Section	8000 OPERATIONS
Title	CONTROL OF BLOOD-BORNE PATHOGENS
Code	8453.01
Status	Active
Legal	29 U.S.C. 1910.1030
Adopted	September 15, 2020

The Board seeks to protect those Edison School of the Arts staff members who may be exposed to blood pathogens and other potentially infectious materials in their performance of assigned duties.

The Superintendent shall implement administrative guidelines which will:

- A. identify those categories of employees whose duties create a reasonable anticipation of exposure to blood and other infectious materials;
- B. provide for inoculation of the Hepatitis B vaccine at no cost to the staff member and in accordance with Federally-mandated scheduling;
- C. ensure proper training in the universal precautions against exposure and/or contamination including the provision of appropriate protective supplies and equipment;
- D. establish appropriate procedures for the reporting, evaluation, and follow-up to any and all incidents of exposure;

- E. provide for record-keeping of all of the above which complies with both Federal and State laws;
- F. develop an exposure control plan.
