Section 1000 ADMINISTRATION
Title CORPORATION ORGANIZATION
Code 1100
Status Active
Adopted January 21, 2020

The Board of Edison School of the Arts recognizes that the grouping of grades and services within the facilities of the Corporation can assist the efficient operation of the Corporation and help achieve a more effective instructional program.

The Executive Director shall continually monitor the effectiveness of the Corporation organizational plan and recommend to the Board such modifications in the plan which are in the best interests of the students, make wisest use of Corporation resources, and serve the educational goals of the Board.

Modifications in the organizational plan of the schools may be made by the Board upon the recommendation of the Executive Director.

The Executive Director shall be the chief executive officer of the School Corporation. The Executive Director shall define and recommend those administrative positions required to implement the educational system and program of learning established by the Board. In each case, the Board will approve the broad purpose and function of the position in harmony with State law and administrative guidelines.

Responsibility shall flow clearly from the Executive Director through the leadership team to the operational personnel. No employee should be responsible to more than one (1) supervisor.

It shall be the responsibility of the Executive Director to determine the need for and define operational requirements sufficient to ensure the smooth functioning of the Corporation. Maintenance of an efficient, skilled operational staff is essential to the effective performance of the system.

It is the Board's intent to maintain an operational and technical staff with a high level of competence.

On occasion, the Executive Director may find it necessary to recommend to the Board the employment of specialists or consultants to maintain or support programs implemented by the Corporation in areas requiring specialized knowledge. These positions will be considered by the Board on the merits of their potential contribution to the School Corporation and the specific conditions of the stated contract or agreement.
