in supplemental settings for scholars who need additional support for English language learning. Compass will meet all applicable legal requirements for EL's as they pertain to annual notification to parents, scholar identification, placement, program options, EL and core content instruction, teacher qualifications and training, reclassification to fluent English proficient status, monitoring and evaluating program effectiveness, and standardized testing requirements. Compass will implement policies to assure proper placement, evaluation, and communication regarding EL's and the rights of scholars and parents.

Adult Scholars (18 Years of Age and Older)

Scholars who are 18 years of age or older have many legal rights and responsibilities, such as the ability to sign legal documents, including but not limited to medical releases and IEPs. However, adult scholars must continue to follow policies in place for all scholars at CCS, including attendance and discipline policies.

In order for CCS to release any information related to the adult scholar's academics to their designated Learning Coach and/or parent(s)/guardians, we must first receive permission from the adult scholar to do so. This release form can be found on our parent/scholar portal or by contacting the Records Department.

California Healthy Youth Act

The California Healthy Youth Act requires that comprehensive sexual health education and human immunodeficiency virus ("HIV") prevention education be taught to scholars at least once in middle school and once in high school, beginning no later than grade seven. Instruction and materials must be medically accurate, objective, age-appropriate and inclusive of all scholars, as defined by law. The law requires that instruction and materials must encourage scholars to communicate with parents, guardians or other trusted adults about human sexuality. Learning Coaches can preview the School Health course syllabus and scope and sequence by request.

The Charter School offers comprehensive sexual health education to its scholars in grades 7-12. A Learning Coach/parent or guardian of a scholar has the right to excuse their child from all or part of comprehensive sexual health education, HIV prevention education, and assessments related to that education through a passive consent ("opt-out") process. The Charter School does not require active parental consent ("opt-in") for comprehensive sexual health education and HIV prevention education. Parents and guardians may:

- Inspect written and audiovisual educational materials used in comprehensive sexual health education and HIV prevention education.
- Excuse their child from participation in comprehensive sexual health education and HIV prevention education in writing to the Charter School.
- Be informed whether the comprehensive sexual health or HIV/AIDS prevention education will be taught by Charter School personnel or outside consultants. When the Charter School chooses to use outside consultants or to hold an assembly with guest speakers to teach comprehensive sexual health or HIV/AIDS prevention education, be informed of:
 - The date of the instruction
 - The name of the organization or affiliation of each guest speaker
 - Request a copy of Education Code sections 51930 through 51939.

Anonymous, voluntary, and confidential research and evaluation tools to measure scholar's health behaviors and risks (including tests, questionnaires, and surveys containing age-appropriate questions about the scholar's attitudes concerning or practices relating to sex) may be administered to scholars in grades 7-12. A Learning Coach has the right to excuse their child from the test, questionnaire, or survey through a passive consent ("opt-out") process. Learning Coaches shall be notified in writing that this test, questionnaire, or survey is to be administered, given the opportunity to review the test, questionnaire, or survey if they wish, notified of their right to excuse their child from the test, questionnaire, or survey, and informed that in order to excuse their child they must state their request in writing to the Charter School.

A scholar may not attend any course in comprehensive sexual health education or HIV prevention education, or participate in any anonymous, voluntary, and confidential test, questionnaire, or survey on scholar health behaviors and risks, if the Charter School has received a written request from the scholar's parent or guardian excusing the scholar from participation. An alternative educational activity shall be made available to scholars whose parents or guardians have requested that they not receive the instruction or participate in the test, questionnaire, or survey.

Scholars with Special Needs

CCS is dedicated to the belief that all scholars can learn and must be guaranteed equal opportunity to become contributing members of the academic environment and society. CCS provides special education instruction and related services in accordance with the Individuals with Disabilities in Education Improvement Act, California Education Code requirements, and applicable policies and procedures of the El Dorado County Charter SELPA. These services are available for special education scholars enrolled at CCS. We offer high quality educational programs and services for all of our scholars in accordance with the assessed needs of each scholar. CCS collaborates with Learning Coaches, scholars, teachers, and other agencies, as may be indicated, in order to appropriately serve the educational needs of each scholar.

CCS recognizes its legal responsibility to ensure that no qualified person with a disability shall, on the basis of disability, be excluded from participation, be denied the benefits of, or otherwise subjected to discrimination under any program of the School. Any scholar who has an objectively identified disability which substantially limits a major life activity, including, but not limited to learning, is eligible for accommodations by CCS. The Learning Coach of any scholar suspected of needing or qualifying for

accommodations under Section 504 may make a referral for an evaluation to the Director of Special Education at (855) 937-4227.

Pursuant to the IDEA and relevant state law, CCS is responsible for identifying, locating, and evaluating children enrolled at CCS with known or suspected disabilities to determine whether a need for special education and related services exists. This includes children with disabilities who are homeless or foster youth. The Charter School shall not deny nor discourage any student from enrollment solely due to a disability. If you believe your child may be eligible for special education services, please contact the Director of Special Education at (855) 937-4227.

A copy of the School's Section 504 policies and procedures and the School's special education policy is available upon request at the Central Office and on the School's website within the CCS Board Policy Manual.

Education of Homeless Scholars

"The term "homeless children and youth" means individuals who lack a fixed, regular and adequate nighttime residence due to economic hardship. It includes children and youths who:

1. Are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; or are abandoned in hospitals;
2. Have a primary nighttime residence that is a public or private place not designed for or ordinarily used as regular sleeping accommodations for human beings;
3. Are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings; and
4. Migratory children and unaccompanied youth (youth not in the physical custody of a parent or guardian) may be considered homeless if they meet the above definition of "homeless."

Scholars who qualify under McKinney-Vento are encouraged to complete the declaration form annually. Homeless status is determined in cooperation with the Learning Coach. In the case of unaccompanied youth, status is determined by the School Liaison.

School Liaison

The Superintendent & CEO designates the following staff person as the School Liaison for homeless scholars:

Vanessa Plascencia | Compliance Coordinator
850 Hampshire Road, Suite P
Thousand Oaks, CA 91361
805-807-8294

The School Liaison shall ensure that:

- Homeless scholars are identified by school personnel and through outreach and coordination activities with other entities and agencies.

- Homeless scholars enroll in, and have a full and equal opportunity to succeed at CCS.
- Homeless scholars and families receive educational services for which they are eligible including services through Head Start programs (including Early Head Start programs) under the Head Start Act, early intervention services under part C of the Individuals with Disabilities Education Act, any other preschool programs administered by CCS, if any, and referrals to health care services, dental services, mental health services and substance abuse services, housing services, and other appropriate services.
- Learning Coaches and any unaccompanied youth are informed of the educational and related opportunities available to their scholars and are provided with meaningful opportunities to participate in the education of their scholars.
- Public notice of the educational rights of homeless children is disseminated at places frequented by parents or guardians of such youths, and unaccompanied youths, such as schools, shelters, public libraries and soup kitchens and in a manner and form understandable to the parents and guardians of homeless youth and unaccompanied youth.
- Enrollment/admissions disputes are mediated in accordance with law, the CCS charter, and Board policy.
- Learning Coaches are fully informed of all transportation services, as applicable.
- School personnel providing services receive professional development and other support.
- The School Liaison collaborates with State coordinators and community and school personnel responsible for the provision of education and related services to homeless children and youths.
- Unaccompanied youth are enrolled in school; have opportunities to meet the same challenging State academic standards as the State establishes for other children and youth; and are informed of their status as independent scholars under section 480 of the Higher Education Act of 1965 and that the youths may obtain assistance from the School Liaison to receive verification of such status for the purposes of the Free Application for Federal Student Aid described in section 483 of the Act.

The California Department of Education publishes a list of the contact information for the Homeless Education Liaisons in the state, which is available at: <https://www.cde.ca.gov/sp/hs/>

High School Graduation Requirements: Homeless students who transfer to the Charter School any time after the completion of their second year of high school shall be exempt from any of the Charter School's graduation requirements that are in excess of the California minimum graduation requirements specified in Education Code section 51225.3 ("additional graduation requirements") unless the Charter School makes a finding that the student is reasonably able to complete the Charter School's graduation requirements by the end of the student's fourth year of high school.

To determine whether a homeless student is in their third or fourth year of high school, either the number of credits the student has earned to the date of transfer or the length of the student's school enrollment may be used, whichever will qualify the student for the exemption.

Within thirty (30) calendar days of the date that a student who may qualify for exemption under the above requirements transfers into the Charter School, the Charter School shall notify the student, the student's educational rights holder, and the School Liaison of the availability of the exemption and whether the student qualifies for an exemption.

The Charter School shall notify students who are exempted from the Charter School's additional graduation requirements and the student's educational rights holder of how any of the requirements that are waived will affect the student's ability to gain admission to a postsecondary educational institution and provide information about transfer opportunities available through the California Community Colleges.

The Charter School shall not require any student who would otherwise be entitled to remain in attendance at the Charter School to accept the exemption from the Charter School's additional graduation requirements or deny the student enrollment in, or the ability to complete, courses for which the student is otherwise eligible. The Charter School shall not revoke an exemption and shall grant an eligible student's request for the exemption at any time if the student qualifies, regardless of whether the student previously declined the exemption. An eligible student's exemption from the Charter School's additional graduation requirements will continue to apply while the student is enrolled in the Charter School or if the student transfers to another school even after the student no longer meets the definition of a homeless child.

The Charter School shall not require or request that a student transfer schools in order to qualify the student for the exemption. Nor shall a student, a student's parent/guardian or educational rights holder, or a student's social worker or probation officer request a transfer solely to qualify for an exemption from the Charter School's additional graduation requirements.

If a student who is exempted from the Charter School's additional graduation requirements completes the California minimum coursework requirements specified in Education Code section 51225.3 before the end of the student's fourth year of high school and would otherwise be entitled to remain in attendance at the Charter School, the Charter School shall not require or request that the student graduate before the end of the student's fourth year of high school.

If the Charter School determines the student is reasonably able to complete the Charter School's graduation requirements by the end of the student's fifth year of high school, the Charter School shall do the following:

- Inform the student of the student's option to remain at the Charter School for a fifth year to complete the Charter School's graduation requirements.
- Inform the student, and the educational rights holder for the student, about how remaining in school for a fifth year to complete the Charter School's graduation requirements will affect the student's ability to gain admission to a postsecondary educational institution.
- Provide information to the student about transfer opportunities available through the California Community Colleges.
- Permit the student to stay at the Charter School for a fifth year to complete the Charter School's graduation requirements upon agreement with the student, if the student is 18 years of age or older, or, if the student is under 18 years of age, upon agreement with the educational rights holder for the student.

Acceptance of Course Work: The Charter School will accept any coursework satisfactorily completed at any public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency by a homeless student.

The Charter School will provide homeless students credit for the partial completion of courses taken while attending a public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency. If the student did not complete the entire course, the Charter School shall not require the student to retake the portion of the course the student completed unless the Charter School, in consultation with the holder of educational rights for the student, finds that the student is reasonably able to complete the requirements in time to graduate from high school. When partial credit is awarded in a particular course, the homeless student shall be enrolled in the same or equivalent course, if applicable, so that the student may continue and complete the entire course. These students shall not be prevented from taking or retaking a course to meet California State University or the University of California admission eligibility requirements.

For any homeless scholar who enrolls at CCS, a copy of the Charter School's complete policy shall be provided at the time of enrollment and annually. A copy of the complete Policy is available upon request at the Central Office and on the School's website within the CCS Policy Manual.

Education of Foster and Mobile Youth

Definitions: For the purposes of this annual notice the terms are defined as follows:

1. "Foster youth" refers to any child who has been removed from their home pursuant Welfare and Institutions Code section 309 and/or is the subject of a petition filed under Welfare and Institutions Code section 300 or 602. This includes children who are the subject of cases in dependency court and juvenile justice court.
2. "Former juvenile court school pupils" refers to a student who, upon completion of the student's second year of high school, transfers from a juvenile court school to the Charter School.
3. "Child of a military family" refers to a student who resides in the household of an active duty military member.
4. "Currently Migratory Child" refers to a child who, within the last 12-months, has moved with a parent, guardian, or other person having custody to the Charter School from another Local Educational Agency ("LEA"), either within California or from another state, in order that the child or a member of the child's immediate family might secure temporary or seasonal employment in an agricultural or fishing activity, and whose parents or guardians have been informed of the child's eligibility for migrant education services. "Currently Migratory Child" includes a child who, without the parent/guardian, has continued to migrate annually to secure temporary or seasonal employment in an agricultural or fishing activity.
5. "Pupil participating in a newcomer program" means a pupil who is participating in a program designed to meet the academic and transitional needs of newly arrived immigrant pupils that has as a primary objective the development of English language proficiency.

Within this notice, foster youth, former juvenile court school pupils, a child of a military family, a currently migratory child, and a pupil participating in the newcomer program will be collectively referred to as "Foster and Mobile Youth." Within this notice, a parent, guardian, or other person holding the educational rights for a Foster and Mobile Youth will be referred to as a "parent."

Foster and Mobile Youth Liaison: The Superintendent & CEO designates the following staff person as the Liaison for Foster and Mobile Youth:

Vanessa Plascencia | Compliance Coordinator
 850 Hampshire Rd. Suite P
 Thousand Oaks, CA 91361
 (805)807-8294
vplascencia@compasscharters.org

The Foster and Mobile Youth Liaison's responsibilities include but are not limited to the following:

Ensuring and facilitating the proper educational placement, enrollment in school, and checkout from school of foster children.

Assisting foster children when transferring from one school to another school in ensuring proper transfer of credits, records and grades.

School Stability: The Charter School will work with foster youth and their parent to ensure that each pupil is placed in the least restrictive educational programs, and has access to the academic resources, services, and extracurricular and enrichment activities that are available to all pupils, including, but not necessarily limited to, interscholastic sports. All decisions regarding a foster youth's education and placement will be based on the best interest of the child and shall consider, among other factors, educational stability and the opportunity to be educated in the least restrictive educational setting necessary to achieve academic progress.

Foster youth, currently migratory children and children of military families have the right to remain in their school of origin if it is their best interest. The Charter School will immediately enroll a foster youth, currently migratory child or child of a military family seeking reenrollment in the Charter School as the student's school of origin (subject to the Charter School's capacity and pursuant to the procedures stated in the Charter School's charter and Board policy). If a dispute arises regarding a foster youth's request to remain in the Charter School as the school of origin, the foster youth has the right to remain in the Charter School pending the resolution of the dispute. The Charter School will also immediately enroll any foster youth, currently migratory child or child of a military family seeking to transfer to the Charter School (subject to the Charter School's capacity and pursuant to the procedures stated in the Charter School's charter and Board policy) regardless of the student's ability to meet normal enrollment documentation or uniform requirements (e.g. producing medical records or academic records from a previous school).

Foster youth, currently migratory children, and children of military families have the right to remain in their school of origin following the termination of the child's status as a foster youth, currently migratory child or child of a military family, as follows:

- For students in Kindergarten through eighth grade, inclusive, the student will be allowed to continue in the school of origin through the duration of the academic year in which the student's status changed.
- For students enrolled in high school, the student will be allowed to continue in the school of origin through graduation.

Graduation Requirements: Foster and Mobile Youth who transfer to the Charter School any time after the completion of their second year of high school, and pupils participating in a newcomer program who are in their third or fourth year of high school, shall be exempt from any of the Charter School's

graduation requirements that are in excess of the California minimum graduation requirements specified in Education Code section 51225.3 (“additional graduation requirements”) unless the Charter School makes a finding that the student is reasonably able to complete the Charter School’s graduation requirements by the end of the student’s fourth year of high school.

To determine whether a Foster and Mobile Youth is in their third or fourth year of high school, either the number of credits the student has earned to the date of transfer or the length of the student’s school enrollment may be used, whichever will qualify the student for the exemption. In the case of a pupil participating in a newcomer program, enrollment in grade 11 or 12 may be used to determine whether the student is in their third or fourth year of high school.

Within thirty (30) calendar days of the date that a student who may qualify for exemption under the above requirements transfers into the Charter School, the Charter School shall notify the student, the parent, and where applicable, the student’s social worker or probation officer, of the availability of the exemption and whether the student qualifies for an exemption.

The Charter School shall notify students who are exempted from the Charter School’s additional graduation requirements and the student’s parent how any of the requirements that are waived will affect the pupil’s ability to gain admission to a postsecondary educational institution and provide information about transfer opportunities available through the California Community Colleges.

The Charter School shall not require any student who would otherwise be entitled to remain in attendance at the Charter School to accept the exemption from the Charter School’s additional graduation requirements or deny the student enrollment in, or the ability to complete, courses for which the student is otherwise eligible. The Charter School shall not revoke an exemption and shall grant an eligible student’s request for the exemption at any time if the student qualifies, regardless of whether the student previously declined the exemption. An eligible student’s exemption from the Charter School’s additional graduation requirements will continue to apply while the student is enrolled in the Charter School or if the student transfers to another school even after the court’s jurisdiction terminates or the student no longer meets the definition of a child of military family, a currently migratory child or a pupil participating in a newcomer program.

The Charter School shall not require or request that a student transfer schools in order to qualify the student for the exemption. Nor shall a student, a student’s parent/guardian or educational rights holder, or a student’s social worker or probation officer request a transfer solely to qualify for an exemption from the Charter School’s additional graduation requirements.

If a student who is exempted from the Charter School’s additional graduation requirements completes the California minimum coursework requirements specified in Education Code section 51225.3 before the end of the student’s fourth year of high school and would otherwise be entitled to remain in attendance at the Charter School, the Charter School shall not require or request that the student graduate before the end of the student’s fourth year of high school.

If the Charter School determines the student is reasonably able to complete the Charter School’s graduation requirements by the end of the student’s fifth year of high school, the Charter School shall do the following:

- Inform the student of the student's option to remain at the Charter School for a fifth year to complete the Charter School's graduation requirements.
- Inform the student, and the educational rights holder for the student, about how remaining in school for a fifth year to complete the Charter School's graduation requirements will affect the student's ability to gain admission to a postsecondary educational institution.
- Provide information to the student about transfer opportunities available through the California Community Colleges.
- Permit the student to stay at the Charter School for a fifth year to complete the Charter School's graduation requirements upon agreement with the student, if the student is 18 years of age or older, or, if the student is under 18 years of age, upon agreement with the educational rights holder for the student.

Acceptance of Course Work: The Charter School will accept any coursework satisfactorily completed at any public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency by a Foster and Mobile Youth.

The Charter School will provide Foster and Mobile Youth credit for the partial completion of courses taken while attending a public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency. If the student did not complete the entire course, the Charter School shall not require the student to retake the portion of the course the student completed unless the Charter School, in consultation with the holder of educational rights for the student, finds that the pupil is reasonably able to complete the requirements in time to graduate from high school. When partial credit is awarded in a particular course, the Foster and Mobile Youth shall be enrolled in the same or equivalent course, if applicable, so that the student may continue and complete the entire course. These students shall not be prevented from taking or retaking a course to meet California State University or the University of California admission eligibility requirements.

Student Records: When the Charter School receives a transfer request and/or student records request for the educational information and records of a foster youth from a new local educational agency ("LEA"), the Charter School shall provide these student records within two (2) business days. The Charter School shall compile the complete educational record of the pupil, including but not limited to a determination of seat time, full or partial credits earned, current classes and grades, immunization and other records, and, if applicable, a copy of the pupil's special education records including assessments, IEPs, and/or 504 plans. All requests for student records will be shared with the Foster and Mobile Youth Liaison, who shall be aware of the specific educational record keeping needs of Foster and Mobile Youth.

The Charter School shall not lower a foster youth's grades as a result of the student's absence due to a verified court appearance, related court ordered activity, or a change the placement of the student made by a county or placing agency. If a foster youth is absent from school due to a decision to change the placement of the student made by a county or placing agency, the grades and credits of the pupil will be calculated as of the date the student left the Charter School.

In accordance with the Charter School's Educational Records and Scholarly Information Policy, under limited circumstances, the Charter School may disclose student records or personally identifiable information contained in those records to certain requesting parties including but not limited to a foster family agency and state and local authorities within a juvenile justice system, without parental consent.

Discipline Determinations: If the Charter School intends to extend the suspension of any foster/ youth pending a recommendation for expulsion, the Charter School will invite the student’s attorney and an appropriate representative from the relevant county agency to participate in the meeting at which the extension of the suspension will be discussed.

If the Charter School intends to suspend for more than ten (10) consecutive school days or expel a student with a disability who is also a foster youth due to an act for which the recommendation for expulsion is discretionary, the Charter School will invite the student’s attorney and an appropriate representative from the relevant county agency to participate in the Manifestation Determination Review meeting.

Complaints of Noncompliance: A complaint of noncompliance with any of the requirements outlined above may be filed through the Charter School’s Uniform Complaint Policy and Procedures. A copy of the Uniform Complaint Policy and Procedures is available upon request at the Central Office and on the school website within the CCS Board Policy Manual.

Availability of Complete Policy: For any Foster and Mobile Youth who enrolls at the Charter School, a copy of the Charter School’s complete Education for Foster Youth policy shall be provided at the time of enrollment. A copy of the complete Policy is available upon request at the Central Office and on the school website within the CCS Board Policy Manual.

Academic Integrity and Plagiarism

Academic dishonesty includes cheating, plagiarism and any attempt to obtain credit for academic work through fraudulent, deceptive, or dishonest means. These are violations of Academic Integrity. CCS takes violations of Academic integrity, in any form seriously, and it will not be tolerated.

Some examples include:

- Using or turning in another person’s work and claim as your own;
- Copying from text, a web site or other course material;
- Using or attempting to use unauthorized materials or information in any academic exercise;
- Hiring someone to write a paper;
- Buying a paper or project;
- Sharing files;
- Copying from another person’s work;
- Looking at another person’s test or test materials;
- Letting a friend or Learning Coach do the work for you.

What is Plagiarism?

Merriam-Webster online dictionary defines plagiarism as “the act of using another person's words or ideas without giving credit to that person: the act of plagiarizing something.”

To Plagiarize means:

- to steal and pass off (the ideas or words of another) as one's own;
- to use (another's production) without crediting the source;
- to commit literary theft or fraud; or
- to present as new and original an idea or product derived from another source.

See <http://www.plagiarism.org/plagiarism-101/what-is-plagiarism> for more information.

How to Avoid Plagiarism

Scholars must give credit to the source for any information that is not either the result of original research or common knowledge. For example, it would be necessary to give credit to an author who provided an argument about the importance of the Emancipation Proclamation in the American Civil War. Conversely, major historical facts, such as the dates of the American Civil War, are considered common knowledge and do not require that credit be given to a particular author. If a scholar borrows the exact words of another author, the scholar must cite the source. If scholars are unsure whether or not they should cite, they should to ask their teachers for guidance. Teachers will dictate which citation format should be used and what the guidelines are for their class.

More information on what plagiarism is and how to avoid it can be found at <https://owl.english.purdue.edu/owl/resource/589/01/>.

Prevention of Plagiarism

All scholars and learning coaches are given a copy of this CCS Online Scholar Handbook which outlines the School's policy on plagiarism.

Scholars complete a lesson on understanding plagiarism during orientation.

Teachers will use recognized plagiarism detection program to check for plagiarism as necessary.

More information on what plagiarism is and how to avoid it can be found at <https://owl.english.purdue.edu/owl/resource/589/01/>.

- The scholar will be permitted to re-submit the work.

2nd Offense

- If a scholar is caught violating academic integrity a second time, with any teacher, the teacher will notify the Learning Coach, and Assistant Principal.
- The scholar will receive a "0" on the assignment that was plagiarized and a 2nd behavior contract will be sent to be signed by both the Learning Coach and the scholar, and returned to the teacher. Notification will be sent via certified mail and email with a read receipt.

3rd Offense

- If a scholar is caught violating academic integrity a third time the teacher will notify the Learning Coach, Assistant Principal and Principal.

Academic Probation

Any scholar failing to meet minimum academic standards in their courses, or participating in academic dishonesty, as determined by the Assistant Principal, may be placed on academic probation. Scholars on academic probation will be expected to participate in academic interventions as determined by their teacher or Coordinator. Scholars on academic probation may not be permitted to attend field trips or participate in scholar clubs until off academic probation.

Field Trips

Participation

Scholars enrolled in CCS (and their legal guardians, extended family members, and siblings based on age and capacity) may attend School field trips. Once CCS has made payments to the field trip venue, no refunds for those additional costs will be processed.

Permission Slips

No scholar will be permitted to go on a field trip or excursion without a permission slip signed by the scholar’s legal guardian. A new permission slip must be submitted for every scholar for each field trip. A copy of the permission slip shall be filed with the Engagement Department and one (1) copy shall be given to the teacher(s) going on the field trip.

Volunteers are needed to participate in all field trips and excursions to assist with supervision of scholar(s). Learning Coaches or approved adults accompanying the CCS group and assisting in supervising scholars shall receive clear information regarding their responsibilities from the Engagement Department or sponsoring teacher. Prior to the field trip or excursion, the Engagement Department or sponsoring teacher may hold a required meeting for these volunteer Learning Coaches/approved adults scheduled to accompany CCS group as supervisors to discuss, among other things, safety and the importance of safety-related rules for the field trip or excursion, how to keep a group together and what to do if an emergency occurs.

Scholar Grievances

Compass Charter School has three (3) complaint policies: General Complaint Policy, the Uniform Complaint Policy, and the Title IX, Harassment, Intimidation, Discrimination, and Bullying Policy.

General Complaint Policy

CCS has adopted a General Complaint Policy to address concerns about the Charter School generally or regarding specific employees. 6. Complaints alleging noncompliance regarding child nutrition programs established pursuant to Education Code sections 49490-49590 are governed by Title 7, Code of Federal Regulations ("C.F.R.") sections 210.19(a)(4), 215.1(a), 220.13(c), 225.11(b), 226.6(n), and 250.15(d) and Title 5, California Code of Regulations ("C.C.R.") sections 15580 - 15584.

Complaints other than complaints relating to pupil fees must be filed in writing with the following compliance officer:

J.J. Lewis | Superintendent & CEO
 850 Hampshire Road, Suite P
 Thousand Oaks, California 91361
 (818) 824-6233
jlewis@compasscharters.org

Only complaints regarding pupil fees or LCAP compliance may be filed anonymously and only if the anonymous complainant provides evidence or information leading to evidence to support an allegation of noncompliance with laws relating to pupil fees or LCAP.

Complaints alleging unlawful discrimination, harassment, intimidation, or bullying, must be filed within six (6) months from the date the alleged discrimination, harassment, intimidation, or bullying, occurred or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation, or bullying. All other complaints under the UCP shall be filed not later than one (1) year from the date the alleged violation occurred. For complaints relating to the LCAP, the date of the alleged violation is the date on which Charter School's Board of Directors approved the LCAP or the annual update was adopted by Charter School.

The Compliance Officer responsible for investigating the complaint shall conduct and complete the investigation in accordance with California regulations and in accordance with the Charter School's UCP Policy. The final written Decision or report will be sent to the complainant within sixty (60) calendar days from the receipt of the complaint. This sixty (60) calendar day time period may be extended by written agreement of the complainant.

The complainant has a right to appeal CCS's Decision to the CDE by filing a written appeal within thirty (30) calendar days of the date of Charter School's written decision, except if Charter School has used its UCP to address a complaint that is not subject to the UCP requirements. The appeal must include a copy of the complaint filed with the Charter School, a copy of Charter School's decision, and the complainant must specify and explain the basis for the appeal of the decision, including at least one of the following:

1. Charter School failed to follow its complaint procedures.
2. Relative to the allegations of the complaint, Charter School's Decision lacks material findings of fact necessary to reach a conclusion of law.
3. The material findings of fact in Charter School's Decision are not supported by substantial evidence.
4. The legal conclusion in Charter School's Decision is inconsistent with the law.
5. In a case in which Charter School's Decision found noncompliance, the corrective actions fail to provide a proper remedy.

A complainant who appeals Charter School's Decision on a UCP complaint to the CDE shall receive a written appeal decision within sixty (60) calendar days of the CDE's receipt of the appeal, unless extended by written agreement with the complainant or the CDE documents exceptional circumstances and informs the complainant.

Within thirty (30) calendar days of the date of the CDE's appeal Decision pursuant to 5 C.C.R. section 4633(f)(2) or (3), either party may request reconsideration by the State Superintendent of Public Instruction ("SSPI") or the SSPI's designee. The request for reconsideration shall specify and explain the reason(s) for contesting the findings of fact, conclusions of law, or corrective actions in the CDE's appeal Decision.

If a UCP complaint is filed directly with the CDE and the CDE determines that it merits direct intervention, the CDE shall complete an investigation and provide a written decision to the complainant within sixty (60) calendar days of receipt of the complaint, unless the parties have agreed to extend the timeline or the CDE documents exceptional circumstances and informs the complainant.

If Charter School finds merit in a UCP complaint, or the CDE finds merit in an appeal, Charter School shall take corrective actions consistent with the requirements of existing law that will provide a remedy to the affected student and/or parent/guardian as applicable.

A complainant may pursue available civil law remedies outside of the Charter School's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For unlawful discrimination, harassment, intimidation or bullying complaints arising under state law, however, a complainant must wait until sixty (60) calendar days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the Charter School has appropriately, and in a timely manner, apprised the complainant of his/her right to file a complaint in accordance with 5 CCR 4622.

A copy of the UCP policy and complaint procedures shall be available free of charge at its Central Office and on the School's website within the CCS Board Policy Manual. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the complaint procedures, please contact the Superintendent & CEO.

Title IX, Harassment, Intimidation, Discrimination & Bullying Policy

As such, Compass Charter Schools prohibits any acts of discrimination, sexual harassment, harassment, intimidation, and bullying altogether. This policy is inclusive of instances that occur on any area of the school campus, at school-sponsored events and activities, regardless of location, through school-owned technology, and through other electronic means.

As used in this policy, discrimination, sexual harassment, harassment, intimidation, and bullying are described as the intentional conduct, including verbal, physical, written communication or cyber-bullying, including cyber sexual bullying, based on the actual or perceived characteristics of mental or physical disability, sex (including pregnancy and related conditions, and parental status), gender, gender identity, gender expression, nationality (including national origin, country of origin, and citizenship), race or ethnicity (including ancestry, color, ethnic group identification, ethnic background, and traits historically associated with race, including, but not limited to, hair texture and protective hairstyles such as braids, locks, and twist), immigration, religion (including agnosticism and atheism), religious affiliation, sexual orientation, childbirth or related medical conditions, marital status, genetic information, age, or association with a person or group with one or more of these actual or perceived characteristics or based on any other characteristic protected under applicable federal or state or local ordinance. Hereafter, such actions are referred to as "misconduct prohibited by this Policy."

To the extent possible, CCS will make reasonable efforts to prevent scholars from being discriminated against, harassed, intimidated, and/or bullied, and will take action to investigate, respond, address and report on such behaviors in a timely manner. CCS school staff that witness acts of misconduct prohibited by this Policy will take immediate steps to intervene when safe to do so.

Moreover, CCS will not condone or tolerate misconduct prohibited by this Policy by any employee, independent contractor or other person with which CCS does business, or any other individual, scholar, or volunteer. This Policy applies to all employees, scholars, or volunteer actions and relationships, regardless of position or gender. CCS will promptly and thoroughly investigate and respond to any complaint of misconduct prohibited by this Policy in a manner that is not deliberately indifferent and will take appropriate corrective action, if warranted. CCS complies with all applicable state and federal laws and regulations and local ordinances in its investigation of and response to reports of misconduct prohibited by this Policy.

Bullying and Cyberbullying Prevention Procedures

CCS has adopted the following procedures for preventing acts of bullying, including cyberbullying.

1. Cyberbullying Prevention Procedures

CCS advises students:

- a. To never share passwords, personal data, or private photos online.
- b. To think about what they are doing carefully before posting and by emphasizing that comments cannot be retracted once they are posted.
- c. That personal information revealed on social media can be shared with anyone including parents, teachers, administrators, and potential employers. Students should never reveal information that would make them uncomfortable if the world had access to it.
- d. To consider how it would feel receiving such comments before making comments about others online.

CCS informs Charter School employees, students, and parents/guardians of CCS' policies regarding the use of technology in and out of the classroom. CCS encourages parents/guardians to discuss these policies with their children to ensure their children understand and comply with such policies.

2. Education

CCS employees cannot always be present when bullying incidents occur, so educating students about bullying is a key prevention technique to limit bullying from happening. CCS advises students that hateful and/or demeaning behavior is inappropriate and unacceptable in our society and at CCS and encourages students to practice compassion and respect each other.

Charter School educates students to accept all student peers regardless of protected characteristics (including but not limited to actual or perceived sexual orientation, gender identification, physical or cognitive disabilities, race, ethnicity, religion, and immigration status) and about the negative impact of bullying other students based on protected characteristics.

CCS' bullying prevention education also discusses the differences between appropriate and inappropriate behaviors and includes sample situations to help students learn and practice appropriate behavior and to develop techniques and strategies to respond in a non-aggressive way to bullying-type behaviors. Students will also develop confidence and learn how to advocate for themselves and others, and when to go to an adult for help.

CCS informs CCS employees, students, and parents/guardians of this Policy and encourages parents/guardians to discuss this Policy with their children to ensure their children understand and comply with this Policy.

3. Professional Development

CCS annually makes available the online training module developed by the California Department of Education pursuant Education Code section 32283.5(a) to its certificated employees and all other CCS employees who have regular interaction with students.

CCS informs certificated employees about the common signs that a student is a target of bullying including:

- Physical cuts or injuries
- Lost or broken personal items
- Fear of going to school/practice/games
- Loss of interest in school, activities, or friends
- Trouble sleeping or eating
- Anxious/sick/nervous behavior or distracted appearance
- Self-destructiveness or displays of odd behavior
- Decreased self-esteem

Charter School also informs certificated employees about the groups of students determined by CCS, and available research, to be at elevated risk for bullying. These groups include but are not limited to:

- Students who are lesbian, gay, bisexual, transgender, or questioning youth ("LGBTQ") and those youth perceived as LGBTQ; and
- Students with physical or learning disabilities.

CCS encourages its employees to demonstrate effective problem-solving, anger management, and self-confidence skills for CCS' students.

Grievance Procedures

1. Scope of Grievance Procedures

CCS will comply with its Uniform Complaint Procedures ("UCP") policy when investigating and responding to complaints alleging unlawful harassment, discrimination, intimidation or bullying against a protected group or on the basis of a person's association with a person or group with one or more of the protected characteristics set forth in the UCP that:

Filed by an individual who alleges that that individual has personally suffered unlawful discrimination, harassment, intimidation or bullying, or by one who believes any specific class of individuals has been subjected to discrimination, harassment, intimidation or bullying prohibited by this part, or by a duly authorized representative who alleges that an individual student has been subjected to discrimination, harassment, intimidation, or bullying; and
- c. Submitted to the CCS UCP Compliance Officer not later than six (6) months from the date the alleged unlawful discrimination, harassment, intimidation or bullying occurred, or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation or bullying.

The following grievance procedures shall be utilized for reports of misconduct prohibited by this Policy that do not comply with the writing, timeline, or other formal filing requirements of a uniform complaint. For formal complaints of sexual harassment, CCS will utilize the following grievance procedures in addition to its UCP when applicable.

2. Reporting

All staff are expected to provide appropriate supervision to enforce standards of conduct and, if they observe or become aware of misconduct prohibited by this Policy, to intervene when it is safe to do so, call for assistance, and report such incidents. The Board requires staff to follow the procedures in this policy for reporting alleged acts of misconduct prohibited by this Policy.

Any scholar who believes they have been subject to misconduct prohibited by this Policy or has witnessed such prohibited misconduct is encouraged to immediately report such misconduct to the Coordinator:

Complaints regarding such misconduct may also be made to the U.S. Department of Education, Office for Civil Rights. Civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders may also be available to complainants.

While submission of a written report is not required, the reporting party is encouraged to submit a written report to the Coordinator. CCS will investigate and respond to all oral and written reports of misconduct prohibited by this Policy in a manner that is not deliberately indifferent. Reports may be made anonymously, but formal disciplinary action cannot be based solely on an anonymous report.

Scholars are expected to report all incidents of misconduct prohibited by this Policy or other verbal, or physical abuses. Any scholar who feels they are a target of such behavior should immediately contact a teacher, counselor, the Superintendent/CEO, the Coordinator, a staff person or a family member so that she/he can get assistance in resolving the issue in a manner that is consistent with this Policy.

CCS acknowledges and respects every individual's right to privacy. All reports shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process to the greatest extent possible. This includes keeping the identity of the reporter confidential, as appropriate, except to the extent necessary to comply with the law, carry out the investigation and/or to resolve the issue, as determined by the Coordinator or administrative designee on a case-by-case basis.

CCS prohibits any form of retaliation against any individual who files a report or complaint, testifies, assists, participates, or refuses to participate in any investigation or proceeding related to misconduct prohibited by this Policy. Such participation or lack of participation shall not in any way affect the status, grades, or work assignments of the individual. Individuals alleging retaliation in violation of this Policy may file a grievance using the procedures set forth in this Policy. Knowingly making false statements or knowingly submitting false information during the grievance process is prohibited and may result in disciplinary action.

All supervisors of staff will receive sexual harassment training within six (6) months of their assumption of a supervisory position and will receive further training once every two (2) years thereafter. All staff, and any individual designated as a coordinator, investigator or decision-maker will receive sexual harassment training and/or instruction concerning sexual harassment as required by law.

3. Supportive Measures

Upon the receipt of an informal or formal complaint of sexual harassment, the Coordinator will promptly contact the complainant to discuss the availability of supportive measures. The Coordinator will consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint of sexual harassment, and explain the process for filing a formal complaint of sexual harassment.

Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint of sexual harassment or where no formal complaint of sexual harassment has been filed. Such measures are designed to restore or preserve equal access to CCS' education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or CCS' educational environment, or deter sexual harassment. Supportive measures available to complainants and respondents may include but are not limited to counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. CCS will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of CCS to provide the supportive measures.

4. Investigation and Response

Upon receipt of a report of misconduct prohibited by this Policy from a scholar, staff member, parent, volunteer, visitor or affiliate of CCS, the Coordinator or administrative designee will promptly initiate an investigation. In most cases, a thorough investigation will take no more than twenty-five (25) school days. If the Coordinator, or administrative designee determines that an investigation will take longer than twenty-five (25) school days and needs to be delayed or extended due to good cause, the Coordinator or administrative designee will inform the complainant of the reasons for the delay or extension and provide an approximate date when the investigation will be complete.

At the conclusion of the investigation, the Coordinator or administrative designee will meet with the complainant and, to the extent possible with respect to confidentiality laws, provide the complainant with information about the investigation, including any actions necessary to resolve the incident/situation. However, in no case may the Coordinator or administrative designee reveal confidential information related to other scholars or employees.

For investigations of and responses to formal complaints of sexual harassment, the following grievance procedures will apply:

- Notice of the Allegations
 - Upon receipt of a formal complaint of sexual harassment, the Coordinator will give all known parties written notice of its grievance process, including any voluntary informal resolution process. The notice will include:
 - A description of the allegations of sexual harassment at issue and to the extent known, the identities of the parties involved in the incident, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident;
 - A statement that the respondent is presumed not responsible for the alleged conduct until a final decision is reached;
 - A statement that the parties may have an advisor of their choice, who may be an attorney, and may inspect and review evidence; and
 - A statement that CCS prohibits an individual from knowingly making false statements or knowingly submitting false information during the grievance process.
- Emergency Removal
 - CCS may place a non-student employee respondent on administrative leave during the pendency of a formal complaint of sexual harassment grievance process in accordance with CCS's policies.
 - CCS may remove a respondent from CCS's education program or activity on an emergency basis, in accordance with CCS's policies, provided that CCS undertakes an individualized safety and risk analysis, determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal, and provides the respondent

with notice and an opportunity to challenge the decision immediately following the removal.

- This provision may not be construed to modify any rights under the IDEA, Section 504, or the ADA.

- Informal Resolution

- If a formal complaint of sexual harassment is filed, CCS may offer a voluntary informal resolution process, such as mediation, to the parties at any time prior to reaching a determination regarding responsibility. If CCS offers such a process, it will do the following:
 - Provide the parties with advance written notice of:
 - The allegations;
 - The requirements of the voluntary informal resolution process including the circumstances under which the parties are precluded from resuming a formal complaint of sexual harassment arising from the same allegations;
 - The parties' right to withdraw from the voluntary informal resolution process and resume the grievance process at any time prior to agreeing to a resolution; and
 - Any consequences resulting from participating in the voluntary informal resolution process, including the records that will be maintained or could be shared; and
 - Obtain the parties' advance voluntary, written consent to the informal resolution process.

CCS will not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.

- Investigation Process

- The decision-maker will not be the same person(s) as the Coordinator or the investigator. CCS shall ensure that all decision-makers and investigators do not have a conflict of interest or bias for or against complainants or respondents.
- In most cases, a thorough investigation will take no more than twenty-five (25) school days. If the investigator determines that an investigation will take longer than twenty-five (25) school days and needs to be delayed or extended due to good cause, the investigator will inform the complainant and any respondents in writing of the reasons for the delay or extension and provide an approximate date when the investigation will be complete.
- The parties will be provided with an equal opportunity to present witnesses, to inspect and review any evidence obtained that is directly related to the allegations

raised, and to have an advisor present during any investigative meeting or interview.

- The parties will not be prohibited from discussing the allegations under investigation or to gather and present relevant evidence.
- A party whose participation is invited or expected at an investigative meeting or interview will receive written notice of the date, time, location, participants, and purpose of the meeting or interview with sufficient time for the party to prepare to participate.
- Prior to completion of the investigative report, CCS will send to each party and the party's advisor, if any, a copy of the evidence subject to inspection and review, and the parties will have at least ten (10) days to submit a written response for the investigator's consideration prior to the completion of the investigation report.
- The investigator will complete an investigation report that fairly summarizes relevant evidence and send a copy of the report to each party and the party's advisor, if any, at least ten (10) days prior to the determination of responsibility.
- Dismissal of a Formal Complaint of Sexual Harassment
 - If the investigation reveals that the alleged harassment did not occur in CCS's educational program in the United States or would not constitute sexual harassment even if proved, the formal complaint with regard to that conduct must be dismissed. However, such a dismissal does not preclude action under another applicable CCS policy.
 - CCS may dismiss a formal complaint of sexual harassment if:
 - The complainant provides a written withdrawal of the complaint to the Coordinator;
 - The respondent is no longer employed or enrolled at CCS; or
 - The specific circumstances prevent CCS from gathering evidence sufficient to reach a decision on the formal complaint or the allegations therein.
 - If a formal complaint of sexual harassment or any of the claims therein are dismissed, CCS will promptly send written notice of the dismissal and the reason(s) for the dismissal simultaneously to the parties.
- Determination of Responsibility
 - The standard of evidence used to determine responsibility is the preponderance of the evidence standard.
 - CCS will send a written decision on the formal complaint to the complainant and respondent simultaneously that describes:
 - The allegations in the formal complaint of sexual harassment;

- All procedural steps taken including any notifications to the parties, interviews with parties and witnesses, site visits, and methods used to gather other evidence;
- The findings of facts supporting the determination;
- The conclusions about the application of CCS's code of conduct to the facts;
- The decision and rationale for each allegation;
- Any disciplinary sanctions the recipient imposes on the respondent, and whether remedies designed to restore or preserve equal access to the education program or activity will be provided to the complainant; and
- The procedures and permissible bases for appeals.

5. Consequences

Scholars or employees who engage in misconduct prohibited by this Policy, knowingly make false statements or knowingly submit false information during the grievance process may be subject to disciplinary action up to and including expulsion from CCS or termination of employment. The Coordinator is responsible for effective implementation of any remedies ordered by CCS response to a formal complaint of sexual harassment.

6. Right of Appeal

Should the reporting individual find CCS's resolution unsatisfactory, the reporting individual may, within five (5) business days of notice of CCS' decision or resolution, submit a written appeal to the President of the CCS Board, who will review the investigation and render a final decision.

The following appeal rights and procedures will also apply to formal complaints of sexual harassment:

- The complainant and the respondent shall have the same appeal rights and CCS will implement appeal procedures equally for both parties.
- CCS will notify the other party in writing when an appeal is filed.
- The decision-maker for the appeal will give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome; issue a written decision describing the result of the appeal and the rationale for the result; and provide the written decision simultaneously to both parties.

7. Recordkeeping

All records related to any investigation of complaints under this Policy are maintained in a secure location.

CCS will maintain the following records for at least seven (7) years:

- Records of each sexual harassment investigation, including any determination of responsibility; any audio or audiovisual recording or transcript; any disciplinary sanctions imposed on the respondent; and any remedies provided to the complainant.
- Records of any appeal of a formal sexual harassment complaint and the results of that appeal.
- Records of any informal resolution of a sexual harassment complaint and the results of that informal resolution.
- All materials used to train Title IX coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process.
- Records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment.

Scholar Records, including Records Challenges and Directory Information

The Family Educational Rights and Privacy Act (“FERPA”) affords Learning Coaches and scholars who are 18 years of age or older (“eligible students”) certain rights with respect to the scholar’s education records. These rights are:

- The right to inspect and review the scholar's education records within five (5) business days after the day CCS receives a request for access. Learning Coaches or eligible scholars should submit to the CCS Superintendent & CEO or designee a written request that identifies the records they wish to inspect. The CCS official will make arrangements for access and notify the Learning Coach or eligible scholar of the time and place where the records may be inspected.
- The right to request the amendment of the scholar’s education records that the Learning Coach or eligible scholar believes are inaccurate, misleading, or otherwise in violation of the scholar’s privacy rights under FERPA.

Learning Coaches or eligible scholars who wish to ask CCS to amend a record should write the CCS Superintendent & CEO or designee, clearly identify the part of the record they want changed, and specify why it should be changed. If CCS decides not to amend the record as requested by the Learning Coach or eligible scholar, CCS will notify the Learning Coach or eligible scholar of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the Learning Coach or eligible scholar when notified of the right to a hearing. If the Charter School decides to amend the record as requested by the parent or eligible scholar, the Superintendent & CEO must order the correction or the removal and destruction of the information and inform the parent or eligible scholar of the amendment in writing.

The right to provide written consent before CCS discloses personally identifiable information (“PII”) from the scholar's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to CCS officials with legitimate educational interests. A CCS official is a person employed by CCS as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the Board of Directors. A CCS official also may include a volunteer or contractor outside of CCS who performs an institutional service or function for which CCS would

otherwise use its own employees and who is under the direct control of CCS with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or scholar volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, scholar, volunteer or company assisting CCS official in performing an institutional service or function. A CCS official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, CCS discloses education records without consent to officials of another school district in which a scholar seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the scholar's enrollment or transfer.

CCS does not release information to third parties for immigration-enforcement purposes, except as required by law or court order.

The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Student Privacy Policy Office
U.S. Department of Education
400 Maryland Avenue, SW Washington, DC 20202

The right to request that the Charter School not release scholar names, addresses and telephone listings to military recruiters or institutions of higher education without prior written parental consent

FERPA permits the disclosure of PII from scholar's education records, without consent of the Learning Coach or eligible scholar, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to CCS officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the Learning Coach or eligible scholar, §99.32 of the FERPA regulations requires CCS to record the disclosure. Learning Coaches and eligible scholars have a right to inspect and review the record of disclosures. CCS may disclose PII from the education records of a scholar without obtaining prior written consent of the Learning Coach or the eligible scholar to the following parties:

- Charter School officials who have a legitimate educational interest as defined by 34 C.F.R. Part 99;
- Other schools to which a scholar seeks or intends to enroll so long as the disclosure is for purposes related to the scholar's enrollment or transfer. When a scholar transfers schools, the Charter School will mail the original or a copy of a scholar's cumulative file to the receiving district or private school within ten (10) school days following the date the request is received from the public school or private school where the pupil intends to enroll. Charter School will make a reasonable attempt to notify the parent or eligible scholar of the request for records at his/her last known address, unless the disclosure is initiated by the parent or eligible scholar. Additionally, Charter School will give the parent or eligible scholar, upon request, a copy of the record that was disclosed and give the parent or eligible scholar, upon request, an opportunity for hearing;
- Certain government officials listed in 20 U.S.C. § 1232g(b)(1) in order to carry out lawful functions;

- Appropriate parties in connection with a scholar’s application for, or receipt of, financial aid if it is necessary to determine eligibility, amount of aid, conditions for aid or enforcing the terms and conditions of the aid;
- Organizations conducting certain studies for the Charter School in accordance with 20 U.S.C. § 1232g(b)(1)(F);
- Accrediting organizations in order to carry out their accrediting functions;
- Parents of a dependent scholar as defined in section 152 of the Internal Revenue Code of 1986;
- Individuals or entities, in compliance with a judicial order or lawfully issued subpoena. Subject to the exceptions found in 34 C.F.R. § 99.31(a)(9)(i), reasonable effort must be made to notify the parent or eligible scholar of the order or subpoena in advance of compliance, so that the parent or eligible scholar may seek a protective order;
- Persons who need to know in cases of health and safety emergencies;
- State and local authorities, within a juvenile justice system, pursuant to specific State law;
- A foster family agency with jurisdiction over a currently enrolled or former scholar, a short-term residential treatment program staff responsible for the education or case management of a scholar, and a caregiver (regardless of whether the caregiver has been appointed as the pupil’s educational rights holder) who has direct responsibility for the care of the scholar, including a certified or licensed foster parent, an approved relative or nonrelated extended family member, or a resource family, may access the current or most recent records of grades, transcripts, attendance, discipline, and online communication on platforms established by Charter School for scholar and parents, and any individualized education program (“IEP”) or Section 504 plan that may have been developed or maintained by Charter School; and/or
- A victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense. The disclosure may only include the final results of the disciplinary proceedings conducted by Charter School with respect to that alleged crime or offense. Charter School disclose the final results of the disciplinary proceeding, regardless of whether Charter School concluded a violation was committed.

“Directory Information” is information that is generally not considered harmful or an invasion of privacy if released. CCS may disclose the personally identifiable information that it has designated as directory information without a parent’s prior written consent. CCS has designated the following information as directory information:

- Scholar’s name
- Scholar’s address
- Learning Coach’s address
- Telephone listing
- Scholar’s electronic mail address
- Learning Coach’s electronic mail address
- Photograph
- Date and place of birth
- Dates of attendance
- Grade level
- Degrees, honors, and awards received
- Participation in officially recognized activities and sports
- The most recent educational agency or institution attended
- Scholar ID number, user ID, or other unique personal identifier used to communicate in

electronic systems that cannot be used to access education records without a PIN, password, etc. (A scholar's social security number, in whole or in part, cannot be used for this purpose.)

If you do not want CCS to disclose directory information from your scholar's education records without your prior written consent, you must notify the School in writing at the time of enrollment or re-enrollment. Please notify the Superintendent & CEO at jlewis@compasscharters.org. A copy of the complete Policy is available upon request at the Central Office and on the School's website within the CCS Board Policy Manual.

Withdrawal from CCS

1. If a scholar decides to withdraw, the scholar's Learning Coach communicates the decision through their teacher and/or counselor.
2. The teacher notifies the Attendance Coordinator who sends the learning coach an email to confirm the withdrawal.
3. For scholars in grades 9-12, the counselor will hold a voluntary exit conference with the learning coach to ensure the scholar receives the appropriate academic consultation.
4. Once the exit conference has been conducted, a withdrawal link will be emailed to the Learning Coach that will need to be filled out for the withdrawal to be complete.
5. Once the withdrawal is completed the Attendance Coordinator will email the Learning Coach a letter showing the scholar has been withdrawn that can be given to the scholar's new school.
6. If a scholar willfully damages CCS' property or the personal property of a CCS employee, or fails to return a textbook, library book, computer/tablet or other CCS property that has been loaned to the scholar, the scholar's parents/guardians are liable for all damages caused by the scholar's misconduct not to exceed ten thousand dollars (\$10,000), adjusted annually for inflation. After notifying the scholar's parent or guardian in writing of the scholar's alleged misconduct and affording the scholar due process, CCS may withhold the scholar's grades, transcripts, and diploma until the damages have been paid. If the scholar and the scholar's parent/guardian are unable to pay for the damages or to return the property, CCS will provide a program of voluntary work for the minor in lieu of the payment of monetary damages. Upon completion of the voluntary work, the scholar's grades and diploma will be released.
7. If a scholar and/or a learning coach makes the decision to withdraw from CCS prior to the end of the semester, they are automatically forfeiting their right to a letter grade for any courses still in progress, and will receive an incomplete ("I") on their transcript. Any coursework completed for courses still in progress during a withdrawal will be lost, and cannot be transferred to a new academic institution. If the course has been 100% completed and letter grade provided by instructor, the scholar will be awarded the credits earned. Please contact your counselor before you choose to withdraw from CCS.

Involuntary Removal Process

No scholar shall be involuntarily removed by the Charter School for any reason unless the parent or guardian of the scholar has been provided written notice of intent to remove the scholar no less than five (5) school days before the effective date of the action ("Involuntary Removal Notice"). The written notice shall be in the native language of the scholar or the scholar's parent or guardian or, if the scholar is a foster child or youth or a homeless child or youth, the scholar's educational rights holder. The Involuntary Removal Notice shall include the charges against the scholar and an explanation of the scholar's basic rights including the right to request a hearing before the effective date of the action. The

hearing shall be consistent with the Charter School's expulsion procedures. If the scholar's parent, guardian, or educational rights holder requests a hearing, the scholar shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions or expulsions pursuant to the Charter School's suspension and expulsion policy.

Upon parent/guardian request for a hearing, the Charter School will provide notice of hearing consistent with its expulsion hearing process, through which the scholar has a fair opportunity to present testimony, evidence, and witnesses and confront and cross-examine adverse witnesses, and at which the scholar has the right to bring legal counsel or an advocate. The notice of hearing shall be in the native language of the scholar or the scholar's parent or guardian or, if the scholar is a foster child or youth or a homeless child or youth, the scholar's educational rights holder and shall include a copy of the Charter School's expulsion hearing process.

If the parent/guardian is nonresponsive to the Involuntary Removal Notice, the scholar will be disenrolled as of the effective date set forth in the Involuntary Removal Notice. If parent/guardian requests a hearing and does not attend on the date scheduled for the hearing the scholar will be disenrolled effective the date of the hearing.

If as a result of the hearing the scholar is disenrolled, notice will be sent to the scholar's last known district of residence within thirty (30) days.

A hearing decision not to disenroll the scholar does not prevent the Charter School from making a similar recommendation in the future should scholar truancy continue or re-occur.

Parent and Family Engagement Policy

CCS aims to provide all scholars in our school significant opportunity to receive a fair, equitable, and high-quality education, and to close educational achievement gaps while abiding by guidelines within the Elementary and Secondary Education Act ("ESEA"). CCS staff recognizes a partnership with families is essential to meet this goal. Our Parent and Family Engagement Policy leverages and promotes active involvement of all families as partners with schools to ensure scholar success. A copy of CCS's complete Policy is available upon request in the Central Office and on the school website within the Board Policy Manual.

Employee Interactions with Scholars

CCS recognizes its responsibility to make and enforce all rules and regulations governing scholar and employee behavior to bring about the safest and most learning conducive environment possible.

Corporal Punishment

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of, or willfully causing the infliction of, physical pain on a student.

For purposes of this policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to property.

For clarification purposes, the following examples are offered for direction and guidance of School personnel:

1. Examples of PERMITTED actions (NOT corporal punishment)
 - a. Stopping a student from fighting with another student;
 - b. Preventing a pupil from committing an act of vandalism;
 - c. Defending yourself from physical injury or assault by a student;
 - d. Forcing a pupil to give up a weapon or dangerous object;
 - e. Requiring an athletic team to participate in strenuous physical training activities designed to strengthen or condition team members or improve their coordination, agility, or physical skills;
 - f. Engaging in group calisthenics, team drills, or other physical education or voluntary recreational activities.
2. Examples of PROHIBITED actions (corporal punishment)
 - a. Hitting, shoving, pushing, or physically restraining a student as a means of control;
 - b. Making unruly students do push-ups, run laps, or perform other physical acts that cause pain or discomfort as a form of punishment;
 - c. Paddling, swatting slapping, grabbing, pinching, kicking, or otherwise causing physical pain.

Acceptable and Unacceptable Staff/Student Behavior

This policy is intended to guide all School faculty and staff in conducting themselves in a way that reflects the high standards of behavior and professionalism required of school employees and to specify the boundaries between students and staff.

Although this policy gives specific, clear direction, it is each staff member's obligation to avoid situations that could prompt suspicion by parents, students, colleagues, or Administrators. One viable standard that can be quickly applied, when you are unsure if certain conduct is acceptable, is to ask yourself, "Would I be engaged in this conduct if my family or colleagues were standing next to me?"

For the purposes of this policy, the term "boundaries" is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing the boundaries of a student/teacher relationship is deemed an abuse of power and a betrayal of public trust.

Some activities may seem innocent from a staff member's perspective, but can be perceived as flirtation or sexual insinuation from a student or parent point of view. The objective of the following lists of acceptable and unacceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to, or may be perceived as, sexual misconduct.

Staff must understand their own responsibility for ensuring that they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for disciplinary purposes. Thus, it is crucial that all employees learn this policy thoroughly and apply the lists of acceptable and unacceptable behaviors to their daily activities. Although sincere, competent interaction with students certainly fosters learning, student/staff interactions must have boundaries surrounding potential activities, locations and intentions.

Duty to Report Suspected Misconduct

When any employee reasonably suspects or believes that another staff member may have crossed the boundaries specified in this policy, he or she must immediately report the matter to a school administrator. All reports shall be as confidential as possible under the circumstances. It is the duty of the Administrator to investigate and thoroughly report the situation. Employees must also report to the Administration any awareness or concern of student behavior that crosses boundaries or where a student appears to be at risk for sexual abuse.

Examples of Specific Behaviors

The following examples are not an exhaustive list:

Unacceptable Staff/Student Behaviors (Violations of this Policy)

- Giving gifts to an individual student that are of a personal and intimate nature.
- Kissing of any kind.
- Any type of unnecessary physical contact with a student in a private situation.

- Making or participating in sexually inappropriate comments.
- Sexual jokes.
- Seeking emotional involvement with a student for your benefit.
- Listening to or telling stories that are sexually oriented.
- Discussing inappropriate personal troubles or intimate issues with a student in an attempt to gain their support and understanding.
- jBecoming involved with a student so that a reasonable person may suspect inappropriate behavior.
- Driving students (see policy herein).
- lDiscussing personal, religious, and/or political beliefs with students.

(These behaviors should only be exercised when a staff member has parent and Supervisor permission.)

- Being alone in a room with a student at school with the door closed.
- Allowing students in your home.

Cautionary Staff/Student Behaviors

(These behaviors should only be exercised when a reasonable and prudent person, acting as an educator, is prevented from using a better practice or behavior. Staff members should inform their Supervisor of the circumstance and occurrence prior to or immediately after the occurrence.)

- Being alone in a room with a student at school with the door closed. The only exception to this rule is if it is required for special educational purposes, related to a student's Individual Education Plan (IEP). The School Psychologist or employee working in the Special Education Department must have written permission from the student's guardian.
- Remarks about the physical attributes or development of anyone.
- Excessive attention toward a particular student.
- Sending e-mails, text messages or letters to students if the content is not about school activities.

Acceptable and Recommended Staff/Student Behaviors

- E-mails, text, phone and instant messages to students must be very professional and pertaining to school activities or courses (Communication should be limited to school technology).
- Keeping the door open when alone with a student.
- Keeping reasonable space between you and your students.
- Stopping and correcting students if they cross your own personal boundaries.
- Keeping parents informed when a significant issue develops about a student.
- Keeping after-course discussions with a student professional and brief.
- Asking for advice from fellow staff or Administrators if you find yourself in a difficult situation related to boundaries.
- Involving your Supervisor if conflict arises with the student.
- Informing your Supervisor or the Superintendent & CEO about situations that have the potential to become more severe.
- Making detailed notes about an incident that could evolve into a more serious situation later.
- Recognizing the responsibility to stop unacceptable behavior of students or coworkers.
- Asking another staff member to be present if you will be alone with any type of special needs student.
- Asking another staff member to be present when you must be alone with a student after regular school hours.
- Giving students praise and recognition without touching them.
- Pats on the back, high fives and handshakes are acceptable.
- Keeping your professional conduct a high priority.
- Asking yourself if your actions are worth your job and career.

Suicide Prevention Policy

The Board of Directors of CCS recognizes that suicide is a major cause of death among youth and should be taken seriously. To attempt to reduce suicidal behavior and its impact on students and families, the Board of Directors has developed prevention strategies and intervention procedures.

In compliance with Education Code section 215, this policy has been developed in consultation with CCS and community stakeholders, CCS school-employed mental health professionals (e.g., school counselors, psychologists, social workers, nurses), administrators, other school staff members, parents/guardians/caregivers, students, local health agencies and professionals, law enforcement, and community organizations in planning, implementing, and evaluating CCS's strategies for suicide prevention and intervention. CCS must work in conjunction with local government agencies, community-based organizations, and other community supports to identify additional resources.

CCS will include the telephone number for the National Suicide Prevention Lifeline (1-800-273-8255) and the National Domestic Violence Hotline (1-800-799-7233) on all student identification cards. CCS will also include the number for the Crisis Text Line, which can be accessed by texting HOME to 741741 and a local suicide prevention hotline on all student identification cards.

A copy of the complete Suicide Prevention Policy can be located in the Central Office and on the school's website within the CCS Board Policy Manual.

Suspension and Expulsion Policy

The Pupil Suspension and Expulsion Policy has been established in order to promote learning and protect the safety and well-being of all scholars at CCS. In creating this policy, CCS has reviewed Education Code Section 48900 *et seq.* which describes the non-charter schools' list of offenses and procedures to establish its list of offenses and procedures for suspensions and expulsions. The language that follows closely mirrors the language of Education Code Section 48900 *et seq.* CCS is committed to annual review of policies and procedures surrounding suspensions and expulsions and, as necessary, modification of the lists of offenses for which students are subject to suspension or expulsion.

When the Policy is violated, it may be necessary to suspend or expel a scholar from CCS. This policy shall serve as CCS' policy and procedures for scholar suspension and expulsion, and it may be amended from time to time without the need to amend the charter so long as the amendments comply with legal requirements.

Charter School staff shall enforce disciplinary rules and procedures fairly and consistently among all scholars. This Policy and its Procedures will clearly describe discipline expectations.

Discipline includes but is not limited to advising and counseling scholars. Corporal punishment shall not be used as a disciplinary measure against any scholar. Corporal punishment includes the willful infliction of or willfully causing the infliction of physical pain on a scholar. For purposes of the policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, scholars, staff or other persons or to prevent damage to school property.

CCS administration shall ensure that scholars and their parents/guardians are notified in writing upon enrollment of all discipline policies and procedures. The notice shall state that this Policy and Procedures are available in the Scholar Handbook.

Suspended or expelled scholars shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension or expulsion.

A scholar identified as an individual with disabilities or for whom CCS has a basis of knowledge of a suspected disability pursuant to the Individuals with Disabilities Education Improvement Act of 2004 ("IDEA") or who is qualified for services under Section 504 of the Rehabilitation Act of 1973 ("Section 504") is subject to the same grounds for suspension and expulsion and is accorded the same due process procedures applicable to regular education scholars except when federal and state law mandates additional or different procedures. CCS will follow all applicable federal and state laws, including, but not limited to, the IDEA, Section 504, the California Education Code, and their implementing regulations, when imposing any form of discipline on a scholar identified as an individual with disabilities or for whom CCS has a basis of knowledge of a suspected disability or who is otherwise qualified for such services or protections in according due process to such scholars.

No scholar shall be involuntarily removed by the Charter School for any reason unless the parent or guardian of the scholar has been provided written notice of intent to remove the scholar no less than five (5) schooldays before the effective date of the action. The written notice shall be in the native language of the scholar or the scholar's parent or guardian or, if the scholar is a foster child or youth or a homeless child or youth, the scholar's educational rights holder, and shall inform him or her of the right to initiate

the procedures specified below for suspensions, before the effective date of the action. If the scholar's parent, guardian, or educational rights holder initiates the procedures specified below for suspensions, the scholar shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions or expulsions pursuant to the suspension and expulsion procedures described below.

If it is determined by the Administrative Panel and/or Board of Directors that a scholar has brought a firearm or destructive device, as defined in Section 921 of Title 18 of the United States Code, onto campus or to have possessed a firearm or dangerous device on campus, the student shall be expelled for one year, pursuant to the Federal Gun Free Schools Act of 1994. C. Suspension Procedure

Suspensions shall be initiated according to the following procedures:

1. Conference

Suspension shall be preceded, if possible, by a conference conducted by the Superintendent or designee with the scholar and his or her parent and, whenever practical, the teacher, supervisor or Charter School employee who referred the scholar to the President & CEO or designee.

The conference may be omitted if the Superintendent or designee determines that an emergency situation exists. An “emergency situation” involves a clear and present danger to the lives, safety or health of scholars or Charter School personnel. If a scholar is suspended without this conference, both the parent/guardian and scholar shall be notified of the scholar’s right to return to school for the purpose of a conference.

At the conference, the pupil shall be informed of the reason for the disciplinary action and the evidence against him or her and shall be given the opportunity to present his or her version and evidence in his or her defense, in accordance with Education Code Section 47605(b)(5)(J)(i). This conference shall be held within two (2) school days, unless the pupil waives this right or is physically unable to attend for any reason including, but not limited to, incarceration or hospitalization. No penalties may be imposed on a pupil for failure of the pupil’s parent or guardian to attend a conference with Charter School officials. Reinstatement of the suspended pupil shall not be contingent upon attendance by the pupil’s parent or guardian at the conference.

2. Notice to Parents/Guardians

At the time of the suspension, the Superintendent or designee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a scholar is suspended, the parent/guardian shall be notified in writing of the suspension and the date of return following suspension. This notice shall state the specific offense committed by the scholar. In addition, the notice may also state the date and time when the scholar may return to school. If Charter School officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may request that the parent/guardian respond to such requests without delay.

3. Suspension Time Limits/Recommendation for Placement/Expulsion

Suspensions, when not including a recommendation for expulsion, shall not exceed five (5) consecutive school days per suspension.

Upon a recommendation of expulsion by the Superintendent or designee, the pupil and the pupil's guardian or representative will be invited to a conference to determine if the suspension for the pupil should be extended pending an expulsion hearing. In such instances when the Charter School has determined a suspension period shall be extended, such extension shall be made only after a conference is held with the pupil or the pupil's parents, unless the pupil and the pupil's parents fail to attend the conference. This determination will be made by the Superintendent or designee upon either of the following determinations: 1) the pupil's presence will be disruptive to the education process; or 2) the pupil poses a threat or danger to others. Upon either determination, the pupil's suspension will be extended pending the results of an expulsion hearing.

D. Authority to Expel

As required by Education Code Section 47605(b)(5)(J)(ii), scholars recommended for expulsion are entitled to a hearing adjudicated by a neutral officer to determine whether the scholar should be expelled. The procedures herein provide for such a hearing and the notice of said hearing, as required by law.

A scholar may be expelled either by the neutral and impartial Charter School Board of Directors following a hearing before it or by the Charter School Board of Directors upon the recommendation of a neutral and impartial Administrative Panel to be assigned by the Board of Directors as needed. The Administrative Panel shall consist of at least three members who are certificated and neither a teacher of the pupil nor a member of the Charter School Board of Directors. Each entity shall be presided over by a designated neutral hearing chairperson. The Administrative Panel may recommend expulsion of any scholar found to have committed an expellable offense, and the Board of Directors shall make the final determination.

E. Expulsion Procedures

Scholars recommended for expulsion are entitled to a hearing to determine whether the scholar should be expelled. Unless postponed for good cause, the hearing shall be held within thirty (30) school days after the Superintendent or designee determines that the pupil has committed an expellable offense.

In the event an Administrative Panel hears the case, it will make a recommendation to the Governing Board for a final decision whether to expel. The hearing shall be held in closed session (complying with all pupil confidentiality rules under FERPA) unless the pupil makes a written request for a public hearing in open session three (3) days prior to the date of the scheduled hearing.

Written notice of the hearing shall be forwarded to the scholar and the scholar's parent/guardian at least ten (10) calendar days before the date of the hearing. Upon mailing the notice, it shall be deemed served upon the pupil. The notice shall include:

1. The date and place of the expulsion hearing
2. A statement of specific facts, charges and offenses upon which the proposed expulsion is based
3. A copy of CCS' disciplinary rules which relate to the alleged violation
4. Notification of the scholar's and/or parent/guardian's obligation to provide information about the scholar's status at the school to any other school district or school to which the

scholar seeks enrollment

5. The opportunity for the scholar and/or the scholar's parent/guardian to appear in person or to employ and be represented by counsel or a non-attorney advisor
6. The right to inspect and obtain copies of all documents to be used at the hearing
7. The opportunity to confront and question all witnesses who testify at the hearing
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the scholar's behalf including witnesses

F. Special Procedures for Expulsion Hearings Involving Sexual Assault or Battery Offenses

CCS may, upon finding a good cause, determine that the disclosure of either the identity of the witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations which shall be examined only by the Charter School or the hearing officer. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the pupil.

1. The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of his/her right to (a) receive five (5) days' notice of his/her scheduled testimony, (b) have up to two (2) adult support persons of his/her choosing present in the hearing at the time he/she testifies, which may include a parent, guardian, or legal counsel, and (c) elect to have the hearing closed while testifying.
2. CCS must also provide the victim a room separate from the hearing room for the complaining witness' use prior to and during breaks in testimony.
3. At the discretion of the entity conducting the hearing, the complaining witness shall be allowed periods of relief from examination and cross-examination during which he or she may leave the hearing room.
4. The entity conducting the expulsion hearing may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.
5. The entity conducting the expulsion hearing may also limit time for taking the testimony of the complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours.
6. Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the entity presiding over the hearing from removing a support person whom the presiding person finds is disrupting the hearing. The entity conducting the hearing may permit any one of the support persons for the complaining witness to accompany him or her to the witness stand.
7. If one or both of the support persons is also a witness, CCS must present evidence that the witness' presence is both desired by the witness and will be helpful to CCS. The person presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding officer from exercising his or her discretion to remove a person from the hearing whom he or she believes is prompting, swaying, or influencing the witness.
8. The testimony of the support person shall be presented before the testimony of the complaining witness and the complaining witness shall be excluded from the courtroom

during that testimony.

9. Especially for charges involving sexual assault or battery, if the hearing is to be conducted in the public at the request of the pupil being expelled, the complaining witness shall have the right to have his/her testimony heard in a closed session when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are not alternative procedures to avoid the threatened harm. The alternative procedures may include videotaped depositions or contemporaneous examination in another place communicated to the hearing by means of closed-circuit television.
10. Evidence of specific instances of a complaining witness' prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the person conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstances can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

G. Record of Hearing

A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

H. Presentation of Evidence

While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A recommendation by the Administrative Panel to expel must be supported by substantial evidence that the scholar committed an expellable offense.

Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay, and sworn declarations may be admitted as testimony from witnesses of whom the Board or Administrative Panel determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the accused pupil, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have his or her testimony heard in a session closed to the public.

The decision of the Administrative Panel shall be in the form of written findings of fact and a written recommendation to the Board of Directors, which will make a final determination regarding the expulsion. The final decision by the Board of Directors shall be made within ten (10) school days following the conclusion of the hearing. The decision of the Board of Directors is final. If the Administrative Panel decides not to recommend expulsion, the pupil shall immediately be returned to his/her educational program.

I. Written Notice to Expel

The Superintendent or designee, following a decision of the Board of Directors to expel, shall send written notice of the decision to expel, including the Board of Directors' adopted findings of fact,

to the scholar or parent/guardian. This notice shall also include the following: (a) Notice of the specific offense committed by the scholar; and (b) Notice of the scholar's or parent/guardian's obligation to inform any new district in which the scholar seeks to enroll of the scholar's status with the Charter School.

The Superintendent or designee shall send a copy of the written notice of the decision to expel to the authorizer. This notice shall include the following: (a) The scholar's name; and (b) The specific expellable offense committed by the scholar.

J. Disciplinary Records

CCS shall maintain records of all scholar suspensions and expulsions at the Charter School. Such records shall be made available to the authorizer upon request.

K. No Right to Appeal

The pupil shall have no right of appeal from expulsion from CCS as the CCS Board of Directors' decision to expel shall be final.

L. Expelled Pupils/Alternative Education

Parents/guardians of pupils who are expelled shall be responsible for seeking alternative education programs including, but not limited to, programs within the County or their school district of residence. CCS shall work cooperatively with parents/guardians as requested by parents/guardians or by the school district of residence to assist with locating alternative placements during expulsion.

M. Rehabilitation Plans

Scholars who are expelled from CCS shall be given a rehabilitation plan upon expulsion as developed by the Board of Directors at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. The rehabilitation plan should include a date not later than one year from the date of expulsion when the pupil may reapply to CCS for admission.

N. Readmission

The decision to readmit a pupil or to admit a previously expelled pupil from another school district or charter school shall be in the sole discretion of the Board of Directors following a meeting with the Superintendent or designee and the pupil and parent/guardian or representative to determine whether the pupil has successfully completed the rehabilitation plan and to determine whether the pupil poses a threat to others or will be disruptive to the school environment. The Superintendent or designee shall make a recommendation to the Board of Directors following the meeting regarding his or her determination. The Board shall then make a final decision regarding readmission during the closed session of a public meeting, reporting out any action taken during closed session consistent with the requirements of the Brown Act. The pupil's readmission is also contingent upon the CCS' capacity at the time the student seeks readmission.

O. Special Procedures for the Consideration of Suspension and Expulsion of Students with Disabilities

1. Notification of SELPA

CCS shall immediately notify the SELPA and coordinate the procedures in this policy with the

SELPA of the discipline of any student with a disability or student that CCS or the SELPA would be deemed to have knowledge that the student had a disability.

2. Services During Suspension

Students suspended for more than ten (10) school days in a school year shall continue to receive services so as to enable the student to continue to participate in the general education curriculum, although in another setting (which could constitute a change of placement and the student's IEP would reflect this change), and to progress toward meeting the goals set out in the child's IEP/504 Plan; and receive, as appropriate, a functional behavioral assessment and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur. These services may be provided in an interim alternative educational setting.

3. Procedural Safeguards/Manifestation Determination

Within ten (10) school days of a recommendation for expulsion or any decision to change the placement of a child with a disability because of a violation of a code of student conduct, CCS, the parent/guardian, and relevant members of the IEP/504 Team shall review all relevant information in the student's file, including the child's IEP/504 Plan, any teacher observations, and any relevant information provided by the parents to determine:

- a. If the conduct in question was caused by, or had a direct and substantial relationship to, the child's disability; or
- b. If the conduct in question was the direct result of the local educational agency's failure to implement the IEP/504 Plan.

If CCS, the parent/guardian, and relevant members of the IEP/504 Team determine that either of the above is applicable for the child, the conduct shall be determined to be a manifestation of the child's disability.

If CCS, the parent/guardian, and relevant members of the IEP/504 Team make the determination that the conduct was a manifestation of the child's disability, the IEP/504 Team shall:

- a. Conduct a functional behavioral assessment and implement a behavioral intervention plan for such child, provided that the Charter School had not conducted such assessment prior to such determination before the behavior that resulted in a change in placement;
- b. If a behavioral intervention plan has been developed, review the behavioral intervention plan if the child already has such a behavioral intervention plan, and modify it, as necessary, to address the behavior; and
- c. Return the child to the placement from which the child was removed, unless the parent/guardian and CCS agree to a change of placement as part of the modification of the behavioral intervention plan.

If CCS, the parent/guardian, and relevant members of the IEP/504 Team determine that the behavior was not a manifestation of the student's disability and that the conduct in question was not a direct result of the failure to implement the IEP/504 Plan, then CCS may apply the relevant disciplinary procedures to children with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities.

4. Due Process Appeals

The parent/guardian of a child with a disability who disagrees with any decision regarding placement, or the manifestation determination, or CCS believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, may request an expedited administrative hearing through the Special Education Unit of the Office of Administrative Hearings or by utilizing the dispute provisions of the 504 Policy and Procedures. When an appeal relating to the placement of the student or the manifestation determination has been requested by either the parent/guardian or CCS, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer in accordance with state and federal law, including 20 U.S.C. Section 1415(k), until the expiration of the forty-five (45) day time period provided for in an interim alternative educational setting, unless the parent/guardian and CCS agree otherwise.

In accordance with 20 U.S.C. Section 1415(k)(3), if a parent/guardian disagrees with any decision regarding placement, or the manifestation determination, or if the Charter School believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, the parent/guardian or Charter School may request a hearing.

In such an appeal, a hearing officer may: (1) return a child with a disability to the placement from which the child was removed; or (2) order a change in placement of a child with a disability to an appropriate interim alternative educational setting for not more than 45 school days if the hearing officer determines that maintaining the current placement of such child is substantially likely to result in injury to the child or to others.

5. Special Circumstances

CCS personnel may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a child with a disability who violates a code of student conduct.

The Superintendent or designee may remove a student to an interim alternative educational setting for not more than forty-five (45) school days without regard to whether the behavior is determined to be a manifestation of the student's disability in cases where a student:

- a. Carries or possesses a weapon, as defined in 18 U.S.C. Section 930, to or at school, on school premises, or to or at a school function;
- b. Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function; or
- c. Has inflicted serious bodily injury, as defined by 20 U.S.C. Section 1415(k)(7)(D), upon a person while at school, on school premises, or at a school function.

6. Interim Alternative Educational Setting

The student's interim alternative educational setting shall be determined by the student's IEP/504 Team.

7. Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been identified as an individual with disabilities pursuant to IDEA and who has violated CCS' disciplinary procedures may assert the procedural safeguards granted

under this administrative regulation only if CCS had knowledge that the student was disabled before the behavior occurred.

CCS shall be deemed to have knowledge that the student had a disability if one of the following conditions exists:

- a. The parent/guardian has expressed concern in writing, or orally if the parent/guardian does not know how to write or has a disability that prevents a written statement, to CCS supervisory or administrative personnel, or to one of the child's teachers, that the student is in need of special education or related services.
- b. The parent/guardian has requested an evaluation of the child.
- c. The child's teacher, or other CCS personnel, has expressed specific concerns about a pattern of behavior demonstrated by the child, directly to the director of special education or to other CCS supervisory personnel.

If CCS knew or should have known the student had a disability under any of the three (3) circumstances described above, the student may assert any of the protections available to IDEA-eligible children with disabilities, including the right to stay-put.

If CCS had no basis for knowledge of the student's disability, it shall proceed with the proposed discipline. CCS shall conduct an expedited evaluation if requested by the parent/guardian; however, the student shall remain in the education placement determined by CCS pending the results of the evaluation.

CCS shall not be deemed to have knowledge that the student had a disability if the parent/guardian has not allowed an evaluation, refused services, or if the student has been evaluated and determined to not be eligible.

Letter from the Superintendent & CEO

Dear Scholars and Learning Coaches:

We are happy you have chosen to make Compass Charter Schools (“CCS,” “Compass,” “School,” or the “Charter School”) your school of choice. I am proud to be the Superintendent & CEO of CCS, and I am looking forward to working with our staff to provide a quality non-classroom-based independent study program to every scholar we serve. Everyone here at CCS is committed to creating a nurturing environment as we work with you to meet the learning needs of your scholar(s).

CCS Vocabulary

Like any school, CCS has its own unique culture. To help you understand part of the culture of CCS it is important you understand our use of the following key terms:

Learning Coach - Parents and guardians are known as the “Learning Coach” for their children, and they are an integral part of their children’s success at CCS. Since we are an independent study school, much of the learning is facilitated by the learning coach.

Scholar - At CCS, we choose to refer to each student as a “scholar.” Scholar is defined as a person who is highly educated or has an aptitude for study; a distinguished academic. We refer to students as scholars because we want to emphasize our commitment to helping every individual be academically successful.

Supervising Teacher (“ST”) - For our Options (personalized learning at home) program, we assign a credentialed Supervising Teacher to support and guide each scholar on their educational journey.

Allocated Funds (“AF”) or Instructional Funds (“IF”) - The funds allocated to each scholar to be used for educational materials and services that have been approved by the School.

Family Order Agreement (“FOA”) - Includes the terms and conditions in which orders may be requested. It is a requirement that this form be signed before any order may be placed.

High School “Foundation Path” Acknowledgement - For our scholars that are not choosing the A-G path, this acknowledges that the Learning Coach (parent) and scholar understand that the path does not meet minimum requirement for entry into University of California (“UC”) / California State University (“CSU”) schools. It is a requirement that this form be signed before enrolling any high school scholar in our Foundations Path.

Learning Period (“LP”) - The span of time between which an ST and scholar connect to review the learning for that time period. The span of time between which work assignments begin and when they are given to the ST for evaluation.

Materials Community Provider - A business that sell books, curriculum, and other such items.

Service Community Provider - Business that markets lessons, services, or courses to the scholars at our School.

Order Request - Request made by a parent that lists items or services that they would like to use the allocated funds for. The ST reviews and approves the list and then places the order into the online order system for the Community Provider Department to order.

VPM - The online accounting-procurement system used by our STs, Community Providers Department, and Finance Department to facilitate orders and to manage the instructional funds, orders, invoices, purchase orders, and inventory.

Student Information System (“SIS”) - The system that Compass uses to manage the data of each scholar such as attendance, grades, courses, enrollment information, etc. The system used by CCS is called School Pathways.

Western Association of Schools and Colleges (“WASC”) - A committee of educators from within the region who evaluate and approve schools for accreditation based on the organization's criterion. One of their purposes is to ensure educational best practices. University of California schools has a policy that requires all schools to be accredited in order to establish and maintain an “A-G” course list.

Charter – a written document, much like a contract, that outlines the rights and obligations of a non-profit organization, company or school. In the case of charter schools, it is often a school district who approves the charter (in compliance with state laws). The charter allows a charter school to operate with some freedoms that district schools do not have, however strong academic results and promises made in the charter must be met as part of that contract.

At CCS, we work diligently to provide a high quality of support to both our scholars and their families. To that end, we are proud of the extremely positive feedback we receive from parents and scholars. As a charter school, it is important that we all work together for the future of our scholars. Charter schools operate under a charter, or contract, with a school district that allows them to operate with some freedoms that district schools do not have, however strong academic results and promises made in the charter must be met as part of that contract. Compass Charter Schools of Los Angeles, Compass Charter Schools of San Diego and Compass Charter Schools of Yolo are proud to be building excellence with our district partners, Acton-Agua Dulce Unified School District, Mountain Empire Unified School District and Winters Joint Unified School District.

We have a great leadership team:

Pledge of Excellence

CCS signed onto the Independent Study Pledge of Excellence in 2016. Its purpose is to establish a consistent, transparent approach to responsible charter school management across all of the member schools. The Code of Conduct (“Code”) is a pledge to employees, families and the public that member charter schools will conduct business in an honest, legal and ethical manner.

All members adhere to the provisions of the pledge. Commitment to ethical professional conduct is the goal of these schools. The Code is intended to serve as a basis for ethical decision in the running of these charter schools. The Pledge reads:

“Independent study in the state of California is defined as non-classroom based instruction. Non-classroom based instruction includes, but is not limited to, independent study, home study, work study, and distance and computer-based education.

We the undersigned pledge to the following in the operation and management of our charter schools offering independent study:

1. As operators of high- quality public charter schools offering independent study, we stand united behind the elements of integrity, trust, quality, and value in the operation of our schools. We know that offering personalized learning options meets the scholar where they are, aligns with what they individually need, while creating an academic program that is relevant, rigorous, and aligned to 21st Century learning.
2. As operators of high- quality public charter schools offering independent study, we stand united in managing schools that are fiscally responsible in the use of public tax dollars in our care. We value the use of independent auditors that reviews our financial and operational activities annually and showcase reports that are exception-free. This speaks to the commitment that we hold on financial accountability and operational integrity.
3. As operators of high quality public charter schools offering independent study, we stand united in our efforts to operate schools that model strong integrity, value and utilize solid business practices, and abide by all rules and regulations placed upon us by school districts, regional Offices of Education, and the California Department of Education.

4. As operators of high- quality public charter schools offering independent study, we stand united believing that the actions of a few rogue charter school operators do not reflect, align, or mirror anything about our programs. Having individuals or the media drawing comparisons speaks to either the fact that they don't know what we do or they are acting on rumor and innuendo in these conversations.
5. As operators of high- quality public charter schools offering independent study, we stand united in stating clearly that we are here for one purpose: educating scholars. Our resource centers, school sites, and classrooms are solely for the purpose of academic programming for the benefit of scholars in our care. Our commitment to scholars does not center on money, influence, or politics.
6. As operators of high quality public charter schools offering independent study, we stand united in offering high quality programs that exist to offer innovative and tested methods of instruction and self-paced learning. We have proof by our results that we are helping scholars to think, communicate, and achieve.
7. As operators of high quality public charter schools offering independent study, we stand united in following the state law in the operation of resource centers and school sites.

Our commitment to excellence is unwavering and our focus on scholars is what motivates us to create, manage, and grow public charter schools within the space of independent study.”

Description of Program

CCS is one of California's leading public charter schools serving scholars throughout the state in transitional kindergarten (TK), kindergarten, and grades one (1) through twelve (12). We are an independent study program. We recognize that, in education, one size does not fit all and have two great programs to serve scholars, the Options Learning Program and the Online Learning Program. This Scholar Handbook is specific to the Options Learning Program. CCS is designed and organized to serve scholars and families who have chosen a unique educational setting that can meet an individual scholar's needs.

A prospectus, including a description of the curriculum, including titles, descriptions, and instructional aims of every course offered by CCS, is available for review upon request. Please note that, pursuant to law, the Charter School may charge for the prospectus in an amount not to exceed the cost of duplication.

CCS strives to uphold parental choices in the education of their children. CCS' Options Learning Program is a home study, personalized learning program for grades TK-12 which allows the parent (also known as the learning coach) to be fully involved in all aspects of their child's daily education. Parents should be fully committed to:

- Select and implement appropriate curriculum from a list of approved providers
- Create a compelling learning environment every school day
- Provide challenging lessons and experiences for learning
- Strive to be the best primary instructor for their scholars
- Assess their scholar's progress on a regular basis

It is our goal to equip learning coaches in this endeavor. We are committed to:

- Provide the assistance of a credentialed supervising teacher

- Maintain a variety of approved vendors for use of allocated instructional funds
- Give access to a subscription package of online supplemental learning programs
- Plan field trips and other enrichment activities to foster community among our families

CCS is an academic program, and we are proud of the rich, rigorous, standards-based program we provide. Because we are a virtual school, many of our procedures take advantage of digital tools. For example, parent workshops, clubs, and communication are conducted virtually. Scholar portfolios are maintained in an application that can be accessed on a phone, tablet, or computer. These digital tools allow us to enhance our scholars' learning, as well as the relationships and communication we have with them and each other. While a virtual community is important to us, we also seek to build in-person communities with a variety of enrichment events, workshops, and field trips.

Scholars and learning coaches work with their assigned, credentialed ST to develop a custom personalized learning plan for their scholars. Families communicate with their assigned ST on a regular basis to discuss work and progress and to submit samples and logs. In addition, instructional funds are allocated to each scholar to use towards approved, non-sectarian educational materials, curriculum, and services.

Enrollment Requirements

General Requirements

- A scholar must be five (5) years of age on or before September 1st in order to be admitted to kindergarten at any time during that school year. For those young scholars who will turn five between September 2 and December 2, they can enroll in Transitional Kindergarten. A scholar's age cannot exceed 19 years for initial enrollment unless the scholar has been continuously enrolled in school and making satisfactory progress toward graduation; if a scholar was not attending school at any time after his/her 19th birthday, he/she may not enroll with CCS.
- A scholar must have completed the CCS enrollment process, submit the applicable compliance documents, and signed a Master Agreement prior to starting courses.
- In accordance with Education Code Section 51747.3, a scholar must reside within the county in which CCS is authorized, or a contiguous county to the county in which CCS is authorized. Scholars must provide a proof of residency dated within 30 days of the start of the application.
- A scholar may only be enrolled in CCS and not concurrently enrolled in another school, public or private (unless prior permission is given for a community college).

Immunization Requirements

Pursuant to the California Health and Safety Code and the California Code of Regulations, children must have a minimum number of immunizations (shots) before they can attend school. Immunization records will be required for all incoming scholars. Verification of immunizations will be completed with written medical records from the child's doctor or immunization clinic. To ensure a safe learning environment for all scholars, the School follows and abides by the health standards set forth by the state of California. Scholars will not receive classroom-based instruction until all required records have been received. The immunization status of all scholars will be reviewed periodically. Those scholars who do not meet the State guidelines may be excluded from classroom-based instruction until the requirements are met. Scholars who have been exposed to a communicable disease for which they have not been immunized may be excluded from classroom-based instruction at the discretion of the School.

These required immunizations include:

- Scholars who are enrolled in a home-based private school or independent study program and do not receive any classroom-based instruction.
- A student who has not received all of the required immunizations will not be eligible to attend classes at a Charter School resource center unless the student is otherwise exempt under #1 or #3.
- Scholars who, prior to January 1, 2016, submitted a letter or affidavit on file at a private or public elementary or secondary school in California stating beliefs opposed to immunization, and who provides said letter or affidavit to the CCS, shall be allowed to enroll at the CCS without being fully immunized until the student enrolls in the next grade span pursuant to Health and Safety Code Section 120335(g);
- “Grade span” means each of the following:
 - a. Birth to Preschool.
 - b. Kindergarten and grades 1 to 6, inclusive, including transitional kindergarten.
 - c. Grades 7 to 12, inclusive.

If there is good cause to believe that a child has been exposed to a disease listed in subdivision (b) of Section 120335 and documentary proof of immunization status does not show proof of immunization against that disease, that child may be temporarily excluded from classroom-based instruction until the local health officer is satisfied that the child is no longer at risk of developing or transmitting the disease.

CCS shall immediately admit a foster child, as defined in Education Code § 48853.5(a), and a homeless child, as defined in Section 11434a(2) of Title 42 of the United States Code, regardless of whether the foster or homeless child’s immunization records are not available or are missing. However, this does not alter CCS’s obligation to obtain immunization records for foster and homeless scholars or to ensure the full immunization of foster and homeless students as required by law.

This Policy does not prohibit a pupil who qualifies for an individualized education program (“IEP”), pursuant to federal law and Education Code Section 56026, from accessing any special education and related services required by the scholar’s individualized education program.

Any scholar leaving the United States for a visit to any country considered by the Center of Disease Control (“CDC”) and Prevention to have increased risk of TB exposure MUST call the County Tuberculosis Clinic for a TB Screening upon return.

Oral Health Exam Requirements

California law states scholars must have an oral health assessment by May 31 of his/her kindergarten year or, if the scholar was not previously enrolled in kindergarten in a public school, his/her first-grade

year. A California licensed dental professional operating within his/her scope of practice must perform the check-up and fill out our oral health assessment form. If your scholar had a dental check-up in the 12 months before he/she started school, ask your dentist to fill out the oral health assessment form required for enrollment. If you are unable to get a dental check-up for your scholar, a waiver is available upon request.

Diabetes

The Charter School will provide an information sheet regarding type 2 diabetes to the parent or guardian of incoming 7th grade students, pursuant to Education Code Section 49452.7. The information sheet shall include, but shall not be limited to, all of the following:

- A description of type 2 diabetes.
- A description of the risk factors and warning signs associated with type 2 diabetes.
- A recommendation that scholars displaying or possibly suffering from risk factors or warning signs associated with type 2 diabetes should be screened for type 2 diabetes.
- A description of treatments and prevention of methods of type 2 diabetes.
- A description of the different types of diabetes screening tests available.

Please contact the office if you need a copy of this information sheet or if you have any questions about this information sheet.

Physical Examinations and Right to Refuse

All pupils are to have completed a health screening examination on or before the 90th day after the pupil's entrance into first grade or such pupils must have obtained a waiver pursuant to Health and Safety Code Sections 124040 and 124085. This examination can be obtained from your family physician or possibly through the services provided by your County Health Department. Information and forms are distributed to scholars enrolled in kindergarten or a California public school for the first time. If your child's medical status changes, please provide the supervising teacher with a physician's written verification of the medical issue, especially if it impacts in any way your child's ability to perform schoolwork.

A parent/guardian having control or charge of any child enrolled in the School may file annually with the Superintendent & CEO of the school in which the child is enrolled a written and signed statement stating that he or she will not consent to a physical examination of the child. Thereupon the child shall be exempt from any physical examination, but whenever there is a good reason to believe that the child is suffering from a recognized contagious or infectious disease, the child shall be sent home and shall not be permitted to return for classroom-based instruction until the school authorities are satisfied that any contagious or infectious disease does not exist.

California Healthy Kids Survey

The Charter School will administer the California Healthy Kids Survey ("CHKS") to scholars in grades 5, 7, 9, and 11 whose parents or guardians provide written permission. California Education Code sections 51513 and 51938(c) specify that parent or guardian consent be granted before scholars are given

questionnaires or surveys asking about personal beliefs or practices that include health behavior and risks. There are two kinds of parent or guardian consent: passive and active.

- Active Consent requires that a parent or legal guardian be notified in writing and gives written permission for the scholar to participate in the survey. Active consent is required of the fifth grade CHKS survey.
- Passive Consent requires that a parent or legal guardian be notified in writing about the survey and is given the opportunity to review the survey. Parents need to notify the school if they do not want their child to participate in the survey. Passive consent is required for CHKS survey administered to scholars in grades seven through twelve.

The CHKS is an anonymous, confidential survey of school climate and safety, scholar wellness, and youth resilience that enables the School to collect and analyze data regarding local youth health risks and behaviors, school connectedness, school climate, protective factors, and school violence.

Availability of Health Insurance

Children—regardless of immigration status (foster youth, pregnant women, and legally present individuals, including those with deferred action for childhood arrivals [“DACA”] status) -- may be eligible for no- or low-cost Medi-Cal insurance. Medi-Cal covers immunizations, checkups, specialists, vision and dental services, and more for children and youth at no- or low-cost. Medi-Cal enrollment is available year-round.

Covered California is where legal residents of California can compare quality health plans and choose the one that works best for them. Based on income and family size, many Californians may qualify for financial assistance. Enrollment may occur during Open Enrollment or any time you experience a life-changing event, like losing your job or having a baby. You have sixty (60) days from the event to complete enrollment. Information regarding the availability of insurance is provided with enrollment forms and available at:

http://hbex.coveredca.com/toolkit/PDFs/ALL_IN_Flyer_EnrollGetCareRenew_CC.pdf

The School shall not discriminate against a scholar who does not have health care coverage or use any information relating to a scholar’s health care coverage or interest in learning about health care coverage in any manner that would bring harm to the scholar or the scholar’s family.

Mental Health Services

The School recognizes that when unidentified and unaddressed, mental health challenges can lead to poor academic performance, increased likelihood of suspension and expulsion, chronic absenteeism, student attrition, homelessness, incarceration, and/or violence. Access to mental health services at the School and in our community is not only critical to improving the physical and emotional safety of scholars, but it also helps address barriers to learning and provides support so that all scholars can learn problem-solving skills and achieve in school and, ultimately, in life. The following resources are available to your child:

Available through CCS:

- **School-based counseling services** – Your scholar is encouraged to directly contact a Charter School counselor by making an appointment to speak with a counselor. The Counseling Services

Department can be reached at (855)-937-4227. Our Charter School counselors support scholars by providing individual sessions and/or group or parent consultations whenever a scholar is having a difficult time due to academic stress, transition to changes in their environment, or social concerns, including isolation. Counseling services, whether provided by our Charter School or by an outside provider listed in this letter, are voluntary.

- **Special education services** – if you believe your child may have a disability, you are encouraged to directly contact the Special Education Department at (855) 937-4227 to request an evaluation.

Available in the Community:

- Community resources are listed on the school website under Counseling Services.

Available Nationally:

- National Suicide Prevention Hotline - This organization provides confidential support for adults and youth in distress, including prevention and crisis resources. Available 24 hours at (800) 273-8255.
- Crisis Text Line - Text Hello to 741741- Crisis Text Line fields messages about suicidal thoughts, abuse, sexual assault, depression, anxiety, bullying and more.
- The Trevor Project - This organization provides suicide prevention and crisis intervention for LGBTQ youth between the ages of 13 and 24. Available at (866) 488-7386 or visit <https://www.thetrevorproject.org/>.
- Big Brothers/Big Sisters of America – This organization is a community- based mentorship program. Community-specific program information can be found online at <https://www.bbbs.org> or by calling (813) 720-8778.

Human Trafficking Prevention

California has the highest number of incidents of human trafficking in the U.S., and all scholars may be vulnerable. CCS believes it is a priority to inform our scholars about (1) prevalence, nature of and strategies to reduce the risk of human trafficking, techniques to set healthy boundaries, and how to safely seek assistance, and (2) how social medial and mobile device applications are used for human trafficking.

In accordance with the California Healthy Youth Act, Charter School will provide age-appropriate instruction on the prevention of human trafficking, including sexual abuse, assault, and harassment. You have the right to excuse your child from all or part of instruction on prevention of human trafficking. If you choose to opt out your child from all or part of the instruction, send an email to your scholar’s supervising teacher stating so. Your consent for this instruction is NOT required. If we do not receive a written request to excuse your child, your child will be included in the instruction.

Information and materials for parents/guardians about the curriculum and resources on prevention of human trafficking and abuse, including sexual abuse, assault, and harassment are available on Charter School’s website for your review.

Tobacco-Free Schools

Ample research has demonstrated the health hazards associated with the use of tobacco products, including smoking and the breathing of secondhand smoke. Charter School provides instructional

programs designed to discourage students from using tobacco products. The Charter School's Governing Board recognizes that smoking and other uses of tobacco and nicotine products constitute a serious public health hazard and are inconsistent with the goals of CCS to provide a healthy environment for scholars and staff.

In the best interest of scholars, employees, and the general public, the Board therefore prohibits the use of tobacco products at all times on Charter School property and in Charter School vehicles. This prohibition applies to all employees, scholars, visitors, and other persons at school or at a school-sponsored activity or athletic event. It applies to any meeting on any property owned, leased, or rented by or from CCS.

Smoking or use of any tobacco-related product or disposal of any tobacco-related waste is prohibited within 25 feet of any playground, except on a public sidewalk located within 25 feet of the playground. Smoking or use of any tobacco-related product is also prohibited within 250 feet of the youth sports event in the same park or facility where a youth sports event is taking place. In addition, any form of intimidation, threat, or retaliation against a person for attempting to enforce this policy is prohibited.

The Superintendent & CEO or designee shall inform scholars, parents/guardians, employees, and the public about this policy. All individuals on Charter School premises share in the responsibility of adhering to this policy. Additionally, Charter School will post signs stating "Tobacco use is prohibited" prominently at all entrances to school property. A copy of the complete Policy is available upon request at the Central Office and on the School's website within the Board Policy Manual.

Surveys About Personal Beliefs

Unless you give written permission, your child will not be given any test, questionnaire, survey, or examination containing any questions about your child's, or his/her parents' or guardians' personal beliefs or practices in sex, family life, morality, or religion.

Free and Reduced-Price Meals

Pursuant to California Law, the Charter School will provide each scholar who meets federal eligibility criteria for free and reduced-price meals with at least one (1) free or reduced-price, nutritionally adequate meal per each school day on which the eligible student is scheduled for two (2) or more hours of educational activities at a school site, resource center, meeting space or other satellite facility operated by the Charter School. Applications for free or reduced-price meals are included during the enrollment and re-enrollment process through the application of an income and household size survey. All families are encouraged to complete the application form in order to include as many eligible students as possible. Completed application forms can be returned to the Central Office.

Income and Household Size Survey

Public schools may qualify for several federal and state grants based on annual population demographics. By completing this survey during the enrollment and re-enrollment process families can help the Charter School attain additional resources necessary to serve all scholars. Generally, schools with families that have eligible incomes based on the free and reduced lunch qualifiers may support these additional grants. Please note, funding determinations are based upon the total number of scholars that qualify. The information submitted in this survey is a confidential educational record and

therefore protected by all relevant federal and state privacy laws that pertain to educational records including, without limitation, the Family Educational Rights and Privacy Act of 1974 (FERPA), as amended (20 U.S.C. Â§ 1232g; 34 CFR Part 99); Title 2, Division 4, Part 27, Chapter 6.5 of the California Education Code, beginning at Section 49060 et seq.; the California Information Practices Act (California Civil Code Section 1798 et seq.) and Article 1, Section 1 of the California Constitution

School Safety Plan

The Charter School has established a Comprehensive School Safety Plan. The Plan is available upon request at the Central Office and on the school website within the CCS Board Policy Manual.

Pregnant and Parenting Scholars

The Charter School recognizes that pregnant and parenting scholars are entitled to accommodations that provide them with the opportunity to succeed academically while protecting their health and the health of their children. A pregnant or parenting pupil is entitled to eight (8) weeks of parental leave, or more if deemed medically necessary by the scholar's physician, which the scholar may take before the birth of the scholar's infant if there is a medical necessity and after childbirth during the school year in which the birth takes place, inclusive of any mandatory summer instruction, in order to protect the health of the scholar who gives or expects to give birth and the infant, and to allow the pregnant or parenting scholar to care for and bond with the infant. The Charter School will ensure that absences from the scholar's regular school program are excused until the scholar is able to return to the regular school program or an alternative school program.

Upon return to school after taking parental leave, a pregnant or parenting scholar will be able to make up work missed during their leave, including, but not limited to, makeup work plans and re-enrollment in courses. Notwithstanding any other law, a pregnant or parenting scholar may remain enrolled for a fifth year of instruction in the Charter School if it is necessary in order for the scholar to be able to complete any graduation requirements, unless the Charter School determines that the scholar is reasonably able to complete the graduation requirements in time to graduate from high school by the end of the scholar's fourth year of high school.

Complaints of noncompliance with laws relating to pregnant or parenting scholars may be filed under the Uniform Complaint Procedures ("UCP") of the Charter School. The complaint may be filed in writing with the compliance officer:

J.J. Lewis, Superintendent & CEO
 850 Hampshire Road, Suite P
 Thousand Oaks, California 91361
 (818) 824-6233
jlewis@compasscharters.org

A copy of the UCP is available upon request at the Central Office and on the school website within the CCS Board Policy Manual. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the complaint procedures, please contact the Superintendent & CEO.

Master Agreement

To attend CCS, each scholar, Parent/Legal Guardian, and supervising teacher shall sign a Master Agreement (“MA”) prior to the first day of courses each school year. This is a legal document and must be signed, dated, and returned to CCS. No scholar or learning coach will have access to the curriculum until the MA is signed and returned. Failure to sign and return an MA within the first three (3) days of starting courses will result in a mandatory meeting with the Superintendent& CEO or designee. The signed MA is the agreement that the scholar and learning coach sign to demonstrate their intention to continue enrollment in CCS. All scholars enrolled in CCS must sign a new Master Agreement each school year.

An addendum or updated MA must be submitted if changes are made in courses, supervising teacher, or grade level during the school year. This document also requires that each scholar, Parent/Legal Guardian, and supervising teacher sign thus approving the changes.

Teacher Qualification Information

All parents or guardians may request information regarding the professional qualifications of supervising teachers and/or paraprofessionals.

Internet Service

Participation in CCS requires an Internet connection. Learning coaches who wish to request Internet service reimbursement will need to fill out the appropriate forms and email our IT Department. Alternatively, a learning coach may opt to independently purchase an Internet connection. An Internet connection is required because the nature of the CCS program’s communication methods requires that scholars and learning coaches have Internet so they can access resources, as well as log attendance and submit assignments.

Internet Safety Policy

It is the policy of CCS to: (a) prevent user access over its computer network to, or transmission of, inappropriate material via Internet, electronic mail, or other forms of direct electronic communications; (b) prevent unauthorized access and other unlawful online activity; (c) prevent unauthorized online disclosure, use, or dissemination of personal identification information of minors; and (d) comply with the Children’s Internet Protection Act [Pub. L. No. 106-554 and 47 USC 254(h)]. The CCS Internet Safety Policy is available on the school website or at the Central Office within the CCS Board Policy Manual.

Grade Level Placement Policy

A scholar’s grade level is determined upon initial enrollment and is written on the Master Agreement.

TK - 8th Grade

- Incoming scholars will be placed at their age-appropriate grade level, but not below or above grade level, unless the previous school has officially approved a retention or promotion.
- If the grade level placement the learning coach desires differs from that indicated in the prospective assignment, the situation must be discussed with the Principal prior to making the change on the Master Agreement. They will make a recommendation for the Superintendent &

CEO or designee who shall make the final decision.

Middle School (6th-8th Grade)

An incoming 6-8th grade scholar must provide the most recent report card and current progress report, if enrolling during the school year, in order to determine appropriate placement. Failure to do so does not delay enrollment, but will delay the appropriate placement of the scholar into courses. If a scholar has not attended school for an entire academic year or more, appropriate placement will be reviewed by the Principal and Director of Counseling Services. Scholars may be required to take assessments to determine appropriate placement.

High School (9th-12th Grade)

An incoming 9-12th grade scholar must provide official transcripts, the most recent report card, and current progress report (if enrolling during the school year), in order to determine appropriate placement. Failure to do so does not delay enrollment, but will delay the appropriate placement of the scholar into courses.

Upon enrollment, high school scholars will be placed into courses according to the credits the scholar has earned at previous schools and takes into account appropriate course level sequencing in order to meet graduation requirements.

Policy on Promotion and Retention

Promotion to the next grade level is dependent upon the grades earned. Scholars must pass a minimal number of core curriculum courses (i.e. mathematics, science, social science, and language arts) and successfully complete any prescribed school year academic instructional support programs. Scholars who are at risk of retention will be provided with programs of supplemental instruction during the school year. Scholars who do not make satisfactory progress each year are at risk of being retained.

- Learning coaches will receive notice of progress or lack of progress in target areas through mid-semester progress reports and semester report cards. Learning coaches will be notified by the ST of areas of academic concerns in parent teacher conferences or in writing on progress reports or semester report card.
- If a learning coach or ST feels that a TK-8th grade scholar should be retained a grade level, the situation must be discussed with the learning coach, Principal, and Director of Counseling Services (if in grades 6-8) prior to making the change on the Master Agreement. They will make a recommendation for the Superintendent & CEO or designee who shall make the final decision.
- If a learning coach requests that a TK-8th grade scholar be promoted a grade level, the situation must be discussed with the learning coach, ST, Principal, and Director of Counseling Services (grades 6-8) prior to making the change on the Master Agreement. These promotions will only be considered just before or at the start of the fall semester and only for scholars in grades 4 and above. The aforementioned will make a recommendation for the Superintendent & CEO or designee who shall make the final decision.
- Scholars may be required to take a placement exam and/or end of unit subject tests to determine appropriate placement based on learning coach requests for skipping or repeating a grade.

For students qualified under the Individuals with Disabilities Education Act (“IDEA”), any decisions regarding retention will be made by the Individualized Education Program (“IEP”) team in an IEP meeting. For Scholars with a Section 504 Plan, any decisions will be made by the Section 504 team in a 504 meeting.

Appeal Process

Every family has the right to appeal a retention decision. If an appeal is made, the burden shall be on the appealing party (the family) to show why the decision of the School should be overruled. The appeal must be submitted in writing within seven (7) calendar days of the date the retention recommendation was issued. The appeal must be submitted to the Principal. The appeal must clearly state the grounds for the appeal. Within (14) calendar days, the Principal or designee will review the documentation provided with the appeal statement. The response to this appeal will be rendered to the family no more than seven (7) calendar days from the review date. The family may request to meet with the individual(s) reviewing their appeal, but the family must still submit their appeal in writing within the designated time frame described above. The Principal’s decision will be final.

Benchmark Testing

All scholars will be required to take a benchmark assessment in math and reading in order to determine a baseline of proficiency levels at the beginning of the school year. They will be assessed again at the start of the second semester, and again at the end of the school year.

If the scholar has not attended school for an entire academic year or more, appropriate placement will be reviewed by the Director of Counseling Services, Assistant Principal, and Principal. Scholars may be required to take assessments to determine appropriate placement.

Scholar Expectations

- Attend live connections with the ST.
- Upload work samples and other educational experiences to the virtual digital portfolio application.
- Work about one (1) hour per subject or up to six (6) hours per day. The amount of time a scholar spends per subject will vary based on individual scholar strengths.
- Complete the assignments according to the curriculum pacing guidelines and/or personalized learning plan and reach out to ST with questions to ensure success.
- Do own work. Do not plagiarize.
- Be an active learner. Take notes, ask questions, and complete all assignments.
- Complete work every school day and adhere to the attendance policy, regardless of any technical difficulties with scholar-operated computers. Contact ST with any technical difficulties with completing activity logs.
- Create a daily schedule to ensure all assigned work is completed.
- If a scholar participates in outside activities, the scholar is expected to keep up with their courses and submit work samples on time.
- Return calls and emails promptly when ST reaches out.
- Notify the Records Department within five (5) business days if the scholar moves or changes their personal email or phone number.

- Be respectful in interactions with fellow scholars, learning coaches, faculty, and staff.
- Participate in internal assessments.
- Attend all state testing in person at school-designated locations.

Learning Coach Responsibilities

- Turn in work samples on time with appropriate pages, topics, and lesson numbers.
- Make sure that all work has been corrected and that work samples with rough drafts are included.
- Communicate regularly with ST to discuss academic progress.
- Check email and phone messages daily and respond promptly.
- Ensure contact information is reliable. Inform the Enrollment Department within five (5) business days of any changes to contact information, including phone, email, or address.
- Keep informed of news and information about School through communication from staff and newsletters.
- Notify ST of any extended family travel except during normal school vacations and holidays at least two (2) weeks prior to leaving.
- Be present in scholar's daily school life.
- Ensure the scholar works daily, M-F, for sufficient time to ensure success (4-6 hours daily) and is prepared and ready to learn every day.
- Supervise, tutor, coach, and direct the scholar's daily lessons as advised by the assigned supervising credentialed teacher.

The scholar is subject to discipline procedures, including suspension and expulsion in accordance with the CCS charter and the Charter School policy as it pertains to violations to any of the following expectations:

- Respect opinions and privacy of others during web-based discussions.
- Refrain from posting anonymous messages unless authorized by the teacher.
- Use only your own username and password, and do not share these with anyone.
- Do not post personal information including: phone number, YouTube, Facebook, etc.
- Do not download, transmit, or post material that is intended for personal gain or profit.
- Do not post material that is obscene or defamatory or which is intended to annoy, harass, or intimidate another person. This includes distributing "spam" mail, chain email, viruses, or other intentionally destructive content.
- Do not distract other scholars via chat, web, or drawing features.
- Do not upload or post any software on CCS instructional computing resources that are not specifically required for your assignments and approved by your teacher.
- Do not post any audio, video, or other non-instructional files to any CCS server.
- Avoid using sarcasm, jargon, slang, and derogatory or foul language.
- Limit use of communications expressed in all capital letters, as this can be considered yelling.
- Do not broadcast online discussions, and never reveal other people's email addresses.

A copy of CCS' full Suspension and Expulsion Policy is available on the school website or at the Central Office, as well as within this Handbook.

Attendance

Attendance is important for the success of a scholar. If a scholar does not attend school, then a scholar cannot succeed in their courses. Attendance at an independent study school looks very different than that at a brick and mortar school.

Independent study attendance credit is based upon the scholar's daily engagement in instructional activities required by the school (assignments) on days that school is in session (Monday through Friday, non-holidays) and further determined based upon the time value of the scholar's work product, judged in the discretion of the supervising credentialed teacher. A copy of the Charter School's full Independent Study Policy is available on the School website within the CCS Board Policy Manual or at the Central Office.

PE/Activity Logs

The learning coach and scholar must ensure that activity logs are accurate, marking activity each day in the relevant subject areas. Activities may include virtual courses, outside courses, courses at learning centers, lessons at home, field trips, etc. This log is a mandatory requirement and must be updated weekly. The connection meetings between the ST and the learning coach and scholar allow for open communication as well as a validation of submitted activity logs. In addition, work assignments/samples must be shared with the scholar's ST via an application called Seesaw.

Blanks on the activity log from lack of educational activity for the day or from lack of connections with the ST are considered absences. All absences are unexcused.

Animal Dissections

Scholars at the Charter School may perform animal dissections as part of the science curriculum. Any scholar who provides his or her teacher with a written statement, signed by his or her parent/guardian, specifying the scholar's moral objection to dissecting or otherwise harming or destroying animals, or any parts thereof, may be excused from such activities if the teacher believes that an adequate alternative education project is possible. The alternative education project shall require a comparable time and effort investment by the scholar. It shall not, as a means of penalizing the scholar, be more arduous than the original education project. The scholar shall not be discriminated against based upon his or her moral objection to dissecting or otherwise harming or destroying animals, or any parts thereof.

Missed Assignments

As per the independent study policy, after two [2] missed meetings during any period of ten [10] school days, an evaluation will be conducted by CCS to determine whether it is in the best interest of the scholar to remain in independent study.

Work Sample Requirements

In order for attendance credit to be given, representative work samples must be uploaded to the digital portfolio application or shared with the ST in another agreed upon manner in accordance with the frequency, time, and manner specified in the board policy on independent study and the applicable provisions of the Master Agreement.

Mandated State Testing

As attendees of a public charter school, our scholars participate in the following state standardized tests:

- Grade 5, 8, 11 and 12 - California Science Test (“CAST”). Grade 12 scholars will take the CAST if they have not previously taken it.
- Grades 3-8, and 11 - SBAC Testing (aka California Assessment of Student Performance and Progress: “CAASPP”) - ELA and math
- Grade 5, 7, 9 - Physical Fitness Test (“PFT”)
- English Language Learners: English Language Proficiency Assessments for California (“ELPAC”)

These examinations provide CCS with information for evaluation and future planning. These exams also indicate CCS’ effectiveness in carrying out its educational mission. Participation rates are critical to the success of our school. According to recent changes promulgated by the Every Student Succeeds Act (“ESSA”), signed into law in December 2015, a public school is required to achieve a participation rate of 95% on any state testing. If a school has less than 95% of its scholars participate in any assessment, the school receives a serious penalty by the state of California or federal government.

- CCS administers all state standardized tests at sites geographically placed among our scholar locations. A testing schedule will be provided to our learning coaches.
- Individual scholar performance results on statewide assessments will be distributed to both learning coaches and STs and on the California Department of Education’s (“CDE”) web page at <http://www.cde.ca.gov/ta/>
- Notwithstanding any other provision of law, a learning coach’s written request to CCS officials to excuse their scholar from any or all parts of the CAASPP assessments, including CAST, shall be granted.

Tests Proctored by Agencies Other Than CCS

Advanced Placement (“AP”)

A program offering college-level curricula and examinations to high school scholars. American colleges and universities often grant placement and course credit to scholars who obtain high scores (typically scores of 3 or better) on the examinations. The AP curriculum for each of the various subjects is created for the College Board by a panel of experts and college-level educators in that field of study. For questions on AP testing, registration and locations please speak with the College & Career Readiness Counselor.

Contact Information & Communication Procedures

Methods of Communication

Reliable contact information is required for all learning coaches and for scholars.

Email Expectations

- We request that scholars (6-12th) and learning coaches supply separate email addresses for communication.
- All scholars are expected to communicate respectfully with school staff and peers through all methods of communication by using appropriate language. Failure to do so may result in disciplinary action.
- Scholars are expected to reply to communication from school personnel within 24 hours.
- Scholars should include their name and grade when they are emailing school staff.
- Unable to Contact
- Regular communication with CCS teachers is essential for a scholar's success at CCS. If you are planning to be unavailable to communicate with your scholar's teacher for a period of time, please notify the teacher so that proper arrangements to monitor your scholar's progress and attendance can be made.

Notification Regarding Change of Contact Information

As stated in the Master Agreement Acknowledgment of Responsibilities, it is the responsibility of parents, guardians or adult foster care caregiver to inform the school of any change of address, telephone number or emergency information. Parents must provide a manner to receive both written (U.S. Mail) and oral communication (telephone, cell, email) regarding their child(ren). For the protection of the scholar's health and welfare, and to facilitate immediate communication with the parent/legal guardian or caregiver, CCS, in accordance with Education Code Section 49408, requires the parent/legal guardian to provide current emergency information in the online enrollment application at the time of enrollment. Every parent/legal guardian or caregiver must complete an online enrollment application for each scholar at the time of enrollment. Emergency information should include, but is not limited to the following:

- Home address and current telephone, including cell phone
- Employment/business addresses and phone numbers
- Relative/Friend's name, address, and telephone numbers authorized to pick up and care for the scholar in an emergency situation, if the parent/legal guardian cannot be reached.

This information must be updated with the Records Department within five (5) business days to ensure timely communication with CCS staff. In order to request change of contact information, the learning coach must complete the Change of Contact Information Form which is located on the Schools' website.

Parents of scholars with disabilities should also have the name of any other designated adult who can receive their child in case of an emergency. Scholars will only be released to a person listed on the emergency card unless the parent/legal guardian has provided written authorization on a case by case basis during testing and/ or other engagement or enrichment events. Parents are required to update this information at least twice per school year. The emergency phone number for the parents and

relatives/friends and all other information, such as name or address can be changed through the [Change of Information Form](#) found on our website.

Proof of Residency

Learning coaches must notify the Enrollment Department to provide a proof of new residence. A form to submit these changes can be found on the School's website under Parent/Scholar Resources. Learning coaches must complete the [Change of Information](#) to update their address and provide an updated proof of residence attached or emailed to compliance@compasscharters.org

Although connections can certainly be made more often and by other means as needed, scholars and learning coaches (parents) must connect with the ST either in person, by telephone, or by any other live visual or audio connection no less than twice (2) per month. The Parent(s), scholar, and ST should decide on and set the connection dates for the year and keep that schedule.

It is during these connections that the ST is updated on the scholar's progress by the scholar (or if the scholar is too young, by the learning coach), assesses whether the scholar is making satisfactory educational progress, and approves the submitted activity logs. Work assignment samples and digital portfolio submissions are also discussed during these times. A missed connection is considered an absence. Refer to above "Unable to Contact" section, above, for additional information

The following are key components of learning period connections:

- Bi-weekly, live communication
- Work assignment samples (TK-8 - at least two total per learning period; High school - at least one per subject per learning period)
- Weekly Activity Logs

Missing any of the three components from the list above for any learning period or consistently late work samples (due by the last day of each learning period) will be considered a violation of the Master Agreement contract, and the learning coach will receive a warning. If the missing items are not addressed in a timely manner, a meeting pursuant to the Independent Study Policy will convene to determine whether placement at CCS independent study is an appropriate placement for the scholar. Similarly, if the ST determines that satisfactory educational progress is not being made, the ST shall notify the scholar and parent and conduct an evaluation pursuant to the Independent Study Policy to determine whether it is in the best interest of the scholar to remain in the program.

Academic Program

Digital Portfolio

Scholars must regularly share their educational experiences in their digital portfolios or directly to their ST. This portfolio should be a collection of experiences and work that is a source of pride for the scholar. This collection of work samples for the school year is a portfolio of the breadth and depth of the scholar's learning. Work samples should be at the scholar's grade level (or above) and be a good representation of the scholar's true level of learning. This will help guide the learning coach, scholar, and ST discussions on the scholar's progress and will help the ST be aware of any need for additional support. It also provides insight regarding a scholar's interest or passion so that the ST can provide additional resources or support in those areas when they are able to.

Work sample suggestions:

- Written assignment
- PowerPoint presentation
- Written work, essay, or test
- Video* of lessons or activities that demonstrate learning
- Summary of educational field trip or excursion
- Photo and explanation of a science experiment
- Video* or audio of the scholar reading aloud or to a sibling or parent
- Video* of a scholar giving a speech
- Video* or audio of the scholar explaining a recently learned concept

*For video or audio submissions, please include a brief description of topic covered and the activity.

Work Sample Guidelines

TK-8th grades: From the breadth of learning experiences demonstrated in the portfolio, the ST will select two (2) assignments per learning period in the areas of English Language Arts, Math, Science, and/or Social Studies to keep on file.

9-12th grades: From the learning experiences demonstrated in the portfolio in each of the scholar's courses, the ST will select two (2) assignments per learning period to keep on file.

Written work samples should:

- be from curriculum at the scholar's grade level (or above) / courses;
- be representative of the scholar's abilities;
- be neat and legible;
- contain the scholar's name on the page;
- not contain any religious materials or references;
- (for math) show problems worked out or explained in detail by the scholar;
- preferably NOT be multiple choice worksheets;
- be scored and/or have written comments by the learning coach (parent);
- (for photos or videos),
- be clear and have enough light;
- include the scholar with the project or work;
- demonstrate the learning;
- have a clearly written summary of the learning. (Use several photos if needed.)

Progress Monitoring

"Snapshots" of scholar progress can be viewed in the digital portfolio. Once assigned, a grade shall be final unless it comes to light that the student engaged in fraud or cheating, or if a mistake was made by the teacher assigning the grade. If the scholar or learning coach want to challenge a grade, they may follow the process outlined within the School's Educational Records and Scholar Information Policy which is located within the CCS Board Policy Manual.

Scholar Recognition

- Honor Roll recognition is awarded each semester to scholars who have earned a minimum 3.5

rubric average (TK-5) or a minimum 3.5 GPA (6-12).

- Scholar of the Month is awarded by teacher recommendation based on demonstration of CCS' ARTIC values.
- Firebird of the Year is awarded by teacher recommendation based on demonstration of CCS' ARTIC values and being a scholar of the month recipient.
- Core Values (ARTIC) Awards are designed to celebrate scholars who exemplify CCS' ARTIC Values. These are awarded by teacher recommendation two times per year, once in the first semester and once in the second semester.
- Perfect Attendance award is given to scholars who attend 100% of the days during the award period.
- NHS Lifetime members must be inducted into CCS NHS Chapter and stay compliant with service hours as well as meeting attendance for 3+ Semesters
- Presidential Award for Educational Excellence (Gold Seal) (8th, 12th) recognizes academic success by either grade point average of 90 on 100 scale, A- on letter scale, or 3.5 on a 4.0 scale, PLUS high achievement on state or nationally normed reading or mathematics examinations (or recommendations of a teacher plus one other staff member).
- Presidential Award for Educational Achievement (Silver Seal) (8th, 12th) recognizes scholars who show outstanding education growth, improvement, commitment or intellectual development in their academic subject, but who do not meet the criteria for the President's Award for Educational Excellence. Teacher and Assistant Principal recommendation required.
- Samaritan Award recipients must complete 50 hours of community service and apply for the award in order to be considered for this achievement.
- Golden State Seal Merit Diploma (12th) - The Golden State Seal Merit Diploma is an award given to recognize public school graduates who have demonstrated their mastery of the high school curriculum in at least six (6) subject matter areas, four (4) of which are English language arts, mathematics, science, and U.S History, with the remaining two (2) subject matter areas selected by the scholar. The Golden State Seal Merit Diploma insignia is affixed to the diploma and transcript of each qualifying scholar. Seal should continue to be awarded to qualifying scholars per California Education Code Section 51454.
- State Seal of Biliteracy (12th) - The State Seal of Biliteracy is an award given in recognition of scholars who have attained a high level of proficiency in two (2) or more languages. The State Seal of Biliteracy takes the form of a gold seal that appears on the transcript or diploma of the graduating senior, and is a statement of accomplishment for college admissions and future employers. Seal will be awarded to qualifying scholars per California Education Code sections 51460–51464.

Additional information about our recognition program can be found on our website.

Multi-Tiered System of Support

A Multi-Tiered System of Supports (“MTSS”), including Response to Intervention (“RTI”) and Positive Behavioral Intervention and Supports (“PBIS”), is a systematic multi-tiered model which targets behavioral, social, emotional, and academic support for scholars. MTSS establishes a process for providing increasing levels of instructional time and intensity whereby the needs of all learners are identified, and supported early and effectively.

MTSS provides high quality standards-based core instruction and the use of data to identify scholars for appropriate acceleration and intervention. The MTSS model advances academic and behavioral

achievement through frequent progress monitoring, ongoing data collection and analyses as well as providing immediate, evidence-based intervention.

In order to best support our scholars and ensure they are achieving academically and socially/emotionally, scholars receive support from different Tiers throughout the framework.

The three components within the CCS MTSS framework are:

- Assessments
- Internal benchmark assessments
- CAASPP State Testing

High-Quality, Evidence-Based Instruction

- Tier 1 - Core Instruction (80%--universal interventions)
- Tier 2 - Supplemental Instruction (15%--targeted group interventions)
- Tier 3 - Intensive Instruction (5%--intensive individual interventions)

Data-Based Decision Making

- Leadership meets regularly to assure outcomes are achieved
- Academic support sessions, social emotional learning, and behavioral groupings are offered on a regular basis by Compass Charter Schools. Scholars invited to these support sessions are encouraged to attend.

TK - 5 Grading Policy

TK-5th grade scholars’ final semester grades will be reported according to the following scale:

- Level 5 = Advanced - Scholar consistently demonstrates an in-depth understanding of well-above grade-level standards, concepts, and skills.
- Level 4 = Exemplary - Scholar consistently demonstrates an in-depth understanding of the grade-level standards, concepts, and skills taught during this reporting period.
- Level 3 = Proficient - Scholar consistently demonstrates an understanding of the grade-level standards, concepts, and skills taught during this reporting period.
- Level 2 = Approaching Proficiency - Scholar is approaching an understanding of the standards, concepts, and skills taught during this reporting period.
- Level 1 = Non-Proficient - Scholar does not yet demonstrate an understanding of the standards, concepts, and skills taught during this reporting period.

Middle school and high school scholars’ grades will be reported with a standard percentage scale. High school credit is earned for cumulative, semester grades.

A	90-100	4
B	80-89	3
C	70-79	2
D	60-69	1
F	BELOW 60	0

Withdrawn (“W”) - This grade will be given when scholar withdraws from CCS prior to completing 100% of the coursework.

Grades of Incomplete

Incomplete (“I”) grades will be granted only under extenuating circumstances and must be brought by the ST to the Principal who shall make the final decision.

High School Repeat Policy

Scholars may repeat a course to improve their GPA only if the original grade was a D or F. To be accepted by the UC/CSU system, scholars may repeat the course only once. Once a course has been repeated, the grade earned in the original course will remain on the transcript, but will display with the CCS repeat code, as well as “0.00” credits earned. The original course will not be included in the computation of the GPA. The course taken to remediate the D or F will be displayed with the grade and credits earned.

High School Grading/Final Exam Policy

All scholars in grades 9-12 are required to take semester final examinations in all courses, as appropriate. The learning coach can work with the ST to find an appropriate final exam. Scholars may not “test out” of courses by only taking a final examination.

Instructional Funds

Each scholar is allocated instructional funds for curriculum, materials, and/or classes. Instructional funds are to be used for the scholar’s educational needs, reflecting standards appropriate for their age level. Learning coaches, STs, and scholars work together to make purchasing decisions based on personal goals, learning styles, and academic progress, choosing from a wide range of our school-approved providers offering educational products and services.

Scholars have access to \$2800 (TK-8th grades) or \$3000 (high school) to support the purchase of educational materials and services needed to help the scholar progress. Allocated funds depreciate from the first day of school for scholars who do not start on the first day. Use of funds is spread through the year. The first half is available at the beginning of the first semester; the second half is made available just before the second semester begins. A freeze is typically placed on all orders during holiday breaks. Learning coaches also need to watch for ordering deadlines.

Before a parent is able to place their first order, they must have a signed Master Agreement and a signed Family Order Agreement (FOA) on file. Order requests will be denied without both. Also, orders will not be placed for scholars who are in violation of the Master Agreement (missing work samples, missing logs, and/or unable to contact).

The FOA addresses your responsibility when placing order requests as stated below.

For service providers that you use, you are responsible for:

- asking providers which payment option they prefer
- fees divided across the months that your scholar is in that class (Net30) RECOMMENDED
- fees as a lump sum (BUT the provider will be paid at END of semester/session) (Net30)
- paying any provider fees NOT pre-approved by CCS on the purchase order
- paying any provider fees that exceed amounts on purchase orders
- reading and following the [Instructional Funds Guidelines](#)

- paying any fees after scholar withdraws from the school
- confirming provider's prices & payment schedule for your scholar on emails and on purchase orders
- You are also responsible for the following regarding materials providers:
 - receiving your scholar(s)' orders that arrive at your home
 - checking off materials that arrive by initialing it on the packing list
 - comparing the shipment contents with the materials ordered, and noting missing items on the packing slip
 - signing and dating the packing list, then scanning/photographing that list and either uploading it to your order in VPM or sending it to your ST within 2 days of receiving the order.
 - returning (or paying for) any items the ST considers to be non-consumable upon your withdrawal from Compass.

CCS will not pay providers when materials are received you must upload a clear photo or scanned copy of the packing slip to your order in VPM within 2 days of when the order was delivered. Contact your ST immediately if you are unable to do this.

If a family fails to correctly check off and scan a copy of signed packing slips to the EF, the privilege of having materials sent directly to the scholar's home will be revoked. The family will then have make arrangements to pick up future ordered materials from the closest EF.

Requesting Services and Materials

Order requests may only be made for products and services from our approved providers, and a signed FOA (see section above for FOA contents) must be on file in order for material orders to be placed. Furthermore, there are guidelines to determine what materials and services are approved from these approved providers. CCS expects learning coaches to use instructional funds in a reasonable manner that furthers the instructional needs of their scholar. If any unusual orders are noted outside the scope of these guidelines, they will be subject to review and, if necessary, those orders may be delayed or denied.

When using instructional funds, focus should be on selecting materials and services that support the educational goals of the scholar and must relate to the courses in which the scholar is enrolled. The ST will assist with suggested curricula as needed. There is also a guide of acceptable purchases that will be provided. The learning coach submits an order request to the ST who then reviews it and, if approved, submits it to the Community Providers Department for ordering. When the appropriateness of requested materials or services is in doubt, the ST and the Community Providers Department will evaluate using their best professional judgment. Generally, any decision made at this level is final.

Material order totals must include approximately 20-25% to cover any shipping, taxes, and/or handling fees required by the provider. (Once invoices are reconciled, any overages will return to the balance allocated for the scholar.) Please watch for any notices of deadline dates for placing order requests. In March/April, the allotment of funds will need to be finalized as orders will close then.

Learning coaches will be expected to monitor their scholar's use of the loaned materials, including computers, to ensure appropriate use for educational purposes. Please be advised that the computer remains school property, and there is no reasonable expectation of privacy.

The materials purchased with state instructional funds are the property of Compass Charter Schools. Learning coaches should instruct their scholars on how to care for and respect any materials purchased by the school for scholar use. The materials are loaned to the scholar while they are enrolled in our school and are for their use for educational purposes. Once the scholar withdraws, the non-consumable materials must be paid for or returned within one week; otherwise, the family will be billed and transcripts will be held. If any item purchased by the school for instructional use is lost or broken by a scholar, the scholar must pay to replace the item.

Guidelines for Using Instructional Funds

Approved providers list: Orders may only be placed with providers on our list of approved providers, available on our website. Additional limitations may apply for some providers. See provider list for details.

Our payment: Compass Charter Schools only pays for services when an approved purchase order (PO) has been generated and only for the dollar amount stated on the purchase order. (For example, if a scholar has taken classes in September and October, but the purchase order only states October, then the school will NOT be responsible for paying those September activities.)

Core curriculum: Verify with your ST that you have your core curriculum in place. Orders for extracurricular activities and materials will not be placed if core curriculum is not sufficient for the scholar's needs.

Registration of outside courses: Contact the service provider directly to discuss the fees and their registration process. You must register your scholar(s) for the courses and sort out the details, including dates and prices, directly with the provider. As part of that discussion with the provider, you must determine if the provider wants to be paid monthly (recommended) or in a lump sum at the end of the semester/session. Discuss the fees with them so it is very clear how much they will charge your scholar(s) for courses. Make sure they agree to the prices on any cost breakdown. This part is very important. Again, we **STRONGLY** recommend you get all information on fees in writing for your records.

First day of outside courses: If you plan to use allocated funds to pay for courses, be sure your scholar does not attend the course or lesson unless you have received an approved PO from your ST. We do not reimburse for materials or services ordered on your own without a PO. You are responsible for any payments before a PO is finalized. So please, plan ahead.

Reimbursement: A learning coach (parent) cannot be reimbursed using state dollars for any out-of-pocket expenses that have already been paid at any time for any reason.

Quality materials: Materials ordered must be scholar-grade quality, which is the quality public schools are required to order.

Faith-based: No religious services or materials of any type are allowed: books, CD/DVDs, videos, posters, curriculum, etc. Compass Charter Schools' assessment on whether services fall under this category is final.

Over spending: Families are not allowed to spend over the amount allotted for their scholar(s). Learning coaches should be in communication with their ST about the amount of funds remaining and must not submit order requests for services or materials that will put them over the remaining amount. If order

requests are submitted that do not meet this requirement, it is at the ST's discretion to reject or modify the order as deemed appropriate. The Community Providers Department determines final approval of all orders and reserves the right to cancel any issued services in order to keep a family within their budget.

The list below is not an all-inclusive list but, rather, is provided to give some guidelines to help with your orders. More details are provided in the Instructional Funds Guidelines that are shared with each family. The ST, Community Providers Department, and/or Administration may deny an item not listed here if they feel it puts the school's compliance into question with the state or authorizing district.

Acceptable:

- Appropriate, non-sectarian educational curriculum appropriate to the scholar's course of study and grade level
- Courses/materials for core courses must be in place before enrichment can be ordered. (Core includes math, language arts, science, social studies.) ST may need to see these core materials or services.
- Music & art lessons are acceptable.
- PE classes are acceptable but must be offered through an insured instructor.
- Academic tutoring and small group instruction are acceptable.
- Using only 25% of funds toward core subjects is allowed only when ST has verified that family has the scholar's core curriculum already on hand.

Not Acceptable:

- Using over 75% of funds toward a non-core service or product
- Sectarian (faith-based) materials
- Materials not educational in nature or to be used for something related to the scholar's course of study
- Non-scholar-grade materials
- Quantities that are not within reason, as determined by the ST and/or Community Providers Department (for example, more than one computer for a scholar)

Reminder that more specific information on the appropriate use of funds is provided in the Instructional Funds Guideline which is provided to each family and available upon request at the Central Office and on the School's website.

Requesting New Providers

If there is a service provider that you would like added to our Approved Providers List, we will do our best to accommodate. Please ask the potential provider to complete the New Provider Preliminary Application form: <https://goo.gl/ebnsRc>. This link can also be found on our website. We recommend that families send the link directly to their provider of choice via email. Do double check that the potential provider is not already an approved provider.

When you request that a business offering a high risk activity become an approved provider, do know the process will be longer than usual because of additional insurance requirements. In addition, the following are banned services/activities thus CCS will not approve any orders for: 5-day a week multi-

subject all-inclusive programs, kickboxing, outdoor rock climbing, boxing, Aerial sports, tightrope walking, welding, and/or any similar high-risk activities.

Course Placement

TK- 5th grade scholars are required to enroll in four (4) academic courses (language arts, mathematics, science, social science), and one (1) physical education course each semester of the academic school year.

Middle school scholars (6-8) are required to enroll in four (4) academic courses (language arts, mathematics, science, social science), one (1) physical education, and one (1) elective course each semester of the academic school year. (In cases where enrollment occurs late in a semester and the scholar has not been working on an elective at his/her previous school, the ST and counselor may deem it necessary to leave the elective course off the scholar's schedule for that semester.) Our academic program utilizes semester scheduling for all tracks. No extensions are provided and all end dates are final.

High school (9-12) course placement is based upon review of scholar's assessments, transcripts, and ST recommendations. All scholars must meet specific course prerequisites for all subject areas. High school scholars will be placed into courses according to the credits the scholar has earned at his/her previous school(s) and takes into account the courses needed in order to meet graduation requirements. When selecting courses each year, remember that course selection is a team process that involves the scholar, learning coach, ST, and counselor to ensure proper placement. Our academic program utilizes semester scheduling for all tracks. End dates are final. Extensions are very rarely given and only when deemed necessary by the ST and Principal and approved by the Superintendent's designee.

High School Paths

We have two paths for our Compass Charter School Options scholars.

Foundation Path: This path is exclusive to Options Learning scholars. It is for those who are looking for a flexible path and are not interested in attending any UC/CSU universities via the A-G course path (or other university or college via the A-G course path).

A-G Path: If it is the scholar's goal to attend a California State University (CSU) or University of California (UC) school, they will be placed on this path. Many other colleges and universities require specific courses, and they will follow these A-G requirements for admission as well. Courses must be passed with a grade of C or better. Completion of this A-G program does not guarantee admission to any of these universities. If a scholar is interested in the A-G path, they will need to discuss meeting the A-G requirements with their ST and counselor.

A-G Requirements

The University of California ("UC") must approve courses to meet A-G subject requirements that appear on the institution's A-G course list. UC schools and California State Universities ("CSU") check if freshmen applicants have taken courses from the A-G course list to meet admission requirements. 15 year-long courses must be completed with a C or better and 11 courses must be completed before the senior year. (Note: Scholars will only be awarded A-G credit for courses and vendors included in the [Compass Charter Schools A-G Course Lists](#))

Mathematics Placement Policy

If it is the scholar’s goal to attend a UC/CSU, CCS recognizes that scholar achievement in math is important for preparing scholars for success after high school. The purpose of this policy is to create a fair, objective, and transparent procedure for placement in math courses for scholars entering 9th grade, in order to ensure the success of every scholar and to meet the Legislative intent of the California Mathematics Placement Act of 2015. CCS’ complete policy is located within the CCS Board Policy Manual.

In determining the mathematics course placement for entering 9th grade scholars, Compass Charter Schools systematically takes multiple objective academic measures of the scholar’s performance into consideration, including:

- Statewide mathematics assessments, including interim and summative assessments through the California Assessment of Student Performance and Progress (“CAASPP”)
- Internal assessments that are aligned to state-adopted content standards in mathematics.
- Classroom assignment and grades.
- Final grade in mathematics on the student’s official, end of the year 8th grade report card.
- Results from all placement checkpoints, including at least one (1) placement checkpoint within the first month of the school year.

The Superintendent & CEO or designee, shall examine aggregate scholar placement data annually to ensure that scholars who are qualified to progress in mathematics courses based on their performance on objective academic measures included in this policy are not held back in a disproportionate manner on the basis of their race, ethnicity, gender, or socioeconomic background. Compass Charter Schools shall annually report the aggregate results of this examination to the Board of Directors.

Course Schedule Changes

Scholars need to plan their schedule carefully since schedule changes can only be processed within the first three (3) weeks from the start of the semester. Any additional schedule changes after this time frame will be reviewed on an individual basis.

Acceptable reasons for course schedule changes:

- Improper course placement

- Credit previously earned for the course
- Course prerequisites not met

ACOP – Accelerated Course Options Learning Program

- This program allows scholars to accelerate and advance academically or recover unearned credits in their high school courses by adding additional credits to their schedule per semester. A scholar may add an additional course to their schedule no later than four (4) weeks prior to the end of a semester. Eligibility is dependent upon 75% completion in all other courses with good academic standing.
- A scholar may add two (2) additional courses to their schedule no later than eight (8) weeks prior to the end of semester. Eligibility is dependent upon 50% completion in all other courses with good academic standing.
- Counselor approval is required to participate in the program.
- Counselors may approve a special circumstance request when a scholar may be eligible for additional course(s).

Community College Courses

Community College Courses: In some cases, it is possible for high school scholars within the spring semester of 10th grade, or enrolled in 11th or 12th grade to enroll concurrently at a community college. Please see the School’s complete Concurrent Enrollment Policy for additional information about taking community college courses. The complete policy can be found on the School’s website in the Board Policy Manual.

Cal Grant Program Notice

A Cal Grant is money for college that does not have to be paid back. To qualify, a scholar must meet the eligibility and financial requirements, as well as any minimum GPA requirements. Cal Grants can be used at any University of California, California State University, or California Community College. Some independent and career colleges or technical schools in California also take Cal Grants.

In order to assist scholars in applying for financial aid, all 12th grade scholars are automatically considered a Cal Grant applicant and each 12th grade scholar's GPA will be submitted to the California Student Aid Commission ("CASC") electronically by a school official. A scholar, or the parent/guardian of a scholar under 18 years of age, may complete a form to indicate that he/she does not wish for the school to electronically send CASC the scholar's GPA. Until a scholar turns 18 years of age, only the parent/guardian may opt out the scholar. Once a scholar turns 18 years of age, only the scholar may opt himself/herself out, unless the parent/guardian remains their educational rights holder, and can opt in if the parent/guardian had previously decided to opt out the scholar. All 12th grade scholars' GPAs will be sent to CASC by October 1 of each year. Students currently in eleventh (11th) grade will be deemed a Cal Grant applicant, unless the student (or parent, if the student is under 18) has opted out by or before February 1.

CCS CEEB Codes

A CEEB code is a standardized ID number that is assigned to a high school, college or university. These codes are used to identify the high school a scholar attends. The CEEB code is needed for college entrance exams such as the SAT or ACT.

High School Transfer Credits, Home School Credits, International Records

Transfer Credits

Transfer credits are awarded based upon official transcripts from previous schools. Transcript analysis may require CCS to perform research and contact previous schools to determine eligibility of transfer credits.

Home School Credit Transfer

All scholars from non-accredited/independent homeschool situations must provide records which include transcript (showing courses completed), a description of the curriculum, a copy of the Private School Affidavit, and work samples for review by the CCS Principal.

International Records

International records may require translation and/or evaluation prior to being considered for transfer credits. International transcripts and supporting documentation will be reviewed in order to grant appropriate credit for subjects studied in other countries. The transcripts must show that subjects were studied at the secondary level. Credits will be granted for subject's equivalent to the courses listed in the course catalog in meeting graduation requirements.

Transcripts/Records

To request transcripts and/or records, please submit a completed request form located on our website. Transcript requests are processed within ten (10) business days and records within five (5) business days. Outstanding CCS fees and/or materials may delay processing of requests.

Transcripts reflect both a weighted and unweighted grade point average ("GPA"):

- Unweighted GPA: Traditionally, GPA is calculated on an unweighted scale. Unweighted GPA is measured on a scale of 0 to 4.0. It does not take the difficulty of a scholar's coursework into account. An unweighted GPA represents an A as 4.0 whether it was earned in an honors course or a lower level course.
- Weighted GPA: Weighted GPA takes into account course difficulty rather than providing the same letter grade to GPA conversion for every scholar. Weighted GPA is measured on a scale of 0 to 5.0 and is only provided for Advanced Placement and Honor level courses.

Note: CCS' policy is to not rank scholars by GPA.

Work Permits

Scholars under the age of 18 must obtain a work permit from CCS after securing an opportunity for employment. Adult Scholars (18 Years of Age and Older)

Scholars who are 18 years of age or older have many legal rights and responsibilities, such as the ability to sign legal documents, including but not limited to medical releases and IEPs. However, adult scholars must continue to follow policies in place for all scholars at CCS, including attendance and discipline policies.

In order for CCS to release any information related to the adult scholar's academics to their designated Learning Coach and/or parent(s), we must first receive permission from the adult scholar to do so. This release form can be found on our parent/scholar portal or by contacting the Records Department.

California Healthy Youth Act

The California Healthy Youth Act requires that comprehensive sexual health education and human immunodeficiency virus (“HIV”) prevention education be taught to students at least once in middle school and once in high school, beginning no later than grade seven. Instruction and materials must be medically accurate, objective, age-appropriate and inclusive of all students, as defined by law. The law requires that instruction and materials must encourage students to communicate with parents, guardians or other trusted adults about human sexuality. Learning Coaches can preview the School Health course syllabus and scope and sequence by request.

A parent/learning coach of a student has the right to excuse their child from all or part of comprehensive sexual health education, HIV prevention education, and assessments related to that education through a passive consent (“opt-out”) process. The Charter School does not require active parental consent (“opt-in”) for comprehensive sexual health education and HIV prevention education. Parents and guardians may:

- Inspect written and audiovisual educational materials used in comprehensive sexual health education and HIV prevention education.
- Excuse their child from participation comprehensive sexual health education and HIV prevention education in writing to the Charter School.
- Be informed whether the comprehensive sexual health or HIV/AIDS prevention education will be taught by Charter School personnel or outside consultants. When the Charter School chooses to use outside consultants or to hold an assembly with guest speakers to teach comprehensive

sexual health or HIV/AIDS prevention education, be informed of:

- The date of the instruction
- The name of the organization or affiliation of each guest speaker
- Request a copy of Education Code sections 51930 through 51939.

Anonymous, voluntary, and confidential research and evaluation tools to measure student's health behaviors and risks (including tests, questionnaires, and surveys containing age-appropriate questions about the student's attitudes concerning or practices relating to sex) may be administered to students in grades 7-12. A parent or guardian has the right to excuse their child from the test, questionnaire, or survey through a passive consent ("opt-out") process. Parents or guardians shall be notified in writing that this test, questionnaire, or survey is to be administered, given the opportunity to review the test, questionnaire, or survey if they wish, notified of their right to excuse their child from the test, questionnaire, or survey, and informed that in order to excuse their child they must state their request in writing to the Charter School.

A student may not attend any course in comprehensive sexual health education or HIV prevention education, or participate in any anonymous, voluntary, and confidential test, questionnaire, or survey on student health behaviors and risks, if the Charter School has received a written request from the student's parent or guardian excusing the student from participation. An alternative educational activity shall be made available to students whose parents or guardians have requested that they not receive the instruction or participate in the test, questionnaire, or survey.

For our CCS scholars in the Options Learning Program, the CHYA content is provided for integration into the science course for 7th graders and the Health course for 9th graders.

Scholars with Special Needs

CCS is dedicated to the belief that all scholars can learn and must be guaranteed equal opportunity to become contributing members of the academic environment and society. CCS provides special education instruction and related services in accordance with the Individuals with Disabilities in Education Improvement Act, California Education Code requirements, and applicable policies and procedures of the El Dorado County Charter SELPA. These services are available for special education scholars enrolled at CCS. We offer high quality educational programs and services for all of our scholars in accordance with the assessed needs of each scholar. CCS collaborates with learning coaches, scholars, teachers, and other agencies, as may be indicated, in order to appropriately serve the educational needs of each scholar.

CCS recognizes its legal responsibility to ensure that no qualified person with a disability shall, on the basis of disability, be excluded from participation, be denied the benefits of, or otherwise subjected to discrimination under any program of the School. Any scholar who has an objectively identified disability which substantially limits a major life activity, including, but not limited to, learning is eligible for accommodations by CCS. The learning coach of any scholar suspected of needing or qualifying for accommodations under Section 504 may make a referral for an evaluation to the Director of Special Education at 855-937-4227.

Pursuant to the IDEA and relevant state law, CCS is responsible for identifying, locating, and evaluating children enrolled at CCS with known or suspected disabilities to determine whether a need for special

education and related services exists. This includes children with disabilities who are homeless or foster youth. The Charter School shall not deny nor discourage any student from enrollment solely due to a disability. If you believe your child may be eligible for special education services, please contact Director of Special Education at 855-937-4227.

A copy of the School's Section 504 policies and procedures and the School's special education policy is available upon request at the Central Office and on the School's website within the CCS Board Policy Manual.

The California Department of Education publishes a list of the contact information for the Homeless Education Liaisons in the state, which is available at: <https://www.cde.ca.gov/sp/hs/>

High School Graduation Requirements: Homeless students who transfer to the Charter School any time after the completion of their second year of high school shall be exempt from any of the Charter School's graduation requirements that are in excess of the California minimum graduation requirements specified in Education Code section 51225.3 ("additional graduation requirements") unless the Charter School makes a finding that the student is reasonably able to complete the Charter School's graduation requirements by the end of the student's fourth year of high school.

To determine whether a homeless student is in their third or fourth year of high school, either the number of credits the student has earned to the date of transfer or the length of the student's school enrollment may be used, whichever will qualify the student for the exemption.

Within thirty (30) calendar days of the date that a student who may qualify for exemption under the above requirements transfers into the Charter School, the Charter School shall notify the student, the student's educational rights holder, and the School Liaison of the availability of the exemption and whether the student qualifies for an exemption.

The Charter School shall notify students who are exempted from the Charter School's additional graduation requirements and the student's educational rights holder of how any of the requirements that are waived will affect the student's ability to gain admission to a postsecondary educational institution and provide information about transfer opportunities available through the California Community Colleges.

The Charter School shall not require any student who would otherwise be entitled to remain in attendance at the Charter School to accept the exemption from the Charter School's additional graduation requirements or deny the student enrollment in, or the ability to complete, courses for

which the student is otherwise eligible. The Charter School shall not revoke an exemption and shall grant an eligible student's request for the exemption at any time if the student qualifies, regardless of whether the student previously declined the exemption. An eligible student's exemption from the Charter School's additional graduation requirements will continue to apply while the student is enrolled in the Charter School or if the student transfers to another school even after the student no longer meets the definition of a homeless child.

The Charter School shall not require or request that a student transfer schools in order to qualify the student for the exemption. Nor shall a student, a student's parent/guardian or educational rights holder, or a student's social worker or probation officer request a transfer solely to qualify for an exemption from the Charter School's additional graduation requirements.

If a student who is exempted from the Charter School's additional graduation requirements completes the California minimum coursework requirements specified in Education Code section 51225.3 before the end of the student's fourth year of high school and would otherwise be entitled to remain in attendance at the Charter School, the Charter School shall not require or request that the student graduate before the end of the student's fourth year of high school.

If the Charter School determines the student is reasonably able to complete the Charter School's graduation requirements by the end of the student's fifth year of high school, the Charter School shall do the following:

- Inform the student of the student's option to remain at the Charter School for a fifth year to complete the Charter School's graduation requirements.
- Inform the student, and the educational rights holder for the student, about how remaining in school for a fifth year to complete the Charter School's graduation requirements will affect the student's ability to gain admission to a postsecondary educational institution.
- Provide information to the student about transfer opportunities available through the California Community Colleges.
- Permit the student to stay at the Charter School for a fifth year to complete the Charter School's graduation requirements upon agreement with the student, if the student is 18 years of age or older, or, if the student is under 18 years of age, upon agreement with the educational rights holder for the student.

Acceptance of Course Work: The Charter School will accept any coursework satisfactorily completed at any public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency by a homeless student.

The Charter School will provide homeless students credit for the partial completion of courses taken while attending a public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency. If the student did not complete the entire course, the Charter School shall not require the student to retake the portion of the course the student completed unless the Charter School, in consultation with the holder of educational rights for the student, finds that the student is reasonably able to complete the requirements in time to graduate from high school. When partial credit is awarded in a particular course, the homeless student shall be enrolled in the same or equivalent course, if applicable, so that the student may continue and complete the entire course. These students shall not be prevented from taking or retaking a course to meet California State University or the University of California admission eligibility requirements.

For any homeless scholar who enrolls at the CCS, a copy of the Charter School's complete policy shall be provided at the time of enrollment. A copy of the complete Policy is available upon request at the Central Office and on the School's website within the CCS Board Policy Manual.

Education of Foster and Mobile Youth

Definitions: For the purposes of this annual notice the terms are defined as follows:

1. "Foster youth" refers to any child who has been removed from their home pursuant Welfare and Institutions Code section 309 and/or is the subject of a petition filed under Welfare and Institutions Code section 300 or 602. This includes children who are the subject of cases in dependency court and juvenile justice court.
2. "Former juvenile court school pupils" refers to a student who, upon completion of the student's second year of high school, transfers from a juvenile court school to the Charter School.
3. "Child of a military family" refers to a student who resides in the household of an active duty military member.
4. "Currently Migratory Child" refers to a child who, within the last 12-months, has moved with a parent, guardian, or other person having custody to the Charter School from another Local Educational Agency ("LEA"), either within California or from another state, in order that the child or a member of the child's immediate family might secure temporary or seasonal employment in an agricultural or fishing activity, and whose parents or guardians have been informed of the child's eligibility for migrant education services. "Currently Migratory Child" includes a child who, without the parent/guardian, has continued to migrate annually to secure temporary or seasonal employment in an agricultural or fishing activity.
5. "Pupil participating in a newcomer program" means a pupil who is participating in a program designed to meet the academic and transitional needs of newly arrived immigrant pupils that has as a primary objective the development of English language proficiency.

Within this notice, foster youth, former juvenile court school pupils, a child of a military family, a currently migratory child, and a pupil participating in the newcomer program will be collectively referred to as "Foster and Mobile Youth." Within this notice, a parent, guardian, or other person holding the educational rights for a Foster and Mobile Youth will be referred to as a "parent."

Foster and Mobile Youth Liaison: The Superintendent & CEO or designee designates the following staff person as the Liaison for Foster and Mobile Youth:

Vanessa Plascencia | Compliance Coordinator
850 Hampshire Rd. Suite P
Thousand Oaks, CA 91361
(805)807-8294
vplascencia@compasscharters.org

The Foster and Mobile Youth Liaison's responsibilities include but are not limited to the following:

- Ensuring and facilitating the proper educational placement, enrollment in school, and checkout from school of foster children.
- Assisting foster children when transferring from one school to another school in ensuring proper transfer of credits, records and grades.

School Stability: The Charter School will work with foster youth and their parent to ensure that each pupil is placed in the least restrictive educational programs, and has access to the academic resources, services, and extracurricular and enrichment activities that are available to all pupils, including, but not necessarily limited to, interscholastic sports. All decisions regarding a foster youth's education and placement will be based on the best interest of the child and shall consider, among other factors, educational stability and the opportunity to be educated in the least restrictive educational setting necessary to achieve academic progress.

Foster youth, currently migratory children and children of military families have the right to remain in their school of origin if it is their best interest. The Charter School will immediately enroll a foster youth, currently migratory child or child of a military family seeking reenrollment in the Charter School as the student's school of origin (subject to the Charter School's capacity and pursuant to the procedures stated in the Charter School's charter and Board policy). If a dispute arises regarding a foster youth's request to remain in the Charter School as the school of origin, the foster youth has the right to remain in the Charter School pending the resolution of the dispute. The Charter School will also immediately enroll any foster youth, currently migratory child or child of a military family seeking to transfer to the Charter School (subject to the Charter School's capacity and pursuant to the procedures stated in the Charter School's charter and Board policy) regardless of the student's ability to meet normal enrollment documentation or uniform requirements (e.g. producing medical records or academic records from a previous school).

Foster youth, currently migratory children, and children of military families have the right to remain in their school of origin following the termination of the child's status as a foster youth, currently migratory child or child of a military family, as follows:

- For students in Kindergarten through eighth grade, inclusive, the student will be allowed to continue in the school of origin through the duration of the academic year in which the student's status changed.
- For students enrolled in high school, the student will be allowed to continue in the school of origin through graduation.

Graduation Requirements: Foster and Mobile Youth who transfer to the Charter School any time after the completion of their second year of high school, and pupils participating in a newcomer program who are in their third or fourth year of high school, shall be exempt from any of the Charter School's graduation requirements that are in excess of the California minimum graduation requirements specified in Education Code section 51225.3 ("additional graduation requirements") unless the Charter School makes a finding that the student is reasonably able to complete the Charter School's graduation requirements by the end of the student's fourth year of high school.

To determine whether a Foster and Mobile Youth is in their third or fourth year of high school, either the number of credits the student has earned to the date of transfer or the length of the student's school enrollment may be used, whichever will qualify the student for the exemption. In the case of a pupil participating in a newcomer program, enrollment in grade 11 or 12 may be used to determine whether the student is in their third or fourth year of high school.

Within thirty (30) calendar days of the date that a student who may qualify for exemption under the above requirements transfers into the Charter School, the Charter School shall notify the student, the

parent, and where applicable, the student's social worker or probation officer, of the availability of the exemption and whether the student qualifies for an exemption.

The Charter School shall notify students who are exempted from the Charter School's additional graduation requirements and the student's parent how any of the requirements that are waived will affect the pupil's ability to gain admission to a postsecondary educational institution and provide information about transfer opportunities available through the California Community Colleges.

The Charter School shall not require any student who would otherwise be entitled to remain in attendance at the Charter School to accept the exemption from the Charter School's additional graduation requirements or deny the student enrollment in, or the ability to complete, courses for which the student is otherwise eligible. The Charter School shall not revoke an exemption and shall grant an eligible student's request for the exemption at any time if the student qualifies, regardless of whether the student previously declined the exemption. An eligible student's exemption from the Charter School's additional graduation requirements will continue to apply while the student is enrolled in the Charter School or if the student transfers to another school even after the court's jurisdiction terminates or the student no longer meets the definition of a child of military family, a currently migratory child or a pupil participating in a newcomer program.

The Charter School shall not require or request that a student transfer schools in order to qualify the student for the exemption. Nor shall a student, a student's parent/guardian or educational rights holder, or a student's social worker or probation officer request a transfer solely to qualify for an exemption from the Charter School's additional graduation requirements.

If a student who is exempted from the Charter School's additional graduation requirements completes the California minimum coursework requirements specified in Education Code section 51225.3 before the end of the student's fourth year of high school and would otherwise be entitled to remain in attendance at the Charter School, the Charter School shall not require or request that the student graduate before the end of the student's fourth year of high school.

If the Charter School determines the student is reasonably able to complete the Charter School's graduation requirements by the end of the student's fifth year of high school, the Charter School shall do the following:

- Inform the student of the student's option to remain at the Charter School for a fifth year to complete the Charter School's graduation requirements.
- Inform the student, and the educational rights holder for the student, about how remaining in school for a fifth year to complete the Charter School's graduation requirements will affect the student's ability to gain admission to a postsecondary educational institution.
- Provide information to the student about transfer opportunities available through the California Community Colleges.
- Permit the student to stay at the Charter School for a fifth year to complete the Charter School's graduation requirements upon agreement with the student, if the student is 18 years of age or older, or, if the student is under 18 years of age, upon agreement with the educational rights holder for the student.

Acceptance of Course Work: The Charter School will accept any coursework satisfactorily completed at any public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency by a Foster and Mobile Youth.

The Charter School will provide Foster and Mobile Youth credit for the partial completion of courses taken while attending a public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency. If the student did not complete the entire course, the Charter School shall not require the student to retake the portion of the course the student completed unless the Charter School, in consultation with the holder of educational rights for the student, finds that the pupil is reasonably able to complete the requirements in time to graduate from high school. When partial credit is awarded in a particular course, the Foster and Mobile Youth shall be enrolled in the same or equivalent course, if applicable, so that the student may continue and complete the entire course. These students shall not be prevented from taking or retaking a course to meet California State University or the University of California admission eligibility requirements.

Scholar Records: When the Charter School receives a transfer request and/or student records request for the educational information and records of a foster youth from a new local educational agency ("LEA"), the Charter School shall provide these student records within two (2) business days. The Charter School shall compile the complete educational record of the pupil, including but not limited to a determination of seat time, full or partial credits earned, current classes and grades, immunization and other records, and, if applicable, a copy of the pupil's special education records including assessments, IEPs, and/or 504 plans. All requests for student records will be shared with the Foster and Mobile Youth Liaison, who shall be aware of the specific educational record keeping needs of Foster and Mobile Youth.

The Charter School shall not lower a foster youth's grades as a result of the student's absence due to a verified court appearance, related court ordered activity, or a change the placement of the student made by a county or placing agency. If a foster youth is absent from school due to a decision to change the placement of the student made by a county or placing agency, the grades and credits of the pupil will be calculated as of the date the student left the Charter School.

In accordance with the Charter School's Educational Records and Scholary Information Policy, under limited circumstances, the Charter School may disclose student records or personally identifiable information contained in those records to certain requesting parties including but not limited to a foster family agency and state and local authorities within a juvenile justice system, without parental consent.

Discipline Determinations: If the Charter School intends to extend the suspension of any foster/ youth pending a recommendation for expulsion, the Charter School will invite the student's attorney and an appropriate representative from the relevant county agency to participate in the meeting at which the extension of the suspension will be discussed.

If the Charter School intends to suspend for more than ten (10) consecutive school days or expel a student with a disability who is also a foster youth due to an act for which the recommendation for expulsion is discretionary, the Charter School will invite the student's attorney and an appropriate representative from the relevant county agency to participate in the Manifestation Determination Review meeting.

Complaints of Noncompliance: A complaint of noncompliance with any of the requirements outlined above may be filed through the Charter School’s Uniform Complaint Policy and Procedures. A copy of the Uniform Complaint Policy and Procedures is available upon request at the Central Office and on the school website within the CCS Board Policy Manual.

Availability of Complete Policy: For any Foster and Mobile Youth who enrolls at the Charter School, a copy of the Charter School’s complete Education for Foster Youth policy shall be provided at the time of enrollment. A copy of the complete Policy is available upon request at the Central Office and on the school website within the CCS Board Policy Manual.

Academic Integrity and Plagiarism

Academic dishonesty includes cheating, plagiarism and any attempt to obtain credit for academic work through fraudulent, deceptive, or dishonest means. CCS takes academic dishonesty in any form seriously, and it will not be tolerated.

Some examples include:

- Using or turning in another person’s work and claim as your own;
- Copying from text, a website, or other course material;
- Using or attempting to use unauthorized materials or information in any academic exercise;
- Hiring someone to write a paper;
- Buying a paper or project;
- Sharing files;
- Copying from another person’s work;
- Letting a friend or learning coach do the work for you.

What is Plagiarism?

Merriam-Webster online dictionary defines plagiarism as “the act of using another person's words or ideas without giving credit to that person: the act of plagiarizing something.”

To plagiarize means:

- to steal and pass off (the ideas or words of another) as one's own;
- to use (another's production) without crediting the source;
- to commit literary theft or fraud; or
- to present as new and original an idea or product derived from another source.

See <http://www.plagiarism.org/plagiarism-101/what-is-plagiarism> for more information.

How to Avoid Plagiarism

Scholars must give credit to the source for any information that is not either the result of original research or common knowledge. For example, it would be necessary to give credit to an author who provided an argument about the importance of the Emancipation Proclamation in the American Civil War. Conversely, major historical facts, such as the dates of the American Civil War, are considered common knowledge and do not require that credit be given to a particular author. If a scholar borrows the exact words of another author, the scholar must cite the source. If scholars are unsure whether or

not they should cite, they should to ask their teachers for guidance. Teachers will dictate which citation format should be used and what the guidelines are for their course.

More information on what plagiarism is and how to avoid it can be found at <https://owl.english.purdue.edu/owl/resource/589/01/>.

Prevention of Plagiarism

All scholars and learning coaches are given a copy of this CCS Options Scholar Handbook which outlines the scholar will be permitted to re-submit the work.

- The scholar will receive a written warning from the teacher in the form of a behavior contract, which will require both Learning Coach and scholar signatures to be returned to the teacher. This will be sent via certified mail and email with read receipt.
- The scholar will be permitted to re-submit the work.

2nd Offense

- If a scholar is caught violating academic integrity a second time, with any teacher, the teacher will notify the Learning Coach, and Assistant Principal.

Scholars on academic probation will be expected to participate in academic interventions as determined by their teacher or director. Scholars on academic probation may not be permitted to attend field trips or participate in scholar clubs until off academic probation.

Field Trips

Scholar Clubs

Scholars may establish organizations or clubs, so long as approval is obtained by the Engagement Department.

Revocation of Privileges

A scholar organization may have its privilege to meet on school property or at a school sponsored event revoked if they engage in conduct which is in violation of this policy, disruptive to the educational process, damages school property or is in violation of any law. Scholar organizations or their members shall not engage in any activity which coerces, pressures, embarrasses or unduly influences other scholars to participate in any meeting.

CCS does not discourage students from enrolling or seeking to enroll in the Charter School for any reason, including, but not limited to, academic performance, disability, neglect or delinquency, English proficiency, for being homeless or a foster/mobile youth, economic disadvantage, nationality, race, ethnicity, or sexual orientation. CCS shall not encourage a student currently attending CCS to disenroll or transfer to another school based on any of the aforementioned reasons except in cases of expulsion and suspension or involuntary removal in accordance with the Charter School’s charter and relevant policies.

CCS does not request nor require student records prior to a student’s enrollment.

CCS shall provide a copy of the California Department of Education Complaint Notice and Form to any parent, guardian, or student over the age of 18 at the following times: (1) when a parent, guardian, or student over the age of 18 inquires about enrollment; (2) before conducting an enrollment lottery; and (3) before disenrollment of a student.

CCS is committed to providing a work and educational atmosphere that is free of unlawful harassment under Title IX of the Education Amendments of 1972 (sex), Titles VI, VI, and VII of the Civil Rights Act of 1964 (race, color, or national origin), the Age Discrimination in Employment Act of 1967, The Age Discrimination Act of 1975, the IDEA, and Section 504 and Title II of the ADA (mental or physical disability). This applies to all employees, scholars, or volunteers and relationships, regardless of position or gender. Scholar Grievances

Compass Charter School has three (3) complaint policies: General Complaint Policy, the Uniform Complaint Policy, and the Title IX, Harassment, Intimidation, Discrimination, and Bullying Policy.

General Complaint Policy

CCS has adopted a General Complaint Policy to address concerns about the Charter School generally or regarding specific employees. For complaints regarding harassment or perceived violations of state or federal laws, please refer to the Charter School's Title IX, Harassment, Intimidation, Discrimination, and Bullying Policy and/or the Charter School's Uniform Complaint Procedures. For all other complaints, the General Complaint form and accompanying procedures will be available at its Central Office and on the CCS website.

Uniform Complaint Procedure

CCS is the local agency primarily responsible for compliance with federal and state laws and regulations governing educational programs.

CCS shall investigate and seek to resolve complaints using policies and procedures known as the Uniform Complaint Procedure ("UCP") adopted by our Board of Directors. The UCP shall be used to resolve the following types of complaints:

1. Complaints alleging unlawful discrimination, harassment, intimidation, or bullying against any protected group on the basis of actual or perceived characteristics of age, ancestry, color, ethnic group identification, gender expression, gender identity, gender, genetic information, physical disability, mental disability, medical condition, marital status, nationality, national origin, immigration status/citizenship, race or ethnicity, religion, sex, sexual orientation, or on the basis of a person's association with a person or group with one or more of these actual or perceived characteristics, in any CCS program or activity that receives or benefits from state financial assistance.

 - b. A security deposit, or other payment, that a pupil is required to make to obtain a lock,

locker, book, course apparatus, musical instrument, clothes, or other materials or equipment.

6. Complaints alleging noncompliance regarding child nutrition programs established pursuant to Education Code sections 49490-49590 are governed by Title 7, Code of Federal Regulations (“C.F.R.”) sections 210.19(a)(4), 215.1(a), 220.13(c), 225.11(b), 226.6(n), and 250.15(d) and Title 5, California Code of Regulations (“C.C.R.”) sections 15580 - 15584.
7. Complaints alleging noncompliance regarding special education programs established pursuant to Education Code sections 56000-56865 and 59000-59300 are governed by the procedures set forth in 5 C.C.R. sections 3200-3205 and 34 C.F.R. sections 300.151-300.153.

Complaints other than complaints relating to pupil fees must be filed in writing with the following compliance officer:

J.J. Lewis | Superintendent & CEO
850 Hampshire Road, Suite P
Thousand Oaks, California 91361
(818) 824-6233
jlewis@compasscharters.org

Only complaints regarding pupil fees or LCAP compliance may be filed anonymously and only if the anonymous complainant provides evidence or information leading to evidence to support an allegation of noncompliance with laws relating to pupil fees or LCAP.

Complaints alleging unlawful discrimination, harassment, intimidation, or bullying, must be filed within six (6) months from the date the alleged discrimination, harassment, intimidation, or bullying, occurred or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation, or bullying. All other complaints under the UCP shall be filed not later than one (1) year from the date the alleged violation occurred. For complaints relating to the LCAP, the date of the alleged violation is the date on which Charter School’s Board of Directors approved the LCAP or the annual update was adopted by Charter School.

The Compliance Officer responsible for investigating the complaint shall conduct and complete the investigation in accordance with California regulations and in accordance with the Charter School’s UCP Policy. The final written Decision or report will be sent to the complainant within sixty (60) calendar days from the receipt of the complaint. This sixty (60) calendar day time period may be extended by written agreement of the complainant.

The complainant has a right to appeal CCS's Decision to the CDE by filing a written appeal within thirty (30) calendar days of the date of Charter School's written decision, except if Charter School has used its UCP to address a complaint that is not subject to the UCP requirements. The appeal must include a copy of the complaint filed with the Charter School, a copy of Charter School's decision, and the complainant must specify and explain the basis for the appeal of the decision, including at least one of the following:

1. Charter School failed to follow its complaint procedures.
2. Relative to the allegations of the complaint, Charter School's Decision lacks material findings of fact necessary to reach a conclusion of law.
3. The material findings of fact in Charter School's Decision are not supported by substantial evidence.
4. The legal conclusion in Charter School's Decision is inconsistent with the law.
5. In a case in which Charter School's Decision found noncompliance, the corrective actions fail to provide a proper remedy.

A complainant who appeals Charter School's Decision on a UCP complaint to the CDE shall receive a written appeal decision within sixty (60) calendar days of the CDE's receipt of the appeal, unless extended by written agreement with the complainant or the CDE documents exceptional circumstances and informs the complainant.

Within thirty (30) calendar days of the date of the CDE's appeal Decision pursuant to 5 C.C.R. section 4633(f)(2) or (3), either party may request reconsideration by the State Superintendent of Public Instruction ("SSPI") or the SSPI's designee. The request for reconsideration shall specify and explain the reason(s) for contesting the findings of fact, conclusions of law, or corrective actions in the CDE's appeal Decision.

If a UCP complaint is filed directly with the CDE and the CDE determines that it merits direct intervention, the CDE shall complete an investigation and provide a written decision to the complainant within sixty (60) calendar days of receipt of the complaint, unless the parties have agreed to extend the timeline or the CDE documents exceptional circumstances and informs the complainant.

If Charter School finds merit in a UCP complaint, or the CDE finds merit in an appeal, Charter School shall take corrective actions consistent with the requirements of existing law that will provide a remedy to the affected student and/or parent/guardian as applicable.

A complainant may pursue available civil law remedies outside of the Charter School's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For unlawful discrimination, harassment, intimidation or bullying complaints arising under state law, however, a complainant must wait until sixty (60) calendar days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the Charter School has appropriately, and in a timely manner, apprised the complainant of his/her right to file a complaint in accordance with 5 CCR 4622.

A copy of the UCP policy and complaint procedures shall be available free of charge at its Central Office and on the School's website within the CCS Board Policy Manual. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the complaint procedures, please contact the Superintendent & CEO.

Title IX, Harassment, Intimidation, Discrimination & Bullying Policy

Discrimination, sexual harassment, harassment, intimidation, and bullying are all disruptive behaviors, which interfere with scholars' ability to learn and negatively affect scholar engagement, diminish school safety, and contribute to a hostile school environment. As such, Compass Charter Schools prohibits any acts of discrimination, sexual harassment, harassment, intimidation, and bullying altogether. This policy is inclusive of instances that occur on any area of the school campus, at school-sponsored events and activities, regardless of location, through school-owned technology, and through other electronic means.

As used in this policy, discrimination, sexual harassment, harassment, intimidation, and bullying are described as the intentional conduct, including verbal, physical, written communication or cyber-bullying, including cyber sexual bullying, based on the actual or perceived characteristics of mental or physical disability, sex (including pregnancy and related conditions, and parental status), gender, gender identity, gender expression, nationality (including national origin, country of origin, and citizenship), race or ethnicity (including ancestry, color, ethnic group identification, ethnic background, and traits historically associated with race, including, but not limited to, hair texture and protective hairstyles such as braids, locks, and twist), immigration, religion (including agnosticism and atheism), religious affiliation, sexual orientation, childbirth or related medical conditions, marital status, genetic information, age, or association with a person or group with one or more of these actual or perceived characteristics or based on any other characteristic protected under applicable federal or state or local ordinance. Hereafter, such actions are referred to as "misconduct prohibited by this Policy."

To the extent possible, CCS will make reasonable efforts to prevent scholars from being discriminated against, harassed, intimidated, and/or bullied, and will take action to investigate, respond, address and report on such behaviors in a timely manner. CCS school staff that witness acts of misconduct prohibited by this Policy will take immediate steps to intervene when safe to do so.

Moreover, CCS will not condone or tolerate misconduct prohibited by this Policy by any employee, independent contractor or other person with which CCS does business, or any other individual, scholar, or volunteer. This Policy applies to all employees, scholars, or volunteer actions and relationships, regardless of position or gender. CCS will promptly and thoroughly investigate and respond to any complaint of misconduct prohibited by this Policy in a manner that is not deliberately indifferent and will take appropriate corrective action, if warranted. CCS complies with all applicable state and federal laws and regulations and local ordinances in its investigation of and response to reports of misconduct prohibited by this Policy.

Cyberbullying is an electronic act that includes the transmission of harassing communication, direct threats, or other harmful texts, sounds, or images on the Internet, social media, or other technologies using a telephone, computer, or any wireless communication device. Cyberbullying also includes breaking into another person's electronic account and assuming that person's identity in order to damage that person's reputation.

Electronic act means the creation and/or transmission originated on or off the schoolsite, by means of an electronic device, including, but not limited to, a telephone, wireless telephone, or other wireless communication device, computer, or pager, of a communication, including, but not limited to, any of the following:

4. Notwithstanding the definitions of “bullying” and “electronic act” above, an electronic act shall not constitute pervasive conduct solely on the basis that it has been transmitted on the Internet or is currently posted on the Internet.

Formal Complaint of sexual harassment means a written document filed and signed by a complainant who is participating in or attempting to participate in CCS’ education program or activity or signed by the Coordinator alleging sexual harassment against a respondent and requesting that CCS investigate the allegation of sexual harassment.

Bullying and Cyberbullying Prevention Procedures

CCS has adopted the following procedures for preventing acts of bullying, including cyberbullying.

1. Cyberbullying Prevention Procedures

CCS advises students:

- a. To never share passwords, personal data, or private photos online.
- b. To think about what they are doing carefully before posting and by emphasizing that comments cannot be retracted once they are posted.
- c. That personal information revealed on social media can be shared with anyone including parents, teachers, administrators, and potential employers. Students should never reveal information that would make them uncomfortable if the world had access to it.
- d. To consider how it would feel receiving such comments before making comments about others online.

CCS informs Charter School employees, students, and parents/guardians of CCS' policies regarding the use of technology in and out of the classroom. CCS encourages parents/guardians to discuss these policies with their children to ensure their children understand and comply with such policies.

2. Education

CCS employees cannot always be present when bullying incidents occur, so educating students about bullying is a key prevention technique to limit bullying from happening. CCS advises students that hateful and/or demeaning behavior is inappropriate and unacceptable in our society and at CCS and encourages students to practice compassion and respect each other.

Charter School educates students to accept all student peers regardless of protected characteristics (including but not limited to actual or perceived sexual orientation, gender identification, physical or cognitive disabilities, race, ethnicity, religion, and immigration status) and about the negative impact of bullying other students based on protected characteristics.

CCS' bullying prevention education also discusses the differences between appropriate and inappropriate behaviors and includes sample situations to help students learn and practice appropriate behavior and to develop techniques and strategies to respond in a non-aggressive way to bullying-type behaviors. Students will also develop confidence and learn how to advocate for themselves and others, and when to go to an adult for help.

CCS informs CCS employees, students, and parents/guardians of this Policy and encourages parents/guardians to discuss this Policy with their children to ensure their children understand and comply with this Policy.

3. Professional Development

CCS annually makes available the online training module developed by the California Department of Education pursuant Education Code section 32283.5(a) to its certificated employees and all other CCS employees who have regular interaction with students.

CCS informs certificated employees about the common signs that a student is a target of bullying including:

- Physical cuts or injuries
- Lost or broken personal items
- Fear of going to school/practice/games
- Loss of interest in school, activities, or friends
- Trouble sleeping or eating
- Anxious/sick/nervous behavior or distracted appearance
- Self-destructiveness or displays of odd behavior
- Decreased self-esteem

Charter School also informs certificated employees about the groups of students determined by CCS, and available research, to be at elevated risk for bullying. These groups include but are not limited to:

- Students who are lesbian, gay, bisexual, transgender, or questioning youth (“LGBTQ”) and those youth perceived as LGBTQ; and
- Students with physical or learning disabilities.

CCS encourages its employees to demonstrate effective problem-solving, anger management, and self-confidence skills for CCS’ students.

Grievance Procedures

1. Scope of Grievance Procedures

CCS will comply with its Uniform Complaint Procedures (“UCP”) policy when investigating and responding to complaints alleging unlawful harassment, discrimination, intimidation or bullying against a protected group or on the basis of a person’s association with a person or group with one or more of the protected characteristics set forth in the UCP that:

- a. Are written and signed;
- b. Filed by an individual who alleges that that individual has personally suffered unlawful discrimination, harassment, intimidation or bullying, or by one who believes any specific class of individuals has been subjected to discrimination, harassment, intimidation or bullying prohibited by this part, or by a duly authorized representative who alleges that an individual student has been subjected to discrimination, harassment, intimidation, or bullying; and
- c. Submitted to the CCS UCP Compliance Officer not later than six (6) months from the date the alleged unlawful discrimination, harassment, intimidation or bullying occurred, or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation or bullying.

The following grievance procedures shall be utilized for reports of misconduct prohibited by this Policy that do not comply with the writing, timeline, or other formal filing requirements of a

uniform complaint. For formal complaints of sexual harassment, CCS will utilize the following grievance procedures in addition to its UCP when applicable.

2. Reporting

All staff are expected to provide appropriate supervision to enforce standards of conduct and, if they observe or become aware of misconduct prohibited by this Policy, to intervene when it is safe to do so, call for assistance, and report such incidents. The Board requires staff to follow the procedures in this policy for reporting alleged acts of misconduct prohibited by this Policy.

Any scholar who believes they have been subject to misconduct prohibited by this Policy or has witnessed such prohibited misconduct is encouraged to immediately report such misconduct to the Coordinator:

Miguel Aguilar | Executive Assistant to the Superintendent
850 Hampshire Road, Suite P
Thousand Oaks, California 91361
(855) 937-4227
maguilar@compasscharters.org

Complaints regarding such misconduct may also be made to the U.S. Department of Education, Office for Civil Rights. Civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders may also be available to complainants.

While submission of a written report is not required, the reporting party is encouraged to submit a written report to the Coordinator. CCS will investigate and respond to all oral and written reports of misconduct prohibited by this Policy in a manner that is not deliberately indifferent. Reports may be made anonymously, but formal disciplinary action cannot be based solely on an anonymous report.

Scholars are expected to report all incidents of misconduct prohibited by this Policy or other verbal, or physical abuses. Any scholar who feels they are a target of such behavior should immediately contact a teacher, counselor, the Superintendent/CEO, the Coordinator, a staff person or a family member so that she/he can get assistance in resolving the issue in a manner that is consistent with this Policy.

CCS acknowledges and respects every individual's right to privacy. All reports shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process to the greatest extent possible. This includes keeping the identity of the reporter confidential, as appropriate, except to the extent necessary to comply with the law, carry out the investigation and/or to resolve the issue, as determined by the Coordinator or administrative designee on a case-by-case basis.

CCS prohibits any form of retaliation against any individual who files a report or complaint, testifies, assists, participates, or refuses to participate in any investigation or proceeding related to misconduct prohibited by this Policy. Such participation or lack of participation shall not in any way affect the status, grades, or work assignments of the individual. Individuals alleging retaliation in violation of this Policy may file a grievance using the procedures set forth in this

Policy. Knowingly making false statements or knowingly submitting false information during the grievance process is prohibited and may result in disciplinary action.

All supervisors of staff will receive sexual harassment training within six (6) months of their assumption of a supervisory position and will receive further training once every two (2) years thereafter. All staff, and any individual designated as a coordinator, investigator or decision-maker will receive sexual harassment training and/or instruction concerning sexual harassment as required by law.

3. Supportive Measures

Upon the receipt of an informal or formal complaint of sexual harassment, the Coordinator will promptly contact the complainant to discuss the availability of supportive measures. The Coordinator will consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint of sexual harassment, and explain the process for filing a formal complaint of sexual harassment.

Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint of sexual harassment or where no formal complaint of sexual harassment has been filed. Such measures are designed to restore or preserve equal access to CCS' education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or CCS' educational environment, or deter sexual harassment. Supportive measures available to complainants and respondents may include but are not limited to counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. CCS will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of CCS to provide the supportive measures.

4. Investigation and Response

Upon receipt of a report of misconduct prohibited by this Policy from a scholar, staff member, parent, volunteer, visitor or affiliate of CCS, the Coordinator or administrative designee will promptly initiate an investigation. In most cases, a thorough investigation will take no more than twenty-five (25) school days. If the Coordinator, or administrative designee determines that an investigation will take longer than twenty-five (25) school days and needs to be delayed or extended due to good cause, the Coordinator or administrative designee will inform the complainant of the reasons for the delay or extension and provide an approximate date when the investigation will be complete.

At the conclusion of the investigation, the Coordinator or administrative designee will meet with the complainant and, to the extent possible with respect to confidentiality laws, provide the complainant with information about the investigation, including any actions necessary to

resolve the incident/situation. However, in no case may the Coordinator or administrative designee reveal confidential information related to other scholars or employees.

For investigations of and responses to formal complaints of sexual harassment, the following grievance procedures will apply:

- Notice of the Allegations
 - Upon receipt of a formal complaint of sexual harassment, the Coordinator will give all known parties written notice of its grievance process, including any voluntary informal resolution process. The notice will include:
 - A description of the allegations of sexual harassment at issue and to the extent known, the identities of the parties involved in the incident, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident;
 - A statement that the respondent is presumed not responsible for the alleged conduct until a final decision is reached;
 - A statement that the parties may have an advisor of their choice, who may be an attorney, and may inspect and review evidence; and
 - A statement that CCS prohibits an individual from knowingly making false statements or knowingly submitting false information during the grievance process.
- Emergency Removal
 - CCS may place a non-student employee respondent on administrative leave during the pendency of a formal complaint of sexual harassment grievance process in accordance with CCS's policies.
 - CCS may remove a respondent from CCS's education program or activity on an emergency basis, in accordance with CCS's policies, provided that CCS undertakes an individualized safety and risk analysis, determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal, and provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.
 - This provision may not be construed to modify any rights under the IDEA, Section 504, or the ADA.
- Informal Resolution
 - If a formal complaint of sexual harassment is filed, CCS may offer a voluntary informal resolution process, such as mediation, to the parties at any time prior to reaching a determination regarding responsibility. If CCS offers such a process, it will do the following:

- Provide the parties with advance written notice of:
 - The allegations;
 - The requirements of the voluntary informal resolution process including the circumstances under which the parties are precluded from resuming a formal complaint of sexual harassment arising from the same allegations;
 - The parties' right to withdraw from the voluntary informal resolution process and resume the grievance process at any time prior to agreeing to a resolution; and
 - Any consequences resulting from participating in the voluntary informal resolution process, including the records that will be maintained or could be shared; and
 - Obtain the parties' advance voluntary, written consent to the informal resolution process.

CCS will not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.

- Investigation Process
 - The decision-maker will not be the same person(s) as the Coordinator or the investigator. CCS shall ensure that all decision-makers and investigators do not have a conflict of interest or bias for or against complainants or respondents.
 - In most cases, a thorough investigation will take no more than twenty-five (25) school days. If the investigator determines that an investigation will take longer than twenty-five (25) school days and needs to be delayed or extended due to good cause, the investigator will inform the complainant and any respondents in writing of the reasons for the delay or extension and provide an approximate date when the investigation will be complete.
 - The parties will be provided with an equal opportunity to present witnesses, to inspect and review any evidence obtained that is directly related to the allegations raised, and to have an advisor present during any investigative meeting or interview.
 - The parties will not be prohibited from discussing the allegations under investigation or to gather and present relevant evidence.
 - A party whose participation is invited or expected at an investigative meeting or interview will receive written notice of the date, time, location, participants, and purpose of the meeting or interview with sufficient time for the party to prepare to participate.
 - Prior to completion of the investigative report, CCS will send to each party and the party's advisor, if any, a copy of the evidence subject to inspection and review, and

the parties will have at least ten (10) days to submit a written response for the investigator's consideration prior to the completion of the investigation report.

- The investigator will complete an investigation report that fairly summarizes relevant evidence and send a copy of the report to each party and the party's advisor, if any, at least ten (10) days prior to the determination of responsibility.
- Dismissal of a Formal Complaint of Sexual Harassment
 - If the investigation reveals that the alleged harassment did not occur in CCS's educational program in the United States or would not constitute sexual harassment even if proved, the formal complaint with regard to that conduct must be dismissed. However, such a dismissal does not preclude action under another applicable CCS policy.
 - CCS may dismiss a formal complaint of sexual harassment if:
 - The complainant provides a written withdrawal of the complaint to the Coordinator;
 - The respondent is no longer employed or enrolled at CCS; or
 - The specific circumstances prevent CCS from gathering evidence sufficient to reach a decision on the formal complaint or the allegations therein.
 - If a formal complaint of sexual harassment or any of the claims therein are dismissed, CCS will promptly send written notice of the dismissal and the reason(s) for the dismissal simultaneously to the parties.
- Determination of Responsibility
 - The standard of evidence used to determine responsibility is the preponderance of the evidence standard.
 - CCS will send a written decision on the formal complaint to the complainant and respondent simultaneously that describes:
 - The allegations in the formal complaint of sexual harassment;
 - All procedural steps taken including any notifications to the parties, interviews with parties and witnesses, site visits, and methods used to gather other evidence;
 - The findings of facts supporting the determination;
 - The conclusions about the application of CCS's code of conduct to the facts;
 - The decision and rationale for each allegation;
 - Any disciplinary sanctions the recipient imposes on the respondent, and whether remedies designed to restore or preserve equal access to the education program or activity will be provided to the complainant; and
 - The procedures and permissible bases for appeals.

5. Consequences

Scholars or employees who engage in misconduct prohibited by this Policy, knowingly make false statements or knowingly submit false information during the grievance process may be subject to disciplinary action up to and including expulsion from CCS or termination of employment. The Coordinator is responsible for effective implementation of any remedies ordered by CCS response to a formal complaint of sexual harassment.

6. Right of Appeal

Should the reporting individual find CCS's resolution unsatisfactory, the reporting individual may, within five (5) business days of notice of CCS' decision or resolution, submit a written appeal to the President of the CCS Board, who will review the investigation and render a final decision.

The following appeal rights and procedures will also apply to formal complaints of sexual harassment:

- The complainant and the respondent shall have the same appeal rights and CCS will implement appeal procedures equally for both parties.
- CCS will notify the other party in writing when an appeal is filed.
- The decision-maker for the appeal will give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome; issue a written decision describing the result of the appeal and the rationale for the result; and provide the written decision simultaneously to both parties.

7. Recordkeeping

All records related to any investigation of complaints under this Policy are maintained in a secure location.

CCS will maintain the following records for at least seven (7) years:

- Records of each sexual harassment investigation, including any determination of responsibility; any audio or audiovisual recording or transcript; any disciplinary sanctions imposed on the respondent; and any remedies provided to the complainant.
- Records of any appeal of a formal sexual harassment complaint and the results of that appeal.
- Records of any informal resolution of a sexual harassment complaint and the results of that informal resolution.
- All materials used to train Title IX coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process.
- Records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment.

Withdrawal from CCS

1. If a scholar decides to withdraw, the scholar's Learning Coach communicates the decision through their ST and/or counselor.
2. The teacher notifies the Attendance Coordinator who sends the learning coach an email and form to confirm the withdrawal.
3. For scholars in grades 9-12, the counselor will hold a voluntary exit conference with the learning coach to ensure the scholar receives the appropriate academic consultation.
4. Once the withdrawal is completed the Attendance Coordinator will email the Learning Coach a letter showing the scholar has been withdrawn that can be given to the scholar's new school.
5. If a scholar willfully damages CCS' property or the personal property of a CCS employee, or fails to return a textbook, library book, computer/tablet or other CCS property that has been loaned to the scholar, the scholar's parents/guardians are liable for all damages caused by the scholar's misconduct not to exceed ten thousand dollars (\$10,000), adjusted annually for inflation. After notifying the scholar's parent or guardian in writing of the scholar's alleged misconduct and affording the scholar due process, CCS may withhold the scholar's grades, transcripts, and diploma until the damages have been paid. If the scholar and the scholar's parent/guardian are unable to pay for the damages or to return the property, CCS will provide a program of voluntary work for the minor in lieu of the payment of monetary damages. Upon completion of the voluntary work, the scholar's grades and diploma will be released.
6. If a scholar and/or a learning coach makes the decision to withdraw from CCS prior to the end of the semester, they are automatically forfeiting their right to a letter grade for any courses still in progress, and will receive an incomplete ("I") on their transcript. Any coursework completed for courses still in progress during a withdrawal will be lost, and cannot be transferred to a new academic institution. If the course has been 100% completed and letter grade provided by instructor, the scholar will be awarded the credits earned. Please contact your counselor before you choose to withdraw from CCS.

Involuntary Removal Process

No student shall be involuntarily removed by the Charter School for any reason unless the parent or guardian of the student has been provided written notice of intent to remove the student no less than five (5) schooldays before the effective date of the action ("Involuntary Removal Notice"). The written notice shall be in the native language of the student or the student's parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student's educational rights holder. The Involuntary Removal Notice shall include the charges against the student and an explanation of the student's basic rights including the right to request a hearing before the effective date of the action. The hearing shall be consistent with the Charter School's expulsion procedures. If the student's parent, guardian, or educational rights holder requests a hearing, the student shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions or expulsions pursuant to the Charter School's suspension and expulsion policy.

Upon parent/guardian request for a hearing, the Charter School will provide notice of hearing consistent with its expulsion hearing process, through which the student has a fair opportunity to present testimony, evidence, and witnesses and confront and cross-examine adverse witnesses, and at which the student has the right to bring legal counsel or an advocate. The notice of hearing shall be in the

native language of the student or the student's parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student's educational rights holder and shall include a copy of the Charter School's expulsion hearing process.

If the parent/guardian is nonresponsive to the Involuntary Removal Notice, the Student will be disenrolled as of the effective date set forth in the Involuntary Removal Notice. If parent/guardian requests a hearing and does not attend on the date scheduled for the hearing the Student will be disenrolled effective the date of the hearing.

If as a result of the hearing the student is disenrolled, notice will be sent to the student's last known district of residence within thirty (30) days.

A hearing decision not to disenroll the student does not prevent the Charter School from making a similar recommendation in the future should student truancy continue or re-occur.

Parent and Family Engagement Policy

The Charter School aims to provide all students in our school significant opportunity to receive a fair, equitable, and high-quality education, and to close educational achievement gaps while abiding by guidelines within the Elementary and Secondary Education Act ("ESEA"). The Charter School staff recognizes a partnership with families is essential to meet this goal. Our Parent and Family Engagement Policy leverages and promotes active involvement of all families as partners with schools to ensure student success. A copy of the Charter School's complete Policy is available upon request in the Central Office and on the school website within the Board Policy Manual.

Employee Interactions with Scholars

CCS recognizes its responsibility to make and enforce all rules and regulations governing student and employee behavior to bring about the safest and most learning conducive environment possible.

Corporal Punishment

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of, or willfully causing the infliction of, physical pain on a student.

For purposes of this policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to property.

For clarification purposes, the following examples are offered for direction and guidance of School personnel:

1. Examples of PERMITTED actions (NOT corporal punishment)
 - a. Stopping a student from fighting with another student;
 - b. Preventing a pupil from committing an act of vandalism;
 - c. Defending yourself from physical injury or assault by a student;
 - d. Forcing a pupil to give up a weapon or dangerous object;
 - e. Requiring an athletic team to participate in strenuous physical training activities designed to strengthen or condition team members or improve their coordination,

- agility, or physical skills;
- f. Engaging in group calisthenics, team drills, or other physical education or voluntary recreational activities.
- 2. Examples of PROHIBITED actions (corporal punishment)
 - a. Hitting, shoving, pushing, or physically restraining a student as a means of control;
 - b. Making unruly students do push-ups, run laps, or perform other physical acts that cause pain or discomfort as a form of punishment;
 - c. Paddling, swatting slapping, grabbing, pinching, kicking, or otherwise causing physical pain.

Acceptable and Unacceptable Staff/Student Behavior

This policy is intended to guide all School faculty and staff in conducting themselves in a way that reflects the high standards of behavior and professionalism required of school employees and to specify the boundaries between students and staff.

Although this policy gives specific, clear direction, it is each staff member's obligation to avoid situations that could prompt suspicion by parents, students, colleagues, or Administrators. One viable standard that can be quickly applied, when you are unsure if certain conduct is acceptable, is to ask yourself, "Would I be engaged in this conduct if my family or colleagues were standing next to me?"

For the purposes of this policy, the term "boundaries" is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing the boundaries of a student/teacher relationship is deemed an abuse of power and a betrayal of public trust.

Some activities may seem innocent from a staff member's perspective, but can be perceived as flirtation or sexual insinuation from a student or parent point of view. The objective of the following lists of acceptable and unacceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to, or may be perceived as, sexual misconduct.

Staff must understand their own responsibility for ensuring that they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for disciplinary purposes. Thus, it is crucial that all employees learn this policy thoroughly and apply the lists of acceptable and unacceptable behaviors to their daily activities. Although sincere, competent interaction with students certainly fosters learning, student/staff interactions must have boundaries surrounding potential activities, locations and intentions.

Duty to Report Suspected Misconduct

When any employee reasonably suspects or believes that another staff member may have crossed the boundaries specified in this policy, he or she must immediately report the matter to a school administrator. All reports shall be as confidential as possible under the circumstances. It is the duty of the Administrator to investigate and thoroughly report the situation. Employees must also report to the Administration any awareness or concern of student behavior that crosses boundaries or where a student appears to be at risk for sexual abuse.

Examples of Specific Behaviors

The following examples are not an exhaustive list:

Unacceptable Staff/Student Behaviors (Violations of this Policy)

- Giving gifts to an individual student that are of a personal and intimate nature.
- Kissing of any kind.
- Any type of unnecessary physical contact with a student in a private situation.

- jBecoming involved with a student so that a reasonable person may suspect inappropriate behavior.

(These behaviors should only be exercised when a staff member has parent and Supervisor permission.)

- Being alone in a room with a student at school with the door closed.
- Allowing students in your home.

- Being alone in a room with a student at school with the door closed. The only exception to this rule is if it is required for special educational purposes, related to a student's Individual Education Plan (IEP). The School Psychologist or employee working in the Special Education Department must have written permission from the student's guardian.
- Remarks about the physical attributes or development of anyone.
- Excessive attention toward a particular student.

- Asking another staff member to be present if you will be alone with any type of special needs student.
- Asking another staff member to be present when you must be alone with a student after regular school hours.

- Keeping your professional conduct a high priority.
- Asking yourself if your actions are worth your job and career.

Suicide Prevention Policy

The Board of Directors of CCS recognizes that suicide is a major cause of death among youth and should be taken seriously. To attempt to reduce suicidal behavior and its impact on students and families, the Board of Directors has developed prevention strategies and intervention procedures.

In compliance with Education Code section 215, this policy has been developed in consultation with CCS and community stakeholders, CCS school-employed mental health professionals (e.g., school counselors, psychologists, social workers, nurses), administrators, other school staff members, parents/guardians/caregivers, students, local health agencies and professionals, law enforcement, and community organizations in planning, implementing, and evaluating CCS's strategies for suicide prevention and intervention. CCS must work in conjunction with local government agencies, community-based organizations, and other community supports to identify additional resources.

CCS will include the telephone number for the National Suicide Prevention Lifeline (1-800-273-8255) and the National Domestic Violence Hotline (1-800-799-7233) on all student identification cards. CCS will also include the number for the Crisis Text Line, which can be accessed by texting HOME to 741741 and a local suicide prevention hotline on all student identification cards.

A copy of the complete Suicide Prevention Policy can be located in the Central Office and on the school's website within the CCS Board Policy Manual.

Suspension and Expulsion Policy

The Pupil Suspension and Expulsion Policy has been established in order to promote learning and protect the safety and well-being of all scholars at CCS. In creating this policy, CCS has reviewed Education Code Section 48900 *et seq.* which describes the non-charter schools' list of offenses and procedures to establish its list of offenses and procedures for suspensions and expulsions. The language that follows closely mirrors the language of Education Code Section 48900 *et seq.* CCS is committed to annual review of policies and procedures surrounding suspensions and expulsions and, as necessary, modification of the lists of offenses for which students are subject to suspension or expulsion.

When the Policy is violated, it may be necessary to suspend or expel a scholar from CCS. This policy shall serve as CCS' policy and procedures for scholar suspension and expulsion, and it may be amended from time to time without the need to amend the charter so long as the amendments comply with legal requirements.

Charter School staff shall enforce disciplinary rules and procedures fairly and consistently among all scholars. This Policy and its Procedures will clearly describe discipline expectations.

Discipline includes but is not limited to advising and counseling scholars. Corporal punishment shall not be used as a disciplinary measure against any scholar. Corporal punishment includes the willful infliction of or willfully causing the infliction of physical pain on a scholar. For purposes of the policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, scholars, staff or other persons or to prevent damage to school property.

CCS administration shall ensure that scholars and their parents/guardians are notified in writing upon enrollment of all discipline policies and procedures. The notice shall state that this Policy and Procedures are available in the Scholar Handbook.

Suspended or expelled scholars shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension or expulsion.

A scholar identified as an individual with disabilities or for whom CCS has a basis of knowledge of a suspected disability pursuant to the Individuals with Disabilities Education Improvement Act of 2004 ("IDEA") or who is qualified for services under Section 504 of the Rehabilitation Act of 1973 ("Section 504") is subject to the same grounds for suspension and expulsion and is accorded the same due process procedures applicable to regular education scholars except when federal and state law mandates additional or different procedures. CCS will follow all applicable federal and state laws, including, but not limited to, the IDEA, Section 504, the California Education Code, and their implementing regulations, when imposing any form of discipline on a scholar identified as an individual with disabilities or for whom CCS has a basis of knowledge of a suspected disability or who is otherwise qualified for such services or protections in according due process to such scholars.

No scholar shall be involuntarily removed by the Charter School for any reason unless the parent or guardian of the scholar has been provided written notice of intent to remove the scholar no less than five (5) schooldays before the effective date of the action. The written notice shall be in the native language of the scholar or the scholar's parent or guardian or, if the scholar is a foster child or youth or a homeless child or youth, the scholar's educational rights holder, and shall inform him or her of the right to initiate the procedures specified below for suspensions, before the effective date of the action. If the scholar's parent, guardian, or educational rights holder initiates the procedures specified below for suspensions, the scholar shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions or expulsions pursuant to the suspension and expulsion procedures described below.

 - l) Possessed an imitation firearm, i.e.: a replica of a firearm that is so substantially similar in physical properties to an existing firearm as to lead a reasonable person to conclude that the replica is a firearm.
 - m) Committed or attempted to commit a sexual assault as defined in Penal Code Sections 261, 266c, 286, 288, 288a or 289, or committed a sexual battery as defined in Penal

- n) Harassed, threatened, or intimidated a student who is a complaining witness or witness in a school disciplinary proceeding for the purpose of preventing that student from being a witness and/or retaliating against that student for being a witness.
- o) Unlawfully offered, arranged to sell, negotiated to sell, or sold the prescription drug Soma.
- p) Engaged in, or attempted to engage in hazing. For the purposes of this subdivision, “hazing” means a method of initiation or preinitiation into a pupil organization or body, whether or not the organization or body is officially recognized by an educational institution, which is likely to cause serious bodily injury or personal degradation or disgrace resulting in physical or mental harm to a former, current, or prospective pupil. For purposes of this section, “hazing” does not include athletic events or school-sanctioned events.
- q) Made terroristic threats against school officials and/or school property, which includes, but is not limited to, electronic files and databases. For purposes of this section, “terroristic threat” shall include any statement, whether written or oral, by a person who willfully threatens to commit a crime which will result in death, great bodily injury to another person, or property damage in excess of one thousand dollars (\$1,000), with the specific intent that the statement is to be taken as a threat, even if there is no intent of actually carrying it out, which, on its face and under the circumstances in which it is made, is so unequivocal, unconditional, immediate, and specific as to convey to the person threatened, a gravity of purpose and an immediate prospect of execution of the threat, and thereby causes that person reasonably to be in sustained fear for his or her own safety or for his or her immediate family’s safety, or for the protection of school property, which includes, but is not limited to, electronic files and databases, or the personal property of the person threatened or his or her immediate family.
- r) Committed sexual harassment, as defined in Education Code Section 212.5. For the purposes of this section, the conduct described in Section 212.5 must be considered by a reasonable person of the same gender as the victim to be sufficiently severe or pervasive to have a negative impact upon the individual’s academic performance or to create an intimidating, hostile, or offensive educational environment. This section shall apply to pupils in any of grades 4 to 12, inclusive.
- s) Caused, attempted to cause, threatened to cause or participated in an act of hate violence, as defined in subdivision (e) of Section 233 of the Education Code. This section shall apply to pupils in any of grades 4 to 12, inclusive.
- t) Intentionally harassed, threatened or intimidated school personnel or volunteers and/or a student or group of students to the extent of having the actual and reasonably expected effect of materially disrupting classwork, creating substantial disorder and invading the rights of either school personnel or volunteers and/or student(s) by creating an intimidating or hostile educational environment. This section shall apply to pupils in any of grades 4 to 12, inclusive.
- u) Engaged in an act of bullying, including, but not limited to, bullying committed by means of an electronic act.
 - 1) “Bullying” means any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act, and including one or more acts committed by a student or group of students

which would be deemed hate violence or harassment, threats, or intimidation, which are directed toward one or more students that has or can be reasonably predicted to have the effect of one or more of the following:

- i. Placing a reasonable student (defined as a student, including, but is not limited to, a student with exceptional needs, who exercises average care, skill, and judgment in conduct for a person of his or her age, or for a person of his or her age with exceptional needs) or students in fear of harm to that student's or those students' person or property.
 - ii. Causing a reasonable student to experience a substantially detrimental effect on his or her physical or mental health.
 - iii. Causing a reasonable student to experience substantial interference with his or her academic performance.
 - iv. Causing a reasonable student to experience substantial interference with his or her ability to participate in or benefit from the services, activities, or privileges provided by the Charter School.
- 2) "Electronic Act" means the creation or transmission originated on or off the school site, by means of an electronic device, including, but not limited to, a telephone, wireless telephone, or other wireless communication device, computer, or pager, of a communication, including, but not limited to, any of the following:
- i. A message, text, sound, video, or image.
 - ii. A post on a social network Internet Web site including, but not limited to:
 - (a) Posting to or creating a burn page. A "burn page" means an Internet Web site created for the purpose of having one or more of the effects as listed in subparagraph (1) above.
 - (b) Creating a credible impersonation of another actual pupil for the purpose of having one or more of the effects listed in subparagraph (1) above. "Credible impersonation" means to knowingly and without consent impersonate a pupil for the purpose of bullying the pupil and such that another pupil would reasonably believe, or has reasonably believed, that the pupil was or is the pupil who was impersonated.
 - (c) Creating a false profile for the purpose of having one or more of the effects listed in subparagraph (1) above. "False profile" means a profile of a fictitious pupil or a profile using the likeness or attributes of an actual pupil other than the pupil who created the false profile.
 - iii. An act of cyber sexual bullying.
 - (a) For purposes of this clause, "cyber sexual bullying" means the dissemination of, or the solicitation or incitement to disseminate, a photograph or other visual recording by a pupil to another pupil or to school personnel by means of an electronic act that has or can be reasonably predicted to have one or more of the effects described in subparagraphs (i) to (iv), inclusive, of paragraph (1). A photograph or other visual recording, as described above, shall include the depiction of a

nude, semi-nude, or sexually explicit photograph or other visual recording of a minor where the minor is identifiable from the photograph, visual recording, or other electronic act.

(b) For purposes of this clause, “cyber sexual bullying” does not include a depiction, portrayal, or image that has any serious literary, artistic, educational, political, or scientific value or that involves athletic events or school-sanctioned activities.

- 3) Notwithstanding subparagraphs (1) and (2) above, an electronic act shall not constitute pervasive conduct solely on the basis that it has been transmitted on the Internet or is currently posted on the Internet.
- v) A pupil who aids or abets, as defined in Section 31 of the Penal Code, the infliction or attempted infliction of physical injury to another person may be subject to suspension, but not expulsion, except that a pupil who has been adjudged by a juvenile court to have committed, as an aider and abettor, a crime of physical violence in which the victim suffered great bodily injury or serious bodily injury shall be subject to discipline pursuant to subdivision (3)(a)-(b).
- w) Possessed, sold, or otherwise furnished any knife unless, in the case of possession of any object of this type, the student had obtained written permission to possess the item from a certificated school employee, with the Superintendent or designee’s concurrence.

4. Non-Discretionary Expellable Offenses: Students must be recommended for expulsion for any of the following acts when it is determined pursuant to the procedures below that the pupil:

- a) Possessed, sold, or otherwise furnished any firearm, explosive, or other dangerous object unless, in the case of possession of any object of this type, the student had obtained written permission to possess the item from a certificated school employee, with the Superintendent or designee’s concurrence.

If it is determined by the Administrative Panel and/or Board of Directors that a scholar has brought a firearm or destructive device, as defined in Section 921 of Title 18 of the United States Code, onto campus or to have possessed a firearm or dangerous device on campus, the student shall be expelled for one year, pursuant to the Federal Gun Free Schools Act of 1994. In such instances, the pupil shall be provided due process rights of notice and a hearing as required in this policy.

The term “firearm” means (A) any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive; (B) the frame or receiver of any such weapon; (C) any firearm muffler or firearm silencer; or (D) any destructive device. Such term does not include an antique firearm.

The term “destructive device” means (A) any explosive, incendiary, or poison gas, including but not limited to: (i) bomb, (ii) grenade, (iii) rocket having a propellant charge of more than four ounces, (iv) missile having an explosive or incendiary charge of more than one-quarter ounce, (v) mine, or (vi) device similar to any of the devices described in the preceding clauses.

C. Suspension Procedure

Suspensions shall be initiated according to the following procedures:

1. Conference

Suspension shall be preceded, if possible, by a conference conducted by the Superintendent or designee with the scholar and his or her parent and, whenever practical, the teacher, supervisor or Charter School employee who referred the scholar to the President & CEO or designee.

The conference may be omitted if the Superintendent or designee determines that an emergency situation exists. An “emergency situation” involves a clear and present danger to the lives, safety or health of scholars or Charter School personnel. If a scholar is suspended without this conference, both the parent/guardian and scholar shall be notified of the scholar’s right to return to school for the purpose of a conference.

At the conference, the pupil shall be informed of the reason for the disciplinary action and the evidence against him or her and shall be given the opportunity to present his or her version and evidence in his or her defense, in accordance with Education Code Section 47605(b)(5)(J)(i). This conference shall be held within two (2) school days, unless the pupil waives this right or is physically unable to attend for any reason including, but not limited to, incarceration or hospitalization. No penalties may be imposed on a pupil for failure of the pupil’s parent or guardian to attend a conference with Charter School officials. Reinstatement of the suspended pupil shall not be contingent upon attendance by the pupil’s parent or guardian at the conference.

2. Notice to Parents/Guardians

At the time of the suspension, the Superintendent or designee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a scholar is suspended, the parent/guardian shall be notified in writing of the suspension and the date of return following suspension. This notice shall state the specific offense committed by the scholar. In addition, the notice may also state the date and time when the scholar may return to school. If Charter School officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may request that the parent/guardian respond to such requests without delay.

3. Suspension Time Limits/Recommendation for Placement/Expulsion

Suspensions, when not including a recommendation for expulsion, shall not exceed five (5) consecutive school days per suspension.

Upon a recommendation of expulsion by the Superintendent or designee, the pupil and the pupil’s guardian or representative will be invited to a conference to determine if the suspension for the pupil should be extended pending an expulsion hearing. In such instances when the Charter School has determined a suspension period shall be extended, such extension shall be made only after a conference is held with the pupil or the pupil’s parents, unless the pupil and the pupil’s parents fail to attend the conference. This determination will be made by the Superintendent or designee upon either of the following determinations: 1) the pupil’s presence will be disruptive to the education process; or 2) the pupil poses a threat or danger to others. Upon either determination,

the pupil's suspension will be extended pending the results of an expulsion hearing.

D. Authority to Expel

As required by Education Code Section 47605(b)(5)(J)(ii), scholars recommended for expulsion are entitled to a hearing adjudicated by a neutral officer to determine whether the scholar should be expelled. The procedures herein provide for such a hearing and the notice of said hearing, as required by law.

A scholar may be expelled either by the neutral and impartial Charter School Board of Directors following a hearing before it or by the Charter School Board of Directors upon the recommendation of a neutral and impartial Administrative Panel to be assigned by the Board of Directors as needed. The Administrative Panel shall consist of at least three members who are certificated and neither a teacher of the pupil nor a member of the Charter School Board of Directors. Each entity shall be presided over by a designated neutral hearing chairperson. The Administrative Panel may recommend expulsion of any scholar found to have committed an expellable offense, and the Board of Directors shall make the final determination.

E. Expulsion Procedures

Scholars recommended for expulsion are entitled to a hearing to determine whether the scholar should be expelled. Unless postponed for good cause, the hearing shall be held within thirty (30) school days after the Superintendent or designee determines that the pupil has committed an expellable offense.

In the event an Administrative Panel hears the case, it will make a recommendation to the Governing Board for a final decision whether to expel. The hearing shall be held in closed session (complying with all pupil confidentiality rules under FERPA) unless the pupil makes a written request for a public hearing in open session three (3) days prior to the date of the scheduled hearing.

Written notice of the hearing shall be forwarded to the scholar and the scholar's parent/guardian at least ten (10) calendar days before the date of the hearing. Upon mailing the notice, it shall be deemed served upon the pupil. The notice shall include:

1. The date and place of the expulsion hearing
2. A statement of specific facts, charges and offenses upon which the proposed expulsion is based
3. A copy of CCS' disciplinary rules which relate to the alleged violation
4. Notification of the scholar's and/or parent/guardian's obligation to provide information about the scholar's status at the school to any other school district or school to which the scholar seeks enrollment
5. The opportunity for the scholar and/or the scholar's parent/guardian to appear in person or to employ and be represented by counsel or a non-attorney advisor
6. The right to inspect and obtain copies of all documents to be used at the hearing
7. The opportunity to confront and question all witnesses who testify at the hearing
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the scholar's behalf including witnesses

F. Special Procedures for Expulsion Hearings Involving Sexual Assault or Battery Offenses

CCS may, upon finding a good cause, determine that the disclosure of either the identity of the witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations which shall be examined only by the Charter School or the hearing officer. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the pupil.

1. The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of his/her right to (a) receive five (5) days' notice of his/her scheduled testimony, (b) have up to two (2) adult support persons of his/her choosing present in the hearing at the time he/she testifies, which may include a parent, guardian, or legal counsel, and (c) elect to have the hearing closed while testifying.
2. CCS must also provide the victim a room separate from the hearing room for the complaining witness' use prior to and during breaks in testimony.
3. At the discretion of the entity conducting the hearing, the complaining witness shall be allowed periods of relief from examination and cross- examination during which he or she may leave the hearing room.
4. The entity conducting the expulsion hearing may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.
5. The entity conducting the expulsion hearing may also limit time for taking the testimony of the complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours.
6. Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the entity presiding over the hearing from removing a support person whom the presiding person finds is disrupting the hearing. The entity conducting the hearing may permit any one of the support persons for the complaining witness to accompany him or her to the witness stand.
7. If one or both of the support persons is also a witness, CCS must present evidence that the witness' presence is both desired by the witness and will be helpful to CCS. The person presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding officer from exercising his or her discretion to remove a person from the hearing whom he or she believes is prompting, swaying, or influencing the witness.
8. The testimony of the support person shall be presented before the testimony of the complaining witness and the complaining witness shall be excluded from the courtroom during that testimony.
9. Especially for charges involving sexual assault or battery, if the hearing is to be conducted in the public at the request of the pupil being expelled, the complaining witness shall have the right to have his/her testimony heard in a closed session when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are not alternative procedures to avoid the threatened harm. The alternative procedures may include videotaped depositions or contemporaneous examination in another place communicated to the hearing by means of closed-circuit television.
10. Evidence of specific instances of a complaining witness' prior sexual conduct is presumed

inadmissible and shall not be heard absent a determination by the person conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstances can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

G. Record of Hearing

A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

H. Presentation of Evidence

While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A recommendation by the Administrative Panel to expel must be supported by substantial evidence that the scholar committed an expellable offense.

Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay, and sworn declarations may be admitted as testimony from witnesses of whom the Board or Administrative Panel determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the accused pupil, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have his or her testimony heard in a session closed to the public.

The decision of the Administrative Panel shall be in the form of written findings of fact and a written recommendation to the Board of Directors, which will make a final determination regarding the expulsion. The final decision by the Board of Directors shall be made within ten (10) school days following the conclusion of the hearing. The decision of the Board of Directors is final. If the Administrative Panel decides not to recommend expulsion, the pupil shall immediately be returned to his/her educational program.

I. Written Notice to Expel

The Superintendent or designee, following a decision of the Board of Directors to expel, shall send written notice of the decision to expel, including the Board of Directors' adopted findings of fact, to the scholar or parent/guardian. This notice shall also include the following: (a) Notice of the specific offense committed by the scholar; and (b) Notice of the scholar's or parent/guardian's obligation to inform any new district in which the scholar seeks to enroll of the scholar's status with the Charter School.

The Superintendent or designee shall send a copy of the written notice of the decision to expel to the authorizer. This notice shall include the following: (a) The scholar's name; and (b) The specific expellable offense committed by the scholar.

J. Disciplinary Records

CCS shall maintain records of all scholar suspensions and expulsions at the Charter School. Such records shall be made available to the authorizer upon request.

K. No Right to Appeal

The pupil shall have no right of appeal from expulsion from CCS as the CCS Board of Directors' decision to expel shall be final.

L. Expelled Pupils/Alternative Education

Parents/guardians of pupils who are expelled shall be responsible for seeking alternative education programs including, but not limited to, programs within the County or their school district of residence. CCS shall work cooperatively with parents/guardians as requested by parents/guardians or by the school district of residence to assist with locating alternative placements during expulsion.

M. Rehabilitation Plans

Scholars who are expelled from CCS shall be given a rehabilitation plan upon expulsion as developed by the Board of Directors at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. The rehabilitation plan should include a date not later than one year from the date of expulsion when the pupil may reapply to CCS for admission.

N. Readmission

The decision to readmit a pupil or to admit a previously expelled pupil from another school district or charter school shall be in the sole discretion of the Board of Directors following a meeting with the Superintendent or designee and the pupil and parent/guardian or representative to determine whether the pupil has successfully completed the rehabilitation plan and to determine whether the pupil poses a threat to others or will be disruptive to the school environment. The Superintendent or designee shall make a recommendation to the Board of Directors following the meeting regarding his or her determination. The Board shall then make a final decision regarding readmission during the closed session of a public meeting, reporting out any action taken during closed session consistent with the requirements of the Brown Act. The pupil's readmission is also contingent upon the CCS' capacity at the time the student seeks readmission.

O. Special Procedures for the Consideration of Suspension and Expulsion of Students with Disabilities**1. Notification of SELPA**

CCS shall immediately notify the SELPA and coordinate the procedures in this policy with the SELPA of the discipline of any student with a disability or student that CCS or the SELPA would be deemed to have knowledge that the student had a disability.

2. Services During Suspension

Students suspended for more than ten (10) school days in a school year shall continue to receive services so as to enable the student to continue to participate in the general education curriculum, although in another setting (which could constitute a change of placement and the student's IEP would reflect this change), and to progress toward meeting the goals set out in the child's IEP/504 Plan; and receive, as appropriate, a functional behavioral assessment and

behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur. These services may be provided in an interim alternative educational setting.

3. Procedural Safeguards/Manifestation Determination

Within ten (10) school days of a recommendation for expulsion or any decision to change the placement of a child with a disability because of a violation of a code of student conduct, CCS, the parent/guardian, and relevant members of the IEP/504 Team shall review all relevant information in the student's file, including the child's IEP/504 Plan, any teacher observations, and any relevant information provided by the parents to determine:

- a. If the conduct in question was caused by, or had a direct and substantial relationship to, the child's disability; or
- b. If the conduct in question was the direct result of the local educational agency's failure to implement the IEP/504 Plan.

If CCS, the parent/guardian, and relevant members of the IEP/504 Team determine that either of the above is applicable for the child, the conduct shall be determined to be a manifestation of the child's disability.

If CCS, the parent/guardian, and relevant members of the IEP/504 Team make the determination that the conduct was a manifestation of the child's disability, the IEP/504 Team shall:

- a. Conduct a functional behavioral assessment and implement a behavioral intervention plan for such child, provided that the Charter School had not conducted such assessment prior to such determination before the behavior that resulted in a change in placement;
- b. If a behavioral intervention plan has been developed, review the behavioral intervention plan if the child already has such a behavioral intervention plan, and modify it, as necessary, to address the behavior; and
- c. Return the child to the placement from which the child was removed, unless the parent/guardian and CCS agree to a change of placement as part of the modification of the behavioral intervention plan.

If CCS, the parent/guardian, and relevant members of the IEP/504 Team determine that the behavior was not a manifestation of the student's disability and that the conduct in question was not a direct result of the failure to implement the IEP/504 Plan, then CCS may apply the relevant disciplinary procedures to children with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities.

4. Due Process Appeals

The parent/guardian of a child with a disability who disagrees with any decision regarding placement, or the manifestation determination, or CCS believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, may request an expedited administrative hearing through the Special Education Unit of the Office of Administrative Hearings or by utilizing the dispute provisions of the 504 Policy and Procedures. When an appeal relating to the placement of the student or the manifestation determination has been requested by either the parent/guardian or CCS, the student shall remain in the

interim alternative educational setting pending the decision of the hearing officer in accordance with state and federal law, including 20 U.S.C. Section 1415(k), until the expiration of the forty-five (45) day time period provided for in an interim alternative educational setting, unless the parent/guardian and CCS agree otherwise.

In accordance with 20 U.S.C. Section 1415(k)(3), if a parent/guardian disagrees with any decision regarding placement, or the manifestation determination, or if the Charter School believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, the parent/guardian or Charter School may request a hearing.

In such an appeal, a hearing officer may: (1) return a child with a disability to the placement from which the child was removed; or (2) order a change in placement of a child with a disability to an appropriate interim alternative educational setting for not more than 45 school days if the hearing officer determines that maintaining the current placement of such child is substantially likely to result in injury to the child or to others.

5. Special Circumstances

CCS personnel may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a child with a disability who violates a code of student conduct.

The Superintendent or designee may remove a student to an interim alternative educational setting for not more than forty-five (45) school days without regard to whether the behavior is determined to be a manifestation of the student's disability in cases where a student:

- a. Carries or possesses a weapon, as defined in 18 U.S.C. Section 930, to or at school, on school premises, or to or at a school function;
- b. Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function; or
- c. Has inflicted serious bodily injury, as defined by 20 U.S.C. Section 1415(k)(7)(D), upon a person while at school, on school premises, or at a school function.

6. Interim Alternative Educational Setting

The student's interim alternative educational setting shall be determined by the student's IEP/504 Team.

7. Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been identified as an individual with disabilities pursuant to IDEA and who has violated CCS' disciplinary procedures may assert the procedural safeguards granted under this administrative regulation only if CCS had knowledge that the student was disabled before the behavior occurred.

CCS shall be deemed to have knowledge that the student had a disability if one of the following conditions exists:

- a. The parent/guardian has expressed concern in writing, or orally if the parent/guardian does not know how to write or has a disability that prevents a written statement, to CCS supervisory or administrative personnel, or to one of the child's teachers, that the student is in need of special education or related services.

- b. The parent/guardian has requested an evaluation of the child.
- c. The child's teacher, or other CCS personnel, has expressed specific concerns about a pattern of behavior demonstrated by the child, directly to the director of special education or to other CCS supervisory personnel.

If CCS knew or should have known the student had a disability under any of the three (3) circumstances described above, the student may assert any of the protections available to IDEA-eligible children with disabilities, including the right to stay-put.

If CCS had no basis for knowledge of the student's disability, it shall proceed with the proposed discipline. CCS shall conduct an expedited evaluation if requested by the parent/guardian; however, the student shall remain in the education placement determined by CCS pending the results of the evaluation.

CCS shall not be deemed to have knowledge that the student had a disability if the parent/guardian has not allowed an evaluation, refused services, or if the student has been evaluated and determined to not be eligible.

Superintendent's Report June 28, 2020

Great work is happening throughout the organization. This report is meant to highlight several of the functional areas with updates for the Board of Directors:

COVID-19 Update

We have been closely monitoring COVID-19, and following guidance from local, state and federal governmental agencies.

- As previously shared in our March 22 Superintendent's Report:
 - Our first update to families and staff was sent on Monday, March 9 via ParentSquare, which shared prevention tips from the Centers for Disease, Control and Prevention. This update also mentioned that we were not making any adjustments to our school-wide schedule.
 - Our second update to families and staff was sent on Friday, March 13 via ParentSquare. In this update, we shared the closure of our Orange County Learning Center (OCLC) through at least Friday, April 3; pushing our CAASPP state testing window back to begin on Monday, April 27; cancelling our field trips through the end of March; and cancelling Coffee with Compass in March.
 - Our third update to families and staff was sent on Sunday, March 15 via ParentSquare. In this update, we shared the suspension of all in-person activities through our community providers, through at least April 3.
 - I have daily conversations with peer nonclassroom-based public charter school leaders, as well as conversations with our team, on next steps to support our scholars and staff. I anticipate another school-wide update to be shared tomorrow, Monday, March 23.
- Our fourth update to families and staff was sent on Tuesday, April 7 via ParentSquare. In this update, we shared the closure of our Orange County Learning Center (OCLC) through the end of the school year; suspension of all in-person activities through the end of the school year; and the suspension of all of our field trips through the end of the school year. We also mentioned upcoming surveys of our families to help plan our end of the year celebrations, including our Class of 2020 Commencement Ceremony.
- Our fifth update to families and staff was sent on Wednesday, April 29 via ParentSquare. In this updated, we shared the suspension of Physical Fitness Testing, per Governor Newsom's Executive Order (N-56-20); moving our end-of-year-in-person Scholar Celebrations in June to virtual experiences with save the

date information; and sharing our Virtual Enrichment Resource Guide (<https://www.smores.com/fhw7b>).

Human Resources

- Sophia Trivino, Chief of Staff
 - In an effort to enhance and expand the Compass Experience, and provide additional supports to scholars and staff, we have reorganized both our Academic Services and Financial Services Divisions for the upcoming school year. *See enclosed chart.*
 - We partnered with the Institute for Public Sector Employee Engagement to conduct an Employee Connection Survey in April, which is a survey and report tool that provides insight into the impact of COVID-19 on the employee experience.
 - We provided a virtual all-staff training on 'Self-Care & Mindfulness During COVID-19' with our partner, Partners in Special Education, in late April.
 - We entered into a partnership with the San Diego County Office of Education, who is hosting trainings through their Innovation Division. We offered three (3) trainings in May for our staff: Introduction to Zoom, Advanced Features of Zoom, and Appy Hour: Our Favorite Mobile Apps and Web 2.0 Tools.
 - We have created a partnership with the University of Southern California's Rossier School of Education, to help leaders earn their administrative credential. This is a piece of our LCAP goals for professional development. Three (3) staff will be participating in USC's School Leadership Academy.
 - Using our CSI funds, we are sending all of our instructional staff, all 147, to AVID's Digital XP training in early August. Digital XP is a continuous learning journey of live online events and interaction with a Professional Learning Network.

- Organizational changes have transpired since the last meeting. *See enclosed worksheet.*

Executive

- I have continued to host a monthly Virtual 'BYOL' Lunch (on the first Monday of the month), a monthly Superintendent's Town Hall (on the third Wednesday of the month), a monthly Virtual Coffee with the Superintendent (on the last Friday of the month), and weekly Office Hours with the Superintendent (every Thursday).
- I am honored to have been invited to join the Wellness for Educators Advisory Board.
- Our Leadership Team participated in the Center for Creative Leadership's 'Connections that Drive Performance' study in March. This study was conducted as part of an ongoing partnership between the University of Houston, the University of Georgia, and the Center for Creative Leadership. The aim of this study is to understand the complex web of relationships connecting managers at the top of organizations and how these relationships drive the top team's performance and the organization's success.
- I am honored to have been interviewed by Edgility Consulting for a podcast on 'Navigating the Virtual Learning Environment in Response to COVID-19' in April.
- I hosted our fourth and final Superintendent's Town Hall for our Online Learning Program on Monday, May 4, and for our Options Learning Program on Wednesday, May 6. These are held quarterly, where I share updates with our families and open up Q&A. The town halls are recorded and shared with all of our families so everyone has access to the information presented (the Q&A section is not recorded). *See enclosed presentations.*
- I am honored to have been interviewed by Charter Chat for a podcast on Compass and our Compass Experience in May.
- Our Cabinet represented Compass at our CCS of Los Angeles 'End of Year Review' meeting on Tuesday, June 2 with Acton-Agua Dulce USD's Director of Charter Services.
- May and June were months to celebrate our scholars and staff! Beginning the last week of April, first week of May, we celebrated AVID Spirit Week (week of April 27) and School Principals Day (May 1). We then celebrated National Teacher Appreciation Week (week of May 4), National Charter Schools Week (week of May 10), California Day of the Teacher (May 13), and Classified School Employees Week (week of May 17). We then celebrated Decision Day 2020 on May 26, celebrating our graduating seniors and the decisions they made for the fall. We celebrated our promoting 8th-grade scholars at our Orange County Learning Center (OCLC) on May 28, and hosted our Online Elementary and Online Middle School Virtual Awards Assemblies on June 3, followed by our Online High School End of the Year Awards on June 5. Our Options Learning Virtual Awards Assemblies were on June 8. Our celebrations culminated with our Virtual Commencement Ceremony on June 17, where we celebrated the 85 graduates who are part of our graduating Class of 2020.

As of today, three (3) of our Scholar Leadership Council members have applied and been accepted into the academy.
- We have partnered with Adventure 2 Learning (one of our subscription partners) to send all of our re-enrolled TK-8-grade scholars to their Virtual Summer Camp. 890 families will be participating in this summer program.

Compass Chronicle

Compass Charter Schools | June 2020

Scholars and Learning Coaches,

2020 has been an unprecedented and challenging year in history, and as a Compass Family, we have been there with you every step of the way. It is an especially important time to move forward in unity and make a positive difference in our world. All of our scholars, learning coaches, and staff deserve enormous accolades for an incredible school year!

As I reflect on this school year, I am so proud of our strong Compass Community, our Compass Experience, and how our role as a leader in virtual education has developed during these difficult times. We have so much to be proud of this school year, from our [Class of 2020 Virtual Commencement Ceremony](#), virtual award ceremonies for all our Options and Online scholars, and the awarding of our Firebirds of the Year! I am so incredibly impressed by all our scholars' strength and endurance this school year!

We have continued to publish an excellent series of [blogs](#) every week this school year. In these blogs, we share about the success of all our departments, advice for coping, goal setting, state testing, scholar success stories, board recognition, and much more. And when COVID closed in-person activities, we highlighted suggested best practices and resources for the educational community to consider, as everyone moved to virtual learning and virtual work.

The upcoming 2020-21 school year promises even more advancements at CCS. Let our combined accomplishments this year shout from the rooftops that we are genuinely invested in our scholars' success and be a testament to the amazing things we can achieve together. I want to assure our families that our passion, integrity, and transparency will remain consistent. Our top priority has always been to provide our scholars and learning coaches with a positive, engaging, and memorable experience at Compass.

Thank you for a great year! Enjoy your summer, and I look forward to welcoming scholars, families, and staff back to Compass this fall!

Forever Loud & Proud,

J.J. Lewis, Superintendent & CEO

AVID ~ Advancement Via Individual Determination

AVID Year in Review

It was another excellent year for the CCS AVID College and Career Readiness Program! Online and Options programs had the opportunity to collaborate in academic discussions and inquiry during weekly high school AVID elective learning labs by way of Philosophical Chairs and AVID Tutorials.

AVID Elective scholars took their learning outside of the classroom and into the school community by providing moving testimonials at school-wide events and volunteering to train and mentor with the CCS Peer Mentor Program.

This year's field trip was AVID Night at the LA Clippers, where our scholars were able to interact in an executive panel discussion with front office staff from the LA Clippers on college and career topics.

The CCS AVID program would like to make a special shout out to our Compass instructors! Thanks to the efforts of the entire Academic Services Division, Compass earned the designation of Certified AVID Site this year. We are proud of the work undertaken by the whole team, and especially our Online High School team, who have been using AVID strategies and involved in AVID Elective courses for the past three years.

Counseling Services Department

Counseling News

It is hard to believe that another school year has ended! For many of us, this year has been like no other. In these uncertain times, the Counseling Services Team has tried to focus on the things that we can control, rather than dwelling on the things that we cannot control. With that being said, we have enjoyed holding extra learning lab sessions to support our scholars in the absence of state testing.

The Counseling Services Team also had the joy of celebrating our graduating seniors and their plans for after high school. We are proud of the incredible amount of hard work scholars have invested and the accomplishments they have achieved. They will all be missed! As part of our farewell celebration for our seniors, the Counseling Services Team hosted a Decision Day virtual assembly on May 26! Decision Day allowed us to celebrate the post-high school plans of our graduating class, which included a variety of paths such as military, gap-year, four-year college and universities, community college, and the world of work.

Although your summer plans may not be as you imagined, we hope you all find creative ways to enjoy your summer! The Counseling Services Team looks forward to working with all of you returning again in the 2020/21 school year!

Counseling Spotlight ~ Jacob Samples, Counselor G-L!

What is your job title and job responsibilities at Compass? How long have you worked for this organization?

My job responsibilities center around providing school counseling services and resources to scholars at Compass, whose last names begin with G-L. I work with scholars on academic mapping and planning based on their post-high school plans and goals. I also support social and emotional wellness through one-on-one counseling, counseling learning lab workshops, and supporting MTSS by conducting small group sessions.

Tell us your “why” for doing what you do here at Compass.

I continue to support scholars at CCS because there continues to be a very pressing need for counseling services for our population of scholars. Many of our scholars face uphill battles every single day and still find some internal grit to continue showing up and trying. I am a firm believer that childhood education is so important in shaping a person’s future. It affects everything, from their moral Compass to their outlook on life, and even their ability to withstand and overcome adversity. I see every day the amount of barriers our scholars are facing in their personal lives, and it undoubtedly affects their ability to focus on their education, which should be their only job. It stirred a passion in me early on, to be a person in their lives that dismantles those barriers, so that they have the educational opportunities that they all deserve.

Is there a piece of advice you’d like to share with coaches or scholars?

Often, one of the most significant barriers to learning is not having a clearly defined “why” for showing up each day to school and putting the work in. It can catch parents off guard when their kids challenge the importance of education and can be a difficult question to answer! My advice is to focus on being more aware of how you are demonstrating it in your own life because your scholars are always mirroring you, even when it is not apparent. Do you have a routine you follow? Do you manage your time well? Are you organized? Do you prioritize your wellness? Scholars are taking social cues from their parents and guardians all of the time. Also, it’s crucial to stay in tune with their social-emotional development. There is always a clear moment in their development, where they suddenly stop responding to “baby talk,” and need to be spoken to with more authenticity - they crave that. Have open, honest, and authentic discussions about your own experience with education, and how it impacted your life. They will appreciate it, even if they aren’t necessarily showing it at that moment. Speak with them, not at them.

Share one thing about you that very few people know.

While my three brothers were excelling at soccer and hockey throughout their lives, I was completely uninterested. One day when I was seven years old, my mom took me to the Ontario Ice Arena, where my brother Eric played hockey and put me into a pair of figure skates and took me out onto the ice during a public session. I fell in love with the sport and skated competitively until I left home for college.

What do you and your family like to do during your free time?

My family loves to go to Lake Havasu in Arizona and take our boat onto the water. We all live in different parts of the country now, so we always get together every July for a family week at the lake.

Counseling Stories ~ Meet Jesus C., Eleventh Grade Scholar!

Why did you and your family choose to learn from home instead of a traditional school building?

My family and I chose to learn from home instead of traditional education because it would allow my parents to keep track of my education (despite their busy schedules) and continue my education when emergencies arise in my family. For example, if I happen to have a family emergency in Mexico, I can take my computer and continue to learn while there.

We know that when learning at home each day is different, but what is a typical school day like for you?

A typical day for me is waking up around 7 am, I work on assignments, have breakfast, and help my mother out with chores. I then help my siblings with their homework, run errands with my mother, and continue to work. After lunch, I work on assignments, take a long walk in my community, work on more classwork, and then go to bed around 11 pm.

How does learning from home help you achieve your goals?

Compass Charter Schools - Annual Meeting - Agenda - Sunday June 28, 2020 at 10:00 AM

Learning from home helps me achieve my goals by developing my ability to focus and stay motivated, especially since I live with a large family in a small house. I believe that for me to succeed in life is to be focused and motivated at the same time in my learning. So, learning from home has helped me become motivated and focused.

What do you enjoy most about being part of the Compass family?

What I love the most from being part of the Compass family is the support from the staff/teachers and the ability to learn from anywhere at any time. Also, it is a blessing from the Lord that I can continue my education with an online program, with the same curriculum as a traditional school, and get the support that I need from Compass. My family and I frequently move around Southern California, and we travel to Mexico, so it can be hard to maintain a balance between school and family matters. Compass makes family emergencies easier whenever I need to go, I do not have to worry about being lost in class because my teachers are always there for me 24/7.

What do you and your family enjoy doing together during your free time?

My family and I enjoy taking long walks, hiking trips, and slow drives in my community during our free time.

Dear Families,

In the face of uncertainty with the health scare the world is experiencing, it is important to me that all our families continue to feel valued and supported here at Compass. Many of our Special Educators have their children at home during the next few weeks, and their days look quite different as they continue to meet with your scholars and guide them diligently.

Something of great value to us is the need for Social-Emotional Skills ([view link here](#)) to be successful at school, at home, and to lead happy and meaningful lives as they grow and thrive. Please enjoy some materials shared with us from Global Teletherapy, one of our virtual related services providers and I thank you all for your continued collaboration with our Special Education Program as we support your scholars.

Online K-8 Program | June 2020

A Word from our Coordinator

Happy Summer, K-8 Families!

We had some challenges to face this school year, but we came together as a Compass Family, and we not only survived, we thrived! We are so proud of each and every one of our K-8 scholars for pushing through during hard times and working to focus on their coursework.

During this last quarter of the 2019-20 school year, our elementary scholars focused on all things spring, learning about the weather, animals, and plants. Our middle school scholars explored the planets in science and learned all about the moon phases, along with earthquakes, faults, and other natural disasters.

Our teachers participated in Social-Emotional Professional Development and were able to implement newfound teaching techniques in their live virtual classes! We ended the school with virtual assemblies for both elementary and middle school. We hope everyone has a nice and relaxing summer and stays healthy. We can't wait to see what all of our K-8 scholars achieve in the upcoming school year!

1 What sort of fossils have been found in Antarctica from about the time of Pangaea (250 MYA)?

No answer was given.

A fossil, called Glossopteris, was found. It gave support for Wegener's theory. It was a big tree, extinct, that were found in other continents.

Students response can be graded using the grading guidelines.

Grading Guidelines

2 What sort of fossils have been found in Antarctica from more recent times, after it had moved much closer to the South Pole?

No answer was given.

A recent fossil that was found was a fragments of the frog's hip bone and skull in 40-million-year-old sediment collected from Seymour Island, near the tip of the Antarctic Peninsula. Giving evidence of previous ancient climate.

Grading Guidelines

3 Do the fossil finds in Antarctica support Wegener's continental drift hypothesis? Explain your answer using examples of fossil finds. Your answer should include at least five complete sentences.

Yes, his evidence provide support of his theory. Fossils found in Antarctica are the same as from other countries now-a-day's. Like hadrosaur, a duck-billed dinosaur, that is found in South America. Giving that South America and the Antarctic were connected. It also gave evidence of Antarctica's ancient climate. Since Hadrosaurs were plant eaters, Antarctic must have had vegetation in the it's land.

A Compass Family Story: Meet the Rockett Family!

Kadan, Ninth Grade and Brooklyn Seventh Grade pictured above.

We know that often with our scholars each day is different, but what would a typical day look like for you and your scholar?

If we are on tour, they do school aboard our tour bus, where we have a private back room with satellite wi-fi. Sometimes they learn while driving across the country, and sometimes they study while sitting near one of the theaters that they are performing in later that night. They do school work while our crew sets up the show. The rest of the time, when we are not traveling, we are usually on set working on TV projects where we have a dedicated room for our schooling. When we are at home, they are pretty much like normal kids and do their school work there.

What has been your greatest joy in schooling your scholar at home?

Getting to spend more time together as a family and having the flexibility to learn around our busy schedule is awesome!

Share a challenge that you have experienced and how you have worked to overcome the challenge.

Our greatest challenge was while we were in China doing a television show because we were blocked from the internet for almost three weeks. We were unable to do school work. We, of course, got to see so many amazing sites and learned so many things. When we finally arrived in Germany, which was our next stop with internet access, we had a lot of catching up to do! Occasionally when traveling, we will lose internet access on a plane or the bus and lose all of our progress on a test or assignment and then have to start over. That is frustrating, but we deal with it!

Why did you decide to school from home with Compass Charter Schools?

Online schooling gives our family the flexibility to travel and schedule school around our unique lifestyle. We simply could not do what we do without it!

Staff Spotlight

Meet Katie Hooper, Online Elementary School Teacher!

What is your job title and job responsibilities at Compass? How long have you worked for this organization?

Hi, I am Katie Hooper. I am an online elementary school teacher for Compass Charters. I will have my fifth year anniversary with Compass this March. I have worked for online programs for the past eight years.

Tell us your “why” for doing what you do here at Compass.

I love working for Compass; my roster of families have become friends. I love to work with families as their siblings come into the program. It is inspiring to see the scholars and families grow up in our program and life. I have also made life friends on staff; our team is like a family.

As an educator, is there a piece of advice you'd like to share with learning coaches or scholars?

The best advice that I can give each one of my learning coaches is to make sure to take time for themselves at the end of each school day. Don't just move into parenting duties, take some time to read, watch tv, take a break.

Is there a piece of advice you'd like to share with learning coaches or scholars?

The advice that I give, to stay sane during homeschooling is to give yourself time to learn the system and take some days off, sometimes everyone just needs a break.

Share one thing about you that very few people know.

Something not many people know is that I worked for Disneyland for three years during college. I was a third-generation employee; my great-grandfather was an original artist, and both my parents and aunts and uncles also worked in the park.

What do you and your family like to do during your free time?

My family loves to do things outside; both of my girls are swimmers, and they also love to go to the beach. I also love to take my two golden retrievers to the dog park, watching my two-legged and four-legged girls do what they love is my greatest joy. I also like to read a good book.

Online High School Program | June 2020

A Word from our Coordinator

As the school year comes to an end, I can reflect on the many challenges and victories our scholars have faced this year. Our online high school scholars have truly represented our mascot, the phoenix. They have been able to rise above these challenges and reinvent themselves to show their dedication to their education.

During a time when things can be uncertain, our scholars have shown resilience and courage. They have come together and supported one another in their learning labs, tutoring sessions, and clubs, not just as peers but as friends who are all part of our Compass family.

Looking ahead to the 20/21 school year, I am excited to see our scholars continue to demonstrate our ARTIC values of Achievement, Respect, Teamwork, Integrity, and Communication. I wish all of our CCS families a wonderful summer spent with those whom you love. Thank you all for a great year!

What's Been Happening in Online High School?

The end of the school year has been an exciting time for online high school. As the school year came to an end, the online high school scholars were busy finishing the year strong. Although state testing was canceled for this year, our 11th graders practiced their essay writing skills. They submitted a constructive writing response to show their fantastic writing ability that would have been demonstrated on the SBAC assessments. The entire high school team was proud of their efforts and hard work!

An exciting change was shared for the online high school this semester. The plan to change curriculum providers for the 20/21 school year was shared with our families. To prepare

families, scholars, and learning coaches for this change, the online learning department held four information sessions to present various aspects of the new Accelerate Education curriculum and answer any questions. Families can view those sessions by visiting our [YouTube channel](#). The team is looking forward to using this curriculum next year and knows that it will help our scholars reach their goals.

Also, during May, our current eighth grade scholars were able to take a virtual tour of Math and Science learning labs to help prepare them for high school. This virtual tour also included a question and answer session with a panel of current CCS online high school scholars. The eighth graders provided questions for our panelists who shared their experiences, classes they enjoyed, and even their favorite teachers. This virtual tour was a success, and we look forward to those scholars joining us in ninth grade!

During the first week of June, our online high school team held our end of the year awards assembly. Scholars were recognized for their academic excellence in their content courses, their achievements during their ILP tutoring sessions, countless community service hours, learning lab participation, and overall improvement. Our Firebird of the Year was also recognized for each of our charters. Scholars worked hard throughout the year, and we were thrilled to be able to recognize their efforts and achievements. You can view this awards assembly at this [link](#).

Lastly, we finished the school year with our graduation ceremony. This year's graduation ceremony looked remarkably different. However, as our scholars are committed, they were flexible and embraced their virtual graduation ceremony. Complete with a graduation box to commemorate their accomplishments, scholars were recognized for their achievement and were celebrated.

To quote Dr. Martin Luther King, Jr.

"If you can't fly, then run,
If you can't run, then walk,
If you can't walk, then crawl,
But whatever you do, you have to keep moving forward."

Keep moving forward and accomplishing greatness! Congratulations, class of 2020!

Online Scholars' Work Samples & Learning Labs

Scholars have been working hard this semester and using their focused notes to be successful in their courses. Oney F. shared his focused notes for geometry.

Also in geometry, scholars finished their last construction project for the year. Andrew E. finished the semester strong with his submission.

In Art History this semester, scholars had the opportunity to learn about various art movements. Here, Elizabeth M. created a presentation about optical illusion art.

Important things about Op Art Part 2:

Op art really didn't become popular in America until about the 1960's. But this type of art can be traced as far back to the 1840's when a French Chemist named Michel-Eugene Chevreul was experimenting with pairing complementary colors and art. The style became most popular in New York. And the style of Op art didn't become very used or well wide know until Kinetic Artist Victor Vasarely used it and experimented all new and different kinds and types of styles within in Optical and illusionary art.

A photograph of a young child climbing a ladder in a room with blue walls. The walls are covered in white, wavy, optical art patterns that create a sense of movement and depth. The child is wearing a white shirt and dark pants.

Scholars in health class ended the year presenting about a career in the health field. This scholar presented on a career as a wildlife veterinarian.

A Day In The Life Of a Wildlife Veterinarian

- Wildlife vets can work in veterinary clinics, wildlife rehabilitation centers, zoos, in their natural habitat, and even the military
- Many vets have on-call schedules, meaning that your shifts throughout the work period will be spontaneous due to emergencies
- You will most likely be called in during the night, weekends, and on holidays
- You should expect to work about 50 hours or more a week

During Sociology class, scholars researched the demographics and information for the city in which they live. In this project, Tevan H. shared about his town of Victorville.

Where do I live?

I live in the city of Victorville, CA. This city of the Mojave Desert was founded in 1895. This isn't my hometown however, as I moved here from Simi Valley when I was nine years old. My family has been living here for the last eight years

In English, scholars wrote their own Gothic fictional narrative. Sean M. wrote about an artist in England.

William in the Dark

Friday, October 13, 1845, Central London, England.

It is dusk, and as I walk down the murky streets that are crowded with people and with gangs of rats, the stench almost makes me sick, and I can hardly wait to arrive at the paint supplies shop. I finally have enough money to get the paint that I need. Fortunately, I reach the shop unharmed and I enter the shop in search of some tubes of royal yellow paint to complete my current painting project that I have been working on for the past few months. The shop owner's name is Charles, and although he is an older man that is hard of hearing, he does know a lot about paint and art. Charles asks, "What are you painting now William?" I tell him that I am painting a landscape scene, and I need the royal yellow paint for the most significant subject in my painting. Charles comments, "You seem rather anxious today. Is something wrong?" I tell him that I probably just did not get a good sleep last night, and pay for the paint. I tell him, "Thank you" and I walk out the door.

As I walk home, I clench my bag of paint tubes close to my chest, knowing that the next person I see may try to steal the bag from me. I get even more nervous, as I hear loud footsteps coming quickly towards me from the dark alleyway. When I turn around to see who is coming towards me, I am baffled,

In Ms. Hobson's English 10 class, scholars had to identify the theme in various fables. In this analysis, Levi F. shared the main theme he recognized.

Central Theme

Based on the evidence found in the story, I have concluded that the central theme is to embrace yourself (In this story, color is most likely representing ethnicity or race) because you can do extraordinary things.

Key Ideas and Details That Develop the Theme

The theme starts to be developed around the time that the Red Tortoise was born, even stating that the Red Tortoise was "given good advice and nice things to eat." After this, the story begins to develop the Red Tortoise's character, saying things such as, "...When the Old Tortoises gave him advice, the little Red Tortoise listened and thanked them. He was a wise little man. He knew when to speak and when to hold his tongue." Shortly after this encounter, the Red Tortoise started to develop a plan on how to take on the "Blue One" (Giraffe). This event shows that the Red Tortoise has intense bravery and knowledge compared to his fellow tortoises. In the story, it states, "He had taken to eating tortoises. They didn't know what to do. They tried to make a plan, but not They could find no remedy." This shows that until the Red Tortoise, they could not defend themselves from the Blue One. The Red Tortoise took down the Blue One by choking him while the Blue One tried swallowing the little Red Tortoise. The story ends with every tortoise praising him and even the young tortoises saying, "...He is wiser than we are. We will listen to what he says, pi'r'aps, after all, there is something in being born a certain color."

Little Red Tortoise's Actions and Interaction

Furthermore, from the very beginning, the Red Tortoise was praised and was "given good advice and nice things to eat." The tortoises had liked the Red Tortoise and knew he was special. Further down the story, it states that The Red Tortoise listened to the Old Tortoises, took their advice, and thanked them. After this encounter with the Old Tortoises, it states that "He knew when to speak and when to hold his tongue." Talk about the Blue One (the Giraffe) was happening and the little Red Tortoise decided to take a stand against his oppressor. He was very brave, creating a new plan to go against Blue One. The Red Tortoise choked the giraffe to death by poking out of his shell and becoming stuck in the Blue One's throat. At the end of the story, the Tortoise Nation "rejoiced" and even the young tortoises that disliked the Red Tortoise had begun to like him and agreed to listen to what he says.

Scholars in a government learning lab shared what they learned regarding government procedures and protocol. Here they review the reasons for a president to be removed from office.

A Scholar Story

Meet Sean M., Graduating Senior

We are shining a spotlight on graduating senior, Sean M. Sean's father shares with us about his son's experience at Compass.

My son Sean has always been inquisitive, and when his brick-and-mortar school teacher in the sixth grade complained to me about Sean asking too many questions during class, we decided that it might be worth trying an online school. At Compass, he has been able to learn at his own pace and research any question he has, any time he likes.

My wife and I were amazed at how his knowledge and skills began to flourish in the first year, and for all of the following years at Compass. Sean has had an excellent education and enjoys learning. He wants to become a high school history teacher, as well as maintain the option of working in water services operations. Sean has been a volunteer with the City of Anaheim Water Department for five years, picking up trash on the hiking trail at the Walnut Canyon Reservoir, and he has learned a lot about water distribution systems.

A typical school day for Sean consists of eating an early breakfast, logging onto Compass online school between 7-8 am, and reading his lessons multiple times, to grasp the information in preparation for the related assignments. He researches related subjects, to gain further knowledge and understanding, and prepares his focus notes for each course. Sean attends learning lab sessions as offered. He types his assignments and reviews them multiple times before submitting, to make sure that he catches any errors. Sean usually finishes school at around 4 pm.

The greatest joy that I have experienced as a Father, in coaching Sean has been seeing him develop into such a knowledgeable, responsible, and independent thinker. Sean has several disabilities, and he has had multiple surgeries to help correct these disabilities. Seeing Sean overcome these challenges and learning so much has been a dream come true for our family. The brick-and-mortar setting was unresponsive to Sean's learning and disabilities, but Compass has been a perfect fit for Sean's needs. The teachers, counselors, and administrators provide him with tremendous support, care, consideration, instruction, guidance, and encouragement. It is no wonder that Sean is now a happy graduating senior in the Class of 2020! Sean has a 4.0 GPA and clear goals for his future, including starting at Santiago Community College in fall 2020.

We chose Compass Charter Schools because it is accredited, and the teachers, counselors, and administrators have very positive reputations for helping students and learning coaches. CCS has an educational system and social support that is comprehensive and effective in developing scholars. When Sean and I made our first phone calls, every staff member made us feel welcomed, understood, and supported. CCS supports Sean with high standards and effective learning through quality teachers and administrators, as well as meeting Sean's social and speech needs with counselors, psychological assessments, and third party therapy services.

What Sean enjoys most about being part of the Compass family is the social support and interaction from the teachers, counselors, and administrators. He has experienced wonderful and caring people that he can relate to, and he appreciates all that they have done for him.

The advice I give to parents about why it may be important to consider enrolling in Compass Charter Schools is three-fold: 1) Compass helps scholars become more independent, responsible, and knowledgeable, 2) Scholars at Compass get to learn from an effective

educational system with highly qualified teachers who care about and support all of their scholars and who ensure scholars get the help they need to become successful; and 3) The Compass online environment is free of bullying and violence, and Compass ensures scholars learn about appropriate social interactions between all scholars, regardless of their differences of any kind.

During our free time, Sean and our family enjoy doing home improvement projects, discussing the future, fields of knowledge, and politics. We also like to walk with Sean as he does his volunteer work. And we enjoy watching movies and eating popcorn at home.

Staff Spotlight!

Meet Ms. Mayer!

Melissa Mayer is new to the CCS family this year. She is a tutor for the online program and started this position in August of 2019. Ms. Mayer teaches support classes for those scholars enrolled in an ILP (Individualized Learning Path), working with middle school and high school reading scholars and high school math scholars. Her open office hours are for all CCS scholars who need help in their classes.

When asked why she does what she does for CCS scholars, Melissa said, "It is my job and my passion to show scholars how smart they are. When I was in school, I did not always feel "smart" and I had to work hard to understand certain subjects. Often, I had the tools I needed, but I did not know how to use them. Or I needed new or different tools but did not know what those tools looked like. That is why I love what I do. I help scholars develop those tools and show them how to use the ones that they already have."

Ms. Mayer also shares, "I tell my children that failure can be fruitful. While no one enjoys failing, it is an opportunity for growth. Rather than feeling defeated and moving on, we encourage our children to look for ways to fix that failure, strengthen their weaknesses, and try again. Every growth is a success!"

Some interesting facts about Ms. Mayer include that she is both a U.S. and an Italian citizen. Her family lived in Italy for a year, and her husband had a student visa. She and her boys could not get one, so, thanks to her 'Nonno' who never renounced his citizenship, Ms. Mayer was able to obtain citizenship for the rest of her family. She also filmed an episode of House Hunters International when she moved!

In her free time, Ms. Mayer shared, "We are a very food-focused family, so we like to cook and bake and eat! We also really love to travel and "go adventuring" as the boys like to say. Last summer, we did a big road trip across the country, starting in Indiana and zigzagging our way back to California. We drove over 2,500 miles in a minivan!"

A Word From our Director

We have made it to the end of the 2020-21 school year, and what a year it has been! Without a doubt, the year has brought on its challenges with our enrollment surge, the globe's pandemic, and our nation's outcry for racial justice. Still, challenges can be viewed as opportunities for growth and improvement, as we have strived to do this school year.

As we reflect on the scholars' progress over the course of the school year, we have witnessed them build relationships, connect with their EFs, grow in their learning, and adjust reasonably well to the need to move everything to virtual. We are excited to share this newsletter with you to highlight what has been happening and showcase some of our staff members and scholars with their accomplishments.

On behalf of our entire Options team, we feel honored to partner with you in your scholar's education this year and look forward to continuing to work with you next year!

What's Been Happening in Options?

Scholars Karis and Analyn's Adventures in Options!

Second grader Karis and Kindergartener Analyn have been enjoying a super fun unit on space, including the planets, sun, stars, constellations, moon, and phases. They did many Magic School Bus Space experiments and activities in their "darkroom" (closet) to better understand orbits, how the moon rotates around the earth (and eclipses), how the earth revolves around the sun, and how telescopes (lenses) help us see farther.

Karis and Analyn are proud of their work on the Kiwi solar system kit and Planetarium. They use the Planetarium every night before bed and are now able to identify and name constellations/stars, including Orion (Rigel and Betelgeuse), Polaris, Ursa Major, Little Dipper, and more! They understand that the constellations in their Planetarium are visible from the Northern Hemisphere and that the constellations we can see are different, or in a different orientation. This has been their favorite unit by far, so far!

For Social Studies, they have been exploring the continent of Africa and its diverse cultures, languages, climate, biomes, and lifestyles. Analyn knows that there are 54 countries in Africa.

Analyn and Karis greatly enjoyed the Nigeria crate by Kiwi Co. They made an Adire Eleko (resist dye) cloth pouch while listening to Nigerian music on Spotify. And, in the last week,

Congratulations to William!

Third grader, William knew he wanted to collect Pokémon cards when his Mom offered to lead a 4-H Collections project. As a part of Will's project, he virtually interviewed a Hobby Store owner and created a presentation on how to care for your collection and how to spot fakes when buying and trading cards.

William entered his report in this year's Virtual Solano County 4-H, 4-H Area Presentation Day, and 4-H State Presentation Day, earning two gold awards and a second-place ribbon! To earn his 4-H Presentation Proficiency Award, he also presented his report virtually to friends and family, including a retirement home and a homeschool co-op! William's Pokémon collection will be on display at the Virtual Solano County Fair, which can be viewed online on June 18 at <http://www.scfair.com/fair-activities!>

What's New in Options High School?

Pathways for Success

Options High School is gearing up for the next school year! In our last newsletter, we talked about our new and amazing A-G offerings, leading to many questions about what A-G is, how it benefits our scholars, and why we are developing courses. This month we want to give a brief overview of A-G and introduce our CTE pathways!

A-G is simply a way of organizing courses for scholars who are planning to attend a University of California or California State University immediately after high school. This pathway demonstrates rigor to these universities for scholars who do not necessarily plan to take concurrent enrollment classes at a community college or a private university. Scholars are still allowed and encouraged to register for concurrent enrollment classes (with counselor approval) if desired. Scholars who fall into this category work with their supervising teacher and their counselor to make sure they are on the A-G pathway. Many new A-G course offerings are available for the upcoming school year!

For scholars who are committed to taking community college or other college courses during high school, planning to attend a community college or private university, and/or obtaining career training or other certifications, a non-A-G course of study can be more personalized based upon the needs and wishes of the individual scholar and family. Our CTE pathways are being developed for scholars who are interested in pursuing a career in the fields of Drama or Health Sciences. Presently, we have the freshman course, Introduction to Careers, ready for incoming ninth graders to take. Scholars in the class of 2024 should have at least two CTE pathways and possibly many more!

No matter what your scholar's college or career trajectory is, we are excited to provide support and a variety of choices! Have a fantastic summer! We will see you in the fall!

Meet Sharlie Walker, our Regional Coordinator!

Hello, my name is Sharlie Walker and this is my fifth year with Compass. I've been working in education for 16 years. I started out as a first grade teacher, moved to middle school, and then settled in as a work from home mom and at-home teacher. I then taught online middle school, and ultimately found a wonderful home here at Compass! I have been married for nine years, and we have a daughter, Avery. She is in first grade here at Compass. My favorite things to do are spend time with family and friends, travel, exercise, and camp.

Scholar Story

Meet Narendra, Third Grade Scholar!

Thanks to Narendra's mom, Heather, for sharing about her son!

Narendra is a third grade scholar in the Options program, and this is Narendra's first year with Options. We chose to teach from home, to have the flexibility in curriculum and learning style. Learning from home is an excellent fit for Narendra because he enjoys learning from different types of curriculum and platforms. We need to be able to mix up our learning plan and schedule to keep him engaged and interested, and Compass allows us to do this!

Narendra is very musically talented, so we try to incorporate music into our daily routine as much as possible. He uses instructional funds for music appreciation and practices his piano, guitar, and singing as a part of his electives daily. Our whole family is musically talented, and we enjoy spending time together as a family. On school days, we often just stop, rock out, and have fun!

Compass supports us in so many ways by allowing us the flexibility in our school day and support from staff by providing optional academic and fun sessions to attend. Narendra particularly enjoys the Minecraft Club at Compass!

Compass Charter Schools - Annual Meeting - Agenda - Sunday June 28, 2020 at 10:00 AM

One piece of advice I can share with parents thinking about coming to Compass is to think about how your child learns best and let them explore their passions. Some days it is a struggle for Narendra to complete his work, so this is where the high flexibility of CCS comes in. When he's having a bad day, we can stop and take a break and pick it up later in the day. If he gets frustrated with a learning activity, we also have many different choices and ways to approach a subject matter thanks to CCS, allowing us to explore new books, workbooks, and even online courses.

Many interactive kits incorporate hands-on learning with technology and YouTube videos. Scholars can create an interactive science notebook where they can record what they have learned. If they love computers and online classes, they can choose a variety of these types of courses. If one day they love doing their work, and the next day they do not, do not stress; life is a learning adventure! Remember that there are so many ways to cover the state standards, so get creative, have fun!

Compass is an excellent fit for our family; we love that we don't have to get out to drive and can meet his teachers virtually. We have so much flexibility and so many learning styles available that are supported by Compass. The positivity and communications they send out truly make it feel like you are a part of something special. We are grateful for our time here with Compass!

The Amazing Ocean

On a delightful day, you and your friends venture off to a beautiful, breathtaking beach, to scuba dive in the ocean of Hawaii. Before you arrive on the clear water, you put on the laborious scuba gear. "All set?" you state while marching slowly to your sturdy, strong, striped boat which will transport you to the open ocean. Abruptly, the driver controls the boat stop will direct you to the diving spot, the driver declares, "but be cautious in the water for ferocious sharks." "Everybody ready?" you ask. "Yeah, we are!" Let's go now!" your joyful friends respond, while equipped and prepared.

Diving into the amazing and deep blue, my friends and I spot an area of seaweed and a massive coral reef and rough rocks. "Wow!" your friend mouths while examining the colorful crystalline coral and the colossal school of fish. Taking different angles of pictures of the pleasant fish, you

Staff Spotlight

Meet You Wiederrich, Educational Facilitator!

What are your job title and job responsibilities at Compass? How long have you worked for Compass?

I am an Educational Facilitator (Supervising Teacher). Some of my responsibilities are communicating and supporting learning coaches and scholars, collecting work samples, keeping records of attendance, and submitting purchase orders. I have had the pleasure of being here at Compass for almost two years.

What is your background in education?

I started as a substitute teacher while I finished my credential. I worked as a classroom teacher for four years and then took a break after having my first child. My break was extended as our family grew. I began the homeschooling journey when my oldest was set to start kindergarten and have been homeschooling ever since (eight years)!

Can you share a bit about yourself/family?

I have been married for 22 years, and we have three children, ages 13, 11, and nine. We live in Orange County, close to our grandparents and extended family. We enjoy camping, hiking, soccer, and baseball.

Tell us your "why" for doing what you do here at Compass.

As a bilingual EF, I do my best to support my English Learners and the learning coach by providing them extra support, whether it's longer connections meetings or providing them resources in their first language.

I am also a believer in personalized learning, and Compass does this so well. We are a team here and share many great resources. We genuinely want all our scholars to grow, learn, and to be successful.

What is one of your favorite parts about working at CCS?

I enjoy the connections with my families. I look forward to chatting and getting to see their work samples, pictures, and videos. In regards to my colleagues, the collaboration that happens behind the scenes is impressive. We have so many gifted and talented staff here, and I love how we are all willing to share ideas to make our jobs a little easier.

What are some of your favorite things to do during your free time?

I love to spend time with my family. Yes, I am with my children all day, but I also know one day they will become adults and move out. I cherish our time together. I also enjoy reading and listening to music.

What is (or was) your favorite subject to study?

Physical Education. I struggled in the classroom, but I was always good at most sports. It wasn't until I was in college that I found a real joy for reading. My Children's Literature class was my favorite.

As an educator, is there a piece of advice you'd like to share with learning coaches or scholars?

Goal 1: To enable low performing scholars the ability to closely and attentively read texts in a way that will help them understand and enjoy complex works of literature as part of their preparation for high school and post-secondary education.

Objective	As a virtual school, expand access to evidence-based online resources that will increase scholars' ability to read accurately and with improved comprehension.
Activity 1	Participate in Multi-Tiered Systems of Support (MTSS) Reading Lab
Materials	Teaching staff, Thinking Storm Tutoring Services, Incentives
Update	<p>Online: Weekly academic tutoring sessions are offered to 122 identified at-risk scholars who need tiered supports. Scholars have been identified as needing Tier 2 and 3 support through the initial benchmark as well as through the Tiers Form submitted every Learning Period by the Supervising Teachers, who see the whole scholar picture. The academic tutoring sessions are 30 minutes long for reading. Tutors deliver Edgenuity and Istation intervention lessons within these groups whereby scholars are assessed at the end of each session to ensure mastery of the content. Other support sessions are offered monthly through Social-Emotional Learning (SEL) workshops and Behavioral Support Groups under the MTSS framework. The Scholar Success Coordinator (SSC) partners with the counseling team to deliver these lessons to scholars needing Tier 1 - Tier 3 support.</p> <p>Options: Weekly academic tutoring sessions are offered to 156 identified at-risk scholars who need tiered supports. Scholars have been identified as needing Tier 2 and support through the initial diagnostic assessment results, as well as anecdotal information provided on the Tiers Tracker from their Educational Facilitator (EF). The Tiers Tracker is filled out after each Learning Period and the EFs provide feedback on course completion, work samples, concept mastery and grade-level progress. Any scholar identified as at risk is added to our tutoring roster and invited to applicable sessions. Tutoring sessions are conducted by grade level or skill level in math and language arts and are 30 minutes long. The content of sessions is based off of Istation and Edgenuity lessons. Tutoring office hours are also held for scholars to ask specific questions and get additional support. In addition to tutoring sessions, various Academic Support Workshops are offered to enhance Tier 1 instruction. These workshops vary in math and English Language Arts (ELA) content and address a variety of skill gaps including math fluency, reading comprehension, narrative and informative writing and Science, Technology, Engineering, and Mathematics (STEM) topics.</p> <p>Thinking Storm Tutoring Services Update: No scholars have used the Thinking Storm Tutoring Services for reading. Information and reminders have gone out to those scholars participating in reading labs. Teachers are providing login</p>

details to those that need support. It has been determined that the scholars and families are more engaged with our tutor and internal MTSS supports.

Mid-year results: 242 Elementary School scholars tested in reading. 170 Middle School scholars tested for reading. Finally, 130 High School scholars tested in reading.

Incentive Updates: Online scholars are provided with a 100% on the next checkpoint in the course. Options scholars may use the quiz or work completed during tutoring session as a work sample. Also, scholars who attend tutoring sessions will have the opportunity to participate in an open session based on a theme.

On our docket: We will continue to look at ways to improve participation in support sessions and communication methods to keep families aware of and interested in what is available to their scholars. We will also use the feedback we received via a recent survey to identify ways to increase interest and participation. The survey included questions specific to academic workshops and tutoring.

Objective	As a virtual school, provide struggling readers access to the general curriculum through the use of digital technologies that are similar to those used on SBAC tests.
Activity 1	Participate in online differentiated lessons and instruction for ELA
Materials	Freckle Subscription (K-12)
Update	<p>Usage over the summer was accessed by few scholars; too few to provide useful data. This is due to the fact that many of the initially identified low-performing scholars left the school, either voluntarily or via truancy report. Currently, our struggling scholars are being directed to use Istation and Edgenuity, which are also incorporated into our tutoring sessions. Low performing scholars who were also identified as Special Education (SPED) have access to Read Naturally to support ELA achievement. Low performing ELs have access to Raz-Kids for reading comprehension support.</p> <p>Schoolwide: See Appendix A for data</p> <p>On our docket: We would like to discontinue the use of Freckle, as we have found that Istation and Edgenuity are similar in what they offer in the area of reading. As such, families are a bit unclear about which support tool to use and data is split between the tools.</p>

Goal 2: To enable low performing scholars a way to improve their computational and problem-solving skills and prepare them for high school and post-secondary education.

Objective	As a virtual school, expand scholar access to evidence-based online resources that will increase scholars ability to attack mathematical problems with ease
Activity 1	Receive one-to-one tutoring support 24/7
Materials	Yup Subscription
Update	<p>After piloting the Yup service with some scholars and reviewing the results, it was determined that Yup was not the best expenditure of funds, so it was not purchased. We decided to use Istation and Edgenuity.</p> <p>On our docket: Currently, our struggling scholars are being directed to use Istation and Edgenuity, which are also incorporated into our tutoring sessions. These are directly linked to our benchmarks, so they provide us with the most relevant achievement data. We will continue to look at ways to improve participation in support sessions and communication methods to keep families aware of and interested in what is available to their scholars.</p>

Activity 2	Use supplemental online math instruction/practice program
Materials	ST Math Subscription (K-8)
Update	<p>After initial issues with coordinating with ST Math representatives on its usage, a plan was finally created as of January 2020. We are still in the process of purchasing ST Math long-term. It can be used in tutoring sessions and is also available as an app that scholars can use on the go and on their own time. It will also be encouraged for low performing scholars via their teachers.</p> <p>After some limited response from the representative from ST Math, he recommended that we sign up on the website since ST Math is currently being offered for free through June 2020 due to COVID-19. The no-cost program was offered directly for individuals. We encouraged families to sign up on their own, but that put the oversight with the parent, so we do not have usage data. We are currently in talks with ST Math on how to create school-wide accounts with trackable data.</p> <p>On our docket: Currently, our struggling scholars are being directed to use Istation and Edgenuity, which are also incorporated into our tutoring sessions. Objective	As a virtual school, provide scholars struggling with math access to the general curriculum through the use of digital technologies that are similar to those used on SBAC tests and implement assessment techniques to track success
Activity 1	Participate in online, differentiated lessons and instructions for math
Materials	Freckle (K-8)
Update	<p>Usage over the summer was accessed by few scholars; too few to provide useful data. This is due to the fact that many of the initially identified low-performing scholars left the school, either voluntarily or via truancy report. Currently, our struggling scholars are being directed to use Istation and Edgenuity, which are also incorporated into our tutoring sessions.</p> <p>On our docket: We would like to discontinue the use of Freckle, as we have found that Istation and Edgenuity are similar in what they offer in the area of math. There is insufficient participation in the use of Freckle to provide meaningful data.</p>

Goal 3: To Provide staff development in Common Core that support best practices in instruction for low performing scholars.

Objective	We are providing Professional Development that focuses on what scholars need to achieve academic growth
Activity 1	Provide targeted online CCSS-Aligned professional development for teaching staff
Materials	Achieve the Core Online PD https://achievethecore.org
Update	Webinars and (pre-COVID-19) in-person workshops/conference opportunities are posted in Workplace (our intranet). Teachers report to their supervisors if they are accessing the recorded webinars, but we are still working on a more

	<p>efficient way to track this. Supervisors reference this in evaluation meetings with staff members and record attendance as evidence on evaluation forms.</p> <p>On our docket: We will continue to provide targeted online CCSS-aligned professional development for teaching staff with a plan to track and monitor teacher completion as part of our yearly evaluation process. We are determining if it is more efficient to use our HR system to track this or a separate spreadsheet/program.</p>

Activity 2	Provide internal CCSS-aligned professional development by CCS cadre
Materials	Various
Update	<p>Common Core support was integrated into our January mini-conference. This was also integrated into our October and March in-service workshops. See Appendix B for agendas.</p> <p>On our docket: We will continue to integrate CCSS-aligned professional development by CCS cadre throughout the year during our annual retreat, professional development days, and academic team meetings throughout the school year. We integrate best practices and concepts from organizations to which we belong, including AVID and CUE.</p>
Objective	Develop a training cadre to maximize the knowledge, skills and resources of designated staff who will then share learned skills with all CCS Personalized Learning (academic) team.
Activity 1	Attendance at professional educational conference (California Charter Schools Association Conference)
Materials	CCSAC Registration and expenses
Update	<p>Due to the COVID-19 pandemic, this conference was canceled for 2020. We are planning on sending a contingent to the 2021 conference.</p> <p>On our docket: We plan to continue to send representatives to this conference next year, as the information provided is valuable and very relevant to our school.</p>
Activity 2	Attendance at professional educational conference (AVID Summer Institute)
Materials	AVID Summer Institute Registration and expenses
Update	<p>The Avid Summer Institute was canceled due to the COVID-19 pandemic. In lieu, our representatives will be attending AVID XD which will provide the same level of professional development for CCS Options and Online Teachers. Dates of attendance are still pending.</p> <p>On our docket: We plan to continue to send representatives to this</p>

	conference next year, as the information provided is valuable and supports our scholars' success.

Goal 4: To provide parents instruction that increases their knowledge and confidence in supporting their scholars' academic success at home.

Objective	Develop parenting workshops and a parent support group which results in increased knowledge and confidence that are measured by parent participation and survey feedback.
Activity 1	Parent (Learning Coach) Workshop: Supporting their independent study scholars
Materials	Online Videos "Coaches Corner" created by CCS Staff. Videos are already created
Update	<p>"Coaches Corner" was also referred to as Learning Coach Lounges. All videos can be viewed on our YouTube playlist at this link: https://www.youtube.com/playlist?list=PLd9-AwEUf5zBPTV4dnXyrq9Yt4YQJ7IEz</p> <p>Monthly Learning Coach Support sessions for Options:</p> <ul style="list-style-type: none"> ● September - How to Prepare for a Successful School Year ● Oct - How to Encourage and Enhance Scholar Success ● November - PBIS in the Homeschool Environment ● December - Options Tutoring (specifically for T2, T3 scholars) ● January - Mid-Year Diagnostic Assessments ● February - CAASPP Testing ● March - Social Emotional Learning and Supports for Scholars ● May - Summer Learning Strategies & Year in Review <p>On our docket: Our Engagement Department will continue to provide support for families through our Learning Coach Academy. We are moving our Engagement department to our Academic Division to ensure the highest level of alignment with academic support needs.</p>

Activity 2	New Learning Coach Workshops: Targeted to support to increase academic achievement
Materials	New Online Videos
Update	Options Learning Coach Support sessions were provided in September, October, November, December, January, February, March, and May. These were recorded so that those who could not attend live could watch the

	<p>recordings at their convenience.</p> <p>The Director of Engagement oversees the Learning Coach Academy. Seven Learning Coaches (LCs) completed all 10 recordings for the Learning Coach Academy series, which included both live and on-demand topics such as attendance, onboarding, motivating your scholar, and SEL</p> <p>On our docket: We are planning to build out the Learning Coach Academy further by having LCs who have completed the series become Learning Coach Ambassadors next year. These Ambassadors could potentially serve as a support system for other learning coaches by providing insight into topics of concern for learning coaches.</p>
--	---

<p>Activity 3</p>	<p>Parent Support Group: Create collaborative environment within ParentSquare community for parents to share best practices</p>
<p>Materials</p>	<p>ParentSquare community group with facilitation by CCS Staff</p>
<p>Update</p>	<p>There are currently several ParentSquare groups and all staff and parents have access to this platform. We ran our Learning Coach Academy via ParentSquare groups where we shared out weekly recordings and a discussion question every week for 10 weeks. We ran four cohorts for our Learning Coach Academies and the program was facilitated by our Director of Engagement. The weekly discussion question provided LCs the opportunity to share out best practices by answering the following question and commenting on other LCs responses -" After viewing the recording for this week, please comment on this post and share what was your biggest takeaway from the recording." It was decided not to make one specifically for families of low performers to avoid revealing academic information about the scholars (FERPA).</p> <p>While looking into additional, alternate methods of achieving a collaborative sense of community among our LCs, we continue to provide open lines of communication via program-specific town halls and LC support sessions.</p> <p>On our docket: This is something we desire and continue to explore and are, in search of the appropriate tool. We are also planning to expand our Learning Coach Academy next year to include Learning Coach Ambassadors who have completed the program and can support new LCs. We anticipate that activities like this will further create a sense of community.</p>

Goal 5: Provide a foundation for a safe and positive learning environment, while enhancing our scholars’ ability to succeed in school, life, and career.

Objective	As a virtual school, expand scholar access to social emotional learning through the MindUp curriculum to increase a child’s academic performance, self-control, empathy, and optimism.
Activity 1	Incorporate SEL lessons into the academic framework to build awareness and self-regulation.
Materials	MindUp curriculum
Update	<p>The counseling team consults with MindUp curriculum and uses it to inform their live learning sessions. Counseling delivers a monthly SEL themed based lesson that is followed up by the Online SSC that connects this theme to SEL standards throughout the month in teacher Learning Labs (LLs) and EF connect sessions, with SEL weekly warm up activities.</p> <p>Online: See Appendix C. Weekly SEL activities are incorporated into all live online LL lessons every week throughout the school year. In addition, relationship meters are also used at the beginning of all LLs as tools to strengthen our scholars’ Social Emotional Intelligence and promote greater self-awareness. When implemented with consistency and fidelity, we can help our scholars:</p> <ul style="list-style-type: none"> ● Identify how they are feeling and track the changes throughout the week, ● Gain greater understanding as to why or what caused them to feel that way, ● Differentiate and express each emotion correctly, ● Self-regulate. <p>We also held a LC Support session in March for our Options LCs on SEL and Supports for Scholars.</p> <p>On our docket: We will continue to deliver monthly SEL theme-based lessons that will be further supported by the SSC and aligned to SEL standards throughout the month with weekly SEL warm up activities.</p>

Additional Notes	The grant was originally written based on data from a prior school year. Since then, the school population has changed, with a marked increase in the number of scholars attending the Options program. Furthermore, we have adopted/will adopt new platforms and applications, as well as instituted live learning sessions and reading labs. The population of low performers has also
------------------	--

	<p>changed. As a result, many of the original platforms selected may no longer be optimal to use for this purpose. As such, we have been careful on the expenditures made and review each one before proceeding. Analysis of the effectiveness of various interventions will require the final benchmark testing results. Additionally, due to the Governor's order regarding COVID-19, we will not be participating in state testing, so are unable to analyze state testing data this year. Therefore, we are relying heavily on our internal benchmark assessments. We found that our current Student Information System (SIS), StrongMind, was not set up to easily track these scholars, so we frequently tracked data manually. As a result of this and other factors, we are moving to a new SIS, School Pathways, that will allow us to easily tag these scholars and run reports without manual manipulation. This will support checking progress more frequently.</p>

(Group C) The Edumagic of CUE Craft and Eduprotocols

Description: CUE's Chief Learning Officer and best-selling education author Jon Corippo is excited to share ways you can *teach better* and *work less* using the CUE Craft and Eduprotocols mindset. Jon will be sharing several make-and-take style Eduprotocols that will ignite all the FOUR Cs (Creativity, Collaboration, Critical Thinking and Communication) in your classroom that will also dramatically lower your grading workload. These Eduprotocols gently weave the best of AVID, PBL, UDL and integrate edtech into a magical approach that has kids

begging for more (and you'll be able to teach your parent-leaders how to use these skills easily as well). Academic results can jump between 20-50% per day using these time-tested, easy to adopt mindsets and pedagogical practices. Join Jon and change the way you teach!

(Group A) Eduprotocols and AVID

Description: Travis Engstrand, one of the phenomenal Digital Learning coaches in the Grossmont Union High School District, has experience teaching AVID and is an outstanding and charismatic leader of professional learning. Travis will be sharing several Eduprotocols that have been optimized for use in an AVID teaching environment. In this hands-on session, you'll learn several popular Eduprotocols that can easily be adapted to a range of subject areas and grade levels. Being able to have students work in Eduprotocols across grade ranges will dramatically reduce your need for planning and also reduce the cognitive load on your students. These lesson frames are also very effective in a remote setting, such as independent study. And the best part? Kids love doing Eduprotocols.

(Group B) Google Skills and Tools for Educators

Description: With G Suite for Education, fast and easy collaboration empowers educators to create opportunities for deeper learning. Bonus: These tools make teachers' lives easier by streamlining administrative tasks! Gain knowledge as well as practical strategies to engage and empower learners, build a classroom community, and make collaboration a natural way of learning in your classroom. This session will be a rich source of ideas, resources, and information about these collaborative tools.

Appendix C: Goal 5 SEL

March Theme: We All Make Mistakes
Week 16 (3-23 - 3-27)

Script: This week we are wrapping up our final discussion on our social-emotional learning topic of We All Make Mistakes. I love making mistakes because that's how I learn. I encourage you all to attempt challenging tasks, even if you're fearful, because you will learn and grow from that failure. Let's first have a discussion on the emotions that arise when making mistakes and then we will see the science behind the mistake.

Here are a few discussion points to get you started with a class reflection (choose a few and have scholars type their responses in the chat box or jump on the mic):

- How do you feel when you make a mistake? Why?
- How do you think other people see you when you make a mistake?
- Have you ever discovered something new from making a mistake?
- Have you ever felt proud of making a mistake?
- Has a mistake ever made you think more deeply about a problem? (You can start by talking about a non-academic setting, and then talk about how the lessons apply to academics.)

After having a discussion on a few talking points, show the short video (less than 2 minutes) and ask scholars to share what they learned from the video.

Let's watch a quick [video](#):

Summary (prompt scholars and ask what they learned from the video, see below):

- Many scholars shy away from challenging school work and get discouraged quickly when they make mistakes. These scholars are at a significant disadvantage in school—and in life more generally—because they end up avoiding the most difficult work.
- Successful entrepreneurs make more mistakes and learn from their mistakes.
- Making mistakes is one of the most useful ways to learn in math. Our brains develop when we make a mistake and think about the mistake. This brain activity doesn't happen when people get work correct.

Close session.

Week 15 (3-16-3-20)

Script: We've been learning about growth mindset and how it applies to making mistakes. A growth mindset thrives on challenge and sees failure not as evidence of unintelligence, but as a springboard for growth and for stretching our existing abilities. Today, we are going to dive

deeper into why making mistakes is a natural part of life and how it can harness a learning opportunity.

Show poster below and discuss the meaning with scholars. Ask scholars to observe the poster and react to their observations--share on mic or chat box.

Discuss the poster with scholars after they share their observations. Read each definition below.
Script:

- 1) **A stretch mistake** happens when we're working to expand our current abilities. We're trying something that is beyond what we can already do without help, so we're bound to make some errors. Stretch mistakes are positive! If we never made stretch mistakes it would mean that we were never truly challenging ourselves to learn new things. When we make stretch mistakes it is important to stop and reflect, see what we can learn, and adjust our approach to mastering the new skill.

Now it's time for you to think of a stretch mistake. Take a minute to think of an example of a stretch mistake you have made while I share one of my own. feel free to jump on the mic or share in the chat box. *(share an example with scholars to help them think of a personal example: because I am an athlete, there are a lot of sports and agility movements that come naturally to me. Therefore, I like to try new and challenging events, such as Spartan Races, because they are out of my comfort zone. I didn't place first in the race and couldn't do some of the obstacles, so now I know what to work on and focus my efforts towards to be more prepared for the next race! Now, here is your opportunity to share your stretch mistake. Please raise your hand to jump on the mic or if you are more comfortable, you may share in the chat box.*

- 2) **The aha-moment mistakes** happen when we achieve what we intend to do, but then realize that it was a mistake to do so because it is now clear that we lacked some other knowledge that was needed. For example, there is a fire to put out but we don't have water. We extinguish it with alcohol and then learn -aha- alcohol is flammable!

Repeat step 1 for each mistake--share an example with the scholars and have them share their personal examples on the mic or in the chat box.

- 3) **The sloppy mistakes** happen when we're doing something we already know how to do, but we do it incorrectly because we lose concentration. We all make sloppy mistakes occasionally because we're human. A sloppy mistake signals we need to enhance our focus.

Repeat step 1 for each mistake--share an example with the scholars and have them share their personal examples on the mic or in the chat box.

- 4) **The high-stakes mistakes** are mistakes that have catastrophic results. They are mistakes that take place in life-threatening situations or high-stakes performances, like the Superbowl. Fortunately, we won't run into too many high-stakes mistakes in our setting!

Repeat step 1 for each mistake--share an example with the scholars and have them share their personal examples on the mic or in the chat box.

Wrap up warm up and close session.

Week 14 (3-9 - 3-13)

Script: In October, we learned about growth mindset. To recap, Growth mindset is when you make an effort to get better at something instead of just thinking 'I'm not good at that' or 'I'll never be good at that'. Instead you think, 'I'm not good at that YET' or 'I could be good at that if I practice.' It's when you remember that your brain is always growing and can learn new things. People with growth mindsets believe that their most basic abilities can be developed through dedication and hard work—brains and talent are just the starting point. A growth mindset thrives on challenge and sees failure not as evidence of unintelligence but as a heartening springboard for growth and for stretching our existing abilities.

This month, we are learning about "We All Make Mistakes." Making mistakes is a normal part of life; taking responsibility and facing up to our mistakes is a great way to learn, and to avoid doing the same thing again. It's ok to make mistakes - we all do it! However, the important things are to recognize that when we make a mistake, (1) we need to show ourselves compassion (and not be too hard on ourselves if we mess up) and also to show others compassion by apologizing when we make a mistake that hurts them; these are examples of growth mindset and self-care.

Have a discussion and have scholars answer these two questions:

- 1) What does growth mindset have to do with making mistakes?
- 2) Why is it important to show yourself compassion when you make a mistake?

Now, with these two things in mind, take a few minutes and think to yourself. I'd like you to come up with a quote to represent what you learned today. To help you get started, let's take a look at some quotes from a few very influential people (show quotes):

"Anyone who has never made a mistake has never tried anything new."
— **Albert Einstein**

"Freedom is not worth having if it does not include the freedom to make mistakes."
— **Mahatma Gandhi**

"Have no fear of perfection - you'll never reach it."
— **Salvador Dali**

"We learn from failure, not from success!"
— **Bram Stoker, Dracula**

-Give scholars a few minutes to think of a quote by writing on paper or Google Doc. first and then post their finished product in the chat box or share on the mic.

Script: I encourage you to write down your quote and place it in your workstation so it's a constant reminder of how it's ok to make a mistake, because you will learn and grow from it!

Please send me these quotes by email! :kwingate@compasscharters.org

-Close warm up.

February Theme: Emotions
Week 13 (2-24 - 2-28)

Script: last week we learned a few vocab words and how to regulate emotions. Controlling our emotions is something you can do with different strategies. There are several strategies that you can use, many are positive ones.

We are going to learn about 1 strategy and how it will help us control our emotions. What do I mean when I say I want to give you a 'strategy'? *Does anyone know what a strategy is?* (wait for response)

A strategy is a method that you use to achieve a goal. It can take time and practice to develop. Example: in basketball, to improve your shots you need to practice shooting hoops every day. The more and more you go to the gym and practice this skill, the better you will get and eventually you will be shooting perfect hoops automatically...one after the other! Remember though, it takes practice to learn how to use our strategies more effectively and to control our emotions

Cognitive emotion-regulation is a COPING STRATEGY. This will help us change the way we think about stressful events and help us control our emotions in a positive way and get along better with one another. Here are 10 coping strategies you can start practicing today:

1. **Be** **positive!**
Look at each obstacle you encounter as a learning experience
e.g. you may not have done well semester 1, but that has motivated you to study harder and pass all of your courses semester 2.
2. **Make the choice not to over-react to stressors and deal with them one at a time**
e.g. take a few deep breaths and carry on.
3. **Take an objective view of your stressor**
e.g. is preparing dinner for 12 people really that horrible?
4. **Communicate!**
Don't ruminate or bottle up your emotions, as this will lead to an explosion later on.
5. **Accept yourself (and others).**
No one is perfect and there is always room for mistakes.
6. **Make connections with people**
Social support is key!
7. **Deal effectively with mistakes**
Learn from your mistakes and apply them to future decision making.
8. **Deal effectively with successes also!**
This will build on your competence and motivation.
9. **Develop self-discipline and control**
e.g. train yourself to study harder in preparation for your final exam, or train yourself to work out five times a week to pass PE!
10. **Maintenance!**
Practice, practice, practice for a long life of resilient living!

Being able to use positive strategies to control your emotions does not depend on your age – you may think adults all know how to control their emotions, but this is not the case. Scholars don't always use negative strategies and adults don't always use positive strategies. Everyone can benefit from learning how to think about their emotions and practice using positive strategies to help us keep our emotions under control.

Let's practice thinking about stressful experiences that can make us feel and think negatively.

Example: When Suzy was 9, she got a hamster for her birthday. She called her hamster Bubbles and she loved him a lot. Last week, 4 years later, her hamster died. She was really sad and wouldn't leave her room for days.

- What was the stressful event in this story?
- How did it make Suzy feel?
- What thoughts did Suzy have?
- Were they positive and happy thoughts?
- Were they negative and unhappy thoughts?
- What could Suzy do to make herself feel better?
- Can she change her mind and think happier thoughts?
 - What is one coping strategy that we learned about a few minutes ago that Suzy could use to think more positively?

(get examples and close session)

Week 12 (2-18- 2-21)

Go over vocab words and/or have them listed on the screen

Stress: something that causes strong feelings of worry or anxiety

Emotion: a strong feeling like excitement or anger

Emotion Regulation: being able to properly control our emotions.

Consequences: the result of an action

Strategy: a method used to achieve a goal

Script: life is full of stressful experiences. We have different ways to deal with the stressors in our lives. One way is by managing the emotions that we feel in relation to these stressors. One of the ways that we deal with stressful experiences is to manage the emotions that we feel in relation to these stressors. This means that we try to control our emotions.

Can anyone give me an example of a stressful experience that they have had?

What emotions did this experience make you feel?

(have scholars type in the chatbox)

Regulating our emotions is complex and it involves having control over different things:

1. The way that we experience our emotions
2. The way that we think about our reactions to the stressful experience.
 - a. We want to understand how we think about our emotions so that we can control them and change them
3. The feeling we get in our body after experiencing stressors
Ex: heart rate, breathing, etc.
4. Our behavior
Ex: our actions or facial expressions when we feel an emotion

We can control our emotions if they are positive or negative.

Can anyone give me an example of a positive and a negative emotion?

(have scholars type in the chat box)

The way that we control our emotions can also have positive or negative consequences. When we control our emotions in a good way, we feel better about ourselves (increased self-esteem) and about the future (optimism). Next time, we will learn several strategies including coping skills and emotion regulation!

Week 11 (2-10- 2-14)

Script: Managing emotional reactions means choosing how and when to express the emotions we feel. People who do a good job of managing emotions know that it's healthy to express their feelings — but that it matters how (and when) they express them. Let's watch a short [video](#) (4:20) then have a short discussion about why naming emotions and understanding them is important for our mental health.

After the video, ask scholars “why it is important to recognize our emotions and moods?”

Possible answers:

- we will know how to control them
- we will know how to express them
- others will be able to recognize our emotion/mood
- we will know how to self-reflect and change behavior

January Theme: Self-Care

Week 10 (1-27 - 1-31)

Self-Care

1. Display and go through the self-care checklist with your scholars. You may set it up as a poll for each question or use the voting tools. If they have not completed each activity step by step, complete some applicable steps with them:
 - a. take deep breaths with your scholars
 - b. have scholars drink a glass of water
 - c. etc.
2. Step 2: ask scholars to share if they've had breakfast. Advise scholars to eat a healthy breakfast everyday (avoid sugar).
3. Step 6 (final step of the checklist): if scholars are on camera, have them smile on camera. If they are not, remind them to smile big for a few seconds, and practice this important mood changer a few times a day.
4. Read the last piece of the self-care checklist: “each day, try to...”

Week 9 (1-21 - 1-24)

Self-Care

Guided stretch. Gently and calmly have your scholars roll their shoulders, rolls their wrists, and breathe full, slow breaths to help them recenter (one minute is all it takes). Practice this together and demonstrate each movement.

After this practice, ask the question: How can you take care of **you** today? Or, what do **you** need in order to be your best self? *This is a hard question for many scholars to answer so you may prompt them after an appropriate wait-time.*

Ideas:

- Oxygenate by taking three deep breaths. Breathe into your abdomen, and let the air puff out your stomach and chest.
- Get down and boogie. Put on your favorite upbeat record and shake your booty.
- Run (or walk, depending on your current physical health) for a few minutes. Or go up and down the stairs three times.
- Narrow your food choices. Pick two healthy breakfasts, lunches, and dinners and rotate for the week.
- Activate your self-soothing system. Stroke your own arm, or if that feels too weird, moisturize.
- Drink an extra glass of water each day, and/or have an extra portion of veggies each meal.
- Give your body a treat. Pick something from your wardrobe that feels great next to your skin.
- Be still. Sit somewhere green, and be quiet for a few minutes.
- Get fifteen minutes of sun
- Inhale an upbeat smell. Try peppermint to suppress food cravings and boost mood and motivation.
- Have a good laugh. Read a couple of comic strips that you enjoy.
- Take a quick nap. Ten to twenty minutes can reduce your sleep debt and leave you ready for action.

Week 8 (1-13 - 1-17)

Self-Care

Read definition of self-care: *self-care is any activity that we do deliberately in order to take care of our mental, emotional, and physical health. Although it's a simple concept in theory, it's something we often overlook. Good self-care is key to improved mood and reduced anxiety. It's also key to a good relationship with oneself and others.*

Script: last month, we learned about compassion and how to show it to others; we provided you with a list of tools you could use at home and in a public setting. This month we are going to focus on you, as self-care is to show compassion for yourself. It is easy to practice self-care and compassion to yourself; you just have to find the time and learn how to do it. We are going to start with a simple activity--you are more than welcome to print this at home and I encourage you to fill it out and hang it near your workspace so it is a constant reminder of how much you love and are proud of yourself, as that is truly the first step to implement self-care.

Complete the heart activity with your scholars. Have them add their responses onto the chart (blank, below) or in the chat box and you add for them. Display both, so scholars know what traits belong to each box.

December Theme: Compassion

Week 7 (12-16- 12-20)

Compassion

Script: last week we learned ways to show compassion in Learning Labs. Compassion is when you notice another person or animal is in need, and you have concern for them that you want to show. Compassion can include a number of components: feeling in your heart for others; understanding and caring about the feelings of others; understanding what others need or want; and wanting to do something that might help. To know if someone needs compassion we look for clues, like emotions. We show compassion by saying and doing things that show others we care. After hearing this definition again, let's try to remember a few examples from last week--ways to show compassion in Learning Labs (have scholars name a few again):

Possible answers:

- Listen to each other intently
- Respond (related to the topic) to other classmates to show you listened
- Do not interrupt others while sharing on the mic

Now, we are going to think of ways we can show compassion outside of the classroom--at home, running errands, being in public places, etc. What are some examples you can think of to show

compassion? Remember, compassion is when you SEE someone in need, CARE about their feelings, and DO something to show you care.

Possible answers:

Open the door for someone

Always say please and thank you

Allocate time to bond with friends and family

Share a hug or handshake (if touch is welcome)

Volunteer

Do a random act of kindness (**prompt scholars on this one, if this one is not shared**).

After all answers are provided, share poster and call on scholars to read a few aloud or read them to the class (your choice). Then, ask scholars which one they could do today, then this week, then over holiday break.

Script: which random act of kindness do you think you could do today? Possible answer: prepare a meal for my family

What random act of kindness do you think you could do this week? Possible answer: donate old clothes Goodwill / Salvation Army.

What random act of kindness do you think you could do over break? Possible answer: mow the lawn for my neighbor

Week 6 (12-9-12-13)

Compassion

Show this short [video](#) (1:30) and have a discussion. Script: After watching this video, let's brainstorm on ways we can show compassion to each other in **Learning Labs**. *Have scholars type*

*in the chatbox, on the mic or writing on the whiteboard. **Preferred (for classroom management and appropriate answers):** scholars answer in the chatbox **then** teachers add answers onto a whiteboard.*

Prompt scholars if they are stuck.

Possible answers:

- Listen to each other intently
- Respond (related to the topic) to other classmates to show you listened
- Do not interrupt others while sharing on the mic
- Congratulate each other for successes--small and large
- Motivate others
- Say only positive and encouraging words
- Say thank you
- Smile (if scholars are on camera)

Script: now that we have come up with great answers on how to show compassion, let's start practicing today. Next week, we will brainstorm ways to show compassion outside of the classroom.

November Theme: Mindfulness

Week 5 (11-18-11-22)

Breathing Strategy #2

Demonstrate a deep breathing strategy and have scholars complete this with you. *Ask them how they feel after this exercise. (Make sure you practice this on your own prior to demonstrating it to your scholars).*

As we practice together, try to focus on "blowing away" your strong negative emotions and think of things that make you happy or make you feel content. Breathe in for a count of 2 and then breathe out for a count of 4. Repeat 4 times. Then lengthen your breath: breathe in for 3 and out for 4, Repeat 2 times. Breathe in for 4 and out for 8.

How are you feeling? (have scholars share in the chat box or on the mic). Validate their thoughts/feelings as they share.

Week 4 (11-12 - 11-15)

Breathing Strategy #1

Demonstrate a deep breathing strategy and have scholars complete this with you. Ask them how they feel after this exercise. (make sure you practice this on your own prior to demonstrating it to your scholars).

1. Sit in a comfortable position with your hands in your lap

2. Close your eyes and touch your thumb to your index finger. Take a deep breath as you think about a time when you felt very relaxed and content (pause for a moment, before moving on the next directive).
3. Touch your thumb to your middle finger. Take a deep breath and think about how it feels to hug someone you love (pause for a moment, before moving on the next directive).
4. Touch your thumb to your ring finger and think about something you really enjoy doing (pause for a moment, before moving on the next directive).
5. Touch your thumb to your little finger and think about your favorite place to be.
6. Take a deep breath and release.
Pause (5 seconds)— ask scholars how they feel. Type responses in the chat box or hop on the mic.

October Theme: Growth Mindset

Week 3 (10-28-11-1)

Growth Mindset Lesson Plan from Khan Academy

Play Video (2 minutes): [John Legend](#)

Have a discussion (have scholars share on the mic or post something in the chatbox):

Script:

What is the message? What is John Legend trying to tell us? (have scholars share) Now, I want you to think about a time when you overcame a struggle in learning and learned to solve a problem.

Prompt scholars by sharing **your** story. As a teacher, share a personal story about a time you had to work hard to get better at something and relate it to the video. Highlight:

1. Hard work
2. Strategies
3. Help from others

Here's an example below of a personal story to share with scholars:

Script: When I was in middle school, I remember struggling with adding negative numbers. I had a hard time figuring out what a 'negative' even meant when talking about a number - how can you have less than nothing? I ended up going through many practice problems and continuing to get many of them wrong. I was a very shy kid, so I didn't ask my teacher many questions. My thought was that I had reached 'the peak' of my math talent, and it was all downhill from here. I eventually asked my mom about this topic and she explained to me the basic concept of negative numbers. This helped me understand it a little, but it was still fuzzy to me. I then researched online for some real-life contexts to show what these mysterious numbers represented outside of some abstract universe. Some of them made sense, and others didn't. I still didn't entirely get it and I was so frustrated that I wanted to just give up (or continue hoping that negative numbers were not going to appear in math class ever again). I started to dislike math simply because I couldn't understand it anymore. Instead of entirely giving up on my academic career, I eventually mustered up the courage to ask my teacher for help as well. She explained it in a few different

ways, and gave me new strategies to try out. After some practice with these new strategies, I started to solidify my understanding of negatives which allowed me to quickly pick up basic algebra afterwards. While it was a lot of work and I wanted to give up at many points during my journey, I eventually was able to ‘rewire’ my brain so that negative numbers actually made sense to me.

Ask scholars to share a story about a time that they made their brains smarter. This leads to a discussion about how working hard, taking on challenges, and finding the right strategy can make people smarter.

Week 2 (10-21-10-25):

Play Video (3 minutes): [Growing your mind](#)

Have a discussion:

What stood out to you in this video? (gauge responses here and provide your thoughts)

Example: for me, I found it fascinating that our brains grow more when we get answers incorrect, which tells me it’s ok to fail, because I’m going to learn from it and my brain will get stronger.

Ask some questions based on what scholars learned from the video:

- How do people become more intelligent?
- How does the diagram of the neurons “At birth vs. At age 6” demonstrate this?
- What about the second diagram of the nerves of the animal living in a cage vs. an animal living with other animals and toys?
- How are our brains like muscles?
- When do our brains grow the most?

Week 1 (10-14-10-18):

Play Video (90 seconds): [You Can Learn Anything](#)

After playing the video, ask scholars to share their thoughts:

- What are your thoughts? Are we born to learn? With effort and persistence can we learn anything?
- Responses in chat box or use raise hands:
 - agree with this video: You can learn anything
 - disagree with this video: Your abilities are what you are born with
 - are unsure or think it is a mix

Script:

Thank you all for sharing. There are no wrong or right answers here. However, the idea that you can learn anything is a way of thinking or a Growth Mindset. Growth mindset is when you make an effort to get better at something instead of just thinking ‘I’m not good at that’ or ‘I’ll never

be good at that'. Instead you think, 'I'm not good at that YET' or 'I could be good at that if I practice.' It's when you remember that your brain is always growing and can learn new things.

[Appendix C: Goal 5 SEL](#)

Goal 1: To enable low performing scholars the ability to closely and attentively read texts in a way that will help them understand and enjoy complex works of literature as part of their preparation for high school and post-secondary education.

Objective	As a virtual school, expand access to evidence-based online resources that will increase scholars' ability to read accurately and with improved comprehension.
Activity 1	Participate in Multi-Tiered Systems of Support (MTSS) Reading Lab
Materials	Teaching staff, Thinking Storm Tutoring Services, Incentives
Update	<p>Online: Weekly academic tutoring sessions are offered to 122 identified at-risk scholars who need tiered supports. Scholars have been identified as needing Tier 2 and 3 support through the initial benchmark as well as through the Tiers Form submitted every Learning Period by the Supervising Teachers, who see the whole scholar picture. The academic tutoring sessions are 30 minutes long for reading. Tutors deliver Edgenuity and Istation intervention lessons within these groups whereby scholars are assessed at the end of each session to ensure mastery of the content. Other support sessions are offered monthly through Social-Emotional Learning (SEL) workshops and Behavioral Support Groups under the MTSS framework. The Scholar Success Coordinator (SSC) partners with the counseling team to deliver these lessons to scholars needing Tier 1-Tier 3 support.</p> <p>Options: Weekly academic tutoring sessions are offered to 198 identified at-risk scholars who need tiered supports in reading. Scholars have been identified as needing Tier 2 and 3 support through the initial diagnostic assessment results, as well as anecdotal information provided on the Tiers Tracker from their Educational Facilitator (EF). The Tiers Tracker is filled out after each Learning Period and the EFs provide feedback on course completion, work samples, concept mastery and grade-level progress. Any scholar identified as at risk is added to our tutoring roster and invited to applicable sessions. Tutoring sessions are conducted by grade level or skill level in math and language arts and are 30 minutes long. The content of sessions is based off of Istation and Edgenuity lessons. Tutoring office hours are also held for scholars to ask specific questions and get additional support. In addition to tutoring sessions, various Academic Support Workshops are offered to enhance Tier 1 instruction. These workshops vary in math and English Language Arts (ELA) content and address a variety of skill gaps including math fluency, reading comprehension, narrative and informative writing and Science, Technology, Engineering, and Mathematics (STEM) topics.</p> <p>Thinking Storm Tutoring Services Update: No scholars have used the Thinking Storm Tutoring Services. Information and reminders have gone out to those scholars participating in reading labs. Teachers are providing login details to those that need support. It has been determined that the scholars and families are more engaged with our tutor and internal MTSS supports.</p> <p>Online Low Performing Scholars Data from Benchmarks</p>

Objective	As a virtual school, provide struggling readers access to the general curriculum through the use of digital technologies that are similar to those used on SBAC tests.
Activity 1	Participate in online differentiated lessons and instruction for ELA
Materials	Freckle Subscription (K-12)
Update	Usage over the summer was accessed by few scholars; too few to provide useful data. This is due to the fact that many of the initially identified low-performing scholars left the school, either voluntarily or via truancy report. Currently, our struggling scholars are being directed to use Istation and Edgenuity, which are also incorporated into our tutoring sessions. Low performing scholars who were also identified as Special Education (SPED) have access to Read Naturally to support ELA achievement. Low performing ELs have access to Raz-Kids for reading comprehension support.

	<p>Schoolwide: See appendix A for data</p> <p>On our docket: We would like to discontinue the use of Freckle, as we have found that Istation and Edgenuity are similar in what they offer in the area of reading. As such, families are a bit unclear about which support tool to use and data is split between the tools.</p>

Goal 2: To enable low performing scholars a way to improve their computational and problem-solving skills and prepare them for high school and post-secondary education.

Objective	As a virtual school, expand scholar access to evidence-based online resources that will increase scholars ability to attack mathematical problems with ease
Activity 1	Receive one-to-one tutoring support 24/7
Materials	Yup Subscription
Update	<p>After piloting the Yup service with some scholars and reviewing the results, it was determined that Yup was not the best expenditure of funds, so it was not purchased. We decided to use Istation and Edgenuity.</p> <p>On our docket: Currently, our struggling scholars are being directed to use Istation and Edgenuity, which are also incorporated into our tutoring sessions. These are directly linked to our benchmarks, so provide us with the most relevant achievement data. We will continue to look at ways to improve participation in support sessions and communication methods to keep families aware of and interested in what is available to their scholars.</p>

Activity 2	Use supplemental online math instruction/practice program
Materials	ST Math Subscription (K-8)
Update	<p>After initial issues with coordinating with ST Math representatives on its usage, a plan was finally created as of January 2020. We are still in the process of purchasing ST Math long-term. It can be used in tutoring sessions and is also available as an app that scholars can use on the go and on their own time. It will also be encouraged for low performing scholars via their teachers.</p> <p>After some limited response from the representative from ST Math, he recommended that we sign up on the website since ST Math is currently being offered for free through June 2020 due to COVID-19. The no-cost program was offered directly for individuals. We encouraged families to sign up on their own, but that put the oversight with the parent, so we do not have usage data. We are currently in talks with ST Math on how to create school-wide accounts</p>

	<p>with trackable data.</p> <p>On our docket: Currently, our struggling scholars are being directed to use Istation and Edgenuity, which are also incorporated into our tutoring sessions. Options Scholars may use the quiz or work completed during tutoring session as a work sample. Also, scholars who attend tutoring sessions will have the opportunity to participate in an open session based on a theme.</p> <p>On our docket: We will continue to look at ways to improve participation in support sessions and communication methods to keep families aware of and interested in what is available to their scholars. We will also use the feedback we received via a recent survey to identify ways to increase interest and participation. We are looking at the trends in the data and analyzing the data to determine next steps for our scholars.</p>

Objective	As a virtual school, provide scholars struggling with math access to the general curriculum through the use of digital technologies that are similar to those used on SBAC tests and implement assessment techniques to track success
Activity 1	Participate in online, differentiated lessons and instructions for math
Materials	Freckle (K-8)
Update	<p>Usage over the summer was accessed by few scholars; too few to provide useful data. This is due to the fact that many of the initially identified low-performing scholars left the school, either voluntarily or via truancy report. Currently, our struggling scholars are being directed to use Istation and Edgenuity, which are also incorporated into our tutoring sessions.</p> <p>On our docket: We would like to discontinue the use of Freckle, as we have found that Istation and Edgenuity are similar in what they offer in the area of math. There is insufficient participation in the use of Freckle to provide meaningful data.</p>

Goal 3: To Provide staff development in Common Core that support best practices in instruction for low performing scholars.

Objective	We are providing Professional Development that focuses on what scholars need to achieve academic growth
Activity 1	Provide targeted online CCSS-Aligned professional development for teaching staff
Materials	Achieve the Core Online PD https://achievethecore.org
Update	<p>Webinars and (pre-COVID-19) in-person workshops/conference opportunities are posted in Workplace (our intranet). Teachers report to their supervisors if they are accessing the recorded webinars, but we are still working on a more efficient way to track this. Supervisors reference this in evaluation meetings with staff members and record attendance as evidence on evaluation forms.</p> <p>On our docket: We will continue to provide targeted online CCSS-aligned professional development for teaching staff with a plan to track and monitor teacher completion as part of our yearly evaluation process. We are determining if it is more efficient to use our HR system to track this or a separate spreadsheet/program.</p>

Activity 2	Provide internal CCSS-aligned professional development by CCS cadre
Materials	None
Update	<p>Common Core support was integrated into our January mini-conference. This was also integrated into our October and March in-service workshops. See Appendix B for agendas.</p> <p>On our docket: We will continue to integrate CCSS-aligned professional development by CCS cadre throughout the year during our annual retreat, professional development days, and academic team meetings throughout the school year. We integrate best practices and concepts from organizations to which we belong, including AVID and CUE.</p>
Objective	Develop a training cadre to maximize the knowledge, skills and resources of designated staff who will then share learned skills with all CCS Personalized Learning (academic) team.
Activity 1	Attendance at professional educational conference (California Charter Schools Association Conference)
Materials	CCSAC Registration and expenses

Update	<p>Due to the COVID-19 pandemic, this conference was canceled for 2020. We are planning on sending a contingent to the 2021 conference.</p> <p>On our docket: We plan to continue to send representatives to this conference next year, as the information provided is valuable and very relevant to our school.</p>
Activity 2	Attendance at professional educational conference (AVID Summer Institute)
Materials	AVID Summer Institute Registration and expenses
Update	<p>The Avid Summer Institute was canceled due to the COVID-19 pandemic. In lieu, our representatives will be attending AVID XD which will provide the same level of professional development for CCS Options and Online Teachers. Dates of attendance are still pending.</p> <p>On our docket: We plan to continue to send representatives to this conference next year, as the information provided is valuable and supports our scholars' success.</p>

Goal 4: To provide parents instruction that increases their knowledge and confidence in supporting their scholars' academic success at home.

Objective	Develop parenting workshops and a parent support group which results in increased knowledge and confidence that are measured by parent participation and survey feedback.
Activity 1	Parent (Learning Coach) Workshop: Supporting their independent study scholars
Materials	Online Videos "Coaches Corner" created by CCS Staff. Videos are already created
Update	<p>"Coaches Corner" was also referred to as Learning Coach Lounges. All videos can be viewed on our YouTube playlist at this link: https://www.youtube.com/playlist?list=PLd9-AwEUf5zBPTV4dnXyrg9Yt4YQJ7IEz</p> <p>Monthly Learning Coach Support sessions for Options:</p> <ul style="list-style-type: none"> ● September - How to Prepare for a Successful School Year ● Oct - How to Encourage and Enhance Scholar Success ● November - PBIS in the Homeschool Environment ● December - Options Tutoring (specifically for T2, T3 scholars) ● January - Mid-Year Diagnostic Assessments ● February - CAASPP Testing ● March - Social Emotional Learning and Supports for Scholars ● May - Summer Learning Strategies & Year in Review

	<p>On our docket: Our Engagement Department will continue to provide support for families through our Learning Coach Academy. We are moving our Engagement department to our Academic Division to ensure the highest level of alignment with academic support needs.</p>
--	--

Activity 2	New Learning Coach Workshops: Targeted to support to increase academic achievement
Materials	New Online Videos
Update	<p>Options Learning Coach Support sessions were provided in September, October, November, December, January, February, March, and May. These were recorded so that those who could not attend live could watch the recordings at their convenience.</p> <p>The Director of Engagement oversees the Learning Coach Academy. Seven Learning Coaches (LCs) completed all 10 recordings for the Learning Coach Academy series, which included both live and on-demand topics such as attendance, onboarding, motivating your scholar, and SEL</p> <p>On our docket: We are planning to build out the Learning Coach Academy further by having LCs who have completed the series become Learning Coach Ambassadors next year. These Ambassadors could potentially serve as a support system for other learning coaches by providing insight into topics of concern for learning coaches.</p>

Activity 3	Parent Support Group: Create collaborative environment within ParentSquare community for parents to share best practices
Materials	ParentSquare community group with facilitation by CCS Staff
Update	<p>There are currently several ParentSquare groups and all staff and parents have access to this platform. We ran our Learning Coach Academy via ParentSquare groups where we shared out weekly recordings and a discussion question every week for 10 weeks. We ran four cohorts for our Learning Coach Academies and the program was facilitated by our Director of Engagement. The weekly discussion question provided LCs the opportunity to share out best practices by answering the following question and commenting on other learning coaches responses - "After viewing the recording for this week, please comment on this post and share what was your biggest takeaway from the recording." It was decided not to make one specifically for families of low performers to avoid revealing academic information about the scholars (FERPA).</p> <p>While looking into additional, alternate methods of achieving a collaborative sense of community among our parents, we continue to provide open lines of</p>

	<p>communication via program-specific town halls and LC support sessions.</p> <p>On our docket: This is something we desire and continue to explore and are, in search of the appropriate tool. We are also planning to expand our Learning Coach Academy next year to include Learning Coach Ambassadors who have completed the program and can support new LCs. We anticipate that activities like this will further create a sense of community.</p>
--	---

Goal 5: Provide a foundation for a safe and positive learning environment, while enhancing our scholars’ ability to succeed in school, life, and career.

Objective	As a virtual school, expand scholar access to social emotional learning through the MindUp curriculum to increase a child’s academic performance, self-control, empathy, and optimism.
Activity 1	Incorporate SEL lessons into the academic framework to build awareness and self-regulation.
Materials	MindUp curriculum
Update	<p>The counseling team consults with MindUp curriculum and uses it to inform their live learning sessions. Counseling delivers a monthly SEL themed based lesson that is followed up by the Online SSC that connects this theme to SEL standards throughout the month in teacher Learning Labs (LLs) and EF connect sessions, with SEL weekly warm up activities.</p> <p>Online: See Appendix C. Weekly SEL activities are incorporated into all live online LLb lessons every week throughout the school year. In addition, relationship meters are also used at the beginning of all LLs as tools to strengthen our scholars’ Social Emotional Intelligence and promote greater self-awareness. When implemented with consistency and fidelity, we can help our scholars:</p> <ul style="list-style-type: none"> ● Identify how they are feeling and track the changes throughout the week, ● Gain greater understanding as to why or what caused them to feel that way, ● Differentiate and express each emotion correctly, ● Self-regulate. <p>We also held a LC Support session in March for our Options LCs on SEL and Supports for Scholars.</p> <p>On our docket: We will continue to deliver monthly SEL theme-based lessons that will be further supported by the SSC and aligned to SEL standards throughout the month with weekly SEL warm up activities.</p>

Additional Notes	<p>The grant was originally written based on data from a prior school year. Since then, the school population has changed, with a marked increase in the number of scholars attending the Options program. Furthermore, we have adopted/will adopt new platforms and applications, as well as instituted live learning sessions and reading labs. The population of low performers has also changed. As a result, many of the original platforms selected may no longer be optimal to use for this purpose. As such, we have been careful on the expenditures made and review each one before proceeding. Analysis of the effectiveness of various interventions will require the final benchmark testing results. Additionally, due to the Governor’s order regarding COVID-19, we will not be participating in state testing, so are unable to analyze state testing data this year. Therefore, we are relying heavily on our internal benchmark assessments. We found that our current SIS (StrongMind) was not set up to easily track these scholars, so we frequently tracked data manually. As a result of this and other factors, we are moving to a new SIS (School Pathways) that will allow us to easily tag these scholars and run reports without manual manipulation. This will support checking progress more frequently.</p>

(Group C) The Edumagic of CUE Craft and Eduprotocols

Description: CUE's Chief Learning Officer and best-selling education author Jon Corippo is excited to share ways you can *teach better* and *work less* using the CUE Craft and Eduprotocols mindset. Jon will be sharing several make-and-take style Eduprotocols that will ignite all the FOUR Cs (Creativity, Collaboration, Critical Thinking and Communication) in your classroom that will also dramatically lower your grading workload. These Eduprotocols gently weave the best of AVID, PBL, UDL and integrate edtech into a magical approach that has kids begging for more (and you'll be able to teach your parent-leaders how to use these skills easily as well). Academic results can jump between 20-50% per day using these time-tested, easy to adopt

mindsets and pedagogical practices. Join Jon and change the way you teach!

(Group A) Eduprotocols and AVID

Description: Travis Engstrand, one of the phenomenal Digital Learning coaches in the Grossmont Union High School District, has experience teaching AVID and is an outstanding and charismatic leader of professional learning. Travis will be sharing several Eduprotocols that have been optimized for use in an AVID teaching environment. In this hands-on session, you'll learn several popular Eduprotocols that can easily be adapted to a range of subject areas and grade levels. Being able to have students work in Eduprotocols across grade ranges will dramatically reduce your need for planning and also reduce the cognitive load on your students. These lesson frames are also very effective in a remote setting, such as independent study. And the best part? Kids love doing Eduprotocols.

(Group B) Google Skills and Tools for Educators

Description: With G Suite for Education, fast and easy collaboration empowers educators to create opportunities for deeper learning. Bonus: These tools make teachers' lives easier by streamlining administrative tasks! Gain knowledge as well as practical strategies to engage and empower learners, build a classroom community, and make collaboration a natural way of learning in your classroom. This session will be a rich source of ideas, resources, and information about these collaborative tools.

March Theme: We All Make Mistakes

Week 16 (3-23 - 3-27)

Script: This week we are wrapping up our final discussion on our social-emotional learning topic of We All Make Mistakes. I love making mistakes because that's how I learn. I encourage you all to attempt challenging tasks, even if you're fearful, because you will learn and grow from that failure. Let's first have a discussion on the emotions that arise when making mistakes and then we will see the science behind the mistake.

Here are a few discussion points to get you started with a class reflection (choose a few and have scholars type their responses in the chat box or jump on the mic):

- How do you feel when you make a mistake? Why?
- How do you think other people see you when you make a mistake?
- Have you ever discovered something new from making a mistake?
- Have you ever felt proud of making a mistake?
- Has a mistake ever made you think more deeply about a problem? (You can start by talking about a non-academic setting, and then talk about how the lessons apply to academics.)

After having a discussion on a few talking points, show the short video (less than 2 minutes) and ask scholars to share what they learned from the video.

Let's watch a quick [video](#):

Summary (prompt scholars and ask what they learned from the video, see below):

- Many scholars shy away from challenging school work and get discouraged quickly when they make mistakes. These scholars are at a significant disadvantage in school—and in life more generally—because they end up avoiding the most difficult work.
- Successful entrepreneurs make more mistakes and learn from their mistakes.
- Making mistakes is one of the most useful ways to learn in math. Our brains develop when we make a mistake and think about the mistake. This brain activity doesn't happen when people get work correct.

Close session.

Week 15 (3-16-3-20)

Script: We've been learning about growth mindset and how it applies to making mistakes. A growth mindset thrives on challenge and sees failure not as evidence of unintelligence, but as a springboard for growth and for stretching our existing abilities. Today, we are going to dive deeper into why making mistakes is a natural part of life and how it can harness a learning opportunity.

Show poster below and discuss the meaning with scholars. Ask scholars to observe the poster and react to their observations--share on mic or chat box.

Discuss the poster with scholars after they share their observations. Read each definition below.

Script:

- 1) **A stretch mistake** happens when we're working to expand our current abilities. We're trying something that is beyond what we can already do without help, so we're bound to make some errors. Stretch mistakes are positive! If we never made stretch mistakes it would mean that we were never truly challenging ourselves to learn new things. When we make stretch mistakes it is important to stop and reflect, see what we can learn, and adjust our approach to mastering the new skill.
- 2) Now it's time for you to think of a stretch mistake. Take a minute to think of an example of a stretch mistake you have made while I share one of my own. feel free to jump on the mic or share in the chat box. *(share an example with scholars to help them think of a personal example: because I am an athlete, there are a lot of sports and agility movements that come naturally to me. Therefore, I like to try new and challenging events, such as Spartan Races, because they are out of my comfort zone. I didn't place first in the race and couldn't do some of the obstacles, so now I know what to work on and focus my efforts towards to be more prepared for the next race! Now, here is your opportunity to share your stretch mistake. Please raise your hand to jump on the mic or if you are more comfortable, you may share in the chat box.*
- 3) **The aha-moment mistakes** happen when we achieve what we intend to do, but then realize that it was a mistake to do so because it is now clear that we lacked some other knowledge that was needed. For example, there is a fire to put out but we don't have water. We extinguish it with alcohol and then learn -aha- alcohol is flammable!
Repeat step 1 for each mistake--share an example with the scholars and have them share their personal examples on the mic or in the chat box.

- 4) **The sloppy mistakes** happen when we're doing something we already know how to do, but we do it incorrectly because we lose concentration. We all make sloppy mistakes occasionally because we're human. A sloppy mistake signals we need to enhance our focus.

Repeat step 1 for each mistake--share an example with the scholars and have them share their personal examples on the mic or in the chat box.

- 5) **The high-stakes mistakes** are mistakes that have catastrophic results. They are mistakes that take place in life-threatening situations or high-stakes performances, like the Superbowl. Fortunately, we won't run into too many high-stakes mistakes in our setting!

Repeat step 1 for each mistake--share an example with the scholars and have them share their personal examples on the mic or in the chat box.

Wrap up warm up and close session.

Week 14 (3-9 - 3-13)

Script: In October, we learned about growth mindset. To recap, Growth mindset is when you make an effort to get better at something instead of just thinking 'I'm not good at that' or 'I'll never be good at that'. Instead you think, 'I'm not good at that YET' or 'I could be good at that if I practice.' It's when you remember that your brain is always growing and can learn new things. People with growth mindsets believe that their most basic abilities can be developed through dedication and hard work—brains and talent are just the starting point. A growth mindset thrives on challenge and sees failure not as evidence of unintelligence but as a heartening springboard for growth and for stretching our existing abilities.

This month, we are learning about "We All Make Mistakes." Making mistakes is a normal part of life; taking responsibility and facing up to our mistakes is a great way to learn, and to avoid doing the same thing again. It's ok to make mistakes - we all do it! However, the important things are to recognize that when we make a mistake, (1) we need to show ourselves compassion (and not be too hard on ourselves if we mess up) and also to show others compassion by apologizing when we make a mistake that hurts them; these are examples of growth mindset and self-care.

Have a discussion and have scholars answer these two questions:

- 1) What does growth mindset have to do with making mistakes?
- 2) Why is it important to show yourself compassion when you make a mistake?

Now, with these two things in mind, take a few minutes and think to yourself. I'd like you to come up with a quote to represent what you learned today. To help you get started, let's take a look at some quotes from a few very influential people (show quotes):

"Anyone who has never made a mistake has never tried anything new."

— **Albert Einstein**

“Freedom is not worth having if it does not include the freedom to make mistakes.”

— **Mahatma Gandhi**

“Have no fear of perfection - you'll never reach it.”

— **Salvador Dali**

“We learn from failure, not from success!”

— **Bram Stoker, Dracula**

-Give scholars a few minutes to think of a quote by writing on paper or Google Doc. first and then post their finished product in the chat box or share on the mic.

Script: I encourage you to write down your quote and place it in your workstation so it's a constant reminder of how it's ok to make a mistake, because you will learn and grow from it!

Please send me these quotes by email! :kwingate@compasscharters.org

-Close warm up.

February Theme: Emotions

Week 13 (2-24 - 2-28)

Script: last week we learned a few vocab words and how to regulate emotions. Controlling our emotions is something you can do with different strategies. There are several strategies that you can use, many are positive ones.

We are going to learn about 1 strategy and how it will help us control our emotions. What do I mean when I say I want to give you a 'strategy'? *Does anyone know what a strategy is?* (wait for response)

A strategy is a method that you use to achieve a goal. It can take time and practice to develop. Example: in basketball, to improve your shots you need to practice shooting hoops every day. The more and more you go to the gym and practice this skill, the better you will get and eventually you will be shooting perfect hoops automatically...one after the other! Remember though, it takes practice to learn how to use our strategies more effectively and to control our emotions

Cognitive emotion-regulation is a COPING STRATEGY. This will help us change the way we think about stressful events and help us control our emotions in a positive way and get along better with one another. Here are 10 coping strategies you can start practicing today:

1. **Be** **positive!**
Look at each obstacle you encounter as a learning experience
e.g. you may not have done well semester 1, but that has motivated you to study harder and pass all of your courses semester 2.
2. **Make the choice not to over-react to stressors and deal with them one at a time**
e.g. take a few deep breaths and carry on.
3. **Take an objective view of your stressor**
e.g. is preparing dinner for 12 people really that horrible?
4. **Communicate!**
Don't ruminate or bottle up your emotions, as this will lead to an explosion later on.
5. **Accept yourself (and others).**
No one is perfect and there is always room for mistakes.
6. **Make connections with people**
Social support is key!
7. **Deal effectively with mistakes**
Learn from your mistakes and apply them to future decision making.
8. **Deal effectively with successes also!**
This will build on your competence and motivation.
9. **Develop self-discipline and control**
e.g. train yourself to study harder in preparation for your final exam, or train yourself to work out five times a week to pass PE!
10. **Maintenance!**
Practice, practice, practice for a long life of resilient living!

Being able to use positive strategies to control your emotions does not depend on your age – you may think adults all know how to control their emotions, but this is not the case. Scholars don't always use negative strategies and adults don't always use positive strategies. Everyone can benefit from learning how to think about their emotions and practice using positive strategies to help us keep our emotions under control.

Let's practice thinking about stressful experiences that can make us feel and think negatively.

Example: When Suzy was 9, she got a hamster for her birthday. She called her hamster Bubbles and she loved him a lot. Last week, 4 years later, her hamster died. She was really sad and wouldn't leave her room for days.

- What was the stressful event in this story?
- How did it make Suzy feel?
- What thoughts did Suzy have?
- Were they positive and happy thoughts?
- Were they negative and unhappy thoughts?
- What could Suzy do to make herself feel better?

- Can she change her mind and think happier thoughts?
 - What is one coping strategy that we learned about a few minutes ago that Suzy could use to think more positively?

(get examples and close session)

Week 12 (2-18- 2-21)

Go over vocab words and/or have them listed on the screen

Stress: something that causes strong feelings of worry or anxiety

Emotion: a strong feeling like excitement or anger

Emotion Regulation: being able to properly control our emotions.

Consequences: the result of an action

Strategy: a method used to achieve a goal

Script: life is full of stressful experiences. We have different ways to deal with the stressors in our lives. One way is by managing the emotions that we feel in relation to these stressors. One of the ways that we deal with stressful experiences is to manage the emotions that we feel in relation to these stressors. This means that we try to control our emotions.

Can anyone give me an example of a stressful experience that they have had?

What emotions did this experience make you feel?

(have scholars type in the chatbox)

Regulating our emotions is complex and it involves having control over different things:

1. The way that we experience our emotions
2. The way that we think about our reactions to the stressful experience.
 - a. We want to understand how we think about our emotions so that we can control them and change them
3. The feeling we get in our body after experiencing stressors
Ex: heart rate, breathing, etc.
4. Our behavior
Ex: our actions or facial expressions when we feel an emotion

We can control our emotions if they are positive or negative.

Can anyone give me an example of a positive and a negative emotion?

(have scholars type in the chat box)

The way that we control our emotions can also have positive or negative consequences. When we control our emotions in a good way, we feel better about ourselves (increased self-esteem) and about the future (optimism). Next time, we will learn several strategies including coping skills and emotion regulation!

Week 11 (2-10- 2-14)

Script: Managing emotional reactions means choosing how and when to express the emotions we feel. People who do a good job of managing emotions know that it's healthy to express their feelings — but that it matters how (and when) they express them. Let's watch a short [video](#) (4:20) then have a short discussion about why naming emotions and understanding them is important for our mental health.

After the video, ask scholars “why it is important to recognize our emotions and moods?”

Possible answers:

- we will know how to control them
- we will know how to express them
- others will be able to recognize our emotion/mood
- we will know how to self-reflect and change behavior

January Theme: Self-Care

Week 10 (1-27 - 1-31)

Self-Care

1. Display and go through the self-care checklist with your scholars. You may set it up as a poll for each question or use the voting tools. If they have not completed each activity step by step, complete some applicable steps with them:
 - a. take deep breaths with your scholars
 - b. have scholars drink a glass of water
 - c. etc.
2. Step 2: ask scholars to share if they've had breakfast. Advise scholars to eat a healthy breakfast everyday (avoid sugar).
3. Step 6 (final step of the checklist): if scholars are on camera, have them smile on camera. If they are not, remind them to smile big for a few seconds, and practice this important mood changer a few times a day.
4. Read the last piece of the self-care checklist: “each day, try to...

Week 9 (1-21 - 1-24)

Self-Care

Guided stretch. Gently and calmly have your scholars roll their shoulders, rolls their wrists, and breathe full, slow breaths to help them recenter (one minute is all it takes). Practice this together and demonstrate each movement.

After this practice, ask the question: How can you take care of **you** today? Or, what do **you** need in order to be your best self? *This is a hard question for many scholars to answer so you may prompt them after an appropriate wait-time.*

Ideas:

- Oxygenate by taking three deep breaths. Breathe into your abdomen, and let the air puff out your stomach and chest.
- Get down and boogie. Put on your favorite upbeat record and shake your booty.
- Run (or walk, depending on your current physical health) for a few minutes. Or go up and down the stairs three times.

- Narrow your food choices. Pick two healthy breakfasts, lunches, and dinners and rotate for the week.
- Activate your self-soothing system. Stroke your own arm, or if that feels too weird, moisturize.
- Drink an extra glass of water each day, and/or have an extra portion of veggies each meal.
- Give your body a treat. Pick something from your wardrobe that feels great next to your skin.
- Be still. Sit somewhere green, and be quiet for a few minutes.
- Get fifteen minutes of sun
- Inhale an upbeat smell. Try peppermint to suppress food cravings and boost mood and motivation.
- Have a good laugh. Read a couple of comic strips that you enjoy.
- Take a quick nap. Ten to twenty minutes can reduce your sleep debt and leave you ready for action.

Week 8 (1-13 - 1-17)

Self-Care

Read definition of self-care: *self-care is any activity that we do deliberately in order to take care of our mental, emotional, and physical health. Although it's a simple concept in theory, it's something we often overlook. Good self-care is key to improved mood and reduced anxiety. It's also key to a good relationship with oneself and others.*

Script: last month, we learned about compassion and how to show it to others; we provided you with a list of tools you could use at home and in a public setting. This month we are going to focus on you, as self-care is to show compassion for yourself. It is easy to practice self-care and compassion to yourself; you just have to find the time and learn how to do it. We are going to start with a simple activity--you are more than welcome to print this at home and I encourage you to fill it out and hang it near your workspace so it is a constant reminder of how much you love and are proud of yourself, as that is truly the first step to implement self-care.

Complete the heart activity with your scholars. Have them add their responses onto the chart (blank, below) or in the chat box and you add for them. Display both, so scholars know what traits belong to each box.

December Theme: Compassion

Week 7 (12-16- 12-20)

Compassion

Script: last week we learned ways to show compassion in Learning Labs. Compassion is when you notice another person or animal is in need, and you have concern for them that you want to show. Compassion can include a number of components: feeling in your heart for others; understanding and caring about the feelings of others; understanding what others need or want; and wanting to do something that might help. To know if someone needs compassion we look for clues, like emotions. We show compassion by saying and doing things that show others we care. After hearing this definition again, let's try to remember a few examples from last week--ways to show compassion in Learning Labs (have scholars name a few again):

Possible answers:

- Listen to each other intently
- Respond (related to the topic) to other classmates to show you listened
- Do not interrupt others while sharing on the mic

Now, we are going to think of ways we can show compassion outside of the classroom--at home, running errands, being in public places, etc. What are some examples you can think of to show compassion? Remember, compassion is when you SEE someone in need, CARE about their feelings, and DO something to show you care.

Possible answers:

Open the door for someone

Always say please and thank you

Allocate time to bond with friends and family

Share a hug or handshake (if touch is welcome)

Volunteer

Do a random act of kindness (**prompt scholars on this one, if this one is not shared**).

After all answers are provided, share poster and call on scholars to read a few aloud or read them to the class (your choice). Then, ask scholars which one they could do today, then this week, then over holiday break.

Script: which random act of kindness do you think you could do today? **Possible answer:** prepare a meal for my family

What random act of kindness do you think you could do this week? **Possible answer:** donate old clothes Goodwill / Salvation Army.

What random act of kindness do you think you could do over break? **Possible answer:** mow the lawn for my neighbor

Week 6 (12-9-12-13)

Compassion

Show this short [video](#) (1:30) and have a discussion. **Script:** After watching this video, let's brainstorm on ways we can show compassion to each other in **Learning Labs**. *Have scholars type in the chatbox, on the mic or writing on the whiteboard.* **Preferred (for classroom management**

and appropriate answers): scholars answer in the chatbox **then** teachers add answers onto a whiteboard.

Prompt scholars if they are stuck.

Possible answers:

- Listen to each other intently
- Respond (related to the topic) to other classmates to show you listened
- Do not interrupt others while sharing on the mic
- Congratulate each other for successes--small and large
- Motivate others
- Say only positive and encouraging words
- Say thank you
- Smile (if scholars are on camera)

Script: now that we have come up with great answers on how to show compassion, let's start practicing today. Next week, we will brainstorm ways to show compassion outside of the classroom.

November Theme: Mindfulness

Week 5 (11-18-11-22)

Breathing Strategy #2

Demonstrate a deep breathing strategy and have scholars complete this with you. *Ask them how they feel after this exercise.* **(Make sure you practice this on your own prior to demonstrating it to your scholars).**

As we practice together, try to focus on "blowing away" your strong negative emotions and think of things that make you happy or make you feel content. Breathe in for a count of 2 and then breathe out for a count of 4. Repeat 4 times. Then lengthen your breath: breathe in for 3 and out for 4, Repeat 2 times. Breathe in for 4 and out for 8.

How are you feeling? (have scholars share in the chat box or on the mic). Validate their thoughts/feelings as they share.

Week 4 (11-12 - 11-15)

Breathing Strategy #1

Demonstrate a deep breathing strategy and have scholars complete this with you. Ask them how they feel after this exercise. (make sure you practice this on your own prior to demonstrating it to your scholars).

1. Sit in a comfortable position with your hands in your lap
2. Close your eyes and touch your thumb to your index finger. Take a deep breath as you think about a time when you felt very relaxed and content (pause for a moment, before moving on to the next directive).

3. Touch your thumb to your middle finger. Take a deep breath and think about how it feels to hug someone you love (pause for a moment, before moving on the next directive).
4. Touch your thumb to your ring finger and think about something you really enjoy doing (pause for a moment, before moving on the next directive).
5. Touch your thumb to your little finger and think about your favorite place to be.
6. Take a deep breath and release.
Pause (5 seconds)— ask scholars how they feel. Type responses in the chat box or hop on the mic.

October Theme: Growth Mindset

Week 3 (10-28-11-1)

Growth Mindset Lesson Plan from Khan Academy

Play Video (2 minutes): [John Legend](#)

Have a discussion (have scholars share on the mic or post something in the chatbox):

Script:

What is the message? What is John Legend trying to tell us? (have scholars share) Now, I want you to think about a time when you overcame a struggle in learning and learned to solve a problem.

Prompt scholars by sharing **your** story. As a teacher, share a personal story about a time you had to work hard to get better at something and relate it to the video. Highlight:

1. Hard work
2. Strategies
3. Help from others

Here's an example below of a personal story to share with scholars:

Script: When I was in middle school, I remember struggling with adding negative numbers. I had a hard time figuring out what a 'negative' even meant when talking about a number - how can you have less than nothing? I ended up going through many practice problems and continuing to get many of them wrong. I was a very shy kid, so I didn't ask my teacher many questions. My thought was that I had reached 'the peak' of my math talent, and it was all downhill from here. I eventually asked my mom about this topic and she explained to me the basic concept of negative numbers. This helped me understand it a little, but it was still fuzzy to me. I then researched online for some real-life contexts to show what these mysterious numbers represented outside of some abstract universe. Some of them made sense, and others didn't. I still didn't entirely get it and I was so frustrated that I wanted to just give up (or continue hoping that negative numbers were not going to appear in math class ever again). I started to dislike math simply because I couldn't understand it anymore. Instead of entirely giving up on my academic career, I eventually mustered up the courage to ask my teacher for help as well. She explained it in a few different ways, and gave me new strategies to try out. After some practice with these new strategies, I started to solidify my understanding of negatives which allowed me to quickly pick up basic algebra afterwards. While it was a lot of work and I wanted to give up at many points during my

journey, I eventually was able to ‘rewire’ my brain so that negative numbers actually made sense to me.

Ask scholars to share a story about a time that they made their brains smarter. This leads to a discussion about how working hard, taking on challenges, and finding the right strategy can make people smarter.

Week 2 (10-21-10-25):

Play Video (3 minutes): [Growing your mind](#)

Have a discussion:

What stood out to you in this video? (gauge responses here and provide your thoughts)

Example: for me, I found it fascinating that our brains grow more when we get answers incorrect, which tells me it’s ok to fail, because I’m going to learn from it and my brain will get stronger.

Ask some questions based on what scholars learned from the video:

- How do people become more intelligent?
- How does the diagram of the neurons “At birth vs. At age 6” demonstrate this?
- What about the second diagram of the nerves of the animal living in a cage vs. an animal living with other animals and toys?
- How are our brains like muscles?
- When do our brains grow the most?

Week 1 (10-14-10-18):

Play Video (90 seconds): [You Can Learn Anything](#)

After playing the video, ask scholars to share their thoughts:

- What are your thoughts? Are we born to learn? With effort and persistence can we learn anything?
- Responses in chat box or use raise hands:
 - agree with this video: You can learn anything
 - disagree with this video: Your abilities are what you are born with
 - are unsure or think it is a mix

Script:

Thank you all for sharing. There are no wrong or right answers here. However, the idea that you can learn anything is a way of thinking or a Growth Mindset. Growth mindset is when you make an effort to get better at something instead of just thinking ‘I’m not good at that’ or ‘I’ll never be good at that’. Instead you think, ‘I’m not good at that YET’ or ‘I could be good at that if I practice.’ It’s when you remember that your brain is always growing and can learn new things.

BACKGROUND:

Per case precedent, all schools serving English Learners must have a viable English Language Development (ELD) curriculum. For instance, *Castaneda vs. Pickard* requires that such curricula be based on sound educational theory, implemented effectively, and proven to overcome language barriers. The California Department of Education (CDE) outlines the ELD standards separately from English Language Arts (ELA), noting differences in supports and expectations for different levels of language acquisition. The Curriculum Review Committee was set up to review ELD curriculum providers for implementation for the 2020-21 academic year. All team members were provided the opportunity to evaluate and provide feedback on rubrics consisting of measures created by the team, based on existing curriculum evaluation rubrics but adapted for our unique personalized learning programs. At least six vendors were contacted. Some were ruled out based on lack of research and data to back up their effectiveness or that they could not be adapted for personalized learning without a large fiscal investment. The three top contenders were then evaluated.

RECOMMENDATION:

A motion to approve Lexia as our English Language Development curriculum provider for the 2020-21 school year.

The three top contenders were then evaluated.

The Curriculum Review Committee Members:

- Erin Smith, Director of Online Learning
- Shannon Davis, High School Teacher & Interim English Learner Support Coordinator
- Teresa McGuire, Online Middle School Teacher
- Melissa Ramon, Educational Facilitator
- Alyssa Hurtado, Educational Facilitator
- Debbie Kasper, Educational Facilitator
- Yolanda Wiederrich, Educational Facilitator

Platforms Evaluated:

- Lexia - Core5 & PowerUp
- Imagine Learning
- FuelEd/Middlebury

Performance:

Members were asked to evaluate each potential vendor with the ELD Curriculum Rubric. Each ranked item on a scale of 1 to 4, with 1 being “unsatisfactory”, 2 being “developing”, 3 being “proficient”, and 4 being “distinguished.” Reviewers were also given space in which to write comments and were encouraged to be as thorough and detailed as possible to ensure that decision-makers had access to a comprehensive

evaluation when selecting a curriculum provider. Below is a summary of the rubric results; the highest ranking vendor was Lexia.

Summary

Teachers on the committee	Imagine Learning (Grades K-6)	Lexia (Grades K-12)	FuelEd Middlebury (Grades K-12)
Shannon Davis	15.5	22	16
Teresa McGuire	18.5	22	22
Melissa Ramon	14	21	15
Debbie Kasper	18	19	7
Yolanda Wiederrich	17	19	0
Alyisha Hurtado	21.5	24	3
TOTAL AVERAGES	17.4	21.16	10.5

Pricing:

Proposals are based on approximate numbers of scholars provided to each vendor:

485 total English Language Learners (ELLs) as of May 22, 2020.

- Lexia: \$35 per seat with virtual support package (\$16,975 total, including training)
- Imagine Learning: Original quote was \$150 per seat; dropped to \$55 (\$26,675 not including training)
- FuelEd/Middlebury: Estimated \$188 per seat including training (\$47,000 for up to 250 seats; \$94,000 for up to 500 seats)

Recommendation:

Our final recommendation for Compass Charter Schools is to purchase seats with Lexia. Lexia is a cost-effective, scholar-driven, comprehensive reading program that embeds the various strands of reading development. Additionally, Lexia can be utilized to support all struggling readers or reading recovery scholars regardless of primary language, in the event that more seats need to be purchased.

There is only one initial placement assessment with a duration of 15-25 minutes, which is reasonable for even young scholars. After the scholar completes the placement, there will not be another formal assessment because once scholars are placed in the system

the program auto-assesses continuously as they work through their learning pathway. The purpose of this is to accurately assess across the various strands of reading.

Lexia utilizes age-appropriate materials in the upper grades and incorporates literature from the original publisher rather than creating their own books. Lexia is data driven and results are demonstrated after 20 weeks of implementation. All data is housed in one platform. The data will analyze and predict/determine which scholars are at-risk for as they move through the program. Training is provided continuously for staff & parents. Training is also included in the price. An implementation manager is assigned to the school and there are parent learning opportunities with webinars. The reading materials are all in English; however, users can listen to instructions in various languages.

For families who are uncomfortable with a web-based program despite support and who have access to a Learning Coach or provider who can model native English language fluency and who can conduct the lessons, a list has been compiled of paper/pencil programs that families can choose to purchase in addition to the school-supplied Lexia ELD program, though we will not have comparable data from those. Those that are designated ELD curricula are: Launch to Literacy, Teacher-Created Materials, Ballard and Tighe, and Learning A-Z ELL Edition. However, in order to comply with Castaneda vs. Pickard and other ELL related rulings, best practices, and regulations, we would strongly urge families to use Lexia so that Compass Charter Schools can track the effectiveness with data and ensure access to resources.

 RE: **Special Education Contractors/Providers Overview**

Compass Charter Schools (CCS) has a number of scholars with IEPs that require services outside of the typical scope of our Special Education Case Managers. These include speech and language therapy, psychological assessments, behavioral assessments, mental health assessments, occupational therapy, and specialized counseling, to name a few. 2020-2021**CONTRACT NUMBER:****LOCAL EDUCATION AGENCY: Compass Charter Schools****NONPUBLIC SCHOOL/AGENCY/RELATED SERVICES PROVIDER: _____****NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES MASTER CONTRACT****AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS****1. MASTER CONTRACT**

This Master Contract (or "Agreement") is entered into on July 1, 2020, between Compass Charter Schools, hereinafter referred to as the local educational agency ("LEA"), a member of the El Dorado Selpa SELPA and Anchor Counseling Solutions _____ (nonpublic, nonsectarian school or agency), hereinafter referred to as NPS/A or "CONTRACTOR" for the purpose of providing special education and/or related services to students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq.* and Title 5 of the California Code of Regulations section 3000 *et seq.*, AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this agreement does not commit LEA to pay for special education and/or related services provided to any student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"). Unless otherwise agreed in writing, these forms shall acknowledge CONTRACTOR's obligation to provide all services specified in the student's Individualized Education Plan (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of a student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each student served by CONTRACTOR. As available and appropriate, the LEA shall make available access to any electronic IEP system and/or electronic database for ISA developing including invoicing.

Unless placement is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed agreement between LEA and parent or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by the student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification and licensure specified by CDE Certification and as defined in California Education Code, section 56366 *et seq.* and within the professional scope of practice of each provider's license, certification and/or credential. A current copy of CONTRACTOR's nonpublic school/agency certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Agreement is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired,

revoked, rescinded, or otherwise nullified during the effective period of this Master Contract. Total student enrollment shall be limited to capacity as stated on CDE certification and in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified and all staff persons providing services to pupils shall be certified and/or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this State, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE in writing of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless, taking into consideration all of the surrounding facts and circumstances, a policy or policies or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR's failure to comply with applicable LEA policies (e.g., those policies relating to; the provision of special education and/or related services, facilities for individuals with exceptional needs, student enrollment and transfer, student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract; and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2020 to June 30, 2021 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. However, the parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2020. In the event the contract is not renegotiated by June 30th, an interim contract may be entered into as mutually agreed upon for up to 90 days from July 1 of the new fiscal year. (Title 5 California Code of Regulations section 3062(d)) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR's ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Master Contract includes each Individual Services Agreement and they are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of current teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to District, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (California Education Code section 56366(c)(1) and (2)). In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students at the discretion of the LEA.

6. INDIVIDUAL SERVICES AGREEMENT ("ISA")

This Agreement shall include an ISA developed for each student to whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for students enrolled with the approval of the LEA pursuant to Education Code section 56366 (a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR, shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students.

Any and all changes to a student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the student's IEP. At any time during the term of this Master Contract, a student's parent, CONTRACTOR, or LEA may request a review of a student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA. (California Education Code sections 56366(a) (5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to student as a result of lack of provision of services while student was served by the nonpublic school or agency.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the “stay-put” requirement of state and federal law unless the parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c) (2).

- G. For any claims related to the services performed in connection with this Master Contract, the CONTRACTOR's insurance coverage shall be the primary insurance with respect to the LEA, its subsidiaries, officials and employees. Any insurance or self-insurance maintained by the LEA, its subsidiaries, officials and employees shall be excess of the CONTRACTOR's insurance and shall not contribute with it.
- H. All Certificates of Insurance must reference the contract number, name of the school or agency submitting the certificate, and the location of the school or agency submitting the certificate on the certificate.

16. INDEMNIFICATION AND HOLD HARMLESS

To the fullest extent allowed by law, CONTRACTOR shall indemnify and hold LEA and its Board Members, administrators, employees, agents, attorneys, volunteers, and subcontractors ("LEA Indemnities") harmless against all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of this Master Contract or its performance, to the extent that such loss, expense, damage or liability was proximately caused by negligence, intentional act, or willful act or omission of CONTRACTOR, including, without limitation, its agents, employees, subcontractors or anyone employed directly or indirectly by it (excluding LEA and LEA Indemnities). The duty and obligation to defend shall arise immediately upon tender of a claim or lawsuit to the CONTRACTOR. The LEA and the Member District(s) shall have the right in their sole discretion to select counsel of its choice to provide the defense at the sole cost of the CONTRACTOR or the applicable insurance carrier.

To the fullest extent allowed by law, LEA shall indemnify and hold CONTRACTOR and its Board Members, administrators, employees, agents, attorneys, and subcontractors ("CONTRACTOR Indemnities") harmless against all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of this Master Contract or its performance, to the extent that such loss, expense, damage or liability was proximately caused by the negligent, intentional act or willful act or omission of LEA, including, without limitation, its agents, employees, subcontractors or anyone employed directly or indirectly by it (excluding CONTRACTOR and/or any CONTRACTOR Indemnities).

LEA represents that it is self-insured in compliance with the laws of the State of California, that the self-insurance covers district employees acting within the course and scope of their respective duties and that its self-insurance covers the LEA's indemnification obligations under this Master Contract.

17. INDEPENDENT CONTRACTOR

Nothing herein contained will be construed to imply a joint venture, partnership or principal-agent relationship between the LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the LEA and any individual assigned by CONTRACTOR to perform any services for the LEA.

If the LEA is determined to be a partner, joint venture, co-principle, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding.

18. SUBCONTRACTING

CONTRACTOR shall provide written notification to LEA before subcontracting for special education and/or related services pursuant to this Master Contract. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR's original notice and CONTRACTOR shall not subcontract for said service(s).

CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts, to the fullest extent reasonably possible. Furthermore, when CONTRACTOR enters into subcontracts for the provision of special education and/or related services (including, but not limited to, transportation) for any student, CONTRACTOR shall cause each subcontractor to procure and maintain insurance during the term of each subcontract. Such subcontractor's insurance shall comply with the provisions of Section 15. Each subcontractor shall furnish the LEA with original endorsements and certificates of insurance effecting coverage required by Section 15. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. The endorsements are to be on forms as required by the LEA. All endorsements are to be received and approved by the LEA before the subcontractor's work commences. The Commercial General Liability and Automobile Liability policies shall name the LEA/SELPA and the LEA Board of Education as additional insured.

As an alternative to the LEA's forms, a subcontractor's insurer may provide complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by this Master Contract. All Certificates of Insurance must reference the LEA contract number, name of the school or agency submitting the certificate, indication if NPS or NPA, and the location of the school or agency submitting the certificate. In addition, all subcontractors must meet the requirements as contained in Section 45 Clearance Requirements and Section 46 Staff Qualifications of this Master Contract.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to LEA upon request a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. CONTRACTOR and any member of its Board of Directors (or Trustees) shall disclose any relationship with LEA that constitutes or may constitute a conflict of

interest pursuant to California Education Code section 56042 and Government Code Section 1090 including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR's facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and LEA otherwise agree in writing, LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the student is performed or a report is prepared in the normal course of the services provided to the student by CONTRACTOR. To avoid conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may, in its discretion, not fund services through the evaluator whose IEE the LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

When CONTRACTOR is a Nonpublic Agency, CONTRACTOR acknowledges that its authorized representative has read and understands Education Code section 56366.3 which provides, in relevant part, that no special education and/or related services provided by CONTRACTOR shall be paid for by LEA if provided by an individual who was an employee of LEA within the three hundred and sixty five (365) days prior to executing this contract. This provision does not apply to any person who is able to provide designated instruction and services during the extended school year because he or she is otherwise employed for up to ten months of the school year by LEA.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from the LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not, in employment or operation of its programs, unlawfully discriminate on the basis of gender, nationality, national origin, ancestry, race, color, ethnicity, ethnic group affiliation, religion, age, marital status, pregnancy or parental status, sex, sexual orientation, gender, gender identity or expression, physical or mental disability, genetic information or any other classification protected by federal or state law or the perception of one or more of such characteristics or association with a person or group with one or more of these actual or perceived characteristics.

If CONTRACTOR

Unless otherwise agreed to between CONTRACTOR and LEA, CONTRACTOR shall be responsible for the provision of all appropriate supplies, equipment, and/or facilities for students, as specified in the student's IEP and ISA. CONTRACTOR shall make no charge of any kind to parents for special education and/or related services as specified in the student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of the student's enrollment under the terms of this Master Contract). LEA shall provide low incidence equipment for eligible students with low incidence disabilities when specified in the student's IEP and ISA. Such equipment remains the property of the SELPA/LEA and shall be returned to the SELPA/LEA when the IEP team determines the equipment is no longer needed or when the student is no longer enrolled in the nonpublic school. CONTRACTOR shall ensure that facilities are adequate to provide LEA students with an environment which meets all pertinent health and safety regulations. CONTRACTOR may charge a student's parent(s) for services and/or activities not necessary for the student to receive a free appropriate public education after: (a) written notification to the student's parent(s) of the cost and voluntary nature of the services and/or activities; and (b) receipt by the LEA of the written notification and a written acknowledgment signed by the student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA requirements concerning parent acknowledgment of financial responsibility.

Voluntary services and/or activities not necessary for the student to receive a free appropriate public education shall not interfere with the student's receipt of special education and/or related services as specified in the student's IEP and ISA unless the LEA, CONTRACTOR, and PARENT agree otherwise in writing.

22. GENERAL PROGRAM OF INSTRUCTION

All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 *et seq.*, and shall ensure that facilities are adequate to provide LEA students with an environment, which meets all pertinent health and safety regulations.

Students shall have access to: (a) State Board of Education (SBE) - adopted Common Core State Standards ("CCSS") for curriculum and the same instructional materials for kindergarten and grades 1 to 8, inclusive; and provide standards – aligned core curriculum and instructional materials for grades 9 to 12, inclusive, used by a local education agency (LEA), that contracts with the nonpublic school: (b) college preparation courses; (c) extracurricular activities, such as art, sports, music and academic clubs; (d) career preparation and vocational training, consistent with transition plans pursuant to state and federal law and; (e) supplemental assistance, including individual academic tutoring, psychological counseling, and career and college counseling.

When CONTRACTOR serves students in grades nine through twelve inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the CONTRACTOR leading toward graduation or completion of LEA's diploma requirements. CONTRACTOR shall not award a high school diploma to students who have not successfully completed all of the LEA's graduation requirements.

When CONTRACTOR is a nonpublic agency and/or related services provider, CONTRACTOR's general program of instruction and/or services shall utilize evidence-based practices and predictors and be consistent with LEA and CDE guidelines and certification, and provided as specified in the student's IEP and ISA. The nonpublic agency providing Behavior Intervention services shall develop a written plan that specifies the nature of their nonpublic agency service for each student within thirty (30) days of enrollment and shall be provided in writing to the LEA. School-based services may not be unilaterally converted by CONTRACTOR to a substitute program or provided at a location not specifically authorized by the IEP team. Except for services provided by a CONTRACTOR that is a licensed children's institution, all services not provided in the school setting require the presence of a parent, guardian or adult caregiver during the delivery of services, provided such guardian or caregiver have a signed authorization by the parent or legal guardian to authorize emergency services as requested. Licensed Children's Institution (LCI) CONTRACTORS shall ensure that appropriate and qualified residential or clinical staff is present during the provision of services under this Master Contract. CONTRACTOR shall immediately notify LEA in writing if no parent, guardian or adult caregiver is present. CONTRACTOR shall provide to LEA a written description of the services and location provided prior to the effective date of this Master Contract. It is understood that Behavior Intervention services are limited per CDE Certification and do not constitute as an instructional program.

23. INSTRUCTIONAL MINUTES

When CONTRACTOR is a nonpublic school, the total number of instructional minutes per school day provided by CONTRACTOR shall be at least equivalent to the number of instructional minutes per school day provided to students at like grade level attending LEA schools and shall be specified in the student's ISA developed in accordance with the student's IEP.

For students in grades kindergarten through 12 inclusive, unless otherwise specified in the student's IEP and ISA, the number of instructional minutes, excluding breakfast, recess, lunch and pass time shall be at the same level that Ed. Code prescribes for the LEA.

The total number of annual instructional minutes shall be at least equivalent to the total number of annual instructional minutes provided to students attending LEA schools in like grade level unless otherwise specified in the student's IEP.

When CONTRACTOR is a nonpublic agency and/or related services provider, the total number of minutes per school day provided by CONTRACTOR shall be specified in the student's ISA developed in accordance with the student's IEP.

24. CLASS SIZE

When CONTRACTOR is a nonpublic school, CONTRACTOR shall ensure that class size shall not exceed a ratio of one teacher per twelve (12) students, unless CONTRACTOR and LEA agree otherwise in writing. Upon prior written approval by an authorized LEA representative, class size may be temporarily increased by a ratio of 1 teacher to fourteen (14) students when necessary during the regular or extended school year to provide services to students with disabilities.

In the event a nonpublic school is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the California Department of Education Certification of

that school, the nonpublic school shall develop a plan to assure appropriate coverage of students by first utilizing existing certificated staff. The nonpublic school and the LEA may agree to one 30 school day period per contract year where class size may be increased to assure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both parties. This provision does not apply to a nonpublic agency.

CONTRACTOR providing special education instruction for individuals with exceptional needs between the ages of three and five years, inclusive, shall also comply with the appropriate instructional adult to child ratios pursuant to California Education Code sections 56440 et seq.

25. CALENDARS

Billable days shall include only those days that are included on the submitted and approved school calendar, and/or required by the IEP (developed by the LEA) for each student. CONTRACTOR shall not be allowed to change its school calendar and/or amend the number of billable days without the prior written approval of the LEA. Nothing in this Master Contract shall be interpreted to require the LEA to accept any requests for calendar changes.

Unless otherwise specified by the students' IEP, educational services shall occur at the school site. A student shall only be eligible for extended school year services if such are recommended by his/her IEP Team and the provision of such is specifically included in the ISA. Extended school year shall consist of twenty (20) instructional days, unless otherwise agreed upon by the IEP Team convened by the LEA. Any days of extended school year in excess of twenty (20) billable days must be mutually agreed to, in writing, prior to the start of the extended school year.

Student must have actually been in attendance during the regular school year and/or during extended school year and actually received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by the LEA, in writing, in advance of the delivery of any nonpublic school service. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

CONTRACTOR shall observe the same legal holidays as LEA. Those holidays are Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day, New Year's Day, Martin Luther King, Jr. Day, President's Day, Memorial Day and Independence Day. With the approval of LEA, CONTRACTOR may revise the date upon which CONTRACTOR closes in observance of any of the holidays observed by the LEA.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall be provided with a LEA-developed/approved calendar prior to the initiation of services. CONTRACTOR herein agrees to observe holidays as specified in the LEA-developed/approved calendar. CONTRACTOR shall provide services pursuant to the LEA-developed/approved calendar; or as specified in the LEA student's IEP and ISA. Unless otherwise specified in the LEA student's ISA, CONTRACTOR shall provide related services to LEA students on only those days that the LEA student's school of attendance is in session and the LEA student attends school. CONTRACTOR shall bill only for services provided on billable days of attendance as indicated on the LEA calendar unless CONTRACTOR and the LEA agree otherwise, in writing. Student must have actually been in attendance and/or received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by the LEA, in writing, in advance of the delivery of any nonpublic agency service provided by CONTRACTOR. Any instructional

days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

26. DATA REPORTING

CONTRACTOR shall agree to provide to the LEA all data related to student information and billing information with LEA. CONTRACTOR shall agree to provide data related to all sections of this contract, including student discipline as noted below, and requested by and in the format required by the LEA. It is understood that all nonpublic school and agencies shall utilize the LEA approved electronic IEP system for all IEP development, service tracking documentation, and progress reporting, unless otherwise agreed to by the LEA. Additional progress reporting may be required by the LEA. The LEA shall provide the CONTRACTOR with appropriate software, user training and proper internet permissions to allow adequate access.

Using forms developed by the California Department of Education or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Codes 48900 and 48915. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915.

The LEA shall provide the CONTRACTOR with approved forms and/or format for such data including, but not limited to, invoicing, attendance reports and progress reports. The LEA may approve use of CONTRACTOR'S provided forms at their discretion.

27. LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

CONTRACTOR and LEA shall follow all LEA policies and procedures that support Least Restrictive Environment ("LRE") options and/or dual enrollment options if available and appropriate, for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services, goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist the LEA in implementing the IEP team's recommended activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a nonpublic school, per implementation of Senate Bill 484, CONTRACTOR shall administer all Statewide assessments within the California Assessment of Student Performance and Progress ("CAASPP"), Desired Results Developmental Profile ("DRDP"), California Alternative Assessment ("CAA"), achievement and abilities tests (using LEA-authorized assessment instruments), the Fitness Gram, , the English Language Proficiency Assessments for California ("ELPAC"), and as appropriate to the student, and mandated by LEA pursuant to LEA and state and federal guidelines.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR'S qualified staff. CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA.

29. MANDATED ATTENDANCE AT LEA MEETINGS

CONTRACTOR shall attend District mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, and standardized testing and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORTS

CONTRACTOR shall comply with the requirements of Education Code section 49005, *et seq.*, 56521.1 and 56521.2. LEA students who exhibit behaviors that interfere with their learning or the learning of others must receive timely and appropriate assessments and positive supports and interventions in accordance with the federal law and its implementing regulations. If the Individualized Education Program ("IEP") team determines that a student's behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan ("BIP"), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy pursuant to California Education Code section 56521.1 regarding emergency interventions and behavioral emergency reports. CONTRACTOR shall ensure that all of its staff members are trained in crisis intervention, emergency procedures, and evidenced-based practices and interventions specific to the unique behavioral needs of the CONTRACTOR's pupil population. The training shall be provided within 30 days of employment to new staff who have any contact or interaction with pupils during the schoolday, and annually to all staff who have any contact or interaction with pupils during the schoolday. The CONTRACTOR shall select and conduct the training in accordance with California Education Code section 56366.1. CONTRACTOR shall maintain written records of the training and provide written verification of the training annually and upon request.

Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP, and shall not be employed longer than necessary to contain the behavior. Emergency interventions may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the individual with exceptional needs, or others, and that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. If a situation requires prolonged use of emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency.

CONTRACTOR shall complete a behavior emergency report when an emergency occurs that is defined as a serious, dangerous behavior that staff has determined to present a clear and present danger to others. It requires a non-violent physical intervention to protect the safety of student, self, or others and a physical intervention has been used; or a physical intervention has not been used, but an injury or serious property damage has occurred. Personal Safety Techniques may or may not have been used. Emergencies

require a behavior emergency report form be completed and submitted to the LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall notify Parent within twenty-four (24) hours via telephone. If the student's IEP does not contain a Behavior Intervention Plan ("BIP") or Positive Behavior Intervention Plan ("PBIP"), an IEP team shall schedule a meeting to review the behavior emergency report, determine if there is a necessity for a functional behavioral assessment, and to determine an interim plan. If the student already has a BIP, the IEP team shall review and modify the BIP if a new serious behavior has been exhibited or existing behavioral interventions have proven to be ineffective. CONTRACTOR shall schedule with LEA an IEP meeting within two (2) days.

Pursuant to Education Code section 56521.2, CONTRACTOR shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following: (1) Any intervention that is designed to, or likely to, cause physical pain, including, but not limited to, electric-shock (2) An intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the face of the individual. (3) An intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort, or access to bathroom facilities. (4) An intervention that is designed to subject, used to subject, or likely to subject, the individual to verbal abuse, ridicule, or humiliation, or that can be expected to cause excessive emotional trauma. (5) Restrictive interventions that employ a device, material, or objects that simultaneously immobilize all four extremities, including the procedure known as prone containment, except that prone containment or similar techniques may be used by trained personnel as a limited emergency intervention. (6) Locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room. (7) An intervention that precludes adequate supervision of the individual. (8) An intervention that deprives the individual of one or more of his or her senses. (b) In the case of a child whose behavior impedes the child's learning or that of others, the individualized education program team shall consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations.

All restraint practices must be reviewed and revised when they have an adverse effect on a student and are used repeatedly for an individual child, either on multiple occasions within the same classroom or multiple uses by the same individual. CONTRACTOR shall notify the student's parent/guardian when any type of physical or mechanical restraint or seclusion has been used. Upon the use of any type of physical or mechanical restraint or seclusions of a District student, CONTRACTOR shall complete a BER per the reporting and notification requirements listed above.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations. Using forms developed by the California Department of Education or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Codes 48900 and 48915. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915.

When CONTRACTOR seeks to remove a student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall immediately submit a written discipline report to the LEA and a manifestation IEP team meeting shall be scheduled. Written discipline reports shall include, but not be limited to: the student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of the student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to

participate in a manifestation determination at an IEP meeting no later than the tenth (10th) day of suspension. CONTRACTOR shall notify and invite LEA representatives to the IEP team meeting where the manifestation determination will be made.

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the nonpublic school; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (California Education Code sections 56366 (a) (2) (B) (i) and (ii)) and pursuant to California Education Code section 56345 (b) (4).)

CONTRACTOR shall correct deficiencies and submit rebilling invoices no later than thirty (30) calendar days after the invoice is returned by LEA. LEA shall pay properly submitted re-billing invoices no later than forty-five (45) days after the date a completely corrected re-billing invoice is received by LEA.

In no case shall initial payment claim submission for any Master Contract fiscal year (July through June) extend beyond December 31st after the close of the fiscal year. In no case shall any rebilling for the Master Contract fiscal year (July through June) extend beyond six (6) months after the close of the fiscal year unless approved by the LEA to resolve billing issues including re-billing issues directly related to a delay in obtaining information from the Commission on Teacher Credentialing regarding teacher qualification, but no later than twelve (12) months from the close of the fiscal year. If the billing or re-billing error is the responsibility of the LEA, then no limit is set provided that the LEA and CONTRACTOR have communicated such concerns in writing during the 12-month period following the close of the fiscal year. LEA will not pay mileage for NPA employee.

57. RIGHT TO WITHHOLD PAYMENT

LEA may withhold payment to CONTRACTOR when: (a) CONTRACTOR has failed to perform, in whole or in part, under the terms of this contract; (b) CONTRACTOR has billed for services rendered on days other than billable days of attendance or for days when student was not in attendance and/or did not receive services; (c) CONTRACTOR was overpaid by LEA as determined by inspection, review, and/or audit of its program, work, and/or records; (d) CONTRACTOR has failed to provide supporting documentation with an invoice, as required by EC 56366(c)(2); (e) education and/or related services are provided to students by personnel who are not appropriately credentialed, licensed, or otherwise qualified; (f) LEA has not received prior to school closure or contract termination, all documents concerning one or more students enrolled in CONTRACTOR's educational program; (g) CONTRACTOR fails to confirm a student's change of residence to another district or confirms the change of residence to another district, but fails to notify LEA within five (5) days of such confirmation; or (h) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a student. It is understood that no payments shall be made for any invoices that are not received by six (6) months following the close of the prior fiscal year, for services provided in that year.

Final payment to CONTRACTOR in connection with the cessation of operations and/or termination of a Master Contract will be subject to the same documentation standards described for all payment claims for regular ongoing operations. In addition, final payment may be withheld by the LEA until completion of a review or audit, if deemed necessary by the LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR

determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a) the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the entire amount of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable pupil for the time period from the date the violation occurred and until the violation is cured; or (f) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to the student.

If LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment or submit a written request for extension of time to correct the deficiencies. Upon receipt of CONTRACTOR's written request showing good cause, LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. If LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after the LEA's response to CONTRACTOR's notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. The LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: Disagreements between the LEA and CONTRACTOR concerning the Master Contract may be appealed to the County Superintendent of Schools or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code Section 56366(c) (2).

58. PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to students. Upon request, CONTRACTOR shall provide to LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to students.

59. PAYMENT FOR ABSENCES

NONPUBLIC SCHOOL STAFF ABSENCE

Whenever a classroom teacher employed by CONTRACTOR is absent, CONTRACTOR shall provide an appropriately credentialed substitute teacher in the absent teacher's classroom in accordance with California Education Code section 56061. CONTRACTOR shall provide to LEA documentation of substitute coverage pursuant to the LEA Procedures. Substitute teachers shall remain with their assigned class

during all instructional time. LEA will not pay for instruction and/or services unless said instruction or service is provided by an appropriately credentialed substitute teacher.

Whenever a related service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section 7 of this agreement and as determined by LEA) substitute. LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided unless otherwise agreed in student's IEP.

NONPUBLIC SCHOOL STUDENT ABSENCE

If CONTRACTOR is a nonpublic school, no later than the tenth (10th) cumulative day of a student's unexcused absence, CONTRACTOR shall notify the LEA of such absence as specified in the LEA Procedures.

Criteria for a billable day for payment purposes is one (1) day of attendance as defined in California Education Code, sections 46010, 46010.3 and 46307. LEA shall not pay for services provided on days that a student's attendance does not qualify for Average Daily Attendance (ADA) reimbursement under state law. *Per Diem* rates for students whose IEPs authorize less than a full instructional day may be adjusted on a pro rata basis in accordance with the actual proportion of the school day the student was served. LEA shall not be responsible for payment of related services for days on which a student's attendance does not qualify for Average Daily Attendance ("ADA") reimbursement under state law, nor shall student be eligible for make-up services.

NONPUBLIC AGENCY STAFF ABSENCE

When CONTRACTOR is a nonpublic agency and CONTRACTOR's service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section 7 of this agreement and as determined by LEA) substitute, unless LEA provides appropriate coverage in lieu of CONTRACTOR's service providers. LEA shall not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and LEA. In the event services were not provided, reasons for why the services were not provided shall be included.

NONPUBLIC AGENCY STUDENT ABSENCE

If CONTRACTOR is a nonpublic agency, it shall notify LEA of the absence of a student no later than the fifth (5th) consecutive service day of the student's absence, as specified in the LEA Procedures. LEA shall not be responsible for the payment of services when a student is absent.

60. LEA and/or NONPUBLIC SCHOOL CLOSURE DUE TO EMERGENCY

The following shall apply in the event of a LEA or NPS school closure due to an emergency consistent with guidelines followed by LEAs under Education Code Section 41422:

- a. If CONTRACTOR remains open during an emergency and serves students appropriately as delineated in the ISA, CONTRACTOR shall receive payment, regardless of whether a sending LEA is open or closed.
- b. NPS School Closure- If the LEA is able to obtain alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance due to school closure. If the LEA is unable to obtain an alternative placement, CONTRACTOR shall receive payment consistent with the

signed ISA, as though the student were continuing in their regular attendance, until alternative placement can be found.

- c. LEA and NPS School Closure- On days the LEA is funded, CONTRACTOR shall receive payment consistent with the signed ISA, until alternative placement can be found. If the LEA is able to obtain alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance due to school closure.

When the emergency school closure is lifted, CONTRACTOR shall notify the LEAs it serves of any lost instructional minutes. CONTRACTOR and LEAs shall work collaboratively to determine the need for make-up days or service changes, and shall work together to amend IEP and ISA paperwork as appropriate.

61. INSPECTION AND AUDIT

The CONTRACTOR shall maintain and the LEA shall have the right to examine and audit all of the books, records, documents, accounting procedures and practices and other evidence that reflect all costs claimed to have been incurred or fees claimed to have been earned under this Agreement.

CONTRACTOR shall provide access to LEA to all records including, but not limited to: student records as defined by California Education Code section 49061(b); registers and roll books of teachers; daily service logs and notes or other documents used to record the provision of related services; Medi-Cal/daily service logs and notes used to record provision of services provided by instructional assistants, behavior intervention aides, bus aides, and supervisors; absence verification records (parent/doctor notes, telephone logs, and related documents); bus rosters; staff lists specifying credentials held, business licenses held, documents evidencing other qualifications, , dates of hire, and dates of termination; staff time sheets; non-paid staff and volunteer sign-in sheets; transportation and other related service subcontracts; school calendars; bell/class schedules when applicable; liability and worker's compensation insurance policies; state nonpublic school and/or agency certifications; by-laws; lists of current board of directors/trustees, if incorporated; other documents evidencing financial expenditures; federal/state payroll quarterly reports Form 941/DE3DP; and bank statements and canceled checks or facsimile thereof. Such access shall include unannounced inspections by LEA. CONTRACTOR shall make available to LEA all budgetary information including operating budgets submitted by CONTRACTOR to LEA for the relevant contract period being audited.

CONTRACTOR shall make all records available at the office of LEA or CONTRACTOR's offices (to be specified by LEA) at all reasonable times and without charge. All records shall be provided to LEA within five (5) working days of a written request from LEA. CONTRACTOR shall, at no cost to LEA, provide assistance for such examination or audit. LEA's rights under this section shall also include access to CONTRACTOR's offices for purposes of interviewing CONTRACTOR's employees. If any document or evidence is stored in an electronic form, a hard copy shall be made available to the LEA, unless the LEA agrees to the use of the electronic format.

CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to LEA upon request by LEA.

If an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes LEA monies as a result of CONTRACTOR's over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and LEA otherwise agree in writing, CONTRACTOR shall pay to LEA the full amount owed as a result of CONTRACTOR's over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit

by LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to LEA within thirty (30) days of receipt of LEA's written notice demanding payment.

62. RATE SCHEDULE

The attached rate schedule (Exhibit A) limits the number of students that may be enrolled and maximum dollar amount of the contract. It may also limit the maximum number of students that can be provided specific services. Per Diem rates for students whose IEPs authorize less than a full instructional day may be adjusted proportionally. In such cases only, the adjustments in basic education rate shall be based on the required minimum number of minutes per grade level as noted in California Education Code Section 46200-46208.

Special education and/or related services offered by CONTRACTOR shall be provided by qualified personnel as per State and Federal law, and the codes and charges for such educational and/or related services during the term of this contract, shall be as stated in Exhibit A.

The Recipient shall treat the Disclosing Party's Confidential Information with the same level of care that it treats its own confidential information of a similar nature, but in no event less than reasonable care. Recipient shall limit its disclosures of the Disclosing Party's Confidential Information to Recipient's employees, agents, and subcontractors on a need-to-know basis and then only if such individuals are bound by obligations of confidentiality which are at least as restrictive as the terms of this Agreement. Confidential Information shall not be used by the Recipient or Recipient's employees, agents, or subcontractors except for the purpose of performing their obligations under this Agreement. Neither party shall reveal, publish, or otherwise disclose the Confidential Information of the other party without the prior written consent of the Disclosing Party. Recipient shall be solely responsible for any disclosures or uses of the Disclosing Party's Confidential Information made by Recipient's employees, agents, or subcontractors that violate this Agreement. Recipient may disclose Confidential Information to the extent required by law or order of a court of competent jurisdiction, *provided* that Recipient (A) promptly notifies the Disclosing Party of such disclosure before divulging Confidential Information to enable the Disclosing Party to seek a protective order or employ other means to preserve the confidential nature of that information, and (B) provides assistance in obtaining an order to protect such Confidential Information.

9. **Family Education Rights and Privacy Act.** AmplioSpeech shall comply with all laws, rules and regulations pursuant to the Family Educational Rights and Privacy Act, 20 USC 1232g ("**FERPA**") and acknowledges that certain information about the School Board's students is contained in records maintained by AmplioSpeech and the SLPs and that this information can be confidential by reason of FERPA and related School Board policies. Both parties agree to protect these records in accordance with FERPA and School Board policy. To the extent permitted by law, nothing contained herein shall be construed as precluding either party from releasing such information to the other so that each can perform its respective responsibilities. As it applies, SLP's assigned to School Board will execute a FERPA Statement of Understanding outlining appropriate guidelines.

10. **Parents/Legal guardian consent form.** Upon exercise of the Option, it is hereby agreed that it is the School Board's responsibility to obtain the signatures of students' legal guardian on a consent form as attached in **Exhibit "C"**.

11. **Independent Contractor.** The parties hereto specify and intend that the relationship of each to the other is that of an independent contractor.

12. **Severability.** If any provision of this Agreement (other than a term or provision relating to any payment obligation) is held by a court of competent jurisdiction to be contrary to law, then the remaining provisions of this Agreement or the application of such provision to persons or circumstances other than those as to which it is invalid or unenforceable shall not be affected thereby, and each such provision of this Agreement shall be valid and enforceable to the extent granted by law.

13. **No Waiver.** No delay or omission by either party to exercise any right or power it has under this Agreement shall impair or be construed as a waiver of such right or power. A waiver by any party of any breach or covenant shall not be construed to be a waiver of any succeeding breach or any other covenant. All waivers must be in writing and signed by the party waiving its rights.

14. **Survival.** The provisions of this Agreement and the parties' obligations under this Agreement which by their nature continue beyond termination, cancellation or expiration of this Agreement, shall survive termination, cancellation or expiration of this Agreement, including without limitation, Sections 4.3, 6, 7, 8, 14 and 20 as well as the Terms and Conditions and Privacy Policy.

expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract. Total student enrollment shall be limited to capacity as stated on CDE certification and in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified and all staff persons providing services to pupils shall be certified and/or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this State, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE in writing of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless, taking into consideration all of the surrounding facts and circumstances, a policy or policies or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR's failure to comply with applicable LEA policies (e.g., those policies relating to; the provision of special education and/or related services, facilities for individuals with exceptional needs, student enrollment and transfer, student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract; and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2020 to June 30, 2021 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. However, the parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2020. In the event the contract is not renegotiated by June 30th, an interim contract may be entered into as mutually agreed upon for up to 90 days from July 1 of the new fiscal year. (Title 5 California Code of Regulations section 3062(d)) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR's ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Master Contract includes each Individual Services Agreement and they are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of current teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to District, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (California Education Code section 56366(c)(1) and (2)). In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students at the discretion of the LEA.

6. INDIVIDUAL SERVICES AGREEMENT ("ISA")

This Agreement shall include an ISA developed for each student to whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for students enrolled with the approval of the LEA pursuant to Education Code section 56366 (a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR, shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students.

Any and all changes to a student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the student's IEP. At any time during the term of this Master Contract, a student's parent, CONTRACTOR, or LEA may request a review of a student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA. (California Education Code sections 56366(a) (5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to student as a result of lack of provision of services while student was served by the nonpublic school or agency.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the “stay-put” requirement of state and federal law unless the parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c) (2).

- G. For any claims related to the services performed in connection with this Master Contract, the CONTRACTOR's insurance coverage shall be the primary insurance with respect to the LEA, its subsidiaries, officials and employees. Any insurance or self-insurance maintained by the LEA, its subsidiaries, officials and employees shall be excess of the CONTRACTOR's insurance and shall not contribute with it.
- H. All Certificates of Insurance must reference the contract number, name of the school or agency submitting the certificate, and the location of the school or agency submitting the certificate on the certificate.

PART II - INSURANCE REQUIREMENTS FOR NONPUBLIC SCHOOLS AFFILIATED WITH A RESIDENTIAL TREATMENT FACILITY ("RTC")

When CONTRACTOR is a nonpublic school affiliated with a **residential treatment center (NPS/RTC)**, the following insurance policies are required:

- A. **Commercial General Liability** including both bodily injury and property damage, with limits as follows:

\$3,000,000 per occurrence
\$6,000,000 in General Aggregate.

The policy shall be endorsed to name the LEA and the Board of Education as *named* additional insured and shall provide specifically that any insurance carried by the LEA which may be applicable to any claims or loss shall be deemed excess and the RTC's insurance primary despite any conflicting provisions in the RTC's policy. Coverage shall be maintained with no Self-Insured Retention above \$100,000 without the prior written approval of the LEA.

- B. **Workers' Compensation Insurance** in accordance with provisions of the California Labor Code adequate to protect the RTC from claims that may arise from its operations pursuant to the Workers' Compensation Act (Statutory Coverage). The Workers' Compensation Insurance coverage must also include Employers Liability coverage with limits of \$1,000,000/\$1,000,000/\$1,000,000.
- C. **Commercial Auto Liability** coverage with limits of \$1,000,000 Combined Single Limit per Occurrence if the RTC does not operate a student bus service. If the RTC provides student bus services, the required coverage limit is \$5,000,000 Combined Single Limit per Occurrence.
- D. **Fidelity Bond or Crime Coverage** shall be maintained by the RTC to cover all employees who process or otherwise have responsibility for RTC funds, supplies, equipment or other assets. Minimum amount of coverage shall be \$250,000 per occurrence, with no self-insured retention.
- E. **Professional Liability/Errors & Omissions/Malpractice** coverage with minimum limits of \$3,000,000 per occurrence and \$6,000,000 general aggregate.
- F. **Sexual Molestation and Abuse Coverage**, unless that coverage is afforded elsewhere in the Commercial General Liability or Professional liability policy by endorsement, with minimum limits of \$3,000,000 per occurrence and \$6,000,000 general aggregate.

If LEA or CONTRACTOR determines that a change in insurance coverage obligations under this section is necessary, either party may reopen negotiations to modify the insurance obligations.

16. INDEMNIFICATION AND HOLD HARMLESS

To the fullest extent allowed by law, CONTRACTOR shall indemnify and hold LEA and its Board Members, administrators, employees, agents, attorneys, volunteers, and subcontractors ("LEA Indemnities") harmless against all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of this Master Contract or its performance, to the extent that such loss, expense, damage or liability was proximately caused by negligence, intentional act, or willful act or omission of CONTRACTOR, including, without limitation, its agents, employees, subcontractors or anyone employed directly or indirectly by it (excluding LEA and LEA Indemnities). The duty and obligation to defend shall arise immediately upon tender of a claim or lawsuit to the CONTRACTOR. The LEA and the Member District(s) shall have the right in their sole discretion to select counsel of its choice to provide the defense at the sole cost of the CONTRACTOR or the applicable insurance carrier.

To the fullest extent allowed by law, LEA shall indemnify and hold CONTRACTOR and its Board Members, administrators, employees, agents, attorneys, and subcontractors ("CONTRACTOR Indemnities") harmless against all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of this Master Contract or its performance, to the extent that such loss, expense,

damage or liability was proximately caused by the negligent, intentional act or willful act or omission of LEA, including, without limitation, its agents, employees, subcontractors or anyone employed directly or indirectly by it (excluding CONTRACTOR and/or any CONTRACTOR Indemnities).

LEA represents that it is self-insured in compliance with the laws of the State of California, that the self-insurance covers district employees acting within the course and scope of their respective duties and that its self-insurance covers the LEA's indemnification obligations under this Master Contract.

17. INDEPENDENT CONTRACTOR

Nothing herein contained will be construed to imply a joint venture, partnership or principal-agent relationship between the LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the LEA and any individual assigned by CONTRACTOR to perform any services for the LEA.

If the LEA is determined to be a partner, joint venture, co-principle, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding.

18. SUBCONTRACTING

CONTRACTOR shall provide written notification to LEA before subcontracting for special education and/or related services pursuant to this Master Contract. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR's original notice and CONTRACTOR shall not subcontract for said service(s).

CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts, to the fullest extent reasonably possible. Furthermore, when CONTRACTOR enters into subcontracts for the provision of special education and/or related services (including, but not limited to, transportation) for any student, CONTRACTOR shall cause each subcontractor to procure and maintain insurance during the term of each subcontract. Such subcontractor's insurance shall comply with the provisions of Section 15. Each subcontractor shall furnish the LEA with original endorsements and certificates of insurance effecting coverage required by Section 15. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. The endorsements are to be on forms as required by the LEA. All endorsements are to be received and approved by the LEA before the subcontractor's work commences. The Commercial General Liability and Automobile Liability policies shall name the LEA/SELPA and the LEA Board of Education as additional insured.

As an alternative to the LEA's forms, a subcontractor's insurer may provide complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by this Master Contract. All Certificates of Insurance must reference the LEA contract number, name of the school or agency submitting the certificate, indication if NPS or NPA, and the location of the school or agency submitting the certificate. In addition, all subcontractors must meet the requirements as contained in Section 45 Clearance Requirements and Section 46 Staff Qualifications of this Master Contract.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to LEA upon request a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. CONTRACTOR and any member of its Board of Directors (or Trustees) shall disclose any relationship with LEA that constitutes or may constitute a conflict of interest pursuant to California Education Code section 56042 and Government Code Section 1090 including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR's facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and LEA otherwise agree in writing, LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the student is performed or a report is prepared in the normal course of the services provided to the student by CONTRACTOR. To avoid conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may, in its discretion, not fund services through the evaluator whose IEE the LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

When CONTRACTOR is a Nonpublic Agency, CONTRACTOR acknowledges that its authorized representative has read and understands Education Code section 56366.3 which provides, in relevant part, that no special education and/or related services provided by CONTRACTOR shall be paid for by LEA if provided by an individual who was an employee of LEA within the three hundred and sixty five (365) days prior to executing this contract. This provision does not apply to any person who is able to provide designated instruction and services during the extended school year because he or she is otherwise employed for up to ten months of the school year by LEA.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from the LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not, in employment or operation of its programs, unlawfully discriminate on the basis of gender, nationality, national origin, ancestry, race, color, ethnicity, ethnic group affiliation, religion, age, marital status, pregnancy or parental status, sex, sexual orientation, gender, gender identity or expression, physical or mental disability, genetic information or any other classification protected by federal or state law or the perception of one or more of such characteristics or association with a person or group with one or more of these actual or perceived characteristics.

EDUCATIONAL PROGRAM

21. FREE AND APPROPRIATE PUBLIC EDUCATION (FAPE)

LEA shall provide CONTRACTOR with a copy of the IEP including the Individualized Transition Plan (hereinafter referred to as "ITP") of each student served by CONTRACTOR. CONTRACTOR shall provide to each student special education and/or related services (including transition services) within the nonpublic school or nonpublic agency consistent with the student's IEP and as specified in the ISA. If CONTRACTOR is a NPS, CONTRACTOR shall not accept a student if it cannot provide or ensure the provision of the services outlined in the student's IEP. If student services are provided by a third party (i.e. Related Services Provider), CONTRACTOR shall notify LEA if provision of services cease.

Unless otherwise agreed to between CONTRACTOR and LEA, CONTRACTOR shall be responsible for the provision of all appropriate supplies, equipment, and/or facilities for students, as specified in the student's IEP and ISA. CONTRACTOR shall make no charge of any kind to parents for special education and/or related services as specified in the student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of the student's enrollment under the terms of this Master Contract). LEA shall provide low incidence equipment for eligible students with low incidence disabilities when specified in the student's IEP and ISA. Such equipment remains the property of the SELPA/LEA and shall be returned to the SELPA/LEA when the IEP team determines the equipment is no longer needed or when the student is no longer enrolled in the nonpublic school. CONTRACTOR shall ensure that facilities are adequate to provide LEA students with an environment which meets all pertinent health and safety regulations. CONTRACTOR may charge a student's parent(s) for services and/or activities not necessary for the student to receive a free appropriate public education after: (a) written notification to the student's parent(s) of the cost and voluntary nature of the services and/or activities; and (b) receipt by the LEA of the written notification and a written acknowledgment signed by the student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA requirements concerning parent acknowledgment of financial responsibility.

Voluntary services and/or activities not necessary for the student to receive a free appropriate public education shall not interfere with the student's receipt of special education and/or related services as specified in the student's IEP and ISA unless the LEA, CONTRACTOR, and PARENT agree otherwise in writing.

22. GENERAL PROGRAM OF INSTRUCTION

All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 *et seq.*, and shall ensure that facilities are adequate to provide LEA students with an environment, which meets all pertinent health and safety regulations.

When CONTRACTOR is a nonpublic school, CONTRACTOR's general program of instruction shall: (a) utilize evidence-based practices and predictors and be consistent with LEA's standards regarding the particular course of study and curriculum; (b) include curriculum that addresses mathematics, literacy and the use of educational, assistive technology and transition services; (c) be consistent with CDE's standards regarding the particular course of study and curriculum; (d) provide the services as specified in the student's IEP and ISA. Students shall have access to: (a) State Board of Education (SBE) - adopted Common Core State Standards ("CCSS") for curriculum and the same instructional materials for kindergarten and grades 1 to 8, inclusive; and provide standards – aligned core curriculum and instructional materials for grades 9 to 12, inclusive, used by a local education agency (LEA), that contracts with the nonpublic school: (b) college preparation courses; (c) extracurricular activities, such as art, sports, music and academic clubs; (d) career preparation and vocational training, consistent with transition plans pursuant to state and federal law and; (e) supplemental assistance, including individual academic tutoring, psychological counseling, and career and college counseling.

When CONTRACTOR serves students in grades nine through twelve inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the CONTRACTOR leading toward graduation or completion of LEA's diploma requirements. CONTRACTOR shall not award a high school diploma to students who have not successfully completed all of the LEA's graduation requirements.

When CONTRACTOR is a nonpublic agency and/or related services provider, CONTRACTOR's general program of instruction and/or services shall utilize evidence-based practices and predictors and be consistent with LEA and CDE guidelines and certification, and provided as specified in the student's IEP and ISA. The nonpublic agency providing Behavior Intervention services shall develop a written plan that specifies the nature of their nonpublic agency service for each student within thirty (30) days of enrollment and shall be provided in writing to the LEA. School-based services may not be unilaterally converted by CONTRACTOR to a substitute program or provided at a location not specifically authorized by the IEP team. Except for services provided by a CONTRACTOR that is a licensed children's institution, all services not provided in the school setting require the presence of a parent, guardian or adult caregiver during the delivery of services, provided such guardian or caregiver have a signed authorization by the parent or legal guardian to authorize emergency services as requested. Licensed Children's Institution (LCI) CONTRACTORS shall ensure that appropriate and qualified residential or clinical staff is present during the provision of services under this Master Contract. CONTRACTOR shall immediately notify LEA in writing if no parent, guardian or adult caregiver is present. CONTRACTOR shall provide to LEA a written description of the services and location provided prior to the effective date of this Master Contract. CONTRACTORS providing Behavior Intervention services must have a trained behaviorist or trained equivalent on staff. It is understood that Behavior Intervention services are limited per CDE Certification and do not constitute as an instructional program.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall not provide transportation nor subcontract for transportation services for students unless the LEA and CONTRACTOR agree otherwise in writing.

23. INSTRUCTIONAL MINUTES

When CONTRACTOR is a nonpublic school, the total number of instructional minutes per school day provided by CONTRACTOR shall be at least equivalent to the number of instructional minutes per school day provided to students at like grade level attending LEA schools and shall be specified in the student's ISA developed in accordance with the student's IEP.

For students in grades kindergarten through 12 inclusive, unless otherwise specified in the student's IEP and ISA, the number of instructional minutes, excluding breakfast, recess, lunch and pass time shall be at the same level that Ed. Code prescribes for the LEA.

The total number of annual instructional minutes shall be at least equivalent to the total number of annual instructional minutes provided to students attending LEA schools in like grade level unless otherwise specified in the student's IEP.

When CONTRACTOR is a nonpublic agency and/or related services provider, the total number of minutes per school day provided by CONTRACTOR shall be specified in the student's ISA developed in accordance with the student's IEP.

24. CLASS SIZE

When CONTRACTOR is a nonpublic school, CONTRACTOR shall ensure that class size shall not exceed a ratio of one teacher per twelve (12) students, unless CONTRACTOR and LEA agree otherwise in writing. Upon prior written approval by an authorized LEA representative, class size may be temporarily increased by a ratio of 1 teacher to fourteen (14) students when necessary during the regular or extended school year to provide services to students with disabilities.

In the event a nonpublic school is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the California Department of Education Certification of that school, the nonpublic school shall develop a plan to assure appropriate coverage of students by first utilizing existing certificated staff. The nonpublic school and the LEA may agree to one 30 school day period per contract year where class size may be increased to assure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both parties. This provision does not apply to a nonpublic agency.

CONTRACTOR providing special education instruction for individuals with exceptional needs between the ages of three and five years, inclusive, shall also comply with the appropriate instructional adult to child ratios pursuant to California Education Code sections 56440 et seq.

25. CALENDARS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall submit to the LEA/SELPA a school calendar with the total number of billable days not to exceed 180 days, plus extended school year billable days equivalent to the number of days determined by the LEA's extended school year calendar. Billable days shall include only those days that are included on the submitted and approved school calendar, and/or required by the IEP (developed by the LEA) for each student. CONTRACTOR shall not be allowed to change its school calendar and/or amend the number of billable days without the prior written approval of the LEA. Nothing in this Master Contract shall be interpreted to require the LEA to accept any requests for calendar changes.

Unless otherwise specified by the students' IEP, educational services shall occur at the school site. A student shall only be eligible for extended school year services if such are recommended by his/her IEP Team and the provision of such is specifically included in the ISA. Extended school year shall consist of twenty (20) instructional days, unless otherwise agreed upon by the IEP Team convened by the LEA. Any days of extended school year in excess of twenty (20) billable days must be mutually agreed to, in writing, prior to the start of the extended school year.

Student must have actually been in attendance during the regular school year and/or during extended school year and actually received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by the LEA, in writing, in advance of the delivery of any nonpublic school service. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

CONTRACTOR shall observe the same legal holidays as LEA. Those holidays are Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day, New Year's Day, Martin Luther King, Jr. Day, President's Day, Memorial Day and Independence Day. With the approval of LEA, CONTRACTOR may revise the date upon which CONTRACTOR closes in observance of any of the holidays observed by the LEA.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall be provided with a LEA-developed/approved calendar prior to the initiation of services. CONTRACTOR herein agrees to observe holidays as specified in the LEA-developed/approved calendar. CONTRACTOR shall provide services pursuant to the LEA-developed/approved calendar; or as specified in the LEA student's IEP and ISA.

Unless otherwise specified in the LEA student's ISA, CONTRACTOR shall provide related services to LEA students on only those days that the LEA student's school of attendance is in session and the LEA student attends school. CONTRACTOR shall bill only for services provided on billable days of attendance as indicated on the LEA calendar unless CONTRACTOR and the LEA agree otherwise, in writing. Student must have actually been in attendance and/or received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by the LEA, in writing, in advance of the delivery of any nonpublic agency service provided by CONTRACTOR. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

26. DATA REPORTING

CONTRACTOR shall agree to provide to the LEA all data related to student information and billing information with LEA. CONTRACTOR shall agree to provide data related to all sections of this contract, including student discipline as noted below, and requested by and in the format required by the LEA. It is understood that all nonpublic school and agencies shall utilize the LEA approved electronic IEP system for all IEP development, service tracking documentation, and progress reporting, unless otherwise agreed to by the LEA. Additional progress reporting may be required by the LEA. The LEA shall provide the CONTRACTOR with appropriate software, user training and proper internet permissions to allow adequate access.

Using forms developed by the California Department of Education or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Codes 48900 and 48915. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915.

The LEA shall provide the CONTRACTOR with approved forms and/or format for such data including, but not limited to, invoicing, attendance reports and progress reports. The LEA may approve use of CONTRACTOR'S provided forms at their discretion.

27. LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

CONTRACTOR and LEA shall follow all LEA policies and procedures that support Least Restrictive Environment ("LRE") options and/or dual enrollment options if available and appropriate, for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services, goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist the LEA in implementing the IEP team's recommended activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a nonpublic school, per implementation of Senate Bill 484, CONTRACTOR shall administer all Statewide assessments within the California Assessment of Student Performance and Progress (“CAASPP”), Desired Results Developmental Profile (“DRDP”), California Alternative Assessment (“CAA”), achievement and abilities tests (using LEA-authorized assessment instruments), the Fitness Gram, , the English Language Proficiency Assessments for California (“ELPAC”), and as appropriate to the student, and mandated by LEA pursuant to LEA and state and federal guidelines.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR’S qualified staff. CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA.

29. MANDATED ATTENDANCE AT LEA MEETINGS

CONTRACTOR shall attend District mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, and standardized testing and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORTS

CONTRACTOR shall comply with the requirements of Education Code section 49005, *et seq.*, 56521.1 and 56521.2. LEA students who exhibit behaviors that interfere with their learning or the learning of others must receive timely and appropriate assessments and positive supports and interventions in accordance with the federal law and it’s implementing regulations. If the Individualized Education Program (“IEP”) team determines that a student’s behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan (“BIP”), the IEP team may conclude it is sufficient to address the student’s behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy pursuant to California Education Code section 56521.1 regarding emergency interventions and behavioral emergency reports. CONTRACTOR shall ensure that all of its staff members are trained in crisis intervention, emergency procedures, and evidenced-based practices and interventions specific to the unique behavioral needs of the CONTRACTOR’s pupil population. The training shall be provided within 30 days of employment to new staff who have any contact or interaction with pupils during the schoolday, and annually to all staff who have any contact or interaction with pupils during the schoolday. The CONTRACTOR shall select and conduct the training in accordance with California Education Code section 56366.1. CONTRACTOR shall maintain written records of the training and provide written verification of the training annually and upon request.

Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP, and shall not be employed longer than necessary to contain the behavior. Emergency interventions may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the individual with exceptional needs, or others, and that

cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. If a situation requires prolonged use of emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency.

CONTRACTOR shall complete a behavior emergency report when an emergency occurs that is defined as a serious, dangerous behavior that staff has determined to present a clear and present danger to others. It requires a non-violent physical intervention to protect the safety of student, self, or others and a physical intervention has been used; or a physical intervention has not been used, but an injury or serious property damage has occurred. Personal Safety Techniques may or may not have been used. Emergencies **require** a behavior emergency report form be completed and submitted to the LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall notify Parent within twenty-four (24) hours via telephone. If the student's IEP does not contain a Behavior Intervention Plan ("BIP") or Positive Behavior Intervention Plan ("PBIP"), an IEP team shall schedule a meeting to review the behavior emergency report, determine if there is a necessity for a functional behavioral assessment, and to determine an interim plan. If the student already has a BIP, the IEP team shall review and modify the BIP if a new serious behavior has been exhibited or existing behavioral interventions have proven to be ineffective. CONTRACTOR shall schedule with LEA an IEP meeting within two (2) days.

Pursuant to Education Code section 56521.2, CONTRACTOR shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following:

(1) Any intervention that is designed to, or likely to, cause physical pain, including, but not limited to, electric-shock (2) An intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the face of the individual. (3) An intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort, or access to bathroom facilities. (4) An intervention that is designed to subject, used to subject, or likely to subject, the individual to verbal abuse, ridicule, or humiliation, or that can be expected to cause excessive emotional trauma. (5) Restrictive interventions that employ a device, material, or objects that simultaneously immobilize all four extremities, including the procedure known as prone containment, except that prone containment or similar techniques may be used by trained personnel as a limited emergency intervention. (6) Locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room. (7) An intervention that precludes adequate supervision of the individual. (8) An intervention that deprives the individual of one or more of his or her senses. (b) In the case of a child whose behavior impedes the child's learning or that of others, the individualized education program team shall consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations.

All restraint practices must be reviewed and revised when they have an adverse effect on a student and are used repeatedly for an individual child, either on multiple occasions within the same classroom or multiple uses by the same individual. CONTRACTOR shall notify the student's parent/guardian when any type of physical or mechanical restraint or seclusion has been used. Upon the use of any type of physical or mechanical restraint or seclusions of a District student, CONTRACTOR shall complete a BER per the reporting and notification requirements listed above.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations. Using forms developed by the California Department of Education or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Codes 48900 and 48915. CONTRACTOR shall also include

incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915.

When CONTRACTOR seeks to remove a student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall immediately submit a written discipline report to the LEA and a manifestation IEP team meeting shall be scheduled. Written discipline reports shall include, but not be limited to: the student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of the student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10th) day of suspension. CONTRACTOR shall notify and invite LEA representatives to the IEP team meeting where the manifestation determination will be made.

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the nonpublic school; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (California Education Code sections 56366 (a) (2) (B) (i) and (ii) and pursuant to California Education Code section 56345 (b) (4).)

If the LEA student is to be transferred from a NPS setting into a regular class setting in a public school for any part of the school day, the IEP team shall document, if appropriate, a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of his or her IEP team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, the parent, the CONTRACTOR or the LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to parent, CONTRACTOR and LEA. CONTRACTOR shall provide to LEA assessments and written assessment reports by service providers upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the approved electronic IEP system of the LEA for all IEP planning and progress reporting at the LEA's discretion. The SELPA shall provide training for any NPS and NPA to assure access to the approved system. LEA may withhold payment to CONTRACTOR when: (a) CONTRACTOR has failed to perform, in whole or in part, under the terms of this contract; (b) CONTRACTOR has billed for services rendered on days

other than billable days of attendance or for days when student was not in attendance and/or did not receive services; (c) CONTRACTOR was overpaid by LEA as determined by inspection, review, and/or audit of its program, work, and/or records; (d) CONTRACTOR has failed to provide supporting documentation with an invoice, as required by EC 56366(c)(2); (e) education and/or related services are provided to students by personnel who are not appropriately credentialed, licensed, or otherwise qualified; (f) LEA has not received prior to school closure or contract termination, all documents concerning one or more students enrolled in CONTRACTOR's educational program; (g) CONTRACTOR fails to confirm a student's change of residence to another district or confirms the change or residence to another district, but fails to notify LEA within five (5) days of such confirmation; or (h) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a student. It is understood that no payments shall be made for any invoices that are not received by six (6) months following the close of the prior fiscal year, for services provided in that year.

Final payment to CONTRACTOR in connection with the cessation of operations and/or termination of a Master Contract will be subject to the same documentation standards described for all payment claims for regular ongoing operations. In addition, final payment may be withheld by the LEA until completion of a review or audit, if deemed necessary by the LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a) the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the entire amount of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable pupil for the time period from the date the violation occurred and until the violation is cured; or (f) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to the student.

If LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment or submit a written request for extension of time to correct the deficiencies. Upon receipt of CONTRACTOR's written request showing good cause, LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. If LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after the LEA's response to CONTRACTOR's notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. The LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: Disagreements between the LEA and CONTRACTOR concerning the Master Contract may be appealed to the County Superintendent of Schools or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code Section 56366(c) (2).

58. PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to students. Upon request, CONTRACTOR shall provide to LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to students.

59. PAYMENT FOR ABSENCESNONPUBLIC SCHOOL STAFF ABSENCE

CONTRACTOR shall provide to LEA documentation of substitute coverage pursuant to the LEA Procedures. Substitute teachers shall remain with their assigned class during all instructional time. LEA will not pay for instruction and/or services unless said instruction or service is provided by an appropriately credentialed substitute teacher.

Whenever a related service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section 7 of this agreement and as determined by LEA) substitute. LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided unless otherwise agreed in student's IEP.

NONPUBLIC SCHOOL STUDENT ABSENCE

If CONTRACTOR is a nonpublic school, no later than the tenth (10th) cumulative day of a student's unexcused absence, CONTRACTOR shall notify the LEA of such absence as specified in the LEA Procedures.

Criteria for a billable day for payment purposes is one (1) day of attendance as defined in California Education Code, sections 46010, 46010.3 and 46307. LEA shall not pay for services provided on days that a student's attendance does not qualify for Average Daily Attendance (ADA) reimbursement under state law. *Per Diem* rates for students whose IEPs authorize less than a full instructional day may be adjusted on a pro rata basis in accordance with the actual proportion of the school day the student was served. LEA shall not be responsible for payment of related services for days on which a student's attendance does not qualify for Average Daily Attendance ("ADA") reimbursement under state law, nor shall student be eligible for make-up services.

NONPUBLIC AGENCY STAFF ABSENCE

When CONTRACTOR is a nonpublic agency and CONTRACTOR's service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section 7 of this agreement and as determined by LEA) substitute, unless LEA provides appropriate coverage in lieu of CONTRACTOR's service providers. LEA shall not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and LEA. In the event services were not provided, reasons for why the services were not provided shall be included.

NONPUBLIC AGENCY STUDENT ABSENCE

If CONTRACTOR is a nonpublic agency, it shall notify LEA of the absence of a student no later than the fifth (5th) consecutive service day of the student's absence, as specified in the LEA Procedures. LEA shall not be responsible for the payment of services when a student is absent.

60. LEA and/or NONPUBLIC SCHOOL CLOSURE DUE TO EMERGENCY

The following shall apply in the event of a LEA or NPS school closure due to an emergency consistent with guidelines followed by LEAs under Education Code Section 41422:

- a. If CONTRACTOR remains open during an emergency and serves students appropriately as delineated in the ISA, CONTRACTOR shall receive payment, regardless of whether a sending LEA is open or closed.
- b. NPS School Closure- If the LEA is able to obtain alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance due to school closure. If the LEA is unable to obtain an alternative placement, CONTRACTOR shall receive payment consistent with the signed ISA, as though the student were continuing in their regular attendance, until alternative placement can be found.
- c. LEA and NPS School Closure- On days the LEA is funded, CONTRACTOR shall receive payment consistent with the signed ISA, until alternative placement can be found. If the LEA is able to obtain alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance due to school closure.

When the emergency school closure is lifted, CONTRACTOR shall notify the LEAs it serves of any lost instructional minutes. CONTRACTOR and LEAs shall work collaboratively to determine the need for make-up days or service changes, and shall work together to amend IEP and ISA paperwork as appropriate.

61. INSPECTION AND AUDIT

The CONTRACTOR shall maintain and the LEA shall have the right to examine and audit all of the books, records, documents, accounting procedures and practices and other evidence that reflect all costs claimed to have been incurred or fees claimed to have been earned under this Agreement.

CONTRACTOR shall provide access to LEA to all records including, but not limited to: student records as defined by California Education Code section 49061(b); registers and roll books of teachers; daily service logs and notes or other documents used to record the provision of related services; Medi-Cal/daily service logs and notes used to record provision of services provided by instructional assistants, behavior intervention aides, bus aides, and supervisors; absence verification records (parent/doctor notes, telephone logs, and related documents); bus rosters; staff lists specifying credentials held, business licenses held, documents evidencing other qualifications, , dates of hire, and dates of termination; staff time sheets; non-paid staff and volunteer sign-in sheets; transportation and other related service subcontracts; school calendars; bell/class schedules when applicable; liability and worker's compensation insurance policies; state nonpublic school and/or agency certifications; by-laws; lists of current board of directors/trustees, if incorporated; other documents evidencing financial expenditures; federal/state payroll quarterly reports Form 941/DE3DP; and bank statements and canceled checks or facsimile thereof. Such access shall include unannounced inspections by LEA. CONTRACTOR shall make available to LEA all budgetary information including operating budgets submitted by CONTRACTOR to LEA for the relevant contract period being audited.

CONTRACTOR shall make all records available at the office of LEA or CONTRACTOR's offices (to be specified by LEA) at all reasonable times and without charge. All records shall be provided to LEA within five (5) working days of a written request from LEA. CONTRACTOR shall, at no cost to LEA, provide assistance for such examination or audit. LEA's rights under this section shall also include access to CONTRACTOR's offices for purposes of interviewing CONTRACTOR's employees. If any document or evidence is stored in an electronic form, a hard copy shall be made available to the LEA, unless the LEA agrees to the use of the electronic format.

CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to LEA upon request by LEA.

If an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes LEA monies as a result of CONTRACTOR's over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and LEA otherwise agree in writing, CONTRACTOR shall pay to LEA the full amount owed as a result of CONTRACTOR's over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to LEA within thirty (30) days of receipt of LEA's written notice demanding payment.

62. RATE SCHEDULE

The attached rate schedule (Exhibit A) limits the number of students that may be enrolled and maximum dollar amount of the contract. It may also limit the maximum number of students that can be provided specific services. Per Diem rates for students whose IEPs authorize less than a full instructional day may be adjusted proportionally. In such cases only, the adjustments in basic education rate shall be based on the required minimum number of minutes per grade level as noted in California Education Code Section 46200-46208.

Special education and/or related services offered by CONTRACTOR shall be provided by qualified personnel as per State and Federal law, and the codes and charges for such educational and/or related services during the term of this contract, shall be as stated in Exhibit A.

The foregoing indemnification obligations shall include against any and all expenses (including attorneys' fees), witness fees, damages, judgments, fines and amounts paid in settlement and any other amounts that the Claiming Party becomes legally obligated to pay because of any claim or claims made against or by it in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, arbitrational, administrative or investigative (including an action by or in the right of the Claiming Party) to which Claiming Party is, was or at any time becomes a party, or is threatened to be made a party, pursuant to the services provided pursuant to this Agreement. The Indemnifying Party shall advance, prior to the final disposition of any proceeding, promptly following request therefor, all expenses incurred by the Claiming Party in connection with such proceeding upon receipt of an undertaking by or on behalf of the Claiming Party to repay said amounts if it shall be determined ultimately that Claiming Party is not entitled to be indemnified under the provisions of this Agreement. Notwithstanding anything in this Agreement to the contrary, no Claiming Party shall be entitled to indemnification by the Indemnifying Party if the Claiming Party's conduct giving rise to the claim for which indemnification is sought constitutes willful misconduct or is a violation of criminal law.

2020-2021**CONTRACT NUMBER:****LOCAL EDUCATION AGENCY: Compass Charter School****NONPUBLIC SCHOOL/AGENCY/RELATED SERVICES PROVIDER: Oxford Consulting Services, Inc.****NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES MASTER CONTRACT****AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS****1. MASTER CONTRACT**

This Master Contract (or "Agreement") is entered into on July 1, 2020, between Compass Charter School, hereinafter referred to as the local educational agency ("LEA"), a member of the El Dorado SELPA and Oxford Consulting Services, Inc. (nonpublic, nonsectarian school or agency), hereinafter referred to as NPS/A or "CONTRACTOR" for the purpose of providing special education and/or related services to students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq.* and Title 5 of the California Code of Regulations section 3000 *et seq.*, AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this agreement does not commit LEA to pay for special education and/or related services provided to any student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"). Unless otherwise agreed in writing, these forms shall acknowledge CONTRACTOR's obligation to provide all services specified in the student's Individualized Education Plan (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of a student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each student served by CONTRACTOR. As available and appropriate, the LEA shall make available access to any electronic IEP system and/or electronic database for ISA developing including invoicing.

Unless placement is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed agreement between LEA and parent or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by the student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification and licensure specified by CDE Certification and as defined in California Education Code, section 56366 *et seq.* and within the professional scope of practice of each provider's license, certification and/or credential. A current copy of CONTRACTOR's nonpublic school/agency certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Agreement is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired,

revoked, rescinded, or otherwise nullified during the effective period of this Master Contract. Total student enrollment shall be limited to capacity as stated on CDE certification and in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified and all staff persons providing services to pupils shall be certified and/or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this State, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE in writing of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless, taking into consideration all of the surrounding facts and circumstances, a policy or policies or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR's failure to comply with applicable LEA policies (e.g., those policies relating to; the provision of special education and/or related services, facilities for individuals with exceptional needs, student enrollment and transfer, student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract; and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2020 to June 30, 2021 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. However, the parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2020. In the event the contract is not renegotiated by June 30th, an interim contract may be entered into as mutually agreed upon for up to 90 days from July 1 of the new fiscal year. (Title 5 California Code of Regulations section 3062(d)) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR's ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Master Contract includes each Individual Services Agreement and they are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of current teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to District, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (California Education Code section 56366(c)(1) and (2)). In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students at the discretion of the LEA.

6. INDIVIDUAL SERVICES AGREEMENT ("ISA")

This Agreement shall include an ISA developed for each student to whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for students enrolled with the approval of the LEA pursuant to Education Code section 56366 (a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR, shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students.

Any and all changes to a student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the student's IEP. At any time during the term of this Master Contract, a student's parent, CONTRACTOR, or LEA may request a review of a student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA. (California Education Code sections 56366(a) (5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to student as a result of lack of provision of services while student was served by the nonpublic school or agency.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the “stay-put” requirement of state and federal law unless the parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c) (2).

To terminate the contract either party shall give twenty (20) days prior written notice (California Education Code section 56366(a)(4)). 16. INDEMNIFICATION AND HOLD HARMLESS

To the fullest extent allowed by law, CONTRACTOR shall indemnify and hold LEA and its Board Members, administrators, employees, agents, attorneys, volunteers, and subcontractors ("LEA Indemnities") harmless against all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of this Master Contract or its performance, to the extent that such loss, expense, damage or liability was proximately caused by negligence, intentional act, or willful act or omission of CONTRACTOR, including, without limitation, its agents, employees, subcontractors or anyone employed directly or indirectly by it (excluding LEA and LEA Indemnities). The duty and obligation to defend shall arise immediately upon tender of a claim or lawsuit to the CONTRACTOR. The LEA and the Member District(s) shall have the right in their sole discretion to select counsel of its choice to provide the defense at the sole cost of the CONTRACTOR or the applicable insurance carrier.

To the fullest extent allowed by law, LEA shall indemnify and hold CONTRACTOR and its Board Members, administrators, employees, agents, attorneys, and subcontractors ("CONTRACTOR Indemnities") harmless against all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of this Master Contract or its performance, to the extent that such loss, expense, damage or liability was proximately caused by the negligent, intentional act or willful act or omission of LEA, including, without limitation, its agents, employees, subcontractors or anyone employed directly or indirectly by it (excluding CONTRACTOR and/or any CONTRACTOR Indemnities).

LEA represents that it is self-insured in compliance with the laws of the State of California, that the self-insurance covers district employees acting within the course and scope of their respective duties and that its self-insurance covers the LEA's indemnification obligations under this Master Contract.

17. INDEPENDENT CONTRACTOR

Nothing herein contained will be construed to imply a joint venture, partnership or principal-agent relationship between the LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the LEA and any individual assigned by CONTRACTOR to perform any services for the LEA.

If the LEA is determined to be a partner, joint venture, co-principle, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding.

18. SUBCONTRACTING

CONTRACTOR shall provide written notification to LEA before subcontracting for special education and/or related services pursuant to this Master Contract. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR's original notice and CONTRACTOR shall not subcontract for said service(s).

CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts, to the fullest extent reasonably possible. Furthermore, when CONTRACTOR enters into subcontracts for the provision of special education and/or related services (including, but not limited to, transportation) for any student, CONTRACTOR shall cause each subcontractor to procure and maintain insurance during the term of each subcontract. Such subcontractor's insurance shall comply with the provisions of Section 15. Each subcontractor shall furnish the LEA with original endorsements and certificates of insurance effecting coverage required by Section 15. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. The endorsements are to be on forms as required by the LEA. All endorsements are to be received and approved by the LEA before the subcontractor's work commences. The Commercial General Liability and Automobile Liability policies shall name the LEA/SELPA and the LEA Board of Education as additional insured.

As an alternative to the LEA's forms, a subcontractor's insurer may provide complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by this Master Contract. All Certificates of Insurance must reference the LEA contract number, name of the school or agency submitting the certificate, indication if NPS or NPA, and the location of the school or agency submitting the certificate. In addition, all subcontractors must meet the requirements as contained in Section 45 Clearance Requirements and Section 46 Staff Qualifications of this Master Contract.

interest pursuant to California Education Code section 56042 and Government Code Section 1090 including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR's facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and LEA otherwise agree in writing, LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the student is performed or a report is prepared in the normal course of the services provided to the student by CONTRACTOR. To avoid conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may, in its discretion, not fund services through the evaluator whose IEE the LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

When CONTRACTOR is a Nonpublic Agency, CONTRACTOR acknowledges that its authorized representative has read and understands Education Code section 56366.3 which provides, in relevant part, that no special education and/or related services provided by CONTRACTOR shall be paid for by LEA if provided by an individual who was an employee of LEA within the three hundred and sixty five (365) days prior to executing this contract. This provision does not apply to any person who is able to provide designated instruction and services during the extended school year because he or she is otherwise employed for up to ten months of the school year by LEA.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from the LEA through due process proceedings.

LEA shall provide low incidence equipment for eligible students with low incidence disabilities when specified in the student's IEP and ISA. Such equipment remains the property of the SELPA/LEA and shall be returned to the SELPA/LEA when the IEP team determines the equipment is no longer needed or when the student is no longer enrolled in the nonpublic school. CONTRACTOR shall ensure that facilities are adequate to provide LEA students with an environment which meets all pertinent health and safety regulations. CONTRACTOR shall adhere to all LEA requirements concerning parent acknowledgment of financial responsibility.

Voluntary services and/or activities not necessary for the student to receive a free appropriate public education shall not interfere with the student's receipt of special education and/or related services as specified in the student's IEP and ISA unless the LEA, CONTRACTOR, and PARENT agree otherwise in writing.

In the event a nonpublic school is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the California Department of Education Certification of

that school, the nonpublic school shall develop a plan to assure appropriate coverage of students by first utilizing existing certificated staff. The nonpublic school and the LEA may agree to one 30 school day period per contract year where class size may be increased to assure coverage by an appropriately credentialed teacher. Any instructional

CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services, goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist the LEA in implementing the IEP team's recommended activities to support the transition.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR'S qualified staff. CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA.

29. MANDATED ATTENDANCE AT LEA MEETINGS

CONTRACTOR shall attend District mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, and standardized testing and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORTS

CONTRACTOR shall comply with the requirements of Education Code section 49005, *et seq.*, 56521.1 and 56521.2. LEA students who exhibit behaviors that interfere with their learning or the learning of others must receive timely and appropriate assessments and positive supports and interventions in accordance with the federal law and its implementing regulations. If the Individualized Education Program ("IEP") team determines that a student's behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan ("BIP"), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy pursuant to California Education Code section 56521.1 regarding emergency interventions and behavioral emergency reports. CONTRACTOR shall ensure that all of its staff members are trained in crisis intervention, emergency procedures, and evidenced-based practices and interventions specific to the unique behavioral needs of the CONTRACTOR's pupil population. The training shall be provided within 30 days of employment to new staff who have any contact or interaction with pupils during the schoolday, and annually to all staff who have any contact or interaction with pupils during the schoolday. The CONTRACTOR shall select and conduct the training in accordance with California Education Code section 56366.1. CONTRACTOR shall maintain written records of the training and provide written verification of the training annually and upon request.

Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP, and shall not be employed longer than necessary to contain the behavior. Emergency interventions may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the individual with exceptional needs, or others, and that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. If a situation requires prolonged use of emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency.

CONTRACTOR shall complete a behavior emergency report when an emergency occurs that is defined as a serious, dangerous behavior that staff has determined to present a clear and present danger to others. It requires a non-violent physical intervention to protect the safety of student, self, or others and a physical intervention has been used; or a physical intervention has not been used, but an injury or serious property damage has occurred. Personal Safety Techniques may or may not have been used. Emergencies

require a behavior emergency report form be completed and submitted to the LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall notify Parent within twenty-four (24) hours via telephone. If the student's IEP does not contain a Behavior Intervention Plan ("BIP") or Positive Behavior Intervention Plan ("PBIP"), an IEP team shall schedule a meeting to review the behavior emergency report, determine if there is a necessity for a functional behavioral assessment, and to determine an interim plan. If the student already has a BIP, the IEP team shall review and modify the BIP if a new serious behavior has been exhibited or existing behavioral interventions have proven to be ineffective. CONTRACTOR shall schedule with LEA an IEP meeting within two (2) days.

Pursuant to Education Code section 56521.2, CONTRACTOR shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following: (1) Any intervention that is designed to, or likely to, cause physical pain, including, but not limited to, electric-shock (2) An intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the face of the individual. (3) An intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort, or access to bathroom facilities. (4) An intervention that is designed to subject, used to subject, or likely to subject, the individual to verbal abuse, ridicule, or humiliation, or that can be expected to cause excessive emotional trauma. (5) Restrictive interventions that employ a device, material, or objects that simultaneously immobilize all four extremities, including the procedure known as prone containment, except that prone containment or similar techniques may be used by trained personnel as a limited emergency intervention. (6) Locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room. (7) An intervention that precludes adequate supervision of the individual. (8) An intervention that deprives the individual of one or more of his or her senses. (b) In the case of a child whose behavior impedes the child's learning or that of others, the individualized education program team shall consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations.

All restraint practices must be reviewed and revised when they have an adverse effect on a student and are used repeatedly for an individual child, either on multiple occasions within the same classroom or multiple uses by the same individual. CONTRACTOR shall notify the student's parent/guardian when any type of physical or mechanical restraint or seclusion has been used. Upon the use of any type of physical or mechanical restraint or seclusions of a District student, CONTRACTOR shall complete a BER per the reporting and notification requirements listed above.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations. Using forms developed by the California Department of Education or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Codes 48900 and 48915. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915.

When CONTRACTOR seeks to remove a student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall immediately submit a written discipline report to the LEA and a manifestation IEP team meeting shall be scheduled. Written discipline reports shall include, but not be limited to: the student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of the student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to

participate in a manifestation determination at an IEP meeting no later than the tenth (10th) day of suspension. CONTRACTOR shall notify and invite LEA representatives to the IEP team meeting where the manifestation determination will be made.

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the nonpublic school; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (California Education Code sections 56366 (a) (2) (B) (i) and (ii)) and pursuant to California Education Code section 56345 (b) (4).)

If the LEA student is to be transferred from a NPS setting into a regular class setting in a public school for any part of the school day, the IEP team shall document, if appropriate, a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of his or her IEP team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, the parent, the CONTRACTOR or the LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to parent, CONTRACTOR and LEA. CONTRACTOR shall provide to LEA assessments and written assessment reports by service providers upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the approved electronic IEP system of the LEA for all IEP planning and progress reporting at the LEA's discretion. The SELPA shall provide training for any NPS and NPA to assure access to the approved system. The NPS and/or NPA shall maintain confidentiality of all IEP data on the approved system and shall protect the password requirements of the system. When a student dis-enrolls from the NPS, the NPS/NPA shall discontinue use of the approved system for that student.

Changes in any student's educational program, including instruction, services, or instructional setting provided under this Master Contract, may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the student's IEP for the purposes of consideration of a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code.

33. SURROGATE PARENTS AND FOSTER YOUTH

CONTRACTOR shall comply with LEA surrogate parent assignments. Surrogate parents shall serve as the child's parent and have all the rights relative to the student's education that a parent has under the Individuals with Disabilities Education Act pursuant to *20 USC 1414-1482 and 34 CFR 300.1-300.756*. A pupil in foster care shall be defined pursuant to California Education Code section 42238.01(b). The LEA shall annually notify the CONTRACTOR who the LEA has designated as the

educational liaison for foster children. When a pupil in foster care is enrolled in a nonpublic school by the LEA any time after the completion of the pupil's second year of high school, the CONTRACTOR shall schedule the pupil in courses leading towards graduation based on the diploma requirements of the LEA unless provided notice otherwise in writing pursuant to Section 51225.1.

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including mediations and hearings, as requested by LEA. Participation further includes the willingness to make CONTRACTOR's staff available for witness preparation and testimony as is necessary to facilitate a due process hearing. CONTRACTOR shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office of Civil Rights, or any other state and/or federal governmental body or agency. Full participation shall include, but in no way be limited to, cooperating with LEA representatives to provide complete answers raised by any investigator and/or the immediate provision of any and all documentation that pertains to the operation of CONTRACTOR's program and/or the implementation of a particular student's IEP/Individual and Family Service Plan ("IFSP").

35. COMPLAINT PROCEDURES

CONTRACTOR shall maintain and adhere to its own written procedures for responding to parent complaints. CONTRACTOR shall include verification of these procedures to the LEA. CONTRACTOR shall immediately notify LEA of any complaints filed against it related to LEA students and provide LEA with all documentation related to the complaints and/or its investigation of complaints, including any and all reports generated as a result of an investigation.

36. STUDENT PROGRESS REPORTS/REPORT CARDS AND ASSESSMENTS

Unless LEA requests in writing that progress reports be provided on a monthly basis, CONTRACTOR shall provide to parents at least four (4) written progress reports/report cards. At a minimum, progress reports shall include progress over time towards IEP goals and objectives. A copy of the progress reports/report cards shall be maintained at the CONTRACTOR's place of business and shall be submitted to the LEA and LEA student's parent(s) quarterly.

The CONTRACTOR shall also provide an LEA representative access to supporting documentation used to determine progress on any goal or objective, including but not limited to log sheets, observation notes, data sheets, pre/post tests, rubrics and other similar data collection used to determine progress or lack of progress on approved goals, objectives, transition plans or behavior intervention plans. The LEA may request such data at any time within five (5) years of the date of service. The CONTRACTOR shall provide this data supporting progress within five (5) business days of request. Additional time may be granted as needed by the LEA.

CONTRACTOR shall complete academic or other evaluations of the student ten (10) days prior to the student's annual or triennial review IEP team meeting for the purpose of reporting the student's present levels of performance at the IEP team meeting as required by state and federal laws and regulations and pursuant to LEA policies, procedures, and/or practices. CONTRACTOR shall provide sufficient copies of its

reports, documents, and projected goals to share with members of the IEP team five (5) business days prior to the IEP meeting. CONTRACTOR shall maintain supporting documentation such as test protocols and data collection, which shall be made available to LEA within five (5) business days of request.

The CONTRACTOR is responsible for all evaluation costs regarding the updating of goals and objectives, progress reporting and development of present levels of performance. All assessments resulting from an assessment plan shall be provided by the LEA unless the LEA specifies in writing a request that CONTRACTOR perform such additional assessment. Any assessment and/or evaluation costs may be added to the ISA and/or approved separately by the LEA at the LEA's sole discretion.

It is understood that all billable hours must be in direct services to pupils as specified in the ISA. For Nonpublic Agency services, supervision provided by a qualified individual as specified in Title 5 Regulation, subsection 3065, shall be determined as appropriate and included in the ISA. Supervision means the direct observation of services, data review, case conferencing and program design consistent with professional standards for each professional's license, certification, or credential.

CONTRACTOR shall not charge the student's parent(s) or LEA for the provision of progress reports, report cards, evaluations conducted in order to obtain present levels of performance, interviews, and/or meetings. It is understood that all billable hours have limits to those specified on the ISA consistent with the IEP. It is understood that copies of data collection notes, forms, charts and other such data are part of the pupil's record and shall be made available to the LEA upon written request.

37. TRANSCRIPTS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall prepare transcripts at the close of each semester, or upon student transfer, for students in grades nine (9) through twelve (12) inclusive, and submit them on LEA approved forms to the student's school of residence for evaluation of progress toward completion of diploma requirements as specified in LEA Procedures. CONTRACTOR shall submit to the LEA names of students and their schools of residence for whom transcripts have been submitted as specified by the LEA.

38. STUDENT CHANGE OF RESIDENCE

Within five (5) school days from the date CONTRACTOR becomes aware of a student's change of residence, CONTRACTOR shall notify LEA, in writing, of the student's change of residence as specified in LEA Procedures. Upon enrollment, CONTRACTOR shall notify parents in writing of their obligation to notify CONTRACTOR of the student's change of residence. CONTRACTOR shall maintain, and provide upon request by LEA, documentation of such notice to parents.

If CONTRACTOR had knowledge or should reasonably have had knowledge of the student's change of residence boundaries and CONTRACTOR fails to follow the procedures specified in this provision, LEA shall not be responsible for the costs of services delivered following the student's change of residence.

39. WITHDRAWAL OF STUDENT FROM PROGRAM

CONTRACTOR shall immediately report electronically and in writing to the LEA within five (5) business days when an LEA student is withdrawn without prior notice from school and/or services, including student's change of residence to a residence outside of LEA service boundaries, and student's discharge against professional advice from a Nonpublic Schools/Residential Treatment Center ("NPS/RTC").

40. PARENT ACCESS

CONTRACTOR shall provide for reasonable parental access to students and all facilities including, but not limited to, the instructional setting, recreational activity areas, meeting rooms and student living quarters. CONTRACTOR shall comply with any known court orders regarding parental visits and access to LEA students.

CONTRACTOR operating programs associated with a NPS/RTC shall cooperate with a parent's reasonable request for LEA student therapeutic visits in their home or at the NPS/RTC. CONTRACTOR shall require that parents obtain prior written authorization for therapeutic visits from the CONTRACTOR and the LEA at least thirty (30) days in advance. CONTRACTOR shall facilitate all parent travel and accommodations and for providing travel information to the parent as appropriate. Payment by LEA for approved travel-related expenses shall be made directly through the LEA.

The names of any adult caregiver other than the parent shall be provided to the LEA prior to the start of any home based services, including written and signed authorization in emergency situations. All problems and/or concerns reported to parents, both verbal and written, shall also be provided, in writing, to the LEA.

An LCI shall not require that a pupil be placed in its nonpublic school as a condition of being placed in its residential facility.

If CONTRACTOR is a nonpublic, nonsectarian school that is owned, operated by, or associated with a residential treatment center (hereinafter referred to as "NPS/RTC"), CONTRACTOR shall adhere to all legal requirements under the Individuals with Disabilities Education Act (IDEA), 20 U.S.C. section 1412(a)(1)(A) and Education Code section 56000, et seq.; amended and reorganized by the Individuals with Disabilities Education Improvement Act of 2004 (IDEIA), 20 U.S.C. section 1401(29); Education Code section 56031; Cal. For those identified as special education students, the list shall include: 1) special education eligibility at the time of enrollment and; 2) the educational placement and services specified in each student's IEP at the time of enrollment. A copy of the current IEP shall be provided to the LEA.

Unless placement is made pursuant to an Office of Administrative Hearings order or a lawfully executed agreement between LEA and parent, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by the student's parent or another adult with educational decision-making rights.

CONTRACTOR hereby agrees that CONTRACTOR's employees and volunteers shall not come in contact with students until CDOJ and FBI clearance are ascertained. CONTRACTOR shall certify in writing to LEA that none of its employees, and volunteers, unless CONTRACTOR determines that the volunteers will have no direct contact with students, or subcontractors who may come into contact with students have been convicted of a violent or serious felony as those terms are defined in California Education Code section 44237(h), unless despite the employee's conviction of a violent or serious felony, he or she has met the criteria to be eligible for employment pursuant to California Education Code section 44237 (i) or (j). The LEA shall not be obligated to pay for any services provided by a person whose such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or otherwise nullified during the period which such person is providing services under this Master Contract. Failure to notify the LEA and CDE of any changes in credentialing/licensed staff may result in suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA.

47. STAFF ABSENCE

When CONTRACTOR is a nonpublic agency and/or related services provider, and CONTRACTOR's service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section 7 of this agreement and as determined by LEA) substitute, unless LEA provides appropriate coverage in lieu of CONTRACTOR's service providers. It is understood that the parent of a student shall not be deemed to be a qualified substitute for their student. LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and authorized LEA representative.

48. STAFF PROFESSIONAL BEHAVIOR WHEN PROVIDING SERVICES AT SCHOOL OR SCHOOL RELATED EVENTS OR AT SCHOOL FACILITY AND/OR IN THE HOME

It is understood that all employees, subcontractors, and volunteers of any certified nonpublic school or agency shall adhere to the customary professional and ethical standards when providing services. All practices shall only be within the scope of professional responsibility as defined in the professional code of conduct for each profession as well as any LEA professional standards as specified in Board policies and/or regulations when made available to the CONTRACTOR.

For services provided on a public school campus, sign in/out procedures shall be followed by nonpublic school or agency providers working in a public school classroom along with all other procedures for being on campus consistent with school and district policy. Such policies and procedures shall be made available to the CONTRACTOR upon request. It is understood that the public school credentialed classroom teacher is responsible for the instructional program.

CONTRACTOR shall be responsible for any structural changes and/or modifications to CONTRACTOR's facilities as required complying with applicable federal, state, and local laws, regulations, and ordinances. Failure to notify the LEA and CDE of any changes in, major modification or relocation of facilities may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA.

51. ADMINISTRATION OF MEDICATION

CONTRACTOR shall comply with the requirements of California Education Code section 49423 when CONTRACTOR serves a student that is required to take prescription and/or over-the-counter medication during the school day. CONTRACTOR may designate personnel to assist the student with the administration of such medication after the student's parent(s) provides to CONTRACTOR: (a) a written statement from a physician detailing the type, administration method, amount, and time schedules by which such medication shall be taken; and (b) a written statement from the student's parent(s) granting CONTRACTOR permission to administer medication(s) as specified in the physician's statement. CONTRACTOR shall maintain, and provide to LEA upon request, copies of such written statements. CONTRACTOR shall maintain a written log for each student to whom medication is administered. Such written log shall specify the student's name; the type of medication; the date, time, and amount of each administration; and the name of CONTRACTOR's employee who administered the medication. CONTRACTOR maintains full responsibility for assuring appropriate staff training in the administration of such medication consistent with physician's written orders. Any change in medication type, administration method, amount or schedule must be authorized by both a licensed physician and parent.

52. INCIDENT/ACCIDENT REPORTING

CONTRACTOR shall submit within 24 hours, electronically, any accident or incident report to the LEA. CONTRACTOR shall properly submit required accident or incident reports pursuant to the procedures specified in LEA Procedures.

53. CHILD ABUSE REPORTING

To protect the privacy rights of all parties involved (i.e., reporter, child and alleged abuser), reports will remain confidential as required by law and professional ethical mandates. A written statement acknowledging the legal requirements of such reporting and verification of staff adherence to such reporting shall be submitted to the LEA.

54. SEXUAL HARASSMENT

CONTRACTOR shall have a Sexual and Gender Identity harassment policy that clearly describes the kinds of conduct that constitutes sexual harassment and that is prohibited by the CONTRACTOR's policy, as well as federal and state law. The policy should include procedures to make complaints without fear of retaliation, and for prompt and objective investigations of all sexual harassment complaints. CONTRACTOR further agrees to provide annual training to all employees regarding the laws concerning sexual harassment and related procedures pursuant to Government Code 12950.1.

55. REPORTING OF MISSING CHILDREN

CONTRACTOR assures LEA that all staff members, including volunteers, are familiar with and agree to adhere to requirements for reporting missing children as specified in California Education Code section 49370. A written statement acknowledging the legal requirements of such reporting and verification of staff adherence to such reporting shall be properly submitted to the LEA. The written statement shall be submitted as specified by the LEA.

FINANCIAL**56. ENROLLMENT, CONTRACTING, SERVICE TRACKING, ATTENDANCE REPORTING, AND BILLING PROCEDURES**

CONTRACTOR shall assure that the school or agency has the necessary financial resources to provide an appropriate education for the students enrolled and will distribute those resources in such a manner to implement the IEP and ISA for each and every student.

CONTRACTOR shall comply with all LEA procedures concerning enrollment, contracting, attendance reporting, service tracking and billing including requirements of electronic billing as specified by the LEA Procedures. CONTRACTOR shall be paid for the provision of special education and/or related services specified in the student's IEP and ISA. All payments by LEA shall be made in accordance with the terms and conditions of this Master Contract and governed by all applicable federal and state laws.

CONTRACTOR shall maintain separate registers for the basic education program, each related service, and services provided by instructional assistants, behavior intervention aides and bus aides. Original attendance forms (i.e., roll books for the basic education program, service tracking documents and notes for instructional assistants, behavioral intervention aides, bus aides, and each related service) shall be completed by the actual service provider whose signature shall appear on such forms and shall be available for review, inspection, or audit by LEA during the effective period of this contract and for a period of five (5) years thereafter. CONTRACTOR shall verify the accuracy of minutes of reported attendance that is the basis of services being billed for payment.

CONTRACTOR shall submit invoices and related documents to LEA for payment, for each calendar month when education or related services were provided. Invoices and related documents shall be properly submitted electronically and in addition, on an LEA form with signatures in the manner prescribed by LEA in the LEA Procedures. At a minimum, each invoice must contain the following information: month of service; specific days and times of services coordinated by the LEA approved calendar unless otherwise specified in the IEP or agreed to by the LEA; name of staff who provided the service; approved cost of each invoice; total for each service and total for the monthly invoice; date invoice was mailed; signature of NPS/NPA administrator authorizing that the information is accurate and consistent with the ISA, CDE certificates and staff notification; verification that attendance report is attached as appropriate; indication

of any made-up session consistent with this contract; verification that progress reports have been provided consistent with the ISA (monthly or quarterly unless specified otherwise on the ISA); and name or initials of each student for when the service was provided.

In the event services were not provided, rationale for why the services were not provided shall be included.

Such an invoice is subject to all conditions of this contract. At the discretion of the LEA, an electronic invoice may be required provided such notice has been made in writing and training provided to the CONTRACTOR at no additional charge for such training.

Invoices shall be submitted no later than thirty (30) days after the end of the attendance accounting period in which the services were rendered. LEA shall make payment to CONTRACTOR based on the number of billable days of attendance and hours of service at rates specified in this contract within forty-five (45) days of LEA's receipt of properly submitted hard copy of invoices prepared and submitted as specified in California Education Code Section 56366.5 and the LEA. CONTRACTOR shall correct deficiencies and submit rebilling invoices no later than thirty (30) calendar days after the invoice is returned by LEA. LEA shall pay properly submitted re-billing invoices no later than forty-five (45) days after the date a completely corrected re-billing invoice is received by LEA.

In no case shall initial payment claim submission for any Master Contract fiscal year (July through June) extend beyond December 31st after the close of the fiscal year. In no case shall any rebilling for the Master Contract fiscal year (July through June) extend beyond six (6) months after the close of the fiscal year unless approved by the LEA to resolve billing issues including re-billing issues directly related to a delay in obtaining information from the Commission on Teacher Credentialing regarding teacher qualification, but no later than twelve (12) months from the close of the fiscal year. If the billing or re-billing error is the responsibility of the LEA, then no limit is set provided that the LEA and CONTRACTOR have communicated such concerns in writing during the 12-month period following the close of the fiscal year. LEA will not pay mileage for NPA employee.

57. RIGHT TO WITHHOLD PAYMENT

LEA may withhold payment to CONTRACTOR when: (a) CONTRACTOR has failed to perform, in whole or in part, under the terms of this contract; (b) CONTRACTOR has billed for services rendered on days other than billable days of attendance or for days when student was not in attendance and/or did not receive services; (c) CONTRACTOR was overpaid by LEA as determined by inspection, review, and/or audit of its program, work, and/or records; (d) CONTRACTOR has failed to provide supporting documentation with an invoice, as required by EC 56366(c)(2); (e) education and/or related services are provided to students by personnel who are not appropriately credentialed, licensed, or otherwise qualified; (f) LEA has not received prior to school closure or contract termination, all documents concerning one or more students enrolled in CONTRACTOR's educational program; (g) CONTRACTOR fails to confirm a student's change of residence to another district or confirms the change or residence to another district, but fails to notify LEA within five (5) days of such confirmation; or (h) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a student. It is understood that no payments shall be made for any invoices that are not received by six (6) months following the close of the prior fiscal year, for services provided in that year.

Final payment to CONTRACTOR in connection with the cessation of operations and/or termination of a Master Contract will be subject to the same documentation standards described for all payment claims for regular ongoing operations. In addition, final payment may be withheld by the LEA until completion of a review or audit, if deemed necessary by the LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR

determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a) the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the entire amount of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable pupil for the time period from the date the violation occurred and until the violation is cured; or (f) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to the student.

If LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment or submit a written request for extension of time to correct the deficiencies. Upon receipt of CONTRACTOR's written request showing good cause, LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. If LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after the LEA's response to CONTRACTOR's notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. The LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: Disagreements between the LEA and CONTRACTOR concerning the Master Contract may be appealed to the County Superintendent of Schools or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code Section 56366(c) (2).

58. PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to students. Upon request, CONTRACTOR shall provide to LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to students.

59. PAYMENT FOR ABSENCES

NONPUBLIC SCHOOL STAFF ABSENCE

Whenever a classroom teacher employed by CONTRACTOR is absent, CONTRACTOR shall provide an appropriately credentialed substitute teacher in the absent teacher's classroom in accordance with California Education Code section 56061. CONTRACTOR shall provide to LEA documentation of substitute coverage pursuant to the LEA Procedures. Substitute teachers shall remain with their assigned class

during all instructional time. LEA will not pay for instruction and/or services unless said instruction or service is provided by an appropriately credentialed substitute teacher.

Whenever a related service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section 7 of this agreement and as determined by LEA) substitute. LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of “make-up” services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided unless otherwise agreed in student’s IEP.

NONPUBLIC SCHOOL STUDENT ABSENCE

If CONTRACTOR is a nonpublic school, no later than the tenth (10th) cumulative day of a student’s unexcused absence, CONTRACTOR shall notify the LEA of such absence as specified in the LEA Procedures.

Criteria for a billable day for payment purposes is one (1) day of attendance as defined in California Education Code, sections 46010, 46010.3 and 46307. LEA shall not pay for services provided on days that a student’s attendance does not qualify for Average Daily Attendance (ADA) reimbursement under state law. *Per Diem* rates for students whose IEPs authorize less than a full instructional day may be adjusted on a pro rata basis in accordance with the actual proportion of the school day the student was served. LEA shall not be responsible for payment of related services for days on which a student’s attendance does not qualify for Average Daily Attendance (“ADA”) reimbursement under state law, nor shall student be eligible for make-up services.

NONPUBLIC AGENCY STAFF ABSENCE

When CONTRACTOR is a nonpublic agency and CONTRACTOR’s service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section 7 of this agreement and as determined by LEA) substitute, unless LEA provides appropriate coverage in lieu of CONTRACTOR’s service providers. LEA shall not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of “make-up” services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not “bank” or “carry over” make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and LEA. In the event services were not provided, reasons for why the services were not provided shall be included.

NONPUBLIC AGENCY STUDENT ABSENCE

If CONTRACTOR is a nonpublic agency, it shall notify LEA of the absence of a student no later than the fifth (5th) consecutive service day of the student’s absence, as specified in the LEA Procedures. LEA shall not be responsible for the payment of services when a student is absent.

60. LEA and/or NONPUBLIC SCHOOL CLOSURE DUE TO EMERGENCY

The following shall apply in the event of a LEA or NPS school closure due to an emergency consistent with guidelines followed by LEAs under Education Code Section 41422:

- a. If CONTRACTOR remains open during an emergency and serves students appropriately as delineated in the ISA, CONTRACTOR shall receive payment, regardless of whether a sending LEA is open or closed.
- b. NPS School Closure- If the LEA is able to obtain alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance due to school closure. If the LEA is unable to obtain an alternative placement, CONTRACTOR shall receive payment consistent with the

signed ISA, as though the student were continuing in their regular attendance, until alternative placement can be found.

- c. LEA and NPS School Closure- On days the LEA is funded, CONTRACTOR shall receive payment consistent with the signed ISA, until alternative placement can be found. If the LEA is able to obtain alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance due to school closure.

When the emergency school closure is lifted, CONTRACTOR shall notify the LEAs it serves of any lost instructional minutes. CONTRACTOR and LEAs shall work collaboratively to determine the need for make-up days or service changes, and shall work together to amend IEP and ISA paperwork as appropriate.

61. INSPECTION AND AUDIT

The CONTRACTOR shall maintain and the LEA shall have the right to examine and audit all of the books, records, documents, accounting procedures and practices and other evidence that reflect all costs claimed to have been incurred or fees claimed to have been earned under this Agreement.

CONTRACTOR shall provide access to LEA to all records including, but not limited to: student records as defined by California Education Code section 49061(b); registers and roll books of teachers; daily service logs and notes or other documents used to record the provision of related services; Medi-Cal/daily service logs and notes used to record provision of services provided by instructional assistants, behavior intervention aides, bus aides, and supervisors; absence verification records (parent/doctor notes, telephone logs, and related documents); bus rosters; staff lists specifying credentials held, business licenses held, documents evidencing other qualifications, , dates of hire, and dates of termination; staff time sheets; non-paid staff and volunteer sign-in sheets; transportation and other related service subcontracts; school calendars; bell/class schedules when applicable; liability and worker's compensation insurance policies; state nonpublic school and/or agency certifications; by-laws; lists of current board of directors/trustees, if incorporated; other documents evidencing financial expenditures; federal/state payroll quarterly reports Form 941/DE3DP; and bank statements and canceled checks or facsimile thereof. Such access shall include unannounced inspections by LEA. CONTRACTOR shall make available to LEA all budgetary information including operating budgets submitted by CONTRACTOR to LEA for the relevant contract period being audited.

CONTRACTOR shall make all records available at the office of LEA or CONTRACTOR's offices (to be specified by LEA) at all reasonable times and without charge. All records shall be provided to LEA within five (5) working days of a written request from LEA. CONTRACTOR shall, at no cost to LEA, provide assistance for such examination or audit. LEA's rights under this section shall also include access to CONTRACTOR's offices for purposes of interviewing CONTRACTOR's employees. If any document or evidence is stored in an electronic form, a hard copy shall be made available to the LEA, unless the LEA agrees to the use of the electronic format.

CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to LEA upon request by LEA.

If an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes LEA monies as a result of CONTRACTOR's over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and LEA otherwise agree in writing, CONTRACTOR shall pay to LEA the full amount owed as a result of CONTRACTOR's over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit

by LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to LEA within thirty (30) days of receipt of LEA's written notice demanding payment.

62. RATE SCHEDULE

The attached rate schedule (Exhibit A) limits the number of students that may be enrolled and maximum dollar amount of the contract. It may also limit the maximum number of students that can be provided specific services. Per Diem rates for students whose IEPs authorize less than a full instructional day may be adjusted proportionally. In such cases only, the adjustments in basic education rate shall be based on the required minimum number of minutes per grade level as noted in California Education Code Section 46200-46208.

Special education and/or related services offered by CONTRACTOR shall be provided by qualified personnel as per State and Federal law, and the codes and charges for such educational and/or related services during the term of this contract, shall be as stated in Exhibit A.

63. DEBARMENT CERTIFICATION

By signing this agreement, the CONTRACTOR certifies that:

- (a) The CONTRACTOR and any of its shareholders, partners, or executive officers are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency, and
- (b) Have not, within a three-year period preceding this contract, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property; and are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses.

MASTER CONTRACT**

This Master Contract (or "Agreement") is entered into on July 1, 2020, between COMPASS CHARTER SCHOOLS, hereinafter referred to as the local educational agency ("LEA"), a member of the EL DORADO SELPA and PRESENCELEARNING, INC. (nonpublic, nonsectarian school or agency), hereinafter referred to as NPS/A or "CONTRACTOR" for the purpose of providing special education and/or related services to students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq.* and Title 5 of the California Code of Regulations section 3000 *et seq.*, AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this agreement does not commit LEA to pay for special education and/or related services provided to any student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"). Unless otherwise agreed in writing, these forms shall acknowledge CONTRACTOR's obligation to provide all services specified in the student's Individualized Education Plan (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of a student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each student served by CONTRACTOR. As available and appropriate, the LEA shall make available access to any electronic IEP system and/or electronic database for ISA developing including invoicing.

Unless placement is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed agreement between LEA and parent or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by the student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification and licensure specified by CDE Certification and as defined in California Education Code, section 56366 *et seq.* and within the professional scope of practice of each provider's license, certification and/or credential. A current copy of CONTRACTOR's nonpublic school/agency certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Agreement is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired,

revoked, rescinded, or otherwise nullified during the effective period of this Master Contract. Total student enrollment shall be limited to capacity as stated on CDE certification and in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified and all staff persons providing services to pupils shall be certified and/or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this State, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE in writing of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless, taking into consideration all of the surrounding facts and circumstances, a policy or policies or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR's failure to comply with applicable LEA policies (e.g., those policies relating to; the provision of special education and/or related services, facilities for individuals with exceptional needs, student enrollment and transfer, student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract; and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2020 to June 30, 2021 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. However, the parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2020. In the event the contract is not renegotiated by June 30th, an interim contract may be entered into as mutually agreed upon for up to 90 days from July 1 of the new fiscal year. (Title 5 California Code of Regulations section 3062(d)) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR's ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Master Contract includes each Individual Services Agreement and they are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of current teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to District, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (California Education Code section 56366(c)(1) and (2)). In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students at the discretion of the LEA.

6. INDIVIDUAL SERVICES AGREEMENT ("ISA")

This Agreement shall include an ISA developed for each student to whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for students enrolled with the approval of the LEA pursuant to Education Code section 56366 (a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR, shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students.

Any and all changes to a student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the student's IEP. At any time during the term of this Master Contract, a student's parent, CONTRACTOR, or LEA may request a review of a student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA. (California Education Code sections 56366(a) (5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to student as a result of lack of provision of services while student was served by the nonpublic school or agency.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the “stay-put” requirement of state and federal law unless the parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c) (2).

16. INDEMNIFICATION AND HOLD HARMLESS

To the fullest extent allowed by law, CONTRACTOR shall indemnify and hold LEA and its Board Members, administrators, employees, agents, attorneys, volunteers, and subcontractors ("LEA Indemnities") harmless against all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of this Master Contract or its performance, to the extent that such loss, expense, damage or liability was proximately caused by negligence, intentional act, or willful act or omission of CONTRACTOR, including, without limitation, its agents, employees, subcontractors or anyone employed directly or indirectly by it (excluding LEA and LEA Indemnities). The duty and obligation to defend shall arise immediately upon tender of a claim or lawsuit to the CONTRACTOR. The LEA and the Member District(s) shall have the right in their sole discretion to select counsel of its choice to provide the defense at the sole cost of the CONTRACTOR or the applicable insurance carrier.

To the fullest extent allowed by law, LEA shall indemnify and hold CONTRACTOR and its Board Members, administrators, employees, agents, attorneys, and subcontractors ("CONTRACTOR Indemnities") harmless against all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of this Master Contract or its performance, to the extent that such loss, expense, damage or liability was proximately caused by the negligent, intentional act or willful act or omission of LEA, including, without limitation, its agents, employees, subcontractors or anyone employed directly or indirectly by it (excluding CONTRACTOR and/or any CONTRACTOR Indemnities).

LEA represents that it is self-insured in compliance with the laws of the State of California, that the self-insurance covers district employees acting within the course and scope of their respective duties and that its self-insurance covers the LEA's indemnification obligations under this Master Contract.

17. INDEPENDENT CONTRACTOR

Nothing herein contained will be construed to imply a joint venture, partnership or principal-agent relationship between the LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the LEA and any individual assigned by CONTRACTOR to perform any services for the LEA.

If the LEA is determined to be a partner, joint venture, co-principle, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding.

18. SUBCONTRACTING

CONTRACTOR shall provide written notification to LEA before subcontracting for special education and/or related services pursuant to this Master Contract. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR's original notice and CONTRACTOR shall not subcontract for said service(s).

CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts, to the fullest extent reasonably possible. Furthermore, when CONTRACTOR enters into subcontracts for the provision of special education and/or related services (including, but not limited to, transportation) for any student, CONTRACTOR shall cause each subcontractor to procure and maintain insurance during the term of each subcontract. Such subcontractor's insurance shall comply with the provisions of Section 15. Each subcontractor shall furnish the LEA with original endorsements and certificates of insurance effecting coverage required by Section 15. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. The endorsements are to be on forms as required by the LEA. All endorsements are to be received and approved by the LEA before the subcontractor's work commences. The Commercial General Liability and Automobile Liability policies shall name the LEA/SELPA and the LEA Board of Education as additional insured.

As an alternative to the LEA's forms, a subcontractor's insurer may provide complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by this Master Contract. All Certificates of Insurance must reference the LEA contract number, name of the school or agency submitting the certificate, indication if NPS or NPA, and the location of the school or agency submitting the certificate. In addition, all subcontractors must meet the requirements as contained in Section 45 Clearance Requirements and Section 46 Staff Qualifications of this Master Contract.

CONTRACTOR shall provide to LEA upon request a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. CONTRACTOR and any member of its Board of Directors (or Trustees) shall disclose any relationship with LEA that constitutes or may constitute a conflict of

interest pursuant to California Education Code section 56042 and Government Code Section 1090 including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR's facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and LEA otherwise agree in writing, LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the student is performed or a report is prepared in the normal course of the services provided to the student by CONTRACTOR. To avoid conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may, in its discretion, not fund services through the evaluator whose IEE the LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

When CONTRACTOR is a Nonpublic Agency, CONTRACTOR acknowledges that its authorized representative has read and understands Education Code section 56366.3 which provides, in relevant part, that no special education and/or related services provided by CONTRACTOR shall be paid for by LEA if provided by an individual who was an employee of LEA within the three hundred and sixty five (365) days prior to executing this contract. This provision does not apply to any person who is able to provide designated instruction and services during the extended school year because he or she is otherwise employed for up to ten months of the school year by LEA.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from the LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not, in employment or operation of its programs, unlawfully discriminate on the basis of gender, nationality, national origin, ancestry, race, color, ethnicity, ethnic group affiliation, religion, age, marital status, pregnancy or parental status, sex, sexual orientation, gender, gender identity or expression, physical or mental disability, genetic information or any other classification protected by federal or state law or the perception of one or more of such characteristics or association with a person or group with one or more of these actual or perceived characteristics.

LEA shall provide CONTRACTOR with a copy of the IEP including the Individualized Transition Plan (hereinafter referred to as "ITP") of each student served by CONTRACTOR. CONTRACTOR shall provide to each student special education and/or related services (including transition services) within the nonpublic school or nonpublic agency consistent with the student's IEP and as specified in the ISA. If CONTRACTOR

Such equipment remains the property of the SELPA/LEA and shall be returned to the SELPA/LEA when the IEP team determines the equipment is no longer needed or when the student is no longer enrolled in the nonpublic school. CONTRACTOR shall ensure that facilities are adequate to provide LEA students with an environment which meets all pertinent health and safety regulations. CONTRACTOR shall adhere to all LEA requirements concerning parent acknowledgment of financial responsibility.

Voluntary services and/or activities not necessary for the student to receive a free appropriate public education shall not interfere with the student's receipt of special education and/or related services as specified in the student's IEP and ISA unless the LEA, CONTRACTOR, and PARENT agree otherwise in writing.

CONTRACTOR shall not award a high school diploma to students who have not successfully completed all of the LEA's graduation requirements.

When CONTRACTOR is a nonpublic agency and/or related services provider, CONTRACTOR's general program of instruction and/or services shall utilize evidence-based practices and predictors and be consistent with LEA and CDE guidelines and certification, and provided as specified in the student's IEP and ISA. The nonpublic agency providing Behavior Intervention services shall develop a written plan that specifies the nature of their nonpublic agency service for each student within thirty (30) days of enrollment and shall be provided in writing to the LEA. School-based services may not be unilaterally converted by CONTRACTOR to a substitute program or provided at a location not specifically authorized by the IEP team. Except for services provided by a CONTRACTOR that is a licensed children's institution, all services not provided in the school setting require the presence of a parent, guardian or adult caregiver during the delivery of services, provided such guardian or caregiver have a signed authorization by the parent or legal guardian to authorize emergency services as requested. 24. CLASS SIZE

When CONTRACTOR is a nonpublic school, CONTRACTOR shall ensure that class size shall not exceed a ratio of one teacher per twelve (12) students, unless CONTRACTOR and LEA agree otherwise in writing. Upon prior written approval by an authorized LEA representative, class size may be temporarily increased by a ratio of 1 teacher to fourteen (14) students when necessary during the regular or extended school year to provide services to students with disabilities.

In the event a nonpublic school is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the California Department of Education Certification of

that school, the nonpublic school shall develop a plan to assure appropriate coverage of students by first utilizing existing certificated staff. The nonpublic school and the LEA may agree to one 30 school day period per contract year where class size may be increased to assure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both parties. This provision does not apply to a nonpublic agency.

Billable days shall include only those days that are included on the submitted and approved school calendar, and/or required by the IEP (developed by the LEA) for each student. CONTRACTOR shall not be allowed to change its school calendar and/or amend the number of billable days without the prior written approval of the LEA. Nothing in this Master Contract shall be interpreted to require the LEA to accept any requests for calendar changes.

Unless otherwise specified by the students' IEP, educational services shall occur at the school site. A student shall only be eligible for extended school year services if such are recommended by his/her IEP Team and the provision of such is specifically included in the ISA. Extended school year shall consist of twenty (20) instructional days, unless otherwise agreed upon by the IEP Team convened by the LEA. Any days of extended school year in excess of twenty (20) billable days must be mutually agreed to, in writing, prior to the start of the extended school year.

Student must have actually been in attendance during the regular school year and/or during extended school year and actually received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by the LEA, in writing, in advance of the delivery of any nonpublic school service. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

CONTRACTOR shall observe the same legal holidays as LEA. Those holidays are Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day, New Year's Day, Martin Luther King, Jr. Day, President's Day, Memorial Day and Independence Day. With the approval of LEA, CONTRACTOR may revise the date upon which CONTRACTOR closes in observance of any of the holidays observed by the LEA.

CONTRACTOR shall bill only for services provided on billable days of attendance as indicated on the LEA calendar unless CONTRACTOR and the LEA agree otherwise, in writing. Student must have actually been in attendance and/or received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by the LEA, in writing, in advance of the delivery of any nonpublic agency service provided by CONTRACTOR. Any instructional

days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

26. DATA REPORTING

CONTRACTOR shall agree to provide to the LEA all data related to student information and billing information with LEA. CONTRACTOR shall agree to provide data related to all sections of this contract, including student discipline as noted below, and requested by and in the format required by the LEA. It is understood that all nonpublic school and agencies shall utilize the LEA approved electronic IEP system for all IEP development, service tracking documentation, and progress reporting, unless otherwise agreed to by the LEA. Additional progress reporting may be required by the LEA. The LEA shall provide the CONTRACTOR with appropriate software, user training and proper internet permissions to allow adequate access.

Using forms developed by the California Department of Education or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Codes 48900 and 48915. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915.

The LEA shall provide the CONTRACTOR with approved forms and/or format for such data including, but not limited to, invoicing, attendance reports and progress reports. The LEA may approve use of CONTRACTOR'S provided forms at their discretion.

27. LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

CONTRACTOR and LEA shall follow all LEA policies and procedures that support Least Restrictive Environment ("LRE") options and/or dual enrollment options if available and appropriate, for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services, goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist the LEA in implementing the IEP team's recommended activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a nonpublic school, per implementation of Senate Bill 484, CONTRACTOR shall administer all Statewide assessments within the California Assessment of Student Performance and Progress ("CAASPP"), Desired Results Developmental Profile ("DRDP"), California Alternative Assessment ("CAA"), achievement and abilities tests (using LEA-authorized assessment instruments), the Fitness Gram, , the English Language Proficiency Assessments for California ("ELPAC"), and as appropriate to the student, and mandated by LEA pursuant to LEA and state and federal guidelines.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR'S qualified staff. CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA.

29. MANDATED ATTENDANCE AT LEA MEETINGS

CONTRACTOR shall attend District mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, and standardized testing and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORTS

CONTRACTOR shall comply with the requirements of Education Code section 49005, *et seq.*, 56521.1 and 56521.2. LEA students who exhibit behaviors that interfere with their learning or the learning of others must receive timely and appropriate assessments and positive supports and interventions in accordance with the federal law and its implementing regulations. If the Individualized Education Program ("IEP") team determines that a student's behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan ("BIP"), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy pursuant to California Education Code section 56521.1 regarding emergency interventions and behavioral emergency reports. CONTRACTOR shall ensure that all of its staff members are trained in crisis intervention, emergency procedures, and evidenced-based practices and interventions specific to the unique behavioral needs of the CONTRACTOR's pupil population. The training shall be provided within 30 days of employment to new staff who have any contact or interaction with pupils during the schoolday, and annually to all staff who have any contact or interaction with pupils during the schoolday. The CONTRACTOR shall select and conduct the training in accordance with California Education Code section 56366.1. CONTRACTOR shall maintain written records of the training and provide written verification of the training annually and upon request.

Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP, and shall not be employed longer than necessary to contain the behavior. Emergency interventions may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the individual with exceptional needs, or others, and that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. If a situation requires prolonged use of emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency.

CONTRACTOR shall complete a behavior emergency report when an emergency occurs that is defined as a serious, dangerous behavior that staff has determined to present a clear and present danger to others. It requires a non-violent physical intervention to protect the safety of student, self, or others and a physical intervention has been used; or a physical intervention has not been used, but an injury or serious property damage has occurred. Personal Safety Techniques may or may not have been used. Emergencies

require a behavior emergency report form be completed and submitted to the LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall notify Parent within twenty-four (24) hours via telephone. If the student's IEP does not contain a Behavior Intervention Plan ("BIP") or Positive Behavior Intervention Plan ("PBIP"), an IEP team shall schedule a meeting to review the behavior emergency report, determine if there is a necessity for a functional behavioral assessment, and to determine an interim plan. If the student already has a BIP, the IEP team shall review and modify the BIP if a new serious behavior has been exhibited or existing behavioral interventions have proven to be ineffective. CONTRACTOR shall schedule with LEA an IEP meeting within two (2) days.

Pursuant to Education Code section 56521.2, CONTRACTOR shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following: (1) Any intervention that is designed to, or likely to, cause physical pain, including, but not limited to, electric-shock (2) An intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the face of the individual. (3) An intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort, or access to bathroom facilities. (4) An intervention that is designed to subject, used to subject, or likely to subject, the individual to verbal abuse, ridicule, or humiliation, or that can be expected to cause excessive emotional trauma. (5) Restrictive interventions that employ a device, material, or objects that simultaneously immobilize all four extremities, including the procedure known as prone containment, except that prone containment or similar techniques may be used by trained personnel as a limited emergency intervention. (6) Locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room. (7) An intervention that precludes adequate supervision of the individual. (8) An intervention that deprives the individual of one or more of his or her senses. (b) In the case of a child whose behavior impedes the child's learning or that of others, the individualized education program team shall consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations.

All restraint practices must be reviewed and revised when they have an adverse effect on a student and are used repeatedly for an individual child, either on multiple occasions within the same classroom or multiple uses by the same individual. CONTRACTOR shall notify the student's parent/guardian when any type of physical or mechanical restraint or seclusion has been used. Upon the use of any type of physical or mechanical restraint or seclusions of a District student, CONTRACTOR shall complete a BER per the reporting and notification requirements listed above.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations. Using forms developed by the California Department of Education or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Codes 48900 and 48915. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915.

When CONTRACTOR seeks to remove a student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall immediately submit a written discipline report to the LEA and a manifestation IEP team meeting shall be scheduled. Written discipline reports shall include, but not be limited to: the student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of the student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to

participate in a manifestation determination at an IEP meeting no later than the tenth (10th) day of suspension. CONTRACTOR shall notify and invite LEA representatives to the IEP team meeting where the manifestation determination will be made.

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the nonpublic school; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (California Education Code sections 56366 (a) (2) (B) (i) and (ii)) and pursuant to California Education Code section 56345 (b) (4).)

If the LEA student is to be transferred from a NPS setting into a regular class setting in a public school for any part of the school day, the IEP team shall document, if appropriate, a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of his or her IEP team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, the parent, the CONTRACTOR or the LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to parent, CONTRACTOR and LEA. CONTRACTOR shall provide to LEA assessments and written assessment reports by service providers upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the approved electronic IEP system of the LEA for all IEP planning and progress reporting at the LEA's discretion. The SELPA shall provide training for any NPS and NPA to assure access to the approved system. The NPS and/or NPA shall maintain confidentiality of all IEP data on the approved system and shall protect the password requirements of the system. When a student dis-enrolls from the NPS, the NPS/NPA shall discontinue use of the approved system for that student.

Changes in any student's educational program, including instruction, services, or instructional setting provided under this Master Contract, may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the student's IEP for the purposes of consideration of a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code.

33. SURROGATE PARENTS AND FOSTER YOUTH

CONTRACTOR shall comply with LEA surrogate parent assignments. Surrogate parents shall serve as the child's parent and have all the rights relative to the student's education that a parent has under the Individuals with Disabilities Education Act pursuant to *20 USC 1414-1482 and 34 CFR 300.1-300.756*. A pupil in foster care shall be defined pursuant to California Education Code section 42238.01(b). The LEA shall annually notify the CONTRACTOR who the LEA has designated as the

educational liaison for foster children. When a pupil in foster care is enrolled in a nonpublic school by the LEA any time after the completion of the pupil's second year of high school, the CONTRACTOR shall schedule the pupil in courses leading towards graduation based on the diploma requirements of the LEA unless provided notice otherwise in writing pursuant to Section 51225.1.

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including mediations and hearings, as requested by LEA. Participation further includes the willingness to make CONTRACTOR's staff available for witness preparation and testimony as is necessary to facilitate a due process hearing. CONTRACTOR shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office of Civil Rights, or any other state and/or federal governmental body or agency. Full participation shall include, but in no way be limited to, cooperating with LEA representatives to provide complete answers raised by any investigator and/or the immediate provision of any and all documentation that pertains to the operation of CONTRACTOR's program and/or the implementation of a particular student's IEP/Individual and Family Service Plan ("IFSP").

At a minimum, progress reports shall include progress over time towards IEP goals and objectives. A copy of the progress reports/report cards shall be maintained at the CONTRACTOR's place of business and shall be submitted to the LEA and LEA student's parent(s) quarterly.

The CONTRACTOR shall also provide an LEA representative access to supporting documentation used to determine progress on any goal or objective, including but not limited to log sheets, observation notes, data sheets, pre/post tests, rubrics and other similar data collection used to determine progress or lack of progress on approved goals, objectives, transition plans or behavior intervention plans. The LEA may request such data at any time within five (5) years of the date of service. The CONTRACTOR shall provide this data supporting progress within five (5) business days of request. Additional time may be granted as needed by the LEA.

CONTRACTOR shall complete academic or other evaluations of the student ten (10) days prior to the student's annual or triennial review IEP team meeting for the purpose of reporting the student's present levels of performance at the IEP team meeting as required by state and federal laws and regulations and pursuant to LEA policies, procedures, and/or practices. CONTRACTOR shall provide sufficient copies of its

reports, documents, and projected goals to share with members of the IEP team five (5) business days prior to the IEP meeting. CONTRACTOR shall maintain supporting documentation such as test protocols and data collection, which shall be made available to LEA within five (5) business days of request.

The CONTRACTOR is responsible for all evaluation costs regarding the updating of goals and objectives, progress reporting and development of present levels of performance. All assessments resulting from an assessment plan shall be provided by the LEA unless the LEA specifies in writing a request that CONTRACTOR perform such additional assessment. Any assessment and/or evaluation costs may be added to the ISA and/or approved separately by the LEA at the LEA's sole discretion.

It is understood that all billable hours must be in direct services to pupils as specified in the ISA. For Nonpublic Agency services, supervision provided by a qualified individual as specified in Title 5 Regulation, subsection 3065, shall be determined as appropriate and included in the ISA. Supervision means the direct observation of services, data review, case conferencing and program design consistent with professional standards for each professional's license, certification, or credential.

CONTRACTOR shall not charge the student's parent(s) or LEA for the provision of progress reports, report cards, evaluations conducted in order to obtain present levels of performance, interviews, and/or meetings. It is understood that all billable hours have limits to those specified on the ISA consistent with the IEP. It is understood that copies of data collection notes, forms, charts and other such data are part of the pupil's record and shall be made available to the LEA upon written request.

37. TRANSCRIPTS

39. WITHDRAWAL OF STUDENT FROM PROGRAM

CONTRACTOR shall immediately report electronically and in writing to the LEA within five (5) business days when an LEA student is withdrawn without prior notice from school and/or services, including student's change of residence to a residence outside of LEA service boundaries, and student's discharge against professional advice from a Nonpublic Schools/Residential Treatment Center ("NPS/RTC").

CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to LEA upon request by LEA.

If an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes LEA monies as a result of CONTRACTOR's over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and LEA otherwise agree in writing, CONTRACTOR shall pay to LEA the full amount owed as a result of CONTRACTOR's over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit

by LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to LEA within thirty (30) days of receipt of LEA's written notice demanding payment.

62. RATE SCHEDULE

The attached rate schedule (Exhibit A) limits the number of students that may be enrolled and maximum dollar amount of the contract. It may also limit the maximum number of students that can be provided specific services. Per Diem rates for students whose IEPs authorize less than a full instructional day may be adjusted proportionally. In such cases only, the adjustments in basic education rate shall be based on the required minimum number of minutes per grade level as noted in California Education Code Section 46200-46208.

Special education and/or related services offered by CONTRACTOR shall be provided by qualified personnel as per State and Federal law, and the codes and charges for such educational and/or related services during the term of this contract, shall be as stated in Exhibit A.

63. DEBARMENT CERTIFICATION

By signing this agreement, the CONTRACTOR certifies that:

- (a) The CONTRACTOR and any of its shareholders, partners, or executive officers are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency, and
- (b) Have not, within a three-year period preceding this contract, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property; and are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses.

The parties hereto have executed this Contract by and through their duly authorized agents or representatives. This contract is effective on the 1st day of July, 2020 and terminates at 5:00 P.M. on June 30, 2021, unless sooner terminated as provided herein.

C CCS - Budget FDF 20-21 - Adopted.pdf

BACKGROUND:

The 2020-21 operating budget was drafted with assistance from our Assistant Superintendent & Chief Financial Officer and School Business Manager from CSMC. The budget is based on 2,983 scholars with daily attendance rates of 97% (grades K-5), 96% (grades 6-8) and 95% (grades 9-12). It is based on receiving 100% funding for CCS of LA, CCS of San Diego, and CCS of Yolo. It is also based on assumptions from the Governors May Revision, including a reduction of LCFF funding by 7.92% (after also reducing the planned COLA of 2.08%), reducing STRS rates to 16.15%, and reducing lottery by 10%. We will monitor and track our budget carefully and provide regular updates to the Board of Directors throughout the year.

RECOMMENDATION:

A motion to adopt the 2020-21 annual budget.

Goal 3: Increase academic achievement and engagement for scholars in special populations to include English Learners, Socioeconomically Disadvantaged students, Foster Youth, Homeless Youth, and Students with Disabilities as measured by state and local indicators.

Goal 4: Increase college and career readiness for scholars in high school as evidenced by state and local indicators.

Goal 1: Increase scholar academic achievement as measured by state and local indicators.

Action 1	All scholars will have all basic services to include 100% of teachers appropriately credentialed and assigned maintaining the 25:1 required ratio, access to 100% of core curriculum including ELD State Standards-aligned, 100% of scholars having access to sufficient materials to include technology support, virtual lab materials, learning lab materials, science kits, visual and performing arts materials, and an online library in a safe, orderly environment.
Update	<p>100% of teachers are appropriately credentialed as of March 4, 2020. We continue to maintain the required 25:1 ADA to FTE ratio. All scholars have access to core and supplemental curriculum, as well as necessary materials.</p> <p>ELD Curriculum Proposal has been submitted with a recommendation to adopt Lexi for the 2020-21 school year.</p> <p>On our docket: ELD Curriculum Proposal to be reviewed for approval by the Board by the end of the school year. Provide staff with PD related to the new curriculum.</p>

Action 2	Identify scholars through Multi-Tier System of Supports (MTSS) who need additional support and interventions based on results of internal assessments and work completion and provide support sessions with the teacher, access to online support resources (such as ThinkingStorm) and tutoring. All teachers will complete deficiency notices for any grade 6-12 scholars who are receiving a grade of C or lower every quarter. Deficiency notices will be sent to the parent at the semester mid-point.
Update	<p>Scholars have been identified through MTSS and have support sessions available to them. Staff resources have increased through the hiring of an additional Scholar Success Coordinator, as well as four tutors. Scholars have weekly tutoring sessions available by grade level, as well as online support resources such as ThinkingStorm. Deficiency notices were sent to scholars in the 1st Semester.</p> <p>Deficiency notices were sent to at-risk scholars the week of April 27 with special care taken to honor a level of flexibility necessary to support families during the COVID-19 pandemic.</p> <p>On our docket: Continue to support scholars through the MTSS framework.</p>

Action 3	All staff, teachers and administrators will receive Professional Development sessions. All staff will receive mandated training. New Teachers will be offered to clear their credential through an Induction Program, a veteran teacher who will serve as a mentor and support meetings once a week for the first month, then once a month for the first 5 months. All teachers will be provided

	<p>professional development sessions on curriculum, MTSS, SEL, PBIS in virtual instruction, writing and scoring constructed responses, data analysis and informing instruction, pacing guides, grading and communication with parents and learning coaches, strategies for ELs, SWD, FY and Homeless Youth, SED and culturally relevant proficiency. Some teachers and administrators will attend conferences like the CCSA Conference, CUE Conference, Digital Learning Annual Conference, and Advanced Placement.</p>
<p>Update</p>	<p>Professional development has been offered through our in-person All-Staff Retreat (August 2019), in-person Mini Conference (January 2020), and virtual In-Service Days (October and March). All staff receive mandated training to be completed within the first 30 days of the school year, or first 30 days of employment. We have started a partnership with the Riverside County Office of Education to offer an online induction program for staff who need to clear their credentials (4 enrolled this year). All staff are working on their Google Educator Certification, and a number of staff are working on their Leading Edge Certification. We also started a partnership with Alludo to offer virtual on-demand professional development. Compass has sent delegations to the APLUS+ Annual Conference, Fall CUE, Charter Schools Leadership Update, AVID National Conference, Digital Learning Annual Conference, Virtual Spring CUE, and AVID Digital XL. The California Charter Schools Annual Conference was canceled due to COVID-19 with the possibility of certain sessions becoming available virtually at a future date for registered attendees.</p> <p>The Special Education Department is collaborating with our El Dorado County Charter SELPA for compliance workshops and training in areas as compliant IEP writing.</p> <p>On our docket: Review and refine our onboarding program for new staff; continue to identify conferences for staff to attend to support their instructional practices.</p>

<p>Action 4</p>	<p>Strategies to improve attendance and ensure that scholars receive the required instructional time and that scholars complete the required assignments by learning period will be implemented. The supervising teachers, educational facilitators, Scholar Services Technicians, counselors, educational facilitators and academic coordinators will hold scholars accountable by monitoring attendance, communicating with parents, sending warning letters, holding conferences, and having scholars and parents sign attendance contracts (as part of the Scholar’s Master Agreement). Scholars will be incentivized for attendance and participation. In the Online Program, 10% of grade will be based on attendance at Learning Labs. Extra Credit points will be given to scholars’ next quiz, test or project for attending a study or tutoring session. In an effort to continuously improve attendance and participation in the Compass Options program, each Educational Facilitator will decide on a way to recognize those in their class that complete their activity logs and work samples by the date. Examples include a note of thanks, class message, recognition in the</p>

	Compass Newsletter and/or class challenge.
Update	<p>Training was provided to staff at the beginning of the school year on attendance policies and procedures. Staff continue to be trained with best practices and ongoing resources including Open Q & A sessions with the Attendance Coordinator. New staff is provided with personalized training during the onboarding process. Staff are utilizing ParentSquare to collect Weekly Activity Logs, and following our board-approved Independent Study Policy when scholars do not complete work over a 10-day period. Staff resources have increased through the hiring of seven Scholar Services Technicians, who support families, such as with the completion of their weekly activity logs. Online Teachers held Parent-Teacher Conferences in October and March; Options Educational Facilitators hold at least two connections meetings per month to discuss scholar progress. Scholars in the Online Learning Program earn extra credit for attending tutoring sessions.</p> <p>In March, the Options Advisory Team met to generate specific examples of ways they recognize scholars for completing activity logs and work samples by their established deadlines. The examples mentioned include: sending individual thank you emails, doing a class challenge, posting recognition in the weekly Friday email, group thank you once 100% is reached (via email or WhatsApp), and newsletter highlights of work samples.</p> <p>On our docket: Action has been met.</p>

--	--

<p>Action 3</p>	<p>CCS will provide a variety of extracurricular and enrichment activities to include community service opportunities, field trips, enrichment activities, scholar-led clubs and the National Honor Society (HS). Scholars will be invited to attend informational workshops, transition meetings, activities and online counseling sessions starting in grade 4 focusing on social emotional learning provided by counselors.</p>
<p>Update</p>	<p>We launched 21 Scholar Clubs for this school year such as a Minecraft Club, Arts & Crafts Clubs (One for Elementary School and another for Middle and High School), LEGO Club and more! Our National Honor Society program currently has six active scholars participating in the program. As previously mentioned, we have offered a plethora of field trips that have included a few community service opportunities. We are currently looking into ways that are more creative for our families to serve their communities.</p> <p>The Counseling Services Department offers Social Emotional Learning (SEL) utilizing a monthly theme that is delivered to scholars in the Counseling Learning Lab. These themes are reinforced throughout the month with SEL warm-up activities provided to teachers to incorporate during instruction. Some topics include Mindfulness, Growth Mindset, and Emotions. Moving-Up Transition presentations are delivered to 5 and 8-grade scholars during the spring with the purpose to help ease and support scholars through transitions and prepare them for a successful school year academically and socially. In addition, the College & Career Readiness Counselor conducts fall senior transition meetings to discuss post-secondary plans that include enlist, enroll or employ as future options.</p> <p>Due to the COVID-19 pandemic, the Engagement Team initially attempted to reschedule affected field trips but ultimately had to cancel all in-person engagement activities for the remainder of the school year. Instead, we expanded our virtual field trip offerings and added in virtual scholar workshops such as Innovation Generation, Aerospace Innovation, Scholar Social Hours, a 3-part series from Disney about Imagineering, Virtual Scavenger Hunt, a 3-part series from Pixar and much more! Additionally, we compiled and regularly updated a list of resources for enrichment options (https://www.smores.com/fhw7b).</p>

	On our docket: Action has been met.
--	-------------------------------------

Action 4	CCS will reach out to parents and scholars by maintaining a website with Google Translator option, annual event calendar, applications, phone calls, emails and mail, scheduling activities, scheduling Options events and classes. The Engagement Committee will be responsible for outreach to families to increase engagement, organizing and posting events and handling field trip plans.
Update	<p>Families receive the weekly Monday Morning Updates (MMUs) which includes information on all upcoming field trips and registration deadlines. ParentSquare hosts a collective calendar that has calendar items for all upcoming field trips and school wide events. Our CCS website also has an annual event calendar that is live on our forward facing website. Communications are available in English and other languages to ensure parents can access the material being shared out.</p> <p>In our Options program, the Scholar Success Coordinator and Educational Facilitators offer several Academic workshops and a Learning Coach support session each month.</p> <p>On our docket: Action has been met</p>

Goal 3: Increase academic achievement and engagement for scholars in special populations to include English Learners, Socioeconomically Disadvantaged students, Foster Youth, Homeless Youth, and Students with Disabilities as measured by state and local indicators.

Action 1	CCS will provide enhanced identification, support, training and resources to the staff and counselors who support scholars from special populations to include English Learners, Foster Youth, Homeless Youth, and Students with Disabilities to provide full services to the scholars. Homeless and Foster Youth will be supported through the enrollment process to include transferring credits, ensuring correct placement, and added supports in the PLP. All support positions for these special populations will be communicated and defined to families and included in the Scholar Handbook and website to include EL Coordinator, Homeless Youth Liaison, Foster Youth Liaison, SST Coordinator, and Scholar Success Coordinator to increase academic achievement, enhance educational experiences, and improve retention rates for these scholars.
Update	Our SELPA has provided training for our Special Education Team to support scholars with disabilities. Professional development was held to train teachers on scaffolding and SDAIE strategies for working with English Learners. We brought on an English Learner Support Coordinator, as our EL population has

	<p>grown. Foster Youth and Homeless scholars are identified through an initial housing survey and granted immediate enrollment. Scholars that qualify are reclassified annually and assigned to the liaison for tracking and support. The liaison continuously monitors scholar progress and initiates connections with families approximately every thirty days. Counselors identify special populations in their caseloads and assess scholars to ensure legislative requirements are met. In conjunction with El Dorado County Charter SELPA, our Special Education Team participated in IEP and 504 training during our In-Service Day held on March 20.</p> <p>On our docket: See Goal 1, Action 1 and Goal 1, Action 3. Additionally, identify and recommend what resources should be available to parents on the website. Workgroups will be formed that can focus on the supports and services for these subgroups (the Compass way to work with and for scholars with special needs).</p>
--	--

<p>Action 2</p>	<p>CCS will immediately provide additional interventions and supports for homeless and foster youth which may include access to MTSS curriculum, provide computers and internet access for scholars who do not have access and are socioeconomically disadvantaged. CCS will provide additional interventions and supports for ELs to include ELD curriculum and program especially monitoring the progress of RFEP and transitioning LTELs to RFEP. CCS will provide additional interventions and supports for SWDs by working collaboratively with the Specialized Academic Instructors in collaboration with support staff and general education teachers.</p>
<p>Update</p>	<p>We hired an English Learner Support Coordinator, a Special Education Coordinator, and a 504 Coordinator this year to support scholars. We purchased Reading Naturally and Ascend Math specifically to support scholars with IEPs. We also added a writing course for high school scholars receiving SAI support. We brought in additional vendors for related services to support scholars through their IEP. The Collaboration and Intervention Teams met to identify how their role impacts the scholars. These meetings generate action plans that support identified needs for each scholar. These include both strengths and areas of improvement. A parent workshop/class was held in May to help families support their scholars.</p> <p>On our docket: See Goal 1, Action 1. Additionally, more parent workshops/classes will be developed that help families support their scholars. This content will also be included in the scope and sequence for the Learning Coach Academy.</p>

Goal 4: Increase college and career readiness for scholars in high school as evidenced by state and local indicators.

Action 1	CCS will provide access and connections to college preparation exams beginning with the PSAT in grade 8, continuing in Grade 10 and Grade 11 for National Merit Scholars, the EAP, the SAT and ACT. CCS will provide SAT and ACT preparation courses.
Update	<p>We launched a four (4) part SAT/ACT Boot Camp Series in Spring 2020. The Boot Camp provides scholars with support in test registration, strategies, and test prep sample questions led by content area teachers in math and English. Access to college preparation information is delivered in multiple modes of communication and guided support is provided to identify testing locations and registration next steps. In addition, counselors host a monthly College Career Success Cafe with a focus on college career readiness topics such as "How to Prepare for University Admissions." Though we do not provide PSAT testing directly, our Counseling Services Team does provide support in locating and identifying available test sites.</p> <p>On our docket: The Counseling Services Department is investigating SAT and ACT preparation courses for the 2020-21 school year</p>

Action 2	CCS will provide each high school scholar with a 4-year plan developed with the counselor to incorporate A-G requirements, CTE courses, and Visual and Performing Arts courses based on post high school plan. For scholars who are credit deficient, the counselor will incorporate credit recovery in the plan with the time remaining. The Counselor will ensure that scholars are provided supports and interventions for any scholars who have a C- or lower or who are credit deficient.
Update	<p>Academic Outlook records are maintained by counselors for each scholar. These are shared with scholars during counseling sessions and used to ensure scholars are on track toward meeting graduation requirements. Compass Charter Schools of Los Angeles provides 21st century online and home study learning programs authorized by Acton-Agua Dulce USD to serve scholars who wish to pursue high-quality instructional programs via virtual learning.

Given the unique structure of our program and the methods of instructional delivery, Compass has continued to provide services to our scholars with minimal interruption during the Governor's issuance of the "stay-at-home," order which began on March 13.

Recognizing the challenges faced by our scholars and families in dealing with this crisis, Compass has provided extra support for our English Learners with access to RazzKids, a high interest reading comprehension program, and more frequent check-ins for our foster youth. We have also escalated our tutoring opportunities for our low-income scholars.

We connect with our families on a regular basis and recognize some of the challenges faced by our scholars and families in dealing with this crisis. Teachers have modified assignments and expectations in courses to accommodate specific scholar needs.

Our staff will continue to provide as much flexibility as possible by providing accommodations for families to support individual needs for all scholars at Compass Charter Schools. Such accommodations currently include, but are not limited to, alternate assignments/assessments as

appropriate, shortened assignments/assessments when needed, exempted assignments/assessments when standards have already been mastered, and support from our counselors and teachers.
