Entry 9 Enrollment & Retention

Completed - Aug 2 2021

[Instructions for submitting Enrollment and Retention Efforts](#)

ALL charter schools must complete this section. Describe the good faith efforts the charter school has made in 2020-2021 toward meeting targets to attract and retain the enrollment of Students with Disabilities (SWDs), English Language Learners (ELLs), and students who are economically disadvantaged. In addition, describe the school's plans for

meeting or making progress toward meeting its enrollment and retention targets in 2021-2022.

Entry 9 Enrollment and Retention of Special Populations

Instructions for Reporting Enrollment and Retention Strategies

Describe the efforts the charter school has made in 2020-2021 toward meeting targets to attract and retain enrollment of students with disabilities, English language learners, and students who are economically disadvantaged. In addition, describe the school’s plans for meeting or making progress toward meeting its enrollment and retention targets in 2021-2022.

Recruitment/Attraction Efforts Toward Meeting Targets

	Describe Recruitment Efforts in 2020-2021	Describe Recruitment Plans in 2021-2022
	<p>In the 2020-2021 school year, 92.2% of students at CMCCS were from low-income families, based on eligibility for free and reduced price lunch. At this percentage, we surpassed our target of 90.5% by 1.7 percentage points. As part of an aggressive recruitment plan, the following strategies were used to specifically attract economically disadvantaged students:</p> <ul style="list-style-type: none">• Direct outreach to day care and Head Start programs, child-serving organizations, after-school programs and community-based nonprofit organizations in targeted low-income neighborhoods• Awareness building among	

<p>Economically Disadvantaged</p>	<p>parents and caregivers of children in Cardinal McCloskey Community Services' Head Start, pre-kindergarten, Foster Care and Preventive Services programs</p> <ul style="list-style-type: none"> • Leveraging Cardinal McCloskey Community Services' extensive experience and relationships with other pre-schools, Head Start programs and Foster Care and Preventive Services providers in CSD 10 • Advertisements in local and targeted media and promote its programs widely through e-mail and direct mail campaigns and "boots on the ground" recruitment activities including distribution of flyers and other materials at subway stations, libraries, parks and similar places and participation in school fairs and other public events • Support for families in completing all necessary paperwork to ensure eligible students participate in the lunch program • Brochures and mailings that highlighted the special programs provided to students at no cost to families. • Numerous information sessions and "open house" events to inform families 	<p>As the school surpassed the target for enrollment of economically disadvantaged students, we will continue these recruitment strategies in the coming year.</p>
<p>English Language Learners</p>	<p>In 2021-2022, CMCCS endeavored to increase its enrollment of English Language Learners by further targeting recruitment efforts in immigrant communities in CSD 10 and surrounding neighborhoods. The school will also host additional</p>	<p>As the school surpassed the target for enrollment of ELL students, we will continue these</p>

	<p>information sessions in community organizations and day cares that serve high numbers of non-English speaking families. Finally, the school will place additional advertisements in languages other than English.</p>	<p>recruitment strategies in the coming year.</p>
<p>Students with Disabilities</p>	<p>In 2020-2021, the percentage of SWD was 19%, meeting our enrollment target. The following strategies were used:</p> <ul style="list-style-type: none"> • Recruiting from within Cardinal McCloskey Community Services' Foster Care and Preventive Services programs, in which a hugely disproportionate percentage of children have IEP • Recruiting at pre-schools and Head Start programs that enroll large percentages of SWDs • Highlighting programs and support provided for special needs students in all advertising and materials • Utilizing a Weighted Lottery Generator to give added weight in the admissions lottery to children who are SWDs. 	<p>As the school met the target for enrollment of students with disabilities, we will continue these recruitment strategies in the coming year.</p>

Retention Efforts Toward Meeting Targets

	Describe Retention Efforts in 2020-2021	Describe Retention Plans in 2021-2022
	<p>CMCCS retained close to 100% of its economically disadvantaged students, exceeding our target of 93.6%. Our major strategies to attain this included providing free services for students and families who need them, such as the free meal program and</p>	

Economically Disadvantaged	<p>covering field trip and school uniform expenses, whenever necessary. The school staff also strived to maintain close relationships with families to identify those who may be experiencing hardship and ensure that support was provided when needed. In addition, the school has a strong school-family connection through the work of its Parent and Community Relations Coordinator, its social workers and its partner, Cardinal McCloskey Community Services, which is making supportive services available to families of children enrolled at the charter school.</p>	<p>Given the high retention rate of economically disadvantaged students, we will utilize the same strategies in the coming year.</p>
English Language Learners	<p>The school's retention of English Language Learners was close to 100% in 2020-2021 surpassing our target of 94.2%, thanks to special programming and an inclusive environment. The following efforts were made to ensure retentions:</p> <ul style="list-style-type: none"> • Translators at all school events, such as parent-teacher conferences • Translation of all school notices and materials sent home • Comprehensive ELL services provided by certified, qualified instructors • Administrative staff fluent in languages other than English. 	<p>Given the high retention rate of English Language Learners, we will utilize the same strategies in the coming year. Throughout the year, we will monitor the progress of all English Language Learners and implement program changes as needed.</p>
	<p>Surpassing the retention target of 94%, CMCCS achieved a very high level of retention of students with disabilities (close to 100%) by creating and maintaining an educational</p>	

Students with Disabilities	<p>environment tailored to the needs of its vulnerable student, such as Students with Disabilities. Comprehensive supportive services, Individual Learning Plans and at least one ICT classroom in each grade provide each student with the customized support he or she may need to succeed academically and to feel comfortable and empowered at school. We also carefully monitored all IEPs to ensure that mandated services were implemented with fidelity Families are continually informed of each students' progress.</p>	<p>Given the high retention rate of SWD, we will utilize the same strategies in the coming year. Throughout the year, we will monitor the progress of all SWD and implement program changes as needed.</p>

Entry 10 - Teacher and Administrator Attrition

Completed - Aug 2 2021

Form for "Entry 10 - Teacher and Administrator Attrition" Revised to Employee Fingerprint Requirements Attestation

A. TEACH System - Employee Clearance

Charter schools must ensure that all prospective employees^[1] receive clearance through [the NYSED Office of School Personnel Review and Accountability](#) (OSPRA) prior to employment. **This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, or related/contracted service providers.** After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee. For the safety of all students, charter schools must take immediate steps to terminate the employment of individuals who have been denied clearance. Once the employees have been terminated, the school must terminate the request for clearance in the TEACH system.

In the Annual Report, charter schools are asked to confirm that all employees have been cleared through the NYSED TEACH system; and, if denied clearance, confirm that the individual or employee has been removed from the TEACH system, and is not employed by the school.

^[1] Employees that must be cleared include, but are not limited to, teachers, administrative staff, janitors, security personnel and cafeteria workers, and other staff who are present when children are in the school building. **This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, as well as related/contracted service providers.** See NYSED memorandum dated October 1, 2019 at <http://www.p12.nysed.gov/psc/aboutcharterschools/lawsandregs/EmployeeFingerprintOct19.pdf> or visit the NYSED website at: <http://www.highered.nysed.gov/tsei/ospra/fingerprintingcharts.html> for more information regarding who must be fingerprinted. Also see, 8 NYCRR §87.2.

B. Emergency Conditional Clearances

Charter schools are **strongly discouraged** from using the emergency conditional clearance provisions for prospective employees. This is because the school must simultaneously request clearance through NYSED TEACH, and the school's emergency conditional clearance of the employee terminates automatically once the school receives notification from NYSED regarding the clearance request. Status notification is provided for all prospective employees through the NYSED TEACH portal within 48 hours after the clearance request is submitted. Therefore, at most, a school's emergency conditional clearance will be valid for only 48 hours after approval by the board.

Schools are not permitted to renew or in any way re-establish a prospective employee's emergency conditional clearance after status notification is sent by NYSED through the TEACH portal.

Schools are asked to attest that they have reviewed and understand these requirements. More information can be found in the memo at

<http://www.p12.nysed.gov/psc/aboutcharterschools/lawsandregs/EmployeeFingerprintOct19.pdf>.

Attestation

Responses Selected:

I hereby attest that the school has reviewed, understands, and will comply with these requirements.

Entry 13 School Calendar

Completed - Aug 2 2021

[Instructions for submitting School Calendar](#)

Required of ALL Charter Schools

Given these uncertain and changing times, charter schools may or may not have a school calendar ready to upload by the submission deadline this year of August 2, 2021. If the charter school has a tentative calendar based on available information and guidance at the time, please submit with the August 2nd submission. Charter schools will be able to upload an updated school calendar into the portal at any time but no later than **September 15, 2021**.

School calendars must meet the [minimum instructional requirements](#) as required of other public schools "*... unless the school's charter requires more instructional time than is required under the regulations.*"

Board of Regents-authorized charter schools are required to submit school calendars that clearly indicate the start and end date of the instructional year AND the number of instructional hours and/or instructional days for each month.

PLEASE NOTE: This is a required task, and it is marked optional for administrative purposes

only.
