Re: Notice of Intent

The purpose of this letter is to place into writing the intent that has previously been shared verbally for the Dellwood Campus for the 2024-25 school year.

Based upon current enrollment projections for SRCA, it is anticipated that the B building facility will be need to accommodate all academic needs. As such, please take into consideration that it is likely that the lease for SRJA will be allowed to expire without renewal on June 30, 2024.

In accordance with the most recent lease agreement, a final decision will be made by the SRCA board and conveyed to the SRJA board on or before February 1, 2024.

If I may be of further assistance, please let me know.

Respectfully,

Joshua F. Morgan
