I. ADOPTION

In compliance with the Political Reform Act of 1974, California Government Code section 87100, et seq., Urban Montessori hereby adopts this Conflict of Interest Code (“Code”), which shall apply to all governing board members, candidates for member of the governing board, and all other designated employees of Urban Montessori (“Charter School”), as specifically required by California Government Code section 87300. In addition to the Political Reform Act, this Code also conforms with the requirements of Government Code section 1090.

II. DEFINITION OF TERMS

As applicable to a California public charter school, the definitions contained in the Political Reform Act of 1974, the regulations of the Fair Political Practices Commission, specifically California Code of Regulations section 18730, and any amendments or modifications to the Act and regulations are incorporated by reference to this Code.

III. DESIGNATED EMPLOYEES

Employees of this Charter School, including governing board members and candidates for election and/or appointment to the governing board, who hold positions that involve the making or participation in the making of decisions that may foreseeably have a material effect on any financial interest, shall be “designated employees.” The designated positions are listed in “Exhibit A” attached to this policy and incorporated by reference herein.

IV. STATEMENT OF ECONOMIC INTERESTS: FILING

Each designated employee, including governing board members and candidates for election and/or appointment to the governing board, shall file a Statement of Economic Interest (“Statement”) at the time and manner prescribed by California Code of Regulations, title 2, section 18730, disclosing reportable investments, interests in real property, business positions, and income required to be reported under the category or categories to which the employee’s position is assigned in “Exhibit A.”

An investment, interest in real property or income shall be reportable, if the business entity in which the investment is held, the interest in real property, the business position, or source of income may foreseeably be affected materially by a decision made or participated in by the designated employee

by virtue of his or her position. The specific disclosure responsibilities assigned to each position are set forth in "Exhibit B."

Statements Filed With the Charter School. All Statements shall be supplied by the Charter School. All Statements shall be filed with the Charter School. The Charter School's filing officer shall make and retain a copy of the Statement and forward the original to the County Board of Supervisors.

V. DISQUALIFICATION

No designated employee shall make, participate in making, or try to use his/her official position to influence any Charter School decision which he/she knows or has reason to know will have a reasonably foreseeable material financial effect, distinguishable from its effect on the public generally, on the official or a member of his or her immediate family.

VI. MANNER OF DISQUALIFICATION

A. Non-Governing Board Member Designated Employees

When a non-Governing Board member designated employee determines that he/she should not make a decision because of a disqualifying interest, he/she should submit a written disclosure of the disqualifying interest to his/her immediate supervisor. The supervisor shall immediately reassign the matter to another employee and shall forward the disclosure notice to the Charter School Head of School who shall record the employee's disqualification. In the case of a designated employee who is head of an agency, this determination and disclosure shall be made in writing to his/her appointing authority.

B. Governing Board Member Designated Employees

Financial interest in a contract: Where a Governing Board member has a personal, material financial interest in a contract, the financial interest will be reviewed under Government Code section 1090, to determine whether the remote or non-interest exceptions apply. Should the Board determine that no applicable remote or noninterest exceptions apply, the Board must either: (1) not enter into the contract, as Government Code section 1090 prevents the entire board from voting on the contract; or (2) prior to the Board of Directors' discussion of and/or taking any action on the contract at issue, the Board member must resign from the Board of Directors. The resignation shall be made part of the Board's official record.

All other financial interests: Governing Board members shall disclose a disqualifying interest at the meeting during which consideration of the decision takes place. This disclosure shall be made part of the Board's official record. The Board member shall refrain from participating in the decision in any way (i.e., the Board member with the disqualifying interest shall refrain from voting on the matter and shall leave the room during Board discussion and when the final vote is taken) and comply with any applicable provisions of the Charter School bylaws.
