The Board requires that a planned program of guidance and counseling be an integral part of the educational program of the School. Such a program should:

- A. assist students in achieving educational goals;
- B. enable students to draw benefit from the offerings of the instructional program of the schools;
- C. assist students in career awareness and planning;
- D. help integrate all the student's experience so that they can better relate school activity to life outside the school;
- E. help students learn to make their own decisions and solve problems independently.

The Executive Director is directed to implement the counseling and guidance program which carries out these purposes and:

- A. involves appropriate staff members at every level;
- B. honors the individuality of each student;
- C. integrates with the total educational program;
- D. coordinates with available resources of the community;
- E. cooperates with parents and recognizes their concern and ideas for the development of their children;
- F. provides means for such sharing of information among such appropriate staff members as may be in the best interests of the student;

- G. establishes a referral system which utilizes all the aid the schools and community offer, guards the privacy of the student, and monitors the effectiveness of such referrals.
