**AGENDA**

1. Call to Order
2. Awards, Honors, and Recognitions
3. Board Committee Reports
  - 3.1. Enrollment Committee
  - 3.2. Facilities Committee
  - 3.3. Finance Committee
    - 3.3.1. Financial Reports
    - 3.3.2. FY2021 Draft Budget
    - 3.3.3. Instructional Technology Plan
  - 3.4. Governance Committee
4. Special Reports
  - 4.1. Leadership Report
    - 4.1.1. FRCS Graduating Class of 2020
    - 4.1.2. Race and Social Justice
    - 4.1.3. Re-Opening Planning
  - 4.2. Foxborough Regional Charter School Foundation Report
  - 4.3. Partners In Education (PIE) Report
  - 4.4. English Learner Parent Advisory Committee (ELPAC) Report
  - 4.5. Special Education Parent Advisory Committee (SEPAC) Report
5. Policy Review
6. Old Business
  - 6.1. Remote Learning Update
  - 6.2. High School Graduation
7. New Business
  - 7.1. School Leader Evaluation
8. Approval of the Minutes
  - 8.1. December 10, 2019
  - 8.2. May 12, 2020
9. Privilege of the Floor – Members of the audience who wish to address the board may do so during this portion of the meeting. Forms for Privilege of Floor for items other than those on the agenda must be submitted by noon the day before the board meeting.
10. Items for Next Board Meeting
11. Adjournment

*The listed matters are those reasonably anticipated by the Chair to be discussed at the meeting. Not all items listed may in fact be discussed and other items not listed may be brought up for discussion to the extent permitted by law.*

*Publicly posted: June 5, 2020 at 7:00 a.m.*

**Foxborough Regional Charter School**

**A Year in Review**

**2019-2020**

***Achievements, Academic Accomplishments, and Highlights  
from our School Year***

## **2019 MCAS results continue to show tremendous student achievement and growth!**

As is the FRCS tradition, our high school students performed extremely well in their statewide assessments, continuing to achieve tremendous progress and proficiency across the various grades and subjects. Demonstrating the success of our K-12 programming, historically culminating in strong high school MCAS results, I am pleased to provide a summary:

### ***High School***

High school students continued to demonstrate strong progress and proficiency across the various grades and subjects.

10th graders demonstrated exceptional proficiency and growth, as evidenced by high achievement levels measured by the state's Composite Performance Indices (CPI – scores out of 100) in ELA (100.0), Math (97.2), and Science, Technology, and Engineering (91.7), all far outpacing the state results.

- All significant subgroups (all races, English language learners, economically disadvantaged, disabled, and high needs) achieved at high levels, demonstrated growth, and met/exceeded state targets.

100% of 10th graders passed English Language Arts (ELA). All but one student passed Math.

100% of 9th and 10th graders passed their Science, Technology, and Engineering exams.

### ***Elementary/Middle School***

Our Elementary and Middle School results mirror the state averages, on the whole, with strong performances in some grades and subjects

- In ELA, our students demonstrated higher growth and performance across the grades compared to 2018 results. All student subgroups met or exceeded targets established by the state.
- There was also a narrowing of many previously seen achievement gaps.
- In Math, there was demonstrated growth yet at a slower pace and with a slight decline in performance compared to 2018.
- Gaps likewise were narrowed across many subgroups.

We have been analyzing the results in greater detail, including how our students performed on individual standards, test items, and across subgroups. We have begun using these data to develop a strategic plan to align with our professional development program and curriculum revisions, including targeting any specific supports for individuals and small groups of students.

## Strong showing by students earning Honors, High Honors, or Distinguished Scholar achievement all three terms last year (2018-2019)

The past two weeks, we held ceremonies to recognize outstanding academic achievement for students earning Term 3 honors last year. Congratulations to all! Please [click here](#) for the list of Middle School awardees and here for the list of [High School awardees](#).

## Exciting Leadership Changes

This summer, we hired many new faculty and staff to join our all-star cast. We are excited about the breadth and depth of experience they bring to Team FRCS. In addition to our new hires, there were three exciting leadership changes.

### *High School Principal*

Welcome Mike Cournoyer! Mike was selected unanimously by all stakeholders during the interview process to find the new High School Principal of FRCS!

Before coming to FRCS, Mike was the Principal at Norfolk County Aggie High School. With a Master's Degree in Education Leadership, he has also served as HS Principal in Hopkinton and Holliston and as Assistant Principal in Hopkinton and Marlborough.

Mike transitioned into his role in September. He is now full-time, actively engaged in the important work we do with students, staff, and families. In such a short time, he has brought energy, confidence, and a collaborative, respectful presence to the building. Welcome, Principal Cournoyer!

### *Dean of College and Career Readiness*

Our Guidance Department Director, Dave is taking on a new role here as our Dean of College and Career Readiness. He will still oversee the guidance department, while also strengthening and expanding upon student experiences and learning as they prepared for life. Dave's well-rounded experience and knowledge will certainly serve our students and school extremely well. Congratulations, Dave!

### *Director of Teaching and Learning*

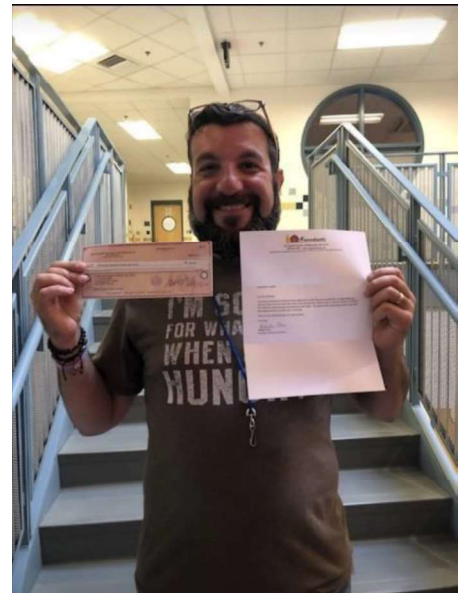

Annie Azarloza, who most recently served as our K-12 Director of Program Development and Evaluation, has been named our new Director of Teaching and Learning. Annie has provided important mentoring, coaching, and leadership, as well as coordinated various curricula, programming, pedagogy, and professional development needs of our district. Over the past 15 years, she has served FRCS as a teacher, department head, instructional leader, and district mentor and coach. In her expanded role, she will lead and collaborate with our three Principals and Student Services Director, in creating a district-wide culture focused on supporting teacher and staff needs, creating outstanding learning experiences, and increasing student achievement. Congratulations, Annie!

### **FRCS excels in Statewide Science Contest!**

Congratulations to Mr. Dave DiPaolo and his Botany class! They won 2nd place in the Massachusetts Agriculture in the Classroom video contest that they entered last spring!

For their video, the class interviewed a local farmer, Val Sousa, who happens to be a former middle school science teacher here at FRCS! The video is about the difficulties farmers are facing these days in relation to climate.

You can learn more about the Massachusetts Agriculture in the Classroom Program [HERE](#).

## Community Service Learning - A pillar of the FRCS Curriculum!

Community Service Learning (CSL) programs are an integral component of the overall educational experience at Foxborough Regional Charter School!

This year, Grade 2 is taking on campus recycling as part of their CSL. Here's a photo of our hard working students getting the job done! Enter to Learn, Exit to Lead!

## Celebrating Hispanic Heritage Month

Celebrating culture and diversity is one of the things that makes FRCS very special! Hispanic Heritage Month began on September 15<sup>th</sup>. Our Spanish National Honor Society students have been working to bring attention to important historical dates and people in Spanish history. On Thursday, September 26<sup>th</sup> the honor society hosted students and staff at their 2<sup>nd</sup> annual Spanish Wax Museum of influential Latinos in the United States.

## Outstanding community partnerships result in free swim lessons for all FRCS Kindergarten and 1<sup>st</sup> grade students!

Thanks to an incredible partnership, all K-1 children attending the Foxborough Regional Charter School can receive FREE swim lessons as part of the SPLASH program at the Invensys Foxboro YMCA! Through the incredible generosity of the Spier Family Foundation, SPLASH combines the love of swimming with the critical importance of teaching water safety skills.

A basic overview of SPLASH includes:

- The SPLASH program located only at the Invensys Foxboro YMCA will give the opportunity for K-1<sup>st</sup> graders to receive FREE swim lessons (up to 8 weeks).
- SPLASH will run 5x a school year starting in September and concluding the beginning of June.
  - Parents must provide the flyer at time of sign up.
  - Sign-ups for SPLASH must be done in person at the YMCA.
  - Those currently or previously enrolled in YMCA swim programs can participate.
  - SPLASH is not a specific class. Children will still take classes based upon their level and time availability.
- SPLASH is funded 100% by the Spier Family Foundation geared to having all children of all means take FREE swim lessons.
- SPLASH is only offered and applicable at the Invensys Foxboro YMCA.

### SPIER FAMILY SPLASH PROGRAM

Through the SPLASH Program and generosity of the Spier Family Foundation, kindergarten and first graders at the Foxborough Regional Charter School are being offered a free swim class session at the Hockomock Area YMCA's Invensys Foxboro Branch.

SPLASH is an initiative that strives to improve water safety skills and give more kids the opportunity to enjoy a lifetime of recreational swimming.

You are invited to enroll by visiting the Invensys Foxboro Branch at 67 Mechanic Street to be assessed.

Swim assessments run for children who have not taken Hockomock Y swim lessons. Please contact Sheila to make an appointment.

\*If you have recently taken Hockomock Y swim lessons, simply visit the Y and sign up for the appropriate level.

Offer is valid for one session per child and only at the Invensys Foxboro YMCA.

FOR YOUTH DEVELOPMENT™  
FOR HEALTHY LIVING  
FOR SOCIAL RESPONSIBILITY

UPCOMING  
SPLASH  
SESSION RUNS:

9/9 - 10/30/19

To register, please visit the Invensys Foxboro Branch. Non-members are welcome.

CONTACT:  
Sheila Riley

Working with such amazing community partners as the Spier Family Foundation and the Hockomock Area YMCA helps to provide our students wonderful experiences and life-long skills!

## Keeping safety and security at the forefront of our learning environment.

We take the safety and security of our entire school community extremely seriously. In fact, it is our primary job.

Over the years, we have worked with a dynamic team of security professionals to create a comprehensive Emergency Management and Multi-Hazard Plan. Specifically, we have also focused significant attention on our training and response in the case of an intruder. While incidents such as these are rare, they are also unfortunately real, and it is essential we are vigilant and prepared. This has resulted in moving toward a Run, Hide, React model rather than just a hide/lockout down approach. Research and lessons learned over the years demonstrate a clear need to provide options based upon specific situations.

Of course, training for those options and appropriate responses is critical. Over the past four years, we held lecture and interactive training sessions with all our staff. We initially practiced Hide/Lockdown drills, and then progressed to introduce the Run and React components. This is based upon responding to the best information available at the time, including both an immediate Run/ Evacuation and a Run/Evacuation after going into a Hide response (a threat is no longer in the immediate area).

Both local and state tactical law enforcement are knowledgeable about our campus, areas of egress, and facility operations. They worked with us on a comprehensive response and reunification plan and have virtual maps of our campus. In addition, K-9 units are included in our training and response plans, and we provide opportunities for these partners to train at FRCS.

This year, we have continued to build upon previous lessons and scenarios to strengthen our individual and collective knowledge and abilities to respond appropriately. And as you know, we also have a full-time, dedicated School Resource Officer (SRO) on campus. SRO Monterosso has made an amazing difference in our hallways, cafeterias, and classrooms over the past year, and I look forward to his continuing positive impact across our school community.

While reactionary measures typically receive the most public attention, it is important to note that is only one aspect of our programming. We have a variety of formal, proactive, and

preventative measures that serve to keep our campus safe and secure.

### Lights, Camera, ACTION!

The outreach department has been busy over the past few months working with a professional film company to create a promotional video for the new and improved FRCS website. On Thursday, September 19<sup>th</sup>, Alex Sandman and his crew were here on the FRCS campus to talk with students, staff, and parents about what makes our school so great.

The crew returned on Tuesday, September 24<sup>th</sup> to capture video of our campus in action. The purpose of this promotional video will be to recruit families and staff. If you haven't seen it already you can [watch it here!](#) Here are some photos from the shoot!

### Playground Build Day – A Success!

October 1<sup>st</sup> was a very special day at FRCS! More than 200 volunteers came together to build our new playground on the Elementary School Grounds in just six hours! Over the summer, we were awarded a grant from KaBOOM!, a national non-profit that's dedicated to ensuring all kids have a safe place to play. The grant was funded by UnitedHealthCare and the New England Patriots.

UnitedHealthCare sent 125 volunteers to FRCS from all over New England to help us construct the new play space. FRCS families, supporters and students were also critical in the build process! About 100 FRCS strong volunteers chipped in. It was an incredible showing of community! The Ribbon Cutting was very exciting! Members of the New England Patriots – including rookie sensation Chase Winovich, and owner Bob Kraft were here at FRCS.

## Celebrating the HSP – The End of a Very Special FRCS Journey

Foxborough Regional Charter School is celebrating the end of a very special journey!

What began as a 5th grade class enrichment project in my classroom in 2009, the Holocaust Stamps Project (HSP) has now officially 'graduated' as the kindergarten to grade 12 community service learning initiative that raised awareness of history, tolerance, and acceptance at Foxborough Regional Charter School. The stamps, and collages created by our students over the past decade have been donated to the

American Philatelic Society (APS) in Bellefonte, PA.

Representatives from the APS made the trek from Pennsylvania to Massachusetts to transfer the 18 original artworks and dozens of plastic tote boxes filled to the brim with donated stamps to the museum where they will soon be on display. We had so many stamps, that they had to make two trips to FRCS to collect them all!

In 2017, we reached our goal to collect 11 million postage stamps, one for every life snuffed out by hatred during the Holocaust. Over the past decade, students have completed 18 Holocaust-themed stamps collage artworks using 15,000-20,000 of the stamps that were donated from across the country and around the world.

Every aspect of the HSP has provided educational opportunities for students, staff, community volunteers, and visitors, but until now there has been no way for the public to view and enjoy the project. *We'll keep you posted on the progress of the APS display.*

## Grade 5 Students Enjoy Nature's Classroom Experience

After four days away exploring, our Grade 5 students returned from the annual Nature's Classroom field trip on October 31<sup>st</sup> with a lot of new knowledge and some lifelong memories!

At Nature's classroom, students and teachers have a chance to experience education outside the classroom. Learning happens in an outdoor setting and the students live as a group at a campground in Charlton, MA. Students are immersed in experiential learning and hands on activities from wake up until their head hits the pillow. They sleep in cabins for the week and eat as a community. It's an opportunity for kids to spend time in nature and

Completely unplug.

Many thanks to Ms. Kraus and the Grade 5 team who attended Nature's Classroom and planned this incredible trip over the past several months!

## FRCS Campus Comes Together for Unity Day

On Wednesday, October 23<sup>rd</sup>, the Foxborough Regional Charter School Community celebrated Unity Day!

Students in Grades K-12, as well as staff were invited to wear the color to show solidarity in the fight against bullying. Unity Day also encourages kindness, acceptance and inclusion.

Elementary School students participated in a parade around campus. Middle School students, High School students, and staff members came outside to cheer them on!

## Falcon Pride Lunch Groups With Mrs. Benson!

During the week of October 7th, ES Principal Christana Benson had lunch with several outstanding students!

Here are just a few of the students in the first Falcon Pride Lunch Groups!

The students exhibited role model behavior in the classroom and were able to eat lunch with the principal! These lunches will occur each month to reinforce Falcon Pride and what it means to show respect, responsibility, kindness, and teamwork here at school.

## Celebrating Diversity at FRCS!

A BIG thank you to all of the parents who came to speak to our Elementary School classes about Diwali. Mr. and Mrs. Vasireddy visited with Ms. Smith's kindergarten class on November 1st!

Diwali is a five day celebration of light and goodness and marks the beginning of the Hindu year. Take a look at the bulletin board some our students created in celebration of Diwali!

## **Class of 2020 Leaders Help Freshmen Look to the Future!**

On Tuesday October 22nd members from our Senior class, who were selected by faculty and staff based on leadership, service, extracurricular and academic excellence, went into our Advisory classrooms for Grade 9.

Dr. Logan and Mr. Cournoyer visited classrooms as well, and Seniors covered the following talking points. Our exemplary seniors were: Abby Alcide, Emily Berry, Maya Chubet, Lydia Chubet, Sebastien Denis, Thajhea Desir, Catherine Fandel, Sarah Gallant, Fox Guajardo, Lindsay Haigh, Abida Husain, William Lyle, Quincy Marcellan, Aznii Martin, Alexa Micciantuono, Daunte Pean, Erin Shaheen, Messiah Walrond, David White, and Zeno Williams.

The conversations were rich and our grade 9 students immersed in conversation around opportunities at FRCS. The week prior to this program our students watched a video regarding the mindset of 'Opportunity vs Obligation' and how important the lens that we look through can be. We are looking forward to all the wonderful accomplishments yet to come for our grade 9 students, and for some of your students to be systemic leaders during their Senior year! Congratulations to all involved and a special thank you to Dr. Logan and Mr. Cournoyer for their support and involvement.

## FRCS Debate Team off to a GREAT start!

Congratulations to the FRCS High School students who competed on October 19<sup>th</sup> at Burrillville High School! The season is off to a great start.

Here's a list of FRCS students who placed:

### Novice Teams

4<sup>th</sup> Place: Daniel Currier and Valdas Kalibatas

5<sup>th</sup> Place: Hannah Kelsey and Areana Martel

### Notice Individuals

4<sup>th</sup> Place: Hannah Kelsey

7<sup>th</sup> Place: Keaton Miller

10<sup>th</sup> Place: Daniel Currier

### Varsity Individuals

15<sup>th</sup> Place: Janda Nuovo

The Debaters will compete again on November 16<sup>th</sup> at Classical High School. FRCS looks forward to hosting a Debate on our campus in February.

## 9<sup>th</sup> Annual Road Race a Success!

Congratulations to all of the runners who participated in the 9<sup>th</sup> Annual Healthy Bodies, Healthy Minds 5K/10K Road Race!

The race was held on Saturday, October 26<sup>th</sup>, and kicked off from the FRCS Campus. It was a crisp autumn morning in New England - perfect to get out for a run!

This year, we had runners join us from as far away from Pennsylvania! Rob Gallagher and his son Brady were in town for the ultimate New England Sports weekend, and decided to run our road race. It's not the first time that we've met this father-son duo. They've run our race in the past during visits to Massachusetts. But this time, they each won their respective race! Brady was the top male finisher the 5K with a time of 21:58 and Rob was the top male finisher in the 10K with a time of 41:48.

Kristin Mulligan was the top female finisher with a time of 24:00. Jennifer Gregorio was the top female finisher of the 10K with a time of 51:07.

Several FRCS students and their families participated in the race! We also had a few teams run the race, including members the Grade 5 Robotics team! Planet Robotics participated in the 5K and did a great job!

We'd like to thank our Sponsors who continue to support FRCS and our mission of innovative education!

## Community Service Learning at its Finest!

In November, Foxborough Regional Charter School Kindergarten students donated over 400 food and pantry items to local families in need!

Teachers loaded up two cars, full of the items brought in by students and delivered them to the Foxboro Food Pantry. Students collected can items, cereals, snacks, drinks, and non-edible items like toilet paper and paper towels. The food drive was Kindergarten's Community Service Learning Project for this term.

Ms. Smith's Aggie class collected 137 of those items! During their math class, students sorted the items by category, and then counted them one by one! In addition the generous students created cards and pictures to be given to families who stop by the food pantry.

The kids say they are happy to give to others, and really hope that the cards make people smile!

## **Students Recognized at Honor Society Induction Ceremony**

On November 13<sup>th</sup>, we celebrated dozens of high-achieving students at our Honor Societies Induction Ceremony.

This fall, students were inducted into the National Art Honor Society, The National Junior Honor Society, The National Junior Spanish Honor Society and the Tri-M Society. A separate ceremony will be held in the spring to induct new members into the National Honor Society, National Spanish Honor Society and National Green Schools Society.

These societies are founded on four central pillars: Leadership, Scholarship, Character, and Service. A faculty council selects young adults to be inducted into these organizations based upon these four criteria. Once a member, all are expected to continue demonstrating

these attributes both in and out of school by engaging in community service programs and other leadership opportunities. Congratulations to all on this special distinction!

## **FRCS Young Leaders Attend “Team Rivals” Peer Leadership Conference**

FRCS representatives joined Norfolk's District Attorney, Michael Morrissey, for the Team Rivals Peer Leadership Conference held Tuesday, November 26th at Gillette Stadium.

The 10 students pictured were hand selected to participate in the conference which discussed leadership qualities and good decision making. The attendees listened to speakers including the Chief of Walpole police, a MA State Trooper, and other individuals whose lives have been impacted by drugs and alcohol. They also participated in a leadership activity led by the North Attleboro branch of the Hockomock YMCA.

The leadership conference was the first of a four part challenge that FRCS is a part of to earn \$1,500 for the high school. Two of the

remaining three challenges will require help from the school community, so please stay tuned in order to show your support!

## **Molding Minds: A New Enrichment Program for 5<sup>th</sup> and 8<sup>th</sup> Graders**

Our Middle School Health and Wellness teachers, Ms. Borenstein and Mr. Gracia have been busy working on a new enrichment program to bring students together.

It's called Molding Minds. This will be a program in which 8th and 5th graders can interact and learn from each other. The goal of this program is to create positive learning behaviors, consisting of mindfulness and understanding the importance of passing down the values they have developed through their middle school experiences. The first collaboration will involve the 5th graders interviewing the 8th graders with questions regarding expectations and myths about middle school.

## FRCS Elementary School Celebrates World Kindness Day

We celebrated World Kindness Day in the Elementary School on Wednesday, November 13th! All week, the students completed various activities in Character Ed, completed a daily kindness challenge (shared a smile, gave compliments, completed acts of kindness) and each grade level came together to take picture shaped like a smiley face to show that when we are kind we share smiles with the world.

## Falcon Pride Lunch Groups!

During the first week of November, Mrs. Benson had lunch with several outstanding students! These are students in November's Falcon Pride Lunch Groups!

The students exhibited role model behavior in the classroom and were able to eat lunch with the principal! These lunches will occur each month to reinforce Falcon Pride and what it means to show respect, responsibility, kindness, and teamwork here at Foxborough Regional Charter School.

## College Acceptance Letters, Coming In!

It was a very exciting time for our FRCS seniors!

In mid-November, seniors gathered in the hallway and cleared the bulletin board to prepare it for this year's college acceptances.

This has become a popular FRCS tradition! When students receive an acceptance to a college they've applied to, they post the school's logo with their name on the bulletin board.

Some of those early acceptance letters have already arrived! We can't wait to see what the board looks like when it's full of colleges!

## FRCS Debate Team Once Again Finds Success at Tournament!

The second debate tournament of the year was a big success for FRCS. The tournament was on Saturday, November 16th at Classical High School.

The Novice team of Sophomores Hanna Kelsey & Areana Martel went 3-0 and came in first out of 38 teams. The three teams they beat all were undefeated on the day other than the time they came up against the swaying sophomores from FRCS!

Other award winners who qualified for the state championship in March include:

Varsity: Katarina Sousa (17th place individual)

Novice: Kusumita Savaram & Kaitlyn Murphy (9th team - first debate tournament for both of them!) and Jill Martin (17th individual)

FRCS is excited to host an upcoming tournament here on campus in February!

## Families Engage and Learn at Literacy Night

Thank you to the Elementary School families who came to participate in Foxborough Regional Charter School's Literacy Night!

On November 13<sup>th</sup>, Families of students in grades K-2 participated in three different workshops where FRCS teachers and staff gave advice, and introduced them to programs and games to help get their children reading! They took home resources to help work together with their kids to improve their reading and writing skills.

A big THANK YOU to Ms. Adams, Ms. True, Ms. Thompson, Ms. Nyren, Mrs. Benson and Ms. Ilaria for making our Literacy Night a success!

## Learning is FUN for everyone!

On Thursday afternoons, a group of 4th graders stop by to help out in Ms. Smith's Kindergarten class! This volunteerism is part of Grade 4 character education class. They'll be coming down to the classroom each week to help the younger students with turn taking and social intervention.

These students are also setting a fantastic example of what the younger students can do when they are older, showing them that volunteering and giving back to the community is cool!

Way to go, Grade 4! Enter to learn, Exit to lead!

## FRCS Teams Up with Personal Best Charity for the Turkey Brigade

It was an honor to once again team up with Personal Best Charity for the 2019 Turkey Brigade. This incredible Thanksgiving food drive was held here at FRCS on November 23<sup>rd</sup> and 24<sup>th</sup>.

Our students and families volunteered to help the cause in many ways. Students helped move the thousands of cans and boxes of stuffing so that they'd be ready for packaging. Then, that afternoon – hundreds of volunteers, including some from FRCS, put together 3,360 packages of Thanksgiving Dinner ingredients for local families in need.

On Sunday, students helped load up buses, trucks and cars – and more volunteers – including our very own Executive Director, Mark

Logan and his family - helped to deliver these packages! The Turkey Brigade is an example of Community Service Learning at its finest! It was a rewarding experience for our students – and their families who helped – to make the holiday brighter for families in need.

On display during the Turkey Brigade – Posters, with hundreds of sticky notes – all from our students – with notes about what they're grateful for this Thanksgiving Season!

On Wednesday, November 20<sup>th</sup>, FRCS held a District Wide Spirit Day to support and celebrate the 2019 Turkey Brigade.

We collected close to \$700 for the cause!

## FRCS Orchestra students Impress at Festival Audition!

On November 23<sup>rd</sup>, two of our students, Janda Nuovo and Sridhar Murthy qualified to the MA Southeastern District Orchestra festival after earning high scores during a successful audition! The festival is held in May!

In addition, Janda received a recommendation for All State Orchestra. This happens only for students with highest scores at audition, and it is the first time in the history of our school. Congratulations, Janda!

## Meet Brooke Rennie!

FRCS is excited to welcome Brooke Rennie to our school community! She has only been at FRCS for a few weeks, but she's already making a big difference in the lives of our Middle School Students!

Brooke is the Middle School English Instructional Coach. Her role is to partner with Humanities teachers in order to:

- Collaboratively analyze student data in order to plan reading and writing lessons that meet the individual needs of FRCS students.
- Revise and develop reading and writing curriculum that incorporates best practices in literacy instruction.
- Observe and provide feedback on daily reading and writing lessons.

Brooke is originally from Houston, Texas. She started her teaching career in Washington, D.C. where she earned a dual masters in General and Special Education from Lesley University through a teacher training program called Urban Teachers. In 2013, she moved to Rhode Island where she taught 8th grade English in Central Falls and later worked as a Reading Specialist in Providence. She's currently working on her third masters in literacy at Providence College and will graduate in May. Brooke loves reading for fun and is currently enjoying young adult author Leigh Bardugo's Six of Crows series. She lives in East Providence, RI with her husband and three year old son, Hayden.

From Brooke: "Even though I've only been here for two weeks, I've received an outpouring of support and kindness as I learn how to navigate a new school. Thank you for welcoming me to the FRCS community!"

## Teacher Spotlight: Shannon Vitek

Shannon Vitek is a new Grade 5 Humanities Teacher here at FRCS. She has been in education for twenty-two years. After marrying her college sweetheart, she and her family moved from her home state of Colorado here to Massachusetts this past summer. She graduated from the University of Northern Colorado with emphasis in Social Sciences and went on to receive her Masters Degree in Curriculum and Instruction. She was involved in the Thinking Strategies Institute through PEBC and completed four years with the Teaching American History Grant program. Additionally, Shannon was a member of the Cimarron Middle School STEP Team, implementing Emergenetics into the classroom as an open lab for educators to further their learning and growth. Welcome to FRCS, Shannon.

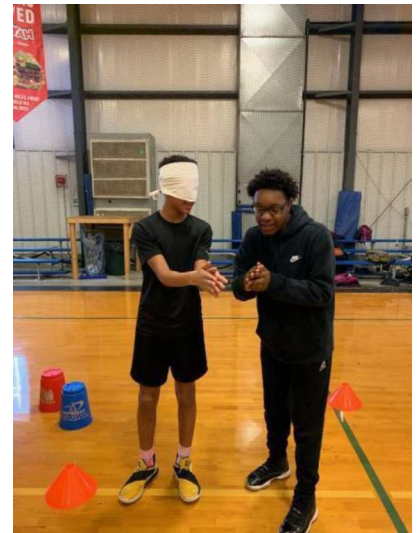

## John and Abigail Adams Scholarship Awardees Announced

Congratulations to these outstanding members of the Foxborough Regional Charter School Class of 2020! These seniors have qualified for the John and Abigail Adams Scholarship based on their MCAS scores. This scholarship provides four years of tuition (fees not included) at participating Massachusetts public institutions of higher education, which includes 28 universities and community colleges.

Emily Berry	Aznii Martin
Elissa Cano	Alexa Micciantuono

## 9<sup>th</sup> Graders Enjoy Day of Team Building & Community Building Activities

On Wednesday, December 18th, our FRCS freshmen attended a field trip to Mass Premier for the day to take part in team building, goal setting and community building activities. The trip was organized by Dean Skoko with help from Ms. Goddard, Ms. Droste and a team of teachers. The goal of the activities is to help the class of 2023 to maximize their amazing potential. Thanks go out to all who contributed their time and energy to this worthwhile event! *Enter to Learn, Exit to Lead!*

## FRCS Families Enjoy Coffee With the Counselors

On Monday, December 16th, several FRCS families stopped in for Coffee with the Counselors! This was a fun way for our FRCS community to get to know our Elementary School counseling staff, and learn more about the programs we offer. In addition, we talked about School Wide Positive Behavioral Strategies and the transition back to school after Vacation. A big thank you to our K-4 counseling staff for hosting this informative event, and to our families who came out!

## New Clubs Launched in the Middle School!

Here at FRCS, our goals include exposing our students to new and unique opportunities. Recently, the Middle School launched two new after school clubs for students to attend. One of the clubs is the Haitian Creole Club. We're so lucky to have FRCS parent MarieCarmel Sanon-Jerome! She has attended some of the meetings and has really helped our students learn something new! Another new club in the Middle School is the Yu-Gi-Oh Club. Yu-Gi-Oh is a Japanese manga series with an associated card game. The Haitian Creole Club meet on Thursdays, Yu-Gi-Oh meets on Fridays. Thank you to Ms. Kim Ledoux for getting these clubs going, and getting our students involved!

## Success for FRCS Debate Team at December Tournament

Congratulations to the Foxborough Regional Charter School Debate Team for another incredible showing! The students from FRCS impressed at Saturday, December 7th's debate in Cumberland. The highlight of the day goes to the Varsity team of Junior Katarina Sousa and Sophomore Nina Demirs who impressively came in second overall in the intense Varsity field, qualifying both Katarina and Nina for the state championship in March. Katarina and Nina were undefeated on the day and were narrowly edged out by an also undefeated team from Barrington, RI for the top spot. This month's tournament featured teams from FRCS, Barrington High School, the Wheeler School, Cumberland High School, Classical High School, East Greenwich High School and the Lincoln School. At the Novice level, FRCS debaters captured 6 award spots with the teams of Hannah Kelsey and Areana Martel and Thomas Silva and Izzy Corradini finishing in the top ten and Keaton Miller and Alex Bland (in her first debate ever!) also individually qualifying for the state championship. FRCS will host a tournament on Saturday, February 1<sup>st</sup>.

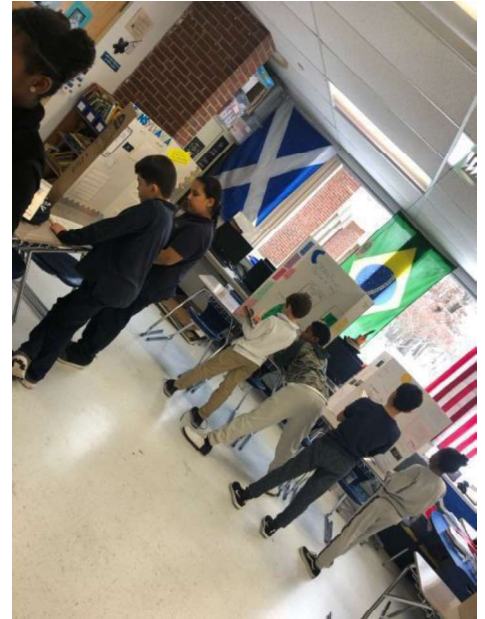

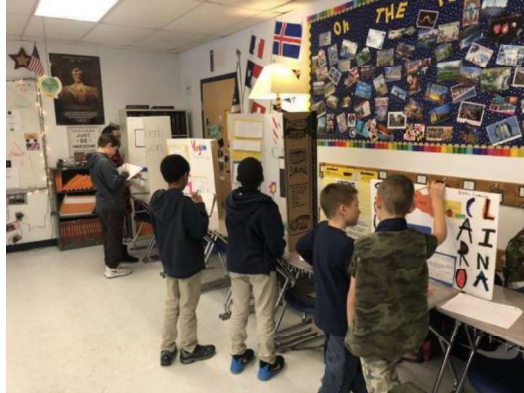

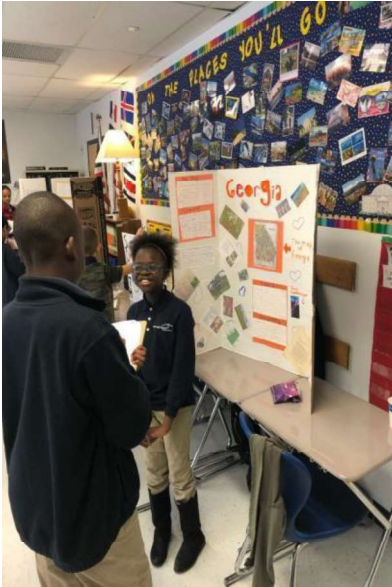

## Kindergarten Completes Successful Pajama Drive

Wow! Way to go, Kindergarten! The Foxborough Regional Charter School Kindergarten classes recently held a pajama drive. Together, they collected 232 pairs of pajamas!!! We partnered with "Scholastic Books" and "The Great Bedtime Story Pajama Drive". For each pair of pajamas donated, "Scholastic Books" donates a bedtime story book. Thank you, Kindergarten families for your kindness and generosity with this project. We will touch so many lives and warm hearts in our local community. The students enjoyed this project and were able to apply the Character Education topics to the real world.

## Celebrating Learning and Creativity with the Colonial Fair in Grade 5

Our 5th grade Humanities classes just wrapped up the 13 colonies research and portfolio writing with a colonial fair to share their learning in a creative way! Here are some photos as the students share their projects with one another.

## Orchestra, Chorus Take the Stage at the 2019 Winter Concert

On Thursday, December 12, 2019 The Foxborough Regional Charter School Orchestra and Chorus performed in the 2019 Winter Concert! It was a wonderful evening of music. These students have been practicing since September, and all of their hard work is paying off! Congratulations to Orchestra director Mr. Grandel and Chorus director Mr. Harris, and to all of our talented performers!

## Grade 1 Students Show Support for Our Military with CSL Project

During our Character Education Classes, our FRCS students have been learning about and discussing acts of kindness, helping in our community, being a good citizen as well as learning about Veteran's Day and World Kindness Day. To go along with this, our Grade 1 students completed a Community Service Learning Project that incorporates these topics.

For a few weeks, Grade 1 classrooms worked to collect items for the men and women of our military to show our gratitude for their service and to brighten their day during the holiday season. Each classroom collected different kinds of snacks and I-Tunes gift cards to build care packages to send overseas. The students also included holiday crafts that they made in these care packages.

This CSL concluded with a very special visitor to Ms. Thompson's class! Tommy's dad, Mr. Walsh is currently deployed and serving our country overseas. On Friday, December 13th, Mr. Walsh was able to FaceTime with the class! Thank you to the Walsh family, and to all of our Grade 1 families who contributed to this CSL project! We truly appreciate your generosity!

## Young FRCS Scientists Qualify to the Region III Science Fair

Congratulations to the following High School and Middle School students who submitted Science Fair projects that have qualified to the Massachusetts Region III Regional Science Fair! Outstanding job! The students presented their projects on January 16th here at FRCS during our Middle School Science Fair and on January 23<sup>rd</sup> during our High School Science Fair. The Region III Science Fair was held on Saturday, March 7th at Bristol Community College in Fall River.

## Students Earn Honorable Mention at Boston Globe Art Contest

Two Foxborough Regional Charter School students won Honorable Mentions at the Boston Globe Scholastic Art Competition this year! Chiara Tetreault (Grade 12) was recognized for her art titled "The Staircase", and Irene Fisher (Grade 10) was recognized for her art titled "Coy Fish Pond" Congratulations to both Chiara and Irene for their terrific work!

"The Staircase" – Chiara Tetreault

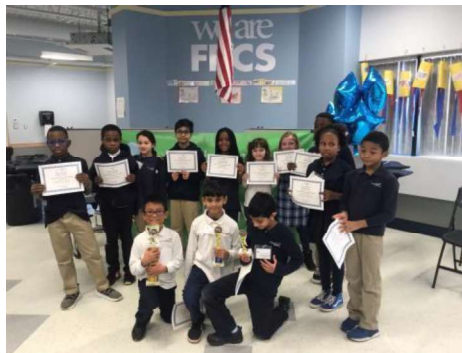

"Coy Fish Pond" – Irene Fisher

## Elementary School Spelling Bees

On January 28, 29, and 30th, we held our annual Elementary School ELA Spelling Bees. O-U-T-S-T-A-N-D-I-N-G students in grades 2, 3 and 4 participated. Everyone did a fantastic job. Congratulations to all of our participants and to our winners!

## Students Shine on Stage During Middle School Geography Bee

On Wednesday, January 29th, ten Middle School students took the stage for the FRCS Geography Bee Final!

Students answered difficult questions -- both orally, and written -- as their classmates cheered them on. Mukilan Daysankar, Grade 6, was our 3rd place finisher. His brother, Akilan Daysankar, Grade 7, was our 2nd place finisher. First place went to Rohit De, Grade 7. Rohit will move on to take the School Championship Test where he will test to qualify for the State National Championship. Congratulations to all of our participants on job well done!

## High School Students Participate in National History Day

On Tuesday, January 28th, several FRCS High School students presented their National History Day Projects to judges in the MS/HS Cafetorium. The goal of National History Day is to engage students in historical research and skills development. The hope is that participation will help students strengthen their critical thinking skills, problem solving skills, and strengthen their self-esteem and confidence. The theme for this year's National History Day is Breaking Barriers in History. Students must make a connection between the theme and their topic. Students may research topics on all levels from local history to ancient history. Students may work together in small groups, or submit individual projects. Entries are judged on historical quality (accuracy), clarity of presentation, and relationship to theme. Results of the National History Day contest at FRCS will be

announced soon. Students with the highest marks from the judges will go on to the Regional Contest in March.

## FRCS Green Schools Society Holds 3<sup>rd</sup> Annual Fashion Show

On Wednesday, January 22nd, members of the Foxborough Regional Charter School Chapter of the Green Schools Society participated in our 3rd annual Green Fashion Show. Students had a chance to model and show off their designs to their peers. It was very impressive! They created skirts, shirts, belts, and dresses out of recycled and re-purposed materials. Even advisor Mr. DiPaolo was wearing a shirt he made using re-purposed cloth shopping bags.

## Grade 10 Students Welcome, Interview Police Officers

On January 21, 2020, Mrs. Dold's English 10 class was honored to interview police officers as part of a unit based on *The Hate U Give* in conjunction with the Grade 10 CAPSTONE project. Officers Nicole Genard (Walpole PD), Brian Mulvey (Boston PD) and Mark Washington (Northeastern University PD) generously gave of their time and perspectives in response to the many thoughtful interview questions. Thank you, officers!

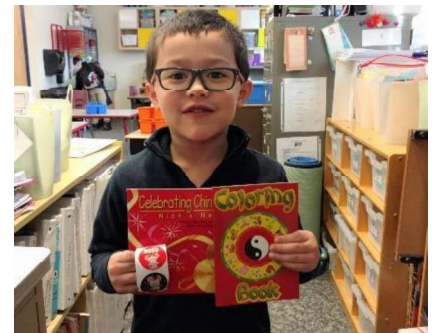

## Learning about the Chinese New Year in Kindergarten

Our Kindergarten classes all learned about Chinese New Year and talked about some of the traditions that are similar to other countries they have learned about.

The classes read great books that made it easy for the kids to understand the importance of this holiday celebrated in the Chinese culture.

## Debate Team Impresses at Final Regular Season Debate

The final regular season debate on February 1st produced some great results for the FRCS Debate Team. On the Varsity front, Katarina Sousa & Nina Demirs went undefeated to finish 3<sup>rd</sup> on the day. Aznii Martin (the team's only senior) & Janda Nuovo went 2-1 (the loss was on a tiebreaker) to finish 13<sup>th</sup>.

On the Novice front, 4 of the top 13 teams (the top 13 for the day qualified for awards and states) were FRCS teams:

- 3<sup>rd</sup> Place: Dan Currier & Thomas Silva
- 4<sup>th</sup> Place: Kusu Savaram & Kaitlyn Murphy
- 5<sup>th</sup> Place: Keaton Miller & Irene Fisher
- 12<sup>th</sup> Place: Jill Martin & Amanda Widrow

Thanks to parent judges Larissa Demirs, Elizabeth Tremblay & Michael Murphy for donating their day to help judge.

The State Championships are February 29<sup>th</sup> at Roger Williams University. FRCS will have an impressive 16 debaters competing on that day – the toughest tournament of the year! Here is the FRCS roster for states:

Varsity: Katarina Sousa, Esha Rakesh, Nina Demirs, Janda Nuovo

Novice: Hannah Kelsey, Thomas Silva, Kusu Savaram, Isabel Corradini, Keaton Miller, Jill Martin, Pranaya Srinivasan, Kaitlyn Murphy, Irene Fisher, Dan Currier, Areana Martel, Amanda Widrow

## Alumni Return to FRCS to Help Guide Future Grads

On Tuesday, January 7th, 2020, our Alumni: Mr Connor Cederholm (University of VT and FRCS Class of 2019), Mr. James Dimino (University of MA/Lowell and FRCS Class of 2019), and Ms. Cindy Le (Massachusetts College of Pharmacy & Health Sciences and FRCS Class of 2018) provided systemic leadership through the Guidance department for our current Senior class.

needed for enhanced success in Career & College Readiness. Our seniors immersed in a discussion about what College is really like (dorms, classes, extra-curricular activities, building a friend family, academic supports, and more!) The discussion bridged their personal experiences with the ASCA Rubric and our Seniors asked lots of amazing and important questions!

*Thank you to Connor, James, and Cindy! Enter to Learn, Exit to Lead!*

## FRCS Hosts Southeastern Massachusetts Association of Student Councils Winter Conference

On Wednesday, January 15th, Foxborough Regional Charter School had the pleasure of hosting hundreds of High School Students from around our region for the 2019 Southeastern Massachusetts Association of Student Councils Winter Conference.

The conference, one of three held each year, is an opportunity for young leaders to gather together and work on growing their confidence, team building and leadership skills. Student leadership is a pillar of our Mission at Foxborough Regional Charter School, so hosting the conference was an honor!

The keynote speaker of the Winter Conference was Rob Powers.

Powers, a history teacher and self-described "35-year old StuCo kid" spoke to the students about what it means to be an authentic leader who makes real and lasting connections. During his powerful message, Rob reminded the kids the importance of finding who they really are, and being that person.

After a delicious dinner, the students attended workshops focused on a variety of topics, from communication to personal management.

Congratulations to the FRCS Executive Board, Ms. Perkins, Ms. Goddard and Mr. G for organizing this incredible event. Well Done!

## Welcome, Bill Baga!

Bill Baga started here at Foxborough Regional Charter School in January. He is the Middle School Math Instructional Coach. His role is to collaborate with STEM teachers to:

- Develop best practices in math instruction and classroom structures.
- Use data to inform instruction and target individual student needs.
- Organize and deliver coherent and rigorous math curricula.

Bill is originally from Hyde Park (Boston) and grew up in Randolph, where he attended Randolph High School. He graduated from Holy Cross in Worcester with a major in economics and later completed the Boston Teacher Residency master's program. Over a span of 13 years, Bill taught mathematics within the

Boston Public Schools at both the high school and middle school levels. Currently, he is in his second year of a doctorate program in STEM leadership through UMass.

Bill enjoys spending time with his large Boston-area extended family and lives with his wife, Melanie, and five year old daughter, Camilla, in Somerset.

Bill says, "I started the year midway but already feel connected to many students and teachers! I am excited to support FRCS in improving it's math teaching and learning."

*Welcome to FRCS, Bill!*

## Fantástico! Elementary Students Excel at the Spanish Spelling Bee!

Congratulations to our students in grades 2, 3 and 4 who participated in our annual Spanish Spelling Bees on February 3rd and 4th. They did such a fantastic job! With both 3<sup>rd</sup> and 4<sup>th</sup> grade, the spellers made it through their grade level list, so we had to challenge them with next list. Very impressive!

Congratulations to our winners, and to all who participated!

### Grade 2 Winners

1. Neil Gudapati
2. Reyansh Kaura
3. Noah Thevenin

### Grade 3 Winners

1. Rajveer Jatling
2. Dalu Nwazojie
3. Saketh Mukkavilli

### Grade 4 Winners

1. Thomas Peachey
2. Mayukha Reddy
3. Dhatri Daggubati

## Grade 1 Celebrates World Read Aloud Day

Wednesday, February 5th was World Read Aloud Day! In celebration, our Grade 1 students had a chance to "meet" author Jodi McKay via video conference! The students had a lot of fun speaking with Ms. McKay and asking questions.

## Middle and High School Students Compete in 11<sup>th</sup> Annual Spanish Spelling Bee

Foxborough Regional Charter School held its 11th annual Spanish Language Spelling Bees for Middle and High School students the week of February 10th.

All of our students who took part in the bees did an outstanding job! Congratulations to all of our participants and our top three finishers in each level!

### Grade 5

1. Raynoah Strackman
2. Kyлина Brown
3. Precious Udo

### Level 1

1. Sean Ndungu
2. Olganita Jean-Laurent
3. Martine Louis-Juste

### Level II

1. Nathalya Aldophe
2. Zion Zhuwao
3. Sara Alrashid

### Level III

1. Saanvi Kumar
2. Claire Martin Neill
3. Anyav Mehta

### Level IV

1. Indeera Chehab
2. Kritisha Agrawal
3. Rohit De

### Level V

1. Dale Cover
2. Emily Reilly
3. Jasmine Scott

## Middle School Students Shine at Annual ELA Spelling Bee

On Friday, February 12, 2020 we held our annual Middle School Spelling Bee! All of our students who took the stage for the competition did a fantastic job! Congratulations to our winner, Rohit De! Rohit will be taking a written test to qualify for the state bee held later this year.

- 1st Place: Rohit De  
2nd Place: Aubrey Martin  
3rd Place: Muki Dayasankar

## Foxborough Regional Charter School Celebrates Black History Month

All February long, Foxborough Regional Charter School recognized and celebrated Black History Month. Students in grades K-12 participated in activities and events, as well as lessons in the classroom.

At FRCS, we not only celebrate Diversity; we engage in an inclusive learning environment that drives awareness and understanding for and of all. District wide, (K-12) there were lessons, activities and discussions planned all month long. Here are just a few examples:

- The Black Student Assembly (High School students) worked with Elementary School students on a variety of activities going on in the classroom.
- In art, students were introduced to some African American artists and their work.
- In Music class, students were introduced to jazz as well as the South African group Ladysmith Black Mambazo.
- In Character Ed, students made connections between the character traits we are teaching students to exemplify and those of the African American leaders we study.

We kicked off our Black History Month activities with high school students from the Black Student Assembly visiting students at the Elementary School on Wednesday. They presented lessons on the Harlem Renaissance to grades 3 and 4, as well as read and discussed folktales with the students in grade K-2.

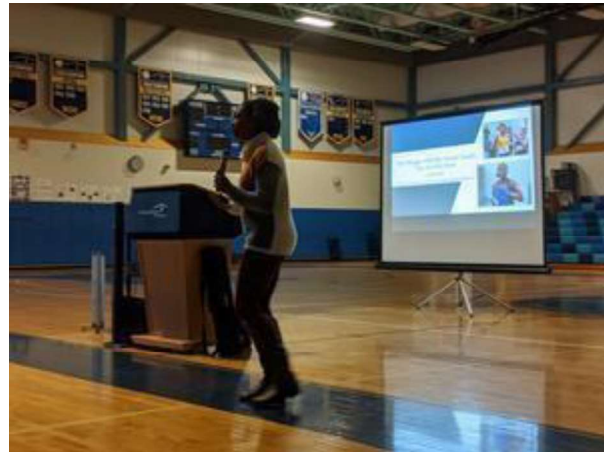

Ms. Tuggle's Grade 6 Classes also celebrated Black History Month.

Each day in class, the students highlighted inspirational young people! These are people of color under age 30 who is making an impact in their community. These young people are political activists, Olympic athletes and founders of non-profits.

## Foxborough Regional Charter School Welcomes Ivy Watts!

On Thursday, February 13th, Foxborough Regional Charter School welcomed Ivy Watts to campus! Ivy, a Summa Cum Laude graduate of the University of New Haven and former college track star, spoke candidly to our 9th-12th grade girls about her struggles with anxiety and depression despite her success. Her message: You are not alone!

Ivy promotes mental wellness and reduces stigma around mental illness by sharing her story through public speaking. She encouraged our students to love themselves, and always speak their truths.

## FRCS Elementary School Celebrates 100 Days of School

Monday, February 10th was our 100th Day of School!

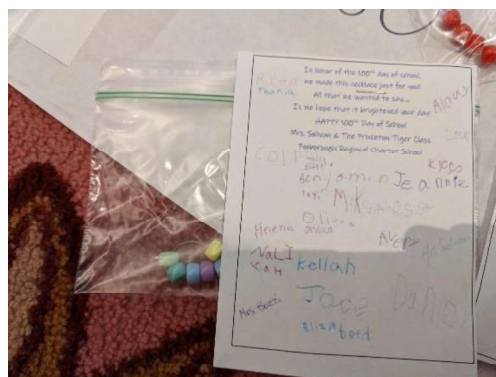

The Elementary School celebrated the accomplishment in style, with several different activities for students in grades K-4.

Kindergarten students participated in our annual 100 Days Parade! The students marched around the whole Elementary School and received high fives and cheers from the older kids.

In honor of the 100<sup>th</sup> day, all of our Elementary students worked several on meaningful Community Service Learning projects - including our school Hygiene Drive, which collected over 1,500 items. The items were donated to the Foxboro Food Pantry.

Our Kindergarten classrooms created necklaces -- 100 of them per class -- to donate and brighten the days of members of our community. Some of the necklaces included messages like "love" and "be happy". The necklaces were delivered to local hospitals and nursing homes, as an act of kindness.

We love that our Kindergarten students and the teachers were able to spread kindness and bring smiles to the faces of so many! Way to go! Enter to learn, exit to lead!

## FRCS Debaters go 1, 2 and Debate State Championship!

Congratulations to the Foxborough Regional Charter School Debate team! The debaters had a very successful trip to the state Championship on Saturday, February 29th. Here are the details from Coach H Hardie:

Dan Currier: Hardie, go jump in a lake.  
Hardie: Okay.

Well, it didn't happen exactly like that and it was a bay, not a lake, but every year Coach Hardie promises the team that if anyone finishes first at the Debate State Championship Tournament held at Roger Williams University, he'll go into Mt. Hope Bay, which is just a few yards from the venue. This year, one of the students called Hardie's bluff by capturing first place!

FRCS' own Dan Currier finished first in the Novice competition. In a rigorous five months of tournaments, 48 students earned a spot to compete in the tournament, including 12 FRCS students, Dan finished with an impressive 82 out of a possible 90 points. Only one other competitor had 82 points, but Dan beat her in a tie breaker. Who was the #2 Novice state debater? None other than FRCS' own Jill Martin!

To earn the top spot, Dan had to convince judges that:

- 1) Rachel is not the worst "Friend";
- 2) Medicare-for-all is the worst proposal for healthcare in the U.S.; and
- 3) Physicians should not be required to have triennial evaluations

Congrats to Dan & Jill for finishing in the top two slots and finding a need to clear off some shelf space for the trophies that took home.

Other highlights from the day:

-The team of Dan Currier and Thomas Silva finished second overall in the Novice tournament.

-In the Varsity competition, the final results revealed one of the tightest finishes in recent league history, with the top 19 performers separated by only 4 points. Katarina Sousa came in 17th place with 80 points with both Nina Demirs and Esha Rakesh finishing well with 79 points. Esha was the only competitor in either division on the day who scored a perfect 30 in any single round! Both of the two FRCS Varsity teams competing (Katarina Sousa-Nina Demirs and Esha Rakesh-Janda Nuovo) finished with 2 wins and 1 loss.

-And in the greatest highlight from Hardie's point of view, one Varsity FRCS debater had to begrudgingly admit she used material she learned reading *Fast Food Nation* in Hardie's class to help her win one of her debates focused on animal breeding.

It was a great end to a great season by the Filibustering Falcons and the team, which only had one senior, is looking forward to next fall and the chance to win accolades for arguing again.

And, yes, Hardie is a man of his word and did indeed go into the frigid bay. Hardie hasn't learned his lesson! He has recklessly promised to swim further into the bay if FRCS can capture first in both Varsity and Novice in a future year.

## Freezin' For a Reason! Students Raise Over \$500 for Special Olympics with Ice Bucket Challenge!

February 14th was one of the coldest days we've experienced this month. But it didn't put a stop to the annual Ice Bucket Challenge!

A few students, Several teachers -- Ms. Morse, Mr. Obenchain, Mr. DiPaolo, Mr. Pavao, and Mr. Hardie, and Mr. Gudmundson, and even administrators -- including Ms. Arzaloza, Mr. Cournoyer, and Dr. Logan allowed student council members to dump a large bucket of ice water over their heads - as the FRCS High School community watched on. The buckets used during the challenge were generously donated to us by Home Depot!

The event, organized by members of the High School Executive Board, raised \$568.29 for Special Olympics Massachusetts. Donations collected district-wide during our February SPIRIT Day also went towards this cause. Thank you for your generosity!

## Getting to Know Alan Diaz-Martin

Alan Diaz-Martin has been here at FRCS for 3 years. He is a Behavior Analyst in the Elementary School, Middle School and High School.

Alan is a resource to all who are in need of advice concerning student behavior and how the academic environment may contribute to that behavior. The responsibilities of his role include:

- Supporting teachers with classroom management
- Developing behavior intervention plans
- Writing functional behavior analyses
- Assisting in school-wide behavior interventions

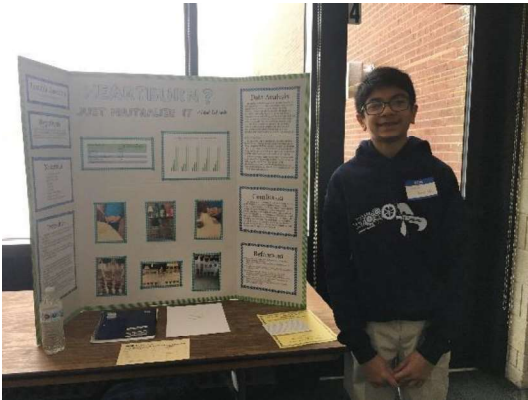

Alan is from Taunton, and was introduced to the field of Behavior Analysis while working in a residential program as a paraprofessional. He earned masters degree at UMass Dartmouth in Behavior Analysis and was able gain experience over 7 years while working in the residential program.

Alan has three children, ages 7, 5, and 2. He enjoys spending time with his kids - he says that they love playing games together!

Alan says, "I enjoy the family atmosphere and the shared goal of creating an environment that produces safe, fun and challenging learning environment for all families that choose FRCS."

## Strong Showing by FRCS Students at the Region III Science Fair

Our Middle and High School scientists had a fantastic showing at the Region III Science and Engineering Fair at Bristol Community College in Fall River on Saturday, March 7th.

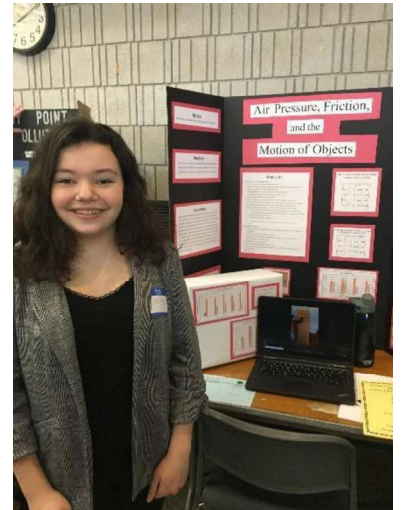

Pranav Srinivasan, Grade 6, earned First Place in the Junior Division. Pranav will be headed to the Mass. State Fair in May and was invited to apply for Nationals in Washington DC. Aakash Deshpande, Grade 7, earned 3rd place! He will also be headed to states in May.

In the High School Division, Catherine Koran earned 2nd place. She is also headed to the

Massachusetts State Fair.

Congratulations to all of our students who qualified to, and presented their outstanding projects at the Regional Science Fair. You all make FRCS very proud!

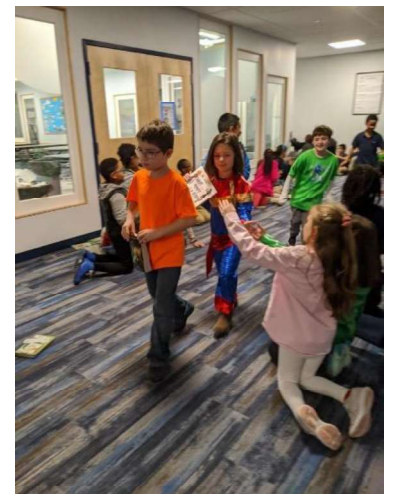

## Celebrating Our Love of Books and Reading with the Annual Book Character Parade

On Tuesday, March 3rd, we celebrated Read Across America Day at the Elementary School!

Our K-4 students were invited to come to school dressed as a character from their favorite book. Even their teachers wore fun costumes! Students participated in our annual Book Character Parade in the afternoon! This is such a fun way to celebrate our love of books and reading.

Click [HERE](#) to see more photos from the [Book Character Parade](#).

## Congratulations to our Falcon Trophy Winners!

Congratulations to our most recent winners of the Falcon Trophy!

As part of our positive behavioral intervention and support initiative, we have our Falcon Pride whole class positive reinforcement. Classes are awarded Falcon Tickets by FRCS staff members when following school expectations in the designated areas including playground, cafeteria, bathroom, and hallway. Each class collects their Falcon Tickets on a special ten-frame in their classroom. At the end of the month tickets are collected and counted. The class from each grade level with the most tickets is awarded the Falcon Pride Trophy for that month in a special celebration.

Kindergarten: Ms. Solivan's Class

First Grade: Ms. True's Class

Second Grade: Ms. Noiseux's Class

Third Grade: Ms. McDonald's Class

Fourth Grade: Mr. Fauvelle's Class

## Falcon Pride Lunch Groups!

During the first week of March, Mrs. Benson had lunch with several outstanding students! These are students in March's Falcon Pride Lunch Groups!

The students exhibited role model behavior in the classroom and were able to eat lunch with the principal! These lunches will occur each month to reinforce Falcon Pride and what it means to show respect, responsibility, kindness, and teamwork here at Foxborough Regional Charter School.

### #StayingConnected #FRCSStrong

Over the past several months during our school closure, the FRCS community has been staying connected and engaged via social media.

Families have used our official Facebook page to share photos and videos of their students doing many different things. We've asked families to share photos of students working on Blizzard Bag assignments, and other photos of their kids keeping in touch with their teachers and friends, and staying connected to the FRCS Community.

We hosted a virtual Spirit Week early in our school closure! It was a fun way for students, families and staff members to share their Falcon Pride and stay engaged.

Recently, we launched the 30 Day FRCS Music Challenge. Each day has a theme, and the students are challenged to either sign or play a song that matches the theme on a musical instrument. Parents can then submit the video, and we'll share it with the FRCS community. We've seen a lot of great talent! Be sure to visit our [Facebook Page](#) to

check out some of the submissions!

## **FRCS Announces Co-Valedictorians, Salutatorian of the Class of 2020**

We are pleased to announce the three members of the Foxborough Regional Charter School Class of 2020 who have been named this year's Co-Valedictorians and Salutatorian. These three students have devoted countless long hours and a tremendous amount of hard work and dedication to their studies at FRCS to receive this recognition.

### **Ms. Catherine Fandel, Co-Valedictorian**

Catherine Fandel is a creative and caring student with an extraordinary work ethic. Catherine is interested in Marine Biology, Oceanography, Physical Therapy & Exercise Science, and has immersed herself in our STEM Honors Diploma pathway, immersing in advanced classroom instruction as well as applied learning opportunities outside of FRCS. In addition, Catherine volunteers as a preschool teacher, engages in Contemporary Ballet, is the Treasurer for Class of 2020 STUCO, a member of our Interact Club, volunteers with the local senior center, volunteers at Mount Hope Farm, and was a member of our National Junior Honor Society. Catherine will be attending the University of Connecticut in the fall for a Degree in Exercise Science, and from there would like to pursue her

Doctorate in Physical Therapy. Catherine possesses true grace, elegance, and is a quiet and gentle giver. Congratulations to Catherine!!

### **Ms. Katya Lammey, Co-Valedictorian**

Katya Lammey is a curious, independent, and kind student with an extraordinary work ethic. During the Spring of Katya's Junior year she applied to Johnson & Wales University as a dual enrollment student within their Equine Sciences program. Katya was accepted, and as a result, has been both an FRCS Senior, as well as a first year University student (largely on campus with Johnson & Wales). Katya was Vice President of the National Junior Honor Society and STUCCO in her grade 9 year, in grade 10 she was nominated Treasurer of STUCCO, and in grade 11 was the E-Board Secretary for STUCCO, she is a member of our National Honor Society, a member of our National Green Schools Society, and volunteers for the Winslow Farm Animal Sanctuary. Katya's

accomplishments in the Equestrian world have also been nothing short of amazing! She competed in the Morgan Grand National and World Championships in Oklahoma City, a Nationally recognized

competition for over 40 years. While immersed in this level of competition, Katya placed fourth in the world in pleasure riding, sixth in the country in equitation, and second in the Nation for her 'pleasure ride'. Katya will be a sophomore next year with Johnson & Wales University and is working toward her Bachelor's Degree in Equine Science & Studies. Katya manifests poise, grace, compassion, and academic and civic excellence. Congratulations to Katya!!

**Ms. Lydia Chubet, Salutatorian**

Lydia Chubet is an independent, creative, detail oriented, and compassionate student with an exemplary work ethic. Lydia was the Secretary of the National Junior Honor Society during her ninth grade year. Lydia has been a co-captain of our Championship Volleyball Team since her ninth grade year, sharing that position with her twin sister, Maya Chubet. Lydia is on the Cheerleading team, Secretary of STUCCO in grades 9 & 10, President of STUCCO (Class of 2020) in her grade 11 year, a member of our National Green Schools Society, National Honor Society, and the National Art Honor Society. Lydia is a Camp Counselor and has immersed in the FRCS exchange program with China. Lydia is on to the University of Massachusetts at Amherst Honors College, Eisenberg School

of Business, in the fall. Lydia has a quiet calm to her process, steadfast in her efforts, models the way and encourages the heart in her leadership process, is sweet, thoughtful, and takes on challenges with ease. Congratulations to Lydia!!

**National Junior Honor Society Students Earn National Awards**

Four members of the Foxborough Regional Charter School chapter of the National Junior Honor Society have received the organization's Outstanding Achievement Award! The award is given to 500 NJHS members across the country and comes with a \$500 scholarship to save for college.

Congratulations to Erica Hauesien (Grade 9), Kyra Kent (Grade 9), Catherine Koran (Grade 9), and Yashaswi (Anagha) Panamakuri (Grade 8).

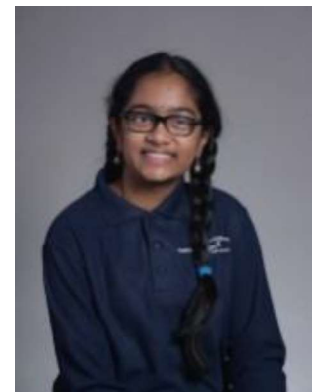

Hauesien

Kent

Koran

Panamakuri

## Foxborough Regional Charter School Ranked Among the 'Best High Schools' in Mass.

Foxborough Regional Charter School is proud to once again be ranked among the best High Schools in the state.

This year's U.S. News and World Report's rankings include data on more than 24,000 public high schools in 50 states and the District of Columbia.

FRCS is listed at number 39 in Massachusetts in 2020 out of nearly 400 high schools.

16 of the top 100 public high schools in Massachusetts are Charter Public Schools.

U.S News says, the highest-ranking high schools are those, "whose attendees demonstrated outstanding outcomes above expectations in math and reading state assessments, passed a diverse array of college-level exams and graduated in high proportions."

[Read more about how FRCS High School ranked, here.](#)

### FRCS Students Impress at National History Day State Competition

Alexandra Bland and Shreya Ganatra won a special prize at the State Competition for National History Day. The NHD competition this year featured over 400 projects! Alex and Shreya worked extremely hard on their NHD project "Breaking Barriers with the 19th Amendment" and their exhibit won a prize for "Best Project on the History of Women's Suffrage."

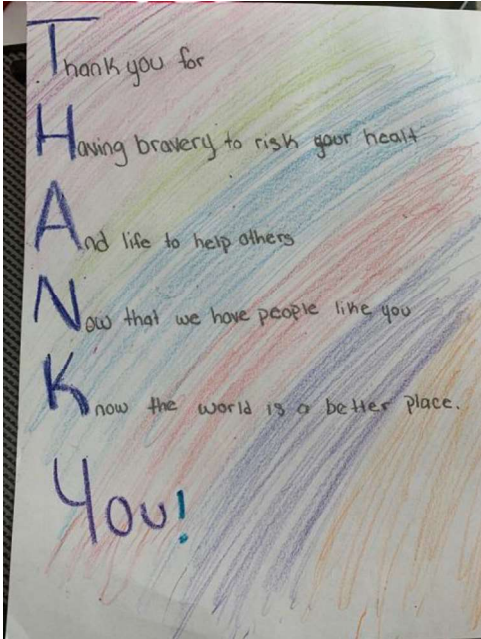

Congratulations to Alexandra and Shreya!

*Alexandra and Shreya present their NHD Project at FRCS earlier this year.*

## Thank You, Essential Workers!

Our Middle School HCC students are expressing kindness and saying THANK YOU to Essential Service workers! For their assignment, the students in grades 5-8 were asked to make a sign to hang in their windows or somewhere visible from the street to say THANK YOU to essential service workers. The goal was to make the sign big enough to be seen from the street, so that all the essential service workers could read it as they go to work! Check out a few of the signs they made to show their gratitude for all the frontline workers are doing during the COVID-19 crisis!

## FRCS Celebrates Teacher Appreciation Week!

May 4<sup>th</sup> – May 8<sup>th</sup> was Teacher Appreciation Week! It's an incredible opportunity to say thank you to the incredible men and women at FRCS who are enriching the lives of our students.

As we navigate these unprecedented times and take on roles and responsibilities that are very different for each of us, we are certainly all gaining a new appreciation for each other! Our community has pulled together and incredible things have been accomplished thanks to you at home and to our teachers and staff who are working tirelessly to bring some structure to learning. Kudos to all of our staff members as they stepped up in record time to initiate, create, develop and use tools to continue teaching remotely!

We invited families to send special SHOUT OUTS to thank a teacher or staff member who has impacted their child's life. The response was wonderful! Well over 150 messages of gratitude were sent in. We shared them on our [website](#). We also chose a handful to share on social media. This helped engage the FRCS community, and inspired even more families to send in a special thank you to a teacher or staff member.

## Celebrating the Class of 2020

The end of their senior year was certainly not what FRCS were expecting. So, we are doing what we can to show our class of 2020 that they are special! We will be honoring and celebrating our senior class over the next several weeks. We have started by sharing their Senior Sign Posts on our website and on social media. The signs are an assignment they received in Senior Advisory, and are typically hung in the hallway near the gym for all to see on Graduation night. The signs contain messages to the people the students feel helped them through their four years of High School, and a little bit of information about their plans for their future. Here are just a few examples:

**Daunte Pean**

I want to thank **Hardie, G, DiPaolo, and the Ells'** for giving me the opportunity to grow and push myself further.

And I want to give a special thanks to **my mom!** Without her support, love, and care, I know I wouldn't be here... AT ALL!

I chose Northeastern because it has a great Co-op program, an awesome engineering program and various opportunities

Next step "21" **N** to succeed.

**Emily Berry**

Thanks to my parents for getting me through 13 years of school and my friends for making it a crazy fun time!  
Also, thank you to the teachers that helped me along the way like Mrs. Droste, Mr. Obenchain, Mrs. Engle, and many more!

I am going to Colorado School of Mines because of their amazing engineering programs and diverse research and travel opportunities.

Next Step: 1,983 Miles  
Colorado School of Mines

**Maya Chubet**

Next step: 91 miles, UMASS AMHERST

Thank you to Hardie, Ms. Engle, Mrs. Skoko and Gudmundson for making my high school years fun, informative, and something to look back on fondly. Thank you so much for your support. Thank you to the FRCS Lady Falcons Volleyball team, we have some amazing memories. I'll miss you FRCS, the past 13 years have meant so much to me. Here's to the next four! I'll be at UMASS Amherst for the business and psych program, study abroad program, and most of all the #1 dining. Love you, be well.

**Aidan Rego**

**Western New England University**

I chose Western New England for its excellent academics and its continuously accelerating athletics. I know my next 4 years will be an experience to remember.

Thank you: DP & Mr. Gupta  
Next step: "55 miles"

## **Congratulations to our Spring Honor Society Inductees**

Congratulations to our outstanding High School students who have been inducted into the National Honor Society and Spanish National Honor Society. An induction ceremony to honor these students will be held at a later date.

### **2020 National Honor Society Inductees**

Tayla Alfred  
Rouua Alrashid  
Isabel Corradini  
Nina Demirs  
Tyhisia Desir  
Irene Fisher  
Kayra Homicile  
Halime Jahed  
Hannah Kelsey  
Josh Lamothe  
Areana Martel  
Jillian Martin  
Keaton Miller  
Jade Moynihan  
Thomas Silva  
Amanda-Lexine Sunga  
Carla Tadros

### **2020 Spanish National Honor Society Inductees**

Tayla Alfred  
Rouua Alrashid  
Isabel Corradini  
Tyhisia Desir  
Irene Fisher  
Immaculate Kamau  
Areana Martel Keaton Miller  
Kusumita Savaram  
Amanda-Lexine Sunga

*Please take a look at the [program](#) for a printable version listing these students!*

## See You Soon, Seniors!

Friday, May 15th was the last day of classes for seniors!

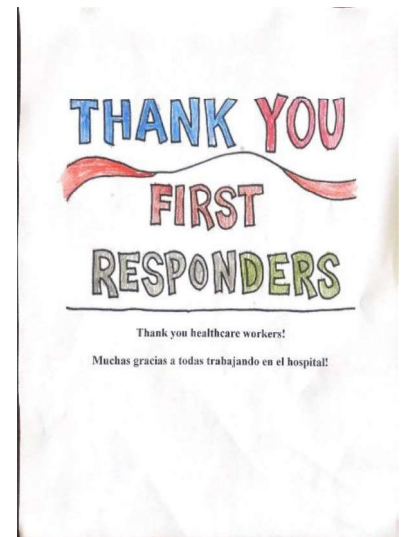

To celebrate the milestone, the FRCS teachers and staff sent messages of congratulations and good luck for the Class of 2020. The messages were put together into this [video](#)!

## Service Project Thanks First Responders!

As part of their service project, the Foxborough Regional Charter School chapter of the Spanish National Honor Society has created a video to say THANK YOU to the essential workers who have been out on the front lines during the COVID-19 crisis.

Included in their [video](#) are the coloring pages, so thoughtfully colored by our younger FRCS students!

Well done! Enter to Learn, Exit to Lead!

## Virtual Spanish Night

This year's Spanish Night may look a little different than it has in years past due to working and learning at home, remotely. But, it didn't stop our Elementary School students from practicing their poems and songs in Spanish! They did such a great job with their performances, don't you think? Check out this [great video](#) featuring our young Spanish language learners in action!

## Seniors Share Stained Glass Projects

Check out these beautiful pieces of stained glass created by some of our Seniors! They began the projects earlier in the year in Mr. Duska's class, and had to finish them up at home, remotely. We think these talented students did an INCREDIBLE job! We're so proud to share their projects with you!

### Our Products

Trinity3 Technology's product offering is comprised of New and Recertified Lenovo, Dell, Apple, HP, ACER and Samsung systems including Chromebooks. All products are custom built to your exact requirements. Our Dell, HP & Lenovo/IBM servers; NetApp, EMC, Dell & HP storage; and our Cisco, HP & Dell networking products are also custom configured to your specific requirements; and our robust service offerings are designed to complement your technology investments.

***Trinity3 has partnered with Dell & Lenovo and is a Certified Dell & Lenovo Repair Facility.***

### Our Services

In the K-12 market space, we have pioneered services like a "Parts Closet," "Advanced Exchange," "Green Packaging," "Custom Imaging," "White Glove Treatment," and "Extended Billing." As the technology needs of the marketplace change so do the service needs. That is why Trinity3 Technology can customize solutions that fit each client. Our industry leading warranties and budget-friendly pricing add value that is unsurpassed. Also, Trinity3 Financial Services is pleased to provide very flexible and scalable lease/financing options designed specifically for the unique needs of the education-municipal customer.

### Our People

What makes Trinity3 Technology unique is not just the products and services we offer but the people who stand behind them. Each member of our team shares the same motto, "With Trinity3, it's personal." To us, every relationship matters, every order matters, every time we interact with you we make the personal investment to understand how we can add value. We will listen and propose the optimal products and services to maximize both your budget and the technology products purchased. It is this personal care that garners us the highest customer loyalty in the industry.

### Our Purpose

To provide the finest quality customer experience possible when purchasing computer technology and services from us. We will listen and propose the optimal product and service solution to meet the unique needs of our clients. We are committed to delivering exceptional value to maximize budgets and technology access to all districts, schools and students both public and private.

Sincerely,

Scott Harken

### **Trinity3 Technology Return Policy**

Trinity3 Technology, LLC accepts returns within 30 Calendar Days of Shipment. All return orders, regardless of time frame, are subject to inspection and may be subject to restocking fees at the discretion of Trinity3. To be eligible for a return, your item must be unused and in the same condition and packaging you received it. Trinity3 Technology, LLC. does not accept any returns without prior written consent. Licensing and Software sales are final and cannot be returned.

### **Trinity3, LLC Warranty Statement**

Trinity3 LLC ("Trinity3") with its principal offices at 2550 University Avenue West, Suite 315-S, St. Paul, MN 55114 is providing extended warranty coverage ("Warranty") for the specific products purchased from Trinity3 on your sales quote or sales order. The Warranty period starts on the date of product delivery and continues until the expiration listed on your Trinity3 sales order. The warranty is limited to the original buyer and is not transferable.

The Warranty may provide for duplicate coverage already provided to you by other insurance policies or manufacturer's warranties available to you. You are not required to purchase a Warranty in order to purchase a computer or other electronic device from Trinity3.

#### **What is covered?**

Trinity3 will repair or replace (at our sole discretion) hardware failure and damage by accident for the specific serialized system purchased from Trinity3 or the specific technology covered under our extended Warranty (Gold Warranty) or upgraded Warranty (Platinum Warranty) during the time frame identified on your Trinity3 sales order. Accidental damage protection ("ADP") is only offered under the Gold & Platinum Warranties and applies only for the designated coverage period from the date of original purchase or date of warranty agreement. The warranty protection period varies by product type, specific warranty purchased and the specific coverage period indicated on the Trinity3 sales order. For a summary of the differences between coverages, please see the link below.

[www.trinity3.com/Warranty/Warranties](http://www.trinity3.com/Warranty/Warranties)

#### **What are the Claim Limits?**

The Warranty is limited to an individual user accidental damage incident that renders the system unusable. The Warranty does not include preventive maintenance, so you should maintain the system or device in accordance with the manufacturer's instructions. ADP is not intended to and does not protect multi-system damage events nor does it protect against the following: general use wear and tear, cosmetic wear, vandalism, human/natural disasters (including, but not limited to: fire, smoke, flood, power surge and storm-related damages) and laptop battery replacement. Platinum Warranty coverage on laptop batteries is three years (on new mobile devices only) with one battery replacement from the date of purchase.

[www.trinity3.com/Warranty/Warranties](http://www.trinity3.com/Warranty/Warranties)

#### **What is the Deductible?**

There is no deductible or any other fees required to fulfill a repair and/or replacement.

### **How do I report a Problem?**

In the case of hardware failure or an accidental damage event, loss or theft, we can provide simple and fast help. Call Trinity3 Customer Service at 1-855-862-5120 or submit online;

[www.trinity3.com/warranty/add](http://www.trinity3.com/warranty/add)

Submissions must be reported in a timely manner and please be prepared to provide the serial number and description of the problem or defect.

Trinity3 repairs all products at our technical facility located in St. Paul, MN. Unless a claim is for loss or theft, returning the original device is required. Trinity3 will provide you with a prepaid shipping label for you to return your device to Trinity 3. Failure to return your original device to Trinity3 will result in additional charges for the non-returned equipment.

Trinity3 service technicians located at the Trinity3 technical center: 650 Pelham Blvd, Suite 600, St. Paul, MN 55114 will assess the device and take appropriate action to repair and/or replace the hardware failure, once the product is returned.

Repairs and/or replacements may be fulfilled with new or reconditioned equipment. Reconditioned equipment may have minor cosmetic flaws. Replacement of accessories may be with generic or non-original manufacturer accessories. If the exact model is not available, the replacement will be of like kind and quality but you will be notified in advance if a different model is to be returned.

Trinity3 will use reasonable efforts to amicably resolve any disputes with respect to our Warranties. If you have and issues or problems with our warranties or your customer experience working with Trinity3, we welcome and invite you to contact your sales and/or customer service representative to reach a positive outcome.

*Please review the warranty plan specifics and terms/conditions on this page.*

## TRINITY3 PLATINUM WARRANTY

### *Individual System Warranty & Accidental Damage Warranty*

The Trinity3 Platinum warranty includes the individual system warranty and accidental damage warranty mentioned in TRINITY3 Gold but provides the very best protection available for your technology investment. In addition to the TRINITY3 Gold warranty, we increase the per device limit to unlimited, provide coverage for theft/loss up to 2% of total units purchased or under warranty agreement and extend the 1x battery coverage for 3 years

Trinity3 will repair or replace (at our sole discretion) hardware failure and damage by accident for the specific serialized system purchased from Trinity3 or the specific technology covered under our extended or upgraded warranty agreement with an unlimited per device limit. ADP applies only for the designated coverage period from the date of original purchase or date of warranty agreement and is not transferable. The warranty protection period varies by product type and the specific coverage period is indicated on the order invoice and/or warranty agreement.

TRINITY3 Platinum warranties are limited to an individual user accidental damage incident that renders the system unusable. ADP is not intended to and does not protect multi-system damage events nor does it protect against the following: general use wear and tear, cosmetic wear, vandalism, human/natural disasters (including, but not limited to: fire, smoke, flood, power surge and storm-related damages) and laptop battery replacement. Warranty coverage on laptop batteries is three years (on new mobile devices only) with one battery replacement from the date of purchase. Trinity3 warranties exclude replacement of lost or stolen stylus/EMR pen/Apple pencil. \*Trinity3 will replace a manufacturer's defective unit or 1x damage event for the lifetime of the warranty period with the pre-exchange of the damaged unit.

# HP Chromebook 11 G8 EE

The Chromebook built for schools and designed for learning

Help students reach their potential with cloud-first<sup>1</sup> learning on the durable HP Chromebook 11 G8 EE that keeps pace with active student lifestyles while the fast-booting Chrome OS makes IT management easy.

## A Chromebook built to withstand students and school days

- Give students a Chromebook that can survive a fall off a desk<sup>2</sup>, a splash from a soda<sup>3</sup> or a tugged power cord. It resists spills<sup>3</sup> and attempts to remove keys, has metal-reinforced corners, and is 122 cm<sup>2</sup> drop tested—higher than most desks.

## Classroom-ready performance

- Quickly stream and access textbooks, tests, and more with Intel® processors<sup>4</sup> and the Chrome OS. Work continuously with long battery life and fast recharging. Make it easy to control and manage student interactions with HP Classroom Manager.<sup>5</sup>

## Engaging discussions

- Show and share Android™ and G Suite apps in class on a lie-flat device that has an optional HD IPS anti-glare touchscreen.<sup>6</sup> Bring distance learning closer and collaborate remotely in real-time with a webcam and HP Extended Range Wireless LAN.<sup>7</sup>
- Get a low-maintenance experience with the automatic software updates and virus protection of the Chrome OS.<sup>1</sup>
- Get online quickly, even in crowded rooms, with WLAN 802.11 ac with MU-MIMO and HP Extended Range Wireless LAN.<sup>7,8,9</sup>
- Help teachers control the classroom, manage class PCs, and collaborate with students with the intuitive toolset of HP Classroom Manager.<sup>5</sup>
- Take learning in new directions with access to the Google Play™ Store and Android™ apps, which include thousands of instantly shareable and easily manageable innovative education apps.<sup>1</sup>
- Say goodbye to downtime with rubber bumpers, an anchored keyboard, and a reinforced power port and corners in a design that undergoes MIL-STD 810G and education testing.<sup>10</sup>
- Make sticky devices a thing of the past with a keyboard that can be repeatedly wiped down with common household cleaning wipes.<sup>11</sup>
- Spend more time learning with a long battery life and HP Fast Charge, which recharges the battery to 90% in 90 minutes through a USB-C™ adapter.<sup>12</sup>
- Reinforced USB-C™ ports on each side support USB-C™ accessories and Chromebook charging from a USB-C™ adapter. Connect to accessories with two USB 3.1 Gen 1 ports and 3.5 mm mic and speaker ports.
- Easily deploy, manage, and control users, devices, and apps on 10s, 100s, and even 1000s of HP Chromebooks with Google's optional Chrome Enterprise Upgrade or Chrome Education Upgrade.<sup>1,13</sup>
- Breathe easy with an IT investment that is supported by a one-year standard limited warranty. Extend your protection to cover accidents, travel, next-business day needs, and more with optional HP Care Pack services.<sup>15</sup>

# HP Chromebook 11 G8 EE

## Messaging Footnotes

- <sup>1</sup> Internet access required and sold separately. Some apps may require purchase.
- <sup>2</sup> 122 cm test on plywood and 76 cm test on concrete. Drop test is not a guarantee of future performance under these test conditions. Any accidental damage requires an optional HP Accidental Damage Protection Care Pack.
- <sup>3</sup> HP Total Test Process testing is not a guarantee of future performance under these test conditions. Any accidental damage requires an optional HP Accidental Damage Protection Care Pack.
- <sup>4</sup> Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of clock speed.
- <sup>5</sup> Sold separately. Internet access required and sold separately.
- <sup>6</sup> Sold as a configurable option at time of purchase.
- <sup>7</sup> Based on internal testing vs. previous generation product with 802.11ac wireless LAN module.
- <sup>8</sup> Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited.
- <sup>9</sup> Multiple-Input Multiple-Output (MIMO) is a wireless technology that uses multiple transmitters and receivers to enhance data transfer. MIMO requires a MU-MIMO router, sold separately.
- <sup>10</sup> MIL-STD testing is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Any accidental damage requires an optional HP Accidental Damage Protection Care Pack.
- <sup>11</sup> See user guide for cleaning instructions. Commonly used household cleaning solution wipes tested to 1,000 wipes include: n-Alkyl (C14, 60%, C16, 30%, C12, 5%, C18, 5%); Dimethyl Benzyl Ammonium Chloride 0.184%; n-Alkyl (C12, 68%, C14, 32%) Dimethyl Ethylbenzyl Ammonium Chloride 0.184%; other ingredients 99.632%. And solution: water, Ammonium Hydroxide, Propylene Glycol, Alkyl Polyglycoside, Z-Hexoxyethanol, fragrance.
- <sup>12</sup> Recharges the battery up to 90% within 90 minutes when the system is off or in standby mode, when used with the power adapter provided with the notebook, and no external devices are connected. After charging has reached 90% capacity, charging speed will return to normal. Charging time may vary +/-10% due to System tolerance.
- <sup>13</sup> Sold separately.
- <sup>14</sup> Sold separately. Availability varies by region.
- <sup>15</sup> Sold separately. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit [www.hp.com/go/cpc](http://www.hp.com/go/cpc). HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

## Technical Specifications Footnotes

- <sup>1</sup> Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.
- <sup>2</sup> Processor speed denotes maximum performance mode; processors will run at lower speeds in battery optimization mode.
- <sup>3</sup> For storage drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 8.1 GB is not user available.
- <sup>4</sup> Google Drive offer is tied to this device and is non-transferable. If this device is returned, the extra storage will be revoked. In order to redeem this offer, you will need to be on Chrome OS™ 23 or later. Internet access is required and not included. Additional information about storage plan refunds, renewals, cancellations and expiration is available at the Google website: <https://support.google.com/chromebook/answer/2703646?hl=en>
- <sup>5</sup> Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited.
- <sup>6</sup> Chromecast must be purchased separately.
- <sup>7</sup> HD content required to view HD images.
- <sup>8</sup> Resolutions are dependent upon monitor capability, and resolution and color depth settings.
- <sup>9</sup> Sold separately or as an optional feature.
- <sup>10</sup> HP Classroom Manager is sold separately. Control and device locking from the teacher's desktop requires purchase of HP Classroom Manager.
- <sup>11</sup> Chrome Enterprise Upgrade and Chrome Education Upgrade are sold separately and require one-time setup, subscription, Google Admin Console, and your organization's domain. Please see <https://support.google.com/a/answer/60216>.
- <sup>12</sup> Security lock is sold separately.
- <sup>13</sup> Recharges up to 90% within 90 minutes when the system is off or in standby mode when used with the power adapter provided with the notebook. After charging has reached 90% capacity, charging speed will return to normal. Charging time may vary +/-10% due to System tolerance.
- <sup>14</sup> HP Care Packs are sold separately. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit [www.hp.com/go/cpc](http://www.hp.com/go/cpc). HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

4AA7-6544, 2019 December 10

--

It is our pleasure to recognize a variety of accomplishments beginning with summarizing a range of academic achievements and plans for this year's graduates.

Advanced Placement:

- 90% of our graduating class has immersed themselves in at least 1 Advanced Placement course throughout their four years of high school, Impressive!
- 76% of our graduating class took on a least 1 AP class during their Senior year.
- 52% of our graduating class engaged in 3 or more AP courses during their Senior year.
- 22% took on 5 or more Advanced Placement classes during their four years of HS.
- 7 Seniors had 7 or more AP classes during their tenure as a HS student.

Rosetta Stone, Dual Enrollment, VHS, Independent Study, and SIE:

- More than 1/3 rd of the class took on the challenge of independent, online learning through Virtual High School, Rosetta Stone Languages, Independent Study, and/or Dual Enrollment.
- 6 Seniors engaged in Senior Enrichment Programs
  - These experiences included: Thermodynamics, Waves & Optics, Alternative Medicine, Film Analysis & Screen Writing, Sports Management, Fashion Design, and Clinical Psychology.
- We have 1 Senior who was a fully immersed Dual Enrollment Student this year at Johnson & Wales University. This senior completed her high school requirements while attending her first year of university training, would Katya Lammey please stand! Katya is studying toward a Bachelors Degree in Equine Science and will be a university sophomore next year.

Other:

- Seniors sent 494 applications to 140 colleges and universities. Admissions included a very diverse set of public and private colleges across New England and beyond in certificate, two, four, and six year programs. The overall acceptance rate, over 70% for all college applications, impressive!
- 35, over 56% of the class, have been invited into one or more Honors programs.
- 38 students received one or more merit financial awards from colleges or universities of at least \$10,000 per year (60% of the class).
  - 18 received merit scholarships of \$20,000 or more
  - 16 seniors received merit scholarships of over \$30,000 per year.
  - Our Class of 2020, was awarded over 1.5 million Merit dollars in total.

As all families experience, another important step to higher education is figuring out the finances. Seniors can receive scholarships for a variety of academic and extracurricular achievements and they are an important way to meet the costs of college.

- 26 Seniors (41% of the class) were awarded the John & Abigail Adams scholarship, which is based on tenth grade MCAS scores, and provides full tuition at any Massachusetts State College or University.
  - This percentage is much higher (almost double) than the usual top 25% limit of our sending districts.
  - This is because more of our students score in the top 25% when compared with other students in their hometowns.
  - This is a huge credit to our graduating class and our school – well done!

Acceptances and scholarships are the result of lots of determination and talent, along with students, families and the school community working together to create opportunities and to reach goals.

We are also proud to present our top academic students:

- Valedictorian & Salutatorian: Class of 2020
  - Co- Valedictorian(s): Ms. Catherine Fandel & Ms. Katya Lamme
  - Salutatorian: Ms. Lydia Chubet

Graduation is a very special event for students, families, and the school, which celebrates 13 years of an extraordinary accomplishment. Let's give ALL our seniors a well-deserved round of applause.
