

MONTH AT A GLANCE

October

Parent Workshop

- Part 2 of our Parent Support Workshop and Brunch was a success!

Highlights of the evening included:

- Engaging Presentations: Our guest speakers shared valuable insights on effective communication, supporting academic growth, and building relationships with their sons.
- Interactive Discussions: The breakout sessions provided a platform for open discussions and the exchange of ideas among parents, creating a sense of community and shared learning.
- Resource Sharing: Attendees received valuable resources and materials to further assist in supporting your child's educational journey.

Onondaga College Fair

- Vertus students discovered the many opportunities available at The State University of New York Colleges and Universities. Representatives were available to discuss academic offerings, student life, financial aid, and more.

Roc With Your Hands

- Our Students attended the second annual ROC With Your Hands career exploration event on 10/3. They were exposed to careers in Advanced Manufacturing, Skilled Trades, Heavy Equipment, and Auto Tech through a variety of hands-on demonstrations and activities.

Hispanic Heritage Month

- Vertus celebrated the culmination of Hispanic Heritage Month in style! El Rojo Jazz performed live for the students and started the morning off with great music. Then we served empanadas and flan for all the students during lunch. Students, as well as staff members, enjoyed the celebration and used these moments as opportunities to build stronger bonds with students.
