V. Reports

A. Charter School Program Grant Monthly Report

Dr. Lorilyn Coggins presented to the Board of Directors a brief overview of the Charter School Program Grant data that will be presented monthly at each board meeting. The

plan data remains the same as previously reported last month with the exception of 10 hotspots purchases.

B. APRIL 2020 Financials

April 2020 financial reports were presented by Dr. Lorilyn Coggins highlighting cash on hand, year-to-date revenues, year-to-date expenditures, and the current fund balance in a summarized format. The financials are in order. The Coronavirus Aid, Relief, and Economic Security (CARES) Act update was shared with the Board of Directors. Sanga Management and Dr. Coggins are keeping an active pulse on the state-aid budget cuts. Careful attention is being paid to the budgetary process while protecting high-quality student learning.

C. 21st Century Community Learning Centers Monthly Report

The 21st Century Community Learning Centers monthly report was presented to the Board of Directors by Stephanie Yassine on behalf of Michelle Hadous, Project Director. The virtual enrichment is going exceptionally well and will exceed the state-required number of hours. The staff is doing an amazing job of keeping the students engaged. All of the materials required to complete the virtual enrichment activities have been delivered to the students. Unexpended grant funds will need to be returned to the Michigan Department of Education.

D. Sanga Monthly Management Report

Both Sean Townsin and Stephanie Yassine presented the monthly Sanga Management Report.

Stephanie Yassine stated that the academy has had to conceptualize and completely reconfigure its approach to student learning. There is robust food distribution, procurement of devices and wireless connections, and constant communication with all families to ensure that all needs are met. With management unwavering support, the academy has been able to acquire and distribute a substantial amount of computers and wireless hotspots to improve daily attendance and engagement in a virtual setting. A Spanish and Latin American/Hispanic culture online class will be offered to all of the academy's staff. Management and academy leaders have been consistently conducting interviews for staff. Multiple candidates referred to the academy by Lesley Redwine Consulting (LER), as well as from teacher referrals have participated in virtual interviews.

As a result, the academy has successfully filled a 4th-grade position for the 2020-2021 school year.

Ana Ulloa, Sanga Management CEO/Founder, shared heartfelt gratitude to the team for its efforts during this difficult time. Everyone was urged to contact the state legislatures

regarding the state-aid budget cuts. Madame President Cristina Stamatina encouraged the team to brainstorm some fundraiser possibilities.
