

## English/History/Spanish Meeting

Tuesday, September 14, 2021

**Attendance:** Mr. Parker, Mr. Warren, Mr. Watkins, Ms. Roach, Ms. Urrea, Mr. Waggoner, and Mrs. Dolf

- 1) Mr. Parker, if you can look at our English courses on Edgenuity to see if you feel students will be able to handle this or if they need to take the ESL course that would be great.
- 2) If you want to merge away from Encorestudent.com and add your assignments to Google Classroom, I am good with that!
- 3) Please email emergency sub plans to Ramsey by Friday and then pacing can be pushed to next Friday.
- 4) I hope to have more answers from the legal team after we have our meeting about Independent Study. But for right now, students should be logging in and completing their work with you. If they don't log in, they're absent.
- 5) Ms. Urrea, go ahead and keep one T.A. and send the other to Esther. She is aware you have two and can only have one (You pick who you want to keep...that's the great thing about being a teacher!).
- 6) Chad, thank you for the assessment reminder. I will update that Friday list while I'm on a Zoom meeting today!
