CREDIT FOR COURSES COMPLETED BEFORE STUDENTS ENTER GRADE 9  
Policy #5461

### **School Policy**

So that students will have the opportunity to take advantage of the more advanced placement classes in preparation for advanced study, the Executive Director, CEO is authorized to develop regulations to allow students to receive high school credit for Core 40 or academic honors courses completed in middle school which are taught by properly certified teachers. In any case, students must demonstrate the same level of proficiency as the high school student who has completed the same courses.
