We need to forge forward and reach out and share our practices and how we contribute to students who enter CVUSD high schools. Urged us to collect that data. Spoke about P39 - out of district charged diff rate and she said that the district is likely going to be charging us an diff rate but not when.
- Prop 39 - Not much new info this year w except of the in and out different pro rata - added to memorialize that they don't have to provide facilities for ood students. Should give us some notice if it happens. P 39 says whatever the other schools are getting, we should get, auditoriums, parking lots, etc and offer us a school that's the equivalent.
- Measure I - Met with Tim McCabe re fencing and the parking lot to be installed in the field. They plan to expand the central kitchen.
