Such matters may include, but shall not be limited to the following:

- B. Allow reciprocity to be granted to a student appropriately enrolled in a kindergarten or first grade program outside the State of Indiana who seeks to officially enroll in kindergarten or first grade program and who would otherwise be ineligible for enrollment based on the student's age.
- C. Establish a rule regarding the enrollment of students who are not subject to the compulsory attendance law at times other than at the beginning of the school year.
