This representation letter is provided in connection with your performance audit of Teacher Retention and Middle School Improvement Act Fund (Measure G1) proceeds of East Bay Innovation Academy, as of and for the year ended June 30, 2022, which was conducted in accordance with the standards for performance audits contained in Government Auditing Standards, issued by the Comptroller General of the United States and for the purpose of communicating the results of your audit as to whether Measure G1 proceeds were only expended on allowable uses per the voter approved ballot and that no proceeds were expended on ineligible salaries or operating expenses, we confirm, to the best of our knowledge and belief, the following assertions subject to audit and representations and disclosure made to you during the course of your audit.

Certain representations in this letter are described related to audit objectives. The audit objectives are as follows:

- Ensure proceeds and expenditures of the parcel tax are fully accounted in the books and records of the charter school.
- Ensure expenditures are in support of allowable uses as per the ballot language, separately with respect to middle school grants and salary for school site educators.
- Ensure that the charter school receiving middle school grant funding has an approved education improvement plan with the minimal requirements specified in the ballot.
- For the charter school receiving middle school grant funding, make a positive statement about the issue of supplanting versus supplementing.

### We confirm, to the best of our knowledge and belief, as of October 17, 2022, the following representations made to you during your audit.

- 1) We acknowledge our responsibility for audit objectives as listed above.
- 2) We acknowledge and have fulfilled our responsibility for the design, implementation, and maintenance of effective internal control significant to the audit objectives.
- 3) We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud significant to the audit objectives.

- 4) We acknowledge our responsibility for compliance with laws, regulations, and provisions of contracts and grant agreements.
- 5) We have provided you with:
  - a) Access to all information, of which we are aware, that is relevant to the audit objectives, such as records, documentation, or other matters.
  - b) Additional information that you have requested from us for the purpose of the audit.
  - c) Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.
- 6) We have no knowledge of any fraud or suspected fraud that is significant to the audit objectives and involves:
  - a. Management;
  - b. Employees who have significant roles in internal control; or
  - c. Others where the fraud could have a significant effect on the audit objectives.
- 7) We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations and provisions of contracts and grant agreements, or waste or abuse related to the audit objectives.
- 8) We have disclosed all information of which we are aware that may affect the audit objectives, and we have disclosed all deficiencies of which we are aware.
- 9) No events, including instances of noncompliance, have occurred between June 30, 2022 and October 17, 2022 that are relevant to the audit objectives.
- 10) There are no investigations or legal proceedings that could be significant to the audit objectives.
- 11) We have provided you with information concerning previous engagements or other studies that directly relate to the audit objectives, including related communications and recommendations.
- **12)**We have responded fully to all inquiries made to us by you during your audit.

### INDEPENDENT AUDITORS' REPORT

Board of Directors East Bay Innovation Academy Oakland, California

We have conducted a performance audit of East Bay Innovation Academy Measure G1 Parcel Tax Performance for the year ended June 30, 2022.

We conducted our performance audit in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our findings and conclusions based on our audit objectives.

Our audit was limited to the objectives listed on page 2 which includes determining East Bay Innovation Academy's compliance with the performance requirements for the Teacher Retention and Middle School Improvement Act Fund (Measure G1) funds. Management is responsible for East Bay Innovation Academy Measure G1 compliance with those requirements.

Solely to assist us in planning and performing our performance audit, we obtained an understanding of the internal control of East Bay Innovation Academy to determine if internal controls were adequate to help ensure compliance with the requirements of Measure G1. Accordingly, we do not express any assurance on internal control.

The results of our tests indicated that, in all significant respects, East Bay Innovation Academy expended Measure G1 funds for the fiscal year ended June 30, 2022, only for the specific purposes identified by OUSD and approved by the voters, in accordance with the requirements of Measure G1.

The purpose of this report is intended solely for the information and use of OUSD, the board of directors and management of East Bay Innovation Academy, and is not intended to be and should not be used by anyone other than these specified parties.

### CliftonLarsonAllen LLP

Glendora, California October 17, 2022

### EAST BAY INNOVATION ACADEMY MEASURE G1 PARCEL TAX PERFORMANCE AUDIT JUNE 30, 2022

### BACKGROUND INFORMATION

The Teacher Retention and Middle School Improvement Act (Measure G1) was authorized by an election of the registered voters of the County of Alameda. Measure G1 was established to provide a districtwide educator salary increase designed to attract/retain teachers; provide enhanced middle school art, music, languages/other programs in addition to core educational programs; improve academic achievement; provide safe, positive schools, and prepare students for college/careers in Oakland Unified School District (OUSD) schools as well as charter schools in Oakland. The funds for this measure will come from OUSD levying a tax of \$120 per parcel, providing \$12.4 million annually, for 12 years, with exemptions for senior and low income residents.

### OBJECTIVES

- Ensure proceeds and expenditures of the parcel tax are fully accounted in the books and records of the charter school.
- Ensure expenditures are in support of allowable uses as per the ballot language, separately with respect to middle school grants and salary for school site educators.
- Ensure that the charter school receiving middle school grant funding has an approved education improvement plan with the minimal requirements specified in the ballot.
- For the charter school receiving middle school grant funding, make a positive statement about the issue of supplanting versus supplementing.

### SCOPE OF THE AUDIT

• The scope of our performance audit covered the fiscal period from July 1, 2021 to June 30, 2022. The sample of expenditures tested included object and resource codes associated with the Measure G1. The propriety of expenditures funded through other state, federal or local funding sources, other than the proceeds of Measure G1, were not included within the scope of our audit. Expenditures incurred subsequent to June 30, 2022, were not reviewed or included within the scope of our audit or in this report.

### PROCEDURES PERFORMED

- 1. We obtained parcel tax expenditure detail reports prepared by the charter school and agreed amounts to the general ledger.
- 2. We statistically selected a sample of 46 payroll related expenditures totaling \$90,765 or 96%, of \$94,474, allocated to the total salary increase for school site educators and obtained and reviewed the necessary supporting documentation of payroll registers to satisfy ourselves that they were only to provide raises to "school site educators," as the term was used in the ballot text. We also tested payroll benefits for reasonableness using a 25% estimate of base salary (20% STRS/PERS and 5% other benefits).
- 3. We ensured the same percentage (2.376%) increase in salary was applied to all school site educators.

### EAST BAY INNOVATION ACADEMY MEASURE G1 PARCEL TAX PERFORMANCE AUDIT JUNE 30, 2022

### **PROCEDURES PERFORMED (CONTINUED)**

- 4. We reviewed \$47,330 or 77% of the expenses allocated to the middle school grant funding, which was paid to a behavioral specialist, musical activities, and retention of school-site educators. We reviewed the job descriptions, and invoices as supporting documents, to ensure they were within the specific purpose of the ballot language. The allowable use is related to expense incurred is for the fourth key goal of the ballot, to create a more positive and safe middle school learning environment. We also reviewed invoices for school cultures assemblies, and musicals noting that the allowable use is related to the second key goal of the ballot, to increase access to courses in arts, music, and world languages in grades 6-8.
- 5. We verified if the parcel tax is funding supplemental activities by performing the following procedures. Ascertained if funds were used to provide services, which were legally required to be made available by virtue of being a school. Also, performed procedures to ascertain whether the parcel tax funded services that were previously provided with another funding source.
- 6. We obtained the approved education improvement plan for the charter school and performed the following procedures. Ensured the plan contains the minimal elements required by the ballot. Verified the actual parcel tax expenditures are consistent with the approved plan.
- 7. We examined supporting documentation to validate the amount of Measure G1 Parcel Tax revenues received.

### FINDINGS AND RESPONSES

None noted.

## Our Students This Year - By Race

EAST BAY INNOVATION ACADEMY

## EBIA Demographic Subgroups - 6-12 (Federal Criteria)

East Bay Innovation Academy - Board Meeting - Agenda - Wednesday November 16, 2022 at 8:00 PM

# Academic Updates

Powered by BoardOnTrack

# Intersession for Our Students! - Overview

- Fall and winter Intersessions at EBIA Lower School are an opportunity for students to learn the vibrant work of innovators in the Oakland local community and collaborate on STEAM (science, technology, engineering, arts, and math) projects.
- During intersession our "normal" academic program is paused and students complete programs with partner organizations and companies, applying their Innovator skills to real world problems.
- Students will be able to experience learning from a different perspective that will allow them to enhance their critical thinking skills.

# Intercession for Our Students - Lower School

Theme: The Rhythm of Life

- 9 am to 10 am: Advisory (Monday Thursday)
- 10 am to 3:30 pm: Intersession Programs

Samples of Programs Offered:

- Cooking Around the World
- Get Empowered Capoeira, Drumming, Theater Arts, Circus School
- STEAM Robotics, AI, VR

# Intercession for Our Students - Upper School

Theme: Rise of the Phoenix

- 8:30am 9:30am Students will be in advisory (Monday Thursday)
- 9:30am 3:15pm Students will be in their selected intersession projects

Sample of Programs offered:

- Capoeira/Drumming
- Cooking Around the World
- Goal Setting
- Rowing
- College Prep PSAT, College Essay Guy, Oakland Promise, College Tours

East Bay Innovation Academy - Board Meeting - Agenda - Wednesday November 16, 2022 at 8:00 PM

# Fall MAP Data

Powered by BoardOnTrack

## **MAP** Testing

- Administered in August 2022 (LS) / September 2022 (US)
- 387 Students with Scores
- Data Reported in Quintiles (low, low average, average, high average, high)
- Tonight we will review Achievement Data (Reading and Math)
  - By Grade Level
  - By Race
- Next month we will review Growth Data From Fall 2021-Fall 2022

### MAP Fall 2022: Reading Quintile Achievement by Grade Level

### MAP Fall 2022: Reading Quintile Achievement by Race

# MAP Testing: Reading - Key Take Aways

- 50% of 6th grade and 54% of 10th grade students represent the top range of high average to high achievement levels.
- 29% of 8th grade and 42% of 12th grade students represent the bottom range low achievement levels.
- 31% of Black and 35% of Latino students fall within the range of low achievement levels as compared to 7% of white students.

#### MAP Fall 2022: Math Quintile Achievement by Grade Level

#### MAP Fall 2022: Math Quintile Achievement by Race

Reading: Achievement Quintile - By Race

## MAP Testing: Math - Key Take Aways

- The 6th grade represents the most equal distribution of scores across the range of quintile levels.
- 20% of 6th grade and 26% of 11th grade students represent the top range of high achievement levels.
- 33% of 9th grade and 40% of 12th grade students represent the bottom range low achievement levels.
- 36% of Black and 40% of Latino students fall within the range of low achievement levels as compared to 9% of white students.

#### Updates on Friorities 101 ZZ-Z3 31

| Priority  | Update for October Board Meeting  |
|---|---|
| We will build a<br>rigorous,<br>standards-based,<br>vertically aligned<br>6-12 curriculum | <ul> <li>We have continued to develop and align three key professional learning systems in service of these two priorities (see slides 4&amp;5 for details)</li> <li>We have hired Shannon Wheatley, Lane 9 Consulting, to conduct Black student and staff focus groups, classroom walkthroughs, and to design a series of professional learning experiences to support our staff to better understand and take action on both of these priorities.</li> <li>Professional Learning Communities (PLCs) have been launched in both US and LS. We will use these learning structures to better understand and align curriculum, instruction, and assessments to the standardsand to explicitly examine and improve our</li> </ul>  |
| Our<br>African-American<br>students will<br>thrive!                                       | <ul> <li>instructional practices focused on African American students.</li> <li>Staff have begun to read and discuss <u>The Opportunity Myth</u>, which lays an important foundation for understanding the importance of rigor and vertical alignment to the standards and, particularly, in relation to serving our African American students.</li> <li>Our upcoming Intercession PD arc will include sessions focused on looking at student data disaggregated by race; discussing <u>The Opportunity Myth</u>, understanding identity and examining biases; and refining our equity problems of practice for 22-23. Thursday's session, led by the Curriculum Design Team, is focused on unpacking standards to improve writing across the curriculum in ELA, History Math, Science.</li> <li>We have updated and launched a new Teacher Coaching and Support system that</li> </ul> |

• We have updated and radinched a new reacher Coaching and Support system that includes the use of the <u>TNTP CORE Teaching Rubric</u>, which explicitly looks for rigor in student work and student engagement. The administrative team will receive 6 training and coaching <u>sessions from TNTP</u> to support their coaching and support practices. <sub>45 of 102</sub>

## Our Students This Year - By Race

EAST BAY INNOVATION ACADEMY

## EBIA Demographic Subgroups - 6-12 (Federal Criteria)

# Academic Updates

## Intersession for Our Students! - Overview

- Fall and winter Intersessions at EBIA Lower School are an opportunity for students to learn the vibrant work of innovators in the Oakland local community and collaborate on STEAM (science, technology, engineering, arts, and math) projects.
- During intersession our "normal" academic program is paused and students complete programs with partner organizations and companies, applying their Innovator skills to real world problems.
- Students will be able to experience learning from a different perspective that will allow them to enhance their critical thinking skills.

## Intercession for Our Students - Lower School

Theme: The Rhythm of Life

- 9 am to 10 am: Advisory (Monday Thursday)
- 10 am to 3:30 pm: Intersession Programs

Samples of Programs Offered:

- Cooking Around the World
- Get Empowered Capoeira, Drumming, Theater Arts, Circus School
- STEAM Robotics, AI, VR

## Intercession for Our Students - Upper School

Theme: Rise of the Phoenix

- 8:30am 9:30am Students will be in advisory (Monday Thursday)
- 9:30am 3:15pm Students will be in their selected intersession projects

Sample of Programs offered:

- Capoeira/Drumming
- Cooking Around the World
- Goal Setting
- Rowing
- College Prep PSAT, College Essay Guy, Oakland Promise, College Tours

## Fall MAP Data

## **MAP** Testing

- Administered in August 2022 (LS) / September 2022 (US)
- 387 Students with Scores
- Data Reported in Quintiles (low, low average, average, high average, high)
- Tonight we will review Achievement Data (Reading and Math)
  - By Grade Level
  - By Race
- Next month we will review Growth Data From Fall 2021-Fall 2022

#### MAP Fall 2022: Reading Quintile Achievement by Grade Level

#### MAP Fall 2022: Reading Quintile Achievement by Race

Reading: Achievement Quintile - By Race

## MAP Testing: Reading - Key Take Aways

- 50% of 6th grade and 54% of 10th grade students represent the top range of high average to high achievement levels.
- 29% of 8th grade and 42% of 12th grade students represent the bottom range low achievement levels.
- 31% of Black and 35% of Latino students fall within the range of low achievement levels as compared to 7% of white students.

#### MAP Fall 2022: Math Quintile Achievement by Grade Level

#### MAP Fall 2022: Math Quintile Achievement by Race

Reading: Achievement Quintile - By Race

## MAP Testing: Math - Key Take Aways

- The 6th grade represents the most equal distribution of scores across the range of quintile levels.
- 20% of 6th grade and 26% of 11th grade students represent the top range of high achievement levels.
- 33% of 9th grade and 40% of 12th grade students represent the bottom range low achievement levels.
- 36% of Black and 40% of Latino students fall within the range of low achievement levels as compared to 9% of white students.

EBIA Board Meeting Deck\_November 16, 2022.pdf

## Board of Directors November 16, 2022

## **Executive Director Report**

#### What We Are Feeling Proud Of

- Intercession PD was a success (more later!)
- Leadership team had a productive retreat during intercession where we focused on the TNTP rubric, teambuilding, and our priority, "Black Students Thrive"
- Observation and Coaching Cycles have begun for all teachers
- Weekly instructional rounds are underway
- Enrollment for 22-23 is underway and meetings are being well attended! (50 families at the first info session!!)

#### Areas of Growth/Under Development

- System evaluation and reboots (standard operating procedures) underway starting with how we manage substitutes; manage loaner chromebooks, and more
- Leadership performance management is under developed
- Stronger communications needed with parents, esp with changes, after school programming, and calendar matters
- Coaching leaders to continue growing as managers, holding others accountable in supportive ways, and building systems

Reading: Low/Low Average Achievement Levels

### MAP Growth Data - Key Take Aways

- Reading 58% of students within the low average achievement range are making progress in the > 3 RTI growth range
- Math 68% of students within the low average achievement range are making progress in the > 3 RTI growth range at 68%
- 70% of Black/African American students (n=35) in the low/low average achievement levels are showing growth in math
- As a next step, we will use this MAP data to add interventions, identify students of focus, differentiate classroom instruction, and cross-reference with Tri 1 grade data

### Intercession Updates - PD Overview

- Staff reflected on and identified themes aligned to the NEP Definition of Educational Equity to ground and center our work in supporting Black students at EBIA.
- Staff examined student data disaggregated by race and discussed "The Opportunity Myth" with the purpose of refining our equity problems of practice for 22-23.
- Shannon Wheatley led 2 afternoon PD sessions that understanding identity, focused on understanding intersectional identity, examining biases, and reflecting on the Black student experience at EBIA.
- The Curriculum Design Team led department workshops that focused on unpacking standards to improve writing across the curriculum in ELA, History Math, Science.

### Intercession Updates - Staff Experience

- All staff members rated the PD sessions with Shannon very highly and appreciated a space being created to speak about race and how impactful it is in our community.
- Staff members acknowledged and appreciated many of their colleagues who are making the effort to do the work to better serve our students.
- The vertical alignment time allowed each of the department teams time to vertically align on standards and brainstorm with peers. Staff expressed that this was incredibly useful and would like this time to continue into the spring.
- Staff members are interested in how the admin team will intentionally use the data collected during the PD sessions to intentionally move forward as an organization to support our Black students and staff.

### Intersession Updates - Student Experience

- Students enjoyed having Intersession In Person versus Online on Zoom chance to be with friends and have fun with friends
- Students enjoyed the variety of programming especially Rob Skate and Hip Hop (Lower School) and Barbering and Cooking (Upper School)
- Students would like to have more STEM options for future Intersession sessions and possibly incorporate field trip opportunities, internships, and job shadowing opportunities
