## Facilities Update: December 4, 2020

### 1. 10gb:

- Phases 1 and 2 are complete. We are waiting on phase 3, which is where Verizon creates IP addresses remotely, and phase 4, which is an onsite visit by Verizon to essentially turn on a switch.

### 2. Chromebooks:

- They have arrived, and will be distributed next week and into the following week

### 3. UV:

- Air scrubbers should be installed by next week; UV will not be in until mid-January.

### 4. Add'l devices for 2021:

- Still discussing internally – needs depend on how many devices are returned during Chromebook redistribution. Will have answer/request by end of December when all streams are returned and evaluated.

### 5. Miscellaneous:

- All student meals will be free for duration of 2020-21 school year
- Curbside pickup option for all FRCS students (remote or in-person) will begin on Monday 12/7 (we currently have roughly 75 families who have signed up for this service)
- ES Fiber project complete
- FRCS reevaluating school food program (one vendor went out of business, another was not meeting nutritional guidelines for meal program).

### 6. PPE update:

- Maintenance now using “plumbed” high-powered disinfectant sprayers – will be prepared to disinfect entire campus on Wednesdays when hybrid phase-in begins
- Placed additional bulk-order of Merv-13 filters to have appropriate supply for duration of school year

## SEPAC and ELPAC Update: December 4, 2020

A SEPAC survey went out before Thanksgiving and a reminder is going out 12/4/20. We had 21 responses (good number considering it was a holiday). On Monday, special education teachers will make personal phone calls to families. We have a tentative meeting date of [12/15](#) depending on survey results.

Our next ELPAC meeting is scheduled for [12/8](#). We will be discussing ACCESS testing and officer elections.
