### 2021 Turkey Brigade

## FRCS Volleyball Team Captures 9<sup>th</sup> Consecutive Charter School State Title

Congratulations to the Foxborough Regional Charter School girls' volleyball team on their 9th consecutive State Charter School Championship!

The team defeated Pioneer II on Monday, November 8th to capture the title. It was an especially fulfilling victory for the Falcons, who had gone 15-2 in the regular season, with both losses to Pioneer II. But the regular season doesn't matter in the post-season and the Falcons came hungry and with a game plan in the championship

Freshman Saige Freitas-Rogers was named the MCSAO league MVP, and head coach H Hardie was named coach of the year.

## Giving Tuesday

For the first time, Foxborough Regional Charter School and the FRCS Foundation launched a Giving Tuesday campaign.

The foundation's goal is to give a monetary gift to each of the 81 graduating members of the Class of 2022, and every class moving forward.

These scholars who are members of the Class of 2022 have persevered through the pandemic and continue to do incredible things. Each has a bright future beyond FRCS!

On Giving Tuesday, the outreach team highlighted a few of the graduating seniors who have been learning at FRCS since Kindergarten.

Approximately \$2,000 was collected on Giving Tuesday. Donations will continue to be accepted throughout December and beyond. Every dollar collected will help the cause and will be deeply appreciated by our seniors!
