ILTexas Mission

The mission of ILTexas is to prepare students for exceptional leadership roles in the international community by emphasizing servant leadership, mastering the English, Spanish, and Chinese languages, and strengthening the mind, body and character.

ILTexas Pledge

I pledge to be a servant leader and put others before myself. I will serve others, respect others and encourage others. When I graduate from ILTEXAS, I will be a healthy person with a strong mind and character who speaks at least three languages. I will change the world.

We are excited to share some professional development opportunities that are available to you this summer.
