October 2019 financial reports were presented by Dr. Lorilyn Coggins highlighting cash on hand, year-to-date revenues, year-to-date expenditures, and the current fund balance in a summarized format. The financials are in order. Dr. Coggins anticipates receiving an update soon from the Michigan Department of Education regarding Charter School Program Grant.

B. Sanga Monthly Management Report

The academic portion of the Sanga Management Report was presented by Sean Townsin. The Board of Directors was informed of the critical aspect surrounding the Third Grade Reading Law. Madame President Cristina Stamatina inquired about the timeline for receiving retention letters. Retention letters will probably have an impact on next year's planning. Moreover, Madame Vice President Andreea Bordeianu would like a responsibility task timeline to be shared with the board at the next scheduled board meeting. Many parents have been recruited for the Avancemos Literacy Initiative to increase parental reading support. Ms. Ulloa and Mr. Townsin have been instrumental with meeting with families of at-risk students.

The partnership portion of the Sanga Management Report was presented by Stephanie Yassine. At the next scheduled board meeting, Sanga is planning to present the charter

contract amendment for the 2020-2021 7th grade expansion to the Board of Directors. Ms. Ulloa has worked closely with the school transportation providers Trinity and Apollo to secure a lower rate. The academy has made a switch from Office 365 to the Google platform. The Board of Directors received there new email and password. With the holidays fast approaching Ms. Yassine shared several initiatives that are in place for needy families to receive food and gift items. Madame Vice President inquired of the progress of the student who, last year, was part of a gift collection by the board because of his medical condition and his desire to provide gifts to his hospital mates. Mr. Towsin reported that he was doing well in school.
