The Board welcomes the attendance of members of the community at athletic and other public events held by the school; however, the Board also acknowledges its duty to maintain order and preserve the facilities of Edison School of the Arts during the conduct of such events.

The Board authorizes the CEO/Executive Director to establish guidelines necessary to implement this policy. Such guidelines are to be distributed in such a manner that members of the audience who wish to record the event are aware of the rules early enough to make proper arrangements to obtain their recordings without causing delay or disruption to the activity.
