The Board of Directors
Edison School of the Arts, Inc.

Dear Board Members:

You have requested that we audit the financial statements of Edison School of the Arts, Inc., which comprise the statements of financial position as of June 30, 2020 and 2019 and the related statements of activities and change in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements. We are pleased to confirm our acceptance and our understanding of the audit engagement by means of this letter. Our audits will be conducted with the objective of our expressing an opinion on the financial statements.

We will prepare the Internal Revenue Service Form 990 and Indiana Department of Revenue Form NP-20 for Edison School of the Arts, Inc. for the year ended June 30, 2020.

Auditor Responsibilities

We will conduct our audits in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error, fraudulent financial reporting, misappropriation of assets, or violations of laws, governmental regulations, grant agreements, or contractual agreements.

An audit also includes evaluating the appropriateness of accounting policies used, and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. If appropriate, our procedures will therefore include tests of documentary evidence that support the transactions recorded in the accounts, tests of the physical existence of inventories, and direct confirmation of cash, investments, and certain other assets and liabilities by correspondence with creditors and financial institutions. As part of our audit process, we may request written representations from your attorneys, and they may bill you for responding. At the conclusion of our audit, we will also request certain written representations from you about the financial statements and related matters.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk exists that some material misstatements (whether caused by errors, fraudulent financial reporting, misappropriation of assets, or violations of laws or governmental regulations) may not be detected exists, even though the audit is properly planned and performed in accordance with U.S. GAAS.

However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.
