Road to reopening

Areas of Consideration for Phased
Reopening

Phase I

100% Distance Learning (DL)

Brick and Mortar (B&M) leveraged for orientation/equipment and food pickup

Phase II

100% Distance Learning (DL) for CORE program

Brick and Mortar (B&M) leveraged to provide safe learning space for targeted students not making progress in DL

Phase III

Hybrid Model for TK-3; DL for 4-8

Phase IV

Hybrid Model for TK-8

UMCS Considerations for Transitioning between Phases

- COVID-19 data requirements
- Staff input and ability/willingness to work in person
- Family Input ability/willingness to send student in Person
- Facilities Readiness
- Operational Readiness

Covid Test Data that allows for specific Phase

- COVID-19 data requirements
 - Examining rates per Zip Code we serve
 - Draft Criteria: *less than 25% of students targeted for in-person reside in zip codes that are PURPLE (case rate/100K + test positivity rate)*

Staff Input

- Staff input and ability/willingness to work in person
 - Accommodations made for staff with health and/or child care concerns; telework to be approved for all staff members who report these challenges.
 - Staffing plan with accommodations must work with student schedules

Family Input

- Outreach to target families to determine
 - Interest in in-person instruction targeted support or Instruction
 - Virtual option made available for families uncomfortable with in-person instruction

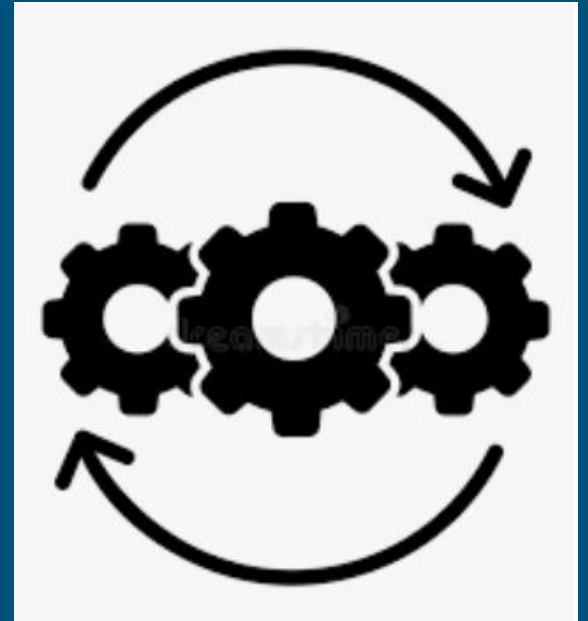

Facilities Readiness

- Target spaces must:
 - NPBI HVAC modifications or stand-alone air purifiers with NIPB technology
 - Signage to remind students of social distancing and face covering requirements
 - Cleaning schedule for frequently touched surfaces - twice daily
 - Bathroom surfaces cleaned twice daily

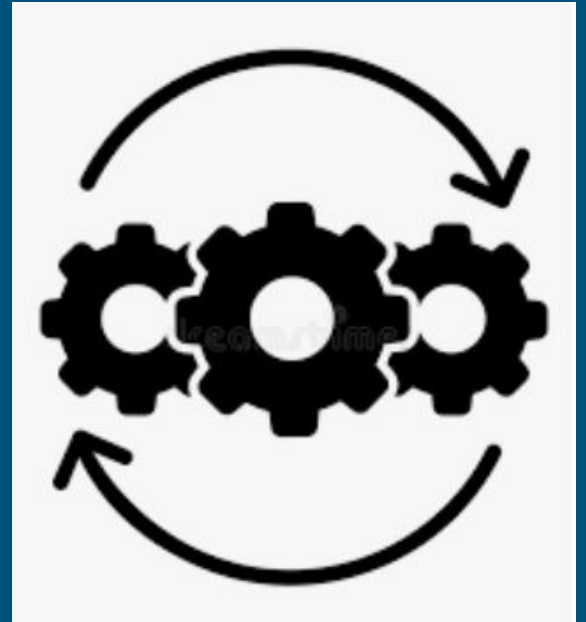

Operational Readiness

- Supplies
 - Cloth/disposable masks for staff and students who arrive without mask
 - Face shields for students who cannot wear a mask
 - Hand sanitizer for all student spaces without a sink
 - Adequate soap and bathrooms supplies
 - Adequate cleaning supplies

Operational Readiness

- Procedures
 - Entry/Dismissal
 - Lunch/Snack
 - Movement/transition
 - Bathrooms
 - Symptomatic children/staff
 - Contact tracing
 - Testing staff 1/month
