Pullman High School

End of Year Report – SIP Plan

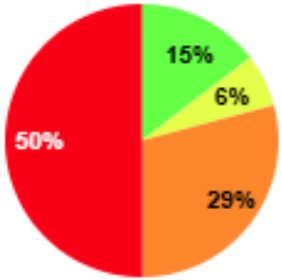
Our Goal is to have 100% of our students graduate. The following goals will help support our efforts.

What's Going Well at PHS?

2024–2025 SMARTIE Goal #1: Math

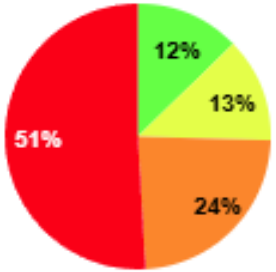
Pullman High School will increase the percentage of low-income students passing the Smarter Balance Assessment for math on their first attempt from 42% to 75%

- Overall Passing Rate for 10th grade low-income students was 25%
- Cohort Rate: 8th grade 21% passing 10th grade 25%
- Focus on essential standards, CFAs and interventions specifically in Algebra I and Geometry



2022-23 GR 8 MATH WASHINGTON STATE SBA

Students Living in Poverty



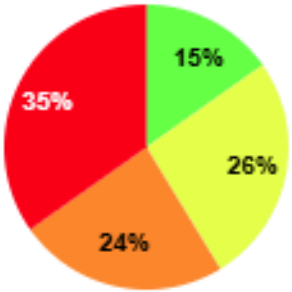
2024-25 GR 10 MATH WASHINGTON STATE SBA

Students Living in Poverty

2024–2025 SMARTIE Goal #2: ELA

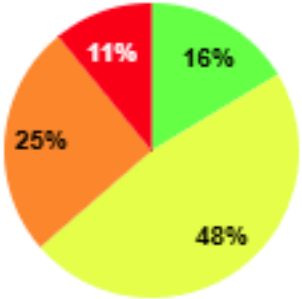
Pullman High School will increase the percentage of low-income students passing the Smarter Balance Assessment for English on their first attempt from 75% to 90%

- Overall Passing Rate for 10th grade low-income students was 64%
- Cohort Rate: 8th grade 41% passing 10th grade 64%
- Need to have specific targeted interventions for incoming 11th graders who didn't pass in 10th grade



2022-23 GR 8 ELA WASHINGTON STATE SBA

Students Living in Poverty



2024-25 GR 10 ELA WASHINGTON STATE SBA

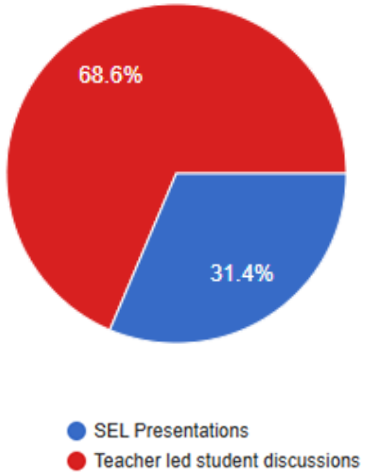
Students Living in Poverty

2024–2025 SMARTIE Goal #3: Social Emotional Learning (CEE)

Pullman High School will implement direct SEL instruction for all students (through Hound Time classes) moving from twice a week in the 2023-2024 school year to once a week in the 2024-2025 school year.

Additional Work this Year:

- Worked to align SEL standards by grade level
- Team of teachers worked to create more teacher led lessons to teach SEL
- Student Feedback on best way to learn



2024–2025 SMARTIE Goal #4: Discipline

Pullman High School will decrease the number of out of school suspensions by 50% Moving from 20 in 2023-2024 school year to 10 in the 2024-2025 school year

- 17 students had out of school suspensions (drugs, alcohol or assault)
- Focus on re-teaching, SEL skills, anger management, substance abuse prevention referrals
- Working closely with families to provide supports at home and school that work in unison

2024–2025 SMARTIE Goal #5: Attendance

Pullman High School will decrease the number of ninth grade students with chronic absenteeism (10% or more of the year) by 50%.

- **14 ninth grade** students were absent 18 or more days this year (10% or more of the year) **66% decrease**
  - 2023-2024 school year = 41 ninth graders chronically absent
  - 2022-2023 school year = 66 ninth graders chronically absent
- Plan to continue connections with families to support student attendance, working with the truancy process when necessary

2024–2025 SMARTIE Goal #6: Family Engagement

Pullman High School will increase opportunities for Family Engagement, working to build meaningful connections with all families, through academics, activities, and events.

- Parent Square: 51% of parents interacted with staff
  - 39,914 Direct Messages (initiated by staff, student or family)
  - 6,005 threads – which resent two-way communication
  - 1,500 Posts
- Phone Calls:
  - Focus on calling home and having conversations with families rather than only rely on emails.
- In Person Meetings:
  - Focus on meeting with students and families when there are concerns
