Feather River Charter School

BP 4112.8

Adopted: 03/02/19

It is the policy of Feather River Charter School to avoid nepotism, which means to avoid creating or maintaining circumstances in which the appearance or possibility of favoritism, conflicts of interest, or management disruptions exist due to a relationship between a Feather River Charter School decision-maker and their Family Member. This policy is to ensure effective supervision, internal discipline, security, safety, and positive morale in the workplace and to avoid the potential for problems of actual or perceived favoritism, conflicts of loyalty, discrimination, and appearances of impropriety or conflict of interest. This policy applies to all Feather River Charter School board members, employees, individual consultants hired or retained by Feather River Charter School, and School Services Providers hired or retained by Feather River Charter School.

Relationships between Feather River Charter School board members, employees, consultants, or School Services Providers are permissible under the following circumstances:

- (a) Family Members of Feather River Charter School board members, employees, individual consultants, or School Services Providers shall not be hired for or retained in an employment position if one Family Member would have the authority or be in a position to directly supervise, hire, or discharge the other.
- (b) Any time a board member, employee, individual consultant, or School Services Provider is a Family Member of another, the relationship shall not result in an adverse impact on work productivity or performance. The determination of whether there is an adverse impact shall be at the discretion of the supervisor(s) of the employee(s), consultant(s), or School Services Provider(s), or, in the case of a board member, at the discretion of the Feather River Charter School board of directors.
- (c) Any time a board member, employee, individual consultant, or School Services Provider is a Family Member of another, the relationship shall not create an actual conflict of interest under the law or a detrimental perceived conflict of interest. The determination of whether there is a detrimental perceived conflict of interest shall be at the discretion of the supervisor(s) of the employee(s), consultant(s), or School Services Provider(s), or, in the case of a board member, at the discretion of the Feather River Charter School board of directors.

“School Services Provider” shall mean any provider of school services to Feather River Charter School, and in the case of an organization, shall mean the responsible individual at such organization that provides school services to Feather River Charter School.

PROCEDURES

When a Family Member of a current Feather River Charter School board member, employee, individual consultant, or School Services Provider applies to become a board member or employee or requests to be a consultant or School Services Provider, the Family Member’s application/request must be denied if a conflict under this policy exists (e.g., if one Family Member would have the authority or be in a position to directly supervise, hire, or discharge the other). Special circumstances may be reviewed by the Board in the event that Feather River Charter School’s best interests would be served otherwise.

When a Family Member of a current Feather River Charter School board member, employee, individual consultant, or School Services Provider applies for a transfer to a new employment position within Feather River Charter School, the Family Member’s application must be evaluated to determine whether a conflict under this policy exists. If a conflict exists, the application for transfer must either be denied or one of the Family Members must seek a position transfer to avoid the conflict, if any such opportunity exists. In the event that no such opportunity exists, the application for transfer must be denied.

In implementing this policy, it is permissible to ask an applicant, potential consultant, or School Services Provider to state whether he or she has a Family Member who is presently employed by or on the board of Feather River Charter School, but such information may not be used as a basis for an employment decision except as stated herein.

When a relationship that creates a conflict with this policy occurs during employment, Feather River Charter School will attempt to arrange a transfer or change in position/duties to eliminate the conflict. If a suitable transfer/change in position/duties is not available, one of the employees may be separated from service. Every attempt will be made to effect transfer or separation on the basis of an agreement between the employees involved and Feather River Charter School. If a mutual agreement is unattainable, the Board will determine, in Feather River Charter School’s best interest, which employee is to be transferred or separated.

RESPONSIBILITIES

The Executive Director or designee shall coordinate with the current employee’s direct supervisor to develop appropriate plans to ensure that a Family Member’s employment does not conflict with this policy. If the situation cannot be resolved by a transfer, then the Executive Director or designee will deny the application for employment. Special circumstances may be reviewed by the Board in the event that Feather River Charter School’s best interests would be served by the employment of a Family Member.

The Executive Director or designee shall investigate reports of Nepotism and take appropriate action. Employees are required to disclose changes in their personal situations to the Executive Director or designee that may be covered by this policy. Supervisors may inquire about the family relationship
