C. Sanga Monthly Management Report

The Sanga Monthly Management Report was presented by Ana Ulloa (Sanga Consulting Management CEO and school founder) and Farida Malik (Interim Principal). The school's leadership team has been analyzing the data provided by the academy's MTSS framework. With 92% of the academy students being English Language Learners, leadership needs to engage in rigorous conversations on how to move the needle toward academic growth. Success For All (SFA) consultant has been scheduled to be onsite for two days for training and strategizing. Success For All has embedded strategies for language development for English Language Learners and the structure needed to propel the growth at Escuela Avancemos Academy. The newcomer students are being serviced by the multilingual service coordinator for the basics of English to comprehend the content in the classroom. Claudia Lara Martinez is scheduled to conduct two Professional Developments for the staff on **Sheltered Instruction Observation Protocol** strategies.

On November 21, 2023, the academy received a Notice of Non-Compliance from the CMU Center for Charter Schools. All findings were quickly addressed to correct the non-compliance items in the notice correspondence. Ana Ulloa shared her concerns regarding the academy's open school campus security. Madam President Cristina Stamatina suggested a work meeting be scheduled to identify the school's challenges and create committees. The work session meeting will be tailored for brainstorming with the management company on potential school-related challenges and how they can be reasonably addressed. The Board of Directors will not take any actions during the work session meeting.
