

Strategic Framework Sept 2023 - June 2026

The following components are integrated across the entire strategic plan: Student & family engagement, Strong internal & external communication, Diversity, Equity & Inclusion, Funding, and Mental health support services.

MISSION

The mission of the Rochester Academy Charter School (RACS) is to prepare the whole child for a rapidly changing world by cultivating the knowledge, critical thinking skills and personal character to succeed in college or a career of choice. RACS is committed to creating an environment of respect and inclusion that both acknowledges and supports the diversity of the RACS school community.

VISION

We are committed to relentless intervention-doing whatever it takes to see every student graduate from RACS and move on to college or career intellectually prepared and emotionally secure for the challenges ahead.

BELIEFS

Every child can learn and reach high levels of academic achievement, Literacy in Math and Science is critical for participation in civic and economic life, Motivation is vital for success, Families are integral to students' successes, Students learn when teachers continuously participate in professional development opportunities, Every child can make a significant contribution to the school and community, All of us grow when we embrace diversity.
