Section: 2000 PROGRAM  
Title: PRIVATE DONATIONS FOR ATHLETICS  
Code: 2432  
Status: Active  
Adopted: September 15, 2020

The Board recognizes its legal obligation to offer to male and female students' equal opportunities to participate in athletics, including to provide equivalent facilities, equipment, benefits and services to male and female athletes. To assist in accomplishing that result, the Board requires that other private donations for the benefit of athletic program be contributed to the school's athletic department generally, the district athletic department generally, for the benefit of the school's athletic department generally.

The Executive Director is to develop guidelines on how the building Principal and Athletic Director will assure that all money, goods, and services donated for the benefit of an athletic program are allocated so that athletes of both sexes receive equivalent benefit from the overall donations. The Executive Director will designate the person to be responsible for allocations out of the district athletic department resources.
