- The Elementary and Secondary Education Act of 1965 & The Every Student Succeeds Act of 2015 - Require the North Carolina Prayer Certification and Single Set of Assurances (20 USC 7904 & 20 USC 7846) be noted Board minutes
  - Paid parental leave was signed into law in June. This is mandatory for regular public schools.
  - Charter schools may opt in before December 1, 2023
  - State funds are based on reimbursement of \$110 per day (plus FICA) for classroom teachers only.
  - Staff must have worked for the school for a full year before becoming eligible for this benefit
  - Opt -in requires universal benefit for all staff regardless of position. Therefore, no reimbursement available for teaching assistants, support staff, or admin.
  - Provides 8 weeks of full pay for the birthing parent, 4 weeks for adoption, paternity, or child placement

- **Our Current Policy**

- We provide employer paid short term disability
- Provides 60% for 6 weeks for birthing parent
- No financial benefit for adoption, paternity, or child placement
- FMLA covers guaranteed unpaid leave for up to 12 weeks
- Sub cost for maternity leave comes from the money not paid to the employee out on unpaid leave
- STD is available for any staff member with a qualifying health condition
- Cost to school for Short Term Disability:
  - Priced per employee based on age and income
  - Average cost per employee is \$270 per year
  - Annual cost to the school approximately \$12,000

- **Financial Impact of Providing Parental Leave**

- State parental leave benefit - \$110 per day + FICA (\$13.75/hour)
  - \$4,400.00 - 8 weeks of reimbursable sub pay

- \$2,200.00 - 4 weeks of reimbursable sub pay
- Using our current non certified sub pay of \$120 per day (\$15/hour) - the gap in funding would be minimal
  - \$4,800.00 - 8 weeks
  - \$2,400.00 - 4 weeks
- Preference to fill maternity leave with a either a teaching assistant or a certified teacher
- Teacher assistant pay is \$20.50 per hour
  - \$6,560 - 8 weeks
  - \$3,280 - 4 weeks
- Non-contracted certified teacher pay is \$35 per hour
  - \$11,200 - 8 weeks
  - \$5,600 - 4 weeks

• **Scenarios to Consider**

1. Classroom teacher who is eligible for reimbursed sub takes 8 weeks and position is filled with:
  1. Substitute at \$15/hour - **Budget impact is \$400**
  2. TA at \$20.50/hour - **Budget impact is \$2,160**
  3. Certified teacher at \$35/hour - **Budget impact is \$6,800**
2. TA is NOT eligible for reimbursement takes 8 weeks and position is filled with a substitute at \$15/hour - Budget impact is \$4,800
3. Office staff member NOT eligible for reimbursement takes 8 weeks. Likely position would be not be backfilled and work would be distributed. Budget impact could include small stipends for other office staff who need to pick up additional duties.

• **Short Term Disability and Possible Supplements**

- For comparison using a teacher making approximately \$35/hour (Bachelor with 6 years or a Masters with 2 years salary is about \$52,500)
  - 8 weeks of fully paid leave equals **\$11,200**
  - If the teacher were to take 8 weeks of leave using 6 week of STD and 2 weeks of unpaid leave, the employee would receive: **\$5,040**
  - If the school covered 60% for the additional two weeks, the employee would receive: **\$6,720**
  - Cost to the school would be: **\$1,680**
- Non-birthing parent, adoption, or child placement would NOT qualify for STD
  - 4 weeks of fully paid leave equals **\$5,600**
  - If the school covered 60% for the 4 week, the employee would receive: **\$3,360**
  - Cost to the school would be: **\$3,360**

CONTINUED FROM ABOVE....

- **Other Things to Consider**

- In talking to other charter schools, there is a concern about the potential costs of opting in and many schools are going to opt out.
- End of ESSER and other grant funding equals budget short fall for existing expenses
- Building and security upgrades and maintenance

- **Unknowns**

- Will this be retroactive for this school year?
  - Will we have the option to opt in every year?
  - What happens if the state reserve funding is not enough to cover the reimbursement costs?
- This is a first read for review and approval before Dec 1st
  - Adam commented that a takeaway for Finance Committee is to summarize priorities for the school from a finance perspective that should be evaluated together with this benefit.
  - Erica mentioned that there is significant variability in the potential cost (i.e. could be \$400 or \$4,000). Furthermore, expressed that this benefit would be a positive impact for the employees including morale and recruitment. The unknowns may not resolve and we may need to make a decision without getting the answers to these questions.
  - Group clarified that if opting into this benefit, an employee would only qualify for this benefit and not STD during the same period. The requirement to qualify for STD, employee can't receive any salary.
  - Discussion about CMS running out of funds for this benefit.
  - Ari mentioned that in addition to the financial impact there is an educational impact for the substitute used in replacement of the teacher (i.e., certified teacher at higher cost vs. non-certified substitute at lower cost)
  - Malik suggested that we evaluate the benefit cost based on historical school data

- To evaluate during the next meeting, we will follow up with the unknown questions, prepare a finance

To receive funds under The Every Student Succeeds Act, School is required to present a Prayer Assurance. This was signed, discussed and duly noted.

##### Survey

The FAST committee asked the administration for certain data points covering the current status of our facility, assets and technology, for which they are working on putting together. We plan on using this information along with the information from the security risk assessment to establish a game plan on what our immediate needs are and what improvements could be made to our current location.

- The opt-in deadline for Paid Parental Leave is December 1, 2023. A decision should be made by the November Board meeting.

- Although any employee of the IPS is eligible to take paid parental leave, the IPS will only be eligible to be reimbursed for a daily rate of a substitute. The charter school is responsible for paying the employee's salary while they are out on paid parental leave. This rate for 2023-24 is \$115 + 7.65% social security.

- The State Board of Education discussed the attached policy for how it will hear appeals from family members who believe their local school district violated the law.
- If a parent believes their school violates any part of the law, they can file a formal complaint to their local school board. If the issue is not resolved to the family's satisfaction within 30 days, they can appeal only certain violations to the State Board of Education.
- The State Board Vice Chair Alan Duncan, noted "that there's no enforcement section," of the law. The Board's attorney, Allison Schafer, confirmed that the State Board can identify a violation, but the law does not provide consequences for a violation beyond a hearing.
