STUDENT DRESS CODE

Office/Custodian – Director of Instruction/Chief of Schools

A safe and disciplined learning environment is essential to a quality educational program. Network-wide standards on student attire are intended to help students concentrate on schoolwork, reduce discipline problems, and improve school order and safety. The Board of Directors recognizes that students have a right to express themselves through dress and personal appearance; however, students shall not wear apparel that is deemed disruptive or potentially disruptive to the classroom environment or to the maintenance of a safe and orderly school.

Any student deemed in violation of the dress code shall be required to change into appropriate clothing or make arrangements to have appropriate clothing brought to school immediately. In this case, there shall be no further penalty.

If the student cannot promptly obtain appropriate clothing on the first offense, the student shall be given a written warning and the opportunity to change into loaned clothing, if available, and the administrator shall notify the student's parent/guardian to bring appropriate clothing. On the second offense a review of school expectations and rationale for dress and appearance will be accomplished and the parent will be notified to bring appropriate clothing. On the third offense, parents will be contacted, and the student may be subject to suspension or other disciplinary action in accordance with Board policy concerning student suspensions, expulsions and other disciplinary interventions. Classes missed as a result of clothing related offenses are considered excused, however, the student may be required to make up class time missed.

The network reserves the right to allow for individual schools to set procedures and protocols for individual school uniforms that adhere to higher standards than outlined in this policy. This

will include input from school administration, network leadership, and parent/community stakeholders.
