Ana Ulloa mentioned that leaders have been doing the work. Grooming and promoting staff from within is important.

Dr. Steven Ovaes presented the academic portion of the report. Leadership has crafted a 2022-2023 school-level strategic plan. The plan was developed based on feedback and input from the academy's teachers and co-developed with the academy's school

leadership team. The school-level plan has three main focus areas: Academic Growth, Quality Instruction, and School Culture. Madam President Cristina Stamatina requested a two-minute or less monthly update on the School-Level Strategic Plan. Start-of the year kick-off is going well. This year's kick-off is designed to support staff bonding and strengthen school culture, and provide new teachers with an orientation to Escuela Avancemos expectations and best practices. English Language Learners' strategic planning has been vetted through the lens of supporting students. Madam Vice President Andreea Bordeianu thanked Dr. Ovares for incorporating calendar and resource links in the monthly report.
