# Recent Happenings!

The background features several large, organic, overlapping shapes in shades of orange, green, and blue. A thin, dark blue line meanders across the page, passing through the shapes. In the top right and bottom right corners, there are dark blue shapes with three parallel white diagonal lines.

# ACOE and OUSD Board Members are visiting!

- President Cole and Trustee Berrick have visited this school year.
- Trustee Cooke-Kallio asked for a re-invite in January.
- Director Hutchinson from OUSD Board visiting December 20th.

# Ongoing Professional Development

# SLT Goals Update

1. 60% of K, 3, 6th grade students will be proficient or master 60% of Math transition checklist items.
2. By the end of the year, teachers will articulate and calibrate what student proficiency and mastery looks like for specific lessons that support skills mapped to each level's transition checklist, and how these lessons/skills connect to NWEA results and CA state standards.
3. Every month teachers at each level will be trained or given resources ( age appropriate books, lessons, and discussion topics) to their classrooms connected to and to deliver SEL specific curriculum, the UMCS ABAR commitment, and Land acknowledgement.
4. Staff connectedness and feeling of inclusiveness will be at 90% or above by May 2024 as measured by staff surveys. Every month staff will have an opportunity to connect at an outside location or on campus event in a way that honors different needs/levels of comfort so we have opportunities to build relationships with each other in new ways throughout the year.

# Enrollment and Attendance

The background features several large, overlapping organic shapes. A teal shape is in the bottom left, an orange shape is in the bottom right, and a dark blue shape is in the top right. A thin, dark blue line meanders across the page, passing behind the text and the teal shape. The text 'Enrollment and Attendance' is centered in a bold, orange-red font.

# 2023 -2024!
