A student may possess and self-administer medication for chronic diseases or medical conditions provided the student's parent files a written authorization with the principal. The written authorization must be filed annually. A physician's written statement must be included with the parent's authorization.

The physician's statement be filed annually and include the following information:

- A. An acute or chronic disease or medical condition exists for which the medication is prescribed.
- B. The student has been given instruction as to how to self-administer the medication.
- C. The nature of the disease or medical condition requires emergency administration of the medication.

Edison School of the Arts or the Board is not liable for civil damages as a result of a student's self-administration of medication for an acute or chronic disease or medical condition except for an act or omission amounting to gross negligence or willful and wanton misconduct.
