

Assistant Dean of Academics Report

March 2021

Welcome to March 2021 and the almost one-year anniversary of distance learning. Our staff and students have learned one major lesson during this year. This lesson is that we miss what normal school life used to be like. Encore is happy to see that other schools can see their students as early as this month and wish those students all the fun and success back to in person instruction.

- Staff returned to campus full time
 - Even though we are still distance learning, we love having our staff back on campus
- NWEA
 - Benchmark window is March 8th-18th
 - Teachers will test Math, English, and Science
 - Practicing the CAASPP testing rotation with this
- WASC Visit during March 1st and 2nd
- Teacher observations with teacher conferences will begin this month
- Math and English Curriculum for 2021/2022 school year
 - Teachers collaborate and research appropriate curriculum
 - Grades 7-12
