## Minutes

### F.A.M.E. Board Meeting

---

**Date and Time**

Monday February 26, 2024 at 5:30 PM

**Location**

3128 Constance Street

---

**Directors Present**

B. Levine, C. Tucker, D. Mipro, H. Leblanc, K. Wilkins, L. Moran

**Directors Absent**

C. Lebas, J. Perez, R. Fernandez

**Directors who arrived after the meeting opened**

K. Wilkins

**Directors who left before the meeting adjourned**

B. Levine, K. Wilkins

**Ex Officio Members Present**

S. Corbett

**Non Voting Members Present**

S. Corbett

**Guests Present**

---

A. Collopy, A. Dupre, D. Kohl, K. Bourgeois, L. Spearman

---

## I. Opening Items

### A. Record Attendance

### B. Call the Meeting to Order

L. Moran called a meeting of the board of directors of F.A.M.E., Inc. to order on Monday Feb 26, 2024 at 5:44 PM.

### C. Approve Minutes

B. Levine made a motion to approve the minutes from F.A.M.E. Board Meeting on 12-18-23.

D. Mipro seconded the motion.

The board **VOTED** to approve the motion.

## II. Discussion

### A. Principals Report

Dustin reported for the principals. Uptown campuses are in the midst of testing for ELL students and LEAP connect practice for all students. Both Uptown campuses had a great, festive Luna Festivities. We recently had French students from France visiting for the week who experienced the city and instruction. We will send our students and teachers to France in the Spring. Third Grade Parent Night is on March 12th- a informative night to speak with teachers and changes to expect moving to the new campus. Gentilly PTC just held a Sweetheart dance that was very successful. They also have an upcoming book fair.

### B. Financial Report

Cash on hand is \$5.5 million. It's \$543K better than budgeted. Waiting on NOLAPS to provide us with forecast data for student based funding. Right now it is projecting \$825 increase per student base funding. Fund Balance is at a very healthy balance.

K. Wilkins arrived at 6:01 PM.

### C. Capital Projects Update

There is a very strong belief we have grants that will be funding these projects plus loan rates are moving in our favor. One of the grants is the Capital Improvement Grant from NOLAPS and we received \$772.035, that we are using to implement the elevator at Gentilly and to input a upstairs bathroom for both the boys and girls. We also have an Upper School playground project for our Live Oak campus. The estimated cost is \$1,249,360 with project completion in Summer 2024. This project will allow of outside

lunch, performance space, etc. We will be submitting another application for the next round of Capital Improvement Grants. Additionally, we have had an increase in enrollment, so we would like to renovate Broadway's science lab to create two classrooms to accommodate the increased enrollment without having to take Arts away. Estimated cost is \$75,000-\$150,000 with completion either in Summer 2024 or Summer 2025. Finally, Gentilly is adding 8th grade making them fully enrolled and requiring additional space for intervention and SpEd to maintain our Arts Programs. The plan is to cut the auditorium, which is too small for school wide performances, into 4 classrooms. Cost is \$585,833 and estimated completion is 2024. We were also approved to put lockers in at our Live Oak Campus from NOLAPS, but the cost will be expensive and will require bids.

#### **D. Compensation Study Recommendations**

These are recommendations for compensation moving forward. Votes will be for next board meeting. Current issue is that teachers and staff are not reflective of what they deserve and other schools are making more competitive offers making it hard for recruiting and retention. Audubon's last salary approval was in 2018 when Gentilly was founded. We used a national organization, EdFuel, to implement a study that charters across the city and nation participated in. We also used an state provided survey Upbeat that showed us that teachers feel underpaid at Audubon. Teachers are interested in receiving a raise, cost of living adjustments, more leadership opportunities, etc. Using this data we are proposing to implement one-time increase of \$2500 for teachers and \$1250 for TAs. Then moving forward a 2% increase each year along with a longevity bonus at year 4. Additionally we are looking to implement paid maternity and paternity leave as well as create Grade Team Leads that will be provided stipends. Right now we have a surplus to cover these recommendations.

#### **E. Approve the 2024-25 School Calendar**

K. Wilkins made a motion to approve the 2024-2025 school calendar.

B. Levine seconded the motion.

The board **VOTED** to approve the motion.

#### **F. Approve Mathes Brierre Contract for Elevator and Bathroom Project at Gentilly**

This is an information item. Mathes Brierre will submit an AIA contract for approval at the next meeting.

B. Levine left at 7:09 PM.

K. Wilkins left at 7:09 PM.

### **III. Closing Items**

#### **A. Parent Report**

Parent group is putting on a dance for the 6th graders and also an auction. Encouraging meetups at park. Bringing back snacks for staffs on Wednesdays. PTO would like the board to attend their meeting on May 7th at 5:30.

#### **B. CEO Remarks**

We filed for employee retention credits, and we are projected to return is \$2.3 million. Our health insurance is currently sitting at it's best loss ratio in years, which is amazing for renewal rates.

### **IV. Closing Items**

#### **A. Adjourn Meeting**

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 7:18 PM.

Respectfully Submitted,  
L. Moran
