Assessment begins May 4 for students in grades 4, 6, & 7.

ACADEMIC & SCHOOL NEEDS

The committee will assess the academic and operational needs of the school.

Review summer reading program materials.

The Scholastic Summer Reading Fiction & Informational Text for all grade levels were reviewed for student interest, complexity level and task/assignment. The team agreed there are many benefits of providing the reading packages to all returning and new to TMSA students. It will eliminate cost for families as well as barriers for accessing the public library. It also sends a strong message that at TMSA, reading is important, fundamental, and required!
