EBIA MODEL

Our Mission

East Bay Innovation Academy's ("EBIA," the "School," or "the Charter School") mission is to prepare a diverse group of students to be successful in college and to be thoughtful, engaged citizens who are leaders and innovators in a 21st century global world.

Our Vision

EBIA is rethinking how schools are run and structured, so that they better reflect the needs of a 21st century world. Most schools have not changed their structure, organization, facilities or instruction in over fifty (50) years. While schools have not changed, our world has, leaving many of our schools, even the "best" ones, behind. EBIA is a powerful option for Oakland families and educators to build a diverse school that addresses the needs of the 21st century and beyond.

OUR INSTRUCTIONAL MODEL

EBIA is a rigorous STEAM ("Science, Technology, Engineering, Art and Math") school with a unique focus on the social and emotional skills students need to be leaders. Students will learn to be problem solvers and strong advocates who work together and take responsibility for their own learning.

Students will work together on long-term, **“real-world”** projects that combine many different subjects,

Students will alternate between different learning models, including online learning, and in later grades

OUR CORE BELIEFS

We believe in **Possibility and Perseverance**

All students will achieve at the highest levels and prepare for success in college and career. We value courage, action and hard work.

We believe in **Creativity and Curiosity**

Students will work together with critical and creative minds. We value exploration, perspective and determination.

We believe in **Community**

Parents, teachers, school leaders, and board members will take responsibility for all students' success. We value relationships, kindness, integrity and respect.

We believe in the **Greater Good**

EBIA will teach students about social justice and civic responsibility. We value giving back to the community and improving our school, our community and our world.

We believe in **Diversity**

Students will prepare for society and the workforce by working with and appreciating those who are different from themselves.

WHAT DOES A DAY LOOK LIKE?

EBIA's doors open at 7:45 am and students are invited to work on assignments, and socialize respectfully with classmates. School starts at 8:40am for the Lower Campus and 8:30am for the Upper Campus.

Because we know that building relationships and creating a sense of belonging and connectedness is integral to students' success, we have been very strategic in developing our master schedule to meet the socio-emotional needs of adolescents. Every day, our students meet with their Advisor, an adult who will serve as the captain of their crew. Advisory classes are composed of eighteen (18) to twenty- six (26) students who work together to develop interpersonal skills that will ensure their success in college and career. These tight- knit Advisory crews will learn to monitor one another's progress and success, navigating the nuances of school on a daily basis in their assigned rooms.

Throughout the course of the day, students will receive instruction in the four core academic subjects

of math, science, English/Language Arts, and social studies. Additionally, each student will have periods of Independent Learning Time (“ILT”), where he/she can work individually or collaboratively on assignments. EBIA additionally provides elective courses in fitness, computer science, Spanish and art.

The Upper School after school program runs from 4-5pm, Monday-Thursday and includes credit recovery, clubs, and other enrichment opportunities. Office Hours will be held during this time on designated days as determined by teachers.

The Lower School has Office Hours with all teachers open on Monday from 3:30-5:00. The Lower School after school program is managed by an outside provider, Hands On Tech, and will be held Monday, Tuesday, Thursday, and Friday from 3:30-5:45 and Wednesdays from 1:30-5:45. There is an additional cost for that program.

Arrangements must be made for on-time pick-up every day.

WHAT DOES A YEAR LOOK LIKE?

Our school year opens with a four-day orientation program aimed to provide students a comprehensive introduction to EBIA and the school year. Students will learn about our school pillars, behavioral and academic norms, Advisory, regular and block schedules, support structures, breakfast, lunch, and most importantly, one another. In addition to building familiarity and community, all students will take diagnostic tests so that EBIA staff can determine academic levels and begin to set goals with students as part of their Personalized Learning Plans (“PLPs”).

The second week of school and throughout the year, students will attend their classes, receiving high- quality instruction, working towards mastery of course content through Blended Learning (“BL”) and Project-Based Learning (“PBL”). They will utilize design-thinking principles in solving problems and utilize SEL skills in collaboration and presentation. Students will be accessing most of the curriculum via teacher-curated blended learning platforms, with links to content that is informative and meaningful. Students will have myriad benchmarks to track their progress and will demonstrate mastery via cumulative assessments, often in the form of end-of-unit projects they must develop and present.

Twice a year, we have Student-Led Conferences days, where families meet with Advisors to discuss their progress and review their PLP. Near the end of the school year, EBIA will administer mandatory state testing to all students so that we can gauge our students’ individual academic progress and gauge our school’s effectiveness.

At the end of the school year, students will make Capstone presentations to our community about projects on which they have worked, demonstrating what they have learned in a professional manner and in a public forum.

ENROLLMENT

Enrollment at EBIA is governed by regulations for charter schools set forth in California Department of Education code for Charter Schools and our own Charter Petition. We are an open enrollment public school committed to equal opportunity. EBIA is non-sectarian and employs no admissions exams or special admissions requirements. Admission to the school is open to all students on a non-discriminatory basis without regard to race, color, national origin, creed, sex, ethnicity, behavior, age, ancestry, proficiency in English Language, or academic achievement. Enrollment priorities will be granted to applicants with the following criteria, Students who are children of staff, the Board, or Founding Families, students who currently attend EBIA and their siblings, students who reside within the public elementary school where EBIA is physically located, and residents of the district have priority, as long as places are available, before places are opened up to other students. EBIA complies with the minimum and the maximum age for public school attendance in charter schools. In order to ensure fairness and clarity, EBIA uses *Avela*, a software that helps to collect and organize application information pertinent to the application priorities. We also employ *Avela* in the enrollment and registration process which is outlined below.

Applications will be accepted during a publicly advertised open enrollment period each year for enrollment in the following school year. In the event that applications for a certain grade exceed the number of available slots for that grade, EBIA will hold a public random drawing to determine admission for the impacted grade level, with the exception of existing students, who are guaranteed admission in the following school year. Admission priorities, in the case of a public random drawing, shall be given to applicants in the following order:

1. Children of EBIA Staff, Members of the Board of Directors & Founding Families (Not to exceed 10% of total enrollment)
2. Siblings of *current* EBIA students
3. Students who are currently enrolled and reside in the elementary school boundary corresponding to EBIA
4. Residents of EBIA's district
5. All other applicants who are residents of the state of California.

At the conclusion of the public random drawing, all applicants who were not granted admission due to capacity shall be assigned a number on the waitlist calculated in accordance with the priorities listed above. All guidelines concerning enrollment and the public random drawing are laid out in full in the EBIA Charter.

REGISTRATION & ENROLLMENT

Once a child has applied to and been accepted by EBIA the enrollment process begins. Families are provided with the appropriate enrollment paperwork through our online system, *Avela*. Our operations team

consistently follows up with families throughout the enrollment process to ensure that EBIA has collected and continues to update all of the pertinent student information throughout their tenure at EBIA.

ENROLLMENT PROCESS

The following documents are required for enrollment:

- Completion of student enrollment forms
- Handbook Acknowledgment (Shared at the beginning of each school year)
- Proof of immunization (Updates)
- Home Language survey
- Release of Records
- Proof of minimum age requirements, e.g., birth certificate

Please notify the office, if any registration information changes. It is essential that we have accurate information regarding your address, home telephone number, daytime phone numbers and emergency contact numbers.

VOLUNTARY WITHDRAWAL FROM SCHOOL

Please notify the office personnel at least one (1) week in advance if your child will be withdrawing from EBIA. There is an official withdrawal form that needs to be completed by the student's parent/guardian prior to disenrollment. You will be asked to please provide your forwarding address, and the name and address of the school your child will be attending. EBIA will send notice to the student's last known district of residence that the student has withdrawn from EBIA within thirty (30) days, and the student's records will be forwarded upon receipt of the request from the new school. All school property must be returned before withdrawal.

TELEPHONING

In general, school telephones are for business use and for educational or emergency use by students. Only urgent messages will be delivered to your child. Please take care of personal business, such as rides home, etc., prior to school. Students will not have access to their cell phones during the school day as they must be turned off and put away at all times. Please ensure you are calling the office with urgent needs, and in a timely manner to ensure the EBIA team can relay a message to your student with minimum disruption to the academic day. If you need to get in touch with your child during the school, please call the office and we will ensure that they get your message. Families are expected not to call or text students during the class time.

STUDENT ATTENDANCE

It is the intent of the Governing Board ("Board") of East Bay Innovation Academy ("EBIA" or the "Charter School") to ensure that students attend school every day on time. Consistent school attendance is critical to school success. Being present for classroom instructional time is essential for students to reach their goals

and achieve their dreams. Chronic absenteeism has been linked to an increased likelihood of poor academic performance, disengagement from school and behavior problems.

EBIA will operate with an extended school day and year, offering the needed supports to ensure all students are ready for success in college and career. The school year consists of 176 calendar days with Lower School hours running from 8:40 am – 3:30 pm; Monday, Tuesday, Thursday, Friday and 8:40am-1:30pm on Wednesdays and Upper School hours running from 8:30 am – 4:00 pm Monday, Tuesday, Thursday, Friday, followed by Office Hours on select days and enrichment program On Wednesdays the Upper School will be held from 8:30am-2:25pm. The campus will open at 7:45 am for students to do school work.

Parents have the right to be notified in a timely manner if their child is absent from school without permission, except for when students in grades 7-12, inclusive, are excused from school for the purpose of obtaining confidential medical services without the consent of the student's parent or guardian.

ABSENCES

EBIA encourages students to approach their academic experience with a growth mindset, attaining a high degree of academic and social emotional growth across the year. It is not possible for this to happen if students are absent from class. The adult(s) legally responsible for a child are charged with ensuring that students are in school. EBIA understands that it is inevitable that there will be absences for excused reasons. However, with rare exceptions, these absences are infrequent and do not create a barrier that prevents students from reaching their potential.

EBIA has policies and procedures that allow students who have been absent for excused reasons to make up missed academic work. Making up missing assignments is seen as a way to minimize the negative impact of poor attendance. However, there is no way students can make up all they miss by not being in the classroom when learning is taking place.

1. In evaluating the success of students, we believe that attendance is the single most reliable predictor of student performance. Students who are regularly in school succeed; students who are chronically absent do poorly. Research also shows that there is an identical relationship between school attendance and success in the workplace.

EXCUSED ABSENCES

A student's absence shall be excused for the following reasons:

1. Personal illness, including an absence for the benefit of the pupil's mental or behavioral health (see section below for further information);

Absences under this section shall not be excused for more than three (3) days per incident, unless extended on a case-by-case basis at the discretion of the school administrator. "Immediate family" means the parent or guardian, brother or sister, grandparent, or any other relative living in the household of the pupil.

1. Participation in religious instruction or exercises in accordance with Charter School policy: The student shall be excused for this purpose on no more than four (4) school days per month. 2. For the purposes of jury duty in the manner provided for by law.
3. Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent, including absences to care for a sick child. (The school does not require a note from the doctor for this excuse.)
4. To permit the pupil to spend time with an immediate family member who is an active duty member of the uniformed services, as defined in Education Code Section 49701, and has been called to duty for, is on leave from, or has immediately returned from, deployment to a combat zone or combat support position. 10. In order to participate with a not-for-profit performing arts organization in a performance for a public-school pupil audience for a maximum of up to five (5) days per school year provided the pupil's parent or guardian provides a written note to the school authorities explaining the reason for the pupil's absence.
11. For the purpose of participating in a cultural ceremony or event. "Cultural" for these purposes means relating to the habits, practices, beliefs, and traditions of a certain group of people.
12. For the purpose of a middle or high school pupil engaging in a civic or political event as indicated below, provided that the pupil notifies the school ahead of the absence. A "civic or political event" includes, but is not limited to, voting, poll working, strikes, public commenting, candidate speeches, political or civic forums, and town halls.
 1. A middle school or high school pupil who is absent pursuant to this provision is required to be excused for only one schoolday-long absence per school year.
 2. A middle school or high school pupil who is absent pursuant to this provision may be permitted additional excused absences in the discretion of a school administrator.

For the following justifiable personal reasons for a maximum of five (5) school days per school year, upon advance written request by the student's parent or guardian and approval by the Executive Director or designee pursuant to uniform standards:

A student who is absent due to an excused absence will be allowed to complete all assignments and tests missed during the excused absence that can be reasonably provided and will receive full credit upon satisfactory completion within a reasonable period of time. The teacher of the class from which a student is absent shall determine which tests and assignments are reasonably equivalent to, but not necessarily identical to, the tests and assignments that the student missed during the excused absence.

METHOD OF VERIFICATION

Please notify the School by emailing info@eastbayia.org or calling 510-577-9557, if it is necessary for your student to be absent for any reason. In the email or when leaving a message, please include your name, student's name, reason for the absence, and a phone number where you can be reached.

Absences must be cleared within five (5) school days of the student's return to School or the absence becomes unexcused.

When excusing students for confidential medical services or verifying such appointments, Charter School staff shall not ask the purpose of such appointments but may contact a medical office to confirm the time of the appointment.

A healthcare provider's note of illness will be accepted for any reported absence. When a student has had fourteen (14) absences in the school year for illness verified by methods listed above without a healthcare provider's note, any further absences for illness must be verified by a healthcare provider.

As class participation is an integral part of students' learning experiences, parents/guardians and students shall be encouraged to schedule medical appointments during non-school hours.

Students should not be absent from school without their parents/guardians' knowledge or consent except in cases of medical emergency or for Students in grades 7-12, inclusive, who may be excused from school for the purpose of obtaining confidential medical services without the consent of the student's parent or guardian.

TRUANCY

Students shall be classified as truant if the student is absent from school without a valid excuse three (3) full days in one (1) school year, or if the student is tardy or absent for more than any thirty (30) minute period during the school day without a valid excuse on three (3) occasions in one (1) school year, or any combination thereof. Such students shall be reported to the Executive Director or designee.

Students shall be classified as a habitual truant if the student is reported for truancy three (3) or more times within the same school year. This generally occurs when the student is absent from school without a valid excuse for five (5) full days in one school year or if the student is tardy or absent for more than any 30-minute period during the school day without a valid excuse on five (5) occasions in one school year, or any combination thereof. In addition, students shall be classified as a chronic truant if the student is absent from school without a valid excuse for ten (10) percent or more of the school days in one (1) school year, from the date of enrollment to the current date.

The Executive Director, or designee, shall implement positive steps to reduce truancy, including working with the family in an attempt to resolve the attendance problem. A student's progress and learning may be affected by excessive unexcused absences. In addition, the Charter School is fiscally dependent on student attendance and is negatively impacted by excessive unexcused absences. If all attempts to resolve the student's attendance problem are unsuccessful, the Charter School will implement the processes described below. We will track daily attendance closely and communicate promptly and directly with families to minimize

the impact of absence on any child's academic progress. EBIA has established a School Attendance Review Board ("SARB") who reviews school-wide attendance on a regular basis. The SARB is responsible for addressing students who are truant or chronically absent.

PROCESS FOR ADDRESSING TRUANCY

1. Each of the first two (2) unexcused absences or unexcused tardies over thirty (30) minutes will result in a call home to the parent/guardian. The student's classroom teacher may also call home.
2. Each of the third (3rd) and fourth (4th) unexcused absences or unexcused tardies over thirty (30) minutes will result in a call home to the parent/guardian by the Executive Director or designee. In addition, the student's classroom teacher may also call home and/or the Charter School may send the parent an email notification. In addition, upon reaching three (3) unexcused absences or unexcused tardies over thirty (30) minutes in a school year, the parent/guardian will receive "Truancy Letter #1" from the Charter School notifying the parent/guardian of the student's "Truant" status. This letter must be signed by the parent/guardian and returned to the Charter School. This letter shall also be accompanied by a copy of this Attendance Policy. This letter, and all subsequent letter(s) sent home, shall be sent by Certified Mail, return receipt requested, or some other form of mail that can be tracked.
3. Upon reaching five (5) unexcused absences or unexcused tardies over thirty (30) minutes, the parent/guardian will receive "Truancy Letter #2 – Habitual Truant Classification Notice and Conference Request," notifying the parent/guardian of the student's "Habitual Truant" status and a parent/guardian conference will be scheduled to review the student's records and develop an intervention plan/contract.

4. Upon reaching six (6) unexcused absences or unexcused tardies over thirty (30) minutes, the student will be referred to a Student Success Team (“SST”) and the School Attendance Review Board (“SARB”). In addition, the parent/guardian will receive a Truancy Letter #3.” The SARB panel will be composed of administrators and other staff. The SARB panel will discuss the absence problem with the Parent/Guardian to work on solutions, develop strategies, discuss appropriate support services for the student and his/her family, and establish a plan to resolve the attendance issue.
 - a. The SARB panel shall direct the parent/guardian that no further unexcused absences or tardies can be tolerated.
 - b. The parent shall be required to sign a contract formalizing the agreement by the parents to improve the child’s attendance or face additional administrative action. The contract will identify the corrective actions required in the future, and indicate that the SARB panel shall have the authority to order one or more of the following consequences for non-compliance with the terms of the contract:
 - i. Parent/guardian to attend school with the child for one day
 - ii. Student retention
 - iii. After school detention program
 - iv. Required school counseling
 - v. Loss of field trip privileges
 - vi. Loss of school store privileges
 - vii. Loss of school event privileges
 - viii. Required remediation plan as set by the SARB
 - ix. Notification to the District Attorney
 - c. Notice of action recommended by the SARB will be provided in writing to the parent/guardian.
5. If the conditions of the SARB contract are not met, the student may incur additional administrative action up to and including disenrollment from the Charter School, consistent with the Involuntary Removal Process described below. If the student is disenrolled after the Involuntary Removal Process has been followed, notification will be sent within thirty (30) days to the student’s last known district of residence. For all communications set forth in this process, the Charter School will use the contact information provided by the parent/guardian in the registration packet. It is the parent’s or guardian’s responsibility to update the Charter School with any new contact information.
6. If student is absent fifteen (15) or more consecutive school days without valid excuse and parent/guardian cannot be reached at the number or address provided in the registration packet and does not otherwise respond to the Charter School’s communication attempts, as set forth above, the student will be in violation of the SARB contract (if any), and may be subject to disenrollment in compliance with the Involuntary Removal Process described below. Any documentation received by the Charter School regarding a student’s enrollment and attendance at another public or private school (i.e., CALPADS report) shall be deemed evidence of a **voluntary** disenrollment and shall not trigger the Involuntary Removal Process below.

PROCESS FOR STUDENTS WHO ARE NOT IN ATTENDANCE AT THE BEGINNING OF THE SCHOOL YEAR

When students are not in attendance on the first five (5) days of the school year, the Charter School will attempt to reach the student's parent/guardian on a daily basis for each of the first five (5) days to determine whether the student has an excused absence, consistent with the process outlined in this policy. If the student has a basis for an excused absence, the student's parents/guardian must notify the Charter School of the absence and provide documentation consistent with this Policy. However, consistent with process below, students who are not in attendance due to an unexcused absence by the sixth (6th) day of the school year will be disenrolled from the Charter School roster after following the Involuntary Removal Process described below, as it will be assumed that the student has chosen another school option.

1. Students who are not in attendance on the first (1st) day of the school year will be contacted by phone to ensure their intent to enroll in the Charter School.
2. Students who have indicated their intent to enroll but have not attended by the third (3rd) day of the school year and do not have an excused absence will receive a letter indicating the student's risk of disenrollment.
3. Students who have indicated their intent to enroll but have not attended by the fifth (5th) day of the school year and do not have an excused absence will receive a phone call reiterating the content of the letter.
4. Students who are not in attendance by the sixth (6th) day of the school year and do not have an excused absence will receive an Involuntary Removal Notice and the CDE Enrollment Complaint Notice and Form. The Charter School will follow the Involuntary Removal Process described below, which includes an additional five (5) schooldays for the parent/guardian to respond to the Charter School and request a hearing before disenrollment.
5. Any documentation received by the Charter School regarding a student's enrollment and attendance at another public or private school (i.e., CALPADS report) shall be deemed evidence of a voluntary disenrollment and shall not trigger the Involuntary Removal Process below.
6. The Charter School will use the contact information provided by the parent/guardian in the registration packet.
7. Within thirty (30) calendar days of disenrollment, the Charter School will send the student's last known school district of residence a letter notifying it of the student's failure to attend the Charter School.

INVOLUNTARY REMOVAL PROCESS

No student who has been attending the Charter School shall be involuntarily removed for any reason unless the parent or guardian of the student has been provided written notice of intent to remove the student no less than five (5) schooldays before the effective date of the proposed disenrollment date ("Involuntary Removal Notice").

The written notice shall be in the native language of the student or the student's parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student's educational rights holder. The Involuntary Removal Notice shall include

1. the charges against the pupil,
2. an explanation of the pupil's basic rights including the right to request a hearing before the effective date of the action,
The CDE Enrollment Complaint Notice and Form.

The hearing shall be consistent with the Charter School's expulsion procedures. If the student's parent, guardian, or educational rights holder requests a hearing, the student shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions or expulsions pursuant to the Charter School's suspension and expulsion policy.

Upon parent/guardian request for a hearing, the Charter School will provide notice of hearing consistent with its expulsion hearing process, through which the pupil has a fair opportunity to present testimony, evidence, and witnesses and confront and cross-examine adverse witnesses, and at which the pupil has the right to bring legal counsel or an advocate. The notice of hearing shall be in the native language of the student or the student's parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student's educational rights holder and shall include a copy of the Charter School's expulsion hearing process.

If the parent/guardian is nonresponsive to the Involuntary Removal Notice, the Student will be disenrolled as of the effective date set forth in the Involuntary Removal Notice. If parent/guardian requests a hearing and does not attend on the date scheduled for the hearing the Student will be disenrolled effective the date of the hearing.

If as a result of the hearing the student is disenrolled, notice will be sent to the student's last known district of residence within thirty (30) calendar days.

A hearing decision not to disenroll the student does not prevent the Charter School from making a similar recommendation in the future should student truancy continue or reoccur.

REFERRAL TO APPROPRIATE AGENCIES OR COUNTY DISTRICT

ATTORNEY

It is the Charter School's intent to identify and remove all barriers to the student's success, and the Charter School will explore every possible option to address student attendance issues with the family. For any unexcused absence, the Charter School may refer the family to appropriate school-based and/or social service agencies.

If a child's attendance does not improve after a SARB contract has been developed according to the procedures above, or if the parents fail to attend a required SARB meeting, the Charter School shall notify the District's Attorney's office, which then may refer the matter for prosecution through the court system. Students 12 years of age and older may be referred to the juvenile court for adjudication.

NON-DISCRIMINATION

These policies will be enforced fairly, uniformly, and consistently without regard to the characteristics listed in Education Code Section 220 (actual or perceived disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in Section 422.55 of the Penal Code, including immigration status, pregnancy, or association with an individual who has any of the aforementioned characteristics).

REPORTS

The Executive Director, or designee, shall gather and report to the Board the number of absences both excused and unexcused as well as students who are truant, and the steps taken to remedy the problem.

DAILY OPERATIONS

DROP-OFF/PICK-UP PROCEDURES

The Lower School begins at 8:40 a.m. and dismissal time is 3:30 p.m. daily. The Upper School begins at 8:30 a.m. and dismissal time is 4:00 p.m. Light supervision is provided prior to 8:00 a.m. Please pick students up within ten (10) minutes of dismissal. If class is being conducted at an off-campus site, students not picked up within ten (10) minutes of dismissal will be returned to the school site.

Lower School:

Wanting to be good neighbors in our Lower School community and responsible safe keepers of our students, we ask that parents/guardians either **park on Malcolm Ave.** to drop-off or pick-up students **OR** enter the driveway and **move** in a **counter-clockwise** direction in the turn-about. Cars **MAY NOT** park in the turn-about, as indicated by the red painted curb. **Cars should stop for no more than thirty (30) seconds in the turnabout so that traffic may flow.** Turning left onto Malcolm Ave. when exiting the school is not recommended, as cars traveling up the street do not have a lasting, clear view of the

driveway. We recommend turning right when exiting the driveway. Parents/guardians needing to meet with EBIA staff should park on Malcolm Ave. Unless disabled and displaying a placard, parents/guardians may not use the parking lot on campus, as those spaces are designated for staff use only.

Upper School:

We ask that parents/guardians enter the driveway and move in a counter- clockwise direction in the turn-about, or park in the front lot. Cars should stop for **no more than thirty (30) seconds** in the turn-about so that traffic may flow. Parents/Guardians needing to meet with EBIA staff should park in the designated spaces next to the driveway. Students are required to park in the upper lot near the gym.

LATE PICK UP POLICY

EBIA is committed to providing a safe campus for all students. When students are left on school property after the close of school hours, EBIA will follow certain steps to ensure students are safe until their parents/guardians come to pick them up. In the event students are left on campus after school hours, EBIA staff will:

- Notify the Site-Leaders or designee immediately.
- Attempt to reach parents/guardians through the phone number provided to the School by parents/guardians at the beginning of the year. This may include contacting any emergency contact(s) listed for the student.
- Bring students into the lobby of the building. Parents/guardians will be asked to come into the building to pick up their student. Students must remain on site until an adult comes to retrieve the student.
- Notify the Site-leaders or designee within forty-five (45) minutes following the close of business if there is a possibility that law enforcement may be called to assist the student.
- As a last resort, at sixty (60) minutes after the close of business, EBIA may contact law enforcement and/or child welfare services who may remove the student and may assume responsibility for the student until the parent/guardian retrieves the student.

EBIA understands unforeseen circumstances can occur. Should a late pick-up be likely, please inform the main office at 510-577-9557. Five (5) or more late pick-ups during a school year may result in a meeting with school administration.

RIDESHARING SERVICES

As per state and federal law, ridesharing services like Lyft and Uber are forbidden for unaccompanied minor. If your student uses ridesharing services to get to and from school, you may consider using services like HopSkipDrive or Zum and ensure that the driver is qualified to transport minors. EBIA does not assume responsibility for the safety of students whose parents elect to privately contract with a transportation service.

COMMUNICATION WITH THE SCHOOL

As learning partners in every child's education, we value transparency in communication. Most of our communication to families will be conducted electronically, via ParentSquare which will send an email and text message as well as a notification in an application depending on the amount of contact information parents elect to share. Announcements about upcoming events or important issues will be made via email newsletters that will be sent out to all families and public facing information will be updated on the EBIA website (www.eastbayia.org). Phone calls will be made to discuss individual student issues. The most effective means of communicating with EBIA staff is by email. It is our practice to return emails within two (2) business days. If you would like to contact the school by phone, our phone number is (510) 577-9557.

PARENT PORTAL

In order to monitor student academic progress, every parent/guardian will receive a Parent Portal account to PowerSchool, our student information systems. Every parent/guardian will also receive a Parent Portal account to our learning management system ("LMS"), Echo. The portal will allow you to see when assignments are due and the grades received on any assessment or assignment. We recommend you check this on a weekly basis, minimally.

NOTICES AND ANNOUNCEMENTS

The EBIA newsletter is a regular means of sharing school news, publishing the school calendar, issuing reminders, and thanking volunteers and contributors. If you have an article to include in the newsletter, please turn it in to staff for approval and inclusion in the newsletter. If you would like the newsletter emailed to you, send an email request to: info@eastbayia.org.

PARENT INVOLVEMENT

Parent involvement is vital to our school's success and to the success and achievement of each student. A Parent Advisory Council, composed of a leadership team and interest group leads, will meet with EBIA's leadership team to determine how the parents/guardians can best serve the school's needs. Volunteering is strongly encouraged but not required. No student's enrollment shall be adversely affected by the family's lack of ability to volunteer time to the school. The roles of the parents may include but are not limited to:

- Volunteering in EBIA community events, with opportunities ranging from event planning to community outreach, to chaperoning field trips (requires a background check and TB test)
- Giving feedback to the school about their students to help improve programs.
- Responding to school surveys.
- Being responsible for their student's transportation to and from school.
- Providing materials, time and places for your student(s) to do homework.
- Participating in at least one (1) conference per year with their student's advisor, and more as necessary.

- Partnering with your student(s) and EBIA to encourage and support on-time attendance totaling over 96%.

PARENT AND FAMILY ENGAGEMENT POLICY

The Charter School aims to provide all students in our school significant opportunity to receive a fair, equitable, and high-quality education, and to close educational achievement gaps while abiding by guidelines within the Elementary and Secondary Education Act (“ESEA”). The Charter School staff recognizes a partnership with families is essential to meet this goal. Our Parent and Family Engagement Policy leverages and promotes active involvement of all families as partners with schools to ensure student success. A copy of the Charter School’s complete Policy is available upon request in the main office.

INSTRUCTIONAL PROGRAM

EBIA is a rigorous STEAM school with a unique focus on the social and emotional skills students need to be leaders. Students learn to be problem solvers and strong advocates who work together and take responsibility for their own learning. Students collaborate on long-term, real world projects that combine many different subjects and will learn to complete and present those projects using technology. Students balance this project work with independent blended learning tools that are personalized to meet their individual needs.

To reflect these multiple goals - the acquisition of new knowledge, the development of social and emotional skills, the creation of both strong self-advocacy and collaboration tools - EBIA has adopted a set of learning categories, or outcomes, to guide our support of students and their long-term success.

GRADE CATEGORIES

The EBIA Grade Categories are a set of research-based outcomes aimed at preparing students for postsecondary college and career success that reflect the mission and priorities of our community. For each category a rubric or set of rubrics has been developed to help ensure that students are being provided with regular feedback on their growth and needs in each of these areas. These categories are an essential component of the project- and problem-based learning curriculum and are used to provide feedback and support to students across each of these outcomes.

- **Knowledge and Thinking:** Reason, problem-solve, develop sound arguments or decisions, and create new ideas by using appropriate sources and applying the knowledge and skills of a discipline.
- **Agency:** Develop a growth mindset and take ownership over learning.
- **Collaboration:** Be a productive member of diverse teams through strong interpersonal

communication, a commitment to shared success, and leadership.

- **Oral Communication:** Communicate knowledge and thinking through effective oral presentations.
- **Written Communication:** Communicate knowledge and thinking through effective writing.

GRADE CATEGORY DISTRIBUTION

Category	Humanities (History, ELA, Span, Art)	STEM (Math, Science, CS)	Fitness
Agency	10%	10%	30%
Collaboration	15%	15%	40%
Knowledge and Thinking	Ranging from 30-50% depending upon subject area		30%
Oral Communication	Ranging from 10-30% depending upon subject area		N/A
Written Communication	Ranging from 20-40% depending upon subject area		N/A

GRADING SCALE

Letter	A	B	C	F
Range	100 - 90	89 - 80	79 - 70	69 - 0

Within EBIA's online gradebook, assignments will be given a score based on our grading scale. Assignments that are "missing" or "incomplete" will also be identified within the gradebook. Those students with a final trimester grade of less than 50% will receive a 50% "floor grade" as their final trimester grade.

Please note that EBIA's grading scale does not include a grade of "D." Those students scoring a 70% or above are considered to be consistently demonstrating a basic mastery of skills and content. Those students scoring below a 70% are considered to be not consistently demonstrating a basic mastery of skills and content, and therefore in need of additional support. This support may include engaging in EBIA's Revision Policy (as outlined below), attending office hours, and/or being recommended for a school support team ("SST") meeting with teachers and family.

COMMON RUBRICS

EBIA courses will utilize the EBIA Grading Category Rubrics to assess students during project work. Teachers may choose to focus on only specific strands (rows) of the rubric at different parts of a project or different times of the year or may add rows to account for specific content knowledge that is associated with the project.

CATEGORY GRADING

Each assignment may be assessed and graded on one or more of the categories listed above. These categories are meant to communicate to the student clear information about their performance in that area and the criteria for assessment in that area should be communicated clearly. When talking about grades, teachers and students can move from “what grade did I get on the project?” to “my written communication was strong, but how could I have done better in collaboration?”

GROUP AND INDIVIDUAL GRADES

All courses at EBIA will include a blend of both collaborative and individual assignments. Within a project, students will have the opportunity to be assessed multiple times. Some of these assessments will be group grades based on work completed collaboratively; however every project will also include individual assessments that will allow students to show mastery independently.

Teachers may use their discretion to modify the grades of students in the group based on observed/documented contributions. Grades may be modified up or down, depending on the circumstances.

SELF AND PEER EVALUATION

During each project cycle, students will evaluate themselves and their peers using the collaboration rubric. While peer evaluations will contribute to a student's overall collaboration grade, they will not be the only method of assessment and will be a smaller portion of a student's overall grade.

REVISION POLICY

All students are expected to master skills and content that are aligned to CA State Standards. In the spirit of continuous improvement, EBIA's revision policy is designed so that students are provided the ability to demonstrate mastery through revision and reflection.

- All assignments will be scored within two (2) weeks of the assignment deadline.
- All students will have the opportunity to revise submitted Oral Communication, Written Communication and Knowledge and Thinking coursework that has received a score of below 85%.
- Before a revision is submitted, students must complete the designated Revision Reflection form.
- Revised assignments must be submitted within two (2) weeks of the date upon which the assignment was scored.
- Revised assignments may receive a score of up to 85%.

- Late work may be submitted for revision, but may lose credit in the Agency category, and may not receive a score of greater than 85%.
- Late assignments:
 - LS - Late assignments must be submitted within two weeks of the date upon which the assignment was due.
 - US - Late assignments must be submitted within one week of the date upon which the assignment was due.

STUDENT TESTING

Throughout the year students may participate in various forms of testing and assessment, depending on grade, site, etc.

CAASPP - California Assessment of Student Performance and Progress (“CAASPP” includes the Smarter Balanced Summative Assessments; the California Alternate Assessments (CAAs), including the CAA for Science; the California Science Test (CAST); and the California Spanish Assessment (CSA). CAASPP testing takes place in the Spring. Notwithstanding any other provision of law, a parent’s or guardian’s written request to the Executive Director to excuse his or her child from any or all parts of this state assessment shall be granted.

Physical Fitness Testing - Students in grades 5, 7, and 9 will participate in a Physical Fitness Test in the Spring.

NWEA MAP - All students will take math, reading, language and science assessment tests during the school year. Ninth graders must take a second assessment in Math within thirty (30) days of enrollment per the *California Math Placement Act of 2015*.

AP Testing- Students enrolled in Advanced Placement (“AP”) courses at our Upper School are encouraged to take the College Board’s AP Exam near the end of the year. While this exam is optional, students who pass the exam have the potential to both earn college credit and bypass certain entry examinations.

PSAT- During the 10th and 11th grade years at our Upper School, students take the Preliminary assessment, students who perform well may qualify to earn National Merit Scholarships. A parent’s or guardian’s written request to the Executive Director to excuse his or her child from any or all parts of this state assessment shall be granted.

SAT- In the spring of a student’s 11th grade year, our Upper School campus administers the Scholastic Aptitude Test (“SAT”) exam. A parent’s or guardian’s written request to the Executive Director to excuse his or her child from any or all parts of this state assessment shall be granted.

SEXUAL HEALTH EDUCATION

The Charter School offers comprehensive sexual health education to its students in grades 7-12. A Parent or guardian of a student has the right to excuse their child from all or part of comprehensive sexual health education, HIV prevention education, and assessments related to that education through a passive consent (“opt-out”) process. The Charter School does not require active parental consent (“opt- in”) for comprehensive sexual health education and HIV prevention education.

Parents and guardians may:

- Inspect written and audiovisual educational materials used in comprehensive sexual health education and HIV prevention education.
- Excuse their child from participation in comprehensive sexual health education and HIV prevention education in writing to the Charter School.
- Be informed whether the comprehensive sexual health or HIV/AIDS prevention education will be taught by Charter School personnel or outside consultants. When the Charter School chooses to use outside consultants or to hold an assembly with guest speakers to teach comprehensive sexual health or HIV/AIDS prevention education, be informed of:
 - The date of the instruction
 - The name of the organization or affiliation of each guest speaker
- Request a copy of Education Code sections 51930 through 51939.

Anonymous, voluntary, and confidential research and evaluation tools to measure student's health behaviors and risks (including tests, questionnaires, and surveys containing age-appropriate questions about the student's attitudes concerning or practices relating to sex) may be administered to 7th and 8th grade students. A parent or guardian has the right to excuse their child from the test, questionnaire, or survey through a passive consent ("opt-out") process. Parents or guardians shall be notified in writing that this test, questionnaire, or survey is to be administered, given the opportunity to review the test, questionnaire, or survey if they wish, notified of their right to excuse their child from the test, questionnaire, or survey, and informed that in order to excuse their child they must state their request in writing to the Charter School.

A Student may not attend any class in comprehensive sexual health education or HIV prevention education, or participate in any anonymous, voluntary, and confidential test, questionnaire, or survey on student health behaviors and risks, if the school has received a written request from the activity shall be made available to students whose parents or guardians have requested that they not receive the instruction or participate in the test, questionnaire, or survey.

CURRICULUM MATERIALS

Parents have the right to examine the school prospectus upon request including curriculum materials of any class offered. Please note that, pursuant to law, the Charter School may charge for the prospectus in an amount not to exceed the cost of duplication.

STUDENT ACADEMIC PROGRESS

Parents have the right to be informed of their child's academic progress in school and of the persons to contact if they wish more information or assistance with their child.

CAL GRANT PROGRAM NOTICE & INFORMATION REGARDING FINANCIAL AID

EBIA is required by state law to submit the Grade Point Average (“GPA”) of all high school seniors by Oct. 1 of each year, unless the student over age 18 or parent/guardian for those under 18 opt-out. Students currently in eleventh (11th) grade will be deemed a Cal Grant applicant, unless the Student (or Parent, as applicable) has opted out by or before February 1st. Charter School shall ensure that each of its students receives information on how to properly complete and submit the Free Application for Federal Student Aid (FAFSA) or the California Dream Act Application, as appropriate, at least once before the student enters grade 12. ACE will provide a paper copy of the FAFSA or the California Dream Act Application upon request.

- The FAFSA form and information regarding the FAFSA are available at: <https://studentaid.gov/h/apply-for-aid/fafsa>
- The California Dream Act Application and information regarding the California Dream Act is available at: <https://www.csac.ca.gov/post/resources-california-dream-act-application>

TEACHER CONFERENCES

Parents have the right to request a conference with their child's teacher(s), site leaders, and/or the Executive Director. Parents should contact the school to schedule a date and time convenient to all participants.

RIGHT TO ASK FOR TEACHER QUALIFICATIONS

As the Charter School receives Title I federal funds through the Elementary and Secondary Education Act (“ESEA”), as reauthorized and amended by the Every Student Succeeds Act (“ESSA”), all parents/guardians of students attending the Charter School may request information regarding the professional qualifications of classroom teachers and/or paraprofessionals, including at a minimum:

1. Whether the student’s teacher:
 - a. Has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
 - b. Is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
 - c. Is teaching in the field of discipline of the certification of the teacher; and
2. Whether the child is provided services by paraprofessionals and, if so, their qualifications.

Upon request, the Charter School will provide the information to the parents/guardians in a timely manner. Parents/guardians may contact the Executive Director to obtain this information.

ENGLISH LEARNERS

EBIA is committed to the success of its English Learners and support will be offered both within academic classes and in supplemental settings for students who need additional support for English language learning. The Charter School will meet all applicable legal requirements for English Learners as they pertain to annual notification to parents, student identification, placement, program options, English Learners and core content instruction, teacher qualifications and training, reclassification to fluent English proficient status, monitoring and evaluating program effectiveness, and standardized

testing requirements. The Charter School will implement policies to assure proper placement, evaluation, and communication regarding English Learners and the rights of students and parents.

SURVEYS ABOUT BELIEFS

Unless the student's parent/guardian gives written permission, a student will not be given any test, questionnaire, survey, or examination containing any questions about the student's, or the student's parents' or guardians' personal beliefs or practices in sex, family life, morality, or religion

INDEPENDENT STUDY

EBIA may offer independent study to meet the educational needs of students who receive prior approval from an administrator in conformance with the school's Board Policy on Independent Study, which is available for review on the school website and in the main office.

STUDENT BEHAVIOR

At EBIA, we strive to create a culture of community, where caring and nurturing relationships exist, giving students a sense of belonging and responsibility to one another. We know that students engaged in rigorous, relevant and real curriculum are more likely to be active participants in the community, eschewing misbehavior that takes away from the productivity of the learning environment. We have implemented the following positive behavior support plan, with a restorative approach to addressing disciplinary issues that may arise.

We will honor students and staff regularly and publicly for being positive contributors to the EBIA community. Time in Advisory classes will be dedicated to honoring students at a more local level. Acknowledging, validating and affirming our students will take place daily in all classes and throughout campus. We support the idea of setting personal and community goals and celebrating the attainment of those goals in myriad ways that honor process and progress.

We hold high expectations for student behavior and have established a set of behavioral norms and school rules that are in place to support a safe and positive learning environment. Consistency and transparency are the keys to ensuring students understand behavioral expectations. The iterative process of examining and refining these norms is not only encouraged, but expected, as we are an innovative school dedicated to creating a culture where buy-in exists as a result of all voices being heard in order to meet the needs of our community. There is intentionally not a litany of behavioral norms, but these following few, so that we can call attention, when necessary, for correction to anti- community behavior and focus on the positive choices our community makes:

- **Take care of yourself**
- **Take care of one another**
- **Take care of our community**

- **Live the Innovator Norms**

DRESS CODE

PHILOSOPHY

EBIA's student dress code supports equitable educational access and is written in a manner that does not reinforce stereotypes. To ensure effective and equitable enforcement of this dress code, school staff shall enforce the dress code consistently and in a manner that does not reinforce or increase marginalization or oppression of any group based on race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, household income or body type/size.

Our values are:

- All students should be able to dress comfortably for school and engage in the educational environment without fear of or actual unnecessary discipline or body shaming.
- Student dress code enforcement should not result in unnecessary barriers to school attendance.
- School staff should be trained and able to use student/body-positive language to explain the dress code and to address dress code violations.
- Teachers should focus on teaching without the additional and often uncomfortable burden of dress code enforcement.
- Reasons for conflict and inconsistent and/or inequitable discipline should be minimized whenever possible.

Our student dress code is designed to accomplish several goals:

- Maintain a safe learning environment in classes where protective or supportive clothing is needed, such as chemistry/biology (eye or body protection), dance (bare feet, tights/leotards), or PE (athletic attire/shoes).
- Allow students to wear clothing of their choice that is comfortable.
- Allow students to wear clothing that expresses their self-identified gender.
- Allow students to wear religious attire without fear of discipline or discrimination.
- Prevent students from wearing clothing or accessories with offensive images or language, including profanity, hate speech, and pornography.
- Prevent students from wearing clothing or accessories that denote, suggest, display or reference alcohol, drugs or related paraphernalia or other illegal conduct or activities.
- Prevent students from wearing clothing or accessories that will interfere with the operation of the school, disrupt the educational process, invade the rights of others, or create a reasonably foreseeable risk of such interference or invasion of rights.
- Prevent students from wearing clothing or accessories that reasonably can be construed as being or

including content that is racist, lewd, vulgar or obscene, or that reasonably can be construed as containing fighting words, speech that incites others to imminent lawless action, defamatory speech, or threats to others.

- Ensure that all students are treated equitably regardless of race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, household income or body type/size.

DRESS CODE

1. Basic Principle: Certain body parts must always be covered for all students.

Clothes must be worn in a way such that genitals, buttocks, breasts, and nipples are fully covered with opaque fabric. All items listed in the “must wear” and “may not wear” categories below must meet this basic principle.

2. Students Must Wear, while following the basic principle of Section 1 above:

- A Shirt (with fabric in the front, back, and on the sides under the arms), AND
- Pants/jeans or the equivalent (for example, a skirt, sweatpants, leggings, a dress or shorts)

3. Students Cannot Wear:

- Clothing that depicts Violent language or images.
- Clothing that depicts Images or language depicting drugs or alcohol, gambling, gang related signs or images, or any illegal item or activity.
- Clothing that depicts Hate speech, profanity, or is sexually suggestive or obscene.
- Clothing that depicts Images or language that creates a hostile or intimidating environment.
- Swimsuits (except as required in class or athletic practice).
- Accessories that could be considered dangerous or could be used as a weapon.

DRESS CODE ENFORCEMENT

To ensure effective and equitable enforcement of this dress code, school staff shall enforce the dress code consistently using the requirements below. School administration and staff shall not have discretion to vary the requirements in ways that lead to discriminatory enforcement.

- Students in violation of the dress code will be provided three (3) options to be dressed more to code during the school day:
 - Students will be asked to put on their own alternative clothing, if already available at school, to be dressed more to code for the remainder of the day.

- Students will be provided with temporary school clothing to be dressed to code for the remainder of the day.
- If necessary, students' parents may be called during the school day to bring alternative clothing for the student to wear for the remainder of the day.
- No student should be affected by dress code enforcement because of racial identity, sex assigned at birth, gender identity or expression, sexual orientation, ethnicity, cultural or religious identity, household income, body size/type, or body maturity.
- Dress code as written and applied is gender-neutral and non-discriminatory. School staff shall not enforce the school's dress code more strictly against transgender and gender nonconforming students than other students.

These dress code guidelines shall apply to regular school days and summer school days, as well as any school-related events and activities, such as graduation ceremonies, dances, and prom.

Students may not be disciplined or penalized academically as a consequence for wearing attire in violation of this school dress code.

CELL PHONES / ELECTRONIC DEVICES

According to developing research students are increasingly becoming reliant on technology, *"A majority of adolescents (61%) report sometimes or often neglecting their daily obligations because they are using technology, and 67% report sometimes or often losing sleep because of late-night internet usage."* (*actforyouth.net*) At EBIA we are dedicated to providing students the opportunity to grow and learn and we support this goal with the following personal device usage policy:

Private devices (including cell phones) may be used:

- Off campus, lunch, or after school.
- Before or after any Charter School sponsored activity occurring before or after the regular school day.
- When a teacher or administrator of the Charter School grants permission to a student to possess or use a private device, subject to any reasonable limitation imposed by that teacher or administrator.
- When a licensed physician and surgeon determines that the possession or use of a private device is necessary for the health or well-being of the student.
- When the possession or use of a private device is required in a student's individualized education program ("IEP").
- During instructional classroom time, including assemblies, and any other school activity, which takes place during the regularly scheduled school day on or off campus.
- During break periods, between class periods.
- During events sponsored by the Charter School held before or after regular school hours.
- On field trips or excursions sponsored by the Charter School.

Any EBIA staff member has the right to confiscate a student's personal device any time this policy is violated. School administration reserves the right to require families to hold a student's personal device at home for any amount of time for reasons including but not limited to: academic distraction, conflict, misuse, or failure to meet schoolwide expectations. As the research has demonstrated, cell phones and other electronic devices have become increasingly more capable and increasingly more disruptive to students in recent years. It is critical that students are engaging in their coursework and collaborating with their peers with as few distractions as possible in order to achieve the social and academic goals we are partnering with you and your families to reach. We request your partnership in helping stress the importance of this updated policy. Please review [telephoning](#) for information on reaching your student during school hours.

For further questions regarding the Tech Use Policy please call (510) 577-9557. The complete policy is also available upon request in the main office.

GUM ON CAMPUS

Responsible gum chewing is allowed at EBIA. Students who elect to chew gum on campus must ensure they discard chewing gum in proper trash receptacles.

NO TRADING OR SELLING ON CAMPUS

Students may not trade or sell any personal items, food, or beverages on campus.

APPROPRIATE LANGUAGE

Students will refrain from using profane, rude or offensive language on campus.

PUBLIC DISPLAYS OF AFFECTION

Appropriate, brief and platonic public displays of affection are permitted while at school, on school grounds, and at school-sponsored activities. EBIA staff will use discretion to determine level of appropriateness.

PERSONAL GROOMING

Personal grooming (hair and make-up) will take place outside of class time.

ALCOHOL, TOBACCO, DRUGS

EBIA does not tolerate the use, possession, or sale of drugs, alcohol, or tobacco/nicotine (including e-cigarettes and vape pens) by students on campus or at school-sponsored activities. Students violating this policy will face disciplinary action, up to and including suspension or expulsion.

RESTORATIVE JUSTICE

Restorative justice promotes values and principles that use inclusive, collaborative approaches for being in community. These approaches validate the experiences and needs of everyone within the community, particularly those who have been marginalized, oppressed, or harmed. These approaches allow us to act and respond in ways that are healing rather than alienating or coercive. Restorative conferences are not punitive, but proactive.

-excerpt from Amstutz and Mullet, Restorative Discipline for Schools

Instructional time is “sacred” and successful learning experiences depend upon the engaged participation of every student. The community is composed of individuals who exercise self-discipline while understanding the need for inter-dependency.

Below is an **example** of teacher response to students making poor choices in class which are adversely affecting the learning environment:

1. If misbehavior occurs, the teacher will address the responsible individual(s) respectfully, reminding the student of the appropriate desired behaviors, and logging the behavior as appropriate.
2. If misbehavior persists, the teacher will ask the student(s) to step outside the classroom or individually approach the student for a 1-2-minute conference. That conference will provide the student(s) the opportunity to discuss the behavior and ways in which they can demonstrate to the class that they are ready to learn and re-join the community.
 - If the student returns to class and continues misbehavior, that student may be asked to write a reflection and may be referred to speak to an administrator.
 - If the teacher feels the student(s) is/are not ready to return, the student(s) may be asked to write a reflection about the undesired behavior either in that teacher's class or a neighboring class.
3. If the student(s) return(s) to class after having written a reflection and continues with unproductive behavior, the student(s) will be referred to the office and will engage in the administrative behavior support plan.
4. If the behavior in class is extreme in nature and cannot be dealt with following the aforementioned steps, the student will be referred to the office and will engage in the administrative behavior support plan and/or the School will follow its Suspension Expulsion Policy as outlined within its Charter.

Understanding most behaviors will be addressed by the classroom teacher, as a means of re-engaging students in the learning environment, students referred to the office will already have been

given multiple opportunities for correcting misbehavior. We treat every student as an individual and will adjust our approach on a case-by-case basis. We apply restorative justice principles to supporting positive student choices so that unwanted behaviors do not continue, but we can also offer a more traditional model for students and families who prefer not to participate in the restorative approach.

ACADEMIC DISHONESTY

The EBIA Board believes that academic honesty and personal integrity are fundamental components of a student's education and character development. The Board expects that students will not cheat, lie, plagiarize or commit other acts of academic dishonesty.

Students, parents/guardians, staff and administrators shall be responsible for creating and maintaining a positive school climate that encourages honesty. Students found to have committed an act of academic dishonesty shall be subject to discipline.

Plagiarism and Copyright Infringement definitions:

1. Users will not plagiarize works that they find on the Internet. Plagiarism is taking the ideas or writings of others and presenting them as if they were original to the user.
2. Users will respect the rights of copyright owners and not infringe on those rights. Copyright infringement occurs when an individual inappropriately reproduces a work that is protected by a copyright. If a work contains language that specifies acceptable use of that work, the user should follow the expressed requirements. If the user is unsure whether or not they can use a work, they should request permission from the copyright owner.

Assignments for which students have engaged in plagiarism and/or copyright infringement will be scored as a zero (0), and students will be asked to re-submit the assignment within two (2) weeks. In the event that a student engages in plagiarism and/or copyright infringement more than once in a given course in the school year, that student will be referred to an administrator.

REASONABLE SEARCH

The Charter School recognizes and has determined that the occurrence of incidents which may include the possession of firearms, weapons, alcohol, controlled substances, or other items of contraband prohibited by law or Charter School rules and regulations, jeopardizes the health, safety and welfare of students and Charter School employees.

The California Constitution requires that all students and staff of public schools have the inalienable right to attend campuses which are safe, secure, and peaceful. As such, Charter School has adopted a Policy outlining the reasonable search of students and their property, student use areas, and/or student lockers and the seizure of illegal, unsafe, unauthorized or contraband items and materials through a search based upon reasonable suspicion.

Student lockers, including P.E. lockers, are school property and remain at all times under the control

of the Charter School. Students shall assume full responsibility for the security of their lockers. Student lockers may not be used to store illegal, unauthorized, or contraband materials. The acceptance and use of locker facilities on school campus by any student shall constitute consent by the student to the search of such locker facilities by authorized school personnel and/or law enforcement. Inspections of lockers may be conducted by school personnel and/or law enforcement through the use of trained dogs.

A student's personal cell phone, smartphone, or other personal electronic device shall not be searched by school officials without a warrant, the student's consent, or a legitimate emergency, unless the device is lost or abandoned. An emergency is any *situation involving danger of death or serious physical injury to any person, that requires access to the information located or reasonably believed to be located on the electronic device*. If the Charter School has a good faith belief that the device is lost, stolen, or abandoned, the Charter School may only access electronic device information in order to attempt to identify, verify, or contact the owner of the device.

The Charter School is not prohibited from seizing/confiscating a student's personal electronic device, without searching its contents, if the student's use or possession of the private electronic device is in violation of Charter School rules or regulations.

STUDENT HEALTH AND SAFETY

ILLNESS

A student who is ill should not be sent to school, since this may result in their health becoming worse and exposing others. Good indicators that students should be kept home:

Fever: With a temperature equal to or greater than 38.0 C or 100.4 F. The child can return to school after he/she has been fever-free for 24 hours (without fever-reducing medicine such as Tylenol or Advil).

Colds: A continuous green discharge from the nose may be a sign of infection; consider having the child seen by your health care provider.

Diarrhea/Vomiting: Return to school only after being symptom-free for 12 hours.

Conjunctivitis (Pink Eye): Return to school 24 hours after the first dose of prescribed medication.

Rashes: A student with an unexplained rash should return to school only after a health care provider has made a diagnosis and authorized the child's return to school.

Lice: A student with lice is encouraged to remain home until lice free. Please treat your student and notify the school.

While we understand that many families want to celebrate birthdays and other events as part of the community, we ask that families follow healthy guidelines when bringing in food. Please check with the office before bringing in any food or drinks for any event. Some students have allergies to food and drinks

and cannot be in close proximity to these items. Students bringing snacks to school should make healthy choices, such as fruits and vegetables.

INJURIES

A first aid kit is located in the office. If your student is ill or injured beyond first aid or simple comfort measures, you will be called to take the student home or to the doctor. In an emergency, appropriate action will be taken, and you will be informed immediately. If you cannot be reached, other designated adults listed on the student's emergency form will be notified. It is essential that you keep the school informed of any change in address and/or telephone numbers so that a responsible party may be reached in an emergency.

IMMUNIZATIONS

Pursuant to the California Health and Safety Code and the California Code of Regulations, children must provide proof of having received required immunizations (shots) before they can attend school unless they meet the requirements for an exemption. Immunization records are required for all incoming students.

Verification of immunizations will be completed with written medical records from the child's doctor or immunization clinic. To ensure a safe learning environment for all students, the Charter School follows and abides by the health standards set forth by the state of California. The immunization status of all students will be reviewed periodically. Those students who are not in compliance with the State requirements must be excluded from attendance until the requirements are met. Students who have been exposed to a communicable disease for which they have not been immunized may be excluded from school at the discretion of the Charter School.

These required immunizations include:

MEDICATIONS

The following regarding the administration of medications is applicable when the staff is responsible

for the administration of, or assisting in the administration of, medication to students attending school during the regular school day, which includes during school hours, before- or after-school programs, field trips, extracurricular and co- curricular activities, and camps or other activities that typically involve at least one (1) overnight stay away from home.

ADMINISTRATION OF MEDICATIONS

In order for a student to take any medication, during the regular school day, a Medication Authorization Form must be completed and on file. This includes both prescription and non- prescription medications.

A copy of the School's Medication Authorization Form is located at the main office. Please complete and return this form to the main office.

Students in grades 6-8 must take medication with school assistance, with the exception of auto- injectable epinephrine and inhaled asthma medication.

ADMINISTRATION OF MEDICATION WITH SCHOOL ASSISTANCE

Any student who is or may be required to take, during the regular school day, prescription medication prescribed or ordered for the student by an authorized health care provider may be assisted by a designated Charter School health aide.

In order for a student to be assisted by the designated Charter School personnel in administering medication, Charter School shall obtain both:

1. A written statement from the student's authorized health care provider detailing the name of the medication, method, amount/dosage, and time schedules by which the medication is to be taken, and
2. A written statement from the parent, foster parent, or guardian of the student indicating the desire that EBIA assist the student in the matters set forth in the statement of the authorized health care provider.

These written statements specified shall be provided at least annually and more frequently if the medication, dosage/amount, frequency of administration, or reason for administration changes.

SELF-ADMINISTRATION OF AUTO-INJECTABLE EPINEPHRINE AND INHALED ASTHMA MEDICATION (WITHOUT SCHOOL ASSISTANCE)

Students will be permitted to self-carry and self-administer auto-injectable epinephrine ("EpiPen") and inhaled asthma medication if an authorized health care provider has indicated that a student may need to take this medication or is required to take this medication during the regular school day. In order to carry and self-administer this medication, EBIA must receive the following:

1. A written statement from the student's authorized health care provider (1) detailing the name of the medication, method, dosage/amount, and time schedules by which the medication is to be taken, and (2) confirming that the student is able to self-administer an EpiPen or inhaled asthma medication, and

2. A written statement from the parent, foster parent, or guardian of the student (1) consenting to the self-administration, (2) providing a release for the school nurse or designated Charter School personnel to consult with the health care provider of the student regarding any questions that may arise with regard to the medication, and (3) releasing EBIA and Charter School personnel from civil liability if the self-administering student suffers an adverse reaction as a result of self-administering medication.

These written statements specified shall be provided at least annually and more frequently if the medication, dosage/amount, frequency of administration, or reason for administration changes.

Prior to approving self-administration of a prescription medication, EBIA may elect to observe and document the student's ability to safely and competently self-carry and self-administer the medication as directed by the authorized health care provider.

A student may be subject to disciplinary action if the student uses a prescription medication in a manner other than as prescribed. Any student requiring insulin shots must establish a plan for administration of insulin shots with the Principal in consultation with the parent or guardian and the student's medical professional.

SELF-ADMINISTRATION OF OTHER PRESCRIPTION MEDICATION (WITHOUT SCHOOL ASSISTANCE) FOR STUDENTS IN GRADES 6-8

EBIA does not permit grade 6-8 students to self-carry and self-administer prescription medication with the exception of auto-injectable epinephrine ("EpiPen") and inhaled asthma medication.

SELF-ADMINISTRATION OF OTHER PRESCRIPTION MEDICATION (WITHOUT SCHOOL ASSISTANCE) FOR STUDENTS IN GRADES 9-12

Students in grade 9-12 may be permitted to self-carry and self-administer other prescription medication (other an Epi Pen or asthma inhaler) if an authorized health care provider has indicated that a student may need to take this medication or is required to take this medication during the regular school day. In order to carry and self-administer this medication, EBIA must receive the following:

1. A written statement from the student's authorized health care provider (1) detailing the name of the medication, method, dosage/amount, and time schedules by which the medication is to be taken, and (2) confirming that the student is able to self-administer the medication, and
2. A written statement from the parent, foster parent, or guardian of the student (1) consenting to the self-administration, (2) providing a release for the school nurse or designated Charter School personnel to consult with the health care provider of the student regarding any questions that may arise with regard to the medication, and (3) releasing EBIA and Charter School personnel from civil liability if the self-administering student suffers an adverse reaction as a result of self-administering medication.

OBSERVATION AND DOCUMENTATION PROCESS FOR SELF-ADMINISTRATION OF PRESCRIPTION MEDICATIONS

EBIA will use the following procedure to observe and document a student's ability to safely and competently self-carry and self-administer the medication as directed by the authorized health care provider.

- Observation of the student self-administering the medication.
- Determination of the student's capability to have in his or her possession all necessary equipment and supplies.
- Determination of the student's capability to adhere to standard precautions and appropriate handling of syringes, needles, lancets, and other medical equipment.
- Determination of the student's capability to maintain safety and privacy.
- Development of an individualized school healthcare plan (ISHP) by the Principal or designated personnel if the student's health condition and status require monitoring and supervision.
- Development of a Section 504 Plan or a written agreement with the student that includes:
 - Procedures for reporting to designated school personnel any problems with medication, supplies or equipment, or if and when the student needs assistance.
 - A monitoring system for tracking self-medicating student outcomes.
 - Information for the student of what constitutes responsible behavior and that any act of inappropriate behavior with regard to self-administration of medication, such as sharing medications with peers, may result in the school administrator informing the parent or guardian and revoking the privilege of self-administration.
 - Provision for the student to keep on his or her person a copy of the authorized health care provider and parent or guardian written statements.
 - Recommendation that the student carry photo identification.

- A pupil may be subject to disciplinary action if that pupil uses auto-injectable epinephrine or inhaled asthma medication in a manner other than as prescribed.
- Any pupil requiring insulin shots must establish a plan for administration of insulin shots with the Principal in consultation with the parent or guardian and the pupil's medical professional.

ALLERGY REPORTING

It is vital that EBIA is informed of any student allergy that is life threatening and/or may require use of medication. A list of students with allergies will be kept in each classroom. Any required medication will be stored in the main office. Please see the "Medications" section above for applicable guidelines.

SAFE SCHOOL ENVIRONMENT

Parents have the right and are entitled to the assurance of a safe and supportive learning environment for their child. EBIA has established a Comprehensive School Safety Plan. The Plan is available upon request at the main office. Per our safety plan, families are able to obtain information about registered sex offenders within 2 miles of either campus by visiting this website: <http://meganslaw.ca.gov>,

PHYSICAL EXAMINATIONS AND RIGHT TO REFUSE

A parent/guardian having control or charge of any child enrolled in the Charter School may file annually with the Executive Director of the school in which the child is enrolled a written and signed statement stating that the parent/guardian will not consent to a physical examination of the child. Thereupon the child shall be exempt from any physical examination, but whenever there is a good reason to believe that the child is suffering from a recognized contagious or infectious disease, the child shall be sent home and shall not be permitted to return until the school authorities are satisfied that any contagious or infectious disease does not exist.

SCHOOLBUS AND PASSENGER SAFETY

All students who are transported in a schoolbus or school student activity bus shall receive instruction in school bus emergency procedures and passenger safety. EBIA's procedures are outlined in the School Safety Plan.

SCHOOL SAFETY PLAN AND ASBESTOS MANAGEMENT PLAN

The Charter School has established a Comprehensive School Safety Plan. The Plan is available upon

request at the main office.

The Charter School has also established an Asbestos Management Plan. The Plan is available upon request at the main office.

SUDDEN CARDIAC ARREST PREVENTION AND AUTOMATED EXTERNAL DEFIBRILLATORS

EBIA is invested in the health of its athletes, especially their heart health. Sudden cardiac arrest (“SCA”) is when the heart stops beating, suddenly and unexpectedly. Those wishing to participate in athletics at EBIA, must review the information sheet on sudden cardiac arrest via the link below:
<https://www.cde.ca.gov/pd/ca/pe/documents/pescaform.pdf>

CONCUSSION/HEAD INJURY

A concussion is a brain injury that can be caused by a bump, blow, or jolt to the head, or by a blow to another part of the body with the force transmitted to the head. Even though most concussions are mild, all concussions are potentially serious and may result in complications including prolonged brain damage and death if not recognized and managed properly. Because EBIA has elected to offer an athletic program, we must immediately remove from a school-sponsored athletic activity for the remainder of the day an athlete who is suspected of sustaining a concussion or head injury during that activity. The athlete may not return to that activity until he or she is evaluated by, and receives written clearance from, a licensed healthcare provider. If the licensed health care provider determines the athlete has a concussion or head injury, the athlete shall also complete a graduated return-to-play protocol of no less than 7 days in duration under the supervision of a licensed health care provider. On a yearly basis, a concussion and head injury information sheet must be signed and returned by the athlete and the athlete’s parent or guardian before the athlete initiates practice or competition. This requirement does not apply to an athlete engaging in an athletic activity during the regular school day or as part of a physical education course.

OPIOID INFORMATION SHEET

The Charter School annually provides each athlete with an Opioid Factsheet for Patients published by the Centers for Disease Control and Prevention. The athlete and, if the athlete is 17 years of age or younger, the athlete’s parent or guardian shall sign a document acknowledging receipt of the Opioid Factsheet for Patients and return that document to the Charter School before the athlete initiates practice or competition. The fact sheet is available at:

https://stacks.cdc.gov/view/cdc/134209/cdc_134209_DS1.pdf

PREGNANT AND PARENTING STUDENTS

EBIA recognizes that pregnant and parenting pupils are entitled to accommodations that provide them with the opportunity to succeed academically while protecting their health and the health of their children. A pregnant or parenting pupil is entitled to eight (8) weeks of parental leave, or more if deemed medically necessary by the pupil’s physician, which the pupil may take before the birth of the pupil’s infant if there is a medical necessity and after childbirth during the school year in which the birth takes place, inclusive of

any mandatory summer instruction, in order to protect the health of the pupil who gives or expects to give birth and the infant, and to allow the pregnant or parenting pupil to care for and bond with the infant. The Charter School will ensure that absences from the pupil's regular school program are excused until the pupil is able to return to the regular school program or an alternative education program.

Upon return to school after taking parental leave, a pregnant or parenting pupil will be able to make up work missed during his or her leave, including, but not limited to, makeup work plans and re enrollment in courses. Notwithstanding any other law, a pregnant or parenting pupil may remain enrolled for a fifth year of instruction in the Charter School if it is necessary in order for the pupil to be able to complete any graduation requirements, unless the Charter School determines that the pupil is reasonably able to complete the graduation requirements in time to graduate from high school by the end of the pupil's fourth year of high school.

Complaints of noncompliance with laws relating to pregnant or parenting pupils may be filed under the Uniform Complaint Procedures ("UCP") of the Charter School. The complaint may be filed in writing with the compliance officer:

Senior Director of Operations:
Bonita Herrera
3400 Malcolm Avenue, Oakland, CA 94605
Phone: 510-577-9557

A copy of the UCP is available upon request at the main office. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the complaint procedures, please contact the Senior Director of Operations.

HUMAN TRAFFICKING PREVENTION

California has the highest number of incidents of human trafficking in the U.S., and all students may be vulnerable. Charter School believes it is a priority to inform our students about (1) prevalence, nature of and strategies to reduce the risk of human trafficking, techniques to set healthy boundaries, and how to safely seek assistance, and (2) how social medial and mobile device applications are used for human trafficking.

In accordance with the California Healthy Youth Act, Charter School will provide age-appropriate instruction on the prevention of human trafficking, including sexual abuse, assault, and harassment. You have the right to excuse your child from all or part of instruction on prevention of human trafficking. Please contact the front office if you wish for your student to opt out from this instruction. Your consent for this instruction is NOT required. If we do not receive a written request to excuse your child, your child will be included in the instruction.

DIABETES

The Charter School will provide an information sheet regarding type 2 diabetes to the parent or guardian of incoming 7th grade students, pursuant to Education Code Section 49452.7. The information sheet shall include, but shall not be limited to, all of the following:

1. A description of type 2 diabetes.
2. A description of the risk factors and warning signs associated with type 2 diabetes.
3. A recommendation that students displaying or possibly suffering from risk factors or warning signs associated with type 2 diabetes should be screened for type 2 diabetes.
4. A description of treatments and prevention of methods of type 2 diabetes.
5. A description of the different types of diabetes screening tests available.

A copy of the information sheet regarding type 2 diabetes is available at: <https://www.cde.ca.gov/ls/he/hn/type2diabetes.asp>. Please contact the office if you need a copy of this information sheet or if you have any questions about this information sheet.

The Charter School will provide an information sheet regarding Type 1 Diabetes to the parent or guardian of a student when the student is first enrolled in elementary school, pursuant to Education Code Section 49452.6. The information sheet shall include, but shall not be limited to, all of the following:

1. A description of type 1 diabetes.
2. A description of the risk factors and warning signs associated with type 1 diabetes.
3. A recommendation that parents or guardians of students displaying warning signs associated with type 1 diabetes should immediately consult with the student's primary care provider to determine if immediate screening for type 1 diabetes is appropriate.
4. A description of the screening process for type 1 diabetes and the implications of test results.
5. A recommendation that, following a type 1 diagnosis, parents or guardians should consult with the pupil's primary care provider to develop an appropriate treatment plan, which may include consultation with and examination by a specialty care provider, including, but not limited to, a properly qualified endocrinologist.

A copy of the information sheet regarding type 1 diabetes is available at: <https://www.cde.ca.gov/ls/he/hn/type1diabetes.asp>. Please contact the office if you need a copy of this information sheet or if you have any questions about this information sheet.

Type 2 Diabetes Description

Type 2 diabetes is the most common form of diabetes in adults. Until a few years ago, type 2 diabetes was rare in children, but it is becoming more common, especially for overweight teens. According to the U.S. Centers for Disease Control and Prevention ("CDC"), one in three American children born after 2000 will develop type 2 diabetes in his or her lifetime. Type 2 diabetes affects the way the body is able to use sugar (glucose) for energy.

- The body turns the carbohydrates in food into glucose, the basic fuel for the body's cells.
- The pancreas makes insulin, a hormone that moves glucose from the blood to the cells.
- In type 2 diabetes, the body's cells resist the effects of insulin, and blood glucose levels rise.
- Over time, glucose reaches dangerously high levels in the blood, which is called hyperglycemia.
- Hyperglycemia can lead to health problems like heart disease, blindness, and kidney failure.

It is recommended that students displaying or possibly experiencing the risk factors and warning signs associated with type 2 diabetes be screened (tested) for the disease.

Risk Factors

Researchers do not completely understand why some people develop type 2 diabetes and others do not; however, the following risk factors are associated with an increased risk of type 2 diabetes in children:

- **Being overweight.** The single greatest risk factor for type 2 diabetes in children is excess weight. In the U.S., almost one out of every five children are overweight. The chances are more than double that an overweight child will develop diabetes.
- **Family history of diabetes.** Many affected children and youth have at least one parent with diabetes or have a significant family history of the disease.
- **Inactivity.** Being inactive further reduces the body's ability to respond to insulin.
- **Specific racial/ethnic groups.** Native Americans, African Americans, Hispanics/Latinos, or Asian/Pacific Islanders are more prone than other ethnic groups to develop type 2 diabetes.
- **Puberty.** Young people in puberty are more likely to develop type 2 diabetes than younger children, probably because of normal rises in hormone levels that can cause insulin resistance during this stage of rapid growth and physical development.

Warning Signs and Symptoms Associated with Type 2 Diabetes

Warning signs and symptoms of type 2 diabetes in children develop slowly, and initially there may be no symptoms. However, not everyone with insulin resistance or type 2 diabetes develops these warning signs, and not everyone who has these symptoms necessarily has type 2 diabetes.

- Increased hunger, even after eating
- Unexplained weight loss
- Increased thirst, dry mouth, and frequent urination
- Feeling very tired
- Blurred vision
- Slow healing of sores or cuts
- Dark velvety or ridged patches of skin, especially on the back of the neck or under the arms
- Irregular periods, no periods, and/or excess facial and body hair growth in girls
- High blood pressure or abnormal blood fats levels

Type 2 Diabetes Prevention Methods and Treatments

Healthy lifestyle choices can help prevent and treat type 2 diabetes. Even with a family history of diabetes, eating healthy foods in the correct amounts and exercising regularly can help children

achieve or maintain a normal weight and normal blood glucose levels.

- **Eat healthy foods.** Make wise food choices. Eat foods low in fat and calories.
- **Get more physical activity.** Increase physical activity to at least 60 minutes every day.
- **Take medication.** If diet and exercise are not enough to control the disease, it may be necessary to treat type 2 diabetes with medication.

The first step in treating type 2 diabetes is to visit a doctor. A doctor can determine if a child is overweight based on the child's age, weight, and height. A doctor can also request tests of a child's blood glucose to see if the child has diabetes or pre-diabetes (a condition which may lead to type 2 diabetes).

Types of Diabetes Screening Tests That Are Available

- **Glycated hemoglobin (A1C) test.** A blood test measures the average blood sugar level over two to three months. An A1C level of 6.5 percent or higher on two separate tests indicates diabetes.
- **Random (non-fasting) blood sugar test.** A blood sample is taken at a random time. A random blood sugar level of 200 milligrams per deciliter (mg/dL) or higher suggests diabetes. This test must be confirmed with a fasting blood glucose test.
- **Fasting blood sugar test.** A blood sample is taken after an overnight fast. A fasting blood sugar level less than 100 mg/dL is normal. A level of 100 to 125 mg/dL is considered pre-diabetes. A level of 126 mg/dL or higher on two separate tests indicates diabetes.
- **Oral glucose tolerance test.** A test measuring the fasting blood sugar level after an overnight fast with periodic testing for the next several hours after drinking a sugary liquid. A reading of more than 200 mg/dL after two hours indicates diabetes.

Type 2 diabetes in children is a preventable/treatable disease and the guidance provided above is intended to raise awareness about this disease. Contact the School nurse, school administrator, or health care provider if you have questions.

MENTAL HEALTH SERVICES

The Charter School recognizes that when unidentified and unaddressed, mental health challenges can lead to poor academic performance, increased likelihood of suspension and expulsion, chronic absenteeism, student attrition, homelessness, incarceration, and/or violence. Access to mental health services at the Charter School and in our community is not only critical to improving the physical and emotional safety of students, but it also helps address barriers to learning and provides support so that all students can learn problem-solving skills and achieve in school and, ultimately, in life. The following resources available to your child:

DANGERS OF SYNTHETIC DRUGS

The illicit use and abuse of synthetic drugs represents an emerging and ongoing public health threat in California. The fentanyl crisis specifically, has impacted communities across the state, leading to a sharp increase in fentanyl poisonings and deaths in recent years.

This notice aims to address the crisis with a preventative approach ensuring students and families are educated on the deadly consequences of recreational drug use.

A synthetic drug is a drug with properties and effects similar to a known hallucinogen or narcotic but having a slightly altered chemical structure, especially such a drug created in order to evade existing restrictions against illegal substances.

Synthetic drugs include but are not limited to synthetic cannabinoids (“synthetic marijuana,” “Spice,” “K2”), methamphetamines, bath salts, and fentanyl.

The California Department of Public Health (“CDPH”), has expounded on the extreme danger of drugs laced with fentanyl. Illicit fentanyl can be added to other drugs to make them cheaper, more powerful, and more addictive. Illicit fentanyl has been found in many drugs, including heroin, methamphetamine, counterfeit pills, and cocaine. Fentanyl mixed with any drug increases the likelihood of a fatal overdose. Furthermore, it is nearly impossible to tell if drugs have been laced with fentanyl without additional testing, because fentanyl cannot be seen, smelled, or tasted when used as a lacing agent. Social media platforms may be used as a way to market and sell synthetic drugs, such as fentanyl.

Additional information regarding fentanyl from the CDPH’s Substance and Addiction Prevention Branch can be found [here](#).

SAFE STORAGE OF FIREARMS

The purpose of this notice is to inform and to remind parents and legal guardians of all students at the Charter School of their responsibilities for keeping firearms out of the hands of children as required by California law. There have been many news reports of children bringing firearms to school. In many instances, the child obtained the firearm(s) from his or her home. These incidents can be easily prevented by storing firearms in a safe and secure manner, including keeping them locked up when not in use and storing them separately from ammunition.

To help everyone understand their legal responsibilities, this notice spells out California law regarding the storage of firearms. Please take some time to review this notice and evaluate your own personal practices to assure that you and your family are in compliance with California law:

- With very limited exceptions, California makes a person criminally liable for keeping any firearm, loaded or unloaded, within any premises that are under their custody and control where that person knows or reasonably should know that a child is likely to gain access to the firearm without the permission of the child’s parent or legal guardian, and the child obtains access to the firearm and thereby (1) causes death or injury to the child or any other person; (2) carries the firearm off the premises or to a public place, including to any preschool or school grades kindergarten through twelfth grade, or to any school-sponsored event, activity, or performance; or (3) unlawfully brandishes the firearm to others.
- The criminal penalty may be significantly greater if someone dies or suffers great bodily injury as a result of the child gaining access to the firearm.
- With very limited exceptions, California also makes it a crime for a person to negligently store or leave any firearm, loaded or unloaded, on their premises in a location where the person knows or reasonably should know that a child is likely to gain access to it

without the permission of the child's parent or legal guardian, unless reasonable action is taken to secure the firearm against access by the child, even where a minor never actually accesses the firearm.

- In addition to potential fines and terms of imprisonment, as of January 1, 2020, a gun owner found criminally liable under these California laws faces prohibitions from possessing, controlling, owning, receiving, or purchasing a firearm for 10 years.
- Finally, a parent or guardian may also be civilly liable for damages resulting from the discharge of a firearm by that person's child or ward.

The county or city may have additional restrictions regarding the safe storage of firearms. Thank you for helping to keep our children and schools safe. Remember that the easiest and safest way to comply with the law is to keep firearms in a locked container or secured with a locking device that renders the firearm inoperable.

CANCER PREVENTION ACT

Students in the state are advised to adhere to current immunization guidelines, as recommended by the Advisory Committee on Immunization Practices (ACIP) of the federal Centers for Disease Control and Prevention (CDC), the American Academy of Pediatrics, and the American Academy of Family Physicians, regarding full human papillomavirus (HPV) immunization before admission or advancement to the eighth grade level of any private or public elementary or secondary school.

Because the vaccine is more effective when given at younger ages, two doses of HPV vaccine are recommended for all kids between the ages of 9 to 12 years, and the second dose should be given before the start of 8th grade. Kids who wait until later to get their first dose of HPV vaccine may need three doses.

HPV vaccination can prevent over 90 percent of cancers caused by HPV. HPV vaccines are very safe, and scientific research shows that the benefits of HPV vaccination far outweigh the potential risks.

The lack of English language skills will not be a barrier to admission or participation in Charter School’s programs or activities. Charter School prohibits retaliation against anyone who files a complaint or who participates or refuses to participate in a complaint investigation.

VISITS AND CLASSROOM OBSERVATIONS

Parents have the right to visit their child's classroom to observe activities. The time and date of the visitation must be arranged in advance with the school. The school may set reasonable time and frequency expectations related to classroom observation.

All visitors (including volunteers) shall register in the Visitors Log Book and complete a Visitor’s Permit in the main office immediately upon entering any school building or grounds when during regular school hours. When registering, the visitor is required to provide his/her name, address, age (if under 21), his/her purpose for entering school grounds, and proof of identity.

While on campus, visitors are to enter and leave classrooms as quietly as possible, not converse with any student, teacher, or other instructional assistant unless permitted, and not interfere with any school activity. No electronic listening or recording device may be used in a classroom without the teacher’s and Principal’s written permission.

Before leaving campus, the visitor shall return the Visitor’s Permit and sign out of the Visitors Log Book in the main office.

All visitors are asked to comply with current mandated and recommended health and safety protocols. Visitors (including volunteers) who demonstrate signs of a contagious disease (e.g. fever, coughing) may be denied registration. When recommended or requested by the Department of Public Health, visitors will be required to wear personal protective equipment, such as masks, and practice social distancing. EBIA reserves the right to implement additional measures for the

protection of its school community, such as requiring forehead temperature checks before entry to the same extent being utilized for students and employees.

If the visitor is a government officer/official (including but not limited to local law enforcement officers, immigration enforcement officers, social workers, district attorneys, or U.S. attorneys) the officer/official will also be asked to produce any documentation that authorizes school access. EBIA shall make reasonable efforts to notify parents or guardians prior to permitting a student to be interviewed or searched, consistent with the law and/or any court order, warrant or instructions from the officer/official. A copy of the documentation provided by the officer and notes from the encounter may be maintained by EBIA consistent with the law. The EBIA Board of Directors and Bureau of Children's Justice in the California Department of Justice, at BCJ@doj.ca.gov, will be timely informed regarding any attempt by a law-enforcement officer to access a school site or a student for immigration-enforcement purposes, as recommended by the Attorney General. The Executive Director or designee may refuse to provide or withdraw consent to be on campus even if the visitor has a right to be on campus whenever there is reason to believe that the person has willfully disrupted or is likely to disrupt EBIA's orderly operation. The Executive Director or designee may request that a visitor who has failed to register, or whose registration privileges have been denied or withdrawn, promptly leave school grounds. When a visitor is directed to leave, the Executive Director or designee shall inform the visitor that if he/she reenters the school without following the posted requirements he/she will be guilty of a misdemeanor.

VOLUNTEERING

Parents have the right to volunteer their time and resources for the improvement of school facilities and programs. Parents should contact the school to determine the terms and conditions of this service.

Volunteers who come in regularly will need to present TB clearance and proof of clearance (fingerprinting) from the Department of Justice.

PARENT VOLUNTEERS

Research on student achievement indicates that when parents are active members of the child's school life, the student's academic progress accelerates and self-esteem blossoms. Based on this research, parents are encouraged to volunteer in a variety of settings. There are many opportunities for involvement. Please contact the school for information regarding our parent volunteer needs.

You can also get ideas at parent meetings, through the newsletter, or by talking with teachers and other parents. Parents and/or family members are encouraged to volunteer. Volunteering at EBIA is optional and not required for a student to attend EBIA. Volunteer time may be done in a variety of ways including, but not limited to:

- Driving and/or chaperoning field trips
- Tutoring
- Fundraising

- Facilities maintenance/Tech support
- Lunch or morning supervision

PARENTS' PERMISSION FOR THE PUBLICATION OF STUDENT WORK/ PICTURES

I understand that from time-to-time the school may wish to publish examples of student projects, photographs of students, and other work on an Internet accessible World Wide Web server. If you have any concerns or do not give consent, please contact info@eastbayia.org.

LOST OR DAMAGED SCHOOL PROPERTY

If a student willfully damages the Charter School's property or the personal property of a Charter School employee, or fails to return a textbook, library book, computer/tablet or other Charter School property that has been loaned to the student, the student's parents/guardians are liable for all damages caused by the student's misconduct not to exceed ten thousand dollars (\$10,000), adjusted annually for inflation. After notifying the student's parent or guardian in writing of the student's alleged misconduct and affording the student due process, Charter School may withhold the student's grades, transcripts, and diploma until the damages have been paid. If the student and the student's parent/guardian are unable to pay for the damages or to return the property, Charter School will provide a program of voluntary work for the minor in lieu of the payment of monetary damages. Upon completion of the voluntary work, the student's grades and diploma will be released.

MEAL PROGRAM

EBIA participates in the National School Lunch Program ("NSLP"). Pursuant to CA law, the Charter School shall make available a nutritionally adequate breakfast and a nutritionally adequate lunch free of charge and with adequate time to eat, during each schoolday to any student who requests a meal without consideration of the student's eligibility for a federally funded free or reduced-price meal, with a maximum of one (1) free breakfast meal and one (1) free lunch meal during each school day. This shall apply to all pupils in kindergarten through grade twelve (12). All parents/guardians of EBIA students are all encouraged to apply. Applications for school meals are available in the main office throughout the year. There is no deadline to apply. Income eligibility guidelines for federally funded free and reduced-price meals are available at: <https://www.cde.ca.gov/ls/nu/rs/>

Based on a parent/guardian's annual earnings, a parent/guardian may be eligible to receive the Earned Income Tax Credit from the Federal Government (Federal EITC). The Federal EITC is a refundable federal income tax credit for low-income working individuals and families. The Federal EITC has no effect on certain welfare benefits. In most cases, Federal EITC payments will not be used to determine eligibility for Medicaid, Supplemental Security Income, food stamps, low-income housing, or most Temporary Assistance For Needy Families payments. Even if you a parent/guardian does not owe federal taxes, they must file a federal tax return to receive the Federal EITC. Be sure to fill out the Federal EITC form in the Federal Income Tax Return Booklet. For information regarding your eligibility to receive the Federal EITC, including information on how to obtain the Internal Revenue Service (IRS) Notice 797 or any other necessary forms and instructions, contact the IRS by calling 1-800-829-3676

or through its website at www.irs.gov.

A parent/guardian may also be eligible to receive the California Earned Income Tax Credit (California EITC) starting with the calendar year 2015 tax year. The California EITC is a refundable state income tax credit for low-income working individuals and families. The California EITC is treated in the same manner as the Federal EITC and generally will not be used to determine eligibility for welfare benefits under California law. To claim the California EITC, even if you do not owe California taxes, you must file a California income tax return and complete and attach the California EITC Form (FTB 3514). For information on the availability of the credit eligibility requirements and how to obtain the necessary California forms and get help filing, contact the Franchise Tax Board at 1-800-852-5711 or through its website at www.ftb.ca.gov.

Charter School shall allow students, teachers, and staff to bring and carry water bottles. Water bottles may be excluded from libraries, computer labs, science labs, and other places where it is deemed dangerous to have drinking water. Charter School may develop additional policies regarding the types of water bottles that may be carried.

Charter School adheres to all applicable requirements regarding placement and maintenance of water bottle refilling stations on campus.

Charter School shall encourage water consumption through promotional and educational activities and signage that focus on the benefits of drinking water and highlight any water bottle filling stations that are located on campus.

A copy of the complete Universal Meals Policy, which includes the Charter School's meal charge policy is available upon request. EBIA also maintains a School Wellness Policy pursuant to state and federal requirements. A copy of the complete Policy is available upon request at the main office.

Note: Due to security concerns, we ask that families please avoid all online ordering vendors such as Doordash, Uber Eats, etc.

In accordance with federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, Charter School is prohibited from discriminating on the basis of race, color, national origin, sex (including gender identity and sexual orientation), disability, age, or reprisal or retaliation for prior civil rights activity.

Program information may be made available in languages other than English. Persons with disabilities who require alternative means of communication to obtain program information (e.g., Braille, large print, audiotope, American Sign Language), should contact the responsible state or local agency that administers the program or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339.

To file a program discrimination complaint, a Complainant should complete a Form AD-3027, USDA Program Discrimination Complaint Form which can be obtained online at: 52

PUPIL RECORDS, INCLUDING CHALLENGES AND DIRECTORY INFORMATION

"The Family Educational Rights and Privacy Act ("FERPA") affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

The right to inspect and review the student's education records within five (5) business days after the day the School receives a request for access. Parents or eligible students should submit to the School principal or designee a written request that identifies the records they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Parents or eligible students who wish to ask the School to amend a record should write to the Executive Director or designee, clearly identify the part of the record they want changed, and specify why it should be changed. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing. If the Charter School decides to amend the record as requested by the parent or eligible student, the Executive Director must order the correction or the removal and destruction of the information and inform the parent or eligible student of the amendment in writing.

The right to provide written consent before the School discloses personally identifiable information ("PII") from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to School officials with legitimate

educational interests. A School official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the School board. A School official also may include a volunteer, consultant, vendor, or contractor outside of the School who performs an institutional service of function for which the School would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist, or contracted provider of digital educational platforms and/or service; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another School official in performing his or her tasks. A School official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.

Note that Charter School will not release information to third parties for immigration- enforcement purposes, except as required by law or court order.

The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Student Privacy Policy Office
U.S. Department of Education
400 Maryland Avenue,
SW Washington, DC 20202

The right to request that the Charter School not release student names, addresses and telephone listings to military recruiters or institutions of higher education without prior written parental consent.

FERPA permits the disclosure of PII from student's education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations.

Except for disclosures to School officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the School to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A School may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student to the following parties:

Charter School officials who have a legitimate educational interest as defined by 34 C.F.R. Part 99;

Other schools to which a student seeks or intends to enroll so long as the disclosure is for purposes related to the student's enrollment or transfer. When a student transfers schools, the Charter School will mail the original or a copy of a student's cumulative file to the receiving district or private school within ten (10) school days following the date the request is received from the public school or private school where the pupil intends to enroll.

Charter School will make a reasonable attempt to notify the parent or eligible student of the request for records at the parent or eligible student's last known address, unless the disclosure is initiated by the parent or eligible student. Additionally, Charter School will give the parent or eligible student, upon request, a copy of the record that was disclosed and give the parent or eligible student, upon request, an opportunity for hearing;

1. Certain government officials listed in 20 U.S.C. § 1232g(b)(1) in order to carry out lawful functions;
2. Appropriate parties in connection with a student's application for, or receipt of, financial aid if it is necessary to determine eligibility, amount of aid, conditions for aid or enforcing the terms and conditions of the aid;

4. Accrediting organizations in order to carry out their accrediting functions;
5. Parents of a dependent student as defined in section 152 of the Internal Revenue Code of 1986;
6. Individuals or entities, in compliance with a judicial order or lawfully issued subpoena. 7. Persons who need to know in cases of health and safety emergencies;
8. State and local authorities, within a juvenile justice system, pursuant to specific State law;
9. A foster family agency with jurisdiction over a currently enrolled or former student, a short- term residential treatment program staff responsible for the education or case management of a student, and a caregiver (regardless of whether the caregiver has been appointed as the pupil's educational rights holder) who has direct responsibility for the care of the student, including a certified or licensed foster parent, an approved relative or non related extended family member, or a resource family, may access the current or most recent records of grades, transcripts, attendance, discipline, and online communication on platforms established by Charter School for student and parents, and any individualized education program ("IEP") or Section 504 plan that may have been developed or maintained by Charter School; and/or
10. A victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense. The disclosure may only include the final results of the disciplinary proceedings conducted by Charter School with respect to that alleged crime or offense. Charter School discloses the final results of the disciplinary proceeding regardless of whether

Charter School concluded a violation was committed.

Parents have the right to inspect and review their child's records and to question anything they feel is inaccurate or misleading or an invasion of privacy. Parents have the right to a timely response from the School about their questions.

Please note that data collected and reported by Charter School to the California Longitudinal Pupil Achievement Data System ("CALPADS"¹) pursuant to state law, will be shared with the California College Guidance Initiative ("CCGI"²) and will:

HOUSING QUESTIONNAIRE

EBIA shall administer a housing questionnaire for purposes of identifying homeless children and youth. Charter School shall ensure that the housing questionnaire is based on the best practices developed by the CDE. Charter School shall annually provide the housing questionnaire to all parents/guardians of students and to all unaccompanied youths at Charter School. The housing questionnaire shall include an explanation of the rights and protections a student has as a homeless child or youth or as an unaccompanied youth. The housing questionnaire shall be available in paper form. The housing questionnaire shall be available in English, and if fifteen (15) percent or more of the students enrolled at Charter School speak a single primary language other than English, it shall also be written in the primary language. The questionnaire shall be translated into other languages upon request of a student's parent/guardian or an unaccompanied youth. Charter School shall collect the completed housing questionnaires and annually report to the CDE the number of homeless children and youths and unaccompanied youths enrolled. (Education Code Section 48851.)

SCHOOL STABILITY

The Charter School will work with homeless students and their parent/guardian to ensure that each student is placed in the least restrictive educational programs, and has access to the academic resources, services, and extracurricular and enrichment activities that are available to all students, including, but not necessarily limited to, interscholastic sports. All decisions regarding a homeless student's education and placement will be based on the best interest of the child and shall consider, among other factors, educational stability and the opportunity to be educated in the least restrictive educational setting necessary to achieve academic progress.

Homeless students have the right to remain in their school of origin if it is in their best interest. The Charter School will immediately enroll a homeless student seeking reenrollment in the Charter School as the student's school of origin (subject to the Charter School's capacity and pursuant to the procedures stated in the Charter School's charter and Board policy). The Charter School will also immediately enroll any homeless student seeking to transfer to the Charter School (subject to the Charter School's capacity and pursuant to the procedures stated in the Charter School's charter and Board policy) regardless of the student's ability to meet normal enrollment documentation or uniform requirements (e.g., producing medical records or academic records from a previous school).

Homeless students have the right to remain in their school of origin following the termination of the child's status as a homeless student as follows:

1. For students in Kindergarten through eighth grade, inclusive, the student will be allowed to continue in the school of origin through the duration of the academic year in which the student's status changed.
2. For students enrolled in high school, the student will be allowed to continue in the school of origin through graduation.

If the Charter School operates an intersession program, Charter School shall grant priority access to homeless students. Notwithstanding any other law, if the homeless student will be moving during an intersession period, the pupil's parent, guardian, educational rights holder, Indian custodian³ in the case of an Indian child, or, if none of the preceding are applicable, an accompanied homeless student themselves shall determine which school the pupil attends for the intersession period, if applicable. "Intersession program" means an expanded learning program offered by the Charter School on nonschooldays, including, but not limited to, summer school. "Indian custodian" is as the term is defined in Section 1903 of Title 25 of the United States Code.

HIGH SCHOOL GRADUATION REQUIREMENTS FOR HOMELESS STUDENTS

Homeless students who transfer to the Charter School any time after the completion of their second year of high school shall be exempt from any of the Charter School's graduation requirements that are in excess of the California minimum graduation requirements specified in Education Code section 51225.3 ("additional graduation requirements") unless the Charter School makes a finding that the student is reasonably able to complete the Charter School's graduation requirements by the end of the student's fourth year of high school.

To determine whether a homeless student is in their third or fourth year of high school, either the number of credits the student has earned to the date of transfer, the length of the student's school enrollment, or, for pupils with significant gaps in school attendance, the pupil's age as compared to the average age of pupils in the third or fourth year of high school may be used, whichever will qualify the student for the exemption.

³ "Indian custodian" means any Indian person who has legal custody of an Indian child under tribal law or custom or under State law or to whom temporary physical care, custody, and control has been transferred by the parent of such child. *Section 1903 of Title 25 of the United States Code*

Within thirty (30) calendar days of the date that a student who may qualify for exemption under the above requirements transfers into the Charter School, the Charter School shall notify the student, the student's educational rights holder ("ERH"), and the School Liaison of the availability of the exemption and whether the student qualifies for an exemption.

The Charter School shall notify and consult with students who are exempted from the Charter School's additional graduation requirements and the student's ERH. The consultation shall include all of the following:

1. Discussion regarding how any of the requirements that are waived may affect the pupil's postsecondary education or vocation plans, including the ability to gain admission to a postsecondary educational institution.
2. Discussion and information about other options available to the pupil, including, but not limited to, a fifth year of high school, possible credit recovery, and any transfer opportunities available through the California Community Colleges.
3. Consideration of the pupil's academic data and any other information relevant to making an informed decision on whether to accept the exemption.

The Charter School shall not require any student who would otherwise be entitled to remain in attendance at the Charter School to accept the exemption from the Charter School's additional graduation requirements or deny the student enrollment in, or the ability to complete, courses for which the student is otherwise eligible. The Charter School shall not revoke an exemption and shall grant an eligible student's request for the exemption at any time if the student qualifies, regardless of whether the student previously declined the exemption.

If a homeless student who was eligible for an exemption and 1) was not properly notified of the availability of the exemption, or 2) previously declined the exemption pursuant to this Policy, the Charter School shall exempt the student within thirty (30) days of the exemption request, if an exemption is requested by the student or the student's ERH and the student at one time qualified for the exemption, even if the student is no longer homeless.

An eligible student's exemption from the Charter School's additional graduation requirements will continue to apply while the student is enrolled in the Charter School or if the student transfers to another school even after the student no longer meets the definition of a homeless child.

The Charter School shall not require or request that a student transfer schools in order to qualify the student for the exemption. Nor shall a student, a student's parent/guardian or educational rights holder, or a student's social worker or probation officer request a transfer solely to qualify for an exemption from the Charter School's additional graduation requirements.

If a student who is exempted from the Charter School's additional graduation requirements completes the California minimum coursework requirements specified in Education Code section 51225.3 before the end of the student's fourth year of high school and would otherwise be entitled to remain in attendance at the Charter School, the Charter School shall not require or request that the student graduate before the end of the student's fourth year of high school.

If the Charter School determines the student is reasonably able to complete the Charter School's

additional graduation requirements by the end of the student's fifth year of high school, the Charter School shall do the following:

1. Consult with the student and the student's ERH regarding the student's option to remain at the Charter School for a fifth year to complete the Charter School's graduation requirements, consistent with the laws regarding continuous enrollment and satisfactory progress for Charter School students over age 19.
2. Consult with the student, and the ERH for the student, about how remaining in school for a fifth year to complete the Charter School's graduation requirements will affect the student's ability to gain admission to a postsecondary educational institution.
3. Consult with and provide information to the student and the student's ERH about transfer opportunities available through the California Community Colleges.
4. Permit the student to stay at the Charter School for a fifth year to complete the Charter School's graduation requirements upon agreement with the student, if the student is 18 years of age or older, or, if the student is under 18 years of age, upon agreement with the student's ERH.
5. Consult with the student, and the student's ERH, regarding the student's option to remain in the school of origin.

Through January 1, 2028, upon making a finding that a homeless student **is not reasonably able to complete the Charter School's additional graduation requirements but is reasonably able to complete state coursework requirements specified in Education Code Section 51225.3** within the student's fifth year of high school, the Executive Director or designee shall exempt the pupil from Charter School's graduation requirements and provide pupil the option of remaining in school for a fifth (5th) year to complete the statewide coursework requirements. Charter School shall consult with the homeless student and the student's ERH regarding all of the following:

1. The pupil's option to remain in school for a fifth year to complete the statewide coursework requirements.
2. How waiving the local educational requirements and remaining in school for a fifth year may affect the pupil's postsecondary education or vocation plans, including the ability to gain admission to a institution of higher education.
3. Whether any other options are available to the pupil, including, but not limited to, possible credit recovery, and any transfer opportunities available through the California Community Colleges.
4. The pupil's academic data and any other information relevant to making an informed decision on whether to accept the exemption and option to remain in school for a fifth year to complete the statewide coursework requirements.

If a homeless student is **not** eligible for an exemption in the year in which the pupil transfers between schools, because Charter School makes a finding that the pupil is reasonably able to complete Charter School's additional graduation requirements in time to graduate from high school by the end of the pupil's fourth year of high school, then Charter School shall do the following:

1. Within the first 30 calendar days of the **following** academic year, Charter School shall reevaluate eligibility;
2. Provide written notice to the pupil, the ERH, and the pupil's social worker or probation officer, if applicable, whether the pupil qualifies for an exemption upon reevaluation , based on the course completion status of the pupil at the time of reevaluation, to determine if the pupil continues to be reasonably able to complete Charter School's additional graduation requirements in time to graduate from high school by the end of the pupil's fourth year of high school.
3. If, given their course completion status at that time the reevaluation is conducted, the pupil is not reasonably able to complete Charter School additional graduation requirements in time to graduate from high school by the end of the pupil's fourth year of high school, the Charter School shall provide written notice to the pupil and the ERH of the pupil's options to:
 - I. Receive an exemption from all coursework and other requirements adopted by the governing board body of Charter School that are in addition to the statewide coursework requirements specified in Section 51225.3, or
 - II. Upon agreement with the ERH, stay in school for a fifth year to complete the Charter School's additional graduation requirements.

The pupil (if not a minor) or the ERH shall have sole discretion whether to accept the exemption, based on the pupil's best educational interests.

Reporting Requirements

Charter School shall report to the California Department of Education ("CDE") annually on the number of pupils who, for the prior school year, graduated with an exemption from the Charter School's graduation requirements that are in addition to the statewide coursework requirements. This data shall be reported for pupils graduating in the fourth year and fifth year cohorts, and shall be disaggregated by cohort, pupil category, race, and disability status. The CDE shall make this data publicly available on an annual basis aligned with other reporting timelines for the California dashboard graduation data.

Acceptance of Course Work

The Charter School will accept any coursework satisfactorily completed at any public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency by a homeless student

The Charter School will provide homeless students credit for the partial completion of courses taken while attending a public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency. If the student did not complete the entire course, the Charter School shall not require the student to retake the portion of the course the student completed unless the Charter School, in consultation with the holder of educational rights for the student, finds that the student is reasonably able to complete the requirements in time to graduate

from high school. When partial credit is awarded in a particular course, the homeless student shall be enrolled in the same or equivalent course, if applicable, so that the student may continue and complete the entire course. These students shall not be prevented from taking or retaking a course to meet California State University or the University of California admission eligibility requirements.

Complaints of Noncompliance

A complaint of noncompliance with any of the requirements outlined above may be filed through the Charter School's Uniform Complaint Procedures. A copy of the Uniform Complaint Policy and Procedures is available upon request at the main office.

Availability of Complete Policy

For any homeless student who enrolls at the Charter School, a copy of the Charter School's complete policy shall be provided at the time of enrollment. A copy of the complete Policy is available upon request at the main office.

The Foster and Mobile Youth Liaison’s responsibilities include but are not limited to the following:

1. Ensuring and facilitating the proper educational placement, enrollment in school, and checkout from school of foster children.
2. Assisting foster children when transferring from one school to another school in ensuring proper transfer of credits, records and grades.

SCHOOL STABILITY

The Charter School will work with foster youth and their parent/guardian to ensure that each student is placed in the least restrictive educational programs, and has access to the academic resources, services, and extracurricular and enrichment activities that are available to all students, including, but not necessarily limited to, interscholastic sports. All decisions regarding a foster youth’s education and placement will be based on the best interest of the child and shall consider, among other factors, educational stability and the opportunity to be educated in the least restrictive educational setting necessary to achieve academic progress.

Foster youth, currently migratory children and children of military families have the right to remain in their school of origin if it is in their best interest. The Charter School will immediately enroll a foster youth, currently migratory child or child of a military family seeking reenrollment in the Charter School as the student’s school of origin (subject to the Charter School’s capacity and pursuant to the procedures stated in the Charter School’s charter and Board policy). If a dispute arises regarding a foster youth’s request to remain in the Charter School as the school of origin, the foster youth has the right to remain in the Charter School pending the resolution of the dispute. The Charter School will also immediately enroll any foster youth, currently migratory child or child of a military family seeking to transfer to the Charter School (subject to the Charter School’s capacity and pursuant to the procedures

stated in the Charter School's charter and Board policy) regardless of the student's ability to meet normal enrollment documentation or uniform requirements (e.g., producing medical records or academic records from a previous school).

Foster youth, currently migratory children, and children of military families have the right to remain in their school of origin following the termination of the child's status as a foster youth, currently migratory child or child of a military family, as follows:

1. For students in Kindergarten through eighth grade, inclusive, the student will be allowed to continue in the school of origin through the duration of the academic year in which the student's status changed.
2. For students enrolled in high school, the student will be allowed to continue in the school of origin through graduation.

If the Charter School operates an intersession program, Charter School shall grant priority access to foster youths. Notwithstanding any other law, if the foster youth will be moving during an intersession period, the pupil's educational rights holder, or Indian custodian in the case of an Indian child, shall determine which school the pupil attends for the intersession period, if applicable. "Intersession program" means an expanded learning program offered by the Charter School on non school days, including, but not limited to, summer school. "Indian custodian" is as the term is defined in Section 1903 of Title 25 of the United States Code.

GRADUATION REQUIREMENTS FOR FOSTER AND MOBILE YOUTH

Foster and Mobile Youth who transfer to the Charter School any time after the completion of their second year of high school, and newcomer pupils who are in their third or fourth year of high school, shall be exempt from any of the Charter School's graduation requirements that are in excess of the California minimum graduation requirements specified in Education Code section 51225.3 ("additional graduation requirements") unless the Charter School makes a finding that the student is reasonably able to complete the Charter School's graduation requirements by the end of the student's fourth year of high school.

To determine whether a Foster and Mobile Youth is in their third or fourth year of high school, either the number of credits the student has earned to the date of transfer, the length of the student's school enrollment, or, for students with significant gaps in school attendance, the student's age as compared to the average age of students in the third or fourth year of high school, may be used, whichever will qualify the student for the exemption. For a newcomer pupil, enrollment in grade 11 or 12, based on the average age of students in the third or fourth year of high school, may be used to determine whether the student is in their third or fourth year of high school.

Within thirty (30) calendar days of the date that a student who may qualify for exemption under the above requirements transfers into the Charter School, the Charter School shall notify the student, the parent/guardian, and where applicable, the student's social worker or probation officer, of the availability of the exemption and whether the student qualifies for an exemption.

The Charter School shall notify and consult with students who are exempted from the Charter School's additional graduation requirements and the student's ERH. The consultation shall include all of the following:

1. Discussion regarding how any of the requirements that are waived may affect the pupil's postsecondary education or vocation plans, including the ability to gain admission to a postsecondary educational institution.

2. Discussion and information about other options available to the pupil, including, but not limited to, a fifth year of high school, possible credit recovery, and any transfer opportunities available through the California Community Colleges.
3. Consideration of the pupil's academic data and any other information relevant to making an informed decision on whether to accept the exemption.

The Charter School shall not require any student who would otherwise be entitled to remain in attendance at the Charter School to accept the exemption from the Charter School's additional graduation requirements or deny the student enrollment in, or the ability to complete, courses for which the student is otherwise eligible. The Charter School shall not revoke an exemption and shall grant an eligible student's request for the exemption at any time if the student qualifies, regardless of whether the student previously declined the exemption.

If a Foster and Mobile Youth who was eligible for an exemption and 1) was not properly notified of the availability of the exemption, or 2) previously declined the exemption pursuant to this Policy, the Charter School shall exempt the student within thirty (30) days of the exemption request, if an exemption is requested by the student or the student's ERH and the student at one time qualified for the exemption, even if the student is no longer a Foster and Mobile Youth or the court's jurisdiction of the pupil has terminated.

An eligible student's exemption from the Charter School's additional graduation requirements will continue to apply while the student is enrolled in the Charter School or if the student transfers to another school even after the court's jurisdiction terminates or the student no longer meets the definition of Foster and Mobile Youth.

The Charter School shall not require or request that a student transfer schools in order to qualify the student for the exemption. Nor shall a student, a student's parent/guardian or educational rights holder, or a student's social worker or probation officer request a transfer solely to qualify for an exemption from the Charter School's additional graduation requirements.

If a student who is exempted from the Charter School's additional graduation requirements completes the California minimum coursework requirements specified in Education Code section 51225.3 before the end of the student's fourth year of high school and would otherwise be entitled to remain in attendance at the Charter School, the Charter School shall not require or request that the student graduate before the end of the student's fourth year of high school.

If the Charter School determines the student is reasonably able to complete the Charter School's additional graduation requirements by the end of the student's fifth year of high school, the Charter School shall do the following:

1. Consult with the student and the student's ERH regarding the student's option to remain at the Charter School for a fifth year to complete the Charter School's graduation requirements, consistent with the laws regarding continuous enrollment and satisfactory progress for Charter School students over age 19.
2. Consult with the student, and the ERH for the student, about how remaining in school for a fifth year to complete the Charter School's graduation requirements will affect the student's ability to gain admission to a postsecondary educational institution.
3. Consult with and provide information to the student and the student's ERH about transfer opportunities available through the California Community Colleges.

4. Permit the student to stay at the Charter School for a fifth year to complete the Charter School's graduation requirements upon agreement with the student, if the student is 18 years of age or older, or, if the student is under 18 years of age, upon agreement with the student's ERH.
5. For a student identified as a foster youth, consult with the student, and the student's ERH, regarding the student's option to remain in the school of origin.

Through January 1, 2028, upon making a finding that a Foster and Mobile Youth **is not reasonably able to complete the Charter School's additional graduation requirements but is reasonably able to complete state coursework requirements specified in Education Code Section 51225.3** within the student's fifth year of high school, the Executive Director or designee shall exempt the pupil from Charter School's graduation requirements and provide pupil the option of remaining in school for a fifth (5th) year to complete the statewide coursework requirements. Charter School shall consult with the Foster and Mobile Youth and their ERH regarding all of the following:

1. The pupil's option to remain in school for a fifth year to complete the statewide coursework requirements.
2. How waiving the local educational requirements and remaining in school for a fifth year may affect the pupil's postsecondary education or vocation plans, including the ability to gain admission to an institution of higher education.
3. Whether any other options are available to the pupil, including, but not limited to, possible credit recovery, and any transfer opportunities available through the California Community Colleges.
4. The pupil's academic data and any other information relevant to making an informed decision on whether to accept the exemption and option to remain in school for a fifth year to complete the statewide coursework requirements.

If a Foster and Mobile Youth is not eligible for an exemption in the year in which the pupil transfers between schools, or for a newcomer pupil, is not eligible for an exemption in the student's third year of high school, because Charter School makes a finding that the pupil is reasonably able to complete Charter School's additional graduation requirements in time to graduate from high school by the end of the pupil's fourth year of high school, then Charter School shall do the following:

1. Within the first 30 calendar days of the **following** academic year, Charter School shall reevaluate eligibility;
2. Provide written notice to the pupil, the pupil's ERH, and the pupil's social worker or probation officer, if applicable, whether the pupil qualifies for an exemption upon reevaluation, based on the course completion status of the pupil at the time of reevaluation, to determine if the pupil continues to be reasonably able to complete Charter School's additional graduation requirements in time to graduate from high school by the end of the pupil's fourth year of high school.
3. If, given their course completion status at that time the reevaluation is conducted, the pupil is not reasonably able to complete Charter School additional graduation requirements in time to graduate from high school by the end of the pupil's fourth year of high school, the Charter School shall provide written notice to the pupil and the pupil's ERH of the pupil's options to:

- a. Receive an exemption from all coursework and other requirements adopted by the governing board body of Charter School that are in addition to the statewide coursework requirements specified in Section 51225.3, or
- b. Upon agreement with the pupil's ERH, stay in school for a fifth year to complete the Charter School's additional graduation requirements.

The pupil (if not a minor) or the pupil's ERH shall have sole discretion whether to accept the exemption, based on the pupil's best educational interests.

Reporting Requirements: Charter School shall report to the California Department of Education ("CDE") annually on the number of pupils who, for the prior school year, graduated with an exemption from the Charter School's graduation requirements that are in addition to the statewide coursework requirements. This data shall be reported for pupils graduating in the fourth year and fifth year cohorts, and shall be disaggregated by cohort, pupil category, race, and disability status. The CDE shall make this data publicly available on an annual basis aligned with other reporting timelines for the California dashboard graduation data. For purposes of this notice, "pupil category" means the categories of pupils identified in the "Definitions" section of this Policy, above.

ACCEPTANCE OF COURSE WORK

The Charter School will accept any coursework satisfactorily completed at any public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency by a Foster and Mobile Youth.

The Charter School will provide Foster and Mobile Youth credit for the partial completion of courses taken while attending a public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency. If the student did not complete the entire course, the Charter School shall not require the student to retake the portion of the course the student completed unless the Charter School, in consultation with the holder of educational rights for the student, finds that the pupil is reasonably able to complete the requirements in time to graduate from high school. When partial credit is awarded in a particular course, the Foster and Mobile Youth shall be enrolled in the same or equivalent course, if applicable, so that the student may continue and complete the entire course. These students shall not be prevented from taking or retaking a course to meet California State University or the University of California admission eligibility requirements.

STUDENT RECORDS

When the Charter School receives a transfer request and/or student records request for the educational information and records of a foster youth from a new local educational agency ("LEA"), the Charter School shall provide these student records within two (2) business days. The Charter School shall compile the complete educational record of the student, including but not limited to a determination of seat time, full or partial credits earned, current classes and grades, immunization and other records, and, if applicable, a copy of the student's special education records including assessments, IEPs, and/or 504 plans. All requests for student records will be shared with the Foster and Mobile Youth Liaison, who shall be aware of the specific educational recordkeeping needs of Foster and Mobile Youth.

The Charter School shall not lower a foster youth's grades as a result of the student's absence due to a verified

court appearance, related court ordered activity, or a change the placement of the student made by a county or placing agency. If a foster youth is absent from school due to a decision to change the placement of the student made by a county or placing agency, the grades and credits of the pupil will be calculated as of the date the student left the Charter School.

In accordance with the Charter School's Educational Records and Student Information Policy, under limited circumstances, the Charter School may disclose student records or personally identifiable information contained in those records to certain requesting parties including but not limited to a foster family agency and state and local authorities within a juvenile justice system, without

parent/guardian consent. Students who are 16 years of age or older or have finished 10th grade may access their own school records.

DISCIPLINE DETERMINATIONS

If the Charter School intends to extend the suspension of any foster youth pending a recommendation for expulsion, the Charter School will invite the student's attorney and an appropriate representative from the relevant county agency to participate in the meeting at which the extension of the suspension will be discussed.

If the Charter School intends to suspend for more than ten (10) consecutive school days or expel a student with a disability who is also a foster youth due to an act for which the recommendation for expulsion is discretionary, the Charter School will invite the student's attorney and an appropriate representative from the relevant county agency to participate in the Manifestation Determination Review meeting.

COMPLAINTS OF NONCOMPLIANCE

A complaint of noncompliance with any of the requirements outlined above may be filed through the Charter School's Uniform Complaint Procedures. A copy of the Uniform Complaint Policy and Procedures is available upon request at the main office.

AVAILABILITY OF COMPLETE POLICY

For any Foster and Mobile Youth who enrolls at the Charter School, a copy of the Charter School's complete foster youth policy shall be provided at the time of enrollment. A copy of the complete Policy is available upon request at the main office.

SECTION 504

EBIA recognizes its legal responsibility to ensure that no qualified person with a disability shall, on the basis of disability, be excluded from participation, be denied the benefits of, or otherwise subjected to discrimination under any program of EBIA. Any student who has an objectively identified disability which substantially limits a major life activity, including, but not limited to learning, is eligible for accommodations by EBIA. The parent of any student suspected of needing or qualifying for accommodations under Section 504 may make a referral for an evaluation to the Executive Director. A copy of EBIA's Section 504 policies and procedures is available upon request at the main office.

SPECIAL EDUCATION / STUDENTS WITH DISABILITIES

We are dedicated to the belief that all students can learn and must be guaranteed equal opportunity to become contributing members of the academic environment and society. EBIA provides special education instruction and related services in accordance with the Individuals with Disabilities in Education Improvement Act (“IDEA”), Education Code requirements, and applicable policies and procedures of the El Dorado County SELPA. These services are available for special education students enrolled at EBIA. We offer high quality educational programs and services for all our students in accordance with the assessed needs of each student. EBIA collaborates with parents, the student, teachers, and other agencies, as may be indicated, in order to appropriately serve the educational needs of each student.

Pursuant to the IDEA and relevant state law, EBIA is responsible for identifying, locating, and evaluating children enrolled at EBIA with known or suspected disabilities to determine whether a need for special education and related services exists. This includes children with disabilities who are homeless or foster youth. EBIA shall not deny nor discourage any student from enrollment solely due to a disability. The week of each year that includes April 28 shall be known as “Workplace Readiness Week.” All public high schools, including charter schools, shall annually observe that week by providing information to students on their rights as workers.

Beginning August 1, 2024, any minor seeking the signature of a Charter School verifying authority on a Statement of Intent to Employ a Minor and Request for a Work Permit-Certificate of Age will be issued, before or at the time of receiving the signature of the verifying authority, a document clearly explaining basic labor rights extended to workers. An infographic explaining these rights is available at: <https://laborcenter.berkeley.edu/wp-content/uploads/2024/05/Know-Your-Rights-FINAL.pdf>

Complaints alleging unlawful discrimination, harassment, intimidation, or bullying, must be filed within six (6) months from the date the alleged discrimination, harassment, intimidation, or bullying, occurred or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation, or bullying. All other complaints under the UCP shall be filed not later than one (1) year from the date the alleged violation occurred. For complaints relating to the LCAP, the date of the alleged violation is the date on which the Charter School’s Board of Directors approved the LCAP or the annual update was adopted by the Charter School.

The Compliance Officer responsible for investigating the complaint shall conduct and complete the investigation in accordance with California regulations and the Charter School’s UCP Policy. The

Compliance Officer shall provide the complainant with a final written investigation report (“Decision”) within sixty (60) calendar days from the Charter School’s receipt of the complaint. This sixty (60) calendar day time period may be extended by written agreement of the complainant.

The complainant has a right to appeal the Charter School’s Decision to the California Department of Education (“CDE”) by filing a written appeal within thirty (30) calendar days of the date of the Charter School’s written Decision, except if the Charter School has used its UCP to address a complaint that is not subject to the UCP requirements. The appeal must include a copy of the complaint filed with the Charter School, a copy of the Charter School’s Decision, and the complainant must specify and explain the basis for the appeal of the Decision, including at least one of the following:

1. The Charter School failed to follow its complaint procedures.
2. Relative to the allegations of the complaint, the Charter School’s Decision lacks material findings of fact necessary to reach a conclusion of law.
3. The material findings of fact in the Charter School’s Decision are not supported by substantial evidence.
4. The legal conclusion in the Charter School’s Decision is inconsistent with the law.
5. In a case in which the Charter School’s Decision found noncompliance, the corrective actions fail to provide a proper remedy.

A complainant who appeals the Charter School’s Decision on a UCP complaint to the CDE shall receive a written appeal decision within sixty (60) calendar days of the CDE’s receipt of the appeal, unless extended by written agreement with the complainant or the CDE documents exceptional circumstances and informs the complainant.

Within thirty (30) calendar days of the date of the CDE’s appeal Decision pursuant to 5 C.C.R. section 4633(f)(2) or (3), either party may request reconsideration by the State Superintendent of Public Instruction (“SSPI”) or the SSPI’s designee. The request for reconsideration

shall specify and explain the reason(s) for contesting the findings of fact, conclusions of law, or corrective actions in the CDE’s appeal Decision.

Complaints alleging noncompliance with Education Code section 243 or 244 may be filed with the SSPI directly, and the SSPI may directly intervene without waiting for an investigation by the Charter School. The complainant shall present the SSPI with evidence that supports the basis for the direct filing and why immediate action is necessary.

If a UCP complaint is filed directly with the CDE and the CDE determines that it merits direct intervention, the CDE shall complete an investigation and provide a written decision to the complainant within sixty (60) calendar days of receipt of the complaint, unless the parties have agreed to extend the timeline or the CDE documents exceptional circumstances and informs the complainant.

If the Charter School finds merit in a UCP complaint, or the CDE finds merit in an appeal, the Charter School shall take corrective actions consistent with the requirements of existing law that will provide a remedy to the affected student and/or parent/guardian as applicable.

A complainant may pursue available civil law remedies outside of the Charter School's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For unlawful discrimination, harassment, intimidation or bullying complaints arising under state law, however, a complainant must wait until sixty (60) calendar days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the Charter School has appropriately, and in a timely manner, apprised the complainant of the complainant's right to file a complaint in accordance with 5 C.C.R. § 4622.

A copy of the UCP shall be available upon request free of charge in the main office. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the UCP, please contact the Executive Director.

APPENDIX: COMPLETE POLICIES

TITLE IX POLICY PROHIBITING DISCRIMINATION ON THE BASIS OF SEX

This Title IX Policy Prohibiting Discrimination on the Basis of Sex ("Policy") contains the policies and grievance procedures of East Bay Innovative Academy ("EBIA") to address sex discrimination, including but not limited to sexual harassment, occurring within EBIA's education program or activity.

EBIA does not discriminate on the basis of sex and prohibits any acts of sex discrimination in any education program or activity that it operates, as required by California law, Title IX (20 U.S.C. § 1681 *et seq.*) and the Title IX regulations (34 C.F.R. Part 106), including in admission and employment.⁵

This Policy applies to conduct occurring in EBIA's education programs or activities including but not limited to incidents occurring on the school campus, during school-sponsored events and activities regardless of the location, and through school-owned technology, whether perpetrated by a student, parent/guardian, employee, volunteer, independent contractor or other person with whom EBIA does business.

Inquiries about the application of Title IX and 34 C.F.R. Part 106 (hereinafter collectively referred to as "Title IX") may be referred to the EBIA Title IX Coordinator, the Assistant Secretary for Civil Rights of the U.S. Department of Education, or both.

Definitions

⁵ EBIA complies with all applicable state and federal laws and regulations and local ordinances in its investigation of and response to reports and complaints of misconduct prohibited by this Policy.

Prohibited Sex Discrimination

Title IX and California law prohibit discrimination on the basis of sex, including sex-based harassment and differences in the treatment of similarly situated individuals on the basis of sex with regard to any aspect of services, benefits, or opportunities provided by EBIA.

Prohibited Sexual Harassment

Under Title IX, “sexual harassment” means conduct on the basis of sex that satisfies one or more of the following:

- An employee of EBIA conditioning the provision of an aid, benefit, or service of EBIA on an individual's participation in unwelcome sexual conduct;
- Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to EBIA's education program or activity; or
- “Sexual assault” as defined in 20 U.S.C. 1092(f)(6)(A)(v), “dating violence” as defined in 34 U.S.C. 12291(a)(10), “domestic violence” as defined in 34 U.S.C. 12291(a)(8), or “stalking” as defined in 34 U.S.C. 12291(a)(30).

Under California Education Code section 212.5, sexual harassment consists of conduct on the basis of sex, including but not limited to unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct on the basis of sex, regardless of whether or not the conduct is motivated by sexual desire, when: (a) submission to the conduct is explicitly or implicitly made a term or a condition of an individual's employment, education, academic status, or progress; (b) submission to, or rejection of, the conduct by the individual is used as the basis of employment, educational or academic decisions affecting the individual; (c) the conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance, or of creating an intimidating, hostile, or offensive work or educational environment; and/or (d) submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through EBIA.

Examples of conduct that may fall within the Title IX or the Education Code definition of sexual harassment, or both:

- Physical assaults of a sexual or sex-based nature, such as:
 - Rape, sexual battery, molestation or attempts to commit these assaults.
 - Intentional physical conduct that is sex-based or sexual in nature, such as touching, pinching, patting, grabbing, brushing against another's body, poking another's body, violence, intentionally blocking normal movement or interfering with work or school because of sex.
- Unwanted sexual advances or propositions, derogatory sex-based comments, or other sex-based conduct, such as:
 - Sexually oriented or sex-based gestures, notices, epithets, slurs, remarks, jokes, or comments about a person's sexuality or sexual experience.
 - Preferential treatment or promises of preferential treatment to an individual for submitting to sexual conduct, including soliciting or attempting to solicit any individual to engage in sexual activity for compensation or reward or deferential treatment for rejecting sexual conduct.

- Subjecting or threats of subjecting a student or employee to unwelcome sexual attention or conduct or intentionally making the student's or employee's performance more difficult because of the student's or the employee's sex.
- Retaliation against an individual who has articulated a good faith concern about sex-based harassment.
- Sexual or discriminatory displays or publications anywhere in the work or educational environment, such as:
 - Displaying pictures, cartoons, posters, calendars, graffiti, objections, promotional materials, reading materials, or other materials that are sexually suggestive, sexually demeaning or pornographic or bringing or possessing any such material to read, display or view in the work or educational environment.
 - Reading publicly or otherwise publicizing in the work or educational environment materials that are in any way sexually revealing, sexually suggestive, sexually demeaning or pornographic.
 - Displaying signs or other materials purporting to segregate an individual by sex in an area of the work or educational environment (other than restrooms or similar rooms).

The illustrations above are not to be construed as an all-inclusive list of sex-based harassment acts prohibited under this Policy.

Complainant means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

Formal Complaint of Sexual Harassment means a written document filed and signed by a complainant who is participating in or attempting to participate in EBIA's education program or activity or signed by the Coordinator alleging sexual harassment against a respondent and requesting that EBIA investigate the allegation of sexual harassment. At the time of filing a formal complaint of sexual harassment, the complainant must be participating in or attempting to participate in EBIA's education program or activity.

Party means a complainant or respondent.

Respondent means a person who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

Supportive Measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to a party before or after the filing of a formal complaint of sexual harassment or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to EBIA's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or EBIA's educational environment, or deter sexual harassment.

The Coordinator is responsible for coordinating EBIA's efforts to comply with the requirements of Title IX, receiving reports and complaints of sex discrimination, formal complaints of sexual harassment, and inquiries about the application of Title IX to EBIA, coordinating the effective implementation of supportive measures, and taking other actions as required by this Policy. The Coordinator or designee may serve as the investigator for formal complaints of sexual harassment.

Reporting Sex Discrimination

All employees must promptly notify the Coordinator when the employee has knowledge of or notice of allegations of sex discrimination or sexual harassment occurring within EBIA's education program or activity.

Students are expected to report all incidents of misconduct prohibited by this Policy. Any student who feels they are a target of such behavior should immediately contact a teacher, counselor, the Executive Director, Coordinator, a staff person or a family member so that the student can get assistance in resolving the issue in a manner that is consistent with this Policy.

Complaints regarding such misconduct may also be made to the U.S. Department of Education, Office for Civil Rights. Civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders may also be available to complainants.

While submission of a written report is not required, the reporting party is encouraged to submit a written report to the Coordinator. EBIA will promptly and effectively investigate and respond to all oral and written complaints and reports of misconduct prohibited by this Policy. Reports may be made anonymously, but formal disciplinary action cannot be based solely on an anonymous report.

Privacy

EBIA acknowledges and respects every individual's right to privacy. All reports and complaints shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process to the greatest extent possible. This includes but is not limited to keeping the identity of the reporter and other personally identifiable

information confidential, as appropriate, except to the extent necessary to comply with the law, carry out the investigation and/or to resolve the issue, as determined by the Coordinator or designee on a case-by-case basis.

Retaliation

EBIA prohibits any form of retaliation against any individual who files a report or complaint, testifies, assists, participates, or refuses to participate in any investigation or proceeding related to misconduct prohibited by this Policy. Such participation or lack of participation shall not in any way affect the status, grades, or work assignments of the individual.

Response to Sexual Harassment

EBIA will respond promptly and in a manner that is not deliberately indifferent when it has actual knowledge, as defined in 34 C.F.R. § 106.30(a), of sexual harassment occurring in its education program or activity against a person in the United States.

EBIA's response will treat complainants and respondents equitably by offering supportive measures to a complainant, and by following the grievance procedures for formal complaints of sexual harassment that are listed below before imposing any disciplinary sanctions or other actions that are not supportive measures on a respondent for sexual harassment under Title IX.

Supportive Measures

Once notified of sexual harassment or allegations of sexual harassment occurring in EBIA's education program or activity against a person in the United States, the Coordinator will promptly contact the complainant to discuss the availability of supportive measures, consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint of sexual harassment.

Supportive measures may include but are not limited to: counseling; extensions of deadlines or other course-related adjustments; modifications of work or class schedules; mutual restrictions on contact between the parties; changes in work or on-campus housing locations; leaves of absence; increased security and monitoring of certain areas of the campus; and other similar measures.

Supportive measures will not unreasonably burden either party or be imposed for punitive or disciplinary reasons. EBIA will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair EBIA's ability to provide the supportive measures. The Coordinator is responsible for coordinating the effective implementation of supportive measures.

Grievance Procedures

Scope and General Requirements

EBIA has adopted and published grievance procedures that provide for the prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited under Title IX and a grievance process that complies with 34 C.F.R. § 106.45 for formal complaints of sexual harassment.

Complaints of misconduct prohibited by this Policy that do not constitute a formal complaint of sexual harassment will be addressed in accordance with EBIA's Uniform Complaint Procedures, its employment discrimination complaint procedures, or the grievance procedures set forth in its Harassment, Intimidation, Discrimination, and

Bullying Policy, as applicable. The following grievance procedures will apply to formal complaints of sexual harassment.

Upon receipt of a formal complaint of sexual harassment, the Coordinator or designee will promptly initiate these grievance procedures, or the informal resolution process if available, appropriate, and requested by all parties.

EBIA requires that any Title IX Coordinator, investigator, decisionmaker, and any person designated by EBIA to facilitate an informal resolution process not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

EBIA will treat complainants and respondents equitably. EBIA presumes that the respondent is not responsible for the alleged sexual harassment until a determination is made at the conclusion of its grievance procedures.

EBIA may consolidate formal complaints of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against another party, where the allegations of sexual harassment arise out of the same facts or circumstances.

EBIA allows for the temporary delay of the grievance process or limited extension of timeframes on a case-by-case basis for good cause. Requests for extensions must be submitted to the Coordinator in writing at least one (1) business day before the expiration of the timeframe. If the grievance process is temporarily delayed or a timeframe is temporarily extended by EBIA, the Coordinator or designee will notify the parties of the reason for the delay or extension in writing.

EBIA will objectively evaluate all evidence that is relevant and not otherwise impermissible, including both inculpatory and exculpatory evidence.⁶ Credibility determinations will not be based on a person's status as a complainant, respondent, or witness.

Dismissal

EBIA must dismiss a formal complaint of sexual harassment for purposes of sexual harassment under Title IX if the conduct alleged:

- Would not constitute sexual harassment under Title IX even if proved;
- Did not occur in EBIA's education program or activity; or
- Did not occur against a person in the United States.

EBIA may dismiss a formal complaint of sexual harassment or any of the allegations therein if:

- The respondent is no longer enrolled or employed by EBIA;
- A complainant notifies the Coordinator in writing that the complainant would like to withdraw the complaint or any allegations therein; or
- Specific circumstances prevent EBIA from gathering sufficient evidence to reach a determination as to the complaint or allegations therein.

⁶ Inculpatory means tending to impute guilt or fault, and exculpatory means tending to absolve from guilt or fault.

Upon dismissal, the Coordinator or designee will promptly send written notice of the dismissal and reason(s) therefor simultaneously to the parties. Dismissal under Title IX does not preclude action under another applicable EBIA policy.

Notice of the Allegations

Upon receipt of a formal complaint of sexual harassment, the Coordinator or designee will provide written notice of the allegations to the parties whose identities are known. The notice will include:

- EBIA's grievance procedures and any informal resolution process;
- The allegations of sexual harassment including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details includes the identities of the parties involved in the incident(s), if known, the conduct allegedly constituting sexual harassment under Title IX, and the date(s) and location(s) of the alleged incident(s), if known;
- A statement that the respondent is presumed not responsible for the alleged conduct and a determination regarding responsibility is made at the conclusion of the grievance process;
- A statement that the parties may have an advisor of their choice, who may be, but is not required to be, an attorney, and may inspect and review evidence; and
- A statement that EBIA prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

Emergency Removal

EBIA may place a non-student employee respondent on administrative leave during the pendency of the grievance procedures in accordance with EBIA's policies.

EBIA may remove a respondent from EBIA's education program or activity on an emergency basis, in accordance with EBIA's policies, provided that EBIA undertakes an individualized safety and risk analysis, determines that an immediate threat to the physical health or safety of any person arising from the allegations of sexual harassment justifies removal, and provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.

This provision must not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

Informal Resolution

At any time after a formal complaint of sexual harassment is filed and prior to determining whether sexual harassment occurred under EBIA's Title IX grievance procedures, EBIA may offer an informal resolution process to the parties. EBIA will not offer or facilitate informal resolution to resolve allegations that an employee sexually harassed a student, or when such a process would conflict with Federal, State, or local law. Parties will not be required or pressured to agree to participate in the informal resolution process.

Before initiation of the informal resolution process, EBIA will obtain the parties' voluntary, written consent to participate in the informal resolution and provide the parties with a written notice that explains:

- The allegations;

- The requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint of sexual harassment arising from the same allegations;
- The right to withdraw and initiate or resume the grievance procedures at any time prior to agreeing to a resolution; and
- Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared.

Investigation

In most cases, a thorough investigation will take no more than thirty (30) business days. EBIA has the burden to conduct an investigation that gathers sufficient evidence to determine whether sexual harassment occurred. The investigator will review all evidence gathered through the investigation and determine what evidence is relevant and what evidence is impermissible regardless of relevance in accordance with Title IX.

The following types of evidence, and questions seeking that evidence, are impermissible (i.e., will not be used, accessed, considered, or disclosed), regardless of whether they are relevant:

- A party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless EBIA obtains that party's voluntary, written consent to do so for these grievance procedures; and
- Evidence about the complainant's sexual predisposition or prior sexual behavior, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent.

The parties will be provided with an equal opportunity to present witnesses, to inspect and review any evidence obtained that is directly related to the allegations raised, and to have an advisor present during any investigative meeting or interview. The parties will not be prohibited from discussing the allegations under investigation or from gathering and presenting relevant evidence. A party whose participation is invited or expected at an investigative meeting or interview will receive written notice of the date, time, location, participants, and purpose of the meeting or interview with sufficient time for the party to prepare to participate.

Before the investigator completes the investigative report, EBIA will send to each party and the party's advisor, if any, a copy of the evidence subject to inspection and review, and the parties will have at least ten (10) days to submit a written response for the investigator to consider prior to completing the investigation report.

The investigator will complete an investigation report that fairly summarizes relevant evidence and send a copy of the report to each party and the party's advisor, if any, at least ten (10) days prior to the determination of responsibility.

Determination of Responsibility

Before making a determination of responsibility, the decisionmaker must afford each party the opportunity to submit written, relevant questions that a party wants to ask of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. The decisionmaker must explain to the party proposing the questions any decision to exclude a question as not relevant.

Determinations will be based on an objective evaluation of all relevant and not otherwise impermissible evidence and credibility determinations will not be based on a person's status as a complainant, respondent, or witness. The standard of evidence used to determine responsibility is the preponderance of the evidence standard.

Within twenty (20) business days after EBIA sends the investigation report to the parties, the decisionmaker, who will not be the same person as the Coordinator or investigator, will simultaneously send the parties a written determination of whether sexual harassment occurred. The written determination will include:

- The allegations of sexual harassment;
- A description of the procedural steps taken including any notifications to the parties, interviews with parties and witnesses, site visits, and methods used to gather other evidence;
- The findings of facts supporting the determination;
- The conclusions regarding the application of EBIA's code of conduct to the facts;
- The decision and rationale for each allegation;
- Any recommended disciplinary sanctions for the respondent, and whether remedies designed to restore or preserve equal access to the education program or activity will be provided to the complainant; and
- The procedures and permissible bases for appeals.

The determination regarding responsibility becomes final either on the date that EBIA provides the parties with the written appeal decision, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

Appeals

Either party may, within five (5) business days of their receipt of EBIA's written determination of responsibility or dismissal of a formal complaint of sexual harassment, submit a written appeal to the Chair of the EBIA Board, who will serve as the decisionmaker for the appeal or designate a decisionmaker for the appeal.

The complainant and respondent may only appeal from a determination regarding responsibility or EBIA's dismissal of a formal complaint of sexual harassment or any allegations therein, on one or more of the following bases:

- Procedural irregularity that affected the outcome of the matter;
- New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; or
- The Coordinator, investigator(s), or decisionmaker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

The decisionmaker for the appeal will not be the same person as the Coordinator, the investigator or the initial decisionmaker.

The decisionmaker for the appeal will: 1) notify the other party of the appeal in writing; 2) implement appeal procedures equally for the parties; 3) allow the parties to submit a written statement in support of, or challenging, the outcome within five (5) business days of notice of the appeal; and 4) within fifteen (15) business days of the appeal, provide a written decision simultaneously to the parties describing the result of the appeal and the rationale

for the result.

Consequences

Students or employees who engage in misconduct prohibited by this Policy, knowingly make false statements or knowingly submit false information during the grievance process, may be subject to disciplinary action up to and including expulsion from EBIA or termination of employment. If there is a determination that sexual harassment occurred, the Coordinator is responsible for effective implementation of any remedies ordered by EBIA.

Training

All supervisors of staff will receive sexual harassment training within six (6) months of their assumption of a supervisory position and will receive further training once every two (2) years thereafter. All Title IX Coordinators, investigators, decisionmakers, and any person who facilitates a Title IX informal resolution process will receive Title IX training and/or instruction concerning sexual harassment as required by law.

Recordkeeping

EBIA will maintain the following records for at least seven (7) years:

- Records of each sexual harassment investigation, including any determination of responsibility; any audio or audiovisual recording or transcript; any disciplinary sanctions imposed on the respondent; and any remedies provided to the complainant;
- Records of any appeal of a formal complaint or sexual harassment and the results of that appeal;
- Records of any informal resolution of a formal complaint or sexual harassment and the results of that informal resolution;
- All materials used to train Title IX Coordinators, investigators, decisionmakers, and any person who facilitates an informal resolution process; and
- Records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment.

The above records will be maintained in a secure location until destroyed in accordance with applicable laws and regulations.

Suicide Prevention Policy

The Board of Directors of East Bay Innovation Academy (“EBIA” or the “Charter School”) recognizes that suicide is a major cause of death among youth and should be taken seriously. To attempt to reduce suicidal behavior and its impact on students and families, the Board of Directors has developed prevention strategies and intervention procedures.

In compliance with Education Code section 215, this policy has been developed in consultation with EBIA and community stakeholders, EBIA school-employed mental health professionals (e.g., school counselors, psychologists, social workers, nurses), administrators, other school staff members, parents/guardians/caregivers, students, local health agencies and mental health professionals, the county mental health plan, first responders, and community organizations to identify additional resources to ensure this policy is aligned and includes similar research and resources, as well as to assist in planning, implementing, evaluating, and updating the EBIA’s strategies for suicide prevention and intervention. EBIA shall work in conjunction with local government agencies, community-based organizations, and other community supports to identify additional resources. To ensure the policies regarding suicide prevention are properly adopted, implemented, updated, and easily accessible to all. EBIA shall appoint an individual (or team) to serve as the suicide prevention point of contact for EBIA. The suicide prevention point of contact for EBIA and the Executive Director shall ensure proper coordination and consultation with the county mental health plan if a referral is made for mental health or related services on behalf of a student who is a Medi-Cal beneficiary. this policy shall be reviewed and revised as indicated, at least every five (5) years in conjunction with the previously mentioned community stakeholders.

Suicide Prevention Crisis Team

To ensure the policies regarding suicide prevention are properly adopted, implemented, and updated, EBIA created an in-house Suicide Prevention Crisis Team (“SPCT”) consisting of administrators, mental health professionals, relevant staff, parents, and middle and high school students. The SPCT includes the following individuals:

1. Rachel Viegas, Director of Student Support Services
2. Brandy Bellamy, School Counselor

To ensure the SPCT reflects the student body’s perspective, EBIA has designated the following volunteer student representatives to provide consultative insights:

1. 10th Grade, Student Representative
2. 11th Grade, Student Representative

EBIA designates the following employees to act as the primary and secondary Suicide Prevention Liaisons to lead the SPCT:

- Primary Liaison: Rachel Viegas, Director of Student Support Services, rachel.viegas@eastbayia.org, 510-577-9557
- Secondary Liaison: Brandy Bellamy, School Counselor, brandi.bellamy@eastbayia.org, 510-577-9557

The functions of the SPCT are to:

- Review mental health related school policies and procedures;
- Provide annual updates on school data and trends;
- Review and revise school prevention policies;
- Review and select general and specialized mental health and suicide prevention training;
- Review and oversee staff, parent/guardian, and student trainings;
- Ensuring the suicide prevention policy, protocols, and resources are posted on the school website;
- Ensure compliance with Education Code section 215;
- Collaborate with community mental health organizations;
- Identify resources and agencies that provide evidence-based or evidence-informed treatment;
- Help inform and build skills among law enforcement and other relevant partners; and
- Collaborate to build community response.

Employee Qualifications and Scope of Services

Employees of EBIA shall act only within the authorization and scope of their credential or license. While it is expected that school professionals are able to identify suicide risk factors and warning signs, screen and assess and to provide ongoing supports to youth identified at risk, the care or treatment for suicidal ideation is typically beyond the scope of services offered in the school setting.

Suicide Awareness and Prevention Training for School Staff

EBIA, along with its partners, has carefully reviewed available staff training to ensure the curriculum is evidence-based, evidenced informed, aligned with best practices in suicide prevention, and promotes the mental health model of suicide prevention and does not encourage the use of the stress model to explain suicide.

Training and professional development shall be provided for all school staff members (certificated and classified) and other adults on campus (including substitutes and intermittent staff, volunteers, interns, tutors, coaches, and afterschool program staff).

1. All suicide prevention trainings shall be offered under the direction of mental health professionals (e.g., school counselors, school psychologists, other public entity professionals, such as psychologists, social workers, or nurses) who have received advanced training specific to suicide prevention. Charter School has collaborated with [Insert Names of One Or More County and/or Community Mental Health Agencies] to review the training materials and content to ensure it is evidence-based, evidence-informed, and aligned with best practices.
2. Staff training is reviewed and adjusted annually based on previous professional development activities, emerging best practices, and feedback.
3. Charter School shall ensure that training is available for new hires during the school year.
4. At least annually, all staff shall receive training on prevention and protective factors such as the risk factors and warning signs of suicide, suicide prevention, intervention, referral, and postvention.
5. At a minimum, all staff shall participate in training on the core components of suicide prevention (identification of suicide risk and protective factors and warning signs, prevention, intervention, referral, and postvention). Core components of the general suicide prevention training shall include:
 - a. How to identify youth who may be at risk for suicide including suicide risk factors, warning signs, and protective factors.
 - b. Appropriate ways to approach, interact, and respond to a youth who is demonstrating

emotional distress or having thoughts of suicide including skill building to ask directly about suicide thoughts.

- c. Charter-approved procedures for responding to suicide risk (including programs and services in a Multi-tiered System of Support (MTSS) and referral protocols). Such procedures will emphasize the student should be under constant supervision and immediately referred for a suicide risk assessment.
 - d. Charter-approved procedures identifying the role educators, school staff, and volunteers play in supporting youth and staff after a suicide or suicide death or attempt (postvention).
6. **In addition to** core components of suicide prevention, ongoing annual staff professional development for all staff shall include the following components:
- a. The impact of traumatic stress on emotional and mental health.
 - b. Common misconceptions about suicide.
 - c. Charter School and community mental health and suicide prevention resources.
 - d. Appropriate messaging about suicide (correct terminology, safe messaging guidelines).
 - e. Ways to identify youth who may be at risk of suicide including suicide warning signs, risk, and protective factors.
 - f. Appropriate ways to approach, interact, and respond to a youth who is demonstrating emotional distress or is having thoughts of suicide. Specifically, how to talk with a student about their thoughts of suicide, including skill building to ask directly about suicide thoughts and warm handoffs.
 - g. Charter School-approved procedures for responding to suicide risk (including multi-tiered systems of support and referrals). Such procedures will emphasize that the student should be constantly supervised until a suicide risk assessment is completed.
 - h. Charter School-approved procedures for identifying the role educators, school staff, and volunteers play in supporting youth and staff after a suicide or suicide death or attempt (postvention).
 - i. Information regarding groups of students judged by the school, and available research, to be at elevated risk for suicide. These groups include, but are not limited to, the following:
 - i. Youth affected by suicide.
 - ii. Youth with a history of suicide ideation or attempts.
 - iii. Youth with disabilities, mental illness, or substance abuse disorders.
 - iv. Lesbian, gay, bisexual, transgender, or questioning youth.
 - v. Youth experiencing homelessness or in out-of-home settings, such as foster care.
 - vi. Youth who have suffered traumatic experiences.

Specialized Professional Development for School-based Mental Health Staff (Screening and/or Assessment)

Additional professional development in suicide risk assessment (SRA) and crisis intervention is provided to designated student mental health professionals, including but not limited to school counselors, psychologists, social workers, administrators, and nurses employed by Charter School. Training for these staff is specific to conducting SRAs, intervening during a crisis, de-escalating situations, interventions specific to preventing suicide, making referrals, safety planning, and re-entry.

Specialized Professional Training for targeted School-based mental health staff includes the following components:

- Best practices and skill building on how to conduct an effective suicide risk screening/SRA using an evidence-based, Charter School-approved tool; Patient Health Questionnaire 9 (PHQ-9) Depression Scale; BSS Beck Scale for Suicide Ideation ; National Institute of Mental Health (NIMH)'s Ask Suicide-Screening Questions (ASQ) Toolkit; and the Adolescent Suicide Assessment Protocol – 20.
- Best practices on approaching and talking with a student about their thoughts of suicide and how to respond to such thinking, based on school guidelines and protocols.
- Best practices on how to talk with a student about thoughts of suicide and appropriately respond and provide support based on school guidelines and protocols.
- Best practices on follow up with parents/caregivers.
- Best practices on re-entry.

Virtual Screenings for Suicide Risk

Virtual suicide prevention efforts include checking in with all students, promoting access to school and community-based resources that support mental wellbeing and those that address mental illness and give specific guidance on suicide prevention.

Charter School has established a protocol for assigning school staff to connect with students during distance learning and school closures. In the event of a school closure, Charter School has determined a process and protocols to establish daily or regular contact with all students. Staff understand that any concern about a student's emotional wellbeing and/or safety must be communicated to the appropriate school staff, according to Charter School protocols.

Charter School has determined a process and protocols for school-based mental health professionals to establish regular contact with high-risk students, students who are on their caseloads, and those who are identified by staff as demonstrating need. When connecting with students, staff are directed to begin each conversation by identifying the location of the student and the availability of parents or caregivers. This practice allows for the staff member to ensure the safety of the student, particularly if they have expressed suicidal thoughts.

Parents, Guardians, and Caregivers Notification, Participation and Education

1. EBIA includes parents/guardians/caregivers in suicide prevention efforts. At a minimum, the Charter School shall share this Policy with parents/guardians/caregivers by notifying them where a complete copy of the policy is available.
2. This Suicide Prevention Policy shall be easily accessible and prominently displayed on the EBIA Web page and included in the parent/student handbook. Parents/guardians/caregivers are invited to provide input on the development, review, and implementation of this policy.
3. EBIA shall notify the parent/guardian/caregiver when a student has been screened or screened/assessed for suicide risk regardless of outcome
4. EBIA shall establish and widely disseminate a referral process to all parents/guardians/caregivers/families, so they are aware of how to respond to a crisis and are knowledgeable about protocols and school, community-based, and crisis resources.

5. Community-based organizations that provide evidence-based suicide-specific treatments shall be highlighted on the Charter School's website with treatment referral options marked accordingly.
6. Staff autoreplies during vacations or absences shall include links to resources and phone/text numbers so parents and students have information readily available.
7. All parents/guardians/caregivers may have access to suicide prevention training that addresses the following:
 - a. Suicide risk factors, warning signs, and protective factors.
 - b. How to approach and talk with their child(ren) about thoughts of suicide.
 - c. How to respond appropriately to the youth who has suicidal thoughts. Such responses shall include constant supervision of any child/youth judged to be at risk for suicide and referral for an immediate suicide risk assessment.
 - d. Charter School's referral processes and how they or their children can reach out for help, etc.
8. Parent/guardians are provided with information on suicide prevention resources including crisis hotlines, local warmlines, and school and community-based supports and crisis resources including the National Suicide Prevention Lifeline, Crisis text line, and local crisis hotlines and includes information that hotlines/resources are not just for crisis but also for friends/family and referral.
9. Parents/guardians/caregivers are reminded that the Family Educational Rights and Privacy Act ("FERPA") generally protects the confidentiality of student records, which may sometimes include counseling or crisis intervention records. However, FERPA's health or safety emergency provision permits the disclosure of personally identifiable information from a student's education records, to appropriate parties, in order to address a health or safety emergency when the disclosure is necessary to protect the health or safety of the student or other individuals.

Student Participation and Education

Messaging about suicide has an effect on suicidal thinking and behaviors. Consequently, EBIA along with its partners has carefully reviewed and will continue to review potential student curricula to ensure it includes information on recognizing and responding to signs and symptoms (within themselves and friends), learning coping skills, encourage help-seeking behavior and being knowledgeable of supports and resources. Suicide prevention strategies may include, but not be limited to, efforts to promote a positive school climate that enhances students' feelings of connectedness with EBIA and is characterized by caring staff and harmonious interrelationships among students.

EBIA's instructional and student support program shall promote the healthy mental, emotional, and social development of students including, but not limited to, the development of problem-solving skills, coping skills, and resilience. The instruction shall not use the stress model to explain suicide.

EBIA provides instruction to middle and high school students on general mental health and suicide prevention... The Charter School's instructional curriculum, shall consider the grade level and age of the students and be delivered and discussed in a manner that is sensitive to the needs of young students. The instruction is provided under the supervision of Charter School employed mental health professionals, with input from county and community mental health agencies, and middle and high school students. The

instruction is developmentally appropriate, student-centered, and includes:

- a. Coping strategies for dealing with stress and trauma.
- b. How to recognize behaviors (warning signs), protective factors, and life issues (risk factors) associated with suicide and mental health issues in oneself and others.
- c. Help-seeking strategies for oneself and others, including how to engage school-based and community resources and refer peers for help.
- d. Emphasis on reducing the stigma associated with mental illness and the fact that early prevention and intervention can drastically reduce the risk of suicide.
- e. Guidance regarding the district's suicide prevention, intervention, and referral procedures.

Student-focused suicide prevention education can be incorporated into classroom curricula (e.g., health classes, orientation classes, science, and physical education). EBIA maintains a list of current student trainings, which is available upon request.

EBIA has shared school-based supports and self-reporting procedures, so students are able to seek help if they are experiencing thoughts of suicide or if they recognize signs with peers. Although confidentiality and privacy are important, students should understand safety is a priority and if there is a risk of suicide, school staff are required to report. Charter-based mental health professionals are legally and ethically required to report suicide risk. **When reporting suicidal ideation or an attempt, school staff must maintain confidentiality and only share information limited to the risk or attempt.**

EBIA supports the creation and implementation of programs and/or activities on campus that increase awareness about mental wellness and suicide prevention (e.g., Mental Health Awareness Weeks, Peer Counseling Programs, Freshman Success, and National Alliance on Mental Illness on Campus High School Clubs).

Charter School will include the following information on all student identification cards:

- National Suicide Prevention Lifeline/Suicide Crisis Lifeline:
 - Call or Text "988"
 - Call 1-800-273-8255
- National Domestic Violence Hotline: Call 1-800-799-7233
- Crisis Text Line: Text "HOME" to 741741
- Teen Line: Text "TEEN" to 839863
- Trevor Project: Text "START" to 678678
- Trans Lifeline: 1-877-565-8860
- Local suicide prevention hotline telephone number

1. In addition to listing the above resources on student identification cards, Charter School shall include the following language: *"If you or someone you know is struggling emotionally or having trouble coping, there is help. Students in distress or those who just want to talk about their problems, can call or text the phone numbers listed here for free, confidential support."*

EBIA shall establish and widely disseminate a referral process to all students, so they know how to access support through school, community-based, and crisis services. Students shall be encouraged to notify a staff member when they are experiencing emotional distress or suicidal ideation, or when they have knowledge or concerns of another student's emotional distress, suicidal ideation, or attempt.

Intervention and Emergency Procedures

Whenever a staff member suspects or has knowledge of a student's suicidal intentions, they shall promptly notify the primary designated suicide prevention liaison. If this primary suicide prevention liaison is unavailable, the staff shall promptly notify the secondary suicide prevention liaison.

The suicide prevention liaison shall immediately notify the Executive Director or designee, who shall then notify the student's parent/guardian as soon as possible if appropriate and in the best interest of the student. Determination of notification to parents/guardians/caregivers should follow a formal initial assessment to ensure that the student is not endangered by parental notification.

The suicide prevention liaison shall also refer the student to mental health resources at EBIA or in the community.

A. Action Plan for Suicide Attempts on Campus or During School-Sponsored Activity

EBIA shall implement the following response protocol for suicide attempts during the school day.

When a student is in imminent danger (has access to a gun, is on a rooftop, or in other unsafe conditions), a call shall be made to 911. The call shall NOT be made in the presence of the student and the student shall not be left unsupervised. Staff shall NOT physically restrain or block an exit.

When a suicide attempt or threat is reported on campus or at a school-related activity, the suicide prevention liaison shall, at a minimum:

2. Ensure the student's physical safety by one or more of the following, as appropriate:
 - a. providing immediate first aid as needed, until a medical professional is available.
 - b. Securing law enforcement and/or other emergency assistance if a suicidal act is being actively threatened and report any medications taken, and access to weapons, if applicable.
 - c. Keeping the student under continuous adult supervision until the parent/guardian and/or appropriate support agent or agency can be contacted and has the opportunity to intervene.
 - d. Remaining calm, keeping in mind the student is overwhelmed, confused, and emotionally distressed.
 - e. Moving all other students out of the immediate area.
 - f. Not sending the student away or leaving him/her alone, even to go to the restroom.
 - g. Providing comfort to the student, listening and allowing the student to talk and being comfortable with moments of silence.
 - h. Promising privacy and help, but not promising confidentiality.
 - i. Students should only be released to parents/guardians/caregivers/families or to a person who is qualified and trained to provide help.
3. Document the incident in writing as soon as feasible.
4. Follow up with the parent/guardian and student in a timely manner to provide referrals to appropriate services as needed and coordinate and consult with the county mental health plan if a referral is made for mental health or related services on behalf of a student who is a Medi-Cal beneficiary. **Determination of notification to parents/guardians/caregivers should follow a formal initial assessment to ensure that the student is not endangered by parental notification.**
5. After a referral is made, EBIA shall verify with the parent/guardian that the follow up treatment has been accessed. Parents/guardians will be required to provide documentation of care for the student. If parents/guardians refuse or neglect to access treatment for a student who has been identified to be at risk for suicide or in emotional distress, the suicide prevention liaisons shall meet with the parent to identify

barriers to treatment (e.g., cultural stigma, financial issues) and work to rectify the situation and build understanding of the importance of care. If follow up care is still not provided, EBIA should consider contacting Child Protective Services to report neglect of youth.

- a. Provide access to counselors or other appropriate personnel to listen to and support students and staff who are directly or indirectly involved with the incident at EBIA.
- b. Provide an opportunity for all who respond to the incident to debrief, evaluate the effectiveness of the strategies used, and make recommendations for future actions.

B. Action Plan for Off Campus Suicide Attempts

In the event a suicide occurs or is attempted during the school day on the EBIA campus, the suicide prevention liaison shall follow the crisis intervention procedures contained in EBIA's safety plan. After consultation with the Executive Director or designee and the student's parent/guardian about facts that may be divulged in accordance with the laws governing confidentiality of student record information, the Executive Director or designee may provide students, parents/guardians, and staff with information, counseling, and/or referrals to community agencies as needed. EBIA staff may receive assistance from EBIA counselors or other mental health professionals in determining how best to discuss the suicide or attempted suicide with students.

In the event a suicide occurs or is attempted off the EBIA campus and unrelated to school activities, the Executive Director or designee shall take the following steps to support the student:

1. Contact the parent/guardian and offer support to the family.
2. Discuss with the family how they would like EBIA to respond to the attempt while minimizing widespread rumors among teachers, staff, and students.
3. Obtain permission from the parent/guardian to share information to ensure the facts regarding the crisis are correct.
4. The suicide prevention liaisons shall handle any media requests.
5. Provide care and determine appropriate support to affected students.
6. Offer to the student and parent/guardian steps for re-integration to school. Re-integration may include obtaining a written release from the parent/guardian to speak with any health care providers; conferring with the student and parent/guardian about any specific requests on how to handle the situation; informing the student's teachers about possible days of absences; allowing accommodations for make-up work (being understanding that missed assignments may add stress to the student); appropriate staff maintaining ongoing contact with the student to monitor the student's actions and mood; and working with the parent/guardian to involve the student in an aftercare plan; providing parents/guardians/caregivers/families local emergency numbers for after school and weekend emergency contacts.

Supporting Students during or after a Mental Health Crisis

Students shall be encouraged through the education program and in EBIA activities to notify a teacher, the Executive Director, another EBIA administrator, psychologist, EBIA counselor, suicide prevention liaisons, or other adult when they are experiencing thoughts of suicide or when they suspect or have knowledge of another student's suicidal intentions. EBIA shall implement the following steps during or after a crisis:

1. Treat every threat with seriousness and approach with a calm manner; make the student a priority.
2. Listen actively and non-judgmentally to the student. Let the student express their feelings.

3. Acknowledge the feelings and do not argue with the student.
4. Offer hope and let the student know they are safe, and that help is available. Do not promise confidentiality or cause stress.
5. Explain calmly and get the student to a skilled mental health professional or designated staff to further support the student.
6. Keep close contact with the parents/guardians/caregivers/families and mental health professionals working with the student.

Re-Entry to School After a Suicide Attempt

A student who has verbalized ideation or attempted suicide is at a higher risk for suicide in the months following the crisis. Having a streamlined and well-planned re-entry process ensures the safety and wellbeing of students who have previously attempted suicide and reduces the risk of another attempt. An appropriate re-entry process is an important component of suicide prevention. Involving students in planning for their return to school provides them with a sense of control, personal responsibility, and empowerment.

EBIA shall implement the following steps upon the student's re-entry:

1. The Executive Director shall obtain a written release of information signed by parents/guardians/caregivers/families and providers.
2. School mental health professionals shall confer with the student and parents/guardians/ caregivers/families about any specific requests on how to handle the situation.
3. School-based mental health professionals shall confer with the student and parents/guardians/caregivers/families to develop a safety plan.
4. School-based mental health professionals shall inform the student's teachers about possible days of absences.
5. Teachers and administrators shall allow accommodations for student to make up work (understanding that missed assignments may add stress to student).
6. Mental health professionals or trusted staff members shall maintain ongoing contact to monitor student's actions and mood.
7. School-based mental health professionals shall work with parents/guardians/caregivers/ families to involve the student in an aftercare plan.
8. School-based mental health professionals shall provide parent's/guardians/caregivers/ families local emergency numbers for after school and weekend emergency contacts.

Messaging About Suicide Prevention

EBIA along with its partners shall:

1. Thoroughly and regularly review with its partners, all materials and resources used in awareness efforts to ensure they align with best practices for safe and effective messaging about suicide.
2. Ensure that all communications, documents, materials related to messaging about suicide focus on warning signs as well as risk, prevention, and protective factors, avoid discussing details about methods of suicide, avoid oversimplifying (i.e. identifying singular cause of suicide), avoid sensational language, and only includes clear, respectful, people-first language that encourages an environment free of stigma. As part of safe messaging for suicide, we use specific terminology when referring to actions related to suicide or suicidal behavior:

Use	Do Not Use
"Died by suicide" or "Took their own life"	"Committed suicide" Note: Use of the word "commit" can imply crime/sin

Use	Do Not Use
“Attempted suicide”	“Successful” or “unsuccessful” Note: There is no success, or lack of success, when dealing with suicide

3. Provide suicide prevention resources in parent/student handbooks and on school-issued identification cards for staff and students, on school websites, and during any mental health or suicide prevention skill-building activity for students or parents/families and professional development for staff.

Responding After a Suicide Death (Postvention)

A death by suicide in the school community (whether by a student or staff member) can have devastating consequences on the school community, including students and staff. EBIA shall follow the below action plan for responding to a suicide death, which incorporates both immediate and long-term steps and objectives:

The suicide prevention liaison shall:

1. Coordinate with the Executive Director to conduct an initial meeting of the Suicide Prevention Crisis Team to:
 - a. Confirm death and cause.
 - b. Identify a staff member to contact deceased’s family (within 24 hours).
 - c. Enact the Suicide Postvention Response.
 - d. Notify all staff members (ideally in-person or via phone, not via e-mail or mass notification).
2. Coordinate an all-staff meeting, to include:
 - a. Notification (if not already conducted) to staff about suicide death.
 - b. Emotional support and resources available to staff.
 - c. Notification to students about suicide death and the availability of support services (if this is the protocol that is decided by administration).
 - d. Share information that is relevant and that which you have permission to disclose.
3. Prepare staff to respond to needs of students regarding the following:
 - a. Review signs of emotional distress and suicide ideation.
 - b. Review of protocols for referring students for support/assessment.
 - c. Develop and provide supports to staff in responding to student reactions.
 - d. Talking points for staff to notify students.
 - e. Share school and community-based resources available to students (on and off campus).
4. Identify students significantly affected by suicide death and other students at risk of imitative behavior, and immediately refer them to a school-based mental health professional.
5. Identify students affected by suicide death but not at risk of imitative behavior.
6. Communicate with the larger school community about the suicide death and availability of support services. Staff shall not share explicit, graphic, or dramatic content, including the manner of death.
7. Consider, (in consultation with the family) funeral arrangements for family and school community.

- If possible, suggest the funeral occur outside of school hours.
 - Encourage parents/guardians of students to attend funeral/memorial with their children.
 - Request family approval to attend and staff a table for resources to be available at the funeral, if possible, to remind students and the community of available resources.
 - Offer a safe space on campus for students to utilize if needed before/after funeral or memorial service.
 - Acknowledge there may be a high rate of absenteeism on the day of the funeral and school officials should make appropriate accommodations for staff and students to attend.
8. Respond to memorial requests in respectful and non-harmful manner; responses should be handled in a thoughtful way and their impact on other students should be considered.
9. Identify media spokesperson to cover story without the use of explicit, graphic, or dramatic content, if needed.
10. Utilize and respond to social media outlets:
- Identify what platforms students are using to respond to suicide death.
 - Identify and encourage staff and students to monitor social media outlets.
11. Include long-term suicide postvention responses:
- a. Consider important dates (i.e., anniversary of death, deceased birthday, graduation, or other significant event) and how these will be addressed.
 - b. Support siblings, close friends, teachers, and/or students of deceased.
 - c. Consider long-term memorials and how they may impact students who are emotionally vulnerable and at risk of suicide.

EMPLOYEE INTERACTIONS WITH STUDENTS POLICY (FROM EMPLOYEE HANDBOOK)

For the purposes of this policy the term “boundaries” is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing beyond the boundaries of a student-teacher relationship is deemed an abuse of power and a betrayal of public trust.

Some activities may seem innocent from a staff member’s perspective, but some of these activities can be perceived as flirtation or sexual insinuation from a student or parental point of view. The purpose of the following lists of unacceptable and acceptable behaviors is not to restrain innocent, positive relationships between staff and students but to prevent relationships that could lead to, or may be perceived as, sexual misconduct.

Staff members must understand their own responsibilities for ensuring that they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for any required disciplinary purposes. Thus, it is critical that all employees study this policy thoroughly and apply its spirit and intent in their daily activities.

Unacceptable Behaviors

These lists, and any subsequent lists, are not meant to be all-inclusive, but rather illustrative of the types of behavior addressed by this policy.

- Intentionally being alone with a student away from school
- Making, or participating in, sexually inappropriate comments
- Sexual jokes, or jokes/comments with sexual overtones or double-entendres
- Seeking emotional involvement (which can include intimate attachment) with a student beyond the normative care and concern required of an educator.
- Listening to or telling stories that are sexually oriented
- Discussing inappropriate personal troubles or intimate issues with a student in an attempt to gain their support and understanding
- Becoming involved with a student so that a reasonable person may suspect inappropriate behavior
- Giving students a ride to/from school or school activities without parental permission

- Being alone in a room with a student at school with the door closed
- Allowing students in your home without signed parental permission for a pre-planned and pre-communicated educational activity which must include another educator, parent, or other responsible adult
- Remarks about the physical attributes or physiological development of anyone
- Excessive attention toward a particular student
- Sending emails, text messages, Facebook responses, or letters to students or connecting through any social media channel if the content is not age appropriate and/or about school activities.

Acceptable and Recommended Behaviors

- Obtaining formal approval (site and parental) to take students off school property for activities such as field trips or competitions.

- Asking another staff member to be present, or within close supervisory distance, when you must be alone with a student after regular school hours.
- Giving students praise and recognition without touching them in questionable areas; appropriate pats on the back, high-fives, and handshakes are appropriate.
- Keeping your professional conduct a high priority during all moments of student contact.
- Asking yourself if any of your actions, which are contrary to these provisions, are worth sacrificing your job and career.

PUPIL SUSPENSION AND EXPULSION POLICY

The Suspension and Expulsion Policy and Procedures have been established in order to promote learning and protect the safety and well-being of all students at the Charter School. In creating this policy, the Charter School has reviewed Education Code Section 48900 *et seq.* which describe the offenses for which students at non-charter schools may be suspended or expelled and the procedures governing those suspensions and expulsions in order to establish its list of offenses and procedures for suspensions, expulsions and involuntary removal. The language that follows is largely consistent with the language of Education Code Section 48900 *et seq.* The Charter School is committed to annual review of policies and procedures surrounding suspensions, expulsions, and involuntary removals, and, as necessary, modification of the lists of offenses for which students are subject to suspension, expulsion, or involuntary removal.

Consistent with this Policy, it may be necessary to suspend or expel a student from regular classroom instruction. This shall serve as the Charter School's policy and procedures for student suspension, expulsion, and involuntary removal, and it may be amended from time to time without the need to seek a material revision of the charter so long as the amendments comport with legal requirements. Charter School staff shall enforce disciplinary policies and procedures fairly and consistently among all students. This policy and its procedures will be printed and distributed annually as part of the Family/Student Handbook which will clearly describe discipline expectations.

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of or willfully causing the infliction of physical pain on a student. For purposes of this policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to school property.

The Charter School administration shall ensure that students and their parents/guardians⁷ are notified in writing upon enrollment of all discipline and involuntary removal policies and procedures. The notice shall state that this policy and its procedures are available upon request at the Main Office.

Suspended or expelled students shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension or expulsion.

The Charter School will follow all applicable federal and state laws including but not limited to the applicable provisions of the California Education Code, when imposing any form of discipline on a student identified as an individual with disabilities or for whom the Charter School has a basis of knowledge of a suspected disability or who is otherwise qualified for such services or protections in according due process to such students.

No student shall be involuntarily removed by the Charter School for any reason unless the parent/guardian of the student has been provided written notice of intent to remove the student no less than five (5) school days before the effective date of the action. The written notice shall be in the native language of the student or the student's parent/guardian, and shall inform the student, and the student's parent/guardian, of the basis for which the pupil

⁷ The Charter School shall ensure that a homeless child or youth's educational rights holder; a foster child or youth's educational rights holder, attorney, and county social worker; and an Indian child's tribal social worker and, if applicable, county social worker have the same rights as a parent or guardian to receive a suspension notice, expulsion notice, manifestation determination notice, involuntary transfer notice, involuntary removal notice, and other documents and related information. For purposes of this Policy and its Procedures, the term "parent/guardian" shall include these parties.

is being involuntarily removed and the student's parent/guardian's, right to request a hearing to challenge the involuntary removal. If a student's parent/ guardian requests a hearing, the Charter School shall utilize the same hearing procedures specified below for expulsions, before the effective date of the action to involuntarily remove the student. If the student's parent/ guardian requests a hearing, the student shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include removals for misconduct which may be grounds for suspension or expulsion as enumerated below. At the conference, the pupil shall be informed of the reason for the disciplinary action and the evidence against him or her and shall be given the opportunity to present his or her version and evidence in his or her defense, in accordance with Education Code Section 47605(b)(5)(J)(i). This conference shall be held within two (2) school days, unless the pupil waives this right or is physically unable to attend for any reason including, but not limited to, incarceration or hospitalization. No penalties may be imposed on a pupil for

failure of the pupil's parent or guardian to attend a conference with Charter School officials. Reinstatement of the suspended pupil shall not be contingent upon attendance by the pupil's parent or guardian at the conference.

2. Notice to Parents/Guardians

At the time of the suspension, an administrator or designee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension and the date of return following suspension. This notice shall state the specific offense(s) committed by the student as well as the date the student may return to school following the suspension. In addition, the notice may also state the time when the student may return to school. If Charter School officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may request that the parent/guardian respond to such requests without delay.

3. Suspension Time Limits/Recommendation for Expulsion

Suspensions, when not including a recommendation for expulsion, shall not exceed five (5) consecutive school days per suspension. Upon a recommendation of Expulsion by the Executive Director or Executive Director's designee, the pupil and the pupil's guardian or representative will be invited to a conference to determine if the suspension for the pupil should be extended pending an expulsion hearing. This determination will be made by the Executive Director or designee upon either of the following: 1) the pupil's presence will be disruptive to the education process; or 2) the pupil poses a threat or danger to others. Upon either determination, the pupil's suspension will be extended pending the results of an expulsion hearing. In such instances when the Charter School has determined a suspension period shall be extended, such extension shall be made only after a conference is held with the pupil or the pupil's parent or guardian, unless the pupil and the pupil's parent or guardian fail to attend the conference.

4. Homework Assignments During Suspension

In accordance with Education Code Section 47606.2(a), , upon the request of a parent, a legal guardian or other person holding the right to make education decisions for the pupil, or the affected pupil, a teacher shall provide to a pupil in any of grades 1 to 12, inclusive, who has been suspended from school for two (2) or more schooldays, the homework that the pupil would otherwise have been assigned.

In accordance with Education Code Section 47606.2(b), if a homework assignment that is requested pursuant to Section 47606.2(a), and turned into the teacher by the pupil either upon the pupil's return to school from suspension or within the timeframe originally prescribed by the teacher, whichever is later, is not graded before the end of the academic term, that assignment shall not be included in the calculation of the pupil's overall grade in the class.

D. AUTHORITY TO EXPEL

As required by Education Code Section 47605(b)(5)(J)(ii), students recommended for expulsion are entitled to a hearing adjudicated by a neutral officer to determine whether the student should be expelled. The procedures herein provide for such a hearing and the notice of said hearing, as required by law.

A student may be expelled either by the neutral and impartial Charter School Board following a hearing before it or by the Charter School Board upon the recommendation of a neutral and impartial Administrative Panel, to be assigned by the Board as needed. The Administrative Panel should consist of at least three (3) members who are certificated and neither a teacher of the pupil nor a Board member of the Charter School's governing board. The Administrative Panel may recommend expulsion of any student found to have committed an

expellable offense, and the Charter School Board of Directors shall make the final determination.

E. EXPULSION PROCEDURES

Students recommended for expulsion are entitled to a hearing to determine whether the student should be expelled. Unless postponed for good cause, the hearing shall be held within thirty (30) school days after the Executive Director or designee determines that the Pupil has committed an expellable offense and recommends the student for expulsion.

In the event an Administrative Panel hears the case, it will make a recommendation to the Board for a final decision whether to expel. The hearing shall be held in closed session (complying with all pupil confidentiality rules under FERPA) unless the Pupil makes a written request for a public hearing three (3) days prior to the date of the scheduled hearing.

Written notice of the hearing shall be forwarded to the student and the student's parent/guardian at least ten (10) calendar days before the date of the hearing. Upon mailing the notice, it shall be deemed served upon the pupil. The notice shall include:

1. The date and place of the expulsion hearing;
2. A statement of the specific facts, charges and offenses upon which the proposed expulsion is based;
3. A copy of the Charter School's disciplinary rules which relate to the alleged violation;
4. Notification of the student's or parent/guardian's obligation to provide information about the student's status at the Charter School to any other school district or school to which the student seeks enrollment;
5. The opportunity for the student or the student's parent/guardian to appear in person or to employ and be represented by counsel or a non-attorney advisor;
6. The right to inspect and obtain copies of all documents to be used at the hearing;
7. The opportunity to confront and question all witnesses who testify at the hearing;
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf including witnesses.

F. SPECIAL PROCEDURES FOR EXPULSION HEARINGS INVOLVING SEXUAL ASSAULT OR BATTERY OFFENSES

The Charter School may, upon a finding of good cause, determine that the disclosure of either the identity of the witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations that shall be examined only by the Charter School or the hearing officer. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the pupil.

1. The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of his/her right to (a) receive five (5) days notice of his/her scheduled testimony, (b) have up to two (2) adult support persons of his/her choosing present in the hearing at the time he/she testifies, which may include a parent, guardian, or legal counsel, and (c) elect to have the hearing closed while testifying.
2. The Charter School must also provide the victim a room separate from the hearing room for the complaining witness' use prior to and during breaks in testimony.
3. At the discretion of the entity conducting the expulsion hearing, the complaining witness shall be allowed

periods of relief from examination and cross-examination during which he or she may leave the hearing room.

4. The entity conducting the expulsion hearing may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.
5. The entity conducting the expulsion hearing may also limit time for taking the testimony of the complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours.
6. Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the body presiding over the hearing from removing a support person whom the presiding chairperson finds is disrupting the hearing. The entity conducting the hearing may permit any one of the support persons for the complaining witness to accompany him or her to the witness stand.
7. If one or both of the support persons is also a witness, the Charter School must present evidence that the witness's presence is both desired by the witness and will be helpful to the Charter School. The person presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding officer from exercising his or her discretion to remove a person from the hearing whom he or she believes is prompting, swaying, or influencing the witness.
8. The testimony of the support person shall be presented before the testimony of the complaining witness and the complaining witness shall be excluded from the courtroom during that testimony.
9. Especially for charges involving sexual assault or battery, if the hearing is to be conducted in public at the request of the pupil being expelled, the complaining witness shall have the right to have his/her testimony heard in a closed session when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are no alternative procedures to avoid the threatened harm. The alternative procedures may include videotaped depositions or contemporaneous examination in another place communicated to the hearing room by means of closed-circuit television.
10. Evidence of specific instances of a complaining witness' prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the body conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstances can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

G. RECORD OF HEARING

A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

H. PRESENTATION OF EVIDENCE

While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A recommendation by the Administrative Panel to expel must be supported by substantial evidence that the student committed an expellable offense. Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay. Sworn declarations may be admitted as testimony from witnesses of whom the Board or Administrative Panel determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the expelled pupil, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have his or her testimony heard in a session closed to the public.

The decision of the Administrative Panel shall be in the form of written findings of fact and a written recommendation to the Board who will make a final determination regarding the expulsion. The Board shall make the final determination regarding the expulsion within ten (10) school days following the conclusion of the hearing. The Decision of the Board is final.

If the Administrative Panel decides not to recommend expulsion, or the Board of Directors ultimately decides not to expel, the pupil shall immediately be returned to his/her previous educational program.

The Board of Directors may also determine to suspend the enforcement of the expulsion order for a period of not more than one (1) calendar year from the date of the expulsion hearing and return the student to the student's previous educational program under a probationary status and rehabilitation plan to be determined by the Board. During the period of the suspension of the expulsion order, the student is deemed to be on probationary status. The Board of Directors may revoke the suspension of an expulsion order under this section if the student commits any of the enumerated offenses listed above or violates any of the Charter School's rules and regulations governing student conduct. If the Board revokes the suspension of an expulsion order, the student may be expelled under the terms of the original expulsion order. The Board of Directors shall apply the criteria for suspending the enforcement of the expulsion order equally to all students, including individuals with exceptional needs as defined in Education Code Section 56026. The Board of Directors shall further comply with the provisions set forth under Education Code Section 48917, except as otherwise expressly set forth herein.

I. WRITTEN NOTICE TO EXPEL

The Executive Director or designee, following a decision of the Board to expel, shall send written notice of the decision to expel, including the Board's adopted findings of fact, to the student and student's parent/guardian. This notice shall also include the following: (a) Notice of the specific offense committed by the student; and (b) Notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the Charter School.

The Executive Director or designee shall send a copy of the written notice of the decision to expel to the authorizer. This notice shall include the following: (a) The student's name; and (b) The specific expellable offense committed by the student.

J. DISCIPLINARY RECORDS

The Charter School shall maintain records of all student suspensions and expulsions at the Charter School. Such records shall be made available to the authorizer upon request.

K. NO RIGHT TO APPEAL

The pupil shall have no right of appeal from expulsion from the Charter School as the Charter School Board's decision to expel shall be final.

L. EXPELLED PUPILS/ALTERNATIVE EDUCATION

The parents or guardians of pupils who are expelled shall be responsible for seeking alternative education programs including, but not limited to, programs within the County or their school district of residence. The Charter School shall work cooperatively with parents/guardians as requested by parents/guardians or by the school district of residence to assist with locating alternative placements during expulsion.

M. REHABILITATION PLANS

Students who are expelled from the Charter School shall be given a rehabilitation plan upon expulsion as developed by the Board at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. The rehabilitation plan should include a date not later than one year from the date of expulsion when the pupil may reapply to the Charter School for readmission.

N. READMISSION OR ADMISSION OF PREVIOUSLY EXPELLED STUDENT

The decision to readmit a pupil after the end of the pupil's expulsion term or to admit a previously expelled pupil from another school district or charter school who has not been readmitted/admitted to another school or school district after the end of the pupil's expulsion term, shall be in the sole discretion of the Board following a meeting with the Executive Director or designee and the pupil and pupil's parent/guardian or representative to determine whether the pupil has successfully completed the rehabilitation plan and to determine whether the pupil poses a threat to others or will be disruptive to the school environment. The Executive Director or designee shall make a recommendation to the Board following the meeting regarding his or her determination. The Board shall then make a final decision regarding readmission or admission of the pupil during the closed session of a public meeting, reporting out any action taken during closed session consistent with the requirements of the Brown Act. The pupil's readmission is also contingent upon the Charter School's capacity at the time the student seeks readmission or admission to the Charter School.

O. NOTICE TO TEACHERS

The Charter School shall notify teachers of each pupil who has engaged in or is reasonably suspected to have engaged in any of the acts listed in Education Code section 49079 and the corresponding enumerated offenses set forth above.

P. INVOLUNTARY REMOVAL FOR TRUANCY

As charter schools are schools of choice and as a charter school pupil who fails to attend school is potentially depriving another student of their opportunity to enroll, a student may be involuntarily removed as described within the Charter School's Board adopted Attendance Policy for truancy and only after the Charter School follows the requirements of the Attendance Policy and only in accordance with the policy described above which requires notice and an opportunity for a parent, guardian, educational rights holder to request a hearing prior to any involuntary removal.

Q. SPECIAL PROCEDURES FOR THE CONSIDERATION OF SUSPENSION AND EXPULSION OF STUDENTS WITH DISABILITIES

1. Notification of SELPA

The Charter School shall immediately notify the SELPA and coordinate the procedures in this policy with the SELPA of the discipline of any student with a disability or student who the Charter School or SELPA would be deemed to have knowledge that the student had a disability.

2. Services During Suspension

Students suspended for more than ten (10) school days in a school year shall continue to receive services so as to enable the student to continue to participate in the general education curriculum, although in another setting (which could constitute a change of placement and the student's IEP would reflect this change), and to progress toward meeting the goals set out in the child's IEP/504 Plan; and receive, as appropriate, a functional behavioral assessment or functional analysis, and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur. These services may be provided in an interim alternative educational setting.

3. Procedural Safeguards/Manifestation Determination

Within ten (10) school days of a recommendation for expulsion or any decision to change the placement of a child with a disability because of a violation of a code of student conduct, the Charter School, the parent, and relevant members of the IEP/504 Team shall review all relevant information in the student's file, including the child's IEP/504 Plan, any teacher observations, and any relevant information provided by the parents to determine:

- a. If the conduct in question was caused by, or had a direct and substantial relationship to, the child's disability; or
- b. If the conduct in question was the direct result of the local educational agency's failure to implement the IEP/504 Plan.

If the Charter School, the parent, and relevant members of the IEP/504 Team determine that either of the above is applicable for the child, the conduct shall be determined to be a manifestation of the child's disability.

If the Charter School, the parent, and relevant members of the IEP/504 Team make the determination that the conduct was a manifestation of the child's disability, the IEP/504 Team shall: Conduct a functional behavioral assessment and implement a behavioral intervention plan for such child, provided that the Charter School had not conducted such assessment prior to such determination before the behavior that resulted in a change in placement;

- a. If a behavioral intervention plan has been developed, review the behavioral intervention plan if the child already has such a behavioral intervention plan, and modify it, as necessary, to address

the behavior; and

- b. Return the child to the placement from which the child was removed, unless the parent and the Charter School agree to a change of placement as part of the modification of the behavioral intervention plan.

If the Charter School, the parent, and relevant members of the IEP/504 Team determine that the behavior was not a manifestation of the student's disability and that the conduct in question was not a direct result of the failure to implement the IEP/504 Plan, then the Charter School may apply the relevant disciplinary procedures to children with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities.

4. Due Process Appeals

The parent of a child with a disability who disagrees with any decision regarding placement, or the manifestation determination, or the Charter School believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, may request an expedited administrative hearing through the Special Education Unit of the Office of Administrative Hearings or by utilizing the dispute provisions of the 504 Policy and Procedures.

When an appeal relating to the placement of the student or the manifestation determination has been requested by either the parent or the Charter School, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer in accordance with state and federal law, including 20 U.S.C. Section 1415(k), until the expiration of the forty-five (45) day time period provided for in an interim alternative educational setting, unless the parent and the Charter School agree otherwise.

In accordance with 20 U.S.C. Section 1415(k)(3), if a parent/guardian disagrees with any decision regarding placement, or the manifestation determination, or if the Charter School believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, the parent/guardian or Charter School may request a hearing.

In such an appeal, a hearing officer may: (1) return a child with a disability to the placement from which the child was removed; or (2) order a change in placement of a child with a disability to an appropriate interim alternative educational setting for not more than 45 school days if the hearing officer determines that maintaining the current placement of such child is substantially likely to result in injury to the child or to others.

5. Special Circumstances Charter School personnel may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a child with a disability who violates a code of student conduct.

The Executive Director or designee may remove a student to an interim alternative educational setting for not more than forty-five (45) school days without regard to whether the behavior is determined to be a manifestation of the student's disability in cases where a student:

- a. Carries or possesses a weapon, as defined in 18 U.S.C. Section 930, to or at school, on school premises, or to or at a school function;
- b. Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function; or

- c. Has inflicted serious bodily injury, as defined by 20 U.S.C. Section 1415(k)(7)(D), upon a person while at school, on school premises, or at a school function.

6. Interim Alternative Educational Setting

The student's interim alternative educational setting shall be determined by the student's IEP/504 Team.

7. Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been identified as an individual with disabilities pursuant to IDEIA and who has violated the Charter School's disciplinary procedures may assert the procedural safeguards granted under this administrative regulation only if the Charter School had knowledge that the student was disabled before the behavior occurred.

The Charter School shall be deemed to have knowledge that the student had a disability if one of the following conditions exists:

- a. The parent/guardian has expressed concern in writing, or orally if the parent/guardian does not know how to write or has a disability that prevents a written statement, to Charter School supervisory or administrative personnel, or to one of the child's teachers, that the student is in need of special education or related services.
- b. The parent has requested an evaluation of the child.
- c. The child's teacher, or other Charter School personnel, has expressed specific concerns about a pattern of behavior demonstrated by the child, directly to the director of special education or to other Charter School supervisory personnel.

If the Charter School knew or should have known the student had a disability under any of the three (3) circumstances described above, the student may assert any of the protections available to IDEIA-eligible children with disabilities, including the right to stay-put.

If the Charter School had no basis for knowledge of the student's disability, it shall proceed with the proposed discipline. The Charter School shall conduct an expedited evaluation if requested by the parents; however the student shall remain in the education placement determined by the Charter School pending the results of the evaluation.

The Charter School shall not be deemed to have knowledge that the student had a disability if the parent has not allowed an evaluation, refused services, or if the student has been evaluated and determined to not be eligible.

APPENDIX A RETALIATION/HARASSMENT/DISCRIMINATION COMPLAINT FORM

APPENDIX B INTERNAL COMPLAINT FORM

WELCOME

Welcome to East Bay Innovation Academy (“EBIA” or the “School”)! As team member at EBIA, you are an integral part of helping us achieve our mission. Your dedication to our students, pride in your work and commitment to EBIA is essential to our success.

This Handbook contains information about EBIA’s employment policies and practices. We have designed our employment policies and practices not only to comply with federal and state employment laws, but also to attract, develop, retain, and reward talented educators, administrators, support staff, and leaders. Our policies and practices also reflect EBIA’s core beliefs:

- We believe in **POSSIBILITY and PERSEVERANCE**: all children can and will achieve at the highest levels and be prepared for success in college and career, regardless of background or circumstance, when held to high academic and behavioral expectations. We value courage, initiative, and tenacity.
- We believe in **CREATIVITY and CURIOSITY**: we aim to develop students who pursue inquiry collaboratively with critical and creative minds. We value exploration, perspective, and determination.
- We believe in **COMMUNITY**: Parents, teachers, school leaders, and board members assume collective and individual responsibility for all student’s success. We value relationships, kindness, integrity, and respect.
- We believe in the **GREATER GOOD**: Our school will open students’ minds to an enlightened sense of social justice and civic responsibility. Our students will give back to the community and work to make the world a better place. We value holistic thinking that can improve our school, our community, and our world.
- We believe in **DIVERSITY**: In order to prepare students for a global society and workforce, they need to learn to work with and appreciate the contributions of those that are different from them, in all aspects of life.

This Handbook supersedes all previously issued Handbooks. We expect each team member to read this Handbook carefully, as it is a valuable reference for understanding your job and EBIA. However, please be aware that not all of EBIA policies and procedures are set forth in this Handbook. We have summarized only some of the more important ones. EBIA reserves the right to revise, delete and add to the provisions of this Handbook. No oral statements or representations can change the provisions of this Handbook. Should any provision in this Handbook be found to be unenforceable and invalid, such finding does not invalidate the entire Handbook, but only the subject provision. Furthermore, should any provision of this Handbook contradict a provision of an applicable collective bargaining agreement at EBIA, the applicable

Team Member Handbook

collective bargaining agreement shall be controlling. If you have any questions or concerns about this Handbook or any other policy or procedure, please ask the Executive Director, your Supervisor, or the Director of Operations.

After reading this Handbook, all team members must sign the acknowledgment form at the back of this Handbook and return it to their supervisor. This will provide EBIA with a record that each team member has received and read the Handbook.

Again, welcome to East Bay Innovation Academy!

EMPLOYMENT POLICIES

EBIA's employment policies (and practices) comply with all federal and state law requirements. In this section of this Handbook, you will find detailed explanations of these important requirements and how EBIA complies with them. Strict compliance with these policies is expected and required from all EBIA team members.

AT-WILL EMPLOYMENT

Unless stated otherwise by an applicable collective bargaining agreement, all employment at EBIA is "at-will." This means that both team members and EBIA have the right to terminate employment at any time, with or without advance notice (although we request and try to give two weeks' notice), and with or without cause. Nothing in this Handbook shall limit the right to terminate at-will employment. No one other than the Executive Director and Chair of the Board of Directors of EBIA, collectively, have the authority to alter this arrangement, to enter into an agreement for employment for a specified period of time, or to make any agreement contrary to this policy, and any such agreement must be in writing and must be signed by both the Executive Director and Chair of the Board of Directors of EBIA. Given the entrepreneurial nature of the organization, EBIA maintains a highly flexible culture, and so a team member's position and/or position description may be changed at any given time by his or her Supervisor. Nothing in this Handbook is intended to change this policy.

EQUAL EMPLOYMENT OPPORTUNITY

EBIA is an equal opportunity employer and makes employment decisions based on merit. It is the policy of the School to afford equal employment and advancement opportunity to all qualified individuals without regard to:

- Race (including but not limited to traits associated with race, such as hair texture and hairstyle, including but not limited to braids, locks, and twists);
- Color;
- Gender (including gender identity, gender expression, and transgender identity, whether or not the employee is transitioning or has transitioned);
- Sex (including reproductive health decision-making, pregnancy, childbirth, breastfeeding, and medical conditions related to such);
- Sex stereotype (including an assumption about a person's appearance or behavior, gender roles, gender expression, or gender identity, or about an individual's ability or inability to perform certain kinds of work based on a myth, social expectation, or generalization about the individual's sex);
- Religious creed (including religious dress and grooming practices);
- Marital/registered domestic partner status;

- Physical or mental disability (including HIV and AIDS);
- Medical condition (including cancer and genetic characteristics);

- Genetic information;
- Sexual orientation;
- Military and veteran status; or
- Any other consideration made unlawful by federal, state, or local laws.

This policy protects qualified individuals based on the perception that the individual has any of these characteristics or any combination of these characteristics, or is associated with an individual who has, or is perceived to have, any of these characteristics or a combination of these characteristics.

This policy extends to all job applicants and employees and to all aspects of the employment relationship, including the hiring of new employees and the training, transfer, promotion, discipline, termination, compensation and benefits of existing employees.

To comply with applicable laws ensuring equal employment opportunities to qualified individuals with a disability, the School will make reasonable accommodations for the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or an employee unless undue hardship would result.

EBIA promotes a positive, productive work environment within which all individuals are treated with respect and dignity. Each individual has the right to work in a professional atmosphere that promotes equal opportunity and prohibits discriminatory practices. It is the responsibility of every team member to conscientiously follow this policy.

Any applicant or employee who requires an accommodation in order to perform the essential functions of the job should contact a School representative with day-to-day personnel responsibilities and request such an accommodation. The individual with the disability should specify what accommodation he or she needs to perform the job, or if unknown, what job duties the disability impairs. EBIA will then conduct an investigation to identify the barriers that interfere with the equal opportunity of the applicant or employee to perform the job. EBIA will identify possible accommodations, if any, that will help eliminate the limitation. If the accommodation is reasonable and will not impose an undue hardship, the School will make the accommodation

POLICY AGAINST UNLAWFUL HARASSMENT, DISCRIMINATION, AND RETALIATION

EBIA is committed to providing a work and educational atmosphere that is free of unlawful harassment, discrimination, and retaliation. EBIA's policy prohibits unlawful harassment, discrimination, and retaliation based upon: race (including traits associated with race, such as hair texture and hairstyle, including but not limited to braids, locks, and twists); color; gender (including gender identity, gender expression, and transgender identity, whether or not the employee is transitioning or has transitioned); sex (including reproductive health decision-making, pregnancy, childbirth, breastfeeding, and related medical conditions); sex stereotype (including an assumption about a person's appearance or behavior, gender roles, gender expression, or gender identity, or about an individual's ability or inability to perform certain kinds of work based on a myth, social expectation, or generalization about the individual's sex); religious creed (including religious dress and grooming practices); marital/registered domestic partner status; age (forty (40) and over); national origin or ancestry (including native language spoken and possession of a driver's license issued to persons unable to prove their presence in the U.S. is authorized by federal law); physical or mental disability (including HIV and AIDS); medical condition (including cancer and genetic characteristics); taking a leave of absence authorized by law; genetic information; sexual orientation; military and veteran status; or any other consideration made unlawful by federal, state, or local laws.

This policy protects qualified individuals based on the perception that the individual has any of these characteristics or any combination of these characteristics, or is associated with an individual who has, or is perceived to have, any of these characteristics or a combination of these characteristics.

Employees, volunteers, unpaid interns, individuals in apprenticeship programs, and independent contractors shall not be harassed, or discriminated or retaliated against, based upon the characteristics noted above.

EBIA does not condone and will not tolerate unlawful harassment, discrimination, or retaliation on the part of any employee (including supervisors and managers) or third party (including independent contractors or other person with which the School does business). Supervisors and managers are to report any complaints of unlawful harassment to the Director of Operations or designee.

When EBIA receives allegations of unlawful harassment, discrimination, or retaliation, the Executive Director (if a complaint is about the Director of Operations) or the Director of Operations or designee will conduct a fair, timely and thorough investigation that provides all parties an appropriate process and reaches reasonable conclusions based on the evidence collected. The investigation will be handled in as confidential a manner as possible, although complete confidentiality cannot be guaranteed. Complainants and witnesses shall not be subject to retaliation for making complaints in good faith or participating in an investigation. EBIA is

committed to remediating any instances where investigation findings demonstrate unlawful harassment, discrimination, or retaliation has occurred.

Prohibited Unlawful Harassment

The following examples are not an exhaustive list:

- Verbal conduct such as epithets, derogatory jokes or comments or slurs;
- Physical conduct including assault, unwanted touching, intentionally blocking normal movement, or interfering with work because of sex, race or any other protected basis;
- Retaliation for reporting or threatening to report harassment; or
- Disparate treatment based on any of the protected classes above.

Prohibited Unlawful Sexual Harassment

EBIA is committed to providing a workplace free of sexual harassment and considers such harassment to be a major offense, which may result in disciplinary action, up to, and including dismissal, of the offending employee.

Sexual harassment consists of sexual advances, request for sexual favors and other verbal or physical conduct of a sexual nature, regardless of whether or not the conduct is motivated by sexual desire, when: (1) submission to the conduct is either made explicitly or implicitly a term or condition of an individual's employment; (2) an employment decision is based upon an individual's acceptance or rejection of that conduct; and/or (3) that conduct interferes with an individual's work performance or creates an intimidating, hostile or offensive working environment.

It is also unlawful to retaliate in any way against an employee who has articulated a good faith concern about sexual harassment against him or her or against another individual.

All supervisors of staff will receive two (2) hours of sexual harassment prevention training within six (6) months of hire or their assumption of a supervisory position and every two (2) years thereafter. All other employees will receive one (1) hour of sexual harassment prevention training within six (6) months of hire and every two (2) years thereafter. Such training will address all legally required topics, including information about the negative effects that abusive conduct has on both the victim of the conduct and others in the workplace, as well as methods to prevent abusive conduct undertaken with malice a reasonable person would find hostile, offensive, and unrelated to an employer's legitimate business interests. Abusive conduct includes but is not limited to repeated infliction of verbal abuse, such as the use of derogatory remarks, insults, and epithets, verbal or physical conduct that a reasonable person would find threatening, intimidating, or humiliating, or the gratuitous sabotage or undermining of a person's work performance. Supervisors shall also be trained on how to appropriately respond when the supervisor becomes aware that an employee is the target of unlawful harassment.

Other staff will receive sexual harassment prevention training as required by law.

Each employee has the responsibility to maintain a workplace free from any form of sexual harassment. Consequently, should any individual, in particular those with supervisory responsibilities, become aware of any conduct that may constitute sexual harassment or other prohibited behavior, immediate action should be taken to address such conduct. Any employee who believes they have been sexually harassed or has witnessed sexual harassment is encouraged to immediately report such harassment to the Director of Operations. See **Appendix A** for the "Harassment/Discrimination/Retaliation Complaint Form." See **Appendix B** for the general "Internal Complaint Form."

Sexual harassment may include, but is not limited to:

- Physical assaults of a sexual nature, such as:
 - o Rape, sexual battery, molestation or attempts to commit these assaults and
 - o Intentional physical conduct that is sexual in nature, such as touching, pinching, patting, grabbing, brushing against another's body, or poking another's body.
- Unwanted sexual advances, propositions or other sexual comments, such as:
 - o Sexually oriented gestures, notices, remarks, jokes, or comments about a person's sexuality or sexual experience.
 - o Preferential treatment or promises of preferential treatment to an employee for submitting to sexual conduct, including soliciting or attempting to solicit any employee to engage in sexual activity for compensation or reward or disparate treatment for rejecting sexual conduct.
 - o Subjecting or threats of subjecting an employee to unwelcome sexual attention or conduct or intentionally making performance of the employee's job more difficult because of the employee's sex.
- Sexual or discriminatory displays or publications anywhere at the workplace by employees, such as:
 - o Displaying pictures, cartoons, posters, calendars, graffiti, objections, promotional materials, reading materials, or other materials that are sexually suggestive, sexually demeaning or pornographic or bringing to work or possessing any such material to read, display or view at work;
 - o Reading publicly or otherwise publicizing in the work environment materials that are in any way sexually revealing, sexually suggestive, sexually demeaning or pornographic; and
 - o Displaying signs or other materials purporting to segregate an employee by sex in an area of the workplace (other than restrooms or similar rooms).

The illustrations of harassment and sexual harassment above are not to be construed as an all-inclusive list of prohibited acts under this policy. Moreover, please note that while in most situations a personal relationship is a private matter, these relationships are not appropriate in a

professional setting, particularly where one of the parties has management or supervisory responsibilities. As such, consensual relationships in the workplace may violate EBIA policy.

PROFESSIONAL BOUNDARIES: EMPLOYEE-STUDENT INTERACTIONS

EBIA recognizes its responsibility to make and enforce all rules and regulations governing student and employee behavior to bring about the safest and most learning-conducive environment possible. This policy is available on EBIA's website at eastbayia.org.

Boundaries Defined

For the purposes of this policy the term "boundaries" is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing beyond the boundaries of a student-teacher relationship is deemed an abuse of power and a betrayal of public trust.

Corporal Punishment

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of, or willfully causing the infliction of, physical pain on a student.

For purposes of this policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to property.

For clarification purposes, the following examples are offered for direction and guidance of School personnel:

- A. Examples of PERMITTED actions (NOT corporal punishment)
 - 1. Stopping a student from fighting with another student;
 - 2. Preventing a pupil from committing an act of vandalism;
 - 3. Defending yourself from physical injury or assault by a student;
 - 4. Forcing a pupil to give up a weapon or dangerous object;
 - 5. Requiring an athletic team to participate in strenuous physical training activities designed to strengthen or condition team members or improve their coordination, agility, or physical skills;
 - 6. Engaging in group calisthenics, team drills, or other physical education or voluntary recreational activities.
- B. Examples of PROHIBITED actions (corporal punishment)
 - 1. Hitting, shoving, pushing, or physically restraining a student as a means of control;
 - 2. Making unruly students do push-ups, run laps, or perform other physical acts that cause pain or discomfort as a form of punishment;

3. Paddling, swatting slapping, grabbing, pinching, kicking, or otherwise causing physical pain.

Acceptable and Unacceptable Behavior

Some activities may seem innocent from a staff member's perspective, but some of these activities can be perceived as flirtation or sexual insinuation from a student or parental point of view. The purpose of the following lists of unacceptable and acceptable behaviors is not to restrain innocent, positive relationships between staff and students but to prevent relationships that could lead to, or may be perceived as, sexual misconduct.

Staff members must understand their own responsibilities for ensuring that they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for any required disciplinary purposes. Thus, it is critical that all employees study this policy thoroughly and apply its spirit and intent in their daily activities.

For the purpose of this policy, the term "boundaries" is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing the boundaries of a student/teacher relationship is deemed an abuse of power and a betrayal of public trust.

Unacceptable Behaviors

These lists, and any subsequent lists, are not meant to be all-inclusive, but rather illustrative of the types of behavior addressed by this policy.

- Giving gifts to an individual student that are of a personal and intimate nature
- Kissing of ANY kind
- Any type of unnecessary physical contact with a student in a private situation
- Intentionally being alone with a student away from school

- Communication with students via an employee's personal accounts such as email and/or social media.
- Giving students a ride to/from school or school activities without parental permission
- Being alone in a room with a student at school with the door closed

Team Member Handbook

- Allowing students in your home without signed parental permission for a pre-planned and pre-communicated educational activity which must include another educator, parent, or other responsible adult
- Remarks about the physical attributes or physiological development of anyone
- Excessive attention toward a particular student
- Sending emails, text messages, Facebook responses, or letters to students or connecting through any social media channel if the content is not age appropriate and/or about school activities.

- Obtaining formal approval (site and parental) to take students off school property for activities such as field trips or competitions.
- Emails, text-messages, phone conversations, and other communications to and with students, if permitted, must be professional and pertain to school activities or classes (communication should be initiated via school-based technology and equipment).

- Keeping reasonable and appropriate space between you and the student.
- Stopping and correcting students if they cross your own personal boundaries.

- Keeping after-class discussions with a student professional and brief.
- Asking for advice from senior-staff or administration if you find yourself in a difficult situation related to "boundaries."
- Involving your direct supervisor about situations that have the potential to become more severe.
- Making detailed notes about an incident that could evolve into a more serious situation later.
- Recognizing the responsibility to stop unacceptable behavior of students and/or co-workers.
- Asking another staff member to be present if you will be alone with any student who may have severe social or emotional challenges (and you are not the assigned case educator).
- Asking another staff member to be present, or within close supervisory distance, when you must be alone with a student after regular school hours.
- Giving students praise and recognition without touching them in questionable areas; appropriate pats on the back, high-fives, and handshakes are appropriate.
- Keeping your professional conduct a high priority during all moments of student contact.
- Asking yourself if any of your actions, which are contrary to these provisions, are worth sacrificing your job and career.

Reporting

When any employee reasonably suspects or believes that another staff member may have crossed the boundaries specified in this policy, he or she must immediately report the matter to the Executive Director, and/or make a child abuse/neglect report as applicable. Prompt reporting is essential to protect students, the suspected staff member, any witnesses, and the school as a whole. All reports shall be as confidential as possible under the circumstances. It is the duty of the Executive Director to investigate and thoroughly report the situation. Employees must also report to the administration any awareness of, or concern about, student behavior that crosses boundaries, or any situation in which a student appears to be at risk for sexual abuse.

Investigating

The Executive Director will promptly investigate and document the investigation of any allegation of sexual misconduct, using such support staff or outside assistance, as he or she deems necessary and appropriate under the circumstances. Throughout this fact-finding process, the investigating administrator, and all other privy to the investigation, shall protect the privacy interests of any affected student(s) and/or staff member(s) including any potential witnesses, as much as possible. The investigating administrator shall promptly notify the Governing Board in closed session of the existence and status of any investigations. Upon completion of any such investigations, the Executive Director shall report to the Governing Board any conclusions reached. The investigating administrator shall consult with legal counsel, as appropriate, prior to, during, and after conducting any investigation.

Consequences

Staff members who have violated this policy will be subject to appropriate disciplinary action, and where appropriate, will be reported to authorities for potential legal action.

The School's image in front of students, parents (i.e., our "customers") and the general public is critical to our success. All employees are expected to be prompt, polite, courteous and attentive to our customers and the public. We will absolutely not tolerate conduct toward our customers or the general public that might be interpreted as unlawful discrimination or harassment. If you witness conduct in violation of this policy, you should immediately bring it to the attention of your supervisor or the Executive Director.

PROHIBITED CONDUCT

TITLE IX NOTICE OF NONDISCRIMINATION

EBIA does not discriminate on the basis of sex and prohibits any acts of sex discrimination including sex-based harassment in any education program or activity that it operates, as required by California law, Title IX (20 U.S.C. § 1681 et seq.) and the Title IX regulations (34 C.F.R. Part 106), including in admission and employment.

Inquiries about the application of Title IX and 34 C.F.R. Part 106 may be referred to the Charter School Title IX Coordinator, the Office for Civil Rights of the U.S. Department of Education, or both.

All complaints and reports of conduct that may constitute sex discrimination including sex-based harassment should be submitted to our Title IX Coordinator, who can be reached at:

Bonita Herrera, Senior Director of Operations
bherrera@eastbayia.org 510-577-9557 x110

A copy of EBIA's Title IX Policy, which includes the specific rules and procedures for reporting sex discrimination and sex-based harassment occurring within EBIA's education program or activities and for pursuing available remedies, is available on the EBIA website at: eastbayia.org

DISABILITIES – REASONABLE ACCOMMODATION

In accordance with applicable federal and state law protecting qualified individuals with known disabilities, EBIA will attempt to reasonably accommodate those individuals unless doing so would create undue hardship on EBIA. To ensure that EBIA understands the person's particular needs, any person who requires a reasonable accommodation in order to perform the essential functions of the job should contact the Director of Operations and request such an accommodation.

EBIA is committed to engaging in a timely, good faith interactive process with any qualified person with a disability who requests an accommodation in order to ascertain whether an effective, reasonable accommodation exists. The request should specify what accommodation the individual believes is needed to perform the job. EBIA then will conduct an investigation to identify the barriers that make it difficult for the individual to have an equal opportunity to perform his or her job. EBIA, in consultation with the individual, will identify possible accommodations that will help eliminate the limitation.

WORKERS' COMPENSATION

Workers' Compensation is designed to ensure that employees who are injured, become ill or disabled on the job are provided with needed medical benefits and wage-loss protection. A team member who sustains a work-related injury should immediately notify his/her Supervisor. Should the injury require the attention of a doctor, the Executive Director or Director of Operations can provide the number of the Workers' Compensation Carrier's Physician Network Referral Unit. For reporting regulations, team members who have an on-the-job injury are required to see one of EBIA's approved worker's compensation doctors, unless the employee has pre-designated his/own physician. The School Office has a listing of clinics in the local area which are approved to treat employees reporting a work-related injury. In the case of an emergency, team members should go to the nearest hospital emergency room for treatment and then utilize the Network Referral Unit if additional treatment is necessary.

OCCUPATIONAL SAFETY

EBIA is committed to the safety of its employees, vendors, contractors and the public and to providing a clear safety goal for management.

The prevention of accidents is the responsibility of every School supervisor. It is also the duty of all employees to accept and promote the established safety regulations and procedures. Every effort will be made to provide adequate safety training. If an employee is ever in doubt how to perform a job or task safely, assistance should be requested. Unsafe conditions must be reported immediately.

It is the policy of the School that accident prevention shall be considered of primary importance in all phases of operation and administration. EBIA's management is required to provide safe and healthy working conditions for all employees and to establish and require the use of safe practices at all times.

Failure to comply with or enforce School safety and health rules, practices and procedures could result in disciplinary action up to and including possible termination.

ACCIDENT/INCIDENT REPORTING

It is the duty of every employee to immediately or as soon as is practical report any accident or injury occurring during work or on School premises so that arrangements can be made for medical or first aid treatment, as well as for investigation and follow-up purposes.

CONFLICTS OF INTEREST

Team members are expected to devote their best efforts and attention to the full-time performance of their jobs. Moreover, team members are expected to use good judgment, to adhere to high ethical standards, and to avoid situations that create an actual or potential conflict between their personal interests and the interests of EBIA. A conflict of interest exists when the team member's loyalties or actions are divided between EBIA's interests and those of another, such as a competitor, supplier, or customer. Both the fact and the appearance of a conflict of interest should be avoided. Any exceptions to this guideline must be approved in writing by the Executive Director and Chair of the Board of Directors. Part-time team members may engage in outside employment, provided that they disclose such employment and get written approval from their immediate Supervisor. Failure to adhere to this guideline, including failure to disclose any conflicts or to seek an exception, will result in discipline, up to and including termination of employment.

PERSONNEL RECORDS

The information in the team member's personnel file is maintained as both a convenient resource for the collection of a team member's information and to comply with various regulations. A team member's personnel file is always confidential, unless otherwise required by law, and must be kept up-to-date. The team member must inform the Senior Director of Operations immediately whenever there are changes in personal data (such as address, telephone number, number of dependents, and person(s) to notify in case of emergency) by updating Paylocity or by emailing the Senior Director of Operations.

A team member or former team member (or designee) has the right to inspect or receive a copy of his or her personnel records, as provided by law, at reasonable times, at a reasonable place, and on reasonable advance notice to the Senior Director of Operations. All requests should be put in writing. If the request includes a request for copies the employee or former employee may be required to pay for the actual costs of copying. EBIA will respond to such a request within thirty (30) days of receipt of the written request.

Employees are not entitled to inspect or copy: letters of reference, records that relate to an investigation of possible criminal activity, ratings, reports or records obtained prior to employment, prepared by examination committee members or obtained in connection with a promotional examination.

Personnel files are the property of EBIA and may not be removed from EBIA's premises without written authorization from the Executive Director.

Credible complaints of substantiated investigations into or discipline for egregious misconduct will not be expunged from an employee's personnel file unless the complaint is heard by an arbitrator, administrative law judge, or the Board and the complaint is deemed to be false, not credible, unsubstantiated or a determination was made that discipline was not warranted.

EMPLOYMENT OF RELATIVES

Relatives of team members may be eligible for employment with EBIA only if the individuals involved are qualified, do not work in a direct supervisory relationship, and are not in job positions in which a conflict of interest could arise. Relatives of team members are subject to the same procedures and requirements as any other job applicant, no more and no less. Team members may not interview any relative seeking to join the EBIA team nor may that team member influence the decision to hire or not hire any relative who is a job applicant. EBIA defines “relatives” as spouses, registered domestic partners, children, siblings, parents, in-laws, and step-relatives. Present team members who marry or who become registered domestic partners will be permitted to continue working in the job position held only if they do not work in a direct supervisory relationship with one another or in job positions involving a conflict of interest.

PROPERTY, INCLUDING PROPRIETARY AND CONFIDENTIAL INFORMATION

Given the nature of EBIA’s business, protecting proprietary and confidential information is of vital concern to EBIA. EBIA property includes not only tangible property, like desks and laptops, but also intangible property such as information, including student records and student grades. This information is one of the most important assets of EBIA. All team members share responsibility to ensure that proper security is maintained at all times.

PROPRIETARY INFORMATION

Proprietary information includes all information relating in any manner to the business of EBIA and its schools, students, parents, consultants, customers, clients, and business associates obtained by EBIA team members during the course of their work. This Handbook, for example, contains proprietary information. Occasionally, in the service of EBIA’s mission, EBIA may choose to share otherwise proprietary information (e.g., best practices) with outside parties. Such documents will be prepared specifically for publication and dissemination, with the express approval of the Executive Director and/or the Board of Directors. If an individual team member receives a request from an outside party for either paper or electronic copies of EBIA documents, that individual should direct the request to the CFO/COO or their Supervisor before disseminating documents.

CONFIDENTIAL INFORMATION

Confidential information is any EBIA information that is not known generally to the public or the industry. Student lists, student cumulative files, student health files, student Individualized Education Plans, personnel files, computer records, financial and marketing data, process descriptions, research plans, formulas, and trade secrets are examples of confidential information. In addition, in the case student information, federal law provides that information

may not be disseminated except under certain limited conditions. (Family Educational Rights and Privacy Act (“FERPA”) 20 §1232g, 34 CFR Part 99). Team members will be subject to appropriate disciplinary action, up to and including termination for knowingly or unknowingly revealing information of a confidential nature.

SECURITY

To avoid loss of EBIA property, EBIA has safety plans, which specifically set out rules and procedures for maintaining control of entrances, exits, restricted areas, and other related security issues. Team members are expected to abide by these regulations. A copy of the school safety plan can be found in the administrative office.

All team members must observe good security practices. Team members are expected to take reasonable precautions to keep proprietary and confidential information secure from all persons who do not have legitimate reason to see or use such information. Failure to adhere to EBIA policies regarding proprietary and confidential information will be considered grounds for discipline, up to and including dismissal.

OBLIGATIONS ON TERMINATION

On termination of employment, whether voluntary or involuntary, all EBIA documents, computer records, and other tangible EBIA property in the team member’s possession or control must be returned to EBIA. This includes, but is not limited to, EBIA-issued laptops. In addition, any and all school supplies purchased with EBIA funds (including private grants, federal and state funding designated for the use of the organization, the school, and/or its students) are EBIA property and must be returned to EBIA. These items may include, but are not limited to, the following: computer equipment, software, professional books and binders received during training, dictionaries and other reference materials, bulletin boards, textbooks, leveled books, classroom books, library books, posters, consumable workbooks, office supplies, etc. This is true regardless of purchase method; that is, furniture, equipment and supplies are EBIA property regardless of whether they were purchased directly using a purchase order or credit card, or purchased by the team member but later reimbursed by EBIA through its expense reimbursement process.

TECHNOLOGY USE AND PRIVACY

EBIA provides various Technology Resources to authorized team members to assist them in performing their job duties for EBIA. Each team member has a responsibility to use EBIA’s Technology Resources in a manner that increases productivity, enhances EBIA’s public image, and is respectful of other team members. Failure to follow EBIA’s policies regarding its Technology Resources may lead to disciplinary measures, up to and including termination of employment.

Technology Resources consist of all electronic devices, software, and means of electronic communication including, but not limited to, the following: personal computers and

Team Member Handbook

workstations; laptop computers; mini and mainframe computers; computer hardware such as disk drives and tape drives; peripheral equipment such as printers, modems, fax machines, and copiers; computer software applications and associated files and data, including software that grants access to external services, such as the Internet; electronic mail; telephones; cellular phones; pagers; and voicemail systems.

Access to EBIA's Technology Resources is within the sole discretion of EBIA. Generally, team members are given access to EBIA's various technologies based on their job functions. Only team members whose job performance will benefit from the use of EBIA's Technology Resources will be given access to the necessary technology. Additionally, team members may be required to successfully complete EBIA-approved training before being given access to EBIA's Technology Resources.

EBIA team members are responsible for knowing and implementing student accountability procedures to protect Technology Resources. This includes the retention and maintenance of classroom devices, tracking of devices issued or loaned to a team member's students, and communicating damaged or lost devices to administration and families.

EBIA's Technology Resources are to be used by team members only for the purpose of conducting EBIA business. Team members may, however, use EBIA's Technology Resources for the following incidental personal uses so long as such use does not interfere with the team member's duties, is not done for pecuniary gain, does not conflict with EBIA's business, and does not violate any EBIA policy: (1) To send and receive necessary and occasional personal communications; (2) To prepare and store incidental personal data (such as personal calendars, personal address lists, and similar incidental personal data) in a reasonable manner; (3) To use the telephone system and cell phones for brief and necessary personal calls; and (4) To access the Internet for brief personal searches and inquiries during meal times or other breaks, or outside of work hours, provided that team members adhere to all other usage policies.

EBIA assumes no liability for loss, damage, destruction, alteration, disclosure, or misuse of any personal data or communications transmitted over or stored on EBIA's Technology Resources. EBIA accepts no responsibility or liability for the loss or non-delivery of any personal electronic mail or voicemail communications or any personal data stored on any EBIA property. EBIA strongly discourages team members from storing any personal data on any of EBIA's Technology Resources.

EBIA is aware that team members use electronic mail for correspondence that may be less formal than written memoranda. Team members must take care, however, not to let informality degenerate into improper use. As set forth more fully in the Harassment section of this Handbook, EBIA does not tolerate discrimination or harassment based on race, ethnic group, color, sex (including pregnancy, childbirth, or related medical conditions), national origin, ancestry, religion, creed, physical or mental disability, marital status, registered domestic partner status, medical condition, sexual orientation, veteran status, age, and any other basis protected by federal, state, or local law. Under no circumstances may team members use EBIA's Technology Resources to

transmit, receive, or store any information that is discriminatory, harassing, or defamatory in any way (e.g., sexually-explicit or racial messages, jokes, cartoons).

Team members also must not use EBIA's Technology Resources to copy, retrieve, forward or send copyrighted materials unless the team member has the author's permission or is accessing a single copy only for the team member's reference. In addition, team members may not use any of EBIA's Technology Resources for any illegal purpose, violation of any EBIA policy, in a manner contrary to the best interests of EBIA, in any way that discloses confidential or proprietary information of EBIA or third parties, or for personal or pecuniary gain.

Any team member using EBIA Technology resources to view or download indecent or inappropriate material will be subject to disciplinary action.

Employees are provided School devices, networks and accounts (i.e., RingCentral App, Slack, etc.) and are expected to use them for all work-related communications and assignments. As such, employees are encouraged to avoid using their personal devices to prevent any unnecessary and non-reimbursable expenses or wear and tear on their own devices. Furthermore, as employees of a public entity, team members may be subject to Public Records Act searches of their communications to the extent they concern school business, including when stored on personal devices or accounts.

SOCIAL MEDIA POLICY

If an employee decides to post information on the Internet (i.e., TikTok, Facebook, Instagram, SnapChat etc.) that discusses any aspect of his/her workplace activities, the following restrictions apply:

- School equipment, including School computers and electronics systems, may not be used for these purposes;
- Student and employee confidentiality policies must be strictly followed;
- Employees must make clear that the views expressed are their own and not those of the School;
- Employees may not use the School's logos, trademarks and/or copyrighted material and are not authorized to speak on the School's behalf;
- Employees are not authorized to publish any confidential or proprietary information maintained by the School;
- Employees are prohibited from making discriminatory, defamatory, libelous or slanderous comments when discussing the School, the employee's supervisors, coworkers and competitors;
- Employees must comply with all School policies, including, but not limited to, rules against unlawful harassment and retaliation.

The School reserves the right to take disciplinary action against any employee whose social media postings violate this or other School policies.

PRIVACY

All messages sent and received, including personal messages, and all data and information stored on EBIA's electronic-mail system, voicemail system, or computer systems are EBIA property regardless of the content. As such, EBIA reserves the right to access all of its Technology Resources including its computers, voicemail, and electronic-mail systems, at any time, in its sole discretion.

On occasion, EBIA may need to access its Technology Resources including computer files, electronic-mail messages, and voicemail messages. Team members should understand, therefore, that they have no right of privacy with respect to any messages or information created or maintained on EBIA's Technology Resources, including personal information or messages. EBIA may, at its discretion, inspect all files or messages on its Technology Resources at any time for any reason. EBIA may also monitor its Technology Resources at any time in order to determine compliance with its policies, for purposes of legal proceedings, to investigate allegations of misconduct, to locate information, or for any other business purpose.

Certain EBIA Technology Resources can be accessed only by entering a password. Passwords are intended to prevent unauthorized access to information. Passwords do not confer any right of privacy upon any team member of EBIA. Thus, even though team members may maintain passwords for accessing Technology Resources, team members must not expect that any information maintained on Technology Resources, including electronic-mail and voicemail messages, are private. Team members are expected to maintain their passwords as confidential. Team members must not share passwords and must not access coworkers' systems without express authorization.

Employees should not use personal devices or email accounts for School-related communications as these communications may nevertheless be considered public records subject to disclosure under the California Public Records Act. Such communications should only take place using School-issued devices and via the employee's EBIA email account.

EBIA PROPERTY AND INFORMATION

All software in use on EBIA's Technology Resources is officially licensed software. No software is to be installed or used that has not been duly paid for and licensed appropriately for the use to which it is being put. No team member may load any software on EBIA's computers, by any means of transmission, unless authorized in writing in advance by the CFO/COO. Authorization for loading software onto EBIA's computers should not be given until the software to be loaded has been thoroughly scanned for viruses.

EBIA is very sensitive to the issue of protection of confidential and proprietary information of both EBIA and third parties ("Confidential Information"). Therefore, team members are expected to use good judgment and to adhere to the highest ethical standards when using or transmitting Confidential Information on EBIA's Technology Resources. Confidential Information should not be accessed through EBIA's Technology Resources in the presence of unauthorized individuals. Similarly, Confidential Information should not be left visible or unattended. Moreover, any Confidential Information transmitted via Technology Resources should be marked with the following confidentiality legend: "This message contains confidential information. Unless you are the addressee (or authorized to receive for the addressee), you may not copy, use, or distribute this information. If you have received this message in error, please advise the Executive Director or return it promptly by mail."

Before transferring or copying any software from an EBIA Technology Resource to another computer, team members must request permission and receive written authorization from the Senior Director of Operations.

EBIA has installed a variety of programs and devices to ensure the safety and security of EBIA's Technology Resources. Any team member found tampering or disabling any of EBIA's security devices will be subject to discipline up to and including termination.

EBIA may perform auditing activity or monitoring to determine compliance with these policies. Audits of software and data stored on EBIA's Technology Resources may be conducted without warning at any time.

WHISTLEBLOWER POLICY

EBIA is committed to maintaining a workplace where all directors, officers, team members and volunteers are free to raise good faith concerns regarding certain business practices, specifically: (1) reporting suspected violations of law, including but not limited to federal laws and regulations; (2) providing truthful information in connection with an inquiry or investigation by a court, agency, law enforcement, or other governmental body; and (3) identifying potential violations of EBIA policy, specifically the policies contained in EBIA Team Member Handbook.

A team member who wishes to report a suspected violation of law or EBIA policy may do so confidentially by contacting the Board of Directors.

EBIA expressly prohibits any form of retaliation, including harassment, intimidation, adverse employment actions, or any other form of retaliation, against team members who raise suspected violations of law, cooperate in inquiries or investigations, or identify potential violations of EBIA. Any team member who engages in retaliation will be subject to discipline, up to and including termination.

Team Member Handbook

Further, no one who in good faith discloses, who may disclose, or who the School believes disclosed or may disclose, information regarding alleged violations to a person with authority over the employee or another employee who had responsibility for investigating, discovering or correcting the purported violation shall suffer harassment, retaliation, or adverse employment action.

Any team member who believes that he or she has been subjected to any form of retaliation as a result of reporting a suspected violation of law or policy should immediately report the retaliation to one of the following: Executive Director and Director of Operations. Any supervisor, manager, or staff that receives complaints of retaliation must immediately inform Executive Director and the Director of Operations.

Reports of suspected violations of law or policy and reports of retaliation will be investigated promptly and in a manner intended to protect confidentiality, consistent with a full and fair investigation. The Executive Director and a member of EBIA management will conduct or designate other internal or external parties to conduct the investigations. The investigating parties will notify the concerned individuals of their findings directly.

EMPLOYMENT CONDITIONS

IMMIGRATION LAW COMPLIANCE

EBIA will comply with applicable immigration law, including the Immigration Reform and Control Act of 1986 and the Immigration Act of 1990. As a condition of employment, every individual must provide satisfactory evidence of his or her identity and legal authority to work in the United States. However, EBIA will not check the employment authorization status of current employees or applicants who were not offered positions with the School unless required to do so by law.

The School shall not discharge an employee or in any manner discriminate, retaliate, or take any adverse action (e.g., threatening to report the suspected citizenship or immigration status of an employee or a member of the employee's family) against any employee or applicant for employment because the employee or applicant exercised a right protected under applicable law. Further, the School shall not discriminate against any individual because he or she holds or presents a driver's license issued per Vehicle Code § 12801.9 to persons who have not established their federally-authorized presence in the United States. Finally, in compliance with the Immigrant Worker Protection Act, the School shall not allow a federal immigration enforcement agent to enter any nonpublic areas of the School without a judicial warrant, or voluntarily give consent to an agent to access, review or obtain employee records without a subpoena or judicial warrant. If a search of employee records is authorized by a valid subpoena or judicial warrant, the School will give employees notice of the inspection both before and after it has occurred as required by law.

CREDENTIAL REQUIREMENTS

If you are a credentialed team member, you must provide copies of your credential, transcripts, and test scores each fall prior to your first day of actual work. Failure to provide these documents may delay your ability to begin work.

You are also responsible for keeping required certificates, credentials, and registrations current and in good standing, for paying the costs associated with renewal, and for providing both your principal and the School with verification of renewals. Failure to provide these updated documents to the School may result in suspension without pay until such time as the necessary documentation has been provided, or termination from employment.

If you allow a credential, certificate, registration, or required course deadline to expire, or if you fail re-certification, training, or testing, EBIA is required to remove you from the work schedule until you meet the requirements or renew your credential.

TUBERCULOSIS TEST

All employees of the School must submit written proof from a health care provider of a risk assessment examination for tuberculosis (TB) within the last sixty (60) days. If TB risk factors are identified, a physician must conduct an examination to determine whether the employee is free of infectious TB. The examination for TB consists of an approved TB test, which, if positive, will be followed by an x-ray of the lungs, or in the absence of skin testing, an x-ray of the lungs. All employees will be required to undergo TB risk assessments and, if risk factors are found, the examination at least once every four (4) years. Volunteers may be required to undergo a TB examination as necessary. The TB risk assessment and, if indicated, the examination is a condition of initial employment with the School and the cost of the exam will be borne by the applicant.

Food handlers may be required to have annual TB exams. Documentation of employee and volunteer compliance with TB risk assessments and examinations will be kept on file in the office. This requirement also includes contract food handlers, substitute teachers, and student teachers serving under the supervision of an educator. Any entity providing student services to the School will be contractually required to ensure that all contract workers have had TB testing that shows them to be free of active TB prior to conducting work with School students.

CRIMINAL BACKGROUND CHECKS

As required by law and as a condition of employment, EBIA requires all applicants for employment to submit two (2) sets of fingerprints to the Department of Justice for the purpose of obtaining criminal record summary information from the Department of Justice and Federal Bureau of Investigation. Consistent with applicable law, EBIA will not employ a person who has been convicted of a violent or serious felony or a sex or controlled substance offense or any person who would be prohibited from employment by a public school district because of his or her conviction for any other crime, unless an applicable exception applies. EBIA will not employ any applicant until the Department of Justice completes its check of the state criminal history file as provided by law. EBIA shall also request subsequent arrest notification from the Department of Justice and take all necessary action based upon such further notification.

No condition or activity will be permitted that may compromise the School's commitment to the safety and the well-being of students taking precedence over all other considerations. Conditions that preclude working at the School include conviction of a controlled substance or sex offense, or a serious or violent felony. Similarly, convictions involving crimes of moral turpitude (e.g., fraud), child abuse or neglect, violence, or any offense which may make the employee unsuitable/undesirable to work around students may also serve as a bar to employment at the School. Additionally, should an employee be arrested for, charged with, or convicted of any offense during their employment with the School, the employee must immediately report as much to the Executive Director.

All fingerprint and background information must be completed and in the possession of EBIA before the first day of employment. Failure to complete this process will delay the team member's ability to begin work.

SUBSEQUENT ARREST NOTIFICATION SERVICE

All team members are subject to “Subsequent Arrest Notification Service” by the DOJ once they have been fingerprinted for EBIA. Any time a team member is arrested after his or her initial background clearance for the School, the DOJ will notify the school Human Resources contact and send the School the new CORI information. The Director of Operations will evaluate the new information and determine whether it justifies a response from the School. If the arrest results in a conviction or a similar determination, the School will thereafter determine whether the employee is suitable for continued employment. After the evaluation has taken place and a decision has been made regarding the individual’s suitability to continue employment, the CORI records received from the DOJ will be destroyed. Applicants will receive notification of their suspension or termination. Those individuals who are suspended or terminated can make a onetime appeal to the Executive Director for reconsideration if he or she feels there has been an error in the review of their record. The decision of the Executive Director is final.

Notwithstanding the above, should an employee, during his/her employment with the School, be arrested for, charged with, or convicted of any offense, the employee must immediately report as much to the Executive Director.

CHILD ABUSE AND NEGLECT REPORTING

Since our team members work directly with children, they are in a position to detect instances of child abuse and neglect. It is EBIA’s policy that all employees shall comply with the California State law regarding child abuse reporting procedures. Section 11166 of the California Penal Code mandates the reporting to designated authorities of cases of suspected child abuse as follows:

“Any child care custodian, health practitioner, or employee of a child protective agency who has knowledge of or observes a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse shall report the known or suspected instance of child abuse to a child protective agency immediately or as soon as practically possible by telephone and shall prepare and send a written report thereof within 36 hours of receiving the information concerning the incident.”

While each team member has the responsibility to ensure the reporting of any child he/she suspects is a victim of abuse, the team member is not to verify the suspicion or prove that abuse has occurred. Classroom teachers who become aware of suspected child abuse should request class coverage from the Main Office immediately and must immediately make reports to the administrators.

It is extremely important that EBIA team members comply with the requirements of the Child Abuse and Neglect Reporting Act (CANRA). No mandated reporter can be held civilly or criminally

liable for any report required or authorized by CANRA. In addition, any other person who voluntarily reports a known or suspected incident of child abuse or neglect will not incur civil or criminal liability unless it is proven that the report was false and the person knew the report was false or made the report with reckless disregard of its truth or falsity.

EBIA will provide annual training on the mandated reporting requirements, using the online training module provided by the State Department of Social Services, to employees who are mandated reporters. Mandated reporter training will also be provided to employees hired during the course of the school year. This training will include information that failure to report an incident of known or reasonably suspected child abuse or neglect, as required by Penal Code section 11166, is a misdemeanor punishable by up to six (6) months confinement in a county jail, or by a fine of one-thousand dollars (\$1,000), or by both that imprisonment and fine.

All employees required to receive mandated reporter training must provide proof of completing the training within the first six (6) weeks of each school year or within the first six (6) weeks of that employee's employment.

By acknowledging receipt of this Handbook, employees acknowledge they are child care custodians and are certifying that they have knowledge of California Penal Code section 11166 and will comply with its provisions.

The Director of Operations is available to answer any questions team members may have about their responsibilities under CANRA, or to assist a team member in making a report under CANRA. If a team member makes a report pursuant to CANRA without EBIA's assistance, he or she is required to notify EBIA of the report if it is based on incidents he or she observed or became aware of during the course and scope of his or her employment with EBIA.

FIRST-AID AND CPR TRAINING

All individuals working unsupervised with children or in a classroom setting (i.e., core teachers, advisors, coaches, non-core teachers, administrators) are encouraged to receive, renew, and maintain basic first-aid and CPR certification. EBIA will periodically host First Aid and CPR training for teachers, assistants and staff; the class may take place outside of normal working hours.

For additional information on these trainings, please contact the Director of Operations.

TEAM MEMBER VOICE AND INTERNAL COMMUNICATIONS

EBIA encourages open, honest and direct communication. Candid and frequent communication is the best way to ensure we serve all our constituents – including students, parents, community members and teammates – in the best way possible. EBIA has developed a number of ways to keep the lines of communication open.

OPEN DOOR POLICY

EBIA has an Open Door Policy that encourages team member participation in decisions affecting them and their daily professional responsibilities.

Teammates are encouraged to discuss their job-related concerns or complaints with the Executive Director. Concerns can be raised in person, via mail, email, or telephone. EBIA believes that teammate concerns are best addressed through this type of informal and open communication. EBIA will also attempt to keep all such expressions of concern, the results of its investigation, and the terms of the resolution confidential to the extent possible and reasonable. In the course of investigating and resolving the matter, however, some dissemination of information to others may be appropriate. No team member will be disciplined or otherwise penalized for raising a good-faith concern.

STAKEHOLDER SATISFACTION SURVEYS

EBIA will administer Satisfaction surveys of teammates, parents, and students. These anonymous surveys provide an opportunity for constituents to inform the organization about what works well and what could be improved. The Teammate Satisfaction survey gives EBIA team members the opportunity to evaluate the school environment as well as rate their school Executive Director. The results of this survey are factored into annual performance reviews and compensation decisions. Similarly, parents and students receive the opportunity to grade their Executive Director and teachers.

OTHER SURVEYS

Teammates may occasionally be asked for input on other topics during the course of the year through other surveys, focus groups or interviews. The results of these surveys are used to guide management decisions, and sometimes provide additional information related to concerns raised during the annual survey.

PERFORMANCE MANAGEMENT

EBIA is committed to being a world-class educational institution, which means achieving high levels of student academic performance through the work of effective educators. As a result, EBIA's practices related to performance management are a combination and balance of accountability and support. EBIA believes that all teammates should be held accountable for objectives and outcomes that they can influence – including, for educators and school administrators, growth in student achievement. At the same time, EBIA has a responsibility to provide extensive support to help individuals meet their objectives and enhance their own professional efficacy – by building capacity, offering guidance, and providing resources. EBIA's teammates are expected to actively participate in continuous improvement by being open to feedback and by using the resources and tools that EBIA provides, thereby modeling the learning process. EBIA's collaborative (rather than punitive) environment is ideal for striking this blend and balance of accountability and support.

PROFESSIONAL DEVELOPMENT

EBIA is committed to the professional development of all of its team members. For educators, EBIA provides training before the start of the school year, on-site coaching and modeling throughout the school year by the school Executive Director and other site leaders, as well as access to external workshops to cultivate teaching skills. EBIA may cover the cost of this professional development. Team members should talk with the Executive Director about additional development opportunities and specific career paths.

PERFORMANCE REVIEW

EBIA provides a culture in which communication is encouraged. In a similar fashion, performance expectations and reviews are part of an ongoing, year-round process in which a team member will discuss these issues with his or her Supervisor. Such performance reviews may be formal or informal, and verbal or written. Examples of such ongoing review can include walkthroughs at the school, peer review, lesson observations and/or ongoing 360 degree feedback.

In addition, EBIA conducts periodic performance reviews for team members. Team members generally receive written performance evaluations at least once every year. As part of the process are also asked to provide self-evaluations. Performance ratings include feedback obtained through surveys of the community regarding both school and individual employee performance. The purpose of the review is to support the team member to become a stronger member of the team. Specifically, the review will evaluate the team member's current level of performance, to examine the progress made since the last review, and to establish goals for the team member's next review. Further, the review helps ensure that both the team member and his/her Supervisor understand their respective roles in helping the team member achieving his or her career goals. During their performance reviews, team members are encouraged to discuss any issues raised,

as well as any opportunities for advancement or career development within EBIA. A performance-based pay raise may occur within the annual appraisal process.

Teaching staff is evaluated consistent with the applicable collective bargaining agreement.

CORRECTIVE REVIEW/DISCIPLINARY ACTION

In light of EBIA's balanced approach of both accountability and support, under normal circumstances, Supervisors first informally coach and support team members to help increase performance before instituting any formal Corrective Review or disciplinary action. This increases an individual's likelihood of success in his or her position. In other words, a team member with a performance or behavior issue is typically given a warning so that he or she has an opportunity to correct the problem. If further coaching is necessary, a Supervisor may elect to develop a written plan in order to help the team member correct the behavior. Should a Supervisor's coaching be unsuccessful, a formal written warning of disciplinary action may be necessary. None of the foregoing limits, or is to be construed to limit, EBIA's "at-will" employment policy in any way whatsoever.

Team members may be disciplined for poor job performance and/or misconduct, including but not limited to the following:

- Unsatisfactory work quality or quantity
- Sleeping on the job or leaving the job without authorization
- Insubordination
- Excessive absenteeism, tardiness, abuse of break/lunch privileges, or failure to notify Supervisor in advance of anticipated tardiness or absence
- Dishonesty
- Disparaging, intentionally insensitive or hurtful behavior towards others.
- Failure to follow instructions or EBIA's policies and procedures
- Disclosing or using confidential or proprietary information without authorization
- Falsifying or altering EBIA records, including the application for employment
- Harassing, including sexually harassing, team members or students
- Possessing a firearm or other dangerous weapon on EBIA property or while conducting EBIA business or any other criminal act.
- Prohibited Conduct, as defined herein.

In addition, corrective review or disciplinary action may be taken if the team member is unsuccessful in meeting their deliverables or other performance expectations. These deliverables and expectations are set by the Supervisor of the team member, and for educators will include increasing student performance.

Though discharge or demotion for poor performance or attendance ordinarily will be preceded by an oral warning and a written warning, EBIA reserves the right to proceed directly to a written

Team Member Handbook

warning, or demotion, or termination, without resort to prior disciplinary steps, when EBIA deems such action appropriate or necessary.

A team member may be placed on paid administrative leave without prior written warning or approval in order to review or investigate actions, including but not limited to, insubordination, acts endangering others, or other allegations or serious misconduct.

For all represented team members, corrective review/disciplinary action shall be consistent with the applicable collective bargaining agreement.

UPWARD FEEDBACK

EBIA is committed to providing voice to all of its team members. In support of this principle, EBIA provides all team members an opportunity to engage in 360 degree feedback, in which the team member has an opportunity to reflect upon and inform management regarding the performance of his/her Supervisor.

COMPENSATION

The compensation and evaluation system used at EBIA differs from that used in traditional K-12 public school systems. It is designed to give the Executive Director the flexibility needed to attract teammates whose skills match the unique needs of the school, reward individuals who get results, and ensure EBIA's compensation levels are competitive with the marketplace. For all represented team members, compensation shall be consistent with the applicable collective bargaining agreement.

BASE SALARIES

Base salaries are set according to the Executive Director depending on:

- market rates (a range, based on an annual analysis of local district salary schedules and similar positions in other comparable organizations)
- an individual's experience and relevant expertise (e.g.: for a teacher, this may include fluency in multiple languages, experience with English language learners or Special Education, or relevant industry experience).

Individuals who may seem to have the same amount of experience on the surface may receive different base salaries because of their differing backgrounds and skills.

The Base Salary covers work done as part of an individual's job responsibilities during the regular work calendars for his/her position. Job description, work calendar and work schedules may be modified from time to time, and should be discussed with the Executive Director prior to the beginning of each school year to ensure that expectations are clear.

BASE SALARY INCREASES

Pay increases are determined according to school and individual performance as defined in EBIA's annual performance goals as set by the Executive Director and approved by the EBIA Board of Directors.

EXEMPT VS. NONEXEMPT CLASSIFICATION OF TEAM MEMBERS

All team members are classified as either exempt or nonexempt, according to job duties as determined by the provisions of applicable law. Nonexempt employees are covered by the overtime provisions of applicable law and are required to fill out timesheets accounting for all time worked in a pay period. Nonexempt employees are entitled to an overtime premium in accordance with applicable law (see the Overtime policy below). Exempt employees are salaried employees whose job duties exempt them from the overtime provisions of applicable law.

Exempt employees are paid a fixed salary determined by the duties to be performed rather than the number of hours worked. All site leaders and educators are exempt employees. Job classifications are noted on each position description that is provided with each team member's new hire paperwork. Any team member who needs a copy of his/her position description, or wishes to inquire about his/her classification should contact the Director of Operations.

FULL-TIME VS. PART-TIME CLASSIFICATION OF TEAM MEMBERS

Full-time employees are those who work at least thirty (30) hours per week. Part-time employees are those who are scheduled to work less than thirty (30) hours per week. Temporary employees can be either full-time or part-time, but work for a period of ninety (90) consecutive days or less. Temporary employees and most part-time employees are not eligible for medical, dental, vision, short- and long-term disability, or life insurance benefits.

OVERTIME

Hourly, nonexempt team members will be paid overtime for working in excess of eight (8) hours per day and in excess of forty (40) hours per week. The Supervisor must approve all overtime in advance and sign all time sheets to indicate agreement.

JOB DUTIES

Each team member will learn the various duties and responsibilities of his or her job during training or from his/her Supervisor as part of orientation. Each team member should also be provided with a copy of the written job description for his/her individual position. In order to adjust to changes, EBIA reserves the right to modify job descriptions, add to or remove certain duties and responsibilities, or reassign a team member to an alternate job position.

EBIA team members are required to know and implement student attendance policies and procedures, including the collection of an office late slip from students who are tardy to morning advisory. Teachers are responsible for marking students who arrive to class late with the appropriate tardy in our information system.

PAY PROCEDURES

EBIA team members are paid on a semi-monthly basis. Salaried team members are paid on the 15th day and the last working day of the month, with each paycheck including earnings for all work performed through the date of the payroll check. Hourly team members are similarly paid on the 15th day and the last working day of each month, with the payroll check on the 15th day of the month generally covering the period of time from the 25th day of the previous month to the 8th day of the month in which the payday falls, and with the payroll check on the last working day of the month generally covering the period of time from the 9th day to the 24th day of the month in which the payday falls. If a scheduled payday falls on a Saturday, Sunday or company-

observed holiday, team members will be paid on the day preceding the weekend or holiday. Team members are paid for all work performed for EBIA (less withholding taxes and authorized deductions), whether or not the work is performed on premises.

TIME RECORDS (NONEXEMPT EMPLOYEES)

Nonexempt employees must accurately complete time records within the School's timekeeping system. Each time record must show the exact time work began and ended, the meal periods taken, and your signature. Absences and overtime must be accurately identified on your time record. You cannot record time and/or submit a time record for another team member. Each team member must sign and submit his or her own time record. Team members must record all time actually worked; working off the clock is prohibited.

All employees are required to keep the office advised of their departures from and returns to the school premises during the workday.

Nonexempt employees are solely responsible for ensuring accurate information on their time records and remembering to record time worked. If an employee forgets to mark their time record or makes an error on the time record, the employee must contact the Director of Operations to make the correction and such correction must be initialed by both the employee and the Director of Operations.

Nonexempt employees are prohibited from performing off-the-clock work, including but not limited to checking emails before/after work hours, performing work in the morning before logging in, and running School errands after logging out.

No one may record hours worked on another's time record. Any employee who violates any aspect of this policy may be subject to disciplinary action, up to and including release from at-will employment with the School.

Exempt employees must record any absence from work of a half day or more. Deductions from an exempt employee's salary will be made only in accordance with applicable law. Employees should immediately contact the Director of Operations with any questions concerning their pay so that inadvertent errors can be corrected.

MEAL PERIODS (NONEXEMPT EMPLOYEES)

Nonexempt employees scheduled to work more than five (5) hours in a day are given a thirty (30)-minute duty-free unpaid meal period. The meal period must be taken approximately in the middle of the workday but by no later than the end of the fifth hour of work. The team member may waive this meal period if his/her workday will be completed within a total of six (6) hours or less. To waive a meal period, the team member must receive prior written approval from the supervisor and complete a "Meal Period Waiver" form. An employee's supervisor must be aware

of and approve scheduled meal and rest periods. Employees must immediately inform their supervisor if they are prevented from taking their meal and/or rest periods.

If a team member's day exceeds ten (10) hours of work time, the team member is entitled to an additional thirty (30)-minute duty-free meal break. The team member only may waive this second meal period if he/she has taken the required first meal break of at least thirty (30) minutes and his/her workday will not exceed twelve (12) hours. To waive the second meal period, the team member must receive prior written approval from the supervisor and complete a "Second Meal Period Waiver" form.

Nonexempt employees must observe assigned working hours, the time allowed for meal periods, and report any missed meal period on the day's time record and to the team member's supervisor immediately. The meal period must be accurately recorded on the team member's time sheet. Meal periods are unpaid time and team members are free to leave the premises. Meal periods may not be combined with rest periods or used to come in later or leave earlier on a workday.

REST PERIODS (NONEXEMPT EMPLOYEES)

Nonexempt employees are authorized and permitted to take a ten (10)-minute rest period for each four (4) hours of work or major portion thereof. Your supervisor may schedule your rest periods. Do not take more than ten (10) minutes for each rest period. Rest periods should be taken as close to the middle of a work period as possible and cannot be taken in conjunction with a meal period. Rest periods are paid work time; they cannot be waived by the employee in order to shorten the workday or used towards additional time off.

Hours Worked	Number of Rest Periods
3.5 hours to 6 hours	1 10-minute rest period
Over 6 hours to 10 hours	2 10-minute rest periods
Over 10 hours to 14 hours	3 10-minute rest periods

Nonexempt employees must observe assigned working hours, the time allowed for rest periods, and report any missed rest period on the days' time record and to the team member's supervisor immediately. Team members are encouraged to report any concerns regarding meal or rest periods to the Director of Operations.

LACTATION ACCOMMODATION

EBIA accommodates lactating employees by providing a reasonable amount of break time to any employee who desires to express breast milk for an infant child. The break time shall, if possible, run concurrently with any break time already provided to the employee. Any break time provided to express breast milk that does not run concurrently with break time already provided to the nonexempt employee shall be unpaid.

EBIA will make reasonable efforts to provide employees who need a lactation accommodation with the use of a room or other private location that is clean and located close to the employee's work area. Such room/location shall not be a bathroom or contain toxic or hazardous materials, and shall have electricity, a surface to place a breast pump, and a place to sit. Employees shall also be given access to a sink with running water and a refrigerator. Employees with private offices will be required to use their offices to express breast milk. Employees who desire lactation accommodations should contact their supervisor to request accommodations.

PAYROLL WITHHOLDINGS

EBIA is required by law to withhold Federal Income Tax, State Income Tax, Social Security (FICA), State Teachers Retirement Service (STRS for eligible credentialed faculty) and State Disability Insurance from each team member's paycheck as outlined below.

Additionally, if a garnishment, tax levy, or an order to withhold child support payments should be delivered, EBIA must comply with that order within the time allowed by law, and cannot postpone the payroll deduction for any reason. Employees are strongly encouraged to avoid such wage attachments and garnishments. If the School is presented a second garnishment request concerning an employee, the Principal will discuss the situation with the employee. Voluntary deductions, which must be authorized in writing by team members, may include retirement plans, team member portion of insurance premiums, or any other benefit made available to team members.

EBIA prohibits improper deductions from the pay of any team member. If a team member believes an error has been made in his or her pay or deductions EBIA will work in good faith to resolve errors as soon as possible. The team member should notify the Director of Operations of any errors in pay or deductions withheld within seven (7) days from the date paid.

Employees may also have deductions made to their paychecks when a wage overpayment occurs. The School will provide the employee with a written notice which describes the wage overpayment and will afford the employee an opportunity to respond before commencing any recoupment action. If the employee disputes the wage overpayment, the School shall initiate a legal action to validate the overpayment before proceeding with recoupment. The School may require the employee to reimburse an overpayment through a mutually agreeable method, including through cash repayment or a deduction of the employee's payroll check, among other

Team Member Handbook

options. An employee who is separated from employment before full repayment of the overpayment amount shall have any remaining amounts withheld from their final check. The School also reserves the right to exercise any and all other legal means to recover any additional amounts owed. The School shall provide employees with advance written notice of the deduction prior to the pay period where it will go into effect.

Every deduction from the team member's paycheck is explained on the check voucher/paystub. If the team member does not understand the deduction, then he or she should ask the Human Resources contact to explain it. The team member may change the number of withholding allowances he or she wishes to claim for Federal and/or State Income Tax purposes before any pay period by filling out a new W-4 form and submitting it to the Human Resources contact.

BENEFITS

The benefits information in this handbook is only a summary of your benefit plans. Please understand that this general explanation is not intended to, and does not, provide you with all the details of these benefits. Therefore, this Handbook does not change or otherwise interpret the terms of the official Plan documents. If there is any conflict or difference between the information in this Handbook and the Plan documents, the Plan documents will govern. EBIA reserves the right to change or end these benefits at any time and for any reason, consistent with all laws and applicable collective bargaining agreement. If you would like additional information on any of the benefits offered, please contact the Director of Operations.

OVERVIEW OF BENEFITS

EBIA provides a benefits package to its regular team members who are scheduled to work at least thirty (30) hours per week. The benefits package includes medical, dental and vision insurance.

EBIA employees who qualify to receive the EBIA insurance package (that is, regular full-time team members who work at least thirty (30) hours per week) and can provide written proof of alternate health and welfare benefits coverage as required by applicable law shall receive a “cash in lieu of benefits” stipend of \$3,000 annually in exchange for declining EBIA coverage. The employee must decline all three medical benefits—medical, dental, and vision. EBIA believes that providing for a team member’s future is important. All team members performing creditable service (e.g., teachers, counselors, administrators, etc.) as defined by law automatically contribute to the State Teacher’s Retirement System (“STRS”). Operational and Administrative salaried employees who do not qualify for STRS membership will instead be able to contribute to a 403(b) retirement plan with up to a 3% matching contribution from EBIA.

COBRA BENEFITS

When coverage under the School’s medical and/or dental plans ends, employees or their dependents can continue coverage for eighteen (18) or thirty-six (36) months, depending upon the reason benefits ended. To continue coverage, an employee must pay the full cost of coverage - the employee contribution and the School’s previous contribution plus a possible administrative charge.

Medical coverage for an employee, his/her spouse, and eligible dependent children can continue for up to eighteen (18) months if coverage ends because:

Team Member Handbook

- Employment ends, voluntarily or involuntarily, for any reason other than gross misconduct; or
- Hours of employment are reduced below the amount required to be considered a full-time employee or part-time, making an employee ineligible for the plan.

This eighteen (18) month period may be extended an additional eleven (11) months in cases of disability subject to certain requirements. This eighteen (18) month period may also be extended an additional eighteen (18) months if other events (such as a divorce or death) occur subject to certain requirements.

An employee's spouse and eligible dependents can continue their health coverage for up to thirty-six (36) months if coverage ends because:

- The employee dies while covered by the plan;
- The employee and his/her spouse become divorced or legally separated;
- The employee becomes eligible for Medicare coverage, but his/her spouse has not yet reached age sixty-five (65); or
- The employee's dependent child reaches an age which makes him or her ineligible for coverage under the plan.

Rights similar to those described above may apply to retirees, spouses and dependents if the employer commences a bankruptcy proceeding and those individuals lose coverage.

EBIA will notify employees or their dependents if coverage ends due to termination or a reduction in work hours. If an employee becomes eligible for Medicare, divorced or legally separated, dies, or when a dependent child no longer meets the eligibility requirements, the employee or a family member are responsible for notifying the School within thirty (30) days of the event. EBIA will then notify the employee or his/her dependents of the employee's rights.

Health coverage continuation must be elected within sixty (60) days after receiving notice of the end of coverage, or within sixty (60) days after the event causing the loss, whichever is later.

There are certain circumstances under which coverage will end automatically. This happens if:

- Premiums for continued coverage are not paid within thirty (30) days of the due date;
- The employee (or his/her spouse or child) become covered under another group health plan which does not contain any exclusion or limitation with respect to any pre-existing condition the employee (or the employee's spouse or child, as applicable) may have;
- EBIA stops providing group health benefits;
- The employee (or the employee's spouse or child) become entitled to Medicare; or
- The employee has been receiving extended coverage for up to twenty-nine (29) months due to disability and there has been a final determination that the employee is no longer disabled.

ATTENDANCE

Because EBIA depends heavily upon its team members to serve students and schools, it is important that team members attend work as scheduled. Dependability, attendance, punctuality, and a commitment to do the job right are essential at all times. A team member who is unavoidably detained or unable to come to work must notify his/her Supervisor prior to scheduled arrival. Team members are expected to contact their Supervisors each day they are unable to work. Any team member who is absent from work without providing sufficient explanation will be considered as having voluntarily resigned from his/her job. All hourly non-exempt employees must record PTO or Sick Time for every hour of absence during their normally scheduled workday.

SICK DAYS – FULL-TIME CERTIFICATED EMPLOYEES

Certificated team members shall be provided sick leave consistent with the applicable collective bargaining agreement.

PERSONAL TIME OFF FOR FULL-TIME EMPLOYEES

EBIA grants Personal Time Off (“PTO”) to eligible full-time team members only, to provide them with the flexibility to meet both their work and personal needs. The total amount of PTO granted, varies by position. PTO balances can be carried over year to year, with a maximum limit that varies by position. Upon separation of employment, whether voluntary or involuntary, the team member will be paid for any unused PTO at his or her base rate of pay at the time of separation. PTO can be used by eligible team members for any reason (e.g., vacation, illness, medical appointments, personal business), subject to approval by the team member’s Supervisor. A Supervisor may set “blackout dates” during which Personal Time Off would have a disproportionate adverse impact on the organization, and requests for PTO will be denied. In general, blackout periods for time off include two (2) weeks before school starts, the first two (2) weeks of school, the last week of school and State Testing weeks. Team members must record all PTO in Paylocity and receive written approval from his or her Supervisor in advance.

ACCRUAL OF PERSONAL TIME FOR FULL-TIME EMPLOYEES

Eligible team members accrue Personal Time Off every month, based on their regularly scheduled work week and continuous length of service, measured from the date of hire. PTO is accrued by team members at differing rates, according to their job classification. The maximum limit on amount of PTO any team member may accrue and carry over varies by position

Team members do not accrue PTO during leave of absences. Accrual recommences when the team member returns to work.

SICK LEAVE – CLASSIFIED EMPLOYEES

Sick leave is a benefit provided to employees as a cushion for incapacitation due to illness or injury. Sick leave can be used for personal illness, or to care for a child, parent, legal guardian or ward, sibling, grandparent or grandchild, spouse, domestic partner or any other designated person (i.e., a person identified by the employee at the time the employee requests sick leave) who must receive preventative care or a diagnosis, treatment or care for an existing health condition. Employees are limited to one (1) designated person per twelve (12) month period. An employee may also take up to forty (40) hours of their sick leave to receive medical care or other assistance to address qualifying acts of violence, including but not limited to instances of domestic violence, sexual assault, or stalking committed against themselves or a family member.

Employees working at least two (2) hours per week are entitled to accrue one (1) hour of paid sick leave for every thirty (30) hours worked (which includes overtime hours worked by non-exempt employees). New employees shall not be permitted to utilize paid sick leave until they have completed ninety (90) days of employment at EBIA.

Accrued sick time is subject to a cap of two hundred and forty (240) hours. Once the cap is reached, no further sick time will accrue until some sick time is used. When some sick time is used, sick time will begin to accrue again. There is no retroactive grant of sick time for the period of time the accrued sick time was at the cap. Sick leave must be taken by employees in increments of one (1) hour.

Sick leave may only be used for the purposes specified in this policy. Accordingly, EBIA retains the right to request verification from a licensed health care practitioner for any absence due to illness, injury, or disability, especially for absences exceeding five (5) consecutive days. Pay for sick leave may be withheld if a satisfactory verification is not timely received.

Employees are not allowed to draw against unearned/unaccrued sick leave. EBIA does not pay employees upon separation of employment for unused sick leave.

APPROVALS FOR PTO OR SICK DAYS

Team members taking days off must notify their Supervisor as soon as practicable and, in no event, later than one hour before their scheduled starting time. Moreover, team members taking days off must advise their Supervisor of their anticipated return date and the need for work coverage. Finally, team members taking more than five (5) consecutive or ten (10) total sick days off in one year must comply with the medical certification requirements listed in the section on Family and Medical Care Leave. Team members are not permitted to borrow on expected future accrual of Sick Days.

PAID HOLIDAYS

Full Time EBIA team members observe scheduled days off on the school year calendar, as set forth by their Executive Director each year. These days off are considered paid holidays that are accrued during the course of the work year. If unused (i.e. if a teammate works on a scheduled day off) the holiday does not “convert” into Personal Time Off, and does not roll over into subsequent years. For any hourly employee who works on a Holiday they will be paid the Holiday rate (double pay), in lieu of the regular rate.

All Part Time positions are paid for hours worked only, according to timesheets, as established in advance by school year and school day calendar with the approval of the site Executive Director. Part time team members do not receive paid days off for holidays.

Team members are only eligible for holiday pay on those holidays which fall within their normal work schedule as designated by the school calendar. Team members who are uncertain about which days off are considered paid holidays should check with their Supervisors for a calendar.

Unless otherwise provided in this policy, all full-time team members will receive time off with pay at their normal base rate for each EBIA-observed holiday. Team members on a leave of absence are ineligible for holiday benefits that accrue while on leave.

Paid holidays that occur during an eligible team member’s Personal Time Off will not be counted as PTO taken.

LEAVES OF ABSENCE

Team members may take a temporary disability leave of absence if necessary to reasonably accommodate a workplace injury or a qualified disability under the Americans with Disabilities Act or the Fair Employment and Housing Act. Before granting such a leave, EBIA may require a written certification from a health care provider certifying the need for the leave (this form available from the Director of Operations). Such a leave will be for a period of time consistent with applicable law, but in no event shall extend past the date on which the team member becomes capable of performing the essential functions of his or her position, with or without reasonable accommodation.

Other than compensation from outside sources, e.g., disability insurance, a leave under this section will be unpaid.

There are frequent changes in the legislation governing leaves of absence, making them considerably (and understandably!) confusing. Any team member who may need to, want to or is considering taking a leave of absence should contact the Director of Operations, or speak to his/her Supervisor.

FAMILY CARE AND MEDICAL LEAVE

This policy explains how the School complies with the federal Family and Medical Leave Act (“FMLA”) and the California Family Rights Act (“CFRA”), both of which require the School to permit each eligible employee to take up to twelve (12) workweeks (or twenty-six (26) workweeks where indicated) of FMLA/CFRA leave in any twelve (12) month period for the purposes enumerated below.

- Employee Eligibility Criteria

To be eligible for FMLA/CFRA leave, the employee must have been employed by the School for a total of at least twelve (12) months, worked at least 1,250 hours during the twelve (12) month period immediately preceding commencement of the leave and work at a location where the School has at least fifty (50) employees within seventy-five (75) miles (except for purposes of CFRA where the School must only have at least five (5) employees).

- Events That May Entitle an Employee To FMLA/CFRA Leave

The twelve (12) week (or twenty-six (26) workweeks where indicated) FMLA/CFRA allowance includes any time taken (with or without pay) for any of the following reasons:

1. To care for the employee’s newborn child or a child placed with the employee for adoption or foster care. Leaves for this purpose must conclude twelve (12) months after the birth, adoption, or placement. If both parents are employed by the School, they each will be entitled to a separate twelve (12) weeks of leave for this purpose, which cannot be loaned or otherwise assigned from one employee to the other.
2. Because of the employee’s own serious health condition (including a serious health condition resulting from an on-the-job illness or injury) that makes the employee unable to perform any one or more of the essential functions of his or her job (other than a disability caused by pregnancy, childbirth, or related medical conditions, which is covered by the School’s separate pregnancy disability policy).
 - a. A “serious health condition” is an illness, injury (including, but not limited to, on-the-job injuries), impairment, or physical or mental condition of the employee or a child, parent, or spouse of the employee that involves either inpatient care or continuing treatment, including, but not limited to, treatment for substance abuse.

- b. “Inpatient care” means a stay in a hospital, hospice, or residential health care facility, any subsequent treatment in connection with such inpatient care, or any period of incapacity. A person is considered an “inpatient” when a health care facility formally admits him/her to the facility with the expectation that he/she will remain at least overnight and occupy a bed, even if it later develops that such person can be discharged or transferred to another facility and does not actually remain overnight.
 - c. “Incapacity” means the inability to work, attend school, or perform other regular daily activities due to a serious health condition, its treatment, or the recovery that it requires.
 - d. “Continuing treatment” means ongoing medical treatment or supervision by a health care provider.
- 3. To care for a spouse, domestic partner, child, or parent with a serious health condition. A qualifying family member may also include a parent-in-law, grandparent, grandchild, sibling, or designated person for CFRA purposes. “Designated person” refers to any individual related by blood or whose association with the employee is the equivalent to a family relationship. Employees are limited to one (1) designated person per twelve (12) month period.
- 4. When an employee is providing care to a spouse, son, daughter, parent, or next of kin who is a covered Armed Forces service member with a serious injury or illness, the employee may take a maximum of twenty-six (26) weeks of additional FMLA leave in a single twelve (12) month period to provide said care. CFRA does not provide leave specific to caring for a service member.
- 5. For any “qualifying exigency” because the employee is the spouse, son, daughter, or parent of an individual on active military duty, or an individual notified of an impending call or order to active duty, in the Armed Forces. For CFRA purposes, this may also include a domestic partner.
- Amount of FMLA/CFRA Leave Which May Be Taken
 - 1. FMLA/CFRA leave can be taken in one (1) or more periods, but may not exceed twelve (12) workweeks total for any purpose in any twelve (12) month period, as described below, for any one, or combination of the above-described situations. “Twelve workweeks” means the equivalent of twelve (12) of the employee’s normally scheduled workweeks. For a full-time employee who works five (5) eight-hour days per week, “twelve workweeks” means sixty (60) working and/or paid eight (8) hour days.

Team Member Handbook

2. In addition to the twelve (12) workweeks of FMLA/CFRA leave that may be taken, an employee who is the spouse, son, daughter, parent, or next of kin of a covered Armed Forces service member may also be entitled to a total of twenty-six (26) workweeks of FMLA leave during a twelve (12) month period to care for the servicemember.
 3. The “twelve month period” in which twelve (12) weeks of FMLA and CFRA leave may be taken is the twelve (12) month period immediately preceding the commencement of any FMLA/CFRA leave.
 4. If a holiday falls within a week taken as FMLA/CFRA leave, the week is nevertheless counted as a week of FMLA/CFRA leave. If, however, the School’s business activity has temporarily ceased for some reason and employees are generally not expected to report for work for one or more weeks, such as the Winter Break, Spring Break, or Summer Vacation, the days the School’s activities have ceased do not count against the employee’s FMLA or CFRA leave entitlement. Similarly, if an employee uses FMLA/CFRA leave in increments of less than one (1) week, the fact that a holiday may occur within a week in which an employee partially takes leave does not count against the employee’s leave entitlement unless the employee was otherwise scheduled and expected to work during the holiday.
- Pay during FMLA/CFRA Leave
 1. An employee on FMLA/CFRA leave because of his/her own serious health condition must use all accrued paid sick leave at the beginning of any otherwise unpaid FMLA/CFRA leave period. If an employee is receiving a partial wage replacement benefit during the FMLA/CFRA leave, the School and the employee may agree to have School-provided paid leave, such as vacation or sick time, supplement the partial wage replacement benefit unless otherwise prohibited by law.
 2. An employee on FMLA/CFRA leave for baby-bonding or to care for a qualifying family member with a serious health condition may use any or all accrued sick leave at the beginning of any otherwise unpaid FMLA/CFRA leave.
 3. If an employee has exhausted his/her sick leave, leave taken under FMLA or CFRA shall be unpaid leave.
 4. The receipt of sick leave pay or State Disability Insurance and/or Paid Family Leave benefits will not extend the length of the FMLA or CFRA leave. Sick pay accrues during any period of unpaid FMLA or CFRA leave only until the end of the month in which unpaid leave began.
 - Health Benefits

The provisions of the School's various employee benefit plans govern continuing eligibility during FMLA/CFRA leave, and these provisions may change from time to time. The health benefits of employees on FMLA/CFRA leave will be paid by the School during the leave at the same level and under the same conditions as coverage would have been provided if the employee had been continuously employed during the leave period. When a request for FMLA/CFRA leave is granted, the School will give the employee written confirmation of the arrangements made for the payment of insurance premiums during the leave period.

If an employee is required to pay premiums for any part of his/her group health coverage, the School will provide the employee with advance written notice of the terms and conditions under which premium payments must be made.

EBIA may recover the health benefit costs paid on behalf of an employee during his/her FMLA/CFRA leave if:

1. The employee fails to return from leave after the period of leave to which the employee is entitled has expired. An employee is deemed to have "failed to return from leave" if he/she works less than thirty (30) days after returning from FMLA/CFRA leave; and
2. The employee's failure to return from leave is for a reason other than the continuation, recurrence, or onset of a serious health condition that entitles the employee to FMLA/CFRA leave, or other circumstances beyond the control of the employee.

- Seniority

An employee on FMLA/CFRA leave remains an employee and the leave will not constitute a break in service. An employee who returns from FMLA/CFRA leave will return with the same seniority he/she had when the leave commenced.

- Medical Certifications

1. An employee requesting FMLA/CFRA leave because of his/her own or a relative's serious health condition must provide medical certification from the appropriate health care provider on a form supplied by the School. Absent extenuating circumstances, failure to provide the required certification in a timely manner (within fifteen (15) days of the School's request for certification) may result in denial of the leave request until such certification is provided.
2. The School will notify the employee in writing if the certification is incomplete or insufficient, and will advise the employee what additional information is necessary in

order to make the certification complete and sufficient. The School may contact the employee's health care provider to authenticate a certification as needed.

3. If the School has reason to doubt the medical certification supporting a leave because of the employee's own serious health condition, the School may request a second opinion by a health care provider of its choice (paid for by the School). If the second opinion differs from the first one, the School will pay for a third, mutually agreeable, health care provider to provide a final and binding opinion.
 4. Recertifications are required if leave is sought after expiration of the time estimated by the health care provider. Failure to submit required recertifications can result in termination of the leave.
- Procedures for Requesting and Scheduling FMLA/CFRA Leave
 1. An employee should request FMLA/CFRA leave by completing a Request for Leave form and submitting it to the Director of Operations. An employee asking for a Request for Leave form will be given a copy of the School's then-current FMLA/CFRA leave policy.
 2. Employees should provide not less than thirty (30) days' notice for foreseeable childbirth, placement, or any planned medical treatment for the employee or his/her qualifying family member. Failure to provide such notice is grounds for denial of a leave request, except if the need for FMLA/CFRA leave was an emergency or was otherwise unforeseeable.
 3. Where possible, employees must make a reasonable effort to schedule foreseeable planned medical treatments so as not to unduly disrupt the School's operations.
 4. If FMLA/CFRA leave is taken because of the employee's own serious health condition or the serious health condition of the employee's qualifying family member, the leave may be taken intermittently or on a reduced leave schedule when medically necessary, as determined by the health care provider of the person with the serious health condition.
 5. If FMLA/CFRA leave is taken because of the birth of the employee's child or the placement of a child with the employee for adoption or foster care, the minimum duration of leave is two (2) weeks, except that the School will grant a request for FMLA/CFRA leave for this purpose of at least one day but less than two (2) weeks' duration on any two (2) occasions.
 6. If an employee needs intermittent leave or leave on a reduced leave schedule that is foreseeable based on planned medical treatment for the employee or a family

member, the employee may be transferred temporarily to an available alternative position for which he or she is qualified that has equivalent pay and benefits and that better accommodates recurring periods of leave than the employee's regular position.

7. The School will respond to an FMLA/CFRA leave request no later than five (5) business days of receiving the request. If an FMLA/CFRA leave request is granted, the School will notify the employee in writing that the leave will be counted against the employee's FMLA/CFRA leave entitlement. This notice will explain the employee's obligations and the consequences of failing to satisfy them.

- Return to Work

1. Upon timely return at the expiration of the FMLA/CFRA leave period, an employee is entitled to the same or a comparable position with the same or similar duties and virtually identical pay, benefits, and other terms and conditions of employment unless the same position and any comparable position(s) have ceased to exist because of legitimate business reasons unrelated to the employee's FMLA/CFRA leave.
2. When a request for FMLA/CFRA leave is granted to an employee, the School will give the employee a written guarantee of reinstatement at the termination of the leave (with the limitations explained above).
3. Before an employee will be permitted to return from FMLA/CFRA leave taken because of his/her own serious health condition, the employee must obtain a certification from his/her health care provider that he/she is able to resume work.
4. If an employee can return to work with limitations, the School will evaluate those limitations and, if possible, will accommodate the employee as required by law. If accommodation cannot be made, the employee will be medically separated from the School.

- Employment during Leave

No employee, including employees on FMLA/CFRA leave, may accept employment with any other employer without the School's written permission. An employee who accepts such employment without the School's written permission will be deemed to have resigned from employment at the School.

PREGNANCY DISABILITY LEAVE

This policy explains how the School complies with the California Pregnancy Disability Act, which requires the School to give each female employee an unpaid leave of absence of up to four (4)

months per pregnancy, as needed, for the period(s) of time a woman is actually disabled by pregnancy, childbirth, or related medical conditions.

- Employee Eligibility Criteria

To be eligible for pregnancy disability leave, the employee must be disabled by pregnancy, childbirth, or a related medical condition and must provide appropriate medical certification concerning the disability.

- Events That May Entitle an Employee to Pregnancy Disability Leave

The four (4) -month pregnancy disability leave allowance includes any time taken (with or without pay) for any of the following reasons:

1. The employee is unable to work at all or is unable to perform any one or more of the essential functions of her job without undue risk to herself, the successful completion of her pregnancy, or to other persons because of pregnancy or childbirth, or because of any medically recognized physical or mental condition that is related to pregnancy or childbirth (including severe morning sickness); or
2. The employee needs to take time off for prenatal care.

- Duration of Pregnancy Disability Leave

Pregnancy disability leave may be taken in one or more periods, but not to exceed four months total. "Four months" means the number of days the employee would normally work within four months. For a full-time employee who works five (5) eight (8) hour days per week, four (4) months means 693 hours of leave (40 hours per week times 17 1/3 weeks).

For employees who work more or less than forty (40) hours per week, or who work on variable work schedules, the number of working days that constitutes four (4) months is calculated on a pro rata or proportional basis. For example, for an employee who works twenty (20) hours per week, "four months" means 346.5 hours of leave entitlement (20 hours per week times 17 1/3 weeks). For an employee who normally works forty-eight (48) hours per week, "four months" means 832 hours of leave entitlement (48 hours per week times 17 1/3 weeks).

At the end or depletion of an employee's pregnancy disability leave, an employee who has a physical or mental disability (which may or may not be due to pregnancy, childbirth, or related medical conditions) may be entitled to reasonable accommodation. Entitlement to additional leave must be determined on a case-by case basis, taking into account a number of considerations such as whether an extended leave is likely to be effective in

allowing the employee to return to work at the end of the leave, with or without further reasonable accommodation, and whether or not additional leave would create an undue hardship for the School. The School is not required to provide an indefinite leave of absence as a reasonable accommodation.

- Pay during Pregnancy Disability Leave

1. An employee on pregnancy disability leave must use all accrued paid sick leave and may use any or all accrued vacation time at the beginning of any otherwise unpaid leave period. If an employee is receiving a partial wage replacement benefit during the leave, the School and the employee may agree to have School-provided paid leave, such as vacation or sick time, supplement the partial wage replacement benefit unless otherwise prohibited by law.
2. The receipt of vacation pay, sick leave pay, or state disability insurance benefits, will not extend the length of pregnancy disability leave.
3. Vacation and sick pay accrues during any period of unpaid pregnancy disability leave only until the end of the month in which the unpaid leave began.

- Health Benefits

EBIA shall provide continued health insurance coverage while an employee is on pregnancy disability leave consistent with applicable law. The continuation of health benefits is for a maximum of four (4) months in a twelve (12) -month period. EBIA can recover premiums that it already paid on behalf of an employee if both of the following conditions are met:

1. The employee fails to return from leave after the designated leave period expires.
2. The employee's failure to return from leave is for a reason other than the following:
 - The employee is taking leave under the California Family Rights Act.
 - There is a continuation, recurrence or onset of a health condition that entitles the employee to pregnancy disability leave.
 - There is a non-pregnancy related medical condition requiring further leave.
 - Any other circumstance beyond the control of the employee.

- Seniority

An employee on pregnancy disability leave remains an employee of the School and a leave will not constitute a break in service. When an employee returns from pregnancy disability leave, she will return with the same seniority she had when the leave commenced.

- Medical Certifications

1. An employee requesting a pregnancy disability leave must provide medical certification from her healthcare provider on a form supplied by the School. Failure to provide the required certification in a timely manner (within fifteen (15) days of the leave request) may result in a denial of the leave request until such certification is provided.
2. Recertifications are required if leave is sought after expiration of the time estimated by the healthcare provider. Failure to submit required recertifications can result in termination of the leave.

- Requesting and Scheduling Pregnancy Disability Leave

1. An employee should request pregnancy disability leave by completing a Request for Leave form and submitting it to the Director of Operations. An employee asking for a Request for Leave form will be referred to the School's then current pregnancy disability leave policy.
2. Employee should provide not less than thirty (30) days' notice or as soon as is practicable, if the need for the leave is foreseeable. Failure to provide such notice is grounds for denial of the leave request, except if the need for pregnancy disability leave was an emergency and was otherwise unforeseeable.
3. Where possible, employees must make a reasonable effort to schedule foreseeable planned medical treatments so as not to unduly disrupt the School's operations.
4. Pregnancy disability leave may be taken intermittently or on a reduced leave schedule when medically advisable, as determined by the employee's healthcare provider.
5. If an employee needs intermittent leave or leave on a reduced leave schedule that is foreseeable based on planned medical treatment, the employee may be transferred temporarily to an available alternative position for which he or she is qualified that has equivalent pay and benefits that better accommodates recurring periods of leave than the employee's regular position.
6. The School will respond to a pregnancy disability leave request within ten (10) days of receiving the request. If a pregnancy disability leave request is granted, the School will

notify the employee in writing and leave will be counted against the employee's pregnancy disability leave entitlement. This notice will explain the employee's obligations and the consequences of failing to satisfy them.

- Return to Work

1. Upon timely return at the expiration of the pregnancy disability leave period, an employee is entitled to the same position unless the employee would not otherwise have been employed in the same position at the time reinstatement is requested. If the employee is not reinstated to the same position, she must be reinstated to a comparable position unless one of the following is applicable:
 - a. The employer would not have offered a comparable position to the employee if she would have been continuously at work during the pregnancy disability leave.
 - b. There is no comparable position available, to which the employee is either qualified or entitled, on the employee's scheduled date of reinstatement or within sixty (60) calendar days thereafter. The School will take reasonable steps to provide notice to the employee if and when comparable positions become available during the sixty (60) day period.

A "comparable" position is a position that involves the same or similar duties and responsibilities and is virtually identical to the employee's original position in terms of pay, benefits, and working conditions.

2. When a request for pregnancy disability leave is granted to an employee, the School will give the employee a written guarantee of reinstatement at the end of the leave (with the limitations explained above).
3. In accordance with EBIA policy, before an employee will be permitted to return from a pregnancy disability leave of three (3) days or more, the employee must obtain a certification from her healthcare provider that she is able to resume work.
4. If the employee can return to work with limitations, the School will evaluate those limitations and, if possible, will accommodate the employee as required by law. If accommodation cannot be made, the employee will be medically separated from the School.

- Employment during Leave

No employee, including employees on pregnancy disability leave, may accept employment with any other employer without the School's written permission. An employee who accepts such employment without written permission will be deemed to have resigned from employment.

PAID FAMILY LEAVE

The State of California offers a Paid Family Leave (“PFL”) plan, which covers all team members who are covered by State Disability Insurance. PFL pays some compensation to employees who need time off from work to care for a seriously ill child, parent, parent-in-law, grandparent, grandchild, sibling, spouse, or registered domestic partner, to bond with a new child or to participate in a qualifying exigency related to the covered active duty or call to covered active duty of the individual’s spouse, domestic partner, child, or parent in the Armed Forces of the United States. PFL offers up to eight (8) weeks of wage replacement benefits in a twelve (12) month period. There is no minimum eligibility requirement for time worked under this plan. Finally, while PFL provides benefits, it does not provide job protection or return rights.

If an employee is receiving a partial wage replacement benefit during the PFL leave, the School and the employee may agree to have School-provided paid leave, such as vacation or sick time, supplement the partial wage replacement benefit unless otherwise prohibited by law.

VICTIMS OF ABUSE LEAVE

EBIA provides reasonable and necessary unpaid leave and other reasonable accommodations to employees who are victims of domestic violence, sexual assault, stalking or other crimes. Such leave may be taken to attend legal proceedings or to obtain or attempt to obtain any relief necessary, including a restraining order, to ensure the employee’s own health, safety or welfare, that of the employee’s child or children or when a person whose immediate family member is deceased as the direct result of a crime. A crime includes a crime or public offense that would constitute a misdemeanor or felony if the crime had been committed in California by a competent adult, an act of terrorism against a resident of California (whether or not such act occurs within the state), and regardless of whether any person is arrested for, prosecuted for, or convicted of, committing the crime. Employees may also request unpaid leave for the following purposes:

- Seek medical attention for injuries caused by domestic violence, sexual assault, or stalking.
- Obtain services from a domestic violence shelter, program, or rape crisis center.
- Obtain psychological counseling for the domestic violence, sexual assault, or stalking.
- Participate in safety planning, such as relocation, to protect against future domestic violence, sexual assault, or stalking.

To request leave under this policy, an employee should provide EBIA with as much advance notice as practicable under the circumstances. If advance notice is not possible, the employee requesting leave under this policy should provide EBIA one (1) of the following certifications upon returning back to work:

1. A police report indicating that the employee was a victim of domestic violence, sexual assault, or stalking.
2. A court order protecting the employee from the perpetrator or other evidence from the court or prosecuting attorney that the employee appeared in court.
3. Documentation from a licensed medical professional, domestic violence or sexual assault counselor, licensed health care provider, or counselor showing that the employee's absence was due to treatment for injuries or abuse from domestic violence, sexual assault, or stalking.
4. Any other form of documentation that reasonably verifies that the crime or abuse occurred, including but not limited to, a written statement signed by the employee, or an individual acting on the employee's behalf, certifying that the absence is for a purpose authorized under the law.

Employees requesting leave under this policy may choose to use accrued paid leave. In addition, EBIA will provide reasonable accommodations to employees who are victims of domestic violence, sexual assault or stalking for the employees' safety while at work. To request an accommodation under this policy, an employee should contact the Director of Operations.

EBIA recognizes that special situations may arise where an employee must leave his or her job temporarily. At its discretion, the School may grant employees leaves of absence. Any unpaid leave of absence must be approved in advance by the School.

The granting of a leave of absence always presumes the employee will return to active work by a designated date or within a specific period.

During a Family and Medical Leave Act, California Family Rights Act leave, and/or Pregnancy Disability Leave, the employee's medical and dental benefits will remain in force, provided the employee pays the appropriate premiums. Otherwise, benefits are terminated the month any other type of leave begins. If an employee fails to return from a leave and is subsequently terminated, the employee is entitled to all earned but unused vacation pay, provided that the vacation pay was earned prior to the commencement of leave. No vacation time is accrued during any type of unpaid leave of absence.

VICTIMS LEAVE FOR JUDICIAL PROCEEDING RELATED TO A CRIME

A team member who is himself or herself a victim, or who is a family member or registered domestic partner of a victim of a violent felony may take time off from work under the following circumstances:

- The crime must be violent felony, serious felony, felony theft or felony embezzlement, as defined by law; and
- The team member must be the victim of a crime, or must be an immediate family member of a victim, a registered domestic partner of a victim, or the child of a registered domestic partner of a victim.
- An immediate family member is defined as: a spouse, child, stepchild, brother, stepbrother, sister, stepsister, mother, stepmother, father or stepfather.
- A registered domestic partner means a domestic partner who is registered in accordance with California state law.
- The absence from work must be in order to attend judicial proceedings related to a crime listed above.

Prior to taking leave to attend such judicial proceedings, all employees must provide EBIA with a copy of notices for each scheduled proceeding, provided to the employee by the relevant governmental agency. Such documentation can be from the following sources”

- The court or government agency setting the hearing.
- The district attorney or prosecuting attorney’s office.
- The victim/witness office that is advocating on behalf of the victim.

Any absence from work to attend judicial proceedings will be unpaid, unless the team member chooses to use accrued and unused sick time, vacation time or PTO.

MILITARY AND MILITARY SPOUSAL LEAVE OF ABSENCE

EBIA shall grant a military leave of absence to any employee who must be absent from work due to service in the uniformed services in accordance with the Uniformed Services Employment and Re-Employment Rights Act of 1994 (“USERRA”). All employees requesting military leave must provide advance written notice of the need for such leave, unless prevented from doing so by military necessity or if providing notice would be impossible or unreasonable.

If military leave is for thirty (30) or fewer days, the School shall continue the employee’s health benefits. For service of more than thirty (30) days, employee shall be permitted to continue their health benefits at their option through COBRA. Employees are entitled to use accrued vacation or paid time off as wage replacement during time served, provided such vacation/paid time off accrued prior to the leave.

Except for employees serving in the National Guard, EBIA will reinstate those employees returning from military leave to their same position or one of comparable seniority, status, and pay if they have a certificate of satisfactory completion of service and apply within ninety (90) days after release from active duty or within such extended period, if any, as required by law.

For those employees serving in the National Guard, if he or she left a full-time position, the employee must apply for reemployment within forty (40) days of being released from active duty, and if he or she left part-time employment, the employee must apply for reemployment within five (5) days of being released from active duty.

An employee who was absent from work while fulfilling his or her covered service obligation under the USERRA or California law shall be credited, upon his or her return to the School, with the hours of service that would have been performed but for the period of absence from work due to or necessitated by USERRA-covered service. Exceptions to this policy will occur wherever necessary to comply with applicable laws.

EBIA shall grant up to ten (10) days of unpaid leave to employees who work more than twenty (20) hours per week and who are spouses of deployed military servicemen and servicewomen. The leave may be taken when the military spouse is on leave from deployment during a time of military conflict. To be eligible for leave, an employee must provide the School with (1) notice of intention to take military spousal leave within two (2) business days of receiving official notice that the employee's military spouse will be on leave from deployment, and (2) documentation certifying that the employee's military spouse will be on leave from deployment during the time that the employee requests leave.

TIME OFF TO VOTE

The School will allow any nonexempt employee who is a registered voter and does not have enough time outside of working hours to vote in a statewide election up to two (2) hours of work time without loss of pay to vote. The request must be made at least two (2) working days in advance. The time must be at the beginning or end of the team member's regular shift, whichever allows the most free time for voting and the least time off from work unless the School and the team member agree otherwise. The team member may be required to prove he or she is a registered voter.

A team member may also serve as an election official on Election Day without being disciplined, however the School will not pay the team member for this time off. Vacation or personal hours which have accrued but not been used may be paid to the team member for this time off.

SCHOOL APPEARANCE AND ACTIVITIES LEAVE

As required by law, EBIA will permit an employee who is a parent or guardian (including a stepparent, foster parent, or grandparent) of school children, from kindergarten through grade twelve (12), or a child enrolled with a licensed child care provider, up to forty (40) hours of unpaid time off per school year (up to eight (8) hours in any calendar month of the school year) to participate in activities of a child's school or child care. If more than one (1) parent or guardian is an employee of EBIA, the employee that first provides the leave request will be given the

requested time off. Where necessary, additional time off will also be permitted where the school requires the employee(s) appearance.

The employee requesting school leave must provide reasonable advanced notice of the planned absence. The employee must use accrued but unused paid leave (e.g., vacation or sick leave) to be paid during the absence.

When requesting time off for school activities, the employee must provide verification of participation in an activity as soon as practicable. When requesting time off for a required appearance, the employee(s) must provide a copy of the notice from the child's school requesting the presence of the employee.

ORGAN DONOR/BONE MARROW DONOR LEAVE

As required by law, eligible employees who require time off to donate bone marrow to another person may receive up to five (5) workdays off in a 12-month period. Eligible employees who require time off to donate an organ to another person may receive up to sixty (60) workdays off in a twelve (12) month period.

To be eligible for bone marrow or organ donation leave ("Donor Leave"), the employee must have been employed by the School for at least ninety (90) days immediately preceding the Donor Leave.

An employee requesting Donor Leave must provide written verification to the School that he or she is a donor and that there is a medical necessity for the donation of the organ or bone marrow.

Up to five (5) days of leave for bone marrow donation, and up to thirty (30) days of leave for organ donation, may be paid provided the employee uses five (5) days of accrued paid leave for bone marrow donation and two (2) weeks of accrued paid leave for organ donation. If the employee has an insufficient number of paid leave days available, the leave will otherwise be paid.

Employees returning from Donor Leave will be reinstated to the position held before the leave began, or to a position with equivalent status, benefits, pay and other terms and conditions of employment. The School may refuse to reinstate an employee if the reason is unrelated to taking a Donor Leave. A Donor Leave is not permitted to be taken concurrently with an FMLA/CFRA Leave.

VOLUNTEER CIVIL SERVICE LEAVE

You are allowed to be absent from work to engage in volunteer emergency duty as a volunteer firefighter or emergency rescue personnel. This is an unpaid leave but the team member may use any earned sick, vacation and/or PTO.

BEREAVEMENT LEAVE

All employees who have worked for the School for at least thirty (30) days shall be eligible to take up to five (5) days of bereavement leave due to the death of a covered family member (spouse, child, parent, sibling, grandparent, grandchild, domestic partner, or parent-in-law), three (3) of which shall be paid. Full pay for the five (5) days shall be provided if the funeral is more than five hundred (500) miles from the employees' home. For all other employees, bereavement leave shall be unpaid unless an employee elects to use available accrued/unused paid leave. Bereavement leave must be utilized within three (3) months of the covered family member's date of death. Bereavement pay will not be used in computing overtime pay. Upon request, an employee may be required to provide documentation of the death of a covered family member.

REPRODUCTIVE LOSS LEAVE

All employees who have worked for the School for at least thirty (30) days shall be eligible to take up to five (5) days of leave upon the employee experiencing a reproductive loss event. A reproductive loss event includes any failed adoption, failed surrogacy, miscarriage, stillbirth, or unsuccessful assisted reproduction. Reproductive loss leave must be used within three (3) months of a reproductive loss event. Employees may take up to twenty (20) days of leave due to qualifying reproductive loss events within a twelve (12) month period. Reproductive loss leave shall be unpaid unless the employee elects to use available accrued/unused paid leave. Reproductive loss leave shall not be used in computing overtime pay.

JURY DUTY

A leave of absence for jury duty will be granted to any team member who has been notified to serve. For all exempt employees, the School will pay for time off if an employee is called to serve on a jury provided the employee continues to work duties as assigned. For all nonexempt employees, for the first ten (10) days of this leave, EBIA will compensate employee's payment of an amount equal to their regular rate of pay. EBIA does not provide jury duty pay to nonexempt employees after the first ten (10) days of service.

A team member on jury duty is expected to report to work any day s/he is excused from jury duty. A team member summoned for jury duty should notify his/her Supervisor immediately and provide a copy of the jury notice and a copy of the jury duty payment stub (once payment has been received).

SAFETY AND SECURITY

EBIA is committed to providing a safe environment for both its team members and the pupils who attend our schools. EBIA has numerous safety procedures in place, including sign-in procedures requiring visitors to sign in and out at the schools. In addition, all team members and volunteers are required to submit to and to pass fingerprint clearances and TB testing.

SAFE WORKPLACE

EBIA recognizes that workplace violence is a growing concern at schools and offices across the country. EBIA is, therefore, committed to providing a safe, violence-free workplace and school environment. In this regard, EBIA strictly prohibits team members, students, parents, consultants, customers, visitors, or anyone else on EBIA premises or engaging in an EBIA-related activity from behaving in a violent or threatening manner. Moreover, as part of this policy, EBIA seeks to prevent workplace violence before it begins and reserves the right to deal with behavior that suggests a propensity towards violence even prior to any violent behavior

In addition, it is the policy of EBIA to prohibit smoking and vaping on all School premises and at off-campus School-sponsored events. Additionally, smoking is prohibited within 250 feet of any facility or park where a School sports event is taking place.

DRUG- AND ALCOHOL-FREE WORKPLACE

EBIA strictly maintains a workplace that is free of drugs and alcohol and discourages drug and alcohol abuse by its team members and students. EBIA has a vital interest in maintaining safe and efficient working conditions and school environments for its team members and students. Substance abuse is incompatible with health, safety, efficiency, and success at EBIA.

The following are strictly prohibited by EBIA:

- Possession of alcohol or any illegal drug, intoxicant, or controlled substance while on the job or while on EBIA-owned or occupied premises.
- Use or being under the influence of alcohol or an illegal drug, intoxicant, or controlled substance while on the job or while on EBIA-owned or occupied premises.
- Driving a vehicle on EBIA business while under the influence of alcohol or an illegal drug, intoxicant, or controlled substance;
- Distributing, selling, manufacturing, or purchasing – or attempting to distribute, sell, manufacture, or purchase – an illegal drug, intoxicant, or controlled substance during working hours or while on EBIA-owned or occupied premises.

This policy does not prohibit an employee's use of cannabis off the job and away from the workplace.

Failure to abide by this policy will result in disciplinary action up to and including immediate termination.

INSPECTIONS, AND SEARCHES ON EBIA PREMISES

EBIA believes that maintaining a workplace that is free of harmful materials is vital to the health and safety of its team members and students. These harmful materials include firearms, knives or other weapons; explosives and/or hazardous materials or articles; illegal drugs or other controlled substances; drug-related paraphernalia; alcoholic beverages; and/or unauthorized possession or use of EBIA property or proprietary and confidential information that a team member is not authorized to have in his or her possession. In addition, EBIA intends to assure its access at all times to EBIA premises and EBIA property, equipment, information, records, documents, and files. Accordingly, EBIA has established this policy concerning inspections and searches, and it applies to all EBIA team members.

In order to assure access at all times to EBIA property, EBIA reserves the right to conduct a routine inspection or search at any time for EBIA property on EBIA premises. Routine searches or inspections for EBIA property may include a team member's office, desk, file cabinet, closet, computer files, voicemail, electronic mail or similar places where team members may store EBIA property or EBIA-related information, whether or not the places are locked or protected by access codes and/or passwords. Inspections or searches for prohibited materials also may include a team member's pockets, purse, briefcase, lunch box, or other item of personal property that is being worn or carried by the team member while on EBIA premises. Because even a routine search for EBIA property might result in the discovery of a team member's personal possessions, all team members are encouraged to refrain from bringing into the workplace any item of personal property that they do not wish to be subject to inspection by EBIA. In addition, EBIA always reserves the right to conduct inspections and searches based on reasonable suspicion. Further information on this policy is available from EBIA's Legal Counsel.

Team members who are found to be in possession of prohibited materials in violation of this policy or in violation of other EBIA policies contained in this Handbook, will be subject to discipline, up to and including termination, regardless of EBIA's reason for conducting the search or inspection.

TRANSITIONS

EBIA is a unique and special place to work, and one in which many team members may choose to make their careers. For a variety of professional and personal reasons, team members may make a transition – either within the organization or elsewhere. EBIA strives to make all transitions as positive as possible.

CHANGES OF STATUS

Status changes can be work related, such as:

- Position changes
- Compensation/pay changes

They can also be personal changes, such as:

- Address/phone/name changes
- Emergency contact information changes

All changes need to be recorded in Paylocity or emailed to the Director of Operations.

PROMOTIONS

EBIA is committed to supporting career development for its team members, and thus actively promotes team members within the organization. All position changes are recorded as a status change (see above) and placed in the team member's personnel file.

REFERENCES

EBIA team members may receive requests to provide references for former team members, whether they were direct reports or colleagues. EBIA's policies with regard to references for former team members are designed to protect both the organization and the individual Supervisor or colleague from liability.

- *Written recommendation letters:* Because written recommendation letters are conventional in public education, it is at the discretion of the Executive Director, Supervisor or colleague to agree to write an honest letter of recommendation for a departing teammate. Executive Director, Supervisors and teammates who choose to write letters of recommendation should provide the Director of Operations with a copy for the team member's file.

- *Verbal references:* Only the Executive Director and direct Managers are permitted to provide verbal references to prospective employers of former team members.
- *Information verification:* Any EBIA current team member who receives a request for reference or information about a former team member and is not the Executive Director or the former employee's direct Manager should simply refer the prospective employer to the Director of Operations. In this case, EBIA's policy is for the Director of Operations to verify only a team member's dates of employment, position(s) held and eligibility for rehire.

RESIGNATIONS

When a team member decides to leave for any reason, his/her Supervisor may use the opportunity to discuss the resignation in order to better understand the reason for departure. In addition, it is requested that the team member provide EBIA with a written two (2) week advance notice period.

TERMINATIONS

A team member may be terminated involuntarily for reasons that may include poor performance, misconduct, or other violations of EBIA's rules of conduct. Notwithstanding these lists of rules, EBIA reserves the right to discharge or demote any team member for any reason with or without cause and with or without prior notice.

EXIT INTERVIEWS

As a general practice, EBIA may conduct an exit interview. The purpose of the exit interview is to talk about the reason for leaving and for getting suggestions which will make EBIA a better place to work. If a team member has not already received their final paycheck or information about their benefits/continuation coverage, these will be provided as well. Prior to a team member's exit interview, all EBIA property must be returned.

Finally, nothing in this policy is intended to alter the at-will status of employment with EBIA. Either a team member or EBIA may terminate the employment relationship at any time with or without cause and with or without prior notice. EBIA reserves the right to terminate any employment relationship, to demote, or to otherwise discipline any team member without resort to the above disciplinary procedures.

IN CLOSING

Many of EBIA's policies and team member benefits have been treated only briefly in this Handbook. If you have any questions or want more information, your Supervisor or the Director of Operations will be glad to answer your questions, help with problems or respond to your feedback.

Charlie Noel, Director of Operations

Enrollment Update + Strategic Plan

Strategic Plan - Priority 1 - Create & Implement Long Term Enrollment Plan

Three Year Goal - Set a replicable and attainable enrollment plan that serves to stabilize our enrollment and allow EBIA to confidently plan for the future in terms of staffing, facilities etc. with a sense of consistency,

- Build a **dynamic playbook** - inclusive of events and best practices to replicate and improve upon past success
- Establish consistent **checkpoints** to progress monitor throughout enrollment season
- Bolster **retention** strategies (i.e. build a family referral pipeline & adjust “Bridge Days”)

Y1 - Dynamic Playbook

Phase 1

- **Build off of success we experienced**
 - Personalized, Consistent and engaging communications
 - Open Houses Etc.
- **Review and Remove What didn't work**

Phase 2

- **Establish Consistent Checkpoints**
 - For planning purposes and because we are preparing for renewal it's critical that we are acutely aware of where we should be in terms of enrollment at given times.
 - Class sizes as they are mean the margin of error is extremely thin - we have three years of past data to inform **where we should be when**

Y1 & Y2 - Phase 2 - Bolster Retention - Distribute Leadership

- **Best Event, Best Time, Best Audience**

- Enrollment is a collection of many events we did 39 events from Tours, Open Houses, School Carnivals to Tabling at Schools to 3 large community events
- **Some events yield higher returns** - we will focus on providing activities and representatives that best fit those events – including student volunteers
- **Better Time - Better Event** - Bridge day will likely shift to 7th grade to get our innovators excited for the future!

- **Best Player for the Game**

- **Each Event has an ideal representative-** for some events we were one or two leadership team members and others, like open houses we were all admin and many teacher hands on deck. We want to **precisely** put the staff and students in front of perspective families that best answer our **audiences' questions**.

Continuous Feedback

- Prospective Family
 - Learn what's working in real time - request real time referrals from interested families ('if you loved the tour, our next tour is... send a friend')
- Current Family
 - Work on a appropriate incentive program for referrals (i.e. discounted after school or AP test fees)
- Student - **Potential Student Ambassador Program**
 - What brought you to EBIA?
 - What keeps you at EBIA?
 - What will you do to make the next generation of Innovators want to follow in your footsteps?
