Rudolf Steiner, Motto of Social Ethics, 1920 (at end of first full year of first Waldorf School founded 1919)

The healing social life is found when in the mirror of each human being the whole community finds its reflection, and when in the community the strength of each one is living.

La vida social saludable se encuentra cuando en el espejo de cada ser humano la comunidad entera se encuentra reflejada y en la comunidad vive la virtud de cada uno.

AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract (or "Contract") is entered into on July 1, 2022, between Community School for Creative Education hereinafter referred to as the local educational agency ("LEA"), a member of the El Dorado Charter SELPA and Seneca Family of Agencies. (nonpublic, nonsectarian school or agency), hereinafter referred to as NPS/A or "CONTRACTOR" for the purpose of providing special education and/or related services to students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq.* and Title 5 of the California Code of Regulations section 3000 *et seq.*, AB 490 (Chapter 862, Statutes of 2003) and AB 1858 (Chapter 914, Statutes of 2004). It is understood that this agreement does not commit the LEA to pay for special education and/or related services provided to any student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"). Unless otherwise agreed in writing, these forms shall acknowledge CONTRACTOR's obligation to provide all relevant services specified in the student's Individualized Education Program (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of a student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each student served by CONTRACTOR. As available and appropriate, the LEA shall make available access to any electronic IEP system and/or electronic database for ISA development, including invoicing.

Unless placement and/or services is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed settlement agreement between LEA and parent or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with NPS placement or NPS/A services until the date on which an IEP team meeting is convened, the IEP team determines that a NPS placement is appropriate, and the IEP is signed by the student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a NPS/A. All NPS/A services shall be provided consistent with the area of certification and licensure specified by CDE Certification and as defined in California Education Code, section 56366 *et seq.* and within the professional scope of practice of each provider's license, certification and/or credential. A current copy of CONTRACTOR's NPS/A certification or a waiver of such certification issued by the CDE

pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Agreement is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract. Total student enrollment shall be limited to capacity as stated on CDE certification and in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified and all staff persons providing services to pupils shall be certified and/or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care room and board to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this State, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE in writing of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless, taking into consideration all of the surrounding facts and circumstances, a policy or policies or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR's failure to comply with applicable LEA policies (e.g., those policies relating to; the provision of special education and/or related services, facilities for individuals with exceptional needs, student enrollment and transfer, student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract; and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2022 to June 30, 2023 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. The parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2023. In the event the contract

negotiations are not agreed to by June 30th, the most recently executed Master Contract will remain in effect for 90 days. (Title 5 California Code of Regulations section 3062(d)) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR's ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Master Contract includes each ISA and they are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of current teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to District, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety-day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (California Education Code section 56366(c)(1) and (2)). In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students at the discretion of the LEA.

6. INDIVIDUAL SERVICES AGREEMENT ("ISA")

This Agreement shall include an ISA developed for each student to whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for students enrolled with the approval of the LEA pursuant to Education Code section 56366 (a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR, shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students.

Any and all changes to a student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the student's IEP or by written agreement between the parent and LEA. At any time during the term of this Master Contract, a student's parent, CONTRACTOR, or LEA may request a review of a student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA. (California Education Code sections 56366(a) (5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to student as a result of lack of provision of services while student was served by the NPS/A.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the “stay-put” requirement of state and federal law unless the parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c) (2).

16. INDEMNIFICATION AND HOLD HARMLESS

To the fullest extent allowed by law, CONTRACTOR shall indemnify and hold LEA and its Board Members, administrators, employees, agents, attorneys, volunteers, and subcontractors ("LEA Indemnities") harmless against all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of this Master *Contract* or its performance, to the extent that such loss, expense, damage or liability was proximately caused by negligence, intentional act, or willful act or omission of CONTRACTOR, including, without limitation, its agents, employees, subcontractors or anyone employed directly or indirectly by it (excluding LEA and LEA Indemnities). The duty and obligation to defend shall arise immediately upon tender of a claim or lawsuit to the CONTRACTOR. The LEA and the Member District(s) shall have the right in their sole discretion to select counsel of its choice to provide the defense at the sole cost of the CONTRACTOR or the applicable insurance carrier.

To the fullest extent allowed by law, LEA shall indemnify and hold CONTRACTOR and its Board Members, administrators, employees, agents, attorneys, and subcontractors ("CONTRACTOR Indemnities") harmless against all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of this Master Contract or its performance thereof, to the extent that such loss, expense, damage or liability was proximately caused by the negligent, intentional act or willful act or omission of LEA, including, without limitation, its agents, employees, subcontractors or anyone employed directly or indirectly by it (excluding CONTRACTOR and/or any CONTRACTOR Indemnities).

LEA represents that it is self-insured in compliance with the laws of the State of California, that the self-insurance covers district employees acting within the course and scope of their respective duties and that its self-insurance covers the LEA's indemnification obligations under this Master Contract.

17. INDEPENDENT CONTRACTOR

Nothing herein contained will be construed to imply a joint venture, partnership or principal-agent relationship between the LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Contract as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Contract shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the LEA and any individual assigned by CONTRACTOR to perform any services for the LEA.

If the LEA is determined to be a partner, joint venture, co-principle, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding.

18. SUBCONTRACTING

CONTRACTOR shall provide written notification to LEA before subcontracting for special education and/or related services pursuant to this Master Contract. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR's original notice and CONTRACTOR shall not subcontract for said service(s).

CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts, to the fullest extent reasonably possible. Furthermore, when CONTRACTOR enters into subcontracts for the provision of special education and/or related services (including, but not limited to, transportation) for any student, CONTRACTOR shall cause each subcontractor to procure and maintain insurance during the term of each subcontract. Such subcontractor's insurance shall comply with the provisions of Section 15. Each subcontractor shall furnish the LEA with original endorsements and certificates of insurance effecting coverage required by Section 15. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. The endorsements are to be on forms as required by the LEA. All endorsements are to be received and approved by the LEA before the subcontractor's work commences. The Commercial General Liability and Automobile Liability policies shall name the LEA/SELPA and the LEA Board of Education as additional insured.

As an alternative to the LEA's forms, a subcontractor's insurer may provide complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by this Master Contract. All Certificates of Insurance must reference the LEA contract number, name of the school or agency submitting the certificate, indication if NPS or NPA, and the location of the school or agency submitting the certificate. In addition, all subcontractors must meet the requirements as contained in Section 45 Clearance Requirements and Section 46 Staff Qualifications of this Master Contract.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to LEA upon request a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. CONTRACTOR and any member of its Board of Directors (or Trustees) shall disclose any relationship with LEA that constitutes or may constitute a conflict of interest pursuant to California Education Code section 56042 and Government Code Section 1090 including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR's facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

The LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the student is performed or a report is prepared in the normal course of the services provided to the student by CONTRACTOR. To avoid conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the LEA may not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may not fund services through the evaluator whose IEE the LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

When CONTRACTOR is a NPA, CONTRACTOR acknowledges that its authorized representative has read and understands Education Code section 56366.3 which provides, in relevant part, that no special education and/or related services provided by CONTRACTOR shall be paid for by LEA if provided by an individual who is or was an employee of LEA within the three hundred and sixty-five (365) days prior to executing this contract. This provision does not apply to any person who is able to provide designated

instruction and services during the extended school year because he or she is otherwise employed for up to ten months of the school year by LEA.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from the LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not, in employment or operation of its programs, unlawfully discriminate on the basis of gender, nationality, national origin, ancestry, race, color, ethnicity, ethnic group affiliation, religion, age, marital status, pregnancy or parental status, sex, sexual orientation, gender, gender identity or expression, physical or mental disability, genetic information or any other classification protected by federal or state law or the perception of one or more of such characteristics or association with a person or group with one or more of these actual or perceived characteristics.

EDUCATIONAL PROGRAM

21. FREE AND APPROPRIATE PUBLIC EDUCATION (FAPE)

The LEA shall provide CONTRACTOR with a copy of the IEP including the Individualized Transition Plan (hereinafter referred to as "ITP") of each student served by CONTRACTOR. CONTRACTOR shall provide special education and/or related services (including transition services) to each student within the NPS/A consistent with the student's IEP and as specified in the ISA. If CONTRACTOR is a NPS, CONTRACTOR shall not accept a student if it cannot provide or ensure the provision of the services outlined in the student's IEP. If student services are provided by a third party (i.e. Related Services Provider), CONTRACTOR shall notify LEA if provision of services cease.

Unless otherwise agreed to between CONTRACTOR and LEA, CONTRACTOR shall be responsible for the provision of all appropriate supplies, equipment, and/or facilities, as specified in the student's IEP and ISA. CONTRACTOR shall make no charge of any kind to parents for special education and/or related services as specified in the student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of the student's enrollment under the terms of this Master Contract). LEA shall provide low incidence equipment for eligible students with low incidence disabilities when specified in the student's IEP and ISA. Such equipment remains the property of the SELPA/LEA and shall be returned to the SELPA/LEA when the IEP team determines the equipment is no longer needed or when the student is no longer enrolled in the NPS. CONTRACTOR shall ensure that facilities are adequate to provide LEA students with an environment which meets all pertinent health and safety regulations. CONTRACTOR may charge a student's parent(s) for services and/or activities not necessary for the student to receive a free appropriate public education after: (a) written notification to the student's parent(s) of the cost and voluntary nature of the services and/or activities; and (b) receipt by the LEA of the written notification and a written acknowledgment signed by the student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA requirements concerning parent acknowledgment of financial responsibility.

Voluntary services and/or activities not necessary for the student to receive a free appropriate public education shall not interfere with the student's receipt of special education and/or related services as specified in the student's IEP and ISA unless the LEA, CONTRACTOR, and PARENT agree otherwise in writing.

22. GENERAL PROGRAM OF INSTRUCTION

All NPS/A services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 *et seq...*

When CONTRACTOR is a NPS, CONTRACTOR's general program of instruction shall: (a) utilize evidence-based practices and be consistent with LEA's standards regarding the particular course of study and curriculum; (b) include curriculum that addresses mathematics, literacy and the use of educational, assistive technology and transition services; (c) be consistent with CDE's standards regarding the particular course of study and curriculum; (d) provide the services as specified in the student's IEP and ISA. In the event a NPS is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the CDE Certification of that school, the NPS shall develop a plan to ensure appropriate coverage of students by first utilizing existing certificated staff. The NPS and the LEA may agree to one 30 school day period per contract year where class size may be increased to ensure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both parties. This provision does not apply to a NPA.

CONTRACTOR shall not be allowed to change its school calendar and/or amend the number of billable days without the prior written approval of the LEA. Nothing in this Master Contract shall be interpreted to require the LEA to accept any requests for calendar changes.

Unless otherwise specified by the student's IEP, educational services shall occur at the school site. A student shall only be eligible for extended school year services as determined by the IEP team and the provision of such is specifically included in the ISA. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

26. DATA REPORTING

CONTRACTOR shall agree to provide to the LEA all data related to student information and billing information with LEA. CONTRACTOR shall agree to provide data related to all sections of this contract, including student discipline as noted below, and requested by and in the format required by the LEA. It is understood that all NPS/A shall utilize the LEA approved electronic IEP system for all IEP development, service tracking documentation, and progress reporting, unless otherwise agreed to by the LEA. Additional progress reporting may be required by the LEA. The LEA shall provide the CONTRACTOR with appropriate software, user training and proper internet permissions to allow adequate access.

Using forms developed by the CDE or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Code sections 48900 and 48915. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code sections 48900 and 48915.

The LEA shall provide the CONTRACTOR with approved forms and/or format for such data including, but not limited to, invoicing, attendance reports and progress reports. The LEA may approve use of CONTRACTOR'S provided forms at their discretion.

27. LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

CONTRACTOR and LEA shall follow all LEA policies and procedures that support Least Restrictive Environment (“LRE”) options and/or dual enrollment options if available and appropriate, for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services, goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist the LEA in implementing the IEP team’s recommended activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a NPS, per implementation of Senate Bill 484, CONTRACTOR shall administer all statewide assessments within the California Assessment of Student Performance and Progress (“CAASPP”), Desired Results Developmental Profile (“DRDP”), California Alternative Assessment (“CAA”), achievement and abilities tests (using LEA-authorized assessment instruments), the Fitness Gram, , the English Language Proficiency Assessments for California (“ELPAC”), the Alternative English Language Proficiency Assessments for California (“Alternative ELPAC”), and as appropriate to the student, and mandated by LEA pursuant to LEA and state and federal guidelines.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR’S qualified staff. CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA.

29. MANDATED ATTENDANCE AT LEA MEETINGS

CONTRACTOR shall attend District mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, data collection, and standardized testing and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORTS

CONTRACTOR shall comply with the requirements of Education Code section 49005, *et seq.*, 56521.1 and 56521.2. LEA students who exhibit behaviors that interfere with their learning or the learning of others must receive timely and appropriate assessments and positive supports and interventions in accordance with the federal law and it’s implementing regulations. If the IEP team determines that a student’s behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan (“BIP”), the

IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy pursuant to California Education Code section 56521.1 regarding emergency interventions and behavioral emergency reports. CONTRACTOR shall ensure that all of its staff members are trained in crisis intervention, emergency procedures, and evidenced-based practices and interventions specific to the unique behavioral needs of the CONTRACTOR's pupil population. The training shall be provided within 30 days of employment to new staff who have any contact or interaction with pupils during the school day, and annually to all staff who have any contact or interaction with pupils during the school day. The CONTRACTOR shall select and conduct the training in accordance with California Education Code section 56366.1. CONTRACTOR shall maintain written records of the training and provide written verification of the training annually and upon request.

Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP, and shall not be employed longer than necessary to contain the behavior. Emergency interventions may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the individual with exceptional needs, or others, and that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. If a situation requires prolonged use of emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency.

CONTRACTOR shall complete a behavior emergency report when an emergency occurs that is defined as a serious, dangerous behavior that staff has determined to present a clear and present danger to others. It requires a non-violent physical intervention to protect the safety of student, self, or others and a physical intervention has been used; or a physical intervention has not been used, but an injury or serious property damage has occurred. Personal Safety Techniques may or may not have been used. Emergencies **require** a behavior emergency report form be completed and submitted to the LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall notify Parent within twenty-four (24) hours via telephone. If the student's IEP does not contain a BIP, an IEP team shall schedule a meeting to review the behavior emergency report, determine if there is a necessity for a functional behavioral assessment, and to determine an interim plan. If the student already has a BIP, the IEP team shall review and modify the BIP if a new serious behavior has been exhibited or existing behavioral interventions have proven to be ineffective. CONTRACTOR shall schedule with LEA an IEP meeting within two (2) days.

Pursuant to Education Code section 56521.2, CONTRACTOR shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following: (1) any intervention that is designed to, or likely to, cause physical pain, including, but not limited to, electric-shock; (2) an intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the face of the individual; (3) an intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort, or access to bathroom facilities; (4) an intervention that is designed to subject, used to subject, or likely to subject, the individual to verbal abuse, ridicule, or humiliation, or that can be expected to cause excessive emotional trauma; (5) restrictive interventions that employ a device, material, or objects that simultaneously immobilize all four extremities, including the procedure known as prone containment, except that prone containment or similar techniques may be used by trained personnel as a limited emergency intervention; (6) locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room; (7) an intervention that precludes adequate supervision of the individual; (8) an intervention that deprives the individual of one or more of his or her senses.

In the case of a child whose behavior impedes the child's learning or that of others, the IEP team shall consider the use of positive behavioral interventions and supports, and other strategies, to address that

behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations.

All restraint practices must be reviewed and revised when they have an adverse effect on a student and are used repeatedly for an individual child, either on multiple occasions within the same classroom or multiple uses by the same individual. CONTRACTOR shall notify the student's parent/guardian when any type of physical or mechanical restraint or seclusion has been used. Upon the use of any type of physical or mechanical restraint or seclusions of an LEA student, CONTRACTOR shall complete a BER per the reporting and notification requirements listed above.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations. Using forms developed by the California Department of Education or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Codes 48900 and 48915. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915.

When CONTRACTOR seeks to remove a student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall immediately submit a written discipline report to the LEA. Written discipline reports shall include, but not be limited to: the student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of the student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10th) day of suspension.

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the NPS; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (California Education Code sections 56366 (a) (2) (B) (i) and (ii)) and pursuant to California Education Code section 56345 (b) (4).)

If the LEA student is to be transferred from a NPS setting into a regular class setting in a public school for any part of the school day, the IEP team shall document, if appropriate, a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of his or her IEP team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, the parent, the CONTRACTOR or the LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to parent, CONTRACTOR and LEA. CONTRACTOR

shall provide to LEA assessments and written assessment reports by service providers upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the approved electronic IEP system of the LEA for all IEP planning and progress reporting at the LEA's discretion. The LEA or SELPA may provide training for any CONTRACTOR to ensure access to the approved system. The CONTRACTOR shall maintain confidentiality of all IEP data on the approved system and shall protect the password requirements of the system. When a student dis-enrolls from the NPS/NPA, the NPS/NPA and LEA shall discontinue use of the approved system for that student.

Changes in any student's educational program, including instruction, services, or instructional setting provided under this Master Contract, may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the student's IEP for the purposes of consideration of a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code.

33. SURROGATE PARENTS AND FOSTER YOUTH

CONTRACTOR shall comply with LEA surrogate parent assignments. Surrogate parents shall serve as the child's parent and have all the rights relative to the student's education that a parent has under the Individuals with Disabilities Education Act pursuant to *20 USC 1414-1482 and 34 CFR 300.1-300.756*. A pupil in foster care shall be defined pursuant to California Education Code section 42238.01(b). The LEA shall annually notify the CONTRACTOR who the LEA has designated as the educational liaison for foster children. When a pupil in foster care is enrolled in a NPS by the LEA any time after the completion of the pupil's second year of high school, the CONTRACTOR shall schedule the pupil in courses leading towards graduation based on the diploma requirements of the LEA unless provided notice otherwise in writing pursuant to Section 51225.1.

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including mediations and hearings, as requested by LEA. Participation further includes the willingness to make CONTRACTOR's staff available for witness preparation and testimony as is necessary to facilitate a due process hearing. CONTRACTOR shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office of Civil Rights, or any other state and/or federal governmental body or agency. Full participation shall include, but in no way be limited to, cooperating with LEA representatives to provide complete answers raised by any investigator and/or the immediate provision of any and all documentation that pertains to the operation of CONTRACTOR's program and/or the implementation of a particular student's IEP/Individual and Family Service Plan ("IFSP").

35. COMPLAINT PROCEDURES

CONTRACTOR shall maintain and adhere to its own written procedures for responding to parent complaints. CONTRACTOR shall immediately notify LEA of any complaints filed against it related to LEA students and provide LEA with all documentation related to the complaints and/or its investigation of complaints, including any and all reports generated as a result of an investigation.

36. STUDENT PROGRESS REPORTS/REPORT CARDS AND ASSESSMENTS

Unless LEA requests in writing that progress reports be provided on a monthly basis, CONTRACTOR shall provide to parents at least four (4) written progress reports/report cards. At a minimum, progress reports shall include progress over time towards IEP goals and objectives. A copy of the progress reports/report cards shall be maintained at the CONTRACTOR's place of business and shall be submitted to the LEA and LEA student's parent(s) quarterly.

The CONTRACTOR shall also provide an LEA representative access to supporting documentation used to determine progress on any goal or objective, including but not limited to log sheets, observation notes, data sheets, pre/post tests, rubrics and other similar data collection used to determine progress or lack of progress on approved goals, objectives, transition plans or behavior intervention plans. The LEA may request such data at any time within five (5) years of the date of service. The CONTRACTOR shall provide this data supporting progress within five (5) business days of request. Additional time may be granted as needed by the LEA.

CONTRACTOR shall complete academic or other evaluations of the student ten (10) days prior to the student's annual or triennial review IEP team meeting for the purpose of reporting the student's present levels of performance at the IEP team meeting as required by state and federal laws and regulations and pursuant to LEA policies, procedures, and/or practices. CONTRACTOR shall provide sufficient copies of its reports, documents, and projected goals to share with members of the IEP team five (5) business days prior to the IEP meeting. CONTRACTOR shall maintain supporting documentation such as test protocols and data collection, which shall be made available to LEA within five (5) business days of request.

The CONTRACTOR is responsible for all evaluation costs regarding the updating of goals and objectives, progress reporting and development of present levels of performance. All assessments resulting from an assessment plan shall be provided by the LEA unless the LEA specifies in writing a request that CONTRACTOR perform such additional assessment. Any assessment and/or evaluation costs may be added to the ISA and/or approved separately by the LEA at the LEA's sole discretion.

It is understood that all billable hours must be in direct services to pupils as specified in the ISA. For NPA services, supervision provided by a qualified individual as specified in Title 5 Regulation, subsection 3065, shall be determined as appropriate and included in the ISA. Supervision means the direct observation of

services, data review, case conferencing and program design consistent with professional standards for each professional's license, certification, or credential.

CONTRACTOR shall not charge the student's parent(s) or LEA for the provision of progress reports, report cards, evaluations conducted in order to obtain present levels of performance, interviews, and/or meetings. It is understood that all billable hours have limits to those specified on the ISA consistent with the IEP. It is understood that copies of data collection notes, forms, charts and other such data are part of the pupil's record and shall be made available to the LEA upon written request.

37. TRANSCRIPTS

When CONTRACTOR is a NPS, CONTRACTOR shall prepare transcripts at the close of each semester, or upon student transfer, for students in grades nine (9) through twelve (12) inclusive, and submit them on LEA approved forms to the student's school of residence for evaluation of progress toward completion of diploma requirements as specified in LEA Procedures. CONTRACTOR shall submit to the LEA names of students and their schools of residence for whom transcripts have been submitted as specified by the LEA.

Upon enrollment, CONTRACTOR shall notify parents in writing of their obligation to notify CONTRACTOR of the student's change of residence. CONTRACTOR shall maintain, and provide upon request by LEA, documentation of such notice to parents.

39. WITHDRAWAL OF STUDENT FROM PROGRAM

CONTRACTOR shall immediately report electronically and in writing to the LEA within five (5) business days when an LEA student is withdrawn without prior notice from school and/or services, including student's change of residence to a residence outside of LEA service boundaries, and student's discharge against professional advice from a NPS/RTC.

CONTRACTOR shall provide for reasonable parental access to students and all facilities including, but not limited to, the instructional setting, recreational activity areas, meeting rooms and student living quarters. CONTRACTOR shall comply with any known court orders regarding parental visits and access to LEA students.

CONTRACTOR operating programs associated with a NPS/RTC shall cooperate with a parent's reasonable request for LEA student therapeutic visits in their home or at the NPS/RTC. If CONTRACTOR is a NPS/RTC, CONTRACTOR shall adhere to all legal requirements under the Individuals with Disabilities Education Act (IDEA), 20 U.S.C. section 1412(a)(1)(A) and Education Code section 56000, et seq.; amended and reorganized by the Individuals with Disabilities Education Improvement Act of 2004 (IDEIA), 20 U.S.C. section 1401(29); Education Code section 56031; Cal. A copy of the current IEP shall be provided to the LEA.

Unless placement is made pursuant to an Office of Administrative Hearings order or a lawfully executed agreement between LEA and parent, LEA is not responsible for the costs associated with NPS placement until the date on which an IEP team meeting is convened, the IEP team determines that a NPS placement is appropriate, and the IEP is signed by the student's parent or another adult with educational decision-making rights.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. If LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Upon receipt of CONTRACTOR's written request showing good cause, LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. Addendum to NPS Master Contract

This document serves as an Addendum to the NPS Master Contract for the 2022 – 2023 school year, currently signed between the Community School for Creative Education and Seneca Family of Agencies. Both parties hereby agree to modify the existing contract agreement to include the following changes.

Section 25 is hereby deleted and replaced in its entirety with:

25. CALENDARS

When CONTRACTOR is a NPS, CONTRACTOR shall submit to the LEA/SELPA a school calendar with the total number of billable days **at least equal to** 180 days, plus extended school year billable days equivalent to the number of days determined by the LEA's extended school year calendar. Billable days shall include only those days that are included on the submitted and approved school calendar, and/or required by the IEP (developed by the LEA) for each student. CONTRACTOR shall not be allowed to change its school calendar and/or amend the number of billable days without the prior written approval of the LEA. Nothing in this Master Contract shall be interpreted to require the LEA to accept any requests for calendar changes.

Unless otherwise specified by the student's IEP, educational services shall occur at the school site. A student shall only be eligible for extended school year services as determined by the IEP team and the provision of such is specifically included in the ISA. Extended school year shall consist of twenty (20) instructional days, unless otherwise agreed upon by the IEP team convened by the LEA. Any days of extended school year in excess of twenty (20) billable days must be mutually agreed to, in writing, prior to the start of the extended school year.

~~Student must have actually been in attendance during the regular school year and/or during extended school year and received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment.~~ It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by the LEA, in writing, in advance of the delivery of any NPS service. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

CONTRACTOR shall observe the same legal holidays as LEA. Those holidays are Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day, New Year's Day, Martin Luther King Jr. Day, President's Day, Memorial Day and Independence Day. With the approval of LEA, CONTRACTOR may revise the date upon which CONTRACTOR closes in observance of any of the holidays observed by the LEA.

When CONTRACTOR is a NPA, CONTRACTOR shall be provided with a LEA-developed/approved calendar prior to the initiation of services. CONTRACTOR herein agrees to observe holidays as specified in the LEA-developed/approved calendar. CONTRACTOR shall provide services pursuant to the LEA-developed/approved calendar; or as specified in the LEA student's IEP and ISA. Unless otherwise specified in the LEA student's ISA, CONTRACTOR shall provide related services to LEA students on only those days that the LEA student's school of attendance is in session and the LEA student attends school. CONTRACTOR shall bill only for services provided on billable days of attendance as indicated on the LEA calendar unless CONTRACTOR and the LEA agree otherwise, in writing. Student must have actually been in attendance and/or received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by the LEA, in writing, in advance of the delivery of any NPA service provided by CONTRACTOR. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

Section 42 is hereby deleted and replaced in its entirety with:

42. STUDENT MEALS

Seneca Non-Public Schools provide access for all students to a balanced, nutritious breakfast and lunch.

Due to Seneca's Daily Non-Public School rate, which is invoiced based on days of enrollment in the program, NONPUBLIC SCHOOL STUDENT ABSENCE from Section 59 is hereby deleted and replaced in its entirety with:

NONPUBLIC SCHOOL STUDENT ABSENCE

If CONTRACTOR is a nonpublic school, no later than the tenth (10th) cumulative day of a student's unexcused absence, CONTRACTOR shall notify the LEA of such absence.

The following language is hereby added and made part of this agreement:

PARTNERSHIP STAFFING

Our work as partners represents our shared commitment to improving educational opportunity for those who have traditionally been excluded. We recognize that our staff are our greatest asset in our ability to make a substantial contribution to the students, families, schools and communities we serve. To deliver the highest quality services to our school/district partners, we make a substantial upfront and ongoing investment to building the knowledge, skills, and professional practice of each of our staff. We have developed pipeline programs to identify, recruit and train talented individuals into areas facing critical staffing shortages across the state and operate our Institute for Advanced Practice to provide ongoing training on best practice in the fields of special education and mental health. We believe that this commitment to quality is, in part, what has drawn you to choose us as partners in this work.

To ensure our ongoing capacity to provide high quality services to our school/district partners, we rely on the retention of the staff in whom we have invested. As such, during the term of this Agreement and for one year following the termination of this Agreement, we ask that school/district partners not hire, nor solicit for hire, either directly or indirectly, any of Seneca's employees or contractors who have rendered services to the school on behalf of this Agreement. As your partners, Seneca will not solicit any staff member who is a collaborator under this agreement. On rare occasions it may be that Seneca and the District will agree to transfer the employment of a particular staff to the other entity. In this type of situation, the transfer will occur as an exception, and only through the development of a written agreement.

DATA SHARING

Purpose - In our work with students and families, Seneca family of agencies uses a number of data platforms to track the provision of school-wide and student services, service-related goals, and goal progress. The overall goal of our data-informed practices is to determine the effectiveness of the academic, behavioral, and clinical services provided by Seneca and to receive ongoing data-based feedback throughout the year on the student's individual and group plans. The data tracked will be used to support service decisions aimed at improving students' academic achievement and engagement, decreasing problem behavior and discipline issues, and improving social-emotional wellness, school climate, and parent engagement.

Scope and Data Elements - Seneca will access and import following data sets for all enrolled students into the appropriate databases for service and progress tracking purposes: School Name, School ID, Student ID (SSID), State Student ID, Last Name, First Name, Middle Name, Date of Birth, Gender, Grade, Teacher, Race/Ethnicity, ELL status, Home Language, and Special Education Status.

Transfer of Data - The School/District and Seneca shall use a secure, mutually agreed upon means and schedule for transferring confidential information.

Contractor Responsibilities

1. Seneca acknowledges that these data are confidential data and proprietary to the school/district, and agree to protect such information from unauthorized disclosures and to comply with all applicable District, Local, State and Federal confidentiality laws and regulations including but not limited to the California Education Code and the Family Education Rights and Privacy Act (FERPA).
2. Seneca will use appropriate safeguards to prevent the use or disclosure of the information other than as provided by this data use agreement.
3. Seneca shall not re-disclose any individual-level data with or without identifying information to any other requesting individuals, agencies, or organizations without prior written authorization from the school/district.
4. Seneca shall keep all information furnished by the school/district in space physically and electronically secure from unauthorized access. Information and data shall be stored and processed in a way that unauthorized persons cannot retrieve nor alter the information by means of a computer, remote terminal, or other means.

All other conditions in the original contract dated 7/1/2022 will remain in effect as agreed unless Seneca Family of Agencies and/or the contracting LEA, Community School for Creative Education both agree to make future change, which would require future addendums.

The parties hereto have executed this contract by and through their duly authorized agents or representatives.

Free Speech Policy

STUDENT FREEDOM OF SPEECH AND EXPRESSION POLICY

Community School for Creative Education and its Board of Directors (“CSCE” or the “Charter School”) adopt this Student Freedom of Speech and Expression Policy to apply to students enrolled at CSCE. CSCE respects students’ rights to express ideas and opinions, take stands, and support causes, whether controversial or not, through their speech, writing, printed materials, including the right of expression in official publications, and/or the wearing of buttons, badges and other insignia.

Student Expression

Student free speech rights include, but are not limited to the distribution of printed materials or petitions, the wearing of buttons, badges, and other insignia, and the right of expression in official publications, whether or not the publications or other means of expression are supported financially by the school or by use of school facilities. Student expression on the Charter School website and online media shall generally be afforded the same protections as print media within the Policy.

Student expression, including but not limited to student expression on internet web sites, is generally constitutionally protected but shall be subject to discipline when such expression poses a threat to the safety of other students or staff, or substantially disrupts the educational program. The Head of School or designee shall document the impact the expression had or could be expected to have on the educational program.

Student freedom of expression shall be limited only as allowed by state and federal law in order to maintain an orderly school environment and to protect the rights, health, and safety of all members of the school community. Unprotected Expression includes the following:

1. **Obscenity:** when the (1) average person applying current community standards finds the work as a whole appeals to the prurient interest, (2) the work is patently offensive, and (3) the work lacks serious literary, artistic, political, or scientific value. Examples include pornography or sexually explicit material.
2. **Defamation:** Libel (written defamation) and Slander (oral defamation), which includes but is not limited to inaccurately attributing a statement to another, either on purpose for public officials (which includes Charter School staff) or by mistake for private officials, that mischaracterizes the statement.
3. **Discriminatory Material:** material that demeans a person or group because of the person/group’s disability, pregnancy, gender, gender identity, gender expression, nationality, ancestry, race or ethnicity, immigration status, religion, religious affiliation, sexual orientation, childbirth or related medical conditions, marital status, age, or association with a person or group with one or more of these actual or perceived

characteristics or any other basis protected by federal, state, local law, ordinance or regulation that has the purpose of humiliating, offending, or provoking a person/group.

4. **Harassment (including sexual harassment), Intimidation and/or Bullying:** severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act. Bullying includes one or more acts committed by a student or group of students that may constitute sexual harassment, hate violence, or creates an intimidating and/or hostile educational environment, directed toward one or more students that has or can be reasonably predicted to have the effect of one or more of the following: (1) placing a reasonable student or students in fear of harm to that student's or those students' person or property, (2) causing a reasonable student to experience a substantially detrimental effect on the student's physical or mental health, (3) causing a reasonable student to experience a substantial interference with the student's academic performance, (4) causing a reasonable student to experience a substantial interference with the student's ability to participate in or benefit from the services, activities, or privileges provided by the Charter School.
5. **Fighting Words:** words likely to cause (1) the average person to fight or (2) the creation of a clear and present danger of violence, unlawful acts in violation of lawful school regulations, or the substantial disruption of school.
6. **Vulgarity and/or Profanity:** the continual use of curse words by a student, even after warning.
7. **Violating Privacy:** publicizing or distributing confidential or private material without permission.

Distribution of Circulars, Un-Official Newspapers, and Other Printed Matter

Free inquiry and exchange of ideas are essential parts of a democratic education. Students shall be allowed to distribute circulars, leaflets, newspapers, and pictorial or other printed matter, and to circulate petitions, subject to the following specific limitations:

1. Leaflets, pictorial and other printed matter to be distributed shall be submitted to the Head of School or designee at least one (1) school day prior to distribution. The Head of School or designee shall review material submitted in a reasonable amount of time and shall allow the approved material to be distributed according to the time and manner established by this Policy. Any student may appeal the decision of the Head of School or designee to the Board who shall render a decision within a reasonable period of time after receipt of the appeal. The appeal by the student must be made within five (5) school days from the time the unsatisfactory decision was rendered.
2. Distribution may take place during an educational activity provided there is no substantial disruption in the school programs as determined by the Head of School.
3. The manner of distribution shall be such that coercion is not used to induce students to accept the printed matter or to sign petitions.
4. The solicitation of signatures must not be substantially disruptive to the educational activity as determined by the Head of School or designee.

Official School Publications

Student editors of official school publications shall be responsible for assigning and editing the news, editorial, and feature content of their publications subject to the limitations of this Policy. However, it shall be the responsibility of the staff adviser(s) of student publications to supervise the production of the student staff, to maintain professional standards of English and journalism, and to maintain the provisions of this Policy. The staff adviser(s) shall help the student editors judge the literary value, newsworthiness and propriety of materials submitted for publication.

There shall be no prior restraint of material prepared for official school publications except insofar as it violates this Policy. School officials shall have the burden of showing justification without undue delay prior to a limitation of student expression under this Policy. If the staff adviser(s) consider material submitted for publication to violate this Policy, he or she will notify the student without undue delay and give specific reasons why the submitted material may not be published. The student should be given the opportunity to modify the material or appeal the decision of the staff adviser to the Head of School.

Buttons, Badges, and Other Insignia of Symbolic Expression

Students shall be permitted to wear buttons, badges, armbands, and other insignia as a form of expression, subject to the prohibitions enumerated in this Policy.

Organized Demonstrations

Students have the right to lawful organized demonstrations, subject to the provisions of this Policy and applicable law. Demonstrations that incite students to create a clear and present danger of the commission of unlawful acts during educational activities or the violation of lawful school regulations, or demonstrations that substantially disrupt the orderly operation of the educational activity are prohibited.

No individual student may demonstrate in the name of the Charter School or as an official school group at any time unless authorized by the Charter School to participate in the activity.

Missing school to attend an organized demonstration is not an excused absence. The Charter School will follow its Attendance Policy when determining consequences for students. The Charter School will follow its Suspension and Expulsion Policy when determining consequences for students if Charter School policy is violated.

Online Student Expression

Student expression, including but not limited to student expression on internet web sites, is generally constitutionally protected but shall be subject to discipline when such expression poses a threat to the safety of other students, staff, or school property, or substantially disrupts the educational program. The Head of School or designee shall document the impact the expression had or could be expected to have on the educational program.

A. Enforcement

1. Students who are considering actions in the areas covered by this Policy should be informed of the possible consequences of their action under each specific circumstance. The Head of School shall ensure that due process is followed when resolving disputes regarding student freedom of expression.
2. This Policy does not prohibit or prevent CSCE's Governing Board from adopting otherwise valid rules and regulations relating to oral communications by charter CSCE students.
3. No CSCE employee shall be dismissed, suspended, disciplined, reassigned, transferred, or otherwise retaliated against solely for acting to protect a student engaged in the conduct authorized under this Policy, or refusing to infringe upon conduct that is authorized under this Policy, the First Amendment to the United States Constitution, or Section 2 of Article I of the California Constitution.

B. Complaints

A student who feels their freedom of expression was unconstitutionally limited and/or limited on the basis of discrimination may file a complaint with CSCE through following the Charter School's Uniform Complaint Policies and Procedures.
