Learn4Life High School–Charleston Livestreaming of Board Meetings Policy

The Board of Directors of Learn4Life High School–Charleston is committed to transparency and public accessibility of its governance meetings in accordance with the South Carolina Freedom of Information Act and applicable state law. The Board shall make reasonable efforts to ensure that all meetings open to the public are accessible both in person and through live electronic video and audio streaming ("livestream access"), except when the Board lawfully enters executive session.

Applicability
This policy applies to all meetings of the Board and its committees as defined under the South Carolina Freedom of Information Act, including regular and special meetings, committee meetings, workshops, budget hearings, and other public meetings of the Board.

Livestream Access
All portions of open Board meetings shall be livestreamed with both video and audio available in real time. Recordings of livestreamed meetings shall be posted on the School's website within two business days following the meeting.

Public Notification
Information and links for accessing livestreamed meetings shall be included in all public notices of meetings and posted on the school's website and other official communication channels.

Quality and Accessibility
Livestream broadcasts shall be of sufficient quality to allow viewers to clearly hear and identify speakers and to ensure accessibility for all viewers. Meetings shall be held in locations that support adequate livestream capability.

Technology and Broadband Access
The School shall make reasonable efforts to maintain reliable broadband and technology infrastructure to support livestreaming. If livestreaming cannot be achieved due to limited broadband access or technical issues, the school shall document the circumstances and work toward timely compliance consistent with guidance from the South Carolina Department of Education.

Compliance
The School shall adhere to applicable state requirements and guidance regarding livestreaming of Board meetings. Instances of noncompliance shall be addressed through corrective actions as directed by the South Carolina Department of Education or State Board of Education.
