Addressing the Committee – Committee meetings are meetings of the Board of Directors and will be held in a civil, orderly and respectful manner. All public comments or questions should be addressed to the Committee through the Chair of the Committee. To ensure an orderly meeting and an equal opportunity for each speaker, persons wishing to address the Committee must send a Speaker Request Message through the form of a text message or chat box message to Miguel Aguilar, Executive Assistant to the CEO (805-807-8199). Messages must contain speaker name, contact number or email, and subject matter and sent prior to the beginning of the Public Comment section of the meeting. Members of the public may address the Committee on any matter within the Committee’s jurisdiction and have **three (3) minutes each** do so. The total time of each subject will be fifteen (15) minutes, unless additional time is requested by a Committee Member and approved by the Committee.

The Committee may not deliberate or take action on items that are not on the agenda. However, the Committee may give direction to staff following a presentation. The Chair is in charge of the meeting and will maintain order, set the time limits for the speakers and the subject matter, and will have the prerogative to remove any person who is disruptive of the Committee meeting. The Finance Committee may place limitations on the total time to be devoted to each topic if it finds that the numbers of speakers would impede the Committee’s ability to conduct its business in a timely manner. The Finance Committee may also allow for additional public comment and questions after reports and presentations if it deems necessary.

IV. REPORTS

A. Staff Report

Mr. Lewis shared that Christy White Associates was on-site on Thursday, April 20 to begin work on our 2016-17 audit. They reviewed attendance compliance, as well as HR compliance. Once we close the books, they will return to review our financial compliance. He also shared that Lisa Fishman, Director of Operations, and he completed COB training through the CSDC. They will both become certified once they submit key assignments, which are due by the end of July. Training topics included attendance accounting, budget development and monitoring, charter school auditing, personnel & labor, and more. This was a three (3) month program with both in-person and online modules.

V. PUBLIC COMMENT

A. Public Comment

No public comment.

VI. NEW BUSINESS

A. Review and Discussion of the 2015 Form 990

Mr. Lewis led the committee in a review of the 2015 Form 990. He shared that the information is from July 1, 2015 through June 30, 2016 and that the Form 990 was completed by Christy White Associates. The Form 990 has been filed and also posted to our Guidestar profile.

B. Review and Discussion of the April Financials

Mr. Lewis and Mr. Scott Warner, School Business Manager from CSMC, led the committee in a review of the April financials.

C. Review and Discussion of the Executive Compensation Study

Mr. Lewis led the committee through a review of the initial Executive Compensation Study. CSMC shared their 2016-17 Executive Director Salary Regression chart for charter schools they manage, which reflects salary verse ADA, without listing the names of schools. He also shared details on the study itself, which is information gathered from peers in the CSDC CBO cohort mentioned in the earlier Staff Report. The study shows the name of the school, school type, enrollment, annual salary and other important details. We do not yet have three (3) peer schools listed, and will bring additional information back to the Finance Committee at the June meeting.

D. Review and Discussion of the 2017-18 Draft Operating Budget

Mr. Lewis and Mr. Scott Warner, School Business Manager from CSMC, led the committee in a review of the 2017-18 draft operating budget. The budget is built on enrollment at 1,300; ADA at 97%. Expenses are consistent with current year projections. There was a section added for the CMO, as there will be a second year of legal settlement which should not affect the budgets for the three (3) charters that will be operating next year. We have also not budgeted the one-time block grants from the Governor's May Revision as those funds are not set to be disbursed until the 2018-19 fiscal year, if at all. The beginning and ending fund balances will also change as we continue to close out the current year. It was also noted the salary line includes a five percent raise for staff, though the raise is contingent on individual performance plans so those numbers may change based on final staff evaluations.

VII. Closing Items

A. UPCOMING MEETING

B. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 2:46 PM.

Respectfully Submitted,
J. Lewis

2016-17 Funding Update

The Advisory Commission on Charter Schools met on Wednesday, June 7 to consider our Funding Determination Forms and approved the CDE recommendation. The California Department of Education, Charter Schools Division, issued a positive recommendation of 100% funding for three (3) of our charters: AAS Sonoma, CCS of Fresno, and CCS of LA; and 85% for AAS Thousand Oaks & Simi Valley and CCS of San Diego. This funding is retroactive for the current year, and for the upcoming 2017-18 school year. The next and final step is action by the State Board of Education, which is scheduled for July 12 & 13.

Chase Bank (checking account)

The primary account for CCS is a checking account at Chase Bank. Balances are as of the end of the reported month:

- May: \$1,166,487.15

JP Morgan Chase (CD account)

CCS has a laddered CD account through JP Morgan Chase. Balances are as of the end of the reported month:

- May: \$3,761,800.00

We did not roll over the current ladder, which will transfer \$1,250,000 from the CD account to our checking account at the end of June.

Review and Approval of the 2017-18 Operating Budget

Item:	B. Review and Approval of the 2017-18 Operating Budget
Purpose:	Vote
Key Result:	Enrollment
Submitted by:	Scott Warner

BACKGROUND:

The 2017-18 operating budget was drafted with assistance from our Director of Operations and School Business Manager from CSMC. The budget is based on 1,100 scholars with a daily attendance rate of 97%. It is also based on receiving 85% funding for CCS of San Diego, and 100% funding for both CCS of Fresno and CCS of LA, based on the recommendation by both the California Department of Education and Advisory Commission on Charter Schools. The State Board of Education will take final action on these funding levels during their July meeting. We will also have a clearer picture of our ending fund balance at that time, once we know what our retroactive funding will look like for the current 2016-17 year. We are asking for a vote by the Finance Committee to recommend adoption of the 2017-18 Operating Budget by the full Board of Directors at the June Annual Meeting.

RECOMMENDATION:

A motion to recommend approval of the 2017-18 Operating Budget.
