### **D. Sanga Monthly Management Report**

The Sanga Management monthly report was presented by Lyndsey McClintic, Ana Ulloa, and Stephanie Yassine. The school leadership team is working vehemently to put together a plan for hybrid learning that prioritizes the safety of our staff and families and delivers the highest quality instruction possible on a limited schedule. Leadership is keeping a close eye on the temperature pulse of the parents and staff for returning back into brick and mortar. Lyndsey McClintic presented the Extended COVID-19 Learning Plan Goal Mid-Year Progress Report. The report included the median growth percentiles reflecting fall-to-winter and fall-to-spring scaled score growth in grades K to 7 on reading and math. NWEA Growth tests will be at or higher than 50. Accodales were given to the 7th-grade teacher Tiffany Rhymes for exceeding the Math and reading growth percentile. Although the academy expects to see growth from year to year in the number of students projected to be proficient, it can be seen through the data that students at Escuela Avacemos are holding steady in regards to projected proficiency in math and trending downward in reading. The Instructional leadership Team is working to streamline and solidify reading instruction in the virtual classroom. Ana Ulloa thanked Lyndsey McClintic for sharing honest feedback. Madam Vice President Andreea Bordieanu thanked Lyndsey McClintic for working on differentiated strategies best practices for delivering instruction. The academy's fourth-grade teacher, Alexandra Hafer, has put together a proposal to take the lead on an ESL program targeting Level 1s (Language Acquisition Level 1 - Entry) in grades 3-7. This program will provide access to additional instructional time in English with supports in the native language (Spanish) to ensure rapid acquisition. The academy is currently in the planning stages of this program and will report more updates as they become available. Madam Vice President Andreea Bordeianu will share additional bi-literacy resources for Lyndsey McClintic to review. The academy student enrollment is currently at 344.

Sanga met with Monsignor Kosanke of St. Anne's Parish and he approved a portion of the parking lot to be used for the second modular. Stephanie Yassine pointed out to the board that once the snow is removed Innovative Modular Solutions will sample the soil to ensure that the modular can be installed in that space. Stephanie Yassine was able to secure a proposal that is agreeable with the requirements from the academy's authorizer Central Michigan University.
