Student Academic Success

We have completed our NC Check-Ins for Math and Reading in Grades 3-8.

More Information about Check-Ins can be found [here](#).

Honor Roll Update--With our move to standards-based grading, we had to make a change to honor roll. We will be celebrating the inclusive group of students who earn all As, Bs, ES, and MS each quarter as "Honor Roll Students". This Honor Roll will also include grades from specials and PE as those grades reflect students honoring our BA Code of Behavior in addition to excelling in academics.

We will continue to hold Honor Roll Celebrations each quarter and invite parents to attend these celebrations. Our first celebration is scheduled for October 31.
