THIS PROPOSAL COVERS NELSON STRUCTURES DESCRIBED IN DETAIL ON APPENDIX 1.

FREIGHT--is prepaid and allowed to points in the Continental U.S.A. Unless shipped with a structure, component parts and accessories are FOB Fontana, California, with no freight allowance.

When loss or damage by carrier is visible, insist on notation of this loss or damage on freight bill or express receipt by carrier's agent.

PERMITS--The purchaser must assume responsibility for the selection of structures that will meet the building code and other requirements of his area and for securing building permit and cost thereof. Seller will furnish erection drawings. Engineering calculations are furnished on request.
