A. Public Comment	FYI	Peter McDonald	5
--------------------------	-----	-------------------	---

Addressing the Board – Board meetings are meetings of the Board of Directors and will be held in a civil, orderly and respectful manner. All public comments or questions should be addressed to the Board through the Chair of the Board. To ensure an orderly meeting and an equal opportunity for each speaker, persons wishing to address the Board must complete a Speaker Request Card and submit it to Miguel Aguilar, Executive Assistant to the CEO. The Speaker Request Card must contain speaker name, contact number or email, and subject matter and submitted to the Executive Assistant to the CEO prior to the start of the meeting. Members of the public may address the Board on any matter within the Board’s jurisdiction and have **three (3) minutes each** to do so. The total time of each subject will be fifteen (15) minutes, unless additional time is requested by a Board Member and approved by the Board.

The Board may not deliberate or take action on items that are not on the agenda. However, the Board may give direction to staff following a presentation. The Chair is in charge of the meeting and will maintain order, set the time limits for the speakers and the subject matter, and will have the prerogative to remove any person who is disruptive of the Board meeting. The Board of Directors may place limitations on the total time to be devoted to each topic if it finds that the numbers of speakers would impede the Board’s ability to conduct its business in a timely manner. The Board of Directors may also allow for additional public comment and questions after reports and presentations if it deems necessary.

INTERNAL COMPLAINT REVIEW

AMENDMENT TO EMPLOYEE HANDBOOK

APPENDIX A - HARASSMENT/DISCRIMINATION/RETALIATION COMPLAINT FORM
APPENDIX B - INTERNAL COMPLAINT FORM

INTRODUCTION TO HANDBOOK

This Handbook is designed to help employees get acquainted with Compass Charter Schools (hereinafter referred to as “CCS” or the “School”). It explains some of our philosophies and beliefs, and describes some of our employment guidelines in general terms. Although this Handbook is not intended to be an exclusive or comprehensive policies and procedures manual, we hope that it will serve as a useful reference document for employees throughout their employment at the School. Employees should understand, however, that this Handbook is not intended to be a contract (express or implied), nor is it intended to otherwise create any legally enforceable obligations on the part of the School or its employees. In no way does the Handbook replace any official plan documents (e.g., health insurance, retirement plan, etc.) or insurance contracts, which will govern in all cases. This Handbook supersedes and replaces all previous personnel policies, practices, and guidelines.

Due to the fact that the School is a growing and changing organization, it reserves full discretion to add to, modify, or delete provisions of this Handbook, or the policies and procedures on which they may be based, at any time without advance notice. CCS also reserves the right to interpret any of the provisions set forth in this Handbook in any manner it deems appropriate.

No individual other than the President & CEO or Board of Directors has the authority to enter into any employment or other agreement that modifies School policy. Any such modification *must* be in writing.

This Handbook is the property of the School, and it is intended for personal use and reference by employees of the School. Circulation of this Handbook outside of the School requires the prior written approval of the Director of Operations.

Employees must sign the acknowledgment form at the beginning of this Handbook, tear it out, and return it to Human Resources. This will provide the School with a record that each employee has received this Handbook.

CONDITIONS OF EMPLOYMENT

Equal Employment Opportunity Is Our Policy

CCS is an equal opportunity employer. It is the policy of the School to afford equal employment and advancement opportunity to all qualified individuals without regard to:

- Race;
- Color;
- Gender (including gender identity and gender expression);
- Sex (including pregnancy, childbirth, breastfeeding, and medical conditions related to such);
- Religious creed (including religious dress and grooming practices);
- Marital/registered domestic partner status;
- Age (forty (40) and over);
- National origin or ancestry (including native language spoken);
- Physical or mental disability (including HIV and AIDS);
- Medical condition (including cancer and genetic characteristics);
- Taking of a leave of absence pursuant to the Family Medical Leave Act (“FMLA”), Pregnancy Disability Leave (“PDL”) law, Americans with Disabilities Act (“ADA”), California Family Rights Act (“CFRA”), or the Fair Employment and Housing Act (“FEHA”);
- Genetic information;
- Sexual orientation;
- Military and veteran status; or
- Any other consideration made unlawful by federal, state, or local laws.

This policy extends to all employees and to all aspects of the employment relationship, including the hiring of new employees and the training, transfer, promotion, compensation and benefits of existing employees.

To comply with applicable laws ensuring equal employment opportunities to qualified individuals with a disability, the School will make reasonable accommodations for the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or an employee unless undue hardship would result.

Any applicant or employee who requires an accommodation in order to perform the essential functions of the job should contact a School representative with day-to-day personnel responsibilities and request such an accommodation. The individual with the disability should specify what accommodation he or she needs to perform the job. CCS then will conduct an investigation to identify the barriers that interfere with the equal opportunity of the applicant or employee to perform his or her job. CCS will identify possible accommodations, if any, that will help eliminate the limitation. If the accommodation is reasonable and will not impose an undue hardship, the School will make the accommodation.

Employment At-Will

Except if stated expressly otherwise by employment contract, it is the policy of the School that

all employees are considered “at-will” employees of the School. Accordingly, either the School or the employee can terminate this relationship at any time, for any reason, with or without cause, and with or without advance notice.

Nothing contained in this Handbook, employment applications, School memoranda or other materials provided to employees in connection with their employment shall require the School to have “cause” to terminate an employee or otherwise restrict the School’s right to release an employee from their at-will employment with the School. Statements of specific grounds for termination set forth in this Handbook or elsewhere are not all-inclusive and are not intended to restrict the School’s right to terminate at-will. No School representative, other than the Board of Directors or its designee, is authorized to modify this policy for any employee or to make any representations to employees or applicants concerning the terms or conditions of employment with the School that are not consistent with the School’s policy regarding “at-will” employment.

This policy shall not be modified by any statements contained in this Handbook or employee applications, School memoranda, or any other materials provided to employees in connection with their employment. Further, none of those documents whether singly or combined, or any employment practices, shall create an express or implied contract of employment for a definite period, nor an express or implied contract concerning any terms or conditions of employment.

Child Abuse and Neglect Reporting

California Penal Code section 11166 requires any child care custodian who has knowledge of, or observes, a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse to report the known or suspected instance of child abuse to a child protective agency immediately, or as soon as practically possible, by telephone and to prepare and send a written report thereof within thirty-six (36) hours of receiving the information concerning the incident.

CCS will provide annual training on the mandated reporting requirements, using the online training module provided by the State Department of Social Services, to employees who are mandated reporters. Mandated reporter training will also be provided to employees hired during the course of the school year. This training will include information that failure to report an incident of known or reasonably suspected child abuse or neglect, as required by Penal Code section 11166, is a misdemeanor punishable by up to six (6) months confinement in a county jail, or by a fine of one-thousand dollars (\$1,000), or by both that imprisonment and fine.

All employees required to receive mandated reporter training must provide proof of completing the training within the first six (6) weeks of each school year or within the first six (6) weeks of that employee’s employment.

By acknowledging receipt of this Handbook, employees acknowledge they are child care custodians and are certifying that they have knowledge of California Penal Code section 11166 and will comply with its provisions.

Criminal Background Checks

As required by law, all individuals working or volunteering at the School will be required to submit to a criminal background investigation. No condition or activity will be permitted that

may compromise the School's commitment that the safety and the well-being of students takes precedence over all other considerations. Conditions that preclude working at the School include conviction of a controlled substance or sex offense, or a serious or violent felony. Additionally, should an employee, during his/her employment with the School, be convicted of a controlled substance or sex offense, or serious or violent felony, the employee must immediately report such a conviction to the Director of Operations.

Tuberculosis Testing

All employees of the School must submit written proof from a physician of a risk assessment examination for tuberculosis (TB) within the last sixty (60) days. If TB risk factors are identified, a physician must conduct an examination to determine whether the employee is free of infectious TB. The examination for TB consists of an approved TB test, which, if positive, will be followed by an x-ray of the lungs, or in the absence of skin testing, an x-ray of the lungs. All employees will be required to undergo TB risk assessments and, if risk factors are found, the examination at least once every four (4) years. Volunteers may be required to undergo a TB examination as necessary. The TB risk assessment and, if indicated, the examination is a condition of initial employment with the School and the cost of the exam will be borne by the applicant.

Food handlers may be required to have annual TB exams. Documentation of employee and volunteer compliance with TB risk assessments and examinations will be kept on file in the office. This requirement also includes contract food handlers, substitute teachers, and student teachers serving under the supervision of an educator. Any entity providing student services to the School will be contractually required to ensure that all contract workers have had TB testing that shows them to be free of active TB prior to conducting work with School students.

Immigration Compliance

CCS will comply with applicable immigration law, including the Immigration Reform and Control Act of 1986 and the Immigration Act of 1990. As a condition of employment, every individual must provide satisfactory evidence of his or her identity and legal authority to work in the United States. However, CCS will not check the employment authorization status of current employees or applicants who were not offered positions with the School unless required to do so by law.

The School shall not discharge an employee or in any manner discriminate, retaliate, or take any adverse action (*e.g.*, threatening to report the suspected citizenship or immigration status of an employee or a member of the employee's family) against any employee or applicant for employment because the employee or applicant exercised a right protected under applicable law. Further, the School shall not discriminate against any individual because he or she holds or presents a driver's license issued per Vehicle Code § 12801.9 to persons who have not established their federally-authorized presence in the United States.

If you have any questions or need more information on immigration compliance issues, please contact the Director of Operations.

Employment Qualifications

CCS's core academic teachers are required, and as a condition of continued employment, to hold a current California Commission on Teacher Credentialing certificate, permit, or other document equivalent to that which a teacher in other public schools would be required to hold.

It is the responsibility of each core academic teacher to ensure that credentials and permits are renewed in a timely manner and remain current. Upon renewal, the original document is to be submitted to Human Resources to be copied and filed in the employee's personnel file.

Staff/Student Interaction Policy

CCS recognizes its responsibility to make and enforce all rules and regulations governing student and employee behavior to bring about the safest and most learning-conducive environment possible.

Corporal Punishment

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of, or willfully causing the infliction of, physical pain on a student.

For purposes of this policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to property.

For clarification purposes, the following examples are offered for direction and guidance of School personnel:

A. Examples of PERMITTED actions (NOT corporal punishment)

1. Stopping a student from fighting with another student;
2. Preventing a pupil from committing an act of vandalism;
3. Defending yourself from physical injury or assault by a student;
4. Forcing a pupil to give up a weapon or dangerous object;
5. Requiring an athletic team to participate in strenuous physical training activities designed to strengthen or condition team members or improve their coordination, agility, or physical skills;
6. Engaging in group calisthenics, team drills, or other physical education or voluntary recreational activities.

B. Examples of PROHIBITED actions (corporal punishment)

1. Hitting, shoving, pushing, or physically restraining a student as a means of control;
2. Making unruly students do push-ups, run laps, or perform other physical acts that cause pain or discomfort as a form of punishment;
3. Paddling, swatting, slapping, grabbing, pinching, kicking, or otherwise causing physical pain.

Acceptable and Unacceptable Staff/Student Behavior

This policy is intended to guide all School faculty and staff in conducting themselves in a way that reflects the high standards of behavior and professionalism required of school employees and to specify the boundaries between students and staff.

Although this policy gives specific, clear direction, it is each staff member's obligation to avoid situations that could prompt suspicion by parents, students, colleagues, or school leaders. One viable standard that can be quickly applied, when you are unsure if certain conduct is acceptable, is to ask yourself, "Would I be engaged in this conduct if my family or colleagues were standing next to me?"

For the purposes of this policy, the term "boundaries" is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing the boundaries of a student/teacher relationship is deemed an abuse of power and a betrayal of public trust.

Some activities may seem innocent from a staff member's perspective, but can be perceived as flirtation or sexual insinuation from a student or parent point of view. The objective of the following lists of acceptable and unacceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to, or may be perceived as, sexual misconduct.

Staff must understand their own responsibility for ensuring that they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for disciplinary purposes. Thus, it is crucial that all employees learn this policy thoroughly and apply the lists of acceptable and unacceptable behaviors to their daily activities. Although sincere, competent interaction with students certainly fosters learning, student/staff interactions must have boundaries surrounding potential activities, locations and intentions.

Duty to Report Suspected Misconduct

When any employee becomes aware of another staff member having crossed the boundaries specified in this policy, he or she must speak to this staff member if the violation appears minor, or report the matter to school administrators. If the observed behavior appears to be a violation of this policy, it is the duty of every staff member to immediately report it to an administrator. All reports shall be as confidential as possible under the circumstances. It is the duty of the administrator to investigate and thoroughly report the situation. Employees must also report to the administration any awareness or concern of student behavior that crosses boundaries or where a student appears to be at risk for sexual abuse.

Examples of Specific Behaviors

The following examples are not an exhaustive list:

Unacceptable Staff/Student Behaviors (Violations of this Policy)

- (a) Giving gifts to an individual student that are of a personal and intimate nature.

Policy Prohibiting Unlawful Harassment, Discrimination, and Retaliation

CCS is committed to providing a work and educational atmosphere that is free of unlawful harassment, discrimination, and retaliation. CCS's policy prohibits unlawful harassment, discrimination, and retaliation based upon: race; color; gender (including gender identity and gender expression); sex (including pregnancy, childbirth, breastfeeding, and related medical conditions); religious creed (including religious dress and grooming practices); marital/registered domestic partner status; age (forty (40) and over); national origin or ancestry (including native language spoken); physical or mental disability (including HIV and AIDS); medical condition (including cancer and genetic characteristics); taking a leave of absence authorized by law; genetic information; sexual orientation; military and veteran status; or any other consideration made unlawful by federal, state, or local laws.

Employees, volunteers, unpaid interns, individuals in apprenticeship programs, and independent contractors shall not be harassed, or discriminated or retaliated against, based upon the characteristics noted above.

CCS does not condone and will not tolerate unlawful harassment, discrimination, or retaliation on the part of any employee (including supervisors and managers) or third party (including independent contractors or other person with which the School does business). Supervisors and managers are to report any complaints of unlawful harassment to the Director of Operations or designee.

When CCS receives allegations of unlawful harassment, discrimination, or retaliation, the Board (if a complaint is about the Director of Operations) or the Director of Operations or designee will conduct a fair, timely and thorough investigation that provides all parties an appropriate process and reaches reasonable conclusions based on the evidence collected. The investigation will be handled in as confidential a manner as possible, although complete confidentiality cannot be guaranteed. Complainants and witnesses shall not be subject to retaliation for making complaints in good faith or participating in an investigation. CCS is committed to remediating any instances where investigation findings demonstrate unlawful harassment, discrimination, or retaliation has occurred.

Prohibited Unlawful Harassment

- Verbal conduct such as epithets, derogatory jokes or comments or slurs;
- Physical conduct including assault, unwanted touching, intentionally blocking normal movement, or interfering with work because of sex, race or any other protected basis;
- Retaliation for reporting or threatening to report harassment; or
- Disparate treatment based on any of the protected classes above.

Prohibited Unlawful Sexual Harassment

CCS is committed to providing a workplace free of sexual harassment and considers such harassment to be a major offense, which may result in disciplinary action, up to, and including dismissal, of the offending employee.

Sexual harassment consists of sexual advances, request for sexual favors and other verbal or physical conduct of a sexual nature, regardless of whether or not the conduct is motivated by sexual desire, when: (1) submission to the conduct is either made explicitly or implicitly a term or condition of an individual's employment; (2) an employment decision is based upon an individual's acceptance or rejection of that conduct; (3) that conduct interferes with an individual's work performance or creates an intimidating, hostile or offensive working environment.

It is also unlawful to retaliate in any way against an employee who has articulated a good faith concern about sexual harassment against him or her or against another individual.

All supervisors of staff will receive sexual harassment, discrimination, and retaliation training within six (6) months of their assumption of a supervisory position and will receive further training once every two (2) years thereafter. Such training will address all legally required topics, including information about the negative effects that abusive conduct has on both the victim of the conduct and others in the workplace, as well as methods to prevent abusive conduct undertaken with malice a reasonable person would find hostile, offensive, and unrelated to an employer's legitimate business interests. Abusive conduct includes but is not limited to repeated infliction of verbal abuse, such as the use of derogatory remarks, insults, and epithets, verbal or physical conduct that a reasonable person would find threatening, intimidating, or humiliating, or the gratuitous sabotage or undermining of a person's work performance. Supervisors shall also be trained on how to appropriately respond when the supervisor becomes aware that an employee is the target of unlawful harassment. Other staff will receive sexual harassment training and/or instruction concerning sexual harassment in the workplace as required by law.

Each employee has the responsibility to maintain a workplace free from any form of sexual harassment. Consequently, should any individual, in particular those with supervisory responsibilities, become aware of any conduct that may constitute sexual harassment or other prohibited behavior, immediate action should be taken to address such conduct. Any employee who believes they have been sexually harassed or has witnessed sexual harassment is encouraged to immediately report such harassment to the Director of Operations. See **Appendix A** for the "Harassment/Discrimination/Retaliation Complaint Form." See **Appendix B** for the general "Internal Complaint Form."

Sexual harassment may include, but is not limited to:

- Physical assaults of a sexual nature, such as:
 - Rape, sexual battery, molestation or attempts to commit these assaults and
 - Intentional physical conduct that is sexual in nature, such as touching, pinching, patting, grabbing, brushing against another's body, or poking another's body.
- Unwanted sexual advances, propositions or other sexual comments, such as:
 - Sexually oriented gestures, notices, remarks, jokes, or comments about a person's sexuality or sexual experience.
 - Preferential treatment or promises of preferential treatment to an employee for submitting to sexual conduct, including soliciting or attempting to solicit any employee to engage in sexual activity for compensation or reward or disparate treatment for rejecting sexual conduct.
 - Subjecting or threats of subjecting an employee to unwelcome sexual attention or conduct or intentionally making performance of the employee's job more difficult because of the employee's sex.
- Sexual or discriminatory displays or publications anywhere at the workplace by employees, such as:
 - Displaying pictures, cartoons, posters, calendars, graffiti, objections, promotional materials, reading materials, or other materials that are sexually suggestive, sexually demeaning or pornographic or bringing to work or possessing any such material to read, display or view at work;
 - Reading publicly or otherwise publicizing in the work environment materials that are in any way sexually revealing, sexually suggestive, sexually demeaning or pornographic; and
 - Displaying signs or other materials purporting to segregate an employee by sex in an area of the workplace (other than restrooms or similar rooms).

The illustrations of harassment and sexual harassment above are not to be construed as an all-inclusive list of prohibited acts under this policy. Moreover, please note that while in most situations a personal relationship is a private matter, these relationships are not appropriate in a professional setting, particularly where one of the parties has management or supervisory responsibilities. As such, consensual relationships in the workplace may violate CCS policy.

Code of Ethics

General

The following Code of Ethics applies to all members of the School Community including

volunteers and members of all decision-making teams, as well as all staff of CCS (collectively referred to as “members”).

Preamble

All members believe in the worth and dignity of human beings. All members recognize the supreme importance of the pursuit of truth, devotion to excellence, and the nurturing of democratic citizenship. All members regard as essential to these goals the protection of freedom to learn and to teach and the guarantee of equal educational opportunity for all. All members accept the responsibility to practice “education” according to the highest ethical standards.

Principle I: Commitment to the Scholar

All members must work to stimulate the spirit of inquiry, the acquisition of knowledge and understanding, and the thoughtful formulation of worthy goals. In fulfilling these goals, all members should:

- Encourage the scholars to take independent action in the pursuit of learning and provide access to varying points of view, and entrepreneurial goals and vision.
- Prepare subjects carefully, incorporating entrepreneurial curriculum and 21st century life skills. Present them to the scholar without distortion, and, within the limits of time and curriculum, give all points of view a fair hearing.
- Protect the health and safety of scholars.
- Honor the integrity of scholars and influence them through constructive criticism rather than by ridicule and harassment.
- Provide for participation in educational programs without regard to race, color, creed, sex, gender, orientation, national origin or any other protected classification - both in what is taught and how it is taught.
- Neither solicit nor involve scholars or their parent in schemes for commercial gain thereby insuring that professional relationships with scholars shall not be used for private advantage.
- Keep in confidence information that has been obtained in the course of professional service, including scholar/parent’s address, phone number or any other contact information, unless disclosure serves professional purposes or is required by law.
- Will not post on the website or share with others scholar’s photos unless photo school waiver is on file with the school.

Principle II: Commitment to the Public

All members believe that democratic citizenship in its highest form requires dedication to the principles of our democratic heritage. All members share with all other citizens the responsibility for the development of sound public policy and assume full political and citizenship responsibilities. All members of staff bear particular responsibility for the development of policy relating to the extension of educational opportunities for all, and for interpretation of educational programs and policies to the public. In fulfilling these goals, all members:

- Have an obligation to support education and CCS, and not to misrepresent them in public discussion. When being critical in public, all members have an obligation not to distort the facts. When speaking or writing about policies, all members must take adequate

precautions to distinguish members' private views from the official position of the charter school.

- Do not interfere with a colleague's exercise of political and citizenship rights and responsibilities.
- Ensure that institutional privileges shall not be used for private gain. Do not exploit pupils, their parents, colleagues, or the school system itself for private advantage. Do not accept gifts or favors that might impair or appear to impair professional judgment nor offer any favor, service, or thing of value to obtain special advantage.

Principle III: Commitment to the Profession

All members will exert every effort to raise standards, to improve service, to promote a climate in which the exercise of sound personal and professional judgment is encouraged, and to achieve conditions, which attract persons worthy of trust to careers in education. In fulfilling these goals, all members will:

- Accord just and equitable treatment to all members in the exercise of their rights and responsibilities.
- Not use coercive means or promise special treatment in order to influence professional decisions of colleagues.
- Not misrepresent one's own professional qualifications.
- Not misrepresent the professional qualifications of their colleagues; discuss these qualifications fairly and accurately when discussion serves professional purposes.
- Apply for, accept, offer, and assign positions or responsibility on the basis of professional preparation and legal qualifications.
- Use honest and effective methods of administering educational responsibilities; conduct professional business through proper channels; use time granted for its intended purposes; not misrepresent conditions of employment; live up to the letter and spirit of contracts.

Whistleblower Policy

CCS requires its directors, officers, employees, and volunteers to observe high standards of ethics in the conduct of their duties and responsibilities within the School. As representatives of the School, such individuals must practice honesty and integrity in fulfilling all responsibilities and must comply with all applicable laws and regulations. The purpose of this policy is to create an ethical and open work environment, to ensure that the School has a governance and accountability structure that supports its mission, and to encourage and enable directors, officers, employees, and volunteers of the School to raise serious concerns about the occurrence of illegal or unethical actions within the School before turning to outside parties for resolution.

All directors, officers, employees, and volunteers of the School have a responsibility to report any action or suspected action taken within the School that is illegal, unethical or violates any adopted policy of the School, or local rule or regulation. Anyone reporting a violation must act in good faith, without malice to the School or any individual at the School and have reasonable grounds for believing that the information shared in the report indicates that a violation has occurred. A person who makes a report does not have to prove that a violation has occurred. However, any report which the reporter has made maliciously or any report which the reporter has good reason to believe is false will be viewed as a serious disciplinary offense. No one who

in good faith reports a violation, or who, in good faith, cooperates in the investigation of a violation shall suffer harassment, retaliation, or adverse employment action. Further, no one who in good faith discloses, who may disclose, or who the School believes disclosed or may disclose, information regarding alleged violations to a person with authority over the employee or another employee who had responsibility for investigating, discovering or correcting the purported violation shall suffer harassment, retaliation, or adverse employment action.

Drug-Free Workplace

CCS complies with all Federal and State regulations regarding drug use while on the job with respect to all School employees. The School is concerned about the use of alcohol and drugs as it affects the workplace, the School community and the students which CCS serves. Use of these substances whether on or off the job can adversely affect an employee's work performance, efficiency, safety, and health, and therefore seriously impair the employee's value to the School and its students. In addition, the use or possession of these substances on the job constitutes a potential danger to the welfare and safety of other employees and students and exposes the School to the risks of property loss or damage or injury to other persons.

Furthermore, the use of prescription and/or over-the-counter drugs also may affect an employee's job performance and seriously impair the employee's value to CCS. Any employee who is using prescription or over-the-counter drugs that may impair the employee's ability to safely perform the job, or affect the safety or wellbeing of others, must notify a supervisor of such use immediately before starting or resuming work.

The following rules and standards of conduct apply to all employees either on CCS property or during the workday (workday (including meal and rest periods). Behavior that violates this policy includes:

- Driving a School vehicle while under the influence of alcohol or drugs.
- Distribution, sale or purchase of any drug while on the job, or in the presence of students.
- Possession or use of alcohol or drugs while on the job, or in the presence of students.
- Being under the influence of alcohol or drugs while on the job.

Violation of these rules and standards of conduct will not be tolerated and will result in disciplinary action, up to and including termination of employment. CCS may also bring the matter to the attention of the appropriate law enforcement authorities.

In order to enforce this policy, CCS reserves the right to conduct searches of School property and to implement other measures necessary to deter and detect abuse of this policy. As such, employees do not have a reasonable expectation of privacy while on School property.

Confidential Information

All information relating to students including, schools attended, addresses, contact numbers, and progress information is confidential information, and may not be shared with unauthorized parties, including other CCS parents unless permission is on file. All records concerning special

education pupils shall be kept strictly confidential and maintained in a separate locked cabinet.

Conflict of Interest

In the case of outside employment, all full-time and part-time employees may not work or consult for other entities involved in the field of education without authorization from the President & CEO. No outside employment may impede the staff member's ability to fulfill his/her job responsibilities. Outside employment may not take place during regular employee hours. Failure to disclose facts shall constitute grounds for disciplinary action that may involve action up to and including termination from CCS.

All employees must avoid situations involving actual or potential conflict of interest. A conflict of interest is a situation in which an employee's personal interests (or those of the employee's friends or family) are inconsistent with the interests of CCS, so that the employee's ability to act solely in the best interests of CCS is placed in doubt, giving recognition to the frailties of human conscience and the instinctive force of self-interest.

An employee involved in any relationships or situations, which may constitute a conflict of interest, should immediately and fully disclose the relevant circumstances to the President & CEO, for a determination about whether a potential or actual conflict exists. If an actual or potential conflict is determined, the School may take whatever corrective action appears appropriate according to the circumstances.

Nepotism Policy

CCS is committed to a policy of employment and advancement based on qualifications and performance. Due to potential for perceived or actual conflicts, such as favoritism or personal conflicts from outside the work environment, which can be carried into the daily working relationship, CCS will hire or consider other employment actions concerning relatives of persons currently employed only if: a) candidates for employment will not be working directly for or supervising a relative, b) relative will not be working within the same Division and or reporting to the same Supervisor and c) candidates for employment will not occupy a position in the same line of authority in which employees can initiate or participate in decisions involving a direct benefit to the relative. Such decisions include hiring, retention, transfer, promotion, wages and leave requests. This policy applies to all current employees and candidates for employment, unless prior approval has been granted by the President & CEO.

Definitions "Family member" is defined as one of the following: relationships by blood—parent, child, grandparent, grandchild, brother, sister, uncle, aunt, nephew, niece and first cousin; and relationships by marriage—husband, wife (as defined by state law), stepparent, stepchild, brother-in-law, sister-in-law, father-in-law, mother-in-law, son-in-law, daughter-in-law, half-brother, half-sister, uncle, aunt, nephew, niece, spouse/partner of any of the above and cohabitating couples or significant others. The hiring supervisor is responsible for ensuring policy compliance. Department directors are responsible for monitoring changes in employee reporting relations after initial hire to ensure compliance with this policy. Employees are responsible for immediately reporting any changes to their supervisor. If any employee, after employment or change in employment, enters into one of the above relationships, one of the affected individuals must seek a transfer or a change in the reporting relationship. Such changes must be approved by the President & CEO. If a decision cannot be made by the affected

employees within fourteen (14) days of reporting, reassignment will be made on direction of the department director and the President & CEO. No exception to this policy will be made without the written consent of the President & CEO.

Smoking

All School buildings and facilities are non-smoking facilities.

THE WORKPLACE

Employment Categories

The following are categories of Employees that are used within this Handbook (herein “Employee Category”). More than one (1) Employee Category may apply to an Employee.

Full-Time Employee

A Full-Time Employee is an employee whose regular working hours are more than thirty-five (35) hours per week. Full-Time Employees are hired for an indefinite and unspecified duration of time. Full-Time Employees are eligible for all School employment benefits, as specified in the Employment Benefits provision of this Handbook.

Part-Time Employee

A Part-Time Employee is an employee whose regular working hours are thirty-five (35) or fewer hours per week. Part-Time Employees are hired for an indefinite and unspecified duration of time. Part-Time Employees may be eligible for employment benefits (e.g. prorated), as specified in the Employment Benefits provision of this Handbook.

Temporary Employee

A Temporary Employee is an employee who is hired for a limited, but unspecified, period of time or for a specific project or set of projects. The Introductory Period is not applicable to Temporary Employees. Temporary Employees are generally ineligible for School employment benefits, as specified in the Employment Benefits provision of this Handbook.

Exempt Employee

An Exempt Employee is an Employee whose employment is not subject to the overtime and recordkeeping provisions of applicable law.

Non-Exempt Employee

A Non-Exempt Employee is an Employee whose employment is subject to the overtime and recordkeeping provisions of applicable law.

Salaried Non-Exempt Employee

The designation of an employee as “salaried, nonexempt” means that the employer is paying the employee a consistent salary that meets applicable minimum wage requirements instead of paying an hourly rate based on actual hours worked. In addition, and most importantly, the designation means the employer determined that the employee’s primary job duties fail to meet the requirements for an exemption under applicable law and is classifying the employee as non-exempt.

Inactive Employees

An Inactive Employee is an Employee who is currently on a Leave of Absence. When an Inactive Employee returns to work, the Employee becomes an Active Employee.

Work Schedule

Central Office hours are 8:00 a.m. – 5:00 p.m. Monday through Friday, closed daily from 12:00 p.m. - 1:00 p.m. for lunch. The regular workday schedule for non-exempt employees is eight (8) hours; the regular workweek schedule is forty (40) hours. Exempt employees are expected to be available during business hours of 8:00am – 5:00pm and to commit whatever additional time is necessary to satisfactorily complete all job requirements. The school reserves the right to alter schedules as it may require.

Meal and Rest Periods

CCS provides non-exempt employees with ten (10) minute paid rest breaks as required by applicable law. Non-exempt employees receive one (1) rest break for each four (4) hour work period or a “major fraction” of a work period (i.e. greater than two [2] hours); however, any non-exempt employee who works less than three and one-half (3½) hours in a day is not eligible to take a rest break. The number of breaks received is as follows:

- Non-exempt employees who work between three and one-half (3½) and six (6) hours are entitled to one (1), ten (10) minute rest break.
- Non-exempt employees who work more than six (6) and up to ten (10) hours are entitled to two (2), ten (10) minute rest breaks. Non-exempt employees who work more than ten (10) and up to twelve (12) hours are entitled to three (3), ten (10) minute rest breaks.

A rest break is paid time when employees are relieved of all work duties and responsibilities, although employees must remain on the facility premises. Rest breaks may not be combined, added to a meal period, or taken at the very beginning or very end of the day, unless an employee receives advance permission from their supervisor. Insofar as practicable, rest breaks should be in the middle of each work period. Employees must self-police their rest breaks and ensure that they take their breaks every day. If any employee is unable to take a rest break, the employee must notify their supervisor at the time the employee is unable to take the rest break. Failure to follow this notification requirement may lead to discipline, at the School’s discretion.

CCS also requires its employees in non-exempt positions to take a mandatory unpaid, uninterrupted meal break in accordance with California law, sixty (60) minutes per CCS policy. A meal break is an unpaid period when employees are relieved of all work duties and responsibilities, generally for the purpose of consuming a meal. During the meal period break, employees may not perform any work-related activities.

If a nonexempt employee is unable to take his/her meal break or take it in a timely manner, the employee must notify his/her supervisor before or at the time the employee is unable to take the meal break. Failure to follow this notification requirement may lead to discipline, at the School’s discretion.

Lactation Accommodation

CCS accommodates lactating employees by providing a reasonable amount of break time to any employee who desires to express breast milk for an infant child. The break time shall, if possible, run concurrently with any break time already provided to the employee. Any break time provided to express breast milk that does not run concurrently with break time already provided to the non-exempt employee shall be unpaid.

CCS will make reasonable efforts to provide employees who need a lactation accommodation with the use of a room or other private location that is located close to the employee's work area. Employees with private offices will be required to use their offices to express breast milk. Employees who desire lactation accommodations should contact their supervisor to request accommodations.

Attendance and Tardiness

All employees, whether exempt or non-exempt, are expected to arrive at work consistently and on time. Absenteeism and tardiness negatively affects the School's ability to implement its educational program and disrupts consistency in students' learning.

If it is necessary to be absent or late, employees are expected to telephone their immediate supervisor as soon as possible but no later than one-half (1/2) hour before the start of the workday. If an employee is absent from work longer than one (1) day, he or she is expected to keep their immediate supervisor sufficiently informed of the situation.

As noted in the section of this Handbook concerning prohibited conduct, excessive or unexcused absences or tardiness may result in disciplinary action up to and including release from at-will employment with the School. Absence for more than three (3) consecutive days without notifying the Director of Operations will be considered a voluntary resignation from employment.

Time Cards/Records

By law, CCS is obligated to keep accurate records of the time worked by non-exempt employees. Such employees shall be required to utilize the School's time card system.

Non-exempt employees must accurately clock in and out of their shifts as this is the only way the payroll department knows how many hours each employee has worked and how much each employee is owed. The time card indicates when the employee arrived and when the employee departed. All non-exempt employees must clock in and out for arrival and departure, along with lunch and for absences like doctor or dentist appointments. All employees are required to keep the office advised of their departures from and returns to the school premises during the workday.

Non-exempt employees are solely responsible for ensuring accurate information on their time cards and remembering to record time worked. If an employee forgets to mark their time card or makes an error on the time card, the employee must contact the Director of Operations to make the correction and such correction must be initialed by both the employee and the Director of Operations.

No one may record hours worked on another's worksheet. Any employee who tampers with his/her own time card, or another employee's time card, may be subjected to disciplinary action, up to and including release from at-will employment with the School.

Adjunct Duties

All exempt employees will be assigned adjunct duties at the School's discretion. Satisfactory performance of these duties is a condition of continued employment.

Use of E-Mail, Voicemail and Internet Access

CCS permits employees to use its electronic mail, voicemail systems and Internet access subject to the following:

- Minimal personal use as long as it does not interfere with timely job performance and is consistent with law and appropriate protocols during work hours.
- The E-mail system and Internet access is not to be used in any way that may be disruptive, offensive to others, or harmful to morale. For example, sexually explicit images, ethnic slurs, racial epithets, or anything else that may be construed as harassment or disparagement of others based on their race, national origin, sex, sexual orientation, age, religious beliefs or political beliefs may not be displayed or transmitted.
- The Internet may not be accessed on any school device outside of the United States.
- Employees should may not attempt to gain access to another employee's personal file of E-mail or voicemail messages or voicemail messages without the latter's express permission.
- School staff will not enter an employee's personal E-mail files or voicemail unless there is a business need to do so. CCS retains a copy of all passwords; passwords unknown to the School may not be used. System security features, including passwords and delete functions, do not neutralize the School's ability to access any message at any time. Employees must be aware that the possibility of such access always exists.
- Employees may not change any preset user names and/or passwords established by the CCS for access to School email, voicemail or software provided to the employee by the School.
- Employees may not change or alter in any way the email signature for school email as determined by the School. No additional extraneous content may be added to the email signature unless requested by the President & CEO.
- Employees should not use personal devices or email accounts for School-related communications. Such communications should only take place using School-issued devices and via the employee's CCS email account.

Social Media Policy

Permissions

At CCS, we believe in open communication and encourage you to share your work and passion with family, friends, co-workers, and your professional networks around the world. Whether you do so by participating in a blog, wiki, any social media platform, or any other form of online publishing or discussion is up to you. In order to assist you in making responsible decisions in your use of social media, and to avoid any conflicts or misunderstandings, we have come up with a few guidelines to provide helpful and practical advice for you when operating on the Internet as an identifiable employee of CCS and its brands.

This policy applies to all full-time staff, part-time staff, and external contractors employed or providing services at CCS. Each and every employee and/or contractor should use the supplemental CCS Social Media Handbook provided by the Marketing & Communications Department for additional guidance in administering the policy.

Guidelines

In the rapidly expanding world of electronic communication, social media can mean many things. Social media includes all means of communicating or posting information or content of any sort on the Internet, including to your own or someone else's web log or blog, journal or diary, personal web site, social networking or affinity web site, web bulletin board or a chat room, whether or not associated or affiliated with CCS, as well as any other form of electronic communication. Before creating any online content, please consider the following main guidelines:

- All employees and contractors must familiarize themselves with the CCS Social Media Handbook prior to posting any content on our social media platforms.
- You are personally responsible for the content you publish on our blog, website, or any other form of user-generated media.
- If an item features the statement "For Internal Use Only," please do not forward to anyone outside of CCS or publish on any social media channel.
- Do not comment on work-related legal matters unless you are an official spokesperson, and have prior written authorization from the President & CEO.
- Please remember that the Internet never forgets, meaning everything you publish will be available for the world to see for a very long time and may come back to haunt you at a later time. If you are about to publish something that makes you even the slightest bit uncomfortable, please contact the Marketing & Communications Department for guidance and approval.

Always remember to consider some of the risks and rewards that are involved with posting content to social media. Keep in mind that any of your conduct that adversely affects your job performance, the performance of co-workers or contractors, or otherwise adversely affects people who work on behalf of CCS or CCS' legitimate business interests, may result in

disciplinary action up to and including termination.

Know and Follow the Rules

Carefully read these guidelines and the CCS Social Media Handbook and ensure your postings are consistent with these policies. Always make sure to respect your audience. Any and all inappropriate postings, including but not limited to discriminatory remarks, harassment, threats of violence, or similar inappropriate or unlawful conduct that would not be acceptable in the CCS workplace, will not be tolerated and may warrant disciplinary action, up to and including termination.

Be Respectful

Always be fair and courteous to fellow staff, scholars, and families of scholars, or people who work on behalf of or provide services to CCS. Also, keep in mind that you are more likely to resolve work related complaints by speaking directly with your co-workers or by utilizing our Open Door Policy than by posting complaints to a social media outlet. Using your public voice to harass or embarrass your co-workers, CCS, students, families, or any other CCS stakeholders is unacceptable and may subject you to disciplinary action, up to and including termination. Examples of such unacceptable conduct includes but is not limited to offensive posts meant to intentionally harm someone's reputation, or posts that could contribute to a hostile work environment on the basis of race, sex, disability, religion or any other status protected by applicable law.

Make sure you are always honest and accurate when posting information or news, and if you make a mistake, correct it quickly. Be open about any previous posts you have altered.

Please respect copyright laws. If the material is not yours, don't use it as it is that person's choice to share his or her material with the world, not yours. Before posting someone else's work, please check with owner first and make sure you have the rights to use or publish any data, images, videos, etc. When you make a reference to someone's work, where possible, link back to the source.

Respect Confidentiality and Professional Boundaries

Maintain the confidentiality of all of CCS' trade secrets, as well as private or confidential information. Trades secrets may include information regarding the development of systems, processes, products, know-how and technology. Do not post internal reports, policies, procedures or other internal business-related, personnel, or pupil information which is or may be confidential in nature.

Do not create a link from your blog, website or other social networking site to any CCS website without identifying yourself as a CCS staff member. Please remember that anything you publish about CCS can potentially harm the School, including all internal media as well, like the intranet or any newsletters you send out. As soon as you act on the School's behalf by distributing information, you are responsible for upholding the School's image and fully complying with School policies. Please act responsibly when posting materials and if in doubt, contact the Marketing & Communications Department before you post or send said material.

Express only your personal opinions. Never represent yourself as a spokesperson for CCS. If CCS is a subject of the content you are creating, be clear and open about the fact that you are an employee and make it clear that your views do not represent those of CCS, fellow employees, scholars, parents, suppliers or people working on behalf of or providing services to CCS. If you publish a blog or post online related to the work you do or subjects associated with CCS, you must clearly state that you are not speaking on behalf of CCS. It is best to include a disclaimer such as “The postings on this site are my own and do not necessarily reflect the views of CCS.”

Using Social Media at Work

You are prohibited from using your personal social media while on work time or on equipment we provide, unless it is work-related as authorized by your immediate supervisor or consistent with the CCS Employee Handbook. All work-related posts should be made through social media accounts established for the posting of work-related posts only, separate from your personal social media accounts. Do not use CCS email addresses to register on social networks, blogs or other online tools utilized for personal use. Do not use your work social media accounts to post non-work related material including but not limited to personal family information or photos.

Retaliation is Prohibited

CCS prohibits retaliation against any employee for reporting a possible violation of this policy or for cooperating in an investigation. Any employee who engages in retaliation of any sort will be subject to disciplinary action, up to and including termination.

Employee will agree to pay all costs associated with user-inflicted damage (as determined by manufacturer) to the computer or device, or its associated peripheral equipment, or its replacement costs should it be lost or stolen. Employee understands that the replacement cost for a laptop computer will be no less than \$1,500.00, and no less than \$700.00 for a mobile device.

Electronic Accounts

CCS also provides electronic accounts with where an Employee can access the School Internet connection, email addresses, software programs, and the like for authorized business purposes (herein “Electronic Accounts”). Electronic Accounts and all data stored on such are considered School property, even if the data is personal in nature. The School reserves the right to access, inspect, and monitor Electronic Accounts and any data stored on or transmitted through such, with or without notice. An Employee should not have any expectation of privacy or confidentiality in Electronic Accounts.

The School does not condone or endorse any material encountered on the Internet. An Employee accessing the Internet does so at the Employee’s own risk and the School is not responsible for material encountered, viewed, or downloaded by the Employee from the Internet.

b. Email Signatures

In addition, an Employee may not amend any verbiage, graphic formatting, or text formatting in the Employee’s email signature or email disclaimer without approval of the President & CEO.

Mobile Devices

CCS distributes School-owned mobile devices to employees as needed. Each employee who receives a mobile device (i) must keep the mobile device battery charged at all times; and (ii) may not alter any settings on any mobile device as outlined above. Although employees use mobile devices for work-related matters, whether these devices belong to the employee or are

issued by CCS, employees are prohibited from using such devices for work-related matters while driving due to safety reasons. Employees may use hands-free equipment to make or answer calls while driving without violating this policy. However, safety must always be the employee's first priority. If, because of weather, traffic conditions, or any other reason, an employee is unable to concentrate fully on the road, the employee must either end the conversation, or pull over and safely park their vehicle before resuming the call. Employees must also utilize the password protection feature on mobile devices in order to safeguard any confidential School data which may be stored on their mobile device.

Personal Business

CCS facilities for handling mail and telephone calls are designed to accommodate School business. All personal mail must be directed to your home address and limit personal telephone calls to an absolute minimum. Long distance toll calls may not be made from the School's telephone system or your school issued mobile phone. If you need to make a personal call it should be made on a personal calling card or mobile phone. The School's material, time or equipment may not be used for personal projects.

Personal Appointments: Whenever possible, personal appointments should be made for either first thing in the morning or late in the afternoon. Appointments should have minimal impact on office hours and availability.

Personal Purchases/Orders: Employees will not have any personal purchases, orders, invoices, bank statements or mail sent to the School. No one is permitted to use the School's name or address for personal purchases, orders, invoices or mail. "Personal" is defined as purchases, orders, invoices or mail that is non-educational and is not intended for classroom use. This excludes items purchased for use at the School.

Personal Appearance/Standards of Dress

Each employee is a representative of CCS in the eyes of the public. As a result, each employee must report to work properly groomed and wearing appropriate clothing. Employees are expected to dress neatly and in a manner consistent with the nature of the work they perform. Employees who report to work inappropriately dressed may be asked to return in acceptable attire.

Please read the list below carefully:

- Clothing should not look provocative or sexy.
- Shirts/Tops – No bare midriffs, no suggestive, vulgar messages. No messages or references to tobacco, drugs or alcohol printed on them. Spaghetti strap tops, tank tops or muscle shirts are not permitted. Tops must fall below the waist or be tucked in.
- No T-Shirts allowed during regular work hours.
- Workout clothes are not permitted.
- Leggings are not permitted.

- Flip-Flops are not permitted.
- No shorts during regular working hours (unless on specific days).
- Jeans are only permitted on specified days and Casual Fridays and must be clean and free from holes or tears.
- Vests must have a shirt underneath.
- Undergarments must not be visible.
- Clothes may be tailored, but should not fit as a second skin.
- Skirts must be at least mid-thigh length (halfway between the knees and top of the leg).
- Skirts may be worn above the knee, but not as high as mid-thigh length.
- Pants may be loose, but not baggy like gang attire.
- Casual hats are not allowed.
- Tattoos and facial piercings may not be visible

On Fridays and during the month of July, CCS allows for employees to dress more casually. Nevertheless, employees must still wear appropriate casual clothing that is neat, clean and not overly revealing consistent with the parameters in this policy. Participation in Casual Dress Day is a personal decision. Employees are expected to use good judgment to ensure that their attire is appropriate for all activities (including meetings and Scholar/Learning Coach contact) that they will be involved in that day.

On Casual Dress Days, employees may wear:

- Jeans (free from holes or tears),
- Tennis Shoes
- T-Shirts (no vulgar messages)

Employees may not wear:

- Flip Flops
- Shorts
- Hats
- Workout Clothes

In addition to the above, each staff member accepts, in general, the responsibility for coming to work daily appropriately attired. Staff members in violation of the Dress Code will be subject to disciplinary action. The Casual Dress policy is subject to change at any time.

Academic Freedom

Teachers/mentors must be free to think and to express ideas, free to select and employ materials and methods of instruction within the School's curriculum framework, free from undue pressures of authority, and free to act within his/her professional group. Such freedom should be used judiciously and prudently to the end that it is in concert with established community standards and promotes the free exercise of intelligence and student learning. Academic freedom is not an absolute. It must be exercised within the basic ethical responsibilities of the teaching profession.

Those responsibilities include:

- An understanding of our democratic traditions and methods.
- A concern for the welfare, growth, maturity and development of children.
- The use of accepted scholastic methods.
- Application of good taste and judgment in selecting and employing materials and methods of instruction.
- Teachers must follow the California State Standards.

Professional Development

CCS believes in the continuing education of our staff. Professional Development funds will be allocated in the budget by Division for the employees in that Division to use for either Professional Development, Conferences, Workshops, or Tuition Reimbursement. In order to qualify for these funds, the employee must:

- Commit to staying with CCS for at least one-year (1) post Professional Development training (where such commitment on the employee's end in no way alters/impairs the School's authority to release on an at-will basis). Employees who receive Professional Development funds and leave CCS either voluntarily or involuntarily will be required to reimburse CCS the full amount of Professional Development funds used. Repayment must be made immediately upon separation.
- All Professional Development Conferences or Workshops must directly relate to the Employee's current assignment. Employees will be expected to create a Professional Development presentation and or webinar from his/her conference/workshop within thirty (30) days of completion.
- Exams such as the CBEST, CTEL, CSET or other professional exams do not qualify for Professional Development reimbursement.

Employees who are continuing their education must select courses that will not impede during regular work hours (8:00am-5:00pm). Employees may not leave early to attend courses, unless prior approval is granted by the President & CEO. Courses taken must directly relate to the employee's current position and the employee must be prepared to create projects on how his/her course work that will assist CCS in the future.

Media Contacts

Employees should not speak to the media on CCS' behalf without contacting the Marketing & Communications Department. All media inquiries should be directed to the President & CEO.

Health and Safety Policy

CCS is committed to providing and maintaining a healthy and safe work environment for all employees.

Employees are required to know and comply with the School's General Safety Rules and to follow safe and healthy work practices at all times. Employees are required to report immediately to the Director of Operations any potential health or safety hazards, and all injuries or accidents.

In compliance with Proposition 65, the School will inform employees of any known exposure to a chemical known to cause cancer or reproductive toxicity.

Security Protocols

CCS has developed guidelines to help maintain a secure workplace. Be aware of unknown persons loitering in parking areas, walkways, entrances and exits and service areas. Report any suspicious persons or activities to the Director of Operations. Employee desk or office should be secured at the end of the day. When an employee is called away from his or her work area for an extended length of time, valuable or personal articles should not be left around a work station that may be accessible. The security of facilities as well as the welfare of employees depends upon the alertness and sensitivity of every individual to potential security risks. Employees should immediately notify the Director of Operations when keys are missing or if security access codes or passes have been breached.

Key Procedures: When an employee loses a school office key, the following guidelines will be followed:

- 1st Incident: Written Warning
- 2nd Incident: Employee will pay for lost keys and all costs for re-keying
- 3rd Incident: Violation of Code of Ethics and appropriate disciplinary action

Occupational Safety

CCS is committed to the safety of its employees, vendors, contractors and the public and to providing a clear safety goal for management.

The prevention of accidents is the responsibility of every School supervisor. It is also the duty of all employees to accept and promote the established safety regulations and procedures. Every effort will be made to provide adequate safety training. If an employee is ever in doubt how to perform a job or task safely, assistance should be requested. Unsafe conditions must be reported immediately.

It is the policy of the School that accident prevention shall be considered of primary importance in all phases of operation and administration. CCS's management is required to provide safe and healthy working conditions for all employees and to establish and require the use of safe practices at all times.

Failure to comply with or enforce School safety and health rules, practices and procedures could result in disciplinary action up to and including possible termination.

Accident/Incident Reporting

It is the duty of every employee to immediately or as soon as is practical report any accident or injury occurring during work or on School premises so that arrangements can be made for medical or first aid treatment, as well as for investigation and follow-up purposes.

Reporting Fires and Emergencies

It is the duty of every employee to know how to report fires and other emergencies quickly and accurately. Employees should report any such emergency by calling management. In addition, all employees should know the local emergency numbers such as 911.

EMPLOYEE WAGES AND HEALTH BENEFITS

Payroll Withholdings

As required by law, the School shall withhold Federal Income Tax, State Income Tax, Social Security (FICA) for non-exempt employees, CALSTRS for Teachers/Administration and State Disability Insurance from each employee's pay as follows:

1. Federal Income Tax Withholding: The amount varies with the number of exemptions the employee claims and the gross pay amount.
2. State Income Tax Withholding: The same factors which apply to federal withholdings apply to state withholdings.
3. Non-exempt employees: Social Security (FICA): The Federal Insurance Contribution Act requires that a certain percentage of employee earnings be deducted and forwarded to the federal government, together with an equal amount contributed by the School. Teachers do not contribute to Social Security because they are members of CALSTRS.
4. State Disability Insurance (SDI): This state fund is used to provide benefits to those out of work because of illness or disability.
5. Exempt employees: State Retirement withholding (STRS): The Teachers Retirement Fund is a special trust fund established by law. The membership is mandatory for all full-time credentialed teachers.

Overtime Pay

Whether an employee is exempt from or subject to overtime pay will be determined on a case-by-case basis and will be indicated in the employee's job description. Generally, teachers and administrators are exempt. Non-exempt employees may be required to work beyond the regularly scheduled workday or workweek as necessary. Only actual hours worked in a given workday or workweek can apply in calculating overtime for non-exempt employees. CCS will attempt to distribute overtime evenly and accommodate individual schedules. All overtime work must be previously authorized by the Director of Operations. CCS provides compensation for all overtime hours worked by non-exempt employees in accordance with state and federal law as follows:

For employees subject to overtime, all hours worked in excess of eight (8) hours in one workday or forty (40) hours in one workweek shall be treated as overtime. Compensation for hours in excess of forty (40) for the workweek or in excess of eight (8) and not more than twelve (12) for the workday, and for the first eight (8) hours on the seventh consecutive day in one workweek, shall be paid at a rate of one and one-half times the employee's regular rate of pay. Compensation for hours in excess of twelve (12) in one workday and an excess of eight (8) on the seventh consecutive workday of the workweek shall be paid at double the regular rate of pay.

Exempt employees may have to work hours beyond their normal schedules as work demands

require. No overtime compensation will be paid to these exempt employees.

Paydays

All full and part-time employees of the Charter School are paid on the 10th and 25^h of each month. When either of these days falls on a weekend or Holiday, employees are paid on the first workday preceding the weekend or Holiday. Employees should report any errors in their paycheck to the Director of Operations immediately.

Wage Attachments and Garnishments

Under normal circumstances, the School will not assist creditors in the collection of personal debts from its employees. However, creditors may resort to certain legal procedures such as garnishments, levies or judgments that require the School, by law, to withhold part of an employee's earnings in their favor.

Employees are strongly encouraged to avoid such wage attachments and garnishments. If the School is presented a second garnishment request concerning an employee, the Director of Operations will discuss the situation with the employee.

Expenses

Please note that any items (i.e. non consumable office supplies or any pre-approved books) that you have purchased and have been reimbursed become the property of CCS and must have CCS Property written on them.

The following items will not be reimbursed because we buy them in bulk: cartridges; books (unless with a prior approval); copy paper; office supplies; construction paper; transparency sheets and markers; wall clocks; facial tissue; paper towels; bandages.

Staff members are required to properly fill out an Expense Report and to submit it along with the original receipts to the Director of Operations within seven (7) days of the purchase dates. School related purchases should not be combined with any personal purchases. Separate receipts for the school purchases are required. Expense Reimbursement Reports are available on the Intranet and should be filled out electronically. Forms must be signed by the Employee and their immediate supervisor.

Mileage Reimbursement

Mileage will only be reimbursed for official school business that has been approved in advance by the supervisor. At times employees may be required to use their personal car for business purposes. Reimbursement for the operating expenses of the car will be calculated by multiplying the number of miles traveled by the currently approved Standard Mileage Rate published by the IRS. Other expenses must be substantiated by receipts. The costs of commuting (travel between home and the work site) will not be reimbursed. Any work related travel in excess of fifty (50) miles each way will require a rental vehicle at the school's expense.

All CCS employees who use their cars for business purposes must have current and adequate automobile/liability insurance coverage. Employees must not transport volunteers or scholars in

their personal vehicles. If transportation of this type is necessary, a rented vehicle must be used.

Mileage will be reimbursed for the round-trip distance between the employee's work site and the location of the business function being attended. If employees depart from or return to their home instead of their work site, only the miles in excess of the normal daily commute can be claimed as an expense. Mileage amounts must be verifiable through the use of commercially available websites (ex. MapQuest, Google Maps) using the "shortest route" option. Other expenses such as parking will be reimbursed at the actual costs. Original, itemized receipts must be provided. Only pre-approved mileage will be reimbursed. Employees must document their travel on the Mileage Reimbursement Form.

Reimbursement Claim Process

All employees must comply with the Reimbursement Claim process for any material purchases or travel expenses. Prior to making a purchase, employee must complete the reimbursement claim form, to include, reason for purchase, estimated cost and include amount not to exceed, and submit to supervisor no less than five (5) days prior to purchase. **DO NOT MAKE A PURCHASE UNTIL YOU HAVE RECEIVED PRIOR APPROVAL.**

After you have received approval and purchased items, complete the description section for items purchased, attach original receipt (copies shall not be accepted), sign and submit claim form to your supervisor for approval. If supervisor approves, form will be routed to the Finance Department for review and final processing. Reimbursement are made directly through payroll.

The School either incurs the actual cost of travel expenses for the cost of travel expenses, when (i) the School requests that the Employee travel to a conference; (ii) the expense is incurred within the scope of Employee's employment; and (iii) the expense was made on behalf of the Employee (and no other persons) unless approved in advance and in writing by the President & CEO. Each Employee must provide original receipts for travel expenses to the School's Business Office within five (5) calendar days of the Employee's return from travel.

The School either incurs the cost for the actual cost of lodging and applicable taxes, but not the cost of gratuity or incidental items. Lodging is arranged by the School, at the School's discretion.

Meals and Incidental Expenses

Employees in travel status (travel requiring an overnight stay) on School business are reimbursed up to the per diem rate for travel related meal expenses for their travel destination. Receipts are required for reimbursement of travel meals using per diem rates.

Meals - Conferences

The School does not reimburse meals included with a conference. If a conference includes meals then the School reimburses only the meals where the traveler incurred an expense. If the meal provided is on the first or last day of travel the per diem should be reduced by the meal provided then multiplied by 75%.

The School either incurs the cost or reimburses Employee for the actual cost of breakfast not to exceed \$16.00 per day; lunch not to exceed \$17.00 per day, and dinner not to exceed \$26.00 per

day, and the actual cost of tax and gratuity for such. The School incurs the actual cost of these items, not to exceed \$59.00 per day, non-cumulative and non-compounding. The School does not reimburse the Employee for the purchase of any alcohol.

If an employee has agreed to attend a conference, the fee has been paid by the Charter School, and the employee cannot attend he/she must: (1) advise his/her supervisor as soon as possible; and (2) assist in arranging for another employee to attend in his/her place. An employee who fails to attend conferences that have been paid for by the Charter School shall lose his/her ability to attend such conferences and be responsible for reimbursing the Charter School for the cost associated therewith. Exceptions will be made at the discretion of the President & CEO or his/her designee.

Incidentals

Employees may include the daily incidental amount of \$5.00 when determining the maximum M&IE rates. Gratuities for baggage carriers, porters, hotel staff (bellhops and house cleaners), as well as ATM fees, bank fees, and check cashing fees are included in the daily incidental amount. As applicable, receipts must be provided to obtain reimbursement.

Health Care Insurance Coverage for Regular, Full-Time Employees

CCS offers certain insurance benefits that may include medical, dental, vision, and disability insurance benefits to its regular, full-time employees. Regular, full-time employees will receive summary descriptions of the School's benefit plans from the Director of Operations annually. Available benefit plans may vary and may change from time to time. Affected employees will be advised of any such changes as required by applicable law. All new employees will become eligible for medical benefits on the 1st of the month following thirty (30) days of employment. Part-time employees may be eligible for benefits per the School's policy and applicable law.

State Disability Insurance

Each employee contributes to the State of California to provide disability insurance mandated by state law. Contributions are made through payroll deduction. Disability insurance is payable when you cannot work because of illness or injury not caused by employment at the School or when you are entitled to temporary workers' compensation at a rate less than the daily disability benefit amount. Specific rules and regulations governing disability are available from the Director of Operations.

Retirement, Life Insurance and Other School-Sponsored Benefits

CCS offers certain school-sponsored benefits that may include retirement and life insurance to its regular, full-time employees. Regular, full-time employees will receive summary descriptions of the School's benefit plans from the Director of Operations annually. Available benefit plans may vary and may change from time to time within the sole discretion of the School. Affected employees will be advised of any such changes as required by applicable law.

COBRA Benefits

Continuation of Medical and Dental

WHEN COVERAGE UNDER THE SCHOOL'S HEALTH PLAN ENDS, EMPLOYEES OR THEIR DEPENDENTS MAY CONTINUE COVERAGE IN SOME SITUATIONS.

When coverage under the School's medical and/or dental plans ends, employees or their dependents can continue coverage for eighteen (18) or thirty-six (36) months, depending upon the reason benefits ended. To continue coverage, an employee must pay the full cost of coverage – the employee contribution and the School's previous contribution plus a possible administrative charge.

Medical coverage for an employee, his/her spouse, and eligible dependent children can continue for up to eighteen (18) months if coverage ends because:

- Employment ends, voluntarily or involuntarily, for any reason other than gross misconduct; or
- Hours of employment are reduced below the amount required to be considered a full-time employee or part-time, making an employee ineligible for the plan.

This eighteen (18) month period may be extended an additional eleven (11) months in cases of disability subject to certain requirements. This eighteen (18) month period may also be extended an additional eighteen (18) months if other events (such as a divorce or death) occur subject to certain requirements.

An employee's spouse and eligible dependents can continue their health coverage for up to thirty-six (36) months if coverage ends because:

- The employee dies while covered by the plan;
- The employee and his/her spouse become divorced or legally separated;
- The employee becomes eligible for Medicare coverage, but his/her spouse has not yet reach age sixty-five (65); or
- The employee's dependent child reaches an age which makes him or her ineligible for coverage under the plan.

Rights similar to those described above may apply to retirees, spouses and dependents if the employer commences a bankruptcy proceeding and those individuals lose coverage.

CCS will notify employees or their dependents if coverage ends due to termination or a reduction in work hours. If an employee becomes eligible for Medicare, divorced or legally separated, die, or when a dependent child no longer meets the eligibility requirements, the employee or a family member are responsible for notifying the School within thirty (30) days of the event. CCS will then notify the employee or his/her dependents of the employee's rights.

Health coverage continuation must be elected within sixty (60) days after receiving notice of the end of coverage, or within sixty (60) days after the event causing the loss, whichever is later.

There are certain circumstances under which coverage will end automatically. This happens if:

- Premiums for continued coverage are not paid within thirty (30) days of the due date;
- The employee (or his/her spouse or child) become covered under another group health plan which does not contain any exclusion or limitation with respect to any pre-existing condition the employee (or the employee's spouse or child, as applicable) may have;
- CCS stops providing group health benefits;
- The employee (or the employee's spouse or child) become entitled to Medicare; or
- The employee extended coverage for up to twenty-nine (29) months due to disability and there has been a final determination that the employee is no longer disabled.

PERSONNEL EVALUATION AND RECORD KEEPING

Employee Reviews and Evaluations

Employees will complete quarterly Performance Plans at which time they will meet and discuss with their supervisor to set smart goals and schedule training. Performance Plans are intended to make employees aware of their progress, areas for improvement, and objectives or goals for future work performance. The School's evaluation system will in no way alter the employment at-will relationship.

Due dates for employee Performance Plan submission can be found on the School's master calendar.

Performance pay criteria percentages which will include all the above criteria will be used in consideration of annual compensation increases and retention.

Personnel Files and Record Keeping Protocols

At the time of employment, a personnel file is established for you. Please keep the Director of Operations advised of changes that should be reflected in your personnel file. Such changes include: change in address, telephone number, marital status, number of dependents and person(s) to notify in case of emergency. Prompt notification of these changes is essential and will enable the School to contact you should the change affect your other records.

You have the right to inspect certain documents in your personnel file, as provided by law, in the presence of a School representative, at a mutually convenient time. You also have the right to obtain a copy of your personnel file as provided by law. You may add your comments to any disputed item in the file. CCS will restrict disclosure of your personnel file to authorized individuals within the School. A request for information contained in the personnel file must be directed to the Director of Operations. Only the Director of Operations or designee is authorized to release information about current or former employees. Disclosure of information to outside sources will be limited. However, the School will cooperate with requests from authorized law enforcement or local, state or federal agencies conducting official investigations or as otherwise legally required.

Credible complaints of substantiated investigations into or discipline for egregious misconduct will not be expunged from an employee's personnel file unless the complaint is heard by an arbitrator, administrative law judge, or the Board and the complaint is deemed to be false, not credible, unsubstantiated or a determination was made that discipline was not warranted.

HOLIDAYS, VACATIONS AND LEAVES

Holidays

An Employee who qualifies to receive pay for a Holiday will receive one (1) day of pay at the Employee's regular rate of pay. To qualify to receive pay for a Holiday, an Employee must meet of the following conditions:

1. Employee must be a Full-Time Employee and an Active Employee on the date of the School Holiday;
2. Employee must work all hours that the Employee is scheduled to work on the last regular working day before, and the first regular working day after the Holiday, unless the Employee is on an approved absence.

Regular full-time and salaried employees (EXEMPT) will receive the following fifteen (15) annual paid holidays:

- New Year's Day*
- Martin Luther King, Jr.'s Birthday
- President's Day
- Spring Break
- Memorial Day
- Independence Day
- Labor Day
- Columbus Day
- Veteran's Day
- Day Before Thanksgiving
- Thanksgiving
- Friday after Thanksgiving
- Winter Break December

When a holiday falls on a Saturday, the preceding Friday will be celebrated as the holiday; if it falls on a Sunday, the following Monday will be celebrated as the holiday. When Christmas falls on a Saturday, the Day before Christmas will be celebrated on Thursday. If Christmas falls on a Sunday or Monday, the day before Christmas will be celebrated on the preceding Friday.

Employee holidays, professional developments, and school days are outlined in the School Calendar.

Vacation

While the School recognizes the importance of vacation time as a period of rest and rejuvenation away from the job, vacations must be scheduled with due consideration for "peak traffic periods" in the school. With this in mind, it is expected that vacation time will be taken when school is not in session.

Full-time twelve (12) month employees will accrue ten (10) days of paid vacation per year at the rate of 0.41666 days (3.33333hours) per pay period. Teachers and employees working on a part-

time basis (less than full-time) shall not earn vacation days.

Employees cannot use paid vacation leave until the ninetieth (90th) calendar day following the employee's start date. Employees must request the use of vacation days through the Bamboo system at least two (2) weeks prior to scheduled use. It is advised to wait to book travel until the immediate supervisor has granted the use of vacation time.

Vacation time may not be utilized before it is earned. An employee whose employment terminates will be paid for accrued unused vacation days. Vacation can accrue up to a maximum of fifteen (15) days of pay. Once this cap is reached, no further vacation will accrue until some vacation is used. When some vacation is used, vacation compensation will begin to accrue again. There is no retroactive grant of vacation compensation for the period of time the accrued vacation compensation was at the cap.

Unpaid Leave of Absence

CCS recognizes that special situations may arise where an employee must leave his or her job temporarily. At its discretion, the School may grant employees leaves of absence. Any unpaid leave of absence must be approved in advance by the School.

The granting of a leave of absence always presumes the employee will return to active work by a designated date or within a specific period.

If you are currently covered, medical, and dental coverage will remain in force during a medical or worker's compensation leave of absence, provided you pay the appropriate premiums. Whether you are required to pay your own premiums will depend upon the length of your leave of absence. During a family/medical leave, your medical and dental benefits will remain in force provided you pay the appropriate premiums. Benefits are terminated the day any other type of leave begins. If an employee fails to return from a leave and is subsequently terminated, the employee is entitled to all earned but unused vacation pay, provided that the vacation pay was earned prior to the commencement of leave. No vacation time is accrued during any type of unpaid leave of absence.

Sick Leave

CCS offers paid sick leave to its employees. Sick leave may be taken to receive preventive care (including annual physicals or flu shots) or to diagnose, treat, or care for an existing health condition. Employees may also use sick leave to assist a family member (i.e., children, parents, spouses/domestic partners/designated person, grandparents, grandchildren, or siblings), or any individual related by blood or affinity whose close association with the employee is the equivalent of a family relationship, who must receive preventative care or a diagnosis, treatment, or care for an existing health condition. Employees may also take paid sick leave to receive medical care or other assistance to address instances of domestic violence, sexual assault, or stalking. Paid sick leave is also available for bone marrow or organ donation by an employee or their family member, to provide care for a guide, signal or service dog of an employee of their family member, or if CCS or an employee's child care provider's business is closed due to a public health emergency.

Paid sick leave is available to all CCS employees. All employees shall accrue one (1) hour of

sick leave for every thirty (30) hours worked.

Employees cannot use paid sick leave until the ninetieth (90th) calendar day following the employee's start date. Sick leave must be taken by eligible employees in increments of one (1) hour. Unused, accrued sick leave carries over from year-to-year up to a cap of one hundred and twenty (120) hours for full-time employees, and eighty (80) hours for all other employees.

Employees absent longer than three (3) consecutive days due to illness may be required to submit medical evidence of illness. The School may also require medical evidence of an employee's fitness to return to work.

Once an employee has exhausted sick leave, the employee may continue on an unpaid medical leave depending upon the facts and circumstances of the employee's basis for leave beyond accrued sick leave. Employee requests for unpaid medical leave must be approved in advance by the School.

Personal Necessity Leave

Full-time employees may use up to eighty (80) hours of sick leave for personal necessity leave per year. Uses of personal necessity leave may include, but are not limited to, death or serious illness of a member of the employee's immediate family (this is in addition to Bereavement Leave), an accident involving the employee's person or property or the person or property of an immediate family member, adoption of a child, the birth of child making it necessary for an employee who is the parent of the child to be absent from their position during work hours, personal legal matters, religious observances, and business matters that cannot be conducted outside of the workday. Employees must request personal necessity leave at least two (2) weeks in advance unless an emergency situation occurs. Personal necessity leave does not roll over and is not paid out upon termination of employment.

Family Care and Medical Leave

This policy explains how the School complies with the federal Family and Medical Leave Act ("FMLA") and the California Family Rights Act ("CFRA"), both of which require the School to permit each eligible employee to take up to twelve (12) workweeks (or twenty-six (26) workweeks where indicated) of FMLA leave in any twelve (12) month period for the purposes enumerated below. For purposes of this policy, all leave taken under FMLA or CFRA will be referred to as "FMLA leave."

- **Employee Eligibility Criteria**

To be eligible for FMLA leave, the employee must have been employed by the School for a total of at least twelve (12) months and must have worked at least 1,250 hours during the twelve (12) month period immediately preceding commencement of the FMLA leave.

- **Events That May Entitle an Employee To FMLA Leave**

The twelve (12) week (or twenty-six (26) workweeks where indicated) FMLA allowance includes any time taken (with or without pay) for any of the following reasons:

1. To care for the employee’s newborn child or a child placed with the employee for adoption or foster care. Leaves for this purpose must conclude twelve (12) months after the birth, adoption, or placement. If both parents are employed by the School, they will be entitled to a combined total of twelve (12) weeks of leave for this purpose.
2. Because of the employee’s own serious health condition (including a serious health condition resulting from an on-the-job illness or injury) that makes the employee unable to perform any one or more of the essential functions of his or her job (other than a disability caused by pregnancy, childbirth, or related medical conditions, which is covered by the School’s separate pregnancy disability policy).
 - a. A “serious health condition” is an illness, injury (including, but not limited to, on-the-job injuries), impairment, or physical or mental condition of the employee or a child, parent, or spouse of the employee that involves either inpatient care or continuing treatment, including, but not limited to, treatment for substance abuse.
 - b. “Inpatient care” means a stay in a hospital, hospice, or residential health care facility, any subsequent treatment in connection with such inpatient care, or any period of incapacity. A person is considered an “inpatient” when a health care facility formally admits him/her to the facility with the expectation that he/she will remain at least overnight and occupy a bed, even if it later develops that such person can be discharged or transferred to another facility and does not actually remain overnight.
 - c. “Incapacity” means the inability to work, attend school, or perform other regular daily activities due to a serious health condition, its treatment, or the recovery that it requires.
 - d. “Continuing treatment” means ongoing medical treatment or supervision by a health care provider.
3. To care for a spouse, domestic partner, child, or parent with a serious health condition or military service-related injury. When an employee is providing care to a spouse, son, daughter, parent, or next of kin who is a covered Armed Forces servicemember with a serious injury or illness, the employee may take a maximum of twenty-six (26) weeks of FMLA leave in a single twelve (12) month period to provide said care.
4. For any “qualifying exigency” because the employee is the spouse, son, daughter, or parent of an individual on active military duty, or an individual notified of an impending call or order to active duty, in the Armed Forces.

- Amount of FMLA Leave Which May Be Taken

1. FMLA leave can be taken in one (1) or more periods, but may not exceed twelve (12) workweeks total for any purpose in any twelve (12) month period, as described below, for any one, or combination of the above-described situations. “Twelve workweeks” means the equivalent of twelve (12) of the employee’s normally scheduled workweeks. For a full-time employee who works five (5) eight-hour days per week, “twelve workweeks” means sixty (60) working and/or paid eight (8) hour days.
 2. In addition to the twelve (12) workweeks of FMLA leave that may be taken, an employee who is the spouse, son, daughter, parent, or next of kin of a covered Armed Forces servicemember shall also be entitled to a total of twenty-six (26) workweeks of FMLA leave during a twelve (12) month period to care for the servicemember.
 3. The “twelve month period” in which twelve (12) weeks of FMLA leave may be taken is the twelve (12) month period immediately preceding the commencement of any FMLA leave.
 4. If a holiday falls within a week taken as FMLA leave, the week is nevertheless counted as a week of FMLA leave. If, however, the School’s business activity has temporarily ceased for some reason and employees are generally not expected to report for work for one or more weeks, such as the Winter Break, Spring Break, or Summer Vacation, the days the School’s activities have ceased do not count against the employee’s FMLA leave entitlement. Similarly, if an employee uses FMLA leave in increments of less than one (1) week, the fact that a holiday may occur within a week in which an employee partially takes leave does not count against the employee’s leave entitlement unless the employee was otherwise scheduled and expected to work during the holiday.
- Pay during FMLA Leave
 1. An employee on FMLA leave because of his/her own serious health condition must use all accrued paid sick leave at the beginning of any otherwise unpaid FMLA leave period. If an employee is receiving a partial wage replacement benefit during the FMLA leave, the School and the employee may agree to have School-provided paid leave, such as vacation or sick time, supplement the partial wage replacement benefit unless otherwise prohibited by law.
 2. An employee on FMLA leave for child care or to care for a spouse, domestic partner, parent, or child with a serious health condition may use any or all accrued sick leave at the beginning of any otherwise unpaid FMLA leave.
 3. If an employee has exhausted his/her sick leave, leave taken under FMLA shall be unpaid leave.
 4. The receipt of sick leave pay or State Disability Insurance benefits will not extend the length of the FMLA leave. Sick pay accrues during any period of unpaid FMLA leave only until the end of the month in which unpaid leave began.

- **Health Benefits**

The provisions of the School's various employee benefit plans govern continuing eligibility during FMLA leave, and these provisions may change from time to time. The health benefits of employees on FMLA leave will be paid by the School during the leave at the same level and under the same conditions as coverage would have been provided if the employee had been continuously employed during the leave period. When a request for FMLA leave is granted, the School will give the employee written confirmation of the arrangements made for the payment of insurance premiums during the leave period.

If an employee is required to pay premiums for any part of his/her group health coverage, the School will provide the employee with advance written notice of the terms and conditions under which premium payments must be made.

CCS may recover the health benefit costs paid on behalf of an employee during his/her FMLA leave if:

1. The employee fails to return from leave after the period of leave to which the employee is entitled has expired. An employee is deemed to have "failed to return from leave" if he/she works less than thirty (30) days after returning from FMLA leave; and
2. The employee's failure to return from leave is for a reason other than the continuation, recurrence, or onset of a serious health condition that entitles the employee to FMLA leave, or other circumstances beyond the control of the employee.

- **Seniority**

An employee on FMLA leave remains an employee and the leave will not constitute a break in service. An employee who returns from FMLA leave will return with the same seniority he/she had when the leave commenced.

- **Medical Certifications**

1. An employee requesting FMLA leave because of his/her own or a relative's serious health condition must provide medical certification from the appropriate health care provider on a form supplied by the School. Absent extenuating circumstances, failure to provide the required certification in a timely manner (within fifteen (15) days of the School's request for certification) may result in denial of the leave request until such certification is provided.
2. The School will notify the employee in writing if the certification is incomplete or insufficient, and will advise the employee what additional information is necessary in order to make the certification complete and sufficient. The School may contact the employee's health care provider to authenticate a certification as needed.
3. If the School has reason to doubt the medical certification supporting a leave

because of the employee's own serious health condition, the School may request a second opinion by a health care provider of its choice (paid for by the School). If the second opinion differs from the first one, the School will pay for a third, mutually agreeable, health care provider to provide a final and binding opinion.

4. Recertifications are required if leave is sought after expiration of the time estimated by the health care provider. Failure to submit required recertifications can result in termination of the leave.
- Procedures for Requesting and Scheduling FMLA Leave
 1. An employee should request FMLA leave by completing a Request for Leave form and submitting it to the Director of Operations. An employee asking for a Request for Leave form will be given a copy of the School's then-current FMLA leave policy.
 2. Employees should provide not less than thirty (30) days' notice for foreseeable childbirth, placement, or any planned medical treatment for the employee or his/her spouse, domestic partner, child, or parent. Failure to provide such notice is grounds for denial of a leave request, except if the need for FMLA leave was an emergency or was otherwise unforeseeable.
 3. Where possible, employees must make a reasonable effort to schedule foreseeable planned medical treatments so as not to unduly disrupt the School's operations.
 4. If FMLA leave is taken because of the employee's own serious health condition or the serious health condition of the employee's spouse, domestic partner, parent or child, the leave may be taken intermittently or on a reduced leave schedule when medically necessary, as determined by the health care provider of the person with the serious health condition.
 5. If FMLA leave is taken because of the birth of the employee's child or the placement of a child with the employee for adoption or foster care, the minimum duration of leave is two (2) weeks, except that the School will grant a request for FMLA leave for this purpose of at least one day but less than two (2) weeks' duration on any two (2) occasions.
 6. If an employee needs intermittent leave or leave on a reduced leave schedule that is foreseeable based on planned medical treatment for the employee or a family member, the employee may be transferred temporarily to an available alternative position for which he or she is qualified that has equivalent pay and benefits and that better accommodates recurring periods of leave than the employee's regular position.
 7. The School will respond to an FMLA leave request no later than five (5) days of receiving the request. If an FMLA leave request is granted, the School will notify the employee in writing that the leave will be counted against the employee's FMLA leave entitlement. This notice will explain the employee's obligations and the consequences of failing to satisfy them.

- Return to Work

1. Upon timely return at the expiration of the FMLA leave period, an employee (other than a “key” employee whose reinstatement would cause serious and grievous injury to the School’s operations) is entitled to the same or a comparable position with the same or similar duties and virtually identical pay, benefits, and other terms and conditions of employment unless the same position and any comparable position(s) have ceased to exist because of legitimate business reasons unrelated to the employee’s FMLA leave.
2. When a request for FMLA leave is granted to an employee (other than a “key” employee), the School will give the employee a written guarantee of reinstatement at the termination of the leave (with the limitations explained above).
3. Before an employee will be permitted to return from FMLA leave taken because of his/her own serious health condition, the employee must obtain a certification from his/her health care provider that he/she is able to resume work.
4. If an employee can return to work with limitations, the School will evaluate those limitations and, if possible, will accommodate the employee as required by law. If accommodation cannot be made, the employee will be medically separated from the School.

- Limitations on Reinstatement

1. CCS may refuse to reinstate a “key” employee if the refusal is necessary to prevent substantial and grievous injury to the School’s operations. A “key” employee is an exempt salaried employee who is among the highest paid 10% of the School’s employees within seventy-five (75) miles of the employee’s worksite.
2. A “key” employee will be advised in writing at the time of a request for, or if earlier, at the time of commencement of, FMLA leave, that he/she qualifies as a “key” employee and the potential consequences with respect to reinstatement and maintenance of health benefits if the School determines that substantial and grievous injury to the School’s operations will result if the employee is reinstated from FMLA leave. At the time it determines that refusal is necessary, the School will notify the “key” employee in writing (by certified mail) of its intent to refuse reinstatement and will explain the basis for finding that the employee’s reinstatement would cause the School to suffer substantial and grievous injury. If the School realizes after the leave has commenced that refusal of reinstatement is necessary, it will give the employee at least ten (10) days to return to work following the notice of its intent to refuse reinstatement.

- Employment during Leave

No employee, including employees on FMLA leave, may accept employment with any other employer without the School’s written permission. An employee who accepts such

employment without the School's written permission will be deemed to have resigned from employment at the School.

Pregnancy Disability Leave

This policy explains how the School complies with the California Pregnancy Disability Act, which requires the School to give each female employee an unpaid leave of absence of up to four (4) months per pregnancy, as needed, for the period(s) of time a woman is actually disabled by pregnancy, childbirth, or related medical conditions.

- **Employee Eligibility Criteria**

To be eligible for pregnancy disability leave, the employee must be disabled by pregnancy, childbirth, or a related medical condition and must provide appropriate medical certification concerning the disability.

- **Events That May Entitle an Employee to Pregnancy Disability Leave**

The four (4) -month pregnancy disability leave allowance includes any time taken (with or without pay) for any of the following reasons:

1. The employee is unable to work at all or is unable to perform any one or more of the essential functions of her job without undue risk to herself, the successful completion of her pregnancy, or to other persons because of pregnancy or childbirth, or because of any medically recognized physical or mental condition that is related to pregnancy or childbirth (including severe morning sickness); or
2. The employee needs to take time off for prenatal care.

- **Duration of Pregnancy Disability Leave**

Pregnancy disability leave may be taken in one or more periods, but not to exceed four months total. "Four months" means the number of days the employee would normally work within four months. For a full-time employee who works five (5) eight (8) hour days per week, four (4) months means 693 hours of leave (40 hours per week times 17 ¹/₃ weeks).

For employees who work more or less than forty (40) hours per week, or who work on variable work schedules, the number of working days that constitutes four (4) months is calculated on a pro rata or proportional basis. For example, for an employee who works twenty (20) hours per week, "four months" means 346.5 hours of leave entitlement (20 hours per week times 17 ¹/₃ weeks). For an employee who normally works forty-eight (48) hours per week, "four months" means 832 hours of leave entitlement (48 hours per week times 17 ¹/₃ weeks).

At the end or depletion of an employee's pregnancy disability leave, an employee who has a physical or mental disability (which may or may not be due to pregnancy, childbirth, or related medical conditions) may be entitled to reasonable accommodation. Entitlement to additional leave must be determined on a case-by case basis, taking into

account a number of considerations such as whether an extended leave is likely to be effective in allowing the employee to return to work at the end of the leave, with or without further reasonable accommodation, and whether or not additional leave would create an undue hardship for the School. The School is not required to provide an indefinite leave of absence as a reasonable accommodation.

- Pay during Pregnancy Disability Leave

1. An employee on pregnancy disability leave must use all accrued paid sick leave and may use any or all accrued vacation time at the beginning of any otherwise unpaid leave period.
2. The receipt of vacation pay, sick leave pay, or state disability insurance benefits, will not extend the length of pregnancy disability leave.
3. Vacation and sick pay accrues during any period of unpaid pregnancy disability leave only until the end of the month in which the unpaid leave began.

- Health Benefits

CCS shall provide continued health insurance coverage while an employee is on pregnancy disability leave consistent with applicable law. The continuation of health benefits is for a maximum of four (4) months in a twelve (12) -month period. CCS can recover premiums that it already paid on behalf of an employee if both of the following conditions are met:

1. The employee fails to return from leave after the designated leave period expires.
2. The employee's failure to return from leave is for a reason other than the following:
 - The employee is taking leave under the California Family Rights Act.
 - There is a continuation, recurrence or onset of a health condition that entitles the employee to pregnancy disability leave.
 - There is a non-pregnancy related medical condition requiring further leave.
 - Any other circumstance beyond the control of the employee.

- Seniority

An employee on pregnancy disability leave remains an employee of the School and a leave will not constitute a break in service. When an employee returns from pregnancy disability leave, she will return with the same seniority she had when the leave commenced.

- **Medical Certifications**
 1. An employee requesting a pregnancy disability leave must provide medical certification from her healthcare provider on a form supplied by the School. Failure to provide the required certification in a timely manner (within fifteen (15) days of the leave request) may result in a denial of the leave request until such certification is provided.
 2. Recertifications are required if leave is sought after expiration of the time estimated by the healthcare provider. Failure to submit required recertifications can result in termination of the leave.

- **Requesting and Scheduling Pregnancy Disability Leave**
 1. An employee should request pregnancy disability leave by completing a Request for Leave form and submitting it to the Director of Operations. An employee asking for a Request for Leave form will be referred to the School's then current pregnancy disability leave policy.
 2. Employee should provide not less than thirty (30) days' notice or as soon as is practicable, if the need for the leave is foreseeable. Failure to provide such notice is grounds for denial of the leave request, except if the need for pregnancy disability leave was an emergency and was otherwise unforeseeable.
 3. Where possible, employees must make a reasonable effort to schedule foreseeable planned medical treatments so as not to unduly disrupt the School's operations.
 4. Pregnancy disability leave may be taken intermittently or on a reduced leave schedule when medically advisable, as determined by the employee's healthcare provider.
 5. If an employee needs intermittent leave or leave on a reduced leave schedule that is foreseeable based on planned medical treatment, the employee may be transferred temporarily to an available alternative position for which he or she is qualified that has equivalent pay and benefits that better accommodates recurring periods of leave than the employee's regular position.
 6. The School will respond to a pregnancy disability leave request within ten (10) days of receiving the request. If a pregnancy disability leave request is granted, the School will notify the employee in writing and leave will be counted against the employee's pregnancy disability leave entitlement. This notice will explain the employee's obligations and the consequences of failing to satisfy them.

- **Return to Work**
 1. Upon timely return at the expiration of the pregnancy disability leave period, an employee is entitled to the same position unless the employee would not otherwise have been employed in the same position at the time reinstatement is

requested. If the employee is not reinstated to the same position, she must be reinstated to a comparable position unless one of the following is applicable:

- a. The employer would not have offered a comparable position to the employee if she would have been continuously at work during the pregnancy disability leave.
- b. There is no comparable position available, to which the employee is either qualified or entitled, on the employee's scheduled date of reinstatement or within sixty (60) calendar days thereafter. The School will take reasonable steps to provide notice to the employee if and when comparable positions become available during the sixty (60) day period.

A "comparable" position is a position that involves the same or similar duties and responsibilities and is virtually identical to the employee's original position in terms of pay, benefits, and working conditions.

2. When a request for pregnancy disability leave is granted to an employee, the School will give the employee a written guarantee of reinstatement at the end of the leave (with the limitations explained above).
3. In accordance with CCS policy, before an employee will be permitted to return from a pregnancy disability leave of three (3) days or more, the employee must obtain a certification from her healthcare provider that she is able to resume work.
4. If the employee can return to work with limitations, the School will evaluate those limitations and, if possible, will accommodate the employee as required by law. If accommodation cannot be made, the employee will be medically separated from the School.

- **Employment during Leave**

No employee, including employees on pregnancy disability leave, may accept employment with any other employer without the School's written permission. An employee who accepts such employment without written permission will be deemed to have resigned from employment.

Industrial Injury Leave (Workers' Compensation)

CCS, in accordance with State law, provides insurance coverage for employees in case of work-related injuries. The workers' compensation benefits provided to injured employees may include:

- Medical care;
- Cash benefits, tax-free to replace lost wages; and
- Vocational rehabilitation to help qualified injured employees return to suitable employment.

To ensure you receive any worker's compensation benefits to which you may be entitled, you will need to:

- Immediately report any work-related injury to the Director of Operations;
- Seek medical treatment and follow-up care if required;
- Complete a written Employee's Claim Form (DWC Form 1) and return it to the Director of Operations; and
- Provide the School with a certification from your health care provider regarding the need for workers' compensation disability leave as well as your eventual ability to return to work from the leave.

It is the School's policy that when there is a job-related injury, the first priority is to insure that the injured employee receives appropriate medical attention. CCS, with the help of its insurance carrier has selected medical centers to meet this need. Each medical center was selected for its ability to meet anticipated needs with high quality medical service and a location that is convenient to the School's operation.

- If an employee is injured on the job, he/she is to go or be taken to the approved medical center for treatment. If injuries are such that they require the use of emergency medical systems ("EMS") such as an ambulance, the choice by the EMS personnel for the most appropriate medical center or hospital for treatment will be recognized as an approved center.
- All accidents and injuries must be reported to the Director of Operations and to the individual responsible for reporting to the School's insurance carrier. Failure by an employee to report a work-related injury by the end of his/her shift could result in loss of insurance coverage for the employee. An employee may choose to be treated by his/her personal physician at his/her own expense, but he/she is still required to go to the School's approved medical center for evaluation. All job-related injuries must be reported to the appropriate State Workers' Compensation Bureau and the insurance carrier.
- When there is a job-related injury that results in lost time, the employee must have a medical release from the School's approved medical facility before returning to work.
- Any time there is a job-related injury, the School's policy requires drug/alcohol testing along with any medical treatment provided to the employee.

Military and Military Spousal Leave of Absence

CCS shall grant a military leave of absence to any employee who must be absent from work due to service in the uniformed services in accordance with the Uniformed Services Employment and Re-Employment Rights Act of 1994 ("USERRA"). All employees requesting military leave must provide advance written notice of the need for such leave, unless prevented from doing so by military necessity or if providing notice would be impossible or unreasonable.

If military leave is for thirty (30) or fewer days, the School shall continue the employee's health benefits. For service of more than thirty (30) days, employee shall be permitted to continue their health benefits at their option through COBRA. Employees are entitled to use accrued vacation or paid time off as wage replacement during time served, provided such vacation/paid time off accrued prior to the leave.

Except for employees serving in the National Guard, CCS will reinstate those employees returning from military leave to their same position or one of comparable seniority, status, and pay if they have a certificate of satisfactory completion of service and apply within ninety (90) days after release from active duty or within such extended period, if any, as required by law. For those employees serving in the National Guard, if he or she left a full-time position, the employee must apply for reemployment within forty (40) days of being released from active duty, and if he or she left part-time employment, the employee must apply for reemployment within five (5) days of being released from active duty.

An employee who was absent from work while fulfilling his or her covered service obligation under the USERRA or California law shall be credited, upon his or her return to the School, with the hours of service that would have been performed but for the period of absence from work due to or necessitated by USERRA-covered service. Exceptions to this policy will occur wherever necessary to comply with applicable laws.

CCS shall grant up to ten (10) days of unpaid leave to employees who work more than twenty (20) hours per week and who are spouses of deployed military servicemen and servicewomen. The leave may be taken when the military spouse is on leave from deployment during a time of military conflict. To be eligible for leave, an employee must provide the School with (1) notice of intention to take military spousal leave within two (2) business days of receiving official notice that the employee's military spouse will be on leave from deployment, and (2) documentation certifying that the employee's military spouse will be on leave from deployment during the time that the employee requests leave.

Bereavement Leave

Each full-time employee will be provided with three (3) paid bereavement days for family members. Family members will be defined as members of the employee's or spouse's immediate family which means the parents, grandparents, spouse, significant other, child or grandchild, brother, sister, (step or foster) or any other living in the immediate household of the employee.

If an employee requires more than the three (3) days off for bereavement leave, the employee may use accrued sick and/or vacation days.

Jury Duty or Witness Leave

Jury and Witness leave is provided for any employee who is called to serve jury or witness duty in any court during regularly assigned working hours. Prior notification to and approval by the Human Resources Department is required. The School will pay an employee up to 15 (fifteen) of days paid per jury service term.

If an employee is asked to use the call in jury system and he/she is not selected to appear the next morning, the employee must report to work. The employee must notify HR if he/she has been

selected to serve on a jury and if possible to notify how long the trial may last in order to plan ahead.

As a reminder as of August 2004, in an effort to avoid duplicate payment of public funds, California Superior Court jurors employed by a government entity (including school districts) who receive their regular compensation during jury service may not be paid daily jury duty fees by the court (California Code of Civil Procedure, Section 215). Hence, when completing the juror affidavit questionnaire, it is your responsibility to check the “Government/Public Employee” box (rather than “Employed”). This alerts the court to withhold payment of jury fees (although you will still receive mileage reimbursement, unless you have elected to waive it).

Note: Employees summoned to United States District Court are entitled to jury fees. Therefore, in accordance with current employee agreements, an amount equal to the jury fees paid by the court will automatically be withheld from the employee’s subsequent pay.

Voting Time Off

If an employee does not have sufficient time outside of working hours to vote in an official state-sanctioned election, the employee may take off enough working time to vote. Such time off shall be taken at the beginning or the end of the regular working shift, whichever allows for more free time and the time taken off shall be combined with the voting time available outside of working hours to a maximum of two (2) hours combined. Under these circumstances, an employee will be allowed a maximum of two (2) hours of time off during an election day without loss of pay. When possible, an employee requesting time off to vote shall give their immediate supervisor at least two (2) days notice.

School Appearance and Activities Leave

As required by law, CCS will permit an employee who is a parent or guardian (including a stepparent, foster parent, or grandparent) of school children, from kindergarten through grade twelve (12), or a child enrolled with a licensed child care provider, up to forty (40) hours of unpaid time off per child per school year (up to eight (8) hours in any calendar month of the school year) to participate in activities of a child’s school or child care. If more than one (1) parent or guardian is an employee of CCS, the employee that first provides the leave request will be given the requested time off. Where necessary, additional time off will also be permitted where the school requires the employee(s) appearance.

The employee requesting school leave must provide reasonable advanced notice of the planned absence. The employee must use accrued but unused paid leave (e.g., vacation or sick leave) to be paid during the absence.

When requesting time off for school activities, the employee must provide verification of participation in an activity as soon as practicable. When requesting time off for a required appearance, the employee(s) must provide a copy of the notice from the child’s school requesting the presence of the employee.

Bone Marrow and Organ Donor Leave

As required by law, eligible employees who require time off to donate bone marrow to another

person may receive up to five (5) workdays off in a 12-month period. Eligible employees who require time off to donate an organ to another person may receive up to thirty (30) workdays off in a twelve (12) month period.

To be eligible for bone marrow or organ donation leave (“Donor Leave”), the employee must have been employed by the School for at least ninety (90) days immediately preceding the Donor Leave.

An employee requesting Donor Leave must provide written verification to the School that he or she is a donor and that there is a medical necessity for the donation of the organ or bone marrow.

An employee must first use his or her earned but unused sick leave for bone marrow donation and two (2) week’s worth of earned but unused sick leave for organ donation. If the employee has an insufficient number of sick days available, the leave will be considered unpaid.

Employees returning from Donor Leave will be reinstated to the position held before the leave began, or to a position with equivalent status, benefits, pay and other terms and conditions of employment. The School may refuse to reinstate an employee if the reason is unrelated to taking a Donor Leave. A Donor Leave is not permitted to be taken concurrently with an FMLA/CFRA Leave.

Victims of Abuse Leave

CCS provides reasonable and necessary unpaid leave and other reasonable accommodations to employees who are victims of domestic violence, sexual assault, or stalking. Such leave may be taken to attend legal proceedings or to obtain or attempt to obtain any relief necessary, including a restraining order, to ensure the employee’s own health, safety or welfare, or that of the employee’s child or children. Employees may also request unpaid leave for the following purposes:

- Seek medical attention for injuries caused by domestic violence, sexual assault, or stalking.
- Obtain services from a domestic violence shelter, program, or rape crisis center.
- Obtain psychological counseling for the domestic violence, sexual assault, or stalking.
- Participate in safety planning, such as relocation, to protect against future domestic violence, sexual assault, or stalking.

To request leave under this policy, an employee should provide CCS with as much advance notice as practicable under the circumstances. If advance notice is not possible, the employee requesting leave under this policy should provide CCS one (1) of the following certifications upon returning back to work:

1. A police report indicating that the employee was a victim of domestic violence, sexual assault, or stalking.
2. A court order protecting the employee from the perpetrator or other evidence from the court or prosecuting attorney that the employee appeared in court.
3. Documentation from a licensed medical professional, domestic violence or sexual assault counselor, licensed health care provider, or counselor showing that the employee’s absence was due to treatment for injuries or abuse from domestic violence, sexual assault,

or stalking.

Employees requesting leave under this policy may choose to use accrued paid leave. In addition, CCS will provide reasonable accommodations to employees who are victims of domestic violence, sexual assault or stalking for the employees' safety while at work. To request an accommodation under this policy, an employee should contact Human Resources.

Returning From Leave of Absence

Employees cannot return from a medical leave of absence without first providing a sufficient doctor's return to work authorization.

When business considerations require, the job of an employee on leave may be filled by a temporary or regular replacement. An employee should give the Director of Operations thirty (30) days' notice before returning from leave. Whenever the School is notified of an employee's intent to return from a leave, the School will attempt to place the employee in his former position or in a comparable position with regard to salary and other terms and conditions for which the employee is qualified. However, re-employment cannot always be guaranteed. If you need further information regarding Leaves of Absence, be sure to consult the Director of Operations.

DISCIPLINE AND TERMINATION OF EMPLOYMENT

Rules of Conduct

The following conduct is prohibited and will not be tolerated by the School. This list of prohibited conduct is illustrative only and applies to all employees of the School; other types of conduct that threaten security, personal safety, employee welfare and the School's operations also may be prohibited. Off-Duty Conduct

While the School does not seek to interfere with the off-duty and personal conduct of its employees, certain types of off-duty conduct may interfere with the School's legitimate business interests. For this reason, employees are expected to conduct their personal affairs in a manner that does not adversely affect the School or its own integrity, reputation, or credibility. Illegal or immoral off-duty conduct by an employee that adversely affects the School's legitimate business interests or the employee's ability to perform his or her work will not be tolerated.

While employed by the School, employees are expected to devote their energies to their jobs with the School. For this reason, second jobs are strongly discouraged. The following types of additional employment elsewhere are strictly prohibited:

- Additional employment that conflicts with an employee's work schedule, duties, and responsibilities at our School.
- Additional employment that creates a conflict of interest or is incompatible with the employee's position with our School.
- Additional employment that impairs or has a detrimental effect on the employee's work performance with our School.
- Additional employment that requires the employee to conduct work or related activities on the School's property during the employer's working hours or using our School's facilities and/or equipment; and
- Additional employment that directly or indirectly competes with the business or the interests of our School.

Employees who wish to engage in additional employment that may create a real or apparent conflict of interest must submit a written request to the School explaining the details of the additional employment. If the additional employment is authorized, the School assumes no responsibility for it. CCS shall not provide workers' compensation coverage or any other benefit for injuries occurring from or arising out of additional employment. Authorization to engage in additional employment can be revoked at any time.

Termination of Employment

Should it become necessary for you to terminate your at-will employment with the School, please notify the Director of Operations regarding your intention as far in advance as possible. At least two (2) weeks' notice is expected whenever possible.

When you terminate your at-will employment, you will be entitled to all earned but unused vacation pay. If you are participating in the medical and/or dental plan, you will be provided information on your rights under COBRA.

INTERNAL COMPLAINT REVIEW

The purpose of the “Internal Complaint Review Policy” is to afford all employees of the School the opportunity to seek internal resolution of their work-related concerns. All employees have free access to the Director of Operations or Board of Directors to express their work-related concerns.

Specific complaints of unlawful harassment, discrimination, and retaliation are addressed under the School’s “Policy Prohibiting Unlawful Harassment, Discrimination, and Retaliation.”

Internal Complaints

(Complaints by Employees Against Employees)

This section of the policy is for use when a School employee raises a complaint or concern about a co-worker.

If reasonably possible, internal complaints should be resolved at the lowest possible level, including attempts to discuss/resolve concerns with the immediate supervisor. However, in the event an informal resolution may not be achieved or is not appropriate, the following steps will be followed by the Director of Operations or designee:

1. The complainant will bring the matter to the attention of the Director of Operations as soon as possible after attempts to resolve the complaint with the immediate supervisor have failed or if not appropriate; and
2. The complainant will reduce his or her complaint to writing, indicating all known and relevant facts. The Director of Operations or designee will then investigate the facts and provide a solution or explanation;
3. If the complaint is about the Director of Operations, the complainant may file his or her complaint in writing to the President & CEO. The President & CEO or designee will then investigate the facts and provide a solution or explanation;
4. If the complaint is about the President & CEO, the complainant may file his or her complaint in writing to the Chair of the Board of Directors, who will then confer with the Board and may conduct a fact-finding or authorize a third party investigator on behalf of the Board. The Board Chair or investigator will report his or her findings to the Board for review and action, if necessary.

This policy cannot guarantee that every problem will be resolved to the employee’s satisfaction. However, the School values each employee’s ability to express concerns and the need for resolution without fear of adverse consequence to employment.

Policy for Complaints Against Employees

(Complaints by Third Parties Against Employees)

This section of the policy is for use when a non-employee raises a complaint or concern about a School employee.

If complaints cannot be resolved informally, complainants may file a written complaint with the Director of Operations or President & CEO (if the complaint concerns the Director of Operations) as soon as possible after the events that give rise to the complainant's concerns. The written complaint should set forth in detail the factual basis for the complaint.

In processing the complaint, Director of Operations (or designee) shall abide by the following process:

1. The Director of Operations or designee shall use his or her best efforts to talk with the parties identified in the complaint and to ascertain the facts relating to the complaint.
2. In the event that the Director of Operations (or designee) finds that a complaint against an employee is valid, the Director of Operations (or designee) may take appropriate disciplinary action against the employee. As appropriate, the Director of Operations (or designee) may also simply counsel/reprimand employees as to their conduct without initiating formal disciplinary measures.
3. The Director of Operations's (or designee's) decision relating to the complaint shall be final unless it is appealed to the President & CEO. The decision of the President & CEO shall be final.

General Requirements

1. Confidentiality: All complainants will be notified that information obtained from the complainants and thereafter gathered will be maintained in a manner as confidential as possible, but in some circumstances absolute confidentiality cannot be assured.
2. Non-Retaliation: All complainants will be advised that they will be protected against retaliation as a result of the filing of any complaints or participation in any complaint process.
3. Resolution: The Board (if a complaint is about the President & CEO) or the Director of Operations or designee will investigate complaints appropriately under the circumstances and pursuant to the applicable procedures, and if necessary, take appropriate remedial measures to ensure effective resolution of any complaint.

AMENDMENT TO EMPLOYEE HANDBOOK

This Employee Handbook contains the employment policies and practices of the School in effect at the time of publication.

CCS reserves the right to amend, delete or otherwise modify this Handbook at any time provided that such modifications are in writing and duly approved by the employer.

Any written changes to the Handbook will be distributed to all employees. No oral statements can in any way alter the provisions of this Handbook.

APPENDIX A

HARASSMENT/DISCRIMINATION/RETALIATION COMPLAINT FORM

It is the policy of the School that all of its employees be free from harassment, discrimination, and retaliation. Letter from The CEO

Dear Scholars and Learning Coaches:

We are happy you have chosen to make Compass Charter Schools (“CCS”) your school of choice. I am proud to be the President & CEO of CCS, and am looking forward to working with our staff to provide a quality independent study program to every scholar we serve. Everyone here at CCS is committed to creating a nurturing environment as we work with you to meet the learning needs of your scholar(s).

CCS Vocabulary

Like any school, Compass Charter Schools has its own unique culture. To help you understand part of the culture of CCS it is important you understand our use of the following key terms:

Learning Coach

Parents and guardians are known as the “learning coach” for their children and they are an integral part of their children’s success at CCS. Since we are an independent study school, much of the learning is facilitated by the learning coach.

Scholar

At CCS we choose to refer to each student as a “scholar.” Scholar is defined as a person who is highly educated or has an aptitude for study; a distinguished academic. We refer to students as scholars because we want to emphasize our commitment to helping every individual be academically successful.

We have a great elementary school team, led by Mr. Steven Thompson, our Elementary School Coordinator, who manages the elementary academic program. I encourage you to visit our website, under Meet Our Team, to learn more about our terrific teachers, along with great support staff who are here to help guide your educational experience at Compass Charter Schools!

Thank you again for choosing CCS. We look forward to being part of you and your scholar’s educational journey!

Respectfully,

J.J. Lewis, M.Ed.

President & CEO

Mission Statement

one scholar at a time.

Vision Statement

Our vision is to create a collaborative virtual learning community, inspiring scholars to appreciate the ways in which arts and sciences nurture a curiosity for life-long learning, and prepare scholars to take responsibility for their future success.

Core Values

Communication

Integrity

Respect

Teamwork

Pledge of Excellence

CCS signed onto the Independent Study Pledge of Excellence in 2016. Its purpose is to establish a consistent, transparent approach to responsible charter school management across all of the member schools. The Code of Conduct is a pledge to employees, families and the public that member charter schools will conduct business in an honest, legal and ethical manner.

All members adhere to the provisions of the pledge. Commitment to ethical professional conduct is the goal of these schools. The Code is intended to serve as a basis for ethical decision in the running of these charter schools.

Independent study in the state of California is defined as non-classroom based instruction. Non-classroom based instruction includes, but is not limited to, independent study, home study, work study, and distance and computer-based education.

We the undersigned pledge to the following in the operation and management of our charter schools offering independent study:

1. As operators of high quality public charter schools offering independent study, we stand united behind the elements of integrity, trust, quality, and value in the operation of our schools. We know that offering personalized learning options meets the student where they are, aligns with what they individually need, while creating an academic program that is relevant, rigorous, and aligned to 21st Century learning.
2. As operators of high quality public charter schools offering independent study, we stand united in managing schools that are fiscally responsible in the use of public tax dollars in our care. We value the use of independent auditors that reviews our financial and operational activities annually and showcase reports that are exception---free. This speaks to the commitment that we hold on financial accountability and operational integrity.
3. As operators of high quality public charter schools offering independent study, we stand united

in our efforts to operate schools that model strong integrity, value and utilize solid business practices, and abide by all rules and regulations placed upon us by school districts, regional Offices of Education, and the California Department of Education.

4. As operators of high quality public charter schools offering independent study, we stand united believing that the actions of a few rogue charter school operators do not reflect, align, or mirror anything about our programs. Having individuals or the media drawing comparisons speaks to either the fact that they don't know what we do or they are acting on rumor and innuendo in these conversations.
5. As operators of high quality public charter schools offering independent study, we stand united in stating clearly that we are here for one purpose: educating students. Our resource centers, school sites, and classrooms are solely for the purpose of academic programming for the benefit of students in our care. Our commitment to students does not center on money, influence, or politics.
6. As operators of high quality public charter schools offering independent study, we stand united in offering high quality programs that exist to offer innovative and tested methods of instruction and self-paced learning. We have proof by our results that we are helping students to think, communicate, and achieve.
7. As operators of high quality public charter schools offering independent study, we stand united in following the state law in the operation of resources centers and school sites.

Description of Program

Compass Charter Schools ("CCS") is one of California's leading public charter schools serving scholars throughout the state in kindergarten and grades one through twelve. We are an independent study program. We recognize that in education one size does not fit all and have two great programs to serve scholars. CCS is designed and organized to serve scholars and families who have chosen a unique educational setting that can meet an individual scholar's needs.

Enrollment Requirements

General Requirements

- A scholar must be five (5) years of age on or before September 1st in order to be admitted to kindergarten at any time during that school year.
- A scholar who has their fifth birthday between September 2nd and December 2nd are eligible for Transitional Kindergarten.
- A scholar must have completed the CCS enrollment process and signed a Master Agreement prior to starting courses.
- A scholar must reside within the county in which CCS is authorized, or a contiguous county to the county in which CCS is authorized, and provide proof of residency annually. If, while attending CCS, a scholar moves, a new proof of residency must be submitted within five (5) school days.
- A scholar may only be enrolled in CCS and not concurrently enrolled in another school, public or private (unless prior permission is given for a community college).

Immunization Requirements

Learning coaches are required to provide proof of immunizations upon registration upon registration in order to maintain updated records. For more information about the required number of doses and the ages at which vaccines must be given, please see the included handout in appendix _____. The School's

verification of immunizations is through written medical records from your doctor or immunization clinic.

Exceptions are allowed under the following conditions:

- The learning coach provides a signed doctor's statement verifying that the scholar is to be exempted from immunizations for medical reasons. This statement must contain a statement identifying the specific nature and probable duration of the medical condition.
- No child with an Individualized Education Program will be denied a Free and Appropriate Public Education ("FAPE") due to lack of immunizations.
- If a learning coach had a personal beliefs exemption request on file before December 31, 2015, it will remain valid until the scholar enters the next grade span (kindergarten or seventh grade). No new personal beliefs exemptions will be honored after December 31, 2015.
- If a scholar is enrolled in independent study and will not receive classroom-based instruction at the learning center.

Leaving the Country

Any scholar leaving the United States for a visit to any country considered by the Center of Disease Control and Prevention to have increased risk of TB exposure (such as Mexico, the Philippines, India or Southeast Asia) MUST call the County Tuberculosis Clinic for a TB Screening upon return.

Oral Health Exam Requirements

California law states your scholar must have a dental check-up by May 31 of his/her kindergarten year or, if the scholar was not previously enrolled in kindergarten in a public school, his/her first-grade year. A California licensed dental professional operating within his scope of practice must perform the check-up and fill out our oral health assessment form. If your scholar had a dental check-up in the 12 months before he/she started school, ask your dentist to fill out the oral health assessment form required for enrollment. If you are unable to get a dental check-up for your scholar, a waiver is available upon request.

Master Agreement

To attend CCS, each scholar, learning coach, and supervising teacher shall sign a Master Agreement Form ("MA") prior to the first day of class each school year. This is a legal document and must be signed, dated, and returned to CCS. No scholar or learning coach or scholar will have access to the curriculum until the MA is signed and returned. Failure to sign and return an MA within the first three (3) days of starting classes will result in a mandatory meeting with the President and CEO or his/her designee to determine whether independent study is an appropriate placement for the scholar and to discuss any concerns of the learning coach. The signed MA is the agreement that the scholar and learning coach and scholar sign to demonstrate their intention to continue enrollment in CCS. All scholars enrolled in CCS must sign a new Master Agreement each school year. No scholar may be denied special education or related services identified in the scholar's Individualized Education Program due to a lack of a signed MA.

An updated MA must be submitted if changes are made in classes or coursework to be completed during the school year.

Internet Service

Participation in CCS requires an Internet connection. Basic Internet service is available for all enrolled scholars who wish to utilize it. This Internet connection or one provided by the learning coach (at their

option) is to be established and maintained by the family with the enrolled scholar(s). The nature of the CCS program requires that scholars and learning coaches log onto the online school each day to receive curriculum, lesson plans, school communications, and other necessary resources, as well as to log attendance and submit assignments.

Computers

CCS has computers available for loan to all Learning Coaches seeking a computer for their Scholars. Learning Coaches who wish to request to loan a computer from CCS will need to fill out the appropriate forms and email them to our IT Department at computers@compasscharters.org. All requests for loaner computers shall be honored, and there shall be no indication to faculty, staff, or other scholars that a scholar is using a loner computer other than those necessary for maintenance and asset management.

Grade Level Placement Policy

A scholar's grade level is determined upon initial enrollment and is written on the Master Agreement.

Elementary (Kindergarten - 5th grade)

If a learning coach or teacher feels that a scholar should repeat a grade level, the situation must be discussed with the Elementary School Coordinator and Online Learning Manager prior to making the change on the Master Agreement. They will make a recommendation for the President & CEO who shall make the final decision.

If an elementary scholar is coming to CCS from another school, the grade level is typically based on the scholar's grade level at the previous school. If no previous school was attended, grade level can be determined by the legal need to be (or have been) five (5) years old by the cutoff date in the year of entry into kindergarten and proceeding chronologically for each grade level.

- For school years 2014-15 and later, scholars must have been five (5) years old by September 1, of that school year in order to enter kindergarten.
- For school year 2013-14, scholars must have been five (5) years old by October 1, 2013 in order to enter kindergarten.
- For school year 2012-13, scholars must have been five (5) years old by November 1, 2012 in order to enter kindergarten.
- For school years prior to 2012-2013, scholars must have been five (5) years old by December 2 of that school year to have started kindergarten that fall.

Learning Coach Requests

- Scholars can be placed at their age appropriate grade level or below, but not above grade level unless the previous school has officially approved a retention or promotion.
- If the grade level placement the learning coach desires differs from that indicated in the prospective assignment, the situation must be discussed with the Elementary School Coordinator and the Instructional Services Manager prior to making the change on the Master Agreement. They will make a recommendation for the President & CEO who shall make the final decision.
- Scholars may be required to take a placement exam and/or end of unit subject tests to determine appropriate placement based on learning coach requests for skipping a grade.

Official Transcripts

An incoming scholar must provide an official transcript in order to determine appropriate placement.

Failure to do so does not delay enrollment, but will delay the placement of the scholar into their appropriate courses.

Scholar Expectations

- Attend live real-time office hours with the teacher if help in course work is needed.
- Attend live real-time Virtual Classroom sessions as required.
- Work about one (1) hour per subject or up to six (6) hours per day. The amount of time a scholar spends per subject will vary based on individual scholar strengths.
- Complete the assignments according to the pacing guidelines provided, and reach out to teachers with questions to ensure success.
- Do your own work. Do not plagiarize.
- Be an active learner. Take notes, ask questions, and complete all assignments.
- Communicate with each assigned teacher at least once per week via email, phone or virtual classroom.
- Log in every weekday, complete assignments and adhere to the attendance policy, regardless of any technical difficulties with scholar-operated computers. Contact the IT Department with any technical difficulties immediately to ensure full attendance.

- If a scholar participates in outside activities, the scholar is expected to keep up with his or her courses and submit work on time.

- Attend all state testing in person at school designated locations.

Learning Coach Responsibilities for K-5th Grade

- Turn in correctly dated work samples on time with appropriate pages, topics, and lesson numbers.
- Make sure that all work has been corrected and that work samples with rough drafts are included.
- Communicate regularly with school staff.

- Be present in your scholar's daily school life.
- Ensure the scholar works daily, M-F, for sufficient time to ensure success (4-6 hours daily) and is prepared and ready to learn every day.
- Supervise, tutor, coach, and direct the scholar's daily lessons as advised by the assigned supervising credentialed teacher.
- Establish daily and weekly goals by creating a consistent schedule.
- Ensure that your scholar attends Virtual Classroom sessions and open office hours that are run by teachers.
- Become familiar with the CCS grading system, making sure to understand the difference between "average" grade and "cumulative" grade.
- Make sure the scholar's home environment is conducive to learning. Create a regular schedule, eliminate distractions, and provide supervision for daily lessons to ensure the scholar's work is completed according to their pacing guides.
- Encourage and help the scholar to be actively involved in the learning process.
- Ensure that the scholar follows the instructions of his/her teachers and advisor.
- Work in partnership with CCS teachers to support the scholar.
- Ensure school property is treated with respect.
- Support the scholar in attending state-mandated testing.
- Be a positive role model for the scholar.
- Maintain high expectations for the scholar and monitor his/her progress on a daily and weekly basis.
- Establish "rewards" and "consequences" for meeting or not meeting expectations. Setting and reaching goals and then celebrating those goals can motivate scholars toward success.
- Set high expectations for scholar's success
- Participate in parent/learning coach conferences in both the fall and spring semesters with scholars' teachers.

Attendance

Attendance is important for the success of a scholar. If a scholar does not attend school, then a scholar cannot succeed in their courses. Attendance at an online school looks very different than that at a brick and mortar school.

Work Samples

Independent study attendance credit is based upon the scholar's daily engagement in instructional activities required by the school (assignments) on days that school is in session (M-F, non-holidays) and further determined based upon the time value of the scholar's work product, judged in the discretion of the supervising credentialed teacher.

Learning Periods

The scholar must submit assignments to the supervising teacher in accordance with the frequency, time, and manner specified in the board policy on independent study and the applicable provisions of the master agreement.

Virtual Classroom Attendance "Learning Labs"

All CCS teachers run weekly learning labs multiple times each week. These live teacher-led classroom instruction, called "Learning Labs," occur in each class 2-3 days a week. These sessions allow scholars to interact with their teachers and be taught in real time. All scholars are expected to participate in the

Learning Lab sessions for each of their classes. Attendance in Learning Labs can be included as part of the worth 10% of the scholar's participation grade for his or her classes.

Q & A SESSIONS

The remaining 2-3 days of web-based instruction hosted by teachers are "office hours." Teachers host regularly scheduled "office hours" each week where scholars can receive tutoring and assistance on coursework in real time. Scholars are also encouraged to schedule appointments outside of the scheduled "office hours" if the teacher's schedule does not work with theirs or if they need additional support.

Missed Assignments

As per the independent study policy, after five [5] missed assignments, in 10 school days, an evaluation will be conducted by CCS to determine whether it is in the best interest of the pupil to remain in independent study.

Work Sample Requirements

- In order for attendance to remain current, representative work samples must be emailed to the teacher when requested.
- Work samples need to be submitted to the assigned supervising teacher each learning period.
- Teachers will give scholars due dates and the quantity and descriptions of work samples that should be submitted.
- It is essential that these work samples are submitted on time. Failure to do so can result in academic or disciplinary sanctions.

State Standardized Tests

As members of a public charter school, our scholars participate in the following state standardized tests:

- Grade 5 - CST Science
- Grades 3-5 - SBAC Testing (aka California Assessment of Student Performance and Progress: ("CAASPP"))
- Grade 5 - Physical Fitness Test ("PFT")
- English Language Learners: California English Language Development Test: CELDT for English Language Proficiency Assessment

These examinations provide CCS with information for evaluation and future planning. These exams also indicate CCS's effectiveness in carrying out its educational mission. Participation rates are critical to the success of our school. According to recent changes promulgated by the Every Student Succeeds Act ("ESSA"), signed into law in December 2015, a public school is required to achieve a participation rate of 95% on any state testing. If a school has less than 95% of its scholars participate in any assessment, the school runs the risk of receiving a serious penalty by the state of California or federal government.

- CCS administers all state standardized tests at sites geographically placed among our scholar locations. A testing schedule will be provided to our learning coaches.
- Individual scholar performance results on statewide assessments will be distributed to both learning coaches and teachers in a timely manner once released from the state.
- For more information on Testing & Accountability, visit the California Department of Education's web page at <http://www.cde.ca.gov/ta/>
- Notwithstanding any other provision of law, a learning coach's written request to CCS officials to

excuse his or her scholar from any or all parts of the state assessments shall be granted.

Policy on Retention and Progress

Kindergarten through 5th grade

Promotion to the next grade level is dependent upon the grades earned. Scholars must pass a minimal number of core curriculum courses (i.e., mathematics, science, social science and language arts) and successfully complete any prescribed school year academic instructional support programs. Scholars who are at risk of retention will be provided with programs of supplemental instruction during the school year.

Scholars who do not make satisfactory progress each year are at risk of being retained. If a scholar is recommended for retention, the school will notify the scholars learning coach in writing.

Appeal Process

Every family has the right to appeal a retention decision. If an appeal is made, the burden shall be on the appealing party (the family) to show why the decision of the school should be overruled. The appeal must be submitted in writing within seven (7) calendar days of the date the retention recommendation was issued. The appeal must be submitted to the President & CEO. The appeal must clearly state the grounds for the appeal. Within 14 calendar days, the President & CEO or designee will review the documentation provided with the appeal statement. The response to this appeal will be rendered to the family no more than seven (7) calendar days from the review date. The family may request to meet with the individual(s) reviewing their appeal, but the family must still submit their appeal in writing within the designated timeframe described above. The President & CEO's decision will be final.

Contact Information & Communication Procedures

Methods of Communication

Reliable contact information is required for all learning coaches and for scholars.

Email Expectations

- We request that scholars and learning coaches supply separate email addresses for communication.
- All scholars are expected to communicate respectfully with school staff and peers through all methods of communication by using appropriate language. Failure to do so may result in disciplinary action.
- Scholars are expected to return communication from school personnel within 24 hours.
- All scholars must include their name and grade when they are emailing school staff.

By signing this handbook, a scholar is agreeing to communicate with faculty and other scholars appropriately and will not partake in cyber-bullying or any form of harassment.

Unable to Contact

Regular communication with CCS teachers is essential for a scholar's success at CCS. If you are planning to be unavailable to communicate with your scholar's teacher for a period of time, please notify the teacher so that proper arrangements to monitor your scholar's progress and attendance can be made.

Due to the enrollment requirements of CCS, if CCS staff is unable to contact the scholar and/or learning coach for 10 consecutive days and there has been no logging in or work submitted, and contact has not been made by the scholar and/or learning coach, CCS will check the CALPADs system for enrollment in another educational institution and will withdraw the scholar from CCS. Notice will be provided to the

Scholar's last known district of residence.

Notification Regarding Change of Contact Information

As stated in the Master Agreement, if a scholar's or learning coach's email address, mail address, or phone number changes, it must be updated with the Records Department within five (5) business days to ensure timely communication with CCS staff.

Proof of Residency

Learning coaches must notify the Records Department should contact information change, and provide a proof of new residence to them.

Learning coaches are expected to update their account information in the Online School should their email address change.

Emergency Contacts

All families are expected to maintain current emergency contact information with the school. Contact information consists of both telephone numbers and email addresses.

Authorized Contacts

At the time of enrollment, a scholar's learning coach is asked to identify any contacts that have authorization to receive performance information about the scholar. Individuals with authorization are responsible for maintaining current contact information with the school.

Academic Program

Grades

The grade in any given course represents the degree to which the scholar has met the standards and achieved the goals of the course. Grades reflect the quality of the scholar's work and the scholar's degree of mastery of academic standards. The semester grade reflects the cumulative achievement for the entire semester. Attendance and participation are contributing factors in meeting the standards and earning a grade.

Teachers are responsible for setting objective standards for grading assignments and shall make these standards known to the learning coaches and scholars. Teachers are responsible for assigning grades to the scholars in their classes. In the absence of fraud, mistake, bad faith or incompetency, the grade shall be final. A grade change may not be made as the result of coercion by any person(s).

Progress Monitoring

"Snapshots" of scholar progress can be viewed in the Parent Scholar Portal. Teachers will hold Learning Coach/Teacher conferences quarterly to discuss academic progress.

Kindergarten – 5th Grading Policy

Scholars' final grades will be reported according to the following scale:

M = Mastery - Scholars have completed 80%-100% of subject units and are able to move on to the next grade level.

C = Completed - Scholars have completed 70%-79% of the curriculum and are able to move onto the next grade level.

I = Incomplete - 0%-69% of the curriculum. This may result in a scholar being retained at their current grade level or will be asked to complete the remainder of the course work the following school year.

Scholars with Special Needs

CCS is dedicated to the belief that all scholars can learn and must be guaranteed equal opportunity to become contributing members of the academic environment and society. CCS provides special education instruction and related services in accordance with the Individuals with Disabilities in Education Improvement Act, California Education Code requirements, and applicable policies and procedures of the El Dorado County Charter SELPA]. These services are available for special education scholars enrolled at CCS. We offer high quality educational programs and services for all of our scholars in accordance with the assessed needs of each scholar. CCS collaborates with learning coaches, scholars, teachers, and other agencies, as may be indicated, in order to appropriately serve the educational needs of each scholar.

CCS recognizes its legal responsibility to ensure that no qualified person with a disability shall, on the basis of disability, be excluded from participation, be denied the benefits of, or otherwise subjected to discrimination under any program of the School. Any scholar who has an objectively identified disability which substantially limits a major life activity, including, but not limited to learning, is eligible for accommodations by CCS. The learning coach of any scholar suspected of needing or qualifying for

accommodations under Section 504 may make a referral for an evaluation to the President & CEO. A copy of the School's Section 504 policies and procedures is available upon request

7. Scholars who qualify under McKinney-Vento should complete the declaration form. This form must be completed annually in order to ensure the scholar still qualifies under McKinney-Vento.

Homeless status is determined in cooperation with the learning coach. In the case of unaccompanied youth, status is determined by the School Liaison.

School Liaison

The President & CEO designates the following staff person as the School Liaison for homeless scholars:

Jessica Franco | Information Services Manager

850 Hampshire Rd. Suite P

Thousand Oaks, CA 91361

805-358-9007

1. Homeless scholars are identified by school personnel and through coordination activities with other entities and agencies.
2. Homeless scholars enroll in, and have a full and equal opportunity to succeed at CCS.
3. Academic Integrity and Plagiarism

Academic dishonesty includes cheating, plagiarism and any attempt to obtain credit for academic work through fraudulent, deceptive, or dishonest means. These are violations of Academic Integrity. CCS takes violations of Academic integrity, in any form seriously, and it will not be tolerated.

Other Violations of Academic Integrity include:

- Using another person's work and claim as your own;
- Copying from text, a web site or other course material;
- Using or attempting to use unauthorized materials or information in any academic exercise;
- Hiring someone to write a paper;
- Buying a paper or project;
- Sharing files;
- Copying from another person's work;
- Turning in another person's work and claiming it as your own;
- Looking at another person's test or test materials;
- Letting a friend or learning coach do the work for you.

What is Plagiarism?

Merriam-Webster online dictionary defines plagiarism as "the act of using another person's words or ideas without giving credit to that person: the act of plagiarizing something."

To Plagiarize means:

- to steal and pass off (the ideas or words of another) as one's own;
- to use (another's production) without crediting the source;
- to commit literary theft or fraud; or
- to present as new and original an idea or product derived from another source.

See <http://www.plagiarism.org/plagiarism-101/what-is-plagiarism> for more information.

How to Avoid Plagiarism

Scholars must give credit to the source for any information that is not either the result of original research or common knowledge. For example, it would be necessary to give credit to an author who provided an argument about the importance of the Emancipation Proclamation in the American Civil

War. Conversely, major historical facts, such as the dates of the American Civil War, are considered common knowledge and do not require that credit be given to a particular author. If a scholar borrows the exact words of another author, the scholar must cite the source. If scholars are unsure whether or not they should cite, they should to ask their teachers for guidance. Teachers will dictate which citation format should be used and what the guidelines are for their class.

More information on what plagiarism is and how to avoid it can be found at <https://owl.english.purdue.edu/owl/resource/589/01/>.

Harassment comes in many forms including:

- Spam (unsolicited e-mails not pertaining to the course), threatening communications, offensive

Scholar Grievances

CCS has adopted a General Complaint Policy to address concerns about the Charter School generally or regarding specific employees. For complaints regarding harassment or perceived violations of state or federal laws, please refer to the Charter School's Policy Against Unlawful Harassment and/or the Charter School's Uniform Complaint Procedures. For all other complaints, the General Complaint form and accompanying procedures available at each of the learning centers and on the CCS website will be appropriate.

Uniform Complaint Procedure

CCS has the primary responsibility to insure compliance with applicable state and federal laws and regulations and has established procedures to address allegations of unlawful discrimination, harassment, intimidation, and bullying, and complaints alleging violation of state or federal laws governing educational programs and the charging of unlawful pupil fees.

CCS shall investigate and seek to resolve complaints using policies and procedures known as the Uniform Complaint Procedure ("UCP") adopted by our Board of Directors. The UCP shall also be used when addressing complaints alleging failure to comply with state and/or federal laws in:

- After School Education and Safety Programs
- Early Child Education Program Assessments
- Foster and Homeless Youth Services
- Consolidated Categorical Aid Programs
- Regional Occupational Centers and Special Education Programs
- Every Student Succeeds Act / No Child Left Behind Act (2001) Programs (Titles I-VII)

A complaint of noncompliance with laws relating to pupil fees may be filed pursuant to the local UCP. A pupil enrolled in a public school shall not be required to pay a pupil fee for participation in an educational activity. A pupil fee includes, but is not limited to, all of the following:

- A fee charged to a pupil as a condition for registering for school or classes, or as a condition for participation in a class or an extracurricular activity, regardless of whether the class or activity is elective or compulsory, or is for credit.
- A security deposit, or other payment, that a pupil is required to make to obtain a lock, locker, book, class apparatus, musical instrument, clothes, or other materials or equipment.
- A purchase that a pupil is required to make to obtain materials, supplies, equipment, or clothes associated with an educational activity.
- A pupil fee complaint shall not be filed later than one (1) year from the date the alleged violation occurred.

Complaints of noncompliance with laws relating to pupil fees are filed with the President & CEO of a school. A complaint regarding pupil fees may be filed anonymously if the complaint provides evidence or information to support an allegation of noncompliance with laws relating to pupil fees. Complaints other than complaints relating to pupil fees must be filed in writing with the following compliance officer:

J.J. Lewis | President & CEO
 850 Hampshire Road, Suite P
 Thousand Oaks, CA 91361
 818-824-6233

Complaints alleging discrimination, harassment, intimidation, or bullying, must be filed within six (6) months from the date the alleged discrimination, harassment, intimidation, or bullying, occurred or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation, or bullying, unless the time for filing is extended by the President & CEO or his or her designee in writing.

Complaints will be investigated and a written Decision or report will be sent to the complainant within sixty (60) days from the receipt of the complaint. This sixty (60) day time period may be extended by written agreement of the complainant. The compliance officer responsible for investigating the complaint shall conduct and complete the investigation in accordance with California regulations and in accordance with CCS's procedures.

The complainant has a right to appeal CCS's Decision to the California Department of Education ("CDE") by filing a written appeal within fifteen (15) days of receiving the Decision. The appeal must include a copy of the complaint filed with the School and a copy CCS's Decision.

Civil law remedies may be available under state or federal discrimination, harassment, intimidation, or bullying laws, if applicable. In appropriate cases, an appeal may be filed pursuant to Education Code Section 262.3. A complainant may pursue available civil law remedies outside of CCS's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders.

A copy of the UCP policy and complaint procedures shall be available free of charge at either of the Learning Centers. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the complaint procedures, please contact the President & CEO.

Scholar Records

The Family Educational Rights and Privacy Act ("FERPA") affords learning coaches and scholars who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the scholar's education records within 5 days after the day CCS receives a request for access. Learning coaches or eligible students should submit to the CCS President & CEO or designee a written request that identifies the records they wish to inspect.

The CCS official will make arrangements for access and notify the learning coach or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the scholar's education records that the learning coach or eligible student believes are inaccurate, misleading, or otherwise in violation of the scholar's privacy rights under FERPA.

Learning coaches or eligible students who wish to ask CCS to amend a record should write the CCS President & CEO or designee, clearly identify the part of the record they want changed, and specify why it should be changed. If CCS decides not to amend the record as requested by the learning coach or eligible student, CCS will notify the learning coach or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the learning coach or eligible scholar when notified of the right to a hearing.

3. The right to provide written consent before CCS discloses personally identifiable information ("PII") from the scholar's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to CCS officials with legitimate educational interests. A CCS official is a person employed by CCS as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the Board of Directors. A CCS official also may include a volunteer or contractor outside of CCS who performs an institutional service of function for which CCS would otherwise use its own employees and who is under the direct control of CCS with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or

therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another CCS official in performing his or her tasks. A CCS official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, CCS discloses education records without consent to officials of another school district in which a scholar seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the scholar's enrollment or transfer.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office

U.S. Department of Education

400 Maryland Avenue, SW Washington, DC 20202

FERPA permits the disclosure of PII from scholar's education records, without consent of the learning coach or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to CCS officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the learning coach or eligible student, §99.32 of the FERPA regulations requires CCS to record the disclosure. Learning coaches and eligible students have a right to inspect and review the record of disclosures. CCS may disclose PII from the education records of a scholar without obtaining prior written consent of the learning coach or the eligible student —

1. To other CCS officials, including teachers, within the educational agency or institution whom CCS has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(2) are met.
2. To officials of another school, school system, or institution of postsecondary education where the scholar seeks or intends to enroll, or where the scholar is already enrolled if the disclosure is for purposes related to the scholar's enrollment or transfer, subject to the requirements of §99.34. (§99.31(a)(2)).
3. To authorize representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency in the parent or eligible student's State. Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf.
4. In connection with financial aid for which the scholar has applied or which the scholar has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid.

5. To accrediting organizations to carry out their accrediting functions.
6. To parents of an eligible student if the student is a dependent for IRS tax purposes.
7. To comply with a judicial order or lawfully issued subpoena.
8. To appropriate officials in connection with a health or safety emergency, subject to §99.36.
9. Information CCS has designated as “directory information” under §99.37.

‘Directory Information’ is information that is generally not considered harmful or an invasion of privacy if released. Directory information can be disclosed to outside organizations without a parent’s prior written consent. Outside organizations include, but are not limited to education and charter school advocacy groups, and companies that manufacture class rings or publish year books. CCS has designated the following information as directory information:

1. Scholar’s name
2. Scholar’s address
3. Learning coach’s address
4. Telephone listing
5. Scholar’s electronic mail address

13. Scholar ID number, user ID, or other unique personal identified used to communicate in electronic systems that cannot be used to access education records without a PIN, password, etc. (A scholar’s social security number, in whole or in part, cannot be used for this purpose.)

If you do not want CCS to disclose directory information from your scholar’s education records without your prior written consent, you must notify the School in writing at the time of enrollment or re-enrollment. Please notify the President & CEO at jlewis@compasscharters.org.

Withdrawal from CCS

1. If a scholar decides to withdraw, the scholar's Learning Coach communicates the decision through his or her teacher.
2. The scholar’s teacher will schedule an exit conference with the Elementary School Coordinator within 72 hours of the withdrawal request to ensure the scholar receives the appropriate academic consultation and attendance credit, and has submitted all completed work samples and activity logs before being withdrawn from CCS.
3. Once the exit conference has been conducted, a withdrawal link will be emailed to the Learning Coach that will need to be filled out for the withdrawal to be complete.
4. Once the withdrawal is completed the Attendance Specialist will email the Learning Coach a letter showing the scholar has been withdrawn that can be given to the scholar's new school.
5. CCS may withhold transcripts, grades and diplomas where a scholar has willfully cut, defaced or otherwise destroyed property or has failed to return property, such as textbooks or computers,

Polio (OPV or IPV)	4 doses (3 doses OK if one was given on or after 4th birthday)	4 doses (3 doses OK if one was given on or after 2nd birthday)	
Diphtheria, Tetanus, and Pertussis (DTaP, DTP, DT, or Tdap)	5 doses of DTaP, DTP, or DT (4 doses OK if one was given on or after 4th birthday)	4 doses of DTaP, DTP, DT, Tdap, or Td (3 doses OK if last dose was given on or after 2nd birthday. At least one dose must be Tdap or DTaP/ DTP given on or after 7th birthday for all 7th-12th graders.)	1 dose of Tdap (Or DTP/DTaP given on or after the 7th birthday.)
Measles, Mumps, and Rubella (MMR or MMR-V)	2 doses (Both doses given on or after 1st birthday. Only one dose of mumps and rubella vaccines are required if given separately.)	1 dose (Dose given on or after 1st birthday. Mumps vaccine is not required if given separately.)	2 doses of MMR or any measles-containing vaccine (Both doses given on or after 1st birthday.)
Hepatitis B (Hep B or HBV)	3 doses		
Varicella (chickenpox, VAR, MMR-V or VZV)	1 dose	1 dose for ages 7-12 years. 2 doses for ages 13-17 years.	

*New admissions to 7th grade should also meet the requirements for ages 7-17 years.

WHY YOUR CHILD NEEDS SHOTS:

The California School Immunization Law requires that children be up to date on their immunizations (shots) to attend school. Diseases like measles spread quickly, so children need to be protected before they enter. California schools are required to check immunization records for all new student admissions at Kindergarten or Transitional Kindergarten **through** 12th grade and all students advancing to 7th grade before entry.

THE LAW:

Health and Safety Code, Division 105, Part 2, Chapter 1, Sections 120325-120380; California Code of Regulations, Title 17, Division 1, Chapter 4, Subchapter 8, Sections 6000-6075

WHAT YOU WILL NEED FOR ADMISSION:

To attend school, your child's Immunization Record must show the date for each required shot above. If you do not have an Immunization Record, or your child has not received all required shots, call your doctor now for an appointment.

If a licensed physician determines a vaccine should not be given to your child because of medical reasons, submit a written statement from the physician for a **medical exemption** for the missing shot(s), including the duration of the medical exemption.

A personal beliefs exemption is no longer an option for entry into school; however, a valid personal beliefs exemption filed with a school before January 1, 2016 is valid until entry into the next grade span (7th through 12th grade). Valid personal beliefs exemptions may be transferred between schools in California. For complete details, visit ShotsforSchool.org.

You must also submit an immunization record for all required shots not exempted.

Letter from the CEO

Dear Scholars and Learning Coaches:

We are happy you have chosen to make Compass Charter Schools (“CCS”) your school of choice. I am proud to be the President & CEO of CCS, and am looking forward to working with our staff to provide a quality independent study program to every scholar we serve. Everyone here at CCS is committed to creating a nurturing environment as we work with you to meet the learning needs of your scholar(s).

CCS Vocabulary

Like any school, CCS has its own unique culture. To help you understand part of the culture of CCS it is important you understand our use of the following key terms:

Learning Coach

Parents and guardians are known as the “Learning Coach” for their children and they are an integral part of their children’s success at CCS. Since we are an independent study school, much of the learning is facilitated by the Learning Coach.

Scholar

At CCS we choose to refer to each student as a “scholar.” Scholar is defined as a person who is highly educated or has an aptitude for study; a distinguished academic. We refer to students as scholars because we want to emphasize our commitment to helping every individual be academically successful.

We have a great Middle School team led by Ms. Melissa Blitzstein, our Middle School Coordinator, who manages the Middle School Academic Program. I encourage you to visit our website, under Meet Our Team, to learn more about our terrific teachers, along with great support staff who are here to help guide your educational experience at Compass Charter Schools!

Thank you again for choosing CCS. We look forward to being part of you and your scholar’s educational journey!

Respectfully,

J.J. Lewis, M.Ed.

President & CEO

Mission Statement

one scholar at a time.

Vision Statement

Our vision is to create a collaborative virtual learning community, inspiring scholars to appreciate the ways in which arts and sciences nurture a curiosity for lifelong learning, and prepare scholars to take responsibility for their future success.

Pledge of Excellence

CCS signed onto the Independent Study Pledge of Excellence in 2016. Its purpose is to establish a consistent, transparent approach to responsible charter school management across all of the member schools. The Code of Conduct is a pledge to employees, families and the public that member charter schools will conduct business in an honest, legal and ethical manner.

All members adhere to the provisions of the pledge. Commitment to ethical professional conduct is the goal of these schools. The Code is intended to serve as a basis for ethical decision in the running of these charter schools.

Independent study in the state of California is defined as non-classroom based instruction. Non-classroom based instruction includes, but is not limited to, independent study, home study, work study, and distance and computer-based education.

We the undersigned pledge to the following in the operation and management of our charter schools offering independent study:

As operators of high quality public charter schools offering independent study, we stand united behind the elements of integrity, trust, quality, and value in the operation of our schools. We know that offering personalized learning options meets the student where they are, aligns with what they individually need, while creating an academic program that is relevant, rigorous, and aligned to 21st Century learning.

1. As operators of high quality public charter schools offering independent study, we stand united in managing schools that are fiscally responsible in the use of public tax dollars in our care. We value the use of independent auditors that reviews our financial and operational activities annually and showcase reports that are exception--free. This speaks to the commitment that we hold on financial accountability and operational integrity.

2. As operators of high quality public charter schools offering independent study, we stand united in our efforts to operate schools that model strong integrity, value and utilize solid business practices, and abide by all rules and regulations placed upon us by school districts, regional Offices of Education, and the California Department of Education.
3. As operators of high quality public charter schools offering independent study, we stand united believing that the actions of a few rogue charter school operators do not reflect, align, or mirror anything about our programs. Having individuals or the media drawing comparisons speaks to either the fact that they don't know what we do or they are acting on rumor and innuendo in these conversations.
4. As operators of high quality public charter schools offering independent study, we stand united in stating clearly that we are here for one purpose: educating students. Our resource centers, school sites, and classrooms are solely for the purpose of academic programming for the benefit of students in our care. Our commitment to students does not center on money, influence, or politics.
5. As operators of high quality public charter schools offering independent study, we stand united in offering high quality programs that exist to offer innovative and tested methods of instruction and self-paced learning. We have proof by our results that we are helping students to think, communicate, and achieve.
6. As operators of high quality public charter schools offering independent study, we stand united in following the state law in the operation of resources centers and school sites.

Description of Program

Compass Charter Schools ("CCS") is one of California's leading public charter schools serving scholars throughout the state in kindergarten and grades one through twelve. We are an independent study program. We recognize that, in education, one size does not fit all and have two great programs to serve scholars. CCS is designed and organized to serve scholars and families who have chosen a unique educational setting that can meet an individual scholar's needs.

Enrollment Requirements

General Requirements for 6-8th grade

- A scholar's age cannot exceed sixteen (16) years.
- A scholar must have completed the CCS enrollment process and signed a Master Agreement prior to starting courses.
- A scholar must reside within the county in which CCS is authorized, or a contiguous county to the county in which CCS is authorized, and provide proof of residency annually. If, while attending CCS, a scholar moves, a new proof of residency must be submitted within five (5) school days.
- A scholar may only be enrolled in CCS and not concurrently enrolled in another school, public or private (unless prior permission is given for a community college).

Immunization Requirements

Learning Coaches are required to provide proof of immunizations upon registration in order to maintain updated records. For more information about the required number of doses and the ages at which vaccines must be given, please see the included handout in appendix. The School's verification of immunizations is through written medical records from your doctor or immunization clinic.

Exceptions are allowed under the following conditions:

- The Learning Coach provides a signed doctor's statement verifying that the scholar is to be exempted from immunizations for medical reasons. This statement must contain a statement identifying the specific nature and probable duration of the medical condition.
- No child with an Individualized Education Program will be denied a Free and Appropriate Public Education ("FAPE") due to lack of immunizations.
- If a Learning Coach had a personal beliefs exemption request on file before December 31, 2015, it will remain valid until the scholar enters the next grade span (kindergarten or seventh grade). No new personal beliefs exemptions will be honored after December 31, 2015.

Leaving the Country

Any scholar leaving the United States for a visit to any country considered by the Center of Disease Control and Prevention to have increased risk of TB exposure (such as Mexico, the Philippines, India or Southeast Asia) MUST call the County Tuberculosis Clinic, for a TB Screening upon return.

Master Agreement

To attend CCS, each scholar, Learning Coach, and supervising teacher shall sign a Master Agreement Form ("MA") prior to the first day of class each school year. This is a legal document and must be signed, dated, and returned to CCS. No scholar or Learning Coach will have access to the curriculum until the MA is signed and returned. Failure to sign and return an MA within the first three (3) days of starting classes will result in a mandatory meeting with the President and CEO or his/her designee to determine whether independent study is an appropriate placement for the scholar and to discuss any concerns of the Learning Coach. The signed MA is the agreement that the scholar and Learning Coach sign to demonstrate their intention to continue enrollment in CCS. All scholars enrolled in CCS must sign a new Master Agreement each school year. No scholar may be denied special education or related services identified in the scholar's Individualized Education Program due to a lack of a signed MA.

An updated MA must be submitted if changes are made in classes, coursework, and/or advising teacher to be completed during the school year.

Internet Service

Participation in CCS requires an Internet connection. Basic Internet service is available for all enrolled scholars who wish to utilize it. This Internet connection or one provided by the Learning Coach (at their option) is to be established and maintained by the family with the enrolled scholar(s). The nature of the CCS program requires that scholars and Learning Coaches log onto the online school each day to receive curriculum, lesson plans, school communications, and other necessary resources, as well as, to log attendance and submit assignments.

Computers

CCS has computers available for loan to all Learning Coaches seeking a computer for their scholars. Learning Coaches who wish to request to loan a computer from CCS will need to fill out the appropriate forms and email them to our IT Department at computers@compasscharters.org. All requests for loaner computers shall be honored, and there shall be no indication to faculty, staff, or other scholars that a scholar is using a loaner computer other than to those necessary for maintenance and asset management.

Grade Level Placement Policy

A scholar's grade level is determined upon initial enrollment and is written on the Master Agreement.

Middle School (6th-8th Grade)

- If a Learning Coach or teacher feels that a scholar should repeat a grade level, or differs from that indicated in the prospective assignment, the situation must be discussed with the Counseling Services Manager and Middle School Coordinator prior to making the change on the Master Agreement. They will make a recommendation for the President & CEO who shall make the final decision.
- Scholars may be required to take a placement exam and/or end of unit subject tests to determine appropriate placement based on Learning Coach requests for skipping or repeating a grade.

Report Cards

An incoming scholar must provide the most recent report card and current progress report, if enrolling during the school year, in order to determine appropriate placement. Failure to do so does not delay enrollment, but will delay the appropriate placement of the scholar into classes. Maximum age for an 8th grader is 16 years of age.

If the scholar has not attended school for an entire academic year or more, appropriate placement will be reviewed by the Counseling Services Manager and Middle School Coordinator. Scholars may be required to take assessments to determine appropriate placement.

Benchmark Testing

All scholars will be required to take a benchmark assessment in math and reading in order to determine a baseline of proficiency levels at the beginning of the school year. They will be assessed again at the start of the second semester, and again at the end of the school year.

Scholar Expectations

- Attend live, real-time office hours with the teacher, if scholar needs help with coursework.
- Attend live, real-time Virtual Classroom sessions as required.
- Work about one (1) hour per subject or up to six (6) hours per day. The amount of time a scholar spends per subject will vary based on individual scholar strengths.
- Complete the assignments according to the pacing guidelines provided, and reach out to teachers with questions to ensure success.
- Do your own work. Do not plagiarize.
- Be an active learner. Take notes, ask questions, and complete all assignments.
- Communicate with each assigned teacher at least once per week via email, phone or virtual classroom.
- Log in every weekday, complete assignments and adhere to the attendance policy, regardless of any technical difficulties with scholar-operated computers. Contact the IT Department with any technical difficulties immediately to ensure full attendance.
- Create a daily schedule to ensure all assigned work is completed.
- If a scholar participates in outside activities, the scholar is expected to keep up with his or her courses and submit work on time.
- Return calls and emails promptly when teachers reach out.

- Respond to any "automated messages" about attendance and pacing issues by contacting the academic team.
- Notify the Records Department within five (5) business days if the scholar moves or changes his or her personal email or phone number.
- Be respectful in interactions with fellow scholars, Learning Coaches, faculty, and staff.
- Attend all state testing in person at school-designated locations.

Learning Coach Responsibilities

- Communicate regularly with school staff.
- Check email and phone messages daily and respond promptly, including any automated messages about attendance and pacing.
- Alert administration if the Learning Coach does not hear back from a scholar's teacher within 48 hours.
- Notify CCS teachers of any extended family travel except during normal school vacations and holidays at least two (2) weeks prior to leaving.
- Inform the Records Department within five (5) business days of any changes to contact information, including phone, email, or address.
- Include the scholar's name and grade in emails.
- Be present and a positive role model in your scholar's daily school life.
- Ensure the scholar works daily, M-F, for sufficient time to ensure success (4-6 hours daily) and is prepared and ready to learn every day.
- Maintain high expectations for the scholar and monitor his/her progress on a daily and weekly basis.
- Establish daily and weekly goals by creating a consistent schedule.
- Establish "rewards" and "consequences" for meeting or not meeting expectations. Setting and reaching goals and then celebrating those goals can motivate scholars toward success.
- Ensure that your scholar attends Virtual Classroom sessions and open office hours with that are run by teachers.
- Monitor scholar progress and initiate conversations about progress before there is an issue.
- Become familiar with the StrongMind grading system, making sure to understand the difference between "progress grade" grade and "final" grade.
- Keep informed of news and information about school through communication from staff and newsletters.
- Make sure the scholar's home environment is conducive to learning. Create a regular schedule, eliminate distractions, and provide supervision for daily lessons to ensure the scholar's work is completed according to their pacing guides.
- Encourage and help the scholar to be actively involved in the learning process.
- Ensure that the scholar follows the instructions of his/her teachers and advisor.
- Work in partnership with CCS teachers and counselors to support the scholar.
- Ensure school property is treated with respect.
- Support the scholar in attending state-mandated testing.

Attendance

Attendance is important for the success of a scholar. If a scholar does not attend school, then a scholar cannot succeed in his/her courses. Attendance at an online school looks very different than that at a

brick and mortar school.

Work Samples

Independent study attendance credit is based upon the scholar's daily engagement in instructional activities required by the school on days that school is in session (M-F, non-holidays) and further determined based upon the time value of the scholar's work product, judged in the discretion of the supervising credentialed teacher.

Virtual Classroom Attendance "Learning Labs"

All CCS teachers run weekly learning labs multiple times each week. These live teacher-led classroom instruction occur in each class 2-3 days a week. These sessions allow scholars to interact with their teachers and be taught in real time. All scholars are expected to participate in the Learning Lab sessions for each of their classes. Attendance in Learning Labs can be included as part of the 10% of the scholar's participation grade for his or her classes.

Q&A Sessions

The remaining 2-3 days of web-based instruction hosted by teachers are "office hours." Teachers host regularly scheduled "office hours" each week where scholars can receive tutoring and assistance on coursework in real time. Scholars are also encouraged to schedule appointments outside of the scheduled "office hours" if the teacher's schedule does not work with theirs or if they need additional support.

Missed Assignments

As per the independent study policy, after five [5] missed assignments, in 10 school days, an evaluation will be conducted by CCS to determine whether it is in the best interest of the pupil to remain in independent study.

The learning coach is expected to check the StrongMind account daily to ensure the scholar is logging in daily and progressing through classes at an appropriate pace. Additionally, the Learning Coach must ensure scholar is submitting work, as specified on the pacing guide. Work should be turned in consistently throughout the program or the scholar may get too far behind and not be able to pass their course.

State Standardized Tests

As members of a public charter school, our scholars participate in the following state standardized tests:

- Grade 8 - CST Science
- Grades 6-8 - SBAC Testing (aka California Assessment of Student Performance and Progress: ("CAASPP"))
- Grade 7 - Physical Fitness Test ("PFT")
- English Language Learners: California English Language Development Test: CELDT for English Language Proficiency Assessment

These examinations provide CCS with information for evaluation and future planning. These exams also indicate CCS's effectiveness in carrying out its educational mission. Participation rates are critical to the success of our school. According to recent changes promulgated by Every Student Succeeds Act ("ESSA"), signed into law in December 2015, a public school is required to achieve a participation rate of

95% on any state testing. If a school has less than 95% of its scholars participate in any assessment, the school runs the risk of receiving a serious penalty by the state of California or federal government.

- CCS administers all state standardized tests at sites geographically placed among our scholar locations. A testing schedule will be provided to our Learning Coaches.
- Individual scholar performance results on statewide assessments will be distributed to both Learning Coaches and teachers in a timely manner once released from the state.
- For more information on Testing & Accountability, visit the California Department of Education's web page at <http://www.cde.ca.gov/ta/>
- Notwithstanding any other provision of law, a Learning Coach's written request to CCS officials to excuse his or her scholar from any or all parts of the state assessments shall be granted.

Policy On Retention and Progress Policy On Retention and Progress

Promotion

Promotion to the next grade level is dependent upon grades earned. Scholars must pass a minimal number of core curriculum courses (mathematics, science, social science and language arts) and successfully complete any prescribed school year academic instructional support programs. Scholars who are at risk of retention will be provided with programs of supplemental instruction during the school year.

Scholars who do not make satisfactory progress each year are at risk of being retained. If a scholar is recommended for retention, the school will notify the scholars Learning Coach in writing.

Appeal Process

Every family has the right to appeal a retention decision. If an appeal is made, the burden shall be on the appealing party (the family) to show why the decision of the school should be overruled. The appeal must be submitted in writing within seven (7) calendar days of the date the retention recommendation was issued. The appeal must be submitted to the President & CEO. The appeal must clearly state the grounds for the appeal. Within 14 calendar days, the President & CEO or designee will review the documentation provided with the appeal statement. The response to this appeal will be rendered to the family no more than seven (7) calendar days from the review date. The family may request to meet with the individual(s) reviewing their appeal, but the family must still submit their appeal in writing within the designated timeframe described above. The President & CEO or designee decision will be final.

Contact Information & Communication Procedures

Methods of Communication

Reliable contact information is required for all Learning Coaches and for scholars.

Email Expectations

- We request that scholars and Learning Coaches supply separate email addresses for communication.
- All scholars are expected to communicate respectfully with school staff and peers through all methods of communication by using appropriate language. Failure to do so may result in disciplinary action.
- Scholars are expected to return communication from school personnel within 24 hours.
- All scholars must include their name and grade when they are emailing school staff.

By signing this handbook, a scholar is agreeing to communicate with faculty and other scholars appropriately and will not partake in cyberbullying or any form of harassment.

Unable to Contact

Regular communication with CCS teachers is essential for a scholar's success at CCS. If you are planning to be unavailable to communicate with your scholar's teacher for a period of time, please notify the teacher so that proper arrangements to monitor your scholar's progress and attendance can be made.

Due to the enrollment requirements of CCS, if CCS staff is unable to contact the scholar and/or Learning Coach for 10 consecutive days and there has been no logging in or work submitted, and contact has not been made by the scholar and/or Learning Coach, CCS will check the CALPADs system for enrollment in another educational institution and will withdraw the scholar from CCS. Notice will be provided to the scholar's last known district of residence.

Notification Regarding Change of Contact Information

As stated in the Master Agreement, if a scholar's or Learning Coach's email address, mail address, or phone number changes, it must be updated with the Records Department within five (5) business days to ensure timely communication with CCS staff.

Proof of Residency

Learning Coaches must notify the Records Department should contact information change, and provide a proof of new residence to them.

Emergency Contacts

All families are expected to maintain current emergency contact information with the school. Contact information consists of both telephone numbers and email addresses.

Authorized Contacts

At the time of enrollment, a scholar's Learning Coach is asked to identify any contacts that have authorization to receive performance information about the scholar. Individuals with authorization are responsible for maintaining current contact information with the school.

Academic Program

Grades

The grade in any given course represents the degree to which the scholar has met the standards and achieved the goals of the course. Grades reflect the quality of the scholar's work and the scholar's degree of mastery of academic standards. The semester grade reflects the cumulative achievement for the entire semester. Attendance and participation are contributing factors in meeting the standards and earning a grade.

Teachers are responsible for setting objective standards for grading assignments and shall make these standards known to the Learning Coaches and scholars. Teachers are responsible for assigning grades to the scholars in their classes. In the absence of fraud, mistake, bad faith or incompetency, the grade shall be final. A grade change may not be made as the result of coercion by any person(s).

Understanding CCS Grading Terms

- A "final grade" (or cumulative grade) is the arithmetic mean (average) of individual grades on

the assignments the scholar HAS and HAS NOT completed. Assignments scholars have not completed will be averaged in as a zero to the final grade. This is also known as the “final grade.”

- A “progress grade” (or average grade) includes only the assignments the scholar HAS completed. The progress grade does not include the incomplete assignments. This is a snapshot of how well the scholar is performing on the assignments he or she had submitted.
- “Percent complete” is the total amount of work the scholar has completed divided by the total amount of work assigned.
- Once the scholar has completed 100% of the assigned work, the progress grade and final grade will be equal

Progress Reports

“Snapshots” of scholar grades in all courses are sent home on a weekly basis. “Progress Reports” are sent home once a quarter. While phone calls and emails are used frequently, Progress Reports serve as a formal notice of grades.

Middle School Course Placement

All middle school scholars are required to enroll in four (4) academic courses (English, mathematics, science, social science), physical education and one elective course each semester of the academic school year.

Middle School Course Scheduling

Our middle school academic program utilizes semester scheduling for all tracks. No extensions are provided and all end dates are final.

Middle School Grading Scale

A standard percentage scale is used school wide to determine grades. This ensures a standard of excellence toward which each scholar may strive to achieve.

Honor Roll:

- Is awarded to scholars each semester who have earned a 3.5 GPA or higher.

Scholar of the Month:

- Receiving a 90% or higher in all academic courses
- Working on pace consistently and embodies an independent learner

Scholars with Special Needs

CCS is dedicated to the belief that all scholars can learn and must be guaranteed equal opportunity to become contributing members of the academic environment and society. CCS provides special education instruction and related services in accordance with the Individuals with Disabilities in Education Improvement Act, California Education Code requirements, and applicable policies and procedures of the El Dorado County Charter [SELPA]. These services are available for special education scholars enrolled at CCS. We offer high quality educational programs and services for all of our scholars in accordance with the assessed needs of each scholar. CCS collaborates with Learning Coaches, scholars, teachers, and other agencies, as may be indicated, in order to appropriately serve the educational needs of each scholar.

CCS recognizes its legal responsibility to ensure that no qualified person with a disability shall, on the

basis of disability, be excluded from participation, be denied the benefits of, or otherwise subjected to discrimination under any program of the School. Any scholar who has an objectively identified disability which substantially limits a major life activity, including, but not limited to learning, is eligible for accommodations by CCS. The Learning Coach of any scholar suspected of needing or qualifying for accommodations under Section 504 may make a referral for an evaluation to the President & CEO. A copy of the School's Section 504 policies and procedures is available upon request

Homeless Scholars

The term "homeless children and youth" means individuals who lack a fixed, regular and adequate nighttime residence due to economic hardship. It includes children and youths who:

1. Are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; are abandoned in hospitals.
2. Have a primary nighttime residence that is a public or private place not designed for or ordinarily used as regular sleeping accommodations for human beings;
3. Are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings;
4. Runaway children or children who are abandoned; and
5. Migratory children and unaccompanied youth (youth not in the physical custody of a parent or guardian) may be considered homeless if they meet the above definition of "homeless."
6. Scholars who qualify under McKinney-Vento should complete the declaration form. This form must be completed annually in order to ensure the scholar still qualifies under McKinney-Vento

Homeless status is determined in cooperation with the Learning Coach. In the case of unaccompanied youth, status is determined by the School Liaison.

School Liaison

The President & CEO or designee designates the following staff person as the School Liaison for homeless scholars:

Jessica Franco | Information Services Manager

850 Hampshire Rd. Suite P

Thousand Oaks, CA 91361

805-358-9007

The School Liaison shall ensure that:

1. Homeless scholars are identified by school personnel and through coordination activities with other entities and agencies.
2. Homeless scholars enroll in, and have a full and equal opportunity to succeed at CCS.
3. Homeless scholars and families receive educational services for which they are eligible including services through Head Start programs (including Early Head Start programs) under the Head Start Act, early intervention services under Part C of the Individuals with Disabilities Education Act, any other preschool programs administered by CCS, if any, and referrals to health care services, dental services, mental health services and substance abuse services, housing services,

and other appropriate services.

4. Learning Coaches are informed of the educational and related opportunities available to their scholars and are provided with meaningful opportunities to participate in the education of their scholars.
5. Public notice of the educational rights of homeless children is disseminated at places where children receive services, such as schools, shelters, and soup kitchens and in a manner and form understandable to the parents and guardians of homeless youth and unaccompanied youth.
6. Enrollment/admissions disputes are mediated in accordance with law, the CCS charter, and Board policy.
7. Learning Coaches are fully informed of all transportation services, as applicable.
8. School personnel providing services receive professional development and other support.
9. The School Liaison collaborates with State coordinators and community and school personnel responsible for the provision of education and related services to homeless children and youths.
10. Unaccompanied youth are enrolled in school; have opportunities to meet the same challenging State academic standards as the State establishes for other children and youth; and are informed of their status as independent students under section 480 of the Higher Education Act of 1965 and that the youths may obtain assistance from the School Liaison to receive verification of such status for the purposes of the Free Application for Federal Student Aid described in section 483 of the Act.

Academic Dishonesty and Plagiarism

Academic dishonesty includes cheating, plagiarism and any attempt to obtain credit for academic work through fraudulent, deceptive, or dishonest means. CCS takes academic dishonesty in any form seriously, and it will not be tolerated.

Some examples include:

- Using or turning in another person's work and claim as your own;
- Copying from text, a web site or other course material;
- Using or attempting to use unauthorized materials or information in any academic exercise;
- Hiring someone to write a paper;
- Buying a paper or project;
- Sharing files;
- Copying from another person's work;
- Letting a friend or Learning Coach do the work for you.

What is Plagiarism?

Merriam-Webster online dictionary defines plagiarism as "the act of using another person's words or ideas without giving credit to that person: the act of plagiarizing something."

To Plagiarize means:

- to steal and pass off (the ideas or words of another) as one's own;
- to use (another's production) without crediting the source;
- to commit literary theft or fraud; or
- to present as new and original an idea or product derived from another source.

See <http://www.plagiarism.org/plagiarism-101/what-is-plagiarism> for more information.

How to Avoid Plagiarism

Scholars must give credit to the source for any information that is not either the result of original research or common knowledge. For example, it would be necessary to give credit to an author who provided an argument about the importance of the Emancipation Proclamation in the American Civil War. Conversely, major historical facts, such as the dates of the American Civil War, are considered common knowledge and do not require that credit be given to a particular author. If a scholar borrows the exact words of another author, the scholar must cite the source. If scholars are unsure whether or not they should cite, they should to ask their teachers for guidance. Teachers will dictate which citation format should be used and what the guidelines are for their class.

More information on what plagiarism is and how to avoid it can be found at <https://owl.english.purdue.edu/owl/resource/589/01/>.

PREVENTION OF PLAGIARISM

1. All scholars and Learning Coaches are given a copy of this CCS Learning Coach/Scholar Handbook which outlines the school's policy on plagiarism.
2. Scholars complete a lesson on understanding plagiarism during one of the core courses. 6-12 scholars complete a lesson on plagiarism during the first unit of a core course.
3. Teachers will use recognized plagiarism detection program, to check for plagiarism as necessary.
4. More information on what plagiarism is and how to avoid it can be found at <https://owl.english.purdue.edu/owl/resource/589/01/>.

Consequences for Academic Dishonesty

Failure to abide by CCS standards of academic dishonesty by violating academic integrity will result in the following consequences:

1st Offense - Warning

- If a scholar violates academic integrity the teacher will notify the Learning Coach and Middle School Coordinator.
- The scholar will receive a written warning from the teacher in the form of a behavior contract which will require both Learning Coach and scholar signatures to be returned to the teacher. This will be sent via certified mail and email with read receipt.

2nd Offense

- If a scholar is caught violating academic integrity a second time, with any teacher, the teacher will notify the Learning Coach, and Middle School Coordinator.
- The scholar will receive a "0" on the assignment that was plagiarized and a 2nd behavior contract will be sent to be signed by both the Learning Coach and the scholar, and returned to the teacher. Notification will be sent via certified mail and email with read receipt.
- The Middle School Coordinator will schedule a meeting with the teacher, the scholar and the Learning Coach.

3rd Offense

- If a scholar is caught violating academic integrity a third time the teacher will notify the Learning Coach, Middle School Coordinator and Online Learning Manager.
- The scholar will receive a "0" on the assignment that was plagiarized and the scholar will be placed on Academic Probation. The scholar will receive a notification of this to be signed by

both the Learning Coach and scholar. Notification will be sent via certified mail and email.

- A meeting will be held with the Online Learning Manager, Middle School Coordinator, teacher, Learning Coach and scholar.

4th Offense

- If a scholar is caught violating academic integrity a fourth time the teacher will notify the Learning Coach, Middle School Coordinator, and Online Learning Manager.
- The course is locked until a recommendation is made by the Disciplinary Action Committee (“DAC”). The scholar will receive a behavior contract notifying them of this via certified mail.
- The scholar goes before the DAC to determine whether expulsion will be recommended, using the processes outlined in the CCS charter document, available on the CCS website and at either learning center. If the scholar is recommended for expulsion and ultimately expelled from CCS they may return to their school of residence or seek other educational opportunities. The incidents will be noted in the scholar’s permanent file.
- If the DAC recommends the scholar for expulsion, the scholar and Learning Coach will meet with the CCS Academic Affairs Committee. The CCS Academic Affairs Committee will determine to expel the scholar or not based on the recommendation of the DAC.

Disciplinary Action Committee (“DAC”)

Process

- Introductions

- Family presents their case
- DAC questions and answers
- Family closing comments
- DAC deliberates and makes decision whether to recommend expulsion

If decision is to recommend expulsion

Members of the Academic Affairs Committee may hear from the parents, scholar, teacher, authorized administrator or other school personnel in accordance with school policies. The Academic Affairs Committee may determine expulsion, alternative disciplinary action, or remove the allegations from the scholar’s records.

Scholars who are expelled from the school for academic dishonesty will be given a chance for re

Sexual Harassment and Cyberbullying

CCS does not discriminate against any student or employee on the basis of actual or perceived disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes in the California Penal Code.

CCS adheres to all provisions of federal law related to students with disabilities, including, but not limited to, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990 ("ADA"), and the Individuals with Disabilities Education Improvement Act of 2004.

CCS is committed to providing a work and educational atmosphere that is free of unlawful harassment under Title IX (sex), Title VI (race, color, or national origin), and Section 504 and Title II of the ADA. J.J. Lewis | President & CEO
850 Hampshire Road, Suite P
Thousand Oaks, CA 91361
818-824-6233

The President & CEO or designee shall ensure that employees designated to investigate complaints are

knowledgeable about the laws and programs for which they are responsible.

CCS's full Discrimination, Harassment, Intimidation, and Bullying Prohibition Policy is available at either of the Learning Centers or on the CCS website.

Harassment comes in many forms including:

- Spam (unsolicited emails not pertaining to the course), threatening communications, offensive communications or any other kind of communication that makes a person feel uncomfortable.
- Any scholar who believes that he or she has been harassed or has witnessed any form of harassment should immediately report such incident to a CCS staff member. The President & CEO or designee will immediately investigate all such incidents in a confidential manner.

Steps for Scholars to Follow

Scholars who deem that they are victims of bullying or harassment should follow the steps below:

5. If the unwarranted correspondence is from a staff member, report the situation to the President & CEO.
6. If the abusive communication is from someone within the administration, inform the victim's Learning Coach of the situation who can then inform the appropriate personnel.

SCHOLAR GRIEVANCES

CCS has adopted a General Complaint Policy to address concerns about the Charter School generally or regarding specific employees. For complaints regarding harassment or perceived violations of state or federal laws, please refer to the Charter School's Policy Against Unlawful Harassment and/or the Charter School's Uniform Complaint Procedures. For all other complaints, the General Complaint form and accompanying procedures available at each of the learning centers and on the CCS website will be appropriate.

UNIFORM COMPLAINT PROCEDURE

CCS has the primary responsibility to ensure compliance with applicable state and federal laws and regulations and has established procedures to address allegations of unlawful discrimination, harassment, intimidation, and bullying, and complaints alleging violation of state or federal laws governing educational programs and the charging of unlawful pupil fees.

CCS shall investigate and seek to resolve complaints using policies and procedures known as the Uniform Complaint Procedure ("UCP") adopted by our Board of Directors. Unlawful discrimination, harassment, intimidation, or bullying complaints may be based on actual or perceived characteristics of age, ancestry, color, ethnic group identification, gender expression, gender identity, gender, genetic

information, physical disability, mental disability, medical condition, marital status, nationality, national origin, race or ethnicity, religion, sex, sexual orientation, or on a person's association with a person or group with one or more of these actual or perceived characteristics, in any CCS program or activity that receives or benefits from state financial assistance.

The UCP shall also be used when addressing complaints alleging failure to comply with state and/or federal laws in:

- After School Education and Safety Programs
- Early Child Education Program Assessments
- Foster and Homeless Youth Services
- Consolidated Categorical Aid Programs
- Regional Occupational Centers and Special Education Programs
- Every Student Succeeds Act / No Child Left Behind Act (2001) Programs (Titles I-VII)

A complaint of noncompliance with laws relating to pupil fees may be filed pursuant to the local UCP. A pupil enrolled in a public school shall not be required to pay a pupil fee for participation in an educational activity. A pupil fee includes, but is not limited to, all of the following:

- A fee charged to a pupil as a condition for registering for school or classes, or as a condition for participation in a class or an extracurricular activity, regardless of whether the class or activity is elective or compulsory, or is for credit.
- A security deposit, or other payment, that a pupil is required to make to obtain a lock, locker, book, class apparatus, musical instrument, clothes, or other materials or equipment.
- A purchase that a pupil is required to make to obtain materials, supplies, equipment, or clothes associated with an educational activity.
- A pupil fee complaint shall not be filed later than one (1) year from the date the alleged violation occurred.

Complaints of noncompliance with laws relating to pupil fees are filed with the President & CEO of a school. A complaint regarding pupil fees may be filed anonymously if the complaint provides evidence or information to support an allegation of noncompliance with laws relating to pupil fees. Complaints other than complaints relating to pupil fees must be filed in writing with the following compliance officer:

J.J. Lewis | President & CEO
850 Hampshire Road, Suite P
Thousand Oaks, CA 91361
818-824-6233

Complaints alleging discrimination, harassment, intimidation, or bullying, must be filed within six (6) months from the date the alleged discrimination, harassment, intimidation, or bullying, occurred or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation, or bullying, unless the time for filing is extended by the President & CEO or his or her designee in writing.

Complaints will be investigated and a written Decision or report will be sent to the complainant within sixty (60) days from the receipt of the complaint. This sixty (60) day time period may be extended by

written agreement of the complainant. The compliance officer responsible for investigating the complaint shall conduct and complete the investigation in accordance with California regulations and in accordance with CCS's procedures.

The complainant has a right to appeal CCS's Decision to the California Department of Education ("CDE") by filing a written appeal within fifteen (15) days of receiving the Decision. The appeal must include a copy of the complaint filed with the School and a copy CCS's Decision.

Civil law remedies may be available under state or federal discrimination, harassment, intimidation, or bullying laws, if applicable. In appropriate cases, an appeal may be filed pursuant to Education Code Section 262.3. A complainant may pursue available civil law remedies outside of CCS's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders.

A copy of the UCP policy and complaint procedures shall be available free of charge at either of the Learning Centers. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the complaint procedures, please contact the President & CEO.

SCHOLAR RECORDS

The Family Educational Rights and Privacy Act ("FERPA") affords Learning Coaches and scholars who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the scholar's education records within 5 days after the day CCS receives a request for access. Learning Coaches or eligible students should submit to the CCS President & CEO or designee a written request that identifies the records they wish to inspect.

The CCS official will make arrangements for access and notify the Learning Coach or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the scholar's education records that the Learning Coach or eligible student believes are inaccurate, misleading, or otherwise in violation of the scholar's privacy rights under FERPA.

Learning Coaches or eligible students who wish to ask CCS to amend a record should write the CCS President & CEO or designee, clearly identify the part of the record they want changed, and specify why it should be changed. If CCS decides not to amend the record as requested by the Learning Coach or eligible student, CCS will notify the Learning Coach or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the Learning Coach or eligible scholar when notified of the right to a hearing.

3. The right to provide written consent before CCS discloses personally identifiable information ("PII") from the scholar's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to CCS officials with legitimate

educational interests. A CCS official is a person employed by CCS as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the Board of Directors. A CCS official also may include a volunteer or contractor outside of CCS who performs an institutional service of function for which CCS would otherwise use its own employees and who is under the direct control of CCS with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another CCS official in performing his or her tasks. A CCS official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, CCS discloses education records without consent to officials of another school district in which a scholar seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the scholar's enrollment or transfer.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office

U.S. Department of Education

400 Maryland Avenue, SW Washington, DC 20202

FERPA permits the disclosure of PII from scholar's education records, without consent of the Learning Coach or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to CCS officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the Learning Coach or eligible student, §99.32 of the FERPA regulations requires CCS to record the disclosure. Learning Coaches and eligible students have a right to inspect and review the record of disclosures. CCS may disclose PII from the education records of a scholar without obtaining prior written consent of the Learning Coach or the eligible student —

1. To other CCS officials, including teachers, within the educational agency or institution whom CCS has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(2) are met.
2. To officials of another school, school system, or institution of postsecondary education where the scholar seeks or intends to enroll, or where the scholar is already enrolled if the disclosure is for purposes related to the scholar's enrollment or transfer, subject to the requirements of §99.34. (§99.31(a)(2)).
3. To authorize representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency in the parent or eligible student's State. Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their

behalf.

4. In connection with financial aid for which the scholar has applied or which the scholar has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid.
5. To accrediting organizations to carry out their accrediting functions.
6. To parents of an eligible student if the student is a dependent for IRS tax purposes.
7. To comply with a judicial order or lawfully issued subpoena.

PARENTS' GUIDE TO IMMUNIZATIONS REQUIRED FOR SCHOOL ENTRY

Entry Requirements by Age and Grade:

Vaccine	4-6 Years Old Elementary School at Transitional-Kindergarten/ Kindergarten and Above	7-17 Years Old Elementary or Secondary School	7th Grade*
Polio (OPV or IPV)	4 doses (3 doses OK if one was given on or after 4th birthday)	4 doses (3 doses OK if one was given on or after 2nd birthday)	
Diphtheria, Tetanus, and Pertussis (DTaP, DTP, DT, or Tdap)	5 doses of DTaP, DTP, or DT (4 doses OK if one was given on or after 4th birthday)	4 doses of DTaP, DTP, DT, Tdap, or Td (3 doses OK if last dose was given on or after 2nd birthday. At least one dose must be Tdap or DTaP/ DTP given on or after 7th birthday for all 7th-12th graders.)	1 dose of Tdap (Or DTP/DTaP given on or after the 7th birthday.)
Measles, Mumps, and Rubella (MMR or MMR-V)	2 doses (Both doses given on or after 1st birthday. Only one dose of mumps and rubella vaccines are required if given separately.)	1 dose (Dose given on or after 1st birthday. Mumps vaccine is not required if given separately.)	2 doses of MMR or any measles-containing vaccine (Both doses given on or after 1st birthday.)
Hepatitis B (Hep B or HBV)	3 doses		
Varicella (chickenpox, VAR, MMR-V or VZV)	1 dose	1 dose for ages 7-12 years. 2 doses for ages 13-17 years.	

*New admissions to 7th grade should also meet the requirements for ages 7-17 years.

WHY YOUR CHILD NEEDS SHOTS:

The California School Immunization Law requires that children be up to date on their immunizations (shots) to attend school. Diseases like measles spread quickly, so children need to be protected before they enter. California schools are required to check immunization records for all new student admissions at Kindergarten or Transitional Kindergarten **through** 12th grade and all students advancing to 7th grade before entry.

THE LAW:

Health and Safety Code, Division 105, Part 2, Chapter 1, Sections 120325-120380; California Code of Regulations, Title 17, Division 1, Chapter 4, Subchapter 8, Sections 6000-6075

WHAT YOU WILL NEED FOR ADMISSION:

To attend school, your child's Immunization Record must show the date for each required shot above. If you do not have an Immunization Record, or your child has not received all required shots, call your doctor now for an appointment.

If a licensed physician determines a vaccine should not be given to your child because of medical reasons, submit a written statement from the physician for a **medical exemption** for the missing shot(s), including the duration of the medical exemption.

A personal beliefs exemption is no longer an option for entry into school; however, a valid personal beliefs exemption filed with a school before January 1, 2016 is valid until entry into the next grade span (7th through 12th grade). Valid personal beliefs exemptions may be transferred between schools in California. For complete details, visit ShotsforSchool.org.

You must also submit an immunization record for all required shots not exempted.

Questions? Visit ShotsForSchool.org or contact your local health department (bit.do/immunization).

Letter from the CEO

Dear Scholars and Learning Coaches:

We are happy you have chosen to make Compass Charter Schools (“CCS”) your school of choice. I am proud to be the President & CEO of CCS, and am looking forward to working with our staff to provide a quality independent study program to every scholar we serve. Everyone here at CCS is committed to creating a nurturing environment as we work with you to meet the learning needs of your scholar(s).

CCS Vocabulary

Like any school, Compass Charter Schools has its own unique culture. To help you understand part of the culture of CCS it is important you understand our use of the following key terms:

Learning Coach

Parents and guardians are known as the “Learning Coach” for their children and they are an integral part of their children’s success at CCS. Since we are an independent study school, much of the learning is facilitated by the Learning Coach.

Scholar

At CCS we choose to refer to each student as a “scholar.” Scholar is defined as a person who is highly educated or has an aptitude for study; a distinguished academic. We refer to students as scholars because we want to emphasize our commitment to helping every individual be academically successful.

We have a great High School team led by Mrs. Janae Smith, our High School Coordinator, who manages the High School Academic Program. I encourage you to visit our website, under Meet Our Team, to learn more about our terrific teachers, along with great support staff who are here to help guide your educational experience at Compass Charter Schools!

Thank you again for choosing CCS. We look forward to being part of you and your scholar’s educational journey!

Respectfully,

J.J. Lewis, M.Ed.

President & CEO

Mission Statement

Our mission is to inspire and develop innovative, creative, self-directed learners,
one scholar at a time.

Vision Statement

Our vision is to create a collaborative virtual learning community, inspiring scholars to appreciate the ways in which arts and sciences nurture a curiosity for lifelong learning, and prepare scholars to take responsibility for their future success.

Core Values

Pledge of Excellence

CCS signed onto the Independent Study Pledge of Excellence in 2016. Its purpose is to establish a consistent, transparent approach to responsible charter school management across all of the member schools. The Code of Conduct is a pledge to employees, families and the public that member charter schools will conduct business in an honest, legal and ethical manner.

All members adhere to the provisions of the pledge. Commitment to ethical professional conduct is the goal of these schools. The Code is intended to serve as a basis for ethical decision in the running of these charter schools.

Independent study in the state of California is defined as non-classroom based instruction. Non-classroom based instruction includes, but is not limited to, independent study, home study, work study, and distance and computer-based education.

We the undersigned pledge to the following in the operation and management of our charter schools offering independent study:

1. As operators of high quality public charter schools offering independent study, we stand united behind the elements of integrity, trust, quality, and value in the operation of our schools. We know that offering personalized learning options meets the student where they are, aligns with what they individually need, while creating an academic program that is relevant, rigorous, and aligned to 21st Century learning.
2. As operators of high quality public charter schools offering independent study, we stand united in managing schools that are fiscally responsible in the use of public tax dollars in our care.

We value the use of independent auditors that reviews our financial and operational activities annually and showcase reports that are exception--free. This speaks to the commitment that we hold on financial accountability and operational integrity.

3. As operators of high quality public charter schools offering independent study, we stand united in our efforts to operate schools that model strong integrity, value and utilize solid business practices, and abide by all rules and regulations placed upon us by school districts, regional Offices of Education, and the California Department of Education.
4. As operators of high quality public charter schools offering independent study, we stand united believing that the actions of a few rogue charter school operators do not reflect, align, or mirror anything about our programs. Having individuals or the media drawing comparisons speaks to either the fact that they don't know what we do or they are acting on rumor and innuendo in these conversations.
5. As operators of high quality public charter schools offering independent study, we stand united in stating clearly that we are here for one purpose: educating students. Our resource centers, school sites, and classrooms are solely for the purpose of academic programming for the benefit of students in our care. Our commitment to students does not center on money, influence, or politics.
6. As operators of high quality public charter schools offering independent study, we stand united in offering high quality programs that exist to offer innovative and tested methods of instruction and self-paced learning. We have proof by our results that we are helping students to think, communicate, and achieve.
7. As operators of high quality public charter schools offering independent study, we stand united in following the state law in the operation of resources centers and school sites.

Description of Program

Compass Charter Schools ("CCS") is one of California's leading public charter schools serving scholars throughout the state in kindergarten and grades one through twelve. We are an independent study program. We recognize that, in education, one size does not fit all and have two great programs to serve scholars. CCS is designed and organized to serve scholars and families who have chosen a unique educational setting that can meet an individual scholar's needs.

Enrollment Requirements

General Requirements for 9-12th Grade

- A scholar's age cannot exceed twenty-two (22) years. If a scholar has not been continuously enrolled in a public school and making satisfactory progress toward a high school diploma at any time after his/her 19th birthday, he/she may not enroll with CCS.
- A scholar must have a completed CCS enrollment process and signed a Master Agreement prior to starting courses.
- A scholar must reside within the county in which CCS is authorized, or a contiguous county to the county in which CCS is authorized, and provide proof of residency annually. If, while attending CCS, a scholar moves, a new proof of residency must be submitted within five (5) school days.
- A scholar may only be enrolled in CCS and not concurrently enrolled in another school, public or private (unless prior permission is given for a community college).

Immunization Requirements

Learning Coaches are required to provide proof of immunizations upon registration in order to maintain updated records. For more information about the required number of doses and the ages at which

vaccines must be given, please see the included handout in appendix. The School's verification of immunizations is through written medical records from your doctor or immunization clinic.

Exceptions are allowed under the following conditions:

- The Learning Coach provides a signed doctor's statement verifying that the scholar is to be exempted from immunizations for medical reasons. This statement must contain a statement identifying the specific nature and probable duration of the medical condition.
- No child with an Individualized Education Program will be denied a Free and Appropriate Public Education ("FAPE") due to lack of immunizations.
- If a Learning Coach had a personal beliefs exemption request on file before December 31, 2015, it will remain valid until the scholar enters the next grade span (kindergarten or seventh grade). No new personal beliefs exemptions will be honored after December 31, 2015.
- If a scholar is enrolled in independent study and will not receive classroom based instruction at the learning center.

Leaving the Country

Any scholar leaving the United States for a visit to any country considered by the Center of Disease Control and Prevention to have increased risk of TB exposure (such as Mexico, the Philippines, India or Southeast Asia) MUST call the County Tuberculosis Clinic for a TB Screening upon return.

Master Agreement

To attend CCS, each scholar, Learning Coach, and supervising teacher shall sign a Master Agreement Form (MA) prior to the first day of class each school year. This is a legal document and must be signed, dated, and returned to CCS. No scholar or Learning Coach will have access to the curriculum until the MA is signed and returned. Failure to sign and return an MA within the first three (3) days of starting classes will result in a mandatory meeting with the President and CEO or his/her designee to determine whether independent study is an appropriate placement for the scholar and to discuss any concerns of the Learning Coach. The signed MA is the agreement that the scholar and Learning Coach sign to demonstrate their intention to continue enrollment in CCS. All scholars enrolled in CCS must sign a new Master Agreement each school year. No scholar may be denied special education or related services identified in the scholar's Individualized Education Program due to a lack of a signed MA.

An updated MA must be submitted if changes are made in classes, coursework, and/or advising teacher(s) to be completed during the school year.

Internet Service

Participation in CCS requires an Internet connection. Basic Internet service is available for all enrolled scholars who wish to utilize it. This Internet connection or one provided by the Learning Coach (at their option) is to be established and maintained by the family with the enrolled scholar(s). The nature of the CCS program requires that scholars and Learning Coaches log onto the online school each day to receive curriculum, lesson plans, school communications, and other necessary resources, as well as to log attendance and submit assignments.

Computers

CCS has computers available for loan to all Learning Coaches seeking a computer for their scholars. Learning Coaches who wish to request to loan a computer from CCS will need to fill out the appropriate forms and email them to our IT Department at computers@compasscharters.org. All requests for loaner

computers shall be honored, and there shall be no indication to faculty, staff, or other scholars that a scholar is using a loaner computer other than those necessary for maintenance and asset management.

Grade Level Placement Policy

A scholar's grade level is determined upon initial enrollment and is written on the Master Agreement.

Report Cards

An incoming scholar must provide the most recent report card and current progress report, if enrolling during the school year, in order to determine appropriate placement. Failure to do so does not delay enrollment, but will delay the appropriate placement of the scholar into classes.

If the scholar has not attended school for an entire academic year or more, appropriate placement will be reviewed by the President & CEO, using recommendations from the Counseling Services Manager, High School Coordinator, and Online Learning Manager. Scholars may be required to take assessments to determine appropriate placement.

Benchmark Testing

All scholars will be required to take a benchmark assessment in math and reading in order to determine a baseline of proficiency levels at the beginning of the school year. They will be assessed again at the start of the second semester, and again at the end of the school year.

Scholar Expectations

- Attend live, real-time office hours with the teacher if help in course work is needed.
- Attend live, real-time Virtual Classroom sessions as required.
- Work about one (1) hour per subject or up to six (6) hours per day. The amount of time a scholar spends per subject will vary based on individual scholar strengths.
- Complete the assignments according to the pacing guidelines provided, and reach out to teachers with questions to ensure success.
- Do your own work. Do not plagiarize.
- Be an active learner. Take notes, ask questions, and complete all assignments.
- Communicate with each assigned teacher at least once per week via email, phone or virtual classroom.
- Log in every weekday, complete assignments and adhere to the attendance policy, regardless of any technical difficulties with scholar-operated computers. Contact the IT Department with any technical difficulties immediately to ensure full attendance.
- Create a daily schedule to ensure all assigned work is completed.
- If a scholar participates in outside activities, the scholar is expected to keep up with his or her courses and submit work on time.
- Return calls and emails promptly when teachers reach out.
- Respond to any "automated messages" about attendance and pacing issues by contacting the academic team.
- Notify the Records Department within five (5) business days if the scholar moves or changes his or her personal email or phone number.
- Be respectful in interactions with fellow scholars, Learning Coaches, faculty, and staff.
- Attend all state testing in person at school designated locations.

Learning Coach Responsibilities

- Communicate regularly with school staff.
- Check email and phone messages daily and respond promptly, including any automated messages about attendance and pacing.
- Alert administration if the Learning Coach does not hear back from a scholar's teacher within 48 hours.
- Notify CCS teachers of any extended family travel except during normal school vacations and holidays at least two (2) weeks prior to leaving.
- Inform the Records Department within five (5) business days of any changes to contact information, including phone, email, or address.
- Include the scholar's name and grade in emails.
- Be present and a positive role model in your scholar's daily school life.
- Ensure the scholar works daily, M-F, for sufficient time to ensure success (4-6 hours daily) and is prepared and ready to learn every day.
- Maintain high expectations for the scholar and monitor his/her progress on a daily and weekly basis.
- Establish daily and weekly goals by creating a consistent schedule.
- Establish "rewards" and "consequences" for meeting or not meeting expectations. Setting and reaching goals and then celebrating those goals can motivate scholars toward success.
- Ensure that your scholar attends Virtual Classroom sessions and open office hours with that are run by teachers.
- Monitor scholar progress and initiate conversations about progress before there is an issue.
- Become familiar with the StrongMind grading system, making sure to understand the difference between "progress grade" and "final" grade.
- Keep informed of news and information about school through communication from staff and newsletters.
- Make sure the scholar's home environment is conducive to learning. Create a regular schedule, eliminate distractions, and provide supervision for daily lessons to ensure the scholar's work is completed according to their pacing guides.
- Encourage and help the scholar to be actively involved in the learning process.
- Ensure that the scholar follows the instructions of his/her teachers and advisor.
- Work in partnership with CCS teachers and counselors to support the scholar.
- Ensure school property is treated with respect.
- Support the scholar in attending state-mandated testing.

Attendance

Attendance is important for the success of a scholar. If a scholar does not attend school, then a scholar cannot succeed in his/her courses. Attendance at an online school looks very different than that at a brick and mortar school.

Work Samples

Independent study attendance credit is based upon the scholar's daily engagement in instructional activities required by the school (assignments) on days that school is in session (M-F, non-holidays) and further determined based upon the time value of the scholar's work product, judged in the discretion of the supervising, credentialed teacher.

Virtual Classroom Attendance “Learning Labs”

All CCS teachers run weekly learning labs multiple times each week. These live teacher-led classroom instruction, called “Learning Labs,” occur in each class 2-3 days a week. These sessions allow scholars to interact with their teachers and be taught in real time. All scholars are expected to participate in the Learning Lab sessions for each of their classes. Attendance in Learning Labs can be included as part of the worth 10% of the scholar’s participation grade for his or her classes.

Q & A Sessions/Office Hours

The remaining 2-3 days of web-based instruction hosted by teachers are “office hours.” Teachers host regularly scheduled “office hours” each week where scholars can receive tutoring and assistance on coursework in real time. Scholars are also encouraged to schedule appointments outside of the scheduled “office hours” if the teacher’s schedule does not work with theirs or if they need additional support.

Missed Assignments

As per the independent study policy, after five [5] missed assignments, in 10 school days, an evaluation will be conducted by CCS to determine whether it is in the best interest of the pupil to remain in independent study.

The Learning Coach is expected to check the StrongMind account daily to ensure the scholar is logging in daily and progressing through classes at an appropriate pace. Additionally, the Learning Coach must ensure scholar is submitting work, as specified on the pacing guide. Work should be turned in consistently throughout the program or the scholar may get too far behind and not be able to pass their course.

State Standardized Tests

As members of a public charter school, our scholars participate in the following state standardized tests:

- Grade 10 - CST Science
- Grade -11 - SBAC Testing (aka California Assessment of Student Performance and Progress: (“CAASPP”))
- Grade - 9 Physical Fitness Test (“PFT”)
- English Language Learners: California English Language Development Test: CELDT for English Language Proficiency Assessment

These examinations provide CCS with information for evaluation and future planning. These exams also indicate CCS’s effectiveness in carrying out its educational mission. Participation rates are critical to the success of our school. According to recent changes promulgated by the Every Student Succeeds Act (“ESSA”), signed into law in December 2015, a public school is required to achieve a participation rate of 95% on any state testing. If a school has less than 95% of its scholars participate in any assessment, the school runs the risk of receiving a serious penalty by the state of California or federal government.

- CCS administers all state standardized tests at sites geographically placed among our scholar locations. A testing schedule will be provided to our Learning Coaches.
- Individual scholar performance results on statewide assessments will be distributed to both Learning Coaches and teachers in a timely manner once released from the state.
- For more information on Testing & Accountability, visit the California Department of Education’s web page at <http://www.cde.ca.gov/ta/>

- Notwithstanding any other provision of law, a Learning Coach’s written request to CCS officials to excuse his or her scholar from any or all parts of the state assessments shall be granted.

Tests Proctored by Agencies Other Than CCS

Advanced Placement (AP)

A program offering college-level curricula and examinations to high school scholars. American colleges and universities often grant placement and course credit to scholars who obtain high scores (typically scores of 3 or better) on the examinations. The AP curriculum for each of the various subjects is created for the College Board by a panel of experts and college-level educators in that field of study. For questions on AP testing, registration and locations please speak with the AP Coordinator.

Scholastic Aptitude Test (SAT)

A nationwide test used by most institutions to help determine college and university admission eligibility. The SAT is offered and administered by the College Board. It is the student’s responsibility to register and pay for this test. The test may be taken more than once. There are several different test dates between October and June. Scholars are encouraged to take the SAT as early as May or June of their junior year. Apply online. Contact: www.collegeboard.com. For questions on SAT testing, registration and locations please speak with the College & Career Counselor.

Policy On Retention and Progress

Appeal Process

Every family has the right to appeal a retention decision. If an appeal is made, the burden shall be on the appealing party (the family) to show why the decision of the school should be overruled. The appeal must be submitted in writing within seven (7) calendar days of the date the retention recommendation was issued. The appeal must be submitted to the President & CEO. The appeal must clearly state the grounds for the appeal. Within 14 calendar days, the President & CEO or designee will review the documentation provided with the appeal statement. The response to this appeal will be rendered to the family no more than seven (7) calendar days from the review date. The family may request to meet with the individual(s) reviewing their appeal, but the family must still submit their appeal in writing within the designated timeframe described above. The President & CEO's decision will be final.

Contact Information & Communication Procedures

Methods of Communication

Reliable contact information is required for all Learning Coaches and scholars.

Email Expectations

- We request that scholars and Learning Coaches supply separate email addresses for communication.
- All scholars are expected to communicate respectfully with school staff and peers through all methods of communication by using appropriate language. Failure to do so may result in disciplinary action.
- Scholars are expected to return communication from school personnel within 24 hours.
- All scholars must include their name and grade when they are emailing school staff.

By signing this handbook, a scholar is agreeing to communicate with faculty and other scholars appropriately and will not partake in cyberbullying or any form of harassment.

Unable to Contact

Regular communication with CCS teachers is essential for a scholar's success at CCS. If you are planning to be unavailable to communicate with your scholar's teacher for a period of time, please notify the

teacher so that proper arrangements to monitor your scholar's progress and attendance can be made.

Due to the enrollment requirements of CCS, if CCS staff is unable to contact the scholar and/or Learning Coach for 10 consecutive days and there has been no logging in or work submitted, and contact has not been made by the scholar and/or Learning Coach, CCS will check the CALPADs system for enrollment in another educational institution and will withdraw the scholar from CCS. Notice will be provided to the scholar's last known district of residence.

Notification Regarding Change of Contact Information

As stated in the Master Agreement, if a scholar's or Learning Coach's email address, mail address, or phone number changes, it must be updated with the Records Department within five (5) business days to ensure timely communication with CCS staff.

Proof of Residency

Learning Coaches must notify the Records Department should contact information change, and provide a proof of new residence to them.

Emergency Contacts

All families are expected to maintain current emergency contact information with the school. Contact information consists of both telephone numbers and email addresses.

Authorized Contacts

At the time of enrollment, a scholar's Learning Coach is asked to identify any contacts that have authorization to receive performance information about the scholar. Individuals with authorization are responsible for maintaining current contact information with the school.

Academic Program

Grades

The grade in any given course represents the degree to which the scholar has met the standards and achieved the goals of the course. Grades reflect the quality of the scholar's work and the scholar's degree of mastery of academic standards. The semester grade reflects the cumulative achievement for the entire semester. Attendance and participation are contributing factors in meeting the standards and earning a grade.

Teachers are responsible for setting objective standards for grading assignments and shall make these standards known to the Learning Coaches and scholars. Teachers are responsible for assigning grades to the scholars in their classes. In the absence of fraud, mistake, bad faith or incompetency, the grade shall be final. A grade change may not be made as the result of coercion by any person(s).

Understanding CCS Grading Terms

- A "final grade" (or cumulative grade) is the arithmetic mean (average) of individual grades on the assignments the scholar HAS and HAS NOT completed. Assignments scholars have not completed will be averaged in as a zero to the final grade. This is also known as the "final grade."
- A "progress grade" (or average grade) includes only the assignments the scholar HAS completed. The progress grade does not include the incomplete assignments. This is a snapshot of how well the scholar is performing on the assignments he or she had submitted.

- “Percent complete” is the total amount of work the scholar has completed divided by the total amount of work assigned.
- Once the scholar has completed 100% of the assigned work, the progress grade and final grade will be equal.

Progress Reports

“Snapshots” of scholar grades in all courses are sent home on a weekly basis. “Progress Reports” are sent home once a quarter. While phone calls and emails are used frequently, Progress Reports serve as a formal notice of grades.

High School Course Scheduling

When selecting courses each year, remember that course selection is a team process that involves the scholar, Learning Coach and counselor to ensure proper placement. Our academic program utilizes semester scheduling for all tracks. No extensions are provided and all end dates are final.

High School Grading Scale

Credit is earned for cumulative grades of a through d in all courses. Each semester course receives 5 credits for each course passed.

LETTER GRADE	PERCENTAGE	GPA POINTS
A	90-100	4
B	80-89	3
C	70-79	2
D	60-69	1
F	BELOW 60	0

Incomplete (I) - This grade will be given when scholar withdraws from CCS prior to completing 100% of the coursework.

Repeat Policy

Scholars may repeat a class to improve their GPA only if the original grade was a D or F. To be accepted by the UC/CSU system, scholars may repeat the course only once. Once a course has been repeated, the grade earned in the original course will remain on the transcript, but will display with the CCS repeat code, as well as, "0.00" credits earned. The original course will not be included in the computation of the GPA. The course taken to remediate the D or F will be displayed with the grade and credits earned.

Honor Roll: Is awarded to scholars, each semester, who have earned a 3.5 GPA or higher.

High School Course Placement Guidelines

Course placement is based upon review of scholar's assessments, transcripts, and teacher recommendations. All scholars must meet specific course prerequisites for all subject areas.

9th Grade CCS Math Placement Policy

The Compass Charter Schools Board of Directors ("Board") recognizes that scholar achievement in math is important for preparing scholars for success after high school. The purpose of this policy is to create a fair, objective, and transparent procedure for placement in math courses for scholars entering 9th grade, in order to ensure the success of every scholar and to meet the Legislative intent of the California Mathematics Placement Act of 2015.

Multiple Objective Academic Measures

In determining the mathematics course placement for entering 9th grade scholars, Compass Charter Schools systematically takes multiple objective academic measures of the scholar's performance into consideration, including:

- Statewide mathematics assessments, including interim and summative assessments through the California Assessment of Student Performance and Progress ("CAASPP")
- Final math grade at the end of 8th grade on the scholar's official, end of the year 8th grade report card;
- Diagnostic exams or other Board-approved benchmark assessments;
- Teacher recommendation, if any, based on course assessments and grades.

Placement Criteria for Geometry

- Exposed to 100% of the Math 8 curriculum (or equivalent)
- Earned an A or B in Math 8 course
- Course Level
 - Honors: Earned an A in Math 8 course
 - Comprehensive: Earned a B in Math 8 course

Placement Criteria for Algebra I

- Exposed to less than 100% of the Math 8 curriculum
- Earned a C, D, or F in Math 8 course
- Course Level
 - Comprehensive: Earned a C in Math 8 course
 - Core: Earned a D or F in Math 8 course (or equivalent)

Placement Checkpoint

Compass Charter Schools will provide placement checkpoints within the first month of the school year to ensure accurate placement and permit reevaluation of individual scholar progress.

- Math diagnostic test administered to all 9th grade scholars.
- 30-day progress report evaluation for new 9th grade scholars.
- Course placement re-evaluation based on results of diagnostic test scores and progress reports, to determine whether additional academic interventions are necessary or whether the scholar should be placed into a different math course.

Annual Examination of Scholar Placement Data and Report to the Board of Directors

The President & CEO, or his or her designee, shall examine aggregate scholar placement data annually to ensure that scholars who are qualified to progress in mathematics courses based on their performance on objective academic measures included in this policy are not held back in a disproportionate manner on the basis of their race, ethnicity, gender, or socioeconomic background. Compass Charter Schools shall annually report the aggregate results of this examination to the Board of Directors.

Recourse for Parents and Scholars

Compass Charter Schools offers clear and timely recourse for each scholar and his/her parent or legal guardian who questions the scholar's placement as follows:

- Returning scholars and parents participate in course selection process for the upcoming school year.
- Academic counseling is provided to all scholars to help select courses applicable to their academic needs.
- Parents may request that Compass Charter Schools provide the data from the objective academic measures used for math placement listed above.
- Parents may formally request that the scholar retake the end of module exams for each of the math modules. Parent may request reconsideration of math placement based upon this data.

Course Schedule Changes

Scholars need to plan their schedule carefully since schedule changes can only be processed within the first three (3) weeks from the start of the semester. Any additional schedule changes after this time frame will be reviewed on an individual basis.

Acceptable course schedule changes:

1. Improper course placement
2. Credit previously earned for the course
3. Course prerequisites not met

ACOP – Accelerated Course Options Program

- This program allows scholars to accelerate and advance academically or recover unearned credits in their high school courses by adding additional credits to their schedule per semester. A scholar may add an additional course to their schedule no later than four weeks prior to the end of a semester (eligibility is dependent upon 75% completion in all other courses with good academic standing).
- A scholar may add two additional courses to their schedule no later than 8 weeks prior to end of semester (eligibility is dependent upon 50% completion in all other courses with good academic standing).
- Counselor approval required to participate in the program.
 - Academic counselor may approve a special circumstance request when a scholar may be eligible for additional course(s).
- Science lab courses are not eligible for ACOP:
 - Chemistry
 - Biology
 - Physics

- o Physical Science

Concurrent/Dual Credit Enrollment

1. College level courses may be approved for concurrent/dual credit enrollment if they are courses not currently offered at the scholar's high school and/or needed to meet college entrance requirements. You must be in the spring semester of 10th grade, or an 11th or 12th grade scholar to qualify for the Concurrent Enrollment process.
Special Circumstances: College & Career Counselor may approve a special circumstance request when a scholar may need to enroll in a college level course for dual credit purposes even if the course is available at Compass Charter Schools. This option is available to resolve any special circumstances.
2. Scholars must have a 2.8 GPA in the previous CCS semester and attendance status cannot be truant to be eligible for concurrent/dual credit enrollment.
 - Fall GPA to be eligible for Spring and Summer
 - Spring GPA to be eligible for Fall
3. Initially, a scholar will be approved to take 1 (one) college level course. Upon successfully completion of the initial course with a C or better and continues to earn at CCS 2.8 GPA or better and satisfactory attendance, the scholar will be eligible for concurrent/dual credit enrollment for two college courses the following college semester. Additional courses will be determined on scholar performance and community college policy.
4. Scholars must receive approval from the College & Career Counselor prior to enrolling in a college level course for dual credit purposes. Failure to do so will prevent scholars from receiving dual credit. Courses taken for dual credit are taken in addition to the scholar's required course schedule at CCS.
5. Scholars have the option of determining if the college course is to appear on their high school transcript prior to enrolling in the college level course for dual credit. Once approved, scholars may not request a change after the college course has started. School Administration will determine if any special circumstances should be considered.
6. Scholars are responsible for providing an official transcript from the college verifying the grade earned at the conclusion of the college course. This information must be submitted to the High School Counseling/Registrar Office at the close of the college semester. Scholars are responsible for submitting the college transcript within the prescribed time lines in order for the college course to appear on the high school transcript. Submit college transcript to: Compass Charter Schools Attn: Registrar 850 Hampshire Road Suite P. Thousand Oaks, CA 91361.
7. Credit will be granted for college level course work depending on the college units earned for each college course. 10 high school credits will be given for each college course with 3 units or more.
8. Scholars will receive the same letter grade for the high school credit as is granted by the college. Dual credit classes will be calculated as a part of the scholar's regular GPA. It is the parent's/scholar's responsibility to check with the university regarding acceptance of dual credit. Colleges and Universities have their own policies regarding acceptance of dual credit.
9. College level courses will not be weighted for the purpose of appearing on the high school transcript. All dual credit classes will be graded on a "4.0 A scale." College courses will not carry weighted grade credit on the high school transcript.
10. Parents/scholars are responsible for the cost of fees and course materials. This includes fees,

textbooks and other instructional materials required for the course. Exception: If the course is required for any of the following reasons fees and materials will be paid by CCS:

- Meet a-g admission requirements
- Elective course(s) not offered at CCS
- Scholars who qualify for free-reduced lunch

11. All courses taken at the community college will appear on your official college credit transcript.

Transcripts

Please contact the Records Department at records@compasscharters.org to receive a form to submit a request for official and/or unofficial transcripts.

Transcripts reflect both a weighted and unweighted grade point average (GPA):

- Unweighted GPA

Traditionally, GPA is calculated on an unweighted scale. Unweighted GPA is measured on a scale of 0 to 4.0. It doesn't take the difficulty of a scholar's coursework into account. An unweighted GPA represents an as a 4.0 whether it was earned in an honors class or a lower level class.

- Weighted GPA

Weighted GPA takes into account course difficulty rather than providing the same letter grade to GPA conversion for every scholar. Weighted GPA is measured on a scale of 0 to 5.0 and is only provided for AP level courses.

A-G Requirements

The University of California must approve courses to meet a-g subject requirements that appear on the institution's a-g course list. UC schools and CSU schools check if freshmen applicants have taken courses from the a-g course list to meet admission requirements. 15 year-long courses must be completed with a C or better and 11 courses must be completed before your senior year.

Concurrent Enrollment

Concurrent enrollment in another public or private K-12 school is prohibited at CCS. If a scholar is found to be enrolled in two (2) schools he/she will be withdrawn from CCS.

This does not include pre-approved college-level courses. In some cases, it is possible for high school scholars to enroll concurrently at a community college.

Adult Scholars (18 Years of Age and Older)

Scholars who are 18 years of age or older have many legal rights and responsibilities, such as the ability to sign legal documents, including but not limited to medical releases and IEP's. However, adult scholars must continue to follow policies in place for all scholars at Compass Charter Schools with respect to attendance and discipline.

In order for Compass Charter Schools to release any information related to the adult scholar's academics to their designated Learning Coach and/or parent(s), we must first receive permission from the adult scholar to do so. High School Grading Policy

Final Exams

All scholars in grades 9-12 are required to take all end of unit or module exams as well as semester final examinations in all courses. Scholars may not "test out" of courses by only taking a final examination.

High School Biology And Chemistry Science Labs

CCS conducts live, hands-on labs under the instruction of credentialed science teachers.

The goal of these labs is to provide high school scholars with the science laboratory experiences that will prepare them to meet the demands of university laboratories when they continue their studies in

college.

Frequency

The frequency of these labs will be determined by the highly qualified CCS science instructor based on course requirements to determine standards mastery.

Attendance Required

All scholars are required to attend the labs as part of their science course. Make-up days will be available for scholars who may miss a live lab. Those make-up live labs will need to be scheduled between the scholar and the instructor. Please note that failure to attend in-person may jeopardize the scholar's chances to attend certain four-year colleges or universities.

High School Transfer Credits, Home School Credits, International Records

Transfer Credits

Transfer credits are awarded based upon official transcripts from previous schools. Transcript analysis may require CCS to perform research and contact with previous schools to determine eligibility of transfer credits.

Home School Credit Transfer

All scholars from non-accredited/independent homeschool situations must provide complete records which include evidence of attendance, state/national test results, a description of the curriculum followed, a copy of the Private School Affidavit, and a portfolio of work for review by CCS personnel.

International Records

International records may require translation and/or evaluation prior to being considered for transfer credits.

Academic Dishonesty and Plagiarism

Academic dishonesty includes cheating, plagiarism and any attempt to obtain credit for academic work through fraudulent, deceptive, or dishonest means. CCS takes academic dishonesty in any form seriously, and it will not be tolerated.

Some examples include:

- Using another person’s work and claim as your own;
- Copying from text, a web site or other course material;
- Using or attempting to use unauthorized materials or information in any academic exercise;
- Hiring someone to write a paper;
- Buying a paper or project;
- Sharing files;
- Copying from another person’s work;
- Turning in another person’s work and claiming it as your own; and
- Letting a friend or Learning Coach do the work for you.

What is Plagiarism?

Merriam-Webster online dictionary defines plagiarism as “the act of using another person's words or ideas without giving credit to that person: the act of plagiarizing something.”

To Plagiarize means:

- to steal and pass off (the ideas or words of another) as one's own;
- to use (another's production) without crediting the source;
- to commit literary theft or fraud; or
- to present as new and original an idea or product derived from another source.

See <http://www.plagiarism.org/plagiarism-101/what-is-plagiarism> for more information.

How to Avoid Plagiarism

Scholars must give credit to the source for any information that is not either the result of original research or common knowledge. For example, it would be necessary to give credit to an author who provided an argument about the importance of the Emancipation Proclamation in the American Civil War. Conversely, major historical facts, such as the dates of the American Civil War, are considered

common knowledge and do not require that credit be given to a particular author. If a scholar borrows the exact words of another author, the scholar must cite the source. If scholars are unsure whether or not they should cite, they should ask their teachers for guidance. Teachers will dictate which citation format should be used and what the guidelines are for their class.

More information on what plagiarism is and how to avoid it can be found at <https://owl.english.purdue.edu/owl/resource/589/01/>.

Prevention of Plagiarism

1. All scholars and Learning Coaches are given a copy of this CCS Learning Coach/Scholar Handbook which outlines the school's policy on plagiarism.
2. Scholars complete a lesson on understanding plagiarism during one of the core courses. 6-12 scholars complete a lesson on plagiarism during the first unit of a core course.
3. Teachers will use recognized plagiarism detection program, to check for plagiarism as necessary.
4. More information on what plagiarism is and how to avoid it can be found at <https://owl.english.purdue.edu/owl/resource/589/01/>.

Consequences for Academic Dishonesty

Failure to abide by CCS standards of academic dishonesty by violating academic integrity will result in the following consequences:

1st Offense - Warning

- If a scholar violates academic integrity the teacher will notify the Learning Coach and High School Coordinator.
- The scholar will receive a written warning from the teacher in the form of a behavior contract which will require both Learning Coach and scholar signatures to be returned to the teacher. This will be sent via certified mail and email with read receipt.

2nd Offense

- If a scholar is caught violating academic integrity a second time, with any teacher, the teacher will notify the Learning Coach, and High School Coordinator.
- The scholar will receive a "0" on the assignment that was plagiarized and a 2nd behavior contract will be sent to be signed by both the Learning Coach and the scholar, and returned to the teacher. Notification will be sent via certified mail and email with read receipt.
- The High School Coordinator will schedule a meeting with the teacher, the scholar and the Learning Coach.

3rd Offense

- If a scholar is caught violating academic integrity a third time the teacher will notify the Learning Coach, High School Coordinator and Online Learning Manager.
- The scholar will receive a "0" on the assignment that was plagiarized and the scholar will be placed on Academic Probation. The scholar will receive a notification of this to be signed by both the Learning Coach and scholar. Notification will be sent via certified mail and email.
- A meeting will be held with the Online Learning Manager, High School Coordinator, teacher, Learning Coach and scholar.

4th Offense

- If a scholar is caught violating academic integrity a fourth time the teacher will notify the Learning Coach, High School Coordinator and Online Learning Manager.
- The course is locked until a recommendation is made by the Disciplinary Action Committee (“DAC”). The scholar will receive a behavior contract notifying them of this via certified mail.
- The scholar goes before the DAC to determine whether expulsion will be recommended, using the processes outlined in the CCS charter document, available on the CCS website and at either learning center. If the scholar is recommended for expulsion and ultimately expelled from CCS they may return to their school of residence or seek other educational opportunities. The incidents will be noted in the scholar’s permanent file.
- If the DAC recommends the scholar for expulsion, the scholar and Learning Coach will meet with the CCS Academic Affairs Committee. The CCS Academic Affairs Committee will determine to expel the scholar or not based on the recommendation of the DAC.

Disciplinary Action Committee (“DAC”)

Process

- Introductions
- Teacher(s) present case
- Family presents their case
- DAC questions and answers
- Family closing comments
- DAC deliberates and makes decision whether to recommend expulsion

If decision is to recommend expulsion

- Family presents case to the board of director’s Academic Affairs committee.
- Board of Directors committee makes final decision on expulsion

If decision is **not** to recommend expulsion, alternative consequences may include:

- Suspension
- Receives an F in the class
- Resubmits assignment
- Receives a 0 on the assignment
- Other/No action taken

Appeal Process

The Parent will have five (5) school days to file an appeal of the decision to the school board by submitting a letter in writing to the Board of Directors Academic Affairs Committee. The Board will decide on the matter within 15 school days. Members of the Academic Affairs Committee may hear from the parents, scholar, teacher, authorized administrator or other school personnel in accordance with school policies. The Academic Affairs Committee may determine expulsion, alternative disciplinary action, or remove the allegations from the scholar’s records.

Scholars who are expelled from the school for academic dishonesty will be given a chance for re-assessment and may be given the opportunity to re-enroll to the school no sooner than one year from the date of expulsion took place.

Disciplinary Action Committee composed of at least:

1 Administrator

2 Teachers

1 Coordinator

1 Counselor

Academic Probation

Any scholar failing to meet minimum academic standards in his/her classes, or participating in Academic dishonesty, as determined by the Director of Academic Affairs, will be placed on academic probation. Scholars on academic probation will be expected to participate in academic interventions as determined by their teacher or coordinator. Scholars on academic probation will not be permitted to attend field trips or participate in scholar clubs until off academic probation.

Field Trips

Planning and Approval

The Scholar Engagement Coordinator may exclude from the field trip or excursion any scholar whose presence on the field trip or excursion would pose a safety or disciplinary risk or is on academic probation.

Permission Slips

No scholar will be permitted to go on a field trip or excursion without a permission slip signed by the scholar's Learning Coach. One copy of the permission slip shall be filed with the Scholar Engagement Coordinator, and one copy shall be given to the teacher to take on the field trip.

Supervision

- The sponsoring teacher must be present to supervise the field trip or excursion. The Scholar Engagement Coordinator or teacher on the trip shall be designated as the emergency contact for the group on the field trip or excursion.
- Scholars are under the jurisdiction of the school at all times during the field trip and school rules are to be adhered to at all times.

Role of Learning Coach on Field Trips

Learning Coaches are encouraged to participate in field trips and excursions to assist with supervision of scholars. Learning Coaches accompanying CCS group shall receive clear information regarding their responsibilities from the sponsoring teacher. Prior to the field trip or excursion, the Scholar Engagement Coordinator may hold a meeting for Learning Coaches scheduled to accompany CCS group as supervisors to discuss, among other things, safety and the importance of safety-related rules for the field trip or excursion, how to keep a group together and what to do if an emergency occurs.

Learning Coaches shall not consume alcohol or use controlled substances (except for medications taken under a physician's orders) while accompanying and supervising students on a field trip or excursion.

Scholar Organizations and Clubs

Scholar Leadership Council

To ensure compliance with Board requirements and other applicable lawful regulations, the Scholar

Leadership Council will be advised by the President & CEO. The President & CEO, as advisor, will establish a fair process for the nomination and election of officers for President, Vice President, Secretary and Treasurer. The body shall generally determine all other rules for its operation and activities consistent with the established school rules.

Scholar Clubs

Scholars may establish organizations or clubs, so long as approval is obtained by the Scholar Engagement Coordinator consistent with this policy and any other applicable requirements.

Approval

A scholar organization's constitution and by-laws may be prepared through the cooperative work of the scholars and staff. A copy of the constitution and by-laws must be submitted to the Scholar Engagement Coordinator for initial review to ensure consistency with school rules.

Fundraising

All funds raised by any scholar organization shall be maintained by the school and accounted for by scholar organization. CCS shall also be responsible to periodically audit the funds of the organization. All fundraising must receive prior approval of the President & CEO. Further, fundraising activities shall not be conducted during instructional time.

Revocation of Privileges

Scholar groups and individual scholar meeting on school property or otherwise at a school sponsored event may have their privilege to meet revoked if they engage in conduct which is in violation of this policy, disruptive to the educational process, damages school property or in violation of any law. Scholar organizations or their members shall not engage in any activity which coerces, pressures, embarrasses or unduly influences other scholars to participate in any meeting.

Virtual Classroom Expectations

CCS will follow all legally required disciplinary, including suspension and expulsion, procedures in accordance with the CCS charter and the California Education Code as it pertains to violations to any of the following expectations.

1. Respect opinions and privacy of others during web-based discussions.

L. No. 106-554 and 47 USC 254(h)]. The complete CCS Student Technology Policy is available on the school website or at the learning center.

Sexual Harassment and Cyberbullying

CCS does not discriminate against any student or employee on the basis of actual or perceived disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes in the California Penal Code.

CCS adheres to all provisions of federal law related to students with disabilities, including, but not limited to, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990 ("ADA"), and the Individuals with Disabilities Education Improvement Act of 2004.

CCS is committed to providing a work and educational atmosphere that is free of unlawful harassment under Title IX (sex), Title VI (race, color, or national origin), and Section 504 and Title II of the ADA. The School prohibits sexual harassment and harassment based upon pregnancy, childbirth or related medical conditions, race, religion, creed, color, gender, gender identity, gender expression, national origin or ancestry, physical or mental disability, medical condition, marital status, age, sexual orientation, or any other basis protected by federal, state, local law, ordinance or regulation. CCS does not condone or tolerate harassment of any type, including bullying, discrimination, or intimidation, by any employee, independent contractor or other person with which CCS does business, or any other individual, student, or volunteer. This applies to all employees, students, or volunteers and relationships, regardless of position or gender. CCS will promptly and thoroughly investigate any complaint of harassment and take appropriate corrective action, if warranted.

Compliance Officers

The Board of Directors designates the following compliance officer(s) to receive and investigate complaints and to ensure the Charter School's compliance with law:

J.J. Lewis | President & CEO
850 Hampshire Road, Suite P
Thousand Oaks, CA 91361
818-824-6233

The President & CEO or designee shall ensure that employees designated to investigate complaints are knowledgeable about the laws and programs for which they are responsible.

CCS's full Discrimination, Harassment, Intimidation, and Bullying Prohibition Policy is available at either of the Learning Centers or on the CCS website.

Harassment comes in many forms including:

- Spam (unsolicited emails not pertaining to the course), threatening communications, offensive communications or any other kind of communication that makes a person feel uncomfortable.
- Any scholar who believes that he or she has been harassed or has witnessed any form of harassment should immediately report such incident to a CCS staff member. The President & CEO or designee will immediately investigate all such incidents in a confidential manner.

Steps for Scholars to Follow

Scholars who deem that they are victims of bullying or harassment should follow the steps below:

1. Do not respond to the person alleged of bullying or harassment.
2. Authenticate specific instances of bullying or harassment (i.e., keep a record of abusive communications, and save the documents or messages).
3. If the unwarranted communication is from another scholar and occurs as part of classwork (i.e., as part of any class activity such as a threaded discussion, or group assignment), inform the teacher of the situation and provide the teacher with all the proper correspondence.
4. If the unwarranted communication is from another scholar and happens in any other school setting (i.e., not as a part of a specific class), inform the victim's Learning Coach, counselor, advisor or other appropriate school staff of the situation and provide all appropriate evidence.
5. If the unwarranted correspondence is from a staff member, report the situation to the President & CEO.
6. If the abusive communication is from someone within the administration, inform the victim's Learning Coach of the situation who can then inform the appropriate personnel.

Scholar Grievances

CCS has adopted a General Complaint Policy to address concerns about the Charter School generally or regarding specific employees. For complaints regarding harassment or perceived violations of state or federal laws, please refer to the Charter School's Policy Against Unlawful Harassment and/or the Charter School's Uniform Complaint Procedures. For all other complaints, the General Complaint form and accompanying procedures available at each of the learning centers and on the CCS website will be appropriate.

Uniform Complaint Procedure

CCS has the primary responsibility to insure compliance with applicable state and federal laws and regulations and has established procedures to address allegations of unlawful discrimination, harassment, intimidation, and bullying, and complaints alleging violation of state or federal laws governing educational programs and the charging of unlawful pupil fees.

CCS shall investigate and seek to resolve complaints using policies and procedures known as the Uniform Complaint Procedure ("UCP") adopted by our Board of Directors. Unlawful discrimination, harassment, intimidation, or bullying complaints may be based on actual or perceived characteristics of age, ancestry, color, ethnic group identification, gender expression, gender identity, gender, genetic information, physical disability, mental disability, medical condition, marital status, nationality, national origin, race or ethnicity, religion, sex, sexual orientation, or on a person's association with a person or group with one or more of these actual or perceived characteristics, in any CCS program or activity that receives or benefits from state financial assistance.

The UCP shall also be used when addressing complaints alleging failure to comply with state and/or

federal laws in:

- After School Education and Safety Programs
- Early Child Education Program Assessments
- Foster and Homeless Youth Services
- Consolidated Categorical Aid Programs
- Regional Occupational Centers and Special Education Programs
- Every Student Succeeds Act / No Child Left Behind Act (2001) Programs (Titles I-VII)

A complaint of noncompliance with laws relating to pupil fees may be filed pursuant to the local UCP. A pupil enrolled in a public school shall not be required to pay a pupil fee for participation in an educational activity. A pupil fee includes, but is not limited to, all of the following:

- A fee charged to a pupil as a condition for registering for school or classes, or as a condition for participation in a class or an extracurricular activity, regardless of whether the class or activity is elective or compulsory, or is for credit.
- A security deposit, or other payment, that a pupil is required to make to obtain a lock, locker, book, class apparatus, musical instrument, clothes, or other materials or equipment.
- A purchase that a pupil is required to make to obtain materials, supplies, equipment, or clothes associated with an educational activity.
- A pupil fee complaint shall not be filed later than one (1) year from the date the alleged violation occurred.

Complaints of noncompliance with laws relating to pupil fees are filed with the President & CEO of a school. A complaint regarding pupil fees may be filed anonymously if the complaint provides evidence or information to support an allegation of noncompliance with laws relating to pupil fees. Complaints other than complaints relating to pupil fees must be filed in writing with the following compliance officer:

J.J. Lewis | President & CEO
850 Hampshire Road, Suite P
Thousand Oaks, CA 91361
818-824-6233

Complaints alleging discrimination, harassment, intimidation, or bullying, must be filed within six (6) months from the date the alleged discrimination, harassment, intimidation, or bullying, occurred or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation, or bullying, unless the time for filing is extended by the President & CEO or his or her designee in writing.

Complaints will be investigated and a written decision or report will be sent to the complainant within sixty (60) days from the receipt of the complaint. This sixty (60) day time period may be extended by written agreement of the complainant. The compliance officer responsible for investigating the complaint shall conduct and complete the investigation in accordance with California regulations and in accordance with CCS's procedures.

The complainant has a right to appeal CCS's Decision to the California Department of Education (CDE) by filing a written appeal within fifteen (15) days of receiving the decision. The appeal must include a copy

of the complaint filed with the School and a copy CCS's decision.

Civil law remedies may be available under state or federal discrimination, harassment, intimidation, or bullying laws, if applicable. In appropriate cases, an appeal may be filed pursuant to Education Code Section 262.3. A complainant may pursue available civil law remedies outside of CCS's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders.

A copy of the UCP policy and complaint procedures shall be available free of charge at either of the Learning Centers. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the complaint procedures, please contact the President & CEO.

Scholar Records

The Family Educational Rights and Privacy Act ("FERPA") affords Learning Coaches and scholars who are 18 years of age or older ("eligible students") certain rights with respect to the scholar's education records. These rights are:

1. The right to inspect and review the scholar's education records within 5 days after the day CCS receives a request for access. Learning Coaches or eligible students should submit to the CCS President & CEO or designee a written request that identifies the records they wish to inspect.

The CCS official will make arrangements for access and notify the Learning Coach or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the scholar's education records that the Learning Coach or eligible student believes are inaccurate, misleading, or otherwise in violation of the scholar's privacy rights under FERPA.

Learning Coaches or eligible students who wish to ask CCS to amend a record should write the CCS President & CEO or designee, clearly identify the part of the record they want changed, and specify why it should be changed. If CCS decides not to amend the record as requested by the Learning Coach or eligible student, CCS will notify the Learning Coach or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the Learning Coach or eligible scholar when notified of the right to a hearing.

3. The right to provide written consent before CCS discloses personally identifiable information ("PII") from the scholar's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to CCS officials with legitimate educational interests. A CCS official is a person employed by CCS as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit

personnel) or a person serving on the Board of Directors. A CCS official also may include a volunteer or contractor outside of CCS who performs an institutional service of function for which CCS would otherwise use its own employees and who is under the direct control of CCS with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another CCS official in performing his or her tasks. A CCS official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, CCS discloses education records without consent to officials of another school district in which a scholar seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the scholar's enrollment or transfer.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW Washington, DC 20202

FERPA permits the disclosure of PII from scholar's education records, without consent of the Learning Coach or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to CCS officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the Learning Coach or eligible student, §99.32 of the FERPA regulations requires CCS to record the disclosure. Learning Coaches and eligible students have a right to inspect and review the record of disclosures. CCS may disclose PII from the education records of a scholar without obtaining prior written consent of the Learning Coach or the eligible student —

1. To other CCS officials, including teachers, within the educational agency or institution whom CCS has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(2) are met.
2. To officials of another school, school system, or institution of postsecondary education where the scholar seeks or intends to enroll, or where the scholar is already enrolled if the disclosure is for purposes related to the scholar's enrollment or transfer, subject to the requirements of §99.34. (§99.31(a)(2)).
3. To authorize representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency in the parent or eligible student's State. Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf.

4. In connection with financial aid for which the scholar has applied or which the scholar has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid.
5. To accrediting organizations to carry out their accrediting functions.
6. To parents of an eligible student if the student is a dependent for IRS tax purposes.
7. To comply with a judicial order or lawfully issued subpoena.
8. To appropriate officials in connection with a health or safety emergency, subject to §99.36.
9. Information CCS has designated as “directory information” under §99.37.

‘Directory Information’ is information that is generally not considered harmful or an invasion of privacy if released. Directory information can be disclosed to outside organizations without a parent’s prior written consent. Outside organizations include, but are not limited to education and charter school advocacy groups, and companies that manufacture class rings or publish yearbooks. CCS has designated the following information as directory information:

1. Scholar’s name
2. Scholar’s address
3. Learning Coach’s address
4. Telephone listing
5. Scholar’s electronic mail address
6. Learning Coach’s electronic mail address
7. Photograph
8. Dates of attendance
9. Grade level
10. Weight and height of members of athletic teams
11. Degrees, honors, and awards received
12. The most recent educational agency or institution attended

Scholar ID number, user ID, or other unique personal identifier used to communicate in electronic systems that cannot be used to access education records without a PIN, password, etc. (A scholar’s social security number, in whole or in part, cannot be used for this purpose.)

If you do not want CCS to disclose directory information from your scholar’s education records without your prior written consent, you must notify the School in writing at the time of enrollment or re-enrollment. Please contact and notify the President & CEO at:

J.J. Lewis | President & CEO
850 Hampshire Road, Suite P
Thousand Oaks, CA 91361
818-824-6233

Withdrawal from CCS

1. If a scholar decides to withdraw, the scholar’s Learning Coach communicates the decision

through his or her teacher.

2. The scholar's teacher will schedule an exit conference with the High School Coordinator within 72 hours of the withdrawal request to ensure the scholar receives the appropriate academic consultation and attendance credit, and has submitted all completed work samples and activity logs before being withdrawn from CCS.
3. Once the exit conference has been conducted, a withdrawal link will be emailed to the Learning Coach that will need to be filled out for the withdrawal to be complete.
4. Once the withdrawal is completed the Attendance Specialist will email the Learning Coach a letter showing the scholar has been withdrawn that can be given to the scholar's new school.
5. CCS may withhold transcripts, grades and diplomas where a scholar has willfully cut, defaced or otherwise destroyed property or has failed to return property, such as textbooks or computers, loaned to the scholar. CCS shall afford the scholar due process before withholding transcripts, grades, or diplomas.

WHY YOUR CHILD NEEDS SHOTS:

The California School Immunization Law requires that children be up to date on their immunizations (shots) to attend school. Diseases like measles spread quickly, so children need to be protected before they enter. California schools are required to check immunization records for all new student admissions at Kindergarten or Transitional Kindergarten **through** 12th grade and all students advancing to 7th grade before entry.

THE LAW:

Health and Safety Code, Division 105, Part 2, Chapter 1, Sections 120325-120380; California Code of Regulations, Title 17, Division 1, Chapter 4, Subchapter 8, Sections 6000-6075

WHAT YOU WILL NEED FOR ADMISSION:

To attend school, your child's Immunization Record must show the date for each required shot above. If you do not have an Immunization Record, or your child has not received all required shots, call your doctor now for an appointment.

If a licensed physician determines a vaccine should not be given to your child because of medical reasons, submit a written statement from the physician for a **medical exemption** for the missing shot(s), including the duration of the medical exemption.

A personal beliefs exemption is no longer an option for entry into school; however, a valid personal beliefs exemption filed with a school before January 1, 2016 is valid until entry into the next grade span (7th through 12th grade). Valid personal beliefs exemptions may be transferred between schools in California. For complete details, visit ShotsforSchool.org.

You must also submit an immunization record for all required shots not exempted.

Questions? Visit ShotsForSchool.org or contact your local health department (bit.do/immunization).

Letter from the CEO

Dear Scholars and Learning Coaches:

We are happy you have chosen to make Compass Charter Schools (“CCS”) your school of choice. I am proud to be the President & CEO of CCS, and am looking forward to working with our staff to provide a quality independent study program to every scholar we serve. Everyone here at CCS is committed to creating a nurturing environment as we work with you to meet the learning needs of your scholar(s).

CCS Vocabulary

Like any school, Compass Charter Schools has its own unique culture. To help you understand part of the culture of CCS it is important you understand our use of the following key terms:

Learning Coach

Parents and guardians are known as the “Learning Coach” for their children and they are an integral part of their children’s success at CCS. Since we are an independent study school, much of the learning is facilitated by the Learning Coach.

Scholar

At CCS we choose to refer to each student as a “scholar.” Scholar is defined as a person who is highly educated or has an aptitude for study; a distinguished academic. We refer to students as scholars because we want to emphasize our commitment to helping every individual be academically successful.

Educational Facilitator (EF)

For our Options (Homeschool) program, we assign a credentialed Educational Facilitator to support and guide each scholar on his or her educational journey. This Educational Facilitator is called an Educational Facilitator or EF.

We have a great Options program team, led by Ms. Kristy Smith, our Options Program Coordinator. I encourage you to visit our website, under Meet Our Team, to learn more about our terrific educational facilitators, along with great support staff who are here to help guide your educational experience at Compass Charter Schools!

Allocated Funds

The funds allocated to each scholar to be used for educational materials and services that have been approved by the school. Also called Instructional Funds (IF)

Family Order Agreement (FOA)

Includes the terms and conditions in which orders may be requested. It is a requirement that this form be signed before any order may be placed.

High School Foundation Path Acknowledgement

Acknowledges that the Learning Coach (parent) and scholar understand that the Options program is not an a-g program and does not meet minimum requirement for entry into UC / CSU schools. It is a requirement that this form be signed before enrolling any high school scholar in our Foundations Path.

Instructional Funds (IF)

Funds allocated to each scholar to be used for educational materials and services that have been approved by the school. Also called Allocated Funds (AF)

Learning Period (LP)

The span of time between which an EF and scholar connect to review the learning for that time period. The span of time between which work assignments begin and when they are given to the EF for evaluation.

Materials Vendor

A business that sell books, curriculum, and other such items.

Service Vendor

Business that markets lessons, services, or classes to the scholars at our school.

Order Request

Request made by parent that lists items or services that they would to use the allocated funds for. The EF reviews and approves the list and then places the order into the online order system for the vendor department to order.

Tradogram

The online accounting-procurement system used by our EFs, vendor team, and accounting department to facilitate orders and to manage the instructional funds, orders, invoices, purchase orders, and inventory.

Student Information System (SIS)

The system that schools use to manage the data of each scholar such as attendance, grades, courses, enrollment information, etc. The system used by CCS is called StrongMind SIS.

Western Association of Schools and Colleges (WASC)

A committee of educators from within the state who evaluate and approve schools for accreditation based on the organization's criterion. One of their purposes is to ensure educational best practices.

Thank you again for choosing CCS. We look forward to being part of you and your scholar's educational journey!

Respectfully,

J.J. Lewis, M.Ed.

President & CEO

Pledge of Excellence

CCS signed onto the Independent Study Pledge of Excellence in 2016. Its purpose is to establish a consistent, transparent approach to responsible charter school management across all of the member schools. The Code of Conduct is a pledge to employees, families and the public that member charter schools will conduct business in an honest, legal and ethical manner.

All members adhere to the provisions of the pledge. Commitment to ethical professional conduct is the goal of these schools. The Code is intended to serve as a basis for ethical decision in the running of these charter schools.

Independent study in the state of California is defined as non-classroom based instruction. Non-classroom based instruction includes, but is not limited to, independent study, home study, work study, and distance and computer-based education.

We the undersigned pledge to the following in the operation and management of our charter schools offering independent study:

1. As operators of high quality public charter schools offering independent study, we stand united behind the elements of integrity, trust, quality, and value in the operation of our schools. We know that offering personalized learning options meets the student where they are, aligns with what they individually need, while creating an academic program that is relevant, rigorous, and aligned to 21st Century learning.
2. As operators of high quality public charter schools offering independent study, we stand united in managing schools that are fiscally responsible in the use of public tax dollars in our care. We value the use of independent auditors that reviews our financial and operational activities

annually and showcase reports that are exception--free. This speaks to the commitment that we hold on financial accountability and operational integrity.

3. As operators of high quality public charter schools offering independent study, we stand united in our efforts to operate schools that model strong integrity, value and utilize solid business practices, and abide by all rules and regulations placed upon us by school districts, regional Offices of Education, and the California Department of Education.
4. As operators of high quality public charter schools offering independent study, we stand united believing that the actions of a few rogue charter school operators do not reflect, align, or mirror anything about our programs. Having individuals or the media drawing comparisons speaks to either the fact that they don't know what we do or they are acting on rumor and innuendo in these conversations.
5. As operators of high quality public charter schools offering independent study, we stand united in stating clearly that we are here for one purpose: educating students. Our resource centers, school sites, and classrooms are solely for the purpose of academic programming for the benefit of students in our care. Our commitment to students does not center on money, influence, or politics.
6. As operators of high quality public charter schools offering independent study, we stand united in offering high quality programs that exist to offer innovative and tested methods of instruction and self--paced learning. We have proof by our results that we are helping students to think, communicate, and achieve.

As operators of high quality public charter schools offering independent study, we stand united in following the state law in the operation of resources centers and school sites.

Description of Program

Compass Charter Schools ("CCS") is one of California's leading public charter schools serving scholars throughout the state in transitional-kindergarten, kindergarten and grades one through twelve. We are an independent study program. We recognize that in education one size does not fit all and have two great programs to serve scholars. CCS is designed and organized to serve scholars and families who have chosen a unique educational setting that can meet an individual scholar's needs.

CCS strives to uphold parental choices in the education of their children. Compass Charter Schools' Options Program is a home study program for grades TK-12 which allows the parent (also known as the Learning Coach) to be fully involved in all aspects of their child's daily education. Parents should be fully committed to:

- Select and implement appropriate curriculum from a list of approved vendors
- Create a compelling learning environment every school day
- Provide challenging lessons and experiences for learning
- Strive to be the best primary instructor for their scholars

It is our goal to equip Learning Coaches in this endeavor. We are committed to:

- Provide the assistance of a credentialed Educational Facilitator
- Maintain a variety of approved vendors for use of allocated instructional funds
- Give access to a subscription package of online supplemental learning programs

- Plan field trips and other enrichment activities to foster community among our families

Compass Charter Schools is an academic program, and we are proud of the rich, rigorous, standards-based program we provide. Because we are a virtual school, many of our procedures take advantage of digital tools. For example, Learning Coach Lounges, clubs, and communication are conducted virtually. Scholar portfolios are maintained in an application that can be accessed on a phone, tablet, or computer. These digital tools allow us to enhance our scholars' learning, as well as the relationships and communication we have with them and each other. While a virtual community is important to us, we also seek to build in-person communities with a variety of enrichment events, workshops, and field trips.

Scholars and Learning Coaches work with their assigned, credentialed Educational Facilitator (EF) to develop a custom educational plan for their scholars. Families communicate with their assigned EF on a regular basis to discuss assigned work, evaluate progress, and submit samples and logs. In addition, instructional funds are allocated to each scholar to use towards approved, non-sectarian educational materials, curriculum, and services.

Enrollment Requirements

General Requirements

- A scholar must be five (5) years of age on or before September 1st in order to be admitted to kindergarten at any time during that school year.
- A scholar who has their fifth birthday between September 2nd and December 2nd are eligible for Transitional Kindergarten.
- A scholar must have completed the CCS enrollment process and signed a Master Agreement prior to starting courses.
- A scholar must reside within the county in which CCS is authorized, or a contiguous county to the county in which CCS is authorized, and provide proof of residency annually. If, while attending CCS, a scholar moves, a new proof of residency must be submitted within five (5) school days.
- A scholar may only be enrolled in CCS and not concurrently enrolled in another school, public or private (unless prior permission is given for a community college).

Immunization Requirements

Learning Coaches are required to provide proof of immunizations upon registration upon registration in order to maintain updated records. For more information about the required number of doses and the ages at which vaccines must be given, please see the included handout in appendix _____. The School's verification of immunizations is through written medical records from your doctor or immunization clinic.

Exceptions are allowed under the following conditions:

- The Learning Coach provides a signed doctor's statement verifying that the scholar is to be exempted from immunizations for medical reasons. This statement must contain a statement identifying the specific nature and probable duration of the medical condition.
- No child with an Individualized Education Program will be denied a Free and Appropriate Public Education ("FAPE") due to lack of immunizations.

- If a Learning Coach had a personal beliefs exemption request on file before December 31, 2015, it will remain valid until the scholar enters the next grade span (kindergarten or seventh grade). No new personal beliefs exemptions will be honored after December 31, 2015.
- If a scholar is enrolled in independent study and will not receive classroom-based instruction at the learning center.

Leaving the Country

Any scholar leaving the United States for a visit to any country considered by the Center of Disease Control and Prevention to have increased risk of TB exposure (such as Mexico, the Philippines, India or Southeast Asia) MUST call the County Tuberculosis Clinic for a TB Screening upon return.

Oral Health Exam Requirements

California law states your scholar must have a dental check-up by May 31 of his/her kindergarten year or, if the scholar was not previously enrolled in kindergarten in a public school, his/her first-grade year. A California licensed dental professional operating within his scope of practice must perform the check-up and fill out our oral health assessment form. If your scholar had a dental check-up in the 12 months before he/she started school, ask your dentist to fill out the oral health assessment form required for enrollment. If you are unable to get a dental check-up for your scholar, a waiver is available upon request.

Master Agreement

To attend CCS, each scholar, Learning Coach, and supervising Educational Facilitator shall sign a Master Agreement Form (“MA”) prior to the first day of class each school year. This is a legal document and must be signed, dated, and returned to CCS. No scholar or Learning Coach or scholar will have access to the curriculum until the MA is signed and returned. Failure to sign and return an MA within the first three (3) days of starting classes will result in a mandatory meeting with the President and CEO or his/her designee to determine whether independent study is an appropriate placement for the scholar and to discuss any concerns of the Learning Coach. The signed MA is the agreement that the scholar and Learning Coach and scholar sign to demonstrate their intention to continue enrollment in CCS. All scholars enrolled in CCS must sign a new Master Agreement each school year. No scholar may be denied special education or related services identified in the scholar’s Individualized Education Program due to a lack of a signed MA.

An updated MA must be submitted if changes are made in classes or coursework to be completed during the school year.

Internet Service

Participation in CCS requires an Internet connection. Basic Internet service is available for all enrolled scholars who wish to utilize it. This Internet connection or one provided by the Learning Coach (at their option) is to be established and maintained by the family with the enrolled scholar(s). The nature of the CCS program requires that scholars and Learning Coaches log onto the online school each day to receive curriculum, lesson plans, school communications, and other necessary resources, as well as to log attendance and submit assignments.

Computers

CCS has computers available for loan to all Learning Coaches seeking a computer for their Scholars. Learning Coaches who wish to request to loan a computer from CCS will need to fill out the appropriate forms and email them to our IT Department at computers@compasscharters.org. All requests for loaner computers shall be honored, and there shall be no indication to faculty, staff, or other scholars that a scholar is using a loaner computer other than those necessary for maintenance and asset management.

Grade Level Placement Policy

A scholar's grade level is determined upon initial enrollment and is written on the Master Agreement.

Elementary (Transitional Kindergarten - 5th grade)

If a Learning Coach or Educational Facilitator feels that a scholar should repeat a grade level, the situation must be discussed with the Elementary School Coordinator and Online Learning Manager prior to making the change on the Master Agreement. They will make a recommendation for the President & CEO who shall make the final decision.

If an elementary scholar is coming to CCS from another school, the grade level is typically based on the scholar's grade level at the previous school. If no previous school was attended, grade level can be determined by the legal need to be (or have been) five (5) years old by the cutoff date in the year of entry into kindergarten and proceeding chronologically for each grade level.

- For school years 2014-15 and later, scholars must have been five (5) years old by September 1, of that school year in order to enter kindergarten.
- For school year 2013-14, scholars must have been five (5) years old by October 1, 2013 in order to enter kindergarten.
- For school year 2012-13, scholars must have been five (5) years old by November 1, 2012 in order to enter kindergarten.
- For school years prior to 2012-2013, scholars must have been five (5) years old by December 2 of that school year to have started kindergarten that fall.

Middle School (6th – 8th Grade)

If a Learning Coach or Educational Facilitator feels that a scholar should repeat a grade level, the situation must be discussed with the Middle School Coordinator and Online Learning Manager prior to making the change on the Master Agreement. They will make a recommendation for the President & CEO who shall make the final decision.

- Report Cards - An incoming scholar must provide the most recent report card and current progress report and/or transcripts, if enrolling during the school year, in order to determine appropriate placement. Failure to do so does not delay enrollment, but will delay the appropriate placement of the scholar into classes. Maximum age for an 8th grader is 16 years of age.

If the scholar has not attended school for an entire academic year or more, appropriate placement will be reviewed by the Director of Academic Affairs. Scholars may be required to take assessments to determine appropriate placement.

- Upon enrollment, high school scholars will be placed into courses according to the credits the scholar has earned at previous schools and takes into account appropriate course level sequencing in order to meet graduation requirements.

Learning Coach Requests

- Scholars can be placed at their age appropriate grade level or below, but not above grade level unless the previous school has officially approved a retention or promotion.
- If the grade level placement the Learning Coach desires differs from that indicated in the prospective assignment, the situation must be discussed with the Elementary School Coordinator and the Instructional Services Manager prior to making the change on the Master Agreement. They will make a recommendation for the President & CEO who shall make the final decision.
- Scholars may be required to take a placement exam and/or end of unit subject tests to determine appropriate placement based on Learning Coach requests for skipping a grade.

Official Transcripts

An incoming scholar must provide an official transcript in order to determine appropriate placement. Failure to do so does not delay enrollment, but will delay the placement of the scholar into their appropriate courses.

Scholar Expectations

- Attend live, real-time office hours with the Educational Facilitator if help in course work is needed.
- Upload work samples and other educational experiences to the virtual digital portfolio application.
- Work about one (1) hour per subject or up to six (6) hours per day. The amount of time a scholar spends per subject will vary based on individual scholar strengths.
- Complete the assignments according to the pacing guidelines provided, and reach out to Educational Facilitators with questions to ensure success.
- Do your own work. Do not plagiarize.
- Be an active learner. Take notes, ask questions, and complete all assignments.
- Communicate with each assigned Educational Facilitator at least once per week via email, phone or virtual classroom.
- Complete work every weekday, complete assignments and adhere to the attendance policy, regardless of any technical difficulties with scholar-operated computers. Contact the IT Department with any technical difficulties immediately to ensure full attendance.
- Create a daily schedule to ensure all assigned work is completed.
- If a scholar participates in outside activities, the scholar is expected to keep up with his or her courses and submit work on time.
- Return calls and emails promptly when Educational Facilitators reach out.

- Respond to any "automated messages" about attendance and pacing issues by contacting the academic team.
- Notify the Records Department within five (5) business days if the scholar moves or changes his or her personal email or phone number.
- Be respectful in interactions with fellow scholars, Learning Coaches, faculty, and staff.
- Attend all state testing in person at school designated locations.

Learning Coach Responsibilities for K-5th Grade

- Turn in work samples on time with appropriate pages, topics, and lesson numbers.
- Make sure that all work has been corrected and that work samples with rough drafts are included.
- Communicate regularly with school staff.
- Check email and phone messages daily and respond promptly, including any automated messages about attendance and pacing.
- Ensure the Learning Coach has reliable contact information on record at the school.
- Monitor scholar progress and initiate conversations about progress before there is an issue.
- Alert administration if the Learning Coach does not hear back from a scholar's Educational Facilitator or advisor within 48 hours.
- Keep informed of news and information about school through communication from staff and newsletters.
- Include the scholar's name and grade in all emails.
- Notify CCS Educational Facilitators of any extended family travel except during normal school vacations and holidays at least two (2) weeks prior to leaving.
- Inform the Records Department within five (5) business days of any changes to contact information, including phone, email, or address.
- Be present in your scholar's daily school life.
- Ensure the scholar works daily, M-F, for sufficient time to ensure success (4-6 hours daily) and is prepared and ready to learn every day.

- Establish daily and weekly goals by creating a consistent schedule.
- Ensure that your scholar attends Virtual Classroom sessions and open office hours that are run by Educational Facilitators.
- Become familiar with the CCS grading system.
- Make sure the scholar's home environment is conducive to learning. Create a regular schedule, eliminate distractions, and provide supervision for daily lessons to ensure the scholar's work is completed according to their pacing guides.
- Encourage and help the scholar to be actively involved in the learning process.
- Ensure that the scholar follows the instructions of his/her Educational Facilitator and advisor.
- Work in partnership with CCS Educational Facilitators to support the scholar.
- Ensure school property is treated with respect.
- Support the scholar in attending state-mandated testing.
- Be a positive role model for the scholar.

- Maintain high expectations for the scholar and monitor his/her progress on a daily and weekly basis.
- Establish “rewards” and “consequences” for meeting or not meeting expectations. Setting and reaching goals and then celebrating those goals can motivate scholars toward success.
- Set high expectations for scholar’s success
- Participate in parent/Learning Coach conferences in both the fall and spring semesters with scholar’s Educational Facilitator.

Attendance

Attendance is important for the success of a scholar. If a scholar does not attend school, then a scholar cannot succeed in their courses. Attendance at an online school looks very different than that at a brick and mortar school.

Work Samples

Independent study attendance credit is based upon the scholar’s daily engagement in instructional activities required by the school (assignments) on days that school is in session (M-F, non-holidays) and further determined based upon the time value of the scholar’s work product, judged in the discretion of the supervising credentialed Educational Facilitator.

Learning Periods (LP)

The scholar must submit assignments to the supervising Educational Facilitator in accordance with the frequency, time, and manner specified in the board policy on independent study and the applicable provisions of the master agreement.

Missed Assignments

As per the independent study policy, after five [5] missed assignments, in 10 school days, an evaluation will be conducted by CCS to determine whether it is in the best interest of the pupil to remain in independent study.

Work Sample Requirements

- In order for attendance to remain current, representative work samples must be emailed to the Educational Facilitator when requested or uploaded to the digital portfolio application.
- Work samples need to be submitted to the assigned supervising Educational Facilitator each learning period.
- Educational Facilitator will give scholars due dates and the quantity and descriptions of work samples that should be submitted.
- It is essential that these work samples are submitted on time. Failure to do so can result in academic or disciplinary sanctions.

State Standardized Tests

As members of a public charter school, our scholars participate in the following state standardized tests:

- Grade 5, 8 - CST Science
- Grades 3-8 - SBAC Testing (aka California Assessment of Student Performance and Progress: (“CAASPP”))

- Grade 5, 7 - Physical Fitness Test (“PFT”)
- English Language Learners: California English Language Development Test: CELDT for English Language Proficiency Assessment

These examinations provide CCS with information for evaluation and future planning. These exams also indicate CCS’s effectiveness in carrying out its educational mission. Participation rates are critical to the success of our school. According to recent changes promulgated by the Every Student Succeeds Act (“ESSA”), signed into law in December 2015, a public school is required to achieve a participation rate of 95% on any state testing. If a school has less than 95% of its scholars participate in any assessment, the school runs the risk of receiving a serious penalty by the state of California or federal government.

- CCS administers all state standardized tests at sites geographically placed among our scholar locations. A testing schedule will be provided to our Learning Coaches.
- Individual scholar performance results on statewide assessments will be distributed to both Learning Coaches and Educational Facilitators in a timely manner once released from the state.
- For more information on Testing & Accountability, visit the California Department of Education’s web page at <http://www.cde.ca.gov/ta/>
- Notwithstanding any other provision of law, a Learning Coach’s written request to CCS officials to excuse his or her scholar from any or all parts of the state assessments shall be granted.

Tests Proctored by Agencies Other Than CCS

Advanced Placement (AP)

A program offering college-level curricula and examinations to high school scholars. American colleges and universities often grant placement and course credit to scholars who obtain high scores (typically scores of 3 or better) on the examinations. The AP curriculum for each of the various subjects is created for the College Board by a panel of experts and college-level educators in that field of study. For questions on AP testing, registration and locations please speak with the AP Coordinator.

Policy On Retention and Progress

Promotion to the next grade level is dependent upon the grades earned. Scholars must pass a minimal number of core curriculum courses (i.e., mathematics, science, social science and language arts) and successfully complete any prescribed school year academic instructional support programs. Scholars who are at risk of retention will be provided with programs of supplemental instruction during the school year.

Scholars who do not make satisfactory progress each year are at risk of being retained. If a scholar is recommended for retention, the school will notify the scholars Learning Coach in writing.

Appeal Process

Every family has the right to appeal a retention decision. If an appeal is made, the burden shall be on the appealing party (the family) to show why the decision of the school should be overruled. The appeal must be submitted in writing within seven (7) calendar days of the date the retention recommendation was issued. The appeal must be submitted to the President & CEO. The appeal must clearly state the grounds for the appeal. Within 14 calendar days, the President & CEO or designee will review the documentation provided with the appeal statement. The response to this appeal will be rendered to the

family no more than seven (7) calendar days from the review date. The family may request to meet with the individual(s) reviewing their appeal, but the family must still submit their appeal in writing within the designated timeframe described above. The President & CEO's decision will be final.

Contact Information & Communication Procedures

Methods of Communication

Reliable contact information is required for all Learning Coaches and for scholars.

Email Expectations

We request that scholars and Learning Coaches supply separate email addresses for communication.

- All scholars are expected to communicate respectfully with school staff and peers through all methods of communication by using appropriate language. Failure to do so may result in disciplinary action.
- Scholars are expected to return communication from school personnel within 24 hours.
- All scholars must include their name and grade when they are emailing school staff.

By signing this handbook, a scholar is agreeing to communicate with faculty and other scholars appropriately and will not partake in cyber-bullying or any form of harassment.

Unable to Contact

Regular communication with CCS Educational Facilitators is essential for a scholar's success at CCS. If you are planning to be unavailable to communicate with your scholar's Educational Facilitator for a period of time, please notify the Educational Facilitator so that proper arrangements to monitor your scholar's progress and attendance can be made.

Due to the enrollment requirements of CCS, if CCS staff is unable to contact the scholar and/or Learning Coach for 10 consecutive days and there has been no logging in or work submitted, and contact has not been made by the scholar and/or Learning Coach, CCS will check the CALPADs system for enrollment in another educational institution and will withdraw the scholar from CCS. Notice will be provided to the Scholar's last known district of residence.

Notification Regarding Change of Contact Information

As stated in the Master Agreement, if a scholar's or Learning Coach's email address, mail address, or phone number changes, it must be updated with the Records Department within five (5) business days to ensure timely communication with CCS staff.

Proof of Residency

Learning Coaches must notify the Records Department should contact information change, and provide a proof of new residence to them. This form can also be found on the website under Parent/Scholar Resources. Learning Coaches are expected to update their account information in the Online School should their email address change.

Emergency Contacts

All families are expected to maintain current emergency contact information with the school. Contact information consists of both telephone numbers and email addresses.

Authorized Contacts

At the time of enrollment, a scholar's Learning Coach is asked to identify any contacts that have authorization to receive performance information about the scholar. Individuals with authorization are responsible for maintaining current contact information with the school.

Academic Program

Daily Instruction

As part of an independent study program, the Learning Coach must work in partnership with the EF throughout the year to make sure the scholar is progressing at an appropriate pace. Scholars are expected to participate in educational activities on all school days per the school year calendar.

Some families work on specific subject areas for longer periods of time a couple days a week, while others spend a shorter amount of time on each subject but cover them all each day. Some families tend to concentrate most of their work time during the early mornings, while others work later in the day. Each family is unique in their learning and teaching style. Each family is unique in their family situation and schedule. This is why our program gives families a great deal of freedom and flexibility, while still providing customized support.

Completing PE/Activity Logs

The Learning Coach and scholar must ensure that attendance/activity logs are accurate, marking activity each day in the relevant subject areas. Activities may include virtual classes, outside classes, classes at learning centers, lessons at home, field trips, etc. This log is a mandatory requirement and must be updated weekly and signed at the end of each learning period. In addition, work assignments/samples will be shared via an application called Seesaw.

Blanks on the attendance/activity log from lack of educational activity for the day are considered absences. All absences are unexcused. Several blanks/absences will result in an evaluation to determine whether it is in the best interests of the scholar to remain in independent study. Individual schools are required, under the law, to report any scholar who meets the standard for a "truancy" to the District Attendance Supervisor or the District Superintendent.

Meetings with The Educational Facilitator (EF)

Although connections can certainly be made more often and by other means as needed, scholars and Learning Coaches (parents) must connect with the EF either in person, by telephone, or by any other live visual or audio connection no less than twice per month. Parent, scholar, and EF should decide on and set the connection dates for the year and keep that schedule.

It is during these connections that the EF is updated on the scholar's progress by the scholar (or if the scholar is too young, by the Learning Coach) and assesses whether the scholar is making satisfactory educational progress. Work assignment samples and digital portfolio submissions are also discussed during these times. A missed connection is considered an absence.

The following are key components of Learning Period connections:

- Bi-weekly, live communication

- Work assignment samples (TK-8: at least two total per LP; High school: at least one per subject per LP; PE minutes must meet minimum requirements). See below for more detailed information.
- Completed and signed PE/Activity Logs

Missing any of the three from the list above for any learning period will be considered a violation of the Master Agreement contract and will result in a probation status for the scholar. If during this probation status another of the three items is missed, a meeting will convene to determine whether placement at CCS independent study is an appropriate placement for the scholar. Similarly, if the EF determines that satisfactory educational progress is not being made, she shall notify the scholar and parent and conduct an evaluation to determine whether it is in the best interest of the scholar to remain in the program.

(Section 517495 Independent Study Courses (7)(a,c))

Ed Code Section 51749.5 Independent Study Courses

(7)(A) Certificated employees and each pupil shall communicate in-person, by telephone, or by any other live visual or audio connection no less than twice per calendar month to assess whether each pupil is making satisfactory educational progress.

(C) If satisfactory educational progress is not being made, certificated employees providing instruction shall notify the pupil and, if the pupil is less than 18 years of age, the pupil’s parent or legal guardian, and conduct an evaluation to determine whether it is in the best interest of the pupil to remain in the course or whether he or she should be referred to an alternative program, which may include, but is not limited to, a regular school program. A written record of the findings of an evaluation made pursuant to this subdivision shall be treated as a mandatory interim pupil record. The record shall be maintained for a period of three years from the date of the evaluation and, if the pupil transfers to another California public school, the record shall be forwarded to that school.

Digital Portfolio

Scholars must regularly share their educational experiences in their digital portfolios or directly to their EF. This portfolio should be a collection of experiences and work that is a source of pride for the scholar. This collection of samples for the school year is a portfolio of the breadth and depth of the scholar’s learning. Work should be at the scholar’s grade level (or above) and be a good representation of the scholar’s true level of learning. This will help guide LC, scholar and EF discussions on the scholar’s progress and will help the EF be aware of any need for additional support. It also provides insight regarding a scholar’s interest or passion so that the EF can provide additional resources or support in those area when they are able to.

Digital Portfolio Suggestions:

- Scanned, written assignments
- PDF of a PowerPoint presentation
- Scanned PDF of written work, essays or tests
- Photograph of written work, essays or tests
- Videos of lessons or activities that demonstrate learning

- Videos of educational field trips or excursions
- Video or audio of the scholar reading aloud or to a sibling or parent
- Video of a scholar giving a speech or explaining a science experiment
- Video or audio of the scholar explaining a recently learned concept

Assigned Work Samples

K-8th grades: From the breadth of learning experiences demonstrated on the portfolio, the EF will select (with some input from the LC) two assignments per learning period in the areas of Language Arts, Math, Science, or Social Studies to keep on file for each learning period.

9th - 12th grades: the EF will select (with some input from the LC) a sample from each of the scholar's core classes and alternate collecting a sample from any elective courses.

Consistently late work samples (due the last day of each learning period) will result in the scholar being placed on probationary status, of which the Options Coordinator will be informed. An email will be sent to the Learning Coach stating that the scholar has been placed on probationary status, and a mandatory meeting will be scheduled. If the breach continues beyond the probationary status (i.e. continued missed meetings and/or continued lack of work samples), a mandatory evaluation meeting will be convened to discuss a different educational placement for the scholar, as outlined in the Master Agreement. In the case of expulsion, the scholar's neighborhood school will be informed.

Work Sample Guidelines

Written Work Samples Should:

- be at the scholar's grade level (or above);
- be representative of the scholar's abilities;
- be neat and legible;
- contain the scholar's name handwritten somewhere on the page;
- not contain any religious materials or references;
- (for math) show problems worked out or explained in detail by the scholar;
- NOT be multiple choice worksheets;
- be graded and/or have written comments by the Learning Coach (parent);
- if using photos,
 - ensure that images are clear and have enough light.
 - include the scholar with the project or work.
 - be sure the images demonstrate the learning or have a clearly written summary of the learning (use several photos if needed).

Work Sample Suggestions:

- projects such as slideshows or PowerPoint presentations with the slides and notes printed
- science experiments written up or photos demonstrating the steps of the experiment, with the scholar in the photo
- projects involving math or math problems that the scholar is proud to share
- writing (creative, narrative, research, poetry, etc.)

- writing about topics in the core content areas (such as history) that demonstrate knowledge of the content as well as the writing process and, therefore, can "count" as two samples (language arts and history)

Instructional Funds (IF)

Each scholar is allocated instructional funds for curriculum, materials, and/or classes. Instructional funds are to be used for the scholar's educational needs, reflecting standards appropriate for their age level. Learning Coaches, EFs, and scholars work together to make purchasing decisions based on personal goals, learning styles, and academic progress, choosing from a wide range of our school-approved vendors offering educational products and services.

Each Options scholar is allocated \$2800 (TK-8th grades) or \$3000 (high school) to support the purchase of educational materials and services needed to help the scholar progress. Allocated funds depreciate from the first day of school for scholars who do not start on the first day. Use of funds is spread through the year. The first half is available at the beginning of the first semester; the second half is made available just before the second semester begins.

Before a parent is able to place their first order, they must have a signed Master Agreement and a signed Family Order Agreement (FOA) on file. Order requests will be denied without both.

The FOA (Family Order Agreement) addresses your responsibility when placing order requests as stated below:

- For service vendors that you use, you are responsible for:
- asking them which payment option they prefer:
 - fees divided across the months that your scholar is in that class (Net30) RECOMMENDED
 - fees as a lump sum (BUT vendor paid at END of semester/session) (Net30)
- paying any vendor fees NOT pre-approved by the school (which also includes testing, registration, or membership fees)
- paying any vendor fees that exceed amounts on purchase orders
- reading and following the Instructional Funds Policy
- paying any fees after scholar withdraws from the school
- confirming vendor's prices & payment schedule for your scholar on emails and on purchase orders

You are also responsible for the following regarding materials vendors:

- receiving your scholar(s)' orders that arrive at your home;
- checking off materials that arrive by initialing it on the packing list;
- signing and dating the packing list, then scanning/photographing that list and sending to your EF immediately after.
- paying late fees that occur when packing list is not sent to EF immediately.
 - School will not pay vendors for your materials unless they know it was all received and, therefore, you must notify your EF when the materials are received by scanning that packing list.

- If a family continuously fails to correctly check-off and scan a copy of packing lists to the EF, the privilege of having materials sent directly to scholar's home will be revoked. Families will then have to wait to meet with their EF, in person, before they are able to receive their items.

Requesting Services and Materials

Order requests may only be made for products and services from our approved vendors, and a signed Family Order Agreement (see section above for FOA contents) must be on file in order for material orders to be placed. Furthermore, there are guidelines to determine what materials and services are approved from these approved vendors. CCS expects Learning Coaches to use instructional funds in a reasonable manner that furthers the instructional needs of their scholar. If any unusual orders are noted outside the scope of these guidelines, they will be subject to review and, if necessary, those orders may be delayed or denied.

When using instructional funds, focus should be on selecting materials and services that support the educational goals of the scholar. The Educational Facilitator will assist with suggested curricula as needed. There is also a guide of acceptable purchases that will be provided. The Learning Coach submits an order request to the EF who then reviews it and, if approved, submits it to the Vendor Department for ordering. When the appropriateness of requested materials or services is in doubt, the EF and the Vendor Department will evaluate using their best professional judgment. Generally, any decision made at this level is final.

Material order totals must include approximately 20-25% to cover any shipping, taxes, and/or handling fees required by the vendor. (Once invoices are reconciled, any overages will return to scholar's balance.) Please watch for any notices of deadline dates for placing order requests. In March/April, the allotment of funds will need to be finalized as orders will close then.

The materials purchased with state instructional funds are the property of Compass Charter Schools. Learning Coaches should instruct their scholars on how to care for and respect any materials purchased by the school for scholar use. The materials are loaned to the scholar while they are enrolled in our school and are for their use for educational purposes. Once the scholar withdraws, the non-consumable materials must be returned within three (3) days; otherwise, the family will be billed and transcripts will be held. If any item purchased by the school for instructional use is lost or broken by a scholar, the scholar must pay to replace the item.

Guidelines for Using Instructional Funds

- **Approved Vendor List:** Orders may only be placed with vendors on our Approved Vendors List. Additional limitations may apply for some vendors. See vendor list for details.
- **Our Payment:** Compass Charter Schools only pays for services when an approved purchase order (PO) has been generated and only for the dollar amount stated on the purchase order. (For example, if a scholar has taken classes in September and October, but the purchase order only states October, then the school will NOT be responsible for paying those September activities.)
- **Core Curriculum:** Verify with your EF that you have your core curriculum in place. Orders for extracurricular activities and materials will not be placed if core curriculum is not sufficient for the scholar's needs.
- **Registration of Outside Classes:** Contact the vendor directly to discuss the fees and their registration process. YOU must register your scholar(s) for the classes and sort out the details,

including dates and prices, directly with the vendor. As part of that discussion with the vendor, you must determine if the vendor wants to be paid monthly (recommended) or in a lump sum at the END of the semester/session. Discuss the fees with them so it is very clear how much they will charge your scholar(s) for classes. Make sure they agree to the prices on any cost breakdown. This part is very important. Again, we STRONGLY recommend you get all information on fees in writing for your records.

- First Day of Outside Classes: If you plan to use your scholar's allocated funds to pay for classes, be sure your scholar does not attend the class or lesson unless you have received an approved PO number from your EF. We do not reimburse for materials or services ordered on your own without a PO. You are responsible for any payments before a PO is finalized. So please, plan ahead.
- Reimbursement: A Learning Coach (parent) cannot be reimbursed using state dollars for any out-of-pocket expenses that have already been paid at any time for any reason.
- Materials ordered must be scholar-grade quality, which is the quality public schools are required to order.
- Faith-based: No religious services or materials of any type are allowed: books, CD/DVDs, videos, posters, curriculum, etc.

The list is not an all-inclusive list but, rather, is provided to give some guidelines to help with your orders. The EF, Vendor Dept, and/or Administration may deny an item not listed here if they feel it puts the school's compliance into question with the state or authorizing district.

[Requesting Enrichment Classes and Materials](#)

We want your children to have experiences that will help them progress and be well-rounded individuals, contributing to our society. Art and music classes are very popular enrichment courses that help children in the area of spatial reasoning and math. Chess, creative writing, technology, theater, and makery techniques are also popular. In order for enrichment classes to be approved, Learning Coaches must show the EF that they have, or will have, enough materials and/or services in the core subject areas. Scholars must also be current with samples and logs for enrichment courses to be approved.

Requesting Services from High Risk Vendors

High Risk classes are classes such as gymnastics, surfing, horseback riding or similar activities. When you request that a high risk vendor become an approved vendor, do know the process will be longer than usual because of additional insurance requirements. In addition, the following banned services by vendors will not be approved: aerial sports, kickboxing, outdoor rock-climbing, boxing, tightrope walking, welding and similar.

Approved Vendor List

The list displays all the vendors currently approved by CCS. These vendors have gone through an enrollment and approval process to be on our list. For service vendors, we require them to complete an application form, provide proof of liability insurance, submit a W-9 and complete a fingerprint background check since they will be working with your children. The list is not static and, therefore, it is important to check it regularly for new vendors. New vendors will often be announced on our newsletters. The list can be found on our website under Academics - Options Program: Approved Vendor List.

Requesting New Vendors

If there is a service vendor that you would like added to our Approved Vendors List, we will do our best to accommodate. Please ask the potential vendor to complete the NEW VENDOR PRE-APPLICATION FORM: <https://goo.gl/ebnsRc>.

This link can be found on our website under Academics - Options Program. We recommend that families send the link directly to their vendor of choice via email. Do double check that the vendor is not already an approved vendor.

Grades

The grade in any given course represents the degree to which the scholar has met the standards and achieved the goals of the course. Grades reflect the quality of the scholar's work and the scholar's degree of mastery of academic standards at his/her grade level. The semester grade reflects the cumulative achievement for the entire semester. Attendance and participation are contributing factors in meeting the standards and earning a grade.

Educational Facilitators are responsible for setting objective standards for grading assignments and shall make these standards known to the Learning Coaches and scholars. Educational Facilitators are responsible for assigning grades to the scholars in their classes. In the absence of fraud, mistake, bad faith or incompetency, the grade shall be final. A grade change may not be made as the result of coercion by any person(s).

Progress Monitoring

"Snapshots" of scholar progress can be viewed in the Digital Portfolio. Educational Facilitators will hold Learning Coach/Educational Facilitator conferences quarterly to discuss academic progress.

Grading Policy

TK-8th grade scholars' final grades will be reported according to the following scale:

M = Mastery - Scholars have completed 80%-100% of the grade level standards and are able to move on to the next grade level.

C = Completed - Scholars have completed 70%-79% of the grade level standards and are able to move onto the next grade level.

I = Incomplete - 0%-69% of the grade level standards. This may result in a scholar being retained at their current grade level or will be asked to complete the remainder of the course work the following school year.

Middle School and High School scholars' grades will be reported with a standard percentage scale.

Honor Roll: Awarded to scholars each semester who have earned a 3.5 GPA or higher.

LETTER GRADE	PERCENTAGE	GPA POINTS
A	90-100	4
B	80-89	3
C	70-79	2
D	60-69	1
F	BELOW 60	0

Incomplete (I) - This grade will be given to High School scholars when scholar withdraws from CCS prior to completing 100% of the coursework.

High School Grading Scale

Credit is earned for cumulative grades

High School Repeat Policy

Scholars may repeat a class to improve their GPA only if the original grade was a D or F. To be accepted by the UC/CSU system, scholars may repeat the course only once. Once a course has been repeated, the grade earned in the original course will remain on the transcript, but will display with the ccs repeat code, as well as, "0.00" credits earned. The original course will not be included in the computation of the GPA. The course taken to remediate the d or f will be displayed with the grade and credits earned.

Course Placement

TK-8th grade scholars are required to enroll in four (4) academic courses (English, mathematics, science, social science), and one physical course each semester of the academic school year.

Middle School scholars are required to enroll in four (4) academic courses (English, mathematics, science, social science), and one physical education and one elective course each semester of the academic school year.

High School scholars will be placed into courses according to the credits the scholar has earned at his/her previous school(s) and takes into account appropriate course level sequencing in order to meet graduation requirements. When selecting courses each year, remember that course selection is a team process that involves the scholar, Learning Coach and counselor to ensure proper placement. Our academic program utilizes semester scheduling for all tracks. No extensions are provided and all end dates are final.

High School Foundation Path

We have two paths for our Compass Charter School scholars.

- Foundation Path: This path is exclusive to Options (Home Study) scholars. It is for those who are looking for a flexible path and are not interested in attending any UC/CSU universities via the a-g course path. (Or other university or college via the a-g course path.) The method of instruction for this scholar will vary between textbooks, in-person classes, online courses, community college courses and/or a blend of these and more. EFs will review the curriculum options with the parents and together they will outline the year. The assignments required to demonstrate competency will be outlined by the EF. Before the Highly Qualified Teacher (HQT) and/or EF will grant the high school credits for the course, the learner must demonstrate knowledge via assignments, discussions, presentations and/or evaluations. (Foundation Path Acknowledgement) They must still graduate with the 220 credits and pass Algebra 1, as stated on the charter. High School Course List - Foundation Path
- A-G* Online Path: This path is exclusive to our Online Program. If it is the scholar's goal to attend a California State University (CSU) or University of California (UC) school, they will be placed on this path. Many other colleges and universities require specific courses and they will follow these a-g requirements for admission as well. Courses must be passed with a grade of C or better. Completion of this a-g program does not guarantee admission to any of these universities.
 - ~ 2 years of laboratory Science ~ 3 years of Math including Algebra and Geometry
 - ~ 3 years of History /Social Science ~ 4 years of College Preparatory English
 - ~ 2 years of Foreign Language ~ 1 year of Visual /Performing Arts

9th Grade CCS Math Placement Policy

The Compass Charter Schools Board of Directors ("Board") recognizes that scholar achievement in math is important for preparing scholars for success after high school. The purpose of this policy is to create a fair, objective, and transparent procedure for placement in math courses for scholars entering 9th grade, in order to ensure the success of every scholar and to meet the Legislative intent of the California Mathematics Placement Act of 2015.

Multiple Objective Academic Measures

In determining the mathematics course placement for entering 9th grade scholars, Compass Charter Schools systematically takes multiple objective academic measures of scholar performance into consideration, including:

- Statewide mathematics assessments, including interim and summative assessments through the California Assessment of Student Performance and Progress ("CAASPP")
- Final math grade at the end of 8th grade on the scholar's official, end of the year 8th grade report card;
- Diagnostic exams or other Board-approved benchmark assessments;
- Educational Facilitator recommendation, if any, based on course assessments and grades.

Placement Criteria for Geometry

- Exposed to 100% of the Math 8 curriculum (or equivalent)
- Earned an A or B in Math 8 course
- Course Level
 - Honors: Earned an A in Math 8 course
 - Comprehensive: Earned a B in Math 8 course

Placement Criteria for Algebra I

- Exposed to less than 100% of the Math 8 curriculum
- Earned a C, D, or F in Math 8 course
- Course Level
 - Comprehensive: Earned a C in Math 8 course
 - Core: Earned a D or F in Math 8 course (or equivalent)

Placement Checkpoint

Compass Charter Schools will provide placement checkpoints within the first month of the school year to ensure accurate placement and permit reevaluation of individual scholar progress.

- Math diagnostic test administered to all 9th grade scholars.
- 30-day progress report evaluation for new 9th grade scholars.
- Course placement re-evaluation based on results of diagnostic test scores and progress reports, to determine whether additional academic interventions are necessary or whether the scholar should be placed into a different math course.

Annual Examination of Scholar Placement Data and Report to the Board of Directors

The President & CEO, or his or her designee, shall examine aggregate scholar placement data annually to ensure that scholars who are qualified to progress in mathematics courses based on their performance on objective academic measures included in this policy are not held back in a disproportionate manner on the basis of their race, ethnicity, gender, or socioeconomic background. Compass Charter Schools shall annually report the aggregate results of this examination to the Board of Directors.

Recourse for Parents and Scholars

Compass Charter Schools offers clear and timely recourse for each scholar and his or her parent or legal guardian who questions the scholar's placement, as follows:

- Returning scholars and parents participate in course selection process for the upcoming school year.
- Academic counseling is provided to all scholars to help select courses applicable to their academic needs.
- Parents may request that Compass Charter Schools provide the data from the objective academic measures used for math placement listed above.
- Parents may formally request that the scholar retake the end of module exams for each of the math modules. Parent may request reconsideration of math placement based upon this data.

Course Schedule Changes

Scholars need to plan their schedule carefully since schedule changes can only be processed within the first three (3) weeks from the start of the semester. Any additional schedule changes after this time frame will be reviewed on an individual basis.

Acceptable course schedule changes:

1. Improper course placement
2. Credit previously earned for the course
3. Course prerequisites not met

ACOP – Accelerated Course Options Program

- This program allows scholars to accelerate and advance academically or recover unearned credits in their high school courses by adding additional credits to their schedule per semester. A scholar may add an additional course to their schedule no later than four weeks prior to the end of a semester (eligibility is dependent upon 75% completion in all other courses with good academic standing).
- A scholar may add two additional courses to their schedule no later than 8 weeks prior to end of semester (eligibility is dependent upon 50% completion in all other courses with good academic standing).
- Counselor approval required to participate in the program.
- Academic counselor may approve a special circumstance request when a scholar may be eligible for additional course(s).
- Science lab courses are not eligible for ACOP:
 - Chemistry
 - Biology
 - Physics
 - Physical Science

Concurrent/Dual Credit Enrollment

1. College level courses may be approved for concurrent/dual credit enrollment if they are courses not currently offered at the scholars' high school and/or needed to meet college entrance requirements. You must be in the spring semester of 10th grade, or an 11th or 12th grade scholar to qualify for the Concurrent Enrollment process.
2. Special Circumstances: College & Career Counselor may approve a special circumstance request when a scholar may need to enroll in a college level course for dual credit purposes even if the course is available at Compass Charter Schools. This option is available to resolve any special circumstances.
 - Scholars must have a 2.8 GPA in the previous CCS semester and attendance status cannot be truant to be eligible for concurrent/dual credit enrollment.
 - Fall GPA to be eligible for Spring and Summer
 - Spring GPA to be eligible for Fall

3. Initially, a scholar will be approved to take 1 (one) college level course. Upon successfully completion of the initial course with a C or better and continues to earn at CCS 2.8 GPA or better and satisfactory attendance, the scholar will be eligible for concurrent/dual credit enrollment for two college courses the following college semester. Additional courses will be determined on scholar performance and community college policy.
4. Scholars must receive approval from the College & Career Counselor prior to enrolling in a college level course for dual credit purposes. Failure to do so will prevent scholars from receiving dual credit. Courses taken for dual credit are taken in addition to the scholars' required course schedule at CCS.
5. Scholars have the option of determining if the college course is to appear on their high school transcript prior to enrolling in the college level course for dual credit. Once approved, scholars may not request a change after the college course has started. School Administration will determine if any special circumstances should be considered.
6. Scholars are responsible for providing an official transcript from the college verifying the grade earned at the conclusion of the college course. Transcripts

Please contact the Records Department at records@compasscharters.org to receive a form to submit a request for official and/or unofficial transcripts.

Transcripts reflect both a weighted and unweighted grade point average (GPA):

- Unweighted GPA

Traditionally, GPA is calculated on an unweighted scale. Unweighted GPA is measured on a scale of 0 to 4.0. It doesn't take the difficulty of a scholar's coursework into account. An unweighted GPA represents an as a 4.0 whether it was earned in an honors class or a lower level class.

- Weighted GPA

Weighted GPA takes into account course difficulty rather than providing the same letter grade to GPA conversion for every scholar. Weighted GPA is measured on a scale of 0 to 5.0 and is only provided for AP level courses.

Cal Grant Program for College

A Cal Grant is money for college that does not have to be paid back. To qualify, a student must meet the eligibility and financial requirements as well as any minimum grade point average (GPA) requirements. Cal Grants can be used at any University of California, California State University or California Community College. Some independent and career colleges or technical schools in California also take Cal Grants.

In order to assist students, apply for financial aid, all grade 12 students are automatically considered a Cal Grant applicant and each grade 12 student's GPA will be submitted to the California Student Aid Commission ("CASC") electronically by a school or school district official. A student, or the parent/guardian of a student under 18 years of age, may complete a form to indicate that he/she does not wish for the school to electronically send CASC the student's GPA. Until a student turns 18 years of age, only the parent/guardian may opt out the student. Once a student turns 18 years of age, only the student may opt himself/herself out, and can opt in if the parent/guardian had previously decided to opt out the student. All grade 12 students' GPA will be sent to CASC on October 1, 2017. The Cal Grant application submission deadline is October 1 of the grade 12 year.

Concurrent Enrollment

Concurrent enrollment in another public or private K-12 school is prohibited at CCS. If a scholar is found to be enrolled in two (2) schools he/she will be withdrawn from CCS.

This does not include pre-approved college-level courses. In some cases, it is possible for high school scholars to enroll concurrently at a community college.

Adult Scholars (18 Years of Age and Older)

Scholars who are 18 years of age or older have many legal rights and responsibilities, such as the ability to sign legal documents, including but not limited to medical releases and IEP's. However, adult scholars must continue to follow policies in place for all scholars at Compass Charter Schools with respect to attendance and discipline.

In order for Compass Charter Schools to release any information related to the adult scholar's academics to their designated Learning Coach and/or parent(s), we must first receive permission from the adult scholar to do so. This release form can be found on our parent/scholar portal or by contacting the Records Department.

High School Grading Policy

Final Exams

All scholars in grades 9-12 are required to take all end of unit or module exams as well as semester final examinations in all courses. Scholars may not "test out" of courses by only taking a final examination.

High School Biology and Chemistry Science Labs

CCS conducts live, hands-on labs under the instruction of credentialed science teachers.

The goal of these labs is to provide high school scholars with the science laboratory experiences that will prepare them to meet the demands of university laboratories when they continue their studies in college.

Frequency

The frequency of these labs will be determined by the highly qualified CCS science instructor based on course requirements to determine standards mastery.

Attendance Required

All scholars are required to attend the labs as part of their science course. Make-up days will be available for scholars who may miss a live lab. Those make-up live labs will need to be scheduled between the scholar and the instructor. Please note that failure to attend in-person may jeopardize the scholar's chances to attend certain four-year colleges or universities.

Scholars with Special Needs

CCS is dedicated to the belief that all scholars can learn and must be guaranteed equal opportunity to become contributing members of the academic environment and society. CCS provides special education instruction and related services in accordance with the Individuals with Disabilities in Education Improvement Act, California Education Code requirements, and applicable policies and procedures of the El Dorado County Charter SELPA. These services are available for special education scholars enrolled at CCS. We offer high quality educational programs and services for all of our scholars in accordance with the assessed needs of each scholar. CCS collaborates with Learning Coaches,

scholars, Educational Facilitators, and other agencies, as may be indicated, in order to appropriately serve the educational needs of each scholar.

CCS recognizes its legal responsibility to ensure that no qualified person with a disability shall, on the basis of disability, be excluded from participation, be denied the benefits of, or otherwise subjected to discrimination under any program of the School. Any scholar who has an objectively identified disability which substantially limits a major life activity, including, but not limited to learning, is eligible for accommodations by CCS. The Learning Coach of any scholar suspected of needing or qualifying for accommodations under Section 504 may make a referral for an evaluation to the President & CEO. A copy of the School's Section 504 policies and procedures is available upon request.

Homeless Scholars

"The term "homeless children and youth" means individuals who lack a fixed, regular and adequate nighttime residence due to economic hardship. It includes children and youths who:

1. 5. Migratory children and unaccompanied youth (youth not in the physical custody of a parent or guardian) may be considered homeless if they meet the above definition of "homeless."
6. Scholars who qualify under McKinney-Vento should complete the declaration form. This form must be completed annually in order to ensure the scholar still qualifies under McKinney-Vento

Homeless status is determined in cooperation with the Learning Coach. In the case of unaccompanied youth, status is determined by the School Liaison.

School Liaison

The President & CEO or designee designates the following staff person as the School Liaison for homeless scholars:

Jessica Franco | Information Services Manager

850 Hampshire Rd. Suite P

Thousand Oaks, CA 91361

805-358-9007

1. Homeless scholars are identified by school personnel and through coordination activities with other entities and agencies.

Academic Dishonesty and Plagiarism

Academic dishonesty includes cheating, plagiarism and any attempt to obtain credit for academic work through fraudulent, deceptive, or dishonest means. CCS takes academic dishonesty in any form seriously, and it will not be tolerated.

Some examples include:

- Using another person's work and claim as your own;
- Copying from text, a web site or other course material;
- Using or attempting to use unauthorized materials or information in any academic exercise;
- Hiring someone to write a paper;
- Buying a paper or project;
- Sharing files;
- Copying from another person's work;
- Turning in another person's work and claiming it as your own; and
- Letting a friend or Learning Coach do the work for you.

What is Plagiarism?

Merriam-Webster online dictionary defines plagiarism as “the act of using another person's words or ideas without giving credit to that person: the act of plagiarizing something.”

To Plagiarize means:

- to steal and pass off (the ideas or words of another) as one's own;
- to use (another's production) without crediting the source;
- to commit literary theft or fraud; or
- to present as new and original an idea or product derived from another source.

See <http://www.plagiarism.org/plagiarism-101/what-is-plagiarism> for more information.

How to Avoid Plagiarism

Scholars must give credit to the source for any information that is not either the result of original research or common knowledge. For example, it would be necessary to give credit to an author who provided an argument about the importance of the Emancipation Proclamation in the American Civil War. Conversely, major historical facts, such as the dates of the American Civil War, are considered common knowledge and do not require that credit be given to a particular author. If a scholar borrows the exact words of another author, the scholar must cite the source. If scholars are unsure whether or not they should cite, they should to ask their Educational Facilitators for guidance. Educational Facilitators will dictate which citation format should be used and what the guidelines are for their class.

More information on what plagiarism is and how to avoid it can be found at <https://owl.english.purdue.edu/owl/resource/589/01/>.

Prevention of Plagiarism

1. All scholars and Learning Coaches are given a copy of this CCS Learning Coach/Scholar Handbook which outlines the school's policy on plagiarism.
2. Scholars complete a lesson on understanding plagiarism during one of the core courses. 6-12 scholars complete a lesson on plagiarism during the first unit of a core course.
3. Educational Facilitators will use recognized plagiarism detection program, to check for plagiarism as necessary.
4. More information on what plagiarism is and how to avoid it can be found at <https://owl.english.purdue.edu/owl/resource/589/01/>.

Scholar Grievances

CCS has adopted a General Complaint Policy to address concerns about the Charter School generally or regarding specific employees. For complaints regarding harassment or perceived violations of state or federal laws, please refer to the Charter School's Policy Against Unlawful Harassment and/or the Charter School's Uniform Complaint Procedures. For all other complaints, the General Complaint form and accompanying procedures available at each of the learning centers and on the CCS website will be appropriate.

Uniform Complaint Procedure

CCS has the primary responsibility to insure compliance with applicable state and federal laws and regulations and has established procedures to address allegations of unlawful discrimination, harassment, intimidation, and bullying, and complaints alleging violation of state or federal laws governing educational programs and the charging of unlawful pupil fees.

CCS shall investigate and seek to resolve complaints using policies and procedures known as the Uniform Complaint Procedure ("UCP") adopted by our Board of Directors. The UCP shall also be used when addressing complaints alleging failure to comply with state and/or federal laws in:

- After School Education and Safety Programs
- Early Child Education Program Assessments
- Foster and Homeless Youth Services
- Consolidated Categorical Aid Programs
- Regional Occupational Centers and Special Education Programs
- Every Student Succeeds Act / No Child Left Behind Act (2001) Programs (Titles I-VII)

A complaint of noncompliance with laws relating to pupil fees may be filed pursuant to the local UCP. A pupil enrolled in a public school shall not be required to pay a pupil fee for participation in an educational activity. A pupil fee includes, but is not limited to, all of the following:

- A fee charged to a pupil as a condition for registering for school or classes, or as a condition for participation in a class or an extracurricular activity, regardless of whether the class or activity is elective or compulsory, or is for credit.
- A security deposit, or other payment, that a pupil is required to make to obtain a lock, locker, book, class apparatus, musical instrument, clothes, or other materials or equipment.
- A purchase that a pupil is required to make to obtain materials, supplies, equipment, or clothes associated with an educational activity.
- A pupil fee complaint shall not be filed later than one (1) year from the date the alleged violation occurred.

Complaints of noncompliance with laws relating to pupil fees are filed with the President & CEO of a school. A complaint regarding pupil fees may be filed anonymously if the complaint provides evidence or information to support an allegation of noncompliance with laws relating to pupil fees. Complaints other than complaints relating to pupil fees must be filed in writing with the following compliance officer:

J.J. Lewis | President & CEO

Scholar Records

The Family Educational Rights and Privacy Act ("FERPA") affords Learning Coaches and scholars who are 18 years of age or older ("eligible students") certain rights with respect to the scholar's education records. These rights are:

1. The right to inspect and review the scholar's education records within five (5) days after the day CCS receives a request for access. Learning Coaches or eligible students should submit to the CCS President & CEO or designee a written request that identifies the records they wish to inspect.

The CCS official will make arrangements for access and notify the Learning Coach or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the scholar's education records that the Learning Coach or eligible student believes are inaccurate, misleading, or otherwise in violation of the scholar's privacy rights under FERPA.

Learning Coaches or eligible students who wish to ask CCS to amend a record should write the CCS President & CEO or designee, clearly identify the part of the record they want changed, and specify why it should be changed. If CCS decides not to amend the record as requested by the Learning Coach or eligible student, CCS will notify the Learning Coach or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the Learning Coach or eligible scholar when notified of the right to a hearing.

3. The right to provide written consent before CCS discloses personally identifiable information ("PII") from the scholar's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to CCS officials with legitimate educational interests. A CCS official is a person employed by CCS as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the Board of Directors. A CCS official also may include a volunteer or

contractor outside of CCS who performs an institutional service of function for which CCS would otherwise use its own employees and who is under the direct control of CCS with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another CCS official in performing his or her tasks. A CCS official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, CCS discloses education records without consent to officials of another school district in which a scholar seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the scholar's enrollment or transfer.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW Washington, DC 20202

FERPA permits the disclosure of PII from scholar's education records, without consent of the Learning Coach or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to CCS officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the Learning Coach or eligible student, §99.32 of the FERPA regulations requires CCS to record the disclosure. Learning Coaches and eligible students have a right to inspect and review the record of disclosures. CCS may disclose PII from the education records of a scholar without obtaining prior written consent of the Learning Coach or the eligible student —

1. To other CCS officials, including Educational Facilitators, within the educational agency or institution whom CCS has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(2) are met.
2. To officials of another school, school system, or institution of postsecondary education where the scholar seeks or intends to enroll, or where the scholar is already enrolled if the disclosure is for purposes related to the scholar's enrollment or transfer, subject to the requirements of §99.34. (§99.31(a)(2)).
3. To authorize representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency in the parent or eligible student's State. Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf.

4. In connection with financial aid for which the scholar has applied or which the scholar has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid.
5. To accrediting organizations to carry out their accrediting functions.
6. To parents of an eligible student if the student is a dependent for IRS tax purposes.
7. To comply with a judicial order or lawfully issued subpoena.
8. To appropriate officials in connection with a health or safety emergency, subject to §99.36.
9. Information CCS has designated as “directory information” under §99.37.

‘Directory Information’ is information that is generally not considered harmful or an invasion of privacy if released. Directory information can be disclosed to outside organizations without a parent’s prior written consent. Outside organizations include, but are not limited to education and charter school advocacy groups, and companies that manufacture class rings or publish yearbooks. CCS has designated the following information as directory information:

- Scholar’s name
- Scholar’s address
- Learning Coach’s address
- Telephone listing
- Scholar’s electronic mail address
- Learning Coach’s electronic mail address
- Photograph
- Dates of attendance
- Grade level
- Weight and height of members of athletic teams
- Degrees, honors, and awards received
- The most recent educational agency or institution attended

Scholar ID number, user ID, or other unique personal identifier used to communicate in electronic systems that cannot be used to access education records without a PIN, password, etc. (A scholar’s social security number, in whole or in part, cannot be used for this purpose.)

If you do not want CCS to disclose directory information from your scholar’s education records without your prior written consent, you must notify the School in writing at the time of enrollment or re-enrollment. Please contact and notify the President & CEO at:

J.J. Lewis | President & CEO
850 Hampshire Road, Suite P
Thousand Oaks, CA 91361

Withdrawal from CCS

1. If a scholar decides to withdraw, the scholar's Learning Coach communicates the decision through his or her Educational Facilitator.
2. The scholar's Educational Facilitator will schedule an exit conference with the High School Coordinator within 72 hours of the withdrawal request to ensure the scholar receives the appropriate academic consultation and attendance credit, and has submitted all completed work samples and activity logs before being withdrawn from CCS.
3. Once the exit conference has been conducted, a withdrawal link will be emailed to the Learning Coach that will need to be filled out for the withdrawal to be complete.
4. Once the withdrawal is completed the Attendance Specialist will email the Learning Coach a letter showing the scholar has been withdrawn that can be given to the scholar's new school.
5. CCS may withhold transcripts, grades and diplomas where a scholar has willfully cut, defaced or otherwise destroyed property or has failed to return property, such as textbooks or computers, loaned to the scholar. CCS shall afford the scholar due process before withholding transcripts, grades, or diplomas.

*New admissions to 7th grade should also meet the requirements for ages 7-17 years.

WHY YOUR CHILD NEEDS SHOTS:

The California School Immunization Law requires that children be up to date on their immunizations (shots) to attend school. Diseases like measles spread quickly, so children need to be protected before they enter. California schools are required to check immunization records for all new student admissions at Kindergarten or Transitional Kindergarten **through** 12th grade and all students advancing to 7th grade before entry.

THE LAW:

Health and Safety Code, Division 105, Part 2, Chapter 1, Sections 120325-120380; California Code of Regulations, Title 17, Division 1, Chapter 4, Subchapter 8, Sections 6000-6075

WHAT YOU WILL NEED FOR ADMISSION:

To attend school, your child's Immunization Record must show the date for each required shot above. If you do not have an Immunization Record, or your child has not received all required shots, call your doctor now for an appointment.

If a licensed physician determines a vaccine should not be given to your child because of medical reasons, submit a written statement from the physician for a **medical exemption** for the missing shot(s), including the duration of the medical exemption.

A personal beliefs exemption is no longer an option for entry into school; however, a valid personal beliefs exemption filed with a school before January 1, 2016 is valid until entry into the next grade span (7th through 12th grade). Valid personal beliefs exemptions may be transferred between schools in California. For complete details, visit ShotsforSchool.org.

You must also submit an immunization record for all required shots not exempted.

Questions? Visit ShotsForSchool.org or contact your local health department (bit.do/immunization).

SECTION 15 – SCHOLAR POLICY – SUICIDE PREVENTION

The Board of Directors of Compass Charter School (“CCS”) recognizes that suicide is a leading cause of death among youth and that school personnel who regularly interact with scholars are often in a position to recognize the warning signs of suicide and to offer appropriate referral and/or assistance. To attempt to reduce suicidal behavior and its impact on scholars and families, CCS has developed measures and strategies for suicide prevention, intervention, and postvention.

In developing measures and strategies for use by the school, CCS has consulted with school health professionals, school counselors, school psychologists, school social workers, administrators, other staff, learning coaches, scholars, local health agencies, mental health professionals, and community organizations.

Prevention and Instruction

Suicide prevention strategies may include, but not be limited to, efforts to promote a positive school climate that enhances scholars’ feelings of connectedness with CCS and is characterized by caring staff and harmonious interrelationships among scholars.

CCS’s instructional and scholar support program shall promote the healthy mental, emotional, and social development of scholars including, but not limited to, the development of problem-solving skills, coping skills, and resilience.

The President & CEO or designee may offer learning coaches education or information which describes the severity of the youth suicide problem, CCS’s suicide prevention efforts, risk factors and warning signs of suicide, basic steps for helping suicidal youth, reducing the stigma of mental illness, and/or CCS and community resources that can help youth in crisis.

CCS’s instructional curriculum may include information about suicide prevention, as appropriate or needed, taking into consideration the grade level and age of the students. If offered or included in CCS’s instructional curriculum, suicide prevention instruction shall be designed to help students:

1. Identify and analyze signs of depression and self-destructive behaviors and understand how feelings of depression, loss, isolation, inadequacy, and anxiety can lead to thoughts of suicide.
2. Identify alternatives to suicide and develop coping, self-esteem, and resiliency skills.
3. Learn to listen, be honest, share feelings, and get help when communicating with friends who show signs of suicidal intent.
4. Identify trusted adults, CCS resources, and/or community crisis intervention resources where youth, including those at high risk, such as youth bereaved by suicide; youth with disabilities, mental illness, or substance use disorders; youth experiencing homelessness or in out-of-home settings such as foster care; and lesbian, gay, bisexual, transgender, or questioning youth can get help and

recognize that there is no stigma associated with seeking mental health, substance abuse, gender identity, or other support services.

Staff Development

Suicide prevention training for staff will be provided and be designed to help staff identify and find help for students at risk of suicide. The training may be offered under the direction of a CCS counselor/psychologist and/or in cooperation with one or more community mental health agencies.

Materials for training shall include how to identify appropriate mental health services at the school site and within the community, and when and how to refer youth and their families to those services. Materials also may include programs that can be completed through self-review of suitable suicide prevention materials.

Staff development shall include research and information related to the following topics:

1. The higher risk of suicide among certain groups, including, but not limited to, scholars who are bereaved by suicide; scholars with disabilities, mental illness, or substance use disorders; scholars who are experiencing homelessness or who are in out-of-home settings such as foster care; and scholars who are lesbian, gay, bisexual, transgender, or questioning youth;
2. Research identifying individual risk factors such as previous suicide attempt(s) or self-harm, history of depression or mental illness, family history of suicide or violence, feelings of isolation, interpersonal conflicts, a recent severe stressor or loss, family instability, impulsivity, and other factors;
3. Warning signs that may indicate depression, emotional distress, or suicidal intentions, such as changes in scholars' personality or behavior and verbalizations of hopelessness or suicidal intent;
4. Protective factors that may help to decrease a person's suicide risk, such as resiliency, problem-solving ability, access to mental health care, and positive connections to family, peers, school, and community;
5. Research-based instructional strategies for teaching the suicide prevention curriculum and promoting mental and emotional health;
6. CCS and community resources and services, including resources and services that meet the specific needs of high-risk groups;
7. CCS procedures for intervening when a scholar attempts, threatens, or discloses the desire to die by suicide.
8. Materials approved by CCS for training shall include how to identify appropriate

mental health services, both at CCS and within the larger community, and when and how to refer youth and their families to those services.

9. Materials approved for training may also include programs that can be completed through self-review of suitable suicide prevention materials.

Intervention

Scholars shall be encouraged to notify a teacher, administrator, counselor, or other adult when they are experiencing thoughts of suicide or when they suspect or have knowledge of another scholar's suicidal intentions.

Every statement regarding suicidal intent shall be taken seriously. Whenever a staff member suspects or has knowledge of a scholar's suicidal intentions based on the scholar's verbalizations or act of self-harm, he/she shall promptly notify the President & CEO or school counselor.

Although any personal information that a scholar discloses to a school counselor shall generally not be revealed, released, referenced, or discussed with third parties, the counselor and President & CEO shall report to the scholar's learning coach when he/she has reasonable cause to believe that disclosure is necessary to avert a clear and present danger to the health, safety, or welfare of the scholar. In addition, the counselor may disclose information of a personal nature to psychotherapists, other health care providers, or the school nurse for the sole purpose of referring the scholar for treatment. The school counselor or President & CEO may also refer the scholar to mental health resources at CCS or in the community.

CCS shall ensure a school employee acts only within the authorization and scope of his/her credential or license. Nothing in this Policy shall be construed as authorizing or encouraging a CCS employee to diagnose or treat mental illness unless he/she is specifically licensed and employed to do so. .

When a suicide attempt or threat is reported, the President & CEO or designee shall ensure scholar safety by taking the following actions:

1. Immediately securing medical treatment and/or mental health services as necessary;
2. Notifying law enforcement and/or other emergency assistance if a suicidal act is being actively threatened;
3. Keeping the scholar under continuous adult supervision until the learning coach and/or appropriate support agent or agency can be contacted and has the opportunity to intervene;
4. Removing other scholars from the immediate area as soon as possible.
5. Designating specific individuals to be promptly contacted, for example, the CCS counselor, psychologist, nurse, other administrator, and/or the scholar's learning

coach, and, as necessary, local law enforcement or mental health agencies.

6. The President & CEO or designee shall document the incident in writing, including the steps that the school took in response to the suicide attempt or threat.
7. The President & CEO or designee shall follow up with the learning coach and scholar in a timely manner to provide referrals to appropriate services as needed. If the learning coach does not access treatment for the scholar, the President & CEO or designee may meet with the learning coach to identify barriers to treatment and assist the family in providing follow-up care for the scholar. If follow-up care is still not provided, the President & CEO or designee shall consider whether he/she is required, pursuant to laws for mandated reporters of child neglect, to refer the matter to the local child protective services agency.
8. Provide access to counselors or other appropriate personnel to listen to and support scholars and staff who are directly or indirectly involved with the incident.
9. Provide an opportunity for all who respond to the incident to debrief, evaluate the effectiveness of the strategies used, and make recommendations for future actions.

Postvention

In the event a suicide occurs or is attempted by a CCS scholar, the President & CEO or designee shall follow the crisis intervention procedures contained in CCS's safety plan. The President & CEO or designee shall communicate with the scholar's learning coach to offer condolences, assistance, and resources. After consultation with the President & CEO or designee and the scholar's learning coach about facts that may be divulged in accordance with the laws governing confidentiality of scholar record information, the President & CEO or designee may provide scholars, learning coaches, and staff with information, counseling, and/or referrals to community agencies as needed. CCS staff may receive assistance from CCS counselors or other mental health professionals in determining how best to discuss the suicide or attempted suicide with scholars.

The President & CEO shall implement procedures to address scholars' and staff's grief and to minimize the risk of further suicides or crises. He/she shall provide scholars, learning coaches, and staff with information, counseling, and/or referrals to community agencies as needed. School staff may receive assistance from school counselors or other mental health professionals in determining how best to discuss the suicide or attempted suicide with scholars.

III. PUBLIC HEARING

A. Local Control Accountability Plan (LCAP) Presentation

Mr Lewis shared an overview of the 2017-18 Local Control Accountability Plan and Annual Update (LCAP). There has been a lot of change at CCS this year, from a rebrand to the selection of a new curriculum and systems. Based on these changes, and with input from our stakeholders, we will be using the 2017-18 year to create a baseline for which we can then improve. We will focus our efforts on increasing academic achievement, increasing engagement, and effectively implementing our new curriculum.

B. 2017-18 Annual Budget Presentation

Mr. Lewis shared an overview of the proposed 2017-18 operating budget. Revenue is based on 100% funding for both Compass Charter Schools of Fresno and Compass Charter Schools of Los Angeles, and 85% funding for Compass Charter Schools of San Diego. Revenue is also based on an overall enrollment of 1,100 scholars at 97% ADA. Expense projections are also based on 1,100 scholars and were examined line by line to current year spending. We are projecting a \$1.5 million deficit based on these projections. Factors include the 85% funding level for CCS of San Diego, and conservative enrollment numbers.

Total Cost, Realized Gain (Loss), and holding period information may not reflect all adjustments necessary for tax reporting purposes. Tax payers should verify such information against their own records when calculating reportable gain or loss resulting from a sale, redemption, or exchange. JPMS reports only gains or losses for certain securities to the IRS. Please contact your Tax Advisor for additional information as neither JPMS nor its affiliates provide tax advice. JPMS makes no warranties with respect to, and specifically disclaims any liability arising out of a customer's use of, or any tax position taken in reliance upon, such information. Unless otherwise noted, the cost basis reflected at the time of sale in your account is based on the first-in, first-out (FIFO) method. Proceeds information excludes accrued interest.

Investment products and services reflected herein are offered through J.P. Morgan Securities LLC (JPMS), a member of FINRA and SIPC. JPMS is an affiliate of JPMorgan Chase Bank, N.A.

Important Information For Clients Holding Restricted Securities:

Restricted Securities (typically noted as "Restricted" or "RSTD" in the security description) have not been registered under the Securities Act of 1933 and may not be "freely traded." Since restricted securities are subject to certain restrictions which may render them illiquid or less liquid than freely-tradeable shares, there can be no assurance a secondary market exists. While we typically use the value of the registered/unrestricted security of the same issuer and same class for statement (and other) reporting purposes, the price realizable in a sale of the securities may be less than the "Market Value" indicated and could be zero. No attempt has been made to independently value the specific security subject to its restriction. Additionally, inclusion of pricing of these holdings will result in the aggregated value of your portfolio as reflected on this report being overstated by an amount equal to the difference (if any) between the value of the freely-traded underlying security and the actual value of your restricted shares. For additional information on pricing, please see "Market Prices" on the back of your account statement.

FINRA Disclosure

As part of the Financial Industry Regulatory Authority (FINRA) Investor Education Program, you may obtain information on FINRA's Public Disclosure Program by contacting FINRA at telephone number (800) 289-9999 or via the internet address which is www.finra.org. In addition, a brochure explaining the Public Disclosure Program is available from FINRA upon request.

Reporting any Inaccuracy or Discrepancy in your Account:

You are advised to promptly report any inaccuracy or discrepancy in your account to your broker and J.P. Morgan Securities LLC (JPMS LLC) at the telephone numbers listed. In order to protect your rights, including any rights under the Securities Investor Protection Act ("SIPA"), any such communications should be reconfirmed in writing to your broker /financial service professional or financial advisor and JPMS LLC. JPMS LLC contact information: telephone number (800) 634-1428 or (347) 643-9953 or write to J.P. Morgan Securities LLC Attn: Client Services Operations, Four Chase Metrotech Center, Brooklyn, NY 11245

Important Information Regarding Auction Rate Securities (ARS):

ARS are debt or preferred securities with an interest or dividend rate reset periodically in an auction. Although there may be daily, weekly and monthly resets, there is no guarantee that there will be liquidity. If there are not enough bids at an auction to redeem the securities available for sale, the result may be a failed auction. In the event of a failed auction, there is no assurance that a secondary market will develop or that the security will trade at par or any other price reflected on statements. Accordingly, investors should not rely on pricing information appearing in their statements with respect to ARS. Where JPMS was unable to obtain a price from an outside service for a particular ARS, the price column on your statement will indicate "unpriced".

Margin Account:

If you are a customer with a margin account, you consent to JP Morgan's right (to the extent permitted by applicable law) to use, lend or pledge any securities held by JPMS in your margin account. In certain circumstances, such loans or other use may limit, in whole or in part, your ability to receive dividends directly from the issuing company and/or your right to exercise voting and other attendant rights of ownership with respect to the loaned, sold or pledged securities. Such circumstances include, but are not limited to, loans of securities that you own in your margin account that continue over record dates for voting purposes and ex-dividend dates for dividend distributions. If you do not receive dividends directly from the issuing company, you may receive payments-in-lieu of dividends which could cause you to lose the benefit of the preferential tax treatment accorded to dividends.

Compass Connection

Summer 2017 Issue | Working Together for School Success

A Word From Our President & CEO

Greetings CCS Family!

Thank you for an amazing year. As the 2016-17 academic year comes to a close, I cannot help but reflect on the great year we have had. The educational experience has grown on a number of fronts, for our scholars, learning coaches and staff.

This year alone, we have increased our services and supports for scholars, from Learning Labs to Q & A sessions using Adobe Connect, to new supports for our learning coaches with our Learning Coach Lounge. We have also increased our engagement activities, from field trips to enrichment events and more. We hosted inaugural 8th Grade Promotion Ceremonies and celebrated our graduating seniors at Graduation Banquets.

We have also solicited feedback from our stakeholders through a number of surveys. My thanks and appreciation to everyone who recently participated in our 2017-18 Planning Survey! The data will help us continue to grow and expand our program and opportunities for scholars. One point of personal pride is the changes we have started to make for the upcoming year, from new curriculum to launching an AVID Program. I am proud that our entire team puts the needs of our scholars first.

I hope everyone finishes the year strong, enjoys a great summer, and returns to CCS in the fall. I can promise you will not be disappointed with the growth and our continued commitment to providing a robust educational experience for our scholars. Thank you for being part of the CCS family!

Sincerely Yours,

J.J. Lewis

ELEMENTARY SCHOOL ONLINE

Greetings Compass Families!

It was an exciting Spring Semester at Compass! The Elementary School Online program is growing by leaps and bounds. I am truly impressed by all of the scholars' great work! Students attended field trips, live sessions, and completed class projects. A few highlights have been the Great Kindness Challenge, The Week of Code, Success Academy, and The Spring Break Family Art Project.

In the classroom, teachers hosted a comprehensive test preparation program and many scholars participated to show just how smart they are. This year, our elementary school teachers led incredible live sessions with their scholars! Some highlights include, group readings of novels, writing lessons, and virtual physical education classes.

We also have some special plans to look forward to next year! We will introduce several new curriculum choices that will offer a more personalized, interactive, and project based learning experience for our elementary scholars. To learn more about our programs watch our Curriculum Choice meeting- <http://tinyurl.com/ybcue48g>.

We are thankful at Compass Charter Schools for all of our families, and we appreciate all that you do for your children!

MIDDLE SCHOOL ONLINE

Happy Summer!

We recently hosted several significant events to close out the 2016-2017 school year for our scholars, including high school graduation and eighth grade promotion ceremonies,

5th grade virtual orientation sessions to get our 5th grade scholars ready for Middle School, and a variety of enrichment events.

As the school year winds down, scholars have worked very hard to complete all of the coursework in their classes. Congratulations to all the scholars who pushed through, worked diligently, and passed their classes. The end of the school year is a great time to reflect on this year's successes and failures, and create a plan for the next school year. With that said, I wish you a restful summer, full of new learning experiences and we will see you in September!

-Melissa Blitzstein, Middle School Coordinator

Projects & Accomplishments

- **ASTRONAUT TRAINING!** In Life Sciences, 6th grade scholars learned all about space as they went on a virtual journey through astronaut training! Scholars were tested on a series of questions involving scientific knowledge, experience, physical fitness, and shuttle operations knowledge.

- The 6th grade math scholars reviewed statistical data and created appropriate tables and plots in order to easily understand, analyze, and make conclusions about various real-life situations.

Create a graph that best displays the following data from Dakota's fo

Lap Number	1	2	3	4	5	6
Time (seconds)	71	81	75	88	75	82

- It's time for a history lesson! In 7th grade social studies, scholars created a collage that compared China and Japan during the Middle Ages in the areas of customs, geography, history, and religion. They then wrote about the purpose for their choices as it related to each area. Here is [one example](#), showing how one scholar created hers by hand. Here is [another example](#), showing a digital collage.
- **WE LOVE OUR PETS!** Our 7th grade team held a Parade O' Pets Fun Friday where scholars shared about their pets through webcams and pictures. It was a great time for scholars to interact with their peers and teachers. [Click here](#) to watch!

- Turning math into writing! In 7th grade math, scholars have been working on finding the area of different shapes and one of their assignments was to create a garden plot and then find its area.

Studying Genetics

Mouaad N., is rising to the top of his class! Here he is showing off his investigation of genetics, using Play-Doh to show the probability of trait inheritance.

The 8th grade scholars engaged in a complex and challenging unit project to research, design, build, test, and collect data on a solar oven. Check out a scholar's awesome design! [Click here.](#)

HIGH SCHOOL ONLINE

Hello Compass!

I can't believe it is already June! We had so many incredible things happen at Compass this year, especially at the High School. Scholars finished the CAASPP testing for this year, and took the Smarter Balanced Assessment Consortium (SBAC) along with other state tests to demonstrate all that they learned this year.

Our science team did a wonderful job organizing our science wet labs this year! The scholars were engaged and enjoyed working together while participating in these fun labs. Next year, our science teachers will continue to provide fun, hands-on wet labs to help scholars earn A-G approved lab credits.

Of course, as we end the school year, I would like to congratulate our Class of 2017 graduates! I wish them the best as they move on to the next journey in their lives. Best wishes and good luck!

I look forward to continuing to work with our outstanding Compass families next year. I hope you all enjoy your summer and will see you in September!

Projects & Accomplishments

- Our National Honor Society (NHS) induction ceremony was a success! In March, Compass held their NHS induction ceremony, which was followed by a dinner that was organized by our NHS Advisor, Mr. Derek Yip. NHS also participated in the Susan B. Komen Race for the Cure Walk to fight Breast Cancer this past March at Dodger's Stadium!

- Scholars can (and should) become voters! In April, Compass scholars Gillian B, Kevin F, and Sabella H, volunteered to serve as Voter Outreach Coordinators during High School Voter Education Weeks. The coordinators reached out to other scholars to promote and encourage voter pre-registration. Thank you all for your efforts and teaching of this great California initiative!

- Maritza C, a CCS high school graduate, was recently promoted to permanent Recreational Leader/Naturalist for the Los Angeles County Parks and Recreation department at Deane Dana Friendship Park and Nature Center in San Pedro. She enjoys giving all of her nature guides. She even solely cares for a rescued owl. Her love of nature and caring for animals is evident. Thank you for your hard work, Maritza!

Scholar Story by George A.

I chose CCS because I needed a school where I could work at my own pace and still get live help along the way. I liked this school a lot from the very beginning because when I tried it out for a couple of weeks, it had a little bit of both independence and actual help from teachers. I especially love the teachers and how they are always so dedicated to helping/answering questions right away. They reply within a day whether through email, text, or social media. The teachers are active on social media and so quick to help that they do everything in their power until I would understand the question. I really feel comfortable with the teachers and

my counselor and the point where they have become a big part of my life.

I love this online school because I have my own schedule, free time to focus on my passion, can take breaks anytime, and with the help the teachers give, I just want to be online all day and do work. A little secret: While nothing can replace my elementary experience, I've actually come to love this school more than my public middle school... and don't think any other public school could be as involved into every student as CCS ;) The projects for many classes are also really fun. My teacher for one of my classes was so nice, she let me make a full-on short film for the assignment. I feel like with this school, the teachers give kids the creative freedom to work the way they are most familiar with. I wouldn't change my education here at CCS for anything!

- George A. just completed the 9th grade

NOTES FROM OPTIONS

Happy June, Options families!

I hope you are enjoying all the learning that we see going on in your homes and out in the world. The EFs and I love talking with you about your learning and seeing your videos, pictures, and work samples in Seesaw. Great stuff going on!

Now that CAASPP testing is over, a special thank you to those scholars who completed their testing!

It was an amazing year for the premier of the Options Program, and we are grateful you have been here to spend it with us. As we welcome the summer, I want to congratulate each and every scholar as you move to the next stepping stone of your educational journey. And an extra special virtual hi-five to you seniors who graduated and will be moving on to your life's next adventure. Way to go, scholars!

A Learning Coach's Perspective

We interviewed Danielle Arnheiter, mom of scholar Sage Arnheiter, about her homeschooling adventure so far.

How long have you been homeschooling?

This is my first year homeschooling, and I love it so far!

What is one of your favorite parts about homeschooling?

My favorite part about homeschooling is the flexibility we have to complete assignments. If Sage has a doctor's appointment or is sick she can make it up in the evening or on another day. I also love being involved in Sage's education and choosing the materials to use that best suit her learning style. We have so many choices and resources, which make learning for Sage engaging and fun.

What would you say the greatest benefit of homeschooling has been for your family?

Sage had a difficult time in elementary school with girls bullying her, so getting her out of that environment has been the greatest benefit for her and her self-esteem. She is also more involved and excited about learning because of the hands-on materials she has access to.

Is there anything you'd like to add?

Homeschool has really benefited our entire family. I recommend CCS to everyone that is considering homeschool. We are wondering why we didn't do this sooner!

NOTES FROM COUNSELING

- Senior scholar, Karina V., started the Spring 2017 semester needing over 30 credits to graduate (11 classes!). Some would think it was impossible but with extra effort, hard work, and determination, the scholar has completed seven classes so far, has two class in progress, and anticipates completing their last two classes by June! Way to go!
- MaryRegina P, found herself pretty behind in coursework. She planned out the rest of her semester by organizing her Google Calendar with assignments by color/class to catch up on her work. Her commitment to planning and not getting overwhelmed is commendable! Graduation is in the midst!
- Congratulations to Priscilla N., Trinity S., Michael V., Gerado V., Sophia L., and Jackson H., for passing the California High School Proficiency Examination (CHSPE).
- Congratulations to Raelyn A., Sabella H., Adam O., Kennedy F., Ethan D., and Kaysey G., our CCS scholars who who took an AP exam this spring.

- **Stress workshop** - In April, the counseling services department also hosted a workshop, Help! I'm Stressed! to talk candidly about stress and healthy coping strategies with scholars. If you missed the workshops, please see the recorded versions below:

Finance Committee Report
June 26, 2017

The Finance Committee met on Tuesday, April 18, Tuesday, May 16 and Tuesday, June 20 at 2 pm. Members of the committee consist of Mr. Joe Cummings and Dr. Kathy Granger (Committee Chair), both of whom were present at each meeting. Mr. J.J. Lewis, President & CEO, serves as an ex-officio member and Mr. Miguel Aguilar, Executive Assistant to the CEO, serves as secretary; both were present at each meeting. Lisa Fishman, Director of Operations, and Scott Warner, School Business from CSMC, were also present at each meeting.

Mr. Lewis provided highlights from the Staff Report (the entire Staff Report can be found online, in our April, May and June Finance Committee Meeting Packets):

2016-17 Audit

Christy White Associates were on-site on Thursday, April 20 to begin work on our 2016-17 audit. They reviewed attendance compliance, as well as HR compliance. Once we close the books, they will return to review our financial compliance.

2016-17 Funding Update

The Advisory Commission on Charter Schools met on Wednesday, June 7 to consider our Funding Determination Forms and approved the CDE recommendation. The California Department of Education, Charter Schools Division, issued a positive recommendation of 100% funding for three (3) of our charters: AAS Sonoma, CCS of Fresno, and CCS of LA; and 85% for AAS Thousand Oaks & Simi Valley and CCS of San Diego. This funding is retroactive for the current year, and for the upcoming 2017-18 school year. The next and final step is action by the State Board of Education, which is scheduled for July 12 & 13.

Charter School Development Center Charter Business Officer Training Program

Lisa Fishman, Director of Operations, and J.J. Lewis, President & CEO, completed COB training through the CSDC. They will both become certified once they submit key assignments, which are due by the end of July. Training topics included attendance accounting, budget development and monitoring, charter school auditing, personnel & labor, and more. This was a three (3) month program with both in-person and online modules.

Mr. Lewis led the committee in a review of the 2015 Form 990 during the April meeting. He shared that the information is from July 1, 2015 through June 30, 2016 and that the Form 990 was completed by Christy White Associates. The Form 990 has been filed and also posted to our Guidestar profile.

Mr. Lewis led the committee in a review of the Executive Compensation Study at both the May and June meetings. He shared a spreadsheet based on data gathered from the California Charter Development School's Charter Business Officer cohort, a spreadsheet

with data from charters authorized by Acton Agua-Dulce USD, a spreadsheet with data from charters authorized by Mountain Empire USD, and a spreadsheet with three comparable charters based on data from Transparency California. He noted that the salary and compensation information was from three years ago, and made the assumption of an annual increase of 5%. Mr. Cummings asked that the assumption be changed to an annual increase of 3%, Dr. Granger concurred.

Mr. Lewis and Mr. Scott Warner, School Business Manager from CSMC, led the committee in a review of the proposed 2017-18 operating budget at both the May and June meetings. Revenue is based on 100% funding for both Compass Charter Schools of Fresno and Compass Charter Schools of Los Angeles, and 85% funding for Compass Charter Schools of San Diego. Revenue is also based on an overall enrollment of 1,100 scholars at 97% ADA. Expense projections are also based on 1,100 scholars and were examined line by line to current year spending. We are projecting a \$1.5 million deficit based on these projections. Factors include the 85% funding level for CCS of San Diego, and conservative enrollment numbers.

The Finance Committee voted unanimously to recommend approval to the full Board of Directors the 2017-18 operating budget.

Mr. Lewis and Mr. Warner walked the committee through the Balance Sheet and Year to Date Actual to Budget Detail at each meeting.

The Finance Committee will reconvene at the start of the 2017-18 school year.

Respectfully Submitted,

Dr. Kathy Granger
Board Treasurer &
Finance Committee Chair

All-Staff Retreat

We will be hosting our annual in-person All-Staff Retreat at Paradise Point in San Diego from Monday, July 31 through Friday, August 4. Training will focus on the new StrongMind system, with some opportunity for department and division training. There are several evening social activities planned as well. Celebrations

At our Annual Meeting on Monday, June 26, we will present the Certificated Employee of the Year Award to Kasey Bentley, Head High School Advisor, and Classified Employee of the Year Award to David Brasch, IT Coordinator. We will also present the Employee of the Year. Staff nominated their peers throughout May, and our 2016 honorees read through the nominations and selected our 2017 honorees and honorable mentions.

Mr. Lewis shared an overview of the draft 2017-18 Employee Handbook at the April meeting. He walked the committee through various highlights and key updates that ensure legal compliance. Once approved by the Personnel Committee, a final vote to approve the handbook will take place by the full Board of Directors at their June 26 Annual Meeting.

The Personnel Committee voted unanimously to recommend approval to the full Board of Directors the 2017-18 Employee Handbook.

The Personnel Committee went into Closed Session at its June meeting, to review the Performance Evaluation of the President & CEO. The Committee was pleased to hear the positive feedback on the President & CEO from the CEO Evaluation. They are very satisfied with Mr. Lewis' performance as President & CEO and look forward to his leadership in the future.

Mr. Lewis shared background on the At-Will Employment Agreement at the June meeting, which was drafted by legal counsel to comply with Ed Code and IRS regulations. There was also mention of audit guidelines to ensure the process meets all legal standards. The Personnel Committee declined action, deferring to the full Board of Directors at their next regularly scheduled meeting on Monday, June 26.

BACKGROUND:

The Local Control and Accountability Plans (LCAPs) for our three (3) schools is new for 2017-18. With the change in curriculum, Scholar Information System, and Learning Management System, it was decided to create a new baseline by which to measure our ability to increase scholar academic achievement and increase scholar and parent engagement. We involved all of our stakeholders to plan our LCAPs. The first opportunity for feedback was through our 2017-18 Planning Survey, which was administered through SurveyMonkey and sent to our scholars, learning coaches, staff, board and authorizers. The survey was open for a month. The second opportunity for feedback was two-fold with our LCAPs Planning Team, which consists of our coordinators, managers, directors and President & CEO. This group shared feedback in Workplace by Facebook, our internal Intranet. They also spent a day at our Central Office discussing 2016-17 year results, reviewing survey data and planning the 2017-18 year. The Board of Directors, along with our entire community, had one final opportunity to provide additional feedback during our recent Public Hearing.

RECOMMENDATION:

A motion to adopt the 2017-18 Local Control Accountability Plans for Compass Charters Schools.

2017-18 Plan Summary

The Story

Briefly describe the students and community and how the LEA serves them.

Compass Charter Schools (CCS) of Fresno is an exclusively virtual charter school, serving scholars who reside in Fresno County and its adjacent counties. The mission of CCS is inspire and develop innovative, creative, self-directed learners, one scholar at a time, and our vision is to create a collaborative virtual learning community, inspiring scholars to appreciate the ways in which arts and sciences nurture a curiosity for life-long learning, and prepare scholars to take responsibility for their future success. We support our scholars, learning coaches, staff and community through our key values: Achievement, Communication, Integrity, Respect, and Teamwork.

CCS serves over 100 scholars. Based on our 2016-17 P2 data, our scholar population consists of 66% socioeconomically disadvantaged, 1% English language learners, and 7% special education.

LCAP Highlights

Identify and briefly summarize the key features of this year's LCAP.

There has been a lot of change at CCS this year, from a rebrand to the selection of a new curriculum and systems. Based on these changes, and with input from our stakeholders, we will be using the 2017-18 year to create a baseline for which we can then improve.

We will focus our efforts on increasing academic achievement, increasing engagement, and effectively implementing our new curriculum.

Review of Performance

Based on a review of performance on the state indicators and local performance indicators included in the LCFF Evaluation Rubrics, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

Greatest Progress

There is much to be proud of at CCS this year. We brought on additional staff in key areas to support our scholars: a Scholar Engagement Coordinator to manage and promote field trips, enrichment activities and scholar-led clubs; and a Scholar Intervention Coordinator to manage our academic intervention program to support scholars and their success within our school.

We increased our Special Education Department by two (2) FTE, allowing CCS to provide SAI services to our scholars as opposed to a third-party agency.

Globally we enhanced our communication with scholars and learning coaches, to assist them in their success with our virtual program. We increased our live instruction, using AdobeConnect, along with other supports for scholars. Our courses were accredited by the NCAA due to our increase in live sessions with scholars.

Referring to the LCFF Evaluation Rubrics, identify any state indicator or local performance indicator for which overall performance was in the “Red” or “Orange” performance category or where the LEA received a “Not Met” or “Not Met for Two or More Years” rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

Greatest Needs

The greatest need for CCS is to set a baseline for the 2017-18 year. This LCAP is meant to ensure support for our scholars in the upcoming school year while also tracking the supports we provide to the success our scholars achieve. As we have changed our system almost entirely, the need for a baseline exists to ensure we are gathering the necessary data points to best serve our scholars.

Referring to the LCFF Evaluation Rubrics, identify any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. What steps is the LEA planning to take to address these performance gaps?

Performance Gaps

Based on the California School Dashboard, CCS does not have any performance gaps reported for any scholar group. However, we do see the need to create a baseline to measure ourselves in the 2017-18 school year and for future years.

Increased or Improved Services

If not previously addressed, identify the two to three most significant ways that the LEA will increase or improve services for low-income students, English learners, and foster youth.

CCS will enhance our supports for scholars who are identified as low-income, English language learners, and/or foster youth through greater tracking with our new scholar information system. Every member of staff will have access to the new SIS with flags and alerts to help differentiate a portion of the unique needs our scholars may have. We will also be bringing on two (2) Scholar Success Coordinators, to assist with the individual support needs of our scholars. We are also bringing on a Family Engagement Coordinator, whose role is to provide programming to support our learning coaches.

Continue with informational sessions for all high school families including graduation requirements, testing information, transcript review, credit recovery options, and college/career path information. These sessions will be developed by teachers, advisors, and counselors in a collaborative effort to increase scholar engagement.

Actual

Academic reviews were conducted two (2) times per year by our Counseling Services Department. They also provided information on our Accelerated Course Options Program (ACOP) for scholars who were eligible to advance academically or re-mediate unearned credits. Our counselors met with each high school scholar to develop a course planner/four (4)-year personalized educational plan, and included information on our concurrent enrollment and summer school options. They also implemented Naviance for our high school scholars. Additionally, our high school teachers provided individualized pacing plans to scholars to accommodate scholar credit recovery and ACOP efforts. Our Special Education Department also provided SAI instruction to all scholars who had SAI in their IEP.

Expenditures

Budgeted	\$28,000.00
Estimated Actual	\$28,000.00

Action 2	<u>Monitor weekly attendance</u>
---------------------	----------------------------------

Implementation

In middle, our Middle School Coordinator sent quarterly progress reports to scholars and their learning coaches in addition to the weekly reports that were sent by our teachers. In high, in addition to weekly and quarterly reports, our High School Coordinator sent quarterly "Disengaged/At-Risk" letters to affected families. Our Special Education Department shared weekly reminders to scholars about SAI sessions and our Morning Starter and Scholar Resource Center hours. They also sent quarterly process reports of progress on IEP goals, in addition to holding initial, annual, triennial and addendum IEP meetings.

N/A

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

This goal is being revised for the 2017-18 year. As Compass Charter Schools continues to evolve, changes are necessary to create a baseline to measure our work to serve our scholars. One of the major changes for the upcoming school year is the implementation of a new curriculum provider, which will also provide a new Scholar Information System and Learning Management System.

Our new goals for the 2017-18 year are to increase scholar academic achievement and increase scholar and parent engagement.

Goal 2 Increase academic achievement

Stakeholder Engagement

LCAP Year 2018-19

Involvement Process for LCAP and Annual Update

How, when, and with whom did the LEA consult as part of the planning process for this LCAP/Annual Review and Analysis?

Compass Charter Schools of Fresno involved all of our stakeholders to plan our LCAP. The first opportunity for feedback was through our 2017-18 Planning Survey, which was administered through SurveyMonkey and sent to our scholars, learning coaches, staff, board and authorizer. The survey was open for a month. The second opportunity for feedback was two-fold with our LCAP Planning Team, which consists of our coordinators, managers, directors and President & CEO. This group shared feedback in Workplace by Facebook, our internal Intranet. They also spent a day at our Central Office discussing 2016-17 year results, reviewing survey data and planning the 2017-18 year. The Board of Directors, along with our entire community, had one final opportunity to provide additional feedback during our Public Hearing.

Impact on LCAP and Annual Update

How did these consultations impact the LCAP for the upcoming year?

These consultations with all of our stakeholders informed all of our goals and actions for the upcoming year.

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year 2017-18

Estimated Supplemental and Concentration Grant Funds	\$117,675.00
--	--------------

Percentage to Increase or Improve Services	10 %
--	------

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Our supplemental and concentration grants funds will be targeted to increase our supports for our scholars who are socioeconomically disadvantaged, English language learners, and foster youth. One immediate enhancement to our supports is a single SIS/LMS which would allow our staff to better track and support our scholars. We are also bringing on two Scholar Success Coordinators who will help identify and provide services for our scholars. Professional development and training for our staff will be a monthly focus as well, using i-Ready data and additional data points to provide individualized supports for our scholars.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds

1.1 Communication

Teachers will provide scholars with timely, specific feedback within 72 hours of work submission. Teachers will conduct parent/teacher conferences at allotted times throughout the school year.

1.2 Response to Intervention

Teachers and coordinators will use the results from the i-Ready Diagnostic Test to provide additional and targeted supports to scholars per their i-Ready results.

1.3 Professional Development

Teachers will receive professional development to ensure strong implementation of the new StrongMind curriculum at various points during the school year. Scholars and learning coaches will also receive training and supports throughout the year. Teachers will receive professional development on how to identify scholar support and utilize intervention strategies to support those scholars so they are successful in our virtual program. Teachers will receive professional development on how to analyze and utilize data from i-Ready, SBAC and the LMS to drive instruction and intervention. The goal is to build a data-driven culture throughout the school to best support the educational needs of our scholars. Professional development will be mapped out in a timeline from the beginning of the year and continually assessed throughout the school year.

1.4 Educational Planning

Scholars will receive individualized planning from counseling services in meeting A-G requirements. Implementation of AVID at the high school level to increase college and career readiness. College and career readiness curriculum will be implemented through multiple modalities. The high school program will also include support programs such as Naviance and concurrent enrollment options for high school scholars.

1.5 Attendance Rates

CCS will collect data to set a baseline for attendance, graduation, and dropout rates as a way to work towards improvement. CCS will also set a baseline for course completion rates in grades 9-12 as a way to work towards improvement in future years.

2.4 Learning Coach Involvement

Parents will be invited to serve on our Parent Advisory Council, which provides meaningful feedback to senior staff and the Board of Directors on ways to improve the educational experience. Parents will also be given opportunities to attend training for the new StrongMind LMS to ensure successful Learning Coach training of the new system. Parents, Learning Coaches, and scholars will also be invited to a "Welcome Back Night" before the school year begins. Local Control Accountability Plan and Annual Update (LCAP) Template

2017-18 Plan Summary

The Story

Briefly describe the students and community and how the LEA serves them.

Compass Charter Schools (CCS) of Los Angeles is an exclusively virtual charter school, serving scholars who reside in LA County and its adjacent counties. The mission of CCS is inspire and develop innovative, creative, self-directed learners, one scholar at a time, and our vision is to create a collaborative virtual learning community, inspiring scholars to appreciate the ways in which arts and sciences nurture a curiosity for life-long learning, and prepare scholars to take responsibility for their future success. We support our scholars, learning coaches, staff and community through our key values: Achievement, Communication, Integrity, Respect, and Teamwork.

CCS serves over 500 scholars. Based on our 2016-17 P2 data, our scholar population consists of 60% socioeconomically disadvantaged, 1% English language learners, and 9% special education.

LCAP Highlights

Identify and briefly summarize the key features of this year's LCAP.

There has been a lot of change at CCS this year, from a rebrand to the selection of a new curriculum and systems. Based on these changes, and with input from our stakeholders, we will be using the 2017-18 year to create a baseline for which we can then improve.

We will focus our efforts on increasing academic achievement, increasing engagement, and effectively implementing our new curriculum.

Review of Performance

Based on a review of performance on the state indicators and local performance indicators included in the LCFF Evaluation Rubrics, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

Greatest Progress

There is much to be proud of at CCS this year. We brought on additional staff in key areas to support our scholars: a Scholar Engagement Coordinator to manage and promote field trips, enrichment activities and scholar-led clubs; and a Scholar Intervention Coordinator to manage our academic intervention program to support scholars and their success within our school.

We increased our Special Education Department by two (2) FTE, allowing CCS to provide SAI services to our scholars as opposed to a third-party agency.

Globally we enhanced our communication with scholars and learning coaches, to assist them in their success with our virtual program. We increased our live instruction, using AdobeConnect, along with other supports for scholars. Our courses were accredited by the NCAA due to our increase in live sessions with scholars.

Referring to the LCFF Evaluation Rubrics, identify any state indicator or local performance indicator for which overall performance was in the “Red” or “Orange” performance category or where the LEA received a “Not Met” or “Not Met for Two or More Years” rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

Greatest Needs

The greatest need for CCS is to set a baseline for the 2017-18 year. This LCAP is meant to ensure support for our scholars in the upcoming school year while also tracking the supports we provide to the success our scholars achieve. As we have changed our system almost entirely, the need for a baseline exists to ensure we are gathering the necessary data points to best serve our scholars.

Referring to the LCFF Evaluation Rubrics, identify any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. What steps is the LEA planning to take to address these performance gaps?

Performance Gaps

Based on the California School Dashboard, CCS does not have any performance gaps reported for any scholar group. However, we do see the need to create a baseline to measure ourselves in the 2017-18 school year and for future years.

Increased or Improved Services

If not previously addressed, identify the two to three most significant ways that the LEA will increase or improve services for low-income students, English learners, and foster youth.

CCS will enhance our supports for scholars who are identified as low-income, English language learners, and/or foster youth through greater tracking with our new scholar information system. Every member of staff will have access to the new SIS with flags and alerts to help differentiate a portion of the unique needs our scholars may have. We will also be bringing on two (2) Scholar Success Coordinators, to assist with the individual support needs of our scholars. We are also bringing on a Family Engagement Coordinator, whose role is to provide programming to support our learning coaches.

Goal Analysis

Overall implementation of the actions/services to achieve goal.

We successfully implemented our proposed actions and services to achieve our goal of implementing a universal assessment system. We increased our live learning sessions for scholars, provided specialized and targeted professional development for staff, implemented the i-Ready Diagnostic Test for all scholars and brought on a Scholar Intervention Coordinator.

It should be noted that there were changes in our charter which impacted some of the actual results, including a consolidation of two charters into one, and enrolling a number of scholars from an adjacent county into this charter.

Overall effectiveness of the actions/services to achieve the goal as measured by the LEA.

We were effective with our implementation of our proposed actions and services to meet our goal of implementing a universal assessment system. This was the first year using i-Ready as our diagnostic tool, which saw changes in its deployment throughout the year. Teachers, however, were able to use the results from these assessments to provide additional supports for their scholars. We also created new programs to support our scholars, including Success Academy and Strive for 45, all with the goal of increasing academic achievement through the use of assessment data.

Stakeholder Engagement

LCAP Year 2018-19

Involvement Process for LCAP and Annual Update

How, when, and with whom did the LEA consult as part of the planning process for this LCAP/Annual Review and Analysis?

Compass Charter Schools of Los Angeles involved all of our stakeholders to plan our LCAP. The first opportunity for feedback was through our 2017-18 Planning Survey, which was administered through SurveyMonkey and sent to our scholars, learning coaches, staff, board and authorizer. The survey was open for a month. The second opportunity for feedback was two-fold with our LCAP Planning Team, which consists of our coordinators, managers, directors and President & CEO. This group shared feedback in Workplace by Facebook, our internal Intranet. They also spent a day at our Central Office discussing 2016-17 year results, reviewing survey data and planning the 2017-18 year. The Board of Directors, along with our entire community, had one final opportunity to provide additional feedback during our Public Hearing.

Impact on LCAP and Annual Update

How did these consultations impact the LCAP for the upcoming year?

These consultations with all of our stakeholders informed all of our goals and actions for the upcoming year.

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Our supplemental and concentration grants funds will be targeted to increase our supports for our scholars who are socioeconomically disadvantaged, English language learners, and foster youth. One immediate enhancement to our supports is a single SIS/LMS which would allow our staff to better track and support our scholars. We are also bringing on two Scholar Success Coordinators who will help identify and provide services for our scholars. Professional development and training for our staff will be a monthly focus as well, using i-Ready data and additional data points to provide individualized supports for our scholars.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds

2017-18 Plan Summary

The Story

Briefly describe the students and community and how the LEA serves them.

Compass Charter Schools (CCS) of San Diego is an exclusively virtual charter school, serving scholars who reside in San Diego County and its adjacent counties. The mission of CCS is inspire and develop innovative, creative, self-directed learners, one scholar at a time, and our vision is to create a collaborative virtual learning community, inspiring scholars to appreciate the ways in which arts and sciences nurture a curiosity for life-long learning, and prepare scholars to take responsibility for their future success. We support our scholars, learning coaches, staff and community through our key values: Achievement, Communication, Integrity, Respect, and Teamwork.

CCS serves close to 400 scholars. Based on our 2016-17 P2 data, our scholar population consists of 51% socioeconomically disadvantaged, 3% English language learners, and 9% special education.

LCAP Highlights

Identify and briefly summarize the key features of this year's LCAP.

There has been a lot of change at CCS this year, from a rebrand to the selection of a new curriculum and systems. Based on these changes, and with input from our stakeholders, we will be using the 2017-18 year to create a baseline for which we can then improve.

We will focus our efforts on increasing academic achievement, increasing engagement, and effectively implementing our new curriculum.

Review of Performance

Based on a review of performance on the state indicators and local performance indicators included in the LCFF Evaluation Rubrics, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

Greatest Progress

There is much to be proud of at CCS this year. We brought on additional staff in key areas to support our scholars: a Scholar Engagement Coordinator to manage and promote field trips, enrichment activities and scholar-led clubs; and a Scholar Intervention Coordinator to manage our academic intervention program to support scholars and their success within our school.

We increased our Special Education Department by two (2) FTE, allowing CCS to provide SAI services to our scholars as opposed to a third-party agency.

Globally we enhanced our communication with scholars and learning coaches, to assist them in their success with our virtual program. We increased our live instruction, using AdobeConnect, along with other supports for scholars. Our courses were accredited by the NCAA due to our increase in live sessions with scholars.

Referring to the LCFF Evaluation Rubrics, identify any state indicator or local performance indicator for which overall performance was in the “Red” or “Orange” performance category or where the LEA received a “Not Met” or “Not Met for Two or More Years” rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

Greatest Needs

The greatest need for CCS is to set a baseline for the 2017-18 year. This LCAP is meant to ensure support for our scholars in the upcoming school year while also tracking the supports we provide to the success our scholars achieve. As we have changed our system almost entirely, the need for a baseline exists to ensure we are gathering the necessary data points to best serve our scholars.

Referring to the LCFF Evaluation Rubrics, identify any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. What steps is the LEA planning to take to address these performance gaps?

Performance Gaps

Based on the California School Dashboard, CCS does not have any performance gaps reported for any scholar group. However, we do see the need to create a baseline to measure ourselves in the 2017-18 school year and for future years.

Increased or Improved Services

If not previously addressed, identify the two to three most significant ways that the LEA will increase or improve services for low-income students, English learners, and foster youth.

CCS will enhance our supports for scholars who are identified as low-income, English language learners, and/or foster youth through greater tracking with our new scholar information system. Every member of staff will have access to the new SIS with flags and alerts to help differentiate a portion of the unique needs our scholars may have. We will also be bringing on two (2) Scholar Success Coordinators, to assist with the individual support needs of our scholars. We are also bringing on a Family Engagement Coordinator, whose role is to provide programming to support our learning coaches.

Budget Summary

Total General Fund Budget Expenditures for LCAP Year

\$4,008,458.00

Total funds budgeted for planned actions/services to meet the goals in the LCAP for the 2017-2018 LCAP year

\$2,333,268.00

The LCAP is intended to be a comprehensive planning tool but may not describe all General Fund Budget Expenditures. Briefly describe any of the General Fund Budget Expenditures specified above for the LCAP year not included in the LCAP.

There are general operating needs within the operating budget, including dues and memberships, insurance, lease expenses, professional and consulting services, legal fees and more. This accounts for less than half our overall general fund expenditures.

Actions / Services

Action 1	<u>Informational Sessions</u>
---------------------	-------------------------------

Implementation

Continue with informational sessions for all high school families including graduation requirements, testing information, transcript review, credit recovery options, and college/career path information. These sessions will be developed by teachers, advisors, and counselors in a collaborative effort to increase scholar engagement.

Actual

Academic reviews were conducted two (2) times per year by our Counseling Services Department. They also provided information on our Accelerated Course Options Program (ACOP) for scholars who were eligible to advance academically or re-mediate unearned credits. Our counselors met with each high school scholar to develop a course planner/four (4)-year personalized educational plan, and included information on our concurrent enrollment and summer school options. They also implemented Naviance for our high school scholars. Additionally, our high school teachers provided individualized pacing plans to scholars to accommodate scholar credit recovery and ACOP efforts. Our Special Education Department also provided SAI instruction to all scholars who had SAI in their IEP.

Expenditures

Budgeted	\$39,000.00
Estimated Actual	\$39,000.00

Action 2	<u>Monitor weekly attendance</u>
---------------------	----------------------------------

Implementation

Planned

Advisors will monitor weekly attendance and follow up with scholars marked absent. Logs will be kept to track habitually absent scholars. Scholars will be counseled in the importance of attendance and the rules of independent study. Reviews will take place to ensure that independent study is the right fit for the habitually absent scholar.

Actual

Our Academic Affairs Division, which includes elementary (K-5), middle (6-8), high (9-12) and options (home study) tracked attendance through truancy sheets and shared either weekly or monthly progress reports with scholars and their learning coaches. In elementary, our teachers also hosted progress conferences with the learning coaches. In middle, our Middle School Coordinator sent quarterly progress reports to scholars and their learning coaches in addition to the weekly reports that were sent by our teachers. In high, in addition to weekly and quarterly reports, our High School Coordinator sent quarterly "Disengaged/At-Risk" letters to affected families. Our Special Education Department shared weekly reminders to scholars about SAI sessions and our Morning Starter and Scholar Resource Center hours. They also sent quarterly process reports of progress on IEP goals, in addition to holding initial, annual, triennial and addendum IEP meetings.

LCAP Year 2018-19

Involvement Process for LCAP and Annual Update

How, when, and with whom did the LEA consult as part of the planning process for this LCAP/Annual Review and Analysis?

Compass Charter Schools of San Diego involved all of our stakeholders to plan our LCAP. The first opportunity for feedback was through our 2017-18 Planning Survey, which was administered through SurveyMonkey and sent to our scholars, learning coaches, staff, board and authorizer. The survey was open for a month. The second opportunity for feedback was two-fold with our LCAP Planning Team, which consists of our coordinators, managers, directors and President & CEO. This group shared feedback in Workplace by Facebook, our internal Intranet. They also spent a day at our Central Office discussing 2016-17 year results, reviewing survey data and planning the 2017-18 year. The Board of Directors, along with our entire community, had one final opportunity to provide additional feedback during our Public Hearing.

Impact on LCAP and Annual Update

How did these consultations impact the LCAP for the upcoming year?

These consultations with all of our stakeholders informed all of our goals and actions for the upcoming year.

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year 2017-18

Estimated Supplemental and Concentration Grant Funds	\$211,955.00

Percentage to Increase or Improve Services	10 %
--	------

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Our supplemental and concentration grants funds will be targeted to increase our supports for our scholars who are socioeconomically disadvantaged, English language learners, and foster youth. One immediate enhancement to our supports is a single SIS/LMS which would allow our staff to better track and support our scholars. We are also bringing on two Scholar Success Coordinators who will help identify and provide services for our scholars. Professional development and training for our staff will be a monthly focus as well, using i-Ready data and additional data points to provide individualized supports for our scholars.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds

1.1 Communication

Teachers will provide scholars with timely, specific feedback within 72 hours of work submission. Teachers will conduct parent/teacher conferences at allotted times throughout the school year.

1.2 Response to Intervention

Teachers and coordinators will use the results from the i-Ready Diagnostic Test to provide additional and targeted supports to scholars per their i-Ready results.

1.3 Professional Development

Teachers will receive professional development to ensure strong implementation of the new StrongMind curriculum at various points during the school year. Scholars and learning coaches will also receive training and supports throughout the year. Teachers will receive professional development on how to identify scholar support and utilize intervention strategies to support those scholars so they are successful in our virtual program. Teachers will receive professional development on how to analyze and utilize data from i-Ready, SBAC and the LMS to drive instruction and intervention. The goal is to build a data-driven culture throughout the school to best support the educational needs of our scholars. Professional development will be mapped out in a timeline from the beginning of the year and continually assessed throughout the school year.

1.4 Educational Planning

Scholars will receive individualized planning from counseling services in meeting A-G requirements. Implementation of AVID at the high school level to increase college and career readiness. College and career readiness curriculum will be implemented through multiple modalities. The high school program will also include support programs such as Naviance and concurrent enrollment options for high school scholars.

Review and Approval of Resolution 2017-02 on Executive Compensation

Section: X. NEW BUSINESS
Item: C. Review and Approval of Resolution 2017-02 on Executive Compensation
Purpose: Vote
Key Result: CEO Support & Evaluation
Submitted by: Kathy Granger
Related Material: Executive Compensation Study Resolution 2016-17.pdf

BACKGROUND:

Prior to any Board action to approve any decisions regarding executive compensation (including approval of base salary increases, incentive compensation, bonuses, etc.), the Board must first exercise due diligence (review of comparable compensation practices) to ensure compliance with IRS restrictions on excess compensation for nonprofit executives, including a charter school Chief Executive Officer (“CEO”), Chief Financial Officer (“CFO”), and other positions with substantial influence over the affairs of the organization. The Board’s review and approval of the executive compensation must occur: initially upon hiring the executive; whenever the term of employment, if any, is renewed or extended; and whenever the officer’s compensation is modified. However, separate review and approval is not required if the modification of compensation extends to substantially all employees. In reviewing the reasonableness of compensation for nonprofit executives, the IRS considers “compensation” broadly and will look at the value of salary, as well as non-fixed compensation (incentive compensation/bonuses), and benefits. If the IRS determines compensation is not reasonable, severe consequences may result. Thus, the best way to avoid risk of penalties is to go through the process of establishing reasonable compensation in advance of any salary increase, and for the Board to properly document it has engaged in such a process. This approach will also meet the legal requirements specific to California nonprofits under the California Nonprofit Integrity Act.¹ Develop a comparability chart of compensation to establish a “rebuttable presumption of reasonableness” regarding the amount of compensation paid to the executive at issue. In developing a comparability chart, the Board must obtain and rely on valid comparability data in approving the transaction. Without data, the Board cannot establish a rebuttable presumption of reasonableness and is not protected from sanctions.

RECOMMENDATION:

A motion to approve Resolution 2017-02 on Executive Compensation.

**RESOLUTION OF THE BOARD OF DIRECTORS OF
COMPASS CHARTER SCHOOLS**

Board Resolution 2017-02
Executive Compensation Study

The Board of Directors (“Board”) of Compass Charter Schools (“Compass”), a tax exempt, California nonprofit public benefit corporation operating public charter schools, does hereby adopt the following resolution pursuant to the provisions of the California Nonprofit Integrity Act, and as also required by the Internal Revenue Service requirements for tax exempt (501c3) entities:

WHEREAS, when Compass considers renewing or extending a contract term or modifying total compensation (separate from organization wide increases) to be paid to the Compass President & Chief Executive Officer (“CEO”), the Board must ensure that such compensation is reasonable; and

WHEREAS, the Board must determine the compensation of the Compass President & CEO within the confines of legal requirements and best practices for tax exempt, nonprofit corporations; and

WHEREAS, the Board must ensure the President & CEO’s compensation is within the range of similar organizations across the region, also taking into account other factors the Board believes pertinent to the setting of its President & CEO’s compensation; and

WHEREAS, the Board desires to take all recommended steps to ensure the compensation paid to the President & CEO is reasonable, and that the Board has followed legally required procedures, as detailed below:

1. **Approval of Compensation.** The Board must evaluate annually the compensation of the Compass’ “senior officer” and approve in advance any change to the compensation for the “senior officer.”
2. **Definitions.** For purposes of this resolution, the Compass’ senior officer is the President & CEO, and the total compensation paid to the President & CEO is understood to include a base salary, any bonuses, retirement benefits, fringe benefits, liability insurance premiums, and other monetary or non-monetary benefits provided.
3. **Recusal.** Any Board members related to the President & CEO, any employee Board members reporting to the President & CEO or under his supervision, or any other

individual having a personal interest in the compensation paid to the President & CEO, and the President & CEO himself have been excluded from the Board's discussion and determination of reasonable compensation.

4. Determining Compensation. The Board's review of compensation data will guide the Board prior to its making any decisions to alter the President & CEO's compensation to ensure the compensation to be paid is reasonable. When determining whether the compensation or any change to compensation is reasonable, the Board:
 - a. Has been presented with and considered comparability data and compared the compensation to be paid to the President & CEO with the compensation paid to the equivalent senior officers from at least three (3) similar organizations operating in metropolitan areas that have comparable revenues, employees, service populations and skills.
 - b. Recognizes the unique benefits provided by the President & CEO to Compass, including the following: his past, present and future commitment to Compass, the special knowledge, experience and relationships with community members possessed by the President & CEO, which would be difficult to replace, and his record of achievement at Compass.

5. Source of Comparability Data. The Board has reviewed comparability data by documenting the compensation paid to officers holding similar positions in similar organizations. (See attached documentation at **Exhibit A**, attached here and incorporated by reference.) Specifically, the compensation paid to school leaders at similar nonprofits operating public charter schools, as documented by Forms 990 filed with the IRS and an examination of compensation paid to r similar nonprofits operating public charter schools, as documented by Transparency California.

NOW, THEREFORE, BE IT RESOLVED, that the Board of Directors hereby adopts the foregoing resolution.

BE IT FURTHER RESOLVED, that the Chair of the Board hereby is authorized to certify this resolution.

IN WITNESS WHEREOF, the Board of Directors has adopted the above resolution at a regular Board meeting this 26th day of June, 2017.

BACKGROUND:

The FY18 Operating Budget has been created with the assistance of our back office provider, CSMC. We are projecting revenue at \$10,588,794 and expenses at \$12,294,582, with an ending deficit of \$1,705,787. This budget is based on a combined enrollment of 1,100 scholars across our three (3) charters, and a daily attendance rate of 97%. We will have a staff count of 93; 75 will be certificated. There are no major increases in expenses, while we are projecting 100% funding for both Compass Charter Schools of Fresno and Compass Charter Schools of Los Angeles, and 85% funding for Compass Charter Schools of San Diego, which is a primary factor in the projected deficit. We will monitor and track our budget carefully and provide regular updates to the Finance Committee and Board of Directors throughout the year.

BACKGROUND:

Compass Charter Schools has been soliciting applications from interested persons to serve on its Board of Directors. Information has been shared on our website, social media channels, and through staff to their networks. Two (2) applications have been received and reviewed. I personally met with each interested candidate to talk through the role of a member of our Board of Directors, in addition to the skill-sets that they might bring to the board. Matthew Brown is the Chief Operating Officer for TEACH Public Schools. John Vargas is the Founder and Director of EdVantage Education Group. Both bring skill-sets in charter schools to the Board.

RECOMMENDATION:

A motion to elect Matthew Brown and John Vargas to the Board of Directors, with terms beginning July 1, 2017 and ending June 30, 2020.
