Title	USE OF SCHOOL FACILITIES IN CONNECTION WITH BOARD ELECTION
Code	7510.01
Status	Active
Adopted	November 17, 2020

It is the desire of the Board to afford all candidates for the Board the opportunity to use school facilities on an equal basis.

Restrictions must be placed on certain types of organizations requesting the use of the Board's facilities.

Any employee responsible for authorizing the use of any of the school shall see that the criteria and restrictions listed below are complied with:

- A. The sponsoring organization shall be either an organization of parents and teachers, politically non-partisan, or an organization whose sole purpose is sponsorship of candidates for membership on the Board. The official parent organization of a school may use the school facilities without charge and without custodial fees, providing the school is not being used for a money-making activity.
- B. An invitation to speak to, or to be introduced at, the meeting will be issued to every candidate for election to the Board.
- C. If any candidate is permitted to speak, then every candidate or his/her designated representative will be permitted to speak for the same length of time and under the same conditions.
- D. Every candidate for the Board will be required to confine his/her remarks to the subject of his/her candidacy for such office.

- E. No candidate for any other public office to be filled in the upcoming election will be invited to speak or be introduced at the meeting.
- F. There will be no opportunity for distribution of campaign literature for one (1) candidate or slate of candidates unless such opportunity is given to every candidate or slate of candidates.
- G. Appropriate permit, where applicable to use facilities, has been completed.
