FINANCE	Apr-01	Audit Firm Selection - In accordance with Education Code (EC) Section 41020, the governing board of each school shall provide for an audit of the books and accounts of the school. Lakeview with Charter Impact support	Yes	No
FINANCE	April 1st extended to June 1st	File a Form 700 - Statement of Economic Interests (SEI): The requirement is part of the Political Reform Act enacted in 1974, which was passed by California voters to promote integrity in state and local government by helping agency decision makers avoid conflicts between their personal interests and official duties. Depending on your local authorizer's conflict of interest policies, certain charter school officers and employees may be required to file Statements of Economic Interest with a filing officer by the April 1 deadline. Due to the current COVID-19 pandemic, the Fair Political Practices Commission is allowing a 60-day extension until June 1, 2020 for those required to file a 2019 annual Statement of Economic Interests (Form 700). http://www.fppc.ca.gov/media/press-releases/2020-news-releases/press-release-extend-form700.html	Lakeview with Charter Impact support	Yes	Yes
DATA	Apr-24	CALPADS - Fall 2 amendment deadline (EXTENDED) - Please be mindful that Level-2 certification within CALPADS means that these data have been reviewed and approved by your superintendent or IRC administrator. Failure to properly review and amend these data in CALPADS within the allotted amendment window will result in the improper certification of official Fall 2 data within CALPADS, which can impact a number of things, including LCFF funding, student course enrollments, staff assignments and English learner education services. Evaluation Process

For

The Executive Director

1. Meeting to Commence School Year

Prior to or at the beginning of each school year, the Board and the Executive Director shall meet to review the Executive Director's Summative Evaluation Form, and, if appropriate, set specific goals.

2. Mid-Year Meeting Regarding Annual Review of the Executive Director

The Board Chair will agendize a mid-year meeting regarding annual review of the Executive Director for a closed session during the regular January Board meeting or later. At this meeting, the Board will discuss and start the summative annual evaluation of the Executive Director. If needed, the Board can agendize additional closed sessions at regular scheduled board meetings as needed to review of the Executive Director.

3. The Executive Director Self-Evaluation Component

Prior to the Board meeting to start the summative evaluation, the Executive Director will prepare a report and present it to the Board Chair for distribution to the Board members. At a minimum, the Executive Director's report will include:

- Summary results on the Executive Director's perform goals established at the meeting to commence the school year.
- Summary of progress on current year's School goals
- Report on student performance as required by the state
- Report on student performance on internal assessments
- Any additional School or professional highlights the Executive Director believes will demonstrate effective performance

4. Board Member Completion of Summative Evaluation Form

Following review of the Executive Director's self-evaluation and any other necessary input from Board discussion, Board members will meet in a properly convened closed session meeting to conduct Mid-Year Meeting Regarding Annual Review of the Executive Director (see # 2), without the Executive Director present, to discuss their individual ratings and determine a consensus rating for each indicator. The Board Chair will record the Board's consensus rating on a blank copy of the instrument.

From a review of the Board's composite ratings, the board will identify:

• Agreed upon areas of strength

- Agreed upon areas of improvement
- Any specific expectations the Board has regarding the Executive Director's performance for the coming year

For areas in which there no clear agreement about a rating, the Board will discuss reasons for their varying ratings and try to reach consensus about what, if anything, the Board would like to see differently regarding that indicator in the coming year.

After reaching consensus about the Executive Director's performance ratings and desired improvements, the Board will discuss with the Executive Director the areas of strength, areas needing improvement, and possibly specific improvements.

5. Consideration of Executive Director Response to Summative Evaluation

In a properly agendized closed session, the Board will allow the Executive Director to respond to the Board's ratings. This can be at the same meeting of the evaluation, or a future meeting.

6. <u>Completion of Performance Evaluation:</u>

The Board will include the final Executive Director performance goals in the Executive Director evaluation form, make any other revisions to the to the form desired by the Board to ensure that it reflects Board priorities and the Executive Director's duties accurately. If needed, an updated form can be adopted to be sued for the next summative evaluation. The board will strive to complete this within two months of the evaluation meeting.

Field Trip Policy

The Governing Board of Lake View Charter School recognizes that school-sponsored trips are an important component of a student's development. These types of trips supplement and enrich the homeschooling and classroom learning experience. In addition, field trips encourage new interests among students, make them more aware of community resources, and help them relate their school experiences to the outside world. School-sponsored field trips may be conducted in connection with the Lake View Charter School's course of study or school-related social, educational, cultural, athletic, school band activities or other extracurricular or cocurricular activities.

The purpose of the Lake View Charter School Governing Board approving this Field Trip Policy is to accomplish the following:

- 1. Define the Requirements for a Field Trip
- 2. Explain Supervision, Chaperone and Guest Policies
- 3. Identify Instructional Funds Available to Each Family for Field Trips
- 4. Identify Transportation Options and Insurance Requirements for Transportation
- 1. Overview: No field trips may be made to locations, activities, or programs where students will be treated unfairly based on disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in Penal Code section 422.55, including immigration status, equal rights, and opportunities in the educational institutions of the state.

School-sponsored trips are those that are single-day, community based or those that are specifically approved by the Governing Board of Lake View Charter School (such as multi-day trips, or those costing the Lake View Charter School in excess of \$XXX per pupil). The Executive Director of Lake View Charter School shall establish a process for approving a staff member's request to conduct a school-sponsored trip that fall outside the limitations of this section. When planning trips, staff shall consider student safety, objectives of instruction, the most effective use of instructional time, school and student expense, and transportation and supervision requirements. Executive Directors may exclude from the trip any student whose presence on the trip would pose a safety or disciplinary risk.

All field trips are voluntary, and no student is required to attend any given field trip. A student's ability to attend any field trip is limited by the amount of enrichment funds available for that student. The teacher of records is responsible for mapping out a child's field trip plan for the year to enhance the child's educational plan.

2. Field Trip Supervision: Given the need for adequate supervision of the students attending school-sponsored trips and given the nature of the educational program offered by Lake View Charter School, if applicable, Lake View Charter School will pay for the costs of admission for one chaperone for each four (4) children in a family and enrolled in Lake View Charter

School. If applicable, Lake View Charter School will pay for the costs of admission for an additional chaperone for additional children in a family and enrolled in Lake View Charter School in excess of four (up to eight). Children in a family means children living, part- or full-time, with a parent/guardian, irrespective of adoptive status or marital status of the parents/guardians. The funds used to pay for the chaperone as allowed in this paragraph shall be instructional funds available to each family.

Families are limited to one school-sponsored overnight field trip per year with admission paid for one chaperone using enrichment funds. Lake View Charter School will not provide the cost of admission for any chaperones for vendor trips and independent enrichment trips.

It is the responsibility of parents/guardians to ensure proper supervision over their children enrolled in Lake View Charter School at all times during a school-sponsored trip. Chaperones may take their own non-enrolled children (two years and older) as guests on appropriate school-sponsored trips, provided they assume full responsibility for their behavior and, with approval of the Executive Director.

The organizing teacher shall use a field trip attendance form to track attendance, emergency contact information, and identify any authorized adults to pick-up students afterhours, if applicable. Organizing teachers shall always have an emergency contact phone number for the Executive Director. If a serious discipline incident occurs during a field trip, the organizing teacher shall notify the Executive Director immediately. No student shall be sent home or separated from the school group without prior approval of the organizing teacher.

- **3. Accommodations:** If a family requires special accommodation due to a child's special education needs identified in the child's Individual Education Plan (IEP) or Section 504 plan, the family may request accommodation from the Executive Director.
- 4. Student and Family Responsibilities: All persons making the field trip or excursion shall be deemed to have waived all claims against the Lake View Charter School or the State of California for injury, accident, illness or death occurring during or by reason of the field trip or excursion. All adults, parents and guardians taking any field trip or excursion shall sign a statement waiving all claims.

All students on a school-sponsored trip are under the jurisdiction of Lake View Charter School and shall be subject to school disciplinary rules and regulations.

Before a student can participate in a school-sponsored trip, the organizing teacher shall obtain parent/guardian permission for the trip. Whenever a trip involves water activities, the parent/guardian shall provide specific permission for his/her child to participate in the water activities.

- 5. Transportation: When privately owned and operated vehicles are used to transport students to a school-sponsored trip, except as provided below, the owner of the vehicle must have liability for his/her passengers. The owner must provide proof of acceptable, current insurance coverage to include a minimum acceptable liability limit for privately owned vehicles. When transporting students, other than the driver's children, the owner of the car must provide proof of coverage of:
 - 1) Bodily injury at \$100,00 or more for one person and \$300,000 or more for more than one person
 - 2) Or combined single limit bodily injury at \$300,000 or more

- 3) Coverage for property damage at \$50,000 or more
- 4) Coverage for uninsured motorists
- 5) Medical payments coverage for passengers at \$5,000 or more.

When only transporting the driver's own children, the owner of the car must provide proof of insurance coverage at the minimum required by California law.

Educational Vendor Policies and Procedures

Lake View Charter School ("Charter School") is focused on "Personalized Learning", a philosophy that puts every student first by supporting them in honoring and exploring their unique skills, special gifts, talents, and aspirations. In furtherance of this philosophy and Charter School's educational mission, families and Charter School staff together carefully select educational items and services for students to fit their goals and education plan.

The purpose of the Lake View Charter School Governing Board approving the Educational Vendor Policies and Procedures is to accomplish the key requirements detailed in this policy, including:

- 1. The Executive Director (as defined below) must approve all vendors before they can provide educational items or services to students.
- 2. The Homeschool Teacher (as defined below) and Executive Director (as defined below) must approve all requests for educational items or services to ensure they are aligned with the charter petition and student's personalized learning curriculum.
- 3. No family may spend, or obligate the Charter School to spend, any Charter School monies on educational items and services. Charter School is responsible for making purchases of approved educational items and services.

VENDOR APPLICATION AND APPROVAL

1. Educational Vendor Applications: Charter School contracts with educational vendors who provide educational enrichment services (e.g., in-person educational activities) and items (e.g., textbooks, workbooks, etc.) to students. Vendors must submit an application to Charter School detailing critical information such as qualifications and services. Charter School shall carefully review Vendor's application, website, available references, social media, and other pertinent information.

The Executive Director or his/her designee ("Executive Director") must approve all educational vendors and enter into an agreement with approved vendors before a vendor can provide any educational services to students. The Executive Director may reject a vendor applicant or terminate vendor services for any reason. The Executive Director may delegate his/her authority to approve vendors as necessary to promote the effective operations of the Charter School. For educational products, parents may submit requests specific educational products from a particular vendor (e.g., pencils from an online store). The Charter School's approval of the educational product request (approval process described below) serves as vendor approval.

Vendor Guidelines: The Executive Director is responsible for approving vendors, and must ensure the vendor meets guidelines, including, but not limited to the following:

- Vendor must have the qualifications, skills and, if applicable, the certification and licenses necessary to perform the requested services in a competent and professional manner.
- Vendor conducts background checks pursuant to Education Code section 45125.1 to ensure Vendor (if an individual), its employees, and agents who interact with students have not committed a serious or violent felony.
- Vendor services and/or products must be non-sectarian. Vendor's services and products must not discriminate on the basis of disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation or any other protected basis under California law.
- Vendor must maintain adequate levels of insurance for its educational services.
- Vendor must not be a private school offering services through a part-time program (e.g., after school programs) or a parent-organized group (also known as "co-op").
- Vendors must qualify as independent contractors in accordance with applicable laws. This is determined by the Executive Director based on vendor representations and vetting by the Charter School or its service provider.
- 3. Vendor Agreement: Once the Executive Director has approved a vendor, the vendor and Charter School must enter into a vendor agreement before the school can order educational services from the vendor. Considering families may have one-off requests for educational products, a vendor agreement may not be necessary for the Charter School to purchase educational products (e.g., ordering pencils from an online store for one student). The vendor agreement will include protections set forth in this policy, including, but not limited to requiring background checks for staff interacting with students, prohibitions on non-sectarian/discriminatory items and services, insurance and indemnification provisions, and more.

REQUESTING EDUCATIONAL SERVICES AND ITEMS

1. Requests: Students make requests for educational services and items through the Enrichment Ordering System. The Enrichment Ordering System is accessible on the Charter School website and features a list of approved educational vendors. All requests for educational services and items must: (i) first be approved the credentialed teacher assigned to supervise student's independent study ("Homeschool Teacher"); and (ii) approved by the Executive Director or designee. The Executive Director may delegate his/her authority to approve parent requests for educational items and services as necessary to promote the effective operations of the Charter School.

The Executive Director can deny any request for educational items or services in his or her sole discretion for any reason. Families cannot directly purchase, or obligate the Charter School to purchase, any educational items or service without Charter School's approval.

The planning amount for each student for educational items and services per full school year is [\$INSERT AMOUNT] for the 2020 – 2021 School Year. This planning amount for educational items and services is based, in part, on a student's attendance.

Parents and students are not guaranteed to receive any educational items and services up

to and equal to this planning amount, as a Homeschool Teacher and the Executive Director must approve all requests. The planning amount is also not a mandatory cap limiting the Charter School's ability provide necessary educational services to students (e.g., pursuant to a student's individualized education program). The Charter School developed this planning amount to help ensure the school provides educational items and services aligned with its budget and to help ensure fair and equal treatment of students, to the extent consistent with individual needs. Parents and students are not given access to direct or encumber planning amount funds. Parents are encouraged to work with their Homeschool Teacher to develop multi-year plans for their children because their educational needs may vary from year-to-year. While the Charter School does not guarantee any specific amount of funding for educational services and items, a multi-year plan empowers the Charter School and families to develop a personalized course of study suited to their children's needs and the Charter School to effectively budget for all students. The planning amount cannot be transferred to any other student.

The Homeschool Teacher and Executive Director are responsible for granting requests and allocating educational products and services in a nondiscriminatory manner. The Charter School shall seek to purchase cost-effective educational items and services. The Homeschool Teacher and Executive Director shall ensure purchased educational items and services meet the following requirements:

- From approved vendors only.
- Support the requesting student's personalized curriculum and education plan. Must be aligned with State standards, student's course of study (e.g., requested amount of fabric corresponds to length of course/project), and student's independent study master written agreement.
- From a vendor who is not related to the Charter School family requesting the educational items or services and otherwise does not present conflict of interest concerns.
- 2. Core Subject Curriculum: The Homeschool Teacher and Executive Director must ensure students access all necessary "core subject curriculum" education items/services necessary for the student to complete his/her State standards-aligned course of study before approving any extracurricular activities or supplemental educational or enrichment items. Core subject curriculum includes physical curriculum like McGraw Hill Textbook Set and associated workbooks and access to digital educational platforms such as Odysseyware or StongMind Digital Learning.
- 3. Enrichment Certificates: After the Homeschool Teacher and Executive Director approve a request through the Enrichment Ordering System, an "Enrichment Certificate" is created by Charter School. Charter School requests educational services and items from approved vendors through Enrichment Certificates. If necessary, Charter School may use an approved vendor's purchase order form in lieu of an Enrichment Certificate. Certificates/purchase orders should include important information, including the requested educational services, dates of services, Enrichment Certificate/PO Number, and approved cost for services.

Vendors must receive an approved Enrichment Certificate/purchase order before providing educational services or items to students. Vendors must receive the Enrichment Certificate/purchase order and provide the requested education services before submitting an invoice to Charter School.

4. Prohibited Requests: Charter School students can only request education services and items available in the Enrichment Ordering System. The following is a non-exhaustive list of prohibited items and services:

- Backpacks
- Amusement park tickets
- Video game hardware or software
- Excessive quantities of any item or service (e.g., beyond student's course of study).
- Non-educational household items (e.g., storage containers, organizational items (large or small items), picture frames, etc.)
- Bicycles, tricycles, scooters, skateboards, rollerblades, roller skates, wagons, etc.
- Live animals or animal supplies small insects/amphibians/worms as a part of a science class. Certain kit and supplies can be ordered by a student (e.g., praying mantis, caterpillars, ladybugs, or silkworms to study; ant farms; or tadpoles)
- Top of the line musical instruments (where more reasonably-priced options are available)
- Educational items and services must be nonsectarian
- Taxis/Uber/Lyft rides and other transportation costs
- 5. Educational Field Trips: While families are prohibited from requesting trips to non-educational venues, they can request to join educational field trips through the Enrichment Ordering System (e.g., museums, aquariums, libraries, etc.) The Executive Director and Homeschool Teacher shall carefully scrutinize each request to ensure the requested educational field trip aligns with the student's course of study and furthers their education and that all participants are necessary for student transportation, safety and supervision.

In light of the Charter School providing an independent study program, it is anticipated that a parent/guardian may need to serve as chaperone and transport their children for approved educational field trips. The Charter School Board finds funding the actual, reasonable, and necessary costs (not from a student's planning amount) for a chaperone to access the educational field trip (e.g., ticket to museum, transportation costs) furthers public school purposes where necessary or desirable to allow students to participate in educational field trips.

6. Student and Family Responsibilities:

- A. Returning Educational Products: All educational items requested through the Enrichment Ordering System are the property of the Charter School. This includes any technology, textbooks, and other educational items. Families must return all educational products upon disenrollment or upon request by the Executive Director or Homeschool Teacher. In accordance with applicable law, parents are responsible for to replace lost, stolen, damage, or otherwise unreturned educational items.
 - Certain items are "consumable", meaning they are not functional after use (e.g., workbooks). These items can be discarded by families after use.
- B. <u>Damaged or Lost Educational Items</u>: Parents are responsible for replacing lost, stolen, damage, or otherwise unreturned educational items to the extent allowed under applicable law. If an educational item is damaged, parents must immediately contact the Homeschool Teacher for support.
- C. <u>Required Attendance</u>: Students must attend regular learning period meetings with their Homeschool Teacher to discuss progress, turn in quality work samples, and complete their Student Activity Logs (Attendance Logs) in order to make requests for

extracurricular educational activities (e.g., non-core curriculum items) through Enrichment Ordering System.

7. Questions: If Charter School families have any questions about this policy or how to make requests for educational items and services, please contact Executive Director, Julie Haycock at julieh@inspireschools.org

Withdrawal Policy

The purpose of the Lake View Charter School Governing Board approving this Withdrawal Policy is to accomplish the following:

- 1. Establish the Reasons a Student Can Be Withdrawn from Lake View Charter School
- 2. Outline the Procedures for Withdrawing a Student
- 3. Establish the Charter School's Responsibility to Not Encourage a Pupil Currently Attending the School to Disenroll or Transfer to Another School
- 4. Establish the Process for Notifying Parents/Guardians/Educational Rights Holder of the Withdrawal
- 1. Reasons for a Withdrawal: If Lake View Charter School discovers that a student enrolled in Lake View Charter School is no longer a resident of California, no longer a resident of a county that Lake View Charter School may legally provide educational services to, is concurrently enrolled in a private school, is concurrently enrolled in another public school, is in non-compliance with Lake View Charter School's policies, or otherwise may no longer legally be served by Lake View Charter School, the following procedures shall be followed to withdraw the student from Lake View Charter School.
- 2. Procedures for Withdrawing a Student: Lake View Charter School shall send the parent/guardian/educational rights holder a notice of the Lake View Charter School's intention to withdraw the student from the School and the reasons for that decision. The notice will be sent at least five days prior to the withdrawal of the student. The notice will inform the parent/guardian that the Education Code provides the parent/guardian/educational rights holder with the right to a hearing adjudicated by a neutral officer within a reasonable number of days at which the pupil(s) have a fair opportunity to present testimony, evidence, and witnesses and confront and cross-examine adverse witnesses, and at which the pupil(s) have the right to bring legal counsel or an advocate. This notice shall be written in the native language of the pupil or the pupil's parent or guardian, or if the pupil is a foster child or youth or a homeless child or youth, the pupil's educational rights holder.

This notice will also inform the parent/guardian/educational rights holder that the student's enrichment opportunities and curriculum orders will be put on hold until the hearing is completed. The notice will also establish the date by which the hearing shall be scheduled. If a parent/guardian/educational rights holder refuses to participate in scheduling the hearing, remains unavailable for scheduling the hearing, or otherwise does not cooperate in scheduling the hearing, the right to a hearing will be deemed to have been waived. Additionally, if a parent/guardian/educational rights holder fails to attend the scheduled hearing, the hearing will continue without the presence of the parent/guardian/educational rights holder. In that event, the student may be withdrawn and the decision of the hearing officer will be final.

If the parent/guardian invokes said rights, the Lake View Charter School will not disenroll the pupils until it has reached a final decision. The decision of the School is final and cannot be

appealed.

In addition, the parent/guardian will be sent a Charter School Complaint Notice in the form provided by the California Department of Education at www.cde.ca.gov/sp/ch/cscomplaint.asp.

- 3. The Charter School's Responsibility to Not Encourage a Pupil Currently Attending the School to Disenroll or Transfer to Another School: Lake View Charter School shall not encourage a pupil currently attending the school to disenroll or transfer to another school for any reason, including but not limited to, academic performance of the pupil or because the pupil exhibits any of the following characteristics: pupils with disabilities, academically low-achieving pupils, English learners, neglected or delinquent pupils, homeless pupils, or pupils who are economically disadvantaged, as determined by eligibility for any free or reduced-price meal program, foster youth, or pupils based on nationality, race, ethnicity or sexual orientation.
- **4. Notification of the Withdrawal:** Once the student has been withdrawn from Lake View Charter School, the parent/guardian/educational rights holder will be notified of the withdrawal and advised to enroll the student immediately in a school that may legally serve that student. A copy of this notice shall be placed in the student's cumulative file. The student's teacher will also be notified of the withdrawal.

The charge will not include a fee to search for or to retrieve the education records.
- 4. No student information shall be disclosed to immigration authorities for immigration-enforcement purposes without a court order or judicial subpoena. Immigration-enforcement agencies do not have a legitimate educational interest in a student's or family's citizenship or immigration status. A student's or family's citizenship or immigration status is not considered to be directory information.

Except for investigations of child abuse, child neglect, or child dependency, or when the subpoena served on the Charter School prohibits disclosure, the Charter School shall provide parental or guardian notification of any court orders, warrants, or subpoenas before responding to such requests.

The Charter School will only disclose personally identifiable information on the condition that the receiving party not disclose the information to any party without the prior consent of the parent or eligible student and that the receiving party use it for the purposes for which the disclosure was made. This restriction does not apply to disclosures that fall within the disclosure exceptions listed below and the Charter School maintains the appropriate records, as described below. RE: Discussion and Potential Action on Board Meeting Stipend

Historically, Board members have received per meeting stipends to reimburse them for the estimated costs of traveling to and attending meetings, and related expenses. We understand that this practice was authorized by Board action some time ago, and has continued.

Given the restrictions on travel since declaration of the pandemic emergency throughout California, Lake View Charter School board meetings are, and for the foreseeable future, will be conducted virtually. In light of this circumstance, we have been asked to advise you as to whether per meeting stipends can be paid without being tied to estimated travel expenses? In other words, per meeting stipends would be paid regardless of whether any travel is required?

Yes, the Board may take action to set compensation for Directors attending Board meetings, in lieu of, or in addition to being reimbursed for travel expenses. However, this will require a series of steps and determinations by your Board, and has consequences for potential future liabilities of directors.

First, the bylaws of Lake View Charter School provide, in Article VI, section 15 that directors serve without compensation and just get reimbursement for expenses. My understanding is that what's been paid historically is an estimate of travel costs which are not considered "compensation."

The Corporations Code allows director compensation, if permitted by the company's bylaws. Corp Code section 5151(c). So after the bylaws are amended to allow directors to be compensated, a board resolution would need to be adopted. Corp. Code section 5235(a). The resolution would set "reasonable compensation" (Gov. Code section 12586(g)). The amount set should be supported by referencing comparable organizations providing similar compensation for directors, just as is done for setting CEO compensation. There are many charter boards receiving some compensation, albeit a minority, but such data should be available. We would recommend citing a few examples to

procopio.com

support the board's decision and to be able to respond to IRS or Attorney General queries in the future. The corporation's tax exemption can be lost for "excessive" compensation—though this is not very common.

Also, board members should be aware that the broader immunity afforded "volunteer" directors under Corporations Code section 5239 would not be available if they receive compensation. Instead, the normal "business judgement" rule will apply to potential claims against them.

We await your direction.
