

2.2 ENROLLMENT & RESIDENCY REQUIREMENT POLICY

Enrollment

For students admitted prior to August 1 of the calendar year, an Admitted applicant must accept the enrollment within ten (10) calendar days of notice. Notice will be made utilizing any contact information provided on the application form, including voicemail message, email or letter. For students admitted after August 1 of the calendar year, an Admitted applicant must accept the enrollment within three (3) calendar days of the notice.

If the Admitted applicant does not accept enrollment within the prescribed time, the Admitted applicant will be determined as having declined the enrollment, and the student will lose his/her available spot in the grade level. Accordingly, the qualified applicant with the next placement number will be admitted.

Residency Requirement

The parent/legal guardian of all newly-admitted students and continuing students (upon request), must provide evidence of North Carolina residency status by submitting three acceptable forms of residency verification at the time of enrollment or such other time as set forth by the admissions procedures of Scholars Academy. A list of acceptable residency verification will be made available on the Scholars Academy website. To the extent that such evidence is not provided by such date, the right of a child to enroll at Scholars Academy will be withdrawn.
