

**Pataula Charter Academy and
Spring Creek Charter Academy
Data Collection Restrictions Policy**

Pataula Charter Academy and Spring Creek Charter Academy will adhere to the data collection restrictions defined in the State Law: O.C.G.A. § 20-2-665

In accordance with said law PCA/SCCA, unless required by other state or federal law or a health and safety emergency, shall not:

1. report data to the Georgia Department of Education related to juvenile delinquency records, criminal records, or medical and health records;
2. collect data on students or their families regarding their political affiliation, voting history, or religious affiliation or beliefs;
3. collect data on students or their families' income, except as required by law or when the school must utilize income information to apply for, administer, research, or evaluate programs to assist students from low-income families.
